

Federal Register

3-13-07

Vol. 72 No. 48

Tuesday

Mar. 13, 2007

Pages 11283-11772

The **FEDERAL REGISTER** (ISSN 0097-6326) is published daily, Monday through Friday, except official holidays, by the Office of the Federal Register, National Archives and Records Administration, Washington, DC 20408, under the Federal Register Act (44 U.S.C. Ch. 15) and the regulations of the Administrative Committee of the Federal Register (1 CFR Ch. I). The Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402 is the exclusive distributor of the official edition. Periodicals postage is paid at Washington, DC.

The **FEDERAL REGISTER** provides a uniform system for making available to the public regulations and legal notices issued by Federal agencies. These include Presidential proclamations and Executive Orders, Federal agency documents having general applicability and legal effect, documents required to be published by act of Congress, and other Federal agency documents of public interest.

Documents are on file for public inspection in the Office of the Federal Register the day before they are published, unless the issuing agency requests earlier filing. For a list of documents currently on file for public inspection, see www.archives.gov.

The seal of the National Archives and Records Administration authenticates the **Federal Register** as the official serial publication established under the Federal Register Act. Under 44 U.S.C. 1507, the contents of the **Federal Register** shall be judicially noticed.

The **Federal Register** is published in paper and on 24x microfiche. It is also available online at no charge as one of the databases on GPO Access, a service of the U.S. Government Printing Office.

The online edition of the **Federal Register** www.gpoaccess.gov/nara, available through GPO Access, is issued under the authority of the Administrative Committee of the Federal Register as the official legal equivalent of the paper and microfiche editions (44 U.S.C. 4101 and 1 CFR 5.10). It is updated by 6 a.m. each day the **Federal Register** is published and includes both text and graphics from Volume 59, Number 1 (January 2, 1994) forward.

For more information about GPO Access, contact the GPO Access User Support Team, call toll free 1-888-293-6498; DC area 202-512-1530; fax at 202-512-1262; or via e-mail at gpoaccess@gpo.gov. The Support Team is available between 7:00 a.m. and 9:00 p.m. Eastern Time, Monday–Friday, except official holidays.

The annual subscription price for the **Federal Register** paper edition is \$749 plus postage, or \$808, plus postage, for a combined **Federal Register**, **Federal Register** Index and List of CFR Sections Affected (LSA) subscription; the microfiche edition of the **Federal Register** including the **Federal Register** Index and LSA is \$165, plus postage. Six month subscriptions are available for one-half the annual rate. The prevailing postal rates will be applied to orders according to the delivery method requested. The price of a single copy of the daily **Federal Register**, including postage, is based on the number of pages: \$11 for an issue containing less than 200 pages; \$22 for an issue containing 200 to 400 pages; and \$33 for an issue containing more than 400 pages. Single issues of the microfiche edition may be purchased for \$3 per copy, including postage. Remit check or money order, made payable to the Superintendent of Documents, or charge to your GPO Deposit Account, VISA, MasterCard, American Express, or Discover. Mail to: New Orders, Superintendent of Documents, P.O. Box 371954, Pittsburgh, PA 15250-7954; or call toll free 1-866-512-1800, DC area 202-512-1800; or go to the U.S. Government Online Bookstore site, see bookstore.gpo.gov.

There are no restrictions on the republication of material appearing in the **Federal Register**.

How To Cite This Publication: Use the volume number and the page number. Example: 72 FR 12345.

Postmaster: Send address changes to the Superintendent of Documents, Federal Register, U.S. Government Printing Office, Washington DC 20402, along with the entire mailing label from the last issue received.

FEDERAL REGISTER WORKSHOP

THE FEDERAL REGISTER: WHAT IT IS AND HOW TO USE IT

- FOR:** Any person who uses the Federal Register and Code of Federal Regulations.
- WHO:** Sponsored by the Office of the Federal Register.
- WHAT:** Free public briefings (approximately 3 hours) to present:
1. The regulatory process, with a focus on the Federal Register system and the public's role in the development of regulations.
 2. The relationship between the Federal Register and Code of Federal Regulations.
 3. The important elements of typical Federal Register documents.
 4. An introduction to the finding aids of the FR/CFR system.
- WHY:** To provide the public with access to information necessary to research Federal agency regulations which directly affect them. There will be no discussion of specific agency regulations.

WHEN: Tuesday, March 13, 2007
9:00 a.m.–Noon

WHERE: Office of the Federal Register
Conference Room, Suite 700
800 North Capitol Street, NW.

Title 3—

Memorandum of March 5, 2007

The President

Assignment of Certain Functions Relating to Procurement Sanctions on Persons Engaging in Export Activities that Contribute to Proliferation

Memorandum for the Secretary of State[,] the Secretary of the Treasury[,] the Secretary of Defense[,] the Secretary of Commerce[, and] the Director of National Intelligence

By the authority vested in me as President by the Constitution and laws of the United States, including section 301 of title 3, United States Code, the functions of the President under section 821 of the Foreign Relations Authorization Act, Fiscal Years 1994 and 1995 (22 U.S.C. 6301) are assigned to the Secretary of State, except that the function of the President under section 821(c)(2)(A) is assigned to the Secretary of Defense.

In the performance of their respective functions under this memorandum, the Secretaries of State and Defense shall, as appropriate, consult each other, the Secretaries of the Treasury and Commerce, and the heads of other departments and agencies.

The Secretary of State is authorized and directed to publish this memorandum in the **Federal Register**.

Rules and Regulations

Federal Register

Vol. 72, No. 48

Tuesday, March 13, 2007

This section of the FEDERAL REGISTER contains regulatory documents having general applicability and legal effect, most of which are keyed to and codified in the Code of Federal Regulations, which is published under 50 titles pursuant to 44 U.S.C. 1510.

The Code of Federal Regulations is sold by the Superintendent of Documents. Prices of new books are listed in the first FEDERAL REGISTER issue of each week.

DEPARTMENT OF JUSTICE

2 CFR Part 2867

28 CFR Part 67

[Docket Number: OJP (DOJ)-1457; AG Order No. 2870-2007]

RIN 1121-AA73

Department of Justice Implementation of OMB Guidance on Nonprocurement Debarment and Suspension

AGENCY: Department of Justice.

ACTION: Direct final rule.

SUMMARY: The Department of Justice ("DOJ" or "the Department") is removing its regulations implementing the government-wide common rule on nonprocurement debarment and suspension, currently located within Part 67 of Title 28 of the Code of Federal Regulations (CFR), and adopting the Office of Management and Budget's (OMB) guidance at Title 2 of the CFR. This regulatory action implements the OMB's initiative to streamline and consolidate all federal regulations on nonprocurement debarment and suspension into one part of the CFR. These changes constitute an administrative simplification that would make no substantive change in DOJ policy or procedures for nonprocurement debarment and suspension.

DATES: This final rule is effective on May 14, 2007 without further action, unless adverse comment is received by DOJ by April 12, 2007. If adverse comment is received, DOJ will publish a timely withdrawal of the rule in the *Federal Register*.

ADDRESSES: Please address all comments regarding this rule by U.S. mail, to: Scott A. Chutka, Attorney-Advisor, Office of the General Counsel, Office of Justice Programs, Department of Justice, 810 7th Street, NW.,

Washington, DC 20531; by telefacsimile (fax), to: (202) 307-1419; or by e-mail, to: OJP_Fed_Reg_Comments@usdoj.gov. To ensure proper handling, please reference OJP Docket No. 1457 on your correspondence. You may view an electronic version of this rule at www.regulations.gov and you may also comment by using the www.regulations.gov form for this regulation. When submitting comments electronically you must include OJP Docket No. 1457 in the subject box.

FOR FURTHER INFORMATION CONTACT:

Scott A. Chutka, Attorney-Advisor, Office of the General Counsel, at (202) 307-6235 [Note: This is not a toll-free telephone number.]; or by e-mail at OJP_Fed_Reg_Comments@usdoj.gov.

SUPPLEMENTARY INFORMATION:

Background

On November 26, 2003, at 68 FR 66534, the Department adopted, on an interim final basis, the government-wide nonprocurement debarment and suspension common rule (NCR), which recast the nonprocurement debarment and suspension regulations in plain English and made other required updates. On March 11, 2005, at 70 FR 12141, the Department published a final rule completing its adoption of the government-wide common rule.

Thereafter, on August 31, 2005, OMB issued an interim final guidance that implemented its Guidance for Governmentwide Debarment and Suspension (Nonprocurement), at 70 FR 51863. In addition to restating and updating its guidance on nonprocurement debarment and suspension, the interim final guidance requires all federal agencies to adopt a new approach to Federal agency implementation of the guidance. OMB requires each agency to issue a brief rule that: (1) Adopts the guidance, giving it regulatory effect for that agency's activities; and (2) states any agency-specific additions, clarifications, and exceptions to the government-wide policies and procedures contained in the guidance. That guidance also requires agencies to implement the OMB guidance by February 28, 2007. OMB issued this guidance in final form on November 15, 2006, at 71 FR 66431.

Pursuant to requirements in OMB's interim final guidance, DOJ is therefore: (1) Removing 28 CFR part 67; (2) replacing the Department's part

containing the full text of the debarment and suspension common rule with a brief part implementing OMB's guidance and any provisions specific to the Department; and (3) co-locating the Department's part with OMB's guidance in 2 CFR along with other agencies' regulations in that title.

This regulatory action will implement the OMB initiative to streamline and consolidate all federal regulations on nonprocurement debarment and suspension into one part of the CFR, and does not modify any of the Department's current policies.

Invitation to Comment

With this regulatory action, DOJ is creating a new part in 2 CFR to adopt the OMB guidelines with the same additions and clarifications the Department made to the common rule on nonprocurement debarment and suspension in March 2005, at 68 FR 12141. In soliciting comments on this action, therefore, DOJ is not seeking to revisit substantive issues that were already resolved during the preparation of that final common rule. However, because DOJ intends the new part to make no changes in current policies and procedures, the Department specifically invites comments only on any unintended changes in substantive content that the new part in 2 CFR would make relative to the March 2005 final rule at 28 CFR part 67.

Administrative Procedure Act

Under the Administrative Procedure Act (5 U.S.C. 553) agencies generally offer interested parties the opportunity to comment on proposed regulations before they become effective. However, in this case, on November 26, 2003, at 68 FR 65534, the Department adopted, on an interim final basis, the government-wide nonprocurement debarment and suspension common rule (NCR), which recast the nonprocurement debarment and suspension regulations in plain English and made other required updates. Comments were solicited on the Department's interim NCR rule. On March 11, 2005, at 70 FR 12141, the Department published a final rule completing its adoption of the government-wide NCR common rule.

The changes made by this direct final rule constitute an administrative simplification that would make no

substantive change in Department policy or procedures for nonprocurement debarment and suspension. The Department believes that the rule is noncontroversial and adverse comments will not be received, although comments on this rule are invited.

Accordingly, the Department finds that the solicitation of public comments on this direct final rule is unnecessary and that “good cause” exists under 5 U.S.C. 553(b)(B) and 553(d) to make this rule effective on May 14, 2007 without further action, unless adverse comment is received by DOJ by April 12, 2007. If adverse comment is received, the Department will publish a timely withdrawal of the rule in the **Federal Register**.

Executive Order 12866

This regulatory action has been determined by OMB to be not significant for purposes of E.O. 12866.

Regulatory Flexibility Act of 1980 (5 U.S.C. 605(b))

This regulatory action, if adopted, would not have a significant adverse impact on a substantial number of small entities. This action merely removes DOJ’s current policy and provisions related to the debarment and suspension common rule and replaces it with a brief part adopting OMB’s guidance and implementing any provisions specific to the Department. In addition, it co-locates the Department’s regulations with OMB’s guidance in 2 CFR along with other agencies’ rules in that title. These provisions are merely administrative in nature and do not modify the Department’s current policy.

Unfunded Mandates Act of 1995 (Sec. 202, Pub. L. 104-4)

This regulatory action does not contain a Federal mandate that will result in the expenditure by State, local, and tribal governments, in aggregate, or by the private sector of \$100 million or more in any one year.

Paperwork Reduction Act of 1995 (44 U.S.C., Chapter 35)

This regulatory action will not impose any additional reporting or recordkeeping requirements under the Paperwork Reduction Act.

Federalism (Executive Order 13132)

This regulatory action does not have Federalism implications, as set forth in Executive Order 13132. It will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and

responsibilities among the various levels of government.

List of Subjects

2 CFR Part 2867

Administrative practice and procedure, Debarment and suspension, Grant programs, Reporting and recordkeeping requirements.

28 CFR Part 67

Administrative practice and procedure, Government contracts, Grant programs, Loan programs, Reporting and recordkeeping requirements, Technical assistance, Drug Abuse.

■ Accordingly, for the reasons set forth in the preamble, and under the authority of 5 U.S.C. 301 and 28 U.S.C. 509, 510, 515–519, the Department of Justice amends the Code of Federal Regulations, Title 2, Subtitle B, and part 67 of chapter 1 of Title 28, as follows:

Title 2—Grants and Agreements

■ 1. Add Chapter 28, consisting of Part 2867, to Subtitle B to read as follows:

CHAPTER 28—DEPARTMENT OF JUSTICE

PART 2867—NONPROCUREMENT DEBARMENT AND SUSPENSION

Sec.

§ 2867.10 What does this part do?

§ 2867.20 To whom does this part apply?

§ 2867.30 What policies and procedures must be followed?

Subpart A—General

§ 2867.137 Who in the Department of Justice may grant an exception to let an excluded person participate in a covered transaction?

Subpart B—Covered Transactions

§ 2867.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?

Subpart C—Responsibilities of Participants Regarding Transactions

§ 2867.332 What method must a participant use to pass requirements down to participants at lower tiers with whom the participant intends to do business?

Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions

§ 2867.437 What method must be used to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?

Subparts E–J—[Reserved]

Authority: Sec. 2455, Pub. L. 103–355, 108 Stat. 3327; E.O. 12549, 3 CFR, 1986 Comp., p. 189; E.O. 12689, 3 CFR, 1989 Comp., p. 235; 5 U.S.C. 301; 28 U.S.C. 509, 510, 515–519.

§ 2867.10 What does this part do?

This part adopts the Office of Management and Budget (OMB) guidance in Subparts A through I of 2 CFR part 180, as supplemented by this part, as the Department of Justice policies and procedures for nonprocurement debarment and suspension. It thereby gives regulatory effect for the Department of Justice to the OMB guidance as supplemented by this part. This part satisfies the requirements in section 3 of Executive Order 12549, “Debarment and Suspension” (3 CFR 1986 Comp., p. 189), Executive Order 12689, “Debarment and Suspension” (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Pub. L. 103–355, 108 Stat. 3327).

§ 2867.20 To whom does this part apply?

This part and, through this part, pertinent portions of the OMB guidance in Subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to any—

(a) Participant or principal in a “covered transaction” (see Subpart B of 2 CFR part 180 and the definition of “nonprocurement transaction” at 2 CFR 180.970 (as supplemented by Subpart B of this part));

(b) Respondent in a Department of Justice suspension or debarment action;

(c) Department of Justice debarment or suspension official;

(d) Department of Justice grants officer, agreements officer, or other official authorized to enter into any type of nonprocurement transaction that is a covered transaction.

§ 2867.30 What policies and procedures must be followed?

The Department of Justice policies and procedures that must be followed are the policies and procedures specified in each applicable section of the OMB guidance in Subparts A through I of 2 CFR part 180, as that section is supplemented by the section in this part with the same section number. The contracts that are covered transactions, for example, are specified by section 220 of the OMB guidance (*i.e.*, 2 CFR 180.220) as supplemented by section 220 in this part (*i.e.*, § 2867.220). For any section of OMB guidance in Subparts A through I of 2 CFR 180 that has no corresponding section in this part, Department of Justice policies and procedures are those in the OMB guidance.

Subpart A—General**§ 2867.137 Who in the Department of Justice may grant an exception to let an excluded person participate in a covered transaction?**

Within the Department of Justice, the Attorney General or designee has the authority to grant an exception to let an excluded person participate in a covered transaction, as provided in the OMB guidance at 2 CFR 180.135.

Subpart B—Covered Transactions**§ 2867.220 What contracts and subcontracts, in addition to those listed in 2 CFR 180.220, are covered transactions?**

Although the OMB guidance at 2 CFR 180.220(c) allows a Federal agency to do so (also see optional lower tier coverage in the figure in the Appendix to 2 CFR part 180), the Department of Justice does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement contracts under a covered nonprocurement transaction.

Subpart C—Responsibilities of Participants Regarding Transactions**§ 2867.332 What method must a participant use to pass requirements down to participants at lower tiers with whom the participant intends to do business?**

A participant must include a term or condition in lower-tier transactions requiring lower-tier participants to comply with Subpart C of the OMB guidance in 2 CFR part 180, as supplemented by this subpart.

Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions**§ 2867.437 What method must be used to communicate to a participant the requirements described in the OMB guidance at 2 CFR 180.435?**

To communicate to a participant the requirements described in 2 CFR 180.435 of the OMB guidance, the communication must include a term or condition in the transaction that requires the participant's compliance with subpart C of 2 CFR part 180, as supplemented by Subpart C of this part, and requires the participant to include a similar term or condition in lower-tier covered transactions.

Subparts E–J—[Reserved]**Title 28—Judicial Administration****CHAPTER 1—DEPARTMENT OF JUSTICE****■ 2. Remove Part 67.**

Dated: March 6, 2007.

Alberto R. Gonzales,

Attorney General.

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****14 CFR Part 71**

[Docket No. FAA-2006-25945; Airspace Docket No. 06-ACE-15]

Modification of Class E Airspace; Alliance, NE

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Direct final rule; confirmation of effective date.

SUMMARY: This document confirms the effective date of the direct final rule which revises Class E airspace at Alliance, NE.

DATES: *Effective Date:* 0901 UTC, May 10, 2007.

FOR FURTHER INFORMATION CONTACT: Grant Nichols, System Support, DOT Regional Headquarters Building, Federal Aviation Administration, 901 Locust, Kansas City, MO 64106; telephone: (816) 329-2522.

SUPPLEMENTARY INFORMATION: The FAA published this direct final rule with a request for comments in the **Federal Register** on January 11, 2007 (72 FR 1279). The FAA uses the direct final rulemaking procedure for a non-controversial rule where the FAA believes that there will be no adverse public comment. This direct final rule advised the public that no adverse comments were anticipated, and that unless a written adverse comment, or a written notice of intent to submit such an adverse comment, were received within the comment period, the regulation would become effective on May 10, 2007. No adverse comments were received, and thus this notice confirms that this direct final rule will become effective on that date.

Issued in Fort Worth, Texas on February 20, 2007.

Donald R. Smith,

Manager, System Support Group, ATO Central Service Area.

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****18 CFR Part 385**

[Docket No. RM02-11-000]

Civil Monetary Penalty Inflation Adjustment Rule: Order No. 692; Order Redesignating Proceeding

Issued February 16, 2007.

AGENCY: Federal Energy Regulatory Commission, DOE.

ACTION: Final rule: order redesignating proceeding.

SUMMARY: On August 5, 2002, the Commission issued a final rule for a Civil Monetary Penalty Inflation Adjustment as mandated by the Debt Collection Improvement Act of 1996. The final rule was designated "Order No. 890". The Commission is redesignating "Order No. 890" as "Order No. 692".

DATES: *Effective Date:* February 16, 2007.

FOR FURTHER INFORMATION CONTACT: Secretary's Office, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, (202) 502-8400.

SUPPLEMENTARY INFORMATION: On August 5, 2002, the Commission issued "Order No. 890, Final Rule" in the above-captioned proceeding. *Civil Monetary Penalty Inflation Adjustment Rule*, 100 FERC ¶ 61,159 (2002).

By this order the Commission redesignates the above-captioned proceeding as Order No. 692, Final Rule.

By direction of the Commission.

Nora E. Donovan,

Acting Secretary.

BILLING CODE 6717-01-P

INTERNATIONAL TRADE COMMISSION**19 CFR Part 208****Investigations Relating to Commercial Availability Under the African Growth and Opportunity Act**

AGENCY: United States International Trade Commission.

ACTION: Correcting amendment.

SUMMARY: The Commission published a notice in the **Federal Register** on February 27, 2007 (72 FR 8624) amending its rules of practice and

procedure to add a new part 208. The amendment is an interim rule and became effective on the date of publication. The notice published in the **Federal Register** on February 27 inadvertently identified two subsections as § 208.7(c). The Commission is amending § 208.7 by designating the second paragraph (c) as paragraph (d).

DATES: Effective on March 13, 2007.

FOR FURTHER INFORMATION CONTACT: William Gearhart, Senior Counsel, Office of the General Counsel, 202–205–3091 (e-mail: william.gearhart@usitc.gov); or Marilyn R. Abbott, Secretary to the Commission, 202–205–2000 (e-mail: marilyn.abbott@usitc.gov).

SUPPLEMENTARY INFORMATION:

List of Subjects in 19 CFR Part 208

Administrative practice and procedure, Business and industry, Customs duties, Imports, Investigations.

■ Accordingly, 19 CFR part 208 is corrected by making the following correcting amendment:

PART 208—INVESTIGATIONS WITH RESPECT TO COMMERCIAL AVAILABILITY OF TEXTILE FABRIC AND YARN IN SUB-SAHARAN AFRICAN COUNTRIES

■ 1. The authority citation for part 208 continues to read as follows:

Authority: 19 U.S.C. 1335; 19 U.S.C. 3721(c).

§ 208.7 [Amended]

■ 2. Amend § 208.7 by designating the second paragraph (c) as paragraph (d).

Issued: March 6, 2007.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

[FR Doc. E7–4456 Filed 3–12–07; 8:45 am]

BILLING CODE 7020–02–P

POSTAL SERVICE

39 CFR Part 232

Conduct on Postal Property; Postal Service Security Force

AGENCY: Postal Service.

ACTION: Final rule.

SUMMARY: The U.S. Postal Service is amending the enforcement provisions of the rules for conduct on Postal Service property to restate the statutory basis for the powers of members of the Postal Service security force. Enactment of permanent law defining these powers and authority necessitates this

amendment. The Postal Service infers and intends no substantive change to the referenced powers and authority.

DATES: Effective March 13, 2007.

FOR FURTHER INFORMATION CONTACT: Lawrence Katz, Inspector in Charge, Office of Counsel, U.S. Postal Inspection Service, 202–268–7732.

SUPPLEMENTARY INFORMATION: As the law enforcement arm of the Postal Service, the U.S. Postal Inspection Service is responsible for enforcing the rules governing conduct on Postal Service property. The rules are published in 39 CFR 232.1. With regard to the enforcement of these rules, subsection 232.1(q) provides that (1) they are enforced by the Postal Service security force, (2) postal installation heads and postmasters may enter into agreements with state and local law enforcement agencies to enforce these rules, and (3) certain other designated persons may likewise enforce the rules.

The security force is a component of the Postal Inspection Service and comprises those armed, uniformed employees whom the Postal Service has since 1971 been authorized by 39 U.S.C. 1201 to employ as guards for the protection of postal premises. In lieu of a provision for the specific police powers of such guards in permanent legislation, their powers were provided through a general provision in annual appropriations acts, beginning with that of 1973 (Pub. L. 92–351, 86 Stat. 471, section 612). Such general provisions uniformly incorporated by reference the powers given to special policemen by title 40, United States Code. The most recent act to do so was the annual appropriations act for 2006 (Pub. L. 109–115, 119 Stat. 2396, section 811). The Postal Accountability and Enhancement Act (Pub. L. 109–435, 120 Stat. 3198, section 1001) contains a permanent provision for the enforcement authority of postal police officers, codified in new subsection (c) of 18 U.S.C. 3061. The enforcement provision at 39 CFR 232.1(q)(1) requires amendment accordingly.

As amended, 18 U.S.C. 3061 provides the fundamental powers of postal police officers and gives the Postal Service authority to provide by regulation for certain additional powers. The fundamental powers parallel those given to postal police officers by previous law. The Postal Service intends by this amendment simply to maintain the status quo with regard to the powers of members of the postal security force, albeit through citation to the relevant provision of title 18, United States Code, as recently amended, rather

than to provisions of title 40, United States Code, no longer applicable.

List of Subjects in 39 CFR Part 232

Authority delegations (Government agencies), Crime, Federal buildings and facilities, Government property, Law enforcement officers, Postal Service, Security measures.

■ In view of the considerations discussed above, the Postal Service adopts the following amendment to 39 CFR part 232:

PART 232—CONDUCT ON POSTAL PROPERTY

■ 1. The authority citation for part 232 is revised to read as follows:

Authority: 18 U.S.C. 13, 3061; 21 U.S.C. 802, 844; 39 U.S.C. 401, 403(b)(3), 404(a)(7), 1201(2).

■ 2. In § 232.1, paragraph (q)(1) is revised to read as follows:

§ 232.1 Conduct on postal property.

* * * * *

(q) *Enforcement.* (1) Members of the U.S. Postal Service security force shall exercise the powers provided by 18 U.S.C. 3061(c)(2) and shall be responsible for enforcing the regulations in this section in a manner that will protect Postal Service property and persons thereon.

BILLING CODE 7710–12–P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 070213032–7032–01; I.D. 030707B]

Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 610 of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for pollock in Statistical Area 610 of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the B season allowance of the 2007 total allowable catch (TAC) of pollock for Statistical Area 610 of the GOA.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), March 13, 2007, through 1200 hrs, A.l.t., August 25, 2007.

FOR FURTHER INFORMATION CONTACT: Jennifer Hogan, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The B season allowance of the 2007 TAC of pollock in Statistical Area 610 of the GOA is 4,511 metric tons (mt) as established by the 2007 and 2008 harvest specifications for groundfish of the GOA (72 FR 9676, March 5, 2007). In accordance with § 679.20(a)(5)(iv)(B) the Administrator, Alaska Region, NMFS (Regional Administrator), hereby increases the B season pollock allowance by 902 mt, the remaining amount of the A season allowance of the pollock TAC in Statistical Area 610. Therefore, the revised B season allowance of the pollock TAC in Statistical Area 610 is 5,413 mt (4,511 mt plus 902 mt).

In accordance with § 679.20(d)(1)(i), the Regional Administrator has determined that the B season allowance of the 2007 TAC of pollock in Statistical Area 610 of the GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 5,213 mt, and is setting aside the remaining 200 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for pollock in Statistical Area 610 of the GOA.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public

interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of pollock in Statistical Area 610 of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of March 6, 2007.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: March 7, 2007.

James P. Burgess,
Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for pollock in Statistical Area 630 of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the B season allowance of the 2007 total allowable catch (TAC) of pollock for Statistical Area 630 of the GOA.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), March 11, 2007, through 1200 hrs, A.l.t., August 25, 2007.

FOR FURTHER INFORMATION CONTACT: Jennifer Hogan, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North

Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The B season allowance of the 2007 TAC of pollock in Statistical Area 630 of the GOA is 1,753 metric tons (mt) as established by the 2007 and 2008 harvest specifications for groundfish of the GOA (72 FR 9676, March 5, 2007).

In accordance with § 679.20(d)(1)(i), the Regional Administrator has determined that the B season allowance of the 2007 TAC of pollock in Statistical Area 630 of the GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 1,453 mt, and is setting aside the remaining 300 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for pollock in Statistical Area 630 of the GOA.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of pollock in Statistical Area 630 of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of March 6, 2007.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

BILLING CODE 3510-22-S

Proposed Rules

Federal Register

Vol. 72, No. 48

Tuesday, March 13, 2007

This section of the FEDERAL REGISTER contains notices to the public of the proposed issuance of rules and regulations. The purpose of these notices is to give interested persons an opportunity to participate in the rule making prior to the adoption of the final rules.

DEPARTMENT OF AGRICULTURE

Food and Nutrition Service

7 CFR Parts 278 and 279

RIN 0584-AD44

Food Stamp Program: Revisions to Bonding Requirements for Violating Retail and Wholesale Food Concerns

AGENCY: Food and Nutrition Service (FNS), USDA.

ACTION: Proposed rule.

SUMMARY: This action proposes to revise the current bonding requirements imposed against participating retailers and wholesalers who have violated the Food Stamp Program rules and regulations. Currently, all violating retailers and wholesalers that are disqualified for a specified period of time or have a civil money penalty imposed in lieu of a disqualification for a specified period of time are required to submit a valid collateral bond usually on an annual basis if they wish to continue to participate in the Food Stamp Program. Over the years, securing a collateral bond has become increasingly more difficult for retailers and wholesalers to obtain. Thus, the intent of this proposed rule is to revise the current requirement in order to help alleviate the financial burden to those retailers and wholesalers who are required to submit such a bond and also to reduce the recordkeeping burden with respect to the FNS field offices which have to keep track of the expirations and renewals of these bonds.

This proposed rule would also place in the Food Stamp Program regulations the longstanding policy FNS has adopted to accept irrevocable letters of credit in lieu of collateral bonds. Lastly, this rule would establish a specified period of time for retailers and wholesalers to be removed from the program for accepting food stamp benefits in payment for eligible food on credit, a violation of the Food Stamp Program regulations.

DATES: Comments must be received on or before May 14, 2007 to be assured of consideration.

ADDRESSES: The Food and Nutrition Service invites interested persons to submit comments on the proposed rule. Comments may be sent to Andrea Gordon, Chief, Retailer Management Branch, Benefit Redemption Division, Food and Nutrition Service, U.S. Department of Agriculture, 3101 Park Center Drive, Room 406, Alexandria, VA 22302; FAX number (703) 305-1863; E-mail: BRDHQ-WEB@fns.usda.gov. Comments may also be sent through the Federal e-Rulemaking Portal by going to <http://www.regulations.gov>. Follow the online instructions for submitting comments. All submitted comments should refer to the title of this proposal.

Read Comments: All written comments will be open for public inspection at the office of the Food and Nutrition Service during business hours (8:30 a.m. to 5 p.m., Monday through Friday) at 3101 Park Center Drive, Room 406, Alexandria, Virginia.

FOR FURTHER INFORMATION CONTACT: Andrea Gordon at (703) 305-2456.

SUPPLEMENTARY INFORMATION:

Executive Order 12866

This proposed rule has been determined to be significant and was reviewed by the Office of Management and Budget in conformance with Executive Order 12866.

Regulatory Impact Analysis

Need for Action

The proposed regulation would reduce and better target the current bonding and letter of credit (LOC) requirements that are imposed on authorized retailers and wholesalers who violate Food Stamp Program rules. It would: (1) Eliminate the bond requirements for retailers who have never previously been disqualified and who are disqualified for six months or incur a civil money penalty in lieu of a six month disqualification; and, (2) limit the bond requirement to five years for retailers whose disqualification or civil money penalty exceeds six months. Retailers who have previously been disqualified for any length of time or been issued a civil money penalty and who subsequently become disqualified again will be subject to the five year bonding requirement, even if the subsequent disqualification is for a

period of six months or less or the civil money penalty imposed is in lieu of a disqualification for six months or less.

Benefits

Currently, a retailer who is sanctioned as a result of violations is required to submit a bond or LOC in order to continue to participate in the Food Stamp Program regardless of the type and extent of those violations. In this proposed rule, however, retailers who commit less egregious violations would be exempt from the bonding requirement. The cost of securing and maintaining a bond has increased significantly over the years; this change would alleviate the financial burden on retailers who have committed relatively minor violations as well as those who have served their program sanction. The agency would also realize a reduced burden in that the implementation of this rule would eliminate the labor associated with monitoring the bonds and letters of credit. The rule would also have a modest effect on the revenue FNS collects from retailers who commit violations. No impacts on household food stamp participation or associated benefit costs are expected.

Costs

These provisions are expected to produce a small dollar loss to the Government of \$14,793 in FY 2006 and less than \$75,000 over the five-year period FY 2006 through FY 2010.

While the reduction in labor hours for monitoring bonds and letters of credit cannot be counted as a direct savings to the Government, the time made available has significant value. It can be used to enhance FNS' capacity to manage the authorization and monitoring of food stamp retailers.

When food stamp retailers who have secured bonds or letters of credit commit a subsequent violation, the Government may recover its losses against the bonds. Historically, such draw downs have been very infrequent, less than one percent of all bonds.

The proposed rule change would eliminate the need for bonds and letters of credit among retailers who are disqualified for six months or who pay a civil money penalty in lieu of a six month disqualification. Approximately 44 percent of retailer violations are associated with a six month period of disqualification. A majority of these involve bonds with a face value of

\$1,000. Based on an average of 10.8 bond or letter of credit forfeitures per year among this group, the potential loss of revenue to the Government over five years is \$74,000, determined as follows:

- 44% of 3,070 retailers currently in the Program who have prior violations that are associated with a 6 month disqualification period, been reinstated and submitted a bond or LOC = 1,351 retailers.
- <1% (.008) of 1,351 retailers = 10.8 who commit a second violation that results in bond forfeiture or letter of credit draw down.
- 86.5% of 10.8 = 9.35 retailers with bonds/LOCs that have a face value of \$1,000 and 13.5% = 1.45 with bonds/LOCs that have an average face value of \$3,754.
- The annual forfeiture amount is equal to $(9.35 \times \$1000) \$9350 + (1.45 \times \$3754) \$5,443$ or \$14,793.
- $\$14,793 \times 5 \text{ years} = \$73,965$.

The estimates of revenue forfeited are reasonably certain as they are based on averages created from historical information from the Government's administrative files on food stamp retailer disqualifications and civil money penalties.

The financial benefit for all food retailers (regardless of when they are authorized, both new and current participants) is substantially larger than the cost to the Federal Government. The proposed rule would eliminate the cost of bonds/letters of credit and associated processing fees for retailers disqualified for six months or who pay a civil money penalty in lieu of a six month disqualification:

- 386 is the average number of retailers who are disqualified for six months or pay a civil money penalty in lieu of a six month disqualification per year.
- These 386 retailers pay an average cost of \$668 per bond or LOC = \$257,848 each year;
- $\$257,848 \text{ per year} \times \text{five years} = \$1,289,240$.

When effective, the proposed rule would also eliminate the expense of maintaining a bond indefinitely to retailers who have been previously disqualified and reinstated or paid a civil money penalty in lieu of a disqualification and required to post a bond/LOC:

- 3,070 retailers who previously have been disqualified or paid a civil money penalty in lieu of disqualification and been reinstated.
- 3,070 retailers who pay an estimated annual renewal fee for bond/LOC of \$100 = \$307,000 for first year (2006);

• $3,070 \text{ retailers} \times 6.1\% = 187 \text{ stores}$ who will withdraw or otherwise leave the Program. In 2007, 3070 stores – 187 stores = 2,883 stores who pay \$100 renewal fee = \$288,300.

- In 2008, $2,883 - 187 \text{ stores} = 2,696 \text{ retailers} \times \$100 \text{ renewal fee} = \$269,600$.
- In 2009, $2,696 - 187 \text{ stores} = 2,509 \text{ retailers} \times \$100 \text{ renewal fee} = \$250,900$.
- In 2010, $2,509 - 187 \text{ stores} = 2,322 \text{ retailers} \times \$100 \text{ renewal fee} = \$232,200$.
- Cost over five years = $\$307,000 + \$288,300 + \$269,600 + \$250,900 + \$232,200 = \$1,348,000$.

Finally, retailers who, during 2005, (1) Have a previous disqualification(s) or civil money penalty in lieu of disqualification and receive an additional disqualification penalty of any length or (2) are disqualified for more than six months or pay a civil money penalty in lieu of a disqualification period of more than six months will have fulfilled their bond/LOC requirement in 2010. During this five year period they will continue to pay the fees associated with the annual renewal of such bonds/LOCs. For each year beyond 2010, the number of retailers who no longer pay renewal fees should increase by the number of stores who fit into one of the two categories described above and remains in the Food Stamp Program. For example:

In 2011, $2,040 + 491 \text{ retailers} - 6.1\%$ of them who leave the Program OR 2377 retailers will no longer incur the average \$100 cost of bond renewal fees. The total cost associated with this change in 2011 is \$237,700.

Since 1969, more than 75% of the stores that have been disqualified or subject to a civil money penalty are convenience stores and medium or small grocers.

From 1998 to 2005, 2,065 stores were facing a permanent disqualification from participation in the Food Stamp Program because of indications that trafficking violations were occurring in those establishments. Two hundred forty-four of those stores provided documentation proving that in fact credit violations were taking place. That is equal to an average of 30.5 stores per year or 11.8% of all the stores facing a permanent disqualification each year between 1998 and 2005.

Under the proposed regulation, these stores would instead be given a one year disqualification and required to submit a bond or letter of credit for five years, upon return to the Food Stamp Program.

Based on historical data, there would be an average out-of-pocket cost to each of these retailers of \$668. Total cost to retailers for this provision is projected to be \$20,374 per year and \$101,870 over five years.

This out-of-pocket cost is, however, offset by the opportunity for these businesses to resume the food stamp portion of their sales after the one year disqualification period.

Regulatory Flexibility Act

This rule has been reviewed with regard to the requirements of the Regulatory Flexibility Act of 1980 (5 U.S.C. 601–612). Nancy Montanez Johner, Under Secretary, of the Food, Nutrition and Consumer Services has certified that this rule will not have a significant economic impact on a substantial number of small entities. This rule will impact FNS field offices and all participating retailers and wholesalers who have violated the Food Stamp Program rules. Currently, all violating retailers and wholesalers who have been imposed a specified period of time to be removed from the program or assessed a civil money penalty in lieu of such removal are required to submit a collateral bond or irrevocable letter of credit as condition of continued participation in the Food Stamp Program. The collateral bond or irrevocable letter of credit must be periodically renewed and valid at all times during the period in which the firm is authorized to participate in the program. This rule will limit the requirement to five years, benefiting the retailers and wholesalers who are affected by this requirement. Also, in this rule, a one year removal from participation in the program will be imposed against retailers and wholesalers that accept food stamp benefits in payment for items sold to a household on credit. It is estimated that an average of 30.5 stores per year or 11.8% of all the stores facing a permanent disqualification will be imposed a one year disqualification because of committing credit violations.

Unfunded Mandates Reform Act

Title II of the Unfunded Mandates Reform Act of 1995 (UMRA), Public Law 104–4, establishes requirements for Federal agencies to assess the effects of their regulatory actions on State, local, and tribal governments and the private sector. Under Section 202 of the UMRA, the Department generally must prepare a written statement, including a cost/benefit analysis, for proposed and final rules with Federal mandates that may result in expenditures to State, local, or tribal governments, in the aggregate, or to the private sector, of \$100 million or more in any one year. When such a statement is needed for a rule, section 205 of the UMRA generally requires the Department to identify and consider a reasonable number of regulatory

alternatives and adopt the least costly, more cost-effective or least burdensome alternative that achieves the objectives of the rule. This rule contains no Federal mandates (under the regulatory provisions of Title II of the UMRA) that impose costs on State, local, or tribal governments or to the private sector of \$100 million or more in any one year. This rule is, therefore, not subject to the requirements of sections 202 and 205 of the UMRA.

Executive Order 12372

The Food Stamp Program is listed in the Catalog of Federal Domestic Assistance under No. 10.551. For the reasons set forth in the final rule in 7 CFR part 3015, subpart V and related Notice (48 FR 29115), June 24, 1983, this Program is excluded from the scope of Executive Order 12372, which requires intergovernmental consultation with State and local officials.

Executive Order 13132, Federalism

Executive Order 13132 requires Federal agencies to consider the impact of their regulatory actions on State and local governments. Where such actions have federalism implications, agencies are directed to provide a statement for inclusion in the preamble to the regulations describing the agency's considerations in terms of the three categories called for under section (6)(b)(2)(B) of Executive Order 13132. The Food and Nutrition Service (FNS) has considered the impact of this rule on State and local governments and has determined that this rule does not have federalism implications. This rule does not impose substantial or direct compliance costs on State and local governments. Therefore, under section 6(b) of the Executive Order, a federalism summary impact statement is not required.

Executive Order 12988

This rule has been reviewed under Executive Order 12988, Civil Justice Reform. This rule is intended to have preemptive effect with respect to any State or local laws, regulations or policies which conflict with its provisions or which would otherwise impede its full implementation. This rule is not intended to have retroactive effect unless specified in the **DATES** section of the final rule. Prior to any judicial challenge to the provisions of this rule or the application of its provisions, all applicable administrative procedures must be exhausted.

Civil Rights Impact Analysis

FNS has reviewed this proposed rule in accordance with Departmental

Regulations 4300-4, "Civil Rights Impact Analysis", and 1512-1, "Regulatory Decision Making Requirements." After a careful review of the rule's intent and provisions, FNS has determined that this proposed rule will not in any way limit or reduce the ability of protected classes of individuals to receive food stamp benefits on the basis of their race, color, national origin, sex, age, disability, religion or political belief nor will it have a differential impact on minority owned or operated business establishments, and woman owned or operated business establishments that participate in the Food Stamp Program.

The proposed changes in this regulation do not apply to the food stamp recipients participating in the Food Stamp Program. The regulation affects or may potentially affect the retail food stores and wholesale food concerns that participate (accept or redeem food stamp benefits) in the Food Stamp Program. The only retail food stores and wholesale food concerns that will be directly affected, however, are those firms that violate the Food Stamp Program rules and regulations.

FNS does not collect data from retail food stores or wholesale food concerns regarding any of the protected classes under Civil Rights. As long as a retail food store or wholesale food concern meets the eligibility criteria stipulated in the section 3 of the Food Stamp Act and 7 CFR 278.1 of the Food Stamp Program regulations they can participate in the Food Stamp Program. Also, FNS specifically prohibits retailers and wholesalers that participate in the Food Stamp Program to engage in actions that discriminate based on race, color, national origin, sex, age, disability, religion or political belief. FNS has performed many outreach efforts to increase the participation of individuals eligible to receive food stamp benefits.

This rule will not change any requirements related to the eligibility or participation of protected classes or individuals, minority owned or operated business establishments, or woman owned or operated business establishments in the Food Stamp Program. As a result, this rule will have no differential impact on protected classes of individuals, minority owned or operated business establishments, or woman owned or operated business establishments.

Paperwork Reduction Act

The Paperwork Reduction Act of 1995 (44 U.S.C. Chap. 35; see 5 CFR 1320) requires that the Office of Management and Budget (OMB) approve all collections of information by a Federal

agency before they can be implemented. Respondents are not required to respond to any collection of information unless it displays a current valid OMB control number. This rule does not contain information collection requirements subject to approval by OMB under the Paperwork Reduction Act of 1995.

E-Government Act Compliance

The Food and Nutrition Service is committed to complying with the E-Government Act, to promote the use of the Internet and other information technologies to provide increased opportunities for citizen access to Government information and services, and for other purposes.

Background

On July 12, 1984, the Department published a rule entitled, Bonding of Authorized Firms, that required all violating retailers and wholesalers that have been disqualified for a specified period of time or imposed a civil money penalty to submit a collateral bond if they wish to continue to participate in the Food Stamp Program after satisfying their penalty. The rule became effective on August 13, 1984. The bonding requirements are set forth in Section 12(d) of the Food Stamp Act of 1977, (Act), and Parts 278 and 279 of the Food Stamp Program regulations. Essentially, the bond covers the value of the food stamp benefits which the authorized firm may in the future accept and redeem in violation of the Act. The minimum face value of a bond is \$1,000. The vast majority of the bonds, when calculated, have a face value of \$1,000.

Currently, the regulations require that the bond be valid at all times during the period which the firm is authorized to participate in the program. Retailers and wholesalers are required to renew their bond through a bonding agent or financial institution on a periodic basis. Most bonds are renewed on an annual basis. The renewal fee for a bond can range from \$50 to \$1,000, which does not include the accountant and lawyer fees that can range from \$75 to more than \$200. Firms have expressed to the Food and Nutrition Service (FNS) on numerous occasions their concern about the costs of renewing a collateral bond being exorbitant.

Several other problems have arisen since the inception of the current bonding requirement. Namely, we found that collateral bonds from some companies do not meet the requirements set forth in the rules, collateral bonds are not available in some areas, and collateral bonds are not always available in the required increments. As a result, we established

written policy to allow firms to submit irrevocable letters of credit in lieu of collateral bonds.

In accordance with Section 12(d) of the Act, the Secretary has the authority to prescribe the amount, terms, and conditions of this statutory requirement. Thus, the proposed rule would do the following: (1) Amend the regulation to provide for irrevocable letters of credit as an acceptable instrument in lieu of collateral bonds; (2) Eliminate the bond requirement for retailers who have never previously been disqualified and who are disqualified for a period of six months or have a civil money penalty imposed in lieu of a six month disqualification period; and (3) Limit the bonding requirement to five years for retailers who are disqualified for a specified period of time greater than six months or imposed a civil money penalty in lieu of a specified period of time greater than six months. Retailers who have previously been disqualified for any length of time or been issued a civil money penalty and who subsequently become disqualified again will be subject to the five year bonding requirement, even if the subsequent disqualification is for a period of six months or less or the civil money penalty imposed is in lieu of a disqualification for six months or less.

Lastly, the proposed rule would also establish a specified period of time for firms to be removed from the program (*i.e.*, one year) for accepting food stamp benefits in payment for items on credit. Section 278.2(f) of the Food Stamp Program regulations stipulates that retail food stores may not accept food stamp benefits in payment for any eligible food sold to food stamp households on credit. We have seen an increase in this type of violative activity since the implementation of the electronic benefit transfer (EBT) system. As a result, we issued clarification of FNS' policy regarding such activity (Benefit Redemption Division Policy Memorandum #98-01, entitled, Handling Electronic Benefit Transfer Cases Involving Retailers Who Admit to Accepting Food Stamp Benefits for Payment on Credit Accounts). We are now proposing to establish by regulation a specific one year disqualification for stores that engage in credit transactions.

List of Subjects

7 CFR Part 278

Food Stamps, Grant programs—social programs, Penalties.

7 CFR Part 279

Administrative practice and procedure, Food Stamps, Grant programs—social programs.

Accordingly, 7 CFR parts 278 and 279 are proposed to be amended as follows:

1. The authority citation for parts 278 and 279 continues to read as follows:

Authority: 7 U.S.C. 2011–2036.

PART 278—PARTICIPATION OF RETAIL FOOD STORES, WHOLESALE FOOD CONCERNS AND INSURED FINANCIAL INSTITUTIONS

2. In § 278.1, revise paragraph (b)(4) to read as follows:

§ 278.1 Approval of retail food stores and wholesale food concerns.

* * * * *

(b) * * *

(4) *The submission of collateral bonds or irrevocable letters of credit for firms with previous sanctions.*

(i) If the applicant firm has been sanctioned for violations of this part, by withdrawal, or disqualification for a period of more than six months, or by a civil money penalty in lieu of a disqualification period of more than six months, or if the applicant firm has been previously sanctioned for a violation and incurs a subsequent sanction regardless of the length of the disqualification period, the FNS officer-in-charge shall, as a condition of future authorization, require the applicant to present a collateral bond or irrevocable letter of credit that meets the following conditions:

(A) The collateral bond must be issued by a bonding agent/company recognized under the law of the State in which the applicant is conducting business and which is represented by a negotiable certificate only. The irrevocable letter of credit must be issued by a commercial bank;

(B) The collateral bond or irrevocable letter of credit must be made payable to the Food and Nutrition Service, U.S. Department of Agriculture;

(C) The collateral bond cannot be canceled by the bonding agent/company for non-payment of the premium by the applicant. The irrevocable letter of credit cannot be canceled by the commercial bank for non-payment by the applicant;

(D) The collateral bond or irrevocable letter of credit must have a face value of \$1,000 or an amount equal to ten percent of the average monthly food stamp benefit redemption volume of the applicant for the immediate twelve months prior to the effective date of the most recent sanction which necessitated

the collateral bond or irrevocable letter of credit whichever amount is greater;

(E) The applicant is required to submit a collateral bond or irrevocable letter of credit that is valid for a period of five years when re-entering the program; and

(F) The collateral bond or irrevocable letter of credit shall remain in the custody of the Officer-in-Charge unless released to the applicant as a result of the withdrawal of the applicant's authorization, without a fiscal claim established against the applicant by FNS.

(ii) Furnishing a collateral bond or irrevocable letter of credit shall not eliminate or reduce a firm's obligation to pay in full any civil money penalty or previously determined fiscal claim which may have been assessed against the firm by FNS prior to the time the bond or letter of credit was required by FNS, and furnished by the firm. A firm which has been assessed a civil money penalty shall pay FNS as required, any subsequent fiscal claim asserted by FNS. In such cases a collateral bond or irrevocable letter of credit shall be furnished to FNS with the payment, or a schedule of intended payments, of the civil money penalty. A buyer or transferee shall not, as a result of the transfer or purchase of a disqualified firm, be required to furnish a bond or letter of credit prior to authorization.

* * * * *

3. In § 278.2, revise paragraph (f) to read as follows:

§ 278.2 Participation of retail food stores.

* * * * *

(f) *Paying credit accounts.* Food stamp benefits shall not be accepted by authorized retail food store in payment of items previously sold to a household on credit. A firm that commits such violations shall be disqualified from participation in the Food Stamp Program for a period of one year.

* * * * *

4. In § 278.6:

a. Revise paragraph (e)(4); and

b. Amend paragraph (h) by adding the words "or irrevocable letter of credit" after the word "bond" wherever it appears.

The revision reads as follows:

§ 278.6 Disqualification of retail food stores and wholesale food concerns, and imposition of civil money penalties in lieu of disqualifications.

* * * * *

(e) * * *

(4) Disqualify the firm for 1 year if:

(i) It is to be the first sanction for the firm and the ownership or management personnel of the firm have committed

violations such as the sale of common nonfood items in amounts normally found in a shopping basket, and FNS had not previously advised the firm of the possibility that violations were occurring and of the possible consequences of violating the regulations; or

(ii) The firm has accepted food stamp benefits in payment for items sold to a household on credit.

* * * * *

5. In § 278.7, revise paragraph (b) to read as follows:

§ 278.7 Determination and disposition of claims—retail food stores and wholesale food concerns.

* * * * *

(b) *Forfeiture of a collateral bond or draw down on an irrevocable letter of credit.* If FNS establishes a claim against an authorized firm which has previously been sanctioned, collection of the claim may be through total or partial forfeiture of the collateral bond or draw down of the irrevocable letter of credit. If FNS determines that forfeiture or a draw down is required for collection of the claim, FNS shall take one or more of the following actions, as appropriate.

(1) Determine the amount of the bond to be forfeited or irrevocable letter of credit drawn down on the basis of the loss to the Government through violations of the Act, and this Part, as detailed in a letter of charges to the firm;

(2) Send written notification by method of proof of delivery to the firm and the bonding agent or commercial bank of FNS' determination regarding forfeiture or draw down of all or a specified part of the collateral bond or irrevocable letter of credit and the reasons for the forfeiture or draw down action;

(3) Advise the firm and the bonding agent or commercial bank of the firm's right to administrative review of the claim determination;

(4) Advise the firm and the bonding agent or commercial bank that if payment of the current claim is not received directly from the firm, FNS shall obtain full payment through forfeiture of the bond or draw down of the irrevocable letter of credit;

(5) Proceed with collection on the bond or irrevocable letter of credit on the amount forfeited or drawn down if a request for review is not filed by the firm within the period established in § 279.5 of this chapter, or if such review is unsuccessful; and

(6) Upon the expiration of time permitted for the filing of a request for administrative and/or judicial review, deposit the bond or irrevocable letter of

credit in a Federal Reserve Bank account or in the Treasury Account, General. If FNS requires only a portion of the face value of the bond or irrevocable letter of credit to satisfy a claim, the entire bond or irrevocable letter of credit will be negotiated, and the remaining amount returned to the firm.

* * * * *

PART 279—ADMINISTRATIVE AND JUDICIAL REVIEW—FOOD RETAILERS AND FOOD WHOLESALERS

6. In § 279.1, revise paragraph (a)(6) to read as follows:

§ 279.1 Jurisdiction and authority.

* * * * *

(a) * * *

(6) Forfeiture of part or all of a collateral bond or a draw down of part or all of a letter of credit under § 278.1 of this chapter, if the request for review is made by the authorized firm. FNS shall not accept requests for review made by a bonding company or agent or commercial bank.

* * * * *

7. In § 279.4, revise the last sentence in paragraph (a) to read as follows:

§ 279.4 Action upon receipt of a request for review.

(a) * * * If the administrative action in question involves the denial of a claim brought by a firm against FNS, or the forfeiture of a collateral bond or the draw down on a irrevocable letter of credit, the designated reviewer shall direct the firm not be approved for participation, not be paid any part of the disputed claim, or not be reimbursed for any bond forfeiture or irrevocable letter of credit withdrawal, as appropriate until the designated reviewer has made a determination.

Dated: March 1, 2007.

Nancy Montanez Johner,

Under Secretary, Food, Nutrition, and Consumer Services.

[FR Doc. E7-4520 Filed 3-12-07; 8:45 am]

BILLING CODE 3410-30-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 39

[Docket No. FAA-2007-27496; Directorate Identifier 2005-SW-37-AD]

RIN 2120-AA64

Airworthiness Directives; Bell Helicopter Textron, Inc. Model 205A, 205A-1, 205B, 212, 412, 412CF, and 412EP Helicopters

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This document proposes superseding an existing airworthiness directive (AD) for the specified Bell Helicopter Textron, Inc. (Bell) helicopters. That AD currently requires inspecting each affected tail rotor blade (blade) forward tip weight retention block (tip block) and the aft tip closure (tip closure) for adhesive bond voids, and removing any blade with an excessive void from service. That AD also requires modifying certain blades by installing shear pins and tip closure rivets. This action would contain the same requirements but would expand the applicability to include other part and serial-numbered blades. This AD would also clarify the requirement to re-identify the modified blade by adding "FM" after the part number and would require dynamically balancing the tail rotor. The existing AD was prompted by five occurrences of missing tip blocks or tip closures resulting in minor to substantial damage. This proposal was prompted by the determination that the AD should apply to other affected part and serial-numbered blades. The actions specified by this proposed AD are intended to prevent loss of a tip block or tip closure, loss of a blade, and subsequent loss of control of the helicopter.

DATES: Comments must be received on or before May 14, 2007.

ADDRESSES: Use one of the following addresses to submit comments on this proposed AD:

- *DOT Docket Web site:* Go to <http://dms.dot.gov> and follow the instructions for sending your comments electronically;
- *Government-wide rulemaking Web site:* Go to <http://www.regulations.gov> and follow the instructions for sending your comments electronically;
- *Mail:* Docket Management Facility; U.S. Department of Transportation, 400

Seventh Street, SW., Nassif Building, Room PL-401, Washington, DC 20590;

- Fax: 202-493-2251; or

- *Hand Delivery:* Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

You may get the service information identified in this proposed AD from Bell Helicopter Textron, Inc., P.O. Box 482, Fort Worth, Texas 76101, telephone (817) 280-3391, fax (817) 280-6466.

You may examine the comments to this proposed AD in the AD docket on the Internet at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT:

Michael Kohner, Aviation Safety Engineer, FAA, Rotorcraft Directorate, Rotorcraft Certification Office, Fort Worth, Texas 76193-0170, telephone (817) 222-5447, fax (817) 222-5783.

SUPPLEMENTARY INFORMATION:

Comments Invited

We invite you to submit any written data, views, or arguments regarding this proposed AD. Send your comments to the address listed under the caption **ADDRESSES**. Include the docket number "FAA-2007-27496, Directorate Identifier 2005-SW-37-AD" at the beginning of your comments. We specifically invite comments on the overall regulatory, economic, environmental, and energy aspects of the proposed AD. We will consider all comments received by the closing date and may amend the proposed AD in light of those comments.

We will post all comments we receive, without change, to <http://dms.dot.gov>, including any personal information you provide. We will also post a report summarizing each substantive verbal contact with FAA personnel concerning this proposed rulemaking. Using the search function of our docket Web site, you can find and read the comments to any of our dockets, including the name of the individual who sent or signed the comment. You may review the DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477-78) or you may visit <http://dms.dot.gov>.

Examining the Docket

You may examine the docket that contains the proposed AD, any comments, and other information in person at the Docket Management System (DMS) Docket Office between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The Docket Office (telephone 1-800-647-5227) is located at the plaza level of the

Department of Transportation NASSIF Building in Room PL-401 at 400 Seventh Street, SW., Washington, DC. Comments will be available in the AD docket shortly after the DMS receives them.

Discussion

On April 22, 2002, we issued AD 2002-09-04, Amendment 39-12737 (67 FR 22349, May 3, 2002), to require inspecting the tip block and the tip closure for adhesive bonding voids, and removing any blade with an excessive void from service. The AD also required modifying certain blades by installing shear pins and tip closure rivets in the tip area of the affected blades. That action was prompted by five occurrences of missing tip blocks or tip closures resulting in minor to substantial damage. The requirements of that AD are intended to prevent loss of a tip block or tip closure, loss of a blade, and subsequent loss of control of the helicopter.

Since issuing that AD, Bell has issued further revisions to Alert Service Bulletin (ASB) Nos. 205-00-80, 205B-00-34, 212-00-111, 412-00-106, and 412CF-00-13, Revision A, dated December 20, 2000. The revisions add blades with a serial number (S/N) A or AFS-11530 to 13594, 13603 to 13618, and changed the "effectivity" of the blades. The latest revision, Revision D, dated March 18, 2005, provides an alternate fastener for the blade tip closure rivets installation. The revised ASB also states that blades with S/N A or AFS-11926, 13351, 13367, 13393, 13400, 13402, 13515, 13540, 13568, 13595 to 13602, and 13619 and subsequent will have the intent of the ASBs accomplished before delivery.

The previously described unsafe condition is likely to exist or develop on other helicopters of these same type designs. Therefore, the proposed AD would supersede AD 2002-09-04 to expand the applicability for the blade part and serial number. The proposed AD would also clarify the requirement to re-identify the modified blade by adding "FM" after the part number and would also require dynamically balancing the tail rotor. Because blades with a S/N with a prefix of "A" or "AFS" and a number 11926, 13351, 13367, 13393, 13400, 13402, 13515, 13540, 13568, 13595 to 13602, and 13619 and subsequent will have the modification required by this AD accomplished before delivery, we would exclude them from the applicability of this AD.

We estimate that this proposed AD would affect 281 helicopters of U.S. registry. The proposed actions would

take about 3 work hours per helicopter to inspect certain blades, install the shear pins and tip closure rivets, re-identify the modified blades, and dynamically balance the blade assembly at an average labor rate of \$80 per work hour. Required supplies would cost about \$35 per helicopter. Based on these figures, we estimate the total cost impact of the AD on U.S. operators to be \$77,275.

Regulatory Findings

We have determined that this proposed AD would not have federalism implications under Executive Order 13132. Additionally, this proposed AD would not have a substantial direct effect on the States, on the relationship between the national Government and the States, or on the distribution of power and responsibilities among the various levels of government.

For the reasons discussed above, I certify that the proposed regulation:

1. Is not a "significant regulatory action" under Executive Order 12866;
2. Is not a "significant rule" under the DOT Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and
3. Will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

We prepared a draft economic evaluation of the estimated costs to comply with this proposed AD. See the DMS to examine the draft economic evaluation.

Authority for This Rulemaking

Title 49 of the United States Code specifies the FAA's authority to issue rules on aviation safety. Subtitle I, section 106, describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the Agency's authority.

We are issuing this rulemaking under the authority described in subtitle VII, part A, subpart III, section 44701, "General requirements." Under that section, Congress charges the FAA with promoting safe flight of civil aircraft in air commerce by prescribing regulations for practices, methods, and procedures the Administrator finds necessary for safety in air commerce. This regulation is within the scope of that authority because it addresses an unsafe condition that is likely to exist or develop on products identified in this rulemaking action.

List of Subjects in 14 CFR Part 39

Air transportation, Aircraft, Aviation safety, Safety.

The Proposed Amendment

Accordingly, pursuant to the authority delegated to me by the Administrator, the Federal Aviation Administration proposes to amend part 39 of the Federal Aviation Regulations (14 CFR part 39) as follows:

PART 39—AIRWORTHINESS DIRECTIVES

1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

2. Section 39.13 is amended by removing Amendment 39–12737 (67 FR 22349, May 3, 2002), and by adding a new airworthiness directive (AD), to read as follows:

Bell Helicopter Textron, Inc.: Docket No. FAA–2007–27496; Directorate Identifier 2005–SW–37–AD. Supersedes AD 2002–09–04, Amendment 39–12737, Docket No. 2001–SW–37–AD.

Applicability

Model 205A, 205A–1, 205B, 212, 412, 412CF, and 412EP helicopters with a tail rotor blade (blade), part number 212–010–750–009 through –129, all serial numbers except serial numbers with a prefix of “A” or “AFS” and the number 11926, 13351, 13367, 13393, 13400, 13402, 13515, 13540, 13568, 13595 through 13602, 13619, and subsequent assigned numbers, installed, certificated in any category.

Compliance

Within 100 hours time-in-service, unless accomplished previously.

To prevent loss of the forward tip weight retention block (tip block) or aft tip closure (tip closure), loss of the blade, and subsequent loss of control of the helicopter, accomplish the following:

(a) Inspect the tip block and tip closure for voids. Remove from service any blade with a void in excess of that allowed by the Component Repair and Overhaul Manual limitations.

(b) Inspect the tip block attachment countersink screws in four locations to determine if the head of each countersunk screw is flush with the surface of the abrasion strip. The locations of these four screws are depicted on Figure 1 of Bell Helicopter Textron, Inc. Alert Service Bulletins 205–00–80, 205B–00–34, 212–00–111, 412–00–106, and 412CF–00–13, all Revision D, all dated March 18, 2005 (ASB). If any of these screws are set below the surface of the abrasion strip or are covered with filler material, install shear pins by following the Accomplishment Instructions, Part A, Shear Pin Installation paragraphs, of the ASB appropriate for your model helicopter.

(c) Install the aft tip closure rivets, re-identify the modified blade by adding an “FM,” and dynamically balance the tail rotor hub assembly by following the Accomplishment Instructions, Part B, Aft Tip

Closure Rivet Installation paragraphs, of the ASB appropriate for your model helicopter.

(d) To request a different method of compliance or a different compliance time for this AD, follow the procedures in 14 CFR 39.19. Contact the Manager, Rotorcraft Certification Office, Rotorcraft Directorate, FAA, ATTN: Michael Kohner, Aviation Safety Engineer, Fort Worth, Texas 76193–0170, telephone (817) 222–5447, fax (817) 222–5783, for information about previously approved alternative methods of compliance.

Issued in Fort Worth, Texas, on February 28, 2007.

S. Frances Cox,

*Acting Manager, Rotorcraft Directorate,
Aircraft Certification Service.*

[FR Doc. E7–4525 Filed 3–12–07; 8:45 am]

BILLING CODE 4910–13–P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 39

[Docket No. FAA–2007–27495; Directorate Identifier 2005–SW–14–AD]

RIN 2120–AA64

Airworthiness Directives; Eurocopter France Model AS350B, BA, B1, B2, B3, C, D, and D1; EC–130B4; and AS355E, F, F1, F2, and N Helicopters

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This document proposes adopting a new airworthiness directive (AD) for the specified Eurocopter France (ECF) model helicopters. This proposal would require, within the next 30 days, modifying the collective hold-down strap (strap) and thereafter inspecting it at specified intervals to ensure the rubber grommet is resting against the console or replacing the strap with an ECF designed strap that has a torsional spring at the lower end of the strap. This proposal is prompted by reports of two accidents occurring while the pilots were performing an autorotation. The pilots were unable to arrest the descent of the helicopter using collective blade pitch due to the collective stick locking in the down position when the collective was lowered during the maneuver. The actions specified by this proposed AD are intended to prevent inadvertent locking of a collective stick in flight and the flight crew not being aware of the locked condition leading to a subsequent loss of control of the helicopter.

DATES: Comments must be received on or before May 14, 2007.

ADDRESSES: Use one of the following addresses to submit comments on this proposed AD:

- **DOT Docket Web site:** Go to <http://dms.dot.gov> and follow the instructions for sending your comments electronically;

- **Government-wide rulemaking Web site:** Go to <http://www.regulations.gov> and follow the instructions for sending your comments electronically;

- **Mail:** Docket Management Facility; U.S. Department of Transportation, 400 Seventh Street, SW., Nassif Building, Room PL–401, Washington, DC 20590;

- **Fax:** 202–493–2251; or

- **Hand Delivery:** Room PL–401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

You may examine the comments to this proposed AD in the AD docket on the Internet at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT:

Vince Massey, Aerospace Engineer, FAA, Seattle Aircraft Certification Office, Systems and Equipment Branch, 1601 Lind Avenue, SW., Renton, Washington 98055–4056, telephone (425) 917–6475, fax (425) 917–6590.

SUPPLEMENTARY INFORMATION:

Comments Invited

We invite you to submit any written data, views, or arguments regarding this proposed AD. Send your comments to the address listed under the caption

ADDRESSES. Include the docket number “FAA–2007–27495, Directorate Identifier 2005–SW–14AD” at the beginning of your comments. We specifically invite comments on the overall regulatory, economic, environmental, and energy aspects of the proposed AD. We will consider all comments received by the closing date and may amend the proposed AD in light of those comments.

We will post all comments we receive, without change, to <http://dms.dot.gov>, including any personal information you provide. We will also post a report summarizing each substantive verbal contact with FAA personnel concerning this proposed rulemaking. Using the search function of our docket Web site, you can find and read the comments to any of our dockets, including the name of the individual who sent or signed the comment. You may review the DOT’s complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477–78), or you may visit <http://dms.dot.gov>.

Examining the Docket

You may examine the docket that contains the proposed AD, any comments, and other information in person at the Docket Management System (DMS) Docket Office between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The Docket Office (telephone 1-800-647-5227) is located at the plaza level of the Department of Transportation NASSIF Building in Room PL-401 at 400 Seventh Street, SW., Washington, DC. Comments will be available in the AD docket shortly after the DMS receives them.

Discussion

This document proposes adopting a new AD for the specified ECF model helicopters. This proposal would require, within the next 30 days, modifying the strap and thereafter inspecting it at specified intervals to ensure the rubber grommet is resting against the console or replacing the strap with an ECF strap designed with the torsional spring at the lower end of the strap. This proposal is prompted by reports of two accidents occurring while the pilots were performing an autorotation. The pilots were unable to arrest the descent of the helicopter using collective blade pitch due to the collective control locking in the down position when the collective was lowered during the maneuver. The positive locking feature and the structural integrity of the hold-down strap prevent the pilot from overriding the collective stick control lock by simply pulling up on the collective control stick. Before the collective stick can be raised, it must be held in a position where the button on the end of the collective stick is centered in the hole in the hold-down strap and then pushed forward to disengage the hold-down strap from the button on the end of the collective stick. The actions specified by this proposed AD are intended to prevent inadvertent locking of a collective stick in flight and the flight crew not being aware of the locked condition leading to a subsequent loss of control of the helicopter.

This unsafe condition is likely to exist or develop on other helicopters of these same type designs. Therefore, the proposed AD would require you to do the following within the next 30 days:

- Modify the strap by forming the strap as depicted in Figure 1 of this AD. Install the modified strap so that the rubber grommet rests against the console. Thereafter, at intervals not to exceed 100 hours time-in-service,

inspect the strap to ensure the rubber grommet is resting against the console.

- An alternative approach for complying with this AD is to replace the affected strap with an ECF designed strap that has a torsional spring at the lower end of the strap.

Replacing the strap with an ECF designed strap that has a torsional spring at the lower end of the strap would constitute terminating action for the requirements of this AD.

We estimate that this proposed AD would affect 475 helicopters of U.S. registry. The proposed actions would take about 10 minutes to inspect a strap, 20 minutes to modify it, and 30 minutes to replace a strap at an average labor rate of \$80 per work hour. Required parts would cost about \$194.70 per helicopter for the ECF strap designed with the torsional spring at the end of the strap. Based on these figures, we estimate the total cost impact of the AD on U.S. operators would be \$111,483 if the ECF strap designed with the torsional spring at the end is installed in the entire fleet.

Regulatory Findings

We have determined that this proposed AD would not have federalism implications under Executive Order 13132. Additionally, this proposed AD would not have a substantial direct effect on the States, on the relationship between the national Government and the States, or on the distribution of power and responsibilities among the various levels of government.

For the reasons discussed above, I certify that the proposed regulation:

1. Is not a "significant regulatory action" under Executive Order 12866;
2. Is not a "significant rule" under the DOT Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and
3. Will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

We prepared a draft economic evaluation of the estimated costs to comply with this proposed AD. See the DMS to examine the draft economic evaluation.

Authority for This Rulemaking

Title 49 of the United States Code specifies the FAA's authority to issue rules on aviation safety. Subtitle I, section 106, describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the Agency's authority.

We are issuing this rulemaking under the authority described in subtitle VII,

part A, subpart III, section 44701, "General requirements." Under that section, Congress charges the FAA with promoting safe flight of civil aircraft in air commerce by prescribing regulations for practices, methods, and procedures the Administrator finds necessary for safety in air commerce. This regulation is within the scope of that authority because it addresses an unsafe condition that is likely to exist or develop on products identified in this rulemaking action.

List of Subjects in 14 CFR Part 39

Air transportation, Aircraft, Aviation safety, Safety.

The Proposed Amendment

Accordingly, pursuant to the authority delegated to me by the Administrator, the Federal Aviation Administration proposes to amend part 39 of the Federal Aviation Regulations (14 CFR part 39) as follows:

PART 39—AIRWORTHINESS DIRECTIVES

1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

2. Section 39.13 is amended by adding a new airworthiness directive to read as follows:

Eurocopter France: Docket No. FAA-2007-27495; Directorate Identifier 2005-SW-14-AD.

Applicability

Model AS350B, BA, B1, B2, B3, C, D, and D1; EC-130B4; and AS355E, F, F1, F2, and N helicopters, with a collective hold-down strap (strap), part number (P/N) 350A273107126, installed, certificated in any category.

Compliance

Required as indicated.

To prevent inadvertent locking of a collective stick in the lowered position during flight and the flight crew not being aware of the locked condition leading to a subsequent loss of control of the helicopter, do the following:

- (a) Within the next 30 days, unless accomplished previously, modify the strap by forming the strap as depicted in Figure 1 of this AD. Install the modified strap so that the rubber grommet rests against the console. Thereafter, at intervals not to exceed 100 hours time-in-service, inspect the strap to ensure that the rubber grommet is resting against the console.

Note: Vertical adjustment of the strap is described in the applicable Eurocopter France maintenance manual.

Hold Down Strap Modification and Installation

To ensure that the strap does not inadvertently lock the collective during normal operation, the strap must be formed by joggling it as shown in the figure. When formed correctly, the strap will naturally touch the console aft wall, requiring it to be flexed in order to lock the collective.

Figure 1

(b) An alternative approach for complying with paragraph (a) of this AD is to replace the affected strap with an ECF designed strap kit, P/N 350A27-0350-0071, that has a torsional spring at the lower end of the strap. The following Parts List constitutes the required parts of the ECF strap kit designed with the torsional spring at the lower end of the strap:

Item	Part No.	Quantity
(1) Leaf Assy	350A27-1426-03	1
(2) Spring	350A27-1423-21	1
(3) Leaf Support.	350A27-1421-20	1
(4) Cotter Pin	23310CA015012 ...	1
(5) Shear Pin	22719BC050068L	1
(6) Screw	22208CM050010 ..	2
(7) Washer ...	23111AG050LE	3
(8) Support ...	350A27-1377-01	1

(c) Replacing the strap with an ECF designed strap kit as described in paragraph (b) of this AD constitutes terminating action for the requirements of this AD.

(d) To request a different method of compliance or a different compliance time for this AD, follow the procedures in 14 CFR 39.19. Contact the Seattle Aircraft Certification Office, FAA, ATTN: Vince Massey, Aerospace Engineer, FAA, Systems and Equipment Branch, 1601 Lind Avenue SW., Renton, Washington 98057, telephone (425) 917-6475, fax (425) 917-6590, for information about previously approved alternative methods of compliance.

Issued in Fort Worth, Texas, on February 26, 2007.

David A. Downey,

Manager, Rotorcraft Directorate, Aircraft Certification Service.

[Docket No. FAA-2006-26284; Directorate Identifier 2006-CE-68-AD]

RIN 2120-AA64

Airworthiness Directives; British Aerospace Regional Aircraft Jetstream Model 3201 Airplanes

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: We propose to adopt a new airworthiness directive (AD) for the products listed above. This proposed AD results from mandatory continuing airworthiness information (MCAI) issued by an aviation authority of another country to identify and correct

an unsafe condition on an aviation product. The MCAI describes the unsafe condition as:

The Airworthiness Limitations Section of the Aircraft Maintenance Manual (AMM) applicable to the British Aerospace Jetstream 3200 has been revised. Some lives have been amended and new lives introduced. Compliance with these requirements is necessary to maintain airworthiness.

The proposed AD would require actions that are intended to address the unsafe condition described in the MCAI.

DATES: We must receive comments on this proposed AD by April 12, 2007.

ADDRESSES: You may send comments by any of the following methods:

- **DOT Docket Web Site:** Go to <http://dms.dot.gov> and follow the instructions for sending your comments electronically.

- **Fax:** (202) 493-2251.

- **Mail:** Docket Management Facility, U.S. Department of Transportation, 400 Seventh Street, SW., Nassif Building, Room PL-401, Washington, DC 20590-0001.

- **Hand Delivery:** Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

- **Federal eRulemaking Portal:** <http://www.regulations.gov>. Follow the instructions for submitting comments.

Examining the AD Docket

You may examine the AD docket on the Internet at <http://dms.dot.gov>; or in person at the Docket Management Facility between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The AD docket contains this proposed AD, the regulatory evaluation, any comments received, and other information. The street address for the Docket Office (telephone (800) 647-5227) is in the **ADDRESSES** section. Comments will be available in the AD docket shortly after receipt.

FOR FURTHER INFORMATION CONTACT:

Taylor Martin, Aerospace Safety Engineer, FAA, Small Airplane Directorate, 901 Locust, Room 301, Kansas City, Missouri 64106; telephone: (816) 329-4138; fax: (816) 329-4090.

SUPPLEMENTARY INFORMATION:

Streamlined Issuance of AD

The FAA is implementing a new process for streamlining the issuance of ADs related to MCAI. This streamlined process will allow us to adopt MCAI safety requirements in a more efficient manner and will reduce safety risks to the public. This process continues to follow all FAA AD issuance processes to meet legal, economic, Administrative

Procedure Act, and **Federal Register** requirements. We also continue to meet our technical decision-making responsibilities to identify and correct unsafe conditions on U.S.-certificated products.

This proposed AD references the MCAI and related service information that we considered in forming the engineering basis to correct the unsafe condition. The proposed AD contains text copied from the MCAI and for this reason might not follow our plain language principles.

Comments Invited

We invite you to send any written relevant data, views, or arguments about this proposed AD. Send your comments to an address listed under the

ADDRESSES section. Include "Docket No. FAA-2006-26284; Directorate Identifier 2006-CE-68-AD" at the beginning of your comments. We specifically invite comments on the overall regulatory, economic, environmental, and energy aspects of this proposed AD. We will consider all comments received by the closing date and may amend this proposed AD because of those comments.

We will post all comments we receive, without change, to <http://dms.dot.gov>, including any personal information you provide. We will also post a report summarizing each substantive verbal contact we receive about this proposed AD.

Discussion

The Civil Aviation Authority (CAA), which is the airworthiness authority for the United Kingdom, has issued AD No. G-2004-0024, Issue Date: September 22, 2004, European Aviation Safety Agency (EASA) approved on September 16, 2004, under approval number 2004-9648 (referred to after this as "the MCAI"), to correct an unsafe condition for the specified products. The MCAI states:

The Airworthiness Limitations Section of the Aircraft Maintenance Manual (AMM) applicable to the British Aerospace Jetstream 3200 has been revised. Some lives have been amended and new lives introduced. Compliance with these requirements is necessary to maintain airworthiness.

The MCAI requires:

From the effective date of this Airworthiness Directive (AD), comply with the requirements of BAE Jetstream Series 3200 Aircraft Maintenance Manual, Chapter 05-10-05, Airworthiness Limitations Description and Operation Section,* Revision 14 or later EASA approved revision.

* Only the structural fatigue tasks are mandated by this AD, the following tasks are not addressed by this AD: All the tasks recorded in Tables 2, 4, 5 and 8. Together

with the Table No 3—task 27–70–000 Gust lock system.

You may obtain further information by examining the MCAI in the AD docket.

Relevant Service Information

British Aerospace has issued Aircraft Maintenance Manual 05–10–05 001—AIRWORTHINESS LIMITATIONS—DESCRIPTION AND OPERATION—BAe Jetstream 32, dated January 11, 2006, for Recurring Mandatory Inspections and Maintenance Actions. The actions described in this AMM are intended to correct the unsafe condition identified in the MCAI.

This version of the above-referenced document is a later EASA-approved version than that referenced in the MCAI.

FAA's Determination and Requirements of the Proposed AD

This product has been approved by the aviation authority of another country, and is approved for operation in the United States. Pursuant to our bilateral agreement with this State of Design Authority, they have notified us of the unsafe condition described in the MCAI and service information referenced above. We are proposing this AD because we evaluated all information and determined the unsafe condition exists and is likely to exist or develop on other products of the same type design.

Differences Between This Proposed AD and the MCAI or Service Information

We have reviewed the MCAI and related service information and, in general, agree with their substance. But we might have found it necessary to use different words from those in the MCAI to ensure the AD is clear for U.S. operators and is enforceable. In making these changes, we do not intend to differ substantively from the information provided in the MCAI and related service information.

We might also have proposed different actions in this AD from those in the MCAI in order to follow FAA policies. Any such differences are described in a separate paragraph of the proposed AD. These requirements, if ultimately adopted, will take precedence over the actions copied from the MCAI.

Costs of Compliance

Based on the service information, we estimate that this proposed AD would affect about 20 products of U.S. registry. We also estimate that it would take

about 1 work-hour per product to comply with the proposed AD (inserting the document into the Airworthiness Limitations Section of the Instructions for Continued Airworthiness or other FAA-approved maintenance document). The average labor rate is \$80 per work-hour. Based on these figures, we estimate the cost of the proposed AD on U.S. operators to be \$1,600, or \$80 per product.

We have no way of determining the costs associated with having to replace certain parts at an earlier time due to reduced life limits.

Authority for This Rulemaking

Title 49 of the United States Code specifies the FAA's authority to issue rules on aviation safety. Subtitle I, section 106, describes the authority of the FAA Administrator. "Subtitle VII: Aviation Programs," describes in more detail the scope of the Agency's authority.

We are issuing this rulemaking under the authority described in "Subtitle VII, Part A, Subpart III, Section 44701: General requirements." Under that section, Congress charges the FAA with promoting safe flight of civil aircraft in air commerce by prescribing regulations for practices, methods, and procedures the Administrator finds necessary for safety in air commerce. This regulation is within the scope of that authority because it addresses an unsafe condition that is likely to exist or develop on products identified in this rulemaking action.

Regulatory Findings

We determined that this proposed AD would not have federalism implications under Executive Order 12812. This proposed AD would not have a substantial direct effect on the States, on the relationship between the national Government and the States, or on the distribution of power and responsibilities among the various levels of government.

For the reasons discussed above, I certify this proposed regulation:

1. Is not a "significant regulatory action" under Executive Order 12866;
2. Is not a "significant rule" under the DOT Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and
3. Will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

We prepared a regulatory evaluation of the estimated costs to comply with

this proposed AD and placed it in the AD docket.

List of Subjects in 14 CFR Part 39

Air transportation, Aircraft, Aviation safety, Safety.

The Proposed Amendment

Accordingly, under the authority delegated to me by the Administrator, the FAA proposes to amend 14 CFR part 39 as follows:

PART 39—AIRWORTHINESS DIRECTIVES

1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

2. The FAA amends § 39.13 by adding the following new AD:

British Aerospace Regional Aircraft: Docket No. FAA–2006–26284; Directorate Identifier 2006–CE–68–AD

Comments Due Date

- (a) We must receive comments by April 12, 2007.

Affected ADs

- (b) None.

Applicability

- (c) This AD applies to Jetstream Model 3201 airplanes, all serial numbers, certificated in any category.

Subject

- (d) Air Transport Association of America (ATA) Code 55: Structures.

Reason

- (e) The mandatory continuing airworthiness information (MCAI) states: "The Airworthiness Limitations Section of the Aircraft Maintenance Manual (AMM) applicable to the British Aerospace Jetstream 3200 has been revised. Some lives have been amended and new lives introduced. Compliance with these requirements is necessary to maintain airworthiness."

Actions and Compliance

- (f) Within the next 60 days after the effective date of this AD do the following, unless already done:

(1) Incorporate the information referenced below from Aircraft Maintenance Manual 05–10–05 001—AIRWORTHINESS LIMITATIONS—DESCRIPTION AND OPERATION—BAe Jetstream 32, dated January 11, 2006, for Recurring Mandatory Inspections and Maintenance Actions into the Airworthiness Limitations Section of the Instructions for Continued Airworthiness or other FAA-approved maintenance document. You may use a later European Aviation Safety Agency (EASA)-approved revision that incorporates these same life limits.

Table No. in document	Affected areas	AD applies
(i) Table No. 1	Wing, Fuselage, Fin, Tailplane, Engine mounting, Flap system	Yes.
(ii) Table No. 2	Electrical Power (all items)	No.
(iii) Table No. 3	Rudder pedal/brake master cylinder attachment brackets	Yes.
(iv) Table No. 3	Gust lock system	No.
(v) Table No. 4 and Table No. 5	Ice and rain protection (all items)	No.
(vi) Table No. 6 and Table No. 7	Landing gear (all items)	Yes.
(vii) Table No. 8	Lighting (all items)	No.
(viii) Table No. 9	Doors (all items)	Yes.
(ix) Table No. 10	Fuselage (all items)	Yes.
(x) Table No. 11	Stabilizers (all items)	Yes.
(xi) Table No. 12	Wings (all items)	Yes.

(2) The owner/operator holding at least a private pilot certificate as authorized by section 43.7 of the Federal Aviation Regulations (14 CFR 43.7) may do the actions of this AD. Make an entry into the aircraft records showing compliance with this AD in accordance with section 43.9 of the Federal Aviation Regulations (14 CFR 43.9).

FAA AD Differences

Note: This AD differs from the MCAI and/or service information as follows:

(1) The MCAI requires you to comply with a version of a maintenance manual that changes life limits. The FAA requires such changes through a change to the Airworthiness Limitations Section of the Instructions for Continued Airworthiness or other FAA-approved maintenance document, and the FAA is mandating this through this AD.

(2) We added information in paragraph (f) that allows the owner/operator to insert this information into the Airworthiness Limitations Section of the Instructions for Continued Airworthiness or other FAA-approved maintenance document. Without this information, a licensed mechanic would be required to do the action.

Other FAA AD Provisions

(g) The following provisions also apply to this AD:

(1) *Alternative Methods of Compliance (AMOCs):* The Manager, Standards Staff, FAA, Small Airplane Directorate, ATTN: Taylor Martin, Aerospace Engineer, 901 Locust, Room 301, Kansas City, Missouri 64106; telephone: (816) 329-4138; fax: (816) 329-4090, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19.

(2) *Airworthy Product:* For any requirement in this AD to obtain corrective actions from a manufacturer or other source, use these actions if they are FAA-approved. Corrective actions are considered FAA-approved if they are approved by the State of Design Authority (or their delegated agent). You are required to assure the product is airworthy before it is returned to service.

(3) *Reporting Requirements:* For any reporting requirement in this AD, under the provisions of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), the Office of Management and Budget (OMB) has approved the information collection requirements and has assigned OMB Control Number 2120-0056.

Related Information

(h) Refer to MCAI Civil Aviation Authority AD No. G-2004-0024, Issue Date: September 22, 2004, EASA approved on September 16, 2004, under approval number 2004-9648, for related information.

Issued in Kansas City, Missouri, on March 6, 2007.

Kim Smith,

Manager, Small Airplane Directorate, Aircraft Certification Service.

RIN 2120-AA64

Airworthiness Directives; Airbus Model A310 Series Airplanes; and Airbus Model A300-600 Series Airplanes

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: We propose to adopt a new airworthiness directive (AD) for the products listed above. This proposed AD results from mandatory continuing airworthiness information (MCAI) issued by an aviation authority of another country to identify and correct an unsafe condition on an aviation product. The MCAI describes the unsafe condition as explosion risks. Chafing of the fuel pump cables could result in short circuits leading to fuel pump failure, intermittent operation, arcing, and possible fuel tank explosion. The proposed AD would require actions that are intended to address the unsafe condition described in the MCAI.

DATES: We must receive comments on this proposed AD by April 12, 2007.

ADDRESSES: You may send comments by any of the following methods:

- *DOT Docket Web Site:* Go to <http://dms.dot.gov> and follow the instructions for sending your comments electronically.

- *Fax:* (202) 493-2251.

- *Mail:* Docket Management Facility, U.S. Department of Transportation, 400 Seventh Street, SW., Nassif Building, Room PL-401, Washington, DC 20590-0001.

- *Hand Delivery:* Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

Examining the AD Docket

You may examine the AD docket on the Internet at <http://dms.dot.gov>; or in person at the Docket Management Facility between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The AD docket contains this proposed AD, the regulatory evaluation, any comments received, and other information. The street address for the Docket Office (telephone (800) 647-5227) is in the **ADDRESSES** section. Comments will be available in the AD docket shortly after receipt.

FOR FURTHER INFORMATION CONTACT: Tom Stafford, Aerospace Engineer, International Branch, ANM-116, FAA, Transport Airplane Directorate, 1601 Lind Avenue, SW., Renton, Washington 98057-3356; telephone (425) 227-1622; fax (425) 227-1149.

SUPPLEMENTARY INFORMATION:

Streamlined Issuance of AD

The FAA is implementing a new process for streamlining the issuance of ADs related to MCAI. This streamlined process will allow us to adopt MCAI safety requirements in a more efficient manner and will reduce safety risks to the public. This process continues to follow all FAA AD issuance processes to meet legal, economic, Administrative

Procedure Act, and **Federal Register** requirements. We also continue to meet our technical decision-making responsibilities to identify and correct unsafe conditions on U.S.-certificated products.

This proposed AD references the MCAI and related service information that we considered in forming the engineering basis to correct the unsafe condition. The proposed AD contains text copied from the MCAI and for this reason might not follow our plain language principles.

Comments Invited

We invite you to send any written relevant data, views, or arguments about this proposed AD. Send your comments to an address listed under the **ADDRESSES** section. Include "Docket No. FAA-2007-27361; Directorate Identifier 2006-NM-237-AD" at the beginning of your comments. We specifically invite comments on the overall regulatory, economic, environmental, and energy aspects of this proposed AD. We will consider all comments received by the closing date and may amend this proposed AD because of those comments.

We will post all comments we receive, without change, to <http://dms.dot.gov>, including any personal information you provide. We will also post a report summarizing each substantive verbal contact we receive about this proposed AD.

Discussion

The European Aviation Safety Agency (EASA), which is the Technical Agent for the Member States of the European Community, has issued EASA Airworthiness Directive 2006-0284 R1, dated February 13, 2007 (referred to after this as "the MCAI"), to correct an unsafe condition for the specified products. The MCAI states that the FAA has published SFAR 88 (Special Federal Aviation Regulation 88). In their letters referenced 04/00/02/07/01-L296, dated March 4, 2002, and 04/00/02/07/03-L024, dated February 3, 2003, the JAA (Joint Aviation Authorities) recommended the application of a similar regulation to the National Aviation Authorities (NAA). Under this regulation, all holders of type certificates for passenger transport aircraft with either a passenger capacity of 30 or more, or a payload capacity of 7,500 pounds (3,402 kilograms) or more, which have received their certification since January 1, 1958, are required to conduct a design review against explosion risks.

The MCAI design review found that fuel pump cables can possibly become

chafed in their metallic conduits. The chafing of the fuel pump cables can result in short circuits leading to fuel pump failure, intermittent operation, arcing, and possible fuel tank explosion. The MCAI, which requires modification of the fuel pump wiring against short circuits, is a consequence of this design review. You may obtain further information by examining the MCAI in the AD docket.

The FAA has examined the underlying safety issues involved in fuel tank explosions on several large transport airplanes, including the adequacy of existing regulations, the service history of airplanes subject to those regulations, and existing maintenance practices for fuel tank systems. As a result of those findings, we issued a regulation titled "Transport Airplane Fuel Tank System Design Review, Flammability Reduction and Maintenance and Inspection Requirements" (66 FR 23086, May 7, 2001). In addition to new airworthiness standards for transport airplanes and new maintenance requirements, this rule included Special Federal Aviation Regulation No. 88 ("SFAR 88," Amendment 21-78, and subsequent Amendments 21-82 and 21-83).

Among other actions, SFAR 88 requires certain type design (*i.e.*, type certificate (TC) and supplemental type certificate (STC)) holders to substantiate that their fuel tank systems can prevent ignition sources in the fuel tanks. This requirement applies to type design holders for large turbine-powered transport airplanes and for subsequent modifications to those airplanes. It requires them to perform design reviews and to develop design changes and maintenance procedures if their designs do not meet the new fuel tank safety standards. As explained in the preamble to the rule, we intended to adopt airworthiness directives to mandate any changes found necessary to address unsafe conditions identified as a result of these reviews.

In evaluating these design reviews, we have established four criteria intended to define the unsafe conditions associated with fuel tank systems that require corrective actions. The percentage of operating time during which fuel tanks are exposed to flammable conditions is one of these criteria. The other three criteria address the failure types under evaluation: single failures, single failures in combination with a latent condition(s), and in-service failure experience. For all four criteria, the evaluations included consideration of previous actions taken that may mitigate the need for further action.

The Joint Aviation Authorities (JAA) has issued a regulation that is similar to SFAR 88. (The JAA is an associated body of the European Civil Aviation Conference (ECAC) representing the civil aviation regulatory authorities of a number of European States who have agreed to co-operate in developing and implementing common safety regulatory standards and procedures.) Under this regulation, the JAA stated that all members of the ECAC that hold type certificates for transport category airplanes are required to conduct a design review against explosion risks.

We have determined that the actions identified in this AD are necessary to reduce the potential of ignition sources inside fuel tanks, which, in combination with flammable fuel vapors, could result in fuel tank explosions and consequent loss of the airplane.

Relevant Service Information

Airbus has issued Service Bulletins A300-24-6094, Revision 01, dated July 18, 2006; and A310-24-2097, Revision 01, dated October 11, 2006. The actions described in this service information are intended to correct the unsafe condition identified in the MCAI.

FAA's Determination and Requirements of This Proposed AD

This product has been approved by the aviation authority of another country, and is approved for operation in the United States. Pursuant to our bilateral agreement with the State of Design Authority, they have notified us of the unsafe condition described in the MCAI and service information referenced above. We are proposing this AD because we evaluated all information provided by the State of Design Authority and determined the unsafe condition exists and is likely to exist or develop on other products of the same type design.

Differences Between This AD and the MCAI or Service Information

We have reviewed the MCAI and related service information and, in general, agree with their substance. But we might have found it necessary to use different words from those in the MCAI to ensure the AD is clear for U.S. operators and is enforceable. In making these changes, we do not intend to differ substantively from the information provided in the MCAI and related service information.

We might also have proposed different actions in this AD from those in the MCAI in order to follow FAA policies. Any such differences are described in a separate paragraph of the proposed AD. These requirements, if

ultimately adopted, will take precedence over the actions copied from the MCAI.

Costs of Compliance

Based on the service information, we estimate that this proposed AD would affect about 205 products of U.S. registry. We also estimate that it would take about 72 work-hours per product to comply with this proposed AD. The average labor rate is \$80 per work-hour. Required parts would cost about \$7,190 per product. Where the service information lists required parts costs that are covered under warranty, we have assumed that there will be no charge for these costs. As we do not control warranty coverage for affected parties, some parties may incur costs higher than estimated here. Based on these figures, we estimate the cost of the proposed AD on U.S. operators to be \$2,654,750, or \$12,950 per product.

Authority for This Rulemaking

Title 49 of the United States Code specifies the FAA's authority to issue rules on aviation safety. Subtitle I, section 106, describes the authority of the FAA Administrator. "Subtitle VII: Aviation Programs," describes in more detail the scope of the Agency's authority.

We are issuing this rulemaking under the authority described in "Subtitle VII, Part A, Subpart III, Section 44701: General requirements." Under that section, Congress charges the FAA with promoting safe flight of civil aircraft in air commerce by prescribing regulations for practices, methods, and procedures the Administrator finds necessary for safety in air commerce. This regulation is within the scope of that authority because it addresses an unsafe condition that is likely to exist or develop on products identified in this rulemaking action.

Regulatory Findings

We determined that this proposed AD would not have federalism implications under Executive Order 13132. This proposed AD would not have a substantial direct effect on the States, on the relationship between the national Government and the States, or on the distribution of power and responsibilities among the various levels of government.

For the reasons discussed above, I certify this proposed regulation:

1. Is not a "significant regulatory action" under Executive Order 12866;
2. Is not a "significant rule" under the DOT Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and

3. Will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

We prepared a regulatory evaluation of the estimated costs to comply with this proposed AD and placed it in the AD docket.

List of Subjects in 14 CFR Part 39

Air transportation, Aircraft, Aviation safety, Safety.

The Proposed Amendment

Accordingly, under the authority delegated to me by the Administrator, the FAA proposes to amend 14 CFR part 39 as follows:

PART 39—AIRWORTHINESS DIRECTIVES

1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

2. The FAA amends § 39.13 by adding the following new AD:

Airbus: Docket No. FAA-2007-27361; Directorate Identifier 2006-NM-237-AD.

Comments Due Date

(a) We must receive comments by April 12, 2007.

Affected ADs

(b) None.

Applicability

(c) This AD applies to Airbus Model A310 series airplanes; and Model A300-600 series airplanes; certificated in any category; all certified models, all serial numbers, except for aircraft which have received in production Airbus modification 13118 or Airbus Service Bulletin (SB) A310-24-2097 or A300-24-6094.

Reason

(d) The mandatory continuing airworthiness information (MCAI) states that the FAA has published SFAR 88 (Special Federal Aviation Regulation 88). In their letters referenced 04/00/02/07/01-L296, dated March 4th, 2002 and 04/00/02/07/03-L024, dated February 3, 2003, the JAA (Joint Aviation Authorities) recommended the application of a similar regulation to the National Aviation Authorities (NAA). Under this regulation, all holders of type certificates for passenger transport aircraft with either a passenger capacity of 30 or more, or a payload capacity of 7,500 pounds (3,402 kilograms) or more, which have received their certification since January 1, 1958, are required to conduct a design review against explosion risks. The MCAI design review found that fuel pump cables can possibly become chafed in their metallic conduits. The chafing of the fuel pump cables can result in short circuits leading to fuel pump failure, intermittent operation, arcing, and

possible fuel tank explosion. The MCAI, which requires modification of the fuel pump wiring against short circuits, is a consequence of this design review.

Actions and Compliance

(e) Unless already done, do the following actions.

(1) Within 37 months after the effective date of this AD: Modify the inner and outer fuel pumps, route 1P and 2P harnesses in the LH (left-hand) wing and in the RH (right-hand) wing in accordance with the instructions of Airbus Service Bulletins A300-24-6094, dated February 15, 2006; A300-24-6094, Revision 01, dated July 18, 2006; A310-24-2097, dated February 15, 2006; or A310-24-2097, Revision 01, dated October 11, 2006; as applicable.

FAA AD Differences

Note: This AD differs from the MCAI and/or service information as follows: No differences.

Other FAA AD Provisions

(f) The following provisions also apply to this AD:

(1) *Alternative Methods of Compliance (AMOCs):* The Manager, International Branch, ANM-116, Transport Airplane Directorate, FAA, Attn: Tom Stafford, Aerospace Engineer, 1601 Lind Avenue, SW., Renton, Washington 98057-3356, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. Before using any AMOC approved in accordance with § 39.19 on any airplane to which the AMOC applies, notify the appropriate principal inspector in the FAA Flight Standards Certificate Holding District Office.

(2) *Airworthy Product:* For any requirement in this AD to obtain corrective actions from a manufacturer or other source, use these actions if they are FAA-approved. Corrective actions are considered FAA-approved if they are approved by the State of Design Authority (or their delegated agent). You are required to assure the product is airworthy before it is returned to service.

(3) *Reporting Requirements:* For any reporting requirement in this AD, under the provisions of the Paperwork Reduction Act, the Office of Management and Budget (OMB) has approved the information collection requirements and has assigned OMB Control Number 2120-0056.

Related Information

(g) Refer to MCAI European Aviation Safety Agency Airworthiness Directive 2006-0284 R1, dated February 13, 2007; and Airbus Service Bulletins A300-24-6094, dated February 15, 2006; A300-24-6094, Revision 01, dated July 18, 2006; A310-24-2097, dated February 15, 2006; and A310-24-2097, Revision 01, dated October 11, 2006; for related information.

Issued in Renton, Washington, on March 7, 2007.

Ali Bahrami,

Manager, Transport Airplane Directorate,
Aircraft Certification Service.

[Docket No. FAA-2006-25852; Airspace
Docket No. 06-AAL-29]

RIN 2120-AA66

Proposed Modification to the Norton Sound Low, Woody Island Low, Control 1234L and Control 1487L Offshore Airspace Areas; Alaska

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend the following four Offshore Airspace Areas in Alaska: Norton Sound Low, Woody Island Low, Control 1234L and Control 1487L. This action proposes to describe the airspace west of 160° W. longitude as it is currently depicted on aeronautical charts. Some of the existing controlled airspace is described as domestic Class E5 airspace around Kodiak, AK. This airspace instead would be listed within the Woody Island Low Offshore Airspace Area. The FAA is proposing this action to provide additional controlled airspace for aircraft instrument flight rules (IFR) operations, and to correctly describe the existing offshore airspace areas in FAA Order 7400.9P, Airspace Designations and Reporting Points, dated September 1, 2006, and effective September 15, 2006.

DATES: Comments must be received on or before April 27, 2007.

ADDRESSES: Send comments on this proposal to the Docket Management System, U.S. Department of Transportation, Room Plaza 401, 400 Seventh Street, SW., Washington, DC 20590-0001. You must identify FAA Docket No. FAA-2006-25852 and Airspace Docket No. 06-AAL-29, at the beginning of your comments. You may also submit comments through the Internet at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Ken McElroy, Airspace and Rules, Office of System Operations Airspace and AIM, Federal Aviation Administration, 800 Independence Avenue, SW.,

Washington, DC 20591; *telephone:* (202) 267-8783.

SUPPLEMENTARY INFORMATION:

Comments Invited

Interested parties are invited to participate in this proposed rulemaking by submitting such written data, views, or arguments, as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal.

Communications should identify both docket numbers (FAA Docket No. FAA-2006-25852 and Airspace Docket No. 06-AAL-29) and be submitted in triplicate to the Docket Management System (see **ADDRESSES** section for address and phone number). You may also submit comments through the Internet at <http://dms.dot.gov>.

Commenters wishing the FAA to acknowledge receipt of their comments on this action must submit with those comments a self-addressed, stamped postcard on which the following statement is made: "Comments to FAA Docket No. FAA-2006-25852 and Airspace Docket No. 06-AAL-29." The postcard will be date/time stamped and returned to the commenter.

All communications received on or before the specified closing date for comments will be considered before taking action on the proposed rule. The proposal contained in this action may be changed in light of comments received. All comments submitted will be available for examination in the public docket both before and after the closing date for comments. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

Availability of NPRMs

An electronic copy of this document may be downloaded through the Internet at <http://dms.dot.gov>. Recently published rulemaking documents can also be accessed through the FAA's Web page at <http://www.faa.gov>, or the **Federal Register's** Web page at <http://www.gpoaccess.gov/fr/index.html>.

You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office (see **ADDRESSES** section for address and phone number) between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. An informal docket

may also be examined during normal business hours at the office of the Regional Air Traffic Division, Federal Aviation Administration, 222 West 7th Avenue 14, Anchorage, AK 99513.

Persons interested in being placed on a mailing list for future NPRMs should contact the FAA's Office of Rulemaking, (202) 267-9677, for a copy of Advisory Circular No. 11-2A, Notice of Proposed Rulemaking Distribution System, which describes the application procedure.

The Proposal

The FAA is proposing an amendment to Title 14 Code of Federal Regulations (14 CFR) part 71 to modify the Norton Sound Low, Woody Island Low, and Control 1487L Offshore Airspace Areas, AK, by lowering the floor to 1,200 feet MSL within a 45-mile radius of Hooper Bay Airport, within a 81.2-mile radius of Perryville Airport, within a 73-mile radius of Homer Airport, and within a 73-mile radius of St. Michael Airport. The proposal would also modify Control 1234L Offshore Airspace Area, AK, by lowering the floor to 1,200 feet above the surface within an 81.2-mile radius of Perryville Airport, AK. Additionally, this proposal would establish controlled airspace to support IFR operations at the Hooper Bay, Perryville, Homer and St. Michael Airports, AK. Additionally, controlled airspace extending upward from the surface, from 700 above the surface, and from 1,200 feet above the surface, would be established in Control 1234L Offshore Airspace Area. While reviewing this action, an error in the Control 1234L Offshore Airspace description in FAAO 7400.9N was discovered. The Offshore Airspace Area Control 1234L begins at and extends west of 160°00'00" W. longitude. This airspace covers all the land west of this longitude including the Aleutian Island chain and the Pribilof Islands. Control 1234L Offshore Airspace around or near the Alaskan airports of; Adak, Atka, Cold Bay, Dutch Harbor (Unalaska), Nelson Lagoon, Sand Point, Eareckson Air Station, St. George, Port Heiden, Homer, and Chignik, would be lowered from the 2,000 feet AGL floor to incorporate Class E domestic airspace. This action is concurrent with Airspace Docket No. 06-AAL-34, proposing revocation of the domestic airspace descriptions for these airports. Additionally, the airspace description in FAA Order 7400.9P for Control 1234L should refer to altitudes from "above the surface". The current description erroneously uses "MSL" for the airspace associated with the Chignik Airport, AK. The offshore airspace described from 1,200 feet would be amended to describe it from "above the surface".

Additionally, some of the current Class E5 controlled airspace around Kodiak Airport, AK, needs to be listed within Woody Island Offshore Airspace in order to be correctly described. This action addresses this issue and makes the correction.

Offshore Airspace Areas are published in paragraph 6007 of FAA Order 7400.9P, dated September 1, 2006, and effective September 15, 2006, which is incorporated by reference in 14 CFR 71.1. The Offshore Airspace Areas listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this proposed regulation: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under Department of Transportation (DOT) Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

ICAO Considerations

As part of this proposal relates to navigable airspace outside the United States, this notice is submitted in accordance with the International Civil Aviation Organization (ICAO) International Standards and Recommended Practices. The application of International Standards and Recommended Practices by the FAA, Office of System Operations Airspace and AIM, Airspace & Rules, in areas outside the United States domestic airspace, is governed by the Convention on International Civil Aviation. Specifically, the FAA is governed by Article 12 and Annex 11, which pertain to the establishment of necessary air navigational facilities and services to promote the safe, orderly, and expeditious flow of civil air traffic. The purpose of Article 12 and Annex 11 is to ensure that civil aircraft operations on international air routes are performed under uniform conditions.

The International Standards and Recommended Practices in Annex 11 apply to airspace under the jurisdiction of a contracting state, derived from ICAO. Annex 11 provisions apply when

air traffic services are provided and a contracting state accepts the responsibility of providing air traffic services over high seas or in airspace of undetermined sovereignty. A contracting state accepting this responsibility may apply the International Standards and Recommended Practices that are consistent with standards and practices utilized in its domestic jurisdiction.

In accordance with Article 3 of the Convention, state-owned aircraft are exempt from the Standards and Recommended Practices of Annex 11. The United States is a contracting state to the Convention. Article 3(d) of the Convention provides that participating state aircraft will be operated in international airspace with due regard for the safety of civil aircraft. Since this action involves, in part, the designation of navigable airspace outside the United States, the Administrator is consulting with the Secretary of State and the Secretary of Defense in accordance with the provisions of Executive Order 10854.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9P, Airspace Designations and Reporting Points, dated September 1, 2006, and effective September 15, 2006, is amended as follows:

Paragraph 6007 Offshore Airspace Areas.

The Class E airspace areas listed below extend upward from a specified altitude to, but not including 18,000 feet MSL and are designated as offshore airspace areas. These areas typically provide controlled airspace beyond 12 miles from the coast of the United States in those areas where there is a requirement to provide IFR enroute ATC services and within which the United States is applying domestic ATC procedures. In Alaska, Control 1234L also covers the land

masses of the Aleutian Island chain, west of 160° West longitude, and the Pribilof Islands.

* * * * *

Norton Sound Low, AK [Amended]

That airspace extending upward from 14,500 feet MSL within an area bounded by a line beginning at lat. 56°42'59" N., long. 160°00'00" W., thence east and north by a line 12 miles from and parallel to the shoreline to the intersection with a point 12 miles from the U.S. coastline and lat. 68°00'00" N., to lat. 68°00'00" N., long. 168°58'23" W., to lat. 65°00'00" N., long. 168°58'23" W., to lat. 62°35'00" N., long. 175°00'00" W., to lat. 59°59'57" N., long. 168°00'08" W., to lat. 57°45'57" N., long. 161°46'08" W., to lat. 58°06'57" N., long. 160°00'00" W., to the point of beginning; and that airspace extending upward from 1,200 feet MSL within 13 miles west and 4 miles east of the Port Heiden NDB, AK, 339°(T)/323°(M) bearing extending from the Port Heiden NDB, AK, to 25 miles northwest of the Port Heiden NDB, AK, and within 9 miles north of the Port Heiden NDB, AK, 248°(T)/229°(M) bearing extending from the Port Heiden NDB, AK, to 24 miles west of the Port Heiden NDB, AK, and north of the Alaska Peninsula and east of 160° West longitude within an 81.2-mile radius of Perryville Airport, AK, and north of the Alaska Peninsula and east of 160° West longitude within a 72.8-mile radius of Chignik Airport, AK, and within a 35-mile radius of lat. 60°21'17" N., long. 165°04'01" W., and within a 45-mile radius of Hooper Bay Airport, AK, and within a 73-mile radius of St. Michael Airport, AK, and within a 77.4-mile radius of the Nome VORTAC, AK, and within a 30-mile radius of lat. 66°09'58" N., long. 166°30'03" W., and within a 30-mile radius of lat. 66°19'55" N., long. 165°40'32" W., and within a 45-mile radius of Deering Airport, AK; and that airspace extending upward from 700 feet MSL within 8 miles west and 4 miles east of the 339°(T)/323°(M) bearing from the Port Heiden NDB, AK, extending from the Port Heiden NDB, AK, to 20 miles northwest of the Port Heiden NDB, AK, and within a 25-mile radius of Nome Airport, AK.

* * * * *

Woody Island Low, AK [Amended]

That airspace extending upward from 14,500 feet MSL within the area bounded by a line beginning at lat. 53°30'00" N., long. 160°00'00" W., to lat. 56°00'00" N., long. 153°00'00" W., to lat. 56°45'42" N., long. 151°45'00" W., to lat. 58°19'58" N., long. 148°55'07" W., to lat. 59°08'34" N., long. 147°16'06" W., then clockwise via the 149.5-mile radius from the Anchorage, VOR/DME, AK, to the intersection with a point 12 miles from and parallel to the U.S. coastline, then southwest by a line 12 miles from and parallel to the U.S. coastline to the intersection with long. 160°00'00" W., to the point of beginning; and that airspace extending upward from 700 feet above the surface within 5 miles south and 9 miles north of the 070°(T)/047°(M) radial of the Kodiak VORTAC, AK, extending to 17 miles northeast of the Kodiak VORTAC, AK, and within 8 miles north and 4 miles south of the Kodiak, AK, localizer front course extending

to 20.3 miles east of Kodiak Airport, AK; and that airspace extending upward from 1,200 feet MSL, within 27 miles of the Kodiak VORTAC, AK, extending from the 023°(T)/000°(M) radial clockwise to the 088°(T)/065°(M) radial and within 8 miles north and 5 miles south of the Kodiak localizer front course extending to 32 miles east of Kodiak Airport, AK, and that airspace extending south and east of the Alaska Peninsula within a 72.8-mile radius of Chignik Airport, AK, and outside (south) of the 149.5-mile radius of the Anchorage VOR/DME, AK, within a 73-mile radius of Homer Airport, AK, and south and east of the Alaska Peninsula within an 81.2-mile radius of Perryville Airport, AK.

* * * * *

Control 1234L [Amended]

That airspace extending upward from 2,000 feet above the surface within an area bounded by a line beginning at lat. 58°06'57" N., long. 160°00'00" W., then south along long. 160°00'00" W. until it intersects the Anchorage Air Route Traffic Control Center (ARTCC) boundary; then southwest, northwest, north, and northeast along the Anchorage ARTCC boundary to lat. 62°35'00" N., long. 175°00'00" W., to lat. 59°59'57" N., long. 168°00'08" W., to lat. 57°45'57" N., long. 161°46'08" W., to the point of beginning; and that airspace extending upward from the surface within a 4.6-mile radius of Cold Bay Airport, AK, and within 1.7 miles each side of the 150°(T)/136°(M) bearing from Cold Bay Airport, AK, extending from the 4.6-mile radius to 7.7 miles southeast of Cold Bay Airport, AK, and within 3 miles west and 4 miles east of the 335°(T)/321°(M) bearing from Cold Bay Airport, AK, extending from the 4.6-mile radius to 12.2 miles northwest of Cold Bay Airport, AK and that airspace extending upward from 700 feet above the surface within a 6.9-mile radius of Eareckson Air Station, AK, and within a 7-mile radius of Adak Airport, AK, and within 5.2 miles northwest and 4.2 miles southeast of the 061°(T)/054°(M) bearing from the Mount Moffett NDB, AK, extending from the 7-mile radius of Adak Airport, AK, to 11.5 miles northeast of Adak Airport, AK and within a 6.5-mile radius of King Cove Airport, and that airspace extending 1.2 miles either side of the 103°(T)/162°(M) bearing from King Cove Airport from the 6.5-mile radius out to 8.8 miles; and within a 6.4-mile radius of the Atka Airport, AK, and within a 6.9-mile radius of Eareckson Air Station, AK, and within a 6.3-mile radius of Nelson Lagoon Airport, AK and within a 6.4-mile radius of Sand Point Airport, AK, and within 3 miles each side of the 172°(T)/157°(M) bearing from the Borland NDB/DME, AK, extending from the 6.4-mile radius of Sand Point Airport, AK, to 13.9 miles south of Sand Point Airport, AK, and within 5 miles either side of the 318°(T)/303°(M) bearing from the Borland NDB/DME, AK, extending from the 6.4-mile radius of Sand Point Airport, AK, to 17 miles northwest of Sand Point Airport, AK, and within 5 miles either side of the 324°(T)/309°(M) bearing from the Borland NDB/DME, AK, and within a 6.6-mile radius of St. George Airport, AK, and within an 8-

mile radius of St. Paul Island Airport, AK, and 8 miles west and 6 miles east of the 360°(T)/350°(M) bearing from St. Paul Island Airport, AK, to 14 miles north of St. Paul Island Airport, AK, and within 6 miles west and 8 miles east of the 172°(T)/162°(M) bearing from St. Paul Island Airport, AK to 15 miles south of Paul Island Airport, AK, and within a 6.4-mile radius of Unalaska Airport, AK, and within 2.9 miles each side of the 360°(T)/346°(M) bearing from the Dutch Harbor NDB, AK, extending from the 6.4-mile radius of Unalaska Airport, AK, to 9.5 miles north of Unalaska Airport, AK; and that airspace extending upward from 1,200 feet above the surface within a 26.2-mile radius of Eareckson Air Station, AK, within an 11-mile radius of Adak Airport, AK, and within 16 miles of Adak Airport, AK, extending clockwise from the 033°(T)/026°(M) bearing to the 081°(T)/074°(M) bearing from the Mount Moffett NDB, AK, and within a 10-mile radius of Atka Airport, AK, and within a 10.6-mile radius from Cold Bay Airport, AK, and within 9 miles east and 4.3 miles west of the 321°(T)/307°(M) bearing from Cold Bay Airport, AK, extending from the 10.6-mile radius to 20 miles northwest of Cold Bay Airport, AK, and 4 miles each side of the 070°(T)/056°(M) bearing from Cold Bay Airport, AK, extending from the 10.6-mile radius to 13.6 miles northeast of Cold Bay Airport, AK, and within a 26.2-mile radius of Eareckson Air Station, AK, and west of 160° west longitude within an 81.2-mile radius of Perryville Airport, AK, and within a 10-mile radius of St. George Airport, AK, and within a 73-mile radius of St. Paul Island Airport, AK, and within a 20-mile radius of Unalaska Airport, AK, extending clockwise from the 305°(T)/291°(M) bearing from the Dutch Harbor NDB, AK, to the 075°(T)/061°(M) bearing from the Dutch Harbor NDB, AK, and west of 160° longitude within a 25-mile radius of the Borland NDB/DME, AK, and west of 160° longitude within a 72.8-mile radius of Chignik Airport, AK.

* * * * *

Control 1487L [Amended]

That airspace extending upward from 8,000 feet MSL within 149.5 miles of the Anchorage VOR/DME clockwise from the 090°(T)/065°(M) radial to the 185°(T)/160°(M) radial of the Anchorage VOR/DME, AK; and that airspace extending upward from 5,500 feet MSL within the area bounded by a line beginning at lat. 58°19'58" N., long. 148°55'07" W.; to lat. 59°08'35" N., long. 147°16'04" W.; thence counterclockwise via the 149.5-mile radius of the Anchorage VOR/DME, AK, to the intersection with a point 12 miles from and parallel to the U.S. coastline; thence southeast 12 miles from and parallel to the U.S. coastline to a point 12 miles offshore on the Vancouver FIR boundary; to lat. 54°32'57" N., long. 133°11'29" W.; to lat. 54°00'00" N., long. 136°00'00" W.; to lat. 52°43'00" N., long. 135°00'00" W.; to lat. 56°45'42" N., long. 151°45'00" W.; to the point of beginning; and that airspace extending upward from 1,200 feet MSL within the area bounded by a line beginning at lat. 59°33'25" N., long. 141°03'22" W.; thence southeast 12 miles from and parallel to the U.S. coastline to lat. 58°56'18" N., long.

138°45'19" W.; to lat. 58°40'00" N., long. 139°30'00" W.; to lat. 59°00'00" N., long. 141°10'00" W.; to the point of beginning, and within an 85-mile radius of the Biorka Island VORTAC, AK, and within a 42-mile radius of the Middleton Island VOR/DME, AK, and within a 30-mile radius of the Glacier River NDB, AK; and within a 149.5-mile radius of the Anchorage VOR/DME, AK, within the 73-mile radius of Homer Airport, AK; and that airspace extending upward from 700 feet MSL within 14 miles of the Biorka Island VORTAC, AK, and within 4 miles west and 8 miles east of the Biorka Island VORTAC 209°(T)/181°(M) radial extending to 16 miles southwest of the Biorka Island VORTAC, AK.

Paul Gallant,

Acting Manager, Airspace and Rules.

[FR Doc. E7-4466 Filed 3-12-07; 8:45 am]

BILLING CODE 4910-13-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Parts 51 and 52

[EPA-HQ-OAR-2006-0903; FRL-8286-8]

Public Hearings and Submission of Plans

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing changes to EPA's regulations specifying the public hearing requirements for State Implementation Plan (SIP) submissions, identifying the method for submission of SIPs and preliminary review of plans; and revising the criteria for determining the completeness of plan submissions requirements to reflect the changes to the public hearing and plan submission requirements. EPA is also making administrative changes to update the addresses to several Regional offices. These proposed revisions will modify when state agencies are required to hold public hearings, modify the number of hard copies of SIP submissions required to be submitted to the Regional office and the administrative portion of the completeness criteria for plan submissions.

DATES: Comments must be received on or before April 12, 2007.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-OAR-2006-0903 by one of the following methods:

1. <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.

2. E-mail: lakeman.sean@epa.gov.

3. *Fax:* 404-562-9019.

4. *Mail:* "EPA-HQ-OAR-2006-0903", Regulatory Development Section, Air Planning Branch, Air, Pesticides and Toxics Management Division, U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street, SW., Atlanta, Georgia 30303-8960.5.

5. *Hand Delivery:* Sean Lakeman, Regulatory Development Section, Air Planning Branch, Air, Pesticides and Toxics Management Division 12th floor, U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street, SW., Atlanta, Georgia 30303-8960. Such deliveries are only accepted during the Regional Office's normal hours of operation. The Regional Office's official hours of business are Monday through Friday, 8:30 to 4:30, excluding Federal holidays.

Instructions: Direct your comments to Docket ID No. EPA-HQ-OAR-2006-0903. The EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through www.regulations.gov, or e-mail. The <http://www.regulations.gov> Web site is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through <http://www.regulations.gov> your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about EPA's public docket visit the EPA Docket Center homepage at <http://www.epa.gov/epahome/dockets.htm>. For additional instructions on submitting comments, go to unit I.B of the **SUPPLEMENTARY INFORMATION** section of this preamble.

Docket: All documents in the electronic docket are listed in the <http://www.regulations.gov> index. Although listed in the index, some information is not publicly available, i.e., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the Internet and will be publicly available only in hard copy form. Publicly available docket materials are available either electronically in <http://www.regulations.gov> or in hard copy at the Regulatory Development Section, Air Planning Branch, Air, Pesticides and Toxics Management Division, U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street, SW., Atlanta, Georgia 30303-8960. EPA requests that if at all possible, you contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to schedule your inspection. The Regional Office's official hours of business are Monday through Friday, 8:30 to 4:30, excluding Federal holidays.

FOR FURTHER INFORMATION CONTACT: For general questions concerning today's rule, please contact Sean Lakeman, Regulatory Development Section, Air Planning Branch, Air, Pesticides and Toxics Management Division, U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street, SW., Atlanta, Georgia 30303-8960. The telephone number is (404) 562-9043. Mr. Lakeman can also be reached via electronic mail at lakeman.sean@epa.gov.

SUPPLEMENTARY INFORMATION: The information presented in this preamble is organized as follows:

- I. General Information
- II. Background
- III. Proposed Actions
- IV. Administrative Changes
- V. Statutory and Executive Order Reviews

I. General Information

A. Does This Action Apply to Me?

The proposed revisions will modify the public hearing requirements for SIPs. The proposed revision will also modify the number of hard copies States are required to submit to the Regional office. We are also proposing to revise the administrative portion of the completeness criteria to reflect the changes to the public hearing and plan submission requirements. These actions may affect anyone wanting to participate in the rulemaking process. If you have any questions regarding the applicability of this rule to a particular entity, consult the person listed in the preceding **FOR FURTHER INFORMATION CONTACT** section.

B. What Should I Consider as I Prepare My Comments for EPA?

1. *Expedited Review.* To expedite review of your comments by Agency staff, you are encouraged to send a separate copy of your comments, in addition to the copy you submit to the official docket, to: Sean Lakeman, Regulatory Development Section, Air Planning Branch, Air, Pesticides and Toxics Management Division, U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street, SW., Atlanta, Georgia 30303-8960. The telephone number is (404) 562-9043. Mr. Lakeman can also be reached via electronic mail at lakeman.sean@epa.gov.

2. *Submitting CBI.* Do not submit CBI to EPA through <http://www.regulations.gov> or e-mail. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD ROM that you mail to EPA, mark the outside of the disk or CD ROM as CBI and then identify electronically within the disk or CD ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2. Send or deliver information identified as CBI only to the following address Sean Lakeman, Regulatory Development Section, Air Planning Branch, Air, Pesticides and Toxics Management Division, U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street, SW., Atlanta, Georgia 30303-8960. The telephone number is (404) 562-9043. Mr. Lakeman can also be reached via electronic mail at lakeman.sean@epa.gov. Attention Docket ID No. EPA-HQ-OAR-2006-0903.

3. *Tips for preparing your comments.* When submitting comments, remember to:

- i. Identify the rulemaking by docket number and other identifying information (subject heading, **Federal Register** date and page number).
- ii. Follow directions—The agency may ask you to respond to specific questions or organize comments by referencing a Code of Federal Regulations (CFR) part or section number.
- iii. Explain why you agree or disagree; suggest alternatives and substitute language for your requested changes.

iv. Describe any assumptions and provide any technical information and/or data that you used.

v. If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow it to be reproduced.

vi. Provide specific examples to illustrate your concerns, and suggest alternatives.

vii. Explain your views as clearly as possible, avoiding the use of profanity or personal threats.

viii. Make sure to submit your comments by the comment period deadline identified.

II. Background

Today, EPA is proposing to change the requirements of 40 CFR 51.102, 51.103 and Appendix V to Part 51. In addition, we are making administrative changes to 40 CFR 52.02 and 52.16 to update the addresses for several of the EPA Regional offices.

The Clean Air Act (CAA) provides that each revision to an SIP submitted by a State must be adopted by such State "after reasonable notice and public hearing." EPA's regulations on public hearings in 40 CFR 51.102(a) state "Except as otherwise provided in paragraph (c) of this section, States must conduct one or more public hearings on the following prior to adoption and submission to EPA." The completeness criteria indicate that a complete submission must include "Evidence that public notice was given of the proposed change consistent with procedures approved by EPA, including the date of publication of such notice" and "Certification that public hearings(s) were held in accordance with the information provided in the public notice and the State's laws and constitution, if applicable." 40 CFR part 51, appendix V (2.1)(f) and (g). Following these public hearing requirements, states hold public hearings on any revision to a SIP, no matter how minor or noncontroversial and these hearings consume both valuable time and resources, whether or not the public participates in these hearings.

Forty CFR 51.103(a) and (b) require states to submit "five copies of the plan to the appropriate Regional Office." The completeness criteria in Appendix V(2.1)(d) of part 51 provide that a complete submission must include "indication of the changes made to the existing approved plan, where applicable." Since the time these regulations were promulgated, electronic access to documents has become readily available and there is no longer the same need for the State to

provide multiple printed copies of the submitted plan. We are proposing to revise these regulations to allow the Regions and the States flexibility to determine the number of printed and electronic copies of the plan submission necessary to ensure full public access to the submitted plan (including identification of the changes made) and to allow the agency to review the plan for approvability.

Since the promulgation of 40 CFR 52.02 and 52.16, the Region 3, Region 4, Region 7 and Region 8 offices have relocated and EPA is revising these sections to reflect the correct addresses for these Regional offices.

III. Proposed Actions

(1) Section 51.102 Public Hearings

Section 51.102(a) currently states "Except as otherwise provided in paragraph (c) of this section, States must conduct one or more public hearings on the following prior to adoption and submission to EPA of:" EPA proposes to revise this section to read "Except as otherwise provided in paragraph (c) of this section and within the 30 day notification period as required by paragraph (d) of this section, States must provide notice, provide the opportunity to submit written comments and allow the public the opportunity to request a public hearing. The State must hold a public hearing or provide the public the opportunity to request a public hearing by including the date, place and time of hearing in the notice announcing the 30 day notification period. If the State provides the public the opportunity to request a public hearing and a request is received the State must hold the scheduled hearing. If no request for a public hearing is received during the 30 day notification period and the original notice announcing the 30 day notification period clearly states that *if no request for a public hearing is received the hearing will be cancelled*, then the public hearing may be cancelled. These requirements apply for adoption and submission to EPA of:"

The current regulation as written requires states to hold public hearings for any revision to SIPs. States currently hold public hearings whether or not the public attends and participates in these hearings. Many of these plan revisions are minor or noncontroversial in nature and no member of the public or the regulated community attends or participates in the hearing. These hearings consume both valuable time and resources. Rather than requiring a public hearing for all SIP revisions, the proposed revision will allow states to

determine those actions for which there may be little or no interest by the public or the regulated community and, for those actions, to provide the public the opportunity to request a public hearing. If no request for public hearing is made, then the State would have fulfilled the requirements of 51.102(a) and no public hearing is required to be held.

Whether or not a public hearing is held, the State is required to provide a 30-day period for the written submission of comments from the public.

The proposed rule change defines the minimum requirements for satisfying the "after reasonable notice and public hearing" or "after public notice and opportunity for public hearing" requirements of the CAA. With today's multiple means of communication available to the public, EPA believes this rule revision will have no effect on public participation in the rulemaking process, but will help state agencies reduce costs by not needing to pay for facilities for public hearings for which no one is interested in attending and participating. In addition, it will increase efficiency by allowing limited staff resources to be devoted to productive activities rather than staffing a hearing that is not attended.

Section 51.102(f) currently states "The State must submit with the plan, revision, or schedule a certification that the hearing required by paragraph (a) of this section was held in accordance with the notice required by paragraph (d) of this section." EPA proposes to revise this section to read "The State must submit with the plan, revision, or schedule, a certification that the requirements in paragraph (a) and (d) of this section were met. Such certification will include the date and place of any public hearing (s) held or that no public hearing was requested during the 30 day notification period."

The purpose of this revision is to eliminate the reference to public hearings in light of the proposed revision to allow the State to provide the opportunity for a public hearing. Thus, we are simplifying the language to provide the State must certify that it has met the public hearing and public notification requirements of section 51.102(a) and (d).

(2) Section 51.103 Submission of Plans, Preliminary Review of Plans

Section 51.103(a) currently states "The State makes an official plan submission to EPA only when the submission conforms to the requirements of appendix V to this part, and the State delivers five copies of the plan to the appropriate Regional Office,

with a letter giving notice of such action.” And Section 51.103(b) currently states “Upon request of a State, the Administrator will provide preliminary review of a plan or portion thereof submitted in advance of the date such plan is due. Such requests must be made in writing to the appropriate Regional Office and must be accompanied by five copies of the materials to be reviewed. Requests for preliminary review do not relieve a State of the responsibility of adopting and submitting plans in accordance with prescribed due dates.”

EPA is proposing to revise section 51.103(a) to read “The State makes an official plan submission to EPA only when the submission conforms to the requirements of appendix V to this part, and the State delivers five hard copies or at least two hard copies with an electronic version of the hard copy (unless otherwise agreed to by the State and Regional Office) of the plan to the appropriate Regional Office, with a letter giving notice of such action. If the State submits an electronic copy, it must be an exact duplicate of the hard copy.”

EPA is proposing to revise section 51.103(b) to read “Upon request of a State, the Administrator will provide preliminary review of a plan or portion thereof submitted in advance of the date such plan is due. Such requests must be made in writing to the appropriate Regional Office, must indicate changes (such as, *redline/strikethrough*) to the existing approved plan, where applicable and must be accompanied by five hard copies or at least two hard copies with an electronic version of the hard copy (unless otherwise agreed to by the State and Regional Office). Requests for preliminary review do not relieve a State of the responsibility of adopting and submitting plans in accordance with prescribed due dates.” These proposed revisions establish the minimum required number of electronic and hard copies to be submitted with all official submittals or preliminary requests for EPA review.

With today's use of electronic processing and the use of the internet these revisions align the regulatory requirements with the way States and EPA interact and with the way information is made available to the public. Rulemaking dockets are now available electronically, providing greater access to the public because there are no geographic or time limits on where or when documents may be obtained. Previously, when the dockets were comprised solely of hard copies of documents, the public needed to travel to specified locations to review the docket and the docket was available

only during business hours. These revisions will reduce costs for States but will not interfere with the public's access to SIP revisions being reviewed by EPA. Rather, as described above, the availability of electronic files simplifies access for the public.

(3) Appendix V of Part 51—Criteria for Determining the Completeness of Plan Submissions

The completeness criteria in Appendix V identify the minimum elements needed for a SIP to be determined complete and thus to be reviewed for approvability. We are proposing to revise the completeness criteria to conform to the revisions above regarding public hearing requirements and official plan submissions.

To be complete, paragraph 2.1(d) of the completeness criteria, currently require that the submission include “A copy of the actual regulation, or document submitted for approval and incorporation by reference into the plan, including indication of the changes made to the existing approved plan, where applicable. The submittal shall be a copy of the official State regulation/document signed, stamped, dated by the appropriate State official indicating that it is fully enforceable by the State. The effective date of the regulation/document shall, whenever possible, be indicated in the document itself.” EPA is proposing to revise this paragraph to include the underlined language: “A copy of the actual regulation, or document submitted for approval and incorporation by reference into the plan, including indication of the changes made (such as, *redline/strikethrough*) to the existing approved plan, where applicable. The submittal shall be a copy of the official State regulation/document signed, stamped and dated by the appropriate State official indicating that it is fully enforceable by the State. The effective date of the regulation/document shall, whenever possible, be indicated in the document itself. *If the State submits an electronic copy, it must be an exact duplicate of the hard copy with changes indicated, signed documents need to be in portable document format, rules need to be in text format and files need to be submitted in manageable amounts (e.g., a file for each section or chapter, depending on size, and separate files for each distinct document) unless otherwise agreed to by the State and Regional Office.*”

Paragraph 2.1(g) currently states that a complete plan must include:

“Certification that public hearings(s) were held in accordance with the information

provided in the public notice and the State's laws and constitution, if applicable.” EPA proposes to revise paragraph (g) to read “Certification that public hearing(s) were held in accordance with the information provided in the public notice and the State's laws and constitution, if applicable and consistent with the public hearing requirements in 40 CFR 51.102.”

IV. Administrative Changes

Since the promulgation of 40 CFR 52.02 and 52.16 EPA Regional Offices 3, 4, 7 and 8 have relocated. EPA is making the following revision to 40 CFR 52.02 and 52.16 to provide the public with the current addresses of Regions 3, 4, 7 and 8 offices.

40 CFR 52.02(d)(2)(iii) currently states “Delaware, District of Columbia, Pennsylvania, Maryland, Virginia, and West Virginia. Environmental Protection Agency, Region 3, 841 Chestnut Building, Philadelphia, PA 19107.” EPA is revising the address for Region 3 to read “Delaware, District of Columbia, Pennsylvania, Maryland, Virginia, and West Virginia. Environmental Protection Agency, Region 3, 1650 Arch Street, Philadelphia, PA 19103–2029.” and 40 CFR 52.16(b)(3) currently states “Delaware, District of Columbia, Pennsylvania, Maryland, Virginia, and West Virginia. EPA Region 3, 841 Chestnut Building, Philadelphia, PA 19107.” EPA is revising the address for Region 3 to read “Delaware, District of Columbia, Pennsylvania, Maryland, Virginia, and West Virginia. EPA Region 3, 1650 Arch Street, Philadelphia, PA 19103–2029.”

Section 52.02(d)(2)(iv) currently states “Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee Environmental Protection Agency, Region 4, 345 Courtland Street, N.E., Atlanta, GA 30365.” EPA is revising the address for Region 4 to read “Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee. Environmental Protection Agency, Region 4, 61 Forsyth Street, Atlanta, Georgia 30303.” and Section 52.16(b)(4) currently states “Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee. EPA Region 4, 345 Courtland Street, NE., Atlanta, GA 30365.” EPA is revising the address for Region 4 to read “Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee. EPA Region 4, 61 Forsyth Street, Atlanta, Georgia 30303.”

40 CFR 52.02(d)(2)(vii) currently states “Iowa, Kansas, Missouri, and Nebraska. Environmental Protection Agency, Region 7, 726 Minnesota Avenue, Kansas City, KS 66101.” EPA is

revising the address for Region 7 to read "Iowa, Kansas, Missouri, and Nebraska. Environmental Protection Agency, Region 7, 901 North 5th Street, Kansas City, KS 66101." and 40 CFR 52.16(b)(7) currently states "Iowa, Kansas, Missouri, and Nebraska. EPA Region 7, 726 Minnesota Avenue, Kansas City, KS 66101." EPA is revising the address for Region 7 to read "Iowa, Kansas, Missouri, and Nebraska. EPA Region 7, 901 North 5th Street, Kansas City, KS 66101."

40 CFR 52.02(d)(2)(viii) currently states "Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming. Environmental Protection Agency, Region 8, 999 18th Street, Suite 500, Denver, CO 80202-2466." EPA is revising the address for Region 8 to read "Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming. Environmental Protection Agency, Region 8, 1595 Wynkoop Street, Denver, CO 80202-1129." and 40 CFR 52.16(b)(8) currently states "Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming. EPA, Region 8, 999 18th Street, Suite 500, Denver, CO 80202-2466." EPA is revising the address for Region 8 to read "Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming. EPA, Region 8, 1595 Wynkoop Street, Denver, CO 80202-1129."

IV. Statutory and Executive Order Reviews

A. Executive Order 12866: Regulatory Planning and Review

Under Executive Order 12866 (58 FR 51735, October 4, 1993), EPA must determine whether the regulatory action is "significant" and, therefore, subject to the Office of Management and Budget (OMB) review and the requirements of the Executive Order. The order defines "significant regulatory action" as one that is likely to result in a rule that may: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or Tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in the Executive Order. Pursuant to the terms of Executive

Order 12866, it has been determined that the proposed rule is not a "significant regulatory action" because none of the above factors applies. As such, this proposed rule was not formally submitted to OMB for review.

B. Paperwork Reduction Act

This rule does not impose an information collection burden under the provisions of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.* This proposed rule only modifies the public hearing requirements for SIPs by clarifying that public hearings need only be held when requested by the public rather than automatically and provides a less costly alternative to the pre-existing requirement to submit five printed copies of each SIP revision. The present proposed rule does not establish any new information collection burden apart from that required by law. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations in 40 CFR are listed in 40 CFR part 9.

C. Regulatory Flexibility Act

The Regulatory Flexibility Act (RFA) generally requires an agency to prepare a regulatory flexibility analysis of any rule subject to notice and comment rulemaking requirements under the Administrative Procedures Act or any other statute unless the agency certifies the rule will not have a significant economic impact on a substantial number of small entities. Small entities include small businesses, small organizations, and small governmental jurisdictions. For purposes of assessing the impacts of today's proposed rule on small entities, small entity is defined as: (1) A small business that is a small industrial entity as defined in the U.S.

Small Business Administration (SBA) size standards (See 13 CFR 121.); (2) a small governmental jurisdiction that is a government of a city, county, town, school district or special district with a population of less than 50,000; and (3) a small organization that is any not-for-profit enterprise which is independently owned and operated and is not dominant in its field. This proposed rule only modifies the public hearing requirements for SIPs by clarifying that public hearings need only be held when requested by the public rather than automatically and provides a less costly alternative to the pre-existing requirement to submit five printed copies of each SIP revision. After considering the economic impacts of today's proposed rule on small entities, I certify that this rule will not have a significant economic impact on a substantial number of small entities.

D. Unfunded Mandates Reform Act

Title II of the Unfunded Mandates Reform Act of 1995 (UMRA), Public Law 104-4, establishes requirements for Federal agencies to assess the effects of their regulatory actions on State, local, and Tribal governments and the private sector. Under section 202 of the UMRA, EPA generally must prepare a written statement, including a cost-benefit analysis, for proposed and final rules with "Federal mandates" that may result in expenditures to State, local, and Tribal governments, in the aggregate, or to the private sector, of \$100 million or more in any one year. Before promulgating an EPA rule for which a written statement is needed, section 205 of the UMRA generally requires EPA to identify and consider a reasonable number of regulatory alternatives and adopt the least costly, most cost-effective or least burdensome alternative that achieves the objectives of the rule. The provisions of section 205 do not apply when they are inconsistent with applicable law. Moreover, section 205 allows EPA to adopt an alternative other than the least costly, most cost-effective or least burdensome alternative if the Administrator publishes with the final rule an explanation to why that alternative was not adopted. Before EPA establishes any regulatory requirements that may significantly or uniquely affect small governments, including Tribal governments, it must have developed under section 203 of the UMRA a small government agency plan. The plan must provide for notifying potentially affected small governments, enabling officials of affected small governments to have meaningful and timely input in the development of EPA regulatory

proposals with significant Federal intergovernmental mandates, and informing, educating, and advising small governments on compliance with the regulatory requirements. Today's proposed rule does not include a Federal mandate within the meaning of UMRA that may result in expenditures of \$100 million or more in any one year by either State, local, or Tribal governments in the aggregate or to the private sector, and therefore, is not subject to the requirements of sections 202 and 205 of the UMRA. This proposed rule only modifies the public hearing requirements for SIPs by clarifying that public hearings need only be held when requested by the public rather than automatically and provides a less costly alternative to the pre-existing requirement to submit five printed copies of each SIP revision.

E. Executive Order 13132: Federalism

Executive Order 13132, entitled "Federalism" (64 FR 43255, August 10, 1999), requires EPA to develop an accountable process to ensure "meaningful and timely input by State and local officials in the development of regulatory policies that have federalism implications." "Policies that have federalism implications" is defined in the Executive Order to include regulations that have "substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government." This proposed rule only modifies the public hearing requirements for SIPs by clarifying that public hearings need only be held when requested by the public rather than automatically and provides a less costly alternative to the pre-existing requirement to submit five printed copies of each SIP revision. This proposed rule will not modify the relationship of the States and EPA for purposes of developing programs to implement the NAAQS. Thus, Executive Order 13132 does not apply to this rule.

F. Executive Order 13175: Consultation and Coordination With Indian Tribal Governments

Executive Order 13175, entitled "Consultation and Coordination with Indian Tribal Governments" (65 FR 67249, November 9, 2000), requires EPA to develop an accountable process to ensure "meaningful and timely input by tribal officials in the development of regulatory policies that have tribal implications." This proposed rule does not have "Tribal implications" as specified in Executive Order 13175. This proposed rule only modifies the

public hearing requirements for SIPs by clarifying that public hearings need only be held when requested by the public rather than automatically and provides a less costly alternative to the pre-existing requirement to submit five printed copies of each SIP revision. The Clean Air Act and the Tribal Authority Rule establish the relationship of the Federal Government and Tribes in developing plans to attain the NAAQS, and this rule does nothing to modify that relationship.

G. Executive Order 13045: Protection of Children From Environmental Health and Safety Risks

Executive Order 13045: "Protection of Children From Environmental Health and Safety Risks" (62 FR 19885, April 23, 1997) applies to any rule that (1) is determined to be "economically significant" as defined under Executive Order 12866, and (2) concerns an environmental health or safety risk that EPA has reason to believe may have disproportionate effect on children. If the regulatory action meets both criteria, the Agency must evaluate the environmental health or safety effects of the planned rule on children, and explain why the planned regulation is preferable to other potentially effective and reasonably feasible alternatives considered by the Agency. This proposed rule only modifies the public hearing requirements for SIPs by clarifying that public hearings need only be held when requested by the public rather than automatically and provides a less costly alternative to the pre-existing requirement to submit five printed copies of each SIP revision. The proposed rule is not subject to Executive Order 13045 because it is not economically significant as defined in E.O. 12866, and because the Agency does not have reason to believe the environmental health risks or safety risks addressed by this rule present a disproportionate risk to children.

H. Executive Order 13211: Actions That Significantly Affect Energy Supply, Distribution, or Use

This rule is not subject to Executive Order 13211, "Actions That Significantly Affect Energy Supply, Distribution, or Use," (66 FR 28355, May 22, 2001) because it is not a significant regulatory action under Executive Order 12866.

I. National Technology Transfer Advancement Act

Section 12(d) of the National Technology Transfer Advancement Act of 1995 (NTTAA), Public Law 104-113, section 12(d) (15 U.S.C. 272 note)

directs EPA to use voluntary consensus standards (VCS) in its regulatory activities unless to do so would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., materials specifications, test methods, sampling procedures, and business practices) that are developed or adopted by VCS bodies. The NTTAA directs EPA to provide Congress, through OMB, explanations when the Agency decides not to use available and applicable VCS. This rule does not involve technical standards. Therefore, EPA did not consider the use of any VCS.

List of Subjects in 40 CFR Parts 51 and 52

Environmental protection, Administrative practice and procedure, Air pollution control, Carbon monoxide, Intergovernmental relations, Lead, Nitrogen dioxide, Ozone, Particulate matter, Reporting and recordkeeping requirements, Sulfur oxides, Transportation, Volatile organic compounds.

Dated: March 7, 2007.

Stephen L. Johnson,
Administrator.

In consideration of the foregoing, the Environmental Protection Agency proposes to amend 40 CFR parts 51 and 52 as follows:

PART 51—[AMENDED]

1. The authority citation for part 51 continues to read as follows:

Authority: 23 U.S.C. 101; 42 U.S.C. 7401-7641q.

2. Section 51.102 is amended by revising paragraphs (a) introductory text and (f) to read as follows:

§ 51.102 Public hearings.

(a) Except as otherwise provided in paragraph (c) of this section and within the 30 day notification period as required by paragraph (d) of this section, States must provide notice, provide the opportunity to submit written comments and allow the public the opportunity to request a public hearing. The State must hold a public hearing or provide the public the opportunity to request a public hearing by including the date, place and time of hearing in the notice announcing the 30 day notification period. If the State provides the public the opportunity to request a public hearing and a request is received the State must hold the scheduled hearing. If no request for a public hearing is received during the 30 day notification period and the original

notice announcing the 30 day notification period clearly states that *if no request for a public hearing is received the hearing will be cancelled*, then the public hearing may be cancelled. These requirements apply for adoption and submission to EPA of:

* * * * *

(f) The State must submit with the plan, revision, or schedule, a certification that the requirements in paragraph (a) and (d) of this section were met. Such certification will include the date and place of any public hearing(s) held or that no public hearing was requested during the 30 day notification period.

* * * * *

3. Section 51.103 is revised to read as follows:

§ 51.103 Submission of plans, preliminary review of plans.

(a) The State makes an official plan submission to EPA only when the submission conforms to the requirements of appendix V to this part, and the State delivers five hard copies or at least two hard copies with an electronic version of the hard copy (unless otherwise agreed to by the State and Regional Office) of the plan to the appropriate Regional Office, with a letter giving notice of such action. If the State submits an electronic copy, it must be an exact duplicate of the hard copy.

(b) Upon request of a State, the Administrator will provide preliminary review of a plan or portion thereof submitted in advance of the date such plan is due. Such requests must be made in writing to the appropriate Regional Office, must indicate changes (such as, redline/strikethrough) to the existing approved plan, where applicable and must be accompanied by five hard copies or at least two hard copies with an electronic version of the hard copy (unless otherwise agreed to by the State and Regional Office). Requests for preliminary review do not relieve a State of the responsibility of adopting and submitting plans in accordance with prescribed due dates.

4. Appendix V to Part 51 is amended by revising paragraphs (d) and (g) under Section 2.1 to read as follows:

Appendix V of Part 51—Criteria for Determining the Completeness of Plan Submissions

* * * * *

2.1. * * *

(d) A copy of the actual regulation, or document submitted for approval and incorporation by reference into the plan, including indication of the changes made (such as, redline/strikethrough) to the existing approved plan, where applicable.

The submittal shall be a copy of the official State regulation/document signed, stamped and dated by the appropriate State official indicating that it is fully enforceable by the State. The effective date of the regulation/document shall, whenever possible, be indicated in the document itself. *If the State submits an electronic copy, it must be an exact duplicate of the hard copy with changes indicated, signed documents need to be in portable document format, rules need to be in text format and files need to be submitted in manageable amounts (e.g., a file for each section or chapter, depending on size, and separate files for each distinct document) unless otherwise agreed to by the State and Regional Office.*

* * * * *

(g) Certification that public hearing(s) were held in accordance with the information provided in the public notice and the State's laws and constitution, if applicable and consistent with the public hearing requirements in 40 CFR 51.102.

* * * * *

PART 52—[AMENDED]

5. The authority citation for part 52 continues to read as follows:

Authority: 42 U.S.C. 7401, *et seq.*

6. Section 52.02 is amended by revising paragraphs “(d)(2)(iii)”, “(d)(2)(iv)”, “(d)(2)(vii)”, and “(d)(2)(viii)” to read as follows:

§ 52.02 Introduction.

* * * * *

(d) * * *
(2) * * *

(iii) Delaware, District of Columbia, Pennsylvania, Maryland, Virginia, and West Virginia. Environmental Protection Agency, Region 3, 1650 Arch Street, Philadelphia, PA 19103–2029.

(iv) Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee. Environmental Protection Agency, Region 4, 61 Forsyth Street, Atlanta, Georgia 30303.

* * * * *

(vii) Iowa, Kansas, Missouri, and Nebraska. Environmental Protection Agency, Region 7, 901 North 5th Street, Kansas City, KS 66101.

(viii) Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming. Environmental Protection Agency, Region 8, 1595 Wynkoop Street, Denver, CO 80202–1129.

* * * * *

7. Section 52.16 is amended by revising paragraphs “(b)(3)”, “(b)(4)”, “(b)(7)” and “(b)(8)” to read as follows:

§ 52.16 Submission to administrator.

* * * * *

(b) * * *

(3) Delaware, District of Columbia, Pennsylvania, Maryland, Virginia, and

West Virginia. EPA Region 3, 1650 Arch Street, Philadelphia, PA 19103–2029.

(4) Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee. EPA Region 4, 61 Forsyth Street, Atlanta, Georgia 30303.

* * * * *

(7) Iowa, Kansas, Missouri, and Nebraska. EPA Region 7, 901 North 5th Street, Kansas City, KS 66101.

(8) Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming. EPA, Region 8, 1595 Wynkoop Street, Denver, CO 80202–1129.

* * * * *

[FR Doc. E7–4563 Filed 3–12–07; 8:45 am]

BILLING CODE 6560–50–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 300

[EPA–HQ–SFUND–1989–0011; FRL–8286–7]

National Oil and Hazardous Substances Pollution Contingency Plan; National Priorities List

AGENCY: Environmental Protection Agency.

ACTION: Notice of intent for partial deletion of the Rocky Flats Plant from the National Priorities List; request for comments.

SUMMARY: The Environmental Protection Agency (EPA) Region 8 announces its intent to delete the Peripheral Operable Unit (OU) and Operable Unit 3 (OU 3), also referred to as the Offsite Areas, encompassing approximately 25,413 acres, of the Department of Energy (DOE) Rocky Flats Plant from the National Priorities List (NPL) and requests public comment on this proposed action. The NPL constitutes Appendix B of 40 CFR Part 300, which is the National Oil and Hazardous Substances Pollution Contingency Plan (NCP), which EPA promulgated pursuant to Section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). Rocky Flats Plant means the property owned by the United States Government, also known as Rocky Flats, Rocky Flats Site, or Rocky Flats Environmental Technology Site (RFETS), as identified in Figure 1. The Rocky Flats Plant is divided into the Central and Peripheral Operable Units (Figure 2) which contain 1,308 and 4,933 acres, respectively, and OU 3 (Figure 3) which contains approximately 20,480 acres. The 3 referenced figures are available as

described below in the section entitled *Docket*.

EPA bases its proposal to delete the Peripheral OU and OU 3 of the Rocky Flats Plant on the determination by EPA and the State of Colorado, through the Colorado Department of Public Health and Environment (CDPHE), that all appropriate actions under CERCLA have been implemented to protect human health, welfare and the environment and that no further response action by responsible parties is appropriate.

This partial deletion pertains to the surface media (soil, surface water, sediment) and subsurface media, including groundwater, within the Peripheral OU and OU 3 of the Rocky Flats Plant. The Central OU will remain on the NPL and is not being considered for deletion as part of this action.

DATES: Comments must be received on or before April 12, 2007.

ADDRESSES: Submit your comments, identified by Docket ID no. EPA-HQ-SFUND-1989-0011, by one of the following methods:

- <http://www.regulations.gov>. Follow on-line instructions for submitting comments.

- *E-mail:* henneke.rob@epa.gov.
- *Fax:* 303-312-6961.
- *Mail:* Rob Henneke, Community Involvement Coordinator (8OC), U.S. Environmental Protection Agency Region 8, 1595 Wynkoop Street, Denver, Colorado 80202-1129.

- *Hand delivery:* Rob Henneke, 1595 Wynkoop Street, Denver, Colorado 80202-1129. Such deliveries are only accepted during normal business hours from 8 a.m.—4 p.m., Monday through Friday, excluding legal holidays. Special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to Docket ID no. EPA-HQ-SFUND-1989-0011. EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov> or e-mail. The <http://www.regulations.gov> Web site is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA, not through [http://](http://www.regulations.gov)

www.regulations.gov, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: All documents and referenced figures in the docket are listed in the <http://www.regulations.gov> index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in the hard copy. Publicly available docket materials may be accessed at the following locations during specified hours of operation. The U.S. EPA Region 8 Docket Facility, EPA Technical Library, 1595 Wynkoop Street, Denver, Colorado 80202-1129, is open from 8 a.m. to 4 p.m. by appointment, Monday through Friday, excluding legal holidays. The EPA Docket telephone number is 303-312-6734. The DOE Rocky Flats Plant Docket Facility is located at Front Range Community College, 3705 112 Avenue, Westminster, Colorado, 80030. The Rocky Flats Plant Docket Facility is open from 9 a.m. to 5 p.m., Monday through Thursday and 10 a.m. to 5 p.m., Friday, excluding legal holidays.

FOR FURTHER INFORMATION CONTACT: Rob Henneke, Community Involvement Coordinator (8OC), U.S. Environmental Protection Agency Region 8, 1595 Wynkoop Street, Denver, CO 80202-1129; telephone number: 1-800-227-8917 or (303) 312-6734; fax number: 303-312-7150; e-mail address: henneke.rob@epa.gov.

SUPPLEMENTARY INFORMATION:

Table of Contents

- I. Introduction
- II. NPL Deletion Criteria
- III. Deletion Procedures
- IV. Basis for Intended Partial Site Deletion

I. Introduction

EPA Region 8 announces its intent to delete the Peripheral OU and OU 3 of the Rocky Flats Plant, Jefferson and Boulder Counties, Colorado, from the NPL and requests comment on this

proposed action. The NPL constitutes Appendix B of the NCP, 40 CFR Part 300, which EPA promulgated pursuant to Section 105 of CERCLA, 42 U.S.C. 9605. EPA identifies sites that appear to present a significant risk to public health or the environment and maintains the NPL as the list of those sites. Sites on the NPL may be the subject of remedial actions financed by the Hazardous Substance Superfund (Fund). This partial deletion of the Site is proposed in accordance with 40 CFR 300.425(e) and Notice of Policy Change: Partial Deletion of Sites Listed on the NPL (60 FR 55466 (November 1, 1995)). As described in 40 CFR 300.425(e)(3), portions of a site deleted from the NPL remain eligible for further remedial actions if warranted by future conditions.

EPA will accept comments concerning its intent for partial deletion of the Rocky Flats Plant for 30 days after publication of this notice in the **Federal Register** (FR).

Section II of this document explains the criteria for deleting sites from the NPL. Section III discusses the procedures that EPA is using for this proposed partial deletion. Section IV discusses the Peripheral OU and OU 3 of the Rocky Flats Plant and explains how it meets the deletion criteria.

II. NPL Deletion Criteria

The NCP establishes the criteria that EPA uses to delete sites from the NPL. In accordance with 40 CFR 300.425(e), sites may be deleted from the NPL where no further response is appropriate to protect public health or the environment. In making such a determination pursuant to 40 CFR 300.425(e), EPA will consider, in consultation with the State, whether any of the following criteria have been met:

Section 300.425(e)(1)(i). Responsible parties or other persons have implemented all appropriate response actions required;

Section 300.425(e)(1)(ii). All appropriate Fund-financed response under CERCLA has been implemented, and no further response action by responsible parties is appropriate; or

Section 300.425(e)(1)(iii). The remedial investigation has shown that the release poses no significant threat to public health or the environment and, therefore, taking of remedial measures is not appropriate.

A partial deletion of a site from the NPL does not affect or impede EPA's ability to conduct CERCLA response activities for portions not deleted from the NPL. In addition, deletion of a portion of a site from the NPL does not affect the liability of responsible parties

or impede agency efforts to recover costs associated with response efforts. DOE will be responsible for all future remedial actions required at the area deleted if future site conditions warrant such actions.

III. Deletion Procedures

Upon determination that at least one of the criteria described in Section 300.425(e) of the NCP has been met, EPA may formally begin deletion procedures. The following procedures were used for this proposed deletion of the Peripheral OU and OU 3 of the Rocky Flats Plant from the NPL:

(1) DOE has requested the partial deletion and has prepared the relevant documents.

(2) The State of Colorado, through CDPHE, has concurred with publication of this notice of intent for partial deletion.

(3) Concurrent with this national Notice of Intent for Partial Deletion, a local notice has been published in a newspaper of record and has been distributed to appropriate federal, State, and local officials, and other interested parties. These notices announce a 30 day public comment period on the deletion package, which ends on April 12, 2007, based upon publication of this notice in the **Federal Register** and a local newspaper of record.

(4) EPA has made all relevant documents available at the information repositories listed previously for public inspection and copying.

Upon completion of the 30 calendar day public comment period, EPA Region 8 will evaluate each significant comment and any significant new data received before issuing a final decision concerning the proposed partial deletion. EPA will prepare a responsiveness summary for each significant comment and any significant new data received during the public comment period and will address concerns presented in such comments and data. The responsiveness summary will be made available to the public at the EPA Region 8 office and the information repositories listed above and will be included in the final deletion package. Members of the public are encouraged to contact EPA Region 8 to obtain a copy of the responsiveness summary. If, after review of all such comments and data, EPA determines that the partial deletion from the NPL is appropriate, EPA will publish a final notice of partial deletion in the **Federal Register**. Deletion of the Peripheral OU and OU 3 of the Rocky Flats Plant does not actually occur until a final notice of partial deletion is published in the **Federal Register**. A copy of the final

partial deletion package will be placed at the EPA Region 8 office and the information repositories listed above after a final document has been published in the **Federal Register**.

IV. Basis for Intended Partial Deletion

The following provides EPA's rationale for deletion from the NPL of the Rocky Flats Plant Peripheral OU and OU 3 and EPA's finding that the criteria in 40 CFR 300.425(e) are satisfied.

Site Background and History

The Rocky Flats Plant is a DOE facility owned by the United States. Rocky Flats is located in the Denver metropolitan area, approximately sixteen miles northwest of Denver, Colorado, and ten miles south of Boulder, Colorado. Nearby communities include the Cities of Arvada, Broomfield, and Westminster, Colorado. The majority of the Site is located in Jefferson County, with a small portion located in Boulder County, Colorado.

Rocky Flats Plant was proposed by EPA for inclusion on the CERCLA NPL in 1984, and was added to the CERCLA NPL on September 21, 1989 (54 FR 41015, October 4, 1989). The EPA Superfund Identification Number for Rocky Flats Plant is CO7890010526. The Site was proposed for listing because activities at Rocky Flats resulted in the release of materials defined by CERCLA as hazardous substances, contaminants, and pollutants, as well as hazardous wastes and hazardous waste constituents as defined by the Resource Conservation Recovery Act (RCRA) and Colorado Hazardous Waste Act (CHWA). Contaminants released to the environment from the activities at Rocky Flats have included, but were not limited to: Radionuclides (such as plutonium, americium, and various uranium isotopes), organic solvents (such as trichloroethene, tetrachloroethene, and carbon tetrachloride), metals (such as chromium), and nitrates. Apart from the activities of DOE and its contractors at the Site, there are no other known, significant, human-caused sources of contamination at Rocky Flats.

Two Operable Units (OUs) are present within the boundaries of the Site: the Peripheral OU and the Central OU. The Central OU consolidated all areas of the Site that required remedial actions, while also considering practicalities of future land management. The Central OU is not included within this proposed partial deletion action. The Peripheral OU includes the majority of the Buffer Zone and was left undisturbed. This land provided a security and safety buffer area around the former

manufacturing areas of the Site. Portions of the Buffer Zone have been co-managed by the U.S. Fish and Wildlife Service for ecological resources since 1999. Based upon the RCRA Facility Investigation—Remedial Investigation/Corrective Measures Study—Feasibility Study Report for the Rocky Flats Environmental Technology Site (RI/FS) Report, which included both a Human Health and Ecological Risk Assessment, DOE (as the Lead Agency under CERCLA) determined that no action was necessary to protect public health, welfare or the environment for the Peripheral OU. That decision was supported and documented in the Rocky Flats Environmental Technology Site Corrective Action Decision/Record of Decision (CAD/ROD) signed by DOE, CDPHE and EPA, Region 8 on September 29, 2006.

OU 3 encompasses an area north, south, and primarily east of the Peripheral and Central OUs. OU 3 was addressed under a separate CAD/ROD, Corrective Action Decision/Record of Decision Operable Unit 3, The Offsite Areas Rocky Flats Environmental Technology Site dated April 1997. The OU 3 CAD/ROD was signed by DOE, CDPHE and EPA, Region 8 on June 3, 1997 and determined that no action was necessary to protect public health, welfare or the environment.

A. Peripheral Operable Unit

The RI/FS Report was prepared in accordance with the Interim Final Guidance for Conducting Remedial Investigations and Feasibility Studies under CERCLA. Because remedial activities at RFETS were conducted under RCRA and CHWA, this RI/FS Report also met RCRA/CHWA requirements for an RCRA Facility Investigation/Corrective Measures Study (RFI/CMS) Report. References to CERCLA requirements were also intended to encompass RCRA/CHWA requirements. For simplicity, the report is hereinafter referred to as the RI/FS Report. The RI/FS Report, approved by EPA and CDPHE on July 5, 2006, was the basis for development of the Rocky Flats Environmental Technology Site Proposed Plan that described the preferred remedy. The Proposed Plan was the basis for the Final CAD/ROD.

A.1 Description of the Peripheral OU Remedial Investigation

DOE began more than 20 years ago to develop an extensive body of documentation about the use of hazardous substances and the known or suspected release of hazardous substances at Rocky Flats. Information was gathered from an extensive review

of Rocky Flats operating records and contemporaneous documents. In addition, interviews were conducted of persons with knowledge of Rocky Flats operations and of events that did release or were suspected of releasing hazardous substances. The information collected is organized in the Rocky Flats Historical Release Report (HRR), originally published in 1992, which has been periodically updated as investigation and cleanup of the Site progressed. The final version of the HRR is provided as Appendix B of the RI/FS report entitled FY2005 FINAL Historical Release Report dated October 2005.

Sampling and analysis of surface and subsurface soil, groundwater, and surface water were extensively used to locate and measure hazardous substance contamination at historical release locations and guide the conduct and completion of remediation activities. Environmental monitoring was performed under the auspices of a site-wide integrated monitoring plan. Additional monitoring was conducted pursuant to environmental permits, including the National Pollutant Discharge Elimination System permit and the State of Colorado Air Quality Operating Permit, issued to DOE and its contractors.

Environmental data for Rocky Flats were collected in accordance with agency-approved Sampling and Analysis Plans (SAPs) and standardized contract-required analytical procedures. Approved Work Plans and SAPs specified the use of EPA-approved sampling procedures and analytical methods, data quality requirements, and data management processes, and specified the appropriate data quality objectives. Documented releases of hazardous substances at Rocky Flats include radionuclides, volatile organic compounds (VOCs), and semivolatile organic compounds (SVOCs), inorganic compounds, and metals.

Known or suspected release locations (primarily soil) were delineated by 183 Individual Hazardous Substance Sites (IHSSs), 146 Potential Areas of Concern (PACs), 31 Under Building Contamination (UBC) Sites, and 61 Potential Incidents of Concern (PICs) (totaling 421 areas). The IHSSs, PACs, UBC Sites, and PICs were thoroughly investigated and characterized, as appropriate, and accelerated actions, including non-time critical removals, triggered by contamination levels have been confirmed as completed and met response goals.

The nature and extent of contamination evaluations considered the following environmental media: soil, groundwater, surface water,

sediment, and air. These evaluations were conducted to show the types of analytes of interest (AOIs) remaining in the environmental media and their extent at Rocky Flats following the completion of accelerated actions. The purpose of identifying AOIs was to focus the nature and extent evaluation on constituents that were detected at concentrations that may contribute to the risk to future receptors and to show the overall spatial and temporal trends of those constituents on a sitewide basis. These evaluations identified 14 AOIs for surface soil, 14 AOIs for subsurface soil, 19 AOIs for groundwater, 18 AOIs for surface water, 5 AOIs for sediment, and 5 AOIs for air. The contaminant fate and transport evaluation used information about the Site physical characteristics, contaminant source characteristics, and contaminant distribution across the Site to develop a conceptual understanding of the dominant transport processes that affect the migration of different contaminants in various Rocky Flats environmental media. The primary focus was evaluating the potential for contaminants from any medium to impact surface water quality. Evaluation of a contaminant's fate and transport was based upon two criteria: (1) Does a complete migration pathway to a potential receptor exist based on an evaluation of contaminant transport in each environmental medium; and (2) is there a potential impact to surface water quality based on an evaluation of data at representative groundwater and surface water monitoring locations in the creek drainages.

The RI included a Comprehensive Risk Assessment (CRA). The CRA consisted of two parts: Human Health Risk Assessment (HHRA) and Ecological Risk Assessment (ERA). The CRA was designed to provide information to decision makers to help determine the effectiveness of the accelerated actions and select a final remedy that is protective of human health and the environment. The CRA evaluated the risks posed by conditions at the Site to the anticipated future users (wildlife workers and visitors) and anticipated future land use. The CRA did not evaluate an unrestricted use scenario, but did consider an indoor air pathway, if occupied structures were to be present at the Site in the future.

The Peripheral OU was determined to be unimpacted by hazardous substances, pollutants or contaminants with the exceptions subsequently discussed. A small portion of the Peripheral OU was impacted by Site activities from a radiological perspective. For example, plutonium

exists above background in surface soil in small areas within the Peripheral OU. A few sampling locations for plutonium within the Peripheral OU exceed a level of 9.8 picocuries per gram (pCi/g), which corresponds to a 1×10^{-6} risk level for a wildlife refuge worker. Of these few sampling locations, the highest result is approximately 20 pCi/g. If that highest concentration of 20 pCi/g was considered the average concentration over an appropriate exposure unit, it would correspond to a risk of approximately 1×10^{-5} for a resident, which would be in the middle of the CERCLA risk range (10^{-6} to 10^{-4}). These levels of radioactivity are also far below the 231 pCi/g activity level for an adult rural resident, which equates to the 25-millirem per year dose criterion specified in the Colorado Standards for Protection Against Radiation.

A.2 Declaration Statement for the Peripheral OU CAD/ROD

Based upon the RI/FS Report, which included both a Human Health and Ecological Risk Assessment, DOE (as the Lead Agency under CERCLA) determined that no action was necessary to protect public health or welfare or the environment for the Peripheral OU.

The RI/FS Report concluded that the Peripheral OU was in a state protective of human health and the environment. The NCP provides for the selection of a no action remedy when an OU is in such a protective state and therefore, no remedial action for the Peripheral OU was warranted. The selected remedy for the Peripheral OU was no action.

A.3 Peripheral OU Conclusions

The selected remedy for the Peripheral OU meets the requirements of CERCLA Section 121, and to the extent practicable, the NCP. The selected remedy for the Peripheral OU is protective of human health and the environment, complies with Federal and State requirements, and is cost-effective. The selected remedy complies with applicable requirements of the CHWA. No accelerated actions were taken in the Peripheral OU, and no remedial action alternatives other than the no action alternative were required to be evaluated for the Peripheral OU. Because no hazardous substances, pollutants, or contaminants occur in the Peripheral OU above levels that allow for unlimited use and unrestricted exposure, no five-year review is required for this remedy.

B. Operable Unit 3 (Offsite Areas)

The OU 3 CAD/ROD was prepared by DOE, Rocky Flats Field Office, Golden,

Colorado, in April 1997, and was signed by DOE, CDPHE, and EPA Region 8 on June 3, 1997. The following is the basis for deleting OU3 and is a part of the deletion docket.

OU 3 was investigated and a remedy was selected in compliance with the Federal Facility Agreement and Consent Order—Interagency Agreement (IAG), signed by DOE, CDPHE, and EPA on January 22, 1991. The selected remedy is also consistent with the Federal Facility Agreement and Consent Order—Rocky Flats Cleanup Agreement (RFCA), signed by DOE, CDPHE, and EPA on July 19, 1996.

OU 3 is one of sixteen OUs at Rocky Flats identified in the 1991 IAG, and is the only one not located within the RFETS boundaries. The 1996 RFCA consolidated the original sixteen OUs into three OUs, but OU 3 remained separate, owing both to its unique geographic location and to the fact that investigations and administrative activity for OU 3 were nearly completed when the 1996 RFCA was signed. OU 3 is comprised of four Individual Hazardous Substance Sites (IHSSs): Contamination of the Land's Surface (IHSS 199), Great Western Reservoir (IHSS 200), Standley Lake (IHSS 201) and Mower Reservoir (IHSS 202). IHSSs are specific locations where hazardous substances, solid wastes, pollutants, contaminants, hazardous wastes or hazardous constituents may have been disposed of or released to the environment from Rocky Flats at any time in the past.

B.1 Description of the OU 3 Remedial Investigation

The selected remedy for OU 3 was no action. A Baseline Risk Assessment (BRA), including an HHRA and an ERA, was conducted as part of the OU 3 Resource Conservation and Recovery Act (RCRA) Facility Investigation. The RCRA Facility Investigation/CERCLA Remedial Investigation (RFI/RI) Report was completed in accordance with requirements presented in the Interagency Agreement and specifically identified in the OU3 RFI/RI Work Plan and addenda. The RFI/RI Report evaluated human health risks based upon exposure to identified Contaminants of Concern (COCs) and was reported as the probability of an individual developing cancer as a result of exposure to OU 3 contamination under recreational and residential exposure scenarios. Assumptions regarding future land use provided the basis to calculate human health risks for both IHSS 199 and for IHSS 200. No COCs were identified in surface water samples collected from Standley Lake,

Great Western Reservoir, and Mower Reservoir.

For IHSS 199, risks from both plutonium and americium were calculated and were assumed to be additive. For IHSS 200, only the risks associated with plutonium were calculated, as plutonium was the only COC there. In both IHSSs, the highest contaminant concentration was used in risk calculations. The RFI/RI Report also calculated radiation doses that would be expected as a result of the recreational and residential scenarios described in the OU 3 CAD/ROD.

Excess lifetime cancer risk (that is, the incremental additional cancer risk that is incurred through exposure to COCs at OU 3 or any other contaminated site) is calculated by multiplying the average daily chemical intake over a lifetime of exposure by the contaminant's individual slope factor. For radionuclides, slope factors are the average risk per unit intake or exposure for an individual in a stationary population with mortality rates typical of those in the United States in 1970. EPA guidelines indicate that excess lifetime cancer risks which are within or below the one in ten thousand (1×10^{-4}) to one in one million (1×10^{-6}) range are considered protective of human health.

For IHSS 199, the highest calculated excess cancer risk, assuming reasonable maximum exposures (RME) under a residential exposure was three in one million (3×10^{-6}). Using central tendency, the risk under a residential scenario was two in ten million (2×10^{-7}). For the recreational exposure, the excess cancer risk was five in one hundred million (5×10^{-8}) using the RME, and three in one billion (3×10^{-9}) using central tendency.

For IHSS 200, the highest calculated excess cancer risk employing RME and the residential exposure was nine in ten million (9×10^{-7}); the corresponding risk using central tendency was six in one hundred million (6×10^{-8}). Using the recreational scenario, the highest risk using RME was one in one hundred million (1×10^{-8}), and the risk using central tendency was eight in ten billion (8×10^{-10}).

The highest calculated radiation dose for IHSSs 199 and 200 occurred using the RME, assuming a residential exposure scenario. The highest Total Effective Dose Equivalent (TEDE, which incorporates both internal and external radiation dose) for IHSS 199 for an adult was 0.12 millirem per year (mrem/yr); the corresponding TEDE for IHSS 200 is 0.0065 mrem/yr. The average radiation dose in the U.S. is estimated to be about 300 mrem/year, while the average dose

in Colorado may be as much as 700 mrem/year, owing to the state's higher altitude and relative abundance of naturally occurring radionuclides.

These levels of radioactivity are also far below the 231 pCi/g activity level for an adult rural resident that equates to the 25 mrem/year dose criterion specified in the Colorado Standards for Protection Against Radiation. Based on these results, the Peripheral OU is determined to be acceptable for all uses from a radiological perspective.

The RFI/RI Report evaluated health risks and radiation dose from surface water. Surface water was sampled for plutonium and americium. The maximum and mean concentrations of plutonium and americium detected in surface water from the reservoirs were well below the CDPHE standards, the National Drinking Water Standards, and the Rocky Flats Site specific standards for plutonium and americium.

DOE submitted the RFI/RI Report to the Agency for Toxic Substances and Disease Registry (ATSDR), a part of the federal Center for Disease Control, for the purpose of obtaining a Health Consultation. The purpose of the Health Consultation was to obtain an independent evaluation as to whether COCs had been adequately identified in OU 3, the risks to human health posed by releases of hazardous substances in OU 3 adequately analyzed, and whether the proposal for no remedial action in OU 3 was appropriate considering these risks. The ATSDR concluded that the COC selection process was based on reasonable assumptions, and that none of the constituents present in OU 3 posed public health concerns. Further, the ATSDR Health Consultation stated that no additional activities were needed in OU 3 in order to ensure the public's health.

Based upon the BRA and the ERA contained in the RFI/RI Report, DOE, the lead agency under CERCLA for OU 3, concluded that no action was appropriate for OU 3. The RFI/RI Report concluded that all IHSSs within OU 3 are already protective of human health and the environment. Field and laboratory work showed no indications of adverse effects from plutonium or americium on the ecology of OU 3. The NCP provides for the selection of a no action remedy when an OU is in such a protective state. Therefore, no remedial action regarding OU 3 or any of its constituent IHSSs was warranted.

B.2 Declaration Statement for Offsite Areas OU CAD/ROD

DOE in consultation with CDPHE and EPA, determined that no remedial action was necessary for OU 3 to be

protective of human health, welfare and the environment. No hazardous substances, pollutants or contaminants remain within the boundaries of OU3 above levels that allow for unlimited use and unrestricted exposure, as these levels have been calculated in the OU 3 RFI/RI Report.

B.3 Evaluation of OU3 CAD/ROD Data in First Five-Year Review

A five-year review of the OU 3 CAD/ROD was conducted to assess the continued protectiveness of the remedy. The OU 3 CAD/ROD concluded that transport by wind and water was the primary means by which plutonium and americium were carried to OU 3. Therefore, available air and water monitoring data collected after the OU 3 CAD/ROD was signed were reviewed to determine if environmental conditions at OU 3 have changed since the BRA was completed. The air monitoring data from the RFETS perimeter air monitoring network were analyzed and the conclusion was that the amounts of plutonium and americium that have been measured at the RFETS perimeter since 1997 have been environmentally insignificant. These amounts of plutonium and americium would not have caused contaminant levels in OU 3 to change significantly since the OU 3 CAD/ROD was signed. Water monitoring data from the RFCA Points of Compliance on Woman Creek and Walnut Creek at Indiana Street, and data collected by the City of Broomfield for Great Western Reservoir, were analyzed. Samples of water leaving RFETS showed consistent compliance with RFCA surface water standards, and water samples from Great Western Reservoir were consistently at or below detection limits for plutonium and americium. The report also included a Protectiveness Statement as required by EPA guidance. Pursuant to the Protectiveness Statement, DOE's ongoing custody and control of RFETS, ongoing monitoring programs, and restriction of public access serve to adequately control risks posed by contamination at RFETS. The no action decision for OU 3 was determined to be adequately protective.

Review of air monitoring data and water quality data at the Points of Compliance since the first five-year review also indicate there have not been significant amounts of plutonium or americium that have entered OU 3 through the air or water pathways. Therefore, environmental conditions at OU 3 have not changed significantly since the OU 3 CAD/ROD was signed.

B.4 OU 3 Conclusions

Conditions in OU 3 pose no unacceptable or significant risks to human health or the environment; future unacceptable or significant exposures will not occur there as a result of past contamination. DOE concluded that no action was necessary in OU 3 for the protection of human health or the environment. Reviews following the OU 3 CAD/ROD have concluded that environmental conditions at OU 3 have not changed significantly since the OU 3 CAD/ROD was signed.

Community Involvement

Public Participation activities for the cleanup of the Peripheral OU and OU 3 were conducted as required under CERCLA Section 113(k), 42 U.S.C. 9613(k) and Section 117, 42 U.S.C. 9617. Public review included the following activities:

A. Community Involvement for the Peripheral OU

The Draft RI/FS Report for the RFETS was released for public review and information in October 2005, and was available at that time in the Rocky Flats public reading rooms and online. Several informational public meetings on the draft RI/FS were held, at which representatives from DOE and its contractor, EPA and CDPHE were present to answer questions. These meetings included a discussion at the Rocky Flats Citizens Advisory Board meeting on November 3, 2005. The final RI/FS report was approved by EPA and CDPHE on July 5, 2006. Copies of the final RI/FS report were placed at seven information centers in the Denver metropolitan area on July 14, 2005. In addition, the RI/FS report was available on line at <http://www.rfets.gov>, and copies on compact disc were available at the public information meetings during the comment period for the Proposed Plan. DOE, EPA and CDPHE held a pre-release informational meeting for the Proposed Plan on May 30, 2006, to explain changes that were made to the draft RI/FS report, and to describe the major components of the Proposed Plan. The Proposed Plan was released for formal public comment on July 14, 2006. Notice of the public comment period appeared in The Rocky Mountain News and The Denver Post from May 22 through May 28, 2006, and was also provided at the informational public meeting. DOE sent out community and media advisories prior to the release of the Proposed Plan, and prior to each informational meeting and the public hearing. The Proposed Plan was placed

in seven information centers in the Denver metropolitan area, was available at the informational meetings held during the comment period, and was available on line at <http://www.rfets.gov>. The Proposed Plan included discussions on future land use and use of groundwater at Rocky Flats. The Rocky Flats administrative record file was available for public review at the Front Range Community College reading room in Westminster, Colorado, as well as on line at <http://www.rfets.gov>.

DOE held two informational meetings during the public comment period, at which agency representatives presented the scope and purpose of the Proposed Plan, discussed opportunities to provide input on the Proposed Plan, and responded to questions from the public. The first informational meeting was held on July 19, 2006 in Golden, Colorado, and the second informational meeting took place in Westminster, Colorado on August 8, 2006. Prior notice of each meeting was provided through advertisements in the aforementioned newspapers, running from July 13 through July 19, 2006, and again from August 2 through August 8, 2006. A public hearing for the Proposed Plan took place on August 31, 2006 in Arvada, Colorado; separate sessions were held in the afternoon and in the evening on that date to accommodate as many members of the public as possible. Prior notice of the public hearing was accomplished through advertisements in the aforementioned newspapers that ran from August 25 through August 31, 2006, with a display ad posted in both papers on August 29, 2006. Both written and oral public comments were accepted at the public hearing. A transcript of the public hearing has been made available to the public and placed in the Rocky Flats administrative record file.

The public comment period for the Proposed Plan extended from July 14 through September 13, 2006. No requests for extension of the public comment period were received. DOE's responses to public comments received during the comment period are included in the Responsiveness Summary section of the RFETS CAD/ROD.

B. Community Involvement for OU 3

DOE submitted the final RFI/RI Report for OU 3 to EPA on July 11, 1996 following resolution of final comments by EPA, CDPHE, the City of Broomfield, and the City of Westminster. Regulatory approval to release the OU 3 Proposed Plan for public comment was granted on August 7, 1996.

The Proposed Plan was released for public comment on August 7, 1996. A

public hearing on the OU 3 Proposed Plan was held on September 18, 1996 at the Arvada Center for the Performing Arts and Humanities in Arvada, Colorado. Citizen comments received at the public hearing were recorded and responses to those comments were included in a Responsiveness Summary. The public comment period for the OU 3 Proposed Plan ended on October 11, 1996. Written comments on the Proposed Plan were received from the Cities of Westminster and Broomfield. Responses to those written comments were also included in the Responsiveness Summary.

Current Status

The RFETS RI/FS Report concluded that the Peripheral OU was already in a state protective of human health and the environment, therefore the selected remedy in the RFETS CAD/ROD for the

Peripheral OU was no action. No accelerated actions were taken in the Peripheral OU, and no remedial action alternatives were evaluated for the Peripheral OU. Because no hazardous substances, pollutants, or contaminants occur in the Peripheral OU above levels that allow for unlimited use and unrestricted exposure, a five-year review was not required for this remedy. This documentation provides the technical justification for deletion of the Peripheral Operable Unit, Rocky Flats Plant from the NPL.

For the OU 3 (Offsite Areas) conditions were determined to be protective of human health and the environment at the time the OU 3 CAD/ROD was signed in 1997, and again during the first five-year review finalized in September 2002. Since then, summary data for OU 3 has been

reviewed and indicate that conditions have not changed to alter conclusions of earlier OU 3 assessments. This documentation provides the technical justification for deletion of OU 3 (Offsite Areas), Rocky Flats Plant from the NPL.

EPA, with concurrence from CDPHE, has determined that all appropriate CERCLA response actions have been completed within the Peripheral OU and OU 3 to protect public health and the environment and that no further response action by responsible parties is required. Therefore, EPA proposes to delete the Peripheral OU and OU 3 of the Rocky Flats Plant from the NPL.

Dated: March 1, 2007.

Robert E. Roberts,

Regional Administrator, Region 8.

Federal Register

Vol. 72, No. 48

Tuesday, March 13, 2007

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

March 8, 2006.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), OIRA_Submission@OMB.EOP.GOV or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Foreign Agricultural Service

Title: "Certificate for Quota Eligibility" (CQE) to Enter Sugar into the United States.

OMB Control Number: 0551-0014.

Summary of Collection: 5(a)(i) of the Harmonized Tariff Schedule of the United States authorizes the Secretary to establish a raw-cane sugar tariff-rate quota (TRQ). 5(b)(i) authorizes the U.S. Trade Representative to allocate the raw-cane sugar tariff-rate quota among supplying countries. Certificates of Quota Eligibility (CQE) are issued to the 40 countries that receive TRQ allocations to export sugar to the United States. The CQE is completed by the certifying authority in the foreign country that certifies that the sugar being exported to the United States was produced in the foreign country that has the TRQ allocation. The Foreign Agriculture will collect information using form FSA-961, Certificate for Quota Eligibility.

Need and Use of the Information: FAS will collect the following information: (1) Country of origin or area of the eligible raw cane sugar; (2) quota period; (3) quantity of raw cane sugar to be exported; (4) details of the shipment (shipper, vessel, port of loading); and (5) additional details if available at the time of shipment (consignee, address of consignee, expected date of departure, expected date of arrival in the U.S., expected port of arrival). The information will help determine if the quantity to be imported is eligible to be entered under the TRQ.

Description of Respondents: Individuals or households.

Number of Respondents: 40.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 200.

Ruth Brown,

Departmental Information Collection Clearance Officer.

DEPARTMENT OF AGRICULTURE

Food and Nutrition Service

Special Supplemental Nutrition Program for Women, Infants and Children (WIC): Income Eligibility Guidelines

AGENCY: Food and Nutrition Service, USDA.

ACTION: Notice.

SUMMARY: The Department announces adjusted income eligibility guidelines to be used by State agencies in determining the income eligibility of persons applying to participate in the Special Supplemental Nutrition Program for Women, Infants and Children Program (WIC). These income eligibility guidelines are to be used in conjunction with the WIC Regulations.

DATES: July 1, 2007.

FOR FURTHER INFORMATION CONTACT: Debra Whitford, Branch Chief, Policy and Program Development Branch, Supplemental Food Programs Division, FNS, USDA, 3101 Park Center Drive, Alexandria, Virginia 22302, (703) 305-2746.

SUPPLEMENTARY INFORMATION:

Executive Order 12866

This notice is exempt from review by the Office of Management and Budget under Executive Order 12866.

Regulatory Flexibility Act

This action is not a rule as defined by the Regulatory Flexibility Act (5 U.S.C. 601-612) and thus is exempt from the provisions of this Act.

Paperwork Reduction Act of 1995

This notice does not contain reporting or recordkeeping requirements subject to approval by the Office of Management and Budget in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507).

Executive Order 12372

This program is listed in the Catalog of Federal Domestic Assistance Programs under No. 10.557, and is subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials (7 CFR part 3015, subpart V, 48 FR 29114, June 24, 1983, and 49 FR 22676, May 31, 1984).

Description

Section 17(d)(2)(A) of the Child Nutrition Act of 1966 (42 U.S.C. 1786 (d)(2)(A)) requires the Secretary of Agriculture to establish income criteria to be used with nutritional risk criteria in determining a person's eligibility for participation in the WIC Program. The law provides that persons will be income eligible for the WIC Program only if they are members of families that satisfy the income standard prescribed for reduced-price school meals under section 9(b) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(b)). Under section 9(b), the income limit for reduced-price school meals is 185 percent of the Federal poverty guidelines, as adjusted.

Section 9(b) also requires that these guidelines be revised annually to reflect changes in the Consumer Price Index. The annual revision for 2007 was published by the Department of Health and Human Services (HHS) at 72 FR 3147, January 24, 2007. The guidelines published by HHS are referred to as the poverty guidelines.

Section 246.7(d)(1) of the WIC regulations (Title 7, Code of Federal

Regulations) specifies that State agencies may prescribe income guidelines either equaling the income guidelines established under section 9 of the Richard B. Russell National School Lunch Act for reduced-price school meals or identical to State or local guidelines for free or reduced-price health care. However, in conforming WIC income guidelines to State or local health care guidelines, the State cannot establish WIC guidelines which exceed the guidelines for reduced-price school meals, or which are less than 100 percent of the Federal poverty guidelines. Consistent with the method used to compute income eligibility guidelines for reduced-price meals under the National School Lunch Program, the poverty guidelines were multiplied by 1.85 and the results rounded upward to the next whole dollar.

At this time the Department is publishing the maximum and minimum WIC income eligibility guidelines by household size for the period July 1, 2007, through June 30, 2008. Consistent with section 17(f)(17) of the Child Nutrition Act of 1966 (42 U.S.C.

1786(f)(17)), a State agency may implement the revised WIC income eligibility guidelines concurrently with the implementation of income eligibility guidelines under the Medicaid program established under Title XIX of the Social Security Act (42 U.S.C. 1396, et seq.). State agencies may coordinate implementation with the revised Medicaid guidelines, but in no case may implementation take place later than July 1, 2007.

State agencies that do not coordinate implementation with the revised Medicaid guidelines must implement the WIC income eligibility guidelines on July 1, 2007. The first table of this notice contains the income limits by household size for the 48 contiguous States, the District of Columbia and all Territories, including Guam. Because the poverty guidelines for Alaska and Hawaii are higher than for the 48 contiguous States, separate tables for Alaska and Hawaii have been included for the convenience of the State agencies.

BILLING CODE 3410-30-C

DEPARTMENT OF AGRICULTURE**Forest Service****Medicine Bow-Routt National Forests and Thunder Basin National Grassland; Wyoming; Thunder Basin National Grassland Land and Resource Management Plan Amendment for Prairie Dog Management**

AGENCY: Forest Service, USDA.

ACTION: Notice of intent to prepare an environmental impact statement.

SUMMARY: The Forest Service proposes to develop a project-level and site-specific implementation strategy to manage prairie dogs using the full suite of management tools to maintain viable populations to support black-footed ferret introduction and populations of other associated species while reducing unwanted colonization of adjoining lands along national grassland boundaries; and to amend the Thunder Basin National Grassland Land and Resource Management Plan (LRMP) as needed to support the site-specific implementation plan and to modify the boundary of the black-footed ferret reintroduction area. The ferret area modification is proposed to provide a more logical boundary based on topographical and biological barriers for prairie dog colonies and to include lands recently acquired through land exchange.

DATES: Comments concerning the scope of the analysis must be received by April 12, 2007. The draft environmental impact statement is expected May 31, 2007 and the final environmental impact statement is expected September 30, 2007.

ADDRESSES: Send written comments to Marilee Houtler, NEPA Coordinator, Douglas Ranger District, 2250 East Richards Street, Douglas, Wyoming 82633 to e-mail to comments-rocky-mountain-medicine-bow-routt-douglas-thunder-basin@fs.fed.us All comments, including names and addresses when provided, are placed in the record and are available for public inspection and copying. The public may inspect comments received at Douglas Ranger District, 2250 E. Richards, Douglas, WY 82633. Visitors are encouraged to call ahead to (307) 358-4690 to facilitate entry into the building.

FOR FURTHER INFORMATION CONTACT: Cristi Lockman, Wildlife Biologist or Misty Hays, Deputy District Ranger, Douglas Ranger District, 2250 East Richards St., Douglas, WY 82633 (307) 358-4690.

Individuals who use telecommunication devices for the deaf

(TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., eastern standard time, Monday through Friday.

SUPPLEMENTARY INFORMATION: Since the 1960's, the Forest Service has been challenged to balance our duty to conserve prairie dog habitat and manage the impacts from prairie dogs on public lands and neighboring private lands. Prairie dog management on the Thunder Basin National Grassland fluctuated through the 1960's, 1970's and 1980's from periods of active use of rodenticide, management to maintain prairie dog populations and no rodenticide use. However, with the petition for listing the prairie dog in 1998, rodenticide use was prohibited by Forest Service policy from 1999 until 2004 when the US Fish and Wildlife Service issued its decision to remove the prairie dog from its candidate list. In 2001 the LRMP was completed with the 2002 Record of Decision (ROD). The LRMP continued to limit use of prairie dog rodenticide to situations involving public health and safety risks and damage to facilities. In 2002, as the Thunder Basin National Grassland LRMP was being completed a plague epizootic impacted prairie dog colonies on the Thunder Basin National Grassland in April and May 2002 reducing populations from an estimated 21,000 acres of inventoried active colonies in 2001 to about 3,300 acres of inventoried active colonies in 2002. Since 2002, active colonies have been recovering from the plague event from 29-69% annually. In 2004, as part of the appeal decisions on LRMP, USDA Deputy Under Secretary, David Tenny, issued instructions directing the Thunder Basin National Grassland to ensure that local land managers work together with state and county officials and local landowners to aggressively implement the spirit and intent of the good neighbor policy.

Purpose and Need for Action

The Forest Service has identified a need to implement the management objectives in the LRMP for management of prairie dogs and prairie dog habitat for black-footed ferrets and other associated species and implement the direction by Deputy Under Secretary Tenny to be a good neighbor in relation to prairie dog management using all the tools available to provide for healthy populations of prairie dog while preventing unwanted colonization onto adjacent and intermingled private lands.

The purpose of this action is to provide a full set of tools available for prairie dog management and identify

sideboards on how and when tools might be used and to change the boundaries of Management Area 3.63 Black-footed Ferret Reintroduction Habitat to better match prairie dog complexes on the ground.

Proposed Action

The Forest Service proposes to develop a project-level and site-specific implementation strategy to manage prairie dogs using the full suite of management tools to maintain viable populations to support black-footed ferret reintroduction and populations of other associated species while reducing unwanted colonization of prairie dogs on adjoining lands along national grassland boundaries. The Forest Service also proposes to amend the LRMP as needed to support the site-specific implementation plan and to modify the boundary of the black-footed ferret reintroduction area. The ferret reintroduction area modification is proposed to provide a more logical boundary based on topographical and biological barriers for prairie dog colonies and to include lands recently acquired through land exchange. All standards and guidelines as currently prescribed in the LRMP for Black Footed Ferret Reintroduction Habitat will apply to the modified area. Methods for implementing the proposed actions include a suite of non-lethal and lethal management tools such as: Rodenticide, limited shooting, landownership adjustment, third-party solutions, financial incentives, conservation agreements, conservation easements, live-trapping, reduced livestock grazing to create visual barriers, and physical barriers.

Responsible Official

Mary H. Peterson, Forest Supervisor, Medicine Bow-Routt National Forests and Thunder Basin National Grassland, 2468 Jackson Street, Laramie, Wyoming 82070 is the official responsible for making the decision on this action. She will document her decision and rationale in a Record of Decision.

Nature of Decision To Be Made

The Responsible Official will consider the results of the analysis and it's findings and then document the final decision in a Record of Decision (ROD). The decision will include a determination whether or not to amend the LRMP to support the prairie dog management strategy and adjust the boundaries of the Black Footed Ferret Reintroduction Management Area.

Scoping Process

Concurrent with this NOI, letters requesting comments will be sent to interested parties. Anyone who provides comments to the DEIS or expresses interest during the comment period will have eligibility.

Preliminary Issues

The Forest Service has identified the following preliminary issues: (1) Potential impacts to the Black-Footed Ferret, an Endangered species; (2) Potential impacts to the black-tailed prairie dog, a Forest Service Region 2 Sensitive Species and other associated sensitive species; (3) Potential impacts to adjacent private lands; (4) Potential impacts to livestock grazing permits on National Grassland.

Comment Requested

This notice of intent initiates the scoping process which guides the development of the environmental impact statement.

Early Notice of Importance of Public Participation in Subsequent Environmental Review

A draft environmental impact statement will be prepared for comment. The comment period on the draft environmental impact statement will be 45 days from the date the environmental Protection Agency publishes the notice of availability in the **Federal Register**.

The Forest Service believes it is important to give reviewers notice of several court rulings related to public participation in the environmental review process. First, reviewers of draft environmental impact statements must structure their participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewer's position and contentions, *Vermont Yankee Nuclear Power Corp. v. NRDC*, 435 F.2d 519, 553 (1978). Also, environmental objections that could be raised at the draft environmental impact statement stage but that are not raised until after completion of the final environmental impact statement may be waived or dismissed by the courts *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45 day comment period so that comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final environmental impact statement. To

assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft environmental impact statement should be as specific as possible. It is also helpful if comments refer to specific pages or chapter of the draft statement. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

(Authority: 40 CFR 1501.7 and 1508.22; Forest Service Handbook 1909.15, Section 21.)

Dated: March 2, 2007.

Misty A. Hays,

Deputy District Ranger.

BILLING CODE 3410-11-M

DEPARTMENT OF COMMERCE

International Trade Administration

A-570-893

Notice of Extension of the Preliminary Results of Antidumping Duty New Shipper Review: Certain Frozen Warmwater Shrimp from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 13, 2007.

FOR FURTHER INFORMATION CONTACT: Erin Begnal or P. Lee Smith; AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1442 and (202) 482-1655, respectively.

Background

On August 31, 2006, the Department of Commerce ("Department") received a timely request from Maoming Changxing Foods Co., Ltd. ("Maoming Changxing"), in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on certain frozen warmwater shrimp from the People's Republic of China ("PRC"). On September 22, 2006, the Department found that the request for review with respect to Maoming Changxing met all of the regulatory requirements set forth in 19 CFR 351.214(b) and initiated an antidumping

duty new shipper review covering the period February 1, 2006, through July 31, 2006. *See Certain Frozen Warmwater Shrimp from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review*, 71 FR 57469 (September 29, 2006). The preliminary results are currently due no later than March 21, 2007.

Extension of Time Limit for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and the final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the time period for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. *See* 19 CFR 351.214(i)(2).

The Department has determined that the review is extraordinarily complicated as the Department must gather additional publicly available information, issue additional supplemental questionnaires, and conduct verification of the responses. Based on the timing of the case and the additional information that must be gathered and verified, the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. Accordingly, the Department is extending the time limit for the completion of the preliminary results of the new shipper review of Maoming Changxing to 300 days. The preliminary results will now be due no later than July 19, 2007, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). The final results will, in turn, be due 90 days after the date of issuance of the preliminary results, unless extended.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: March 5, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

BILLING CODE 3510-DS-S

DEPARTMENT OF COMMERCE**International Trade Administration****A-421-811****Purified Carboxymethylcellulose from the Netherlands: Rescission of Antidumping Duty Administrative Review in Part**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from petitioner Aqualon Company, a division of Hercules Incorporated ("Aqualon"), a U.S. manufacturer of carboxymethylcellulose ("CMC"), the Department of Commerce ("the Department") initiated an administrative review of the antidumping duty order on CMC from the Netherlands. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 71 FR 51573 (August 30, 2006). This administrative review covers the period December 27, 2004, through June 30, 2006. We are now rescinding this review with respect to Akzo Nobel Surface Chemistry BV and Akzo Nobel Functional Chemicals B.V. (collectively, "Akzo") due to the withdrawal of Aqualon's review request with respect to Akzo.¹

EFFECTIVE DATE: March 13, 2007.

FOR FURTHER INFORMATION CONTACT: Dena Crossland or Stephen Bailey, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Room 7866, Washington, DC 20230; telephone: (202) 482-3362 or (202) 482-0193, respectively.

SUPPLEMENTARY INFORMATION:**Background**

The Department published an antidumping duty order on CMC from the Netherlands on July 11, 2005. *See Notice of Antidumping Duty Orders: Purified Carboxymethylcellulose from Finland, Mexico, the Netherlands and Sweden*, 70 FR 39734 (July 11, 2005). The Department published a notice of "Opportunity to Request an Administrative Review" of the antidumping duty order for the period December 27, 2004, through June 30, 2006, on July 3, 2006. *See* 71 FR 37890. Petitioner Aqualon requested that the Department conduct an administrative review of the antidumping duty order on CMC from the Netherlands on July

27, 2006. In response to this request from petitioner, the Department published the initiation of the antidumping duty administrative review on CMC from the Netherlands on August 30, 2006. *See* 71 FR 51573. The Department received petitioner's request for withdrawal of the administrative review with respect to Akzo on February 15, 2007.

Rescission of the Administrative Review

Pursuant to 19 C.F.R. § 351.213(d)(1), the Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review, or withdraws at a later date if the Department determines it is reasonable to extend the time limit for withdrawing the request. Petitioner's request is past the 90-day time limit; however, we find that it is reasonable to extend the deadline because the Department has not yet devoted significant time or resources to this review. In response to petitioner's withdrawal of its request for an administrative review, as well as the fact that we have not yet issued preliminary results, the Department hereby rescinds the administrative review of the antidumping duty order on CMC from the Netherlands for the period December 27, 2004, through June 30, 2006, with respect to Akzo.

The Department intends to issue appropriate assessment instructions to Customs and Border Protection 15 days after the date of the publication of this notice. The Department will direct CBP to assess antidumping duties for Akzo at the cash deposit rate in effect on the date of entry for entries during the period December 27, 2004, through June 30, 2006.

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 C.F.R. § 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 C.F.R. § 351.213(d)(4).

Dated: March 5, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

[FR Doc. E7-4497 Filed 3-12-07; 8:45 am]

BILLING CODE 3510-DS-S

DEPARTMENT OF COMMERCE**International Trade Administration****A-570-908****Notice of Correction of Initiation of Antidumping Duty Investigation: Sodium Hexametaphosphate from the People's Republic of China**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 13, 2007.

FOR FURTHER INFORMATION CONTACT: Erin C. Begnal or Christopher D. Riker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1442 or (202) 482-3441, respectively.

CORRECTION:

On March 6, 2007, the Department of Commerce ("Department") published the notice of initiation of the antidumping duty investigation of sodium hexametaphosphate from the People's Republic of China. *See Initiation of Antidumping Duty Investigation: Sodium Hexametaphosphate from the People's Republic of China*, 72 FR 9926 (March 6, 2007) ("Initiation Notice"). Subsequent to the signature of the Initiation Notice, we identified an inadvertent error in the above-referenced notice.

Specifically, the case number listed in the Initiation Notice was incorrect. It should read A-570-908.

Conclusion

This notice serves solely to correct the case number as it was listed in the *Initiation Notice*. The Department's findings in the *Initiation Notice* remain unchanged. This notice is issued and published in accordance with section 777(i) of the Tariff Act of 1930, as amended.

Dated: March 6, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Hard Red Spring Wheat from Canada: Rescission of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce initiated an administrative review of the countervailing duty order on hard red spring wheat from Canada, covering the period January 1, 2004, through December 31, 2004. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 68535 (November 27, 2006). As a result of a timely withdrawal of the request for review by the Canadian Wheat Board, we are rescinding this review.

EFFECTIVE DATE: March 13, 2007.

FOR FURTHER INFORMATION CONTACT: Audrey Twyman or Brandon Farlander, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-3534 and (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On October 23, 2003, the Department of Commerce ("the Department") published a countervailing duty order on hard red spring wheat ("HRSW") from Canada. *See Notice of Countervailing Duty Order: Hard Red Spring Wheat from Canada*, 68 FR 60642 (October 23, 2003). On October 31, 2005, the Canadian Wheat Board ("CWB") requested an administrative review of the countervailing duty order on HRSW from Canada covering the period January 1, 2004, through December 31, 2004. At the same time, the CWB requested that the review be deferred for one year. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Administrative Reviews*, 70 FR 72107 (December 1, 2005). On November 27, 2006, we automatically initiated the deferred 2004 review. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 68535 (November 27, 2006). On February 26, 2007, the CWB withdrew its request for review.

Scope of the Countervailing Duty Order

Imports covered by this order are all varieties of HRSW from Canada. This includes, but is not limited to, varieties commonly referred to as Canada Western Red Spring, Canada Western Extra Strong, and Canada Prairie Spring Red. The merchandise subject to this order is currently classifiable under the following *Harmonized Tariff Schedule of the United States* ("HTSUS") subheadings: 1001.90.10.00, 1001.90.20.05, 1001.90.20.11, 1001.90.20.12, 1001.90.20.13, 1001.90.20.14, 1001.90.20.16, 1001.90.20.19, 1001.90.20.21, 1001.90.20.22, 1001.90.20.23, 1001.90.20.24, 1001.90.20.26, 1001.90.20.29, 1001.90.20.35, and 1001.90.20.96. This order does not cover imports of wheat that enter under the subheadings 1001.90.10.00 and 1001.90.20.96 that are not classifiable as HRSW. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this order is dispositive.

Rescission of Review

The Department's regulations at 19 CFR 351.213(d)(1) provide that the Department will rescind an administrative review if a party that requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. The CWB withdrew its request for an administrative review on February 26, 2007, which is within the 90-day deadline. No other party requested a review of this order. Therefore, the Department is rescinding this administrative review.

The Court of International Trade issued a temporary restraining order, covering 10 days, effective March 1, 2007, instructing the Department not to liquidate CWB imports of the subject merchandise. As long as a temporary restraining order, or preliminary injunction, is in place pursuant to the ongoing litigation, the Department will not order liquidation of the relevant entries.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: March 6, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[I.D. 022807C]

Magnuson-Stevens Act Provisions; General Provisions for Domestic Fisheries; Application for Exempted Fishing Permit

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce

ACTION: Notice; request for comments.

SUMMARY: The Assistant Regional Administrator for Sustainable Fisheries, Northeast Region, NMFS (Assistant Regional Administrator) has made a preliminary determination that the subject Exempted Fishing Permit (EFP) application from the University of New Hampshire (UNH) for an exemption from Gulf of Maine (GOM) Rolling Closure Areas III and IV requirements of the Northeast (NE) Multispecies Fishery Management Plan (FMP), for the purpose of designing and testing a raised footrope haddock trawl, contains all of the required information and warrants further consideration. The EFP is intended to facilitate research that would lead to the development of a viable alternative to traditional fishing gear for landing haddock, while minimizing the impact on species of concern and other bycatch. The Assistant Regional Administrator has also made a preliminary determination that the activities authorized under the EFP would be consistent with the goals and objectives of the FMP. However, further review and consultation may be necessary before a final determination is made to issue the EFP. Therefore, NMFS announces that the Assistant Regional Administrator proposes to issue an EFP that would allow vessels to conduct fishing operations that are otherwise restricted by the regulations governing the fisheries of the Northeastern United States.

Regulations under the Magnuson-Stevens Fishery Conservation and Management Act require publication of this notification to provide interested parties the opportunity to comment on applications for proposed EFPs.

DATES: Comments must be received on or before April 12, 2007.

ADDRESSES: Comments on this notice may be submitted by e-mail. The mailbox address for providing e-mail comments is DA7012@noaa.gov. Include in the subject line of the e-mail comment the following document identifier: "Comments on UNH Raised Footrope Trawl (DA7-012)." Written comments should be sent to Patricia A. Kurkul, Regional Administrator, NMFS, Northeast Regional Office, 1 Blackburn Drive, Gloucester, MA 01930. Mark the outside of the envelope "Comments on UNH Raised Footrope Trawl (DA7-012)." Comments may also be sent via facsimile (fax) to (978) 281-9135.

FOR FURTHER INFORMATION CONTACT: Moira Kelly, Fishery Management Specialist, phone: 978-281-9218, fax: 978-281-9135.

SUPPLEMENTARY INFORMATION: A complete application for an EFP was submitted on January 5, 2007, by Dr. Pingguo He of the University of New Hampshire (UNH). This project is funded by the Northeast Consortium.

The project would be used to study the effectiveness of a raised footrope trawl in retaining haddock while excluding Atlantic cod and flounders, and comparing catch composition to a standard groundfish trawl. The intent is for this project to take place between May and June 2007, in GOM Rolling Closure Areas III and IV, when the researcher believes that the best mix of haddock, Atlantic cod, and flounders would be present. As a result, UNH has requested an exemption from the requirements of the GOM Rolling Closure Areas III and IV which would otherwise be closed. Undersized, or otherwise protected fish, would not be retained or landed. Legal sized fish would be landed and sold under a normal NE multispecies day-at-sea and other applicable regulations. The researcher anticipates that the overall fishing mortality of the experimental trawl would be approximately 30 percent of an average commercial fishing trawl.

Two vessels, working with UNH, would be involved in this research. The vessels would make alternating tows consisting of towing the raised footrope trawl and subsequently towing the same trawl with the footrope tied down to the sweep, as is standard practice. The researcher estimates that the two vessels

would perform two 1-hour tows with the standard net and two 1-hour tows with the experimental net, daily, over 25 fishing days, for a project total of 50 standard tows and 50 experimental tows. Overall, the total expected catch from both the experimental and commercial trawls would be:

SPECIES	CATCH (LB)	CATCH (KG)
Atlantic Cod	5,000	2,268
Atlantic Haddock	10,000	4,563
American Plaice	2,500	1,134
Yellowtail Flounder	250	113
Winter Flounder	500	227
Witch Flounder	1,250	567
Hake	500	227
Pollock	10,000	4,563

The applicant may place requests for minor modifications and extensions to the EFP throughout the year. EFP modifications and extensions may be granted without further notice if they are deemed essential to facilitate completion of the proposed research and result in only a minimal change in the scope or impact of the initially approved EFP request.

In accordance with NOAA Administrative Order 216-6, a Categorical Exclusion or other appropriate NEPA document would be completed prior to the issuance of the EFP. Further review and consultation may be necessary before a final determination is made to issue the EFP. After publication of this document in the **Federal Register**, the EFP, if approved, may become effective following the public comment period.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: March 7, 2007.

James P. Burgess,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

BILLING CODE 3510-22-S

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[I.D. 030107C]

Atlantic Highly Migratory Species; Exempted Fishing Permits

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; request for an exempted fishing permit; request for comments.

SUMMARY: NMFS announces the receipt of a request for an exempted fishing

permit (EFP) to collect fisheries data from approximately 13 pelagic longline (PLL) vessels fishing in the East Florida Coast and Charleston Bump closed areas. At this time, given the nearly rebuilt status of north Atlantic swordfish and numerous management measures regulating target and bycatch species in the PLL fishery, NMFS is considering issuing the proposed EFP to evaluate bycatch measures in these areas. The applicant states that these data would provide information on circle hook performance, target and bycatch species composition, and allow comparative analysis with historical pelagic longline logbook and observer program data. The applicant states that the goals of these fishing activities are to determine if implementation of new pelagic longline fishing practices justify the resumption of PLL fishing in the selected areas and to catch more of the United States swordfish quota. The proposed activities would occur in Federal waters of the Atlantic Ocean off Florida and South Carolina from the date of issuance through April 2008. NMFS invites comments from interested parties on this EFP request.

DATES: Written comments on the application for an exempted fishing permit must be received by 5 p.m. on April 11, 2007.

ADDRESSES: You may submit comments by any of the following methods:

- Email: SF1.030107C@noaa.gov.

Include in the subject line the following identifier: I.D. 030107C.

- Mail: Michael Clark, Highly Migratory Species Management Division (F/SF1), NMFS, 1315 East-West Highway, Silver Spring, MD 20910. Please mark the outside of the envelope "Comments on EFP Application."

- Fax: (301)713-1917

FOR FURTHER INFORMATION CONTACT:

Michael Clark, by phone: (301) 713-2347; fax: (301)713-1917.

SUPPLEMENTARY INFORMATION: EFPs are requested and issued under the authority of the Atlantic Tunas Convention Act (ATCA) (16 U.S.C. 971 *et seq.*) and the Magnuson Stevens Fishery Conservation and Management Act (1601 U.S.C. 1801 *et seq.*), which regulate fishing activities of tunas, swordfish, sharks, and billfish. Regulations at 50 CFR Section 635.32 govern scientific research activity, exempted fishing, and exempted educational activity with respect to Atlantic Highly Migratory Species (HMS).

Blue Water Fishermen's Association (applicant) has requested an EFP to collect fisheries data in Federal waters of the Charleston Bump and East Florida

Coast closed areas. The area requested for experimental fishing includes the waters approximately 40 nautical miles north of Fort Pierce, FL, beginning at 28° N. latitude and seaward of the Gulf Stream then continuing north and east seaward of the 100-fathom contour to the northern and eastern boundaries of the Charleston Bump closed area. In the Florida East Coast closed area, specific fishing areas would include waters between 28° and 30° N. latitude, seaward of the axis of the Gulf Stream, out to the boundary of the U.S. Exclusive Economic Zone (EEZ). In the Charleston Bump Closed Area, fishing activities would take place seaward of the 100-fathom contour to the northern and eastern boundaries of that closure.

Under this application, target species would include swordfish, yellowfin tuna, albacore tuna, bigeye tuna, dolphin fish, pelagic and coastal sharks, and wahoo. All targeted catch (tunas, swordfish, and sharks) that can be legally landed would be harvested and sold by the vessel owners. Incidental catch of bluefin tuna would be landed consistent with existing regulations. Any mortalities of Atlantic Tunas Convention Act (ATCA) regulated species (i.e., tuna, and swordfish) and sharks would be counted against the appropriate quotas. Non-target species and protected resources (e.g., billfish and sea turtles) would be tagged and released alive, if possible.

NMFS is aware of interactions with leatherback and loggerhead sea turtles that have occurred with PLL gear in these closed areas due to the natural distribution of sea turtles. Sea turtles can be entangled and/or hooked by PLL gear. If the EFP is issued, all mortality and interactions with protected resources would be counted against the Incidental Take Statement (ITS) established by the 2004 Biological Opinion for the PLL fishery.

The applicant specifies that all participating vessels would comply with the following standards: (1) Leaded swivels on every leader placed 2–3 fathoms above the hook, (2) use of 18/0 circle hooks (up to 10 degree offset) and squid or mackerel baits when targeting swordfish, (3) use of 16/0 non-offset circle hooks with squid or whole finfish bait when targeting tunas, and (4) possession of all mandatory equipment for safe handling and release of sea turtles and other non-target catch. The applicant would adhere to all existing regulations concerning deployment of PLL gear.

The applicant is proposing that all fishing activities be monitored by Federal fisheries observers to provide data on longline gear configuration,

target and incidental catch, and sea turtle interactions. NMFS currently collects this information on selected PLL vessels by the PLL Observer Program (POP). The applicant is also proposing that observers record all of the animals caught on each set and the location and water temperature corresponding to where each section of gear is set and hauled. Individual length measurements for all catch would be recorded in addition to weight for those animals landed. If the EFP is issued, NMFS would require that all data be submitted via the POP, as well as interim and annual reports to the Highly Migratory Species (HMS) Management Division, as required under the EFP program. The applicant states that this data would allow for comparisons of catch rates for target and bycatch species with historical catch data from this area and time of year to assess the effectiveness of recent changes in the PLL fishery (e.g., bait and hook requirements and safe handling and release gear).

The applicant states that these activities may provide additional information on the efficacy of bycatch reduction measures and resultant catch composition in closed areas. It would also provide the U.S. PLL fleet with additional opportunities to catch more of its swordfish quota.

NMFS closed the East Florida Coast and Charleston Bump time/area closures to PLL gear to reduce bycatch of juvenile swordfish, billfish, and other HMS (e.g., sharks during closed seasons)(65 FR 47214, August 1, 2000). The Charleston Bump Closed Area is a seasonal closure from February through April every year, whereas the East Florida Coast Closed Area is closed year-round to PLL gear.

The regulations that would prohibit the proposed activities include requirements for vessel reporting (50 CFR 635.4) and fishing in a closed area (50 CFR 635.21(c)(2)). All other relevant regulations concerning HMS at 50 part 635 would apply.

NMFS is requesting public comment on this application for an EFP because the fishing activities are proposed to occur in closed areas, specifically the East Florida Coast and Charleston Bump. NMFS requested public comment on its intent to issue HMS exempted fishing, scientific research, public display and chartering permits (71 FR 68557, November 27, 2006). The Notice stated that if NMFS were to receive an application to conduct fishing activities in a closed area, the public would have the opportunity to comment on the issuance of an EFP for such activities prior to NMFS making a

determination on whether or not to issue the EFP.

[I.D. 121406C]

Small Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Construction and Operation of an LNG Facility Off Massachusetts

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of receipt of application and proposed incidental take authorization; request for comments.

SUMMARY: NMFS has received an application from Northeast Gateway Energy Bridge™ L.L.C. (Northeast Gateway) and Algonquin Gas Transmission, L.L.C. (Algonquin) for an Incidental Harassment Authorization (IHA) to take small numbers of marine mammals, by harassment, incidental to construction and operation of an offshore liquefied natural gas (LNG) facility. Under the Marine Mammal Protection Act (MMPA), NMFS is requesting comments on its proposal to issue an authorization to Northeast Gateway/Algonquin to incidentally take, by harassment, small numbers of several species of marine mammals for a period of 1 year.

DATES: Comments and information must be received no later than April 12, 2007.

ADDRESSES: Written comments on the application should be addressed to: Michael Payne, Chief, Permits, Conservation and Education Division, Office of Protected Resources, National Marine Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910-3225. The mailbox address for providing email comments is PR1.121406C@noaa.gov. Comments sent via e-mail, including all attachments, must not exceed a 10-megabyte file size. A copy of the application may be obtained by writing to this address or by telephoning the contact listed here and is also available at: <http://>

www.nmfs.noaa.gov/pr/permits/incidental.htm#iha.

The Maritime Administration (MARAD) and U.S. Coast Guard (USCG) Final Environmental Impact Statement (Final EIS) on the Northeast Gateway Energy Bridge LNG Deepwater Port license application is available for viewing at <http://dms.dot.gov> under the docket number 22219.

FOR FURTHER INFORMATION CONTACT: Kenneth Hollingshead, Office of Protected Resources, NMFS, (301) 713-2289, ext 128.

SUPPLEMENTARY INFORMATION:

Background

Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce to allow, upon request, the incidental, but not intentional, taking of marine mammals by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified geographical region if certain findings are made and either regulations are issued or, if the taking is limited to harassment, a notice of a proposed authorization is provided to the public for review.

An authorization shall be granted if NMFS finds that the taking will have a negligible impact on the species or stock(s), will not have an unmitigable adverse impact on the availability of the species or stock(s) for certain subsistence uses, and that the permissible methods of taking and requirements pertaining to the mitigation, monitoring and reporting of such takings are set forth. NMFS has defined "negligible impact" in 50 CFR 216.103 as "...an impact resulting from the specified activity that cannot be reasonably expected to, and is not reasonably likely to, adversely affect the species or stock through effects on annual rates of recruitment or survival."

Section 101(a)(5)(D) of the MMPA established an expedited process by which citizens of the United States can apply for an authorization to incidentally take small numbers of marine mammals by harassment. Except with respect to certain activities not pertinent here, the MMPA defines "harassment" as:

any act of pursuit, torment, or annoyance which (i) has the potential to injure a marine mammal or marine mammal stock in the wild [Level A harassment]; or (ii) has the potential to disturb a marine mammal or marine mammal stock in the wild by causing disruption of behavioral patterns, including, but not limited to, migration, breathing, nursing, breeding, feeding, or sheltering [Level B harassment].

Section 101(a)(5)(D) establishes a 45-day time limit for NMFS review of an

application followed by a 30-day public notice and comment period on any proposed authorizations for the incidental harassment of marine mammals. Within 45 days of the close of the comment period, NMFS must either issue or deny issuance of the authorization.

Summary of Request

On October 30, 2006, NMFS received an application from Northeast Gateway and Algonquin for an IHA to take small numbers of several species of marine mammals, by Level B (behavioral) harassment, for a period of 1 year, incidental to construction and operation of an offshore LNG facility.

Description of the Project

Northeast Gateway is proposing to construct, own, and operate the Northeast Gateway Deepwater Port (Port or Northeast Port) to import LNG into the New England region. The Port, which will be located in Massachusetts Bay, will consist of a submerged buoy system to dock specifically designed LNG carriers approximately 13 mi (21 km) offshore of Massachusetts in federal waters approximately 270 to 290 ft (82 to 88 m) in depth.

This facility will deliver regasified LNG to onshore markets via new and existing pipeline facilities owned and operated by Algonquin. Algonquin will build and operate a new, 16.06-mile (25.8 km) long, 24-in (61-cm) diameter natural gas pipeline (called the Northeast Gateway Pipeline Lateral or Pipeline Lateral) to connect the Port to Algonquin's existing offshore natural gas pipeline system in Massachusetts Bay, called the HubLine.

The Port will consist of two subsea Submerged Turret Loading (STL™) buoys, each with a flexible riser assembly and a manifold connecting the riser assembly, via a steel flowline, to the subsea Pipeline Lateral. Northeast Gateway will utilize vessels from its current fleet of specially designed Energy-Bridge Regasification Vessels (EBRVs), each capable of transporting approximately 2.9 billion ft³ (Bcf; 82 million m³) of natural gas condensed to 4.9 million ft³ (138,000 m³) of LNG. Northeast Gateway will add vessels to its fleet that will have a cargo capacity of approximately 151,000 m³. The proposed mooring system to be installed at the Port is designed to handle both the existing vessels and any of the larger capacity vessels that may come into service in the future. The EBRVs will dock to the STL™ buoys which will serve as both the single-point mooring system for the vessels and the delivery conduit for natural gas. Each of the

STL™ buoys will be secured to the seafloor using a series of suction anchors and a combination of chain/cable anchor lines.

The Pipeline Lateral joins the existing HubLine pipeline in waters approximately 3 mi (4.8 km) to the east of Marblehead Neck in Marblehead, Massachusetts. From the HubLine connection, the Pipeline Lateral route extends towards the northeast, crossing the outer reaches of territorial waters of the Town of Marblehead, the City of Salem, the City of Beverly, and the Town of Manchester-by-the-Sea for approximately 6.3 mi (10.1 km). The Pipeline Lateral route curves to the east and southeast, exiting Manchester-by-the-Sea territorial waters and entering waters regulated by the Commonwealth of Massachusetts. The Pipeline Lateral route continues to the south/southeast for approximately 6.2 mi (10 km), where it exits state waters and enters federal waters. The Pipeline Lateral route then extends to the south for another approximately 3.5 mi (5.7 km), terminating at the Port.

On June 13, 2005, Northeast Gateway submitted an application to the USCG and MARAD seeking a federal license under the Deep-Water Port Act to own, construct, and operate a deepwater port for the import and regasification of LNG in Massachusetts Bay, off of the coast of Massachusetts. Simultaneous with this filing, Algonquin filed a Natural Gas Act Section 7(c) application with the Federal Energy Regulatory Commission for a Certificate of Public Convenience and Necessity for the Pipeline Lateral that would connect the Northeast Gateway Port with the existing HubLine natural gas pipeline for transmission throughout New England. Because, as described later in this document, there is a potential for marine mammals to be taken, by harassment, incidental to construction of the facility and its pipeline and by the transport of LNG, Northeast Gateway/Algonquin have applied for a 1-year IHA for activities commencing around May, 2007. The following sections briefly describe the activities that might harass marine mammals. Detailed information on these activities can be found in the MARAD/USCG Final EIS on the Northeast Gateway Project (see **ADDRESSES** for availability).

Construction Activities

Construction of the Pipeline Lateral and Northeast Gateway Port includes the installation of the "hot tap" on the existing HubLine pipeline; the lay, burial, and commissioning of the Pipeline Lateral commencing at the hot tap and extending to a location near the

Northeast Port; and the installation of the Northeast Port buoys, risers, pipeline end manifolds (PLEMs), and flowlines. The Port and Pipeline Lateral will be constructed during the May to November, 2007 timeframe.

Pipeline Construction

In general, traditional marine pipeline construction vessels and equipment will be utilized to construct the Pipeline Lateral. The pipeline will be buried such that the top of the pipeline is a minimum of 1.5 ft (0.46 m) below the seabed with a target burial depth of 3 ft (.92 m). In limited areas and at any sites not feasible to plow due to unforeseen subsurface conditions, the pipeline will be laid on the surface and armored with rock or concrete mats. Pipeline trenching operations in the marine environment will cause a temporary re-suspension of some bottom sediments off the seafloor and into the water column. The resulting sediment plumes are exposed to currents that have the potential to carry the plume short distances into the surrounding environment. Impacts to the water column, resulting from the presence of the sediment plume, are temporary and localized due to the nature of the plowing and backfill plowing activities, which are the least sediment-disturbing means of creating a trench for the pipeline and returning cover over the pipe in the trench. The spatial extent is also limited due to the short time period that material stays in the water column and rapid dilution in an open ocean setting. Jetting will only occur in short, discrete sections and will therefore only create localized and temporary plumes; however, these plumes would be more concentrated and larger than for plowing and backfill plowing.

Delivery of pipe may require transiting through the Cape Cod Canal (Canal). If required, vessels will follow the westernmost route through Cape Cod Bay to avoid identified aggregations of whales in the eastern portion of Cape Cod Bay. To the extent practicable, pipe deliveries will be avoided during the January to May timeframe. In the unlikely event the Canal is closed during construction, the pipe haul barges would come around Cape Cod following the traffic separation scheme and appropriate measures agreed to for the EBRVs when transiting to the Port.

The construction barges, which are used to fabricate and lay the pipeline on the seafloor, pull the pipeline plow along the laid pipeline, and pull the backfill plow along the trenched pipeline, will be positioned and advanced along the route using a series of anchors and cables. The anchors are

positioned using anchor handling tugs, and mid-line buoys are used to help hold much of the cable off the seafloor. In addition to the barges and tugs, pipeline construction will require the use of pipe-haul barges pulled by tugs, crew and supply vessels, survey vessels, and dive support vessels (DSV). The types of vessels that are expected to be used in construction of the Pipeline Lateral are described in Table 1–1 in the IHA application.

The operation of the Dynamically Positioned (DP) DSVs differs from the operation of the pipe lay/plow construction vessels in that this vessel will primarily hold its position at a single location. The vessel will periodically relocate from one position to another, but during the process of performing diving activities, the vessel is required to maintain its position at a single location. The DSV maintains its position or stationing with the use of thrusters. The importance of maintaining the position of the vessel cannot be compromised. As a DSV, most of its time will be spent providing the surface support for a diver or divers operating on the seabed. According to Northeast Gateway, the safety of the diver is paramount to the operation of the vessel and its station-keeping capabilities.

In general, the DP vessels are fitted with three main types of thrusters: main propellers, tunnel thrusters, and azimuth thrusters. Main propellers, either single or twin screw, are provided in a similar fashion to conventional vessels. In addition to main propellers, a DP vessel must have well-positioned thrusters to control position. Typically, a conventional mono-hull type DP vessel will have six thrusters, three at the bow and three aft. Forward thrusters tend to be tunnel thrusters, operating athwart ships. Two or three tunnel thrusters are usually fitted in the bow. Stern tunnel thrusters are common, operating together but controlled individually, as are azimuth or compass thrusters aft. Azimuth thrusters project beneath the bottom of the vessel and can be rotated to provide thrust in any direction.

Sounds generated by vessel and barge movements and the thrusters of DP vessels will be the dominant source of underwater sound during pipeline construction activities. Auxiliary equipment including onboard generators and compressors, winches, tensioners, cranes, pumps, and sonar and survey equipment are considered secondary in comparison, by at least one order of magnitude (Northeast Gateway, 2006). The sound energy generated by onboard mechanical equipment is

effectively dampened by the hull of the vessel, in comparison to thruster and propeller sounds, which are occurring directly in the water. Sounds generated by construction activity occurring above water, including impact sounds, are subject to a large transmission loss when moving across the water-air interface from the in-air source to the underwater receiver due to the impedance mismatch between these two fluids.

Port Construction

For each buoy, construction of the Northeast Port will involve the installation of the steel flowline section and eight mooring anchors, followed by installation of the PLEM, the STL buoy, and related parts. Conventional marine pipeline construction and installation techniques will be employed with consideration of site-specific conditions and requirements at the mooring locations. Northeast Gateway notes that development of the Gulf Gateway Deepwater Port and several projects in the North Sea, has provided them with extensive experience with these construction techniques.

The proposed design for the STL™ buoy incorporates eight mooring anchors in a spoked wheel-shaped array to hold the buoy in place. Final anchor placement will be accomplished using a DP anchor handling vessel. The preferred installation method for each of the STL™ buoys involves transporting the buoy from an onshore mobilization site and pre-connecting all eight wire rope segments to the buoy while it is onboard the DSV. The buoy is placed in the water and temporarily secured with synthetic lines to two of the mooring chains already deployed on the seafloor during the suction anchor installation. When all eight mooring lines are connected by divers, the buoy is released to float at its submerged draft.

The PLEM will either be lowered and embedded similar to the method used to install the mooring anchors or lowered and placed on the seabed with penetration accomplished by the dead weight of the PLEM. The PLEM will be set in place by an anchor-moored derrick barge. The PLEM end of the riser will be lowered to the seafloor, where divers will attach it to the PLEM.

The types of vessels that will be used in construction of the Port are described in Table 1–2 in the IHA application.

Construction Noise

As described in Section 1.1.1 of the IHA application, for the pipeline construction scenario, sounds generated by vessel and barge movements and the thrusters of DP vessels will be the

dominant source of underwater sound during Port construction activities.

Acoustic analyses were completed for activities related to construction of the Port and Pipeline Lateral. Activities considered potential noise sources include trenching (plowing and jetting at isolated locations), lowering of materials (pipe, anchors, chains, PLEM, and spool pieces), and vessel operations (engine-driven vessel movements or maintaining station by use of thrusters). Of these potential noise sources, vessel movements and thruster use for dynamic positioning are the dominant sources by at least one order of magnitude. Simulated vessels were positioned at two discrete locations along the proposed pipeline alignment closest to the Stellwagen Bank National Marine Sanctuary (SBNMS), as well as centered on the easterly Port buoy location. (See Appendix A of the IHA application for a discussion of the acoustic modeling methodology used for this analysis.) Figure 1–1 in the IHA application presents the results of the acoustic modeling for construction vessels operating at two depth locations along the Pipeline Lateral (40 m and 80 m (131 ft and 262 ft)) with *source* levels ranging from 140 to 160 dBL re 1 microPa at 1 m for construction vessel movements to 180 dBL re 1 microPa at 1 m for vessel thrusters used for dynamic positioning (L means linear broadband levels). Because sound propagation depends on water depth, the isopleth distances will vary with construction activities occurring in shallower depths resulting in increased impact distances. Figure 1–2 in the IHA application shows a similar acoustic impact analysis of construction vessels operating simultaneously at the Port with the same estimated construction source levels. The resultant contour plots (shown in Figure 1–2) present the worst-case instantaneous received sound level, the dominant source being the use of vessel thrusters.

Thrusters used during construction activities are operated intermittently and only for short durations of time. For a water column depth of 80 m (262 ft), representative of the immediate area near the Deepwater Port, the linear distance to the 120 dBL isopleth would extend 2.56 km (1.6 mi), resulting in an area ≤ 120 dBL ensonification of 20.6 km². For a water column depth of 40 m (131 ft), representative of northern sections of the Pipeline Lateral, the linear distance to the 120 dBL isopleth is 3.31 km (2.0 mi) resulting in an area of ensonification ≥ 120 dB of 34.4 km². The non-continuous short-term sounds generated by construction of the Pipeline Lateral will be above 120 dB,

where there is a potential for Level B harassment from intermittent sound sources. Sound levels in excess of the 160 dB impulse criteria (defined as a brief sound with a fast rise time) will be very localized and will not extend beyond the immediate area where construction activities are occurring for both the Pipeline Lateral and Deepwater Port construction scenarios.

Operations

As an EBRV makes its final approach to the Port, vessel speed will gradually be reduced to 3 knots (5.5 km/hr) at 1.86 mi (3 km) out to less than 1 knot (1.8 km/hr) at a distance of 1,640 ft (500 m) from the Port. When an EBRV arrives at the Port, it will retrieve one of the two permanently anchored submerged STL™ buoys. It will make final connection to the buoy through a series of engine and bow and stern thruster actions. The EBRV will require the use of thrusters for dynamic positioning during docking procedure. Typically, the docking procedure is completed over a 10- to 30-min period, with the thrusters activated as necessary for short periods of time in second bursts, not a continuous sound source. Once connected to the buoy, the EBRV will begin vaporizing the LNG into its natural gaseous state using the onboard regasification system. As the LNG is regasified, natural gas will be transferred at pipeline pressures off the EBRV through the STL™ buoy and flexible riser via a steel flowline leading to the connecting Pipeline Lateral. When the LNG vessel is on the buoy, it will be allowed to “weathervane” on the single-point mooring system (i.e., move with wind and water currents); therefore, thrusters will not be used to maintain a stationary position.

Port Operation Noise

Underwater sound generated during Port operation is limited to regasification and EBRV maneuvering during coupling and decoupling with STL buoys. Sound propagation calculations (see section 1.1.3 of Northeast Gateway’s IHA application for methodology and acoustic concepts) used source data including measurements collected on August 6 to 9, 2006, from the *Excelsior* EBRV while it was moored at the operational Gulf Gateway Deepwater Port located 116 mi (187 km) offshore in the Gulf of Mexico. The overall purpose of this survey was to verify measurements completed during the first sound survey completed March 21 to 25, 2005, when the *Excelsior* first visited the Port, and to further document sound levels during additional operational and EBRV

maneuvering conditions, including the use of stern and bow thrusters required for dynamic positioning during coupling. The data were used to confirm theoretical calculations employed in supplemental submittals (for the USCG Draft EIS on this action) to assess sound energy generated during closed-loop versus open-loop regasification operations. In addition to normalizing complex sound components into source terms, data were used to confirm EBRV sound source energy generation and propagation characteristics, and the identification of near field and far sound fields under different operating and EBRV maneuvering procedures. These data were used to model underwater sound propagation at the Northeast Gateway site. The results of the field survey are provided as underwater sound source pressure levels (dB re 1 microPa at 1 m) as follows:

(1) Sound levels during closed-loop regasification ranged from 104 to 110 dBL. Maximum levels during steady state operations were 108 dBL.

(2) Sound levels during coupling operations were dominated by the periodic use of the bow and stern thrusters and ranged from 160 to 170 dBL.

Figures 1–3 and 1–4 in the IHA application present the net acoustic impact of one EBRV operating at the Deepwater Port. Figure 1–3 in the IHA application presents the maximum received underwater sound levels impact during closed-loop EBRV regasification with a steady-state source level of 108 dBL re 1 microPa at 1 m. As shown in those figures, there is no area of ensonification above 120–dBL, where Level B harassment could potentially occur from intermittent sound sources. Figure 1–4 in the IHA application presents maximum underwater sound levels during EBRV maneuvering and coupling using a source level of 170 dBL re 1 microPa at 1 m (thrusters used for dynamic positioning). Thrusters are operated intermittently and only for relatively short durations of time. The resultant area within the critical 120–dB isopleth is less than 1 km² with the linear distance from the sound source to the critical isopleths extending 430 m (1,411 ft). The area of the 160–dB isopleth is very localized; it will not extend beyond the immediate area surrounding the EBRV while coupling operations are occurring.

Maintenance

The specified design life of the Port is about 40 years, with the exception of the anchors, mooring chain/rope, and riser/umbilical assemblies, which are based

on a maintenance-free design life of 20 years. The buoy pick-up system components are considered consumable and will be inspected following each buoy connection, and replaced (from inside the STL compartment during the normal cargo discharge period) as deemed necessary. The underwater components of the Deepwater Port will be inspected once yearly using either divers or remotely operated vehicles to inspect and record the condition of the various STL™ system components. These activities will be conducted using the Port's normal support vessel, and to the extent possible will coincide with planned weekly visits to the Port. Helicopters will not be used for marker line maintenance inspections. Northeast Gateway concludes that no noise sources related to the Project are likely to exceed ambient conditions during routine maintenance activities.

Marine Mammals Affected by the Activity

Marine mammal species that potentially occur within the NE Gateway facility impact area include several species of cetaceans and pinnipeds: Atlantic white-sided dolphin, bottlenose dolphin, short-beaked common dolphin, harbor porpoise, killer whale, long-finned pilot whale, Risso's dolphin, striped dolphin, white-beaked dolphin, sperm whale, minke whale, blue whale, humpback whale, North Atlantic right whale, sei whale, gray seal, harbor seal, hooded seal, and harp seal. Information on those species that may be impacted by this activity are discussed in detail in the USCG Final EIS on the Northeast Gateway LNG proposal. Please refer to that document for more information on these species and potential impacts from construction and operation of this LNG facility. In addition, general information on these marine mammal species can also be found in Wursig *et al.* (2000) and in the NMFS Stock Assessment Reports (Waring, 2006). This latter document is available at: <http://www.nefsc.noaa.gov/nefsc/publications/tm/tm194/>.

Potential Effects on Marine Mammals

The effects of noise on marine mammals are highly variable, and can be categorized as follows (based on Richardson *et al.*, 1995): (1) The noise may be too weak to be heard at the location of the animal (i.e., lower than the prevailing ambient noise level, the hearing threshold of the animal at relevant frequencies, or both); (2) The noise may be audible but not strong enough to elicit any overt behavioral response; (3) The noise may elicit

reactions of variable conspicuousness and variable relevance to the well being of the marine mammal; these can range from temporary alert responses to active avoidance reactions such as vacating an area at least until the noise event ceases; (4) Upon repeated exposure, a marine mammal may exhibit diminishing responsiveness (habituation), or disturbance effects may persist; the latter is most likely with sounds that are highly variable in characteristics, infrequent and unpredictable in occurrence, and associated with situations that a marine mammal perceives as a threat; (5) Any anthropogenic noise that is strong enough to be heard has the potential to reduce (mask) the ability of a marine mammal to hear natural sounds at similar frequencies, including calls from conspecifics, and underwater environmental sounds such as surf noise; (6) If mammals remain in an area because it is important for feeding, breeding or some other biologically important purpose even though there is chronic exposure to noise, it is possible that there could be noise-induced physiological stress; this might in turn have negative effects on the well-being or reproduction of the animals involved; and (7) Very strong sounds have the potential to cause temporary or permanent reduction in hearing sensitivity. In terrestrial mammals, and presumably marine mammals, received sound levels must far exceed the animal's hearing threshold for there to be any temporary threshold shift (TTS) in its hearing ability. For transient sounds, the sound level necessary to cause TTS is inversely related to the duration of the sound. Received sound levels must be even higher for there to be risk of permanent hearing impairment. In addition, intense acoustic (or explosive events) may cause trauma to tissues associated with organs vital for hearing, sound production, respiration and other functions. This trauma may include minor to severe hemorrhage.

Northeast Gateway states that the potential impacts to marine mammals associated with sound propagation from vessel movements, pipe laying and installation of the Port, anchors, chains and PLEM's could be the temporary and short-term displacement of seals and whales from within the 120-dB zones ensounded by these noise sources. However, from the most precautionarily conservative estimates of both marine mammal densities in the Project area and the size of the 120-dB zone of (noise) influence (ZOI), the calculated number of individual marine mammals

for each species that could potentially be harassed annually is: one right whale (1.23), seven dolphins, and three seals. Consequently, Northeast Gateway/Algonquin do not believe construction and operation of the Northeast Gateway Deepwater Port Project would constitute a population level harassment threat to local marine mammal stocks, but could result in small numbers of individual marine mammals being harassed as enumerated in this document.

Estimates of Take by Harassment

There are three general kinds of sounds recognized by NMFS: continuous (such as shipping sounds), intermittent (such as vibratory pile driving sounds), and impulse. No impulse noise activities, such as blasting or standard pile driving, are associated with this project, thus NMFS' 160-dB threshold criterion for estimating Level B harassment from impulse sounds is not applicable for this activity. The noise sources of potential concern are regasification/offloading (which is a continuous sound) and dynamic positioning of vessels using thrusters (an intermittent sound). Based on research by Malme *et al.* (1983, 1984), for both continuous and intermittent sound sources, Level B harassment is presumed to begin at 120-dB.

None of the continuous sound sources associated with construction or operation of the Northeast Gateway Project is expected to exceed the 120-dB threshold for Level B harassment. However, the intermittent noises from thruster use associated with dynamic positioning of vessels during either construction or operation (docking) may occasionally exceed this 120-dB threshold. Consequently, thruster use has the potential for a "take" by harassment of any marine mammal occurring within a zone of ensoundification (greater than 120 dB) emanating from the sound source. This area, known as the ZOI, has a variable maximum radius dependent on water depth and associated differences in transmission loss (see Sections 1.1.3 and 1.2.1 in the IHA application for more detail):

- For shallow-water depths (40 m (131 ft)) representative of the northern segment of the Pipeline Lateral construction, the 120-dB radius is 3.31 km (2 mi) and associated ZOI is 34 km².
- For moderate depths (80 m (262 ft)) representative of the Deepwater Port location and Pipeline Lateral segment nearest SBNMS, the 120-dB radius is 2.56 km (1.6 mi) and associated ZOI is 21 km².
- For deeper depths (120 m (394 ft)) representative of the deepest waters of

the Project analysis area, the radius is 2.18 km (1.4 mi) and associated ZOI is 15 km².

The basis for Northeast Gateway's "take" estimate is the number of marine mammals that would be exposed to sound levels in excess of 120 dB. Typically this is determined by multiplying the ZOI by local marine mammal density estimates, and then correcting for seasonal use by marine mammals, seasonal duration of noise-generating activities, and estimated duration of individual activities when the maximum noise-generating activities are intermittent or occasional. In the case of data gaps, a conservative approach was taken by Northeast Gateway to ensure the potential number of takes is not underestimated, as described next.

There are no valid marine mammal density estimates for the actual Northeast Gateway Project area. Studies in the nearest area (approximately 20 to 30 km (12 to 19 mi) south) where intensive marine mammal surveys have occurred (Cape Cod Bay) focused on individual right whales; no density estimates were calculated for other marine mammals. However, these Cape Cod Bay surveys, conducted by the Provincetown Center for Coastal Studies, involved a 100 percent survey coverage of the 1,500 km² Bay (flying 1.5 km-wide strip transects) every 2 weeks from January to May for the years 2002 to 2005 (Brown *et al.* 2002, 2003; Mayo *et al.* 2004; Jaquet *et al.* 2005). Consequently, density estimates can be calculated by dividing the number of animals of each species recorded by the total trackline surveyed from 2002 through 2005 (57,500 km (35,729 mi)), then correcting for animals not at the surface (roughly 30 percent for species potentially subject to harassment by this activity).

Table 6–1 in the IHA application provides corrected density estimates from the Cape Cod Bay studies. Because of the intensity of these studies, the near location of these studies to the Deepwater Port Project, and bathymetric similarity of the Project area and Cape Cod Bay, animal density data from Cape Cod Bay provide an adequate and conservative surrogate for marine mammals expected to inhabit the Project area. The Cape Cod Bay studies did not record gray seals during their aerial surveys, but they did record 352 unidentified seals, some of which may be gray seals. Also, many of the 969 harbor seals recorded during the surveys were presumably hauled out in large groups. Similarly, while 343 Atlantic white-sided dolphins and 83 common dolphins were recorded, 2,875

unidentified dolphins were also recorded; these were presumably either white-sided or common dolphins (because no other delphinid species were recorded), but the exact identity of these individuals was not determined. Thus, in a conservative attempt to ensure any given species is not underestimated, the unidentified seal numbers were added to both the harbor seal and gray seal numbers, and the unidentified dolphin numbers were added to both white-sided dolphins and common dolphin numbers in the density calculations.

Although sound transmission loss, and therefore the ZOI, varies with water depth, Northeast Gateway provided the most conservative estimate of "take" by using the largest ZOI (34 km²) in their calculations. Table 6–1 in the IHA application provides their estimate of the number of marine mammals that could be harassed over the 1-year period for the proposed project's IHA.

Potential Impact on Habitat

Construction

Construction of the Port and Pipeline Lateral will alter marine mammal habitat in several ways: disturbance of the seafloor, removal of sea water for hydrostatic testing, and generation of additional underwater noise. Although approximately 1,042 acres of seafloor (43 acres for the Port; 999 acres for the Pipeline Lateral) will be disturbed during construction, the majority of this impact will be temporary. Seafloor disturbance will include plowing to construct a trench for the pipeline. The pipelay and plow vessels will be maneuvered using a multi-point anchor system. Although the anchor system will include mid-line buoys to minimize cable sweep of the seafloor, approximately 814 acres may be temporarily affected. Crossing of two existing cables will require armoring, a change in substrate conditions in an area about 0.14 acres in size.

Once the lateral and flowlines are installed, about 3,100,000 gallons of sea water will be withdrawn to be used for hydrostatic testing. This volume is small compared to the volume of Massachusetts Bay. Although the sea water will be returned to the environment, the associated plankton will be unlikely to survive. As circulation patterns in the Bay ensure that plankton will be transported into the Project area continuously, this hydrostatic test will not affect the sustainability of the plankton communities in the Bay.

Construction of the Port and Pipeline Lateral will result in a reduction of

benthic productivity in the Project footprint. Once the disturbance ceases, the substrate will be available for recruitment of benthic organisms. As some of the substrate will be converted from soft to artificial hard substrate, the soft-bottom benthic community may be replaced with organisms associated with naturally occurring hard substrate, such as sponges, hydroids, bryozoans, and associated species. In other areas, re-establishment of a benthic community similar to that in adjacent areas is expected to take a period of weeks to several years.

Operations

Operation of the Port and Pipeline Lateral will result in long-term effects on the marine environment, including alteration of seafloor conditions, continued disturbance of the seafloor, regular withdrawal of sea water, and regular generation of underwater noise. A small area (0.14 acre) along the Pipeline Lateral will be permanently altered (armored) at two cable crossings. In addition, the structures associated with the Port (flowlines, mooring wire rope and chain, suction anchors, and PLEMs) will occupy 4.8 acres of seafloor. An additional area of the seafloor of up to 38 acres will be subject to disturbance due to chain sweep while the buoys are occupied. The benthic community in the up-to 38 acres of soft bottom that may be swept by the anchor chains while EBRVs are docked will have limited opportunity to recover, so this area will experience a long-term reduction in benthic productivity.

Each EBRV will require the withdrawal of an average of 4.97 million gallons per day of sea water for general ship operations during its 8-day stay at the Port. As with hydrostatic testing, plankton associated with the sea water will not likely survive this activity. Based on densities of plankton in Massachusetts Bay, it is estimated that sea water use during operations will consume, on a daily basis, about 3–200 x 1,010 phytoplankton cells (about several hundred grams of biomass), 6.5 x 10⁸ zooplankters (equivalent to about 1.2 kg of copepods), and on the order of 30,000 fish eggs and 5,000 fish larvae. Also, the daily removal of sea water will reduce the food resources available for planktivorous organisms. However, the removal of these species is minor and unlikely to affect in a measurable way, the food sources available to marine mammals.

Marine Mammal Mitigation, Monitoring and Reporting

Port Construction Measures

Proposed Visual Program

The Northeast Gateway Project will employ two qualified marine mammal/sea turtle observers on each lay barge, bury barge, and DSV for visual shipboard surveys during construction activities. Qualifications for these individuals will include direct field experience on a marine mammal/sea turtle observation vessel and/or aerial surveys in the Atlantic Ocean/Gulf of Mexico. The observers (one primary and one secondary) are responsible for visually locating marine mammals and sea turtles at the ocean's surface and, to the extent possible, identifying the species. The primary observer will act as the identification specialist and the secondary observer will serve as data recorder and also assist with identification. Both observers will have responsibility for monitoring for the presence of marine mammals and sea turtles. All observers will receive NMFS-approved marine mammal observer training and be approved in advance by NMFS after a review of their resume.

The shipboard observers will monitor the construction area beginning at daybreak using 25x power binoculars and/or hand-held binoculars, resulting in a conservative effective search range of 0.5 mile during clear weather conditions for the shipboard observers. The observer will scan the ocean surface by eye for a minimum of 40 minutes every hour. All sightings will be recorded on marine mammal field sighting logs. Observations of marine mammals and sea turtles will be identified to species or the lowest taxonomic level and their relative position will be recorded.

During construction, the following procedures will be followed upon detection of a marine mammal or sea turtle within 0.5 mi (0.8 km) of the construction vessels:

(1) If any marine mammals or sea turtles are visually detected within 0.5 mi (0.8 km) of the construction vessel, the vessel superintendent or on-deck supervisor will be notified immediately. The vessel's crew will be put on a heightened state of alert. The marine mammal will be monitored constantly to determine if it is moving toward the construction area. The observer is required to report all North Atlantic right whale sightings to NMFS, as soon as possible.

(2) Construction vessel(s) in the vicinity of the sighting will be directed

to cease any movement and/or stop noise emitting activities that exceed a source level of 120 dB in the event that a right whale comes to within 500 yds (457 m) of any operating construction vessel. For other cetaceans and sea turtles this distance will be established at 100 yds (91 m). Vessels transiting the construction area such as pipe haul barge tugs will also be required to maintain these separation distances.

(3) Construction will resume after the marine mammal/sea turtle is positively reconfirmed outside the established zones (either 500 yds (457 m) or 100 yds (91 m), depending upon species).

Passive Acoustic Monitoring (PAM) Program

In their IHA application, Northeast Gateway and Algonquin noted that they had engaged personnel from NMFS regarding available passive acoustic technology that could be utilized to enhance their monitoring Program. Northeast Gateway plans to continue its discussions and consultations with NMFS personnel to develop the appropriate level of inclusion of this technology. At the suggestion of NMFS, Northeast Gateway has engaged personnel from the Cornell University Bioacoustics Laboratory and the Woods Hole Oceanographic Institute as consulting partners to assist with the development of a passive acoustic system.

More recently, a PAM program has been proposed to be implemented at the Northeast Gateway facility. A discussion on that program is provided later in this document (see MARAD Record of Decision).

Reporting

During construction, weekly status reports will be provided to NMFS utilizing standardized reporting forms. In addition, the Northeast Port Project area is within the Mandatory Ship Reporting Area (MSRA), so all construction and support vessels will report their activities to the mandatory reporting section of the USCG to remain apprised of North Atlantic right whale movements within the area. All vessels entering and exiting the MSRA will report their activities to WHALESNORTH.

Port Operation Measures

All individuals onboard the EBRVs responsible for the navigation and lookout duties on the vessel will receive training, a component of which will be training on marine mammal sighting/reporting and vessel strike avoidance measures. Crew training of EBRV personnel will stress individual

responsibility for marine mammal awareness and reporting.

If a marine mammal or sea turtle is sighted by a crew member, an immediate notification will be made to the Person-in-Charge on board the vessel and the Northeast Port Manager, who will ensure that the required reporting procedures are followed.

The Northeast Gateway Port Project area is within the MSRA, so, similar to construction vessels, all EBRVs transiting to and from the MSRA will report their activities to the mandatory reporting section of the USCG to remain apprised of North Atlantic right whale movements within the area. All vessels entering and exiting the MSRA will report their activities to WHALESNORTH. Vessel operators will contact the USCG by standard procedures. As part of the Deepwater Port docking process, EBRV speed will gradually be reduced to approximately 3 knots (5.5 km/hr) at 1.86 mi (2.99 km) out from the Northeast Port and to less than 1 knot (1.8 km/hr) at a distance of 1,640 ft (500 m) from the Northeast Port.

MARAD Record of Decision

On February 7, 2007, MARAD issued its Record of Decision on the Deepwater Port License Application of Northeast Gateway Energy Bridge LLC. In that document, MARAD listed additional measures designed to reduce impacts on North Atlantic right whales. These measures, which are also described in NMFS' Biological Opinion on this action, include:

Detection Buoys in Boston Traffic Separation Scheme (TSS): Ten near-real-time acoustic detection buoys are to be located in the Boston TSS and should remain there at the expense of the licensee (or licensees) for the life of the deepwater port (subject to alternative technologies that would be approved by NOAA). A cost/benefit analysis that evaluates the effectiveness of these mitigation measures will be conducted at periodic intervals. Specific speed, visual awareness, and reporting provisions will be included in the Operations Manual.

Use of Boston TSS: Northeast Gateway has voluntarily committed to using the Boston TSS on its approach to and departure from the deepwater port at the earliest practicable point of transit (subject to appropriate discretion of the ship's captain to respond to safety concerns or for safety reasons or exigent circumstances) to lower the risk of whale strikes.

Speed Restrictions: Northeast Gateway has voluntarily agreed to follow any speed restrictions that may become mandatory for all vessel traffic

and to follow the proposed seasonal restrictions that may be adopted by regulation. EBRVs and support vessels will reduce travel speeds to 10 knots (18.5 km/hr) maximum when transiting to/from the deepwater port outside the TSS; vessels will travel at speeds of 10 to 12 knots (18.5–22 km/hr)(or less) in the vicinity of the deepwater port. EBRVs will reduce their transit speeds to 10 to 14 knots (18.5–26 km/hr)(10 knots between March 1 and April 30) or if required by NMFS, throughout the entire year in the proposed Off Race Point North Atlantic Right Whale Ship Strike Management Zone.

Detection Buoys for Construction: Northeast Gateway will install and operate an array of six near-real-time acoustic detection buoys to localize vocally active marine mammals relative to construction-related sound sources.

Noise Monitoring: Northeast Gateway will install and operate an array of autonomous recording units to monitor and evaluate underwater sound output from the project before construction and for at least five years of port operation.

Protected Species: Avoidance Measures: Northeast Gateway will consult with NOAA (NMFS and the SBNMS) on harm avoidance for protected marine species and resources to include operating restrictions, equipment noise reduction, minimizing risk of entanglement, monitoring, training, and reporting requirements.

Construction Restrictions: Northeast Gateway will restrict construction activities to the period between May 1 and November 30 so that acoustic sound disturbance to the endangered North Atlantic right whale can largely be avoided. Wherever practicable, Northeast Gateway should integrate studies, research, or surveys into construction or operations that maximize detection of whales and sea turtles and better determine direct effects of port operations.

Endangered Species Act (ESA)

On February 5, 2007, NMFS concluded consultation with MARAD and the USCG, under section 7 of the ESA, on the proposed construction and operation of the Northeast Gateway LNG facility. The finding of that consultation was that the construction and operation of the Northeast Gateway LNG terminal may adversely affect, but is not likely to jeopardize, the continued existence of northern right, humpback, and fin whales, and is not likely to adversely affect sperm, sei, or blue whales and Kemp's ridley, loggerhead, green or leatherback sea turtles. Because the issuance of an IHA to Northeast Gateway under section 101(a)(5) of the

MMPA is a Federal action, NMFS has section 7 responsibilities for its action. Consultation on the NMFS action will be concluded prior to its determination on the issuance of an IHA to Northeast Gateway.

National Environmental Policy Act

MARAD and the USCG released a Final EIS/Environmental Impact Report (EIR) for the proposed Northeast Gateway Port and Pipeline Lateral. A notice of availability was published by MARAD on October 26, 2006 (71 FR 62657). The Final EIS/EIR provides detailed information on the proposed project facilities, construction methods and analysis of potential impacts on marine mammal. The Final EIS/EIR is incorporated as part of the MMPA record of decision on this action.

NMFS was a cooperating agency (as defined by the Council on Environmental Quality (40 CFR 1501.6)) in the preparation of the Draft and Final EISs. NMFS is currently reviewing the Final EIS and will either adopt it or prepare its own NEPA document before making a determination on the issuance of an IHA for the Northeast Gateway Project.

Preliminary Determinations

NMFS has preliminarily determined that the impact of construction and operation of the Northeast Gateway Port Project may result, at worst, in a temporary modification in behavior of small numbers of certain species of marine mammals that may be in close proximity to the Northeast Gateway LNG facility and associated pipeline during its construction and subsequent operation. These activities are expected to result in some local short-term displacement resulting in no more than a negligible impact on the affected species or stocks of marine mammals.

This preliminary determination is supported by measures described in this document under "Marine Mammal Mitigation, Monitoring and Reporting," and MARAD's Record of Decision (and NMFS' Biological Opinion on this action).

As a result of the described mitigation measures, no take by injury or death is requested, anticipated or proposed to be authorized, and the potential for temporary or permanent hearing impairment is very unlikely due to the relatively low noise levels (and consequently small zone of impact) and would be avoided through the incorporation of the proposed shut-down mitigation measures mentioned in this document.

While the number of marine mammals that may be harassed will

depend on the distribution and abundance of marine mammals in the vicinity of the Port construction and operations, the estimated number of marine mammals to be harassed is small.

Proposed Authorization

NMFS proposes to issue an IHA to Northeast Gateway and Algonquin for the taking (by Level B harassment) during construction and operation of the Northeast Gateway Port, provided the previously mentioned mitigation, monitoring, and reporting requirements are incorporated. NMFS has preliminarily determined that the proposed activity would result in the harassment of small numbers of marine mammals; and would have no more than a negligible impact on the affected marine mammal stocks.

Information Solicited

NMFS requests interested persons to submit written comments and information concerning this proposed IHA and the IHA application from Northeast Gateway (see **DATES** and **ADDRESSES**).

Dated: March 7, 2007.

Angela Somma,

BILLING CODE 3510-22-S

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[I.D. 030507D]

Schedules for Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public workshops

SUMMARY: NMFS announces Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops to be held in April, May, and June of 2007. These workshops provide certification opportunities and are required for fishermen and shark dealers to meet new regulatory requirements and maintain valid permits. The Atlantic Shark Identification Workshops are mandatory for all federally permitted Atlantic shark dealers. The Protected Species Safe Handling,

Release, and Identification Workshops are mandatory for vessel owners and operators who use bottom longline, pelagic longline, or gillnet gear, and have also been issued shark or swordfish limited access permits. Additional free workshops will be held throughout 2007.

DATES: The Atlantic Shark Identification Workshop will be held April 26, May 24, and June 14, 2007.

The Protected Species Safe Handling, Release, and Identification Workshop will be held April 11, 18, 25, May 2, 22, 23, and June 6, 20, 28, 2007. See **SUPPLEMENTARY INFORMATION** for further details.

ADDRESSES: The Atlantic Shark Identification Workshop will be held in Charleston, SC; Richmond, TX; and, Foxboro, MA.

The Protected Species Safe Handling, Release, and Identification Workshop will be held in Ocean City, MD; Norfolk, VA; Wilmington, NC; Marathon, FL; New Orleans, LA; Moss Point, MS; Naples, FL; Manahawkin, NJ; and, Daytona Beach, FL. See **SUPPLEMENTARY INFORMATION** for further details on workshop locations.

The workshop schedules, registration information, and a list of frequently asked questions regarding these workshops are posted on the internet at: <http://www.nmfs.noaa.gov/sfa/hms/workshops/>.

FOR FURTHER INFORMATION CONTACT: Greg Fairclough by phone: (727) 824-5399, or by fax: (727) 824-5398.

SUPPLEMENTARY INFORMATION: Effective December 31, 2007, an Atlantic shark dealer may not receive, purchase, trade, or barter for Atlantic shark unless a valid Atlantic Shark Identification workshop certificate is on the premises of each business listed under the shark dealer permit (71 FR 58057; October 2, 2006). Dealers who attend and successfully complete a workshop will be issued a certificate for each place of business that is permitted to receive sharks. Dealers may send a proxy to a Atlantic Shark Identification Workshop, however, if a dealer opts to send a proxy, the dealer must designate a proxy for each place of business covered by the dealer's permit. Only one certificate will be issued to each proxy. A proxy must be a person who: is currently employed by a place of business covered by the dealer's permit; is a primary participant in the identification, weighing, and/or first receipt of fish as they are offloaded from a vessel; and fills out dealer reports. Additionally, after December 31, 2007, an Atlantic shark dealer may not renew a Federal shark dealer permit unless a

valid Atlantic Shark Identification Workshop certificate has been submitted with the permit renewal application.

Effective January 1, 2007, shark limited access and swordfish limited access permit holders must submit a copy of their Protected Species Safe Handling, Release, and Identification Workshop certificate in order to renew either permit (71 FR 58057; October 2, 2006). As such, vessel owners whose permits expire in mid-2007 must attend one of the free workshops offered in April, May, or June 2007. New shark and swordfish limited access permit applicants must attend a Protected Species Safe Handling, Release, and Identification Workshop and must submit a copy of their workshop certificate before such permits will be issued.

In addition to certifying permit holders, all longline and gillnet vessel operators fishing on a vessel issued a limited access swordfish or limited access shark permit are required to attend the Protected Species Safe Handling, Release, and Identification workshops. Vessels that have been issued a limited access swordfish or limited access shark permit may not fish unless both the vessel owner and operator have valid workshop certificates. Vessel operators must possess on board the vessel valid workshop certificates for both the vessel owner and the operator at all times.

Workshop Dates, Times, And Locations

Atlantic Shark Identification Workshop

1. April 26, 2007, from 9 a.m. – 3 p.m. Center for Coastal Environmental Health and Biomolecular Research, 219 Fort Johnson Drive, Charleston, SC 29412.

2. May 24, 2007, from 9:30 a.m. – 3:30 p.m. George Memorial Library, 1001 Golfview Drive, Richmond, TX 77469.

3. June 14, 2007, from 10:30 a.m. – 4 p.m. Boyden Library, 10 Bird Street, Foxboro, MA 02035.

Protected Species Safe Handling, Release, and Identification Workshop

1. April 11, 2007, from 9 a.m. – 5 p.m. Holiday Inn, 6600 Coastal Highway, Ocean City, MD 21842.

2. April 18, 2007, from 9 a.m. – 5 p.m. Hilton Norfolk Airport, 1500 North Military Highway, Norfolk, VA 23502.

3. April 25, 2007, from 9 a.m. – 5 p.m. Hilton Garden Inn at Mayfaire, 6745 Rock Spring Road, Wilmington, NC 28405.

4. May 2, 2007, from 9 a.m. – 5 p.m. Sombrero Cay Club Resort & Marina, 19 Sombrero Blvd., Marathon, FL 33050.

5. May 22, 2007, from 9 a.m. – 5 p.m. Hotel Monteleone, 214 Royal Street, New Orleans, LA 70130.

6. May 23, 2007, from 9 a.m. – 5 p.m. Pelican Landing Conference & Convention Center, 6217 Highway 613, Moss Point, MS 39563.

7. June 6, 2007, from 9 a.m. – 5 p.m. Doubletree Guest Suites Naples, 12200 Tamiami Trail North, Naples, FL 34110.

8. June 20, 2007, from 9 a.m. – 5 p.m. Holiday Inn, 151 Route 72 East, Manahawkin, NJ 08050.

9. June 28, 2007, from 9 a.m. – 5 p.m. The Shores Resort & Spa, 2637 South Atlantic Avenue, Daytona Beach, FL 32118.

Registration

To register for a scheduled Atlantic Shark Identification Workshop, please contact Eric Sander by email at esander@peoplepc.com or by phone at (386) 852-8588.

To register for a scheduled Protected Species Safe Handling, Release, and Identification Workshop, please contact Aquatic Release Conservation ((877) 411-4272), 1870 Mason Ave., Daytona Beach, FL 32117.

Grandfathered Permit Holders

Participants in the industry-sponsored workshops on safe handling and release of sea turtles that were held in Orlando, FL (April 8, 2005) and in New Orleans, LA (June 27, 2005) were issued a NOAA workshop certificate in December 2006 that will be valid for three years. Grandfathered permit holders must include a copy of this certificate when renewing limited access shark and limited access swordfish permits each year. Failure to provide a valid NOAA workshop certificate may result in a permit denial.

Registration Materials

To ensure that workshop certificates are linked to the correct permits, participants will need to bring the following items with them to the workshop:

Atlantic Shark Identification Workshop

Atlantic shark dealer permit holders must bring proof that the individual is an agent of the business (such as articles of incorporation), a copy of the applicable permit, and proof of identification.

Atlantic shark dealer proxies must bring documentation from the shark dealer acknowledging that the proxy is attending the workshop on behalf of the Atlantic shark dealer, a copy of the appropriate permit, and proof of identification.

Protected Species Safe Handling, Release, and Identification Workshop

Individual vessel owners must bring a copy of the appropriate permit(s), a

copy of the vessel registration or documentation, and proof of identification.

Representatives of a business owned or co-owned vessel must bring proof that the individual is an agent of the business (such as articles of incorporation), a copy of the applicable permit(s), and proof of identification.

Vessel operators must bring proof of identification.

Workshop Objectives

The Atlantic Shark Identification Workshops are designed to reduce the number of unknown and improperly identified sharks reported in the dealer reporting form and increase the accuracy of species-specific dealer-reported information. Reducing the number of unknown and improperly identified sharks will improve quota monitoring and the data used in stock assessments. These workshops will train shark dealer permit holders or their proxies to properly identify Atlantic shark carcasses.

The Protected Species Safe Handling, Release, and Identification Workshops are designed to teach longline and gillnet fishermen the required techniques for the safe handling and release of entangled and/or hooked protected species, such as sea turtles, marine mammals, and smalltooth sawfish. Identification of protected species will also be taught at these workshops in an effort to improve reporting. Additionally, individuals attending these workshops will gain a better understanding of the requirements for participating in these fisheries. The overall goal for these workshops is to provide participants the skills needed to reduce the mortality of protected species, which may prevent additional regulations on these fisheries in the future.

Authority: 16 U.S.C. 971 *et seq.* and 1801 *et seq.*

Dated: March 8, 2007.

James P. Burgess,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

[FR Doc. E7-4560 Filed 3-12-07; 8:45 am]

BILLING CODE 3510-22-S

DEPARTMENT OF DEFENSE

Department of the Army

Board of Visitors, United States Military Academy (USMA)

AGENCY: Department of the Army, DoD.

ACTION: Notice of open meeting.

SUMMARY: In accordance with Section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), announcement is made of the following committee meeting:

Name of Committee: Board of Visitors, United States Military Academy.

Date: Wednesday, April 25, 2007.

Place of Meeting: The Capitol Building, Room H137, Washington, DC.

Time of Meeting: Approximately 9:30 a.m. through 3 p.m.

Board Mission: The Board, under the provisions of 10 U.S.C. 4355, and the Federal Advisory Committee Act of 1972, as amended, shall provide the President of the United States independent advice and recommendations on matters relating to the U.S. Military Academy, to include but not limited to morale and discipline, curriculum, instruction, physical equipment, and academic methods.

Board Membership: The Board is composed of 15 members, 9 of which are members of Congress and 6 persons designated by the President. The 2007 Chairman of the Board is Congressman John McHugh, New York-23rd District.

FOR FURTHER INFORMATION CONTACT:

Lieutenant Colonel Shaun T. Wurzbach, United States Military Academy, West Point, NY 10996-5000, (845) 938-4200 or via e-mail:

shaun.wurzbach@usma.edu.

SUPPLEMENTARY INFORMATION: *Proposed Agenda:* Spring Meeting of the Board of Visitors. Review of the Academic, Military and Physical Programs at the USMA. All proceedings are open to the public. Picture identification is required to enter the Capitol Building. Subcommittees shall meet prior to the Board meeting. The Board plans to inquire into curriculum and academic methods, fiscal affairs, the USMA Master Plan, Lean Six Sigma, BRAC and the relocation of the United States Military Academy Preparatory School, and Admissions. The Board shall consider a motion to expand subcommittees and shall vote to approve revised Board operating rules.

Public Inquiry at Board Meetings: Any member of the public is permitted to file a written statement with the USMA Board of Visitors. Written statements should be sent to the Designated Federal Officer (DFO) at: United States Military Academy, Office of the Secretary of the General Staff (MASG), 646 Swift Road, West Point, NY 10996-1905 or faxed to the Designated Federal Officer (DFO) at (845) 938-3214. Written statements must be received no later than five working days prior to the next meeting

in order to provide time for member consideration.

By rule, no member of the public attending open meetings will be allowed to present questions from the floor or speak to any issue under consideration by the Board.

Brenda S. Bowen,

Army Federal Register Liaison Officer.

[FR Doc. 07-1162 Filed 3-12-07; 8:45 am]

BILLING CODE 3710-08-M

DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Adoption of Alternative Arrangements Under the National Environmental Policy Act for New Orleans Hurricane and Storm Damage Reduction System

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Public notice.

SUMMARY: The U.S. Army Corps of Engineers (USACE), Mississippi Valley Division, New Orleans District (CEMVN) is implementing Alternative Arrangements under the provisions of the Council on Environmental Quality Regulations for Implementing the National Environmental Policy Act (NEPA) (40 CFR 1506.11) in order to expeditiously complete environmental analysis of major portions of a new 100-year level of Hurricane and Storm Damage Reduction effort authorized and funded by the Administration and the Congress. The proposed actions are located primarily in southern Louisiana and relate to the Federal effort to rebuild the Hurricane and Storm Damage Reduction system following Hurricanes Katrina and Rita.

The USACE consultation with the Council on Environmental Quality (CEQ), as required under 40 CFR 1506.11 and the USACE Environmental Quality Procedures for Implementing the NEPA (33 CFR 230), concluded on February 23, 2007 with the CEQ approving the Alternative Arrangements. The Alternative Arrangements request was also coordinated with the U.S. Fish and Wildlife Service, National Marine Fisheries Service, Environmental Protection Agency, Advisory Council on Historic Preservation, Department of Homeland Security-Federal Emergency Management Agency, Louisiana Department of Wildlife and Fisheries, Louisiana Department of Natural Resources, Louisiana Department of Environmental Quality and the

Louisiana State Historic Preservation Officer.

During the consultation, the USACE and CEQ hosted four public meetings in New Orleans metropolitan area to assess the request and gather input on the proposed Alternative Arrangements. The input received during the course of the discussions and meetings provided strong support for Alternative Arrangements that allow for expedited decisions on actions to lower the risk of floods and that restore public confidence in the hurricane storm reduction system so that the physical and economic recovery of the area can proceed as citizens return and rebuild. It was also made clear that the Alternative Arrangements should provide the USACE a way to proceed that complements other ongoing and proposed hurricane protection and coastal restoration efforts.

These Alternative Arrangements apply to certain proposed actions included in the 100-year Hurricane and Storm Damage Reduction measures authorized under Public Law 109-234, Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Hurricane Recovery, 2006 (4th Supplemental). The Alternative Arrangements will allow decisions on smaller groups of proposed actions to move forward sooner than under the traditional NEPA process. An in-depth analysis and consideration of potential environmental impacts will be completed and negative environmental impacts will be addressed. Detailed information on the Alternative Arrangements can be downloaded from the USACE New Orleans District Web site at: http://www.mvn.usace.army.mil/pd/Envir_Processes_NEPA/Index.htm.

DATES: See **SUPPLEMENTARY INFORMATION** section for meeting dates.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** section for meeting addresses.

FOR FURTHER INFORMATION CONTACT:

Questions concerning the emergency Alternative Arrangements should be addressed to Gib Owen at U.S. Army Corps of Engineers, PM-RS, P.O. Box 60267, New Orleans, LA 70160-0267, phone (504) 862-1337, fax number (504) 862-2088 or by e-mail at mvnenvironmental@mvn02.usace.army.mil.

SUPPLEMENTARY INFORMATION:

The Emergency Alternative Arrangement Process: In order to meet the needs of the people of southern Louisiana in a timely manner that is appropriate to the level of imminent threat, CEMVN will comply with the

NEPA by using the following emergency Alternative Arrangements.

1. CEMVN is placing this public notice of the NEPA Alternative Arrangements in the **Federal Register** along with a description of the proposed actions that will be analyzed in Individual Environmental Reports (IERs) and a Comprehensive Environmental Document (CED).

2. Scoping Process: a. This **Federal Register** notice is initiating the scoping process with a thirty-day public comment period for the IERs described in this notice. CEMVN will also host a series of public scoping meetings, followed by thirty-day comment periods, in the New Orleans metropolitan area to gather public comments on the proposed actions. Additional scoping meetings may be conducted in other locales in the United States if deemed necessary.

b. Concurrent with this **Federal Register** notice, CEMVN is placing public notices in broadcast media, local newspapers and a newspaper with national distribution publicizing the dates and location of the public scoping meetings, describing each proposed action that will be analyzed in the IERs, and providing thirty days for written comments to be mailed, faxed, or e-mailed to a point of contact at CEMVN. The information for each proposed action will also be mailed and e-mailed to all interested stakeholders, including state and Federal resource agencies. The Corps will make its best effort to reach the citizens of New Orleans, including, to the extent feasible, persons who have relocated to other areas. The comments received will be compiled and e-mailed to appropriate Federal and state agencies for coordination.

c. CEMVN will establish and maintain a Web page that provides details for each IER and other proposed actions being investigated or projects that are being constructed in the area by the USACE. The Web site will contain a description of the Alternative Arrangements CEMVN is following to achieve NEPA compliance. Additionally, information or links from other Federal and state agencies conducting operations in the New Orleans area will be available on this Web site. This will include, where available, links to proposed actions and ongoing environmental analyses, and references and available links to environmental analyses previously conducted in the area.

d. Interagency environmental teams are being established for each IER. Federal and state agency, local governmental and tribal staff will play an integral part in the project planning

and alternative analysis. Interagency teams will be integrated with USACE Project Delivery Teams to assist in the planning of each proposed action and in the description of the potential direct and indirect impacts of each proposed action that will be used in the development of any needed mitigation plans. Team members will be provided with new information concerning the proposed action as quickly as possible in order to allow for the expedient review and analysis of each proposed action. Teams will rely heavily upon hydrologic models and the best engineering judgment of CEMVN Engineering Division staff to develop appropriate mitigation plans.

e. CEMVN will hold monthly meetings with agencies to communicate overall developments and allow for agency feedback. All proposed work would be closely coordinated with the ongoing Federal and state efforts to design a coastal restoration and protection plan.

f. CEMVN will host monthly public meetings during the preparation and completion of the IERs and CED included in these Alternative Arrangements. The monthly meetings will keep the stakeholders advised of IER and CED developments and provide the public opportunities to comment during the meetings and to submit written comments after each meeting for a 30-day period. Meetings will be advertised at least one week prior to each meeting and meeting times and locations will be selected to accommodate public availability.

3. CEMVN will actively involve the Federal and state agencies, local governments, tribes, and the public in mitigation planning for unavoidable impacts at the onset of the planning process. Quantitative analysis of the acreages, by habitat type, determined to be potentially impacted directly or indirectly by each reasonable alternative will be prepared. Proposed actions to mitigate adverse environmental effects and mitigation plans will be based upon existing methodologies utilized for water resource planning and analyzed in one or more IERs that will consider reasonable mitigation alternatives, including pooling compensatory mitigation, consistent with proposed coastal restoration initiatives. It is CEMVN's intent to implement compensatory mitigation as early as possible in the process once unavoidable impacts are determined. All mitigation activities will be consistent with standards and policies established in the Clean Water Act Section 404 and the appropriate USACE

policies and regulations governing this activity.

4. Prior to any decision to proceed with proposed actions, CEMVN will complete an IER that documents the decision-making process followed by the USACE, the preferred and all other reasonable alternatives, the alternatives analyses that were performed, the direct and indirect impacts of the proposed action, an initial description of the cumulative impacts of the proposal, an initial mitigation plan, and any interim decisions made by the USACE. Each IER will identify areas where data was incomplete, unavailable, and areas of potential controversy. Alternatives analysis will be based upon a geographic segment of the area that is large enough to encompass any impacts directly and indirectly attributable to the proposed action.

5. The IERs will be posted on the USACE CEMVN Alternative NEPA Arrangement Web page for a 30-day public review and comment period. A notice of availability will be mailed/e-mailed to interested parties advising them of the availability of the IER for review in addition to placing a notice in newspapers and other media selected to reach residents of New Orleans including those who have relocated to other areas. The IERs will also be made available during the monthly public meetings.

6. Public meetings to discuss a specific IER will be held if requested by the stakeholders involved in the review process. Upon completion of the comment period, and after any meetings, an IER addendum responding to comments received will be completed and published for a 30-day public review period. Notice will be provided in newspapers and other media, posted on the Web site, and a notice of availability mailed/e-mailed to interested parties.

No sooner than 30 days after publication of the IER addendum, or an IER in the event no comments or requests for meetings are received during the public review and comment period, the District Commander will issue a decision describing how USACE will proceed.

7. At a time when sufficient information is available from IERs analyzing proposed actions in the New Orleans area, CEMVN will produce a draft Comprehensive Environmental Document (CED). The CED will incorporate the IERs by reference and address the work completed and the work remaining to be completed on a systemwide scale and a final mitigation plan. Updated information for any IER, or IER addendum, that had incomplete

or unavailable data at the time the District Commander made a decision on how to proceed will be provided and the CED will identify any new information associated with long term operations and maintenance of the approved actions analyzed in the IERs. The CED will include a discussion of how the individual IERs are integrated into a systematic planning effort. A cumulative effects analysis will analyze any indirect impacts due to altered hydrology or induced development that resulted from the actions taken by the USACE and the relationship of the proposed actions covered in the IERs with other proposed and reasonably foreseeable proposals for hurricane protection measures located within the Lake Pontchartrain and West Bank Hurricane Project areas and proposed and reasonably foreseeable proposals for hurricane protection and coastal restoration measures identified in the Louisiana Coastal Protection and Restoration Study and the Coastal Protection and Restoration Authority of Louisiana's Master Plan. An external engineering peer review of the proposed levees and floodwalls work analyzed in the IERs will be made available as soon as practicable and no later than publication of the draft CED.

8. The draft CED will be posted on the USACE web page for a 60-day public review period. A notice of availability will be posted on the Web site and mailed/e-mailed to interested parties advising them of the availability of the draft CED for review in addition to placing a notice in newspapers and other media. Public meetings would be held during the review period if requested by the stakeholders involved in the process.

9. Upon completion of the 60-day review period, all comments will be appropriately addressed in a final CED. The final CED will be published for a 30-day public review period. Notice will be provided in newspapers and other media, posted on the Web site, and a notice of availability will be mailed/e-mailed out to interested parties.

No sooner than 30 days after publication of the final CED, the District Commander will issue a decision describing how CEMVN will proceed. This decision will be made available to stakeholders by posting it to a Web site, mailing/e-mailing notices of availability, public notices in newspapers and news releases to other media such as radio and television stations.

Description of Proposed Actions: CEMVN will analyze the proposed hurricane and storm damage reduction actions for the sub-basins within the Lake Pontchartrain and Vicinity (LPV)

and West Bank and Vicinity (WBV) Hurricane Protection Project areas in a series of IERs. Each IER will identify the proposed actions and will investigate alternatives, direct, indirect, cumulative impacts, and mitigation for impacts to the human environment. Exact alignments and work to be completed will be determined as a part of the NEPA process. IERs will also be prepared for proposed borrow material and mitigation plans. Further information on the IER's can be downloaded from the USACE New Orleans District Web site at: http://www.mvn.usace.army.mil/pd/Envir_Processes_NEPA/Index.htm.

IER 1: LPV, LaBranche Wetlands Levee, St. Charles Parish, LA—Proposed action: Rebuilding of 8.7 miles of earthen levees, replacement of 6,400 linear feet of floodwalls, and fronting protection to five existing drainage structures.

IER 2: LPV, West Return Floodwall Jefferson—St. Charles Parish, LA—Proposed action: Replacement of 17,900 linear feet of floodwalls.

IER 3: LPV, Lakefront Levee Jefferson Parish, LA—Proposed action: Rebuilding of 9.5 miles of earthen levees, upgrading foreshore protection, replacement of two floodgates, and fronting protection to four pump stations.

IER 4: LPV, New Orleans Lakefront Levee, West of Inner Harbor Navigational Canal, Orleans Parish, LA—Proposed action: Rebuilding of 4.4 miles of earthen levee, replacement of 7,600 feet of floodwalls, 16 vehicle access gates, and one sector gate.

IER 5: LPV, Outfall Canal Closure Structures, 17th Street Canal, Orleans Avenue Canal and London Avenue Canal, Orleans Parish, LA—Proposed action: Construction of pump stations and closure structures on the three outfall canals.

IER 6: LPV, Citrus Lakefront Levee, Orleans Parish, LA—Proposed action: Rebuilding of 4.1 miles of earthen levees, replacement of 10,662 linear feet of floodwalls, and four floodgates.

IER 7: LPV, New Orleans East Levee, Maxent Canal to Michoud Slip, Orleans Parish, LA—Proposed action: Rebuilding of 19.1 miles of earthen levee and replacement of three floodgates.

IER 8: LPV, Bayou Bienvenue and Bayou Dupre Control Structures, St. Bernard Parish, LA—Proposed action: Replacement of 1,000 linear feet of floodwalls and two navigable floodgates.

IER 9: LPV, Caernarvon Floodwall, St. Bernard Parish, LA—Proposed action: Replacement of two floodgates,

replacement of 1,500 feet of floodwall, and possible realignment of levee.

IER 10: LPV, Chalmette Loop Levee, St. Bernard Parish, LA—Proposed action: Rebuilding of 22 miles of earthen levees and the replacement of 1,500 linear feet of floodwalls.

IER 11: LPV, Inner Harbor Navigation Canal Navigable Floodgates, Orleans and St. Bernard Parishes, LA—Proposed action: Construction of gated navigable closure structures to protect the Inner Harbor Navigation Canal.

IER 12: WBV, Harvey and Algiers Canal Levee and Floodwalls, Jefferson, Orleans, and Plaquemines Parishes, LA—Proposed action: Rebuilding of 31 miles of earthen levees, replacement of 18,800 linear feet of floodwalls, modifications to 18 existing gates, and fronting protection modifications to nine pump stations.

IER 13: WBV, Hero Canal Levee and Eastern Terminus, Plaquemines Parish, LA—Proposed action: Rebuilding of 22,000 linear feet of earthen levees and construction of 1,500 linear feet of floodwalls.

IER 14: WBV, Harvey to Westwego Levee, Jefferson Parish, LA—Proposed action: Rebuilding of 12 miles of earthen levee, construction of 7,013 linear feet of floodwalls, and modifications to three pump stations.

IER 15: WBV, Lake Cataouatche Levee, Jefferson Parish, LA—Proposed action: Rebuilding of 8 miles of earthen levee and fronting protection at one pump station.

IER 16: WBV, Western Terminus Levee, Jefferson Parish, LA—Proposed action: Construction of western terminus earthen levee section.

IER 17: WBV, Company Canal Floodwall, Jefferson Parish, LA—Proposed action: Replacement of 13,442 linear feet of floodwalls and fronting protection for two pump stations.

IER 18: Borrow, Government Furnished, Multiple sites—Proposed action: Analyze information supplied from a variety of governmental sources to determine appropriate Government Furnished borrow locations. Sources could be from sites throughout southeast Louisiana.

IER 19: Borrow, Pre-Approved Contractor Furnished, Multiple sites—Proposed action: Analyze information supplied from a variety of non-governmental sources to determine appropriate Pre-Approved Contractor Furnished borrow locations. Sources could be from sites throughout the southern United States.

IER 20: LPV, Mitigation Pool—Proposed action: Analyze alternatives to determine appropriate mitigation is

implemented for unavoidable impacts to the human environment.

IER 21: WBV, Mitigation Pool—Proposed action: Analyze alternatives to determine appropriate mitigation is implemented for unavoidable impacts to the human environment.

Scoping Meeting Schedule

All nine of the meetings start at 7 p.m. and are scheduled to conclude at 9 p.m. Dates and locations of the meetings are as follows:

March 27, 2007—Lake Cataouatche Sub-Basin: Lake Cataouatche/Jefferson Parish Dougie V's Restaurant—Banquet Hall, 13899 River Road, Luling, LA

March 28, 2007—Harvey-Westwego Sub-Basin: Westwego City Council Chamber, 419 Avenue A, Westwego, LA

March 29, 2007—St. Charles Parish Sub-Basin: American Legion Hall, Post 366, 12188 River Road, St. Rose, LA

April 3, 2007—Gretna-Algiers Sub-Basin: Our Lady of Holy Cross College, 4123 Woodland Drive, New Orleans, LA

April 4, 2007—Chalmette Loop Sub-Basin: 8201 West Judge Perez Road, Chalmette, LA

April 5, 2007—Jefferson East Bank Sub-Basin: Jefferson Parish Regional Library, 4747 W. Napoleon Avenue, Metairie, LA

April 10, 2007—Belle Chasse Sub-Basin: Belle Chasse Auditorium, 8398 Highway 23, Belle Chasse, LA

April 11, 2007—New Orleans East Sub-Basin: Avalon Hotel & Conference Center, 830 Conti Street, New Orleans, LA

April 12, 2007—Orleans East Bank Sub-Basin: National WWII Museum, 945 Magazine Street, New Orleans, LA

Coordination: The USACE will continue to obtain concurrence, permits, and any other authorizations necessary to be in compliance with all other environmental laws prior to the initiation of any proposed actions. This includes, but is not limited to, complying with section 7 of the Endangered Species Act, the National Historic Preservation Act, the Clean Water Act, the Coastal Zone Management Act, and the Magnuson-Stevens Act.

Dated: March 2, 2007.

Richard P. Wagenaar,
Colonel, U.S. Army, District Commander.
[FR Doc. E7-4515 Filed 3-12-07; 8:45 am]

BILLING CODE 3710-84-P

DEPARTMENT OF EDUCATION

Privacy Act of 1974; System of Records—Study of Former Vocational Rehabilitation Consumers' Post-Program Experiences

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice of a new system of records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended (Privacy Act), 5 United States Code (U.S.C.) 552a, the Office of Special Education and Rehabilitative Services, U.S. Department of Education (Department) publishes this notice of a new system of records entitled "Study of Former Vocational Rehabilitation Consumers' Post-Program Experiences" (18-16-03).

The system of records will be maintained for program research and evaluation purposes. The system will contain information on a sample of former vocational rehabilitation (VR) consumers whose cases were closed in fiscal year (FY) 2006. The system will include demographic information, including financial information and responses to a survey about post-VR experiences, particularly related to employment outcomes and post-closure services.

DATES: The Department seeks comments on the new system of records described in this notice, in accordance with the requirements of the Privacy Act. We must receive your comments on or before April 12, 2007.

The Department filed a report describing the new system of records covered by this notice with the Chair of the Senate Committee on Homeland Security and Governmental Affairs, the Chair of the House Committee on Oversight and Government Reform, and the Acting Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) on March 8, 2007. This system of records will become effective at the later date of—(1) the expiration of the 40-day period for OMB review on April 17, 2007 or (2) April 12, 2007, unless the system of records needs to be changed as a result of public comment or OMB review.

ADDRESSES: Address all comments about this new system of records to Joe Pepin, Rehabilitation Services Administration, Office of Special Education and Rehabilitative Services, U.S. Department of Education, 400 Maryland Avenue, SW., room 5052, Potomac Center Plaza, Washington, DC 20202-2800. If you

prefer to send your comments through the Internet, use the following address: comments@ed.gov.

You must include the term "Post-Vocational Rehabilitation Experiences Study" in the subject line of the electronic message.

During and after the comment period, you may inspect all public comments about this notice in room 5155, Potomac Center Plaza, 550 12th Street, SW., Washington, DC, between the hours of 8 a.m. and 4:30 p.m., Eastern time, Monday through Friday of each week except Federal holidays.

Assistance to Individuals With Disabilities in Reviewing the Rulemaking Record

On request, we will supply an appropriate aid, such as a reader or print magnifier, to an individual with a disability who needs assistance to review the comments or other documents in the public rulemaking record for this notice. If you want to schedule an appointment for this type of aid, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**.

FOR FURTHER INFORMATION CONTACT: Joe Pepin. Telephone: (202) 245-7598. If you use a telecommunications device for the deaf (TDD), you may call the Federal Relay Service (FRS) at 1-800-877-8339.

Individuals with disabilities may obtain this document in an alternative format (e.g., Braille, large print, audiotope, or computer diskette) on request to the contact person listed in this section.

SUPPLEMENTARY INFORMATION:

Introduction

The Privacy Act (5 U.S.C. 552a(e)(4)) requires the Department to publish in the **Federal Register** this notice of a new system of records maintained by the Department. The Department's regulations implementing the Privacy Act are contained in the Code of Federal Regulations (CFR) in 34 CFR part 5b.

The Privacy Act applies to a record about an individual that is maintained in a system of records from which information is retrieved by a unique identifier associated with each individual, such as a name or social security number. The information about each individual is called a "record," and the system, whether manual or computer-based, is called a "system of records." The Privacy Act requires each agency to publish a notice of a system of records in the **Federal Register** and to prepare a report for the Administrator of the Office of Information and

Regulatory Affairs, OMB, whenever the agency publishes a new or altered system of records. Each agency is also required to send copies of the report to the Chair of the Senate Committee on Homeland Security and Governmental Affairs and the Chair of the House Committee on Oversight and Government Reform.

Electronic Access to This Document: You may view this document, as well as all other documents of this Department published in the **Federal Register**, in text or Adobe Portable Document Format (PDF) on the Internet at the following site: <http://www.ed.gov/news/fedregister>.

To use PDF you must have Adobe Acrobat Reader, which is available free at this site. If you have questions about using PDF, call the U.S. Government Printing Office (GPO), toll free, at 1-888-293-6498; or in the Washington, DC, area at (202) 512-1530.

Note: The official version of this document is the document published in the **Federal Register**. Free Internet access to the official edition of the **Federal Register** and the CFR is available on GPO Access at: <http://www.gpoaccess.gov/nara/index.html>.

Dated: March 8, 2007.

John H. Hager,

Assistant Secretary for Special Education and Rehabilitative Services.

For the reasons discussed in the preamble, the Assistant Secretary for the Office of Special Education and Rehabilitative Services of the U.S. Department of Education (Department) publishes a notice of a new system of records to read as follows:

18-16-03

SYSTEM NAME:

Study of Former Vocational Rehabilitation Consumers' Post-Program Experiences (Post-Vocational Rehabilitation Experiences Study).

SECURITY CLASSIFICATION:

None.

SYSTEM LOCATIONS:

(1) Rehabilitation Services Administration, Office of Special Education and Rehabilitative Services, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC, 20202-2800.

(2) Westat, 1650 Research Boulevard, Rockville, MD, 20850-3195.

(3) InfoUse, 2560 Ninth Street, Suite 320, Berkeley, CA, 94710-2566.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

This system contains records on former vocational rehabilitation (VR)

consumers whose VR service cases were closed in fiscal year (FY) 2006 (as determined from the RSA-911 Case Service Report). The sample of former VR consumers includes those who achieved an employment outcome as well as those who did not at the time of case closure. Four subgroups of interest considered in the sample selection include transitioning youth and young adults under 22 years of age, consumers with mental retardation, consumers with psychiatric disabilities, and Supplemental Security Income and Social Security Disability Insurance beneficiaries.

CATEGORIES OF RECORDS IN THE SYSTEM:

The system contains information on a sample of former VR consumers whose cases were closed in FY 2006. The system includes records from the RSA-911 Case Service Report containing employment data about the consumers, Social Security Administration data on receipt and amount of social security benefits, Unemployment Insurance wage records data, and information from baseline and follow-up surveys about post-VR experiences, particularly related to employment outcomes and post-closure services.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Section 14(a) of the Rehabilitation Act of 1973, as amended (29 U.S.C. 711(a)).

PURPOSE(S):

This system of records is maintained for program research and evaluation purposes. The Rehabilitation Services Administration commissioned this evaluation, which is also called the Post-Vocational Rehabilitation Experiences Study. The Department's contractor, Westat, is conducting the evaluation in collaboration with Westat's subcontractor, InfoUse.

The goal of this study is to examine the post-VR experiences of former VR consumers, considering their labor market progression, receipt of other services and resources from the community, non-economic outcomes, and receipt of Social Security Administration and other benefits. The study will further consider changes over time, the relationship between individual characteristics and outcomes, and how outcomes vary by specific subgroups of former consumers.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

The Department may disclose information contained in a record in this system of records under the routine uses listed in this system of records without the consent of the individual if

the disclosure is compatible with the purposes for which the record was collected. The Department may make these disclosures on a case-by-case basis or, if the Department has complied with the computer matching requirements of the Computer Matching and Privacy Protection Act of 1988, under a computer matching agreement.

(1) *Freedom of Information Act (FOIA) Advice Disclosure.* The Department may disclose records to the U.S. Department of Justice and the Office of Management and Budget if the Department concludes that disclosure is desirable or necessary in determining whether particular records are required to be disclosed under the FOIA.

(2) *Contract Disclosure.* If the Department contracts with an entity for the purposes of performing any function that requires disclosure of records in this system to employees of the contractor, the Department may disclose the records to those employees. Before entering into such a contract, the Department shall require the contractor to maintain Privacy Act of 1974, as amended (Privacy Act) safeguards as required under 5 U.S.C. 552a(m) with respect to the records in the system.

(3) *Research Disclosure.* The Department may disclose records to a researcher if an appropriate official of the Department determines that the individual or organization to which the disclosure would be made is qualified to carry out specific research related to functions or purposes of this system of records. The official may disclose records from this system of records to that researcher solely for the purpose of carrying out that research related to the functions or purposes of this system of records. The researcher shall be required to maintain Privacy Act safeguards with respect to the disclosed records.

(4) *Disclosure to Other Federal Agencies, Including the Social Security Administration and the Department of Veterans Affairs.* The Department may disclose records to other Federal agencies, including the Social Security Administration and the Department of Veterans Affairs, for program research and evaluation purposes.

DISCLOSURE TO CONSUMER REPORTING AGENCIES:

Not applicable to this system notice.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

The Department maintains records on CD-ROM, and the contractor and

subcontractor maintain data for this system on computers and in hard copy.

RETRIEVABILITY:

Records in this system are indexed by a number assigned to each individual that is cross-referenced by the individual's name on a separate list.

SAFEGUARDS:

All physical access to the Department's site and to the sites of the Department's contractor and subcontractor, where this system of records is maintained, is controlled and monitored by security personnel. The computer system employed by the Department offers a high degree of resistance to tampering and circumvention. This security system limits data access to Department and contract staff on a "need to know" basis and controls individual users' ability to access and alter records within the system. The contractor, Westat, and its subcontractor, InfoUse, have established similar sets of procedures at their sites to ensure confidentiality of data. Their systems ensure that information identifying individuals is in files physically separated from other research data. They will maintain security of the complete set of all master data files and documentation. Access to individually identifiable data will be strictly controlled. At each site, all data will be kept in locked file cabinets during nonworking hours, and work on hardcopy data will take place in a single room, except for data entry. Physical security of electronic data will also be maintained. Security features that protect project data include password-protected accounts that authorize users to use the Westat or InfoUse system but to access only specific network directories and network software; user rights and directory and file attributes that limit those who can use particular directories and files and determine how they can use them; and additional security features that the network administrators establish for projects as needed.

RETENTION AND DISPOSAL:

Records are maintained and disposed of in accordance with the Department's Records Disposition Schedules, Part 3, Items 2b, 4a, and 5a.

SYSTEM MANAGER AND ADDRESS:

Joe Pepin, Unit Leader, Data Collection and Analysis Unit, Rehabilitation Services Administration, Office of Special Education and Rehabilitative Services, U.S. Department of Education, 400 Maryland Avenue, SW., room 5057, Potomac Center Plaza, Washington, DC 20202-2800.

NOTIFICATION PROCEDURE:

If you wish to determine whether a record exists regarding you in the system of records, contact the system manager. Your request for information must meet the requirements of the regulations in 34 CFR 5b.5, including proof of identity.

RECORD ACCESS PROCEDURES:

If you wish to gain access to your record in the system of records, contact the system manager. Your request must meet the requirements of the regulations in 34 CFR 5b.5, including proof of identity.

CONTESTING RECORD PROCEDURES:

If you wish to contest the content of a record regarding you in the system of records, contact the system manager. Your request must meet the requirements of the regulations in 34 CFR 5b.7, including proof of identity.

RECORD SOURCE CATEGORIES:

This system consists of information about former VR consumers and includes information taken directly from former consumers. It also includes data taken from the RSA-911 Case Service Report of former consumers, Social Security Administration records, Unemployment Insurance wage records data, and baseline and follow-up surveys about post-VR experiences, particularly related to employment outcomes and post-closure services.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

None.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket Nos. ER07-340-000; ER07-340-001]

Bell Independent Power Corporation; Notice of Issuance of Order

March 7, 2007.

Bell Independent Power Corporation (Bell IPC) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed market-based rate tariff provides for the sale of energy and capacity at market-based rates. Bell IPC also requested waivers of various Commission regulations. In particular, Bell IPC requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Bell IPC.

On March 7, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approvals of issuances of securities or assumptions of liability by Bell IPC should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest is April 4, 2007.

Absent a request to be heard in opposition by the deadline above, Bell IPC is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Bell IPC, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Bell IPC's issuance of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number filed to access the document. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Philis J. Posey,

Acting Secretary.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. RP07-142-001]

CenterPoint Energy Gas Transmission Company; Notice of Compliance Filing

March 7, 2007.

Take notice that on March 2, 2007, CenterPoint Energy Gas Transmission Company (CEGT) tendered for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1, Substitute Second Revised Sheet No. 603, to be effective March 1, 2007:

CEGT states that the purpose of this filing is to comply with the Commission's order dated February 27, 2007 in which CEGT was directed to correct a word processing error.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Such protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

CenterPoint Energy Gas Transmission Company; Notice of Negotiated Rate Filing

March 7, 2007.

Take notice that on February 27, 2007, CenterPoint Energy Gas Transmission Company (CEGT) tendered for filing and approval an amended negotiated rate agreement between CEGT and Constellation Energy Commodities Group, Inc. CEGT has entered into the amended agreement to provide amended firm transportation service to this shipper under Rate Schedule FT to be effective March 1, 2007.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP07-93-000]

Columbia Gas Transmission Corporation; Notice of Application

March 7, 2007.

Take notice that on February 28, 2007, Columbia Gas Transmission Corporation (Columbia), 1700 MacCorkle Avenue, SE., Charleston, West Virginia 25314, filed in Docket No. CP07-93-000, an application pursuant to section 7(c) of the Natural Gas Act (NGA), to: (1) uprate approximately $\frac{1}{3}$ mile of its Line WB between its Inventory Station No. 0+00 to 16+54 from 750 psig to 809 psig, and (2) increase the discharge of its Cobb Compressor Station from 750 psig to 809 psig. Columbia states that its proposal is intended to improve its system operations and the modifications will not increase capacity available for sale due to the short length of pipeline involved. Columbia also states that all of its facilities are located in Kanawha County, West Virginia, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may also be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number, excluding the last three digits, in the docket number field to access the document. For assistance, call (202) 502-8659 or TTY, (202) 208-3676.

Any questions regarding this application should be directed to counsel for Columbia, Fredric J. George, Lead Counsel, Columbia Gas Transmission Corporation, P.O. Box 1273, Charleston, West Virginia 25325-1273; telephone 304-357-2359, fax 304-357-3206.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and

Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commentors will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commentors will not be required to serve copies of filed documents on all other parties. However, the non-party commentors will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments protests and interventions via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web (<http://www.ferc.gov>) site under the "e-Filing" link.

Comment Date: 5 p.m. Eastern Standard Time, March 28, 2007.

Philis J. Posey,
Acting Secretary.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. RP97-13-029]

East Tennessee Natural Gas, LLC; Notice of Negotiated Rate

March 7, 2007.

Take notice that on February 28, 2007, East Tennessee Natural Gas, LLC (East Tennessee) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets, reflecting an effective date of April 1, 2007:

Original Sheet No. 27

Original Sheet No.28

Sheet Nos. 29-100

East Tennessee states that this filing is being made in connection with negotiated rate transactions pursuant to Section 49 of the General Terms and Conditions of East Tennessee's FERC Gas Tariff. East Tennessee states that the tariff sheets listed above identify and describe the negotiated rate transactions, including the exact legal name of each of the relevant shippers, the negotiated rates, the rate schedules, the contract terms, and the contract quantities.

East Tennessee states that copies of its filing have been mailed to all affected customers and interested state commissions, as well as all parties on the official service list compiled by the Secretary of the Federal Energy Regulatory Commission in the captioned proceeding.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone

filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. El Paso Natural Gas Company; Notice of Compliance Filing

March 7, 2007.

Take notice that, on March 1, 2007, El Paso Natural Gas Company (EPNG) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets, with an effective date of April 1, 2007:

First Revised Sheet No. 290B.01
First Revised Sheet No. 290C
Original Sheet No. 290D
Fifth Revised Sheet No. 419

EPNG states that the filing is being made in compliance with the Commission's order issued February 15, 2007 in the above referenced proceeding.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make

protestants parties to the proceeding. Such protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Mississippi Canyon Gas Pipeline, LLC; Notice of Compliance Filing

March 7, 2007.

Take notice that on March 6, 2007, Mississippi Canyon Gas Pipeline, LLC (Mississippi Canyon) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheets, to become effective April 5, 2007:

First Revised Sheet No. 16
Third Revised Sheet No. 22
Second Revised Sheet No. 259
First Revised Sheet No. 260
First Revised Sheet No. 299

Mississippi Canyon states that it is filing these tariff sheets in order to remove the minimum reserve commitment requirement and the minimum Maximum Daily Quantity requirement for Rate Schedule FT-2

service from its tariff, in order to comply with the Commission's February 9, 2007 Letter Order, 118 FERC ¶ 61,090 (2007), issued in this proceeding.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Such protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Questar Overthrust Pipeline Company; Notice of Compliance Filing

March 7, 2007.

Take notice that on February 27, 2007, Questar Overthrust Pipeline Company (Overthrust) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1-A, the following tariff sheets, to be effective March 12, 2007:

Fourth Revised Sheet No. 31
Fifth Revised Sheet No. 32
Seventh Revised Sheet Nos. 33 and 34
Fifth Revised Sheet No. 34A
Fourth Revised Sheet No. 66
Original Sheet No. 66A

Overthrust is proposing to modify its gas quality specifications to control hydrocarbon liquid dropout by setting a maximum Cricondentherm Hydrocarbon Dew Point (CHDP) with a "safe harbor" provision.

Overthrust states that after consultation with its shippers, Overthrust is requesting that the Commission make the proposed tariff sheets effective January 1, 2008, in order to give Overthrust's shipper's time to prepare for the changes in Overthrust's gas quality specifications.

Overthrust states that copies of the filing have been served upon Overthrust's customers and the public service commissions of Utah and Wyoming.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). [Docket No. RP06-200-021]

Rockies Express Pipeline LLC; Notice of Negotiated Rate

March 7, 2007.

Take notice that on February 23, 2007, Rockies Express Pipeline LLC (REX) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheets, to be effective February 24, 2007:

Sixteenth Revised Sheet No. 22
Original Sheet No. 22A
Seventh Revised Sheet No. 23

REX states that the filing is being made in compliance with the Commission's letter order issued August 9, 2005, in Docket No. CP04-413-000.

TEX also states that the tendered tariff sheets propose to revise REX's Tariff to reflect the addition of a negotiated-rate contract. REX requested a waiver of 18 CFR 154.207 so that the tendered tariff sheets may become effective February 24, 2007.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Philis J. Posey,
Acting Secretary.

[Docket No. RP01-245-021]

Transcontinental Gas Pipe Line Corporation; Notice To Place Tariff Sheets Into Effect

March 7, 2007.

Take notice that on February 28, 2007, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the tariff sheets are listed in Appendix A to the filing, are proposed to become effective March 1, 2007.

Transco states that the purpose of the filing is to place into effect on March 1, 2007 revised tariff sheets that implement a Stipulation and Agreement approved in the referenced docket which provides for, among other things, (i) An allocation of a fixed amount of the annual costs of service of Rate Schedules WSS, GSS, LSS, SS-2 and S-2 storage to system transportation, incremental transportation and to the transportation component of the bundled storage services, and (ii) the unbundling of Emergency Eminence Storage service from Rate Schedules FT, FTN and FT-G and establishing a stand alone service under Rate Schedule EESWS.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Such protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to

receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

Combined Notice of Filings # 1 March 7, 2007.

Take notice that the Commission received the following electric corporate filings:

Docket Numbers: EC07-64-000.

Applicants: RC Cape May Holdings, LLC; EIF B.L. England, LLC.

Description: RC Cape May Holdings, LLC and EIF BL England, LLC submit a joint application for authorization under section 202 of the FPA.

Filed Date: 3/2/2007.

Accession Number: 20070306-0235.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Take notice that the Commission received the following electric rate filings:

Docket Numbers: ER98-1643-010.

Applicants: Portland General Electric Company.

Description: Portland General Electric Co submits a notice of change in status regarding the construction of a 400 MW natural gas-fired combined cycle combustion turbine plant pursuant to FERC's order issued 2/10/05.

Filed Date: 3/1/2007.

Accession Number: 20070306-0214.

Comment Date: 5 p.m. Eastern Time on Thursday, March 22, 2007.

Docket Numbers: ER00-3562-004.

Applicants: Calpine Energy Services L.P.

Description: Calpine Energy Services, LP submits an amendment to its Rate Schedule FERC 1, Revised Sheets 3, 4, and 5 of the Second Revised Rate Schedule 1.

Filed Date: 3/2/2007.

Accession Number: 20070306-0140.

Comment Date: 5 p.m. Eastern Time on Wednesday, March 14, 2007.

Docket Numbers: ER01-2214-008.

Applicants: Entergy Services, Inc.

Description: Entergy Services, Inc submits a refund report related to required refunds for penalty revenues

collected pursuant to Schedule 4 of its OATT.

Filed Date: 3/1/2007.

Accession Number: 20070306-0274.

Comment Date: 5 p.m. Eastern Time on Thursday, March 22, 2007.

Docket Numbers: ER01-2217-006.

Applicants: Sunrise Power Company.

Description: Sunrise Power Company LLC submits a notice of change in status to inform the Commission of its pending indirect affiliation with LS Power Development, LLC and its jurisdictional holding company etc.

Filed Date: 2/28/2007.

Accession Number: 20070306-0209.

Comment Date: 5 p.m. Eastern Time on Wednesday, March 21, 2007.

Docket Numbers: ER04-925-015.

Applicants: Merrill Lynch Commodities, Inc.

Description: Merrill Lynch Commodities, Inc submits a non-material change in the characteristics relied upon in granting them market-based rate authorization.

Filed Date: 3/2/2007.

Accession Number: 20070306-0203.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER06-313-003.

Applicants: Midwest Independent Transmission System Operator, Inc.

Description: Midwest Independent Transmission System Operator, Inc submits a compliance filing pursuant to FERC's order dated 2/7/06.

Filed Date: 3/1/2007.

Accession Number: 20070306-0208.

Comment Date: 5 p.m. Eastern Time on Thursday, March 22, 2007.

Docket Numbers: ER06-451-020.

Applicants: Southwest Power Pool, Inc.

Description: Southwest Power Pool, Inc submits its Substitute Original Sheet 756 to FERC Electric Tariff, Fourth Revised Volume 1 pursuant to FERC's 1/31/07 letter order.

Filed Date: 3/2/2007.

Accession Number: 20070306-0205.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER06-731-005.

Applicants: Midwest Independent Transmission System Operator, Inc.

Description: Midwest Independent Transmission System Operator, Inc submits amendments to its 1/22/07 filing regarding the Broad Constrained Area Mitigation pursuant to FERC's 12/21/06 Order.

Filed Date: 3/2/2007.

Accession Number: 20070306-0206.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER06-1463-003.

Applicants: The Empire District Electric Company.

Description: The Empire District Electric Company submits First Revised Sheet 35A to FERC Electric Tariff, Original Volume 2 in compliance with the Commission's 1/31/06 Order.

Filed Date: 3/2/2007.

Accession Number: 20070306-0201.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER06-1471-002.

Applicants: Westar Energy, Inc.

Description: Westar Energy, Inc submits its Sub First Revised Sheets 134A-134B, Schedule 4A (Reserve Sharing Energy Charges) of its FERC Electric Tariff, Second Revised Volume 5.

Filed Date: 3/2/2007.

Accession Number: 20070306-0281.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER07-319-001.

Applicants: Southwest Power Pool, Inc.

Description: Southwest Power Pool, Inc submits revisions to its OATT pursuant to the Commission's order issued on 1/31/07.

Filed Date: 3/2/2007.

Accession Number: 20070306-0202.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER07-550-001.

Applicants: Midwest Independent Transmission System.

Description: Midwest Independent Transmission System Operator, Inc submits an Addendum to its electric tariff filing to reflect Ancillary Services Markets filed on 2/15/07 under ER07-550.

Filed Date: 3/1/2007.

Accession Number: 20070306-0215.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER07-552-001.

Applicants: Hudson Bay Energy Solutions LLC.

Description: Hudson Bay Energy Solutions LLC submits supplemental information in support of its application filed on 2/16/07.

Filed Date: 3/1/2007.

Accession Number: 20070306-0207.

Comment Date: 5 p.m. Eastern Time on Monday, March 12, 2007.

Docket Numbers: ER07-582-000.

Applicants: Pacific Gas and Electric Company.

Description: Pacific Gas and Electric Company submits Second Revised Schedule 136, Form of Distribution Facilities Agreement—Electric Standby Service etc.

Filed Date: 3/2/2007.

Accession Number: 20070305-0188.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER07–585–000.

Applicants: Niagara Generation, LLC.

Description: Niagara Generation, LLC submits a change in status with respect to the characteristics upon which the Commission relied in granting its market-based rate authority and a notice of succession.

Filed Date: 3/2/2007.

Accession Number: 20070306–0138.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER07–588–000.

Applicants: Bangor Hydro-Electric Company.

Description: Bangor Hydro-Electric Company submits revised tariff sheets requesting FERC's approval of its proposed accounting treatment of certain deferred interim regional transmission organization formation costs.

Filed Date: 3/2/2007.

Accession Number: 20070306–0213.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER07–589–000.

Applicants: Citigroup Energy Canada ULC.

Description: Citigroup Energy Canada ULC submits a petition for order accepting market-based rate schedule for filing and granting waivers and blanket approvals.

Filed Date: 3/2/2007.

Accession Number: 20070306–0210.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER07–591–000.

Applicants: Exel Power Sources, LLC.

Description: Exel Power Sources, LLC submits a Petition for acceptance of initial tariff, waivers and blanket authority.

Filed Date: 2/28/2007.

Accession Number: 20070306–0211.

Comment Date: 5 p.m. Eastern Time on Wednesday, March 21, 2007.

Docket Numbers: ER07–592–000.

Applicants: New York Independent System Operator, Inc.

Description: New York Independent System Operator, Inc submits two proposed modifications to the Standard Large Facility Interconnection Procedures contained in Attachment X to the NYISO OATT.

Filed Date: 3/2/2007.

Accession Number: 20070306–0218.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Docket Numbers: ER07–593–000.

Applicants: New England Power Pool.
Description: New England Power Pool Participants Committee submits

counterpart signature pages of the New England Power Pool Agreement dated as of September 1, 1971 etc.

Filed Date: 2/28/2007.

Accession Number: 20070306–0217.

Comment Date: 5 p.m. Eastern Time on Wednesday, March 21, 2007.

Docket Numbers: ER07–595–000.

Applicants: NSTAR Electric Company.

Description: NSTAR Electric Company submits a First Amendment to the Distribution Services Agreement w/ Massachusetts Bay Transportation Authority and a Second Amendment to the Interconnection Agreement etc.

Filed Date: 3/2/2007.

Accession Number: 20070306–0204.

Comment Date: 5 p.m. Eastern Time on Friday, March 23, 2007.

Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St. NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission's Public Reference Room in

Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov or call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

Philis J. Posey,

Acting Secretary.

[FR Doc. E7–4494 Filed 3–12–07; 8:45 am]

BILLING CODE 6717–01–P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP06–428–000]

Panhandle Eastern Pipeline Company, LP; Notice of Availability of the Environmental Assessment for the Proposed Tuscola East Replacement Project

March 7, 2007.

The staff of the Federal Energy Regulatory Commission (FERC or Commission) has prepared an environmental assessment (EA) on the natural gas pipeline facilities proposed by Panhandle Eastern Pipeline Company, LP (Panhandle) in the above-referenced docket.

The EA was prepared to satisfy the requirements of the National Environmental Policy Act. The staff concludes that approval of the proposed project, with appropriate mitigating measures, would not constitute a major federal action significantly affecting the quality of the human environment.

The EA assesses the potential environmental effects of the construction and operation of the proposed project. Panhandle proposes to replace a total of 31.3 miles of pipeline consisting of three segments and abandoning in place or by removal the existing 29.4 miles of pipelines that correspond with the new replacement lines. Specifically, the project includes:

- *Tuscola 100-Line (Douglas County, IL)*—Replacing 6.7 miles of existing 100-Line 20-inch diameter pipeline with 36-inch diameter pipeline, designating the new pipeline as the 500-Line, and installing a new pig launcher/receiver;
- *Tuscola 200-Line (Douglas County, IL)*—Replacing 1.9 miles of the existing 200-Line 36-inch diameter pipeline with 20-inch diameter pipeline (the 1.9 miles of 36-inch pipeline replaced would be used for the new 500-Line);

- *Montezuma 100-Line (Parke County, IN)*—Replacing 6.6 miles of the existing 100-Line 20-inch diameter pipeline with 36-inch diameter pipeline, designating the new pipeline as the 500-Line, and installing a new pig launcher/receiver; and

- *Zionsville 200-Line (Marion, Boone, and Hamilton Counties, IN)*—Replacing 17.9 miles of the existing 200-Line 24-inch diameter pipeline with 30-inch diameter pipeline, designating the new pipeline as the 500-Line, and installing a new pig launcher/receiver and a new mainline valve (MLV).

Due to the age of Panhandle's existing line and the U.S. Department of Transportation's Integrity Management Plan regulations, Panhandle reduced the operating pressure on one line by 20 percent in 2004. Additional measures to mitigate risk for High Consequence Areas must be implemented by end of 2011. Panhandle's project purpose is to restore long-haul transportation capacity from Tuscola heading east to Michigan by replacing the existing diameter pipeline with larger diameter pipeline.

The EA has been placed in the public files of the FERC. A limited number of copies of the EA are available for distribution and public inspection at: Federal Energy Regulatory Commission, Public Reference Room, 888 First Street, NE., Room 2A, Washington, DC 20426, (202) 502-8371.

Copies of the EA have been mailed to Federal, State and local agencies, public interest groups, interested individuals, newspapers, and parties to this proceeding.

Any person wishing to comment on the EA may do so. To ensure consideration prior to a Commission decision on the proposal, it is important that we receive your comments before the date specified below.

Please note that the Commission strongly encourages electronic filing of any comments or interventions or protests to this proceeding. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site at <http://www.ferc.gov> under the "e-Filing" link and the link to the User's Guide. Before you can file comments you will need to create a free account which can be created by clicking on "Sign-up."

If you are filing written comments, please carefully follow these instructions to ensure that your comments are received in time and properly recorded:

- Send an original and two copies of your comments to: Secretary, Federal Energy Regulatory Commission, 888 First St., NE., Room 1A, Washington, DC 20426;

- Label one copy of the comments for the attention of the Gas Branch 2, PJ11.2 Reference Docket No. CP06-428-000; and

- Mail your comments so that they will be received in Washington, DC on or before April 6, 2006.

Comments will be considered by the Commission but will not serve to make the commentor a party to the proceeding. Any person seeking to become a party to the proceeding must file a motion to intervene pursuant to Rule 214 of the Commission's Rules of Practice and Procedures (18 CFR 385.214).¹ Only intervenors have the right to seek rehearing of the Commission's decision.

Affected landowners and parties with environmental concerns may be granted intervenor status upon showing good cause by stating that they have a clear and direct interest in this proceeding which would not be adequately represented by any other parties. You do not need intervenor status to have your comments considered.

Additional information about the project is available from the Commission's Office of External Affairs, at 1-866-208-FERC or on the FERC Internet Web site (<http://www.ferc.gov>) using the eLibrary link. Click on the eLibrary link, click on "General Search" and enter the docket number excluding the last three digits in the Docket Number field. Be sure you have selected an appropriate date range. For assistance, please contact FERC Online Support at FercOnlineSupport@ferc.gov or toll free at 1-866-208-3676, or for TTY, contact (202)502-8659. The eLibrary link also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission now offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries and direct links to the documents. Go to <http://www.ferc.gov/esubscribenow.htm>.

Philis J. Posey,

Acting Secretary.

[FR Doc. E7-4471 Filed 3-12-07; 8:45 am]

BILLING CODE 6717-01-P

¹ Interventions may also be filed electronically via the Internet in lieu of paper. See the previous discussion on filing comments electronically.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 120-020]

Southern California Edison Company; Notice of Application and Amended Preliminary Draft Environmental Assessment Tendered for Filing With the Commission, and Establishing Procedural Schedule for Licensing and Deadline for Submission of Final Amendments

March 7, 2007.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection.

a. *Type of Application:* New License for Major Project-Existing Dam.

b. *Project No:* P-120-020.

c. *Date Filed:* February 23, 2007.

d. *Applicant:* Southern California Edison Company.

e. *Name of Project:* Big Creek No. 3 Hydroelectric Power Project.

f. *Location:* The Big Creek No. 3 Hydroelectric Project is located in Fresno and Madera Counties, California near the town of Auberry within the San Joaquin River watershed. The Project occupies 377.16 acres of Federal lands.

g. *Filed Pursuant to:* Federal Power Act 16 U.S.C. 791 (a)-825(r).

h. *Applicant Contact:* Russ W. Krieger, Vice President, Power Production, Southern California Edison Company, 300 North Lone Hill Ave., San Dimas, California 91773. Phone: (909) 394-8667.

i. *FERC Contact:* Jim Fargo, (202) 502-6095, or e-mail: james.fargo@ferc.gov.

j. *Cooperating Agencies:* We are asking Federal, State, local, and tribal agencies with jurisdiction and/or special expertise with respect to environmental issues to cooperate with us in the preparation of the environmental document. Agencies who would like to request cooperating status should follow the instructions for filing comments described in item k below. Agencies granted cooperating status will be precluded from being an intervenor in this proceeding consistent with the Commission's regulations.

k. *Deadline for requests for cooperating agency status:* 60 days from the date of this notice. All documents (original and eight copies) should be filed with: Philis J. Posey, Acting Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments may be filed electronically via the Internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions

on the Commission's Web site (<http://www.ferc.gov>) under the "e-Filing" link. After logging into the e-Filing system, select "Comment on Filing" from the Filing Type Selection screen and continue with the filing and process. The Commission strongly encourages electronic filing.

l. *Status*: This application has not been accepted for filing. We are not soliciting motions to intervene, protests, or final terms and conditions at this time.

m. *Description of Project*: The existing Big Creek No. 3 Hydroelectric Power Project consists of one powerhouse; one moderate-sized dam and forebay; and one water conveyance system. The Project is operated as a reservoir-storage type plant with an installed operating capacity of 174.45 MW. Water for the Project is taken from the San Joaquin River just downstream of its confluence with Big Creek and conveyed to the Big Creek No. 3 Powerhouse through Tunnel No. 3. The energy generated by the Project is transmitted to the SCE transmission and distribution system and used for public utility purposes.

The project would have an average annual generation of 804,240 megawatt-hours.

• *Powerhouse*: Big Creek Powerhouse No. 3, with five turbine generator units.

• *Moderate-sized dam and forebay*: Dam 6 and Dam 6 Impoundment, with a capacity of about 933 ac-ft, at an elevation of about 2,230 ft above mean sea level (msl).

• *Water conveyance system*: Powerhouse No. 3 water conveyance system, about 5.3 miles long, conveys water from Dam No. 6 Impoundment to Big Creek Powerhouse No. 3 through a tunnel with a capacity of about 3,250 cfs. The system includes a pressure-relief valve system and penstocks providing pressurized water from the tunnel to the turbine.

n. A copy of the application is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the three digits in the docket number field to access the document. For assistance, please contact

FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at (866) 208-3676, or for TTY, contact (202) 502-8659. A copy is also available for inspection and reproduction at the address in item h above.

You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via e-mail of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

o. With this notice, we are initiating consultation with the California State Historic Preservation Officer (SHPO), as required by section 106, National Historic Preservation Act, and the regulations of the Advisory Council on Historic Preservation, 36 CFR 800.4.

p. *Procedural schedule and final amendments*: The application will be processed according to the following Hydro Licensing Schedule. Revisions to the schedule will be made if the Commission determines it necessary to do so:

Milestone	Tentative date
Issue Acceptance/Deficiency Letter and request Additional Information, if needed	June 2007.
Notice asking for final terms and conditions	September 2007.
Notice of the availability of the draft EIS	March 2008.
Notice of the availability of the final EIS	September 2008.

Final amendments to the application must be filed with the Commission no later than 30 days from the issuance date of the notice soliciting final terms and conditions.

Philis J. Posey,
Acting Secretary.

Notice of Application for Non-Project Use of Project Lands and Waters and Soliciting Comments, Motions To Intervene, and Protests

March 7, 2007.

Take notice that the following application has been filed with the Commission and is available for public inspection:

a. *Application Type*: Non-Project Use of Project Lands and Waters.

b. *Project No*: 1490-044.

c. *Date Filed*: February 12, 2007.

d. *Applicant*: Brazo River Authority.

e. *Name of Project*: Morris Sheppard Project.

f. *Location*: Brazos River in Palo Pinto County, TX. This project does not occupy any federal or tribal lands.

g. *Filed Pursuant to*: Federal Power Act, 16 U.S.C. 791(a)-825(r).

h. *Applicant Contact*: Mr. Kent Rindy, Upper Basin Regional Manager, 4600 Cobbs Drive, P.O. Box 7555, Waco, TX, 76714; (254) 761-3100.

i. *FERC Contacts*: Any questions on this notice should be addressed to Ms. Shana High at (202) 502-8674.

j. *Deadline for filing comments and or motions*: April 9, 2007.

All documents (original and eight copies) should be filed with: Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington DC 20426. Please include the project number (P-1490-044) on any comments or motions filed. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the e-Filing link. The Commission strongly encourages e-filings.

k. *Description of Proposal*: In 2004, the Brazos River Authority (BRA) requested a permit for a 302 slip facility (120 existing and 182 proposed) at Hill Country Harbor Marina on Possum Kingdom Lake. The permit was authorized by the Commission on June 1, 2005. In January 2007, BRA discovered that the facility that was proposed and approved incorrectly identified the number of boat slips. While the footprint of the facility remains virtually unchanged, the BRA is requesting authorization for 402 total boat slips. The remainder of the application remains unchanged as the slips will be constructed off-site and floated into place, and no dredging or excavation will be necessary.

l. *Location of the Applications*: The filings are available for review at the Commission in the Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426, or may be viewed on the Commission's website at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please call the Helpline at (866) 208-3676 or

contact FERConLineSupport@ferc.gov. For TTY, contact (202) 502-8659.

m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. *Comments, Protests, or Motions to Intervene*: Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. *Filing and Service of Responsive Documents*: Any filings must bear in all capital letters the title "COMMENTS", "RECOMMENDATIONS FOR TERMS AND CONDITIONS", "PROTEST", OR "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

p. *Agency Comments*: Federal, State, and local agencies are invited to file comments on the described applications. A copy of the applications may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

q. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site at <http://www.ferc.gov> under the "e-Filing" link.

Philis J. Posey,

Acting Secretary.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 2175-014]

Southern California Edison Company; Notice of Application and Amended Preliminary Draft Environmental Assessment Tendered for Filing With the Commission, and Establishing Procedural Schedule for Licensing and Deadline for Submission of Final Amendments

March 7, 2007.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection.

a. *Type of Application*: New License for Major Project-Existing Dam.

b. *Project No*: P-2175-014.

c. *Date Filed*: February 23, 2007.

d. *Applicant*: Southern California Edison Company.

e. *Name of Project*: Big Creek Nos. 1 and 2 Hydroelectric Power Project.

f. *Location*: In Fresno County, California, and within the Sierra National Forest. The project is situated along Big Creek, a tributary to the San Joaquin River. The project affects 1,877.96 acres of Federal land administered by the Sierra National Forest.

g. *Filed Pursuant to*: Federal Power Act 16 U.S.C. 791 (a)-825(r).

h. *Applicant Contact*: Russ W. Krieger, Vice President, Power Production, Southern California Edison Company, 300 North Lone Hill Ave., San Dimas, California 91773. Phone: (909) 394-8667.

i. *FERC Contact*: Jim Fargo, (202) 502-6095, or e-mail: james.fargo@ferc.gov.

j. *Cooperating Agencies*: We are asking Federal, State, local, and tribal agencies with jurisdiction and/or special expertise with respect to environmental issues to cooperate with us in the preparation of the environmental document. Agencies who would like to request cooperating status should follow the instructions for filing comments described in item k below. Agencies granted cooperating status will be precluded from being an intervenor in this proceeding consistent with the Commission's regulations.

k. *Deadline for requests for cooperating agency status*: 60 days from the date of this notice. All documents (original and eight copies) should be filed with: Philis J. Posey, Acting Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments may be filed electronically via the Internet in

lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the "e-Filing" link. After logging into the e-Filing system, select "Comment on Filing" from the Filing Type Selection screen and continue with the filing and process. The Commission strongly encourages electronic filing.

l. *Status*: This application has not been accepted for filing. We are not soliciting motions to intervene, protests, or final terms and conditions at this time.

m. *Description of Project*: The existing Big Creek Nos. 1 and 2 Hydroelectric Power Project consists of two powerhouses, four major dams forming one major reservoir, one moderate dam and impoundment, three small diversions, and three water conveyance systems. The project would have an average annual generation of 657,072 megawatt-hours.

- *Powerhouses* (i) Powerhouse No. 1 with four turbine/generator units and a total dependable operating capacity of about 82.9 MW; and (ii) Powerhouse No. 2, with four turbine/generator units and a total dependable operating capacity of about 67.1 MW.

- *Major dams and reservoirs* (i) Dams 1, 2, 3, and 3a, which form Huntington Lake, with a capacity of about 89,166 ac-ft, at an elevation of about 6,950 ft above mean sea level (msl).

- *Moderate dam* (i) Dam 4, which forms Dam 4 Impoundment (Powerhouse 2 Forebay), with a capacity of about 60 ac-ft, at an elevation of about 4,810 ft above msl.

- *Small diversions* (i) Balsam Creek Diversion, with a usable capacity of less than 1 ac-ft, at an elevation of about 4,880 ft above msl; (ii) Ely Creek Diversion, with a usable capacity of less than 1 ac-ft, at an elevation of about 4,844 ft above msl; and (iii) Adit 8 Diversion, with a usable capacity of less than 1 ac-ft, at an elevation of about 4,825 ft above msl.

- *Water conveyance systems* (i) Tunnel No. 1, about 2 miles long, conveys water from Huntington Lake through an 84-inch diameter pipe to Big Creek Powerhouse No. 1.; (ii) Tunnel No. 2, approximately 4.1 miles long, conveys water from the Dam 4 impoundment just downstream of Powerhouse 1 to Big Creek Powerhouse No. 2. Water from Ely and Balsam Creek diversions also enter into Tunnel No. 2 between the forebay and powerhouse; and (iii) The Shoo Fly, conveys water from Shaver Lake (FERC Project No. 67) through Tunnel 5 and into Tunnel 2 leading to Powerhouse No. 2. The Shoo fly was used during the construction of

Shaver Lake Dam and Powerhouse No. 2A to keep water off the dam and to get more generation from Powerhouse No. 2. Although not currently in use, the Shoo fly Complex gives SCE the flexibility to divert water from Shaver Lake to Powerhouse No. 2, if required.

n. A copy of the application is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the three digits in the docket number field to access the

document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at (866) 208-3676, or for TTY, contact (202) 502-8659. A copy is also available for inspection and reproduction at the address in item h above.

You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via e-mail of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

o. With this notice, we are initiating consultation with the California State Historic Preservation Officer (SHPO), as required by section 106, National Historic Preservation Act, and the regulations of the Advisory Council on Historic Preservation, 36 CFR 800.4.

p. Procedural schedule and final amendments: The application will be processed according to the following Hydro Licensing Schedule. Revisions to the schedule will be made if the Commission determines it necessary to do so:

Milestone	Tentative date
Issue Acceptance/Deficiency Letter and request Additional Information, if needed	June 2007.
Notice asking for final terms and conditions	September 2007.
Notice of the availability of the draft EIS	March 2008.
Notice of the availability of the final EIS	September 2008.

Final amendments to the application must be filed with the Commission no later than 30 days from the issuance date of the notice soliciting final terms and conditions.

Philis J. Posey,
Acting Secretary.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 67-113]

Southern California Edison Company; Notice of Application and Amended Preliminary Draft Environmental Assessment Tendered for Filing With the Commission, and Establishing Procedural Schedule for Licensing and Deadline for Submission of Final Amendments

March 7, 2007.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection.

- a. *Type of Application*: New License for Major Project-Existing Dam.
- b. *Project No.*: P-67-113.
- c. *Date Filed*: February 23, 2007.
- d. *Applicant*: Southern California Edison Company.

e. *Name of Project*: Big Creek Nos. 2A, 8 and Eastwood Power Station Hydroelectric Power Project.

f. *Location*: The Big Creek Nos. 2A, 8 and Eastwood Hydroelectric Project is located in Fresno County, California near the town of Shaver Lake within the South Fork San Joaquin River, Big

Creek, and Stevenson Creek watersheds. The project affects 2,143.25 acres of Federal lands.

g. *Filed Pursuant to*: Federal Power Act 16 U.S.C. 791 (a)-825(r).

h. *Applicant Contact*: Russ W. Krieger, Vice President, Power Production, Southern California Edison Company, 300 North Lone Hill Ave., San Dimas, California 91773. Phone: (909) 394-8667.

i. *FERC Contact*: Jim Fargo, (202) 502-6095, or e-mail: james.fargo@ferc.gov.

j. *Cooperating Agencies*: We are asking Federal, State, local, and tribal agencies with jurisdiction and/or special expertise with respect to environmental issues to cooperate with us in the preparation of the environmental document. Agencies who would like to request cooperating status should follow the instructions for filing comments described in item k below. Agencies granted cooperating status will be precluded from being an intervenor in this proceeding consistent with the Commission's regulations.

k. *Deadline for requests for cooperating agency status*: 60 days from the date of this notice. All documents (original and eight copies) should be filed with: Philis J. Posey, Acting Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments may be filed electronically via the Internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the "e-Filing" link. After logging into the e-Filing system, select "Comment on Filing" from the Filing Type Selection screen and continue with the filing and process.

The Commission strongly encourages electronic filing.

l. *Status*: This application has not been accepted for filing. We are not soliciting motions to intervene, protests, or final terms and conditions at this time.

m. *Description of Project*: The existing Big Creek Nos. 2A, 8 and Eastwood Power Station Hydroelectric Power Project consists of two powerhouses and an underground power station; two major dams and reservoirs; five moderate-sized dams forming two forebays and three small diversion pools; eight small diversions; six water conveyance systems; and one transmission line. The project would have an average annual generation of 1,125,429 megawatt-hours.

- *Powerhouses and powerstation* (i) Big Creek Powerhouse No. 2A with two turbine/generator units and a total dependable operating capacity of about 98.5 MW; (ii) Powerhouse No. 8 with two turbine/generator units and a dependable operating capacity of about 64.5 MW; and (iii) Eastwood Power Station, with one turbine/pump/generator unit and a dependable operating capacity of about 207 MW.

- *Major dams and reservoirs* (i) Shaver Dam, forming Shaver Lake, which has a usable storage capacity of about 135,568 ac-ft, at an elevation of about 5,370 ft above mean sea level (msl); and (ii) Florence Dam, forming Florence Lake, which has a usable storage capacity of about 64,406 ac-ft, at an elevation of about 7,327 ft above msl.

- *Moderate-sized dams, forebays and diversion pools* (i) Balsam Forebay, with a usable storage capacity of about 1,547 ac-ft, at an elevation of about 6,670 ft above msl; (ii) Dam 5 Impoundment

(Powerhouse 8 Forebay), with a usable storage capacity of 49 ac-ft, at an elevation of about 2,943 ft above msl; (iii) Pitman Diversion Pool, with a usable capacity of about 1 ac-ft, at an elevation of about 6,900 ft above msl; (iv) Bear Diversion Pool, with a usable capacity of about 103 ac-ft, at an elevation of about 7,350 ft above msl; and (v) Mono Diversion Pool, with a usable capacity of about 47 ac-ft, at an elevation of about 7,350 ft above msl.

- *Small diversions* (i) Hooper Creek Diversion, with a usable capacity of about 3 ac-ft, at an elevation of about 7,505 ft above msl; (ii) Bolsillo Creek Diversion, with a usable capacity of less than 1 ac-ft, at an elevation of about 7,535 ft above msl; (iii) Chinquapin Creek Diversion, with a usable capacity of less than 1 ac-ft, at an elevation of about 7,629 ft above msl; (iv) Camp 62 Creek Diversion, with a usable capacity of less than 1 ac-ft, at an elevation of about 7,307 ft above msl.

- *Water conveyance systems* (i) Ward Tunnel, about 12.8 miles long, conveys water from Florence Lake to Huntington Lake (Huntington Lake is a component of FERC Project No. 2175) and has a conveyance capacity of about 1,760 cubic feet per second (cfs). The tunnel receives water from Florence Lake, Mono Creek, Bear Creek, the small tributaries discussed above, and the East and West Forks of Camp 61 Creek (via Portal Forebay, a component of the Portal Project, (FERC Project No. 2174); (ii) Mono-Bear Siphon, about 1.6 miles of flowline from Mono Diversion and 1.4 miles of flowline and tunnel from Bear Creek Diversion connect at the Mono-Bear Wye and continues for about

2.6 miles through a combined flowline/siphon, conveys water from the Mono and Bear diversions to Ward Tunnel. The Mono Tunnel and Bear Tunnel have conveyance capacities of 450 cfs each and the combined flowline/siphon has a conveyance capacity of about 650 cfs; (iii) Huntington-Pitman-Shaver Conduit, also known as Tunnel No. 7, conveys water from Huntington Lake and the Pitman Creek Diversion to Shaver Lake through either North Fork Stevenson Creek or through Balsam Forebay and the Eastwood Power Station. Tunnel No. 7 is about 5.4 miles long and terminates at Gate No. 2 tunnel outlet located on North Fork Stevenson Creek upstream of Shaver Lake. The Balsam Diversion Tunnel is about 1.1 miles long and branches off Tunnel No. 7 about 1,200 ft upstream of the Gate No. 2 outlet, connecting to Balsam Forebay; (iv) Eastwood Power Station and Tailrace Tunnels, which convey water from Balsam Forebay through the Eastwood Power Station to Shaver Lake. The Eastwood Power Station Tunnel is about 1 mile long. The Tailrace Tunnel is about 1.4 miles long. The conveyance capacity of the tunnels is about 2,500 cfs. (v) Tunnel No. 5, about 2.6 miles long, conveys water from Shaver Lake to Big Creek Powerhouse No. 2A and has a conveyance capacity of about 650 cfs. (vi) Tunnel No. 8, about 1 mile long, conveys water from the Dam No. 5 Impoundment just downstream of Powerhouse 2/2A to Powerhouse No. 8, has a conveyance capacity of about 1,173 cfs.

- *Transmission line* (i) Eastwood Power Station—Big Creek 1

Transmission Line, which connects Eastwood Power Station to a non-Project switchyard at Big Creek Powerhouse No. 1. This transmission line is about 4.7 miles long, and is a 220kV line.

n. A copy of the application is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at (866) 208-3676, or for TTY, contact (202) 502-8659. A copy is also available for inspection and reproduction at the address in item h above.

You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via e-mail of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

o. With this notice, we are initiating consultation with the California State Historic Preservation Officer (SHPO), as required by section 106, National Historic Preservation Act, and the regulations of the Advisory Council on Historic Preservation, 36 CFR 800.4.

p. *Procedural schedule and final amendments*: The application will be processed according to the following Hydro Licensing Schedule. Revisions to the schedule will be made if the Commission determines it necessary to do so:

Milestone	Tentative date
Issue Acceptance/Deficiency Letter and request Additional Information, if needed	June 2007.
Notice asking for final terms and conditions	September 2007.
Notice of the availability of the draft EIS	March 2008.
Notice of the availability of the final EIS	September 2008.

Final amendments to the application must be filed with the Commission no later than 30 days from the issuance date of the notice soliciting final terms and conditions.

Philis J. Posey,

Acting Secretary.

[FR Doc. E7-4480 Filed 3-12-07; 8:45 am]

BILLING CODE 6717-01-P

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPPT-2006-0969; FRL-8107-1]

Agency Information Collection Activities; Proposed Collection; Comment Request; Residential Lead-Based Paint Hazard Disclosure Requirements; EPA ICR No. 1710.05, OMB Control No. 2070-0151

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (PRA) (44

U.S.C. 3501 *et seq.*), this document announces that EPA is planning to submit a request to renew an existing approved Information Collection Request (ICR) to the Office of Management and Budget (OMB). This ICR, entitled: "Residential Lead-Based Paint Hazard Disclosure Requirements" and identified by EPA ICR No. 1710.05 and OMB Control No. 2070-0151, is scheduled to expire on November 30, 2007. Before submitting the ICR to OMB for review and approval, EPA is soliciting comments on specific aspects of the proposed information collection. **DATES:** Comments must be received on or before May 14, 2007.

ADDRESSES: Submit your comments, identified by docket identification (ID) number EPA-HQ-OPPT-2006-0969, by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.

- *Mail:* Document Control Office (7407M), Office of Pollution Prevention and Toxics (OPPT), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001.

- *Hand Delivery:* OPPT Document Control Office (DCO), EPA East Bldg., Rm. 6428, 1201 Constitution Ave., NW., Washington, DC. Attention: Docket ID number EPA-HQ-OPPT-2006-0969. The DCO is open from 8 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The telephone number for the DCO is (202) 564-8930. Such deliveries are only accepted during the DCO's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to docket ID number EPA-HQ-OPPT-2006-0969. EPA's policy is that all comments received will be included in the public docket without change and may be made available on-line at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through [regulations.gov](http://www.regulations.gov) or e-mail. The [regulations.gov](http://www.regulations.gov) website is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through [regulations.gov](http://www.regulations.gov) your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: All documents in the docket are listed in the docket's index available at <http://www.regulations.gov>. Although listed in the index, some information is

not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available electronically at <http://www.regulations.gov>, or, if only available in hard copy, at the OPPT Docket. The OPPT Docket is located in the EPA Docket Center (EPA/DC) at Rm. 3334, EPA West Bldg., 1301 Constitution Ave., NW., Washington, DC. The EPA/DC Public Reading Room hours of operation are 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding Federal holidays. The telephone number of the EPA/DC Public Reading Room is (202) 566-1744, and the telephone number for the OPPT Docket is (202) 566-0280. Docket visitors are required to show photographic identification, pass through a metal detector, and sign the EPA visitor log. All visitor bags are processed through an X-ray machine and subject to search. Visitors will be provided an EPA/DC badge that must be visible at all times in the building and returned upon departure.

FOR FURTHER INFORMATION CONTACT: *For general information contact:* Colby Lintner, Regulatory Coordinator, Environmental Assistance Division (7408M), Office of Pollution Prevention and Toxics, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001; telephone number: (202) 554-1404; e-mail address: TSCA-Hotline@epa.gov.

For technical information contact: Julie Simpson, National Program Chemicals Division (7404T), Office of Pollution Prevention and Toxics, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001; telephone number: (202) 566-1980; fax number: (202) 566-0471; e-mail address: simpson.julie@epa.gov.

SUPPLEMENTARY INFORMATION:

I. What Information is EPA Particularly Interested in?

Pursuant to section 3506(c)(2)(A) of the PRA, EPA specifically solicits comments and information to enable it to:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility.
2. Evaluate the accuracy of the Agency's estimates of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.

3. Enhance the quality, utility, and clarity of the information to be collected.

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. In particular, EPA is requesting comments from very small businesses (those that employ less than 25) on examples of specific additional efforts that EPA could make to reduce the paperwork burden for very small businesses affected by this collection.

II. What Should I Consider when I Prepare My Comments for EPA?

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible and provide specific examples.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. If you estimate potential burden or costs, explain how you arrived at the estimate that you provide.
5. Provide specific examples to illustrate your concerns.
6. Offer alternative ways to improve the collection activity.
7. Make sure to submit your comments by the deadline identified under **DATES**.
8. To ensure proper receipt by EPA, be sure to identify the docket ID number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

III. What Information Collection Activity or ICR Does this Action Apply to?

Affected entities: Entities potentially affected by this action are persons engaged in selling, purchasing, or leasing certain residential dwellings built before 1978 or who are real estate agents representing such parties.

Title: Residential Lead-Based Paint Hazard Disclosure Requirements.

ICR numbers: EPA ICR No. 1710.05, OMB Control No. 2070-0151.

ICR status: This ICR is currently scheduled to expire on November 30, 2007. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations in title 40

of the CFR, after appearing in the **Federal Register** when approved, are listed in 40 CFR part 9, are displayed either by publication in the **Federal Register** or by other appropriate means, such as on the related collection instrument or form, if applicable. The display of OMB control numbers in certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4852d) requires that sellers and lessors of most residential housing built before 1978 disclose known information on the presence of lead-based paint and lead-based paint hazards, and provide an EPA-approved pamphlet to purchasers and renters before selling or leasing the housing. Sellers of pre-1978 housing are also required to provide prospective purchasers with 10 days to conduct an inspection or risk assessment for lead-based paint hazards before obligating purchasers under contracts to purchase the property. The rule does not apply to rental housing that has been found to be free of lead-based paint, zero-bedroom dwellings, housing for the elderly, housing for the handicapped, or short-term leases. The affected parties and the information collection-related requirements related to each are described below:

1. *Sellers of pre-1978 residential housing.* Sellers of pre-1978 housing must attach certain notification and disclosure language to their sales/leasing contracts. The attachment lists the information disclosed and acknowledges compliance by the seller, purchaser, and any agents involved in the transaction.

2. *Lessors of pre-1978 residential housing.* Lessors of pre-1978 housing must attach notification and disclosure language to their leasing contracts. The attachment, which lists the information disclosed and acknowledges compliance with all elements of the rule, must be signed by the lessor, lessee, and any agents acting on their behalf. Agents and lessees must retain the information for 3 years from the completion of the transaction.

3. *Agents acting on behalf of sellers or lessors.* Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992 specifically directs EPA and the Department of Housing and Urban Development (HUD) to require agents acting on behalf of sellers or lessors to ensure compliance with the disclosure regulations.

Responses to the collection of information are mandatory (see 40 CFR part 745, Subpart F, and 24 CFR part 35, Subpart H). Respondents may claim all

or part of a notice confidential. EPA will disclose information that is covered by a claim of confidentiality only to the extent permitted by, and in accordance with, the procedures in TSCA section 14 and 40 CFR part 2.

Burden statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 0.18 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal Agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

The ICR provides a detailed explanation of this estimate, which is only briefly summarized here:

Estimated total number of potential respondents: 42,021,000.

Frequency of response: On occasion.

Estimated total average number of responses for each respondent: 1.

Estimated total annual burden hours: 7,744,616 hours.

Estimated total annual costs: \$136,475,304. This includes an estimated burden cost of \$136,475,304 and an estimated cost of \$0 for capital investment or maintenance and operational costs.

IV. Are There Changes in the Estimates from the Last Approval?

There is a decrease of 1,110,994 hours (from 8,855,610 hours to 7,744,616 hours) in the total estimated respondent burden compared with that currently in the OMB inventory. This decrease reflects the gradually declining share of target housing in the nation's housing stock. The decrease is an adjustment.

V. What is the Next Step in the Process for this ICR?

EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval pursuant to 5 CFR 1320.12. EPA will issue another **Federal Register** notice pursuant to 5 CFR 1320.5(a)(1)(iv) to announce the

submission of the ICR to OMB and the opportunity to submit additional comments to OMB. If you have any questions about this ICR or the approval process, please contact the technical person listed under **FOR FURTHER INFORMATION CONTACT**.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-8287-1]

Science Advisory Board Staff Office, Request for Nominations for Review of Multi-Agency Radiation Survey and Assessment of Materials and Equipment Manual (MARSAME)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) Staff Office is requesting nominations to augment expertise to the SAB's Radiation Advisory Committee (RAC) to review the December 2006 draft of the Multi-Agency Radiation Survey and Assessment of Materials and Equipment Manual (MARSAME), which is a supplement to the Multi-Agency Radiation Survey and Site Assessment Manual (MARSSIM). MARSAME provides information on planning, conducting, evaluating, and documenting radiological disposition surveys for the assessment of materials and equipment.

DATES: Nominations should be submitted by April 3, 2007 per the instructions below.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information regarding this Request for Nominations may contact Dr. K. Jack Kooyoomjian, Designated Federal Officer (DFO), via telephone/voice mail at (202) 343-9984; via e-mail at kooyoomjian.jack@epa.gov or at the U.S. EPA Science Advisory Board (1400F), 1200 Pennsylvania Ave., NW., Washington, DC 20460. General information about the SAB can be found in the SAB Web site at <http://www.epa.gov/sab>. The EPA technical contact for this review is Dr. Mary E. Clark, who may be contacted via

telephone at (202) 343-9348 or by e-mail at clark.marye@epa.gov.

SUPPLEMENTARY INFORMATION:

Background: The December 2006 draft Multi-Agency Radiation Survey and Assessment of Materials and Equipment Manual (MARSAME) is a supplement to the Multi-Agency Radiation Survey and Site Assessment Manual (MARSSIM) (EPA 402-R-970-016, Rev. 1, August 2000 and June 2001 update). The scope of MARSSIM was limited to surface soils and building surfaces. The MARSAME supplement addresses materials and equipment (M&E) potentially affected by radioactivity, including metals, concrete, tools, equipment, piping, conduit, furniture and dispersible bulk materials such as trash, rubble, roofing materials, and sludge. M&E may be containers and packages in general commerce or from licensed radioactivity users. The wide variety of M&E requires additional flexibility in the survey process, and this flexibility is incorporated into MARSAME.

The MARSAME draft document has been developed collaboratively by four Federal agencies having authority and control over radioactive materials: the Department of Defense (DOD), Department of Energy (DOE), Environmental Protection Agency (EPA), and the Nuclear Regulatory Commission (NRC). MARSAME encourages an effective use of resources, and when finalized, will be a multi-agency consensus document. MARSAME was developed collaboratively by the MARSSIM Work Group over the past five years by technical staff of the four Federal agencies having authority for control of radioactive materials (60 FR 12555; March 7, 1995).

The EPA's Science Advisory Board (SAB) previously provided advice on MARSAME (EPA-SAB-RAC-CON-03-002, dated Feb 27, 2003); EPA-SAB-RAC-CON-04-001, dated February 9, 2004); MARSSIM (EPA-SAB-RAC-97-008, dated September 30, 1997), and MARLAP (Multi-Agency Radiological Laboratory Analytical Protocols), (EPA-SAB-RAC-03-009, dated June 10, 2003). On behalf of the four participating Federal agencies, EPA's Office of Radiation and Indoor Air (ORIA) is requesting that the SAB peer review the draft MARSAME manual dated December, 2006. The aforementioned SAB reports may be found on the SAB's Web site (<http://www.epa.gov/sab> in the reports listings). Relevant background information on MARSAME can be found at <http://www.marsame.org>. The draft

MARSAME manual may be found at <http://epa.gov/radiation/marssim/publicpreview.htm#obtain>.

The SAB is requesting nominations for potential panelists to provide comments on the MARSAME draft manual. The Panel will review the technical acceptability of the MARSAME approach for environmental radiological surveys, appropriate disposition of M&E to contain radionuclide concentrations or radioactivity above background, the technical acceptability of the statistical methodology, and the adequacy of procedures for determining measurement uncertainty, detectability, and quantifiability.

Request for Nominations: The SAB Staff Office is requesting nominations to augment expertise to the Radiation Advisory Committee (RAC) to review the MARSAME draft manual. The augmented RAC will provide advice through the chartered SAB, and will comply with the provisions of the Federal Advisory Committee Act (FACA) and all appropriate SAB procedural policies. To supplement expertise on the RAC, the SAB Staff Office is seeking individuals with nationally recognized radiation expertise and knowledge of the MARSAME topic such that the entire Panel will possess expertise and knowledge in the following areas in a materials and equipment (M&E) setting:

- (1) Statistics applicable to radiological surveys of M&E;
- (2) Radioactive waste management with emphasis on after market materials recycling, decommissioning/cleanup of radiation sites, and facilities operations experience at large as well as small radiological sites;
- (3) Instrumentation for radiation detection with emphasis on Measurement Quality Objectives (MQOs) as well as scan-only and in-situ survey techniques and instrumentation;
- (4) Radiation data management with emphasis on Data Quality Assessment (DQA) and Data Quality Objective (DQO) protocols; and
- (5) General radiation health safety and worker protection specializing in facility operation safety, clean-up, and decommissioning a large site or facility (e.g., a nuclear waste storage facility or a nuclear power plant).

Process and Deadline for Submitting Nominations: Any interested person or organization may nominate qualified individuals to add expertise to the Radiation Advisory Committee (RAC) in the areas of expertise described above. Nominations should be submitted in electronic format through the SAB Web site at the following URL: <http://www.epa.gov/sab>; or directly via the

Form for Nominating Individuals to Panels of the EPA Science Advisory Board link found at URL: <http://www.epa.gov/sab/panels/paneltopics.html>. Please follow the instructions for submitting nominations carefully. To be considered, nominations should include all of the information required on the associated forms. Anyone unable to submit nominations using the electronic form and who has any questions concerning the nomination process may contact Dr. K. Jack Kooyoomjian, DFO, as indicated above in this notice. Nominations should be submitted in time to arrive no later than April 3, 2007.

For nominees to be considered, please include: Contact information; a curriculum vitae; a biosketch of no more than two paragraphs (containing information on the nominee's current position, educational background, areas of expertise and research activities, service on other advisory committees and professional societies; the candidate's special expertise related to the panel being formed; and sources of recent grant and/or contract support).

The EPA SAB Staff Office will acknowledge receipt of nominations. The names and biosketches of qualified nominees identified by respondents to the **Federal Register** notice and additional experts identified by the SAB Staff will be posted on the SAB Web site at: <http://www.epa.gov/sab>. Public comments on this "Short List" of candidates will be accepted for 21 calendar days. The public will be requested to provide relevant information or other documentation on nominees that the SAB Staff Office should consider in evaluating candidates.

For the EPA SAB Staff Office, a balanced subcommittee or review panel includes candidates who possess the necessary domains of knowledge, the relevant scientific perspectives (which, among other factors, can be influenced by work history and affiliation), and the collective breadth of experience to adequately address the charge. In establishing the final Radiation Advisory Committee (RAC), the SAB Staff Office will consider public comments on the "Short List" of candidates, information provided by the candidates themselves, and background information independently gathered by the SAB Staff Office. Specific criteria to be used for Panel membership include: (a) Scientific and/or technical expertise, knowledge, and experience (primary factors); (b) availability and willingness to serve; (c) absence of financial conflicts of interest; (d) absence of an

appearance of a lack of impartiality; and (e) skills working in committees, subcommittees and advisory panels; and, for the Panel as a whole, (f) diversity of, and balance among, scientific expertise, viewpoints, *etc.*

The SAB Staff Office's evaluation of an absence of financial conflicts of interest will include a review of the "Confidential Financial Disclosure Form for Special Government Employees Serving on Federal Advisory Committees at the U.S. Environmental Protection Agency" (EPA Form 3110-48). This confidential form allows Government officials to determine whether there is a statutory conflict between that person's public responsibilities (which includes membership on an EPA Federal advisory committee) and private interests and activities, or the appearance of a lack of impartiality, as defined by Federal regulation. The form may be viewed and downloaded from the following URL address: <http://www.epa.gov/sab/pdf/epaform3110-48.pdf>.

The approved policy under which the EPA SAB Office selects subcommittees and review panels is described in the following document: Overview of the Panel Formation Process at the Environmental Protection Agency Science Advisory Board (EPA-SAB-EC-02-010), which is posted on the SAB Web site at: <http://www.epa.gov/sab/pdf/ec02010.pdf>.

Dated: March 5, 2007.

Anthony F. Maciorowski,

Deputy Director, EPA Science Advisory Board Staff Office.

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-ORD-2006-0998; FRL-8287-2]

Human Studies Review Board (HSRB); Notification of a Public Teleconference To Review Its Draft Report From the January 24, 2007 HSRB Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Human Studies Review Board (HSRB) announces a public teleconference meeting to discuss its draft HSRB report from the January 24, 2007 HSRB meeting.

DATES: The teleconference will be held on April 10, 2007, from 1 to approximately 3 p.m. (Eastern Time).

Location: The meeting will take place via telephone only.

Meeting Access: For information on access or services for individuals with disabilities, please contact the DFO at least 10 business days prior to the meeting using the information under **FOR FURTHER INFORMATION CONTACT**, so that appropriate arrangements can be made.

Procedures for Providing Public Input: Interested members of the public may submit relevant written or oral comments for the HSRB to consider during the advisory process. Additional information concerning submission of relevant written or oral comments is provided in Unit I.D. of this notice.

FOR FURTHER INFORMATION CONTACT: Members of the public who wish to obtain the call-in number and access code to participate in the telephone conference, request a current draft copy of the Board's report or who wish further information may contact Lu-Ann Kleibacker, EPA, Office of the Science Advisor, (8105R), Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; or via telephone/voice mail at (202) 564-7189. General information concerning the EPA HSRB can be found on the EPA Web site at <http://www.epa.gov/osa/hsrb/>.

ADDRESSES: Submit your written comments, identified by Docket ID No. EPA-HQ-ORD-2006-0998, by one of the following methods: <http://www.regulations.gov>: Follow the on-line instructions for submitting comments.

E-mail: ORD.Docket@epa.gov.

Mail: ORD Docket, Environmental Protection Agency, Mailcode: 28221T, 1200 Pennsylvania Ave., NW., Washington, DC 20460.

Hand Delivery: EPA Docket Center (EPA/DC), Public Reading Room, Infoterra Room (Room Number 3334), EPA West Building, 1301 Constitution Avenue, NW., Washington, DC 20460, Attention Docket ID No. EPA-ORD-2006-0998. Deliveries are only accepted from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. Special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to Docket ID No. EPA-HQ-ORD-2006-0998. EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information

whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov> or e-mail. The <http://www.regulations.gov> Web site is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA, without going through <http://www.regulations.gov>, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

I. Public Meeting

A. Does This Action Apply to Me?

This action is directed to the public in general. This action may, however, be of interest to persons who conduct or assess human studies, especially studies on substances regulated by EPA, or to persons who are or may be required to conduct testing of chemical substances under the Federal Food, Drug, and Cosmetic Act (FFDCA) or the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Access Electronic Copies of This Document and Other Related Information?

In addition to using [regulations.gov](http://www.regulations.gov), you may access this **Federal Register** document electronically through the EPA Internet under the "Federal Register" listings at <http://www.epa.gov/fedrgstr/>.

Docket: All documents in the docket are listed in the <http://www.regulations.gov> index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is

restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available either electronically in <http://www.regulations.gov> or in hard copy at the ORD Docket, EPA/DC, Public Reading Room, Infoterra Room (Room Number 3334), EPA West Building, 1301 Constitution Ave., NW., Washington, DC. The Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566-1744, and the telephone number for the ORD Docket is (202) 566-1752.

The January 24, 2007 HSRB meeting draft report is now available. You may obtain electronic copies of this document, and certain other related documents that might be available electronically, from the regulations.gov Web site and the HSRB Internet Home Page at <http://www.epa.gov/osa/hsrb/>. For questions on document availability or if you do not have access to the Internet, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

C. What Should I Consider as I Prepare My Comments for EPA?

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. Provide specific examples to illustrate your concerns.
5. To ensure proper receipt by EPA, be sure to identify the docket ID number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

D. How May I Participate in This Meeting?

You may participate in this meeting by following the instructions in this section. To ensure proper receipt by EPA, it is imperative that you identify docket ID number EPA-HQ-ORD-2006-0998 in the subject line on the first page of your request.

1. *Oral comments.* Requests to present oral comments will be accepted up to April 3, 2007. To the extent that time permits, interested persons who have not pre-registered may be permitted by the Chair of the HSRB to present oral comments at the meeting. Each individual or group wishing to make

brief oral comments to the HSRB is strongly advised to submit their request (preferably via e-mail) to the person listed under **FOR FURTHER INFORMATION CONTACT** no later than noon, eastern time, April 3, 2007, in order to be included on the meeting agenda and to provide sufficient time for the HSRB Chair and HSRB DFO to review the meeting agenda to provide an appropriate public comment period. The request should identify the name of the individual making the presentation and the organization (if any) the individual will represent. Oral comments before the HSRB are limited to 5 minutes per individual or organization. Please note that this includes all individuals appearing either as part of, or on behalf of an organization. While it is our intent to hear a full range of oral comments on the science and ethics issues under discussion, it is not our intent to permit organizations to expand these time limitations by having numerous individuals sign up separately to speak on their behalf. If additional time is available, there may be flexibility in time for public comments.

2. *Written comments.* Although you may submit written comments at any time, for the HSRB to have the best opportunity to review and consider your comments as it deliberates on its report, you should submit your comments at least 5 business days prior to the beginning of this teleconference. If you submit comments after this date, those comments will be provided to the Board members, but you should recognize that the Board members may not have adequate time to consider those comments prior to making a decision. Thus, if you plan to submit written comments, the Agency strongly encourages you to submit such comments no later than noon, Eastern Time, April 3, 2007. You should submit your comments using the instructions in Unit 1.C. of this notice. In addition, the Agency also requests that person(s) submitting comments directly to the docket also provide a copy of their comments to the person listed under **FOR FURTHER INFORMATION CONTACT**. There is no limit on the length of written comments for consideration by the HSRB.

E. Background

The EPA Human Studies Review Board will be reviewing its draft report from the January 24, 2007 HSRB meeting. Background on the January 24, 2007 HSRB meeting can be found at **Federal Register** 71 249, 78200 (December 28, 2006) and at the HSRB Web site <http://www.epa.gov/osa/hsrb/>.

The Board may also discuss planning for future HSRB meetings.

Dated: March 7, 2007.

George Gray,

EPA Science Advisor.

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[FRL-8286-9]

Science Advisory Board Staff Office; Notification of Multiple Public Teleconferences of the Science Advisory Board Hypoxia Advisory Panel

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA's Science Advisory Board (SAB) Staff Office is announcing three public teleconferences of the SAB Hypoxia Advisory Panel and its subgroups to discuss its draft advisory working report concerning the hypoxic zone in the Gulf of Mexico.

DATES: The dates for the three teleconferences are:

(1) SAB Hypoxia Advisory Panel Subgroup 1 Characterization of the Causes Hypoxia Teleconference—April 2, 2007 from 9 a.m. to 12 p.m. Eastern Time;

(2) SAB Hypoxia Advisory Panel Subgroup 2 Characterization of Nutrient Fate, Transport, and Sources, and Subgroup 3 Scientific Basis for Goals and Management Options Teleconference—April 16, 2007 from 1 p.m. to 4 p.m. Eastern Time; and

(3) SAB Hypoxia Advisory Panel Teleconference—May 7, 2007 from 1 p.m. to 4 p.m. Eastern Time.

FOR FURTHER INFORMATION CONTACT: Members of the public who wish to obtain the teleconference call-in numbers and access codes to participate in the teleconferences may contact the following individuals.

(1) For the SAB Hypoxia Advisory Panel Subgroup 1—Characterization of the Causes of Hypoxia teleconference, contact Dr. Thomas Armitage, Designated Federal Officer (DFO), by telephone at (202) 343-9995, fax at (202) 233-0643, or e-mail at armitage.thomas@epa.gov.

(2) For the SAB Hypoxia Advisory Panel Subgroup 2—Characterization of Nutrient Fate, Transport, and Sources, and Subgroup 3—Scientific Basis for Goals and Management Options teleconference, contact Mr. David Wangness, DFO for Subgroup 2, by

telephone at (202) 343-9975, fax at (202) 233-0643, or e-mail at wangsness.david@epa.gov, or Dr. Holly Stallworth, DFO for Subgroup 3, by telephone at (202) 343-9867, fax at (202) 233-0643, or e-mail at stallworth.holly@epa.gov.

(3) Any member of the public wishing further information regarding the SAB Hypoxia Advisory Panel teleconference may contact Dr. Holly Stallworth, DFO, U.S. EPA Science Advisory Board Staff Office by telephone/voice mail at (202) 343-9867, or e-mail at stallworth.holly@epa.gov.

The SAB mailing address is: U.S. EPA, Science Advisory Board (1400F), 1200 Pennsylvania Avenue, NW., Washington, DC 20460. General information about the SAB, as well as any updates concerning the teleconferences announced in this notice, may be found in the SAB Web site at: <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the SAB Hypoxia Advisory Panel will hold three teleconferences to discuss issues and recommendations for its draft advisory working report that details advances in the state of the science regarding hypoxia in the Northern Gulf of Mexico. The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice to the Administrator on the technical basis for Agency positions and regulations. The SAB is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App. The SAB will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

Background: EPA participates with other Federal agencies, states and tribes in the Mississippi River/Gulf of Mexico Watershed Nutrient Task Force. In 2001, the Task Force released the Action Plan for Reducing, Mitigating and Controlling Hypoxia in the Northern Gulf of Mexico (or Action Plan available at <http://www.epa.gov/msbasin/taskforce/actionplan.htm>). The Action Plan was informed by the science described in An Integrated Assessment of Hypoxia in the Northern Gulf of Mexico (or Integrated Assessment available at http://www.noaa.gov/products/hypox_finalfront.pdf) developed by the National Science and Technology Council, Committee on Environment and Natural Resources. Six technical reports provided the scientific foundation for the Integrated Assessment and are available at <http://www.nos.noaa.gov/products/>

pub_hypox.html. The aforementioned documents provide a comprehensive summary of the state-of-the-science for the Gulf of Mexico hypoxic zone through about the year 2000. EPA's Office of Water has requested that the SAB develop a report that evaluates the state-of-the-science regarding the causes and extent of hypoxia in the Gulf of Mexico, as well as the scientific basis of possible management options in the Mississippi River Basin.

In response to EPA's request, the SAB Staff Office formed the SAB Hypoxia Advisory Panel. Background on the Panel formation process was provided in a **Federal Register** notice published on February 17, 2006 (71 FR 8578-8580). The SAB Hypoxia Advisory Panel met on September 6-7, 2006 (noticed in 71 FR 45543-45544), December 6-8, 2006 (noticed in 71 FR 66329-66330), and again on February 28-March 1, 2007 (noticed in 72 FR 5968-5969). Teleconferences of the full Hypoxia Advisory Panel and its three subgroups were also published in **Federal Register** Notices (71 FR 55786-55787, 71 FR 59107 and 71 FR 77743-77744). Information about the SAB Hypoxia Advisory Panel is available on the SAB Web site at: <http://www.epa.gov/sab>.

Availability of Meeting Materials: Agendas for the teleconferences will be placed on the SAB Web site at: <http://www.epa.gov/sab> in advance.

Procedures for Providing Public Input: The SAB Staff Office accepts written public statements of any length, and accommodates oral public statements whenever possible. The SAB Staff Office expects that public statements presented at SAB meetings will not repeat previously submitted oral or written statements. **Oral Statements:** In general, individuals or groups requesting an oral presentation at a teleconference meeting will usually be limited to three minutes per speaker with no more than a total of fifteen minutes for all speakers. Interested parties should contact the appropriate DFO at the contact information provided above in writing via e-mail at least 10 days prior to the scheduled teleconference to be placed on the public speaker list for the teleconference. Speakers should provide an electronic copy of their statements to the DFO for distribution to interested parties and participants in the meeting. **Written Statements:** Written statements should be received in the SAB Staff Office at least seven days before the scheduled teleconferences so that the statements may be made available to the Panel for their consideration. Statements should be supplied to the appropriate DFO at the address and

contact information provided above in the following formats: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: Adobe Acrobat, WordPerfect, Word, or Rich Text files in IBM-PC/Windows 98/2000/XP format).

Meeting Accommodations:

Individuals requiring special accommodation to access the teleconferences should contact the appropriate DFO at the phone number or e-mail address noted above at least five business days prior to the meeting so that appropriate arrangements can be made.

Dated: March 7, 2007.

Anthony F. Maciorowski,

Deputy Director, EPA Science Advisory Board Staff Office.

[FR Doc. E7-4532 Filed 3-12-07; 8:45 am]

BILLING CODE 6560-50-P

FEDERAL DEPOSIT INSURANCE CORPORATION

FDIC Advisory Committee on Economic Inclusion (Come-IN); Notice of Meeting

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice of open meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act, notice is hereby given of a meeting of the FDIC Advisory Committee on Economic Inclusion, which will be held in Washington, DC. The Advisory Committee will provide advice and recommendations on initiatives to expand access to banking services by underserved populations.

DATES: Wednesday, March 28, 2007, from 8:30 a.m. to 4 p.m.

ADDRESSES: The meeting will be held in the FDIC Executive Dining Room on the seventh floor of the FDIC Building located at 550 17th Street, NW., Washington, DC.

FOR FURTHER INFORMATION CONTACT:

Requests for further information concerning the meeting may be directed to Mr. Robert E. Feldman, Committee Management Officer of the FDIC, at (202) 898-7043.

SUPPLEMENTARY INFORMATION:

Agenda: The agenda will be focused on affordable small dollar loan products. The agenda may be subject to change. Any changes to the agenda will be announced at the beginning of the meeting.

Type of Meeting: The meeting will be open to the public, limited only by the space available on a first-come, first-

served basis. For security reasons, members of the public will be subject to security screening procedures and must present a valid photo identification to enter the building. The FDIC will provide attendees with auxiliary aids (e.g., sign language interpretation) required for this meeting. Those attendees needing such assistance should call (703) 562-6067 (Voice or TTY) at least two days before the meeting to make necessary arrangements. Written statements may be filed with the committee before or after the meeting.

Dated: March 8, 2007.

Federal Deposit Insurance Corporation.

Robert E. Feldman,

Committee Management Officer.

BILLING CODE 6714-01-P

FEDERAL RESERVE SYSTEM

Change in Bank Control Notices; Acquisition of Shares of Bank or Bank Holding Companies

The notificants listed below have applied under the Change in Bank Control Act (12 U.S.C. 1817(j)) and § 225.41 of the Board's Regulation Y (12 CFR 225.41) to acquire a bank or bank holding company. The factors that are considered in acting on the notices are set forth in paragraph 7 of the Act (12 U.S.C. 1817(j)(7)).

The notices are available for immediate inspection at the Federal Reserve Bank indicated. The notices also will be available for inspection at the office of the Board of Governors. Interested persons may express their views in writing to the Reserve Bank indicated for that notice or to the offices of the Board of Governors. Comments must be received not later than March 27, 2007.

A. Federal Reserve Bank of Kansas City (Donna J. Ward, Assistant Vice President) 925 Grand Avenue, Kansas City, Missouri 64198-0001:

1. *Tyson Aaron Rucker*, Eureka, Kansas, and *Bradley Dean Rucker*, Wichita, Kansas; to become members of a group acting in concert to acquire voting shares of Greenwood County Financial Services, Inc., Eureka, Kansas, and thereby indirectly acquire voting shares of Home Bank and Trust Company, Eureka, Kansas.

Board of Governors of the Federal Reserve System, March 7, 2007.

Robert deV. Frierson,

Deputy Secretary of the Board.

FEDERAL RESERVE SYSTEM

Sunshine Act Meeting

AGENCY HOLDING THE MEETING: Board of Governors of the Federal Reserve System.

TIME AND DATE: 12 p.m., Monday, March 19, 2007.

PLACE: Marriner S. Eccles Federal Reserve Board Building, 20th and C Streets, NW., Washington, D.C. 20551.

STATUS: Closed.

MATTERS TO BE CONSIDERED:

1. Personnel actions (appointments, promotions, assignments, reassignments, and salary actions) involving individual Federal Reserve System employees.

2. Any items carried forward from a previously announced meeting.

FOR FURTHER INFORMATION CONTACT:

Michelle Smith, Director, or Dave Skidmore, Assistant to the Board, Office of Board Members at 202-452-2955.

SUPPLEMENTARY INFORMATION: You may call 202-452-3206 beginning at approximately 5 p.m. two business days before the meeting for a recorded

announcement of bank and bank holding company applications scheduled for the meeting; or you may contact the Board's Web site at <http://www.federalreserve.gov> for an electronic announcement that not only lists applications, but also indicates procedural and other information about the meeting.

Board of Governors of the Federal Reserve System, March 9, 2007.

Robert deV. Frierson,

Deputy Secretary of the Board.

[FR Doc. 07-1201 Filed 3-9-07; 2:38 pm]

BILLING CODE 6210-01-S

FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

BILLING CODE 6750-01-M

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Disease, Disability, and Injury Prevention and Control Special Emphasis Panel (SEP): Thrombosis and Hemostasis Centers Research and Prevention Network, Request for Applications (RFA) DD07-004 and RFA DD07-005

In accordance with Section 10(a)(2) of
the Federal Advisory Committee Act
(Pub. L. 92-463), the Centers for Disease
Control and Prevention (CDC)

announces the following meeting of the
aforementioned SEP:

Time and Date: 12 p.m.–4 p.m., May 3,
2007 (Closed).

Place: Teleconference.

Status: The meeting will be closed to the
public in accordance with provisions set
forth in Section 552b(c)(4) and (6), Title 5
U.S.C., and the Determination of the Director,
Management Analysis and Services Office,
CDC, pursuant to Public Law 92-463.

Matters to be Discussed: The meeting will
include the review, discussion, and
evaluation of scientific merit of grant
applications received in response to RFAs
DD07-004 and DD07-005, "Thrombosis and
Hemostasis Centers Research and Prevention
Network."

For Further Information Contact: Christine Morrison, Ph.D., Scientific Review Administrator, Centers for Disease Control and Prevention, 1600 Clifton Road NE., Mailstop D72, Atlanta, GA 30333, Telephone 404.639.3098.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both CDC and the Agency for Toxic Substances and Disease Registry.

Elaine L. Baker,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

Notice of Annual Meeting

The National Center for Environmental Health (NCEH) of the Centers for Disease Control and Prevention (CDC) Vessel Sanitation Program (VSP) announces the following meeting:

Name: Vessel Sanitation Program: Current Program Status and Experience to Date with Program Operations.

Time and Date: 9 a.m. to 4 p.m., April 17, 2007.

Location: Auditorium, Port Everglades Administration Building, 1850 Eller Drive, Ft. Lauderdale, Florida 33316.

Status: Open to the public, limited by the space available. The meeting room accommodates approximately 100 people.

Meeting Objectives: CDC staff, cruise ship industry representatives, private sanitation consultants, and other interested parties will meet to discuss the current status of the Vessel Sanitation Program and experience to date.

Topics to be discussed include but are not limited to the following:

- 2006 Program Review,
- Updates to the Vessel Sanitation Program Operations Manual 2005,
- Updates to the Vessel Sanitation Program Construction Guidelines 2005, and
- Updates on cruise ship outbreaks and Norovirus.

The official record of this meeting will remain open for a period of 15 days following the meeting (through May 1, 2007) so that additional materials or comments may be submitted and made part of the record of the meeting.

Advanced registration is encouraged. Please provide the following information: Name, title, company name, mailing address, telephone number, facsimile number, and e-mail address to Lisa Beaumier at 770-488-7138, FAX 770-488-4127, or lbeaumier@cdc.gov.

If you need additional information, please contact Lisa Beaumier (see contact information above).

Dated: March 5, 2007.

James D. Seligman,

Chief Information Officer, Centers for Disease Control and Prevention.

Food and Drug Administration

[Docket No. 2006D-0079]

Draft Final Guidance for Industry: Guide to Minimize Food Safety Hazards for Fresh-Cut Fruits and Vegetables; Availability; Agency Information Collection Activities; Submission for Office of Management and Budget Review; Comment Request

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing the availability of a draft final guidance document entitled "Guidance for Industry: Guide to Minimize Microbial Food Safety Hazards of Fresh-Cut Fruits and Vegetables" (the draft final fresh-cut guidance). This document complements FDA's Current Good Manufacturing Practice (CGMP) requirements for foods by providing specific guidance on the processing of fresh-cut produce. The draft final fresh-cut guidance and the CGMP regulations are intended to assist processors in minimizing microbial food safety hazards common to the processing of most fresh-cut fruits and vegetables sold to consumers and retail establishments in a ready-to-eat form. FDA also is announcing that a proposed collection of information has been submitted to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995 (the PRA).

DATES: Submit written or electronic comments on the guidance at any time. Fax written comments on the collection of information by April 12, 2007.

ADDRESSES: To ensure that comments on the information collection are received, OMB recommends that written comments be faxed to the Office of Information and Regulatory Affairs, OMB, Attn: FDA Desk Officer, FAX: 202-395-6974. Submit written requests for single copies of the draft final guidance entitled: "Guidance for Industry: Guide to Minimize Microbial Food Safety Hazards for Fresh-Cut Fruits and Vegetables" to the Center for Food Safety and Applied Nutrition, Office of Plant and Dairy Foods (HFS-306), 5100 Paint Branch Pkwy., College Park, MD 20740, 301-436-1400 or FAX: 301-436-2651. Include a self-addressed adhesive label to assist that office in processing your request.

Submit written comments on the draft final guidance, identified with Docket

No. 2006D-0079, to the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852. Submit electronic comments to <http://www.fda.gov/dockets/ecomments>. See the **SUPPLEMENTARY INFORMATION** section for electronic access to the guidance. A copy of the draft final guidance is available for public examination in the Division of Dockets Management, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852, between 9 a.m. and 4 p.m., Monday through Friday. Persons with access to the Internet may obtain the draft final guidance at <http://www.cfsan.fda.gov/~dms/guidance.html>.

FOR FURTHER INFORMATION CONTACT:

With regard to the information collection: Jonna Capezzuto, Office of the Chief Information Officer (HFA-250), Food and Drug Administration, 5600 Fishers Lane, Rockville, MD 20857, 301-827-4659.

With regard to the draft final guidance document: Amy Green, Center for Food Safety and Applied Nutrition (HFS-306), Food and Drug Administration, 5100 Paint Branch Pkwy., College Park, MD 20740, 301-436-2025 or FAX: 301-436-2651, e-mail: amy.green@fda.hhs.gov.

SUPPLEMENTARY INFORMATION:

I. Background

Fresh-cut fruits and vegetables are minimally processed fruits and vegetables that have been altered in form by peeling, slicing, chopping, shredding, coring, or trimming, with or without washing or other treatment, prior to being packaged for use by the consumer or a retail establishment. The methods by which produce is grown, harvested, and processed may contribute to its contamination with pathogens and, consequently, the role of the produce in transmitting foodborne illness. Factors such as the high degree of handling and mixing of the product, the release of cellular fluids during cutting or chopping, the high moisture content of the product, the absence of a step lethal to pathogens, and the potential for temperature abuse in the processing, storage, transport, and retail display all enhance the potential for pathogens to survive and grow in fresh-cut produce.

With this notice, FDA is announcing the availability of the draft final fresh-cut guidance. The draft final fresh-cut guidance is intended to assist processors in minimizing microbial food safety hazards common to the processing of

most fresh-cut fruits and vegetables sold to consumers in a ready-to-eat form. The draft final guidance was revised based on public comments. This draft final guidance represents FDA's current thinking on the microbiological hazards presented by most fresh-cut fruits and vegetables and the recommended control measures for such hazards in the processing of such produce. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. You may use an alternative approach if such approach satisfies the requirements of the applicable statutes and regulations. If you want to discuss an alternative approach, contact the FDA staff responsible for implementing this guidance (see **FOR FURTHER INFORMATION CONTACT**).

II. Paperwork Reduction Act of 1995

This draft final guidance contains information collection provisions that are subject to review by the OMB under the PRA (44 U.S.C 3501-3520). Under the PRA, Federal agencies must obtain approval from OMB for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. To comply with this requirement, in the **Federal Register** of March 6, 2006 (71 FR 11209), FDA gave interested persons 60 days to comment on the information collection provisions in the draft guidance. FDA received a number of comments on the draft guidance but received no comments regarding the information collection provisions.

After publishing the 60-day notice requesting public comment, section 3507 of the PRA (44 U.S.C. 3507) requires Federal agencies to submit the proposed collection to OMB for review and clearance. In compliance with 44 U.S.C. 3507, FDA has submitted the following proposed collection of information to OMB for review and clearance. FDA will not finalize this guidance unless and until OMB approves the collection of information. If the collection is approved, FDA will publish a notice in the **Federal Register** announcing that the guidance is final and providing an OMB control number.

Draft Final Guidance for Industry: Guide to Minimize Food Safety Hazards for Fresh-Cut Fruits and Vegetables

Description: The Federal Food, Drug, and Cosmetic Act (the act) prohibits the distribution of adulterated food in interstate commerce (21 U.S.C. 331 and 342). In response to the increased consumption of fresh-cut fruits and vegetables and the potential for foodborne illness associated with these products, FDA recognizes the need for guidance specific to the processing of fresh-cut fruits and vegetables. Accordingly, FDA encourages fresh-cut produce processors to adopt the general recommendations in the guidance and to tailor practices to their individual operations.

FDA's draft final fresh-cut guidance represents the agency's recommendations to industry based on the current state of science. Following the recommendations set forth in the fresh-cut guidance is the choice of each individual fresh-cut operation, plant, or processor. FDA estimates the burden of this guidance on industry by assuming that those in the fresh-cut industry who do not currently follow the recommendations put forth in the guidance will find it of value to do so. Therefore, the estimates of the burden associated with the issuance of this guidance represent the upper bound estimate of burden, the burden if every fresh-cut plant, processor, or operation that does not follow the recommendations of the guidance should choose to do so.

A. Industry Profile

Estimates of the paperwork burden to the fresh-cut industry that may result from the publication of FDA's draft final fresh-cut guidance are based on information from FDA's relationship with a fresh-cut processor who has developed and maintained these programs and information from a fresh-cut produce industry trade association. Because of the small number of fresh-cut processors, the agency is able to extrapolate data from industry programs to calculate the total estimated upper bound burdens that may result from the issuance of this draft final fresh-cut guidance (see table 1 of this document).

The burden to industry of developing and maintaining the activities recommended in FDA's draft final fresh-cut guidance will vary considerably among fresh-cut processors, depending on the type and number of products involved, the sophistication of the equipment or instruments (e.g., those that automatically monitor and record food safety controls), and the type of

controls monitored under any individual preventive control program, such as critical control points (CCPs) monitored under a hazard analysis and critical control point (HACCP) program.

Currently, the fresh-cut trade association estimates that there are 250 fresh-cut plants in operation in the United States. While most of the recent growth in the fresh-cut industry has been due to mergers between already existing firms, there are approximately 50 fresh-cut plants that did not exist in 2001. This implies that about 10 new firms are entering the fresh-cut industry each year. Many of the existing firms in the fresh-cut industry already make use of CGMP-related, recall, HACCP, and other activities. FDA estimates that the burden of this draft final fresh-cut guidance will fall on both existing and new firms entering the industry who may follow the recommendations in the guidance.

B. SOPs and SSOPs

Two general recommendations in this draft final guidance are for operators to develop and implement both a written standard operating procedures (SOPs) plan and a written sanitary standard operation procedures (SSOPs) plan. SOPs describe in writing the performance of the day-to-day operations of a processing plant. Examples of activities that would fall under SOPs would be developing written specifications for agricultural inputs, ingredients, and packaging materials; production steps for the processing and packaging operations; instructions for packaging and storage activities; and procedures for equipment maintenance, calibration, and replacement and facility maintenance and upkeep; and maintaining SOP records on product processing and distribution activities.

SSOPs provide written instructions or procedures for sanitary practices developed for each specific sanitation activity in and around the facility. Sanitation activities include procedures for cleaning equipment, food-contact surfaces and plant facilities; chemical use and storage; cleaning equipment maintenance, use, and storage; pest control; and maintaining SSOP records for the activities. From communication with the fresh-cut industry, we know that existing fresh-cut processors already have developed SOPs and SSOPs. We therefore consider the development of SOPs and SSOPs to be "usual and customary" for manufacturers and processors in the fresh-cut industry (see 5 CFR 1320.3(b)(2)). Thus, we do not calculate

this burden for existing firms or new firms entering this industry.

FDA recommends that facilities not only develop but also maintain SOPs and SSOPs. Implementation and maintenance of SOPs and SSOPs include maintaining daily records for each of the firm's operational days for the following activities: Inspection of incoming ingredients, such as the fresh produce and packaging material; facility and production sanitation inspections; equipment maintenance, sanitation, and visual safety inspections; equipment calibration, e.g., checking pH meters; facility and premises pest control audits; temperature controls during processing and in storage areas; and audits of ingredients, food contact surfaces, and equipment for microbiological contamination.

Of the 250 fresh-cut processors, the fresh-cut trade association estimates that well over half have SOP and SSOP maintenance programs in place. Therefore, for purposes of estimating the annual recordkeeping burden for SOP and SSOP maintenance programs, the agency assumed that 40 percent of the existing processors, or 100 firms, and the 10 new firms do not have SOP and SSOP maintenance programs in place. FDA estimates the recordkeeping burden for SOP and SSOP maintenance programs by assuming that these 110 firms will choose to implement such a maintenance strategy as a result of the recommendations in this draft final fresh-cut guidance document, when finalized.

A typical fresh-cut processing plant operates about 255 days per year. For an 8-hour shift, assuming the ingredients are received twice during that time, under the recommendations in the draft final guidance, there would be about 13 records kept (2 for inspecting incoming ingredients; 2 for inspecting the facility and production areas once every 4 hours; 3 records for equipment (maintenance, sanitation, and visual inspections for defects); one for calibrating equipment; 2 temperature recording audits (1 time for each of the 2 processing runs); and 3 microbiological audits (ingredients, food contact surfaces, and equipment)). Therefore, the annual frequency of recordkeeping for SOPs and SSOPs is calculated to be 3,315 times (255×13) per year per firm; 110 firms will be performing these activities to generate a total 364,650 records ($3,315 \times 110$) annually, assuming all firms choose to follow the recommendations on keeping records.

The total time to record observations for SOP and SSOP maintenance is estimated to take 4 minutes or 0.067

hours per record, and the number of records maintained is 364,650. Therefore, the total annual burden in hours for 110 processors to maintain their SOP and SSOP records is approximately 24,432 hours. The maintenance burden for these 110 firms, along with the annual maintenance burden of audits or testing, is estimated in row 1 of table 1 of this document. Again, these figures assume that all firms choose to follow the recommendations on recording observations.

C. Recall and Traceback

We recommend that fresh-cut processors establish and maintain written traceback procedures to respond to food safety hazard problems when they arise and establish and maintain a written contingency plan for use in initiating and effecting a recall. In order to facilitate tracebacks and recalls, we recommend that processors establish a program that documents and tracks fresh-cut products back to the source of their raw ingredients, and keep records of product identity and specifications, the product in inventory, and where, when, to whom, and how much of the product is shipped.

Traceback programs are used for those times when a food safety problem has been identified or a product has been implicated in a foodborne illness outbreak. The burden to develop a traceback program is a one-time activity estimated to take approximately 20 hours. Firms in the industry may choose to begin a traceback program after this guidance is made available. The total annual estimated burden for this activity for the 250 existing fresh cut firms and the 10 new businesses expected to enter the industry annually is 5,200 hours. The burden estimate of developing a traceback program is shown in row 2 of table 1 of this document.

Traceback program adjustments or revisions may, or may not, be needed annually. Firms may test their traceback programs yearly to see if adjustments are needed to maintain traceback capabilities. Evaluating and updating traceback programs is estimated to take 40 hours to complete. The annual burden of maintaining a traceback program is estimated for the 250 existing firms in the industry plus the 10 firms new to the industry that may decide to implement this type of program. Assuming that each firm completes this exercise once a year, the total maintenance burden of traceback programs is 10,400 hours yearly. This burden estimate is shown in row 3 of table 1 of this document.

This draft final fresh-cut guidance refers to previously approved collections of information found in FDA regulations. The recommendations in this document regarding establishing and maintaining a recall plan, as provided in 21 CFR 7.59, have been approved under OMB control number 0910-0249. Therefore, FDA is not calculating a new paperwork burden for recall plans.

D. Preventative Control Program

When properly designed and maintained by the establishment's personnel, a preventive control program is a valuable program for managing the safety of food products. A common preventive control program used by the fresh-cut industry is a HACCP system. A HACCP system allows managers to assess the inherent risks and identify hazards attributable to a product or a process, and then determine the necessary steps to control the hazards. Monitoring and verification steps, which include recordkeeping, are included in the HACCP system to ensure that potential risks are controlled. We use HACCP as an example of a preventive control program that a firm may choose based on the recommendations in the draft final guidance to estimate the burden of developing, implementing, and reviewing a preventive control program.

FDA estimated the paperwork burden of developing and implementing a HACCP plan based on a plan with two CCPs. The number of CCPs may vary depending on how the processor chooses to identify the CCPs for a particular operation. Of the estimated 250 fresh-cut processors, the fresh-cut industry estimates that approximately 50 percent of the firms already have HACCP plans in place. Therefore, assuming that the remaining fresh-cut processors voluntarily decide to develop a HACCP plan, 125 existing firms plus the 10 new firms, will develop a HACCP plan.

Developing a HACCP plan is a one-time activity that is estimated to take 100 hours based on a trained HACCP team working on the plan full time. The HACCP team identifies the CCPs and measures needed to control them, and then identifies the approach needed to verify the effectiveness of the controls. During this plan development period, the firm chooses the records to be kept and information and observations to be recorded. This is a one-time process during the first year. Therefore, the total time for 135 processors to develop their individual HACCP plans is approximately 13,500 hours. This one-time burden is shown in row 4 of table 1 of this document.

After the HACCP plan is developed, the frequency for recordkeeping for

implementing or maintaining daily records is estimated to be 510 records per year. (This is based on a firm choosing to maintain daily records for 2 CCPs for one 8-hour shift per day for each of the estimated 255 operational days per year.) The total time to record observations for the CCPs was estimated to take 4 minutes or 0.067 hours per record. Therefore, the total annual records kept by the 135 firms choosing to implement the HACCP plan is 68,850, and the "Total Hours" required are 4,613. This annual burden is shown in row 5 of table 1 of this document.

After the HACCP plan has been developed and implemented, we recommend that the plan is reviewed regularly to ensure that it is working properly. Fresh-cut processors are estimated to review their HACCP plans four times per year (once per quarter). Assuming that it takes each of the 135 firms 4 hours per review each quarter, the total burden of this activity, for firms that choose to review their plans annually, is 2,160 hours per year. This annual burden is shown in row 6 of table 1 of this document.

FDA estimates the burden of the collection of information described in the previous paragraphs as follows:

TABLE 1.—ESTIMATED ANNUAL RECORDKEEPING BURDEN¹

Activity	No. of Recordkeepers	Annual Frequency per Recordkeeping	Total Annual Records	Hours per Record	Total Hours
SOP and SSOP: Maintenance	110	3,315	364,650	0.067	24,432
Traceback Development ²	260	1	260	20	5,200
Traceback Maintenance	260	1	260	40	10,400
Preventive control program comparable to a HACCP system: System development ²	135	1	135	100	13,500
Preventive control program comparable to a HACCP system: System implementation	135	510	68,850	0.067	4,613
Preventive control program comparable to a HACCP system: Implementation review	135	4	540	4	2,160
One-time burden hours					18,700
Annual burden hours					41,605

¹ There are no capital costs or operating and maintenance costs associated with this collection of information.

² First year activity.

Summing the "Total Hours" column, the estimated one-time recordkeeping burden for firms that choose to follow the recommendations is 18,700 hours;

the annual burden for firms, existing and new, is estimated to be 41,605 hours.

III. Comments

Interested persons may submit written or electronic comments to the Division

of Dockets Management (see **ADDRESSES**) regarding this guidance document at any time. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Comments are to be identified with the docket number found in brackets in the heading of this document. The draft final guidance and received comments may be seen in the office above between 9 a.m. and 4 p.m., Monday through Friday.

IV. Electronic Access

Persons with access to the Internet may obtain the draft final guidance document at <http://www.cfsan.fda.gov/~dms/guidance.html>.

Dated: March 5, 2007.

Jeffrey Shuren,

Assistant Commissioner for Policy.

BILLING CODE 4160-01-S

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. 2007N-0073]

Agency Information Collection Activities; Proposed Collection; Comment Request; Control of Communicable Diseases; Restrictions on African Rodents, Prairie Dogs, and Certain Other Animals

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing an opportunity for public comment on the proposed collection of certain information by the agency. Under the Paperwork Reduction Act of 1995 (the PRA), Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, and to allow 60 days for public comment in response to the notice. This notice solicits comments on the information collection requirements establishing restrictions on the import, capture, transport, sale, barter, exchange, distribution, and release of African rodents, prairie dogs, and certain other animals.

DATES: Submit written or electronic comments on the collection of information by May 14, 2007.

ADDRESSES: Submit electronic comments on the collection of

information to: <http://www.fda.gov/dockets/ecomments>. Submit written comments on the collection of information to the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852. All comments should be identified with the docket number found in brackets in the heading of this document.

FOR FURTHER INFORMATION CONTACT:

Jonna Capezzuto, Office of the Chief Information Officer (HFA-250), Food and Drug Administration, 5600 Fishers Lane, Rockville, MD 20857, 301-827-4659.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, FDA is publishing notice of the proposed collection of information set forth in this document.

With respect to the following collection of information, FDA invites comments on these topics: (1) Whether the proposed collection of information is necessary for the proper performance of FDA's functions, including whether the information will have practical utility; (2) the accuracy of FDA's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques, when appropriate, and other forms of information technology.

Control of Communicable Diseases; African Rodents and Other Animals That May Carry the Monkeypox Virus—21 CFR 1240.63 (OMB Control Number 0910-0519)—Extension

Under 21 CFR 1240.63(a)(2)(ii), an individual must submit a written

request to seek permission to capture, offer to capture, transport, offer to transport, sell, barter, or exchange, offer to sell, barter, or exchange, distribute, offer to distribute, and/or release into the environment any of the following animals:

- Prairie dogs (*Cynomys* sp.),
- African Tree squirrels (*Heliosciurus* sp.),
- Rope squirrels (*Funisciurus* sp.),
- African Dormice (*Graphiurus* sp.),
- Gambian giant pouched rats (*Cricetomys* sp.),
- Brush-tailed porcupines (*Atherurus* sp.),
- Striped mice (*Hybomys* sp.), or
- Any other animal so prohibited by order of the Commissioner of Food and Drugs (the Commissioner) because of that animal's potential to transmit the monkeypox virus.

The request cannot seek written permission to sell, barter, or exchange, or offer to sell, barter, or exchange, as a pet, the animals listed previously or any animal covered by an order by the Commissioner.

The request must state the reasons why an exemption is needed, describe the animals involved, and explain why an exemption will not result in the spread of monkeypox within the United States.

Our estimates are based on our current experience with the interim final rule. To estimate the number of respondents, we examined the number of requests we have received in fiscal year 2006. There were 122 requests, submitted by 65 individuals, in that time, and this figure represents a minor increase over the previous estimate of 120 annual responses. (See 69 FR 7752 (February 19, 2004).) As we cannot determine whether the latest data indicates a trend towards more requests or is an anomaly, we have elected to increase our estimate to 122 requests. We also have revised the estimated number of respondents to 65 (compared to 120 in our previous estimate) and, as a result, adjusted the annual frequency per response to 1.88 (which represents 122 responses/65 respondents; the actual result is 1.8769, which we have rounded up to 1.88).

Furthermore, consistent with our earlier Paperwork Reduction Act submission, we will estimate that each respondent will need 4 hours to complete its request for an exemption. Therefore, the total reporting burden under 21 CFR 1240.63(a)(2)(ii)(A) and (B) will be 488 hours (122 responses x 4 hours per response = 488 hours).

FDA estimates the burden of this collection of information as follows:

ESTIMATED ANNUAL REPORTING BURDEN¹

21 CFR Section	No. of Respondents	Annual Frequency per Response	Total No. of Responses	Hours per Response	Total Hours
1240.63(a)(2)(ii)(A) and (B)	65	1.88	122	4	488

¹ There are no capital costs or operating and maintenance costs associated with this collection of information.

Dated: March 6, 2007.

Jeffrey Shuren,

Assistant Commissioner for Policy.

[Docket No. 2007N-0069]

Animal Drug User Fee Act; Public Meeting

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of public meeting.

The Food and Drug Administration (FDA) is announcing a public meeting on the Animal Drug User Fee Act of 2003 (ADUFA) to seek public comments relative to the program's overall performance and reauthorization as directed by Congress.

Date and Time: The public meeting will be held on April 24, 2007, beginning at 9 a.m.

Location: The public meeting will be held at the Food and Drug Administration, 7519 Standish Pl., third floor, rm. A, Rockville, MD 20855. There is parking near the building. Photo identification is required to clear building security.

Contact: Aleta Sindelar, Office of the Director (HFV-3), Center for Veterinary Medicine, Food and Drug Administration, 7519 Standish Pl., Rockville, MD 20855, 240-276-9004, FAX 240-276-9020, e-mail: aleta.sindelar@fda.hhs.gov.

Registration and Requests for Oral Presentations: Registration is not required to attend the meeting. Requests to make an oral presentation at the meeting must be submitted by April 17, 2007, to the contact person. Your request to make a presentation should include the following information: Name, title, firm name, address, telephone, fax number, and e-mail address. We will try to accommodate all persons who wish to make a presentation. The time allotted for

presentations may depend on the number of persons who wish to speak.

If you require special accommodations due to a disability, please contact Aleta Sindelar at least 7 days in advance of the meeting.

Comments: Interested persons may submit to the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852, written or electronic comments. Electronic comments may be submitted to the docket at the following site: <http://www.fda.gov/dockets/ecomments>. Submit a single copy of electronic comments or two paper copies of mailed comments, except that individuals may submit one paper copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday. The docket will remain open for written or electronic comments through May 24, 2007.

SUPPLEMENTARY INFORMATION:

I. Background

ADUFA amended the Federal Food, Drug, and Cosmetic Act (the act) and authorized FDA to collect fees for certain animal drug applications, establishments, products and sponsors in support of the review of animal drugs. These additional resources support FDA's responsibilities under the act to provide greater public health protection by ensuring that animal drug products that are approved to be safe and effective are readily available for both companion animals and animals intended for food consumption.

The FDA animal drug user fee program was authorized in 2003 and implemented in 2004. A significant part of the preparations for the program included determining the fee levels for fiscal year (FY) 2004. ADUFA provides for four fees: (1) A sponsor fee, (2) an establishment fee, (3) a product fee, and (4) an application fee. ADUFA also provides for specific waivers and exemptions from fees. FDA prepared guidance for the industry regarding the fees, billings and submission of fees, as well as waivers and exemptions (<http://www.fda.gov/cvm/adufa.htm>).

The total amounts authorized for collection were: \$5 million for FY 2004; \$8 million in FY 2005; and \$10 million in each FY 2006 through 2008, subject to annual inflation and workload adjustments after 2004. ADUFA provided for four types of fees to be assessed each fiscal year, with each fee

type expected to raise 25 percent of the annual amount collected. Thus, in FY 2004, we expected to receive \$1.25 million from sponsor fees, establishment fees, product fees, and application fees, for a total of \$5 million dollars. The user fees are used to achieve shorter, more predictable review times by increasing the review staff at FDA and building better management systems. As a result, we anticipate substantial savings to the industry in regulatory review and developmental expenses.

FDA's animal drug premarket review program is making continual and substantial improvements in the animal drug review process as a result of user fees. This helps ensure an adequate supply of safe and effective therapeutic and production animal drugs.

II. Agenda

In the language authorizing ADUFA, Congress directed the Secretary of Health and Human Services (the Secretary) to consult with the Committee on Energy and Commerce of the House of Representatives; the Committee on Health, Education, Labor and Pensions of the Senate; appropriate scientific and academic experts; veterinary professionals; representatives of consumer advocacy groups; and the regulated industry in developing recommendations to Congress for the reauthorization of ADUFA and for the goals and plans for meeting the goals associated with the process for review of animal drug applications. As directed by Congress, FDA is holding a public meeting to gather information on what we should consider to include in the reauthorization of ADUFA (<http://www.fda.gov/cvm/adufa.htm>) and hear stakeholder views on this subject.

We are offering the following two general questions for consideration, and we are interested in responses to these questions and any other pertinent information stakeholders would like to share.

1. What is your assessment of the overall performance of the ADUFA program thus far?
2. What suggestions or changes would you make relative to the reauthorization of ADUFA?

We have published a number of reports that may help inform the public about the ADUFA program. Key documents such as, ADUFA-related guidance, legislation, performance reports, and financial reports, can be found at <http://www.fda.gov/cvm/adufa.htm>.

III. Meeting Format

In general, the meeting format will include presentations by FDA followed by the open public comment period. Registered speakers for the open public comments will be grouped and invited to speak in the order of their affiliation and time of registration (scientific and academic experts/veterinary professionals, representatives of consumer advocacy groups, and the regulated industry). FDA presentations are planned from 9 a.m. until 10:30 a.m. The open public comment portion of the meeting for registered speakers is planned to begin at 10:30 a.m. An opportunity for public comments from meeting attendees will commence following the registered presentations, if time permits. The docket will remain open for written or electronic comments through May 24, 2007.

IV. Transcripts

Meeting transcripts will be made available on the CVM Website (<http://www.fda.gov/cvm/adufa.htm>) approximately 30 working days after the meeting. The transcript will also be available for public examination at the Division of Dockets Management between 9 a.m. and 4 p.m. Monday through Friday.

Dated: March 6, 2007.

Jeffrey Shuren,

Assistant Commissioner for Policy.

BILLING CODE 4160-01-S

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. 2007N-0064]

Electronic Case Report Form Submission; Notice of Pilot Project

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Center for Drug Evaluation and Research (CDER) and the Center for Biologics Evaluation and Research (CBER) in the Food and Drug Administration (FDA) are seeking sponsors interested in participating in a pilot project to test the submission of case report form (CRF) data provided electronically in extensible markup language (XML) based on the Operational Data Model (ODM) developed by the Clinical Data Interchange Standards Consortium (CDISC). This pilot will test the ability of a new data format to support all

review activity, which our current submission format is incapable of doing. Data supplied in ODM format by sponsors during the pilot project will not replace any regulatory requirements for submitting CRFs. We anticipate that a successful pilot will allow CDER and CBER to routinely accept CRFs from studies employing electronic data capture (EDC) in ODM format in marketing applications provided in electronic format.

DATES: Submit written or electronic requests to participate in the pilot project by September 10, 2007. General comments on the pilot project are welcome at any time.

ADDRESSES: Submit written requests to participate and comments regarding this pilot project to the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852. Submit electronic comments to <http://www.fda.gov/dockets/ecomments>.

FOR FURTHER INFORMATION CONTACT: Armando Oliva, Food and Drug Administration, 10903 New Hampshire Ave., Bldg. 22, rm. 6310, Silver Spring, MD 20993-0002, 301-796-0514.

SUPPLEMENTARY INFORMATION:

I. Background

FDA is announcing the opportunity to participate in a pilot project being conducted by CDER and CBER involving the testing of the ODM standard developed by the CDISC, with the goal of replacing the existing portable document format (PDF)-based CRFs derived from clinical trials that use EDC and, therefore, lack paper CRFs. CDISC is an open, multidisciplinary, nonprofit organization that has established worldwide industry standards to support the electronic acquisition, exchange, submission, and archiving of clinical trial data and metadata for medical and biopharmaceutical product development (<http://www.cdisc.org>).

Under existing Federal regulations (21 CFR 314.50), applicants must provide CRFs with a marketing application. Since November 1997, under 21 CFR part 11, we have accepted CRFs in electronic format instead of paper. FDA has issued several guidances that provide recommendations concerning electronic submissions. In the **Federal Register** of October 19, 2005 (70 FR 60842), FDA announced the availability of a guidance entitled "Providing Regulatory Submissions in Electronic Format—Human Pharmaceutical Product Applications and Related Submissions Using the eCTD Specifications" (<http://www.fda.gov/>

[cdern/guidance/index.htm](http://www.fda.gov/cder/guidance/index.htm) or <http://www.fda.gov/cber/gdlns/esubapp.htm>). In section III.E.3. of that guidance, FDA recommends that applicants submit an individual subject's complete CRF as a single, PDF file. The guidance recommends that if a paper CRF was used in the clinical trial, the submitted CRF should be a scanned image of the paper CRF, including all original entries with modifications, addenda, corrections, comments, annotations, and any extemporaneous additions (i.e., audit trail). The guidance further recommends that if EDC was used in the clinical trial, the applicant should submit a PDF-generated form or other PDF representation of the information (e.g., subject profile).

Based on our experience, PDF-based CRFs from clinical trials that employ EDC are not ideal to support all review activity. Although the PDF-based CRFs for trials that use EDC can provide a record of the observations collected during the trial (i.e., the data) and additional information about what was collected (metadata), they typically do not provide an audit trail. CDER and CBER are interested in adopting a new, standard format that can replace the PDF-based CRF and that can reliably provide all three components of the CRF in an electronic format: Data, metadata, and audit trail.

The ODM is an XML-based standard that facilitates the electronic exchange of clinical trial data, metadata, and audit trail. We are working with CDISC to develop the capabilities within CDER and CBER to review CRFs using ODM. CDISC employed the current production version (Version 1.2) of the ODM on the CDISC Web site, and we performed some initial testing of limited CRF data in ODM. To help in this development, we are launching this pilot project and seeking sponsors willing to provide CRFs in ODM format to test our capabilities to review these files. However, data supplied during the pilot project will not replace any regulatory requirements for submitting CRFs.

The purpose of this pilot project is to obtain additional experience with ODM-based CRFs. We anticipate that a successful pilot will allow CDER and CBER to routinely accept CRFs from studies that employ EDC in ODM format in marketing applications submitted in electronic format.

II. Pilot Project Description

This pilot project is part of an effort to improve the quality of CRFs provided to CDER and CBER in electronic format and to improve the centers' capability to review these files. Eventually, CDER and CBER expect to recommend new

technical specifications for the submission of CRFs that are derived from clinical trials that employ EDC and, therefore, lack paper CRFs.

A. Initial Approach

Because only a limited number of sponsors are needed (i.e., approximately five), CDER and CBER will use their discretion in choosing participants, based on participants' previous experience submitting CRFs in accordance with existing guidance. Participants should be willing to provide the same CRFs in two formats: PDF, in accordance with existing guidance, and ODM. If PDF-based CRFs have already been submitted as part of an existing new drug application or biologics license application on file with the agency, then participants need only provide the ODM-based CRFs with the same information. Having the same information available in both PDF and ODM provides the best opportunity to compare the two formats.

B. How to Participate

Written requests to participate in the pilot project should be submitted to the Division of Dockets Management (see **ADDRESSES**). Requests are to be identified with the docket number found in brackets in the heading of this document.

III. Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) written or electronic comments regarding this pilot project. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Comments are

to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

Dated: March 5, 2007.

Jeffrey Shuren,

Assistant Commissioner for Policy.

BILLING CODE 4160-01-S

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Food and Drug Administration****[Docket No. 2003D-0044]****Guidance for Industry and Food and Drug Administration Staff; Statistical Guidance on Reporting Results from Studies Evaluating Diagnostic Tests; Availability****AGENCY:** Food and Drug Administration, HHS.**ACTION:** Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing the availability of the guidance entitled "Statistical Guidance on Reporting Results from Studies Evaluating Diagnostic Tests." This guidance describes some statistically appropriate practices for reporting results from different studies evaluating diagnostic tests and identifies some common inappropriate practices. Special attention is given to describing a practice called discrepant resolution and its associated problems.

DATES: Submit written or electronic comments on this guidance at any time. General comments on agency guidance documents are welcome at any time.

ADDRESSES: Submit written requests for single copies of the guidance document entitled "Statistical Guidance on Reporting Results from Studies Evaluating Diagnostic Tests" to the Division of Small Manufacturers, International, and Consumer Assistance (HFZ-220), Center for Devices and Radiological Health, Food and Drug Administration, 1350 Piccard Dr., Rockville, MD 20850. Send one self-addressed adhesive label to assist that office in processing your request, or fax your request to 240-276-3151. See the **SUPPLEMENTARY INFORMATION** section for information on electronic access to the guidance.

Submit written comments concerning this guidance to the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852. Submit electronic comments to <http://www.fda.gov/dockets/ecomments>. Identify comments with the docket number found in brackets in the heading of this document.

FOR FURTHER INFORMATION CONTACT: Kristen Meier, Center for Devices and Radiological Health (HFZ-550), Food and Drug Administration, 1350 Piccard Dr., Rockville, MD 20850, 240-276-3060.

SUPPLEMENTARY INFORMATION:**I. Background**

On February 11, 1998, the Center for Devices and Radiological Health (CDRH) convened a joint meeting of the Microbiology, Hematology/Pathology, Clinical Chemistry/Toxicology and Immunology Devices Panels. The purpose of this meeting was to obtain recommendations on "appropriate data collection, analysis, and resolution of discrepant results, using sound scientific and statistical analysis to support indications for use of the in vitro diagnostic devices when the new device is compared to another device, a recognized reference method or 'gold standard', or other procedures not commonly used, and/or clinical criteria for diagnosis." Using the input from that meeting, a draft guidance document was developed discussing some statistically valid approaches to reporting results from evaluation studies for new diagnostic devices. The draft guidance was released for public comment on March 12, 2003.

Following publication of the draft guidance, 11 comments were submitted to FDA. Overall, comments were favorable and requested that additional information be included in the final guidance. We reviewed the comments and took their suggestions into consideration in writing this guidance, including consideration of the comments requesting greater attention to the use of standard terminology.

II. Significance of Guidance

This guidance is being issued consistent with FDA's good guidance practices regulation (21 CFR 10.115). The guidance represents the agency's current thinking on reporting results from studies evaluating diagnostic tests. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. An alternative approach may be used if such approach satisfies the requirements of the applicable statute and regulations.

III. Electronic Access

Persons interested in obtaining a copy of the guidance may do so by using the Internet. To receive "Statistical Guidance on Reporting Results from Studies Evaluating Diagnostic Tests," you may either send an e-mail request to dsmica@fda.hhs.gov to receive an electronic copy of the document or send a fax request to 240-276-3151 to receive a hard copy. Please use the document number 1620 to identify the guidance you are requesting.

CDRH maintains an entry on the Internet for easy access to information

including text, graphics, and files that may be downloaded to a personal computer with Internet access. Updated on a regular basis, the CDRH home page includes device safety alerts, **Federal Register** reprints, information on premarket submissions (including lists of approved applications and manufacturers' addresses), small manufacturer's assistance, information on video conferencing and electronic submissions, Mammography Matters, and other device-oriented information. The CDRH Web site may be accessed at <http://www.fda.gov/cdrh>. A search capability for all CDRH guidance documents is available at <http://www.fda.gov/cdrh/guidance.html>. Guidance documents are also available on the Division of Dockets Management Internet site at <http://www.fda.gov/ohrms/dockets>.

IV. Paperwork Reduction Act of 1995

This guidance refers to previously approved collections of information found in FDA regulations. These collections of information are subject to review by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The collections of information in 21 CFR part 807 have been approved under OMB Control No. 0910-0120; and the collections of information in 21 CFR part 814 have been approved under OMB Control No. 0910-0231.

V. Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) written or electronic comments regarding this document. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

Dated: March 2, 2007.

Linda S. Kahan,

Deputy Director, Center for Devices and Radiological Health.

BILLING CODE 4160-01-S

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****[USCG-2007-27372]****Towing Safety Advisory Committee****AGENCY:** Coast Guard, DHS.**ACTION:** Notice of meetings.

SUMMARY: The Towing Vessel Inspection Working Group of the Towing Safety Advisory Committee (TSAC) will meet to discuss matters relating to these specific issues of towing safety. The meetings will be open to the public.

DATES: The Towing Vessel Inspection Working Group will meet on Tuesday, March 27, 2007 from 9 a.m. to 5 p.m. and on Wednesday, March 28, 2007 from 9 a.m. to 3 p.m. The meetings may close early if all business is finished. Written material and requests to make oral presentations should reach the Coast Guard on or before March 14, 2007. Requests to have a copy of your material distributed to each member of the Working Group should reach the Coast Guard on or before March 14, 2007.

ADDRESSES: The Working Group will meet at the Westin Arlington Gateway, 801 North Glebe Road, Arlington, VA 22203. Send written material and requests to make oral presentations to Mr. Gerald Miente, Commandant (CG-3PSO-1), U.S. Coast Guard Headquarters, 2100 Second Street SW., Washington, DC 20593-0001. This notice and related documents are available on the Internet at <http://dms.dot.gov> under the docket number USCG-2007-27372.

FOR FURTHER INFORMATION CONTACT: Mr. Gerald Miente, Assistant Executive Director of TSAC, telephone 202-372-1401, fax 202-372-1926, or e-mail Gerald.P.Miente@uscg.mil.

SUPPLEMENTARY INFORMATION: Notice of these meetings is given under the Federal Advisory Committee Act, 5 U.S.C. App. 2 (Pub. L. 92-463, 86 Stat. 770, as amended).

Agenda of Working Group Meetings

The agenda for the Towing Vessel Inspection Working Group tentatively includes the following items:

(1) Review draft sections of potential regulations currently under development;

(2) Develop recommendations concerning the draft sections for TSAC's consideration.

Procedural

The meetings are open to the public. Please note that the meetings may close early if all business is finished. At the Chair's discretion, members of the public may make oral presentations during the meeting. If you would like to make an oral presentation at the meeting, please notify the Assistant Executive Director (as provided above in **FOR FURTHER INFORMATION CONTACT**) no later than March 14, 2007. Written material for distribution at the meeting should reach the Coast Guard no later than March 14, 2007.

Information on Services for Individuals With Disabilities

For information on facilities or services for individuals with disabilities or to request special assistance at the meeting, contact Mr. Miente at the number listed in **FOR FURTHER INFORMATION CONTACT** as soon as possible.

Dated: February 28, 2007.

J.G. Lantz,

Director of Standards, Assistant Commandant for Prevention.

[FR Doc. E7-4469 Filed 3-12-07; 8:45 am]

BILLING CODE 4910-15-P

DEPARTMENT OF THE INTERIOR**Office of the Secretary****Establishment of Wind Turbine Guidelines Advisory Committee**

AGENCY: Office of the Secretary, Interior.

ACTION: Notice of Establishment and Call for Nominations.

SUMMARY: The Secretary of the Interior, after consultation with the General Services Administration, has established the Wind Turbine Guidelines Advisory Committee. The Committee will provide advice and recommendations to the Secretary of the Interior (Secretary) on developing effective measures to avoid or minimize impacts to wildlife and their habitats related to land-based wind energy facilities.

DATES: Requests to participate on this Committee must be postmarked by April 12, 2007.

ADDRESSES: Send resumes and explanations of interest to Susan L. Goodwin, Office of Collaborative Action and Dispute Resolution, U.S. Department of the Interior, 1801 Pennsylvania Avenue, Suite 500, Washington DC 20006, e-mail address susan_goodwin@ios.doi.gov, fax number 202/327-5390.

FOR FURTHER INFORMATION CONTACT:

Susan L. Goodwin, 202/327-5346.

SUPPLEMENTARY INFORMATION: We are publishing this notice in accordance with the requirements of the Federal Advisory Committee Act (5 U.S.C. App.) (FACA). The Secretary of the Interior certifies that he has determined that the formation of the Committee is necessary and is in the public interest.

The Committee will conduct its operations in accordance with the provisions of the FACA. It will report to the Secretary of the Interior through the Director, U.S. Fish and Wildlife Service and will function solely as an advisory body. The Committee will provide recommendations and advice to the Department and the Service on developing effective measures to protect wildlife resources and enhance potential benefits to wildlife that may be identified.

The Secretary will appoint members who can effectively represent the varied interests associated with wind energy development and its potential impacts to wildlife species and their habitats. Members will represent stakeholders, Federal and State agencies, and tribes. Members will be senior representatives of their respective constituent groups with knowledge of: wind energy facility location, design, operation, and transmission requirements; wildlife species potentially affected and potential positive and negative impacts; wildlife survey techniques; applicable laws and regulations; and current research on wind/wildlife interactions. The Secretary may appoint Committee members based on nominations submitted by interested parties, including but not limited to the U.S. Fish and Wildlife Service and other Federal agencies, States, tribes, wind energy development organizations, nongovernmental conservation organizations, and local regulatory/licensing commissions. The Committee will also include independent experts in wind energy/wildlife interactions, appointed as special Government employees, to provide technical advice. The Secretary may also appoint alternate members to serve in the event that a member cannot attend a meeting. Parties interested in participating on this Committee should send their resumes and explanations of interest to Susan L. Goodwin, Office of Collaborative Action and Dispute Resolution, at the contact address listed in **ADDRESSES**, by the date specified in **DATES**.

The Committee is expected to meet approximately four times per year. All Committee members serve without

compensation. Travel costs will be provided for Committee members who are special Government employees. The Service will provide necessary support services to the Committee. Committee meetings will be open to the public. Notice of committee meetings will be published in the **Federal Register** at least 15 days before the date of the meeting. The public will have an opportunity to provide input at these meetings.

The Committee is expected to exist for 2 years. Its continuation is subject to biennial renewal.

In accordance with FACA, we will file a copy of the Committee's charter with the Committee Management Secretariat, General Services Administration; Committee on Environment and Public Works, United States Senate; Committee on Resources, United States House of Representatives; and the Library of Congress.

The Certification for establishment is published below.

Certification

I hereby certify that the Wind Turbine Guidelines Advisory Committee is necessary and is in the public interest in connection with the performance of duties imposed on the Department of the Interior by Public Laws 16 U.S.C. 703–712, Migratory Bird Treaty Act; 16 U.S.C. 668–668d, Bald and Golden Eagle Protection Act; 16 U.S.C. 1531–1544, Endangered Species Act; and 42 U.S.C. 4371 *et seq.*, National Environmental Policy Act. The Committee will assist the Department of the Interior by providing advice and recommendations on developing effective measures to avoid or minimize impacts to wildlife and their habitats.

Dated: February 28, 2007.

Dirk Kempthorne,

Secretary of the Interior.

[FR Doc. E7–4545 Filed 3–12–07; 8:45 am]

BILLING CODE 4310–55–P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Proposed Low-Effect Quino Checkerspot Butterfly Habitat Conservation Plan for the San Diego Gas and Electric Company, San Diego, Riverside, and Orange Counties, CA

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), have received an application from the San Diego Gas

and Electric Company (Applicant) for a 40-year incidental take permit for one covered species pursuant to section 10(a)(1)(B) of the Endangered Species Act of 1973, as amended (Act). The application addresses the potential for “take” of the federally endangered Quino checkerspot butterfly (*Euphydryas editha quino*) associated with the operation and maintenance of the existing gas and electric system, and construction of new facilities. A conservation program to mitigate for the project activities would be implemented by the Applicant as described in the Quino Checkerspot Butterfly Habitat Conservation Plan for the San Diego Gas and Electric Company, San Diego, Riverside and Orange Counties, California (Plan), which would be implemented by the Applicant.

We are requesting comments on the permit application and on the preliminary determination that the proposed Plan qualifies as a “low-effect” Habitat Conservation Plan, eligible for a categorical exclusion under the National Environmental Policy Act (NEPA) of 1969, as amended. The basis for this determination is discussed in the Environmental Action Statement and the associated Low Effect Screening Form (Screening Form), which is also available for public review.

DATES: Written comments should be received on or before April 12, 2007.

ADDRESSES: Comments should be addressed to the Field Supervisor, Fish and Wildlife Service, Carlsbad Fish and Wildlife Office, 6010 Hidden Valley Road, Carlsbad, CA 92011. Written comments may be sent by facsimile to (760) 431–5901.

FOR FURTHER INFORMATION CONTACT: Mr. Chris Otahal, Fish and Wildlife Biologist, Carlsbad Fish and Wildlife Office (see **ADDRESSES**); telephone (760) 431–9440.

SUPPLEMENTARY INFORMATION:

Availability of Documents

Individuals wishing copies of the application, proposed Plan, and Screening Form should immediately contact the Service by telephone at (760) 431–9440 or by letter to the Carlsbad Fish and Wildlife Office. Copies of the proposed Plan and Screening Form also are available for public inspection during regular business hours at the Carlsbad Fish and Wildlife Office (see **ADDRESSES**).

Background

Section 9 of the Act (16 U.S.C. 1531 *et seq.*) and its implementing Federal regulations prohibit the take of animal species listed as endangered or

threatened. Take is defined under the Act as to harass, harm, pursue, hunt, shoot, wound, kill, trap, capture, or collect listed animal species, or to attempt to engage in such conduct (16 U.S.C. 1538). However, under section 10(a) of the Act, the Service may issue permits to authorize incidental take of listed species. “Incidental take” is defined by the Act as take that is incidental to, and not the purpose of, carrying out an otherwise lawful activity. Regulations governing incidental take permits for threatened and endangered species, respectively, are found in the Code of Federal Regulations at 50 CFR 17.22 and 50 CFR 17.32.

The Applicant is seeking a permit for take of the Quino checkerspot butterfly during the life of the permit. This species is referred to as the “QCB” in the proposed Plan.

The Applicant proposes to grade existing gas and electrical transmission line access roads, many of which have not been graded in a number of years and now support QCB habitat, and conduct other activities such as construction of new facilities, equipment repair and replacement, insulator washing, tree trimming, maintenance of fire control areas, pole in-setting, and pole brushing. With the exception of road grading and construction of new facilities, operation and maintenance activities are expected to result in temporary impacts to QCB habitat. The Applicant proposes habitat restoration and enhancement in areas temporarily impacted, where appropriate, as specified in the Plan. Additionally, the Applicant's operation and maintenance activities typically result in minor impacts to the landscape (*i.e.*, impacts are usually measured in square-feet) and are spread over a broad area, which will reduce the level of significance of potential impacts to QCB habitat. Impacts of maintenance and operation activities will also spread over a 40-year period, thus providing an opportunity for habitat re-establishment and, in some areas, minimizing potential take from repetitive impacts within the same location. Up to 33 acres of QCB habitat may be lost through implementation of the Plan over 40 years. The Applicant estimates 15 of the 33 acres of potential impacts to QCB habitat will result from road grading, and that other activities (*e.g.*, new construction, pole brushing, and pole in-setting) will account for the remaining 18 acres of potential impact. These impacts would occur in unoccupied QCB habitat; occupied QCB habitat; and QCB critical habitat as outlined in the Plan.

The Applicant proposes to mitigate the effects to QCB by fully implementing the Plan. The Plan emphasizes protection of habitat through impact avoidance and use of operational protocols, designed to avoid or minimize impact to QCB. The Applicant will supplement these operational protocols, or avoidance and minimization measures, with habitat restoration and enhancement measures, and other mitigation. The Applicant proposes to implement general and QCB-specific operational protocols, designed to avoid or minimize take of QCB. To mitigate temporary impacts, QCB habitat will be enhanced or restored, where appropriate. To mitigate for permanent impacts, the Applicant will implement one of the following mitigation measures: (1) Pay into a QCB habitat fund; the money will be used to benefit QCB through the acquisition, restoration, or enhancement of QCB habitat; (2) Enhance an unallocated portion of the Applicant's existing mitigation parcel for the benefit of QCB; (3) Purchase credits from a to-be-established Quino checkerspot butterfly bank, should one be approved by the Service in the future; or (4) Acquire a mitigation parcel that supports or could support QCB. Specific details regarding these mitigation measures may be found in the Plan.

The Proposed Action consists of the issuance of an incidental take permit and implementation of the proposed Plan, which includes measures to mitigate impacts of the proposed activities on QCB. Two alternatives to the proposed action are considered in the Plan. Under the No Action Alternative, no permit would be issued and the Applicant would avoid take of QCB; however, avoidance of impacts will not be possible for some of the Applicant's projects, which would preclude some critical projects from being completed or require the Applicant to seek individual take authorizations. Under this alternative, conservation measures would likely be developed on a case-by-case basis at the time that a project required take authorization. Under the Project-by-Project Alternative, take of QCB would be addressed either through section 7 or 10 of the Act on a project-by-project basis, but with a common set of minimization and mitigation measures developed in advance. The proposed Plan provides more comprehensive conservation of QCB than either of the two alternatives. In addition, the proposed Plan would be more efficient and would provide the Applicant with long-term predictability concerning the

nature of its operations for which incidental takings are permitted, avoiding potential facility-compromising delays.

The Service has made a preliminary determination that approval of the proposed Plan qualifies as a categorical exclusion under NEPA, as provided by the Department of the Interior Manual (516 DM 2, Appendix 1 and 516 DM 6, Appendix 1) and as a "low-effect" plan as defined by the Habitat Conservation Planning Handbook (November 1996). Determination of Low-effect Habitat Conservation Plans is based on the following three criteria: (1) Implementation of the proposed Plan would result in minor or negligible effects on federally listed, proposed, and candidate species and their habitats; (2) Implementation of the proposed Plan would result in minor or negligible effects on other environmental values or resources; and (3) Impacts of the proposed Plan, considered together with the impacts of other past, present, and reasonably foreseeable similarly situated projects, would not result, over time, in cumulative effects to environmental values or resources that would be considered significant.

Based upon this preliminary determination, we do not intend to prepare further NEPA documentation. We will consider public comments in making the final determination on whether to prepare such additional documentation.

Public Review

Written comments from interested parties are welcome to ensure that the issues of public concern related to the proposed action are identified. Comments and materials received will be available for public inspection, by appointment, during normal business hours at the office listed in the ADDRESSES section of this notice. All comments and materials received, including names and addresses, will become part of the administrative record and may be released to the public.

Our practice is to make comments, including names, home addresses, home phone numbers, and e-mail addresses of respondents, available for public review. Individual respondents may request that we withhold their names and/or homes addresses, etc., but if you wish us to consider withholding this information you must state this prominently at the beginning of your comments. In addition, you must present a rationale for withholding this information. This rationale must demonstrate that disclosure would constitute a clearly unwarranted invasion of privacy. Unsupported

assertions will not meet this burden. In the absence of exceptional, documentable circumstances, this information will be released. We will always make submissions from organization or businesses, and from individuals identifying themselves as representatives of or officials of organizations or businesses, available for public inspection in their entirety.

This notice is provided pursuant to section 10(c) of the Act. We will evaluate the permit application, the proposed Plan, and comments submitted thereon to determine whether the application meets the requirements of section 10(a) of the Act. If the requirements are met, we will issue a permit to the Applicant for the incidental take of the Quino checkerspot butterfly associated with the operation and maintenance of the existing gas and electric system and construction of new facilities within San Diego, Riverside and Orange Counties, California.

Dated: March 7, 2007.

Jim A. Bartel,

Field Supervisor, Carlsbad Fish and Wildlife Office, Carlsbad, California.

BILLING CODE 4310-55-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Receipt of Applications for Permit

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of applications for permit.

SUMMARY: The public is invited to comment on the following applications to conduct certain activities with endangered species.

DATES: Written data, comments or requests must be received by April 12, 2007.

ADDRESSES: Documents and other information submitted with these applications are available for review, subject to the requirements of the Privacy Act and Freedom of Information Act, by any party who submits a written request for a copy of such documents within 30 days of the date of publication of this notice to: U.S. Fish and Wildlife Service, Division of Management Authority, 4401 North Fairfax Drive, Room 700, Arlington, Virginia 22203; fax 703/358-2281.

FOR FURTHER INFORMATION CONTACT: Division of Management Authority, telephone 703/358-2104.

SUPPLEMENTARY INFORMATION:

Endangered Species

The public is invited to comment on the following applications for a permit to conduct certain activities with endangered species. This notice is provided pursuant to section 10(c) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*). Written data, comments, or requests for copies of these complete applications should be submitted to the Director (address above).

Applicant: New York State Museum, Albany, NY, PRT-146078.

The applicant requests a permit to import from the Smithsonian Tropical Research Institute, Panama, salvaged skeletons and skulls from animals found dead on Barro Colorado Island, Panama of the following species: howler monkey (*Alouatta palliata*), Baird's tapir (*Tapirus bairdii*), and ocelot (*Leopardus pardalis*) for the purpose of scientific research.

Applicant: Dr. Mary K. Gonder, University of Maryland, Dept. of Biology, College Park, MD, PRT-146529.

The applicant requests a permit to import DNA samples taken from the blood of captive-held chimpanzees (*Pan troglodytes*) at the Limbe Wildlife Centre, Limbe, Cameroon, for the purpose of scientific research.

Applicant: Tom W. Veurink, Alto, MI, PRT-145874.

The applicant requests a permit to import the sport-hunted trophy of one cheetah (*Acinonyx jubatus*) taken in Namibia for the purpose of enhancement of the survival of the species.

Applicant: Gary F. Bogner, N. Muskeyon, MI, PRT-120003.

The applicant requests a permit to import the sport-hunted trophy of one male bontebok (*Damaliscus pygargus pygargus*) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancement of the survival of the species.

Dated: February 16, 2007.

Monica Farris,

Senior Permit Biologist, Branch of Permits, Division of Management Authority.

BILLING CODE 4310-55-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Endangered and Threatened Wildlife and Plants; Final Conservation Strategy for the Grizzly Bear in the Greater Yellowstone Area

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability.

SUMMARY: We, the Fish and Wildlife Service (Service), announce the availability of the Final Conservation Strategy for the Grizzly Bear in the Greater Yellowstone Area (Final Conservation Strategy). This document will guide management decisions for the Yellowstone grizzly bear population upon delisting.

ADDRESSES: You may obtain a copy of the Final Conservation Strategy by any of the following means:

1. World Wide Web: <http://mountain-prairie.fws.gov/species/mammals/grizzly/yellowstone.htm>.

2. U.S. mail or in-person pickup: By appointment, during normal business hours at U.S. Fish and Wildlife Service, University Hall, Room 309, University of Montana, Missoula, MT 59812. Call (406) 243-4903 to make arrangements.

FOR FURTHER INFORMATION CONTACT: Dr. Christopher Servheen, Grizzly Bear Recovery Coordinator (see **ADDRESSES** above), (406) 243-4903.

SUPPLEMENTARY INFORMATION:

Background

Restoring an endangered or threatened animal or plant to the point where it is no longer in need of the protections under the Endangered Species Act is a primary goal of our endangered species program. Recovery plans help guide the recovery effort by describing actions considered necessary for the conservation of the species, establishing criteria for downlisting and delisting listed species, and estimating time and cost for implementing the measures needed for recovery measures. Under the provisions of the Endangered Species Act of 1973, as amended (Act) (16 U.S.C. 1531 *et seq.*, we approved the first Grizzly Bear Recovery Plan on January 29, 1982 (U.S. Fish and Wildlife Service 1982). In 1993, we approved a revision to the Grizzly Bear Recovery Plan (U.S. Fish and Wildlife Service 1993), which included additional tasks and new information that increased the focus and effectiveness of recovery efforts. Since the 1993 revision, we have approved three additional supplements to the Recovery Plan (U.S. Fish and Wildlife Service 1997, 1998, 2007).

The Recovery Plan stated that a conservation strategy should be developed for each ecosystem before delisting. The purpose of the Final Conservation Strategy (U.S. Fish and Wildlife Service 2007) is to serve as the regulatory mechanism guiding our management as we delist and establish the monitoring approach that will be taken for the Yellowstone grizzly bear population. The Final Conservation Strategy satisfies the requirements for post-delisting monitoring required by section 4(g) of the Act for species delisted due to recovery.

Considering all of the comments received, we finalized the Final Conservation Strategy for the Grizzly Bear in the Greater Yellowstone Area.

Fish and Wildlife Service

Supplements to the Grizzly Bear Recovery Plan

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability.

SUMMARY: We, the Fish and Wildlife Service (Service), announce the availability of two supplements to the Grizzly Bear (*Ursus arctos horribilis*) Recovery Plan. The supplements, appended to the Grizzly Bear Recovery Plan, present revised methods to estimate population size and sustainable mortality limits for the Yellowstone grizzly bear population, and establish habitat-based recovery criteria for the Yellowstone grizzly bear population.

ADDRESSES: You may obtain a copy of the recovery plan, including these supplements, by any of the following means:

1. World Wide Web: <http://endangered.fws.gov/recovery/index.html#plans> or <http://mountain-prairie.fws.gov/species/mammals/grizzly/yellowstone.htm>; or

2. U.S. mail or in-person pickup: By appointment, during normal business hours, at: U.S. Fish and Wildlife Service, University Hall, Room 309, University of Montana, Missoula, MT 59812. Call (406) 243-4903 to make arrangements.

FOR FURTHER INFORMATION CONTACT: Dr. Christopher Servheen, Grizzly Bear Recovery Coordinator (see **ADDRESSES** above), (406) 243-4903.

SUPPLEMENTARY INFORMATION:

Background

Restoring an endangered or threatened animal or plant to the point where it is again a secure member of its ecosystem is a primary goal of our endangered species program. Recovery plans help guide recovery efforts by describing actions we consider necessary for the conservation of the species, establishing criteria for downlisting and delisting listed species, and estimating time and cost for implementing the measures needed for recovery measures. Under the provisions of the Endangered Species Act of 1973, as amended (Act) (16 U.S.C. 1531 *et seq.*), we approved the first Grizzly Bear Recovery Plan on January 29, 1982 (U.S. Fish and Wildlife Service 1982). In 1993, we approved a revision to the Grizzly Bear Recovery Plan (U.S. Fish and Wildlife Service 1993), which included additional tasks and new information that increased the focus and effectiveness of recovery efforts. Supplements to the Recovery Plan were approved in 1997 and 1998 (U.S. Fish and Wildlife Service 1997, 1998).

In 1994, The Fund for Animals, Inc., and 42 other organizations and individuals filed suit over the adequacy of the 1993 Recovery Plan. In 1995, the U.S. District Court for the District of Columbia issued an order remanding for further study and clarification four issues relevant to the Yellowstone grizzly bear population including the methods we use to measure the status of bear populations (*Fund for Animals v. Babbitt*, 903 F. Supp. 96 (D. D.C. 1995)). Following appeals by both parties, we entered into a subsequent settlement agreeing to establish habitat-based recovery criteria prior to any delisting action (*Fund for Animals v. Babbitt*, 967 F. Supp. 6 (D. D.C. 1997)).

Regarding the methods used to measure the status of bear populations, beginning in 2000, the Interagency Grizzly Bear Study Team, which the U.S. Geological Survey leads in cooperation with various University specialists, began a comprehensive evaluation of the demographic data and

the methodology used to estimate population size and establish the sustainable level of mortality for grizzly bears in the Greater Yellowstone Area. The Grizzly Bear Recovery Plan Task Y11 also recommended further consideration of population objectives, stating that the team should work to “determine population conditions at which the species is viable and self sustaining” and “reevaluate and refine population criteria as new information becomes available” for the Yellowstone population of grizzly bears (U.S. Fish and Wildlife Service 1993, p. 44). After evaluating current methods, scientific literature, and alternative methods, the Interagency Grizzly Bear Study Team recommended the most valid technique based on the best available science (Interagency Grizzly Bear Study Team 2005, 2007) and drafted the Reassessing Methods to Estimate Population Size and Sustainable Mortality Limits for the Yellowstone Grizzly Bear document (Reassessing Methods document). As per section 4(f) of the Act (16 U.S.C. 1533(f)), we released a draft version of the Reassessing Methods document for public comment on November 22, 2005 (70 FR 70632). Considering all comments received, the Study Team produced a Supplement to the Reassessing Methods document (Interagency Grizzly Bear Study Team 2006) and finalized this document. We have attached relevant portions of these reports to the Grizzly Bear Recovery Plan (U.S. Fish and Wildlife Service 1993) in a supplement.

Regarding the settlement agreeing to establish habitat-based recovery criteria prior to any delisting action, on June 17, 1997, we held a public workshop in Bozeman, Montana, to develop and refine habitat-based recovery criteria for the Yellowstone grizzly bear population. A **Federal Register** notice notified the public of this workshop and provided interested parties an opportunity to participate and submit comments (62 FR 19777, April 23, 1997). Grizzly Bear Recovery Plan Task Y423 also recommended further consideration of this issue, stating that we should work to “establish a threshold of minimal habitat values to be maintained within each Cumulative Effects Analysis Unit in order to ensure that sufficient habitat is available to support a viable population” (U.S. Fish and Wildlife Service 1993, p. 55). After considering 1,167 written comments, we developed biologically-based habitat criteria with the goal of maintaining or improving habitat conditions at 1998 levels. As per section 4(f) of the Act (16 U.S.C. 1533(f)), we published these draft

criteria in the **Federal Register** for review and comment on July 16, 1999 (64 FR 38464). Considering all comments we received, we finalized the Habitat-Based Recovery Criteria. We have attached the established Habitat-Based Recovery Criteria to the Grizzly Bear Recovery Plan (U.S. Fish and Wildlife Service 1993) in a supplement.

BILLING CODE 4310-55-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Issuance of Permits

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of issuance of permits for endangered species and marine mammals.

SUMMARY: The following permits were issued.

ADDRESSES: Documents and other information submitted with these applications are available for review, subject to the requirements of the Privacy Act and Freedom of Information Act, by any party who submits a written request for a copy of such documents to: U.S. Fish and Wildlife Service, Division of Management Authority, 4401 North Fairfax Drive, Room 700, Arlington, Virginia 22203; fax 703/358-2281.

FOR FURTHER INFORMATION CONTACT: Division of Management Authority, telephone 703/358-2104.

SUPPLEMENTARY INFORMATION: Notice is hereby given that on the dates below, as authorized by the provisions of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*), and the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), the Fish and Wildlife Service issued the requested permits subject to certain conditions set forth therein. For each permit for an endangered species, the Service found that (1) The application was filed in good faith, (2)

the granted permit would not operate to the disadvantage of the endangered species, and (3) the granted permit

would be consistent with the purposes and policy set forth in Section 2 of the

Endangered Species Act of 1973, as amended.

ENDANGERED SPECIES

BILLING CODE 4310-55-P

INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-596]

In the Matter of Certain GPS Chips, Associated Software and Systems, and Products Containing Same; Notice of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Institution of investigation pursuant to 19 U.S.C. 1337.

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on February 8, 2007, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, on behalf of SiRF Technology, Inc. of San Jose, California. A supplemental letter was filed on February 22, 2007. The complaint, as supplemented, alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain GPS chips, associated software and systems, and products containing same by reason of infringement of U.S. Patent Nos. 6,304,216; 7,043,363; 7,091,904; and 7,132,980. The complaint, as supplemented, further alleges that an industry in the United States exists as

required by subsection (a)(2) of section 337.

The complainant requests that the Commission institute an investigation and, after the investigation, issue a permanent exclusion order and a permanent cease and desist order.

ADDRESSES: The complaint and supplement, except for any confidential information contained therein, are available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Room 112, Washington, DC 20436, telephone 202-205-2000. Hearing impaired individuals are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

FOR FURTHER INFORMATION CONTACT:

Kevin Baer, Esq., Office of Unfair Import Investigations, U.S. International Trade Commission, telephone (202) 205-2221.

Authority: The authority for institution of this investigation is contained in section 337 of the Tariff Act of 1930, as amended, and in section 210.10 of the Commission's Rules of

Practice and Procedure, 19 CFR 210.10 (2006).

Scope of Investigation: Having considered the complaint, the U.S. International Trade Commission, on March 7, 2007, *ordered that—*

(1) Pursuant to subsection (b) of section 337 of the Tariff Act of 1930, as amended, an investigation be instituted to determine whether there is a violation of subsection (a)(1)(B) of section 337 in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain GPS chips, associated software or systems, or products containing same by reason of infringement of one or more of claims 1, 3, 5-19, 21-36, 38-59, 61-78, and 80-87 of U.S. Patent No. 6,304,216; claims 1-2, 4-8, 10-12, 16, and 18-20 of U.S. Patent No. 7,043,363; claims 1, 3, 5-8, 10-12, 14, 16-18, and 20-21 of U.S. Patent No. 7,091,904; and claims 1, 5-7, 10-11, 13-14, 16-17, 24, 29-32, and 34 of U.S. Patent No. 7,132,980; and whether an industry in the United States exists as required by subsection (a)(2) of section 337;

(2) For the purpose of the investigation so instituted, the following are hereby named as parties upon which this notice of investigation shall be served:

(a) The complainant is—SiRF Technology, Inc., 217 Devcon Drive, San Jose, CA 95112.

(b) The respondent is the following entity alleged to be in violation of section 337, and is the party upon which the complaint is to be served: Global Locate, Inc., 3190 South Bascom Ave., San Jose, CA 92618.

(c) The Commission investigative attorney, party to this investigation, is Kevin Baer, Esq., Office of Unfair Import Investigations, U.S. International Trade Commission, 500 E Street, SW., Room 401-L, Washington, DC 20436; and

(3) For the investigation so instituted, the Honorable Robert L. Barton, Jr. is designated as the presiding administrative law judge.

Responses to the complaint and the notice of investigation must be submitted by the named respondent in accordance with section 210.13 of the Commission's Rules of Practice and Procedure, 19 CFR 210.13. Pursuant to 19 CFR 201.16(d) and 210.13(a), such responses will be considered by the Commission if received not later than 20 days after the date of service by the Commission of the complaint and the notice of investigation. Extensions of time for submitting responses to the complaint and the notice of investigation will not be granted unless good cause therefor is shown.

Failure of the respondent to file a timely response to each allegation in the complaint and in this notice may be deemed to constitute a waiver of the right to appear and contest the allegations of the complaint and this notice, and to authorize the administrative law judge and the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing such findings, and may result in the issuance of a limited exclusion order or cease and desist order or both directed against the respondent.

By order of the Commission.

Issued: March 8, 2007.

Marilyn R. Abbott,

Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

[USITC SE-07-003]

Government in the Sunshine Act Meeting Notice

AGENCY HOLDING THE MEETING: United States International Trade Commission.

TIME AND DATE: March 15, 2007 at 11 a.m.

PLACE: Room 101, 500 E Street SW., Washington, DC 20436, Telephone: (202) 205-2000.

STATUS: Open to the public.

MATTERS TO BE CONSIDERED

1. Agenda for future meetings: None.
2. Minutes.
3. Ratification List.
4. Inv. No. 731-TA-706 (Second

Review) (Canned Pineapple Fruit from Thailand)—briefing and vote. (The Commission is currently scheduled to transmit its determination and Commissioners' opinions to the Secretary of Commerce on or before March 29, 2007.)

5. Outstanding action jackets: none.

In accordance with Commission policy, subject matter listed above, not disposed of at the scheduled meeting, may be carried over to the agenda of the following meeting.

By order of the Commission.

Issued: March 8, 2007.

Marilyn R. Abbott,

Secretary to the Commission.

BILLING CODE 7020-02-P

DEPARTMENT OF LABOR

Employment and Training Administration

Request for Certification of Compliance—Rural Industrialization Loan and Grant Program

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: The Employment and Training Administration is issuing this notice to announce the receipt of a "Certification of Non-Relocation and Market and Capacity Information Report" (Form 4279-2) for the following:

Applicant/Location: Sibco Enterprises, Inc./Fernley, Nevada.

Principal Product: The loan, guarantee, or grant application is to finance start-up expenses, inventory, capital assets, leasehold improvements, and related business start-up expenditures for a new full service franchise restaurant with alcohol and carryout. The NAICS industry code for this enterprise is 722110 Full Service Restaurants.

DATES: All interested parties may submit comments in writing no later than March 27, 2007. Copies of adverse comments received will be forwarded to the applicant noted above.

ADDRESSES: Address all comments concerning this notice to Anthony D. Dais, U.S. Department of Labor, Employment and Training Administration, 200 Constitution Avenue, NW., Room S-4231,

Washington, DC 20210; or e-mail Dais.Anthony@dol.gov; or transmit via fax 202-693-3015 (this is not a toll-free number).

FOR FURTHER INFORMATION CONTACT:

Anthony D. Dais, at telephone number (202) 693-2784 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: Section 188 of the Consolidated Farm and Rural Development Act of 1972, as established under 29 CFR part 75, authorizes the United States Department of Agriculture (USDA) to make or guarantee loans or grants to finance industrial and business activities in rural areas. The Secretary of Labor must review the application for financial assistance for the purpose of certifying to the Secretary of Agriculture that the assistance is not calculated, or likely, to result in: (a) A transfer of any employment or business activity from one area to another by the loan applicant's business operation; or, (b) An increase in the production of goods, materials, services, or facilities in an area where there is not sufficient demand to employ the efficient capacity of existing competitive enterprises unless the financial assistance will not have an adverse impact on existing competitive enterprises in the area. The Employment and Training Administration (ETA) within the Department of Labor is responsible for the review and certification process. Comments should address the two bases for certification and, if possible, provide data to assist in the analysis of these issues.

Signed at Washington, DC, this 7th day of March, 2007.

Gay M. Gilbert,

Administrator, Office of Workforce Investment, Employment and Training Administration.

BILLING CODE 4510-FN-P

DEPARTMENT OF LABOR

Mine Safety and Health Administration

Technical Study Panel on the Utilization of Belt Air and the Composition and Fire Retardant Properties of Belt Materials in Underground Coal Mining

AGENCY: Mine Safety and Health Administration (MSHA), Labor.

ACTION: Notice of meeting.

SUMMARY: This notice informs interested persons of the second meeting of the Technical Study Panel (Panel) on the Utilization of Belt Air and the Composition and Fire Retardant

Properties of Belt Materials in Underground Coal Mining. The public is invited to attend.

DATES: The meeting will be held March 28–March 30, 2007. The meetings on March 28–29, 2007 will start at 9 a.m. each day and conclude by 5 p.m. The meeting on March 30, 2007 will begin at 9 a.m. and conclude no later than 1 p.m.

ADDRESSES: The meeting location is the Holiday Inn Pittsburgh Airport, 8256 University Blvd., Coraopolis, PA 15108–2591 (telephone: 412–262–3600).

FOR FURTHER INFORMATION CONTACT:

Patricia W. Silvey, Director, Office of Standards, Regulations, and Variances, Mine Safety and Health Administration, 1100 Wilson Boulevard, Room 2330, Arlington, Virginia 22209; silvey.patricia@dol.gov (Internet e-mail), 202–693–9440 (voice), or 202–693–9441 (facsimile).

SUPPLEMENTARY INFORMATION: The Panel was created under section 11 of the Mine Improvement and New Emergency Response (MINER) Act of 2006 (Pub. L. 109–236). The purpose of the Panel is to provide independent scientific and engineering review and recommendations concerning the utilization of belt air and the composition and fire retardant properties of belt materials in underground coal mining. By December 2007, the Panel must submit a report to the Secretaries of Labor and Health and Human Services, the Senate Committee on Health, Education, Labor and Pensions, and the House Committee on Education and the Workforce. The first meeting of the Panel was held in Washington, DC on January 9–10, 2007.

The agenda for the second meeting will include:

- (1) *Belt conveyor material issues: flammability and toxicity.*
- (2) *Discussion: panel of belt manufacturers.*
- (3) *General discussion: ventilation, dust control, and escape issues.*
- (4) *Discussion: 1992 Belt Air Advisory Committee report.*
- (5) *Public input:* The panel will allocate time at the end of the day on March 28 and March 29 for presentations by members of the public. MSHA expects the amount of time allocated for public participation to be approximately one hour, but it may vary based on the interest expressed. MSHA will also accept written submissions.

MSHA requests that persons planning to participate in the public input session of this meeting notify the Agency at least one week prior to the meeting date. There will be an opportunity for other persons, who have not made prior

arrangements with MSHA and wish to speak, to register at the beginning of the meeting on March 28. Speakers should limit their presentations to five minutes, but may supplement oral remarks with written submissions. MSHA will incorporate written submissions into the official record and make them available to the public. The Panel Chairman will moderate the public participation session, and panelists may ask the speakers questions.

The public may inspect the official record of the meetings at the MSHA address listed above. In addition, the information will be posted on the Agency's single source Web page titled "The Technical Study Panel on the Utilization of Belt Air and the Composition and Fire Retardant Properties of Belt Materials in Underground Coal Mining Single Source Page." The Single Source page is located at <http://www.msha.gov/BeltAir/BeltAir.asp>.

Dated: March 8, 2007.

Richard E. Stickler,

Assistant Secretary of Labor for Mine Safety and Health.

[FR Doc. 07–1177 Filed 3–9–07; 9:41 am]

BILLING CODE 4510–43–P

MERIT SYSTEMS PROTECTION BOARD

Agency Information Collection Activities; Proposed Collection

AGENCY: Merit Systems Protection Board (MSPB).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3501), this document announces that an Information Collection Request (ICR) has been forwarded to the Office of Management and Budget (OMB) for review and approval. This is a request for a new collection. This ICR describes the nature of the information collection and its estimated burden and cost.

DATES: MSPB has submitted an ICR to OMB for review and approval according to the procedures prescribed in 5 CFR 1320.12. On November 27, 2006 (**Federal Register**, Volume 71, Number 227, pages 68639–68640), MSPB sought comments on this ICR pursuant to 5 CFR 1320.8(d). MSPB received no comments. Additional comments should be submitted on or before April 6 to OMB (Brenda Aguilar at baguilar@omb.eop.gov or fax at (202) 395–6974).

ADDRESSES: You may also submit comments to MSPB via any of the following methods:

E-mail: Please include "Employee Surveys" in the subject line of the message and send your message to anne.marrelli@mspb.gov.

Mail: Dr. Anne Marrelli, U.S. Merit Systems Protection Board, Suite 500, 1615 M Street, NW., Washington, DC 20419.

Fax: (202) 653–7211.

FOR FURTHER INFORMATION CONTACT:

Anne Marrelli by phone on 202–653–6772, ext. 1341, by FAX on 202–653–7211, or by e-mail at anne.marrelli@mspb.gov. You may contact Dr. Marrelli via V/TDD at 1–800–877–8339.

SUPPLEMENTARY INFORMATION:

Proposed Project: "Merit Principles Survey."

As part of its mission, MSPB is responsible for conducting studies of the Federal civil service to ensure that all Federal government agencies follow merit systems practices and avoid prohibited personnel practices. To support this research agenda, MSPB is conducting a survey of Federal employees. To obtain insight into employees' current perspectives, MSPB requests approval to conduct surveys over the next three years.

The surveys will ask employees to share their perceptions of the implementation of the merit system in the workplace including topics such as the Merit Systems Principles, Prohibited Personnel Practices, job satisfaction, performance management, training and development, and leadership.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 0.50 hours per respondent.

Respondents/Affected Entities: Participants are selected via stratified random sampling to facilitate a representative sample of Federal employees.

Estimated Number of Respondents per Survey: 50,000.

Frequency of Response: Once.

Estimated Total Annual Hour Burden: 25,000.

Dated: March 7, 2007.

Bentley M. Roberts, Jr.,

Clerk of the Board.

[FR Doc. E7–4465 Filed 3–12–07; 8:45 am]

BILLING CODE 7401–01–P

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice 07–023]

National Space-Based Positioning, Navigation, and Timing (PNT) Advisory Board; Meeting

AGENCY: National Aeronautics and Space Administration.

ACTION: Notice of meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act (Pub. L. 92–463, as amended), and the President's 2004 U.S. Space-Based Positioning, Navigation and Timing (PNT) Policy, the National Aeronautics and Space Administration announces a meeting of the National Space-Based Positioning, Navigation, and Timing (PNT) Advisory Board.

DATES: Thursday, March 29, 2007, 9 a.m. to 5 p.m.; and Friday, March 30, 2007, 9 a.m. to 1 p.m.

ADDRESSES: Ronald Reagan Building and International Trade Center, 1300 Pennsylvania Ave., NW., Polaris Suite, Washington, DC 20004.

FOR FURTHER INFORMATION CONTACT: Mr. James J. Miller, Space Operations Mission Directorate, National Aeronautics and Space Administration, Washington, DC 20546, (202) 358–4417.

SUPPLEMENTARY INFORMATION: The meeting will be open to the public up to the seating capacity of the room. The agenda for the meeting includes the following topics:

- Update on Implementation of the President's 2004 U.S. Space-Based Positioning, Navigation and Timing (PNT) Policy.
- Overview of National Space-Based PNT Executive Committee, and National Space-Based PNT Coordination Office.
- Status Update on Global Positioning System (GPS) Constellation and Modernization Plans.
- Maintaining U.S. GPS Technological Leadership and Competitiveness.
- Promoting and Branding Current and Future PNT Capabilities to the U.S. and International Communities.
- Global Technical and Market Trends for PNT Services.

It is imperative that the meeting be held on these dates to accommodate the scheduling priorities of the key participants. Visitors will be requested to sign a visitor's register.

Dated: March 8, 2007.

P. Diane Rausch,

*Advisory Committee Management Officer,
National Aeronautics and Space
Administration.*

BILLING CODE 7533–01–M

NUCLEAR REGULATORY COMMISSION

[Docket No. 50–302]

Florida Power and Light; Notice of Consideration of Issuance of Amendment to Facility Operating License, Proposed No Significant Hazards Consideration Determination, and Opportunity for a Hearing

The U.S. Nuclear Regulatory Commission (the Commission) is considering issuance of an amendment to Renewed Facility Operating License No. DPR–72 issued to Florida Power

and Light (the licensee) for operation of the Crystal River Unit No. 3 Nuclear Generating Plant (CR–3) located in Citrus County, Florida.

The proposed amendment would change the basis for protection of spent fuel stored in the spent fuel pool (SFP) in order to eliminate the Final Safety Analysis Report commitment for maintaining the SFP missile shields.

Before issuance of the proposed license amendment, the Commission will have made findings required by the Atomic Energy Act of 1954, as amended (the Act), and the Commission's regulations.

The Commission has made a proposed determination that the amendment request involves no significant hazards consideration. Under the Commission's regulations in Title 10 of the Code of Federal Regulations (10 CFR), Section 50.92, this means that operation of the facility in accordance with the proposed amendment would not (1) involve a significant increase in the probability or consequences of an accident previously evaluated; or (2) create the possibility of a new or different kind of accident from any accident previously evaluated; or (3) involve a significant reduction in a margin of safety. As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. [The Proposed Change] Does Not Involve a Significant Increase in the Probability or Consequences of an Accident Previously Evaluated.

The LAR [license amendment request] proposes to eliminate the commitment for maintaining the Spent Fuel Pool (SFP) missile shields. Removal of the missile shields increases the probability of an accident (damaging fuel assemblies in the SFP), but the increase is not significant. Based on the Individual Plant Evaluation for External Events (IPEEE) for the Crystal River Nuclear Plant (CR–3), the frequency of a tornado, Class F1 or greater, that could create tornado missiles is $2.1 \text{ E}^{-5}/\text{year}$ and has a total probability of core damage of $9.2 \text{ E}^{-8}/\text{year}$. This probability falls below the threshold of credible accidents.

Fuel Handling Accidents (FHAs) are analyzed in Section 14.2.2.3 of the CR–3 Final Safety Analysis Report (FSAR). The FHA outside the Reactor Building (RB) event is described as the dropping of a fuel assembly into the spent fuel storage pool that results in damage to a fuel assembly and the release of the gaseous fission products. The current FHA assumes all 208 fuel pins in the dropped assembly are damaged and the gas gap activity released. The results of that analysis demonstrate that the applicable dose acceptance criteria, 10 CFR 50.67 and Regulatory Guide 1.183, “Alternative Radiological Source Terms for Evaluating

Design Basis Accidents at Nuclear Power Reactors,” are satisfied.

An engineering evaluation performed for this proposed change has determined that with the credible tornado missiles, any impact that a missile would impart on a SFP storage rack, spent fuel assembly, or the SFP floor or walls would be enveloped by the fuel handling accident. Any interaction between a tornado missile and the new fuel stored in the new fuel storage vault would potentially result in significant damage to an assembly, but no significant offsite radiation would be released and no criticality concerns exist.

Because neither the probability nor the consequences of a FHA are significantly increased, and because there are no radiological safety concerns with the new fuel storage, it is concluded that the LAR does not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. [The Proposed Change] Does Not Create the Possibility of a New or Different Kind of Accident From Any Previously Evaluated.

Onsite storage of spent fuel assemblies in the spent fuel pools is a normal activity for which CR-3 has been designed and licensed. As part of assuring that this normal activity can be performed without endangering the public health and safety, the ability of CR-3 to safely accommodate different possible accidents in the spent fuel pools, such as dropping a fuel assembly or the misloading of a fuel assembly, have been analyzed with acceptable results. The interaction between a tornado missile and spent fuel in the SFP has a very low probability of occurrence, and the SFP storage racks and the normal water layer would provide significant protection to the fuel. The SFP integrity would not be compromised so there is not expected to be any significant loss of water above the fuel.

Currently, the SFP missile shields are removed when refueling, maintenance, and other fuel and tool movement activities in the SFP are ongoing. Removing the requirement for missile shields does not introduce a new plant configuration that could introduce a new type of accident.

Any interaction between a credible tornado missile and the new fuel stored in the new fuel storage vault is not considered an accident under the guidance of Regulatory Guide 1.70, Revision 3, November 1978, “Standard Format and Content of Safety Analysis Reports for Nuclear Power Plants,” as the rods are not irradiated and no significant radiation would be released in the event of a complete loss of assembly integrity. This event would have financial implications, but is not considered an accident under RG 1.70 criteria.

3. [The Proposed Change] Does Not Involve a Significant Reduction in a Margin of Safety.

The purpose of the missile shields is to prevent tornado missiles from damaging fuel and racks in the SFP. Although the missile shields provide a barrier, they are not alone in providing margin to the SFP to protect the public health and safety.

The margin of safety for the SFP also includes the amount of water in the pool above the top of the fuel, the amount of soluble boron in the pool, the distance between assemblies, and the fixed neutron

absorbers in the storage racks. These are design parameters that prevent inadvertent criticality as well as a significant release of radiation in the event of a dropped (damaged) fuel assembly. The elimination of the CR-3 commitment to maintain missile shields over the SFP during all times, when not working with the fuel or in the pool, will not have any significant impact on these parameters.

As already noted in FSAR Section 9.3.2.6.1, a tornado directly over the SFP is not postulated to cause the loss of any significant amount of water in the SFP due to a 3 psi pressure drop caused by a tornado. A credible tornado missile that enters the SFP is expected to cause the loss of some pool inventory, but not a significant amount. The removal of the missile shields will therefore, not cause or allow a significant loss of pool inventory.

Unless a significant volume of boric water is lost from the pool from either the tornado suction or the missile splash down, the boron concentration will not change significantly once refilled. Additionally, CR-3 takes credit for soluble boron only as margin to 0.95 K effective for a misloaded fuel assembly. Subcriticality is maintained even with the SFP filled with un-borated water. The SFP storage racks are designed and constructed with the specific center to center distances between the cells (9.11 inch for Pool B and 10.5 inch for Pool A). Any impact from a tornado missile may cause some local rack deformation, but is not expected to change cell spacing for any racks. This logic also holds for the neutron absorber in the SFP storage racks. There may be some local rack deformation, but no significant movement of the fixed poison is expected to occur.

Therefore, a significant reduction in a margin of safety is not expected to occur from the permanent removal of the SFP missile shields.

The NRC staff has reviewed the licensee’s analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

The Commission is seeking public comments on this proposed determination. Any comments received within 30 days after the date of publication of this notice will be considered in making any final determination.

Normally, the Commission will not issue the amendment until the expiration of 60 days after the date of publication of this notice. The Commission may issue the license amendment before expiration of the 60-day period provided that its final determination is that the amendment involves no significant hazards consideration. In addition, the Commission may issue the amendment prior to the expiration of the 30-day

comment period should circumstances change during the 30-day comment period such that failure to act in a timely way would result, for example, in derating or shutdown of the facility. Should the Commission take action prior to the expiration of either the comment period or the notice period, it will publish in the **Federal Register** a notice of issuance. Should the Commission make a final No Significant Hazards Consideration Determination, any hearing will take place after issuance. The Commission expects that the need to take this action will occur very infrequently.

Written comments may be submitted by mail to the Chief, Rulemaking, Directives and Editing Branch, Division of Administrative Services, Office of Administration, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, and should cite the publication date and page number of this **Federal Register** notice. Written comments may also be delivered to Room 6D59, Two White Flint North, 11545 Rockville Pike, Rockville, Maryland, from 7:30 a.m. to 4:15 p.m. Federal workdays. Documents may be examined, and/or copied for a fee, at the NRC’s Public Document Room (PDR), located at One White Flint North, Public File Area O1 F21, 11555 Rockville Pike (first floor), Rockville, Maryland.

The filing of requests for hearing and petitions for leave to intervene is discussed below.

Within 60 days after the date of publication of this notice, the licensee may file a request for a hearing with respect to issuance of the amendment to the subject facility operating license and any person whose interest may be affected by this proceeding and who wishes to participate as a party in the proceeding must file a written request for a hearing and a petition for leave to intervene. Requests for a hearing and a petition for leave to intervene shall be filed in accordance with the Commission’s “Rules of Practice for Domestic Licensing Proceedings” in 10 CFR part 2. Interested persons should consult a current copy of 10 CFR 2.309, which is available at the Commission’s PDR, located at One White Flint North, Public File Area O1 F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible from the Agencywide Documents Access and Management System’s (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/doc-collections/cfr/>. If a request for a hearing or petition for leave to intervene is filed by the above date, the Commission or a presiding

officer designated by the Commission or by the Chief Administrative Judge of the Atomic Safety and Licensing Board Panel, will rule on the request and/or petition; and the Secretary or the Chief Administrative Judge of the Atomic Safety and Licensing Board will issue a notice of a hearing or an appropriate order.

As required by 10 CFR 2.309, a petition for leave to intervene shall set forth with particularity the interest of the petitioner in the proceeding, and how that interest may be affected by the results of the proceeding. The petition should specifically explain the reasons why intervention should be permitted with particular reference to the following general requirements: (1) The name, address and telephone number of the requestor or petitioner; (2) the nature of the requestor's/petitioner's right under the Act to be made a party to the proceeding; (3) the nature and extent of the requestor's/petitioner's property, financial, or other interest in the proceeding; and (4) the possible effect of any decision or order which may be entered in the proceeding on the requestors/petitioner's interest. The petition must also identify the specific contentions which the petitioner/requestor seeks to have litigated at the proceeding.

Each contention must consist of a specific statement of the issue of law or fact to be raised or controverted. In addition, the petitioner/requestor shall provide a brief explanation of the bases for the contention and a concise statement of the alleged facts or expert opinion which support the contention and on which the petitioner intends to rely in proving the contention at the hearing. The petitioner/requestor must also provide references to those specific sources and documents of which the petitioner is aware and on which the petitioner intends to rely to establish those facts or expert opinion. The petition must include sufficient information to show that a genuine dispute exists with the applicant on a material issue of law or fact. Contentions shall be limited to matters within the scope of the amendment under consideration. The contention must be one which, if proven, would entitle the petitioner to relief. A petitioner/requestor who fails to satisfy these requirements with respect to at least one contention will not be permitted to participate as a party.

Those permitted to intervene become parties to the proceeding, subject to any limitations in the order granting leave to intervene, and have the opportunity to participate fully in the conduct of the hearing.

If a hearing is requested, the Commission will make a final determination on the issue of no significant hazards consideration. The final determination will serve to decide when the hearing is held. If the final determination is that the amendment request involves no significant hazards consideration, the Commission may issue the amendment and make it immediately effective, notwithstanding the request for a hearing. Any hearing held would take place after issuance of the amendment. If the final determination is that the amendment request involves a significant hazards consideration, any hearing held would take place before the issuance of any amendment.

Nontimely requests and/or petitions and contentions will not be entertained absent a determination by the Commission or the presiding officer of the Atomic Safety and Licensing Board that the petition, request and/or the contentions should be granted based on a balancing of the factors specified in 10 CFR 2.309(c)(1)(i)-(viii).

A request for a hearing or a petition for leave to intervene must be filed by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; (2) courier, express mail, and expedited delivery services: Office of the Secretary, Sixteenth Floor, One White Flint North, 11555 Rockville Pike, Rockville, Maryland, 20852, Attention: Rulemaking and Adjudications Staff; (3) E-mail addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, hearingdocket@nrc.gov; or (4) facsimile transmission addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC, Attention: Rulemakings and Adjudications Staff at (301) 415-1101, verification number is (301) 415-1966. A copy of the request for hearing and petition for leave to intervene should also be sent to the Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, and it is requested that copies be transmitted either by means of facsimile transmission to 301-415-3725 or by e-mail to OGCMailCenter@nrc.gov. A copy of the request for hearing and petition for leave to intervene should also be sent to David T. Conley, Associate General Counsel II—Legal Department, Progress Energy Service Company, LLC, Post Office Box 1551, Raleigh, North Carolina 27602, attorney for the licensee.

For further details with respect to this action, see the application for amendment dated February 8, 2007, which is available for public inspection at the Commission's PDR, located at One White Flint North, File Public Area O1 F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible from the Agencywide Documents Access and Management System's (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. Persons who do not have access to ADAMS or who encounter problems in accessing the documents located in ADAMS, should contact the NRC PDR Reference staff by telephone at 1-800-397-4209, 301-415-4737, or by e-mail to pdrc@nrc.gov.

Dated at Rockville, Maryland, this 7th day of March 2007.

For the Nuclear Regulatory Commission.

Stewart N. Bailey,

Senior Project Manager, Plant Licensing Branch II-2, Division of Operating Reactor Licensing, Office of Nuclear Reactor Regulation.

[FR Doc. E7-4517 Filed 3-12-07; 8:45 am]

BILLING CODE 7590-01-P

NUCLEAR REGULATORY COMMISSION

Biweekly Notice Applications and Amendments to Facility Operating Licenses Involving No Significant Hazards Considerations

I. Background

Pursuant to section 189a. (2) of the Atomic Energy Act of 1954, as amended (the Act), the U.S. Nuclear Regulatory Commission (the Commission or NRC staff) is publishing this regular biweekly notice. The Act requires the Commission publish notice of any amendments issued, or proposed to be issued and grants the Commission the authority to issue and make immediately effective any amendment to an operating license upon a determination by the Commission that such amendment involves no significant hazards consideration, notwithstanding the pendency before the Commission of a request for a hearing from any person.

This biweekly notice includes all notices of amendments issued, or proposed to be issued, from February 15, 2007 through March 1, 2007. The last biweekly notice was published on February 27, 2007 (72 FR 8800).

Notice of Consideration of Issuance of Amendments to Facility Operating Licenses, Proposed No Significant Hazards Consideration Determination, and Opportunity for a Hearing

The Commission has made a proposed determination that the following amendment requests involve no significant hazards consideration. Under the Commission's regulations in 10 CFR 50.92, this means that operation of the facility in accordance with the proposed amendment would not (1) involve a significant increase in the probability or consequences of an accident previously evaluated; or (2) create the possibility of a new or different kind of accident from any accident previously evaluated; or (3) involve a significant reduction in a margin of safety. The basis for this proposed determination for each amendment request is shown below.

The Commission is seeking public comments on this proposed determination. Any comments received within 30 days after the date of publication of this notice will be considered in making any final determination. Within 60 days after the date of publication of this notice, the licensee may file a request for a hearing with respect to issuance of the amendment to the subject facility operating license and any person whose interest may be affected by this proceeding and who wishes to participate as a party in the proceeding must file a written request for a hearing and a petition for leave to intervene.

Normally, the Commission will not issue the amendment until the expiration of 60 days after the date of publication of this notice. The Commission may issue the license amendment before expiration of the 60-day period provided that its final determination is that the amendment involves no significant hazards consideration. In addition, the Commission may issue the amendment prior to the expiration of the 30-day comment period should circumstances change during the 30-day comment period such that failure to act in a timely way would result, for example, in derating or shutdown of the facility. Should the Commission take action prior to the expiration of either the comment period or the notice period, it will publish in the **Federal Register** a notice of issuance. Should the Commission make a final No Significant Hazards Consideration Determination, any hearing will take place after issuance. The Commission expects that the need to take this action will occur very infrequently.

Written comments may be submitted by mail to the Chief, Rulemaking, Directives and Editing Branch, Division of Administrative Services, Office of Administration, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, and should cite the publication date and page number of this **Federal Register** notice. Written comments may also be delivered to Room 6D22, Two White Flint North, 11545 Rockville Pike, Rockville, Maryland, from 7:30 a.m. to 4:15 p.m. Federal workdays. Copies of written comments received may be examined at the Commission's Public Document Room (PDR), located at One White Flint North, Public File Area O1F21, 11555 Rockville Pike (first floor), Rockville, Maryland. The filing of requests for a hearing and petitions for leave to intervene is discussed below.

Within 60 days after the date of publication of this notice, the licensee may file a request for a hearing with respect to issuance of the amendment to the subject facility operating license and any person whose interest may be affected by this proceeding and who wishes to participate as a party in the proceeding must file a written request for a hearing and a petition for leave to intervene. Requests for a hearing and a petition for leave to intervene shall be filed in accordance with the Commission's "Rules of Practice for Domestic Licensing Proceedings" in 10 CFR part 2. Interested persons should consult a current copy of 10 CFR 2.309, which is available at the Commission's PDR, located at One White Flint North, Public File Area O1F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible from the Agencywide Documents Access and Management System's (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/doc-collections/cfr/>. If a request for a hearing or petition for leave to intervene is filed within 60 days, the Commission or a presiding officer designated by the Commission or by the Chief Administrative Judge of the Atomic Safety and Licensing Board Panel, will rule on the request and/or petition; and the Secretary or the Chief Administrative Judge of the Atomic Safety and Licensing Board will issue a notice of a hearing or an appropriate order.

As required by 10 CFR 2.309, a petition for leave to intervene shall set forth with particularity the interest of the petitioner in the proceeding, and how that interest may be affected by the results of the proceeding. The petition should specifically explain the reasons why intervention should be permitted

with particular reference to the following general requirements: (1) The name, address, and telephone number of the requestor or petitioner; (2) the nature of the requestor's/petitioner's right under the Act to be made a party to the proceeding; (3) the nature and extent of the requestor's/petitioner's property, financial, or other interest in the proceeding; and (4) the possible effect of any decision or order which may be entered in the proceeding on the requestor's/petitioner's interest. The petition must also set forth the specific contentions which the petitioner/requestor seeks to have litigated at the proceeding.

Each contention must consist of a specific statement of the issue of law or fact to be raised or controverted. In addition, the petitioner/requestor shall provide a brief explanation of the bases for the contention and a concise statement of the alleged facts or expert opinion which support the contention and on which the petitioner/requestor intends to rely in proving the contention at the hearing. The petitioner/requestor must also provide references to those specific sources and documents of which the petitioner is aware and on which the petitioner/requestor intends to rely to establish those facts or expert opinion. The petition must include sufficient information to show that a genuine dispute exists with the applicant on a material issue of law or fact. Contentions shall be limited to matters within the scope of the amendment under consideration. The contention must be one which, if proven, would entitle the petitioner/requestor to relief. A petitioner/requestor who fails to satisfy these requirements with respect to at least one contention will not be permitted to participate as a party.

Those permitted to intervene become parties to the proceeding, subject to any limitations in the order granting leave to intervene, and have the opportunity to participate fully in the conduct of the hearing.

If a hearing is requested, and the Commission has not made a final determination on the issue of no significant hazards consideration, the Commission will make a final determination on the issue of no significant hazards consideration. The final determination will serve to decide when the hearing is held. If the final determination is that the amendment request involves no significant hazards consideration, the Commission may issue the amendment and make it immediately effective, notwithstanding the request for a hearing. Any hearing held would take place after issuance of

the amendment. If the final determination is that the amendment request involves a significant hazards consideration, any hearing held would take place before the issuance of any amendment.

A request for a hearing or a petition for leave to intervene must be filed by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; (2) courier, express mail, and expedited delivery services: Office of the Secretary, Sixteenth Floor, One White Flint North, 11555 Rockville Pike, Rockville, Maryland, 20852, Attention: Rulemaking and Adjudications Staff; (3) E-mail addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, HearingDocket@nrc.gov; or (4) facsimile transmission addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC, Attention: Rulemakings and Adjudications Staff at (301) 415-1101, verification number is (301) 415-1966. A copy of the request for hearing and petition for leave to intervene should also be sent to the Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, and it is requested that copies be transmitted either by means of facsimile transmission to (301) 415-3725 or by e-mail to OGCMailCenter@nrc.gov. A copy of the request for hearing and petition for leave to intervene should also be sent to the attorney for the licensee.

Nontimely requests and/or petitions and contentions will not be entertained absent a determination by the Commission or the presiding officer of the Atomic Safety and Licensing Board that the petition, request and/or the contentions should be granted based on a balancing of the factors specified in 10 CFR 2.309(a)(1)(i)-(viii).

For further details with respect to this action, see the application for amendment which is available for public inspection at the Commission's PDR, located at One White Flint North, Public File Area 01F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible from the ADAMS Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. If you do not have access to ADAMS or if there are problems in accessing the documents located in ADAMS, contact the PDR Reference staff at 1 (800) 397-4209, (301) 415-4737 or by e-mail to pdr@nrc.gov.

Calvert Cliffs Nuclear Power Plant, Inc., Docket Nos. 50-317 and 50-318, Calvert Cliffs Nuclear Power Plant, Unit Nos. 1 and 2, Calvert County, Maryland

Date of amendment request: February 1, 2007.

Description of amendment request: The proposed license amendment would revise Surveillance Requirement (SR) 3.5.2.8 in Technical Specification 3.5.2, "ECCS [Emergency Core Cooling System]—Operating," to reflect the replacement of the containment recirculation sump suction inlet trash racks and screens with strainers, in response to Nuclear Regulatory Commission (NRC) Generic Letter 2004-02, "Potential Impact of Debris Blockage on Emergency Recirculation during Design Basis Accidents at Pressurized-Water Reactors." The proposed license amendment would replace "trash racks and screens" with "strainers" in SR 3.5.2.8.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Does the proposed change involve a significant increase in the probability or consequences of an accident previously evaluated?

The consequences of accidents evaluated in the Updated Final Safety Analysis Report [UFSAR] that could be affected by the proposed change are those involving the pressurization of Containment and associated flooding of the Containment and recirculation of this fluid within the Emergency Core Cooling System (ECCS) or the Containment Spray System (CSS) (e.g., loss-of-coolant accidents [LOCAs]). The proposed change does not impact the initiation or probability of occurrence of any accident. Although the configurations of the existing containment recirculation sump trash racks and screen and the replacement sump strainer cassettes are different, they serve the same fundamental purpose of passively removing debris from the sump's suction supply of the supported system pumps. Removal of trash racks does not impact the adequacy of the pump net positive suction head assumed in the safety analysis. Likewise, the change does not reduce the reliability of any supported systems or introduce any new system interactions. The greatly increased surface area of the new strainer is designed to reduce head loss and reduce the approach velocity at the strainer face significantly, decreasing the risk of impact from large debris entrained in the sump flow stream.

Therefore, the proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. Does the proposed change create the possibility of a new or different kind of

accident from any accident previously evaluated?

The containment recirculation sump strainers are a passive system used for accident mitigation. As such, they cannot be accident initiators. Therefore, there is no possibility that this change could create any new or different kind of accident. No new accident scenarios, transient precursors, or limiting single failures are introduced as a result of the proposed change. There will be no adverse effect or challenges imposed on any safety-related system as a result of the change. Therefore, the possibility of a new or different [kind] of accident is not created.

There are no changes which would cause the malfunction of safety-related equipment, assumed to be OPERABLE in the accident analyses, as a result of the proposed Technical Specification change. No new equipment performance burdens are imposed. The possibility of a malfunction of safety-related equipment with a different result is not created.

Therefore, the proposed change does not create the possibility of a new or different [kind of] accident from any accident previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

The proposed change does not affect the acceptance criteria for any analyzed event nor is there a change to any safety analysis limit. There will be no effect on the manner in which safety limits, limiting safety system settings, or limiting conditions for operation are determined nor will there be any effect on those plant systems necessary to assure the accomplishment of protection functions. The proposed change does not adversely affect the fuel, fuel cladding, Reactor Coolant System, or containment integrity. The radiological dose consequence acceptance criteria listed in the Updated Final Safety Analysis Report will continue to be met.

Therefore, the proposed change does not involve a significant reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: Carey Fleming, Esquire, Senior Counsel—Nuclear Generation, Constellation Generation Group, LLC, 750 East Pratt Street, 17th floor, Baltimore, MD 21202.

NRC Acting Branch Chief: John P. Boska.

Carolina Power & Light Company, Docket Nos. 50-325 and 5-324 Brunswick Steam Electric Plant, Units 1 and 2, Brunswick County, North Carolina

Date of amendments request: December 21, 2006.

Description of amendment request: The proposed amendment would

modify technical specification (TS) requirements of TS 3.4.1, "Recirculation Loops Operating," to require the recirculation loops be operated with matched flows versus recirculation pump speeds as currently required. This change affects the Limiting Condition for Operation (LCO) requirements and Surveillance Requirements (SRs) of TS 3.4.1.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Does the proposed change involve a significant increase in the probability or consequences of an accident previously evaluated?

Response: No.

The proposed amendment implements more conservative requirements associated with recirculation loop operation. Specifically, the LCO requirements of TS 3.4.1 and SR 3.4.1.1 are being revised to directly monitor recirculation loop jet pump flows versus recirculation pump speed, eliminating potential non-conservatism associated with relating recirculation loop jet pump flow to recirculation pump speed. These requirements assure that the mismatch between recirculation loop jet pump flows are bounded by the existing design bases analyses. As a result, the proposed change ensures that the consequences of a design bases LOCA [loss-of-coolant accident] remain within the existing evaluation.

The proposed change does not involve a physical change to the Reactor Recirculation system, nor does it alter the assumptions of the accident analyses. Therefore the probability of an accident previously evaluated is not affected.

Based on the above, the proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. Does the proposed change create the possibility of a new or different kind of accident from any accident previously evaluated?

Response: No.

The proposed change does not involve a physical change to the Reactor Recirculation system, nor does it alter the assumptions of the accident analyses.

The implementation of more conservative requirements associated with recirculation loop operation does not introduce any new failure modes. Therefore, the proposed change does not create the possibility of a new or different kind of accident from any accident previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

Response: No.

The proposed amendment implements more conservative requirements associated with recirculation loop operation. These requirements ensure that the Reactor Recirculation system is operated consistent with the initial conditions of the existing

design bases analyses. Since the design bases analyses assumptions are unchanged, the proposed change does not involve a reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: David T. Conley, Associate General Counsel II—Legal Department, Progress Energy Service Company, LLC, Post Office Box 1551, Raleigh, North Carolina 27602.

NRC Branch Chief: L. Raghavan.

Dominion Energy Kewaunee, Inc. Docket No. 50–305, Kewaunee Power Station, Kewaunee County, Wisconsin

Date of amendment request: December 15, 2006.

Description of amendment request: The amendment would incorporate changes to the Technical Specifications (TS) associated with previously approved industry initiatives. The first change would relocate the Safety Limit Violation specifications from the administrative controls TS section to the safety limit TS sections as approved by TSTF–05–A, "Deletion of Safety Limit Violation Requirements." The second change would incorporate generic position titles, as approved by TSTF–65–A, "Use of Generic Titles for Utility Positions," and incorporates changes approved by NRC Administrative Letter (AL) 95–06, "Relocation of Technical Specification Administrative Controls Related to Quality Assurance."

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Does the proposed amendment involve a significant increase in the probability or consequences of an accident previously evaluated?

No. The proposed amendment consists of changes to and relocation of administrative TS requirements that were previously generically approved by the NRC. The proposed amendment would not change any of the previously evaluated accidents in the updated safety analysis report (USAR). The administrative controls that are affected by the proposed amendment do not have any function related to preventing or mitigating any of these previously evaluated accidents. The proposed amendment does not affect any systems, structures, or components (SSCs) that have the function of preventing or mitigating any of these previously evaluated accidents. The proposed amendment does

not increase the likelihood of the malfunction of an SSC, thus the potential impact on analyzed accidents need not be considered.

Because the proposed amendment is a relocation of administrative requirements that are not associated with preventing or mitigating the consequences of any previously evaluated accidents, there is no effect on the probability or consequences of an accident previously evaluated.

Therefore, the proposed amendment does not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. Does the proposed amendment create the possibility of a new or different kind of accident from any accident previously evaluated?

No. The proposed amendment consists of changes to and relocation of administrative TS requirements previously generically approved by the NRC. This amendment will not change the design function of any SSC or the manner that any SSC is operated. Because this amendment does not change the design function or operation of any SSC, the amendment would not create the possibility of a new or different kind of accident due to credible new failure mechanisms, malfunctions, or accident initiators not considered in the design and licensing bases.

Therefore, the proposed amendment does not create the possibility of a new or different kind of accident from any previously evaluated.

3. Does the proposed amendment involve a significant reduction in a margin of safety?

No. The proposed amendment consists of changes to and relocation of administrative TS requirements previously generically approved by the NRC. The amendment does not alter any design basis safety limit and no safety margins are affected.

Therefore, the proposed change does not involve a significant reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: Bradley D. Jackson, Esq., Foley and Lardner, P.O. Box 1497, Madison, WI 53701–1497.

NRC Acting Branch Chief: P. Milano.

Duke Power Company LLC, et al., Docket No. 50–413, Catawba Nuclear Station, Unit 1 (Catawba), York County, South Carolina

Date of amendment request: November 22, 2006.

Description of amendment request: The amendment would revise the Catawba Unit 1 Facility Operating License (FOL) to provide for an extension of the time limit to complete the required modification to the Emergency Core Cooling System (ECCS) sump.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. The proposed license amendment does not involve a significant increase in the probability or consequences of an accident previously evaluated.

The proposed license amendment delineates a new Unit 1 FOL condition to implement a completion date associated with the ECCS sump strainer modification. The proposed license amendment is administrative in nature and is being submitted to fulfill a commitment made in previous Duke licensing correspondence. Therefore, the proposed license amendment has no effect upon either the probability or consequences of an accident previously evaluated.

2. The proposed license amendment does not create the possibility of a new or different kind of accident from any accident previously evaluated.

As stated above, the proposed license amendment is administrative in nature and does not change the manner in which Unit 1 is designed or operated. Therefore, the proposed license amendment cannot create the possibility of a new or different kind of accident from any accident previously evaluated.

3. The proposed license amendment does not involve a significant reduction in a margin of safety.

Margin of safety is related to the confidence in the ability of the fission product barriers to perform their intended functions. These barriers include the fuel cladding, the reactor coolant system, and the containment. The performance of these barriers will not be affected by the addition of the proposed FOL condition. Being administrative in nature, the proposed license amendment therefore does not involve a significant reduction in any safety margin.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: Ms. Lisa F. Vaughn, Associate General Counsel and Managing Attorney, Duke Energy Carolinas, LLC, 526 South Church Street, EC07H, Charlotte, NC 28202.

NRC Branch Chief: Evangelos C. Marinos.

Duke Power Company LLC, Docket Nos. 50-369 and 50-370, McGuire Nuclear Station, Units 1 and 2, Mecklenburg County, North Carolina

Date of amendment request: April 11, 2006.

Description of amendment request: The proposed amendments would revise the Technical Specifications (TSs) related to the organizational description in TS 5.2.1

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration. The NRC staff has reviewed the licensee's analysis against the standards of 10 CFR 50.92(c). The NRC staff's review is presented below.

Criterion 1—The Proposed Change Does Not Involve a Significant Increase in the Probability or Consequences of an Accident Previously Evaluated

The proposed change revises an organizational description in TS 5.2.1 to reflect the change of the title of the Vice President Nuclear Generation. The change is solely administrative in nature and has no impact on any accident probabilities or consequences. The change does not affect structures or components in the plant. The change has no effect on any accident previously evaluated. Therefore the proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

Criterion 2—The Proposed Change Does Not Create the Possibility of a New or Different Kind of Accident From any Accident Previously Evaluated

There are no new accident causal mechanisms created as a result of this proposed change. No changes are being made to the plant that will introduce any new accident causal mechanisms. The change is solely administrative in nature and does not impact any plant systems that are accident initiators. Therefore, no new accidents or a different accident than previously evaluated is being created.

Criterion 3—The Proposed Change Does Not Involve a Significant Reduction in a Margin of Safety.

Margin of safety is related to confidence in the ability of the fission product barriers to perform their design functions during and following an accident situation. The proposed change is solely administrative in nature and does not affect the performance of the barriers. Consequently, no safety margins will be impacted. Therefore, the proposed change does not involve a significant reduction in a margin of safety.

Based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied, therefore, the NRC staff

proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: Ms. Lisa F. Vaughn, Duke Power Company LLC, 422 South Church Street, Charlotte, North Carolina 28201-1006.

NRC Branch Chief: Evangelos C. Marinos.

Exelon Generation Company, LLC (EGC), Docket Nos. STN 50-454 and STN 50-455, Byron Station, Unit Nos. 1 and 2, Ogle County, Illinois

Docket Nos. STN 50-456 and STN 50-457, Braidwood Station, Unit Nos. 1 and 2, Will County, Illinois.

Docket Nos. 50-237 and 50-249, Dresden Nuclear Power Station, Units 2 and 3, Grundy County, Illinois.

Docket Nos. 50-373 and 50-374, LaSalle County Station, Units 1 and 2, LaSalle County, Illinois.

Docket Nos. 50-277 and 50-278, Peach Bottom Atomic Power Station, Units 2 and 3, York and Lancaster Counties, Pennsylvania.

Docket Nos. 50-254 and 50-265, Quad Cities Nuclear Power Station, Units 1 and 2, Rock Island County, Illinois.

Date of amendment request: December 15, 2006.

Description of amendment request: The proposed amendment would modify the technical specifications (TSs) by replacing the term "plant-specific titles" with "generic titles" in TS Section 5.2.1.a, ensuring the TS description is consistent with the EGC Quality Assurance Topical Report (QATR). The proposed amendment will also revise the Peach Bottom TS Section 5.2.1.a, to replace the reference to the Updated Final Safety Analysis Report with reference to the EGC QATR. This will align the Peach Bottom TS wording with the rest of the EGC fleet.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Does the proposed change involve a significant increase in the probability or consequences of an accident previously evaluated?

Response: No.

The proposed change is a word replacement in TS 5.2.1, "Onsite and Offsite Organizations." The proposed change involves no changes to plant systems or accident analyses. The proposed change is administrative in nature and, as such, does not affect initiators of analyzed events or assumed mitigation of accidents or transients.

Therefore, the proposed change does not involve any increase in the probability or

consequences of an accident previously evaluated.

2. Does the proposed change create the possibility of a new or different kind of accident from any accident previously evaluated?

Response: No.

Creation of the possibility of a new or different kind of accident would require creating one or more new accident precursors. New accident precursors may be created by modifications of plant configuration, including changes in allowable modes of operation. The proposed change does not involve a physical alteration of the plant, add any new equipment, or allow any existing equipment to be operated in a manner different from the present method of operation.

Therefore, the proposed change does not create the possibility of a new or different kind of accident from any accident previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

Response: No.

The proposed change is administrative in nature and has no impact on equipment design or method of operation. There are no changes being made to safety limits or safety system allowable values that would adversely affect plant safety as a result of the proposed change.

Therefore, the proposed change does not involve a significant reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the requested amendments involve no significant hazards consideration.

Attorney for licensee: Mr. Bradley J. Fewell, Associate General Counsel, Exelon Generation Company, LLC, 4300 Winfield Road, Warrenville, IL 60555.

NRC Branch Chief: Michael L. Marshall, Jr.

Exelon Generation Company, LLC (EGC) Docket Nos. 50-254 and 50-265, Quad Cities Nuclear Power Station, Unit 1, Rock Island County, Illinois

Date of amendment request: January 16, 2007.

Description of amendment request: The proposed amendment revises the values of the safety limit minimum critical power ratio (SLMCPR) in the Quad Cities Nuclear Power Station (QCNPS), Unit 1, Technical Specification (TS) Section 2.1.1, "Reactor Core SLs [Safety Limits]." Specifically, the proposed change would require that for QCNPS, Unit 1, the minimum critical power ratio shall be greater than 1.11 for two recirculation loop operation, or greater than 1.13 for single recirculation loop operation. This change is needed to

support the next cycle of operation for QCNPS, Unit 1.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Does the proposed change involve a significant increase in the probability or consequences of an accident previously evaluated?

Response: No.

The probability of an evaluated accident is derived from the probabilities of the individual precursors to that accident. The consequences of an evaluated accident are determined by the operability of plant systems designed to mitigate those consequences. Limits have been established consistent with NRC-approved methods to ensure that fuel performance during normal, transient, and accident conditions is acceptable. The proposed change conservatively establishes the SLMCPR for QCNPS, Unit 1, Cycle 20 such that the fuel is protected during normal operation and during plant transients or anticipated operational occurrences (AOOs).

Changing the SLMCPR does not increase the probability of an evaluated accident. The change does not require any physical plant modifications, physically affect any plant components, or entail changes in plant operation. Therefore, no individual precursors of an accident are affected.

The proposed change revises the SLMCPR to protect the fuel during normal operation as well as during plant transients or AOOs. Operational limits will be established based on the proposed SLMCPR to ensure that the SLMCPR is not violated. This will ensure that the fuel design safety criterion (i.e., that at least 99.9% of the fuel rods do not experience transition boiling during normal operation and AOOs) is met. Since the proposed change does not affect operability of plant systems designed to mitigate any consequences of accidents, the consequences of an accident previously evaluated are not expected to increase.

Therefore, the proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. Does the proposed change create the possibility of a new or different kind of accident from any accident previously evaluated?

Response: No.

Creation of the possibility of a new or different kind of accident requires creating one or more new accident precursors. New accident precursors may be created by modifications of plant configuration, including changes in allowable modes of operation. The proposed change does not involve any plant configuration modifications or changes to allowable modes of operation. The proposed change to the SLMCPR assures that safety criteria are maintained for QCNPS, Unit 1, Cycle 20.

Therefore, the proposed change does not create the possibility of a new or different

kind of accident from any previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

Response: No.

The SLMCPR provides a margin of safety by ensuring that at least 99.9% of the fuel rods do not experience transition boiling during normal operation and AOOs if the MCPR limit is not violated. The proposed change will ensure the current level of fuel protection is maintained by continuing to ensure that at least 99.9% of the fuel rods do not experience transition boiling during normal operation and AOOs if the MCPR limit is not violated. The proposed SLMCPR values were developed using NRC-approved methods. Additionally, operational limits will be established based on the proposed SLMCPR to ensure that the SLMCPR is not violated. This will ensure that the fuel design safety criterion (i.e., that no more than 0.1% of the rods are expected to be in boiling transition if the MCPR limit is not violated) is met.

Therefore, the proposed change does not involve a significant reduction in a margin of safety.

Based upon the above, EGC concludes that the proposed amendment presents no significant hazards consideration under the standards set forth in 10 CFR 50.92(c), and, accordingly, a finding of no significant hazards consideration is justified.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the requested amendments involve no significant hazards consideration.

Attorney for licensee: Mr. Bradley J. Fewell, Associate General Counsel, Exelon Generation Company, LLC, 4300 Winfield Road, Warrenville, IL 60555.
NRC Branch Chief: Michael L. Marshall, Jr.

FirstEnergy Nuclear Operating Company, et al., Docket No. 50-440, Perry Nuclear Power Plant, Unit 1, Lake County, Ohio

Date of amendment request: December 29, 2006.

Description of amendment request: The proposed amendment revises Technical Specification (TS) 3.1.8, "Scram Discharge Volume (SDV) Vent and Drain Valves," to allow a vent or drain line with one inoperable valve to be isolated instead of requiring the valve to be restored to operable status within 7 days.

The NRC staff issued a notice of opportunity for comment in the **Federal Register** on February 24, 2003 (68 FR 8637), on possible amendments concerning the consolidated line item implement process (CLIP), including a model safety evaluation and a model no significant hazards consideration

(NSHC) determination. The NRC staff subsequently issued a notice of availability of the models for referencing in license amendment applications in the **Federal Register** on April 15, 2003 (68 FR 18294), as part of the CLIP. In its application dated December 29, 2006, the licensee affirmed the applicability of the following determination.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), an analysis of the issue of no significant hazards consideration is presented below:

1. The proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

A change is proposed to allow the affected SDV vent and drain line to be isolated when there are one or more SDV vent or drain lines with one valve inoperable instead or requiring the valve to be restored to operable status within 7 days. With one SDV vent or drain valve inoperable in one or more lines, the isolation function would be maintained since the redundant valve in the affected line would perform its safety function of isolating the SDV. Following the completion of the required action, the isolation function is fulfilled since the associated line is isolated. The ability to vent and drain the SDVs is maintained and controlled through administrative controls. This requirement assures the reactor protection system is not adversely affected by the inoperable valves. With the safety functions of the valves being maintained, the probability or consequences of an accident previously evaluated are not significantly increased.

2. The proposed change does not create the possibility of a new or different kind of accident from any accident previously evaluated.

The proposed change does not involve a physical alteration of the plant (no new or different type of equipment will be installed) or a change in the methods governing normal plant operation. Thus, this change does not create the possibility of a new or different kind of accident from any previously evaluated.

3. The proposed change does not involve a significant reduction in the margin of safety.

The proposed change ensures that the safety functions of the SDV vent and drain valves are fulfilled. The isolation function is maintained by redundant valves and by the required action to isolate the affected line. The ability to vent and drain the SDVs is maintained through administrative controls. In addition, the reactor protection system will prevent filling of an SDV to the point that it has insufficient volume to accept a full scram. Maintaining the safety functions related to isolation of the SDV and insertion of control rods ensures that the proposed change does not involve a significant reduction in the margin of safety.

The NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: David W. Jenkins, Attorney, FirstEnergy Corporation, 76 South Main Street, Akron, OH 44308.

NRC Branch Chief: Michael L. Marshall, Jr.

FirstEnergy Nuclear Operating Company, et al., Docket No. 50-440, Perry Nuclear Power Plant, Unit 1, Lake County, Ohio, and Docket Nos. 50-334 and 50-412, Beaver Valley Power Station, Unit Nos. 1 and 2, Beaver County, Pennsylvania

Date of amendment request: January 11, 2007.

Description of amendment request: The proposed license amendments would modify technical specification (TS) requirements for inoperable snubbers by adding Limiting Condition for Operation (LCO) 3.0.8. The proposed license amendments also modify LCO 3.0.1 to incorporate the addition of LCO 3.0.8. This change is based on the TS Task Force (TSTF) Traveler, TSTF-372, Revision 4. A notice of availability for this TS improvement using the consolidated line item improvement process was published in the **Federal Register** on May 4, 2005.

The Nuclear Regulatory Commission (NRC) staff issued a notice of availability of a model no significant hazards consideration (NSHC) determination for referencing license amendment applications in the **Federal Register** on November 24, 2004 (69 FR 68412), and May 4, 2005 (70 FR 23252). The licensee affirmed the applicability of the model NSHC determination in its application dated January 11, 2007.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. The Proposed Change Does Not Involve a Significant Increase in the Probability or Consequences of an Accident Previously Evaluated.

The proposed change allows a delay time for entering a supported system technical specification (TS) when the inoperability is due solely to an inoperable snubber if risk is assessed and managed. The postulated seismic event requiring snubbers is a low-probability occurrence and the overall TS system safety function would still be available for the vast majority of anticipated challenges. Therefore, the probability of an accident previously evaluated is not significantly increased, if at all. The consequences of an accident while relying on allowance provided by proposed LCO 3.0.8

are no different than the consequences of an accident while relying on the TS required actions in effect without the allowance provided by proposed LCO 3.0.8. Therefore the consequences of an accident previously evaluated are not significantly affected by this change. The addition of a requirement to assess and manage the risk introduced by this change will further minimize possible concerns. Therefore, this change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. The Proposed Change Does Not Create the Possibility of a New or Different Kind of Accident From Any Previously Evaluated.

The proposed change does not involve a physical alteration of the plant (no new or different type of equipment will be installed). Allowing delay times for entering supported system TS when inoperability is due solely to inoperable snubbers, if risk is assessed and managed, will not introduce new failure modes or effects and will not, in the absence of other unrelated failures, lead to an accident whose consequences exceed the consequences of accidents previously evaluated. The addition of a requirement to assess and manage the risk introduced by this change will further minimize possible concerns. Thus, this change does not create the possibility of a new or different kind of accident from an accident previously evaluated.

3. The Proposed Change Does Not Involve a Significant Reduction in the Margin of Safety.

The proposed change allows a delay time for entering a supported system TS when the inoperability is due solely to an inoperable snubber, if risk is assessed and managed. The postulated seismic event requiring snubbers is a low-probability occurrence and the overall TS system safety function would still be available for the vast majority of anticipated challenges. The risk impact of the proposed TS changes was assessed following the three-tiered approach recommended in RG 1.177. A bounding risk assessment was performed to justify the proposed TS changes. This application of LCO 3.0.8 is predicated upon the licensee's performance of a risk assessment and the management of plant risk. The net change to the margin of safety is insignificant. Therefore, this change does not involve a significant reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: David W. Jenkins, Attorney, FirstEnergy Corporation, 76 South Main Street, Akron, OH 44308.

NRC Branch Chief: Michael L. Marshall, Jr.

Nine Mile Point Nuclear Station (NMPNS), LLC, Docket No. 50-220, Nine Mile Point Nuclear Station Unit No. 1 (NMP1), Oswego County, New York

Date of amendment request: December 14, 2006.

Description of amendment request: The proposed license amendment would revise the accident source term used in the NMP1 design basis radiological consequence analyses in accordance with 10 CFR 50.67. The revised accident source term replaces the current methodology that is based on TID-14844, "Calculation of Distance Factors for Power and Test Reactor Sites," with the alternative source term (AST) methodology described in Regulatory Guide (RG) 1.183, "Alternative Source Terms for Evaluating Design Basis Accidents at Nuclear Power Reactors." The amendment request is for full implementation of the AST as described in RG 1.183, with the exception that TID-14844 will continue to be used as the radiation dose basis for equipment qualification and vital area access.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Does the proposed change involve a significant increase in the probability or consequences of an accident previously evaluated?

Response: No.

Adoption of the AST and those plant systems affected by implementing AST do not initiate DBAs [design-basis accidents]. The AST does not affect the design or manner in which the facility is operated; rather, for postulated accidents, the AST is an input to calculations that evaluate the radiological consequences. The AST does not by itself affect the post-accident plant response or the actual pathway of the radiation released from the fuel. It does, however, better represent the physical characteristics of the release, so that appropriate mitigation techniques may be applied. Implementation of the AST has been incorporated in the analyses for the limiting DBAs at NMP1.

The structures, systems and components affected by the proposed change mitigate the consequences of accidents after the accident has been initiated. Application of the AST does result in changes to NMP1 Updated Final Safety Analysis Report (UFSAR) functions (e.g., Liquid Poison system). As a condition of the application of AST, NMPNS is proposing to use the Liquid Poison system to control the suppression pool pH following a LOCA [loss-of-coolant accident]. The proposed changes also revise operability requirements for the secondary containment and certain post-accident filtration systems

while handling irradiated fuel that has decayed for greater than 24 hours and during core alterations. These changes have been included within the AST evaluations. These changes do not require any physical changes to the plant. As a result, the proposed changes do not involve a revision to the parameters or conditions that could contribute to the initiation of a DBA discussed in Chapter XV of the NMP1 UFSAR. Since design basis accident initiators are not being altered by adoption of the AST, the probability of an accident previously evaluated is not affected.

Plant-specific AST radiological analyses have been performed and, based on the results of these analyses, it has been demonstrated that the dose consequences of the limiting events considered in the analyses are within the acceptance criteria provided by the NRC for use with the AST. These criteria are presented in 10 CFR 50.67 and Regulatory Guide 1.183. Even though the AST dose limits are not directly comparable to the previously specified whole body and thyroid dose guidelines of General Design Criterion 19 and 10 CFR 100.11, the results of the AST analyses have demonstrated that the 10 CFR 50.67 limits are satisfied. Therefore, it is concluded that adoption of the AST does not involve a significant increase in the consequences of an accident previously evaluated.

Based on the above discussion, it is concluded that the proposed changes do not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. Does the proposed change create the possibility of a new or different kind of accident from any accident previously evaluated?

Response: No.

Implementation of AST and the proposed changes do not alter or involve any design basis accident initiators. These changes do not involve any physical changes to the plant and do not affect the design function or mode of operations of systems, structures, or components in the facility prior to a postulated accident. Since systems, structures, and components are operated essentially no differently after the AST implementation, no new failure modes are created by this proposed change.

Therefore, the proposed changes do not create the possibility of a new or different kind of accident from any accident previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

Response: No.

The changes proposed are associated with a new licensing basis for analysis of NMP1 DBAs. Approval of the licensing basis change from the original source term to the AST is being requested. The results of the accident analyses performed in support of the proposed changes are subject to revised acceptance criteria. The limiting DBAs have been analyzed using conservative methodologies, in accordance with the guidance contained in Regulatory Guide 1.183, to ensure that analyzed events are bounding and that safety margin has not been reduced. The dose consequences of these

limiting events are within the acceptance criteria presented in 10 CFR 50.67 and Regulatory Guide 1.183. Thus, the proposed changes continue to ensure that the doses at the exclusion area boundary and low population zone boundary, as well as in the control room, are within corresponding regulatory criteria.

Therefore, by meeting the applicable regulatory criteria for AST, it is concluded that the proposed changes do not involve a significant reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: Mark J. Wetterhahn, Esquire, Winston & Strawn, 1700 K Street, NW., Washington, DC 20006.

NRC Acting Branch Chief: John P. Boska.

Nine Mile Point Nuclear Station (NMPNS), LLC, Docket No. 50-410, Nine Mile Point Nuclear Station Unit No. 2 (NMP2), Oswego County, New York

Date of amendment request: January 4, 2007.

Description of amendment request: The proposed license amendment would revise Technical Specification (TS) 3.7.1, "Service Water (SW) System and Ultimate Heat Sink (UHS)," as follows: Revise the existing Limiting Condition for Operation (LCO) statement to require four operable SW pumps to be in operation when SW subsystem supply header water temperature is ≤ 82 °F; add a requirement that five operable SW pumps be in operation when SW subsystem supply header water temperature is > 82 °F and ≤ 84 °F; delete Condition G and the associated Required Actions and Completion Times; revise Surveillance Requirement 3.7.1.3 to increase the maximum allowed SW subsystem supply header water temperature from 82 °F to 84 °F; and modify the requirements for increasing the surveillance frequency as the temperature approaches the limit.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Does the proposed change involve a significant increase in the probability or consequences of an accident previously evaluated?

Response: No.

The proposed change eliminates the requirement to perform temperature averaging when the UHS temperature is >82 °F, establishes 84 °F as the design limit for UHS water temperature for operation on a continuous basis, and revises the frequency for verifying that the UHS temperature is within the prescribed limit. The TS currently allow operation with the UHS water temperature temporarily exceeding 82 °F, up to a maximum of 84 °F. The UHS temperature itself is not an initiator of accidents analyzed in the Updated Safety Analysis Report (USAR). Raising the maximum temperature limit and revising the associated surveillance requirement frequency do not involve any plant hardware changes or new operator actions that could serve to initiate an accident. Continuous operation with the elevated UHS temperature may result in a few balance-of-plant equipment high temperature alarms. Operator response to these alarms would be in accordance with established alarm response procedures. In all cases, trip setpoints leading to a reactor scram or a power runback will not be reached, and the likelihood of component failures that could initiate an accident will not be significantly increased.

The potential impact of the proposed change on the ability of the plant to mitigate postulated accidents has been evaluated. These evaluations demonstrate that safety-related systems and components that rely on the UHS as the cooling medium or as a pump suction source are capable of performing their intended safety functions at the higher UHS temperature, and that containment integrity and equipment qualification are maintained. The calculated post-accident dose consequences reflected in the USAR do not directly utilize UHS temperature as an input and thus are not impacted by the proposed change.

Based on the above, the proposed change will have no adverse effect on plant operation or the availability or operation of any accident mitigation equipment. Therefore, the proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. Does the proposed change create the possibility of a new or different kind of accident from any accident previously evaluated?

Response: No.

The proposed change will not alter the current plant configuration (no new or different type of equipment will be installed) or require any new or unusual operator actions. The proposed change will not alter the way any structure, system, or component functions and will not cause an adverse effect on plant operation or accident mitigation equipment. The response of the plant and the operators following a design-basis accident is unaffected by the change. The proposed change does not introduce any credible new failure mechanisms, malfunctions, or accident initiators not considered in the design and licensing bases. Analyses have shown that the design basis heat removal capability of the affected safety-related components is maintained at the increased UHS water temperature limit.

Therefore, the proposed change does not create the possibility of a new or different kind of accident from any accident previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

Response: No.

The margin of safety is determined by the design and qualification of the plant equipment, the operation of the plant within analyzed limits, and the point at which protective or mitigative actions are initiated. The proposed change does not impact these factors. An evaluation of the safety systems has been performed to ensure their safety functions can be met for operation with a UHS water temperature of 84 °F on a continuous basis. Operation with the UHS water temperature temporarily exceeding 82 °F, up to a maximum of 84 °F, is currently allowed. Operating on a continuous basis at the higher UHS temperature represents a slight reduction in design margins in terms of the ability of affected systems to remove accident heat loads. However, the evaluation has demonstrated that the proposed change does not have a significant impact on the capability of the affected systems to perform their safety-related post-accident functions and to mitigate accident consequences. The design limits for the containment and fuel cladding will not be exceeded, and equipment qualification will be maintained. No protection setpoints are affected by the proposed change. The revised frequency for performing the TS surveillance to verify that the UHS temperature is within the prescribed limit will continue to assure that plant operators are aware of and are monitoring increasing UHS temperature trends prior to reaching a value of 82 °F, when a fifth SW pump must be placed in operation. This action is no different than that required by the current TS.

Therefore, the proposed change does not involve a significant reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: Mark J.

Wetterhahn, Esquire, Winston & Strawn, 1700 K Street, NW., Washington, DC 20006.

NRC Acting Branch Chief: John P. Boska.

Nuclear Management Company, LLC, Docket No. 50-263, Monticello Nuclear Generating Plant, Wright County, Minnesota

Date of amendment request: January 29, 2007.

Description of amendment request: The proposed amendment would revise Table 3.3.5.1-1, "Emergency Core cooling System Instrumentation," of the Technical Specifications (TSs) to extend

the quarterly surveillance interval from quarterly to a nominal 24-month interval for three low pressure coolant injection loop select logic functions. Consistent with the extended test interval, the licensee also proposed to change the allowable values associated with each of the three logic functions (i.e., response time in seconds). The licensee stated that the quarterly surveillance requirement was inappropriately introduced when the TSs was converted from its previous custom format to the current Improved Technical Specification format by Amendment No. 146. Before the conversion, there was no such quarterly surveillance requirement. Furthermore, the plant was not designed to have these three logic functions tested while on-line.

Basis for proposed no significant hazards consideration determination: As required by Title 10 of the Code of Federal Regulations (10 CFR) Part 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration (NSHC). The NRC staff reviewed the licensee's analysis, and has performed its own analysis as follows:

(1) Does the proposed amendment involve a significant increase in the probability or consequences of an accident previously evaluated?

No. The proposed amendment would extend the performance interval from quarterly to a 24-month interval, and change the associated allowable values for the three logic functions. The performance of these surveillances, or the failure to perform, as well as the surveillance finding (i.e., response time in seconds) are not precursors to, and do not affect the probability of, an accident. There is no design or operation change associated with the proposed amendment. Therefore, the proposed amendment does not increase the probability of an accident previously evaluated.

A delay in performing these surveillances would not result in a system being unable to perform its required function. The extended surveillance and associated changed allowable values will not affect the three logic functions to operate as designed. Therefore, the plant systems required to mitigate accidents will remain capable of performing their design function. As a result, the proposed amendment will not lead to any significant change in the consequences of any accident.

(2) Does the proposed amendment create the possibility of a new or different kind of accident from any accident previously evaluated?

No. The proposed amendment does not involve a physical alteration of any system, structure, or component (SSC) or a change in the way any SSC is operated. The proposed amendment does not involve operation of any SSCs in a manner or configuration different from those previously recognized or evaluated. No new failure mechanisms will be introduced by the extended surveillance interval and associated allowable values. Thus, the proposed amendment does not create the possibility of a new or different kind of accident from any accident previously evaluated.

(3) Does the proposed amendment involve a significant reduction in a margin of safety?

No. The proposed amendment only changes the surveillance interval and associated allowable values for the three logic functions. There will be no modification of any TSs limiting condition for operation, no change to any limit on previously analyzed accidents, no change to how previously analyzed accidents or transients would be mitigated, no change in any methodology used to evaluate consequences of accidents, and no change in any operating procedure or process. The instrumentation and components involved in this proposed amendment have exhibited reliable operation based on the results of their performance during past periodic emergency core cooling system functional testing. Therefore, the proposed amendment does not involve a significant reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on the NRC staff's own analysis above, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the proposed amendment involves no significant hazards consideration.

Attorney for licensee: Jonathan Rogoff, Esquire, Vice President, Counsel & Secretary, Nuclear Management Company, LLC, 700 First Street, Hudson, WI 54016.

NRC Branch Chief: L. Raghavan.

Nuclear Management Company, LLC, Docket Nos. 50-282 and 50-306, Prairie Island Nuclear Generating Plant, Units 1 and 2, Goodhue County, Minnesota

Date of amendment request: January 29, 2007.

Description of amendment request: The proposed amendments would revise technical specification (TS) 3.5.3, "ECCS (Emergency Core Cooling Systems)—Shutdown" operability requirements for the Safety Injection (SI)

subsystem. These revisions will allow the required SI pump to be rendered incapable of injecting into the Reactor Coolant System (RCS) during low temperature (MODE 4) operations due to a single action or automatic signal. The capability of the plant operators to initiate SI flow on a timely basis will be maintained.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Do the proposed changes involve a significant increase in the probability or consequences of an accident previously evaluated?

Response: No.

This license amendment request proposes to add a new Note to Technical Specification 3.5.3, "Emergency Core Cooling System—Shutdown". This Note will allow the Safety Injection system to be considered operable within the Limiting Condition for Operation requirements while the system is not capable of automatic injection provided it is capable of being manually aligned for injection.

This Emergency Core Cooling System is not an accident initiator, thus the proposed changes do not increase the probability of an accident. The current licensing basis, Technical Specifications and Bases do not require automatic initiation instrumentation for the Emergency Core Cooling System in Mode 4, but rather assume operator action to mitigate an accident. With the proposed Technical Specification and Bases changes, the Emergency Core Cooling System will continue to be operable for manual initiation. Since the changes proposed in this license amendment request do not impact the performance of the system, these changes do not involve a significant increase in the consequences of an accident previously evaluated.

The changes proposed in this license amendment do not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. Do the proposed changes create the possibility of a new or different kind of accident from any accident previously evaluated?

Response: No.

This license amendment request proposes to add a new Note to Technical Specification 3.5.3, "Emergency Core Cooling System—Shutdown". This Note will allow the Safety Injection system to be considered operable within the Limiting Condition for Operation requirements while the system is not capable of automatic injection provided it is capable of being manually aligned for injection.

The changes proposed for the Emergency Core Cooling System Technical Specifications do not change any system operations, maintenance activities or testing requirements. The Limiting Condition for Operation will continue to be met, no new failure modes or mechanisms are created and no new accident precursors are generated by

this change. The Technical Specification changes proposed in this license amendment do not create the possibility of a new or different kind of accident from any previously evaluated.

3. Do the proposed changes involve a significant reduction in a margin of safety?

Response: No.

This license amendment request proposes to add a new Note to Technical Specification 3.5.3, "Emergency Core Cooling System—Shutdown". This Note will allow the Safety Injection system to be considered operable within the Limiting Condition for Operation requirements while the system is not capable of automatic injection provided it is capable of being manually aligned for injection.

The current licensing basis, Technical Specifications and Bases rely upon operator actions to initiate safety injection to mitigate an accident in Mode 4 and do not require operability of any process instrumentation capable of automatically initiating the Emergency Core Cooling System. With the changes proposed in this license amendment request, the safety injection system will continue to be operable and the plant will continue to rely on operator actions for safety injection initiation. Thus, the Technical Specification changes proposed in this license amendment request do not involve a significant reduction in a margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment requests involve no significant hazards consideration.

Attorney for licensee: Jonathan Rogoff, Esquire, Vice President, Counsel & Secretary, Nuclear Management Company, LLC, 700 First Street, Hudson, WI 54016.

NRC Acting Branch Chief: P. Milano.

PPL Susquehanna, LLC, Docket Nos. 50-387 and 50-388, Susquehanna Steam Electric Station, Units 1 and 2 (SSES 1 and 2), Luzerne County, Pennsylvania

Date of amendment request: October 11, 2006, as supplemented on October 25, November 21, and December 4, 2006.

Description of amendment request: The proposed amendments would increase the SSES 1 and 2 licensed thermal power to 3952 Mega-watts thermal (MWt), which is 20% above the original rated thermal power (RTP) of 3293 MWt, and approximately 13% above the current RTP of 3489 MWt. The proposed amendments would revise the SSES 1 and 2 Operating License and Technical Specifications necessary to implement the increased power level.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the

issue of no significant hazards consideration, which is presented below:

1. Does the proposed change involve a significant increase in the probability or consequences of an accident previously evaluated?

Extended Power Uprate

Response: No.

The probability (frequency of occurrence) of Design Basis Accidents occurring is not affected by the increased power level, because Susquehanna continues to comply with the regulatory and design basis criteria established for plant equipment. A probabilistic risk assessment demonstrates that the calculated core damage frequencies do not significantly change due to Constant Pressure Power Uprate (CPPU). Scram setpoints (equipment settings that initiate automatic plant shutdowns) are established such that there is no significant increase in scram frequency due to CPPU. No new challenges to safety-related equipment result from CPPU.

The changes in consequences of postulated accidents, which would occur from 102% of the CPPU (rated thermal power) RTP compared to those previously evaluated, are acceptable. The results of CPPU accident evaluations do not exceed the NRC-approved acceptance limits. The spectrum of postulated accidents and transients has been investigated, and are shown to meet the plant's currently licensed regulatory criteria. In the area of fuel and core design, for example, the Safety Limit Minimum Critical Power Ratio (SLMCPR) and other applicable Specified Acceptable Fuel Design Limits (SAFDLS) are still met. Continued compliance with the SLMCPR and other SAFDLs will be confirmed on a cycle specific basis consistent with the criteria accepted by the NRC.

Challenges to the Reactor Coolant Pressure Boundary were evaluated at CPPU conditions (pressure, temperature, flow, and radiation) were found to meet their acceptance criteria for allowable stresses and overpressure margin.

Challenges to the containment have been evaluated, and the containment and its associated cooling systems continue to meet 10 CFR [Part] 50, Appendix A, Criterion 16, Containment Design; Criterion 38, Containment Heat Removal; and Criterion 50, Containment Design Basis. The increase in the calculated post LOCA [loss-of-coolant accident] suppression pool temperature above the currently assumed peak temperature was evaluated and determined to be acceptable.

Radiological release events (accidents) have been evaluated, and shown to meet the guidelines of 10 CFR 50.67.

Therefore, the proposed changes do not involve a significant increase in the probability or consequences of an accident previously evaluated.

LPRM [Local Power Range Monitor] Calibration Interval Technical Specification SR [Surveillance Requirement] Frequency Change

Response: No.

The revised surveillance interval continues to ensure that the LPRM signal is adequately calibrated. This change will not alter the basic operation of process variables, structures, systems, or components as described in the SSES FSAR [final safety analysis report], and no new equipment is introduced by the change in LPRM surveillance interval. The performance of the APRM [average power range monitor] and RBM [rod block monitor] systems is not significantly affected by the proposed LPRM surveillance interval increase. Therefore, the probability of accidents previously evaluated is unchanged.

The proposed change results in no change in radiological consequences of the design basis LOCA as currently analyzed for SSES. The consequences of an accident can be affected by the thermal limits existing at the time of the postulated accident, but LPRM chamber exposure has no significant effect on the calculated thermal limits because LPRM accuracy does not significantly deviate with exposure. For the extended calibration interval, the assumption in the safety limit analysis remains valid, maintaining the accuracy of the thermal limit calculation. Therefore, the thermal limit calculation is not significantly affected by LPRM calibration frequency and the consequences of an accident previously evaluated are unchanged.

The change does not affect the initiation of any event, nor does it negatively impact the mitigation of any event. Therefore, the proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

RHR [Residual Heat Removal] Service Water System and Ultimate Heat Sink Technical Specification and Methods Change

Response: No.

The proposed changes do not involve any new initiators for any accidents nor do they increase the likelihood of a malfunction of any Structures, Systems or Components (SSCs). Implementation of the subject changes reduces the probability of adverse consequences of accidents previously evaluated, because inclusion of the manual spray array bypass isolation valves and the small spray array isolation valves in the Technical Specifications (TS) increases their reliability to function for safe shutdown. The use of the ANS/ANSI-5.1-1979 decay heat model in the UHS [ultimate heat sink] performance analysis is not relevant to accident initiation, but rather, pertains to the method used to evaluate currently postulated accidents. Its use does not, in any way, alter existing fission product boundaries, and provides a conservative prediction of decay heat. Therefore, the change in decay heat calculational method does not involve a significant increase in the probability or consequences of an accident previously evaluated.

Therefore, the proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

Containment Analysis Methods Change

Response: No.

The use of passive heat sinks, and the ANS/ANSI-5.1-1979 decay heat model are not relevant to accident initiation, but rather, pertain to the method used to evaluate postulated accidents. The use of these elements does not, in any way, alter existing fission product boundaries, and provides a conservative prediction of the containment response to DBA [design-basis accident]-LOCAs. Therefore[,] the Containment Analysis Method Change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

Feedwater Pump/Condensate Pump Trip Change

Response: No.

Feedwater pump trips and condensate pump trips rarely occur. A low water level SCRAM on loss of one feedwater pump or one condensate pump is bounded by the loss of all feedwater transient in Final Safety Analysis Report (FSAR) Appendix 15E. A trip of one feedwater pump or a trip of one condensate pump does not result in the loss of all feedwater. The Feedwater Pump / Condensate Pump Trip Change is included in the CPPU Probabilistic Risk Assessment (PRA). The best estimate for the Susquehanna Steam Electric Station (SSES) Core Damage Frequency (CDF) risk increase due to the CPPU is 6E-08 for Unit 1 and 7E-08 for Unit 2 which are in the lower left corner of Region III of Regulatory Guide [sic] (Reference 15) (i.e., very small risk changes). The best estimate for the Large Early Release Frequency (LERF) increase is 1.0E-09/yr for both units which is also in the lower left corner of the Region III range of Regulatory Guide 1.174. Therefore, the Feedwater Pump/Condensate Pump Trip Change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

Main Turbine Pressure Regulation System

Response: No.

Technical Specification 3.7.8 does not directly or indirectly affect any plant system, equipment, component, or change the process used to operate the plant. Technical Specification 3.7.8 would ensure acceptable performance, since it would establish requirements for adhering to the appropriate thermal limits, depending on the operability of the main turbine pressure regulation system. Use of the appropriate limits assures that the appropriate safety limits will not be exceeded during normal or anticipated operational occurrences. Thus, Technical Specification 3.7.8 does not involve a significant increase in the probability or consequences of an accident previously evaluated.

2. Does the proposed change create the possibility of a new or different kind of accident from any accident previously evaluated?

Extended Power Uprate

Response: No.

Equipment that could be affected by EPU has been evaluated. No new operating mode, safety-related equipment lineup, accident scenario, or equipment failure mode was identified. The full spectrum of accident

considerations has been evaluated and no new or different kind of accident has been identified. CPPU uses developed technology and applies it within capabilities of existing or modified plant safety related equipment in accordance with the regulatory criteria (including NRC approved codes, standards and methods). No new accidents or event precursors have been identified.

The SSES TS require revision to implement EPU. The revisions have been assessed and it was determined that the proposed change will not introduce a different accident than that previously evaluated. Therefore[,] the proposed changes do not create the possibility of a new or different kind of accident from any accident previously evaluated.

LPRM Calibration Interval Technical Specification SR Frequency Change

Response: No.

The proposed change will not physically alter the plant or its mode of operation. The performance of the APRM and RBM systems is not significantly affected by the proposed LPRM surveillance interval increase. As such, no new or different types of equipment will be installed and the basic operation of installed equipment is unchanged. The methods of governing plant operation and testing are consistent with current safety analysis assumptions. Therefore, the proposed change does not create the possibility of a new or different kind of accident from any accident previously evaluated.

RHR Service Water System and Ultimate Heat Sink Technical Specification and Methods Change

Response: No.

The subject changes apply Technical Specification controls to new UHS manual bypass isolation valves and the existing small spray array isolation valves. The design functions of the systems are not affected.

The addition of manually operated valves in the system, operational changes and the Technical Specification changes do not create the possibility of a new or different kind of accident from any previously evaluated.

The use of the ANS/ANSI-5.1-1979 decay heat model is not relevant to accident initiation, but rather pertains to the method used to evaluate currently postulated accidents. The use of this analytical tool does not involve any physical changes to plant structures or systems, and does not create a new initiating event for the spectrum of events currently postulated in the FSAR. Further, it does not result in the need to postulate any new accident scenarios. Therefore[,] the decay heat calculational method change does not create the possibility of a new or different kind of accident from any accident previously evaluated[.]

Containment Analysis Methods Change

Response: No.

The use of passive heat sinks and the ANS/ANSI-5.1-1979 decay heat model are not relevant to accident initiation, but pertain to the method used to evaluate currently postulated accidents. The use of these analytical tools does not involve any physical

changes to plant structures or systems, and does not create a new initiating event for the spectrum of events currently postulated in the FSAR. Further, they do not result in the need to postulate any new accident scenarios. Therefore, the Containment Analysis Method Change does not create the possibility of a new or different kind of accident from any accident previously evaluated.

Feedwater Pump/Condensate Pump Trip Change

Response: No.

The occurrence of a reactor SCRAM is already considered in the current licensing basis and is not an accident. A SCRAM resulting from the trip of a feedwater pump or a condensate pump is bounded by a loss of all feedwater event. The loss of all feedwater transient is already considered in the plant licensing basis. The SCRAM due to the feedwater or condensate pump trip does not change the results of the loss of all feedwater transient in any way. Therefore, the Feedwater Pump/Condensate Pump Trip Change does not create the possibility of a new or different kind of accident from any accident previously evaluated.

Main Turbine Pressure Regulation System

Response: No.

Technical Specification 3.7.8 will not directly or indirectly affect any plant system, equipment, or component and therefore does not affect the failure modes of any of these items. Thus, Technical Specification 3.7.8 does not create the possibility of a previously unevaluated operator error or a new single failure.

Therefore, Technical Specification 3.7.8 does not create the possibility of a new or different kind of accident from any accident previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

Extended Power Uprate

Response: No.

The CPPU affects only design and operational margins. Challenges to the fuel, reactor coolant pressure boundary, and containment were evaluated for CPPU conditions. Fuel integrity is maintained by meeting existing design and regulatory limits. The calculated loads on affected structures, systems and components, including the reactor coolant pressure boundary, will remain within their design allowables for design basis event categories. No NRC acceptance criterion is exceeded. Because the SSES configuration and responses to transients and postulated accidents do not result in exceeding the presently approved NRC acceptance limits, the proposed changes do not involve a significant reduction in a margin of safety.

LPRM Calibration Interval Technical Specification Change

Response: No.

The proposed change has no impact on equipment design or fundamental operation and there are no changes being made to safety limits or safety system allowable values that would adversely affect plant safety as a result of the proposed change. The

performance of the APRM and RBM systems is not significantly affected by the proposed LPRM surveillance interval increase. The margin of safety can be affected by the thermal limits existing prior to an accident; however, uncertainties associated with LPRM chamber exposure have no significant effect on the calculated thermal limits. For the extended calibration interval, the assumption in the safety limit analysis remains valid, maintaining the accuracy of the thermal limit calculation.

Since the proposed change does not affect safety analysis assumptions or initial conditions, the margin of safety in the safety analyses are maintained. Therefore, the proposed change does not involve a significant reduction in a margin of safety.

RHR Service Water System and Ultimate Heat Sink Technical Specification and Methods Change

Response: No.

Implementation of the subject changes does not significantly reduce the margin of safety since these changes add components and Technical Specification controls for the components not currently addressed in the Technical Specifications. These changes increase the reliability of the affected components/systems to function for safe shutdown.

Therefore[,] these changes do not involve a significant reduction in margin of safety.

The ANS/ANSI-5.1-1979 model provides a conservative prediction of decay heat. The use of this element is consistent with current industry standards, and has been previously accepted by the staff for use in containment analysis by other licensees, as described in GE Nuclear Energy, "Constant Pressure Power Uprate," Licensing Topical Report NEDC-33004P-A, Revision 4, dated July 2003; and the letter to Gary L. Sozzi (GE) from Ashok Thandani (NRC) on the Use of the SHEX Computer Program and ANSI/ANS 5.1-1979, "Decay Heat Source Term for Containment Long-Term Pressure and Temperature Analysis," July 13, 1993. Therefore, the decay heat calculational method change does not involve a significant reduction in the margin of safety.

Containment Analysis Methods Change

Response: No.

The use of passive heat sinks and the ANS/ANSI-5.1-1979 decay heat model are realistic phenomena, and provide a conservative prediction of the plant response to DBA-LOCAs. The use of these elements is consistent with current industry standards, and has been previously accepted by the staff for other licensees, as described in GE Nuclear Energy, "Constant Pressure Power Uprate," Licensing Topical Report NEDC-33004P-A, Revision 4, dated July 2003; the letter to Gary L. Sozzi (GE) from Ashok Thandani (NRC) on the Use of the SHEX Computer Program; and ANSI/ANS 5.1-1979, "Decay Heat Source Term for Containment Long-Term Pressure and Temperature Analysis," July 13, 1993. Therefore the Containment Analysis Method Change does not involve a significant reduction in [a] margin of safety.

Feedwater Pump/Condensate Pump Trip Change

Response: No.

A low water level SCRAM on loss of one feedwater pump or one condensate pump is bounded by the loss of all feedwater transient in FSAR Appendix 15E. The loss of all feedwater transient is a non-limiting event that does not contribute to the setting of the fuel safety limits. Consequently, a SCRAM resulting from a feedwater pump or condensate pump trip does not reduce the margin to fuel safety limits. Therefore, the potential for a SCRAM resulting from a feedwater pump trip or a condensate pump trip does not involve a significant reduction in [a] margin of safety.

Main Turbine Pressure Regulation System

Since Technical Specification 3.7.8 does not alter any plant system, equipment, component, or processes used to operate the plant, the proposed change will not jeopardize or degrade the function or operation of any plant system or component governed by Technical Specifications. Technical Specification 3.7.8 preserves the margin of safety by establishing requirements for adhering to the appropriate thermal limits.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: Bryan A. Snapp, Esquire, Assoc. General Counsel, PPL Services Corporation, 2 North Ninth St., GENTW3, Allentown, PA 18101-1179.

NRC (Acting) Branch Chief: Douglas V. Pickett.

Southern Nuclear Operating Company, Inc., Georgia Power Company, Oglethorpe Power Corporation, Municipal Electric Authority of Georgia, City of Dalton, Georgia, Docket Nos. 50-321 and 50-366, Edwin I. Hatch Nuclear Plant, Units 1 and 2, Appling County, Georgia

Date of amendment request: February 2, 2007.

Description of amendment request: The proposed amendments would revise Technical Specification (TS) LCO 3.10.1 to expand its scope to include provisions for temperature excursions greater than 212 degrees F as a consequence of scram time testing initiated in conjunction with an inservice leak or hydrostatic test. During these tests and with temperature greater than 212 degrees F, operational conditions are considered to be in Mode 4.

The NRC staff issued a notice of availability of a model safety evaluation and model no significant hazards

consideration (NSHC) determination for referencing in license amendment applications in the **Federal Register** on October 27, 2006 (71 FR 63050). The licensee affirmed the applicability of the model NSHC determination in its application dated February 2, 2007.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), an analysis of the issue of no significant hazards consideration is presented below:

Criterion 1—The Proposed Change Does Not Involve a Significant Increase in the Probability or Consequences of an Accident Previously Evaluated

Technical Specifications currently allow for operation at greater than 212 deg F while imposing MODE 4 requirements in addition to the secondary containment requirements required to be met. Extending the activities that can apply this allowance will not adversely impact the probability or consequences of an accident previously evaluated. Therefore, the proposed change does not involve a significant increase in the probability or consequences of an accident previously evaluated.

Criterion 2—The Proposed Change Does Not Create the Possibility of a New or Different Kind of Accident From Any Accident Previously Evaluated

Technical Specifications currently allow for operation at greater than 212 deg F while imposing MODE 4 requirements in addition to the secondary containment requirements required to be met. No new operational conditions beyond those currently allowed by LCO 3.10.1 are introduced. The changes do not involve a physical alteration of the plant (i.e., no new or different type of equipment will be installed) or a change in the methods governing normal plant operation. In addition, the changes do not impose any new or different requirements or eliminate any existing requirements. The changes do not alter assumptions made in the safety analysis. The proposed changes are consistent with the safety analysis assumptions and current plant operating practice. Therefore, the proposed change does not create the possibility of a new or different kind of accident from any accident previously evaluated.

Criterion 3—The Proposed Change Does Not Involve a Significant Reduction in a Margin of Safety

Technical Specifications currently allow for operation at greater than 212 deg F while imposing MODE 4 requirements in addition to the secondary containment requirements required to be met. Extending the activities that can apply this allowance will not adversely impact any margin of safety. Allowing completion of inspections and testing and supporting completion of scram time testing initiated in conjunction with an inservice leak or hydrostatic test prior to power operation results in enhanced safe operations by eliminating unnecessary maneuvers to control reactor temperature and pressure. Therefore, the proposed change

does not involve a significant reduction in a margin of safety.

The NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: Ernest L. Blake, Jr., Esquire, Shaw, Pittman, Potts and Trowbridge, 2300 N Street, NW., Washington, DC 20037.

NRC Branch Chief: Evangelos C. Marinos.

Tennessee Valley Authority, Docket No. 50-328, Sequoyah Nuclear Plant, Unit 2, Hamilton County, Tennessee

Date of amendment request: January 12, 2007.

Description of amendment request: The proposed amendment would revise the steam generator (SG) program requirements in the Sequoyah (SQN) Unit 2 Technical Specifications (TSs) to allow use of an SG voltage-based repair criteria probability of detection (POD) method using plant-specific SG tube inspection results. The proposed POD method is referred to as the probability of prior cycle detection (POPCD) method.

Basis for proposed no significant hazards consideration determination: As required by 10 CFR 50.91(a), the licensee has provided its analysis of the issue of no significant hazards consideration, which is presented below:

1. Does the proposed change involve a significant increase in the probability or consequences of an accident previously evaluated?

Response: No. The use of a revised SG voltage-based repair criteria POD method, the POPCD method, to determine the BOC [beginning of cycle] indication voltage distribution for the SQN Unit 2 operational assessments does not increase the probability of an accident. Based on industry and plant-specific bobbin detection data for ODSCC [outside diameter stress corrosion cracking] within the SG tube support plate (TSP) region, large voltage bobbin indications which individually can challenge structural or leakage integrity can be detected with near 100 percent certainty. Since large voltage outside diameter stress corrosion cracking ODSCC bobbin indications within the SG TSP can be detected, they will not be left in service, and therefore these indications should not be included in the voltage distribution for the purpose of operational assessments. The POPCD method improves the estimate of potentially undetected indications for operational assessments, but does not directly affect the inspection results. Since large voltage indications are detected, they will not result in an increase in the probability of SG tube rupture accident or an increase in the consequences of a tube rupture or main steam line break (MSLB) accident.

2. Does the proposed change create the possibility of a new or different accident from any accident previously evaluated?

Response: No.

The use of the POPCD method is associated with numerical predictions of probabilities for the steam generator tube rupture (SGTR) accident. Since the SGTR accident is considered in SQN's Updated Final Safety Analysis Report, there is no possibility to create a design basis accident that has not been previously evaluated. Therefore, the proposed change does not create the possibility of a new or different accident from any accident previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

Response: No. The use of the POPCD method to determine the BOC voltage distribution for the SQN Unit 2 operational assessments does not involve a significant reduction in a margin of safety. The applicable margin of safety potentially impacted is the SG tube structural and leakage criteria. Based on industry and plant-specific bobbin detection data for ODS/CC within the SG TSP region, large voltage bobbin indications that can individually challenge structural or leakage integrity can be detected with near 100 percent certainty and will not be left in service. Therefore, these indications should not be included in the voltage distribution for the purposes of operational assessments. Since these large voltage indications are detected, they will not result in a significant increase in the actual EOC [end of cycle] leakage for a MSLB accident or the actual EOC probability of burst. The POPCD method approach to POD considers the potential for missing indications that might challenge structural or leakage integrity by applying the POPCD data from successive inspections. If a large indication was missed in one inspection, it would continue to grow until detected in a later inspection. Accordingly, there is no significant increase in the margin of safety.

The NRC staff has reviewed the licensee's analysis and, based on this review, it appears that the three standards of 10 CFR 50.92(c) are satisfied. Therefore, the NRC staff proposes to determine that the amendment request involves no significant hazards consideration.

Attorney for licensee: General Counsel, Tennessee Valley Authority, 400 West Summit Hill Drive, ET 11A, Knoxville, Tennessee 37902.

NRC Branch Chief: Brenda Mozafari (Acting).

Previously Published Notices of Consideration of Issuance of Amendments to Facility Operating Licenses, Proposed No Significant Hazards Consideration Determination, and Opportunity for a Hearing

The following notices were previously published as separate individual notices. The notice content was the same as above. They were published as individual notices either because time

did not allow the Commission to wait for this biweekly notice or because the action involved exigent circumstances. They are repeated here because the biweekly notice lists all amendments issued or proposed to be issued involving no significant hazards consideration.

For details, see the individual notice in the **Federal Register** on the day and page cited. This notice does not extend the notice period of the original notice.

Energy Northwest, Docket No. 50-397, Columbia Generating Station, Benton County, Washington

Date of amendment request: February 2, 2007.

Description of amendment request: The proposed amendment would revise Technical Specification 3.6.1.7, "Suppression Chamber-to-Drywell Vacuum Breakers," to allow a one-time extension to the current closure verification surveillance requirement for one of two redundant disks in one of nine vacuum breakers until reliable position indication can be restored in the main control room during the next refueling outage (R-18), which is scheduled to begin on May 12, 2007.

*Date of publication of individual notice in **Federal Register**:* February 12, 2007 (72 FR 6606).

Expiration date of individual notice: February 26, 2007.

Entergy Nuclear Operations, Inc., Docket No. 50-293, Pilgrim Nuclear Power Station, Plymouth County, Massachusetts

Date of application for amendment: December 27, 2006.

Brief description of amendment: The proposed amendment would revise Limiting Condition for Operation 3.14.A to adopt the Technical Specification Task Force 484, Revision 0, "Use of Technical Specification 3.10.1 for Scram Time Testing Activities."

*Date of publication of individual notice in **Federal Register**:* February 20, 2007 (72 FR 7776).

Expiration date of individual notice: March 22, 2007 (public comments) and April 23, 2007 (hearing requests).

Entergy Nuclear Operations, Inc., Docket No. 50-293, Pilgrim Nuclear Power Station, Plymouth County, Massachusetts

Date of application for amendment: January 15, 2007.

Brief description of amendment: The amendment request supercedes the previously submitted license amendment request dated April 12, 2006, proposing new Pressure-Temperature (PT) curves and to extend

the applicability of current PT limits expressed in Technical Specification Figures 3.6.1, 3.6.2, and 3.6.3 through the end of operating cycle 18.

*Date of publication of individual notice in **Federal Register**:* February 12, 2007 (72 FR 6609).

Expiration date of individual notice: March 14, 2007 (public comments) and April 13, 2007 (hearing requests).

PSEG Nuclear LLC, Docket No. 50-272, Salem Nuclear Generating Station, Unit No. 1, Salem County, New Jersey

Date of amendment request: January 18, 2007.

Brief description of amendment request: The amendment request proposes a one-time change to the Technical Specifications (TSs) regarding the steam generator (SG) tube inspection and repair required for the portion of the SG tubes passing through the tubesheet region. Specifically, for Salem Unit No. 1 refueling outage 18 (planned for spring 2007) and the subsequent operating cycle, the proposed TS changes would limit the required inspection (and repair if degradation is found) to the portions of the SG tubes passing through the upper 17 inches of the approximate 21-inch tubesheet region.

*Date of publication of individual notice in **Federal Register**:* January 25, 2007 (72 FR 3427).

Expiration date of individual notice: February 26, 2007 (public comments) and March 26, 2007 (hearing requests).

Notice of Issuance of Amendments to Facility Operating Licenses

During the period since publication of the last biweekly notice, the Commission has issued the following amendments. The Commission has determined for each of these amendments that the application complies with the standards and requirements of the Atomic Energy Act of 1954, as amended (the Act), and the Commission's rules and regulations. The Commission has made appropriate findings as required by the Act and the Commission's rules and regulations in 10 CFR Chapter I, which are set forth in the license amendment.

Notice of Consideration of Issuance of Amendment to Facility Operating License, Proposed No Significant Hazards Consideration Determination, and Opportunity for a Hearing in connection with these actions was published in the **Federal Register** as indicated.

Unless otherwise indicated, the Commission has determined that these amendments satisfy the criteria for categorical exclusion in accordance

with 10 CFR 51.22. Therefore, pursuant to 10 CFR 51.22(b), no environmental impact statement or environmental assessment need be prepared for these amendments. If the Commission has prepared an environmental assessment under the special circumstances provision in 10 CFR 51.22(b) and has made a determination based on that assessment, it is so indicated.

For further details with respect to the action see (1) the applications for amendment, (2) the amendment, and (3) the Commission's related letter, Safety Evaluation and/or Environmental Assessment as indicated. All of these items are available for public inspection at the Commission's Public Document Room (PDR), located at One White Flint North, Public File Area 01F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible from the Agencywide Documents Access and Management Systems (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. If you do not have access to ADAMS or if there are problems in accessing the documents located in ADAMS, contact the PDR Reference staff at 1 (800) 397-4209, (301) 415-4737 or by e-mail to pdr@nrc.gov.

Arizona Public Service Company, et al., Docket Nos. STN 50-528, STN 50-529, and STN 50-530, Palo Verde Nuclear Generating Station, Units Nos. 1, 2, and 3, Maricopa County, Arizona

Date of application for amendments: September 28, 2006.

Brief description of amendments: The amendments revised Technical Specification (TS) requirements for mode change limitations in Limiting Condition for Operation (LCO) 3.0.4 and Surveillance Requirement 3.0.4 to adopt the provisions of Industry/TS Task Force (TSTF) Traveler number TSTF-359, "Increase Flexibility in Mode Restraints." The amendments also revised TS Example 1.4-1 to reflect the changes made to LCO 3.0.4 and to be consistent with TSTF-485, which has been incorporated into the Standard Technical Specifications Revision 3.1.

Date of issuance: February 21, 2007.

Effective date: As of the date of issuance and shall be implemented within 120 days from the date of issuance.

Amendment Nos.: Unit 1-165, Unit 2-165, Unit 3-165.

Facility Operating License Nos. NPF-41, NPF-51, and NPF-74: The amendments revised the Operating License and Technical Specifications.

Date of initial notice in Federal Register: November 7, 2006 (71 FR 65140). The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 21, 2007.

No significant hazards consideration comments received: No.

Arizona Public Service Company, et al., Docket Nos. STN 50-528, STN 50-529, and STN 50-530, Palo Verde Nuclear Generating Station, Units Nos. 1, 2, and 3, Maricopa County, Arizona

Date of application for amendments: February 14, 2006.

Brief description of amendments: The amendments revised Technical Specification (TS) requirements in the Limiting Condition for Operation for TS 3.6.3, "Containment Isolation Valves," and associated Actions and Surveillance Requirements to allow for a blind flange to be used for containment isolation in each of the two flow paths of the 42-inch refueling purge valves in Modes 1 through 4, without remaining in TS 3.6.3 Condition D.

Date of issuance: February 22, 2007.

Effective date: As of the date of issuance and shall be implemented within 90 days from the date of issuance.

Amendment Nos.: Unit 1-166, Unit 2-166, Unit 3-166.

Facility Operating License Nos. NPF-41, NPF-51, and NPF-74: The amendments revised the Operating License and Technical Specifications.

Date of initial notice in Federal Register: March 14, 2006 (71 FR 13171).

The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 22, 2007.

No significant hazards consideration comments received: No.

Carolina Power & Light Company, Docket Nos. 50-325 and 50-324, Brunswick Steam Electric Plant, Units 1 and 2, Brunswick County, North Carolina

Date of application for amendments: April 26, 2006.

Brief Description of amendments: Revised the Technical Specification (TS) requirements for inoperable snubbers by adding Limiting Condition for Operation 3.0.8.

Date of issuance: February 15, 2007.

Effective date: February 15, 2007, implement within 90 days.

Amendment Nos.: 241 and 269.

Renewed Facility Operating License Nos. DPR-71 and DPR-62: Amendments change the TSs.

Date of initial notice in Federal Register: June 6, 2006 (71 FR 32603).

The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 15, 2007.

Duke Power Company LLC, Docket Nos. 50-369 and 50-370, McGuire Nuclear Station, Units 1 and 2, Mecklenburg County, North Carolina

Date of application for amendments: April 11, 2006, as supplemented November 29, 2006.

Brief description of amendments: The amendments revised the Technical Specifications (TSs) related to steam generator tube integrity. The changes are consistent with the consolidated line-item improvement process, Nuclear Regulatory Commission's approved Technical Specification Task Force (TSTF) Standard Specification Change Traveler, TSTF-449, Revision 4, "Steam Generator Tube Integrity."

Date of issuance: March 1, 2007.

Effective date: As of the date of issuance and shall be implemented within 120 days from the date of issuance.

Amendment Nos.: 237, 218.

Renewed Facility Operating License Nos. NPF-9 and NPF-17: Amendments revised the licenses and the technical specifications.

Date of initial notice in Federal Register: December 5, 2006 (71 FR 70557) The supplement dated November 29, 2006, provided additional information that clarified the application, did not expand the scope of the application as originally noticed, and did not change the staff's original proposed no significant hazards consideration determination. The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated March 1, 2007.

No significant hazards consideration comments received: No.

Entergy Operations, Inc., Docket No. 50-368, Arkansas Nuclear One, Unit No. 2 (ANO-2), Pope County, Arkansas

Date of application for amendment: March 20, 2006.

Brief description of amendment: The amendment removed ANO-2 reactor coolant structural integrity requirements contained in TS 3.4.10.1. The TS change is consistent with NUREG-1432, "Standard Technical Specifications Combustion Engineering Plants," Revision 3.1. The Bases for TS 3.4.10.1 will be deleted and performed under the ANO-2 TS Bases Control Program, and is not included with the submittal. The amendment also rennumbers TS pages 3/4 4-22a, 23, 23a, and 23b as TS pages 3/4 4-23, 24, 25, and 26, respectively.

Date of issuance: March 1, 2007.

Effective date: As of the date of issuance and shall be implemented within 60 days from the date of issuance.

Amendment No.: 270.

Renewed Facility Operating License No. NPF-6: Amendment revised the Technical Specifications/license.

Date of initial notice in Federal Register: May 9, 2006 (71 FR 26999). The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated March 1, 2007.

No significant hazards consideration comments received: No.

Entergy Operations, Inc., System Energy Resources, Inc., South Mississippi Electric Power Association, and Entergy Mississippi, Inc., Docket No. 50-416, Grand Gulf Nuclear Station, Unit 1, Claiborne County, Mississippi

Date of application for amendment: November 1, 2006.

Brief description of amendment: The amendment modified technical specification requirements for inoperable snubbers by adding Limiting Condition of Operation 3.0.8 using the Consolidated Line Item Improvement Process.

Date of issuance: February 20, 2007.

Effective date: As of the date of issuance and shall be implemented within 90 days of issuance.

Amendment No.: 171.

Facility Operating License No. NPF-29: The amendment revises the Facility Operating License and Technical Specifications.

Date of initial notice in Federal Register: December 5, 2006 (71 FR 70558). The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 20, 2007.

No significant hazards consideration comments received: No.

Entergy Operations, Inc., System Energy Resources, Inc., South Mississippi Electric Power Association, and Entergy Mississippi, Inc., Docket No. 50-416, Grand Gulf Nuclear Station, Unit 1, Claiborne County, Mississippi

Date of application for amendment: November 13, 2006.

Brief description of amendment: The amendment revised Grand Gulf Nuclear Station, Unit 1, Technical Specification (TS) Limiting Condition of Operation 3.10.1, and the associated TS Bases, to expand its scope to include provisions for temperature excursions greater than 200 °F as a consequence of inservice leak and hydrostatic testing, and as a consequence of scram time testing initiated in conjunction with an inservice leak or hydrostatic test, while

considering operational conditions to be in MODE 4.

Date of issuance: February 21, 2007.

Effective date: As of the date of issuance and shall be implemented within 60 days of issuance.

Amendment No.: 172.

Facility Operating License No. NPF-29: The amendment revises the Operating License and Technical Specifications.

Date of initial notice in Federal Register: December 19, 2006 (71 FR 75993). The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 21, 2007.

No significant hazards consideration comments received: No.

Entergy Operations, Inc., System Energy Resources, Inc., South Mississippi Electric Power Association, and Entergy Mississippi, Inc., Docket No. 50-416, Grand Gulf Nuclear Station, Unit 1, Claiborne County, Mississippi

Date of application for amendment: May 8, 2006, as supplemented by letter dated November 16, 2006.

Brief description of amendment: The change added an NRC-approved topical report to the analytical methods referenced in Technical Specification Section 5.6.5, "Core Operating Limits Report (COLR)."

Date of issuance: February 22, 2007.

Effective date: As of the date of issuance and shall be implemented prior to Cycle 16 operation.

Amendment No.: 173.

Facility Operating License No. NPF-29: The amendment revised the Facility Operating License and Technical Specifications.

Date of initial notice in Federal Register: June 20, 2006 (71 FR 35458). The supplement dated November 16, 2006, provided additional information that clarified the application, did not expand the scope of the application as originally noticed, and did not change the staff's original proposed no significant hazards consideration determination as published in the **Federal Register**.

The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 22, 2007.

No significant hazards consideration comments received: No.

Entergy Nuclear Operations, Inc., Docket Nos. 50-247 and 50-286, Indian Point Nuclear Generating Unit Nos. 2 and 3, Westchester County, New York

Date of application for amendment: May 31, 2006, as supplemented by letter dated August 30, 2006.

Brief description of amendment: The amendments revise the Technical Specifications (TSs) associated with steam generator tube integrity consistent with Revision 4 to the TS Task Force (TSTF) Standard Technical Specification Change Document TSTF-449, "Steam Generator Tube Integrity."

Date of issuance: February 20, 2007.

Effective date: As of the date of issuance, and shall be implemented within 60 days.

Amendment No.: 251 and 233.

Facility Operating License Nos. DPR-26 and DPR-64: The amendment revised the License and the TSs.

Date of initial notice in Federal Register: August 1, 2006 (71 FR 43531). The August 30, 2006, supplement provided additional information that clarified the application, did not expand the scope of the application as originally noticed, and did not change the NRC staff's original proposed no significant hazards consideration determination as published in the **Federal Register**.

The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 20, 2007.

No significant hazards consideration comments received: No.

Exelon Generation Company, LLC, Docket Nos. 50-373 and 50-374, LaSalle County Station, Units 1 and 2, LaSalle County, Illinois

Date of application for amendments: April 4, 2006.

Brief description of amendments: The amendments add one NRC-approved topical report reference to the list of analytical methods in Technical Specification (TS) Section 5.6.5, "Core Operating Limits Report (COLR)," that can be used to determine core operating limits and delete seven obsolete references from the same TS section.

Date of issuance: February 15, 2007.

Effective date: As of the date of issuance and shall be implemented within 30 days.

Amendment Nos.: 181/168.

Facility Operating License Nos. NPF-11 and NPF-18: The amendments revised the Technical Specifications and License.

Date of initial notice in Federal Register: August 15, 2006 (71 FR 46933). The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 15, 2007.

No significant hazards consideration comments received: No.

FirstEnergy Nuclear Operating Company, et al., Docket Nos. 50-334 and 50-412, Beaver Valley Power Station, Unit Nos. 1 and 2, Beaver County, Pennsylvania

Date of application for amendments: February 25, 2005, as supplemented by letters dated November 11, 2005, April 19, July 10, 2006, September 1, October 24, December 7, 2006, and February 1, 2007.

Brief description of amendments: The amendment converts the current Technical Specifications to the Improved Technical Specifications (ITSs) format and relocates certain requirements to other licensee-controlled documents. The ITSs are based on NUREG-1431, "Standard Technical Specifications—Westinghouse Plants," Revision 2, with the Technical Specification Task Force changes to make the Beaver Valley Power Station Unit Nos. 1 and 2 (BVPS-1 and 2) ITS more consistent with Revision 3; the Commission's Final Policy Statement, "NRC Final Policy Statement on Technical Specification Improvements for Nuclear Power Reactors," dated July 22, 1993 (58 FR 39132); and 10 CFR 50.36, "Technical specifications." The purpose of the conversion is to provide clearer and more readily understandable requirements in the TSs for BVPS-1 and 2 to ensure safe operation. In addition, the amendment includes a number of issues that were considered beyond the scope of NUREG-1431.

Date of issuance: February 1, 2007.

Effective date: As of the date of issuance, and shall be implemented within 150 days.

Amendment Nos.: 278 and 161.

Facility Operating License Nos. DPR-66 and NPF-73: The amendment revised the License and the Technical Specifications.

Date of initial notice in Federal Register: March 22, 2006 (71 FR 14554). The letters dated November 11, 2005, April 19, July 10, 2006, September 1, October 24, December 7, 2006, and February 1, 2007, supplement provided additional information that clarified the application, did not expand the scope of the application as originally noticed, and did not change the NRC staff's original proposed no significant hazards consideration determination as published in the **Federal Register**.

The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 1, 2007.

No significant hazards consideration comments received: No.

FPL Energy Seabrook, LLC, Docket No. 50-443, Seabrook Station, Unit No. 1, Rockingham County, New Hampshire

Date of amendment request: April 28, 2006.

Description of amendment request: The amendment revised the Seabrook Technical Specifications (TSs) Limiting Condition for Operation 3.0.4 and Surveillance Requirement (SR) 4.0.4 to adopt the provisions of Industry/TS Task Force (TSTF) change TSTF-359, Revision 9, "Increased Flexibility in Mode Restraints." TSTF-359 is part of the consolidated line item improvement process. Specifically, the proposed change allows, for systems and components, mode changes into a TS condition that has a specific required action and completion time.

Date of issuance: February 9, 2007.

Effective date: As of its date of issuance, and shall be implemented within 90 days.

Amendment No.: 114.

Facility Operating License No. NPF-86: The amendment revised the TSs.

Date of initial notice in Federal Register: July 5, 2006 (71 FR 38182). The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 9, 2007.

No significant hazards consideration comments received: No.

Nuclear Management Company, LLC, Docket Nos. 50-266 and 50-301, Point Beach Nuclear Plant, Units 1 and 2, Town of Two Creeks, Manitowoc County, Wisconsin

Date of application for amendments: October 23, 2006.

Brief description of amendments: The amendments to the Technical Specifications (TSs) eliminate the use of the defined term CORE ALTERATIONS in the TSs.

Date of issuance: February 15, 2007.

Effective date: As of the date of issuance and shall be implemented within 30 days.

Amendment Nos.: 224 & 230.

Renewed Facility Operating License Nos. DPR-24 and DPR-27: Amendments revised the Technical Specifications/License.

Date of initial notice in Federal Register: December 5, 2006 (71 FR 70562). The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 15, 2007.

No significant hazards consideration comments received: No.

Nuclear Management Company, LLC, Docket Nos. 50-282 and 50-306, Prairie Island Nuclear Generating Plant (PINGP), Units 1 and 2, Goodhue County, Minnesota

Date of application for amendments: February 13, 2006.

Brief description of amendments: The amendments revise Prairie Island Nuclear Generating Plant, Units 1 and 2, Technical Specifications (TS) to change the wording in TS 3.0, "Surveillance Requirement (SR) Applicability" and change format and titles in TS 5.0, "Administrative Controls." The proposed changes improve the TS usability, conformance with the industry standard, NUREG-1431, "Standard Technical Specifications, Westinghouse Plants," Revision 3.0 and accuracy.

Date of issuance: February 13, 2007.

Effective date: As of the date of issuance and shall be implemented within 90 days.

Amendment Nos.: 176 and 166.

Facility Operating License Nos. DPR-42 and DPR-60: Amendments revised the Technical Specifications.

Date of initial notice in Federal Register: April 11, 2006 (71 FR 18375). The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 13, 2007.

No significant hazards consideration comments received: No.

Omaha Public Power District, Docket No. 50-285, Fort Calhoun Station, Unit No. 1, Washington County, Nebraska

Date of amendment request: November 13, 2006.

Brief description of amendment: The amendment relocated the requirements of Technical Specification (TS) 2.22, "Toxic Gas Monitors," and TS Table 3-3, Item 29, to the Fort Calhoun Station, Unit No. 1, Updated Safety Analysis Report.

Date of issuance: February 28, 2007.

Effective date: As of its date of issuance and shall be implemented within 120 days of issuance.

Amendment No.: 248.

Renewed Facility Operating License No. DPR-40: The amendment revised the Technical Specifications.

Date of initial notice in Federal Register: December 19, 2006 (71 FR 75996). The Commission's related evaluation of the amendment is contained in a safety evaluation dated February 28, 2007.

No significant hazards consideration comments received: No.

PPL Susquehanna, LLC, Docket No. 50-387 and 50-388, Susquehanna Steam Electric Station, Units 1 and 2 (SSES 1 and 2), Luzerne County, Pennsylvania

Date of application for amendments: April 28, 2006.

Brief description of amendments: The amendments revise the SSES 1 and 2 Technical Specifications 3.1.7, "Standby Liquid Control (SLC) System," to modify the SLC system for single loop pump operation and the use of enriched sodium pentaborate solution.

Date of issuance: February 28, 2007.

Effective date: As of the date of issuance and to be implemented prior to the startup following the SSES 1 Spring 2008 15th refueling outage and SSES 2 Spring 2007 13th refueling outage for Units 1 and 2, respectively.

Amendment Nos.: 240 and 217.

Facility Operating License Nos. NPF-14 and NPF-22: The amendments revised the TSs and license.

Date of initial notice in Federal Register: August 15, 2006 (71 FR 46936). The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 28, 2007.

No significant hazards consideration comments received: No.

Tennessee Valley Authority, Docket Nos. 50-259 Browns Ferry Nuclear Plant, Unit 1, Limestone County, Alabama

Date of application for amendment: May 1, 2006 (TS-455), as supplemented by letters dated September 1, and November 6, 2006.

Brief description of amendment: The amendment revises the numeric values of the safety limit critical power ratio (SLMCPR) in the Technical Specification (TS) Section 2.1.1.2 for one and two reactor recirculation loop operation to incorporate the results of the Cycle 7 SLMCPR analysis.

Date of issuance: February 6, 2007.

Effective date: Date of issuance, to be implemented within 60 days.

Amendment No.: 267.

Facility Operating License Nos. DPR-33: Amendment revised the TSs.

Date of initial notice in Federal Register: August 15, 2006 (71 FR 46937). The supplements dated September 1, and November 6, 2006, provided additional information that clarified the application, did not expand the scope of the application as originally noticed, and did not change the staff's original proposed no significant hazards consideration determination as published in the **Federal Register**.

The Commission's related evaluation of the amendment is contained in a

Safety Evaluation dated February 6, 2007.

No significant hazards consideration comments received: No.

TXU Generation Company LP, Docket Nos. 50-445 and 50-446, Comanche Peak Steam Electric Station, Unit Nos. 1 and 2, Somervell County, Texas

Date of amendment request: August 22, 2005, as supplemented by letters dated September 18 and October 23, 2006.

Brief description of amendments: The amendments revised the Final Safety Evaluation Report Sections 1, 6, and 15. The changes reflect the licensee's adoption of Nuclear Regulatory Commission's Regulatory Guide 1.195, "Methods and Assumptions for Evaluating Radiological Consequences of Design Basis Accidents at Light-Water Reactors," for calculating radiological consequences and replacement of steam generators for Comanche Peak Steam Electric Station, Unit 1, in the spring of 2007.

Date of issuance: February 20, 2007.

Effective date: As of the date of issuance and shall be implemented within 120 days from the date of issuance.

Amendment Nos.: 130/130.

Facility Operating License Nos. NPF-87 and NPF-89: The amendments revised the Final Safety Analysis Report and Facility Operating Licenses.

Date of initial notice in Federal Register: November 8, 2005 (70 FR 67754). The supplements dated September 18 and October 23, 2006, provided additional information that clarified the application, did not expand the scope of the application as originally noticed, and did not change the staff's original proposed no significant hazards consideration determination as published in the **Federal Register**.

The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 20, 2007.

No significant hazards consideration comments received: No.

TXU Generation Company LP, Docket Nos. 50-445 and 50-446, Comanche Peak Steam Electric Station, Unit Nos. 1 and 2, Somervell County, Texas

Date of amendment request: February 21, 2006, as supplemented by letters dated September 12 and December 14, 2006.

Brief description of amendments: The amendments increased the allowable values (AVs) for steam generator (SG) water level trip setpoints and the required minimum SG secondary side water inventory in shutdown modes for

the replacement SGs in Comanche Peak Steam Electric Station (CPSES), Unit 1. For CPSES Unit 2, the corresponding AVs and the SG secondary water inventory in the current TSs remain unchanged since the existing SGs in Unit 2 will continue to be used.

Date of issuance: February 20, 2007.

Effective date: As of the date of issuance and shall be implemented within 120 days from the date of issuance.

Amendment Nos.: NPF-87—131; NPF-89—131.

Facility Operating License Nos. NPF-87 and NPF-89: The amendments revised the Facility Operating Licenses and Technical Specifications.

Date of initial notice in Federal Register: June 6, 2006 (71 FR 32609). The supplements dated September 12 and December 14, 2006, provided additional information that clarified the application, did not expand the scope of the application as originally noticed, and did not change the staff's original proposed no significant hazards consideration determination as published in the **Federal Register**.

The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 20, 2007.

No significant hazards consideration comments received: No.

TXU Generation Company LP, Docket Nos. 50-445 and 50-446, Comanche Peak Steam Electric Station, Unit Nos. 1 and 2, Somervell County, Texas

Date of amendment request: December 16, 2005, as supplemented by letters dated August 31 and September 29, 2006.

Brief description of amendments: The amendments revised Technical Specifications (TSs) 1.1 and 5.6.6 consistent with the Nuclear Regulatory Commission (NRC)-approved Technical Specification Task Force (TSTF) Standard Technical Specification Change Traveler, TSTF-419, "Revise PTLR [Pressure Temperature Limits Report] Definition and References in ISTS [Improved Standard Technical Specification] 5.6.6.

Date of issuance: February 22, 2007.

Effective date: As of the date of issuance and shall be implemented within 120 days from the date of issuance.

Amendment Nos.: NPF-87-132 and NPF-89-132.

Facility Operating License Nos. NPF-87 and NPF-89: The amendments revised the Facility Operating Licenses and Technical Specifications.

Date of initial notice in Federal Register: March 14, 2006 (71 FR

13182). The supplements dated August 31 and September 29, 2006, provided additional information that clarified the application, did not expand the scope of the application as originally noticed, and did not change the staff's original proposed no significant hazards consideration determination as published in the **Federal Register**.

The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 22, 2007.

No significant hazards consideration comments received: No.

TXU Generation Company LP, Docket Nos. 50-445 and 50-446, Comanche Peak Steam Electric Station, Unit Nos. 1 and 2, Somervell County, Texas

Date of amendment request: December 12, 2005.

Brief description of amendments: The amendments revise the Technical Specification (TS) Surveillance Requirements (SRs) 3.3.1.2 and 3.3.1.3, "Reactor Trip System (RTS) Instrumentation." The license amendment request is based on Technical Specification Task Force (TSTF) Traveler, TSTF-371-A, Revision 1, "NIS [Nuclear Instrumentation System] Power Range Channel Daily SR TS Change to Address Low Power Decalibration." TSTF-371-A, Revision 1, revised the requirements for performing a daily surveillance adjustment of the power range channel(s) to address industry concern that compliance with SR 3.3.1.2 and SR 3.3.1.3 may result in a non-conservative channel calibration during reduced-power operations. The changes resolved the issue of non-conservatism.

Date of issuance: February 26, 2007.

Effective date: As of the date of issuance and shall be implemented within 120 days from the date of issuance.

Amendment Nos.: NPF-87-133, NPF-89-133.

Facility Operating License Nos. NPF-87 and NPF-89: The amendments revised the Facility Operating Licenses and Technical Specifications.

Date of initial notice in Federal Register: March 28, 2006 (71 FR 15490).

The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated February 26, 2007.

No significant hazards consideration comments received: No.

Union Electric Company, Docket No. 50-483, Callaway Plant, Unit 1, Callaway County, Missouri

Date of application for amendment: May 30, 2006, as supplemented by letters dated November 22 and December 19, 2006.

Brief description of amendment: The amendment revised Surveillance Requirements (SRs) 3.5.2.8 and 3.6.7.1 due to (1) the future replacement of the existing containment recirculation sump suction inlet trash racks and screens with strainers, (2) the resulting relocation of the recirculation fluid pH control (RFPC) system from the sump, and (3) the removal of details from SR 3.6.7.1, including the relocation of the name of the RFPC chemical to a license condition in Appendix C to the license. The modifications will be done in the refueling outage scheduled for the spring of 2007. The amendment also deleted the footnote to the frequency for SR 3.5.2.5 because it is no longer applicable.

Date of issuance: February 21, 2007.

Effective date: As of its date of issuance, and shall be implemented prior to entry into Mode 4 during the plant startup from the refueling outage scheduled for the spring of 2007.

Amendment No.: 180.

Facility Operating License No. NPF-30: The amendment revised the Operating License and the Technical Specifications.

Date of initial notice in Federal Register: August 15, 2006 (71 FR 46940). The supplemental letters dated November 22 and December 19, 2006, did not expand the scope of the application as originally noticed, and did not change the NRC staff's original proposed no significant hazards consideration determination published in the **Federal Register**.

The Commission's related evaluation of the amendment is contained in a Safety Evaluation dated February 21, 2007.

No significant hazards consideration comments received: No.

Notice of Issuance of Amendments to Facility Operating Licenses and Final Determination of No Significant Hazards Consideration and Opportunity for a Hearing (Exigent Public Announcement or Emergency Circumstances)

During the period since publication of the last biweekly notice, the Commission has issued the following amendments. The Commission has determined for each of these amendments that the application for the amendment complies with the

standards and requirements of the Atomic Energy Act of 1954, as amended (the Act), and the Commission's rules and regulations. The Commission has made appropriate findings as required by the Act and the Commission's rules and regulations in 10 CFR Chapter I, which are set forth in the license amendment.

Because of exigent or emergency circumstances associated with the date the amendment was needed, there was not time for the Commission to publish, for public comment before issuance, its usual Notice of Consideration of Issuance of Amendment, Proposed No Significant Hazards Consideration Determination, and Opportunity for a Hearing.

For exigent circumstances, the Commission has either issued a **Federal Register** notice providing opportunity for public comment or has used local media to provide notice to the public in the area surrounding a licensee's facility of the licensee's application and of the Commission's proposed determination of no significant hazards consideration. The Commission has provided a reasonable opportunity for the public to comment, using its best efforts to make available to the public means of communication for the public to respond quickly, and in the case of telephone comments, the comments have been recorded or transcribed as appropriate and the licensee has been informed of the public comments.

In circumstances where failure to act in a timely way would have resulted, for example, in derating or shutdown of a nuclear power plant or in prevention of either resumption of operation or of increase in power output up to the plant's licensed power level, the Commission may not have had an opportunity to provide for public comment on its no significant hazards consideration determination. In such case, the license amendment has been issued without opportunity for comment. If there has been some time for public comment but less than 30 days, the Commission may provide an opportunity for public comment. If comments have been requested, it is so stated. In either event, the State has been consulted by telephone whenever possible.

Under its regulations, the Commission may issue and make an amendment immediately effective, notwithstanding the pendency before it of a request for a hearing from any person, in advance of the holding and completion of any required hearing, where it has determined that no significant hazards consideration is involved.

The Commission has applied the standards of 10 CFR 50.92 and has made a final determination that the amendment involves no significant hazards consideration. The basis for this determination is contained in the documents related to this action. Accordingly, the amendments have been issued and made effective as indicated.

Unless otherwise indicated, the Commission has determined that these amendments satisfy the criteria for categorical exclusion in accordance with 10 CFR 51.22. Therefore, pursuant to 10 CFR 51.22(b), no environmental impact statement or environmental assessment need be prepared for these amendments. If the Commission has prepared an environmental assessment under the special circumstances provision in 10 CFR 51.12(b) and has made a determination based on that assessment, it is so indicated.

For further details with respect to the action see (1) the application for amendment, (2) the amendment to Facility Operating License, and (3) the Commission's related letter, Safety Evaluation and/or Environmental Assessment, as indicated. All of these items are available for public inspection at the Commission's Public Document Room (PDR), located at One White Flint North, Public File Area 01F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible from the Agencywide Documents Access and Management System's (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. If you do not have access to ADAMS or if there are problems in accessing the documents located in ADAMS, contact the PDR Reference staff at 1 (800) 397-4209, (301) 415-4737 or by e-mail to pdr@nrc.gov.

The Commission is also offering an opportunity for a hearing with respect to the issuance of the amendment. Within 60 days after the date of publication of this notice, the licensee may file a request for a hearing with respect to issuance of the amendment to the subject facility operating license and any person whose interest may be affected by this proceeding and who wishes to participate as a party in the proceeding must file a written request for a hearing and a petition for leave to intervene. Requests for a hearing and a petition for leave to intervene shall be filed in accordance with the Commission's "Rules of Practice for Domestic Licensing Proceedings" in 10 CFR part 2. Interested persons should consult a current copy of 10 CFR 2.309,

which is available at the Commission's PDR, located at One White Flint North, Public File Area 01F21, 11555 Rockville Pike (first floor), Rockville, Maryland, and electronically on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/doc-collections/cfr/>. If there are problems in accessing the document, contact the PDR Reference staff at 1 (800) 397-4209, (301) 415-4737, or by e-mail to pdr@nrc.gov. If a request for a hearing or petition for leave to intervene is filed by the above date, the Commission or a presiding officer designated by the Commission or by the Chief Administrative Judge of the Atomic Safety and Licensing Board Panel, will rule on the request and/or petition; and the Secretary or the Chief Administrative Judge of the Atomic Safety and Licensing Board will issue a notice of a hearing or an appropriate order.

As required by 10 CFR 2.309, a petition for leave to intervene shall set forth with particularity the interest of the petitioner in the proceeding, and how that interest may be affected by the results of the proceeding. The petition should specifically explain the reasons why intervention should be permitted with particular reference to the following general requirements: (1) The name, address, and telephone number of the requestor or petitioner; (2) the nature of the requestor's/petitioner's right under the Act to be made a party to the proceeding; (3) the nature and extent of the requestor's/petitioner's property, financial, or other interest in the proceeding; and (4) the possible effect of any decision or order which may be entered in the proceeding on the requestor's/petitioner's interest. The petition must also identify the specific contentions which the petitioner/requestor seeks to have litigated at the proceeding.

Each contention must consist of a specific statement of the issue of law or fact to be raised or controverted. In addition, the petitioner/requestor shall provide a brief explanation of the bases for the contention and a concise statement of the alleged facts or expert opinion which support the contention and on which the petitioner intends to rely in proving the contention at the hearing. The petitioner must also provide references to those specific sources and documents of which the petitioner is aware and on which the petitioner intends to rely to establish those facts or expert opinion. The petition must include sufficient information to show that a genuine dispute exists with the applicant on a

material issue of law or fact.¹ Contentions shall be limited to matters within the scope of the amendment under consideration. The contention must be one which, if proven, would entitle the petitioner to relief. A petitioner/requestor who fails to satisfy these requirements with respect to at least one contention will not be permitted to participate as a party.

Each contention shall be given a separate numeric or alpha designation within one of the following groups:

1. *Technical*—primarily concerns/issues relating to technical and/or health and safety matters discussed or referenced in the applications.

2. *Environmental*—primarily concerns/issues relating to matters discussed or referenced in the environmental analysis for the applications.

3. *Miscellaneous*—does not fall into one of the categories outlined above.

As specified in 10 CFR 2.309, if two or more petitioners/requestors seek to co-sponsor a contention, the petitioners/requestors shall jointly designate a representative who shall have the authority to act for the petitioners/requestors with respect to that contention. If a petitioner/requestor seeks to adopt the contention of another sponsoring petitioner/requestor, the petitioner/requestor who seeks to adopt the contention must either agree that the sponsoring petitioner/requestor shall act as the representative with respect to that contention, or jointly designate with the sponsoring petitioner/requestor a representative who shall have the authority to act for the petitioners/requestors with respect to that contention.

Those permitted to intervene become parties to the proceeding, subject to any limitations in the order granting leave to intervene, and have the opportunity to participate fully in the conduct of the hearing. Since the Commission has made a final determination that the amendment involves no significant hazards consideration, if a hearing is requested, it will not stay the effectiveness of the amendment. Any hearing held would take place while the amendment is in effect.

A request for a hearing or a petition for leave to intervene must be filed by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory

¹ To the extent that the applications contain attachments and supporting documents that are not publicly available because they are asserted to contain safeguards or proprietary information, petitioners desiring access to this information should contact the applicant or applicant's counsel and discuss the need for a protective order.

Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; (2) courier, express mail, and expedited delivery services: Office of the Secretary, Sixteenth Floor, One White Flint North, 11555 Rockville Pike, Rockville, Maryland, 20852, Attention: Rulemaking and Adjudications Staff; (3) E-mail addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, *HearingDocket@nrc.gov*; or (4) facsimile transmission addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC, Attention: Rulemakings and Adjudications Staff at (301) 415-1101, verification number is (301) 415-1966. A copy of the request for hearing and petition for leave to intervene should also be sent to the Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, and it is requested that copies be transmitted either by means of facsimile transmission to (301) 415-3725 or by e-mail to *OGCMailCenter@nrc.gov*. A copy of the request for hearing and petition for leave to intervene should also be sent to the attorney for the licensee.

Nontimely requests and/or petitions and contentions will not be entertained absent a determination by the Commission or the presiding officer or the Atomic Safety and Licensing Board that the petition, request and/or the contentions should be granted based on a balancing of the factors specified in 10 CFR 2.309(a)(1)(i)-(viii).

Energy Northwest, Docket No. 50-397, Columbia Generating Station, Benton County, Washington

Date of amendment request: February 2, 2007.

Description of amendment request: The amendment revised Technical Specification 3.6.1.7, "Suppression Chamber-to-Drywell Vacuum Breakers," to allow a one-time extension to the current closure verification surveillance requirement for one of two redundant disks in one of nine vacuum breakers until reliable position indication can be restored in the main control room during the next refueling outage (R-18), which is scheduled to begin on May 12, 2007.

Date of issuance: February 27, 2007.

Effective date: As of its date of issuance and shall be implemented within 14 days from the date of issuance.

Amendment No.: 202.

Facility Operating License No.: NPF-21: Amendment revises the technical specifications and license.

Public comments requested as to proposed no significant hazards

consideration (NSHC): Yes. 72 FR 6606, published February 12, 2007. The notice provided an opportunity to submit comments on the Commission's proposed NSHC determination. No comments have been received. The notice also provided an opportunity to request a hearing within 60 days after the date of publication of the notice, but indicated that if the Commission makes a final NSHC determination, any such hearing would take place after issuance of the amendment.

The Commission's related evaluation of the amendment, finding of exigent circumstances, state consultation, and final NSHC determination are contained in a safety evaluation dated February 27, 2007.

Attorney for licensee: William A. Horin, Esq., Winston & Strawn, 1700 K Street, NW., Washington, DC 20006-3817.

NRC Branch Chief: David Terao.

Dated at Rockville, Maryland, this 2nd day of March 2007.

For the Nuclear Regulatory Commission.

Michael C. Cheok,

Acting Director, Division of Operating Reactor Licensing, Office of Nuclear Reactor Regulation.

BILLING CODE 7590-01-P

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 17j-1, SEC File No. 270-239, OMB Control No. 3235-0224.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Conflicts of interest between investment company personnel (such as portfolio managers) and their funds can arise when these persons buy and sell securities for their own accounts ("personal investment activities"). These conflicts arise because fund personnel have the opportunity to profit

from information about fund transactions, often to the detriment of fund investors. Beginning in the early 1960s, Congress and the Securities and Exchange Commission ("Commission") sought to devise a regulatory scheme to effectively address these potential conflicts. These efforts culminated in the addition of section 17(j) to the Investment Company Act of 1940 (the "Investment Company Act") (15 U.S.C. 80a-17(j)) in 1970 and the adoption by the Commission of rule 17j-1 (17 CFR 270.17j-1) in 1980.¹ The Commission proposed amendments to rule 17j-1 in 1995 in response to recommendations made in the first detailed study of fund policies concerning personal investment activities by the Commission's Division of Investment Management since rule 17j-1 was adopted. Amendments to rule 17j-1, which were adopted in 1999, enhanced fund oversight of personal investment activities and the board's role in carrying out that oversight.² Additional amendments to rule 17j-1 were made in 2004, conforming rule 17j-1 to rule 204A-1 under the Investment Advisers Act of 1940 (15 U.S.C. 80b), avoiding duplicative reporting, and modifying certain definitions and time restrictions.³

Section 17(j) makes it unlawful for persons affiliated with a registered investment company ("fund") or with the fund's investment adviser or principal underwriter (each a "17j-1 organization"), in connection with the purchase or sale of securities held or to be acquired by the investment company, to engage in any fraudulent, deceptive, or manipulative act or practice in contravention of the Commission's rules and regulations. Section 17(j) also authorizes the Commission to promulgate rules requiring 17j-1 organizations to adopt codes of ethics.

In order to implement section 17(j), rule 17j-1 imposes certain requirements on 17j-1 organizations and "Access Persons"⁴ of those organizations. The

¹ Prevention of Certain Unlawful Activities with Respect to Registered Investment Companies, Investment Company Act Release No. 11421 (Oct. 31, 1980) (45 FR 73915 (Nov. 7, 1980)).

² Personal Investment Activities of Investment Company Personnel, Investment Company Act Release No. 23958 (Aug. 20, 1999) (64 FR 46821-01 (Aug. 27, 1999)).

³ Investment Adviser Codes of Ethics, Investment Advisers Act Release No. 2256 (Jul. 2, 2004) (66 FR 41696 (Jul. 9, 2004)).

⁴ Rule 17j-1(a)(1) defines an "access person" as "Any advisory person of a Fund or of a Fund's investment adviser. If an investment adviser's primary business is advising Funds or other advisory clients, all of the investment adviser's directors, officers, and general partners are presumed to be Access Persons of any Fund advised by the investment adviser. All of a Fund's directors,

Continued

rule prohibits fraudulent, deceptive or manipulative acts by persons affiliated with a 17j-1 organization in connection with their personal securities transactions in securities held or to be acquired by the fund. The rule requires each 17j-1 organization, unless it is a money market fund or a fund that does not invest in Covered Securities,⁵ to: (i) Adopt a written code of ethics, (ii) submit the code and any material changes to the code, along with a certification that it has adopted procedures reasonably necessary to prevent Access Persons from violating the code of ethics, to the fund board for approval, (iii) use reasonable diligence and institute procedures reasonably necessary to prevent violations of the code, (iv) submit a written report to the fund describing any issues arising under the code and procedures and certifying that the 17j-1 entity has adopted procedures reasonably necessary to prevent Access Persons from violating the code, (v) identify Access Persons and notify them of their reporting obligations, and (vi) maintain and make available to the Commission for review certain records related to the code of ethics and transaction reporting by Access Persons.

The rule requires each Access Person of a fund (other than a money market fund or a fund that does not invest in Covered Securities) and of an investment adviser or principal underwriter of the fund, who is not subject to an exception,⁶ to file: (i)

officers, and general partners are presumed to be Access Persons of the Fund." The definition of Access Person also includes "Any director, officer or general partner of a principal underwriter who, in the ordinary course of business, makes, participates in or obtains information regarding, the purchase or sale of Covered Securities by the Fund for which the principal underwriter acts, or whose functions or duties in the ordinary course of business relate to the making of any recommendation to the Fund regarding the purchase or sale of Covered Securities." Rule 17j-1(a)(1).

⁵ A "Covered Security" is any security that falls within the definition in section 2(a)(36) of the Act, except for direct obligations of the U.S. Government, bankers' acceptances, bank certificates of deposit, commercial paper and high quality short-term debt instruments, including repurchase agreements, and shares issued by open-end funds. Rule 17j-1(a)(4).

⁶ Rule 17j-1(d)(2) contains the following exceptions: (i) An Access Person need not file a report for transactions effected for, and securities held in, any account over which the Access Person does not have control; (ii) an independent director of the fund, who would otherwise not need to report and who does not have information with respect to the fund's transactions in a particular security, does not have to file an initial holdings report or a quarterly transaction report; (iii) an Access Person of a principal underwriter of the fund does not have to file reports if the principal underwriter is not affiliated with the fund (unless the fund is a unit investment trust) or any

Within 10 days of becoming an Access Person, a dated initial holdings report that sets forth certain information with respect to the access person's securities and accounts; (ii) dated quarterly transaction reports within 30 days of the end of each calendar quarter providing certain information with respect to any securities transactions during the quarter and any account established by the Access Person in which any securities were held during the quarter; and (iii) dated annual holding reports providing information with respect to each Covered Security the Access Person beneficially owns and accounts in which securities are held for his or her benefit. In addition, rule 17j-1 requires investment personnel of a fund or its investment adviser, before acquiring beneficial ownership in securities through an initial public offering (IPO) or in a private placement, to obtain approval from the fund or the fund's investment adviser.

The requirements that the management of a rule 17j-1 organization provide the fund's board with new and amended codes of ethics and an annual issues and certification report are intended to enhance board oversight of personal investment policies applicable to the fund and the personal investment activities of Access Persons. The requirements that Access Persons provide initial holdings reports, quarterly transaction reports, and annual holdings reports and request approval for purchases of securities through IPOs and private placements are intended to help fund compliance personnel and the Commission's examinations staff monitor potential conflicts of interest and detect potentially abusive activities. The requirement that each rule 17j-1 organization maintain certain records is intended to assist the organization and the Commission's examinations staff in determining if there have been violations of rule 17j-1.

We estimate that annually there are approximately 75,363 respondents under rule 17j-1, of which 5,363 are rule 17j-1 organizations and 70,000 are Access Persons. In the aggregate, these

investment adviser of the fund and the principal underwriter of the fund does not have any officer, director, or general partner who serves in one of those capacities for the fund or any investment adviser of the fund; (iv) an Access Person to an investment adviser need not make quarterly reports if the report would duplicate information provided under the reporting provisions of the Investment Adviser's Act; and (v) an Access Person need not make quarterly transaction reports if the information provided in the report would duplicate information received by the 17j-1 organization in the form of broker trade confirmations or account statements or information otherwise in the records of the 17j-1 organization.

respondents make approximately 113,970 responses annually. We estimate that the total annual burden of complying with the information collection requirements in rule 17j-1 is approximately 169,950 hours. This hour burden represents time spent by Access Persons that must file initial and annual holdings reports and quarterly transaction reports, investment personnel that must obtain approval before acquiring beneficial ownership in any securities through an IPO or private placement, and the responsibilities of Rule 17j-1 organizations arising from information collection requirements under rule 17j-1. These include notifying Access Persons of their reporting obligations, preparing an annual rule 17j-1 report and certification for the board, documenting their approval or rejection of IPO and private placement requests, maintaining annual rule 17j-1 records, maintaining electronic reporting and recordkeeping systems, amending their codes of ethics as necessary, and, for new fund complexes, adopting a code of ethics.

In addition, we estimate that there is an additional annual cost burden of approximately \$2,000 per fund complex, for a total of \$1,100,000, associated with complying with the information collection requirements in rule 17j-1, aside from the cost of the burden hours discussed above.⁷ This represents the costs of purchasing and maintaining computers and software to assist funds in carrying out rule 17j-1 recordkeeping.

These burden hour and cost estimates are based upon the Commission staff's experience and discussions with the fund industry. The estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act. These estimates are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have practical utility; (b) the accuracy of the Commission's estimate of the burden of the collections of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burdens of the collection of information on respondents, including through the use

⁷ The cost burden associated with filing of new and amended codes of ethics on the Commission's Electronic Data Gathering, Analysis, and Retrieval system (EDGAR) is included in the Paperwork Reduction Act estimates for the relevant forms to which these codes must be appended.

of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, Virginia, 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: March 5, 2007.

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 3a-4, SEC File No. 270-401, OMB Control No. 3235-0459.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 3a-4 (17 CFR 270.3a-4) under the Investment Company Act of 1940 (15 U.S.C. 80a) ("Investment Company Act" or "Act") provides a nonexclusive safe harbor from the definition of investment company under the Act for certain investment advisory programs. These programs, which include "wrap fee" and "mutual fund wrap" programs, generally are designed to provide professional portfolio management services to clients who are investing less than the minimum usually required by portfolio managers but more than the minimum account size of most mutual funds. Under wrap fee and similar programs, a client's account is typically managed on a discretionary basis according to pre-selected investment objectives. Clients with similar investment objectives often receive the same investment advice and may hold the same or substantially the same

securities in their accounts. Some of these investment advisory programs may meet the definition of investment company under the Act because of the similarity of account management.

In 1997, the Commission adopted rule 3a-4, which clarifies that programs organized and operated in a manner consistent with the conditions of rule 3a-4 are not required to register under the Investment Company Act or comply with the Act's requirements.¹ These programs differ from investment companies because, among other things, they provide individualized investment advice to the client. The rule's provisions have the effect of ensuring that clients in a program relying on the rule receive advice tailored to the client's needs.

Rule 3a-4 provides that each client's account must be managed on the basis of the client's financial situation and investment objectives and consistent with any reasonable restrictions the client imposes on managing the account. When an account is opened, the sponsor² (or its designee) must obtain information from each client regarding the client's financial situation and investment objectives, and must allow the client an opportunity to impose reasonable restrictions on managing the account.³ In addition, the sponsor (or its designee) annually must contact the client to determine whether the client's financial situation or investment objectives have changed and whether the client wishes to impose any reasonable restrictions on the management of the account or reasonably modify existing restrictions. The sponsor (or its designee) also must notify the client quarterly, in writing, to contact the sponsor (or the designee) regarding changes to the client's financial situation, investment

objectives, or restrictions on the account's management.⁴

The program must provide each client with a quarterly statement describing all activity in the client's account during the previous quarter. The sponsor and personnel of the client's account manager who know about the client's account and its management must be reasonably available to consult with the client. Each client also must retain certain indicia of ownership of all securities and funds in the account.

Rule 3a-4 is intended primarily to provide guidance regarding the status of investment advisory programs under the Investment Company Act. The rule is not intended to create a presumption about a program that is not operated according to the rule's guidelines.

The requirement that the sponsor (or its designee) obtain information about the client's financial situation and investment objectives when the account is opened is designed to ensure that the investment adviser has sufficient information regarding the client's unique needs and goals to enable the portfolio manager to provide individualized investment advice. The sponsor is required to contact clients annually and provide them with quarterly notices to ensure that the sponsor has current information about the client's financial status, investment objectives, and restrictions on management of the account. Maintaining current information enables the program manager to evaluate the client's portfolio in light of the client's changing needs and circumstances. The requirement that clients be provided with quarterly statements of account activity is designed to ensure the client receives an individualized report, which the Commission believes is a key element of individualized advisory services.

The Commission staff estimates that approximately 64 wrap fee and mutual fund wrap programs administered by 56 program sponsors use the procedures under rule 3a-4.⁵ Although it is impossible to determine the exact number of clients that participate in investment advisory programs, an estimate can be made by dividing total assets by the industry average account

¹ Status of Investment Advisory Programs Under the Investment Company Act of 1940, Investment Company Act Release No. 22579 (Mar. 24, 1997) (62 FR 15098 (Mar. 31, 1997)) ("Adopting Release"). In addition, there are no registration requirements under section 5 of the Securities Act of 1933 for these programs. See 17 CFR 270.3a-4, introductory note.

² For purposes of rule 3a-4, the term "sponsor" refers to any person who receives compensation for sponsoring, organizing or administering the program, or for selecting, or providing advice to clients regarding the selection of, persons responsible for managing the client's account in the program.

³ Clients specifically must be allowed to designate securities that should not be purchased for the account or that should be sold if held in the account. The rule does not require that a client be able to require particular securities be purchased for the account.

⁴ The sponsor also must provide a means by which clients can contact the sponsor (or its designee).

⁵ These estimates are based on statistical information on wrap fee and mutual fund wrap programs provided by Cerulli Associates in 2003. We request comment on whether the number of wrap programs and program sponsors has changed.

size (\$345.5 billion⁶ divided by \$126,202),⁷ for a total of 2,737,675 clients. Additionally, an average number of new accounts opened each year can be estimated by dividing the average annual increase in account assets in 2003 through 2006, by the average account size (\$57.7 billion divided by \$126,202), for an average annual number of new accounts of 457,204.⁸

The Commission staff estimates that each program sponsor spends approximately 1.25 hours annually in preparing, conducting and/or reviewing interviews for each new client; 30 minutes annually preparing, conducting and/or reviewing annual interviews for each continuing client; and one hour preparing and mailing quarterly account activity statements, including the notice to update information to each client. Based on the foregoing, the Commission staff therefore estimates the total annual burden of the rule's paperwork requirements for all program sponsors to be 4,449,415.5 hours. This represents a decrease of 2,063,087 hours from the prior estimate of 6,512,502.5 hours. The decrease results from a change in the method of computation for the number of clients that participate in these investment advisory programs. Previously, we have computed the number of clients based on the minimum account requirement for participation in these programs. For this estimate we computed the number of clients based on the industry average account size in these programs resulting in a decrease in the estimated number of clients in these investment advisory programs.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (a) Whether the collections of information are necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burdens of the collections of information; (c) ways to enhance the quality, utility, and clarity of the

information collected; and (d) ways to minimize the burdens of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, Virginia, 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: March 5, 2007.

Florence E. Harmon,

Deputy Secretary.

Form N-5, SEC File No. 270-172, OMB
Control No. 3235-0169.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Form N-5 (17 CFR 239.24 and 274.5)—Registration Statement of Small Business Investment Companies Under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) and the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) Form N-5 is the integrated registration statement form adopted by the Commission for use by a small business investment company which has been licensed as such under the Small Business Investment Act of 1958 and has been notified by the Small Business Administration that the company may submit a license application, to register its securities under the Securities Act of 1933 ("Securities Act"), and to register as an investment company under section 8 of the Investment Company Act of 1940 ("Investment Company

Act"). The purpose of registration under the Securities Act is to ensure that investors are provided with material information concerning securities offered for public sale that will permit investors to make informed decisions regarding such securities. The Commission staff reviews the registration statements for the adequacy and accuracy of the disclosure contained therein. Without Form N-5, the Commission would be unable to carry out the requirements of the Securities Act and the Investment Company Act for registration of small business investment companies. The respondents to the collection of information are small business investment companies seeking to register under the Investment Company Act and to register their securities for sale to the public under the Securities Act. The estimated number of respondents is one and the proposed frequency of response is annually. The estimate of the total annual reporting burden of the collection of information is approximately 352 hours per respondent, for a total of 352 hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication. Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson 6432 General Green Way, Alexandria, Virginia, 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: March 5, 2007.

Florence E. Harmon,

Deputy Secretary.

⁷ *Id.* at 13.

⁸ The requirement for initial client contact and evaluation is not a recurring obligation, but only occurs when the account is opened. The estimated annual hourly burden is based on the average number of new accounts opened each year.

Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Form N-8A, SEC File No. 270-135, OMB Control No. 3235-0175.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Form N-8A (17 CFR 274.10)—Notification of Registration of Investment Companies Form N-8A is the form that investment companies file to notify the Commission of the existence of active investment companies. After an investment company has filed its notification of registration under section 8(a) of the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("1940 Act"), the company is then subject to the provisions of the 1940 Act which govern certain aspects of its organization and activities, such as the composition of its board of directors and the issuance of senior securities. Form N-8A requires an investment company to provide its name, state of organization, form of organization, classification, if it is a management company, the name and address of each investment adviser of the investment company, the current value of its total assets and certain other information readily available to the investment company. If the investment company is filing simultaneously its notification of registration and registration statement, Form N-8A requires only that the registrant file the cover page (giving its name, address and agent for service of process) and sign the form in order to effect registration.

The Commission uses the information provided in the notification on Form N-8A to determine the existence of active investment companies and to enable the Commission to administer the provisions of the 1940 Act with respect to those companies. Each year approximately 156 investment companies file a notification on Form N-8A. The Commission estimates that preparing Form N-8A requires an investment company to spend approximately 1 hour so that the total burden of preparing Form N-8A for all affected investment companies is 156 hours. Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act, and are

not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson 6432 General Green Way, Alexandria, Virginia, 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: March 5, 2007.

Florence E. Harmon,

Deputy Secretary.

[FR Doc. E7-4462 Filed 3-12-07; 8:45 am]

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Form N-8B-2, SEC File No. 270-186, OMB Control No. 3235-0186.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Form N-8B-2 (17 CFR 274.12) is the form used by unit investment trusts ("UITs") that are currently issuing securities, including UITs that are issuers of periodic payment plan certificates and UITs of which a

management investment company is the sponsor or depositor, to comply with the filing and disclosure requirements imposed by section 8(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-8(b)). Form N-8B-2 requires disclosure about the organization of a UIT, its securities, the trustee, the personnel and affiliated persons of the depositor, the distribution and redemption of securities, and financial statements. The Commission uses the information provided in the collection of information to determine compliance with section 8(b) of the Investment Company Act.

Based on the Commission's industry statistics, the Commission estimates that there would be approximately one initial filing on Form N-8B-2 and 9 post-effective amendment filings to the Form annually. The Commission estimates that each registrant filing an initial Form N-8B-2 would spend 44 hours in preparing and filing the Form and that the total hour burden for all initial Form N-8B-2 filings would be 44 hours. Also, the Commission estimates that each UIT filing a post-effective amendment to Form N-8B-2 would spend 16 hours in preparing and filing the amendment and that the total hour burden for all post-effective amendments to the Form would be 144 hours. By combining the total hour burdens estimated for initial Form N-8B-2 filings and post-effective amendments filings to the Form, the Commission estimates that the total annual burden hours for all registrants on Form N-8B-2 would be 188. Estimates of the burden hours are made solely for the purposes of the PRA, and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms.

The information provided on Form N-8B-2 is mandatory. The information provided on Form N-8B-2 will not be kept confidential. The Commission may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information

technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, Virginia, 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: March 5, 2007.

Florence E. Harmon,
Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Investment Company Act Release No. 27748; 812-13238]

Hercules Technology Growth Capital, Inc., et al.; Notice of Application

March 7, 2007.

AGENCY: Securities and Exchange Commission (the "Commission").

ACTION: Notice of an application for an order under sections 6(c), 57(c), and 57(i) of the Investment Company Act of 1940 (the "Act") and rule 17d-1 thereunder granting exemptions from sections 18(a), 57(a)(1), 57(a)(2) and 61(a) of the Act and permitting certain transactions otherwise prohibited by section 57(a)(4) of the Act.

SUMMARY OF APPLICATION: Applicants, Hercules Technology Growth Capital, Inc. ("HTGC"), Hercules Technology II, L.P. ("HTII"), Hercules Technology SBIC Management, LLC ("HTM"), Hercules Funding I, LLC ("HFI") and Hercules Funding Trust I ("HFT"), hereby apply for an order permitting a business development company and its wholly-owned subsidiaries to engage in certain transactions that otherwise would be permitted if the business development company and its subsidiaries were one company, and permitting the business development company to adhere to a modified asset coverage requirement.

FILING DATES: The application was filed on September 28, 2005 and amended on March 5, 2007.

HEARING OR NOTIFICATION OF HEARING: An order granting the application will be issued unless the Commission orders a hearing. Interested persons may request a hearing by writing to the Commission's Secretary and serving applicants with a copy of the request, personally or by mail. Hearing requests should be received by the Commission

by 5:30 p.m. on April 2, 2007, and should be accompanied by proof of service on applicants, in the form of an affidavit or, for lawyers, a certificate of service. Hearing requests should state the nature of the writer's interest, the reason for the request, and the issues contested. Persons who wish to be notified of a hearing may request notification by writing to the Commission's Secretary.

ADDRESSES: Secretary, U.S. Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090. Applicants, c/o Manuel A. Henriquez, Chairman, President and Chief Executive Officer, Hercules Technology Growth Capital, Inc., 525 University Avenue, Suite 700, Palo Alto, CA 94301.

FOR FURTHER INFORMATION CONTACT:

Emerson S. Davis, Sr., Senior Counsel, at (202) 551-6868, or Nadya B. Roytblat, Assistant Director, at (202) 551-6821 (Division of Investment Management, Office of Investment Company Regulation).

SUPPLEMENTARY INFORMATION:

The following is a summary of the application. The complete application is available for a fee at the Commission's Public Reference Branch, 100 F Street, NE., Washington, DC 20549-0102 (tel. 202-551-5850).

Applicants' Representations

1. HTGC, a Maryland corporation, is a closed-end, non-diversified management investment company that has elected to be regulated as a business development company ("BDC") within the meaning of section 2(a)(48) of the Act.¹ HTGC is a specialty finance company that provides debt and equity capital to technology-related and life-science companies at all stages of development. HTGC's business and affairs are managed under the direction of its board of directors ("Board").

2. HTII, a Delaware limited partnership and a wholly-owned subsidiary of HTGC, is a small business investment company ("SBIC") licensed under the Small Business Administration ("SBA") to operate under the Small Business Investment Act of 1958 ("SBIA"). HTII relies on section 3(c)(7) of the Act. HTM, a Delaware limited liability company and a wholly-owned subsidiary of HTGC, is the general partner and investment

adviser to HTII. HTGC is the primary limited partner of HTII. Manuel A. Henriquez, an officer of HTGC, and H. Scott Harvey, an officer of HTGC, each have a nominal (0.001%) limited partnership investment in HTII pursuant to the advice of tax counsel in order to ensure that HTII is taxed as a partnership under the Internal Revenue Code of 1986, as amended. HFI, a Delaware limited liability company, and HFT, a Delaware statutory trust, and each wholly-owned subsidiary of HTGC, were created to facilitate debt financing collateralized by certain HTGC's investments. HFT relies on rule 3a-7 under the Act. HFT is a wholly-owned subsidiary of HFI.

3. Applicants may in the future establish additional wholly-owned subsidiaries of HTGC, (together with HTII, HTM, HFI and HFT, "Subsidiaries"), private investment companies that rely on section 3(c)(7) of the Act and some of which may be licensed by the SBA to operate under the SBIA as SBICs (together with HTII, "SBIC Subsidiaries").

Applicant's Legal Analysis

1. Applicants request an exemption pursuant to sections 6(c), 57(c) and 57(i) of the Act and rule 17d-1 under the Act from the provisions of sections 18(a), 57(a)(1), 57(a)(2) and 61(a) of the Act to permit HTGC and the Subsidiaries to engage in certain transactions that otherwise would be permitted if HTGC and the Subsidiaries were one company and to permit HTGC to adhere a modified asset coverage requirement.

2. Section 18(a) of the Act prohibits a registered closed-end investment company from issuing any class of senior security or selling any such security of which it is the issuer unless the company complies with the asset coverage requirements set forth in that section. Section 61(a) of the Act makes section 18 applicable to BDCs, with certain modifications. Section 18(k) exempts an investment company operating as an SBIC from the asset coverage requirements for senior securities representing indebtedness that are contained in sections 18(a)(1)(A) and (B).

3. Applicants state that a question exists as to whether HTGC must comply with the asset coverage requirements of Section 18(a) (as modified by Section 61(a)) solely on an individual basis or whether HTGC must also comply with the asset coverage requirements on a consolidated basis because HTGC may be deemed to be an indirect issuer of any class of senior securities issued by HTII or another SBIC Subsidiary. Applicants state that they wish to treat

¹ Section 2(a)(48) defines a BDC to be any closed-end investment company that operates for the purpose of making investments in securities described in sections 55(a)(1) through 55(a)(3) of the Act and makes available significant managerial assistance with respect to the issuers of such securities.

HTII and other SBIC Subsidiaries as if each was a BDC subject to sections 18 and 61 of the Act. Applicants state that companies operating under the SBIA, such as HTII, will be subject to the SBA's substantial regulation of permissible leverage in its capital structure.

4. Section 6(c) of the Act, in relevant part, permits the Commission to exempt any transaction or class of transactions from any provision of the Act if, and to the extent that, such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief satisfies the section 6(c) standard. Applicants contend that, to the extent that HTGC is entitled to rely on section 18(k) for an exemption from the asset coverage requirements of sections 18(a) and 61(a), there is no policy reason to deny the benefit of that exemption when HTGC consolidates its assets with those of HTII and other SBIC Subsidiaries for the purpose of compliance with those requirements.

5. Sections 57(a)(1) and (2) of the Act generally prohibit, with certain exceptions, sales or purchases or other property between BDCs and certain of their affiliates as described in section 57(b) of the Act. Section 57(b) includes a person, directly or indirectly, either controlling, controlled by or under common control of the BDC. Applicants state that HTGC owns or will directly or indirectly own more than 99.9% of the voting securities of each Subsidiary and each Subsidiary is or will be under the common control of HTGC. Applicants further state that any purchase and sales between (a) HTGC and one or more Subsidiaries, (b) Subsidiaries and downstream controlled affiliates of HTGC and another Subsidiary and (c) HTGC and a controlled portfolio affiliate of a Subsidiary may be prohibited. Applicants submit that the requested relief is to the extent to permit HTGC and its Subsidiaries, all of whom are owned, directly or indirectly, by the shareholders of HTGC, to do that which they would otherwise would be permitted to do if they were one company.

6. Section 57(c) provides that the Commission will exempt a proposed transaction from the terms of the proposed transactions, including the consideration to be paid or received, if they are reasonable and fair and do not involve overreaching of any person concerned, and the proposed transaction is consistent with the policy of the business development company

concerned and the general purposes of the Act. Applicants submit that the requested relief meets this standard.

7. Section 17(d) of the Act and rule 17d-1 under the Act prohibit persons of registered investment company, or an affiliated person of such person, acting as principal, from participating in any joint transaction or arrangement in which the registered company or a company it controls is a participant, unless the Commission has issued an order authorizing the arrangement. Section 57(a)(4) of the Act imposes substantially the same prohibitions on joint transactions involving BDCs and certain affiliates of their affiliates as described in section 57(b). Section 57(i) of the Act provides that rules and regulations under sections 17(a) and (d) and rule 17d-1 will apply to transactions subject to section 57(a)(4) in the absence of rules under the section. The Commission has not adopted rules under section 57(a)(4) with respect to joint transactions and, accordingly, the standard set forth in rule 17d-1 governs applicants' request for relief.

8. Applicants state that a joint transaction in which a Subsidiary and HTGC or another Subsidiary may be prohibited under section 57(a)(4) because HTGC would not be a controlled affiliate of the Subsidiaries. Applicants request relief under section 57(i) and rule 17d-1 to permit joint transactions in which the Subsidiaries to the extent that such transactions would not be prohibited if the Subsidiaries participating in the transactions were deemed to be part of HTGC and not separate companies.

9. In determining whether to grant an order under section 57(i) and rule 17d-1, the Commission may consider whether the participation of the BDC in the joint transaction is consistent with the provisions, policies, and purposes of the Act to the extent to which such participation is on a basis different from or less advantageous than that of other participants in the transaction.

Applicants state that the standard is satisfied because the requested relief would be simply to permit HTGC and its Subsidiaries to conduct their business as if they were one company.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Except for a nominal limited partnership interest in a Subsidiary to the extent necessary to accomplish the Subsidiary's taxation goals as described in this Application, HTGC will at all times be the sole limited partner of any

Subsidiary and the sole owner of the Subsidiary's general partner, or otherwise own and hold beneficially, all of the outstanding voting securities or other equity interests in the Subsidiary.

2. No person shall serve or act as investment adviser to HTII or another Subsidiary unless the HTGC Board and shareholders of HTGC have taken the action with respect thereto also required to be taken by the functional equivalent of the board of directors of HTII or another Subsidiary and shareholders of HTII or another Subsidiary as if HTII or another Subsidiary were a BDC.

3. No person shall serve as managing member of HTM unless such person also shall be a member of the management of HTGC. The managing members of HTM will be elected or appointed by HTGC.

4. HTGC will not issue or sell any senior security and HTGC will not cause or permit HTII or any other SBIC Subsidiary to issue or sell any senior security of which HTGC, HTII or any other SBIC Subsidiary is the issuer except to the extent permitted by section 18 (as modified for BDCs by section 61) of the Act; provided that immediately after issuance or sale by any HTGC, HTII or any other SBIC Subsidiary of any such senior security, HTGC individually and on a consolidated basis, shall have the asset coverage required by section 18(a) of the Act (as modified by section 61(a)), except that, in determining whether HTGC on a consolidated basis has the asset coverage required by section 18(a) of the Act (as modified by section 61(a)), any senior securities representing indebtedness of HTII or another SBIC Subsidiary shall not be considered senior securities and, for purposes of the definition of "asset coverage" in section 18(h), will be treated as indebtedness not represented by senior securities.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of Certain Companies Quoted on the Pink Sheets: Order of Suspension of Trading

March 8, 2007.

It appears to the Securities and Exchange Commission that there is a

lack of current and accurate information concerning the securities of the issuers listed below. As set forth below for each issuer, questions have arisen regarding the adequacy and accuracy of publicly disseminated information concerning, among other things: (1) The companies' assets, (2) the companies' business operations, (3) the companies' current financial condition, and/or (4) financing arrangements involving the issuance of the companies' shares.

1. Advanced Powerline Technologies Inc. is a Nevada company based in Oklahoma. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and performance.

2. America Asia Petroleum Corp. is a Nevada company with offices in Nevada and China. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's assets and operations.

3. Amerossi Int'l Group, Inc. is a Wyoming company with offices in Bangkok, Thailand. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's assets.

4. Apparel Manufacturing Associates, Inc. is a Delaware company with offices in Bloomfield, Connecticut. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's management and operations.

5. Asgard Holdings Inc. is a Nevada company based in California. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and concerning stock promoting activity by the company.

6. Biogenetics Ltd. is a Nevada company with offices in Texas. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and assets.

7. China Gold Corp. is a Nevada company with offices in China. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and assets.

8. CTR Investments & Consulting, Inc. is a Nevada company based in Maryland. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

9. DC Brands International, Inc. is a company incorporated and based in Colorado. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

10. Equal Trading, Inc. is a Nevada company with offices in Illinois. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and financial condition.

11. Equitable Mining Corp. is a Wyoming company with offices in Toronto, Ontario. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's assets.

12. Espion International, Inc. is a Nevada company based in California. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and financing arrangements.

13. Goldmark Industries, Inc. is a Nevada company based in Vancouver, British Columbia, Canada. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and financing arrangements and the adequacy of publicly available information concerning the company's management.

14. GroFeed Inc. is a Nevada company with offices in Toronto, Ontario, Canada. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and assets.

15. Healtheuniverse, Inc. is a company incorporated and based in California. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and concerning stock promoting activity.

16. Interlink Global Corp. is a company incorporated and based in Florida. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and concerning stock promoting activity by the company.

17. Investigative Services Agencies, Inc. is a company incorporated and based in Illinois. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and financial performance.

18. iPackets International, Inc. is a Nevada company with offices in Vancouver, British Columbia, Canada. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and assets.

19. Koko Petroleum Inc. is a Nevada company with offices in British Columbia, Canada. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's assets.

20. Leatt Corporation is a Nevada company with offices in Las Vegas, Nevada. Questions have arisen

regarding the adequacy and accuracy of press releases concerning the company's assets and operations.

21. LOM Logistics, Inc. is a Louisiana company. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

22. Modern Energy Corp. is a Wyoming company with offices in California. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and financial condition.

23. National Healthcare Logistics, Inc., is a Nevada company with offices in Tennessee. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

24. Presidents Financial Corp. is a Nevada company with offices in Vancouver, British Columbia, Canada. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's management and operations.

25. Red Truck Entertainment Inc. is a Nevada company with offices in Scottsdale, Arizona. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and financial performance and the adequacy of publicly available information concerning the company's stock issuances.

26. Relay Capital Corp. is a Nevada company with offices in Scottsdale, Arizona. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

27. Rodedawg International Industries, Inc., is a Nevada company with offices in California. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

28. Rouchon Industries, Inc., is a company incorporated and based in California. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's financing arrangements and financial performance.

29. Software Effective Solutions Corp. is a Louisiana company located in the Philippines. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

30. Solucorp Industries Ltd. is a Canadian company with offices in Florida. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's financial performance and the adequacy of publicly available information

concerning insider stock holdings and transactions.

31. Sports-stuff.com Inc. is a Nevada company. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

32. UBA Technology, Inc., is a Nevada company. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

33. Wataire Industries Inc. is a Nevada company with offices in Surrey, British Columbia, Canada. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and assets.

34. WayPoint Biomedical Holdings, Inc., is a Nevada company with offices in California. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations and financing arrangements.

35. Wineco Productions Inc. is a Nevada company with offices in Florida. Questions have arisen regarding the adequacy and accuracy of press releases concerning the company's operations.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the companies listed above.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the companies listed above is suspended for the period from 9:30 a.m. EST, March 8, 2007, through 11:59 p.m. EDT, on March 21, 2007.

By the Commission.

Nancy M. Morris,
Secretary.

[FR Doc. 07-1163 Filed 3-8-07; 1:43 pm]

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55415; File No. SR-BSE-2006-03]

Self-Regulatory Organizations; Boston Stock Exchange, Inc.; Order Granting Approval of Proposed Rule Change as Modified by Amendment No. 1, Relating to the Treatment of Limit Orders That Are Submitted to the Boston Options Exchange During a Price Improvement Period

March 7, 2007.

On December 8, 2006, the Boston Stock Exchange, Inc. ("BSE" or "Exchange") filed with the Securities and Exchange Commission

("Commission") a proposed rule change pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² to amend the rules of the Boston Options Exchange ("BOX") relating to the treatment of Limit Orders that are submitted to the BOX during a Price Improvement Period ("PIP"). On January 4, 2007, the BSE filed Amendment No. 1 to the proposal. The proposed rule change, as amended, was published for comment in the **Federal Register** on January 16, 2007.³ The Commission received no comments on the proposal. This order approves the proposed rule change as modified by Amendment No. 1.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁴ and, in particular, the requirements of Section 6(b)(5) of the Act.⁵ Specifically, the Commission believes that the proposed rule change is consistent with the Act because it makes explicit how unrelated Limit Orders⁶ in the same series as a PIP Order, submitted to the BOX during the PIP,⁷ are treated, and specifies the circumstances under which Improvement Orders are not accepted by the BOX Trading Host.⁸ The Commission believes that these rule amendments are reasonable and consistent with the Act, and should help clarify for investors and market

¹ 5 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ See Securities Exchange Act Release No. 55050 (January 5, 2007), 72 FR 1786 (SR-BSE-2006-03) ("Notice").

⁴ In approving this proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

⁵ 15 U.S.C. 78f(b)(5).

⁶ An "unrelated order," generally, is a non-Improvement Order entered into the BOX market while a PIP is in progress. See paragraph (a) of Section 18 of Chapter V of the BOX rules. An "Improvement Order," generally, is an order submitted to a PIP to compete for a "PIP Order" (a customer order submitted to the PIP for price improvement). See paragraph (e)(i) of Section 18 of Chapter V of the BOX Rules.

⁷ As detailed in the Notice, certain unrelated Limit Orders on the same side of the market as a PIP Order terminate the PIP prematurely, while certain unrelated Limit Orders on the opposite side of the market immediately execute against the PIP Order (and allow the PIP to continue if the PIP Order has not been filled). The proposal clarifies the circumstances in which these early terminations and immediate executions take place, as well as the rules governing the prices that the PIP Order and unrelated Limit Order receive in each of these circumstances.

⁸ The proposal specifies that the BOX Trading Host does not accept Improvement Orders that would lock or cross the BOX Book.

participants how their orders are executed in various situations.⁹

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁰ that the proposed rule change (SR-BSE-2006-03) as modified by Amendment No. 1, be, and hereby is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹¹

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55407; File No. SR-ISE-2007-13]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Fee Changes

March 6, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 7, 2007, the International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the ISE. The ISE has designated this proposal as one establishing or changing a due, fee, or other charge applicable only to a member under Section 19(b)(3)(A)(ii) of the Act,³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

⁹ In addition, the Commission notes that BSE is currently obligated to provide certain reports to the Commission that provide data about BOX-Top and Market Orders that terminate the PIP prematurely, as well as BOX-Top and Market Orders that immediately execute against a PIP Order. BSE represents that it will provide the same information for Limit Orders that terminate the PIP prematurely or immediately execute against a PIP Order.

¹¹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b-4(f)(2).

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to amend its Schedule of Fees to establish fees for transactions in options on three Premium Products.⁵ The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and at <http://www.iseoptions.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the ISE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The ISE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend its Schedule of Fees to establish fees for transactions in options on the following three Premium Products: ISE-Revere Wal-Mart Supplier Index ("WMX"),⁶ iShares Dow Jones U.S. Energy Sector Index Fund ("IYE"),⁷ and First Trust

Dow Jones Select MicroCap Index Fund ("FDM").⁸ Specifically, the Exchange is proposing to adopt an execution fee and a comparison fee for all transactions in options on WMX, IYE, and FDM.⁹ The amount of the execution fee and comparison fee for products covered by this filing shall be \$0.15 and \$0.03 per contract, respectively, for all Public Customer Orders¹⁰ and Firm Proprietary orders. The amount of the execution fee and comparison fee for all ISE Market Maker transactions shall be equal to the execution fee and comparison fee currently charged by the Exchange for ISE Market Maker transactions in equity options.¹¹ Finally, the amount of the

of their respective owners. The Dow Jones U.S. Energy Sector Index Fund is not sponsored, endorsed, issued, sold or promoted by Dow Jones. BGI and Dow Jones have not licensed or authorized ISE to (i) engage in the creation, listing, provision of a market for trading, marketing, and promotion of options on IYE or (ii) to use and refer to any of their trademarks or service marks in connection with the listing, provision of a market for trading, marketing, and promotion of options on IYE or with making disclosures concerning options on IYE under any applicable federal or state laws, rules or regulations. BGI and Dow Jones do not sponsor, endorse, or promote such activity by ISE, and are not affiliated in any manner with ISE.

⁸ The First Trust Dow Jones Select MicroCap IndexSM Fund is distributed by First Trust Portfolios, L.P. "Dow Jones," and "Dow Jones Select MicroCap Index," are trademarks of Dow Jones & Company, Inc. and have been licensed for use for certain purposes by First Trust. All other trademarks and service marks are the property of their respective owners. The First Trust Dow Jones Select MicroCap Index Fund is not sponsored, endorsed, issued, sold or promoted by Dow Jones. First Trust and Dow Jones have not licensed or authorized ISE to (i) engage in the creation, listing, provision of a market for trading, marketing, and promotion of options on FDM or (ii) to use and refer to any of their trademarks or service marks in connection with the listing, provision of a market for trading, marketing, and promotion of options on FDM or with making disclosures concerning options on FDM under any applicable federal or state laws, rules or regulations. First Trust and Dow Jones do not sponsor, endorse, or promote such activity by ISE, and are not affiliated in any manner with ISE.

The Exchange represents that IYE and FDM constitute "Fund Shares," as defined by ISE Rule 502(h). The Exchange further represents that WMX meets the standards of ISE Rule 2002(b), which allows the ISE to begin trading this product by filing Form 19b-4(e) at least five business days after commencement of trading this new product pursuant to Rule 19b-4(e) of the Act. Accordingly, ISE filed Form 19b-4(e) with the Commission on February 9, 2007.

⁹ The Exchange represents that these fees will be charged only to Exchange members. Under a pilot program that is set to expire on July 31, 2007, these fees will also be charged to Linkage Orders (as defined in ISE Rule 1900). See Securities Exchange Act Release No. 54204 (July 25, 2006), 71 FR 43548 (August 1, 2006) (SR-ISE-2006-38).

¹⁰ Public Customer Order is defined in Exchange Rule 100(a)(39) as an order for the account of a Public Customer. Public Customer is defined in Exchange Rule 100(a)(38) as a person that is not a broker or dealer in securities.

¹¹ The execution fee is currently between \$.21 and \$.12 per contract side, depending on the

execution fee and comparison fee for all non-ISE Market Maker transactions shall be \$0.16 and \$0.03 per contract, respectively. All of the applicable fees covered by this filing are identical to fees charged by the Exchange for all other Premium Products. The Exchange believes the proposed rule change will further the Exchange's goal of introducing new products to the marketplace that are competitively priced.

Additionally, the Exchange has entered into a license agreement with Revere Data, LLC in connection with the listing and trading of options on WMX. As with certain other licensed options, to defray the licensing costs, the Exchange is adopting a surcharge fee of five (5) cents per contract for trading in options on WMX. The Exchange believes charging the participants that trade this instrument is the most equitable means of recovering the costs of the license. However, because of competitive pressures in the industry, the Exchange proposes to exclude Public Customer Orders from this surcharge fee. Accordingly, this surcharge fee will only be charged to Exchange members with respect to non-Public Customer Orders (e.g., ISE Market Maker, non-ISE Market Maker, and Firm Proprietary orders) and shall apply to Linkage Orders¹² under a pilot program that is set to expire on July 31, 2007.¹³ Further, the Exchange's Payment for Order Flow fee shall only apply to the trading in options on IYE and FDM as these products are multiply-listed.

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(4)¹⁴ that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Exchange Average Daily Volume, and the comparison fee is currently \$.03 per contract side.

¹² See ISE Rule 1900.

¹³ See Securities Exchange Act Release No. 54204 (July 25, 2006), 71 FR 43548 (August 1, 2006) (SR-ISE-2006-38).

¹⁴ 15 U.S.C. 78f(b)(4).

⁵ Premium Products is defined in the Schedule of Fees as the products enumerated therein.

⁶ The ISE-Revere Wal-Mart Supplier Index was jointly developed by ISE and Revere Data, LLC ("Revere"). Revere, an independent and privately owned provider of research data and investment analytics, provides specific research and support for the Wal-Mart Supplier Index. Wal-Mart® is a trademark of Wal-Mart Stores, Inc. The Wal-Mart Supplier Index is not sponsored, endorsed, sold or promoted by Wal-Mart Stores, Inc., and Wal-Mart Stores, Inc. makes no representation regarding the advisability of investing in WMX. Wal-Mart Stores, Inc. has not licensed or authorized ISE to (i) engage in the creation, listing, provision of a market for trading, marketing, and promotion of options on WMX or (ii) to use any of their trademarks or service marks in connection with the listing, provision of a market for trading, marketing, and promotion of options on WMX or with making disclosures concerning options on WMX under any applicable federal or state laws, rules or regulations. Wal-Mart Stores, Inc. does not sponsor, endorse, or promote such activity by ISE, and is not affiliated in any manner with ISE.

⁷ iShares® is a registered trademark of Barclays Global Investors, N.A. ("BGI"), a wholly owned subsidiary of Barclays Bank PLC. "Dow Jones" and "Dow Jones U.S. Energy Sector Index Fund" are trademarks and service marks of Dow Jones & Company, Inc. ("Dow Jones") and have been licensed for use for certain purposes by BGI. All other trademarks and service marks are the property

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁵ and Rule 19b-4(f)(2)¹⁶ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File No. SR-ISE-2007-13 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, Station Place, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-ISE-2007-13. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written

communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of the ISE. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-ISE-2007-13 and should be submitted on or before April 3, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁷

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55413; File No. SR-NASDAQ-2007-013]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change as Modified by Amendment No. 1 to Assess a Fee for Unsuccessful Appeals Under Rule 11890

March 7, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 27, 2007, The NASDAQ Stock Market LLC ("Nasdaq" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by Nasdaq. Nasdaq submitted the proposed rule change under Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. On March 1, 2007, the Exchange filed Amendment No. 1 to the proposed rule change. The Commission is publishing this notice to solicit

comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Nasdaq proposes to assess a fee for unsuccessful appeals under Rule 11890. Nasdaq expects to implement the proposed rule change as of March 1, 2007.

The text of the proposed rule change is available on the Nasdaq's Web site at <http://www.nasdaq.com>, at Nasdaq's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is amending Rule 11890, which covers the breaking of trades determined to be clearly erroneous, to add a new Rule 11890(c)(4) that would assess a fee of \$500.00 for unsuccessful appeals of clearly erroneous adjudications.

Rule 11890(c) provides that the losing party may appeal decisions made by Nasdaq officers on whether or not to break trades. Appeals are heard by the Market Operations Review Committee ("MORC"), a committee of up to 15 volunteers who are not affiliated with Nasdaq. Each appeal is heard by a panel of two or three MORC members who must take time from their work or personal activities to prepare for and hear the appeal. In addition, appeals take significant staff time to perform a number of functions including: processing the appeal, contacting the counterparties, communicating with MORC members to determine availability, preparing briefing materials on the circumstances of the trade(s) and communicating the MORC's decision to the parties. Nasdaq estimates that on average the appeals process takes from four to five person-hours to complete including staff and panel time.

¹⁷ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A).

⁴ 17 CFR 240.19b-4(f)(2).

¹⁵ 15 U.S.C. 78s(b)(3)(A).

¹⁶ 17 CFR 19b-4(f)(2).

Nasdaq is concerned that some members have abused the appeals process by appealing all decisions in which they are involved regardless of merit or the value of shares at issue. During December 2006 and January 2007, five firms were responsible for 44% of all appeals. Two appeals were for odd lot amounts, including one appeal for just 50 shares. Of the appeals during this two-month period, 77% of appeals were upheld by the MORC and 23% resulted in trade adjustments. These statistics suggest that parties are overusing and abusing the appellate system because there is no downside risk. A number of the appeals involve trades that do not meet the numerical thresholds and other factors used in adjudicating clearly erroneous filings set forth in IM-11890-4 and IM-11890-5. As a result, the MORC is often serving as a redundant decision maker in cases where the outcome is not legitimately in question. This is not the role Nasdaq intended when it established the appeals process using the MORC.

In order to reduce the number of frivolous appeals and to preserve Nasdaq's ability to attract qualified persons to serve on the MORC, Nasdaq is proposing a modest fee of \$500.00 that will be levied only in cases where the MORC upholds the Nasdaq officer's decision. Firms would not be charged for successful appeals. Nasdaq believes that this fee will encourage members to consider whether the facts and economic value at stake merit appellate consideration. Nasdaq notes that NYSE Arca Equities, Inc. ("NYSE Arca") recently adopted a similar \$500.00 appellate fee in order to reduce apparent abuses of the appeals process on that exchange.⁵

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁶ in general, and with Section 6(b)(4) of the Act,⁷ in particular, in that the proposed rule change provides for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system which Nasdaq operates or controls. Nasdaq believes that the modest fee of \$500 for an unsuccessful appeal under Rule 11890 will be equitably assessed against members that impose burdens on the time of Nasdaq staff and MORC

members by filing appeals that lack merit.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁸ and paragraph (f)(2) of Rule 19b-4⁹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁰

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NASDAQ-2007-013 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NASDAQ-2007-013. This file number should be included on the subject line if e-mail is used. To help the

Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of the Nasdaq. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NASDAQ-2007-013 and should be submitted on or before April 3, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹¹

¹⁰ For the purposes of calculating the 60-day abrogation period, the Commission considers the proposed rule change to have been filed on March 1, 2007, when Amendment No. 1 was filed.

¹¹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by NASD. NASD has designated the proposed rule change as constituting a "non-controversial" proposed rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD proposes to amend NASD Rules 1012 (General Provisions) and 1013 (New Member Application and Interview) to require an applicant for membership to submit an application in the manner prescribed by NASD. The text of the proposed rule change is available at NASD, www.nasd.com, and the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Applying for NASD membership is a comprehensive process requiring the submission of extensive information, considerable attention to detail, and a substantial time commitment. To streamline the application process and outline clearly the information that must be submitted with the application, NASD recently amended Rule 1013 (New Member Application and Interview) to require applicants to use a standardized form, Form NMA, to submit their membership applications.⁴ Form NMA is organized according to

the 14 individual standards for membership enumerated in Rule 1014 (Department Decision) and assists applicants in compiling a complete application package by listing the forms and supporting documentation required by Rule 1013. Applicants currently submit Form NMA in hard copy to NASD, along with the required forms and supporting documentation, via hand delivery, courier, or first-class mail.⁵

NASD, however, previously indicated in the rule filing requiring applicants to use Form NMA that it intended to develop systems to enable applicants to submit Form NMA electronically. NASD has now completed those systems and converted Form NMA to an electronic document. The electronic Form NMA and the new electronic application submission process changes only the manner in which NASD receives the information that a membership application is required to include under Rule 1013. They do not change the information applicants must submit pursuant to Rule 1013 or the standards set forth in Rule 1014 for granting an applicant's membership application.

The proposed rule change amends Rule 1012 to require applicants to file an application in the manner prescribed in Rule 1013. The proposed rule change also amends Rule 1012(a) to reflect that the electronic filing of a new member application will be deemed complete on the date specified on the confirmation page generated by the electronic filing system. In addition, the proposed rule change amends Rule 1013(a) to require new member applicants to file an application in the manner prescribed by NASD and to include the completed Form NMA as part of the contents of a membership application.

Finally, the proposed rule change deletes outdated references in Rules 1011, 1012 and 1013 to "the Association" and replaces them with "NASD."⁶

Prior to the proposed rule change being operative and implemented, NASD will make the Form NMA available to applicants via Web CRD and will outline details in a Notice to Members regarding how to complete the online form and submit it using the new electronic filing system.⁷

⁵ See Rule 1012(a)(1) and Rule 1013(a)(1).

⁶ NASD no longer refers to itself using its full corporate name or "the Association." Instead, NASD uses the name "NASD" unless otherwise appropriate for corporate or regulatory reasons.

⁷ NASD will also provide notice through the NASD Notice to Members process (or similar guidance) of any systems changes to the electronic application process that would alter the manner in which applicants interact with the electronic filing system.

This move away from a paper new member application to an electronic application will further streamline and make more efficient the new member application process.⁸ An electronic application process is also consistent with NASD's By-Laws, which state that new member applications "shall be made to the NASD via electronic process or such other process as the NASD may prescribe, on the form to be prescribed by the NASD."⁹

As noted in Item 2 above, NASD has filed the proposed rule change for immediate effectiveness. NASD will announce the implementation date of the proposed rule change in a *Notice to Members* to be published no later than 60 days following Commission notice of the filing of the proposed rule change for immediate effectiveness. The implementation date will be 30 days from the publication of the *Notice to Members*.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹⁰ which requires, among other things, that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. The proposed rule change amends Rules 1012 and 1013 to require new member applications to be submitted in the manner prescribed by NASD, which will be electronically. The proposed rule change does not propose any new or additional content requirements for member applications. NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) as the requirement to file electronic applications using Form NMS will ensure a more streamlined and efficient membership application process.

B. Self-Regulatory Organization's Statement on Burden On Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁸ Cf. Securities Exchange Act Release No. 54654 (October 26, 2006), 71 FR 64326 (November 1, 2006) (SR-NASD-2006-60) (order approving new NASD Rule 3170 (Mandatory Electronic Filing Requirements) giving NASD the authority to require members to file or submit electronically any regulatory notice or other document that a member is required to file with (or otherwise submit to) NASD).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) Significantly affect the protection of investors or the public interest;
- (ii) impose any significant burden on competition; and
- (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NASD-2007-015 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NASD-2007-015. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/>

[rules/sro.shtml](http://www.sec.gov/rules/sro.shtml)). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of NASD. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NASD-2007-015 and should be submitted on or before April 3, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55409; File No. SR-NASD-2007-004]

Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Order Approving Proposed Rule Change as Modified by Amendment No. 1 To Amend NASD Rule 7010(k) Relating to Transaction Reporting and Compliance Engine Transaction Data

March 6, 2007.

On January 16, 2007, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to offer subscribers to its Transaction Reporting and Compliance Engine system ("TRACE") the ability to receive, for a reduced fee, a "snapshot" of real-time TRACE transaction data once each day rather than continuously throughout the

day. The proposed rule change was published for comment in the **Federal Register** on February 2, 2007.³ The Commission received no comments regarding the proposal. On March 2, 2007, the Exchange submitted Amendment No. 1 to the proposed rule change.⁴

The Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association.⁵ The proposal would offer a new TRACE subscription option whereby subscribers could pay \$250/month to receive TRACE transaction data daily, once a day ("Snapshot TRACE data") rather than paying \$1,500/month for continuous access to TRACE transaction data. NASD has identified certain market participants, namely institutional investors, who only need a single price, daily, for each security for purposes of position valuation. NASD believes that, given the limited need for TRACE transaction data for these market participants, the \$1,500/month charge for continuous access to TRACE transaction data may be unnecessarily expensive for them. NASD further believes that the proposed charge of \$250/month for Snapshot TRACE data is reasonable and more appropriate for the tailored transaction informational needs of certain institutional market participants, who are currently foregoing TRACE transaction data at the higher monthly charge for continuous data.

The Commission finds that the proposed rule change is consistent with the Act, and particularly with Section 15A(b)(5) thereof,⁶ which requires that NASD's rules provide for the equitable allocation of dues, fees, and other charges among members and issuers and other persons using any facility or system which NASD operates or controls. The Commission believes that the proposed rule change, by offering the option of tailored access to TRACE transaction data at a reduced cost, is reasonable.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁷ that the proposed rule change (SR-NASD-2007-

³ See Securities Exchange Act Release No. 55180 (January 26, 2007), 72 FR 5095.

⁴ Amendment No. 1 made technical changes to the proposal and is not subject to notice and comment.

⁵ In approving this proposed rule change, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

⁶ 15 U.S.C. 78o-3(b)(5).

⁷ 15 U.S.C. 78s(b)(2).

¹¹ 15 U.S.C. 78s(b)(3)(A).

¹² 17 CFR 240.19b-4(f)(6).

¹³ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

004), as amended, be, and hereby is, approved and declared effective.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55410; File No. SR-NASD-2007-020]

Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Revise the Implementation Date of Previously Proposed Amendments to NASD Rules 4632(f) and 6130(e)

March 6, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 5, 2007, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by NASD. NASD has filed the proposal as a "non-controversial" rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD proposes to revise the implementation date of certain amendments to the NASD/Nasdaq Trade Reporting Facility ("NASD/Nasdaq TRF") rules that were previously proposed by NASD pursuant to SR-NASD-2007-002.⁵ Specifically, NASD proposes to implement the amendments to Rule 4632(f) and Rule 6130(e) regarding aggregation of trades for

purposes of reporting to the NASD/Nasdaq TRF on the Regulation NMS Trading Phase Date, March 5, 2007.⁶ There is no new rule text.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 8, 2007, NASD filed proposed rule change SR-NASD-2007-002, which proposed to make conforming changes to the transaction reporting rules relating to the NASD/Nasdaq TRF consistent with the new requirements of Regulation NMS under the Act. Among other changes, NASD proposed to amend Rule 4632(f) to expressly prohibit a member from aggregating individual executions of orders in a security at the same price into a single transaction report for tape purposes. As stated in SR-NASD-2007-002, NASD has determined that prohibiting the bunching of transactions when reporting to an NASD facility helps ensure greater transparency of individual transactions. However, for purposes of trades that are not printed to the tape, NASD proposed to amend Rule 6130(e) to continue to permit members—for clearing purposes only—to aggregate individual executions of orders in a security at the same price with the identical contra party and submit a single report to the System.⁷

These amendments are consistent with recent amendments to the reporting rules relating to NASD's Alternative Display Facility ("ADF"). Pursuant to SR-NASD-2006-091, NASD proposed to amend Rule 4632A(f) to expressly prohibit aggregation of individual executions of orders in a security at the same price into a single transaction report. The effective date of

SR-NASD-2006-091 is the Regulation NMS Trading Phase Date.⁸

To ensure consistency across NASD facilities, NASD proposes to implement the amendments to Rules 4632(f) and 6130(e) on the Regulation NMS Trading Phase Date, which, as noted above, is the implementation date for similar amendments to the ADF rules.⁹ All other changes that were proposed in SR-NASD-2007-002 will become effective on the Pilot Stocks Phase Date, as set forth in that filing.

NASD is clarifying that proposed Rule 4632(f) is intended to prohibit only the aggregation of multiple executions into a single transaction report using the ".B" modifier for purposes of transaction reporting to the NASD/Nasdaq TRF. It will not apply to the matching or crossing of multiple orders in a single execution (e.g., via an alternative trading system or broker-dealer order-management system). Today, such single executions are not submitted to the NASD/Nasdaq TRF as bunched or aggregated transaction reports using the ".B" modifier and, thus, are not affected by the proposed rule change.

NASD has filed the proposed rule change for immediate effectiveness. NASD proposes to implement the amendments to Rules 4632(f) and 6130(e) on the Regulation NMS Trading Phase Date, March 5, 2007.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹⁰ which requires, among other things, that NASD rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed rule change will enhance the consistency of the trade reporting rules applicable to NASD facilities and will ensure greater transparency of individual transactions.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not

⁸ See Securities Exchange Act Release No. 54537 (September 28, 2006), 71 FR 59173 (October 6, 2006) (SR-NASD-2006-091). See also NASD Notice to Members 06-67 (November 2006) announcing the effective date of SR-NASD-2006-091.

⁹ The rules relating to the NASD/NSX Trade Reporting Facility, the NASD/BSE Trade Reporting Facility, and the NASD/NYSE Trade Reporting Facility prohibit the aggregation of trades for purposes of reporting.

¹⁰ 15 U.S.C. 78o-3(b)(6).

⁸ 17 CFR 200.30-3(a)(12); 17 CFR 200.30-3(a)(44).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A).

⁴ 17 CFR 240.19b-4(f)(6).

⁵ See Securities Exchange Act Release No. 55101 (January 12, 2007), 72 FR 2568 (January 19, 2007) (SR-NASD-2007-002).

⁶ See Securities Exchange Act Release No. 55160 (January 24, 2007), 72 FR 4202 (January 30, 2007).

⁷ "System" is defined in Rule 6110 to mean the NASD/Nasdaq TRF, the OTC Reporting Facility, and the ITS/CAES System.

necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days from the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

NASD has requested that the Commission waive the 30-day operative delay in this case. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver will allow the amendments to Rules 4632(f) and 6130(e) to be implemented on the Regulation NMS Trading Phase Date. For this reason, the Commission designates the proposed rule change to be operative upon filing with the Commission.¹³

At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comment

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NASD-2007-020 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NASD-2007-020. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing also will be available for inspection and copying at the principal office of NASD. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NASD-2007-020 and should be submitted on or before April 3, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁴

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55414; File No. SR-NYSEArca-2007-25]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 1 Thereto Amending Its Schedule of Fees and Charges in Order To Extend a Pilot Program for Option Strategy Executions for a Period of One Year

March 7, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 28, 2007, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. On March 5, 2007, the Exchange submitted Amendment No. 1 to the proposed rule change. NYSE Arca has designated this proposal as one establishing or changing a due, fee, or other charge imposed by a self-regulatory organization pursuant to Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NYSE Arca is proposing to amend its Schedule of Fees and Charges in order to extend the pilot program that applies to Option Strategy Executions until March 1, 2008.

The text of the proposed rule change is available on the Exchange's Web site (<http://www.nyse.com/regulation/rules/1160561784294.html>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for,

¹¹ 15 U.S.C. 78s(b)(3)(A).

¹² 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. NASD has satisfied the five-day pre-filing requirement.

¹³ For the purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹⁴ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b-4(f)(2).

the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to extend the Pilot Program that applies to Option Strategy Executions (the "Pilot Program") until March 1, 2008. The transactions included as part of the Pilot Program include reversals and conversions,⁵ dividend spreads,⁶ box spreads,⁷ short stock interest spreads,⁸ and merger spreads.⁹ Because the referenced Options Strategy Transactions are generally executed by professionals whose profit margins are generally narrow, the Pilot Program caps the transaction fees associated with such executions at \$750 per strategy execution that are executed on the same trading day in the same option class. In addition, there is also a monthly cap of \$25,000 per initiating firm for all strategy executions. The Exchange believes that by keeping fees low, the Exchange is able to attract liquidity by accommodating these transactions. Extending the Pilot Program until March 1, 2008 will allow the Exchange to keep these fees low and thus continue to attract liquidity.

⁵ Reversals and conversions are transactions that employ calls, puts, and the underlying stock to lock in a nearly risk free profit. Reversals are established by combining a short stock position with a short put and a long call position that shares the same strike and expiration. Conversions employ long positions in the underlying stock that accompany long puts and short calls sharing the same strike and expiration.

⁶ Dividend spreads are trades involving deep in the money options that exploit pricing differences arising around the time a stock goes ex-dividend.

⁷ A box spread is a strategy that synthesizes long and short stock positions to create a profit. Specifically, a long call and short put at one strike is combined with a short call and long put at a different strike to create synthetic long and synthetic short stock positions, respectively.

⁸ A short stock interest spread is a spread that uses two deep in the money put options of the same class followed by the exercise of the resulting long position in order to establish a short stock interest arbitrage position.

⁹ A merger spread is a transaction executed pursuant to a strategy involving the simultaneous purchase and sale of options of the same class and expiration date, but with different strike prices followed by the exercise of the resulting long option position.

OTP Holders and OTP Firms who wish to benefit from the fee cap will be required to submit to the Exchange forms with supporting documentation (e.g., clearing firm transaction data) to qualify for the cap.

2. Statutory Basis

The proposal is consistent with Section 6(b) of the Act,¹⁰ in general, and Section 6(b)(4),¹¹ in particular, in that it provides for the equitable allocation of dues, fees and other charges among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act¹² and Rule 19b-4(f)(2) thereunder¹³ because it establishes or changes a due, fee, or other charge imposed by the Exchange. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File

No. SR-NYSEArca-2007-25 on the subject line.

Paper Comments

• Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, Station Place, 100 F Street, NE., Washington, DC 20549-1090. All submissions should refer to File Number SR-NYSEArca-2007-25. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commissions Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing also will be available for inspection and copying at the principal office of NYSE Arca. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NYSEArca-2007-25 and should be submitted on or before April 3, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁴

AGENCY: U.S. Small Business Administration.

ACTION: Amendment 1.

SUMMARY: This is an amendment of the Presidential declaration of a major disaster for Public Assistance Only for the State of Missouri (FEMA-1673-DR), dated 12/29/2006.

Incident: Severe Winter Storms.

Incident Period: 11/30/2006 through 12/2/2006.

DATES: *Effective Date:* 3/5/2007.

Physical Loan Application Deadline Date: 2/27/2007.

ADDRESSES: Submit completed loan applications to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

FOR FURTHER INFORMATION CONTACT: A. Escobar, Office of Disaster Assistance, U.S. Small Business Administration, 409 3rd Street, SW., Suite 6050, Washington, DC 20416.

SUPPLEMENTARY INFORMATION: The notice of the President's major disaster declaration for Private Non-Profit

organizations in the State of Missouri, dated 12/29/2006, is hereby amended to include the following areas as adversely affected by the disaster.

Primary Counties: Callaway, Camden, Marion, Miller

All other information in the original declaration remains unchanged.

(Catalog of Federal Domestic Assistance Number 59008.)

Herbert L. Mitchell,

Associate Administrator for Disaster Assistance.

DEPARTMENT OF STATE**[Public Notice: 5719]****60-Day Notice of Proposed Information Collection: DS-4034, Class A Nonimmigrant Visa Referral, OMB Control Number 1405-XXXX****ACTION:** Notice of request for public comments.

SUMMARY: The Department of State is seeking Office of Management and Budget (OMB) approval for the information collection described below. The purpose of this notice is to allow 60 days for public comment in the **Federal Register** preceding submission to OMB. We are conducting this process in accordance with the Paperwork Reduction Act of 1995.

- *Title of Information Collection:* Class A Nonimmigrant Visa Referral.
- *OMB Control Number:* None.
- *Type of Request:* New Approval Request.
- *Originating Office:* Bureau of Consular Affairs, Department of State (CA/VO).
- *Form Number:* DS-4034.
- *Respondents:* Consular officers.
- *Estimated Number of Respondents:* 20,000.
- *Estimated Number of Responses:* 20,000.
- *Average Hours Per Response:* 15 minutes.
- *Total Estimated Burden:* 5,000 hours per year.
- *Frequency:* On occasion.
- *Obligation to Respond:* Required to Obtain or Retain a Benefit.

DATES: The Department will accept comments from the public up to 60 days from March 13, 2007.

ADDRESSES: You may submit comments by any of the following methods:

- E-mail: VisaRegs@state.gov (Subject line must read DS-4034 Notice).
- Mail (paper, disk, or CD-ROM submissions): Chief, Legislation and Regulation Division, Visa Services—DS-4034 Notice, 2401 E Street, NW., Washington DC 20520-30106.
- Fax: (202) 663-3898.

You must include the DS form number (if applicable), information collection title, and OMB control number in any correspondence.

FOR FURTHER INFORMATION CONTACT:

Direct requests for additional information regarding the collection listed in this notice, including requests for copies of the proposed information collection and supporting documents, to Lauren Prosnik of the Office of Visa Services, U.S. Department of State, 2401 E Street, NW. L-603, Washington, DC

20520, who may be reached at (202) 663-2951 or prosnikla@state.gov.

SUPPLEMENTARY INFORMATION: We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper performance of our functions.
- Evaluate the accuracy of our estimate of the burden of the proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of technology.

Abstract of Proposed Collection

Form DS-4034 is used by consular officers to process referral visa cases when the case is in the U.S. national interest.

Methodology

The DS-4034 is filled out by Department of State employees at posts abroad.

Dated: January 16, 2007.

Stephen A. Edson,

Deputy Assistant Secretary, Bureau of Consular Affairs, Department of State.

DEPARTMENT OF STATE**[Public Notice: 5718]****60-Day Notice of Proposed Information Collection: DS-4035, Class B Nonimmigrant Visa Referral, OMB Control Number 1405-XXXX****ACTION:** Notice of request for public comments.

SUMMARY: The Department of State is seeking Office of Management and Budget (OMB) approval for the information collection described below. The purpose of this notice is to allow 60 days for public comment in the **Federal Register** preceding submission to OMB. We are conducting this process in accordance with the Paperwork Reduction Act of 1995.

- *Title of Information Collection:* Class B Nonimmigrant Visa Referral.
- *OMB Control Number:* None.
- *Type of Request:* New Approval Request.
- *Originating Office:* Bureau of Consular Affairs, Department of State (CA/VO).

- *Form Number:* DS-4035.
- *Respondents:* Consular officers.
- *Estimated Number of Respondents:* 20,000.
- *Estimated Number of Responses:* 20,000.
- *Average Hours Per Response:* 15 minutes.
- *Total Estimated Burden:* 5,000 hours per year.
- *Frequency:* On occasion.
- *Obligation to Respond:* Required to Obtain or Retain a Benefit.

DATES: The Department will accept comments from the public up to 60 days from March 13, 2007.

ADDRESSES: You may submit comments by any of the following methods:

- E-mail: VisaRegs@state.gov (Subject line must read DS-4035 Notice).
- Mail (paper, disk, or CD-ROM submissions): Chief, Legislation and Regulation Division, Visa Services—DS-4035 Notice, 2401 E Street, NW., Washington DC 20520-30106.
- Fax: (202) 663-3898.

You must include the DS form number (if applicable), information collection title, and OMB control number in any correspondence.

FOR FURTHER INFORMATION CONTACT:

Direct requests for additional information regarding the collection listed in this notice, including requests for copies of the proposed information collection and supporting documents, to Lauren Prosnik of the Office of Visa Services, U.S. Department of State, 2401 E Street, NW. L-603, Washington, DC 20520, who may be reached at (202) 663-2951 or prosnikla@state.gov.

SUPPLEMENTARY INFORMATION: We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper performance of our functions.
- Evaluate the accuracy of our estimate of the burden of the proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of technology.

Abstract of Proposed Collection

Form DS-4035 is used by consular officers to process referral visa cases when the case is not directly in the U.S. national interest, but assisting a key contact with a visa request would promote U.S. national interests or public diplomacy efforts, or if the

applicant is not personally known by the referring officer.

Methodology

The DS-4035 is filled out by Department of State employees at posts abroad.

Dated: January 16, 2007.

Stephen A. Edson,

Deputy Assistant Secretary, Bureau of Consular Affairs, Department of State.

TENNESSEE VALLEY AUTHORITY

Paperwork Reduction Act of 1995, as Amended by Public Law 104-13; Proposed Collection; Comment Request

AGENCY: Tennessee Valley Authority.

ACTION: Proposed collection; comment request.

SUMMARY: The proposed information collection described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended). The Tennessee Valley Authority is soliciting public comments on this proposed collection as provided by 5 CFR 1320.8(d)(1). Requests for information, including copies of the information collection proposed and supporting documentation, should be directed to the Agency Clearance Officer: Alice D. Witt, Tennessee Valley Authority, 1101 Market Street (EB 5B), Chattanooga, Tennessee 37402-2801; (423) 751-6832. (SC: 0009BL5) Comments should be sent to the Agency Clearance Officer no later than May 14, 2007.

SUPPLEMENTARY INFORMATION:

Type of Request: Regular submission, proposal to extend with revisions to the currently approved collection of information (OMB control number 3316-0019).

Title of Information Collection: energy right® Program.

Frequency of Use: Daily.

Type of Affected Public: Individuals or households.

Small Business or Organizations Affected: No.

Federal Budget Functional Category Code: 271.

Estimated Number of Annual Responses: 29,000.

Estimated Total Annual Burden Hours: 8,700.

Estimated Average Burden Hours Per Response: .3.

This information is used by distributors of TVA power to assist in identifying and financing energy improvements for their electrical energy customers.

Terry G. Tyler,

General Manager, Architecture, Planning, & Compliance, Information Services.

Federal Aviation Administration

RTCA Program Management Committee

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of RTCA Program Management Committee meeting.

SUMMARY: The FAA is issuing this notice to advise the public of a meeting of the RTCA Program Management Committee.

DATES: The meeting will be held March 22, 2007 starting at 9 a.m.

ADDRESSES: The meeting will be held at RTCA, Inc., 1828 L Street, NW., Suite 805, Washington, DC 20036.

FOR FURTHER INFORMATION CONTACT: RTCA Secretariat, 1828 L Street, NW., Suite 850, Washington, DC 20036; telephone (202) 833-9339; fax (202) 833-9434; Web site <http://www.rtca.org>.

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463, 5 U.S.C., Appendix 2), notice is hereby given for a Program Management Committee meeting. The agenda will include:

- March 22:
 - Opening Session (Welcome and Introductory Remarks, Review/Approve Summary of Previous Meeting, Paper No. 046-07/PMC-515).
 - Publication Consideration/Approval:
 - Final Draft, New Document, Guidance Material and Considerations for Unmanned Aircraft Systems, RTCA Paper No. 048-07/PMC-517, prepared by SC-203.
 - Discussion:
 - Aeronautical Mobile Satellite Service—Discussion—Possible New Committee.
 - SC-202 Portable Electronic Devices (PEDs)—Discussion—Revised terms of Reference.
 - Special Committee Chairman's Reports.
 - Action Item Review:
 - Data Communications—

Discussion—Possible New Committee.

- SC-147—Traffic Alert & Collision Avoidance System—Discussion.
- Revised Terms of Reference and SC-147 Status Review.
- FAA Update on activities that affect the work of SC-147.
- PMC Ad Hoc Subgroup—Status Review.
- SC-203—Unmanned Aircraft Systems (UAS)—Discussion—Status Review.
- SC-205—Software Considerations—Discussions—Status Review.
- Aeronautical Systems Security—Discussion—Possible New Committee.
- EUROCAE WG-68—Altimerty—Discussion.
- Closing Session (Other Business, Document Production, Date and Place of Next Meeting, Adjourn).

Attendance is open to the interested public but limited to space availability. With the approval of the chairmen, members of the public may present oral statements at the meeting. Persons wishing to present statements or obtain information should contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. Members of the public may present a written statement to the committee at any time.

Issued in Washington, DC, on March 5, 2007.

BILLING CODE 4910-13-M

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2007-27186]

Medical Review Board Meeting, Public Listening Session

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), United States Department of Transportation (DOT).

ACTION: Notice of Medical Review Board (MRB) Meeting and Public Listening Session.

SUMMARY: FMCSA announces a meeting and public listening session of the Agency's MRB. The MRB members will continue deliberations about current FMCSA medical standards, as well as consider recommendations for new science-based standards and guidelines to ensure that the physical condition of drivers is adequate to enable them to safely operate commercial motor vehicles (CMVs) in interstate commerce. In accordance with the Federal Advisory Committee Act (FACA), the MRB meeting is open to the public. **DATES:** The MRB meeting will be held from 9 a.m. to 3:30 p.m. on April 25, 2007. The public may offer oral comments and ask questions of the MRB members relative to the medical and scientific issues discussed from 1:30 p.m. to 3:30 p.m.

ADDRESSES: The MRB meeting will take place at the Crown Plaza Hotel, 1375 South Broadway, Lexington, KY 40504-2703. You may submit comments identified by DOT Docket Management System (DMS) Docket Number FMCSA-2007-27186 using any of the following methods:

- **Web Site:** <http://dmses.dot.gov/submit>. Follow the instructions for submitting comments on the DOT electronic docket site.

- **Fax:** 1-202-493-2251.

- **Mail:** Docket Management Facility; U.S. Department of Transportation, 400 Seventh Street, SW., Nassif Building, Room PL-401, Washington, DC 20590-0001.

- **Hand Delivery:** Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

- **Federal eRulemaking Portal:** Go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.

Instructions: All submissions must include the Agency name and docket number for this notice. Note that all comments received will be posted without change to <http://dms.dot.gov> including any personal information provided. Please see the Privacy Act heading for further information.

Docket: For access to the docket to read background documents or comments received, go to <http://dms.dot.gov> at any time or Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The DMS is available 24 hours each day, 365 days each year. If you want acknowledgment that we received your comments, please include a self-addressed, stamped envelope or postcard or print the acknowledgement page that appears after submitting comments on-line.

Privacy Act: Anyone may search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or of the person signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review the U.S. Department of Transportation's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477; Apr. 11, 2000). This information is also available at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Dr. Mary D. Gunnels, Chief, Physical Qualifications Division, 202-366-4001, FMCSA, Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590-0001. Office hours are from 8:30 a.m. to 5 p.m. Monday through Friday, except Federal holidays.

Information on Services for Individuals With Disabilities

For information on facilities or services for individuals with disabilities

or to request special assistance at the meeting, contact Kaye Kirby at 202-366-4001.

SUPPLEMENTARY INFORMATION:

The preliminary agenda for the MRB meeting:

- 0800-0900 Registration (Includes Request for Comments).
- 0900-0905 Call to Order, Agenda Review.
- 0905-0925 MRB Actions, (Diabetes & Schedule II Medications).
- 0925-0945 Cardiovascular Disease.
- 0945-1015 Cardiovascular Disease Expert Panel Recommendations.
- 1015-1100 MRB questions on Cardiovascular Disease.
- 1100-1130 Deliberations on Evidence Report & Panel Comments.
- 1130-1200 MRB Recommendations.
- 1200-1330 Lunch Break (Attendees are responsible for their lunch).
- 1330-1530 Public Comment.

*Breaks will be announced on meeting day and may be adjusted according to schedule changes, other listening session requirements.

Medical Review Board Meeting

The U.S. Secretary of Transportation announced on March 7, 2006, the five medical experts who serve on FMCSA's MRB. Section 4116 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU, Pub. L. 109-59) requires the Secretary of Transportation with the advice of the MRB to "establish, review, and revise medical standards for operators of CMVs that will ensure that the physical condition of operators is adequate to enable them to operate the vehicles safely." FMCSA is considering updates to the physical qualification regulations of CMV drivers, and the MRB will provide the necessary science-based guidance to establish realistic and responsible medical standards.

The MRB operates in accordance with FACA as announced in the **Federal Register** (70 FR 57642, October 3, 2005). The MRB is charged initially with the review of all current FMCSA medical standards (49 CFR 391.41), as well as proposing new science-based standards and guidelines to ensure that drivers operating CMVs in interstate commerce, as defined in CFR 390.5, are physically capable of doing so.

Meeting Participation

Attendance is open to the interested public, including medical examiners, motor carriers, drivers, and representatives of medical and scientific associations. The public can ask relevant questions of the MRB and

comment about the information presented to the MRB during the listening session of the program, which will be held 1:30 p.m.-3:30 p.m. Written comments for the MRB meeting will also be accepted beginning on March 27, 2007, and continuing until May 17, 2007, and should include the docket number that is listed in the **ADDRESSES** section. During the MRB meeting, oral comments may be limited depending on how many persons wish to comment; and will be accepted on a first come, first serve basis as requestors register at the meeting. The comments must directly address relevant medical and scientific issues on the MRB meeting agenda. For more information, view the following Web site: <http://www.mrb.fmcsa.dot.gov>.

Issued on: March 6, 2007.

John H. Hill,

Administrator.

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket Nos. FMCSA-98-3637, FMCSA-00-7165, FMCSA-00-7363, FMCSA-00-8203, FMCSA-02-12844, FMCSA-02-12294, FMCSA-04-19477]

Qualification of Drivers; Exemption Renewals; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of final disposition.

SUMMARY: FMCSA previously announced its decision to renew the exemptions from the vision requirement in the Federal Motor Carrier Safety Regulations for these 45 individuals. FMCSA has statutory authority to exempt individuals from the vision requirement if the exemptions granted will not compromise safety. The Agency has reviewed the comments submitted in response to the previous announcements and concluded that granting these exemptions will provide a level of safety that will be equivalent to, or greater than, the level of safety maintained without the exemptions for these commercial motor vehicle (CMV) drivers.

FOR FURTHER INFORMATION CONTACT: Dr. Mary D. Gunnels, Chief, Physical Qualifications Division, (202) 366-4001, maggi.gunnels@dot.gov, FMCSA, Department of Transportation, 400 Seventh Street, SW., Room 8301, Washington, DC 20590-0001. Office hours are from 8:30 a.m. to 5 p.m.,

Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Electronic Access

You may see all the comments online through the Document Management System (DMS) at <http://dmses.dot.gov>.

Background

Under 49 U.S.C. 31136(e) and 31315, FMCSA may grant an exemption for a 2-year period if it finds "such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption." The statute also allows the Agency to renew exemptions at the end of the 2-year period. The comment period ended on February 8, 2007.

Discussion of Comments

FMCSA received two comments in these proceedings. The comments were considered and discussed below.

Ms. Sachau believes that drivers with impaired vision should not be driving commercially because it makes the roads much more dangerous.

A review of each record for safety while driving with the respective vision deficiencies over the past two years indicates each applicant continues to meet the vision exemption standards. To evaluate the effect of these exemptions on safety, FMCSA considered not only the medical reports about the applicants' vision, but also their driving records and experience with the vision deficiency. To qualify for an exemption from the vision standard, FMCSA requires a person to present verifiable evidence that he or she has driven a commercial vehicle safely with the vision deficiency for 3 years. Recent driving performance is especially important in evaluating future safety, according to several research studies designed to correlate past and future driving performance. Results of these studies support the principle that the best predictor of future performance by a driver is his/her past record of crashes and traffic violations. Copies of the studies may be found at docket number FMCSA-98-3637.

Advocates for Highway and Auto Safety (Advocates) expressed opposition to FMCSA's policy to grant exemptions from the FMCSR, including the driver qualification standards. Specifically, Advocates: (1) Objects to the manner in which FMCSA presents driver information to the public and makes safety determinations; (2) objects to the Agency's reliance on conclusions drawn from the vision waiver program; (3)

claims the Agency has misinterpreted statutory language on the granting of exemptions (49 U.S.C. 31136(e) and 31315); and finally (4) suggests that a 1999 Supreme Court decision affects the legal validity of vision exemptions.

The issues raised by Advocates were addressed at length in 64 FR 51568 (September 23, 1999), 64 FR 66962 (November 30, 1999), 64 FR 69586 (December 13, 1999), 65 FR 159 (January 3, 2000), 65 FR 57230 (September 21, 2000), and 66 FR 13825 (March 7, 2001). We will not address these points again here, but refer interested parties to those earlier discussions.

Conclusion

The Agency has not received any adverse evidence on any of these drivers that indicates that safety is being compromised. Based upon its evaluation of the 45 renewal applications, FMCSA renews the Federal vision exemptions for Johnny Becerra, Thomas J. Boss, Howard F. Breitzkreutz, Robert R. Buis, Ross E. Burroughs, Lester W. Carter, Larry Chinn, Christopher L. DePuy, John B. Ethridge, John E. Evenson, Larry J. Folkerts, George J. Ghigliotty, Randolph D. Hall, Richard T. Hatchel, Steven C. Humke, Paul W. Hunter, Leon E. Jackson, Neil W. Jennings, Robert J. Johnson, Charles R. Kuderer, Robert L. LaFollette, Craig M. Landry, Thomas D. Laws, Ray P. Lenz, William R. Mayfield, Michael B. McClure, Lamont S. McCord, Francis M. McMullin, Joe L. Meredith, Jr., Norman Mullins, Harold W. Mumford, Richard E. Nordhausen, Jr., Tony E. Parks, Clifford C. Priesmeyer, Clarence H. Redding, Gerald R. Rietmann, Andrew H. Rusk, Arthur A. Sappington, Richard L. Sheppard, William H. Smith, David J. Triplett, Kenneth E. Vigue, Jr., Edward C. Williams, David G. Williams, and Richard A. Winslow.

In accordance with 49 U.S.C. 31136(e) and 31315, each renewal exemption will be valid for 2 years unless revoked earlier by FMCSA. The exemption will be revoked if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136 and 31315.

Issued on: March 6, 2007.

Larry W. Minor,

Office Director, Bus and Truck Standards and Operations.

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-00-8398, FMCSA-02-12844, FMCSA-04-17984, FMCSA-05-20027]

Qualification of Drivers; Exemption Applications; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of renewal of exemptions; request for comments.

SUMMARY: FMCSA announces its decision to renew the exemptions from the vision requirement in the Federal Motor Carrier Safety Regulations for 15 individuals. FMCSA has statutory authority to exempt individuals from the vision requirement if the exemptions granted will not compromise safety. The Agency has concluded that granting these exemptions will provide a level of safety that will be equivalent to, or greater than, the level of safety maintained without the exemptions for these commercial motor vehicle (CMV) drivers.

DATES: This decision is effective April 1, 2007. Comments must be received on or before April 12, 2007.

ADDRESSES: You may submit comments identified by DOT Docket Management System (DMS) Docket Numbers FMCSA-00-8398, FMCSA-02-12844, FMCSA-04-17984, FMCSA-05-20027, using any of the following methods.

- *Web Site:* <http://dmses.dot.gov>.

Follow the instructions for submitting comments on the DOT electronic docket site.

- *Fax:* 1-202-493-2251.

- *Mail:* Docket Management Facility; U.S. Department of Transportation, 400 Seventh Street, SW., Nassif Building, Room PL-401, Washington, DC 20590-0001.

- *Hand Delivery:* Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

- *Federal eRulemaking Portal:* Go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.

Instructions: All submissions must include the Agency name and docket numbers for this Notice. Note that all comments received will be posted without change to <http://dms.dot.gov>, including any personal information provided. Please see the Privacy Act heading for further information.

Docket: For access to the docket to read background documents or comments received, go to <http://dms.dot.gov> at any time or Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The DMS is available 24 hours each day, 365 days each year. If you want us to notify you that we received your comments, please include a self-addressed, stamped envelope or postcard or print the acknowledgement page that appears after submitting comments online.

Privacy Act: Anyone may search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or of the person signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review the Department of Transportation's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477; April 11, 2000). This information is also available at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Dr. Mary D. Gunnels, Chief, Physical Qualifications Division, (202) 366-4001, maggi.gunnels@dot.gov FMCSA, Department of Transportation, 400 Seventh Street, SW., Room 8301, Washington, DC 20590-0001. Office hours are from 8:30 a.m. to 5 p.m., E.T., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Exemption Decision

Under 49 U.S.C. 31136(e) and 31315, FMCSA may renew an exemption from the vision requirements in 49 CFR 391.41(b)(10), which applies to drivers of CMVs in interstate commerce, for a two-year period if it finds "such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption." The procedures for requesting an exemption (including renewals) are set out in 49 CFR part 381. This notice addresses 15 individuals who have requested renewal of their exemptions in accordance with FMCSA procedures. FMCSA has evaluated these 15 applications for renewal on their merits and decided to extend each exemption for a renewable two-year period. They are:

David F. Breuer
Wilford F. Christian
Richard S. Cummings
Joseph D. Dean
Daniel L. Jacobs
Jimmy C. Killian

Jose M. Limon-Alvarado
Eugene R. Lydick
John W. Montgomery
Zeljko Popovac
Richie J. Schwendy
Scottie Stewart
Artis Suitt
Clarence L. Swann, Jr.
Kerry W. VanStory

These exemptions are extended subject to the following conditions: (1) That each individual have a physical examination every year (a) by an ophthalmologist or optometrist who attests that the vision in the better eye continues to meet the standard in 49 CFR 391.41(b)(10), and (b) by a medical examiner who attests that the individual is otherwise physically qualified under 49 CFR 391.41; (2) that each individual provide a copy of the ophthalmologist's or optometrist's report to the medical examiner at the time of the annual medical examination; and (3) that each individual provide a copy of the annual medical certification to the employer for retention in the driver's qualification file and retain a copy of the certification on his/her person while driving for presentation to a duly authorized Federal, State, or local enforcement official. Each exemption will be valid for two years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

Basis for Renewing Exemptions

Under 49 U.S.C. 31315(b)(1), an exemption may be granted for no longer than two years from its approval date and may be renewed upon application for additional two year periods. In accordance with 49 U.S.C. 31136(e) and 31315, each of the 15 applicants has satisfied the entry conditions for obtaining an exemption from the vision requirements (65 FR 78256; 66 FR 16311; 68 FR 13360; 70 FR 12265; 67 FR 68719; 68 FR 2629; 70 FR 16887; 69 FR 33997; 69 FR 61292; 70 FR 2701). Each of these 15 applicants has requested timely renewal of the exemption and has submitted evidence showing that the vision in the better eye continues to meet the standard specified at 49 CFR 391.41(b)(10) and that the vision impairment is stable. In addition, a review of each record of safety while driving with the respective vision deficiencies over the past two years indicates each applicant continues to

meet the vision exemption standards. These factors provide an adequate basis for predicting each driver's ability to continue to drive safely in interstate commerce. Therefore, FMCSA concludes that extending the exemption for each renewal applicant for a period of two years is likely to achieve a level of safety equal to that existing without the exemption.

Request for Comments

FMCSA will review comments received at any time concerning a particular driver's safety record and determine if the continuation of the exemption is consistent with the requirements at 49 U.S.C. 31136(e) and 31315. However, FMCSA requests that interested parties with specific data concerning the safety records of these drivers submit comments by April 12, 2007.

FMCSA believes that the requirements for a renewal of an exemption under 49 U.S.C. 31136(e) and 31315 can be satisfied by initially granting the renewal and then requesting and evaluating, if needed, subsequent comments submitted by interested parties. As indicated above, the Agency previously published notices of final disposition announcing its decision to exempt these 15 individuals from the vision requirement in 49 CFR 391.41(b)(10). The final decision to grant an exemption to each of these individuals was based on the merits of each case and only after careful consideration of the comments received to its notices of applications. The notices of applications stated in detail the qualifications, experience, and medical condition of each applicant for an exemption from the vision requirements. That information is available by consulting the above cited **Federal Register** publications.

Interested parties or organizations possessing information that would otherwise show that any, or all of these drivers, are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315, FMCSA will take immediate steps to revoke the exemption of a driver.

Issued on: March 6, 2007.

Larry W. Minor,

Office Director, Bus and Truck Standards and Operations.

This information is also available at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Dr. Mary D. Gunnels, Chief, Physical Qualifications Division, (202) 366-4001, maggi.gunnels@dot.gov FMCSA, Department of Transportation, 400 Seventh Street, SW., Room 8301, Washington, DC 20590-0001. Office hours are from 8:30 a.m. to 5 p.m., E.T., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Exemption Decision

Under 49 U.S.C. 31136(e) and 31315, FMCSA may renew an exemption from the vision requirements in 49 CFR 391.41(b)(10), which applies to drivers of CMVs in interstate commerce, for a two-year period if it finds "such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption." The procedures for requesting an exemption (including renewals) are set out in 49 CFR part 381. This notice addresses 19 individuals who have requested renewal of their exemptions in accordance with FMCSA procedures. FMCSA has evaluated these 19 applications for renewal on their merits and decided to extend each exemption for a renewable two-year period. They are:

Carl W. Adams
David W. Ball
Joseph M. Blankenship
Mark L. Braun
Willie Burnett, Jr.
Donald K. Driscoll

Jerald O. Edwards
Elias Gomez, Jr.
William G. Holland
Bruce G. Horner
Thomas F. Marczewski
Roy E. Mathews
James T. McGraw, Jr.
Carl A. Michel, Sr.
Robert A. Moss
Bobby G. Pool, Sr.
Thaddeus E. Temoney
Harry C. Weber
Yu Weng

These exemptions are extended subject to the following conditions: (1) That each individual have a physical examination every year (a) by an ophthalmologist or optometrist who attests that the vision in the better eye continues to meet the standard in 49 CFR 391.41(b)(10), and (b) by a medical examiner who attests that the individual is otherwise physically qualified under 49 CFR 391.41; (2) that each individual provide a copy of the ophthalmologist's or optometrist's report to the medical examiner at the time of the annual medical examination; and (3) that each individual provide a copy of the annual medical certification to the employer for retention in the driver's qualification file and retain a copy of the certification on his/her person while driving for presentation to a duly authorized Federal, State, or local enforcement official. Each exemption will be valid for two years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

Basis for Renewing Exemptions

Under 49 U.S.C. 31315(b)(1), an exemption may be granted for no longer than two years from its approval date and may be renewed upon application for additional two year periods. In accordance with 49 U.S.C. 31136(e) and 31315, each of the 19 applicants has satisfied the entry conditions for obtaining an exemption from the vision requirements (65 FR 45817; 65 FR 77066; 68 FR 13360; 70 FR 12265; 65 FR 66286; 66 FR 13825; 68 FR 10300; 70 FR 7546; 65 FR 78256; 66 FR 16311; 67 FR 68719; 68 FR 2629; 70 FR 7545; 67 FR 76439; 68 FR 10298). Each of these 19 applicants has requested timely renewal of the exemption and has submitted evidence showing that the vision in the better eye continues to meet the standard specified at 49 CFR

391.41(b)(10) and that the vision impairment is stable. In addition, a review of each record of safety while driving with the respective vision deficiencies over the past two years indicates each applicant continues to meet the vision exemption standards. These factors provide an adequate basis for predicting each driver's ability to continue to drive safely in interstate commerce. Therefore, FMCSA concludes that extending the exemption for each renewal applicant for a period of two years is likely to achieve a level of safety equal to that existing without the exemption.

Request for Comments

FMCSA will review comments received at any time concerning a particular driver's safety record and determine if the continuation of the exemption is consistent with the requirements at 49 U.S.C. 31136(e) and 31315. However, FMCSA requests that interested parties with specific data concerning the safety records of these drivers submit comments by April 12, 2007.

FMCSA believes that the requirements for a renewal of an exemption under 49 U.S.C. 31136(e) and 31315 can be satisfied by initially granting the renewal and then requesting and evaluating, if needed, subsequent comments submitted by interested parties. As indicated above, the Agency previously published notices of final disposition announcing its decision to exempt these 19 individuals from the vision requirement in 49 CFR 391.41(b)(10). The final decision to grant an exemption to each of these individuals was based on the merits of each case and only after careful consideration of the comments received to its notices of applications. The notices of applications stated in detail the qualifications, experience, and medical condition of each applicant for an exemption from the vision requirements. That information is available by consulting the above cited **Federal Register** publications.

Interested parties or organizations possessing information that would otherwise show that any, or all of these drivers, are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315, FMCSA will take immediate steps to revoke the exemption of a driver.

BILLING CODE 4910-EX-P

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

[STB Finance Docket No. 34554 (Sub-No. 7)]

Union Pacific Railroad Company— Temporary Trackage Rights Exemption—BNSF Railway Company

AGENCY: Surface Transportation Board, DOT.

ACTION: Partial Revocation of Exemption.

SUMMARY: The Board, under 49 U.S.C. 10502, revokes the class exemption as it pertains to the modified trackage rights described in STB Finance Docket No. 34554 (Sub-No. 6)¹ to permit the trackage rights to expire on or about December 31, 2007, in accordance with the agreement of the parties,² subject to the employee protective conditions set forth in *Oregon Short Line R. Co.*—

¹ On December 29, 2006, Union Pacific Railroad Company (UP) concurrently filed a verified notice of exemption under the Board's class exemption procedures at 49 CFR 1180.2(d)(7). The notice covered the agreement by the BNSF Railway Company (BNSF) to extend the expiration date of the local trackage rights granted to UP over BNSF's line of railroad between BNSF milepost 579.3 near Mill Creek, OK, and BNSF milepost 631.1 near Joe Junction, TX, a distance of approximately 51 miles. UP submits that the trackage rights are only temporary rights, but, because they are "local" rather than "overhead" rights, they do not qualify for the Board's class exemption for temporary trackage rights at 49 CFR 1180.2(d)(8). See *Union Pacific Railroad Company—Temporary Trackage Rights Exemption—BNSF Railway Company*, STB Finance Docket No. 34554 (Sub-No. 6) (STB served Jan. 12, 2007).

² The original trackage rights granted in *Union Pacific Railroad Company—Temporary Trackage Rights Exemption—The Burlington Northern and Santa Fe Railway Company*, STB Finance Docket No. 34554 (STB served Oct. 7, 2004), also extended from BNSF milepost 579.3 near Mill Creek, OK, to BNSF milepost 631.1 near Joe Junction, TX. By decisions served on November 24, 2004, in STB Finance Docket No. 34554 (Sub-No. 1), on March 25, 2005, in STB Finance Docket No. 34554 (Sub-No. 3), and on March 23, 2006, in STB Finance Docket No. 34554 (Sub-No. 5), the Board granted exemptions to permit the trackage rights authorized in STB Finance Docket No. 34554 and extended in STB Finance Docket No. 34554 (Sub-No. 2), served on February 11, 2005, and in STB Finance Docket No. 34554 (Sub-No. 4), served on March 3, 2006, to expire. At the time of the last extension, it was anticipated by the parties that the rights would expire on or about December 31, 2006. However, this authority had not yet been exercised at the time of filing of the notice of exemption in STB Finance Docket No. 34554 (Sub-No. 6) for a further extension of the expiration date.

Abandonment—Goshen, 360 I.C.C. 91 (1979).

DATES: This exemption is effective on April 12, 2007. Petitions to stay must be filed by March 23, 2007. Petitions to reopen must be filed by April 2, 2007.

ADDRESSES: An original and 10 copies of all pleadings referring to STB Finance Docket No. 34554 (Sub-No. 7) must be filed with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001. In addition, a copy of all pleadings must be served on petitioner's representative: Gabriel S. Meyer, 1400 Douglas Street, STOP 1580, Omaha, NE 68179.

FOR FURTHER INFORMATION CONTACT: Joseph H. Dettmar (202) 245-0395. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.]

SUPPLEMENTARY INFORMATION: Additional information is contained in the Board's decision. To purchase a copy of the full decision, write to, e-mail or call: ASAP Document Solutions, 9332 Annapolis Rd., Suite 103, Lanham, MD 20706; e-mail asapdc@verizon.net; telephone (202) 306-4004. [Assistance for the hearing impaired is available through FIRS at 1-800-877-8339.]

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: March 5, 2007.

By the Board, Chairman Nottingham, Vice Chairman Buttrey, and Commissioner Mulvey.

Vernon A. Williams,
Secretary.

App. (1988) that an open meeting of the Area 3 Taxpayer Advocacy Panel will be held Tuesday, April 17, 2007, from 11:30 a.m. ET via a telephone conference call. If you would like to have the TAP consider a written statement, please call 1-888-912-1227 or 954-423-7979, or write Sallie Chavez, TAP Office, 1000 South Pine Island Rd., Suite 340, Plantation, FL 33324. Due to limited conference lines, notification of intent to participate in the telephone conference call meeting must be made with Sallie Chavez. Ms. Chavez can be reached at 1-888-912-1227 or 954-423-7979, or post comments to the Web site: <http://www.improveirs.org>.

The agenda will include: Various IRS issues.

Dated: March 6, 2007.

John Fay,

Acting Director, Taxpayer Advocacy Panel.

BILLING CODE 4830-01-P

DEPARTMENT OF THE TREASURY

Office of Thrift Supervision

Submission for OMB Review; Comment Request—Procedures for Monitoring Bank Secrecy Act

AGENCY: Office of Thrift Supervision (OTS), Treasury.

ACTION: Notice and request for comment.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review and approval, as required by the Paperwork Reduction Act of 1995. OTS is soliciting public comments on the proposal.

DATES: Submit written comments on or before April 12, 2007.

ADDRESSES: Send comments, referring to the collection by title of the proposal or by OMB approval number, to OMB and OTS at these addresses: Office of Information and Regulatory Affairs, Attention: Desk Officer for OTS, U.S. Office of Management and Budget, 725-17th Street, NW., Room 10235, Washington, DC 20503, or by fax to (202) 395-6974; and Information Collection Comments, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552, by fax to (202) 906-6518, or by e-mail to infocollection.comments@ots.treas.gov. OTS will post comments and the related index on the OTS Internet Site at <http://www.ots.treas.gov>. In addition, interested persons may inspect comments at the Public Reading Room, 1700 G Street, NW., by appointment. To make an appointment, call (202) 906-5922, send an e-mail to public.info@ots.treas.gov, or send a facsimile transmission to (202) 906-7755.

FOR FURTHER INFORMATION CONTACT: You may access a copy of Form 1582 with the proposed changes in redline on OTS's Web site at <http://www.ots.treas.gov> or you may request a copy from Donald W. Dwyer, Director, Applications, (202) 906-6414. To obtain a copy of the submission to OMB, please contact Marilyn K. Burton at marilyn.burton@ots.treas.gov, (202) 906-6467, or facsimile number (202) 906-6518, Litigation Division, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

SUPPLEMENTARY INFORMATION: OTS may not conduct or sponsor an information collection, and respondents are not required to respond to an information

collection, unless the information collection displays a currently valid OMB control number. As part of the approval process, we invite comments on the following information collection.

Title of Proposal: Procedures for Monitoring Bank Secrecy Act.

OMB Number: 1550-0041.

Form Number: N/A.

Regulation requirement: 12 CFR 563.177.

Description: The information collected enables OTS to determine whether a savings association has implemented a program reasonably designed to assure and monitor compliance with the currency recordkeeping and reporting requirements established by Federal Statute and the U.S. Department of Treasury regulations.

Type of Review: Renewal.

Affected Public: Savings Associations.

Estimated Number of Respondents: 840.

Estimated Burden Hours per Response: 28 hours.

Estimated Frequency of Response: Annually.

Estimated Total Burden: 23,520 hours.

Clearance Officer: Marilyn K. Burton, (202) 906-6467, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

OMB Reviewer: Desk Officer for OTS, Fax: (202) 395-6974, U.S. Office of Management and Budget, 725 17th Street, NW., Room 10235, Washington, DC 20503.

Dated: March 7, 2007.

Deborah Dakin,

Senior Deputy Chief Counsel, Regulations and Legislation Division.

DEPARTMENT OF THE TREASURY

Office of Thrift Supervision

Submission for OMB Review; Comment Request —'34 Act Disclosures

AGENCY: Office of Thrift Supervision (OTS), Treasury.

ACTION: Notice and request for comment.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review and approval, as required by the Paperwork Reduction Act of 1995. OTS is soliciting public comments on the proposal.

DATES: Submit written comments on or before April 12, 2007.

ADDRESSES: Send comments, referring to the collection by title of the proposal or by OMB approval number, to OMB and OTS at these addresses: Office of Information and Regulatory Affairs, Attention: Desk Officer for OTS, U.S. Office of Management and Budget, 725-17th Street, NW., Room 10235, Washington, DC 20503, or by fax to (202) 395-6974; and Information Collection Comments, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552, by fax to (202) 906-6518, or by e-mail to infocollection.comments@ots.treas.gov. OTS will post comments and the related index on the OTS Internet Site at <http://www.ots.treas.gov>. In addition, interested persons may inspect comments at the Public Reading Room, 1700 G Street, NW., by appointment. To make an appointment, call (202) 906-5922, send an e-mail to public.info@ots.treas.gov, or send a facsimile transmission to (202) 906-7755.

FOR FURTHER INFORMATION CONTACT: For further information or to obtain a copy of the submission to OMB, please contact Marilyn K. Burton at marilyn.burton@ots.treas.gov, (202) 906-6467, or facsimile number (202) 906-6518, Litigation Division, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

SUPPLEMENTARY INFORMATION: OTS may not conduct or sponsor an information collection, and respondents are not required to respond to an information collection, unless the information collection displays a currently valid OMB control number. As part of the approval process, we invite comments on the following information collection.

Title of Proposal: '34 Act Disclosures.

OMB Number: 1550-0019.

Form Number: Schedules 13D, 13G, 13E-3, 14A, 14C, 14D-1, and TO; SEC Forms 3, 4, 5, 10, 10-SB, 10-K, 10-KSB, 8-K, 8-A, 12b-25, 10-Q, 10-QSB, 15, G-FIN, G-FINW, G-FIN-4, G-FIN-5, and annual report.

Regulation requirement: 12 CFR part 563d and § 552.10.

Description: OTS is responsible for the securities filings for thrift institutions. These filings provide operational data to stockholders and investors that allows them to evaluate their investments and make informed decisions about the possible purchase or sale of the securities. OTS reviews these forms to ensure that the information is complete and complies with regulatory requirements, and that the thrift institution is complying with Securities

and Exchange Commission (SEC) and OTS regulations.

Type of Review: Renewal.

Affected Public: Directors, officers, and principal shareholders of insured financial institutions (insiders); Savings associations.

Estimated Number of Respondents: 192.

Estimated Number of Responses: 286.

Estimated Frequency of Response: On occasion; quarterly; annually.

Estimated Total Burden: 41,030 hours.

Clearance Officer: Marilyn K. Burton, (202) 906-6467, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

OMB Reviewer: Desk Officer for OTS, Fax: (202) 395-6974, U.S. Office of Management and Budget, 725 17th Street, NW., Room 10235, Washington, DC 20503.

Dated: March 7, 2007.

Deborah Dakin,

Senior Deputy Chief Counsel, Regulations and Legislation Division.

BILLING CODE 6720-01-P

DEPARTMENT OF THE TREASURY

Office of Thrift Supervision

Proposed Agency Information Collection Activities; Comment Request—Deposits

AGENCY: Office of Thrift Supervision (OTS), Treasury.

ACTION: Notice and request for comment.

SUMMARY: The Department of the Treasury, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on proposed and continuing information collections, as required by the Paperwork Reduction Act of 1995, 44 U.S.C. 3507. The Office of Thrift Supervision within the Department of the Treasury will submit the proposed information collection requirement described below to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. Today, OTS is soliciting public comments on its proposal to extend this information collection.

DATES: Submit written comments on or before May 14, 2007.

ADDRESSES: Send comments, referring to the collection by title of the proposal or by OMB approval number, to Information Collection Comments, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW.,

Washington, DC 20552; send a facsimile transmission to (202) 906-6518; or send an e-mail to infocollection.comments@ots.treas.gov. OTS will post comments and the related index on the OTS Internet Site at <http://www.ots.treas.gov>. In addition, interested persons may inspect comments at the Public Reading Room, 1700 G Street, NW., by appointment. To make an appointment, call (202) 906-5922, send an e-mail to public.info@ots.treas.gov, or send a facsimile transmission to (202) 906-7755.

FOR FURTHER INFORMATION CONTACT: You can request additional information about this proposed information collection from Josephine Battle, Program Analyst (Thrift Policy), Operation Risk, (202) 906-6870, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

SUPPLEMENTARY INFORMATION: OTS may not conduct or sponsor an information collection, and respondents are not required to respond to an information collection, unless the information collection displays a currently valid OMB control number. As part of the approval process, we invite comments on the following information collection.

Comments should address one or more of the following points: a. Whether the proposed collection of information is necessary for the proper performance of the functions of OTS; b. The accuracy of OTS's estimate of the burden of the proposed information collection; c. Ways to enhance the quality, utility, and clarity of the information to be collected; d. Ways to minimize the burden of the information collection on respondents, including through the use of information technology.

We will summarize the comments that we receive and include them in the OTS request for OMB approval. All comments will become a matter of public record. In this notice, OTS is soliciting comments concerning the following information collection.

Title of Proposal: Deposits.

OMB Number: 1550-0092.

Form Number: N/A.

Regulation requirement: 12 CFR 557.20, 230.3, 230.4, 230.5, and 230.6.

Description: Part 557 of Title 12 of the Code of Federal Regulations relies on the disclosure requirements applicable to savings associations under the Federal Reserve Board's Regulation DD (12 CFR part 230). OTS needs the information required by Regulation DD to supervise savings associations and develop regulatory policy.

Type of Review: Renewal.

Affected Public: Savings Associations.

Estimated Number of Respondents: 840.

Estimated Number of Responses: 87,152.

Estimated Frequency of Response: On occasion.

Estimated Burden Hours per Response: 1 hour 8 minutes.

Estimated Total Burden: 1,271,671 hours.

Clearance Officer: Marilyn K. Burton, (202) 906-6467, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

Dated: March 7, 2007.

Deborah Dakin,

Senior Deputy Chief Counsel, Regulations and Legislation Division.

BILLING CODE 6720-01-P

DEPARTMENT OF THE TREASURY

Office of Thrift Supervision

Submission for OMB Review; Comment Request—Interagency Guidance on Response Programs for Unauthorized Access to Customer Information and Customer Notice

AGENCY: Office of Thrift Supervision (OTS), Treasury.

ACTION: Notice and request for comment.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review and approval, as required by the Paperwork Reduction Act of 1995. OTS is soliciting public comments on the proposal.

DATES: Submit written comments on or before April 12, 2007.

ADDRESSES: Send comments, referring to the collection by title of the proposal or by OMB approval number, to OMB and OTS at these addresses: Office of Information and Regulatory Affairs, Attention: Desk Officer for OTS, U.S. Office of Management and Budget, 725 17th Street, NW., Room 10235, Washington, DC 20503, or by fax to (202) 395-6974; and Information Collection Comments, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552, by fax to (202) 906-6518, or by e-mail to infocollection.comments@ots.treas.gov.

OTS will post comments and the related index on the OTS Internet Site at <http://www.ots.treas.gov>. In addition, interested persons may inspect comments at the Public Reading Room, 1700 G Street, NW., by appointment. To make an appointment, call (202) 906-

5922, send an e-mail to public.info@ots.treas.gov, or send a facsimile transmission to (202) 906-7755.

FOR FURTHER INFORMATION CONTACT: For further information or to obtain a copy of the submission to OMB, please contact Marilyn K. Burton at marilyn.burton@ots.treas.gov, (202) 906-6467, or facsimile number (202) 906-6518, Litigation Division, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

SUPPLEMENTARY INFORMATION: OTS may not conduct or sponsor an information collection, and respondents are not required to respond to an information collection, unless the information collection displays a currently valid OMB control number. As part of the approval process, we invite comments on the following information collection.

Title of Proposal: Interagency Guidance on Response Programs for Unauthorized Access to Customer Information and Customer Notice.

OMB Number: 1550-0110.

Form Number: N/A.

Description: On March 29, 2005, the Office of the Comptroller of the Currency (OCC), Board of Governors of the Federal Reserve System (Board), Federal Deposit Insurance Corporation (FDIC), and Office of Thrift Supervision (OTS) (collectively, the Agencies) published the Interagency Guidance on Response Programs for Unauthorized Access to Customer Information and Customer Notice (70 FR 15736) (Guidance). The Guidance interprets the requirements of section 501(b) of the Gramm-Leach-Bliley Act (GLBA), 15 U.S.C. 6801, and the Interagency Guidelines Establishing Information Security Standards (Security Guidelines)¹ to include the development and implementation of a response program to address unauthorized access to or use of customer information that could result in substantial harm or inconvenience to a customer. The Guidance states that every financial institution should develop and implement a response program designed to address incidents of unauthorized access to customer information maintained by the institution or its service provider, and describes the appropriate elements of a financial institution's response program, including customer notification procedures.

OTS is proposing to extend OMB approval of the following information collection. This submission involves no

¹ 12 CFR part 570, app. B.

change to the regulation or to the information collection requirements.

Type of Review: Renewal.

Affected Public: Business or other for-profit; individuals.

Number of Respondents: 840.

Estimated Time per Response:

Developing Notices: 24 hours \times 840 = 20,160 hours.

Notifying Customers: 29 hours \times 113 = 3,277 hours.

Total Estimated Annual Burden = 23,437 hours.

Clearance Officer: Marilyn K. Burton, (202) 906-6467, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

OMB Reviewer: Desk Officer for OTS, Fax: (202) 395-6974, U.S. Office of

Management and Budget, 725 17th Street, NW., Room 10235, Washington, DC 20503.

Dated: March 7, 2007.

Deborah Dakin,

Senior Deputy Chief Counsel, Regulations and Legislation Division.

Part II

Department of Housing and Urban Development

**Fiscal Year 2007 SuperNOFA for HUD's
Discretionary Programs; Notice**

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5100-N-01A]

Fiscal Year 2007 SuperNOFA for HUD's Discretionary Programs

AGENCY: Office of the Secretary, HUD.

ACTION: Notice of HUD's Fiscal Year (FY) 2007 Notice of Funding Availability (NOFA) for HUD's Discretionary Programs (SuperNOFA).

SUMMARY: On January 18, 2007, HUD published its Notice of FY2007 Notice of Funding Availability Policy Requirements and General Section to the SuperNOFA (General Section). HUD published the General Section of the FY2007 SuperNOFA in advance of the individual NOFAs to give prospective applicants sufficient time to begin preparing their applications, and to register early with Grants.gov in order to facilitate their application submission process. Today's publication contains the 38 funding opportunities or program NOFAs that constitute HUD's FY2007 SuperNOFA. In addition, today's publication provides a revised listing of programs contained in the FY2007 SuperNOFA and corrects two items contained in the General Section published on January 18, 2007.

DATES: Application deadline and other key dates that apply to all HUD federal financial assistance made available through HUD's FY2007 SuperNOFA are contained in each individual program NOFA and in Appendix A of this notice.

FOR FURTHER INFORMATION CONTACT: The individual program NOFA identifies the applicable agency contact(s) for each program. Questions regarding today's Introduction to the SuperNOFA should be directed to the NOFA Information Center between the hours 10 a.m. and 6:30 p.m. eastern time at (800) HUD-8929. Hearing-impaired persons may access this telephone via TTY by calling the toll-free Federal Information Relay Service at (800) 877-8339. Questions regarding specific program requirements should be directed to the agency contact(s) identified in each program NOFA.

SUPPLEMENTARY INFORMATION: HUD published the General Section of the FY2007 SuperNOFA on January 18, 2007 (72 FR 2396). HUD published the General Section in advance of the individual program NOFAs to give prospective applicants sufficient time to begin preparing their applications, and to register early with Grants.gov in order to facilitate their application submission process. Today's publication contains the 38 individual funding opportunities,

or program NOFAs, that constitute HUD's FY2007 SuperNOFA. Through the FY2007 SuperNOFA, HUD is making available approximately \$2 billion in federal financial assistance. In addition, today's publication provides a revised listing of programs contained in the FY2007 SuperNOFA and corrects one item contained in the General Section published on January 18, 2007.

Each program NOFA provides the statutory and regulatory requirements, threshold requirements, and rating factors applicable to funding made available through the individual NOFA. Applicants must also review, however, the January 18, 2007, General Section for important application information and requirements, including submission requirements that provide explicit instructions on file formats acceptable to HUD.

Appendix A to the January 18, 2007, General Section identified the funding opportunities anticipated to be included in the FY2007 SuperNOFA. HUD is revising and republishing Appendix A (Revised Appendix A) as part of today's FY2007 SuperNOFA publication. Revised Appendix A provides an up-to-date funding chart that lists the funding opportunities included in today's FY2007 SuperNOFA publication, along with the application deadline.

In reviewing Revised Appendix A, applicants should note that the Youthbuild NOFA, Brownfields Economic Development Initiative (BEDI) NOFA, and the Public Housing Neighborhood Networks (PH-NN) NOFA are not part of today's FY2007 SuperNOFA publication. The Youthbuild program was transferred to the U.S. Department of Labor on September 22, 2006, in accordance with Public Law 109-281, and will not be included in the FY2007 SuperNOFA. Persons interested in funding opportunities under the Youthbuild program should contact the U.S. Department of Labor. The BEDI and PH-NN were not funded in FY2007. HUD is also providing NOFAs for three programs that were not contained in its FY2006 SuperNOFA, specifically the Housing Counseling Training Program, Early Doctoral Student Research Grant Program, and the Doctoral Dissertation Research Program NOFAs.

HUD is also using today's publication to correct two items contained in the General Section published on January 18, 2007. Initially, HUD noted in section V.A.1. (third column beginning on page 2408 and continuing to page 2409), that: "For each program NOFA, the points awarded for the rating factors total 100. Depending on the program for which you are seeking funding, the funding

opportunity may provide up to four bonus points, as provided below:"

In fact, since the FY2007 SuperNOFA offers bonus points only for applicants that certify that their activities or projects are located in, intended to serve the residents of, or are consistent with the strategic plan for an empowerment zone (EZ), utilization plan for an urban or rural renewal community designated by HUD (RC), or strategic plan for an enterprise community designated in round II by the U.S. Department of Agriculture (EZ-II), collectively referred to as "RC/EZ/EC-IIs," only two bonus points are available. As a result, section V.A.1. (third column beginning on page 2408 and continuing to page 2409), should read: "For each program NOFA, the points awarded for the rating factors total 100. Depending on the program for which you are seeking funding, the funding opportunity may provide up to two bonus points, as provided below:"

HUD is also correcting instructions regarding the completion of the Logic Model form (HUD-96010). In the third sentence of section VI.C.5.b. (middle column, page 2414), HUD stated that applicants should include all activities and outcomes expected per year of the period of performance. To be consistent with and correctly complete the Logic Model forms, applicants are advised that they must include all activities and outcomes expected per year of the period of performance. As a result, the third sentence of section VI.C.5.b. is corrected to read, "[T]o provide for greater consistency in reporting, applicants must include all activities and outcomes expected per year of the period of performance as defined in the program logic model for the program NOFA that they apply for."

HUD published the General Section of the FY2007 SuperNOFA early to provide its applicant community with the opportunity to become familiar with cross-cutting requirements, and to remind prospective applicants to register or renew their registration in order to successfully submit an application via Grants.gov.

Applicants are required to complete a five-step registration process in order to submit their applications electronically and previously registered applicants must annually update their information in the Central Contractor Registration (CCR) for the registration to remain viable. HUD has developed the following brochures and guidance, found at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>, to assist applicants with the registration, CCR update, and application processes:

- STEP BY STEP: Your Guide to Registering for Grant Opportunities.

- Finding and Applying for Grant Opportunities.
- Desktop User Guide for Submitting Grant Applications.

For FY2007, the Continuum of Care remains a paper application process. HUD continues to encourage Continuum of Care agencies to become familiar with Grants.gov requirements to facilitate the future transition to Grants.gov. If you have questions concerning the registration process or renewal, or have a question about a NOFA requirement, contact HUD staff listed in the program NOFAs. HUD staff cannot help you write your application, but can clarify requirements contained in this Notice and HUD's registration materials.

Finally, applicants are invited and encouraged to participate in HUD's satellite training and webcast sessions

designed to provide a detailed explanation of the general section and program section requirements for each of the SuperNOFA programs. The interactive broadcasts provide an opportunity to ask questions of HUD staff. These broadcasts are archived and accessible from HUD's Grants page at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. HUD also encourages applicants to subscribe to the Grants.gov free notification service. By doing so, applicants will receive e-mail notification as soon as items are posted to Grants.gov and will have access to a significant amount of useful information, including responses to frequently asked questions that arise during the funding application period. The address to subscribe to the Grants.gov free notification service is

<http://www.grants.gov/search/email.do>. Modifications to the General Section, any of the program NOFAs, or the application are posted to www.Grants.gov as soon as they are available (except for the Continuum of Care NOFA). Modifications to the Continuum of Care NOFA, or the Continuum of Care application are posted to HUD's grants page at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

As stated in the General Section, HUD hopes that the steps that it has taken to provide information early in the FY2007 funding process will be of benefit to you, our applicants.

Dated: February 26, 2007.

Roy A. Bernardi,
Deputy Secretary.

BILLING CODE 4210-01-C

Community Development Technical Assistance*Overview Information*

A. Federal Agency Name: Department of Housing and Urban Development, Office of Community Planning and Development.

B. Funding Opportunity Title: Community Development Technical Assistance (CD-TA).

C. Announcement Type: Initial Announcement.

D. Funding Opportunity Number: FR-5100-N-08; OMB Approval Numbers: 2506-0166 for HOME Investment Partnerships Program (HOME), HOME Investment Partnerships Program for Community Housing Development Organizations (CHDO (HOME)), and McKinney-Vento Homeless Assistance (Homeless), 2506-0133 for Housing Opportunities for Persons With AIDS (HOPWA).

E. Catalog of Federal Domestic Assistance (CFDA) Numbers: 14.239, HOME and CHDO (HOME); 14.235, Homeless; 14.241, HOPWA.

F. Dates: The application deadline date is May 25, 2007.

G. Additional Overview Information: Applicants interested in providing technical assistance to entities participating in HUD's community development programs should carefully review the General Section and the information listed in this CD-TA NOFA. Funds are available to provide technical assistance for four separate program areas: HOME, CHDO (HOME), Homeless, and HOPWA. Applicants may apply for one, two, three, or all four CD-TA program areas. The application submission information is contained in this CD-TA NOFA at Section IV.B. Approximately \$25.4 million is available. No cost sharing is required. Grants will be administered under cooperative agreements with significant HUD involvement (see Section II.C of this NOFA).

Full Text of Announcement**I. Funding Opportunity Description**

A. CD-TA Purpose. The purpose of the CD-TA program is to provide assistance to achieve the highest level of performance and results for four separate community development program areas: (1) HOME; (2) CHDO (HOME); (3) Homeless and; (4) HOPWA. Information about the four community development programs and their missions, goals, and activities can be found on the HUD Web site at www.hud.gov.

B. Description of National TA and Local TA. There are two types of technical assistance (TA) funding available in this NOFA: National TA and Local TA.

National TA activities are those that address, at a nationwide level, one or more of the CD-TA program activities and/or priorities identified in Section III.C. of this NOFA. National TA activities may include the development of written products, development of on-line materials, development of training courses, delivery of training courses previously approved by HUD, organization and delivery of workshops and conferences, and delivery of direct TA as part of a national program. Applicants for National TA must also be willing to work in any HUD field office area, although work in the field office areas is likely to be a negligible portion of National TA activities. National TA activities are administered by a Government Technical Representative (GTR) and Government Technical Monitor (GTM) at HUD Headquarters.

Local TA activities also must address the CD-TA program activities and/or priorities identified in this NOFA; however the Local TA is targeted to the specific needs of the HUD community development program recipients in the field office area in which the TA is proposed. Local TA activities are limited to the development of need assessments, direct TA to HUD community development program recipients, organization and delivery of workshops and conferences, and customization and delivery of

previously HUD-approved trainings. Local TA will be administered by a GTR and GTM in the respective HUD field office.

C. Authority. HOME TA is authorized by the HOME Investment Partnerships Act (42 U.S.C. 12781-12783); 24 CFR part 92. CHDO (HOME) TA is authorized by the HOME Investment Partnerships Act (42 U.S.C. 12773); 24 CFR part 92. For the McKinney-Vento Act Homeless Assistance Programs TA, the Supportive Housing Program is authorized under 42 U.S.C. 11381 *et seq.*; 24 CFR 583.140; Emergency Shelter Grants, Section 8 Moderate Rehabilitation Single Room Occupancy Program, and Shelter Plus Care TA are authorized by the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007). HOPWA TA is also authorized under the continuing resolution.

II. Award Information

A. Available Funds. Approximately \$25.4 million is available for the CD-TA program. Additional funds may become available as a result of recapturing unused funds. This chart shows how the funds are divided among National TA and Local TA activities:

Program	National TA	Local TA
HOME	\$4,000,000	\$6,000,000
CHDO (HOME)	2,000,000	6,000,000
Homeless ..	3,500,000	3,000,000
HOPWA	900,000	0

The Local TA funds are divided among HUD's field office jurisdictions for the HOME, CHDO (HOME), and Homeless programs. No Local TA funds are available for HOPWA. In the case of the national CHDO (HOME) program, if less than the total amount of available funds is awarded, the balance may be used to make awards under the national HOME TA program, subject to congressional reprogramming approval, if applicable. The chart below shows the amounts available in dollars for Local TA by CD-TA program:

Local TA Area	HOME	CHDO (HOME)	Homeless
Alabama	\$75,000	\$50,000	\$55,000
Alaska	45,000	50,000	30,000
Arkansas	50,000	75,000	55,000
California—Northern and Arizona, Nevada	400,000	425,000	300,000
California—Southern	425,000	450,000	275,000
Caribbean	125,000	100,000	40,000
Colorado and Montana, North Dakota, South Dakota, Utah, Wyoming	175,000	195,000	60,000
Connecticut	70,000	80,000	40,000
District of Columbia area	70,000	80,000	50,000
Florida—Southern	75,000	60,000	25,000

Local TA Area	HOME	CHDO (HOME)	Homeless
Florida—Northern	125,000	76,000	85,000
Georgia	125,000	100,000	55,000
Hawaii	65,000	65,000	45,000
Illinois	180,000	175,000	160,000
Indiana	130,000	75,000	25,000
Kansas and Missouri—Western	100,000	75,000	50,000
Missouri—Eastern	40,000	55,000	40,000
Kentucky	250,000	150,000	55,000
Louisiana	100,000	100,000	54,000
Maryland, except District of Columbia area	60,000	50,000	30,000
Massachusetts, Maine, New Hampshire, Rhode Island, Vermont	310,000	300,000	200,000
Michigan	175,000	225,000	150,000
Minnesota	100,000	140,000	60,000
Mississippi	150,000	250,000	50,000
Nebraska and Iowa	90,000	55,000	40,000
New Jersey	150,000	75,000	40,000
New Mexico	200,000	275,000	60,000
New York—Downstate	200,000	425,000	210,000
New York—Upstate	125,000	75,000	40,000
North Carolina	300,000	300,000	55,000
Ohio	150,000	190,000	70,000
Oklahoma	55,000	40,000	15,000
Oregon and Idaho	85,000	75,000	30,000
Pennsylvania—Eastern and Delaware	225,000	125,000	50,000
Pennsylvania—Western and West Virginia	150,000	100,000	49,000
South Carolina	65,000	34,000	40,000
Tennessee	150,000	175,000	40,000
Texas—Northern	150,000	175,000	85,000
Texas—Southern	85,000	40,000	0
Virginia, except District of Columbia area	100,000	100,000	40,000
Washington	100,000	65,000	40,000
Wisconsin	100,000	150,000	70,000
Houston	100,000	125,000	37,000

B. Performance Period. Awards will be for a period of up to 36 months. HUD, however, reserves the right to withdraw funds from a specific TA provider if HUD determines that the urgency of need for the assistance is greater in other field office jurisdictions or the need for assistance is not commensurate with the award.

C. Terms of Award. HUD will enter into a cooperative agreement with selected applicants for the performance period. Because CD-TA awards are made as cooperative agreements, implementation entails significant HUD involvement. Significant HUD involvement is required in all aspects of TA planning, delivery, and follow-up.

In addition to the requirements listed in the General Section, selected applicants are subject to the following requirements:

1. Demand-Response System. All CD-TA awardees must operate within the structure of the demand-response system. Under the demand-response system, TA providers are required to:

a. When requested by a GTR, market the availability of their services to existing and potential recipients within the jurisdictions in which the assistance will be delivered;

b. Respond to requests for assistance from the GTR;

c. When requested by a GTR, conduct a needs assessment to identify the type and nature of the assistance needed by the recipient of the assistance;

d. Obtain the local HUD field office's approval before responding to direct requests for technical assistance from HOME Participating Jurisdictions (PJs), Community Housing Development Organizations (CHDOs), and McKinney-Vento Act Homeless Assistance and HOPWA grantees; and

e. For CHDO (HOME) TA providers, secure a letter from a PJ stating that a CHDO, or prospective CHDO to be assisted by the provider, is a recipient or intended recipient of HOME funds and indicating, at its option, subject areas of assistance that are most important to the PJ.

2. Training. When conducting training sessions as part of its CD-TA activities, CD-TA providers are required to:

a. Design the course materials as "step-in" packages so that HUD or other CD-TA providers may independently conduct the course on their own;

b. Make the course materials available to the GTR in sufficient time for review (minimum of three weeks) and receive concurrence from the GTR on the content and quality prior to delivery;

c. Provide all course materials in an electronic format that will permit wide

distribution among TA providers, field offices, and HUD grantees;

d. Arrange for joint delivery of the training with HUD participation when requested by the GTR;

e. Deliver HUD-approved training courses that have been designed and developed by others on a "step-in" basis when requested; and

f. Send trainers to approved "train-the-trainers" sessions. The costs associated with attending these required sessions are eligible under the cooperative agreement.

3. Field Office Involvement under National TA awards. When National TA providers are undertaking activities in field office jurisdictions, the National TA providers must work cooperatively with HUD field offices. Providers must notify the applicable HUD field office of the planned activities; consider the views or recommendations of that office, if any; follow those recommendations, to the degree practicable; and report to the applicable field office on the accomplishments of the assistance.

D. Certification of HOME and CHDO TA Providers Required—Beginning FY2008.

Many technical assistance providers have taken the HOME Certified Specialist—Regulations training and

have passed the certification exam. Please note that beginning with the FY2008 NOFA, HUD intends to award higher points, under Rating Factor 1, to applicants delivering HOME or CHDO technical assistance that have staff who have taken and passed the HOME Certified Specialist—Regulations training and exam.

At least ten HOME Certified Specialist—Regulations training deliveries are scheduled for 2007 and a number of slots are set aside for TA providers at each of these deliveries. Registration information for these deliveries can be found on the web at: <http://www.icfhosting.com/hcd/cpd/hcdcpd.nsf/webpages/Welcome.html>.

III. Eligibility Information

A. Eligible Applicants. The eligible applicants for each of the four CD-TA programs are listed in the chart below. In accordance with the President's faith-based initiative, HUD welcomes the participation of eligible faith-based and other community organizations in the CD-TA programs.

Program	Eligible applicants
HOME	<p>A for-profit or nonprofit professional and technical services company or firm that has demonstrated knowledge of the HOME program and the capacity to provide technical assistance services;</p> <p>A HOME Participating Jurisdiction (PJ);</p> <p>A public purpose organization, established pursuant to state or local legislation, responsible to the chief elected officer of a PJ;</p> <p>An agency or authority established by two or more PJs to carry out activities consistent with the purposes of the HOME program; or</p> <p>A national or regional nonprofit organization that has membership comprised predominantly of entities or officials of entities of PJs or PJs' agencies or established organizations.</p>
CHDO (HOME)	<p>A public or private nonprofit intermediary organization that customarily provides services, in more than one community, related to the provision of decent housing that is affordable to low-income and moderate-income persons or related to the revitalization of deteriorating neighborhoods; has demonstrated experience in providing a range of assistance (such as financing, technical assistance, construction and property management assistance) to CHDOs or similar organizations that engage in community revitalization; and has demonstrated the ability to provide technical assistance and training for community-based developers of affordable housing.</p> <p>Note: Any organization funded to assist CHDOs under CD-TA may not undertake CHDO set-aside activities itself within its service area while under cooperative agreement with HUD.</p>
Homeless	<p>A state;</p> <p>A unit of general local government;</p> <p>A public housing authority; or</p> <p>A public or private nonprofit or for profit organization, including educational institutions and area-wide planning organizations.</p>
HOPWA	<p>A for-profit or nonprofit organization;</p> <p>A state; or</p> <p>A unit of general local government.</p>

Applicants must also meet the threshold requirements of the General Section, including the Civil Rights threshold in Section III (C).

A consortium of organizations may apply for one or more CD-TA programs, but one organization must be designated as the applicant.

Applicants may propose assistance using in house staff, sub contractors, sub recipients, and local organizations with the requisite experience and capabilities. Where appropriate, applicants should make use of TA providers located in the field office jurisdiction receiving services.

B. Cost Sharing or Matching. None.

C. Other

1. Eligible Activities and Priorities. Funds may be used to provide TA to grantees, prospective applicants, and project sponsors of the HOME, CHDO (HOME), Homeless, and HOPWA programs. For each of the TA programs, activities may include but are not limited to written information such as papers, manuals, guides, and brochures; assistance to individual communities; needs assessments; and training. TA should include information needed by

the grantee to meet all Fair Housing and section 504 requirements. The priority TA areas for each of the four program areas are:

a. HOME TA. HUD has identified four HOME program technical assistance priorities. These priorities that result in measurable performance outputs and outcomes are:

(1) Improve the ability of PJs to design and implement housing programs that reflect sound underwriting, management, and fiscal controls; demonstrate measurable outcomes in the use of public funds; and provide accurate and timely reporting of HOME program accomplishments.

(2) Encourage public-private partnerships that yield an increase in the amount of private dollars leveraged for HOME-assisted projects and result in an increase in the commitment and production of HOME-assisted units.

(3) Assist PJs in developing strategies that ameliorate the affordability gap between rapidly increasing housing costs and the less rapid growth in incomes among low-income households, especially among underserved populations (e.g., residents of the Colonias, homeless persons,

persons with disabilities, and residents of an empowerment zone (EZ) designated by HUD or the United States Department of Agriculture (USDA), an urban or rural renewal community designated by HUD (RC), or an enterprise community designated in round II by USDA (EC-II).

(4) Assist PJs in developing strategies that increase and help sustain homeownership opportunities for low-income households—particularly low-income, minority households—and directly result in the commitment and completion of HOME-assisted units.

Some examples of measurable performance outputs and outcomes are given in Rating Factor 5.

b. CHDO (HOME) TA.

(1) HUD has identified three CHDO-specific technical assistance priorities. These priorities that result in measurable performance outputs and outcomes are:

(a) Assist new CHDOs and potential CHDOs in developing the organizational capacity to own, develop, and sponsor HOME-assisted projects. A new CHDO is defined as a nonprofit organization that within three years of the publication of this NOFA was

determined by a PJ to qualify as a CHDO. A potential CHDO is defined as a nonprofit organization that is expected by the PJ to qualify as a CHDO and is expected to enter into a written agreement with that PJ to own, develop, or sponsor HOME-assisted housing within 24 months of the PJ determining the organization qualifies as a CHDO.

(b) Improve the HOME program production and performance of existing CHDOs in the areas of:

(i) Program design and management, including underwriting, project financing, property management, and compliance; and

(ii) Organizational management and capacity, including fiscal controls, board development, contract administration, and compliance systems.

(c) Provide organizational support, technical assistance, and training to community groups for the establishment of community land trusts, as defined in section 233(f) of the Cranston-Gonzales National Affordable Housing Act.

(2) Additional CHDO (HOME) eligible activities are:

(a) Under the "Pass-Through" provision, CD-TA providers may propose to fund various operating expenses for eligible CHDOs that own, develop, or sponsor HOME-assisted housing. Such operating expenses may include reasonable and necessary costs for the operation of the CHDO including salaries, wages, and other employee compensation and benefits; employee education, training and travel; rent; utilities; communication costs; taxes; insurance; equipment, materials, and supplies.

(b) CD-TA providers must establish written criteria for selection of CHDOs receiving pass-through funds. PJs must designate the organizations as CHDOs; and, generally, the organizations should not have been in existence more than three years.

CD-TA providers must enter into an agreement with the CHDO that the agreement and pass-through funding may be terminated at the discretion of HUD if no written legally binding agreement to provide assistance for a specific housing project (for acquisition, rehabilitation, new construction, or tenant-based rental assistance) has been made by the PJ with the CHDO within 24 months of initially receiving pass-through funding. The pass-through amount, when combined with other capacity building and operating support available through the HOME program, cannot exceed the greater of 50 percent of the CHDO's operating budget for the year in which it receives funds, or \$50,000 annually.

c. Homeless TA. Homeless TA funds are available to provide McKinney-Vento Homeless Assistance Act, HUD-funded grantees, project sponsors, and potential recipients with skills and knowledge needed to develop and operate projects and activities. The assistance may include, but is not limited to, developing and disseminating written information such as papers, monographs, manuals, curriculums, guides, and brochures; and person-to-person exchanges, conferences, training and use of technology. TA activities are focused on these priorities that result in measurable performance outputs and outcomes:

(1) Assist CoCs with Homeless Management Information System (HMIS) implementation. National technical assistance will relate to data collection, data quality, data analysis, provider participation, reporting, performance measurement, data warehousing, and HMIS Data and Technical Standards.

(2) Maintain and enhance the HMIS Web site portal as the vehicle for collection and dissemination of HMIS information.

(3) Support collaboration between metropolitan, regional and statewide HMISs. Assistance may include providing state and/or regional HMIS technical assistance coordinators and/or technology to promote effectuating long-distance meeting, conferencing and networking.

(4) Support collaboration between metropolitan, regional, and statewide HMISs for use in disaster preparedness and recovery efforts, utilizing the experience of communities that experienced Hurricanes Katrina and Rita.

(5) Improve participation in the Annual Homeless Assessment Report (AHAR) by CoCs and providers in their geographic areas through outreach and capacity building. Develop materials and training for: Reporting bed coverage; extrapolation and data analysis methodologies and documents; data integration; data quality assessments; utilization of AHAR data at the program and/or CoC level; and the collection and analysis of CoC data for Congressionally-directed HMIS-related reports to Congress.

d. HOPWA TA. HOPWA funds are available for technical assistance, training, and oversight activities which can be used to provide grantees, project sponsors, and potential recipients with the skills and knowledge to effectively develop, operate, and support HOPWA-eligible project activities that result in measurable performance outputs and

outcomes. TA activities are focused on these priorities:

(1) Improve the capacity of HOPWA grantees and project sponsors to execute long-term comprehensive housing strategies by developing housing plans that integrate permanent housing and supportive services, thereby promoting HOPWA's national performance goals of increasing housing stability, reducing risks of homelessness, and improving access to care for HOPWA beneficiaries.

(2) Develop national models that effectively integrate AIDS housing strategies into consolidated planning and Continuum of Care planning processes.

(3) Develop curriculums and related training tools to assist grantees and project sponsors in coordinating HOPWA permanent housing assistance with mainstream medical and supportive service resources, including Ryan White CARE Act, state, local, and private resources.

(4) Conduct training activities to improve the capacity of grantees and project sponsors to increase the availability of affordable housing opportunities for eligible persons in high incidence HIV/AIDS communities with substantial unmet housing needs (e.g., emerging populations, in major disaster areas and underserved rural areas.)

(5) Develop training materials to promote use of Homeless Management Information Systems in the provision of HOPWA-assisted housing and coordination of supportive services for eligible homeless persons.

(6) Develop technical assistance plans in collaboration with HUD field office oversight for local HOPWA-assisted housing programs. It is estimated that up to 40 percent of HOPWA TA funds will be made available for this purpose.

2. DUNS Requirement. Refer to the General Section for information regarding the DUNS requirement. Applicants must obtain a DUNS number to receive an award from HUD.

3. Other Eligibility Requirements. All applicants requesting funding from programs under this NOFA must be in compliance with the applicable threshold requirements found in the General Section. Applicants that do not meet these requirements will be ineligible for funding.

4. False Statements. An applicant's false statement in an application is grounds for denial or termination of an award and grounds for possible punishment as provided in 18 U.S.C. 1001.

5. Environmental review. Most activities under the CD-TA program are categorically excluded and not subject

to environmental review under 24 CFR 50.19(b)(9) or (13), but in the case of CHDO (HOME) TA eligible activities, a proposal for payment of rent as part of CHDO operational costs will be subject to environmental review by HUD under 24 CFR part 50. If an applicant proposes to assist CHDO operating expenses that include rent, the application constitutes an assurance that the applicant and CHDO will assist HUD to comply with 24 CFR part 50; will supply HUD with all available and relevant information to perform an environmental review for the proposed property to be rented; will carry out mitigating measures required by HUD or select an alternate property; and will not lease or rent, construct, rehabilitate, convert or repair the property, or commit or expend HUD or non-HUD funds for these activities on the property to be rented, until HUD has completed an environmental review to the extent required by 24 CFR part 50. The results of the environmental review may require that the proposed property be rejected.

IV. Application and Submission Information

A. Addresses to Request Application Package. Applications must be received and validated by Grants.gov no later than 11:59:59 p.m. Eastern time on the application deadline date. HUD must receive paper copy applications from applicants that received a waiver no later than 11:59:59 p.m. on the application deadline date. See the General Section for application submission and timely receipt procedures and for instructions on how to request a waiver. Paper applications will not be accepted unless the applicant has received a waiver of the electronic submission requirement.

B. Content and Form of Application Submission. Applicants must submit a separate application for each National TA and Local TA area program for which they are applying. For example, an applicant for National TA for HOME and for Local TA in three field office jurisdictions would submit four separate and distinct applications.

A completed application consists of an application submitted by an authorized official of the organization and contains all relevant sections of the application, as shown in the checklist below in Section IV.B.4.

1. Number of Copies. This information will be included in approval letters to applicants submitting a waiver request.

2. Page Limitation. Narratives addressing Factors 1–5 are limited to no more than 25 typed pages. That is, reviewers will not review more than 25

pages for all five factors combined, except that the page limit does not include the Form HUD–96010, Logic Model.

3. Prohibition on Materials Not Required. Materials other than what is requested in this NOFA are prohibited. Reviewers will not consider résumés, charts, letters, or any other documents attached to the application.

4. Checklist for Application Submission. Applicants submitting electronic copies should follow the procedures in Sections IV.B. and F. of the General Section. The following checklist is provided as a guide to help ensure that you submit all the required elements. For applicants receiving a waiver of the electronic submission, the paper submission must be in the order provided below. All applicants should enter the applicant name, DUNS number, and page numbers on the narrative pages of the application. All forms are available when you download the application and instructions from https://apply.grants.gov/forms_apps_idx.html.

- SF–424, Application for Federal Assistance (see General Section)
- An Application Cover Page indicating in bold (a) the type of TA proposed in the application whether HOME National, CHDO National, CHDO Local, Homeless National, Homeless Local, or HOPWA National (b) the amount of funds requested; and (c) for Local TA, the jurisdiction proposed in the application.
- A one-page Summary describing (a) each major component of the proposed TA approach; (b) the proposed cost of each major component; and (c) whether the component is integrally related to another component in order to be successful.
- Narrative addressing Factors 1–5
- HUD–96010, Logic Model
- HUD–424–CB, Grant Application Detailed Budget Form (see General Section)
- HUD–424–CBW, Detailed Budget Worksheet for Non-Construction Projects (see General Section)
- If applying for CHDO (HOME) TA, statement as to whether the organization proposes to pass through funds to new CHDOs.
- If applying for the CHDO (HOME) TA, a certification as to whether the organization qualifies as a primarily single-state provider under section 233(e) of the Cranston-Gonzales Affordable Housing Act.
- SF–LLL, Disclosure of Lobbying Activities (see General Section)

—HUD–2880, Applicant/Recipient Disclosure/Update Report (see General Section)

—SF–424, Supplement, Survey on Equal Opportunity for Applicants

—HUD–96011, Facsimile Transmittal (required for electronic submissions of third party documents)

C. Submission Dates and Times. Your completed application must be received and validated electronically by Grants.gov no later than 11:59:59 p.m. eastern time on the deadline date.

D. Intergovernmental Review. Intergovernmental review is not applicable to CD–TA applications.

E. Funding Restrictions. An organization may not provide assistance to itself. An organization may not provide assistance to another organization with which it contracts or sub-awards funds to carry out activities under the TA award.

Funding from HOME and from CHDO (HOME) TA to any single eligible organization (excluding funds for organizational support and housing education “passed through” to CHDOs), whether as an applicant or sub-recipient is limited to not more than 20 percent of the operating budget of the recipient organization for any one-year period of each cooperative agreement. In addition, funding under either HOME or CHDO (HOME) TA to any single organization is limited to 20 percent of the \$18,000,000 made available for HOME and CHDO (HOME) TA in FY2007.

Not less than 40 percent of the approximately \$8,000,000 for CHDO (HOME) shall be made available for eligible TA providers that have worked primarily in one state. HUD will consider an applicant as a primarily single state TA provider if it can document that more than 50 percent of its past activities in working with CHDOs or similar nonprofit and other organizations (on the production of affordable housing, revitalization of deteriorating neighborhoods, and/or the delivery of technical assistance to these groups) was confined to the geographic limits of a single state.

No fee or profit may be paid to any recipient or sub-recipient of an award under this CD–TA NOFA.

F. Other Submission Requirements. The General Section describes application submission procedures and how applicants may obtain proof of timely submission.

Waiver of Electronic Submission Requirements. Applicants interested in applying for funding under this NOFA must submit their applications electronically or request a waiver from the Community Development Technical Assistance program. Applicants should

submit their waiver requests in writing by e-mail. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to

Mark_A._Horwath@hud.gov.

Instructions regarding the number of copies to submit and the address where they must be submitted will be contained in any approval of the waiver request. Paper submissions must be received at the appropriate HUD office(s) no later than the deadline date.

V. Application Review Information

A. Criteria. The maximum number of points to be awarded for a CD-TA application is 100. The minimum score for an application to be considered for funding is 75 with a minimum of 20 points on Factor 1. The CD-TA program is not subject to bonus points, as described in the General Section.

Points are assigned on five factors. When addressing Factors 2–5, applicants should discuss the specific TA activities that will be carried out during the term of the cooperative agreement. Applicants should provide relevant examples to support the proposal, where appropriate. Applicants should also be specific when describing the communities, populations, and organizations that they propose to serve and the specific outcomes expected as a result of the TA.

Factor 1 relates to the capacity of the applicant and its relevant organizational experience. Rating of the “applicant” or the “applicant’s organization and staff” includes in-house staff and any sub-contractors and sub-recipients which are firmly committed to the project. In responding to Factor 1, applicants should specify the experience, knowledge, skills, and abilities of the applicant’s organization and staff, and any persons and organizations firmly committed to the project.

Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (30 points) (Minimum for Funding Eligibility—20 points)

a. (10 points) Recent and successful experience of the applicant’s organization in providing TA in eligible activities and to eligible entities for the HOME, CHDO (HOME), Homeless, or HOPWA. CD-TA programs, as applicable.

In rating this factor, HUD will consider the extent to which the application demonstrates successful experience within the last four years of providing TA related to the applicable CD-TA program.

b. (10 points) Depth of experience in managing multiple TA tasks, to multiple

entities, and in more than one geographic area.

In rating this factor, HUD will consider the extent to which the application demonstrates ability to manage TA assignments effectively.

c. (10 points) Knowledgeable key personnel skilled in providing TA in one or more of the eligible activities for HOME, CHDO (HOME), Homeless, and/or HOPWA programs, as applicable; a sufficient number of staff or ability to procure qualified experts or professionals with the knowledge, skills, and abilities to deliver the proposed level of TA in the proposed service area in a timely and effective fashion; and an ability to provide CD-TA in a geographic area larger than a single city or county.

In rating this factor, HUD will consider the extent to which the application demonstrates the organization has an adequate number of key staff or ability to procure individuals with the knowledge of effective TA approaches and knowledge of HOME, CHDO (HOME), Homeless, or HOPWA, as applicable.

Rating Factor 2: Need/Extent of the Problem (10 points)

a. For National TA applications: Sound and extensive understanding of need for TA in relation to the priorities listed in Section III C of this NOFA as demonstrated by objective information and/or data, such as information from HOME Snapshots, current census data, the American Housing Survey, or other relevant data sources.

b. For Local TA applications: Sound and extensive understanding of high priority needs for TA in the jurisdiction as demonstrated by objective information and/or data, such as information from HOME Snapshots, current census data, the American Housing Survey, or other relevant data sources.

In rating this factor, HUD will evaluate the extent to which the application demonstrates an understanding of the specific needs for TA and supports the description of need with reliable, program-specific, quantitative information. Applicants for HOME should, at a minimum, draw on HOME Snapshot information to demonstrate PJs’ needs, in an area or nationwide, for additional training and capacity building. See <http://www.hud.gov/offices/cpd/affordablehousing/programs/home/snapshot/index.cfm>.

Rating Factor 3: Soundness of Approach (40 points)

a. (25 points) (1) For National TA applications: A sound approach for addressing the need for eligible TA activities in relation to the priorities listed in Section III C of this NOFA that will result in positive outcomes.

(2) For Local TA applications: A sound approach for addressing high priority needs for TA in the jurisdiction that will result in positive outcomes.

In rating this factor, HUD will evaluate the extent to which the application presents and supports a detailed, feasible, practical approach for addressing TA needs (Local TA applications) or CD-TA program priorities (National TA applications), including techniques, timeframes, goals, and intended beneficiaries, and the likelihood that these activities will be cost-effective and will result in positive outcomes.

b. (10 points) A feasible work plan for designing, organizing, managing, and carrying out the proposed TA activities under the demand-response system.

In rating this factor, HUD will evaluate the applicant’s understanding of the demand-response system and the extent to which the application demonstrates the efficiency of the design, organization, and management of the proposed activities.

c. (5 points) An effective assistance program to specific disadvantaged communities, populations, and/or organizations which previously have been underserved and have the potential to participate in the CD-TA program (such as the Colonias, an empowerment zone (EZ) designated by HUD or the United States Department of Agriculture (USDA), an urban or rural renewal community designated by HUD (RC), an enterprise community designated in round II by USDA (EC-II), or homeless persons and persons with disabilities).

In rating this factor, HUD will evaluate the extent to which the applicant has identified and has documented, using reliable data, specific communities, populations, or organizations that have been disadvantaged or previously underserved communities, populations, or organizations and has developed an effective strategy for engaging their participation in the HOME, CHDO (HOME), Homeless, or HOPWA program, as applicable.

Rating Factor 4: Leveraging Resources (10 points)

An efficient practical method to transfer manuals, guides, assessment

forms, other work products, models, and lessons learned in its CD-TA activities to other CD-TA grantees and/or HOME, CHDO (HOME), Homeless, or HOPWA program beneficiaries.

In rating this factor, HUD will evaluate the extent to which the application demonstrates a cost-effective means of sharing resources developed under the CD-TA activities with a wide audience, including sharing information with other TA providers in the CD-TA program.

Rating Factor 5: Achieving Results and Program Evaluation (10 points)

a. (5 points) An effective, quantifiable evaluation plan for measuring performance using the Logic Model with specific outcome measures and benchmarks, including—for HOME applicants—performance improvements as measured by the HOME Snapshot indicators.

In rating this factor, HUD will evaluate the extent to which the application has an evaluation plan that includes outcomes and is specific, measurable, and appropriate in relation to the activities proposed.

b. (5 points) Successful past performance in administering HUD CD-TA programs or, for applicants new to HUD's CD-TA Programs, successful past performance in providing TA in other community development programs. Applicants should include, as applicable, increases in CPD or community development program accomplishments as a result of TA (e.g., number of homeless people or persons with HIV/AIDS receiving housing and services, efficiency or effectiveness of administration of CPD or community development programs, number of affordable housing units, HOME Snapshot indicators, timeliness of use of CPD or community development program funds).

In rating this factor, HUD will evaluate the extent to which the application demonstrates successful past performance that was timely and resulted in positive outcomes in the delivery of community development TA. HUD will also consider past performance of current CD-TA providers, including financial and other information in HUD's files.

B. Review and Selection Process

1. Review Types. Two types of reviews will be conducted. First, HUD will review each application to determine whether it meets threshold eligibility requirements.

Second, HUD will review and assign scores to applications using the Factors for Award noted in Section V.A.

2. Ranked Order.

a. Once rating scores are assigned, rated applications submitted for each National TA program and for each Local TA program will be listed in ranked order. Applications within the fundable range (score of 75+ points with 20+ points for Factor 1) may then be funded in ranked order under the CD-TA program and service area for which they applied.

b. For purposes of coordinating activities on a national basis, HUD reserves the right to select a single national provider to carry out activities, as follows:

(1) one for HOPWA technical assistance activities, including national products and local support;

(2) one for HMIS technical assistance activities;

(3) one for HOME and one for CHDO technical assistance activities.

3. Threshold Eligibility Requirements. All applicants requesting CD-TA must be in compliance with the applicable threshold requirements found in the General Section and the eligibility requirements listed in Section III of this NOFA in order to be reviewed, scored, and ranked. Applications that do not meet these requirements and applications that were received after the deadline (see Section IV.C of the General Section) will be considered ineligible for funding.

4. Award Adjustment. In addition to the funding adjustment authority provided for in the General Section, HUD reserves the right to adjust funding amounts for each CD-TA selectee. The amounts listed in the charts in Section II.A are provided to assist applicants to develop Local TA or National TA budgets and do not represent the exact amounts to be awarded. Once TA applicants are selected for award, HUD will determine the total amount to be awarded to any selected applicant based upon the size and needs of each of the selected applicant's service areas, the funds available for that area and CD-TA program, the number of other CD-TA applicants selected in that area or CD-TA program, and the scope of the TA to be provided.

Additionally, HUD may reduce the amount of funds allocated for field office jurisdictions to fund National CD-TA providers and other CD-TA providers for activities that cannot be fully budgeted for or estimated by HUD Headquarters or field offices at the time this NOFA was published. HUD may also require selected applicants, as a condition of funding, to provide coverage on a geographically broader basis than proposed in order to supplement or strengthen the CD-TA network in terms of the size of the area

covered and types and scope of TA proposed.

If funds remain after all selections have been made, the remaining funds may be distributed among field offices for Local TA and/or used for National TA, or made available for other CD-TA program competitions.

VI. Award Administration Information

A. Award Notices. HUD will send written notifications to both successful and unsuccessful applicants. A notification sent to a successful applicant is not an authorization to begin performance.

After selection, HUD requires that all selected applicants participate in negotiations to determine the specific terms of the cooperative agreement, including the budget. Costs may be denied or modified if HUD determines that they are not allowable, allocable, and/or reasonable. In cases where HUD cannot successfully conclude negotiations with a selected applicant or a selected applicant fails to provide HUD with requested information, an award will not be made to that applicant. In this instance, HUD may offer an award, and proceed with negotiations with the next highest-ranking applicant.

After selection for funding but prior to executing the cooperative agreement, the selected applicant must develop in consultation with the GTR, a Technical Assistance Delivery Plan (TADP) for each National TA award. The TADP must be approved by the GTR and delineate the tasks for each CD-TA program the applicant will undertake during the performance period. For Local TA awards and generally for National TA awards, prior to undertaking individual tasks, the selected applicant must develop in consultation with the GTR a Work Plan for specific activities. The TADP and the Work Plans must specify the location of the proposed CD-TA activities, the amount of CD-TA funding and proposed activities by location, the improved program performance or other results expected from the CD-TA activities, and the methodology to be used for measuring the success of the CD-TA. A detailed time schedule for delivery of the activities, budget summary, budget-by-task, and staffing plan must be included in the TADP and Work Plans.

After selection, but prior to award, applicants selected for funding will be required to provide HUD with their written Code of Conduct if they have not previously done so and it is recorded on the HUD Web site at <http://>

www.hud.gov/offices/adm/grants/codeofconduct/sconduct.cfm.

B. Administrative and National Policy Requirements. After selection for funding but prior to award, applicants must submit financial and administrative information to comply with applicable requirements. These requirements are found in 24 CFR part 84 for all organizations except states and local governments whose requirements are found in 24 CFR Part 85. Cost principles requirements are found at OMB Circular A-122 for nonprofit organizations, OMB Circular A-21 for institutions of higher education, OMB Circular A-87 for states and local governments, and at 48 CFR 31.2 for commercial organizations. Applicants must submit a certification from an Independent Public Accountant or the cognizant government auditor, stating that the applicant's financial management system meets prescribed standards for fund control and accountability.

See the General Section for requirements for Procurement of Recovered Materials.

The requirements to Affirmatively Further Fair Housing do not apply.

C. Reporting. CD-TA awardees will be required to report to the GTR on, at a minimum, a quarterly basis unless otherwise specified in the cooperative

agreement. As part of the required report to HUD, grant recipients must include a completed Logic Model (HUD 96010), which identifies output and outcome achievements. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

VII. Agency Contacts

A. For Assistance. Applicants may contact HUD Headquarters at 202-708-3176, or they may contact the HUD field office serving their area shown in Section VII.B. Persons with hearing and speech challenges may access the above numbers via TTY (text telephone) by calling the Federal Relay Service at 800-877-8339 (this is a toll-free number). Information may also be obtained through the HUD Web site on the Internet at www.hud.gov.

B. List of Field Office Addresses. Applicants that receive a waiver of the electronic application submission requirements and need to submit copies of their application to HUD field offices should consult the following Web site for a listing of the HUD field office addresses to send Local TA applications: <http://www.hud.gov/offices/cpd/about/staff/fodirectors/index.cfm>.

At the site, the map allows the user to click on an area to obtain the field office address and other contact information.

VIII. Other Information

A. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control numbers 2506-0166 and 2506-0133. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 60 hours for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

B. HUD Reform Act. The provisions of the HUD Reform Act of 1989 that apply to the CD-TA program are explained in the General Section.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**COMMUNITY DEVELOPMENT
BLOCK GRANT PROGRAM FOR
INDIAN TRIBES AND ALASKA
NATIVE VILLAGES (ICDBG)**

Billing Code 4210-01-C

Community Development Block Grant Program for Indian Tribes and Alaska Native Villages

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of the Assistant Secretary for Public and Indian Housing, Office of Native American Programs (ONAP).

B. Funding Opportunity Title: Community Development Block Grant (ICDBG) Program for Indian Tribes and Alaska Native Villages.

C. Announcement Type: Initial Announcement.

D. Funding Opportunity Number: The **Federal Register** number is FR 5100-N-22. The OMB Approval Number is 2577-0191.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): The Catalog of Federal Assistance (CFDA) Number for the ICDBG program is 14.862.

F. Dates: Application Deadline: Applications must be received and validated no later than the deadline date of June 1, 2007. Please see Section IV of this NOFA for application submission and timely receipt requirements.

G. Additional Information:

1. Applicants for funding should carefully review the requirements identified in this NOFA and the General Section. Unless otherwise stated in this NOFA, the requirements of the General Section apply.

2. The total approximate amount of funding available for the ICDBG program for fiscal year 2007 is \$59.4 million less \$3.96 million retained to fund Imminent Threat Grants, for a total of \$55.4 million. Funds that are carried over from previous fiscal years or are recaptured may also be used for grant awards under this NOFA.

3. Eligible applicants are Indian tribes or tribal organizations on behalf of Indian tribes. Specific information on eligibility is located in Section III.A. of this NOFA.

Full Text of Announcement

I. Funding Opportunity Description

A. General. Title I of the Housing and Community Development Act of 1974, which authorizes Community Development Block Grants, requires that grants for Indian tribes be awarded on a competitive basis. All grant funds awarded in accordance with this NOFA are subject to the requirements of 24 CFR part 1003. Applicants within an Area ONAP's geographic jurisdiction compete only against each other for that Area ONAP's allocation of funds.

B. Authority. The authority for this program is Title I of the Housing and

Community Development Act of 1974 (42 U.S.C. 5301 *et seq.*) and the program regulations in 24 CFR part 1003.

C. Program Description. The purpose of the ICDBG program is the development of viable Indian and Alaska Native communities, including the creation of decent housing, suitable living environments, and economic opportunities primarily for persons with low- and moderate-incomes as defined in 24 CFR 1003.4. The ONAP in HUD's Office of Public and Indian Housing administers the program.

Projects funded by the ICDBG program must meet the primary objective, defined at 24 CFR 1003.2, to principally benefit low- and moderate-income persons. Consistent with this objective, not less than 70 percent of the expenditures of each single-purpose grant shall be for activities that meet the regulatory criteria at 24 CFR 1003.208 for:

1. Area Benefit Activities
2. Limited Clientele Activities
3. Housing Activities
4. Job Creation or Retention Activities

ICDBG funds may be used to improve housing stock, provide community facilities, improve infrastructure, and expand job opportunities by supporting the economic development of the communities, especially by nonprofit tribal organizations or local development corporations.

ICDBG single-purpose grants are distributed as annual competitive grants, in response to this NOFA.

ICDBG imminent threat grants are intended to alleviate or remove threats to health or safety that require an immediate solution as described at 24 CFR part 1003, subpart E. The problem to be addressed must be such that an emergency situation exists or would exist if the problem were not addressed.

You do not have to submit a request for imminent threat funds by the deadline established in this NOFA. The deadline applies only to applications submitted for assistance under 24 CFR part 1003, subpart D, single-purpose grants. Imminent threat requests may be submitted at any time after NOFA publication, and if the following criteria are met, the request may be funded until the amount set aside for this purpose is expended:

1. Independent verification from a third party (i.e., Indian Health Service, Bureau of Indian Affairs) of the existence, immediacy, and urgency of the threat must be provided;
2. The threat must not be recurring in nature, i.e., it must represent a unique and unusual circumstance that has been clearly identified by the tribe or village;

3. The threat must affect or impact an entire service area and not solely an individual family or household; and

4. It must be established that funds are not available from other local, state, or federal sources to address the problem. The tribe or village must verify that federal or local agencies that would normally provide assistance for such improvements have no funds available by providing a written statement to that effect. The tribe or village must also verify in the form of a tribal council resolution (or equivalent) that it has no available funds, including Indian Housing Block Grant funds, for this purpose.

If, in response to a request for assistance, an Area ONAP issues you a letter to proceed under the authority of 24 CFR 1003.401(a), then your application must be submitted to and approved by the Area ONAP before a grant agreement may be executed. Contact your Area ONAP office for more information on imminent threat grants.

D. Definitions Used in this NOFA

1. Adopt. To approve by formal tribal resolution.

2. Document. To supply supporting written information and/or data in the application that satisfies the NOFA requirement. Documentation should clearly and concisely support your response to the rating factor.

3. Entity Other than Tribe. A distinction is made between the requirements for point award under Rating Factor 3 if a tribe or an entity other than the tribe will assume maintenance and related responsibilities for projects other than economic development, and land acquisition to support new housing. Entities other than the tribe must have the following characteristics:

(a) Must be legally distinct from the tribal government; (b) their assets and liabilities cannot be considered to be assets and liabilities of the tribal government; (c) claims against such entities cannot be made against the tribal government; and (d) must have governing boards, boards of directors, or groups or individuals similar in function and responsibility to such boards which are separate from the tribe's general council, tribal council, or business council, as applicable.

4. Homeownership Assistance Programs. Tribes may apply for assistance to provide direct homeownership assistance to low- and moderate-income households to: (a) Subsidize interest rates and mortgage principal amounts for low- and

moderate-income homebuyers; (b) finance the acquisition by low- and moderate-income homebuyers of housing that is occupied by the homebuyers; (c) acquire guarantees for mortgage financing obtained by low- and moderate-income homebuyers from private lenders (except that ICDBG funds may not be used to guarantee such mortgage financing directly, and grantees may not provide such guarantees directly); (d) provide up to 50 percent of any down payment required from a low- and moderate-income homebuyer; or (e) pay reasonable closing costs (normally associated with the purchase of a home) incurred by a low- or moderate-income homebuyer.

5. Leveraged Resources. Leveraged resources are resources that you will use in conjunction with ICDBG funds to achieve the objectives of the project. Leveraged resources include, but are not limited to: tribal trust funds, loans from individuals or organizations, business investments, private foundations, state or federal loans or guarantees, other grants, and non-cash contributions and donated services. (See Rating Factor 4 for documentation requirements for leveraged resources.)

6. Microenterprise Programs. Tribes may apply for assistance to operate programs to fund the development, expansion, and stabilization of microenterprises. Microenterprises are defined as commercial entities with five or fewer employees, including the owner. Microenterprise program activities may entail the following assistance to eligible businesses: (a) Providing credit, including, but not limited to, grants, loans, loan guarantees, and other forms of financial support for the establishment, stabilization, and expansion of microenterprises; (b) providing technical assistance, advice, and business support services to owners of microenterprises and persons developing microenterprises; and (c) providing general support, including, but not limited to, peer support programs, counseling, child care, transportation, and other similar services to owners of microenterprises and persons developing microenterprises.

7. Operations and Maintenance (O&M) for Public Facilities and Improvements. While various items of cost will vary in importance and significance depending on the type of facility proposed, there are items of expense related to the operation of the physical plant that must be addressed in an O&M plan (the tribe assumes responsibility) or in a letter of

commitment (an entity other than tribe will assume these responsibilities). Although the tribe no longer has to submit the O&M plan with the application, it must provide a written statement that it has adopted an O&M plan and that the plan addresses several items. These items include daily or other periodic maintenance activities, repairs such as replacing broken windows, capital improvements or replacement reserves for repairs such as replacing the roof, fire and liability insurance (may not be applicable to most types of infrastructure projects such as water and sewer lines), and security (may not be applicable to many types of infrastructure projects such as roads). (Please note that while it is possible that the service provider may, in its agreement with a tribe, commit itself to cover certain or all facility O&M costs, these costs do not include the program service provision costs related to the delivery of services (social, health, recreational, educational, or other) that may be provided in a facility).

8. Outcomes. The ultimate impact you hope to achieve with the proposed project. Outcomes should be quantifiable measures or indicators and identified in terms of the change in the community, people's lives, economic status, etc. Common outcomes could include increases in percent of housing units in standard condition, homeownership rates, or employment rates.

9. Outputs. Outputs are the direct products of a program's activities. They are usually measured in terms of the volume of work accomplished, such as the number of low-income households served, number of units constructed or rehabilitated, linear feet of curbs and gutters installed, or number of jobs created or retained. Outputs should be clear enough to allow HUD to monitor and assess your proposed project's progress if funded.

10. Project Cost. The total cost to implement the project. Project costs may be covered by both ICDBG and non-ICDBG funds and resources.

11. Standard Housing/Standard Condition. Housing that meets the housing quality standards (HQS) adopted by the applicant. The HQS adopted by the applicant must be at least as stringent as the Section 8 HQS contained in 24 CFR 982.401 (Section 8 Tenant-Based Assistance: Housing Choice Voucher program) unless the ONAPs approve less stringent standards based on a determination that local conditions make the use of Section 8 HQS unfeasible. Before the application deadline, you may submit a request for

the approval of standards less stringent than Section 8 HQS. If you submit the request with your application, you should not assume automatic approval by ONAP. The adopted standards must provide for (a) a safe house, in physically sound condition with all systems performing their intended design functions; (b) a livable home environment and an energy efficient building and systems that incorporate energy conservation measures; and (c) an adequate space and privacy for all intended household members.

12. Statement. When a "written statement" is requested for any threshold, program requirement, or rating factor, the applicant must address in writing the specific item cited.

13. Tribe. The word "tribe" means an Indian tribe, band, group or nation, including Alaska Indians, Aleuts, Eskimos, Alaska Native Villages, Alaska Native Claims Settlement Act (ANCSA) Village Corporations, and ANCSA Regional Corporations.

II. Award Information

A. Available Funds. The fiscal year 2007 appropriation for the ICDBG program is \$59.4 million, less \$3.96 million retained to fund Imminent threat grants, for a total of approximately \$55.4. Funds that are carried over from previous fiscal years or are recaptured may also be used for grant awards under this NOFA. In accordance with the provisions of 24 CFR part 1003, subpart E, HUD has retained \$3.96 million of the FY 2007 appropriation to meet the funding needs of imminent threat requests submitted to any of the Area ONAPs. The grant ceiling for imminent threat requests for FY 2007 is \$450,000. This ceiling has been established pursuant to the provisions of 24 CFR 1003.400(c).

B. Allocations to Area ONAPs. The requirements for allocating funds to Area ONAPs responsible for program administration are found at 24 CFR 1003.101. Following these requirements, based on an appropriation of \$59.4 million less \$3.96 million for imminent threat grants, the allocations for FY 2007 are approximately as follows: Eastern/Woodlands: \$6,325,737; Southern Plains: \$11,864,746; Northern Plains: \$7,917,788; Southwest: \$20,525,637; Northwest: \$2,891,489; Alaska: \$5,914,603; Total \$55,400,000.

C. Compliance with Regulations, Guidelines, and Requirements. Applicants awarded a grant under this NOFA are required to comply with the regulations, guidelines, and requirements with respect to the acceptance and use of federal funds for this federally assisted program. Also,

the grantee, by accepting the grant, provides assurance with respect to the grant that:

1. It possesses the legal authority to apply for the grant and execute the proposed program.
 2. The governing body has duly authorized the filing of the application, including all understandings and assurances contained in the application, and has directed and authorized the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.
 3. It will comply with HUD general administration requirements in 24 CFR Part 85.
 4. It will comply with the requirements of Title II of Public Law 90-284 (25 U.S.C. 1301), the Indian Civil Rights Act. Federally recognized Indian tribes and their instrumentalities are subject to the requirements of: Title II of the Civil Rights Act of 1964, known as the Indian Civil Rights Act; Section 109 prohibitions against discrimination based on age, sex, religion and disability; the Age Discrimination Act of 1975; and Section 504 of the Rehabilitation Act of 1973.
 5. It will comply with the Indian preference provisions required in 24 CFR 1003.510.
 6. It will establish written safeguards to prevent employees from using positions funded under the ICDBG programs for a purpose that is, or gives the appearance of being, motivated by private gain for themselves, their immediate family, or business associates. Employees are not otherwise limited from benefiting from program activities for which they are otherwise eligible.
 7. Neither the applicant nor its principals are presently excluded from participation in any HUD programs, as required by 24 CFR part 24.
 8. The chief executive officer or other official of the applicant approved by HUD:
 - a. Consents to assume the status of a responsible federal official under the National Environmental Policy Act of 1969 insofar as the provisions of the Act apply to the applicant's proposed program pursuant to 24 CFR 1003.605.
 - b. Is authorized and consents on behalf of the applicant and him/herself to accept the jurisdiction of the federal courts for the purpose of enforcement of his/her responsibilities as such an official.
- Note:** Applicants for whom HUD has approved a claim of incapacity to accept the responsibilities of the federal government for purposes of complying with the

environmental review requirements of 24 CFR part 58, pursuant to 24 CFR 1003.605, are not subject to the provision of paragraph 8.

9. It will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968 and the regulations in 24 CFR part 135 (Economic Opportunities for Low and Very Low Income Persons) to the maximum extent consistent with, but not in derogation of, compliance with Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 USC. 450e(b)). Two points will be awarded under Rating Factor 3 in fiscal year 2007 for applicants who demonstrate how they will incorporate Section 3 principles into their proposed projects.

10. It will comply with the requirements of the Fire Authorization Administration Act of 1992 (Pub. L. 102-522).

11. It will comply with 24 CFR, part 4, subpart A, showing full disclosure of all benefits of the project as collected by form HUD-2880, Applicant/Recipient Disclosure Report.

12. Prior to submission of its application to HUD, the grantee has met the citizen participation requirements, which include following traditional means of member involvement, as required in 24 CFR 1003.604.

13. It will administer and enforce the labor standards requirements prescribed in 24 CFR 1003.603.

14. The project has been developed so that not less than 70 percent of the funds received under this grant will be used for activities that benefit low- and moderate-income persons.

15. Executive Order 13202, "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects" applies to projects funded under this NOFA. See the General Section for more information.

D. Period of Performance. The period of performance for any grant awarded under this NOFA must be included in the Implementation Schedule, form HUD-4125, and approved by HUD.

III. Eligibility Information

A. Eligible Applicants

Eligible applicants are Indian tribes or tribal organizations on behalf of Indian tribes. To apply for funding, you must be eligible as an Indian tribe (or as a tribal organization), as required by 24 CFR 1003.5, by the application deadline date.

Tribal organizations are permitted to submit applications under 24 CFR

1003.5(b) on behalf of eligible tribes when one or more eligible tribe(s) authorize the organization to do so under concurring resolutions. The tribal organization must itself be eligible under Title I of the Indian Self-Determination and Education Assistance Act. The Bureau of Indian Affairs (BIA) or the Indian Health Service (IHS), as appropriate, must make a determination of such eligibility. This determination must be provided to the Area ONAP by the application deadline.

If a tribe or tribal organization claims that it is a successor to an eligible entity, the Area ONAP must review the documentation to determine whether it is in fact the successor entity.

Applicants from within Alaska: Due to the unique structure of tribal entities eligible to submit ICDBG applications in Alaska, and as only one ICDBG application may be submitted for each area within the jurisdiction of an entity eligible under 24 CFR 1003.5, a tribal organization that submits an application for activities in the jurisdiction of one or more eligible tribes or villages must include a concurring resolution from each such tribe or village authorizing the submission of the application. An application submitted by a tribal organization on behalf of a specific tribe will not be accepted if the tribe itself submits an application for the same funding round. The hierarchy for funding priority continues to be the IRA Council, the Traditional Village Council, the ANCSA Village Corporation, and the ANCSA Regional Corporation.

On November 25, 2005, the BIA published a **Federal Register** notice entitled, "Indian Entities Recognized and Eligible to Receive Services From the United States Bureau of Indian Affairs" (70 FR 71194). This notice provides a listing of Indian Tribal Entities in Alaska found to be Indian tribes as the term is defined and used in 25 CFR part 83. Additionally, pursuant to Title I of the Indian Self-Determination and Education Assistance Act, ANCSA Village Corporations and Regional Corporations are also considered tribes and therefore eligible applicants for the ICDBG program.

Any questions regarding eligibility determinations and related documentation requirements for entities in Alaska should be referred to the Alaska Area ONAP prior to the application deadline. (See 24 CFR 1003.5 for a complete description of eligible applicants.)

B. Cost Sharing or Matching.

Cost sharing or matching is not required under this grant; however, applicants who leverage this grant with other funds receive points. See Section V. (A) Rating Factor 4.

C. Other

1. HUD Requirements.

Applicants for single purpose grants must comply with the HUD Threshold Requirements listed in the General Section, Section III, C. in order to receive an award of funds.

2. Program and Project Specific Requirements

a. Low- and Moderate-Income Status for Rehabilitation Projects. Your application must contain information that shows that all households that receive ICDBG grant assistance under a housing rehabilitation project are of low- and moderate-income status.

b. Housing Rehabilitation Cost Limits. Grant funds spent on rehabilitation must fall within the following per-unit limits for each Area ONAP jurisdiction: Eastern/Woodlands: \$35,000; Southern Plains: \$35,000; Northern Plains: \$50,000; Southwest: \$50,000; Northwest \$40,000; Alaska: \$55,000.

c. Commitment to Housing for Land Acquisition to Support New Housing Projects. For land acquisition to support new housing projects, your application must include evidence of financial commitment and an ability to construct at least 25 percent of the housing units on the land proposed for acquisition. This evidence must consist of one (or more) of the following: a firm or conditional commitment to construct (or to finance the construction of) the units; documentation that an approvable application for the construction of these units has been submitted to a funding source or entity; or documentation that these units are specifically identified in the Indian Housing Plan (IHP), (one-Year Financial Resources Narrative; Table 2, Financial Resources, Part I, Line 1E; and Table 2, Financial Resources, Part II) submitted by or on behalf of the applicant as an affordable housing resource with a commensurate commitment of Indian Housing Block Grant (IHBG) (also known as NAHBG) resources. If the IHP for the IHBG (also known as NAHBG) program year that coincides with the implementation of the ICDBG proposed project has not been submitted, you must provide an assurance that the IHP will specifically reference the proposed project. The IHP submission must occur within three years from the date the land is acquired and ready for development.

d. Health Care Facilities. If you propose a facility that would provide health care services funded by the Indian Health Service (IHS), you must assure that the facility meets all applicable IHS facility requirements. HUD recognizes that tribes that are contracting services from the IHS may establish other facility standards. These tribes must assure that these standards at least compare to nationally accepted minimum standards.

3. Program-Related Threshold Requirements

a. Outstanding ICDBG Obligation. According to 24 CFR 1003.301(a), an applicant who has an outstanding ICDBG obligation to HUD that is in arrears, or one that has not agreed to a repayment schedule, will be disqualified from the competition.

b. Compliance with Fair Housing and Civil Rights Laws. Applicants and subrecipients that are not federally recognized Indian tribes or instrumentalities of a tribe are subject to the Civil Rights threshold requirements found in the General Section. Federally recognized Indian tribes and instrumentalities of tribes are subject to the requirements of Title II of the Civil Rights Act of 1964, known as the Indian Civil Rights Act; Section 109 prohibitions against discrimination based on age, sex, religion and disability; the Age Discrimination Act of 1975; and Section 504 of the Rehabilitation Act of 1973. To be eligible to apply, there must be no outstanding violations of these civil rights provisions at the time of application.

4. Project-Specific Threshold Requirements. Applicants must meet all parts of the project-specific threshold applicable to the proposed project. The thresholds are:

a. Housing Rehabilitation Project Thresholds. In accordance with 24 CFR 1003.302(a), for housing rehabilitation projects, you must adopt rehabilitation standards and rehabilitation policies before you submit an application. In addition, you must state that you have in place rehabilitation policies and standards that have been adopted in accordance with tribal law or practice. Do not submit your policies or standards with the application. You must also provide a written statement that project funds will be used to rehabilitate HUD-assisted houses only when the homebuyer's payments are current or the homebuyer is current in a repayment agreement except because of an emergency situation. For purposes of meeting this threshold, HUD-assisted houses are houses that are owned and/

or managed by the tribe or tribally designated housing entity (TDHE). The ONAP Administrator, on a case-by-case basis, may approve exceptions to this requirement if the applicant provides adequate justification for the exception with its application.

b. New Housing Construction Project Thresholds

1. In accordance with 24 CFR 1003.302(b), new housing construction can only be implemented when necessary through a Community Based Development Organization (CBDO). Eligible CBDOs are described in 24 CFR 1003.204(c). You must provide documentation establishing that the entity implementing your new housing construction project qualifies as a CBDO.

2. In accordance with 24 CFR 1003.302, you must have a current, in effect, tribal resolution adopting and identifying construction standards.

3. In accordance with 24 CFR 1003.302, you must also include in your application documentation affirming the following:

(a) All households to be assisted under a new housing construction project must be of low- or moderate-income status;

(b) No other housing is available in the immediate reservation area that is suitable for the households to be assisted;

(c) No other sources, including an Indian Housing Block Grants (IHBG), can meet the needs of the household(s) to be served; and

(d) Rehabilitation of the unit occupied by the household(s) to be assisted is not economically feasible, the household(s) to be housed is currently in an overcrowded house (more than one household per house), or the household to be assisted has no current residence.

c. Economic Development Project Thresholds. In accordance with 24 CFR 1003.302, for economic development assistance projects, you must provide a financial analysis. The financial analysis must demonstrate that the project is financially feasible and the project has a reasonable chance of success. The analysis must also demonstrate the public benefit resulting from the ICDBG assistance. The more funds you request, the greater the public benefit you must demonstrate. The analysis must also establish that to the extent practicable, reasonable financial support will be committed from non-federal sources prior to disbursement of federal funds; any grant amount provided will not substantially reduce the amount of non-federal financial support for the activity; not more than a reasonable rate of return on

investment is provided to the owner; and that grant funds used for the project will be disbursed on a pro-rata basis with amounts from other sources.

d. There are no project specific thresholds for Land Acquisition to Support New Housing, Homeownership Assistance, Public Facilities and Improvements, and Microenterprise Projects.

5. Public Service Projects. Because there is a regulatory 15 percent cap on the amount of grant funds that may be used for public service activities, you may not receive a single-purpose grant solely to fund public service activities. Your application, however, may contain a public service component for up to 15 percent of the total grant, and this component may be unrelated to the other project(s) in your application. If your application does not receive full funding, HUD will reduce the public service allocation proportionately so that it comprises no more than 15 percent of the total grant award. In making such reductions, the feasibility of the proposed project will be taken into consideration. If a proportionate reduction of the public service allocation renders such a project infeasible, the project will not be funded. A complete description of public service projects is located at 24 CFR part 1003.201.

6. Restrictions on Eligible Activities. A complete description of activities that are eligible for ICDBG funding are identified at 24 CFR part 1003, subpart C. Please note that although this subpart has not yet been revised to include the restrictions on the ineligible activity that was added to Section 105 of the CDBG statute by Section 588 of the Quality Housing and Work Responsibility Act of 1998, this restriction applies. Specifically, ICDBG funds may not be used to assist directly in the relocation of any industrial or commercial plant, facility, or operation, from one area to another, if the relocation is likely to result in a significant loss of employment in the labor market area from which the relocation occurs. Rating Factors 2 and 3 included under Section V specify many of the activities listed as eligible under part 1003, subpart C. Those listed include new housing construction (in certain circumstances, as described in Rating Factors 2 and 3), housing rehabilitation, land acquisition to support new housing, homeownership assistance, public facilities and improvements, economic development, and microenterprise programs. However, the following eligible activities not clearly identified by the rating factors may be proposed and

rated as described below. During the past few years, many tribes have experienced high incidences of mold growth in tribal homes and buildings. Renovation of affected buildings is eligible under housing rehabilitation or public facility improvement projects.

a. Acquisition of property. This activity can be proposed as acquisition of land or other real property to support New Housing Construction, Housing Rehabilitation, Public Facilities and Improvements, or Economic Development, depending on the purpose of the acquisition.

b. Assistance to Institutions of Higher Learning. If such entities have the capacity, they can help the ICDBG grantees implement eligible projects.

c. Assistance to Community Based Development Organizations (CBDOs). Grantees may provide assistance to these organizations to undertake activities related to neighborhood revitalization, community economic development, or energy conservation.

d. Clearance and Demolition. These activities can be proposed as part of Housing Rehabilitation, New Housing Construction, Public Facilities and Improvements, Economic Development, or Land to Support New Housing. Section 1003.201 (d) states, "Demolition of HUD-assisted housing units may be undertaken only with the prior approval of HUD."

e. Code Enforcement. This activity can be proposed as Housing Rehabilitation. The activity must comply with the requirements at 24 CFR 1003.202.

f. Comprehensive Planning. This activity is eligible, and can be proposed as part of any otherwise-eligible project to the extent allowed by the 20 percent cap on the grant for planning/administration.

g. Energy Efficiency. Associated activities can be proposed under Housing Rehabilitation or Public Facilities and Improvements, depending upon the type of energy efficiency activity.

h. Lead-Based Paint Evaluation and Abatement. These activities can be proposed under Housing Rehabilitation.

i. Non-Federal Share. ICDBG funds can be used as a match for any non-ICDBG funding to the extent allowed by such funding and the activity is eligible under 24 CFR part 1003, subpart C.

j. Privately and Publicly Owned Commercial or Industrial Buildings (real property improvements). These activities can be proposed under Economic Development. Privately owned commercial rehabilitation is subject to the requirements at 24 CFR 1003.202.

k. Privately Owned Utilities. Assistance to privately owned utilities can be proposed under Public Facilities and Improvements.

l. Removal of Architectural Barriers. This includes removing barriers that restrict mobility and access for elderly and persons with disabilities. In addition, accommodation should be made for persons with all varieties of disabilities to enable them to benefit from these activities. This activity can be proposed under Housing Rehabilitation or Public Facilities and Improvements, depending upon the type of structure where the barrier will be removed.

7. Application Screening. The Area ONAP will screen applications for single-purpose grants. The Area ONAP will reject an application that fails this screening and will return the application unrated. The Area ONAP will accept your application if it meets all the criteria listed below as items a through f.

a. Your application is received or submitted in accordance with the requirements set forth under Application and Submission Procedures in Section IV of this NOFA;

b. You are eligible;

c. The proposed project is eligible;

d. Your application contains all the components specified in Section IV. B. of this NOFA;

e. Your application shows that at least 70 percent of the grant funds are to be used for activities that benefit low- and moderate-income persons, in accordance with the requirements of 24 CFR 1003.208. For screening purposes only, HUD will use the 2000 census data if the data you submitted does not meet this screening requirement; and

f. Only one ICDBG application may be submitted for each area within the jurisdiction of an entity eligible under 24 CFR 1003. An application may include more than one project, but it cannot exceed the grant ceilings listed in Section IV.

IV. Application and Submission Information

A. Addresses to Request Application Package. Applicants are required to submit an electronic application, unless they receive a waiver of the requirement. See the General Section for information on electronic application submission and timely submission and receipt requirements. Waiver requests must be submitted to the Headquarters ONAP, Office of Grants Management in writing, using mail, e-mail or fax. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be

sent to Deborah M. Lalancette, HUD, ONAP, 1670 Broadway, 23rd Floor Denver CO 80202; by e-mail to Deborah_M_Lalancette@hud.gov or by fax to 303-675-1660.

B. Content and Form of Application Submission

1. Application Information. All information required to complete a valid application is included in the General Section and this NOFA. Copies of the General Section and ICDBG NOFA may be downloaded from the grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp. If you experience any problems with downloading the General Section or the ICDBG NOFA, call the Grants.gov help desk at 800-518-GRANTS. Before preparing an application, applicants should carefully review the program description, ineligible activities, program and threshold requirements, and the General Section. Applicants should carefully review each rating factor listed in Section V of this NOFA, before writing a narrative response. Indicate on the first page of each project submission the type of project(s) you are proposing: Economic Development, Homeownership Assistance, Housing Rehabilitation, Land Acquisition to Support New Housing, Microenterprise Programs, New Housing Construction, or Public Facilities and Improvements. This will help to ensure that the appropriate project-specific thresholds and rating subfactors will be applied. Narrative statements submitted to support your application should be individually labeled to reflect the item the narrative is responding to, e.g., Factor 1, Factor 2, etc. Applicants *should not* submit third party documents, such as audits, resolutions, policies, unless specifically asked to do so. Additional information regarding electronic submissions can be found in the General Section.

If you received a waiver to the electronic application submission requirements and are submitting a paper application, please use separate tabs for each rating factor and rating subfactor. In order to be rated, make sure the response is beneath the appropriate heading. Keep the responses in the same order as the NOFA. It is recommended that you limit your narrative explanations to 200 words or less and provide the necessary data such as a market analysis, a pro forma, housing survey data, etc., that support the response. Include all relevant material to a response under the same tab. *Only include documentation that will clearly and concisely support your response to the rating criteria.*

HUD suggests that you do a preliminary rating for your project, providing a score according to the point system in Section V of this NOFA. This will show you how reviewers might score your project and identify its strengths and weaknesses. This will help you determine where you can make improvements prior to its submission. An application checklist for you to use to ensure that you have submitted all required components is found in this section under item 2c.

2. Content of Application, Forms, and Required Elements. The applicant must respond in narrative form to all five of the rating factors listed in Section V.A. of this NOFA. In addition, the applicant must submit all of the forms required in this section, along with other data listed below.

a. Demographic data. You may submit data that are unpublished, not generally available, and not older than three years, in order to meet the requirements of this section. Your application must contain a statement that the following criteria have been met:

(1) Generally available published data are substantially inaccurate or incomplete;

(2) Data that you submit have been collected systematically and are statistically reliable;

(3) Data are, to the greatest extent feasible, independently verifiable; and

(4) Data differentiate between reservation and BIA service area populations, when applicable.

b. Publication of Community Development Statement. You must prepare and publish or post the community development statement portion of your application according to the citizen participation requirements of 24 CFR 1003.604. You may post or publish a statement that indicates that the entire Community Development Statement is available for public viewing and include the location, dates, and time it will be available for review.

c. Application Submission. Your application must contain the items listed below.

(1) Application for Federal Assistance (SF-424);

(2) SF-424 SUPP, Supplement Survey on Ensuring Equal Opportunity for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);

(3) HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov); and

(4) Acknowledgement of Application Receipt (HUD-2993). (This is relevant only to applicants granted a waiver of the electronic submission requirements

and who are submitting a paper application.)

If the application has been submitted by a tribal organization as defined in 24 CFR 1003.5(b), on behalf of an Indian tribe, you must submit concurring resolutions from the Indian tribe stating that the tribal organization is applying on the tribe's behalf. Applicants must submit the resolution by attaching it as a file to your electronic application submission, or sending it via facsimile transmittal.

The other required items are as follows:

(5) Community Development Statement that includes:

(a) Components that address the general threshold requirement and the relevant project-specific thresholds and rating factors;

(b) A schedule for implementing the project (form HUD-4125, Implementation Schedule); and

(c) Cost information for each separate project, including specific activity costs, administration, planning, technical assistance, and total HUD share (Form HUD-4123, Cost Summary).

(6) A map showing project location, if appropriate.

(7) If the proposed project will result in displacement or temporary relocation, a statement that identifies:

(a) The number of persons (families, individuals, businesses, and nonprofit organizations) occupying the property on the date of the submission of the application (or date of initial site control, if later);

(b) The number to be displaced or temporarily relocated;

(c) The estimated cost of relocation payments and other services;

(d) The source of funds for relocation; and

(e) The organization that will carry out the relocation activities.

(8) If applicable, evidence of the disclosure required by 24 CFR 1003.606(e) regarding conflict of interest.

(9) If applicable, the demographic data statement described in Section IV.B.2.a and Section V.A., Rating Factor 2 of this NOFA. The data accompanying the statement must identify the total number of persons benefiting from the project and the total number of low- and moderate-income persons benefiting from the project. To be considered, supporting documentation must include all of the following: a sample copy of a completed survey form, an explanation of the methods used to collect the data, and a listing of incomes by household including household size.

(10) Optional submissions are:

(a) You Are Our Client Grant Applicant Survey (HUD 2994-A) (Optional); and

(b) Program Outcome Logic Model, HUD-96010.

3. Planning and Administrative Costs. Applicants must report project planning and administration costs on Form HUD-4123, Cost Summary. Planning and administrative costs cannot exceed 20 percent of the grant. The following criteria applies to planning and administrative costs:

a. Planning and administrative activities may be funded only in conjunction with a physical development activity.

b. If you are submitting an application for more than one project, costs must be broken down by project. Submit one form HUD-4123 for each proposed project in addition to a consolidated form HUD-4123 that includes costs for all proposed projects.

c. Do not include project costs (i.e., architectural/engineering, environmental, technical assistance, staff/overhead costs) directly related to the project.

C. Submission Dates and Times

1. Application Submission Deadline. The application deadline date is June 1, 2007. Applications submitted through http://www.grants.gov/applicants/apply_for_grants.jsp must be received and validated by Grants.gov no later than 11:59:59 PM eastern time on the application deadline date. Upon submission, Grants.gov will provide the applicant a confirmation of receipt and then validate the application. Within 24 to 48 hours of receipt, the application will be validated by Grants.gov. If the application does not pass validation, the submitter will receive a rejection notice indicating why the application was rejected, thus giving the applicant (if time permits) an opportunity to make the correction in the application package and resubmit. The General Section provides details of a validation check. HUD advises applicants to submit at least 72 hours prior to the deadline date so that if an application is rejected during the validation process, applicants can correct the errors and resubmit the application prior to the deadline date and time. If you are granted a waiver of the electronic submission requirements, and are submitting a paper application, your completed application must be received by HUD no later than 11:59:59 p.m. on the application deadline date. HUD will not accept any applications sent by e-mail or on a diskette, compact disc, or by facsimile unless HUD specifically requests an applicant to do so. Please

carefully follow the instructions in Sections IV.B and F. of the General Section for detailed information regarding application submission, delivery, and timely receipt requirements.

D. Intergovernmental Review. Indian tribes are not subject to the Intergovernmental Review process.

E. Funding Restrictions

1. Ineligible Activities. In general, any activity that is not authorized under the provisions of 24 CFR 1003.201–1003.206 is ineligible to be assisted with ICDBG funds. The regulations at 24 CFR 1003.207 govern ineligible activities and should be referred to for details. The following guidance is provided for determining the eligibility of other activities frequently associated with ICDBG projects.

a. Government Office Space. Buildings, or portions thereof, used *predominantly* for the general conduct of government cannot be assisted with ICDBG funds. Those buildings include, but are not limited to, local government office buildings, courthouses, and other headquarters of government where the governing body meets regularly. Buildings that contain both governmental and non-governmental services can be assisted so long as the ICDBG funds are used only for the non-governmental sections. An example of an ineligible building is a building to house the community development division or a tribal administration building. Your Area ONAP office should be consulted for projects of this nature.

b. General Government Expenses. Except as authorized in the regulations or under OMB Circular A-87, expenses required to carry out the regular responsibilities of the unit of general local government are not eligible for assistance with ICDBG funds.

c. Maintenance and Operation Expenses. In general, any expenses associated with repairing, operating, or maintaining public facilities and services are not eligible for assistance. Specific exceptions to this general rule are operating and maintenance expenses associated with public service activities [24 CFR 1003.201(e)], office space for program staff employed in carrying out the ICDBG program [24 CFR 1003.206(a)(4)], and interim assistance [24 CFR 1003.201(f)]. For example, where a public service is being assisted with CDBG funds, the cost of operating and maintaining that portion of the facility in which the service is located is eligible as part of the public service. Examples of ineligible operating and maintenance expenses are routine and non-routine maintenance and repair of

streets, parks, playgrounds, water and sewer facilities, neighborhood facilities, senior centers, centers for persons with disabilities, parking facilities, and similar public facilities, as well as staff salaries, utility costs, and similar expenses necessary for the operation of public works and facilities.

d. New Housing Construction. The construction of new permanent residential structures and any program to subsidize or finance such new construction is ineligible, unless carried out by a Community-Based Development Organization (CBDO) pursuant to 24 CFR 1003.204(a).

e. Furnishings and Personal Property. In general, the purchase of equipment, fixtures, motor vehicles, furnishings, or other personal property not an integral structural fixture is ineligible. Exceptions include when such purchases are necessary for use in grant administration (24 CFR 1003.206); necessary and appropriate for use in a project carried out by a CBDO (24 CFR 1003.204); used in providing a public service (24 CFR 1003.201(e)); or used as firefighting equipment (24 CFR 1003.201(c)(1)(ii)). However, ICDBG funds may be used to pay depreciation or use allowances (in accordance with OMB Circular A-87 or A-122, as applicable).

f. Construction Tools and Equipment. The purchase of construction tools and equipment is generally ineligible. However, compensation for the use of such tools and equipment through leasing, depreciation, or use allowances pursuant to OMB Circulars A-87 and A-122, as applicable, for an otherwise eligible activity, is eligible. Exceptions include construction tools and equipment purchased for use as part of a solid waste facility (24 CFR 1003.201(c)(1)(ii)) and construction tools only (not equipment) purchased for use in a housing rehabilitation project being administered by the recipient using the force account construction method (24 CFR 1003.202(b)(8)).

g. Income Payments. In general, assistance shall not be used for income payments for housing or any other purpose. Income payments mean a series of subsistence-type grant payments made to an individual/family for items such as food, clothing, housing (rent/mortgage), or utilities, but excludes emergency payments made over a period of up to three months to the provider of such items or services on behalf of an individual/family. Examples of ineligible income payments include the payments for income maintenance and housing allowances.

2. Grant Ceilings. The authority to establish grant ceilings is found at 24 CFR 1003.100(b)(1). Grant ceilings are established for FY2007 funding at the following levels:

Area ONAP	Population	Ceiling
Eastern Woodlands.	ALL	\$600,000
Southern Plains.	ALL	800,000
Northern Plains.	6,001+	1,100,000
Southwest ...	0–6,000	900,000
	50,001+	5,500,000
	10,501–50,000.	2,750,000
	7,501–10,500.	2,200,000
	6,001–7,500	1,100,000
	1,501–6,000	825,000
Northwest	0–1,500	605,000
	ALL	500,000
Alaska	ALL	600,000

For the Southwest Area and Northern Plains ONAP jurisdictions, the population used to determine ceiling amounts is the Native American population that resides on a reservation or rancheria.

Applicants from the Southwest or the Northern Plains ONAP jurisdictions should contact those offices before

submitting an application if they are unsure of the population level to use to determine the ceiling amount. The Southwest or Northern Plains Area ONAP, as appropriate, must approve any corrections or revisions to Native American population data *before* you submit your application.

F. Other Submission Requirements

1. Applications must be received and validated by Grants.gov via http://www.grants.gov/applicants/apply_for_grants.jsp no later than the application deadline date and time stated in the NOFA. Validation can take up to 72 hours.

2. Mailing and Receipt Procedures. Applicants granted a waiver of the electronic submission requirement will receive specific mailing instruction, including the number of copies to be submitted, with approval of the waiver. See 24 CFR Part 5.

3. Addresses for Submitting Applications. HUD will accept mailed applications only if it has granted a waiver of the electronic delivery process. Information regarding electronic submission and waivers from the electronic submission requirement is located in this program NOFA and the General Section. If HUD grants such a waiver, the approval notification will

provide submission instructions including the address where to submit the application and number of copies to be provided. A list identifying each Area ONAP jurisdiction is provided at http://www.hud.gov/offices/pih/ih/onap/area_onap.cfm under the ICDBG program.

V. Application Review Information

A. Criteria

1. RC/EZ/EC–II: Bonus points described in the General Section for projects located in RC/EZ/EC–IIs will not be awarded under this NOFA.

2. Rating Factors to Evaluate and Rate Applications: The factors for rating and ranking applications and the points for each factor are provided below. A maximum of 100 points may be awarded under Rating Factors 1 through 5. To be considered for funding, your application must receive a minimum of 20 points under rating factor 1 and an application score of at least 70 points. The following summarizes the points assigned to each rating factor and each rating subfactor and lists which rating subfactors apply to which project types. Please use this table to ensure you are addressing the appropriate rating subfactor for your project.

Rating factor	Rating sub-factor	Points	Project type
1	Total	40	Minimum of 20 Points Required
	1.a.	10	All Project Types
	1.b.	5 or 10*	All Project Types
	1.c.	3 or 10*	All Project Types
	1.d.	2 or 10*	All Project Types
	2.a.	4 or 0*	All Project Types
	2.b.	4 or 0*	All Project Types
	2.c.	4 or 0*	All Project Types
	2.d.	4 or 0*	All Project Types
	2.e.	4 or 0*	All Project Types
	2.f.	4 or 0*	All Project Types
2	Total	16	
	1	4	All Project Types
	2.a.	12	Public Facilities and Improvements and Economic Development Projects
	2.b.	12	New Housing Construction, Housing Rehabilitation, Land Acquisition to Support New Housing, and Homeownership Assistance Projects
3	2.c.	12	Microenterprise Programs
	Total	30	
	1	10	All Project Types
	2	5	All Project Types
	3	1	All Project Types
	4	2	All Project Types
	5.a.	12	Public Facilities and Improvements
	5.b.	12	New Housing Construction, Housing Rehabilitation, and Homeownership Assistance Projects
	5.c.	12	Economic Development Projects
	5.d.	12	Microenterprise Programs
4	5.e.	12	Land Acquisition to Support New Housing
	Total	8	All Project Types
	Total	6	All Project Types
5	1	2	All Project Types
	2	4	All Project Types
Total	100	Minimum of 70 Points Required

The first number listed indicates the maximum number of points available to current ICDBG grantees under this subfactor. The second number indicates the maximum number of points available to new applicants.

Rating Factor 1: Capacity of the Applicant (40 points)

This factor addresses the extent to which you have the organizational resources necessary to successfully implement the proposed activities in accordance with your implementation schedule. If applicable, past performance in administering previous ICDBG grants will be taken into consideration. You must address the existence or availability of these resources for the *specific type of activity* for which you are applying. To be eligible for funding you must receive a minimum of 20 points under this factor for your proposed activity. HUD will not rate any projects further that do not receive a minimum of 20 points under this factor. If you are funded, the implementation schedule and/or the Logic Model, form HUD-96010, you submit for this factor will be measured against actual progress.

1. (20 points for current ICDBG grantees) (40 points for new applicants) Managerial, Technical, and Administrative Capability.

Your application must include a description demonstrating that you possess or can obtain managerial, technical, and/or administrative capability necessary to carry out the proposed project. Your application must address who will administer the project and how you plan to handle the technical aspects of executing the project in accordance with your implementation schedule. Typical documents that may be submitted include, but are not limited to, written summaries of qualifications and past experience of proposed staff, descriptions of staff responsibilities, and references or letters of endorsement from others who have worked with the proposed staff. Do not submit job descriptions or resumes.

a. (10 points) Managerial and Technical Staff.

The extent to which your application describes the roles/responsibilities and the knowledge/experience of your overall proposed project director and staff, including the day-to-day program manager, consultants, and contractors in planning, managing, and implementing projects in accordance with the implementation schedule for which funding is being requested. Experience will be judged in terms of recent, relevant, and successful experience of

your staff to undertake eligible program activities. In rating this factor, HUD will consider experience within the last 5 years to be recent; experience pertaining to the specific activities being proposed or the specific roles and responsibilities described in the application to be relevant; and experience producing specific accomplishments to be successful. The more recent the experience and the more experience your own staff members who work on the project have in successfully conducting and completing similar activities, the greater the number of points you will receive for this rating factor.

(10 points). The applicant adequately describes the roles/responsibilities and the knowledge/experience of its overall project director and staff, including the day-to-day program manager, consultants, and contractors in planning, managing, and implementing projects for which funding is being requested. Staff experience as described in the application is recent (within 5 years), relevant (pertains to the specific activities being proposed or the specific roles and responsibilities described in the application) and successful (has produced specific accomplishments).

(5 points). The applicant adequately describes the roles/responsibilities and the knowledge/experience of its overall project director and staff, including the day-to-day program manager, consultants, and contractors in planning, managing, and implementing projects for which funding is being requested. However, one of the following applies: staff experience as described in the application is not recent (not within 5 years), is not relevant (does not pertain to the specific activities being proposed or the specific roles and responsibilities described in the application), or is not successful (did not produce specific accomplishments).

(0 points). The applicant failed to adequately describe the roles/responsibilities and the knowledge/experience of its overall project director and staff, including the day-to-day program manager, consultants, and contractors in planning, managing, and implementing projects for which funding is being requested or more than one of the following applies: staff experience as described in the application is not recent (not within 5 years), is not relevant (does not pertain to the specific activity being proposed or the specific roles and responsibilities described in the application), or is not successful (did not produce specific accomplishments).

b. (5 points for current ICDBG grantees and 10 points for new applicants) Project Implementation Plan and Program Evaluation.

The extent to which your project implementation plan identifies the specific tasks and timelines that you and your partner contractors and/or subgrantees will undertake to complete your proposed project on time and within budget. The Project Implementation Schedule, form HUD-4125, may serve as this required schedule, provided that it is sufficiently detailed to demonstrate that you have clearly thought out your project implementation. The extent to which your project identifies, measures, and evaluates the specific benchmarks, outputs, outcomes, and/or goals of your project that enhance community viability. The Logic Model, form HUD-96010, may serve as the format to address this information or you may provide a different format that provides the same information.

(5 points for current ICDBG grantees and 10 points for new applicants) The applicant submitted a project implementation plan that clearly specifies project tasks and timelines. The applicant submitted clear project benchmarks, outputs, outcomes, and/or targets and identified objectively quantifiable program measures and/or evaluation process.

(3 points for current ICDBG grantees and 4 points for new applicants) The applicant submitted a project implementation plan that specifies project tasks and timelines. The applicant submitted project benchmarks, outputs, outcomes, and/or targets for each; however, the applicant did not clearly identify objectively quantifiable program measures and/or the evaluation process.

(0 points for current ICDBG grantees or new applicants) The applicant submitted a project implementation schedule that does not address all project tasks and timelines associated with the project. Project benchmarks, outputs, outcomes, and/or goals were not submitted, or if submitted, they did not address either the quantifiable program measures and/or the evaluation process.

c. (3 points for current ICDBG grantees and 10 points for new applicants) Financial Management.

This subfactor evaluates the extent to which your application describes how your financial management systems will facilitate effective fiscal control over your proposed project and meet the requirements of 24 CFR part 85 and 24 CFR part 1003. You must also describe how you will apply your financial

management systems to the specific project for which you are applying. The application will also be rated on the seriousness/significance of the findings related to your financial management system identified in your current audit. If you are required to have an audit but do not have a current audit, you must submit a letter from your Independent Public Accountant (IPA) that is dated within the past 12 months stating that your financial management system complies with all applicable regulatory requirements. If you are not required to have an audit, you will automatically receive points for this portion of the subfactor if you provide the other information required by this subfactor. For purposes of this subfactor, a current audit is one which was due to be submitted to the Federal Audit Clearinghouse (FAC) within the 12-month period prior to the application due date. To be considered, the audit must be submitted to the FAC prior to the ICDBG application deadline date. Do not submit financial management and/or internal control policies and procedures or your audit with the application.

(3 points for current ICDBG grantees and 10 points for new applicants).

The applicant clearly described how it will apply its financial management systems to the proposed project and how the system meets the requirements of 24 CFR part 85 and 24 CFR part 1003. The applicant's current audit does not contain any serious or significant findings related to its financial management system, or if there is no current audit, the applicant submitted a letter from its Independent Public Accountant stating that its financial management system complies with all applicable regulatory requirements.

(2 points for current ICDBG grantees and 5 points for new applicants) The applicant's current audit does not contain any serious or significant findings related to its financial management system, or if there is no current audit, the applicant submitted a letter from its Independent Public Accountant (IPA) stating that its financial management system complies with all applicable regulatory requirements. The applicant did not describe how it would apply its financial management systems to the proposed project and how the system meets the requirements of 24 CFR part 85 and 24 CFR part 1003.

(0 points for current ICDBG grantees or new applicants) The applicant's current audit included serious or significant findings related to its financial management systems or, if there is no current audit, the applicant

did not submit a letter from its IPA stating its financial management systems comply with all regulatory requirements. The applicant did not describe how it would apply its financial management systems to the proposed project and how the system meets the requirements of 24 CFR part 85 and 24 CFR part 1003.

d. (2 points for current ICDBG grantees and 10 points for new applicants) Procurement and Contract Management.

This subfactor evaluates the extent to which your application describes how your procurement and contract management policies and procedures will facilitate effective procurement and contract control over your proposed project and meet the requirements of 24 CFR part 85 and 24 CFR part 1003. You must also describe how you will apply your procurement and contract management systems to the specific project for which you are applying. The application will also be rated on the seriousness of the findings related to procurement and contract management identified in your current financial audit. If you are required to have an audit but do not have a current audit, you must submit a letter from your Independent Public Accountant stating that your procurement and contract management system complies with all applicable regulatory requirements. If you are not required to have an audit, you will automatically receive points for this portion of the subfactor if you provide the other information required by this subfactor. Do not submit procurement and contract management policies and procedures or your audit with the application.

(2 points for current ICDBG grantees and 10 points for new applicants) The applicant clearly described how its procurement and contract management policies and procedures will facilitate effective procurement and contract control over the proposed project, and meet the requirements of 24 CFR part 85 and 24 CFR part 1003. The applicant described how it will apply its procurement and management systems to the specific project for which it is applying. The applicant's current audit does not contain any serious or significant findings related to its procurement and contract management system, or if there is no current audit, the applicant submitted a letter from its Independent Public Accountant (IPA) stating that its procurement and contract management system complies with all applicable regulatory requirements.

(1 point for current ICDBG grantees and 5 points for new applicants) The applicant's current audit does not

contain any serious or significant findings related to its procurement or contract management system, or if there is no current audit, the applicant submitted a letter from its Independent Public Accountant stating that its procurement and contract management system complies with all applicable regulatory requirements. The applicant did not describe how it would apply its procurement and contract management systems to the proposed project and meet the requirements of 24 CFR part 85 and 24 CFR part 1003.

(0 points for current ICDBG grantees or new applicants) The applicant's current audit included serious or significant findings related to its procurement and contract management systems or if there is no current audit, the applicant did not submit a letter from its IPA stating its procurement and contract management systems comply with all regulatory requirements. The applicant did not describe how it would apply its procurement and contract management systems to the proposed project and meet the requirements of 24 CFR part 85 and 24 CFR part 1003.

2. (20 points for current ICDBG grantees and 0 points for new applicants) Past Performance.

HUD will evaluate your experience in producing products and reports in accordance with regulatory timelines for any previous grant programs undertaken with HUD funds for the following performance measures. HUD reserves the right to take into account your past performance in meeting performance and reporting goals on any previous HUD awards. Applicants are not required to respond to the subfactors related to past performance. HUD will rely on information on file.

a. (4 points for current ICDBG grantees and 0 points for new applicants). You are not more than 90 days behind schedule in meeting the time frames established in the HUD-approved Implementation Schedule for the ICDBG program.

(1) (4 points) The applicant is not more than 90 days behind schedule in meeting the timeframes established in the HUD-approved implementation schedule.

(2) (2 points) The applicant is not more than 120 days behind schedule in meeting the timeframes established in the HUD-approved implementation schedule.

(3) (0 points) The applicant is more than 120 days behind schedule in meeting timeframes established in the HUD-approved implementation schedule.

b. (4 points for current ICDBG grantees and 0 points for new

applicants). Annual Status and Evaluation Reports (ASER) and Federal Cash Transaction Reports are submitted by the report submission deadlines. The ASER is due 45 days after the end of the federal fiscal year on November 15. Federal Cash Transaction Reports are due quarterly on April 21, July 21, October 20, and January 22.

(1) (4 points) The applicant has submitted both the ASER and Federal Cash Transaction Reports for ICDBG programs by the report submission deadlines.

(2) (2 points) The applicant has submitted either the Federal Cash Transaction Reports or the ASERs for ICDBG programs by the report submission deadline.

(3) (0 points) The applicant has submitted neither of the required reports by the report submission deadline.

c. (4 points for current ICDBG grantees and 0 points for new applicants) You have submitted close-out documents to HUD by the required deadline. Close-out documents are required for the ICDBG program within 90 days of the date it is determined that the criteria for close-out at 24 CFR 1003.508 have been met.

(1) (4 points) The applicant submitted close-out documents to HUD in accordance with the timeframe and criteria at § 1003.508.

(2) (0 points) The applicant has not submitted close-out documents to HUD as required by § 1003.508.

d. (4 points for current ICDBG grantees and 0 points for new applicants) You have submitted annual audits in accordance with OMB Circular A-133 and its compliance supplements, or if you have received an extension of the audit submission date, your audit was submitted by the extended date. If an extension was received, submit a copy of the extension approval. Do not submit your audit with the application.

(1) (4 points) You have submitted annual audits in accordance with OMB Circular A-133 and its compliance supplements, or if you have received an extension of the audit submission date, your audit was submitted by the extended date. If an extension was received, submit a copy of the extension approval. If the applicant has not been required to submit an audit, it will receive 4 points.

(2) (0 points) You have not submitted annual audits in accordance with OMB Circular A-133 and its compliance supplements or if you have received an extension of the audit submission date, your audit was not submitted by the extended date.

e. (4 points for current ICDBG grantees and 0 points for new applicants) You have resolved ICDBG monitoring findings and controlled audit findings by the established target date, or there are no findings in current reports. Do not submit responses to open monitoring or audit findings with the application.

(1) (4 points) The applicant resolved open ICDBG monitoring findings and controlled audit findings by the established target date. If there were no open audit or ICDBG monitoring findings (current grantees only), the applicant will receive 4 points.

(2) (0 points) The applicant has not resolved open ICDBG monitoring findings and controlled audit findings by the established target date.

Rating Factor 2: Need/Extent of the Problem (16 Points)

This factor addresses the extent to which there is a need for the proposed project to address a documented problem among the intended beneficiaries.

1. (Up to 4 points) Your application includes quantitative information demonstrating that the proposed project meets an essential community development need by providing outcomes that are critical to the viability of the community.

2. (12 points) Your project benefits the neediest segment of the population, in accordance with the ICDBG program's primary objective defined at 24 CFR 1003.2. The criteria for this sub-factor vary according to the type of project for which you are applying. Please note that you may submit data that are unpublished and not generally available in order to meet the requirements of this section. However, to do so, you must submit a demographic data statement along with supporting documentation as described in Section IV.B. of this NOFA. For documenting persons employed by the project, you do not need to submit a demographic data statement and corresponding documentation. However, you do need to submit information that describes the nature of the jobs created or retained. Such information includes, but is not limited to, descriptions of proposed job responsibilities, salaries, and the number of full-time equivalent positions. If you believe jobs will be retained as a result of the ICDBG project, include information that shows clearly and objectively that jobs will be lost without the ICDBG project. Jobs that are retained only for the period of the grant will not count under this rating factor.

a. Public Facilities and Improvements and Economic Development Projects

The proposed activities benefit the neediest segment of the population, as identified below. For economic development projects, you may consider beneficiaries of the project as persons served by the project and/or persons employed by the project, and jobs created or retained by the project.

(1) (12 points) At least 85 percent of the beneficiaries are low- or moderate-income.

(2) (8 points) At least 75 percent but less than 85 percent of the beneficiaries are low- or moderate-income.

(3) (4 points) At least 55 percent but less than 75 percent of the beneficiaries are low- or moderate-income.

(4) (0 points) Less than 55 percent of the beneficiaries are low- or moderate-income.

b. New Housing Construction, Housing Rehabilitation, Land Acquisition to Support New Housing, and Homeownership Assistance Projects

The need for the proposed project is determined by utilizing data from the tribe's 2006 IHBG formula information. The ratio is based on the dollars allocated to a tribe under the IHBG program for need divided by the sum of the number of American Indian and Alaskan Native (AIAN) households in the following categories:

- Annual income less than 30 percent of median income;
- Annual income between 30 percent and 50 percent of median income;
- Annual income between 50 percent and 80 percent of median income;
- Overcrowded or without kitchen or plumbing;
- Housing cost burden greater than 50 percent of annual income;
- Housing shortage (Number of low-income AIAN households less total number of NAHASDA and Formula Current Assisted Stock).

This ratio is computed for each tribe and posted in the "Factor 2 Needs Table" that is available at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm> under the ICDBG program.

(1) (12 points) The dollar amount for the Indian tribe is \$316–\$750 or the tribe's total FY2006 IHBG amount was \$100,000 or less and the Needs Table indicates that the Indian tribe has no AIAN households experiencing income or housing problems.

(2) (8 points) The dollar amount for the Indian tribe is \$751–\$1,250.

(3) (4 points) The dollar amount for the Indian tribe is \$1,251–\$1,999.

(4) (0 points) The dollar amount for the Indian tribe is \$2,000 or higher, or

the Needs Table indicates that the Indian tribe has no AIAN households experiencing income or housing problems.

c. Microenterprise Programs

A microenterprise is a business that has five or fewer employees, one or more of whom owns the enterprise. The owner(s) of the microenterprise must be low- or moderate-income and the majority of the jobs created or retained will be for low- or moderate-income persons. To evaluate need, the nature of the jobs created or retained will be evaluated. The owners of the microenterprises are low- and moderate-income *and*:

(1) (12 points) All employees are low- or moderate-income.

(2) (8 points) At least 75 percent but less than 100 percent of the employees are low- or moderate-income.

(3) (4 points) At least 50 percent but less than 75 percent of the employees are low- or moderate-income.

(4) (0 points) Less than 50 percent of the employees are low- and moderate-income.

Rating Factor 3: Soundness of Approach (30 Points)

This factor addresses the quality and anticipated effectiveness of your proposed project's outcomes in enhancing community viability and in meeting the needs you have identified in Rating Factor 2 and the commitment to sustain your proposed project. The populations that were described in demographics that documented need should be the same populations that will receive the primary benefit of the proposed project.

1. (10 points) Description of and Rationale for Proposed Project.

a. (10 points) The proposed project is a viable and cost effective approach to address the needs outlined under Rating Factor 2 of your application. The proposed project is described in detail and you indicate why you believe it will be most effective in addressing the identified need. In order for an application to receive full credit under this factor, the application must include clear and sound measures of the proposed outputs and outcomes for how the community's viability will be enhanced, as presented in Rating Factor 5. The application includes a description of the size, type, and location of the project and a rationale for project design. If your application is for construction of housing or a public facility building or rehabilitation project, it must also include anticipated cost savings related to project development due to innovative program

design or construction methods. For land acquisition to support new housing projects, you must establish that there is a reasonable ratio between the number of net usable acres to be acquired and the number of low- and moderate-income households to benefit from the project.

b. (5 points) The proposed project is a viable and cost-effective approach to address the needs outlined under Rating Factor 2 of the application. The project is described in detail and indicates why you believe the project will be most effective in addressing the identified need. Proposed outcomes that will enhance the community's viability are included. The application includes a description of the size, type, and location of the project, as well as a rationale for project design. For land acquisition to support new housing projects, the applicant has established that there is a reasonable ratio between the number of net usable acres to be acquired and the number of low- and moderate-income households to benefit from this project. The application (for construction of housing or a public facility building or rehabilitation projects) does not include anticipated cost savings due to innovative program design and/or construction methods.

c. (3 points) The proposed project is a viable and cost-effective approach to address the needs outlined under Rating Factor 2 of the application. The project is described and you indicate why you believe the project will be most effective in addressing the identified need. Proposed outcomes are included but do not describe how the project will enhance community viability. The application includes a description of the size, type, and location of the project. For land acquisition to support new housing projects, the applicant has established that there is a reasonable ratio between the number of net usable acres to be acquired and the number of low- and moderate-income households to benefit from the project. The application (for construction of housing or a public facility building or rehabilitation activities) does not include anticipated cost savings due to innovative program design and/or construction methods.

d. (0 points) The proposed project is not a viable and cost-effective approach to address the needs outlined under Rating Factor 2 of the application. The proposed project is not described in detail with an indication of why the applicant believes the project will be most effective in addressing the identified need. Proposed outcomes describing how the project will enhance community viability are not included.

For land acquisition to support new housing projects, the applicant has not established that there is a reasonable ratio between the number of net usable acres to be acquired and the number of low- and moderate-income households to benefit from the project. The application (for construction of housing or a public facility building and rehabilitation activities) does not include anticipated cost savings due to innovative program design and/or construction methods.

2. (5 points) Budget and Cost Estimates.

The quality, thoroughness, and reasonableness of the proposed project budget are documented. Cost estimates must be broken down by line item for each proposed activity, including planning and administration costs, and documented. You must provide a description of the qualifications of the person who prepared the cost estimate.

3. (1 point) HUD Policy Priorities.

Your application addresses the goals for "Improving Our Nation's Communities," or "Energy Star," two of HUD's 2007 policy priorities, as described in Section V. B. of the General Section. You must describe which one of these two policy priorities you select and describe how your activity will meet the applicable goals.

4. (2 points) Intent to Meet Section 3 Requirements.

Your application demonstrates how you will apply the Section 3 requirements of the Housing and Urban Development Act of 1968 and the regulations in 24 CFR part 135 (Economic Opportunities for Low- and Very Low-Income Persons) to the proposed project. You must demonstrate how you will incorporate Section 3 principles, with goals for expanding opportunities for Section 3 residents and business concerns, to your proposed project. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by federal financial assistance for housing and community development programs shall, to the extent feasible, be directed toward low- and very low-income persons (but not in derogation of compliance with Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 4503(b))).

5. (12 points) Commitment To Sustain Activities.

Your application demonstrates your commitment to your community's viability by sustaining your proposed activities. The information provided is sufficient to determine that the project will proceed effectively.

The criteria for this sub-factor vary according to the type of project for which you are applying.

a. Public Facilities and Improvement Projects

(1) (12 points) If a tribe assumes operation and maintenance responsibilities for the public facilities and improvements, provide a written statement that the tribe has adopted the operation and maintenance plan and commits the necessary funds to provide for these responsibilities. In addition, describe how the operation and maintenance plan addresses maintenance, repairs, insurance, security, and replacement reserves and include a cost breakdown for annual expenses. If an entity other than the tribe commits to pay for operation and maintenance for the public facilities, a letter of commitment from the entity is included in the application that identifies the maintenance responsibilities and, if applicable, the responsibilities for operations the entity will assume, as well as necessary funds to provide for these responsibilities. A description of how the operation and maintenance plan addresses maintenance, repairs, insurance, security, and replacement reserves is not required when an entity other than the tribe assumes operation and maintenance responsibilities. For public facility buildings only, a commitment is included in the application that identifies the source of and commits the necessary operating funds for any recreation, social, or other services to be provided. In addition, letters of commitment from service providers are included that address both operating expenses and space needs.

(2) (8 points) If a tribe assumes operation and maintenance responsibilities for the public facilities and improvements, provide a written statement that the tribe has adopted the operation and maintenance plan and commits the necessary funds to provide for these responsibilities. In addition, a description was included that shows that the operation and maintenance plan addresses at least four of the following items (maintenance, repairs, insurance, security, and replacement reserves) but a satisfactory cost breakdown for annual expenses was not included. If an entity other than the tribe commits to pay for operation and maintenance for the public facilities and maintenance, a letter of commitment from the entity is included in the application that identifies the maintenance responsibilities and, if applicable, the responsibilities for operations the entity will assume, but no information

committing the necessary funds to provide for these responsibilities is included. A description of how the operation and maintenance plan addresses maintenance, repairs, insurance, security, and replacement reserves is not required when an entity other than the tribe assumes operation and maintenance responsibilities. For community buildings only, a commitment is included in the application that identifies the source of and commits the necessary operating funds for any recreation, social, or other services to be provided. In addition, letters of commitment from service providers are included that address both operating expenses and space needs. Information provided is sufficient to determine that the project will proceed effectively.

(3) (4 points) If a tribe assumes operation and maintenance responsibilities for the public facilities and improvements, the application includes a written statement that the tribe has adopted the operation and maintenance plan and commits the necessary funds to provide for these responsibilities, or a description of the operation and maintenance plan is included that shows that the plan addresses at least three of the following items (maintenance, repairs, insurance, security, and replacement reserves). If an entity other than the tribe commits to pay for operation and maintenance for the public facilities and maintenance, the maintenance provider is identified and, if applicable, the responsibilities for operations the entity will assume, but no letter of commitment is included. For public facility buildings only, no commitment is included in the application that identifies the source of and commits the necessary operating funds for any recreation, social, or other services to be provided. Letters of commitment to provide services are included but they do not address operating expenses and space needs. Information provided is sufficient to determine that the project will proceed effectively.

(4) (0 points) None of the above criteria is met.

b. New Housing Construction, Housing Rehabilitation, and Homeownership Assistance Projects

(1) (12 points) The ongoing maintenance responsibilities are clearly identified for the tribe and/or the participants, as applicable. If the tribe or another entity is assuming maintenance responsibilities, then the applicant must describe the maintenance responsibilities and provide a commitment to that effect.

(2) (8 points) Maintenance responsibilities for the tribe and/or participants are identified and described, but lacking in detail, and the commitment regarding maintenance responsibilities is submitted.

(3) (4 points) Tribal maintenance responsibilities are identified but participant responsibilities are either not addressed or do not exist, or there is no commitment regarding maintenance responsibilities.

(4) (0 points) None of the above criteria is met.

c. Economic Development Projects

You must include information or documentation that addresses or provides all of the following in the application: a description of the organizational system and capacity of the entity that will operate the business; documents that show that formal provisions exist for separation of government functions from business operating decisions, an operating plan for the project, and the feasibility and market analysis of the proposed business activity and the financial viability of the project.

(1) Appropriate documents to include in the application to address these items include:

(a) Articles of incorporation, bylaws, resumes of key management positions, and board members for the entity who will operate the business.

(b) Business operating plan.

(c) A market study no more than two years old and which has been conducted by an independent entity.

(d) Financial analysis and feasibility study no more than two years old which indicates how the proposed business will capture a fair share of the market, and which has been conducted by an independent entity.

(e) Detailed cost summary for the development of the project.

(f) For the expansion of an existing business, copies of financial statements for the most recent three years (or the life of the business, if less than three years).

(2) The submitted documentation will be evaluated to determine the project's financial chance for success. The following questions must be addressed to meet this requirement:

(a) Does the business plan seem thorough and does the organization structure have quality control and responsibilities built in?

(b) Does the business plan or market analysis indicate that a substantial market share is likely within five years?

(c) Do the costs appear to be reasonable given projected income and information about inputs?

(d) Does the business plan or cash flow analysis indicate that cash flow will be positive within the first year?

(e) Is the financial statement clean with no indications of concern by the auditor?

(12 points) All above documents applicable to the proposed project are included in your application and provide evidence that the project's chance for financial success is excellent.

(6 points) All or most of the above documents applicable to the proposed project are included and provide evidence that the project's chance for financial success is reasonable.

(0 points) Neither of the above criteria is met.

d. Microenterprise Programs

(1) You must include the following information or documentation in the application that addresses or provides a description of how your microenterprise program will operate. Appropriate information to include in the application to address program operations includes:

(a) *Program description.* A description of your microenterprise program including the types of assistance offered to microenterprise applicants and the types of entities eligible to apply for such assistance.

(b) *Processes for selecting applicants.* A description of your processes for analyzing microenterprise applicants' business plans, market studies, and financial feasibility. For credit programs, you must describe your process for determining the loan terms (i.e., interest rate, maximum loan amount, duration, loan servicing provisions) to be offered to individual microenterprise applicants.

(2) (12 points) All of the above information or documentation applicable to the proposed project are thoroughly addressed in the application and the chances for success are excellent.

(3) (6 points) All or most of the above information or documentation applicable to the proposed project are addressed in the application and the chances for success are reasonable.

(4) (0 points) Neither of the above criteria is met.

e. Land Acquisition Projects to Support New Housing.

Submissions must include the results of a preliminary investigation conducted by a qualified independent entity demonstrating that the proposed site has suitable soil conditions for housing and related infrastructure, potable drinking water is accessible for a reasonable cost, access to utilities,

vehicular access, drainage, nearby social and community services, and no known environmental problems.

(1) (12 points) The submissions include all of the above-mentioned items and all necessary infrastructure is in place.

(2) (6 points) The submissions demonstrate that the proposed site(s) is/are suitable for housing but that not all necessary infrastructure is in place. A detailed description of resources to be used and a detailed implementation schedule for development of all necessary infrastructure demonstrates that such infrastructure, as needed for proposed housing development, will be developed in time for such development, but no later than two years after site purchase.

(3) (0 points) Neither of the above criteria is met.

Rating Factor 4: Leveraging Resources (8 points)

HUD believes that ICDBG funds can be used more effectively to benefit a larger number of Native American and Alaska Native persons and communities if projects are developed that use tribal resources and resources from other entities in conjunction with ICDBG funds. To encourage this, HUD will award points based on the percentage of non-ICDBG resources provided relative to project costs as follows:

Non-ICDBG resources to project costs	Points
Less than 4 percent	0
At least 4 percent but less than 11 percent	2
At least 11 percent but less than 18 percent	4
At least 18 percent but less than 25 percent	6
25 percent or more	8

Contributions that could be considered as leveraged resources for point award include, but are not limited to: tribal trust funds, loans from individuals or organizations, private foundations, businesses, state or federal loans or guarantees, other grants including IHBG (also known as NAHBG) funds, donated goods and services needed for the project, land needed for the project, and direct administrative costs. With the exception of land acquisition, funds that have been expended on the project prior to the application deadline date will not be counted as leverage. Applicants are reminded that environmental review requirements under 24 CFR part 58 apply to the commitment or use of both

ICDBG and non-ICDBG funds in a leveraged project. See Section VI.B. of this NOFA for information related to this requirement.

Contributions that will not be considered include, but are not limited to: indirect administrative costs as identified in OMB Circular A-87, attachment A, section F; contributions of resources to pay for anticipated operations and maintenance costs of the proposed project; and, in the cases of expansions to existing facilities, the value of the existing facility.

To be considered for point award, letters of firm or projected commitments, memoranda of understanding, or agreements to participate from any entity, including the tribe that will be providing a contribution to the project, must accompany the application. The documentation must be received by HUD in the paper application package (if you have received a waiver of the electronic submission requirement) or for electronically submitted applications, the documentation must be scanned and submitted as part of the application documents or sent by facsimile transmittal (see the General Section). To receive funding consideration, all documents must be received by the application deadline dates and meet the timely receipt requirements.

To demonstrate the commitment of tribal resources, the application must contain a written statement that identifies and commits the tribal resources to the project, subject to approval of the ICDBG assistance. In the case of IHBG funds, whether the tribe or a TDHE administers them, an approved Indian Housing Plan (IHP) must identify and commit the IHBG resources to the project. Do not submit the IHP with your application. ONAP will rely on the most recently approved IHP on file. If the tribe/TDHE intends to include the leveraged commitment in a future IHP, the application must contain a written statement that identifies and commits the IHBG resources to the project subject to the same requirements as above.

To demonstrate the commitment of a public agency, foundation, or other private party resources, a letter of commitment, memorandum of understanding, and/or agreement to participate, including any conditions to which the contribution may be subject, must be submitted with the application. All letters of commitment must include the donor organization's name, the specific resource proposed, the dollar amount of the financial or in-kind resource and method for valuation, and the purpose of that resource within the

proposed project. An official of the organization legally authorized to make commitments on behalf of the organization must sign the commitment.

HUD recognizes that in some cases, firm commitments of non-tribal resources may not be obtainable by your tribe by the application deadline. For such projected resources, your application must include a statement from the contributing entity that describes why the firm commitment cannot be made at the current time and affirms that your tribe and the proposed project meets eligibility criteria for receiving the resource. In addition, a date by which the funding decisions will be made must be included. This date cannot be more than six months from the anticipated date of grant approval by HUD. Should HUD not receive notification of the firm commitment within 6 months of the date of grant approval, HUD will recapture the grant funds approved and will use them in accordance with the requirements of 24 CFR 1003.102.

In addition to the above requirements, for all contributions of goods, services and land, you must demonstrate that the donated items are necessary to the actual development of the project and include comparable costs that support the donation. Land valuation must be established using one of the following methods and the documentation must be contained in the application: a site-specific appraisal no more than two years old; an appraisal of a nearby comparable site also no more than two years old; a reasonable extrapolation of land value based on current area realtor value guides; or a reasonable extrapolation of land value based on recent sales of similar properties in the same area.

Rating Factor 5: Comprehensiveness and Coordination (6 Points)

This factor addresses the extent to which your project planning and proposed implementation reflect a coordinated, community-based process of identifying and addressing needs, including assisting beneficiaries and the program to achieve self-sufficiency/sustainability.

The Logic Model, HUD form 96010, is not required for Rating Factor 5 under the ICDBG program. However, applicants are encouraged to use this form to address program evaluation requirements under Rating Factor 1.(1).(b) of this NOFA, and measurable outputs and outcomes in Section (2) of this factor.

1. (Up to 2 points) The application addresses the extent to which you have coordinated your proposed ICDBG

activities with other organizations and/or tribal departments that are not providing direct financial support to your proposed work activities, but with which you share common goals and objectives and are working toward meeting these objectives in a holistic and comprehensive manner. For example, your project is consistent with and, to the extent possible, identified in the IHP (One-Year Financial Resources Narrative; Table 2, Financial Resources, Part I., Line 1E; and, Table 2, Financial Resources, Part II) submitted by you or on your behalf for the IHBG (also known as NAHBG) program. If the IHP for the IHBG (also known as NAHBG) program year that coincides with the implementation of the ICDBG proposed project has not been submitted, you must provide a written statement that when submitted, the IHP will specifically reference the proposed project.

2. (Up to 4 points) Your proposed project will have measurable outputs and outcomes that will enhance community viability.

Outputs must include, where applicable:

- Number of houses rehabilitated;
- Number of jobs created;
- Square feet for any public facility;
- Number of education or job training opportunities provided;
- Number of homeownership units constructed or financed;
- Number of businesses assisted (including number of minority/Native American);
- Number of families proposed to be assisted through a drug-elimination program, or through a program to reduce or eliminate health-related hazards.

Outcomes must include, where appropriate:

- Reduction in the number of families living in substandard housing;
- Increased income resulting from employment generated by project;
- Increased quality of life due to services provided by the public facility;
- Increased economic self-sufficiency of program beneficiaries;
- Increase in homeownership rates;
- Reduction of drug-related crime or health-related hazards.

HUD is providing a Master Logic Model as a Microsoft Excel™ file with dropdown listings from which applicants may select the items in each column that reflect their activity outputs and outcomes. The Master Logic Model listing also identifies the unit of measure that HUD is interested in collecting for the output and outcome selected. Applicants can also select the appropriate estimated number of units of measure to be accomplished and

identified for each output and outcome. The space next to the output and outcome is intended to capture the anticipated units of measure. Multiple outputs and outcomes may be selected per project. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept. The Master Logic Model pick is incorporated into the form available as part of the ICDBG Instructions download from Grants.gov. Training on use of the dropdown form will be provided via webcast. The schedule for webcast training can be found at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

B. Reviews and Selection Process

1. Application Selection Process. You must meet all of the applicable threshold requirements listed in Section III.C. Your application must meet all screening for acceptance requirements and all identified applicant and project specific thresholds. HUD will review each application and assign points in accordance with the selection factors described in this section.

2. Threshold Compliance. The Area ONAP will review each application that passes the screening process to ensure that each applicant and each proposed project meets the applicant threshold requirements set forth in 24 CFR 1003.301(a) and the project specific threshold requirements set forth in 24 CFR 1003.302 and III.C. of this NOFA.

3. Past Performance. An applicant's past performance is evaluated under Rating Factor 1. Applicants are encouraged to address all performance-related criteria prior to the application deadline date. An applicant must score a minimum of 20 points under Rating Factor 1 in order to meet the minimum point requirements outlined below in this NOFA.

4. Rating. The Area ONAP will review and rate each project that meets the acceptance criteria and threshold requirements.

After the applications are rated, a summary review of all applications will be conducted to ensure consistency in the application rating. The summary review will be performed by either the Grants Management Director (or designee) or by a panel composed of up to three staff members.

The total points for all rating factors are 100. A maximum of 100 points may be awarded under Rating Factors 1 through 5.

5. Minimum Points. To be considered for funding, your application must receive a minimum of 20 points under

Rating Factor 1 and an application score of 70 points.

6. Ranking. All projects will be ranked against each other according to the point totals they receive, regardless of the type of project or component under which the points were awarded. Projects will be selected for funding based on the final ranking to the extent that funds are available. The Area ONAP will determine individual grant amounts in a manner consistent with the considerations set forth in 24 CFR 1003.100(b)(2). Specifically, the Area ONAP may approve a grant amount less than the amount requested. In doing so, the Area ONAP may take into account the size of the applicant, the level of demand, the scale of the activity proposed relative to need and operational capacity, the number of persons to be served, the amount of funds required to achieve project objectives, and the reasonableness of the project costs. If the Area ONAP determines that there are not enough funds available to fund a project as proposed by the applicant, it may decline to fund that project and may fund the next highest-ranking project or projects for which adequate funds are available. The Area ONAP shall select, in rank order, additional projects for funding if one of the higher-ranking projects is not funded or if additional funds become available.

7. Tiebreakers. When rating results in a tie among projects and insufficient resources remain to fund all tied projects, the Area ONAP will approve projects that can be fully funded over those that cannot be fully funded. When that does not resolve the tie, the Area ONAP will use the following factors in the order listed to resolve the tie:

(a) The applicant that has not received an ICDBG over the longest period of time.

(b) The applicant with the fewest active ICDBGs.

(c) The project that would benefit the highest percentage of low- and moderate-income persons.

8. Technical Deficiencies and Pre-Award Requirements

a. Technical Deficiencies. If there are technical deficiencies in successful applications, you must satisfactorily address these deficiencies before HUD can make a grant award. See the General Section at V.B.4. for information on curing deficiencies.

b. Pre-award Requirements. Successful applicants may be required to provide supporting documentation concerning the management, maintenance, operation, or financing of proposed projects before a grant

agreement can be executed. Such documentation may include additional specifications on the scope, magnitude, timing or method of implementing the project; or information to verify the commitment of other resources required to complete, operate, or maintain the proposed project. Applicants will be provided thirty (30) calendar days to respond to these requirements. No extensions will be provided. If you do not respond within the prescribed time period or you make an insufficient response, the Area ONAP will determine that you have not met the requirements and will withdraw the grant offer. You may not substitute new projects for those originally proposed in your application and any new information will not affect your project's rating and ranking. The Area ONAP will award, in accordance with the provisions of this NOFA, grant amounts that had been allocated for applicants unable to meet pre-award requirements.

9. Error and Appeals. Judgments made within the provisions of this NOFA and the program regulations (24 CFR part 1003) are not subject to claims of error. You may bring arithmetic errors in the rating and ranking of applications to the attention of the Area ONAPs within 30 days of being informed of your score. Please see Section VI.A. of the General Section for further information regarding errors.

10. Performance and Compliance Actions of Funding Recipients. HUD will measure and address the performance of and order compliance actions by funding recipients in accordance with the applicable standards and sanctions of their respective programs.

VI. Award Administration Information

A. Award Notices. HUD expects to announce awards by October 31, 2007. As soon as rating and ranking are completed, the applicant has complied with any pre-award requirements, and Congressional release has been obtained, a grant award letter, a grant agreement, and other forms and certifications will be mailed to the recipient for signature and return to the Area ONAP. The grant agreement, which is signed by HUD and the recipient, establishes the conditions by which both the Area ONAP and the recipient must abide during the life of the grant. All grants are conditioned on the completion of all environmental obligations and approval of release of funds by the Area ONAP in accordance with the requirements of 24 CFR part 58. HUD may impose other grant conditions if additional actions or

approvals are required before the use of funds.

B. Administrative and National Policy Requirements

1. Statutory and Regulatory Requirements

a. Environmental Requirements. As required by 24 CFR 1003.605, ICDBG grantees must perform environmental reviews of ICDBG activities in accordance with 24 CFR part 58 (as amended September 29, 2003). Grantees and other participants in the development process may not commit or expend any ICDBG or nonfederal funds on project activities (other than those listed in 24 CFR 58.22(f), 58.34, or 58.35(b)) until HUD has approved a Request for Release of Funds and the grantee has submitted an environmental certification. The expenditure or commitment of ICDBG or nonfederal funds for such activities prior to HUD approval may result in the denial of assistance for the project or activities under consideration.

b. Indian Preference. HUD has determined that the ICDBG program is subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)). The provisions and requirements for implementing this section are in 24 CFR 1003.510.

c. Anti-discrimination Provisions. Under the authority of Section 107(e)(2) of the CDBG statute, HUD waived the requirement that recipients comply with the anti-discrimination provisions in Section 109 of the CDBG statute with respect to race, color, and national origin. You must comply with the other prohibitions against discrimination in Section 109 (HUD's regulations for Section 109 are in 24 CFR part 6) and with the Indian Civil Rights Act.

d. Conflict of Interest. In addition to the conflict-of-interest requirements with respect to procurement transactions found in 24 CFR 85.36 and 84.42, as applicable, the provisions of 24 CFR 1003.606 apply to such activities as the provision of assistance by the recipient or sub-recipients to businesses, individuals, and other private entities under eligible activities that authorize such assistance.

e. Economic Opportunities for Low- and Very Low-Income Persons (Section 3). Section 3 requirements apply to the ICDBG program, but as stated in 24 CFR 135.3(c), the procedures and requirements of 24 CFR part 135 apply to the maximum extent consistent with, but not in derogation of, compliance with Indian Preference.

2. OMB Circulars and Government-wide Regulations Applicable to Financial Assistance Programs. The policies, guidance and requirements of OMB Circular A-87 (Cost Principles Applicable to Grants, Contracts, and other Agreements with State and Local Governments); OMB Circular A-122 (Cost Principles for Nonprofit Organizations); OMB Circular A-133 (Audits of State and Local Governments, and Nonprofit Organizations); and the regulations at 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments) apply to the award, acceptance, and use of assistance under the ICDBG program and to the remedies for noncompliance, except when inconsistent with the provisions of the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007) or the ICDBG program regulations at 24 CFR part 1003. Copies of the OMB Circulars may be obtained from EOP publications, Room 22000, New Executive Office Building, Washington, DC 20503, telephone (202) 395-3080 (this is not a toll-free number) or (800) 877-8339 (TTY Federal Information Relay Service). Information may also be obtained from the OMB Web site at <http://www.whitehouse.gov/omb/circulars/index.html>.

C. Reporting

1. Post-Award Reporting Requirements

a. Quarterly Financial Reports. Grant recipients must submit to the Area ONAP a quarterly SF-272, Federal Cash Transaction Report. The report accounts for funds received and disbursed by the recipient.

b. Annual Status and Evaluation Report. Recipients are required to submit this report in narrative form annually. The report is due 45 days after the end of the federal fiscal year and at the time of grant close-out. The report must include:

(1) The narrative report must address the progress made in completing approved activities and include a list of work remaining, along with a revised

implementation schedule, if necessary. This report should include progress on any outputs or outcomes specified in Rating Factor 5 and incorporated into the final award document (applicants can use the Logic Model (HUD-96010) to address all or some of the narrative requirements). Further information regarding the Return on Investment(s) will be issued in a subsequent notice by HUD (see section V.A.2., Rating Factor 5 of this NOFA for further information);

(2) A breakdown of funds spent on each major project activity or category; and

(3) If the project has been completed, an evaluation of the effectiveness of the project in meeting the community development needs of the grantee, as well as the final outputs and outcomes.

c. Minority Business Enterprise Report. Recipients must submit this report on contract and subcontract activity during the first half of the fiscal year by April 10 and, by October 10 for the second half of the fiscal year.

d. A close-out report must be submitted by the recipient within 90 days of completion of grant activities. The report consists of the final Financial Status Report (forms SF 269 or 269A), the final Status and Evaluation Report including outputs and outcomes agreed upon in the final award document relating to Rating Factor 5 and the Close-Out Agreement.

More information regarding these requirements may be found at 24 CFR 1003.506 and 1003.508.

VII. Agency Contact(s)

A. General Questions. You should direct general program questions to the Area ONAP serving your area. A list identifying each Area ONAP is provided at http://www.hud.gov/offices/pih/ih/onap/area_onap.cfm. Persons with speech or hearing impairments may call HUD's TTY number 202 708-0770, or 1-800-877-8339 (the Federal Information Relay Service TTY). Other than the "800" numbers, these numbers are not toll-free. You should direct questions concerning downloading the electronic application, registering with *Grants.gov*, or other questions regarding

the electronic application to the *Grants.gov* support desk at 800-518-GRANTS. You may also send an e-mail to Support@Grants.gov.

B. Technical Assistance. Before the application deadline date, HUD staff will be available to provide you with general guidance and technical assistance about the requirements in the General Section and this NOFA. However, HUD staff is not permitted to assist in preparing your application. Following selection of applicants, but before awards are made, HUD staff is available to assist in clarifying or confirming information that is a prerequisite to the offer of an award.

VIII. Other Information

A. NOFA Training. Training for potential applicants on the requirements of the General Section, this NOFA, the Logic Model, and *Grants.gov* registration, will be provided by HUD via broadcast and webcast. Information on the training can be found in the General Section. The training schedule can be found on HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

B. Paperwork Reduction Act Statement. The information collection requirements in this NOFA have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2577-0191. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid OMB control number. Public reporting burden for the collection of information is estimated to average 43 hours per annum for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**UNIVERSITY AND COLLEGE
PROGRAMS**

**HISTORICALLY BLACK COLLEGES
AND UNIVERSITIES (HBCU) PROGRAM**

Billing Code 4210-01-C

Historically Black Colleges and Universities (HBCU) Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Policy Development and Research, Office of University Partnerships.

B. Funding Opportunity Title: Historically Black Colleges and Universities (HBCU) Program.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Numbers: FR-5100-N-10; OMB Approval Number is 2528-0235.

E. Catalog of Federal Domestic Assistance (CFDA) Number: The CFDA Number for this program is 14.520.

F. Dates: The application deadline date is May 23, 2007. Application must be received and validated by Grants.gov by 11:59:59 p.m. eastern time on the deadline date. Please be sure to read the General Section for electronic application submission and receipt requirements.

G. Additional Overview Content Information:

1. Purpose of the Program: To assist Historically Black Colleges and Universities (HBCU) to expand their role and effectiveness in addressing community development needs in their localities, including neighborhood revitalization, housing and economic development, principally for persons of low- and moderate-income consistent with the purposes of Title I of the Housing and Community Development Act of 1974, as amended.

2. Award Information: In Fiscal Year (FY) 2007, approximately \$8.9 million has been made available by the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007), of which up to \$1 million has been allocated to provide technical assistance and an additional \$22,275 in carryover funds. An applicant can request up to \$600,000 for a three-year (36 months) grant performance period. In order to ensure that institutions that have never received a HUD HBCU Program grant (First Time HBCU applicants) receive awards in this competition, approximately \$1.8 million will be made available to fund First Time HBCU applicants. In addition, approximately \$6.1 million will be made available to fund Previously Funded HBCU applicants. If funding designated for First Time HBCU applicants remains after all eligible First Time HBCU applicants are awarded, the remaining funds will be made available to fund eligible Previously Funded HBCU applicants.

3. Eligible Applicants: Historically Black Colleges and Universities that meet the definition of Historically Black Colleges and Universities as determined by the Department of Education in 34 CFR 608.2 in accordance with that Department's responsibilities under Executive Order 13256, dated February 12, 2002. Applicants must be institutions of higher education accredited by a national or regional accrediting agency recognized by the U.S. Department of Education.

Full Text of Announcement

I. Funding Opportunity Description

The purpose of the Historically Black Colleges and Universities (HBCU) Program is to expand their role and effectiveness in addressing community development needs in their localities, including neighborhood revitalization, housing, and economic development, principally for persons of low- and moderate-income, consistent with the purpose of the Title I of Housing and Community Development Act of 1974, as amended.

For the purposes of this program NOFA, the term "locality" includes any city, county, township, parish, village, or other general political subdivision of a state, or the U.S. Virgin Islands where the institution is located and the term "target area" is the area within the locality in which the institution will implement its proposed HBCU grant. If an institution wants to provide services/activities in a location other than the target area of that institution an applicant must provide justification for why they want to do so.

A. Authority

HUD's authority for making funding available under this NOFA is the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007). This program is being implemented through this NOFA and the policies governing its operation are contained herein.

B. Modifications

Listed below are major modifications from the Fiscal Year (FY) 2006 program-funding announcement:

1. In FY 2007, there is only one category of funding. In FY 2006, there were two categories, one of which exclusively funded activities related to Hurricanes Katrina and Rita. No funding is being set aside for this purpose this year.

2. Commitment letters, memoranda of understanding and/or agreements are not required to be submitted with the application, but the originals must be on file at the time of application

submission. HUD will require applicants chosen to proceed to the next step in the selection process to submit the signed commitment letters, memoranda of understanding and/or agreements outlined in the application, within seven calendar days after initial contact from the Office of University Partnerships (OUP). OUP will provide specific instructions on how these documents must be submitted at that time. HUD will only request and consider the resources/organizations outlined in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

3. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances). An applicant SHOULD NOT submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up material. Each page must include the institution's name and should be numbered. HUD will not consider the information on any excess pages.

4. Applicants must budget for travel costs to attend at least one HUD sponsored HBCU conference/workshop every year of the three-year grant performance period.

II. Award Information

In Fiscal Year (FY) 2007, approximately \$8.9 million is made available for this program, of which up to \$1 million has been allocated to provide technical assistance and an additional \$22,275 in carryover funds. An applicant can request up to \$600,000 for a three-year (36 months) grant performance period.

In order to ensure that institutions that have never received a HUD HBCU Program grant (First Time HBCU applicants) receive awards in this competition, approximately \$1.8 million will be made available to fund First Time HBCU applicants. In addition, approximately \$6.1 million will be made available to fund Previously Funded HBCU applicants. If funding designated for First Time HBCU applicants remains after all eligible First Time HBCU applicants are awarded, the remaining funds will be made available to fund eligible Previously Funded HBCU applicants.

III. Eligibility Information

A. Eligible Applicants

Historically Black Colleges and Universities as determined by the U.S. Department of Education in 34 CFR

608.2 in accordance with that Department's responsibilities under Executive Order 13256, dated February 12, 2002. All applicants must be institutions of higher education accredited by a national or regional accrediting agency recognized by the U.S. Department of Education.

B. Cost Sharing or Matching

None Required.

C. Other

1. **Eligible Activities.** Eligible activities are listed in 24 CFR part 570, subpart C, particularly §§ 570.201 through 570.206. Information regarding these activities can be found at: www.hudclips.org (click on the Code of Federal Regulations for detailed information). The 15 percent cap on the total grant amount that can be used on public service activities that benefit low- and moderate-income persons can be waived. Institutions seeking to devote more than 15 percent of the grant funds to public service activities must include a written request in their application addressed to Darlene F. Williams, Assistant Secretary for Policy Development and Research. The written request must include the following information: 1) the basis for the request; 2) a description of the proposed public service activities; 3) the dollar amount dedicated to the proposed public service activities; and 4) a statement describing how the proposed activities meet the Community Development Block Grant eligibility requirements and at least one national objective. This letter must be included in the application. If an applicant devotes more than 15 percent of their grant funds to public service activities and the letter is not included and/or does not include the information requested above those activities may not be considered fundable and this exclusion may result in a lower score.

a. Examples of eligible activities include, but are not limited to:

- (1) Acquisition of real property;
- (2) Clearance and demolition;
- (3) Rehabilitation of residential

structures including lead-based paint hazard evaluation and reduction and making accessibility and visitability modifications in accordance with the requirements of Section 504 of the Rehabilitation Act of 1973;

(4) Public facilities and improvements, such as water and sewer facilities and streets compliance with accessibility requirements including Section 504 of the Rehabilitation Act of 1973, the Fair Housing Act, and the American with Disabilities Act of 1990;

(5) Special economic development activities described at 24 CFR 570.203

and assistance to facilitate economic development by providing technical or financial assistance for the establishment, stabilization, and expansion of microenterprises, including minority enterprises;

(6) Assistance to community-based development organizations (CBDO) to carry out a CDBG neighborhood revitalization, community economic development, or energy conservation projects, in accordance with 24 CFR 570.204. This could include activities in support of a HUD-approved local entitlement grantee, CDBG Neighborhood Revitalization Strategy (NRS) or HUD-approved State CDBG Community Revitalization Strategy (CRS);

(7) Public service activities such as those general support activities that can help to stabilize a neighborhood and contribute to sustainable redevelopment of the area, including but not limited to such activities as those concerned with employment, crime prevention, child care, health care services, drug abuse, education, fair housing counseling, energy conservation, homebuyer down payment assistance, establishment of Neighborhood Network centers in federally assisted or insured housing, job training and placement, and recreational needs;

(8) Payments of reasonable grant administrative costs related to planning and execution of the project (e.g., preparation/submission of HUD reports). Detailed explanations of these costs are provided in the OMB circular (A-21 Cost Principals for Educational Institutions) that can be accessed at the White House Web site, www.whitehouse.gov/omb/circulars/index.html; and

(9) Fair housing services designed to further the civil rights objectives of the Fair Housing Act (42 U.S.C. 3601-20) by making all persons, without regard to race, color, religion, sex, national origin, familial status and/or disability aware of the range of housing opportunities available to them.

b. Eligible activities funded under this program meet both the Community Development Block Grant (CDBG) Program eligibility requirements and at least one of the national objectives.

c. The three national objectives of the Community Development Block Grant program are listed in Rating Factor 3 in Section V.A.3 of this NOFA.

Criteria for determining whether an activity addresses one or more national objective are provided at 24 CFR 570.208. The CDBG publication entitled "Community Development Block Grant Program Guide to National Objectives and Eligible Activities for Entitlement

Communities" describes the CDBG regulations, and a copy can be obtained from HUD's NOFA Information Center at 800-HUD-8929. Individuals with hearing or speech impairments may access this number via the toll-free Federal Information Relay Service at 800-877-8339.

2. Threshold Requirements

Applicable to all Applicants. All applicants must comply with the threshold requirements as defined in the General Section and the requirements listed below. Applications that do not meet these requirements will be considered ineligible for funding and will be disqualified.

a. The applicant must meet the eligibility requirements as defined in Section III.A.

b. The maximum amount an applicant can request is \$600,000 for a three-year (36 months) grant performance period.

c. An applicant must have a DUNS number to receive HUD grant funds. (See the General Section). Only *one* application can be submitted per institution. If multiple applications are submitted all will be disqualified. However, different campuses of the same university system are eligible to apply as long as they have separate DUNS number, an administrative and budgeting structure independent of the other campuses in the system.

d. Applicants must receive a minimum score of 75 points to be considered for funding.

e. Electronic applications must be received and validated by grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date.

3. **Program Requirements.** In addition to the threshold requirements listed in Section III C. of the General Section, applicants must meet the following program requirements:

a. All funds awarded are for a three-year (36 months) grant performance period.

b. Applicants must ensure that not less than 51 percent of the aggregated expenditures of the grant benefit low- and moderate-income persons under the criteria specified in 24 CFR 570.208(a) or 570.208(d)(5) or (6).

c. **Site Control.** Where grant funds will be used for acquisition, rehabilitation, or new construction an applicant must demonstrate site control. Funds may be recaptured or deobligated from recipients that cannot demonstrate control of a suitable site within one year after the initial notification of award.

d. Environmental Requirements.

Selection for award does not constitute approval of any proposed sites. Following selection for award, HUD will perform an environmental review of

properties proposed for assistance in accordance with 24 CFR part 50. The results of the environmental review may require that proposed activities be modified or proposed sites be rejected. Applicants are particularly cautioned not to undertake or commit funds for acquisition or development of proposed properties prior to HUD approval of specific properties or areas. An application constitutes an assurance that the institution will assist HUD to comply with part 50; will supply HUD with all available and relevant information to perform an environmental review for each proposed property; will carry out mitigating measures required by HUD or select alternate property; and will not acquire, rehabilitate, convert, demolish, lease, repair, or construct property, and not commit or expend HUD or local funds for these program activities with respect to any eligible property until HUD's written approval of the property is received. In supplying HUD with environmental information, applicants should use the same guidance as provided in the HUD Notice CPD-05-07 entitled, "Field Environmental Review Processing for Rural Housing and Economic Development (RHED) Grants" issued August 30, 2005. Further information and assistance on HUD's environmental requirements is available at: <http://www.hud.gov/utilities/intercept.cfm?offices/cpd/lawsregs/notices/2005/05-07.pdf>.

e. Labor Standards. Institutions and their sub-grantees, contractors and subcontractors must comply with the labor standards (Davis-Bacon) requirements referenced in 24 CFR 570.603.

f. Economic Opportunities for Low- and Very-Low Income Persons (Section 3). The provisions of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) apply to this NOFA. One of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, job training, employment, contracting and other economic opportunities to Section 3 residents and Section 3 business concerns. Regulations are located at 24 CFR part 135.

IV. Application and Submission Information

A. Addresses To Request Application Package

Applicants may download the instructions to the application found on the Grants.gov Web site at <http://www.grants.gov/applicants/>

apply_for_grants.jsp. If you have difficulty accessing the information you may call the Grants.gov Support Desk toll free 800-518-GRANTS or e-mail your questions to Support@Grants.gov. Hearing- and speech-challenged individuals may access this number through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339. See the General Section for information regarding the registration process or ask for registration information from the Grants.gov Support Desk.

B. Content and Form of Application Submission

1. Forms. The following forms are required for submission. Copies of these forms are available on line at http://www.grants.gov/applicants/apply_for_grants.jsp.

a. SF-424, Application for Federal Assistance;

b. SF-424 Supplement, Survey on Ensuring Equal Opportunities for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);

c. HUD-424-CB, "Grant Application Detailed Budget" ("HUD Detailed Budget Form" on Grants.gov);

d. SF-LLL, Disclosure of Lobbying Activities, if applicable;

e. HUD-27300, Questionnaire for HUD's Removal of Regulatory Barriers ("HUD Communities Initiative Form" on Grants.gov), if applicable;

f. HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov);

g. HUD-96010, Program Logic Model;

h. HUD-2990, Certification of Consistency with RC/EZ/EC-II Strategic Plan, if applicable;

i. HUD-2991, Certification of Consistency with the Consolidated Plan, if applicable;

j. HUD-40076, Response Sheet Performance Narrative, Previously Funded HBCU Applicant Only.

k. HUD-40076, Budget-By-Activity;

l. HUD-2993, Acknowledgement of Applicant Receipt. Complete this form if you have received a waiver to the electronic application submission requirement. Applicants are not required to include this form;

m. HUD-2994-A, You Are Our Client Grant Applicant Survey. Applicants are not required to complete this form; and

n. HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov). This form must be used as the cover page to transmit third party documents and other information. Applicants are advised to download the application package, complete the SF-

424 first and it will pre-populate the Transmittal Cover page. The Transmittal Cover page will contain a unique identifier embedded in the page that will help HUD associate your faxed materials to your application. Please do not use your own fax sheet. HUD will not read any faxes that are sent without the HUD-96011 fax transmittal cover page.

2. Certifications and Assurances. Please read the General Section for detailed information on all Certifications and Assurances. All applications submitted through Grants.gov constitute an acknowledgement and agreement to all required certifications and assurances. Please include in your application each item listed below. Applicants submitting paper copy applications should submit the application in the following order:

a. SF-424, Application for Federal Assistance. Please remember the following:

(1) The full grant amount requested from HUD (entire three-years) should be entered, not the amount for just one year;

(2) Include the name, title, address, telephone number, facsimile number, and e-mail address of the designated contact. This is the person who will receive all correspondence, therefore, please ensure the accuracy of the information;

(3) The Employer Identification/Tax ID number;

(4) The DUNS Number;

(5) The Catalog of Federal Domestic Assistance Number for this program is 14.520;

(6) The project's proposed start date and completion date. For the purpose of this application, the program start date should be December 1, 2007; and

(7) The signature of the Authorized Organization Representative (AOR) who by virtue of submitting an application via Grants.gov has been authenticated by the credential provider to submit applications on behalf of the Institution and approved by the eBusiness Point of Contact to submit an application via Grants.gov. The AOR must be able to make a legally binding agreement with HUD.

b. Application Checklist. Applicants should use the checklist to ensure that they have all the required components of their application. Applicants that receive a waiver of the electronic application submission requirement must include a copy of the checklist in their application submission. Applicants submitting an electronic application should not submit the

checklist. The checklist can be located in Appendix A.

c. Abstract. Applicants must include no more than a two-page summary of the proposed project. Please include the following:

(1) A brief description of each proposed project activity, where it will take place (be located), the target population that will be assisted, and the impact this project is expected to have on the community and institution;

(2) A statement that the institution is an eligible institution because it is a fully accredited institution, the name of the accrediting agency and an assurance that the accrediting agency is recognized by the U.S. Department of Education;

(3) The designated contact person, including phone number, facsimile number, and e-mail address (This is the person who will receive all correspondence; therefore, please ensure the accuracy of the information);

(4) The project director, if different from the designated contact person, for the project, including phone number, facsimile number, and e-mail address.

d. Narrative statement addressing the Factors. HUD will use the narrative response to the "Rating Factors" to evaluate, rate, and rank applications. The narrative statement is the main source of information. Applicants are advised to review each factor carefully for program specific requirements. The response to each factor should be concise and contain only information relevant to the factor, yet detailed enough to address each factor fully. PLEASE DO NOT REPEAT MATERIAL IN RESPONSE TO THE FIVE FACTORS; INSTEAD, FOCUS ON HOW WELL THE PROPOSAL RESPONDS TO EACH OF THE FACTORS. Where there are subfactors each subfactor must be presented separately, with the short title of the subfactor presented. Make sure to address each subfactor and provide sufficient information about every element of the subfactor. The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative, assurances, and abstract) and must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one inch margins (from the top, bottom, and left to right side of the document) and printed in standard Times New Roman 12-point font. Each page of the narrative must include the institution's name and should be numbered. Note that although submitting pages in excess of the page limit will not disqualify an applicant, HUD will not consider the information on any excess pages. This exclusion may result in a lower score or failure to meet a threshold requirement. All

applicants submitting electronic applications must attach their narrative responses to Rating Factors 1–5 as one attachment. PLEASE DO NOT ATTACH YOUR RESPONSE TO EACH FACTOR SEPARATELY. Please follow the instructions on file extension and file names in the General Section.

e. Budget. The budget submission must include the following:

(1) HUD-424-CB, "Grant Application Detailed Budget." This form shows the total budget by year and by line item for the program activities to be carried out with the proposed HUD grant. Each year of the program should be presented separately. Applicants must also budget for travel costs (airfare, lodging and per diem) for two individuals to attend at least one HUD sponsored HBCU conference/workshop every year of the three-year grant performance period. To calculate travel expenses, applicants located in Eastern and Central time zones or the U.S. Virgin Islands should use San Francisco, CA as the site of all conferences/meetings. Applicants located in Mountain and Pacific time zones should use Washington, DC as the site of all conferences/workshops.

Applicants must also submit this form to reflect the total cost (summary) for the entire grant performance period (Grand Total).

(2) HUD-40076-HBCU, "Response Sheet, Budget-By-Activity" The form should include a listing of each activity and task necessary to be performed to implement the program, the overall costs for each activity, and the cost from each funding source. The budget-by-activity should clearly indicate the HUD grant amount and identify the source and dollar amount of the leveraged resources, if any.

Make sure that the amounts shown on the SF-424, HUD-424-CB, HUD-40076-HBCU and all other required program forms are consistent and the budget totals are correct. Remember to check addition in totaling the categories on all forms so that all items are included in the total. If there is an inconsistency between any of the required budget forms, the HUD-424-CB will be used. All budget forms must be completed fully. If an application is selected for award, the applicant may be required to provide greater specificity to the budget during grant agreement negotiations.

(3) Budget Narrative. A narrative must be submitted that explains how the applicant arrived at the cost estimates for any line item over \$5,000 cumulative. For example, an applicant proposes to construct a building using HUD funding totaling \$200,000. The following costs estimate reflects this

total. Foundation cost \$75,000, electrical work \$40,000, plumbing work \$40,000, finishing work \$35,000, and landscaping \$10,000. The proposed cost estimates should be reasonable for the work to be performed and consistent with rates established for the level of expertise required to perform the work proposed in the geographical area. When necessary, quotes from various vendors or historical data should be used (please make sure they are kept on file and are available for review by HUD at any time). When an applicant proposes to use a consultant, the applicant must indicate whether there is a formal written agreement. For each consultant, please provide the name, if known, hourly or daily rate, and the estimated time on the project.

Applicants must use a cost estimate based on historical data from the institution, and/or from a qualified firm (e.g., Architectural or Engineering firm), vendor, and/or qualified individual (e.g., independent architect or contractor) other than the institution for projects that involve rehabilitation of residential, commercial and/or industrial structures, and/or acquisition, construction, or installation of public facilities and improvements. Such an entity must be involved in the business of housing rehabilitation, construction and/or management. Equipment and contracts cannot be presented as a total estimated costs. For equipment, applicants must provide a list by type and cost for each item. Applicants using contracts must provide an individual description and cost estimate for each contract. Construction costs must be broken down to indicate how funds will be utilized (e.g., demolition, foundation, exterior walls, roofing, electrical work, plumbing, finishing work, etc.).

(4) Indirect costs. Indirect costs, if applicable, are allowable based on an established approved indirect cost rate. Applicants must have on file and submit to HUD, if selected for funding, a copy of their indirect cost rate agreement. Applicants who are selected for funding that do not have an approved indirect cost rate agreement, established by the cognizant federal agency, will be required to establish a rate. In such cases, HUD will issue an award with a provisional rate and assist applicants in having a rate established.

f. Appendix. Applicants receiving a waiver of the electronic submission requirements and submitting a paper copy of the application must place all required forms in this section. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances). An applicant SHOULD

NOT submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up materials. If this information is included, it will not be considered during the review process. Each page must include the applicant's name and should be numbered. HUD will not consider the information on any excess pages. The additional items will also slow the transmission of your application.

C. Submission Dates and Times

A complete application package must be received and validated electronically by the Grants.gov portal no later than 11:59:59 p.m. eastern time on or before the applications deadline date. In an effort to address any issues with transmission of your application, applicants are strongly encouraged to submit their applications at least 48 to 72 hours prior to the application deadline. This will allow an applicant enough time to make the necessary adjustments to meet the submission deadline in the event Grants.gov rejects the application. Please see the General Section for further instructions. Electronic faxes using the Facsimile Transmittal Cover Sheet (Form HUD-96011) contained in the electronic application must be received no later than 11:59:59 p.m. eastern time on the application submission deadline date.

D. Intergovernmental Review

This program is excluded from an Intergovernmental Review.

E. Funding Restrictions

Ineligible CDBG Activities are listed at 24 CFR 570.207. Ineligible activities include but are not limited to:

1. Curriculum development and/or expansion of an institution's existing curriculum;
2. General government expenses; and
3. Political activities.

F. Other Submission Requirements

1. Application Submission and Receipt Procedure. Please read the General Section carefully and completely for the submission and receipt procedures for all applications because failure to comply may disqualify your application.

2. Waiver of Electronic Submission Requirements. Applicants should submit their waiver requests in writing using e-mail or fax. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to: Susan Brunson, Office of University Partnerships, E-mail: Susan_S._Brunson@hud.gov, FAX: (202)

708-0309. Paper applications will not be accepted from applicants that have not been granted a waiver. If an applicant is granted a waiver, the Office of University Partnerships will provide instructions for submission. All applicants submitting applications in paper format must have received a waiver to the electronic application submission requirement and the application must be received by HUD on or before the application deadline date.

V. Application Review Information

A. Criteria

1. Rating Factor 1: Capacity of the Applicant and Relevant Experience (25 Points). This factor addresses the extent to which the institution has the resources necessary to successfully implement the proposed activities in a timely manner.

a. Knowledge and Experience For First Time Applicants (25 Points) For Previously Funded Applicants (10 Points). In rating this subfactor, HUD will consider the extent to which the applicant clearly addresses the following:

(1) Describe the knowledge and experience of the proposed project director and staff, including the day-to-day program manager, consultants (including technical assistance providers), and contractors in planning and managing the type of project for which funding is being requested; and

(2) Clearly identify the following: key project team members, titles (e.g., project manager/coordinator, etc.), respective roles for the project staff, and a brief description of their relevant experience.

If key personnel have not been hired, applicants must identify the position title, provide a description of duties and responsibilities, and describe the qualifications to be considered in the selection of personnel, including subcontractors and consultants.

Experience will be judged in terms of recent and relevant knowledge and skills of the staff to undertake the proposed eligible program activities. HUD will consider experience within the last five (5) years to be recent and experience pertaining to similar activities to be relevant.

b. Past Performance (15 points) for Previously Funded Grant Applicants Only. This subfactor will evaluate how well an applicant has performed successfully under HUD/HBCU grants. Applicants must demonstrate this by addressing the following information on the HUD-40076-HBCU "Response Sheet" (Performance Narrative) for all

previously completed and open HUD/HBCU grants:

(1) A list of all HUD/HBCU grants received, including the dollar amount awarded and the amount expended as of the date of this application. The HUD-40076-HBCU "Response Sheet" (Performance Narrative) form is located at the following Web site: http://www.grants.gov/applicants/apply_for_grants.jsp. The form should be filled out completely;

(2) A description of the achievement of specific tasks, measurable objectives, and specific outcomes consistent with the approved timeline/work plan;

(3) A comparison of the amount of proposed leveraged funds and/or resources to the amount that was actually leveraged;

(4) A detailed description of compliance with all reporting requirements, including timeliness of submission, whether reports were complete and addressed all information (both narrative and financial) as required by the grant agreement; and

(5) A list detailing the date the project(s) was completed, was it completed in the original three-year grant performance period; if not completed why (including when it was or will be completed);

HUD will also review an applicant's past performance in managing funds, including, but not limited to: the ability to account for funding appropriately; timely use of funds received from HUD; meeting performance targets for completion of activities; timely submission of required progress reports and receipt of promised leveraged resources. In evaluating past performance, HUD reserves the right to deduct up to five (5) points from this rating score as a result of the information obtained from HUD's records (i.e., progress and financial reports, monitoring reports, Logic Model submissions, and amendments).

2. Rating Factor 2: Need/Extent of the Problem (15 Points). This factor addresses the extent to which there is a need for funding the proposed program activities and an indication of the importance of meeting the need(s). In addressing this factor, applicants should provide, at a minimum, the following and must cite statistics and/or analyses contained in one or more current data sources that are sound and reliable.

(1) Describe the need(s); and

(2) Describe the importance of meeting the proposed needs.

In rating this factor, HUD will consider only current data that is specific to the area where the proposed project activities will be carried out.

Sources for localized data can be found at: www.ffiec.gov.

HUD will also consider data collected within the last five (5) years to be current. To the extent that the targeted community's Five Year Consolidated Plan and Analysis of Impediments to Fair Housing Choice (AI) identify the level of the problem and the urgency in meeting the need, applicants should include references to these documents in response to this factor.

Other reliable data sources include, but are not limited to, Census reports, HUD Continuum of Care gap analysis and its E-MAP (to find additional information go to HUD's Web site: <http://www.hud.gov/emaps>), law enforcement agency crime reports, Public Housing Agencies' Comprehensive Plans, community needs analyses such as provided by the United Way, the applicant's institution, and other sound, reliable and appropriate sources. Needs in terms of fulfilling court orders or consent decrees, settlements, conciliation agreements, and voluntary compliance agreements may also be addressed.

3. Rating Factor 3: Soundness of Approach (40 Points). This factor addresses the quality and effectiveness of the proposed work plan and the commitment of the institution to sustain the proposed project activities.

a. (33 Points) Quality of the Work Plan. This subfactor will be evaluated on the extent to which an applicant provides a clear detailed description of the proposed project activities, anticipated accomplishments, and the impact they will have on the target population at the end of the project.

(1) (25 Points) Specific activities. The work plan must describe all proposed project activities and major tasks required to successfully implement them. The work plan must also identify the anticipated accomplishments and impact these activities will have on the targeted population. In addressing this subfactor, applicants must provide a clear description of each proposed project activity and address the following:

(a) Describe each proposed project activity in measurable terms (e.g., the number of persons to be trained and employed; houses to be rehabilitated; or minority-owned businesses to be started, etc.);

(b) List and describe how each activity meets one of the following Community Development Block Grant (CDBG) Program national objectives:

- Benefit low- and moderate-income persons;
- Aid in the prevention or elimination of slums or blight; or

- Meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health and welfare of the community, and other financial resources are not available to meet such needs.

Criteria for determining whether an activity addresses one or more objectives are provided at 24 CFR 570.208;

(c) Describe the measurable impact that implementing each activity (by the end of the grant period) will have on the target population;

(d) Identify the major tasks required (in sequential order) to successfully implement and complete each proposed project activity. Include target completion dates for each task (in 6 month intervals, up to thirty-six (36) months); and

(e) Identify the key staff, as described in Factor 1, who will be responsible and accountable for completing each task.

(2) (8 Points) Describe clearly how each proposed activity will:

(a) Expand the role of the institution in the community;

(b) Address the needs identified in Factor 2;

(c) Relate to and not duplicate other activities in the target area. Duplicative efforts will be acceptable only if an applicant can demonstrate through documentation that there is a population in need that is not being served; and

(d) Involve citizens of the target area in the planning and implementation of the proposed project activity (e.g., development of an advisory committee that is representative of the target community).

b. (3 Points) Involvement of the Faculty and Students. The applicant must describe how it proposes to integrate the institution's students and faculty into proposed project activities.

c. (2 Points) HUD Policy Priorities. As described in the General Section, to earn points under this subfactor, HUD requires applicants to undertake specific activities that will assist the Department in implementing its policy priorities that help the Department achieve its goals and objectives in FY2008, when the majority of grant recipients will be reporting programmatic results and achievements. In addressing this subfactor, HUD will evaluate the extent to which a program will further and support HUD's priorities. The quality of the responses provided to one or more of HUD's priorities will determine the score an applicant can receive. Applicants must describe how each policy priority selected will be

addressed. Applicants that just list a priority will receive no points. Please refer to the General Section for additional information about HUD's policy priorities.

The total number of points an applicant can receive under this subfactor is two (2). Each policy priority addressed has a point value of one (1) point with the exception of the policy priority to remove regulatory barriers to affordable housing, which has a point value of up to two (2) points. To receive these two (2) points, an applicant must: (1) Complete either Part A or Part B (not both), (2) include appropriate documentation, (3) identify a point of contact, (4) indicate how this priority will be addressed and (5) submit the completed questionnaire, (HUD-27300) "HUD's Initiative on Removal of Regulatory Barriers" found in the General Section. It is up to the applicant to determine which of the policy priorities they elect to address to receive the available two (2) points.

d. (2 Points) Economic Opportunities for Low- and Very-Low Income Persons (Provision of Section 3). This subfactor will be evaluated on the extent to which an applicant describes how it proposes to:

(1) Provide opportunities to train and employ Section 3 residents; and/or

(2) Award contracts to Section 3 contractors (see the regulations at 24 CFR 135). Regulations regarding the provision of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) can be located at 24 CFR Part 135.

4. Rating Factor 4: Leveraging Resources (8 Points). This factor addresses the ability of the applicant to secure resources and develop partnerships that can be combined with HUD's grant funds to achieve the program's purpose.

In evaluating this factor, HUD will consider how well the applicant has established partnerships with other entities to secure additional resources to increase the effectiveness of the proposed project activities. Resources may include funding or in-kind contributions, such as services or equipment, allocated for the purpose(s) of the proposed project activities. Resources may be provided by governmental entities, public or private nonprofit organizations, for-profit private organizations, or other entities. Applicants may also establish partnerships with other program funding recipients to coordinate the use of resources in the target area. Overhead and other institutional costs (e.g., salaries, indirect costs, etc.) that the institution has waived may be counted.

Examples of potential sources for outside assistance include:

- Federal, state, and local governments;
- Local or national nonprofit organizations;
- Financial institutions and/or private businesses;
- Foundations;
- Faith-based and other community-based organizations.

To address this factor, an applicant must provide an outline in the application and have the original written commitment letters, memoranda of understanding and/or agreements that show the extent and firm commitment of all proposed leveraged resources (including any commitment of resources from the applicant's own institution) that address the following information for each leveraged resource/fund on file at the time of application submission:

- (1) The name of the organization and the executive officer authorizing the funds/goods and/or services (only applicable to the narrative section)
- (2) The cash amount contributed or dollar value of the in-kind goods and/or services committed (if a dollar amount and its use is not shown, the value of the contribution will not be scored for award);
- (3) A specific description of how each contribution is to be used toward the proposed activities;
- (4) The date the contribution will be made available and a statement that describes the duration of the contribution;
- (5) Any terms or conditions affecting the commitment, other than receipt of a HUD Grant; and
- (6) The signature of the appropriate executive officer authorized to commit the funds and/or goods and/or services (only applicable to the written documentation).

DO NOT submit commitment letters, memoranda of understanding and/or agreements at the time of application submission but have the originals on file at the time of submission. IF THIS INFORMATION IS INCLUDED, IT WILL NOT BE CONSIDERED DURING THE REVIEW PROCESS. Applicants chosen to proceed to the next step in the selection process will be required to submit the signed commitment letters, memoranda of understanding and/or agreements outlined in the application, within seven (7) calendar days after initial contact from the Office of University Partnerships (OUP). Letters, memoranda of understanding, or agreements must be submitted on the provider's letterhead and should be addressed to Sherone Ivey, Associate Deputy Assistant Secretary for

University Partnerships. The date of the letter, memorandum of understanding, or agreement from the CEO of the provider organization must be dated no earlier than nine months prior to this published NOFA. OUP will provide specific instructions on how these documents must be submitted when contact is made with the applicant. HUD will only request and consider the resources/organizations that *are listed* in the outline submitted in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

5. Rating Factor 5: Achieving Results and Program Evaluation (12 Points). This factor reflects HUD's goal to embrace high standards of management and accountability. It measures the applicant's commitment to assess their performance to achieve the program's proposed objectives and goals. Applicants are required to develop an effective, quantifiable, outcome oriented evaluation plan for measuring performance and determining that objectives and goals have been achieved by using the Logic Model. The Logic Model is a summary of the narrative statements presented in Factors 1–4. Therefore, it should be consistent with the information contained in the narrative statements.

"Outcomes" are benefits accruing to the community during or after participation in the HBCU program. Applicants must clearly identify the outcomes to be measured and achieved. Examples of outcomes include increased employment opportunities in the target community by a certain percentage, increased incomes/wages or other assets for persons trained, or enhanced family stability through the creation of affordable housing opportunities (e.g., increased assets to families and communities through the development of affordable housing).

In addition, applicants must establish interim benchmarks and outputs that lead to the ultimate achievement of outcomes. "Outputs" are the direct products of the program's activities. Examples of outputs are the number of new affordable housing units, the number of homes that have been renovated, and the number of facilities that have been constructed or rehabilitated. Outputs should produce outcomes for the program. At a minimum, an applicant must address the following activities in the evaluation plan:

- a. Measurable outputs to be accomplished (e.g., the number of persons to be trained and employed;

houses to be built pursuant to 24 CFR 570.207 or rehabilitated; minority-owned businesses to be started);

- b. Measurable outcomes the grant will have on the community in general and the target area or population; and

- c. The impact the grant will have on assisting the university to obtain additional resources to continue this type of work at the end of the grant performance period.

The information must be placed on a HUD-96010, Program Outcome Logic Model form. HUD has developed a new approach to completing this form. Please carefully read the General Section for instructions; training is available. If an applicant utilizes "other" from the Logic Model categories, then the applicant should describe briefly this "other" category within the Rating Factor 5 narrative. If a narrative is provided, those pages will be included in the page count. (Form HUD-96010 will be excluded from the page count.)

B. Review and Selection Process

1. Application Selection Process

Two types of reviews will be conducted:

- a. A threshold review to determine an applicant's basic eligibility; and
- b. A technical review for all applications that pass the threshold review to rate and rank the application based on the "Rating Factors" listed in Section V.A. Only those applications that pass the threshold review will receive a technical review.

2. Rating Panels. To review and rate applications HUD may establish panels, which may include experts or consultants not currently employed by HUD to obtain certain expertise.

3. Ranking. HUD will fund applications in rank order, until all available program funds are awarded. In order to be considered for funding, an applicant must receive a minimum score of 75 points out of a possible 100 points for Factors 1 through 5; plus up to two bonus points that may be awarded for activities conducted in the RC/EZ/EC-II communities, as described in the General Section. If two or more applications have the same number of points, the application with the most points for Factor 3 shall be selected. If there is still a tie, the application with the most points for Factor 1 shall be selected. If there is still a tie, the application with the most points for Factors 2, 4 and then 5 shall be selected in that order until the tie is broken. HUD reserves the right to make selections out of rank order to provide for geographic distribution of grantees.

HUD also reserves the right to reduce the amount of funding requested in order to fund as many highly ranked applications as possible. Additionally, if funds remain after funding the highest ranked applications, HUD may fund part of the next highest-ranking application. If an applicant turns down an award offer, HUD will make an award to the next highest-ranking application. If funds remain after all selections have been made, the remaining funds will be carried over to the next funding cycle's competition.

4. Correction to Deficient Applications. See the General Section.

C. Anticipated Announcement and Award Dates

Announcements of awards are anticipated on or before September 30, 2007.

VI. Award Administration Information

A. Award Notice

After all selections have been made, HUD will notify all winning applications in writing. HUD may require winning applicants to participate in additional negotiations before receiving an official award. For further discussion on this matter, please refer to the General Section.

B. Administrative and National Policy Requirements

Refer to the General Section.

1. Debriefing. The General Section provides the procedures for requesting a debriefing. All requests for debriefings must be made in writing to: Ophelia Wilson, Office of University Partnerships, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 8106, Washington, DC 20410-6000.

2. Administrative. Grants awarded under this NOFA will be governed by the provisions of 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations), A-21 (Cost Principles for Educational Institutions) and A-133 (Audits of States, Local Governments, and Non-Profit Organizations). Applicants can access the OMB circulars at the White House Web site at www.whitehouse.gov/omb/circulars/index.html.

3. OMB Circulars and Governmentwide Regulations Applicable to Financial Assistance Programs. The General Section provides further discussion on this matter.

4. Executive Order 13202, Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor

Relations on Federal and Federally Funded Construction Projects. See the General Section for further discussion.

5. Procurement of Recovered Materials. The General Section provides further discussion on the matter.

6. Code of Conduct. See the General Section for further discussion.

C. Reporting

All grant recipients under this NOFA are required to submit quarterly progress reports. The progress reports shall consist of two components, a narrative that must reflect the activities undertaken during the reporting period and a financial report that reflects costs incurred by budget line item, as well as a cumulative summary of costs incurred during the reporting.

For each reporting period, as part of the required report to HUD, grant recipients must include a completed Logic Model form (HUD-96010), which identifies output and outcome achievements.

For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

VII. Agency Contacts

Applicants may contact Ophelia Wilson at (202) 708-3061, extension 4390 or Susan Brunson at (202) 708-3061, extension 3852. Persons with speech or hearing impairments may call the Federal Information Relay Service (TTY) at (800) 877-8339. Except for the "800" number, these numbers are not toll-free. *mail to:* Applicants may also reach Ms. Wilson via e-mail at Ophelia_Wilson@hud.gov, and/or Ms. Brunson at Susan_S._Brunson@hud.gov.

VIII. Other Information

Paperwork Reduction Act

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2528-0235. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 356 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, quarterly,

semi-annual and final reports. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

Appendix A—Application Checklist—HBCU

This checklist identifies application submission requirements. Applicants are requested to use this checklist when preparing an application to ensure submission of all required elements. Applicants submitting an electronic application do not have to submit the checklist. Applicants that receive a waiver of the electronic application submission requirement must include a copy of the checklist in their application.

Check off to ensure these items have been included in the application:

__SF-424 "Application For Federal Assistance"

__Application Checklist (Applicants that submit paper applications must include the checklist in their applications)

__Abstract (must include no more than a two-page summary of the proposed project)

Indicate the page number where each of the Factors are located:

Narrative Statement Addressing the Rating Factors.

The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative and abstract). This information must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one-inch margins (from the top, bottom, left, and right sides of the documents) and printed in standard Times New-Roman 12-point font.

[Applicants that submit applications via Grants.gov should review the General Section for information about file names and extensions. *File names should not contain spaces or special characters.*]

__Factor I

__Factor II

__HUD-40076, "Response Sheet Performance Narrative" (If applicable)

__Factor III

__Factor IV

__Factor V

__HUD-96010 "Logic Model"

Check off to ensure these items have been included in the application:

__Appendix. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances).

__Budget

__HUD 424-CB "Grant Application Detailed Budget" ("HUD Detailed Budget Form" on Grants.gov)

__HUD-40076-HBCU "Budget-By-Activity"

__Budget Narrative (No form provided and must be submitted for the total three-year grant period)

Appendix B (All Required Forms)

The following forms are required for submission. All required forms are contained in the electronic application package.

__Application for Federal Assistance (SF-424)

__Survey on Ensuring Equal Opportunity for Applicants (SF-424 Supplement) ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov)

__Grant Application Detailed Budget (HUD-424-CB) ("HUD Detailed Budget Form" on Grants.gov)

__Disclosure of Lobbying Activities (SF-LLL), if applicable

__Questionnaire for HUD's Removal of Regulatory Barriers (HUD-27300), ("HUD Communities Initiative Form" on Grants.gov), if applicable

__Applicant/Recipient Disclosure/Update Report (HUD-2880) ("HUD Applicant Recipient Disclosure Report" on Grants.gov)

__Certification of Consistency with RC/EZ/EC-II Strategic Plan (HUD-2990), if applicable

__Certification of Consistency with the Consolidated Plan (HUD-2991) if applicable

__Acknowledgement of Applicant Receipt (HUD-2993) Only applicants that submit paper applications

__You Are Our Client Grant Applicant Survey (HUD-2994-A)

__Response Sheet Performance Narrative (HUD-40076) if applicable

__Budget-By-Activity (HUD-40076)

__Program Logic Model (HUD-96010)

__Third Party Documentation Facsimile Transmittal (HUD-96011) ("Facsimile Transmittal Form" on Grants.gov)

required as the cover page to third party documents transmitted by facsimile to HUD. See the General Section.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**UNIVERSITY AND COLLEGE
PROGRAMS**

**HISPANIC-SERVING INSTITUTIONS
ASSISTING COMMUNITIES (HSIAC)
PROGRAM**

Hispanic-Serving Institutions Assisting Communities (HSIAC) Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Policy Development and Research, Office of University Partnerships.

B. Funding Opportunity Title: Hispanic-Serving Institutions Assisting Communities (HSIAC) Program.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Numbers: FR-5100-N-13; OMB Approval Number is 2528-0198.

E. Catalog of Federal Domestic Assistance (CFDA) Number: The CDFA Number for this program is 14.514.

F. Dates: The application deadline date is May 23, 2007. Applications must be received and validated by Grants.gov by 11:59:59 p.m. eastern time on the deadline date. Please be sure to read the General Section for electronic application submission and receipt requirements.

G. Additional Overview Content Information:

1. Purpose of the Program: To assist Hispanic-Serving Institutions (HSI) expand their role and effectiveness in addressing community development needs in their localities, including neighborhood revitalization, housing, and economic development, principally for persons of low- and moderate-income, consistent with the purposes of Title I of the Housing and Community Development Act of 1974, as amended.

2. Award Information: In Fiscal Year (FY) 2007, approximately \$5.9 million has been made available for this program by the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007) and an additional \$111,226 in carryover funds. An applicant can request up to \$600,000 for a three-year (36 months) grant performance period.

3. Eligible Applicants: Nonprofit Hispanic-serving institutions that meet the definition of an HSI of higher education established in Title V of the Higher Education Act of 1965 (20 U.S.C. 1101), as amended. In order to meet this definition, at least 25 percent of the full-time undergraduate students enrolled in an institution must be Hispanic. In addition, all applicants must be institutions of higher education granting two- or four-year degrees that are fully accredited by a national or regional accrediting agency recognized by the U.S. Department of Education. Institutions are not required to be on the list of eligible HSIs prepared by the U.S. Department of Education. However, an

institution that is not on the list is required to provide a statement in the application that the institution meets the U.S. Department of Education's statutory definition of an HSI as cited above. If an applicant is one of several campuses of the same institution, the applicant may apply separately from the other campuses as long as the campus has a separate DUNS number, administrative structure and budget, and meets the enrollment requirements outlined above.

Full Text of Announcement

I. Funding Opportunity Description

The purpose of the Hispanic-Serving Institutions Assisting Communities (HSIAC) Program is to assist Hispanic-Serving Institutions (HSI) of higher education expand their role and effectiveness in addressing community development needs in their localities, including neighborhood revitalization, housing and economic development, principally for persons of low- and moderate-income consistent with the purpose of the Title I of the Housing and Community Development Act of 1974, as amended.

For the purpose of this program NOFA, the term "locality" includes any city, county, township, parish, village, or other general political subdivision of a state, Puerto Rico, or the U.S. Virgin Islands where the institution is located.

A "target area" is the area within the locality in which the institution will implement its proposed HSIAC grant.

A. Authority

HUD's authority for making this funding available under this NOFA is the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007). This program is being implemented through this NOFA and the policies governing its operation are contained herein.

B. Modifications

Listed below are major modifications from the Fiscal Year (FY) 2006 program-funding announcement:

1. Commitment letters, memoranda of understanding and/or agreements are not required to be submitted with the application, *but the originals must be on file at the time of application submission*. HUD will require applicants chosen to proceed to the next step in the selection process to submit the signed commitment letters, memoranda of understanding and/or agreements outlined in the application, within seven (7) calendar days after initial contact from the Office of University Partnerships (OUP). OUP will provide specific instructions on

how these documents must be submitted at that time. HUD will only request and consider the resources/organizations outlined in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

2. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances). An applicant SHOULD NOT submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up material. Each page must include the applicant's name and should be numbered. HUD will not consider the information on any excess pages.

3. Applicants must budget for travel costs to attend at least one HUD sponsored HSIAC conference/workshop every year of the three-year grant performance period.

4. Public Law 109-242 (approved September 30, 2006) revised the definition of Hispanic-serving institution found in Title V of the Higher Education Act of 1965 (20 U.S.C. 1101). The revision removed the requirement that not less than 50 percent of the institution's Hispanic students are low-income individuals.

II. Award Information

In Fiscal Year (FY) 2007, approximately \$5.9 million is made available for this program and an additional \$111,226 in carryover funds. An applicant can request up to \$600,000 for a three-year (36 months) grant performance period.

III. Eligibility Information

A. Eligible Applicants

Nonprofit Hispanic-serving institutions that meet the definition of an HSI of higher education established in Title V of the Higher Education Act of 1965 (20 U.S.C. 1101), as amended. In order to meet this definition, at least 25 percent of the full-time undergraduate students enrolled in an institution must be Hispanic. In addition, all applicants must be institutions of higher education granting two- or four-year degrees that are fully accredited by a national or regional accrediting agency recognized by the U.S. Department of Education. Institutions are not required to be on the list of eligible HSIs prepared by the U.S. Department of Education. However, an institution that is not on the list is required to provide a statement in the application that the institution meets

the U.S. Department of Education's statutory definition of an HSI as cited above. If an applicant is one of several campuses of the same institution, the applicant may apply separately from the other campuses as long as the campus has a separate DUNS number, administrative structure and budget, and meets the enrollment requirements outlined above.

B. Cost Sharing or Matching

None Required.

C. Other

1. **Eligible Activities.** Eligible activities are listed in 24 CFR part 570, subpart C, particularly §§ 570.201 through 570.206. Information regarding these activities can be found at: www.hudclips.org (click on the Code of Federal Regulations for detailed information).

a. Examples of eligible activities include, but are not limited to:

- (1) Acquisition of real property;
- (2) Clearance and demolition;
- (3) Rehabilitation of residential

structures including lead-based paint hazard evaluation and reduction and making accessibility and visitability modifications in accordance with the requirements of Section 504 of the Rehabilitation Act of 1973;

(4) Public facilities and improvements, such as water and sewer facilities and streets, compliance with accessibility requirements, including Section 504 of the Rehabilitation Act of 1973, the Fair Housing Act, and the American with Disabilities Act of 1990;

(5) Relocation payments and other assistance for permanently and temporarily relocated individuals, families, businesses, nonprofit organizations, and farm operations where the assistance is:

(a) Required under the provisions of 24 CFR 570.606(b) or (c); or

(b) Determined by the grantee to be appropriate under the provisions of 24 CFR 570.606(d);

(6) Direct homeownership assistance to low- and moderate-income persons, as provided in section 105(a)(25) of the Housing and Community Development Act of 1974;

(7) Special economic development activities described at 24 CFR 570.203 and assistance to facilitate economic development by providing technical or financial assistance for the establishment, stabilization, and expansion of microenterprises, including minority enterprises;

(8) Assistance to community-based development organizations (CBDO) to carry out a CDBG neighborhood revitalization, community economic

development, or energy conservation project, in accordance with 24 CFR 570.204. This could include activities in support of a HUD-approved local entitlement grantee, CDBG Neighborhood Revitalization Strategy (NRS) or HUD-approved State CDBG Community Revitalization Strategy (CRS);

(9) Public service activities such as general support activities that can help to stabilize a neighborhood and contribute to sustainable redevelopment of the area, including but not limited to such activities as those concerned with employment, crime prevention, child care, health care services, drug abuse, education, housing counseling, energy conservation, homebuyer down payment assistance, establishing and maintaining Neighborhood Network centers in federally assisted or insured housing, job training and placement and recreational needs;

(10) Up to 20 percent of the grant may be used for payments of reasonable grant administrative costs related to planning and execution of the project (e.g., preparation/submission of HUD reports). Detailed explanations of these costs are provided in OMB circular A-21 Cost Principals for Educational Institutions that can be accessed at the White House Web site at: www.whitehouse.gov/omb/circulars/index.html;

(11) Fair housing services designed to further civil rights objectives of the Fair Housing Act (42 U.S.C. 3601-20) by making all persons, without regard to race, color, religion, sex, national origin, familial status and/or disability aware of the range of housing opportunities available to them; and

b. Each activity proposed for funding must meet the Community Development Block Grant (CDBG) program eligibility requirements and at least one of the three CDBG national objectives. The three national objectives of the CDBG program are listed in Rating Factor 3 in Section V.A.3 of this NOFA.

Criteria for determining whether an activity addresses one or more national objectives are provided at 24 CFR 570.208.

c. The CDBG publication entitled "Community Development Block Grant Program Guide to National Objectives and Eligible Activities for Entitlement Communities" describes the CDBG regulations, and a copy can be obtained from HUD's NOFA Information Center at 800-HUD-8929. Individuals with hearing or speech impairments may access this number via the toll-free Federal Information Relay Service at 800-877-8339.

2. **Threshold Requirements** Applicable to all Applicants. All applicants must comply with the threshold requirements as defined in the General Section and the requirements listed below. Applications that do not meet these requirements will be considered ineligible for funding and will be disqualified.

a. The applicant must meet the eligibility requirements as defined in Section III.A.

b. The applicant may request up to \$600,000.

c. An applicant must have a DUNS number to receive HUD grant funds (See the General Section). Only *one* application can be submitted per campus. If multiple applications are submitted, all will be disqualified. However, different campuses of the same university system are eligible to apply as long as they have a separate DUNS number and an administrative and budgeting structure independent of the other campuses in the system.

d. Institutions that received an HSIAC grant in FY2006 are not eligible to submit an application under this NOFA. If an institution received an HSIAC grant in FY2003, FY2004, or FY2005, the institution may apply under this NOFA as long as it proposes a different activity (activities), which has not been previously undertaken in their current project location, or proposes replicating their current project in a new location.

e. Applicants must receive a minimum score of 75 points to be considered for funding.

f. Electronic applications must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date.

3. **Program Requirements.** In addition to the program requirements listed in Section III.C of the General Section, applicants must meet the following program requirements:

a. All funds awarded are for a three-year (36 months) grant performance period.

b. Applicants must ensure that not less than 51 percent of the aggregated expenditures of a grant award are used to benefit low- and moderate-income persons under the criteria specified in 24 CFR 570.208(a) or 570.208(d)(5) or (6).

c. **Site Control.** Where grant funds will be used for acquisition, rehabilitation, or new construction, an applicant must demonstrate site control. Funds may be recaptured or deobligated from recipients that cannot demonstrate control of a suitable site within one year after the initial notification of award.

d. **Environmental Requirements.** Selection for award does not constitute

approval of any proposed sites. Following selection for award, HUD will perform an environmental review of properties proposed for assistance in accordance with 24 CFR Part 50. The results of the environmental review may require that proposed activities be modified or proposed sites be rejected. Applicants are particularly cautioned not to undertake or commit funds for acquisition or development of proposed properties prior to HUD approval of specific properties or areas. An application constitutes an assurance that the institution will assist HUD to comply with part 50; will supply HUD with all available and relevant information to perform an environmental review for each proposed property; will carry out mitigating measures required by HUD or select alternate property; and will not acquire, rehabilitate, convert, demolish, lease, repair, or construct property, and not commit or expend HUD or local funds for these program activities with respect to any eligible property until HUD's written approval of the property is received. In supplying HUD with environmental information, applicants should use the same guidance as provided in the HUD Notice CPD-05-07 entitled, "Field Environmental Review Processing for Rural Housing and Economic Development (RHED) grants" issued August 30, 2005. The General Section provides further discussion of the environmental requirements. Further information and assistance on HUD's environmental requirements is available at: <http://hudstage.hud.gov/utilities/intercept.cfm?/offices/cpd/lawsregs/notices/2005/05-07.pdf>.

e. Labor Standards. Institutions and their sub-grantees, contractors, and subcontractors must comply with the labor standards (Davis-Bacon) requirements referenced in 24 CFR 570.603.

f. Economic Opportunities for Low- and Very-Low Income Persons (Section 3). The provisions of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) apply to this NOFA. One of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, job training, employment, contracting and other economic opportunities to Section 3 residents and Section 3 business concerns. Regulations are located at 24 CFR Part 135.

IV. Application and Submission Information.

A. Addresses To Request Application Package

Applicants may download the instructions to the application found on the Grants.gov Web site at http://www.Grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information, you may call the Grants.gov Support Desk toll free at 800-518-GRANTS or e-mail your questions to Support@Grants.gov. See the General Section for information regarding the registration process or ask for registration information from the Grants.gov Support Desk.

B. Content and Form of Application Submission

1. Forms. The following forms are required for submission. Copies of these forms are available on line at http://www.Grants.gov/applicants/apply_for_grants.jsp.

- a. SF-424, Application for Federal Assistance;
- b. SF-424, Supplement, Survey on Ensuring Equal Opportunities for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);
- c. HUD-424-CB, Grant Application Detailed Budget ("HUD Detailed Budget Form" on Grants.gov);
- d. SF-LLL, Disclosure of Lobbying Activities, if applicable;
- e. HUD-27300, Questionnaire for HUD's Removal of Regulatory Barriers ("HUD Communities Initiative Form" on Grants.gov), if applicable;
- f. HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov);
- g. HUD-96010, Program Logic Model;
- h. HUD-2990, Certification of Consistency with RC/EZ/EC-II Strategic Plan, if applicable;
- i. HUD-2991, Certification of Consistency with the Consolidated Plan, if applicable;
- j. HUD-2993, Acknowledgement of Applicant Receipt. Complete this form only if you have received a waiver to the electronic application submission requirement. Applicants submitting electronically are not required to include this form;
- k. HUD-2994-A, You Are Our Client Grant Applicant Survey. Applicants are not required to complete this form.
- l. HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov). This form must be used as the cover page to transmit third party documents and other information. Applicants are advised to download the

application package, complete the SF-424 first and it will pre-populate the Transmittal Cover page. The Transmittal Cover page will contain a unique identifier embedded in the page that will help HUD associate your faxed materials to your application. Please download the cover page and then make multiple copies to provide to any of the entities responsible for submitting faxed materials to HUD on your behalf. Please do not use your own fax sheet. HUD will not read any faxes that are sent without the HUD-96011 fax transmittal cover page.

2. Certifications and Assurances. Please read the General Section for detailed information on all Certifications and Assurances. All applications submitted through Grants.gov constitute an acknowledgement and agreement to all required certifications and assurances. Please include in your application each item listed below. Applicants submitting paper copy applications should submit the application in the following order:

- a. SF-424, Application for Federal Assistance. Please remember the following:
 - (1) The full grant amount requested from HUD (entire three years) should be entered, not the amount for just one year;
 - (2) Include the name, title, address, telephone number, facsimile number, and e-mail address of the designated contact. This is the person who will receive all correspondence; therefore, please ensure the accuracy of the information;
 - (3) The Employer Identification/Tax ID;
 - (4) The DUNS Number;
 - (5) The Catalog of Federal Domestic Assistance Number for this program is 14.514;
 - (6) The project's proposed start date and completion date. For the purpose of this application, the program start date should be December 1, 2007; and
 - (7) The signature of the Authorized Organization Representative (AOR) who, by virtue of submitting an application via Grants.gov, has been authenticated by the credential provider to submit applications on behalf of the Institution and approved by the eBusiness Point of Contact to submit an application via Grants.gov. The AOR must be able to make a binding legal agreement with HUD.
- b. Application Checklist. Applicants should use the checklist to ensure that they have all the required components of their application. Applicants submitting an electronic application should not submit the checklist.

Applicants that receive a waiver of the electronic application submission must include a copy of the checklist in their application submission. The checklist can be located in Appendix A.

c. Abstract. Applicants must include no more than a two-page summary of the proposed project. Please include the following:

(1) A clear description of each proposed project activity, where it will take place (be located), the target population that will be assisted, and the impact this project is expected to have on the community and institution;

(2) A statement that the institution is an eligible institution because it is a two- or four-year fully accredited institution, the name of the accrediting agency and an assurance that the accrediting agency is recognized by the U.S. Department of Education;

(3) A statement that the institution meets the definition of an Hispanic Serving Institution: at least 25 percent of the full-time undergraduate students enrolled in an institution must be Hispanic.

(4) The designated contact person, including phone number, facsimile number, and e-mail address (This is the person who will receive *all correspondence from HUD*; therefore please ensure the accuracy of the information);

(5) The project director, if different from the designated contact person, for the project, including phone number, facsimile number, and e-mail address.

d. Narrative Statement Addressing the Factors. HUD will use the narrative response to the "Rating Factors" to evaluate, rate, and rank applications. The narrative statement is the main source of information. Applicants are advised to review each factor carefully for program specific requirements. The response to each factor should be concise and contain only information relevant to the factor, yet detailed enough to address each factor fully. PLEASE DO NOT REPEAT MATERIAL IN RESPONSE TO THE FIVE FACTORS; INSTEAD, FOCUS ON HOW WELL THE PROPOSAL RESPONDS TO EACH OF THE FACTORS. Where there are subfactors, each subfactor must be presented separately, with the short title of the subfactor presented. Make sure to address each subfactor and provide sufficient information about every element of the subfactor. The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative, assurances, and abstract) and must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one inch margins (from the top, bottom and left to right

side of the document) and printed in standard Times New Roman 12-point font. Each page of the narrative must include the applicant's name and should be numbered. Note that although submitting pages in excess of the page limit will not disqualify an applicant, HUD will not consider the information on any excess pages. This exclusion may result in a lower score or failure to meet a threshold requirement. All applicants submitting electronic applications must attach their narrative responses to Rating Factors 1–5 as one attachment. PLEASE DO NOT ATTACH YOUR RESPONSE TO EACH FACTOR SEPARATELY. Please follow the instructions on file extension and file names in the General Section.

e. Budget. The budget submission must include the following:

(1) HUD-424-CB, "HUD Detailed Budget Form." This form shows the total budget by year and by line item for the program activities to be carried out with the proposed HUD grant. Each year of the program should be presented separately. Applicants must also budget for travel costs (airfare, lodging and per diem) for two individuals to attend at least one HUD sponsored HSIAC conference/workshop every year of the three-year grant performance period. To calculate travel expenses, applicants located in Eastern and Central time zones or the U.S. Virgin Islands should use San Francisco, CA as the site of all conferences/workshops. Applicants located in Mountain and Pacific time zones or Puerto Rico should use Washington, DC as the site of all conferences/meetings.

Applicants must also submit this form to reflect the total cost for the entire grant performance period (Grand Total).

Make sure that the amounts shown on the SF-424, the HUD-424-CB, and on all other required program forms are consistent and the budget totals are correct. Remember to check addition in totaling the categories on all forms so that all items are included in the total. If there is an inconsistency between any of the required budget forms, the HUD-424-CB will be used. All budget forms must be fully completed. If an application is selected for award, the applicant may be required to provide greater specificity to the budget during grant agreement negotiations.

(2) Budget Narrative. A narrative must be submitted that explains how the applicant arrived at the cost estimates for any line item over \$5,000 cumulative. For example, an applicant proposes to construct a building using HUD funding totaling \$200,000. The following costs estimate reflects this total. Foundation cost \$75,000,

electrical work \$40,000, plumbing work \$40,000, finishing work \$35,000, and landscaping \$10,000. The proposed cost estimates should be reasonable for the work to be performed and consistent with rates established for the level of expertise required to perform the work proposed in the geographical area. When necessary, quotes from various vendors or historical data should be used (please make sure they are kept on file and are available for review by HUD at any time). All direct labor or salaries must be supported with mandated city/state pay scales, the Davis-Bacon rate, (if applicable) or other documentation. When an applicant proposes to use a consultant, the applicant must indicate whether there is a formal written agreement. For each consultant, please provide the name, if known, hourly or daily rate, and the estimated time on the project. Applicants must use cost estimates based on historical data from the institution and/or from a qualified firm (e.g., Architectural or Engineering firms), vendor, and/or qualified individual (e.g., independent architect or contractor) other than the institution for projects that involve rehabilitation of residential, commercial and/or industrial structures, and/or acquisition, construction, or installation of public facilities and improvements. Such an entity must be involved in the business of housing rehabilitation, construction and/or management. Equipment and contracts cannot be presented as a total estimated cost. For equipment, applicants must provide a list by type and cost for each item. Applicants using contracts must provide an individual description and cost estimate for each contract. Construction costs must be broken down to indicate how funds will be utilized (e.g., demolition, foundation, exterior walls, roofing, electrical work, plumbing, finishing work, etc.).

(3) Indirect costs. Indirect costs, if applicable, are allowable based on an established approved indirect cost rate. Applicants must have on file, and submit to HUD if selected for award, a copy of their indirect cost rate agreement. Applicants who are selected for funding that do not have an approved indirect cost rate agreement, established by the cognizant federal agency, will be required to establish a rate. In such cases, HUD will issue an award with a provisional rate and assist applicants with the process of establishing a final rate.

f. Appendix. Applicants receiving a waiver of the electronic submission requirements and submitting a paper copy of the application must place all required forms in this section. The appendix section of an application must

not exceed 15 pages in length (excluding forms, budget narrative and assurances). An applicant **SHOULD NOT** submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up materials. If this information is included, it will not be considered during the review process. Each page must include the applicant's name and should be numbered. HUD will not consider the information on any excess pages. The additional items will also slow the transmission of your application.

C. Submission Dates and Times

A complete application package must be received and validated electronically by the Grants.gov portal no later than 11:59:59 p.m. eastern time on or before the application deadline date. In an effort to address any issues with transmission of your application, applicants are strongly encouraged to submit their applications at least 48 to 72 hours prior to the application deadline. This will allow an applicant enough time to make the necessary adjustments to meet the submission deadline in the event Grants.gov rejects the application. Please see the General Section for further instructions. Electronic faxes using the Facsimile Transmittal Cover Sheet (Form HUD-96011) contained in the electronic application must be received no later than 11:59:59 p.m. eastern time on the application deadline date.

D. Intergovernmental Review

This program is excluded from an Intergovernmental Review.

E. Funding Restrictions

Ineligible CDBG Activities are listed at 24 CFR 570.207. Ineligible activities include but are not limited to:

- a. Curriculum development and/or expansion of an institution's existing curriculum;
- b. General government expenses;
- c. Political activities; and
- d. Planning and administrative activities that would result in a grantee exceeding the 20 percent cost limitations (e.g., preparation/submission of HUD reports).

F. Other Submission Requirements

1. Application Submission and Receipt Procedure. Please read the General Section carefully and completely for the submission and receipt procedures for all applications because failure to comply may disqualify your application.

2. Waiver of Electronic Submission Requirements. Applicants should

submit their waiver requests in writing using e-mail or fax. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to: Susan Brunson, Office of University Partnerships, E-mail: Susan_S._Brunson@hud.gov, FAX: (202) 708-0309.

Paper applications will not be accepted from applicants that have not been granted a waiver. If an applicant is granted a waiver, the Office of University Partnerships will provide instructions for submission. All applicants submitting applications in paper format must have received a waiver to the electronic application submission requirement and the application must be received by HUD on or before the application deadline date.

V. Application Review Information

A. Criteria

1. Rating Factor 1: Capacity of the Applicant and Relevant Experience (25 Points). This factor addresses the extent to which the applicant has the resources necessary to successfully implement the proposed project in a timely manner.

a. Knowledge and Experience For First Time Applicants (25 Points); For Previously Funded Applicants (10 Points). In rating this subfactor, HUD will consider how well an applicant clearly addresses the following:

(1) Describe the knowledge and experience of the proposed project director and staff, including the day-to-day program manager/coordinator, consultants (including technical assistance providers), and contractors in planning and managing the type of project for which funding is being requested; and

(2) Clearly identify the following: key project team members, titles (e.g., project manager/coordinator, etc.), respective roles for the project staff, and a brief description of their relevant experience.

If key personnel have not been hired, applicants must identify the position title, provide a description of duties and responsibilities, and describe the qualifications to be considered in the selection of personnel, including subcontractors and consultants.

Experience will be evaluated in terms of recent and relevant knowledge and skills of the staff to undertake eligible program activities. HUD will consider experience within the last five (5) years to be recent and experience pertaining to similar activities to be relevant.

b. Past Performance (15 Points) For Previously Funded Grant Applicants Only. This subfactor will evaluate how

well an applicant has performed successfully under HUD/HSIAC grants. Applicants must demonstrate this by addressing the following information for all previously completed and open HUD/HSIAC grants:

(1) A list of all HUD/HSIAC grants received, including the dollar amount awarded and the amount expended and obligated as of the date of this application;

(2) A description of the achievement of specific tasks, measurable objectives, and specific outcomes consistent with the approved project management plan;

(3) A list detailing the date the project(s) was completed, was it completed in the original three-year grant performance period; if not completed, why (including when it was or will be completed);

(4) A comparison of the amount of proposed leveraged funds and/or resources to the amount that was actually leveraged; and

(5) A detailed description of compliance with all reporting requirements, including timeliness of submission, whether reports were complete and addressed all information (both narrative and financial) as required by the grant agreement.

HUD will also review an applicant's past performance in managing funds, including, but not limited to: the ability to account for funding appropriately; timely use of funds received from HUD; meeting performance targets for completion of activities; timely submission of required progress reports and receipt of promised leveraged resources. In evaluating past performance, HUD reserves the right to deduct up to five (5) points from this rating score as a result of the information obtained from HUD's records (i.e., progress and financial reports, monitoring reports, Logic Model submissions, and amendments).

2. Rating Factor 2: Need/Extent of the Problem (10 Points). This factor addresses the extent to which there is a need for funding the proposed program activities and an indication of the importance of meeting the need(s) in the target area. The need(s) described must be relevant to the activities for which funds are being requested. In addressing this factor, applicants should provide, at a minimum, the following and must cite statistics and/or analyses contained in at least one or more current data sources that are sound and reliable.

(1) Describe the need(s); and
(2) Describe the importance of meeting the proposed needs.

In rating this factor, HUD will consider only current data that is specific to the area where the proposed

project activities will be carried out. Sources for localized data can be found at: www.ffiec.gov.

HUD will consider data collected within the last five (5) years to be current. To the extent that the targeted community's Five Year Consolidated Plan and Analysis of Impediments to Fair Housing Choice (AI) identify the level of the problem and the urgency in meeting the need, applicants should include references to these documents in the response to this factor.

Other reliable data sources include, but are not limited to, Census reports, HUD Continuum of Care gap analysis and its E-MAP (www.hud.gov/emaps), law enforcement agency crime reports, Public Housing Agencies' Comprehensive Plans, community needs analyses such as those provided by the United Way, the applicant's institution, and other sound, reliable and appropriate sources. Needs in terms of fulfilling court orders or consent decrees, settlements, conciliation agreements, and voluntary compliance agreements may also be addressed.

3. Rating Factor 3: Soundness of Approach (44 Points). This factor addresses the quality and effectiveness of the proposed work plan and the commitment of the institution to sustain the proposed activities.

a. (37 Points) Quality of the Work Plan. This subfactor will be evaluated on the extent to which an applicant provides a clear detailed description of the proposed project activities, anticipated accomplishments and the impact they will have on the target population at the end of the project.

(1) (32 Points) Specific Activities. The work plan must describe all proposed activities and major tasks required to successfully implement them. The work plan must also identify the anticipated measurable accomplishments and impact these activities will have on the targeted population. In addressing this subfactor, applicants must provide a clear description of each proposed activity and address the following:

(a) Describe each proposed project activity in measurable terms (e.g., the number of persons to be trained and employed; houses to be built or rehabilitated; or minority owned businesses to be started, etc.);

(b) List and describe how each activity meets one of the following Community Development Block Grant (CDBG) Program national objectives:

- Benefit low- and moderate-income persons;
- Aid in the prevention or elimination of slums or blight; or
- Meet other community development needs having a particular

urgency because existing conditions pose a serious and immediate threat to the health and welfare of the community, and other financial resources are not available to meet such needs.

Criteria for determining whether an activity addresses one or more objective are provided at 24 CFR 570.208;

(c) Describe the measurable impact that implementing each activity (by the end of the grant period) will have on the target population;

(d) Identify the major tasks required (in sequential order) to successfully implement and complete each proposed project activity. Include target completion dates for these tasks (in 6 month intervals, up to 36 months);

(e) Identify the key staff, as described in Factor 1, who will be responsible for completing each task; and

(f) Describe how the project director will work with the partners and citizens to accomplish the proposed project activities.

(2) (5 Points) Describe clearly how each proposed activity will:

(a) Expand the role of the institution in the community;

(b) Address the needs identified in Factor 2;

(c) Relate to and not duplicate other activities in the target area. Duplicative efforts will be acceptable only if an applicant can demonstrate through documentation that there is a population in need that is not being served; and

(d) Involve citizens of the target area in the planning and implementation of the proposed project activity (e.g., development of an advisory committee that is representative of the target community).

b. (3 Points) Involvement of the Faculty and Students. The applicant must describe how it proposes to integrate the institution's students and faculty into proposed project activities.

c. (2 Points) HUD Policy Priorities. As described in the General Section, to earn points under this subfactor, HUD requires applicants to undertake specific activities that will assist the Department in implementing its policy priorities and that will help the Department achieve its goals and objectives in FY2008, when the majority of grant recipients will be reporting programmatic results and achievements. In rating this subfactor, HUD will evaluate the extent to which a program will further and support HUD's priorities. The quality of the responses provided to one or more of HUD's priorities will determine the score an applicant can receive. Applicants must describe how each policy priority

selected will be addressed. Applicants that just list a priority will receive no points.

The total number of points an applicant can receive under this subfactor is two (2). Each policy priority addressed has a point value of one (1) point with the exception of the policy priority to remove regulatory barriers to affordable housing, which has a point value of up to two (2) points. To receive these two (2) points, an applicant must: (1) Complete either Part A or Part B (not both), (2) include appropriate documentation, (3) identify a point of contact, (4) indicate how this priority will be addressed and (5) submit the completed questionnaire, (HUD-27300) "HUD's Initiative on Removal of Regulatory Barriers Communities Initiative" found in the General Section. It is up to the applicant to determine which of the policy priorities they elect to address to receive the available two (2) points.

d. (2 Points) Economic Opportunities for Low- and Very-Low Income Persons (Provision of Section 3). This subfactor will be evaluated on the extent to which an applicant describes how it proposes to:

(1) Provide opportunities to train and employ Section 3 residents; and/or

(2) Award contracts to Section 3 contractors (See the regulations at 24 CFR 135.). Regulations regarding the provision of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) can be located at 24 CFR Part 135.

4. Rating Factor 4: Leveraging Resources (9 Points). This factor addresses the ability of the applicant to secure resources and develop partnerships that can be combined with HUD's grant funds to achieve the program's purpose.

HUD will consider how well an applicant has established partnerships with other entities to secure additional resources to increase the effectiveness of the proposed project activities. Resources may include funding or in-kind contributions, such as services or equipment, allocated for the purpose(s) of the proposed project activities. Resources may be provided by governmental entities, public or private nonprofit organizations, for-profit private organizations, or other entities. Applicants may also establish partnerships with other program funding recipients to coordinate the use of resources in the target area. Overhead and other institutional costs (e.g., salaries, indirect costs, etc.) that the institution has waived may be counted.

• Examples of potential sources for outside assistance include:

- Federal, state, and local governments
- Local or national nonprofit organizations
- Financial institutions and/or private businesses
- Foundations
- Faith-based and other community-based organizations.

To address this factor, an applicant must provide an outline in the application and have the original written commitment letters, memoranda of understanding and/or agreements that show the extent and firm commitment of all proposed leveraged resources (including any commitment of resources from the applicant's own institution) that address the following information for each leveraged resource/fund on file at the time of application submission:

- (1) The name of the organization and the executive officer authorizing the funds/goods and/or services (Only applicable to the narrative section);
- (2) The cash amount contributed or dollar value of the in-kind goods and/or services committed (If a dollar amount and its use are not shown, the value of the contribution will not be scored for award);
- (3) A specific description of how each contribution is to be used toward the proposed activities;
- (4) A description of the current and/or past working relationship that the institution has with the organization contributing the resources and the involvement it will have with this proposed project.
- (5) The date the contribution will be made available and a statement that describes the duration of the contribution;
- (6) Any terms or conditions affecting the commitment, other than receipt of a HUD Grant; and
- (7) The signature of the appropriate executive officer authorized to commit the funds and/or goods and/or services (Only applicable to the written documentation).

Do not submit commitment letters, memoranda of understanding and/or agreements are not required at the time of application submission but have the originals on file at the time of submission. **IF THIS INFORMATION IS INCLUDED, IT WILL NOT BE CONSIDERED DURING THE REVIEW PROCESS.** Applicants chosen to proceed to the next step in the selection process will be required to submit the signed commitment letters, memoranda of understanding and/or agreements outlined in the application, within seven (7) calendar days after initial contact from the Office of University Partnerships (OUP). Letters, memoranda

of understanding, or agreements must be submitted on the provider's letterhead and should be addressed to Sherone Ivey, Associate Deputy Assistant Secretary for University Partnerships. The date of the letter, memorandum of understanding, or agreement from the CEO of the provider organization must be dated no earlier than nine months prior to this published NOFA. OUP will provide specific instructions on how these documents must be submitted when contact is made with the applicant. HUD will only request and consider the resources/organizations that *are listed* in the outline submitted in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

In scoring this factor, HUD will award

- Nine (9) points to an applicant that provides properly documented leveraging resources as listed in their application that are 15 percent or more of the amount requested under this program;
- Seven (7) to eight (8) points to applicants that provide documentation that includes at least five of the seven required items outlined above and that represents 10 to 14 percent of the amount requested under this program;
- Five (5) to six (6) points to applicants that provide documentation that includes at least four of the seven required items outlined above and that represents 10 to 14 percent of the amount requested under this program;
- Three (3) to four (4) points to applicants that provide documentation that includes at least five of the seven required items outlined above and that represents 5 to 9 percent of the amount requested under this program;
- One (1) to two (2) points to applicants that provide documentation that includes at least three of the seven required items outlined above and that represents 5 to 9 percent of the amount requested under this program; and
- Zero (0) points to applicants that provide documented leveraging resources as listed above that are less than 5 percent of the amount requested.

5. Rating Factor 5: Achieving Results and Program Evaluation (12 Points)

This factor reflects HUD's goal to embrace high standards of management and accountability. It measures the applicant's commitment to assess their performance to achieve the program's proposed objectives and goals. Applicants are required to develop an effective, quantifiable, outcome oriented evaluation plan for measuring performance and determining that

objectives and goals have been achieved by using the HUD Logic Model. The Logic Model is a summary of the narrative statements presented in Factors 1–4. Therefore, the information submitted on the Logic Model should be consistent with the information contained in the narrative statements. "Outcomes" are benefits accruing to institutions and/or communities during or after participation in the HSIAC program. Applicants must clearly identify the outcomes to be measured and achieved. Examples of outcomes include increased employment opportunities in the target community by a certain percentage, or enhanced family stability through the creation of affordable housing opportunities.

In addition, applicants must establish interim benchmarks and outputs that lead to the ultimate achievement of outcomes. "Outputs" are the direct products of the program's activities. Examples of outputs are the number of new affordable housing units, the number of homes that have been renovated, and the number of community facilities that have been constructed or rehabilitated. Outputs should produce outcomes for the program. At a minimum an applicant must address the following activities in the evaluation plan:

- a. Measurable outputs to be accomplished, *e.g.*, the number of persons to be trained and employed; houses to be built (pursuant to 24 CFR 570.207) or rehabilitated; minority-owned businesses to be started;
- b. Measurable outcomes the grant will have on the community in general and the target area or population; and
- c. The impact the grant will have on assisting the university to obtain additional resources to continue this type of work at the end of the grant performance period.

The information must be placed on a HUD-96010, Program Outcome Logic Model form. HUD has developed a new approach to completing this form. Please carefully read the General Section for instructions, training is available. (Form HUD-96010 will be excluded from the page count.) If an applicant utilizes "other" from the Logic Model categories, then the applicant should describe briefly this "other" category within the Rating Factor 5 narrative. If a narrative is provided, those pages will be included in the page count.

B. Review and Selection Process

1. Application Selection Process

Two types of reviews will be conducted:

a. A threshold review to determine an applicant's basic eligibility; and

b. A technical review for all applications that pass the threshold review to rate and rank the application based on the "Rating Factors" listed in Section V, A. Only those applications that pass the threshold review will receive a technical review and be rated and ranked.

2. Rating Panels. To review and rate applications, HUD may establish panels, which may include experts or consultants not currently employed by HUD to obtain certain expertise.

3. Ranking. HUD will fund applications in rank order, until all available program funds are awarded. In order to be considered for funding, an applicant must receive a minimum score of 75 points out of a possible 100 points; plus up to two bonus points that may be awarded for activities conducted in the RC/EZ/EC-II communities, as described in the General Section. If two or more applications have the same number of points, the application with the most points for Factor 3 shall be selected. If there is still a tie, the application with the most points for Factor 1 shall be selected. If there is still a tie, the application with the most points for Factors 2, 4 and then 5 shall be selected, in that order, until the tie is broken. HUD reserves the right to make selections out of rank order to provide for geographic distribution of grantees. HUD also reserves the right to reduce the amount of funding requested in order to fund as many highly ranked applications as possible. Additionally, if funds remain after funding the highest ranked applications, HUD may fund part of the next highest-ranking application. If an applicant turns down an award offer, HUD will make an award to the next highest-ranking application. If funds remain after all selections have been made, the remaining funds will be carried over to the next funding cycle's competition.

4. Correction to Deficient Applications. See the General Section.

C. Anticipated Announcement and Award Dates. Announcements of awards are anticipated on or before September 30, 2007.

VI. Award Administration Information

A. Award Notice

After all selections have been made, HUD will notify all winning applicants in writing. HUD may require winning applicants to participate in additional negotiations before receiving an official award. For further discussion on this matter, please refer to the General Section.

B. Administrative and National Policy Requirements

Refer to Section in the General Section.

1. Debriefing. The General Section provides the procedures for requesting a debriefing. All requests for debriefings must be made in writing to: Madlyn Wohlman-Rodriguez, Office of University Partnerships, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 8106, Washington, DC 20410-6000.

Applicants may also write to Ms. Wohlman-Rodriguez via e-mail at Madlyn_Wohlmanrodriguez@hud.gov.

2. Administrative. Grants awarded under this NOFA will be governed by the provisions of 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations), A-21 (Cost Principles for Educational Institutions) and A-133 (Audits of States, Local Governments, and Non-Profit Organizations). Applicants can access the OMB circulars at the White House Web site at www.whitehouse.gov/omb/circulars/index.html.

3. OMB Circulars and Governmentwide Regulations Applicable to Financial Assistance Programs. The General Section provides further discussion.

4. Executive Order 13202, Preservation of Open Competition and Government Neutrality Towards Government Contractors Labor Relations on Federal and Federally Funded Construction Projects. See the General Section for further discussion.

5. Procurement of Recovered Materials. The General Section provides further information.

6. Executive Order 13166, Improving Access to Services For Persons With Limited English Proficiency (LEP). See the General Section for further discussion.

7. Code of Conduct. See the General Section for further discussion.

C. Reporting

All grant recipients under this NOFA are required to submit semi-annual progress reports. The progress reports shall consist of two components, a narrative that must reflect the activities undertaken during the reporting period and a financial report that reflects costs incurred by budget line items, as well as a cumulative summary of costs incurred during the reporting period.

For each reporting period, as part of the required report to HUD, grant recipients must include a completed Logic Model (HUD-96010), which identifies output and outcome achievements.

For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

VII. Agency Contacts

Applicants may contact Madlyn Wohlman-Rodriguez at (202) 708-3061, extension 5939 or Susan Brunson, at (202) 708-3061, extension 3852. Persons with speech or hearing impairments may call the Federal Information Relay Service (TTY) at (800) 877-8339. Except for the "800" number, these numbers are not toll-free. *mail to:* Applicants may also reach Ms. Rodriguez via e-mail at Madlyn_Wohlmanrodriguez@hud.gov and/or Ms. Brunson at Susan_S._Brunson@hud.gov.

VIII. Other Information

Paperwork Reduction Act

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2528-0198. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 59 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application semi-annual and final reports. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

Appendix A—Application Checklist—HSIAC

This checklist identifies application submission requirements. Applicants are requested to use this checklist when preparing an application to ensure submission of all required elements. Applicants submitting an electronic application do not have to submit the checklist. Applicants that receive a waiver of the electronic application submission requirement must include a copy of the checklist in their application.

Check off to ensure these items have been included in the application:

___ SF-424 "Application For Federal Assistance"

____ Application Checklist (Applicants that submit paper applications must include the checklist in their applications)

____ Abstract (must include no more than a two-page summary of the proposed project)

Indicate the page number where each of the Factors is located:

____ Narrative Statement Addressing the Rating Factors. The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative and abstract). This information must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one-inch margins (from the top, bottom, left, and right sides of the documents) and printed in standard Times New-Roman 12-point font.

[Applicants that submit applications via Grants.gov should review the General Section for information about file names and extensions. File names should not contain spaces or special characters.]

____ Factor I

____ Factor II

____ Factor III

____ Factor IV

____ Factor V

____ HUD-96010 "Logic Model"

Check off to ensure these items have been included in the application:

____ Appendix. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances).

____ Budget

____ Grant Application Detailed Budget (HUD-424-CB) ("HUD Detailed Budget Form" on Grants.gov).

____ Budget Narrative (No form provided, but must be submitted for the total three-year grant period).

Appendix B (All Required Forms)

The following forms are required for submission. All required forms are contained in the electronic application package.

____ Application for Federal Assistance (SF-424);

____ Survey on Ensuring Equal Opportunity for Applicants (SF-424 Supplement) ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);

____ Disclosure of Lobbying Activities (SF-LLL), if applicable;

____ Grant Application Detailed Budget (HUD-424-CB) ("HUD Detailed Budget" on Grants.gov);

____ Questionnaire for HUD's Removal of Regulatory Barriers (HUD-27300) ("HUD Communities Initiative Form" on Grants.gov), if applicable;

____ Applicant Recipient Disclosure Update Report (HUD-2880) ("HUD Applicant Recipient Disclosure Report" on Grants.gov);

____ Certification of Consistency with RC/EZ/EC-II Strategic Plan (HUD-2990), if applicable;

____ Certification of Consistency with the Consolidated Plan (HUD-2991), if applicable;

____ Acknowledgement of Applicant Receipt (Only applicants who submit paper applications (HUD-2993);

____ You Are Our Client! Grant Applicant Survey (HUD-2994-A);

____ Third Party Documentation Facsimile Transmittal (HUD-96011) ("Facsimile Transmittal Form" on Grants.gov), to be used as the cover page to transmit third party documents via facsimile, if applicable (See General Section); and

____ Logic Model (HUD-96010)

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**UNIVERSITY AND COLLEGE
PROGRAMS**

**ALASKA NATIVE/NATIVE HAWAIIAN
INSTITUTIONS ASSISTING COMMUNITIES
(AN/NHIAC) PROGRAM**

Billing Code 4210-01-C

Alaska Native/Native Hawaiian Institutions Assisting Communities (AN/NHIAC) Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Policy Development and Research, Office of University Partnerships.

B. Funding Opportunity Title: Alaska Native/Native Hawaiian Institutions Assisting Communities (AN/NHIAC) Program.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Numbers: FR-5100-N-12; OMB Approval Number is 2528-0206.

E. Catalog of Federal Domestic Assistance (CFDA) Number: The CFDA Number for this program is 14.515.

F. Dates: The application deadline date is May 23, 2007. Applications must be received and validated by Grants.gov by 11:59:59 p.m. eastern time on the deadline date. Please be sure to read the General Section for electronic application submission and receipt requirements.

G. Additional Overview Content Information:

1. Purpose of the Program. To assist Alaska Native/Native Hawaiian Institutions (AN/NHI) of higher education expand their role and effectiveness in addressing community development needs in their localities, including neighborhood revitalization, housing, and economic development, principally for persons of low and moderate income, consistent with the purposes of Title I of the Housing and Community Development Act of 1974, as amended.

2. Award Information. In Fiscal Year (FY) 2007, approximately \$2.9 million has been made available for this program by the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007) and an additional \$36,048 in carryover funds. An applicant can request up to \$800,000 for a three-year (36 months) grant performance period.

3. Eligible Applicants. Nonprofit Alaska Native and Native Hawaiian Institutions of Higher Education that meet the definitions of Alaska Native and Native Hawaiian Institutions of Higher Education established in Title III, Part A, Section 317 of the Higher Education Act of 1965, as amended by the Higher Education Amendments of 1998 (Pub. L. 105-244; enacted October 7, 1998). Institutions are not required to be on the list of eligible AN/NHIs prepared by the U.S. Department of Education. However, an institution that

is not on the list is required to provide a statement in the application that the institution meets the U.S. Department of Education's statutory definition of an AN/NHI institution. In order to meet the definition of an Alaska Native Institution, at least 20 percent of the undergraduate headcount enrollment must be Alaska Native students. If an applicant is a Native Hawaiian institution, at least 10 percent of the undergraduate headcount enrollment must be Native Hawaiian students in order to meet this definition. In addition, all applicants must be a two- or four-year institution, fully accredited by a national or regional accrediting agency recognized by the U.S. Department of Education. If an applicant is one of several campuses of the same institution, the applicant may apply separately from the other campuses as long as the campus has a separate DUNS number, administrative structure and budget, and meets the enrollment requirements outlined above.

Full Text of Announcement

I. Funding Opportunity Description

The purpose of the Alaska Native/Native Hawaiian Institutions Assisting Communities (AN/NHIAC) Program is to assist Alaska Native/Native Hawaiian Institutions (AN/NHI) of higher education expand their role and effectiveness in addressing community development needs in their localities, including neighborhood revitalization, housing, and economic development, principally for persons of low and moderate income, consistent with the purposes of Title I of the Housing and Community Development Act of 1974, as amended.

A. Authority

HUD's authority for making funding available under this NOFA is the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007). This program is being implemented through this NOFA and the policies governing its operation are contained herein.

B. Modifications

Listed below are major modifications from the FY2006 program-funding announcement:

1. Commitment letters, memoranda of understanding and/or agreements are not required to be submitted with the application but the originals must be on file at the time of application submission. HUD will require applicants chosen to proceed to the next step in the selection process to submit the signed commitment letters,

memoranda of understanding and/or agreements outlined in the application within seven (7) calendar days after initial contact from the Office of University Partnerships (OUP). OUP will provide specific instructions on how these documents must be submitted at that time. HUD will only request and consider the resources/organizations outlined in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

2. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances). An applicant **SHOULD NOT** submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up material. Each page must include the applicant's name and should be numbered. HUD will not consider the information on any excess pages.

3. Applicants must budget for travel costs to attend at least one HUD sponsored AN/NHIAC conference/workshop every year of the three-year grant performance period.

II. Award Information

In Fiscal Year (FY) 2007, approximately \$2.9 million is made available for this program with an additional \$36,048 in carryover funds. HUD will award grants under this program to Alaska Native Institutions (ANI) and Native Hawaiian Institutions (NHI). An applicant can request up to \$800,000 for a three-year (36 months) grant performance period.

III. Eligibility Information

A. Eligible Applicants

Nonprofit Alaska Native and Native Hawaiian Institutions of Higher Education that meet the definitions of Alaska Native and Native Hawaiian Institutions of Higher Education established in Title III, Part A, Section 317 of the Higher Education Act of 1965, as amended by the Higher Education Amendments of 1998 (Pub. L. 105-244; enacted October 7, 1998). Institutions are not required to be on the list of eligible AN/NHIs prepared by the U.S. Department of Education. However, an institution that is not on the list is required to provide a statement in the application that the institution meets the U.S. Department of Education's statutory definition of an AN/NHI institution. In order to meet the definition of an Alaska Native Institution, at least 20 percent of the

undergraduate headcount enrollment must be Alaska Native students. If an applicant is a Native Hawaiian institution, at least 10 percent of the undergraduate headcount enrollment must be Native Hawaiian students in order to meet this definition. In addition, all applicants must be a two- or four-year institution, fully accredited by a national or regional accrediting agency recognized by the U.S. Department of Education. If an applicant is one of several campuses of the same institution, the applicant may apply separately from the other campuses as long as the campus has a separate DUNS number, administrative structure and budget, and meets the enrollment requirements outlined above.

B. Cost Sharing or Matching

None required.

C. Other

1. Eligible Activities: Eligible activities are listed in 24 CFR Part 570, subpart C, particularly § 570.201 through § 570.206. Information regarding these activities can be found at: www.hudclips.org (click on the Code of Federal Regulations for detailed information).

Eligible activities include, but are not limited to:

- a. Acquisition of real property;
- b. Clearance and demolition;
- c. Rehabilitation of residential structures and compliance with the accessibility requirements contained in Section 504 of the Rehabilitation Act of 1973;
- d. Acquisition, construction, reconstruction, rehabilitation, or installation of public facilities and improvements, such as water and sewer facilities and streets; including lead-based paint hazard evaluation and reduction and compliance with the accessibility requirements contained in Section 504 of the Rehabilitation Act of 1973 and Americans with Disabilities Act of 1990;
- e. Direct homeownership assistance to low- and moderate-income persons, as provided in section 105(a) (25) of the Housing and Community Development Act of 1974;
- f. Special economic development activities described at 24 CFR 570.203 and assistance to facilitate economic development by providing technical or financial assistance for the establishment, stabilization, and expansion of microenterprises, including minority enterprises;
- g. Assistance to community-based development organizations (CBDO) to carry out neighborhood revitalization,

community economic development, or energy conservation projects, in accordance with 24 CFR 570.204. This could include activities in support of a HUD-approved local entitlement grantee, CDBG Neighborhood Revitalization Strategy (NRS) or HUD-approved State CDBG Community Revitalization Strategy (CRS);

h. Public service activities such as general support activities that can help to stabilize a neighborhood and contribute to sustainable redevelopment of the area, including but not limited to such activities as those concerned with employment, crime prevention, child care, health care services, drug abuse, education, housing counseling, energy conservation, homebuyer down payment assistance, establishing and maintaining Neighborhood Network centers in federally assisted or insured housing, job training and placement and recreational needs;

i. Fair housing services designed to further the civil rights objectives of the Fair Housing Act (42 U.S.C. 3601–20) by making all persons, without regard to race, color, religion, sex, national origin, familial status, and/or disability aware of the range of housing opportunities available to them;

j. Up to 20 percent of the grant may be used for payments of reasonable grant administrative costs related to planning and execution of the project (e.g., preparation/submission of HUD reports, etc.). Detailed explanations of these costs are provided in the OMB circulars that can be accessed at the White House Web site at: www.whitehouse.gov/omb/circulars/index.html; and

Each activity proposed for funding must meet the Community Development Block Grant (CDBG) program are listed in Rating Factor 3 in Section V.A.3 of this NOFA.

Criteria for determining whether an activity addresses one or more of these objectives are provided at 24 CFR 570.208.

The CDBG publication entitled “Community Development Block Grant Program Guide to National Objectives and Eligible Activities for Entitlement Communities” describes the CDBG regulations, and a copy can be obtained online at <http://www.hud.gov/offices/cpd/communitydevelopment/library/desktop.cfm>, or from HUD’s NOFA Information Center at 800-HUD-8929. Individuals with hearing or speech impairments may access this number via the toll-free Federal Information Relay Service at 800-877-8339.

2. Threshold Requirements
Applicable to all Applicants. All applicants must comply with the

threshold requirements as defined in the General Section and the requirements listed below. Applications that do not meet these requirements will be considered ineligible for funding and will be disqualified.

a. The applicant must meet the eligibility requirements as defined in Section III.A

b. The applicant may request up to \$800,000.

c. An applicant must have a separate DUNS number to receive HUD grant funds (See the General Section). Only one application can be submitted per campus. If multiple applications are submitted, all will be disqualified. However, different campuses of the same university system are eligible to apply as long as they have a separate DUNS number and an administrative and budgeting structure independent of the other campuses in the system.

d. Institutions that received grants in FY2006 are not eligible to submit an application under this NOFA.

e. Applicants must receive a minimum score of 75 points to be considered for funding.

f. Electronic applications must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date.

3. Program Requirements. In addition to the program requirements listed in Section III.C of the General Section, applicants must meet the following program requirements:

a. All funds awarded are for a three-year (36 months) grant performance period.

b. Applicants must ensure that not less than 51 percent of the aggregated expenditures of a grant award are used to benefit low- and moderate-income persons under the criteria specified in 24 CFR 570.208(a) or 570.208(d)(5) or (6).

c. Site Control. Where grant funds will be used for acquisition, rehabilitation, or new construction, an applicant must demonstrate site control. Funds may be recaptured or deobligated from recipients that cannot demonstrate control of a suitable site within one year after the initial notification of award.

d. Environmental Requirements. Selection for award does not constitute approval of any proposed sites. Following selection for award, HUD will perform an environmental review of properties proposed for assistance in accordance with 24 CFR part 50. The results of the environmental review may require that proposed activities be modified or proposed sites be rejected. Applicants are particularly cautioned not to undertake or commit funds for acquisition or development of proposed

properties prior to HUD approval of specific properties or areas. An application constitutes an assurance that the institution will assist HUD to comply with part 50; will supply HUD with all available and relevant information to perform an environmental review for each proposed property; will carry out mitigating measures required by HUD or select alternate property; and will not acquire, rehabilitate, convert, demolish, lease, repair, or construct property, and not commit or expend HUD or local funds for these program activities with respect to any eligible property until HUD's written approval of the property is received. In supplying HUD with environmental information, applicants should use the same guidance as provided in the HUD Notice CPD-05-07 entitled, "Field Environmental Review Processing for Rural Housing and Economic Development (RHED) grants" issued August 30, 2005. The General Section provides further discussion of the environmental requirements. Further information and assistance on HUD's environmental requirements is available at: <http://hudstage.hud.gov/utilities/intercept.cfm?/offices/cpd/lawsregs/notices/2005/05-07.pdf>.

e. Labor Standards. Institutions and their subgrantees, contractors, and subcontractors must comply with the labor standards (Davis-Bacon) requirements referenced in 24 CFR 570.603.

f. Economic Opportunities for Low- and Very-Low Income Persons (Section 3). The provisions of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) apply to this NOFA. One of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, job training, employment, contracting and other economic opportunities to Section 3 residents and Section 3 business concerns. Regulations are located at 24 CFR Part 135.

IV. Application and Submission Information

A. Address To Request Application Package

Applicants may download the instructions to the application found on the Grants.gov Web site at http://www.Grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information you may call the Grants.gov Support Desk toll free 800-518-GRANTS or e-mail your questions to Support@Grants.gov. See the General Section for information

regarding the registration process or ask for registration information from the Grants.gov Support Desk.

B. Content and Form of Application Submission

1. Forms. The following forms are required for submission. Copies of these forms are available on line at www.grants.gov/applicants/apply_for_grants.jsp.

a. SF-424, Application for Federal Assistance;

b. SF-424 Supplement, Survey on Ensuring Equal Opportunities for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);

c. HUD-424-CB, Grant Application Detailed Budget ("HUD Detailed Budget Form" on Grants.gov);

d. SF-LLL, Disclosure of Lobbying Activities, if applicable;

e. HUD-27300, Questionnaire for HUD's Removal of Regulatory Barriers ("HUD Communities Initiative" on Grants.gov), if applicable;

f. HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov);

g. HUD-2990, Certification of Consistency with RC/EZ/EC-II Strategic Plan, if applicable;

h. HUD-96010, Program Logic Model;

i. HUD-2993, Acknowledgement of Applicant Receipt. Complete this form only if you have received a waiver to the electronic application submission requirement. Applicants submitting electronically are not required to include this form;

j. HUD-2994-A, You Are Our Client Grant Applicant Survey. Applicants are not required to complete this form.

k. HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov). This form must be used as the cover page to transmit third party documents and other information. Applicants are advised to download the application package, complete the SF-424 first and it will pre-populate the Transmittal Cover page. The Transmittal Cover page will contain a unique identifier embedded in the page that will help HUD associate your faxed materials to your application. Please download the cover page and then make multiple copies to provide to any of the entities responsible for submitting faxed materials to HUD on your behalf. Please do not use your own fax sheet. HUD will not read any faxes that are sent without the HUD-96011 fax transmittal cover page; and

2. Certifications and Assurances. Please read the General Section for detailed information on all

Certifications and Assurances. All applications submitted through Grants.gov constitute an acknowledgement and agreement to all required certifications and assurances. Please include in your application each item listed below. Applicants submitting paper copy applications should submit the application in the following order:

a. SF-424, Application for Federal Assistance. Please remember the following:

(1) The full grant amount requested from HUD (entire three years) should be entered, not the amount for just one year;

(2) Include the name, title, address, telephone number, facsimile number, and e-mail address of the designated contact; this is the person who will receive all correspondence; therefore, please ensure the accuracy of the information;

(3) The Employer Identification/Tax ID number;

(4) The DUNS Number;

(5) The Catalog of Federal Domestic Assistance Number for this program is 14.515;

(6) The project's proposed start date and completion date. For the purpose of this application, the program start date should be December 1, 2007; and

(7) The signature of the Authorized Organization Representative (AOR) who, by virtue of submitting an application via Grants.gov, has been authenticated by the credential provider to submit applications on behalf of the Institution and approved by the eBusiness Point of Contact to submit an application via Grants.gov. The AOR must be able to make a legally binding agreement with HUD.

b. Application Checklist. Applicants should use the checklist to ensure that they have all the required components of their application. Applicants submitting an electronic application should not submit the checklist. Applicants that receive a waiver of the electronic application submission requirement must include a copy of the checklist in their application submission. The checklist can be located in Appendix A.

c. Abstract. Applicants must include no more than a two-page summary of the proposed project. Please include the following:

(1) A clear description of each proposed project activity, where it will take place (be located), the target population that will be assisted, and the impact this project is expected to have on the community and institution;

(2) A statement that the institution is an eligible institution because it is a

two-or four-year fully accredited institution, the name of the accrediting agency and an assurance that the accrediting agency is recognized by the U.S. Department of Education;

(3) A statement that the institution meets the definition of an Alaska Native Institution, or a Native Hawaiian Institution, as appropriate;

(4) The designated contact person, including phone number, facsimile number, and e-mail address. (This is the person who will receive *all correspondence*; therefore, please ensure the accuracy of the information.);

(5) The project director, if different from the designated contact person, for the project, including phone number, facsimile number, and e-mail address.

d. Narrative statement addressing the Rating Factors. HUD will use the narrative response to the "Rating Factors" to evaluate, rate, and rank applications. The narrative statement is the main source of information.

Applicants are advised to review each factor carefully for program specific requirements. The response to each factor should be concise and contain only information relevant to the factor, yet detailed enough to address each factor fully. PLEASE DO NOT REPEAT MATERIAL IN RESPONSE TO THE FIVE FACTORS; INSTEAD, FOCUS ON HOW WELL THE PROPOSAL RESPONDS TO EACH OF THE FACTORS. Where there are subfactors, each subfactor must be presented separately, with the short title of the subfactor presented. Make sure to address each subfactor and provide sufficient information about every element of the subfactor. The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative, assurances, and abstract) and must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one inch margins (from the top, bottom and left to right side of the document) and printed in standard Times New Roman 12-point font. Each page of the narrative must include the applicant's name and should be numbered. Note that although submitting pages in excess of the page limit will not disqualify an applicant, HUD will not consider the information on any excess pages. This exclusion may result in a lower score or failure to meet a threshold requirement. All applicants submitting electronic applications must attach their narrative responses to Rating Factors 1–5 as one attachment. PLEASE DO NOT ATTACH YOUR RESPONSE TO EACH FACTOR SEPARATELY. Please follow the instructions on file extension and file names in the General Section.

e. Budget. The budget submission must include the following:

(1) HUD-424-CB, "Grant Application Detailed Budget." This form shows the total budget by year and by line item for the program activities to be carried out with the proposed HUD grant. Each year of the program should be presented separately. Applicants must also budget for travel cost (airfare, lodging and per diem) for two individuals to attend at least one HUD sponsored AN/NHIAC conference/workshop every year of the three-year grant performance period. To calculate travel expenses, applicants should use Washington, DC as the site of all conferences/workshops. Applicants must also submit this form to reflect the total cost for the entire grant performance period (Grand Total).

Make sure that the amounts shown on the SF-424, the HUD-424-CB and on all other required program forms are consistent and the budget totals are correct. Remember to check addition in totaling the categories on all forms so that all items are included in the total. If there is any inconsistency between any of the required budget forms, the HUD-424-CB will be used. All budget forms must be fully completed. If an application is selected for award, the applicant may be required to provide greater specificity to the budget during grant agreement negotiations.

(2) *Budget Narrative*. A narrative must be submitted that explains how the applicant arrived at the cost estimates for any line item over \$5,000 cumulative. For example, an applicant proposes to construct a building using HUD funding totaling \$200,000. The following costs estimate reflects this total. Foundation cost \$75,000, electrical work \$40,000, plumbing work \$40,000, finishing work \$35,000, and landscaping \$10,000. The proposed cost estimates should be reasonable for the work to be performed and consistent with rates established for the level of expertise required to perform the work proposed in the geographical area. When necessary, quotes from various vendors or historical data should be used (please make sure they are kept on file and are available for review by HUD at any time). When an applicant proposes to use a consultant, the applicant must indicate whether there is a formal written agreement. For each consultant, please provide the name, if known, hourly or daily rate, and the estimated time on the project. Applicants must use cost estimates based on historical data from the institution and/or from a qualified firm (e.g., Architectural or Engineering firm), vendor, and/or qualified individual (e.g., independent architect or

contractor) other than the institution for projects that involve rehabilitation of residential, commercial and/or industrial structures, and/or acquisition, construction, or installation of public facilities, and improvements. Such an entity must be involved in the business of housing rehabilitation, construction, and/or management. Equipment and contracts cannot be presented as a total estimated cost. For equipment, applicants must provide a list by type and cost for each item. Applicants using contracts must provide an individual description and cost estimate for each contract. Construction costs must be broken down to indicate how funds will be utilized (e.g., demolition, foundation, exterior walls, roofing, electrical work, plumbing, finishing work, etc.)

(3) *Indirect costs*. Indirect costs, if applicable, are allowable based on an established approved indirect cost rate. Applicants must have on file, and submit to HUD if selected for award, a copy of their indirect cost rate agreement. Applicants who are selected for funding that do not have an approved indirect cost rate agreement, established by the cognizant federal agency, will be required to establish a rate. In such cases, HUD will issue an award with a provisional rate and assist applicants with the process of establishing a final rate.

f. Appendix. Applicants receiving a waiver of the electronic submission requirements and submitting a paper copy of the application must place all required forms in this section. The appendix section of the an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances) An applicant SHOULD NOT submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up materials. If this information is included, it will not be considered during the review process. Each page must include the applicant's name and should be numbered. HUD will not consider the information on any excess pages. The additional items will also slow the transmission of your application.

C. Submission Dates and Times

A complete application package must be received and validated electronically by the Grants.gov portal no later than 11:59:59 p.m. eastern time on or before the application deadline date. In an effort to address any issues with transmission of your applications, applicants are strongly encouraged to submit their applications at least 48 to 72 hours prior to the application deadline. This will allow an applicant enough time to make the necessary

adjustments to meet the submission deadline in the event Grants.gov rejects the application. Please see the General Section for further instructions. Electronic faxes using the Facsimile Transmittal Cover Sheet (Form HUD-96011) contained in the electronic application must be received no later than 11:59:59 p.m. eastern time on the application deadline date.

D. Intergovernmental Review

This program is excluded from an Intergovernmental Review.

E. Funding Restrictions

Ineligible CDBG Activities are listed at 24 CFR 570.207. Ineligible activities include but are not limited to:

1. New construction of public housing;
2. General government expenses;
3. Political activities;
4. Planning and administrative activities that would result in a grantee exceeding the 20 percent cost limitations (e.g., preparation/submission of HUD reports);
5. Development and/or expansion of an institution's existing curriculum when it is primarily to enhance the institution rather than to achieve the specific goals/objectives of the proposed project; and
6. Construction, renovation, expansion of an institution's own facilities.

F. Other Submission Requirements

1. Application Submission and Receipt Procedure. Please read the General Section carefully and completely for the submission and receipt procedures for all applications because failure to comply may disqualify your application.

2. Waiver of Electronic Submission Requirements. Applicants should submit their waiver requests in writing using e-mail or fax. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to:

Susan Brunson, Office of University Partnerships, E-mail: Susan_S._Brunson@hud.gov, FAX: (202) 708-0309.

Paper applications will not be accepted from applicants that have not been granted a waiver. If an applicant is granted a waiver, the Office of University Partnerships will provide instructions for submission. All applicants submitting applications in paper format must have received a waiver to the electronic application submission requirement and the application must be received by HUD on or before the application deadline date.

V. Application Review Information

A. Criteria

1. Rating Factor 1: Capacity of the Applicant and Relevant Experience (25 Points)

This factor addresses the extent to which the applicant has the resources necessary to successfully implement the proposed project in a timely manner.

a. Knowledge and Experience. For First Time Applicants (25 Points) For Previously Funded Applicants (13 Points). In rating this subfactor, HUD will consider the extent to which the applicant clearly addresses the following:

(1) Describe the knowledge and experience of the proposed project director and staff, including the day-to-day program manager/coordinator, consultants (including technical assistance providers), and contractors in planning and managing the type of project for which funding is being requested; and

(2) Clearly identify the following: key project team members, titles (e.g., project manager/coordinator, etc.), respective roles for the project staff, and a brief description of their relevant experience.

If key personnel have not been hired, applicants must identify the position title, provide a description of duties and responsibilities, and describe the qualifications to be considered in the selection of personnel, including subcontractors and consultants.

Experience will be judged in terms of recent and relevant knowledge and skills of the staff to undertake eligible program activities. HUD will consider experience within the last five (5) years to be recent and experience pertaining to similar activities to be relevant.

b. Past Performance (12 Points) For Previously Funded Applicants Only. This subfactor will evaluate how well an applicant has performed successfully under HUD/AN/NHIAC grants. Applicants must demonstrate this by addressing the following information for all previously completed and open HUD/AN/NHIAC grants:

(1) A list of all HUD/AN/NHIAC grants received, including the dollar amount awarded and the amount expended and obligated as of the date of this application;

(2) A description of the achievement of specific tasks, measurable objectives, and specific outcomes consistent with the approved project management plan;

(3) A list detailing the date the project(s) was completed, was it completed in the original three-year grant performance period; if not

completed, why (including when it was or will be completed);

(4) A comparison of the amount of proposed leveraged funds and/or resources to the amount that was actually leveraged; and

(5) A detailed description of compliance with all reporting requirements, including timeliness of submission, whether reports were complete and addressed all information (both narrative and financial) as required by the grant agreement.

HUD will also review an applicant's past performance in managing funds, including, but not limited to: The ability to account for funding appropriately; timely use of funds received from HUD; meeting performance targets for completion of activities. In evaluating past performance, HUD reserves the right to deduct up to five (5) points from this rating score as a result of the information obtained from HUD's records (i.e., progress and financial reports, monitoring reports, Logic Model submissions, and amendments).

2. Rating Factor 2: Need/Extent of the Problem (10 Points)

This factor addresses the extent to which there is a need for funding the proposed program activities and an indication of the importance of meeting the need(s) in the target area. The need(s) described must be relevant to the activities for which funds are being requested. In addressing this factor, applicants should provide, at a minimum, the following and must cite statistics and/or analyses contained in at least one or more current data sources that are sound and reliable.

(1) Describe the need(s); and

(2) Describe the importance of meeting the proposed needs.

In rating this factor, HUD will consider only current data that is specific to the area where the proposed project activities will be carried out. Sources for localized data can be found at: www.ffiec.gov.

HUD will consider data collected within the last five (5) years to be current. To the extent that the targeted community's Five (5) Year Consolidated Plan and Analysis of Impediments to Fair Housing Choice (AI) identify the level of the problem and the urgency in meeting the need, applicants should include references to these documents in the response to this factor.

Other reliable data sources include, but are not limited to, Census reports, HUD Continuum of Care gap analysis and its E-MAP (<http://www.hud.gov/emaps>), law enforcement agency crime reports, Public Housing Agencies' Comprehensive Plans, community

needs analyses such as provided by the United Way, the applicant's institution, and other sound, reliable and appropriate sources. Needs in terms of fulfilling court orders or consent decrees, settlements, conciliation agreements, and voluntary compliance agreements may also be addressed.

3. Rating Factor 3: Soundness of Approach (44 Points)

This factor addresses the quality and effectiveness of the proposed work plan and the commitment of the institution to sustain the proposed project activities.

a. (37 Points) Quality of the Work Plan. This subfactor will be evaluated on the extent to which an applicant provides a clear detailed description of the proposed project activities, anticipated accomplishments and the impact they will have on the target population at the end of the project.

(1) (32 Points) Specific Activities. The work plan must describe all proposed project activities and major tasks required to successfully implement them. The work plan must also identify the anticipated accomplishment and impact these activities will have on the target population. In addressing this subfactor applicants must provide a clear description of each proposed activity and address the following:

(a) Describe each proposed project activity in measurable terms (e.g., the number of homes that will be renovated, the number of jobs created, etc.);

(b) List and describe how each activity meets one of the following Community Development Block Grant (CDBG) Program national objectives:

- Benefit low- and moderate-income person;
- Aid in the prevention or elimination of slums or blight; or
- Meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health and welfare of the community, and other financial resources are not available to meet such needs.

Criteria for determining whether an activity addresses one or more objectives are provided at 24 CFR 570.208;

(c) Describe the measurable outcomes that will be realized as a result of implementing each activity (by the end of the grant period) will have or expect to have on the target population;

(d) Identify the major tasks required (in sequential order) to successfully implement and complete each proposed project activity. Include the target

completion dates for these tasks (in 6 month intervals, up to 36 months);

(e) Identify key staff, as described in Factor 1, who will be responsible and accountable for completing each task; and

(f) Describe how the project director will work with partners and citizens to accomplish the proposed project activities.

(2) (5 Points) Describe clearly how each proposed activity will:

(a) Expands the role of the institution in the community;

(b) Address the needs identified in Factor 2;

(c) Relate to and not duplicate other activities in the target area. Duplicative efforts will be acceptable only if an applicant can demonstrate through documentation that there is a population in need that is not being served; and

(d) Involve citizens of the target area in the planning and implementation of the proposed project activity (e.g., development of an advisory committee that is representative of the target community).

b. (3 Points) Involvement of the faculty and students. The applicant must describe how it proposes to integrate the institution's students and faculty into the proposed project activities.

c. (2 Points) HUD Policy Priorities. As described in the General Section, to earn points under this subfactor, HUD requires applicants to undertake specific activities that will assist the Department in implementing its policy priorities and that help the Department achieve its goals and objectives in FY2008, when the majority of grant recipients will be reporting programmatic results and achievements. In rating this subfactor, HUD will evaluate the extent to which a program will further and support HUD's priorities. The quality of the responses provided to one or more of HUD's priorities will determine the score an applicant can receive. Applicants must describe how each policy priority selected will be addressed. Applicants that just list a priority will receive no points.

The total number of points an applicant can receive under this subfactor is two (2). Each policy priority addressed has a point value of one (1) point with the exception of the policy priority to remove regulatory barriers to affordable housing, which has a point value of up to two (2) points. To receive these two (2) points, an applicant must: (1) complete either Part A or Part B (not both), (2) include appropriate documentation, (3) identify a point of contact, (4) indicate how this priority

will be addressed and (5) submit the completed questionnaire, (HUD-27300) "HUD's Initiative on Removal of Regulatory Barriers" found in the General Section along with required documentation. It is up to the applicant to determine which of the policy priorities they elect to address to receive the available two (2) points.

d. (2 Points) Economic Opportunities for Low- and Very-Low Income Persons (Provision of Section 3). This subfactor will be evaluated on the extent to which an applicant describes how it proposes to:

(1) Provide opportunities to train and employ Section 3 residents; and/or

(2) Award contracts to Section 3 contractors (See the regulations at 24 CFR).

Regulations regarding the provision of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) can be located at 24 CFR Part 135.

4. Rating Factor 4: Leveraging Resources (9 Points)

This factor addresses the ability of the applicant to secure resources and develop partnerships that can be combined with HUD's grant funds to achieve the program's purpose.

HUD will consider the extent to which the applicant established partnerships with other entities to secure additional resources to increase the effectiveness of the proposed project activities. Resources may include funding or in-kind contributions, such as services or equipment, allocated for the purpose(s) of the project activities. Resources may be provided by governmental entities, public or private nonprofit organizations, for-profit private organizations, or other entities. Applicants may also establish partnerships with other program funding recipients to coordinate the use of resources in the target area. Overhead and other institutional costs (e.g., salaries, indirect costs, etc.) that the institution has waived may be counted.

Examples of potential sources for outside assistance include:

- Federal, state, and local governments
- Public Housing Agencies
- Local or national nonprofit organizations
- Financial institutions and/or private businesses
- Foundations
- Faith-based and other community-based organizations.

To address this factor, an applicant must provide an outline in the application and have the original commitment letters, memoranda of

understanding and/or agreements that show the extent and firm commitment of all proposed leveraged resources (including any commitment of resources from the applicant's own institution) that address the following information for each leveraged resource/fund on file at the time of application submission:

(1) The name of the organization and the executive officer authorizing the funds/goods and/or services (only applicable to the narrative section);

(2) The cash amount contributed or dollar value of the in-kind goods and/or services committed (If a dollar amount and its use is not shown, the value of the contribution will not be scored for award);

(3) A specific description of how each contribution is to be used toward the proposed activities;

(4) A description of the current and/or past working relationship that the institution has with the organization contributing the resources and the involvement they will have with this proposed project.

(5) The date the contribution will be made available and a statement that describes the duration of the contribution;

(6) Any terms or conditions affecting the commitment, other than receipt of a HUD Grant; and

(7) The signature of the appropriate executive officer authorized to commit the funds and/or goods and/or services. (Only applicable to the written documentation) Please remember that only items eligible for funding under this program can be counted.

Do not submit commitment letters, memoranda of understanding and/or agreements at the time of application submission but have the originals on file at the time of submission. IF THIS INFORMATION IS INCLUDED, IT WILL NOT BE CONSIDERED DURING THE REVIEW PROCESS. Applicants chosen to proceed to the next step in the selection process for award will be required to submit the signed commitment letters, memoranda of understanding and/or agreements outlined in the application, within seven (7) calendar days after initial contact from the Office of University Partnerships (OUP). Letters, memoranda of understanding, or agreements must be submitted on the provider's letterhead and should be addressed to Sherone Ivey, Associate Deputy Assistant Secretary for University Partnerships. The date of the letter, memorandum of understanding, or agreement from the CEO of the provider organization must be dated no earlier than nine months prior to this published NOFA. OUP will provide specific instructions on how

these documents must be submitted when contact is made with the applicant. HUD will only request and consider the resources/organizations that are listed in the outline submitted in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

In scoring this factor, HUD will award:

- Nine (9) points to an applicant that provides properly documented leveraging resources as listed in their application that are 15 percent or more of the amount requested under this program;

- Seven (7) to eight (8) points to applicants that provide documentation that includes at least five of the seven required items outlined above and that represents 10 to 14 percent of the amount requested under this program;

- Five (5) to six (6) points to applicants that provide documentation that includes at least four of the seven required items outlined above and that represents 10 to 14 percent of the amount requested under this program;

- Three (3) to four (4) points to applicants that provide documentation that includes at least five of the seven required items outlined above and that represents 5 to 9 percent of the amount requested under this program;

- One (1) to two (2) points to applicants that provide documentation that includes at least three of the seven required items outlined above and that represents 5 to 9 percent of the amount requested under this program; and

- Zero (0) points to applicants that provide documentation of leveraging resources as listed above that are less than 5 percent of the amount requested.

5. Rating Factor 5: Achieving Results and Program Evaluation (12 Points)

This factor reflects HUD's goal to embrace high standards of management and accountability. It measures the applicant's commitment to assess their performance to achieve the program's proposed objectives and goals. Applicants are required to develop an effective, quantifiable, outcome oriented evaluation plan for measuring performance and determining that objectives and goals have been achieved by using the Logic Model. The Logic Model is a summary of the narrative statements presented in Factors 1–4. Therefore, the information submitted on the Logic Model should be consistent with the information contained in the narrative statements.

"Outcomes" are benefits accruing to institutions of higher education and/or

communities during or after participation in the AN/NHIAC program. Applicants must clearly identify the outcomes to be measured and achieved. Examples of outcomes include increased community development in the target community by a certain percentage, increased employment opportunities in the target community by a certain percentage, increased incomes/wages or other assets for persons trained, and or enhanced family stability through the creation of affordable housing opportunities.

In addition, applicants must establish interim benchmarks and outputs that lead to the ultimate achievement of outcomes. "Outputs" are the direct products of the program's activities. Examples of outputs are the number of new affordable housing units, the number of homes that have been renovated, and the number of facilities that have been constructed or rehabilitated. Outputs should produce outcomes for the program. At a minimum, an applicant must address the following activities in the evaluation plan:

- a. Measurable outputs to be accomplished (e.g., the number of persons to be trained and employed; houses to be built pursuant to 24 CFR 570.207 or rehabilitated; minority-owned businesses to be started);

- b. Measurable outcomes the grant will have on the community in general and the target area or population; and

- c. The impact the grant will have on assisting the university to obtain additional resources to continue this type of work at the end of the grant performance period.

The information must be placed on a HUD-96010, Program Logic Model form. HUD has developed a new approach to completing this form. Please carefully read the General Section for instructions, training is available. (Form HUD-96010 will be excluded from the page count.) If an applicant utilizes "other" from the Logic Model categories, then the applicant should describe briefly this "other" category within the Rating Factor 5 narrative. If a narrative is provided, those pages will be included in the page count.

B. Review and Selection Process

1. Application Selection Process

Two types of reviews will be conducted:

- a. A threshold review to determine an applicant's basic eligibility; and

- b. A technical review for all applications that pass the threshold review to rate and rank the application

based on the "Rating Factors" listed in Section V.A.

Only those applications that pass the threshold review will receive a technical review and be rated and ranked.

2. Rating Panels

To review and rate applications, HUD may establish panels, which may include experts or consultants not currently employed by HUD to obtain certain expertise.

3. Ranking

HUD will fund applications in rank order, until all available program funds are awarded. In order to be considered for funding, an applicant must receive a minimum score of 75 points out of a possible 100 points for Factors 1 through 5, plus up to two bonus points that may be awarded for activities conducted in the RC/EZ/EC-II communities, as described in the General Section. If two or more applications have the same number of points, the application with the most points for Factor 3 shall be selected. If there is still a tie, the application with the most points for Factor 1 shall be selected. If there is still a tie, the application with the most points for Factors 2, 4 and then 5 shall be selected, in that order, until the tie is broken. HUD reserves the right to make selections out of rank order to provide for geographic distribution of grantees.

HUD also reserves the right to reduce the amount of funding requested in order to fund as many highly ranked applications as possible. Additionally, if funds remain after funding the highest ranked applications, HUD may fund part of the next highest-ranking application. If an applicant turns down an award offer, HUD will make an award to the next highest-ranking application. If funds remain after all selections have been made, the remaining funds will be carried over to the next funding cycle's competition.

4. Correction to Deficient Applications

See the General Section.

C. Anticipated Announcement and Award Dates

Announcements of awards are anticipated on or before September 30, 2007.

VI. Award Administration Information

A. Award Notices

After all selections have been made, HUD will notify all winning applicants in writing. HUD may require winning applicants to participate in additional negotiations before receiving an official

award. For further discussion on this matter, please refer to the General Section.

B. Administrative and National Policy Requirements

Refer to the General Section.

1. Debriefing. The General Section provides the procedures for requesting a debriefing. All requests for debriefings must be made in writing to: Sherone Ivey, Office of University Partnerships, Department of Housing and Urban Development; 451 Seventh Street, SW., Room 8106; Washington, DC 20410-6000. Applicants may also write to Ms. Ivey via e-mail at Sherone_E_Ivey@hud.gov.

2. Administrative. Grants awarded under this NOFA will be governed by the provisions of 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations), A-21 (Cost Principles for Educational Institutions) and A-133 (Audits of States, Local Governments, and Non-Profit Organizations). Applicants can access the OMB circulars at the White House Web site at: www.whitehouse.gov/omb/circulars/index.html.

3. OMB Circulars and Government-wide Regulations Applicable to Financial Assistance Programs. The General Section provides further discussion.

4. Executive Order 13202, Preservation of Open Competition and Government Neutrality Towards Government Contractors Labor Relations on Federal and Federally Funded Construction Projects. See the General Section for further discussion.

5. Procurement of Recovered Materials. See Section the General Section for further discussion.

6. Executive Order 13166, Improving Access to Services For Persons With Limited English Proficiency (LEP). See the General Section for further discussion.

7. Code of Conduct. See the General Section for further discussion.

C. Reporting

All grant recipients under this NOFA are required to submit quarterly progress reports.

The progress reports shall consist of two components, a narrative that must reflect the activities undertaken during the reporting period and a financial report that reflects costs incurred by budget line item, as well as a cumulative summary of cost incurred during the reporting period.

For each reporting period, as part of the required report to HUD, grant recipients must include a completed

Logic Model form (HUD-96010), which identifies output and outcome achievements.

For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

VII. Agency Contacts

Applicants may contact Sherone Ivey at (202) 708-3061, extension 4200 or Susan Brunson at (202) 708-3061, extension 3852. Persons with speech or hearing impairments may call the Federal Information Relay Service TTY at (800) 877-8339. Except for the "800" number, these numbers are not toll-free. Applicants may also reach Ms. Ivey via e-mail at Sherone_E_Ivey@hud.gov, and/or Ms. Brunson at Susan_S_Brunson@hud.gov.

VIII. Other Information: Paperwork Reduction Act

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2528-0206. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 59 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, quarterly, and final reports. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

Appendix A—Application Checklist—AN/NHIAC

This checklist identifies application submission requirements. Applicants are requested to use this checklist when preparing an application to ensure submission of all required elements. Applicants submitting an electronic application do not have to submit the checklist. Applicants that receive a waiver of the electronic application submission requirement should include a copy of the checklist in their application.

Check off to ensure these items have been included in the application:

___ SF-424 “Application for Federal Assistance”

___ Application Checklist (Applicants that submit paper applications must include the checklist in their applications)

___ Abstract (must include no more than a two-page summary of the proposed project)

___ *Indicate the page number where each of the ___ Factors is located:*

___ Narrative Statement Addressing the Rating Factors. The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative and abstract). This information must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one-inch margins (from the top, bottom, left, and right sides of the documents) and printed in standard Times New-Roman 12-point font. [Applicants that submit applications via Grants.gov should review the General Section for information about file names and extensions.

File names should not contain spaces or special characters.

___ Factor I

___ Factor II

___ Factor III

___ Factor IV

___ Factor V

___ HUD-96010 “Logic Model”

___ *Check off to ensure these items have been included in the application:*

___ Appendix. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances).

___ Budget

___ HUD-424-CB, Grant Application Detailed Budget (“HUD Detailed Budget Form” on Grants.gov)

___ Budget Narrative (No form provided, but must be submitted for the total three-year grant period)

Appendix B (All Required Forms)

The following forms are required for submission. All required forms are contained in the electronic application package.

___ Application for Federal Assistance (SF-424)

___ Supplement, Survey on Ensuring Equal Opportunities for Applicants (SF-424 Supplement) (“Faith Based EEO Survey (SF-424 SUPP)” on Grants.gov)

___ Disclosure of Lobbying Activities (SF-LLL)

___ Questionnaire for HUD’s Removal of Regulatory Barriers (HUD-27300) (“HUD Communities Initiative Form” on Grants.gov), if applicable

___ Applicant/Recipient Disclosure Update Report (HUD-2880) (“HUD Applicant Recipient Disclosure Report” on Grants.gov)

___ Acknowledgement of Applicant Receipt (Only applicants who submit paper applications (HUD-2993)

___ You Are Our Client Grant Applicant Survey (HUD-2994-A)

___ Third Party Documentation Facsimile Transmittal (HUD-96011) (“Facsimile Transmittal Form” on Grants.gov), if applicable

___ Logic Model (HUD-96010)

**DEPARTMENT OF HOUSING

**TRIBAL COLLEGES AND UNIVERSITIES
PROGRAM**

Billing Code 4210-01-C

Tribal Colleges and Universities Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Policy Development and Research, Office of University Partnerships.

B. Funding Opportunity Title: Tribal Colleges and Universities Program (TCUP).

C. Announcement Type: Initial announcement.

D. Funding Opportunity Numbers: FR-5100-N-11; OMB Approval Number: 2528-0215.

E. Catalog of Federal Domestic Assistance (CFDA) Number: The CFDA Number for this program is 14.519.

F. Dates: The application deadline date is May 23, 2007. Applications must be received and validated by Grants.gov by 11:59:59 p.m. eastern time on the deadline date. Please be sure to read the General Section for electronic application submission and receipt requirements.

G. Additional Overview Content Information:

1. Purpose of the Program. To assist Tribal Colleges and Universities (TCU) to build, expand, renovate, and equip their own facilities, and to expand the role of the TCUs into the community through the provision of needed services such as health programs, job training, and economic development activities.

2. Award Information: In Fiscal Year (FY) 2007, approximately \$2.5 million has been made available for this program by the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007), and approximately \$217,190 in carryover funds has been made available. An applicant can request up to \$600,000 for a three-year (36 months) grant performance period.

3. Eligible Applicants: Tribal Colleges and Universities that meet the definition of a TCU established in Title III of the 1998 Amendments to the Higher Education Act of 1965 (Pub. L. 105-244, approved October 7, 1998). Applicants must be a two- or four-year, fully accredited institution or provide a statement in the abstract of the application that states the institution is a candidate for accreditation by a regional institutional accrediting association recognized by the U.S. Department of Education. If an applicant is one of several campuses of the same institution, the applicant may apply separately from the other campuses as long as the campus has a separate DUNS number, administrative

structure and budget, and meets the definition of a TCU outlined above.

Full Text of Announcement

I. Funding Opportunity Description

The purpose of this program is to assist Tribal Colleges and Universities (TCU) to build, expand, renovate, and equip their own facilities, and to expand the role of the TCUs into the community through the provision of needed services such as health programs, job training, and economic development activities.

A. Authority

HUD's authority for making funding available under this NOFA is the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007). This program is being implemented through this NOFA and the policies governing its operation are contained herein.

B. Modifications

Listed below are major modifications from the Fiscal Year (FY) 2006 program-funding announcement.

1. Commitment letters, memoranda of understanding and/or agreements are not required to be submitted with the application, but the originals must be on file at the time of application submission. HUD will require applicants chosen to proceed to the next step in the selection process to submit the signed commitment letters, memoranda of understanding and/or agreements outlined in the application, within seven (7) calendar days after initial contact from the Office of University Partnerships (OUP). OUP will provide specific instructions on how these documents must be submitted at that time. HUD will only request and consider the resources/organizations outlined in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

2. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances). An applicant SHOULD NOT submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up material. Each page must include the applicant's name and should be numbered. HUD will not consider the information on any excess page.

3. Applicants must budget for travel costs to attend at least one HUD sponsored TCUP conference/workshop

every year of the three-year grant performance period.

II. Award Information

In Fiscal Year (FY) 2007, approximately \$2.5 million is made available by the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007) with approximately \$217,190 in additional carryover funds. An applicant can request up to \$600,000 for a three-year (36 months) grant performance period.

III. Eligibility Information

A. Eligible Applicants

Tribal Colleges and Universities that meet the definition of a TCU established in Title III of the 1998 Amendments to the Higher Education Act of 1965 (Pub. L. 105-244, enacted October 7, 1998). Applicants must be two- or four-year, fully accredited, or provide a statement in their application that verifies the institution is a candidate for accreditation, by a regional institutional accrediting association recognized by the U.S. Department of Education. If an applicant is one of several campuses of the same institution, the applicant may apply separately from the other campuses as long as the campus has a separate DUNS number, administrative structure and budget, and meets the definition of a TCU outlined above.

B. Cost Sharing or Matching

None Required.

C. Other

1. Eligible Activities. Eligible activities include building, expanding, renovating, and equipping facilities owned by the institution (a long-term lease for five years or more in duration is considered an acceptable form of ownership under this program). Buildings for which TCUP funding is used that also serve the community are eligible; however, the facilities must be predominantly (at least 51 percent of the time) for the use of the institution (e.g., students, faculty, and staff). In addition, public services and program delivery activities for the community such as health programs, job training and economic development are eligible activities. Examples of eligible activities include, but are not limited to:

- a. Building a new facility (e.g., classrooms, administrative offices, health and cultural centers, gymnasium, technology centers, etc.);
- b. Renovating an existing or acquired facility;
- c. Expanding an existing or acquired facility;

d. Equipping university facilities (e.g., lab equipment, library books, furniture, etc.);

e. Property acquisition;

f. Health screening;

g. Homeownership counseling/training;

h. Technical assistance to establish, expand or stabilize micro-enterprises;

i. Crime, alcohol and/or drug-abuse prevention activities;

j. Youth leadership development programs/activities;

k. Tutoring/mentoring programs;

l. Child care/development programs;

m. Cultural activities/programs; and

n. Up to 20 percent of the grant may be used for payments of reasonable grant administrative costs related to planning and execution of the project (e.g., preparation/submission of HUD reports, etc.). A detailed explanation of these costs is provided in the OMB circulars that can be accessed at the White House Web site at: <http://www.whitehouse.gov/omb/circulars/index.html>.

Each activity proposed for funding must meet at least one of the Community Development Block Grant (CDBG) Program national objectives as described in Rating Factor 3 in Section V.A.3 of this NOFA.

Criteria for determining whether an activity addresses one or more objectives are provided at 24 CFR 570.208. The CDBG publication entitled "Community Development Block Grant Program Guide to National Objectives and Eligible Activities for Entitlement Communities" describes the CDBG regulations, and a copy can be obtained from HUD's NOFA Information Center at 800-HUD-8929. Individuals with hearing or speech impairments may access this number via the toll-free Federal Information Relay Service at 800-877-8339.

2. Threshold Requirements

Applicable to All Applicants. All applicants must comply with the threshold requirements as defined in the General Section and the requirements listed below. Applications that do not meet these requirements will be considered ineligible for funding and will be disqualified.

a. The applicant must meet the eligibility requirements as defined in Section III.A.

b. The applicant may request up to \$600,000.

c. An applicant must have a separate DUNS number to receive HUD grant funds (See General Section). Only one application can be submitted per campus. If multiple applications are submitted, all will be disqualified. However, different campuses of the

same university system are eligible to apply as long as they have a separate DUNS number and an administrative and budgeting structure independent of the other campuses in the system.

d. Institutions that received grants in FY2006 are not eligible to apply under this NOFA.

e. Applicants must receive a minimum score of 75 points to be considered for funding.

f. Electronic applications must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date.

3. Program Requirements. In addition to the standard requirements listed in Section III.C. of the General Section, applicants must meet the following program requirements:

a. All funds awarded are for a three-year (36 months) grant performance period.

b. While community-wide use of a facility (that is purchased, equipped, leased, renovated or built) is permissible under this program, the facility must be predominantly for the use of the institution (i.e., it must be used by the staff, faculty, and/or students at least 51 percent of the time).

c. If a TCU is a part or instrumentality of a federally recognized tribe, the applicant must comply with the Indian Civil Rights Act (25 U.S.C. 1301 *et seq.*) and all other applicable civil rights statutes and authorities as set forth in 24 CFR 1000.12. If the TCU is not a part or instrumentality of a federally recognized tribe the applicant must comply with the Fair Housing Act (42 U.S.C. 3601–19) and implementing regulations at 24 CFR part 100 *et seq.*, Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d–2000d–4) (Nondiscrimination in Federally Assisted Programs) and implementing regulations at 24 CFR part 1, Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794) and implementing regulation at 24 CFR Part 8, and Section 109 of Title One of the Housing and Community Development Act of 1974 (HCDA), as amended, with respect to nondiscrimination on the basis of age, sex, religion, or disability and implementing regulations at 24 CFR part 6.

d. Labor Standards. Institutions and their subgrantees, contractors and subcontractors must comply with the labor standards (Davis-Bacon) requirements referenced in 24 CFR 570.603. However, in accordance with HCDA section 107(e)(2), the Secretary waives the provisions of HCDA section 110 with respect to the TCUP program for grants to a TCU that is part of a tribe, i.e., a TCU that is legally a department or other part of a tribal government, but

not a TCU that is established under tribal law as an entity separate from the tribal government. If a TCU is not part of a tribe, the labor standards of HCDA section 110, as referenced in 24 CFR 570.603, apply to activities under the grant to the TCU.

e. Environmental Requirements. Selection for award does not constitute approval of any proposed sites. Following selection for award, HUD will perform an environmental review of activities proposed for assistance in accordance with 24 CFR part 50. The results of the environmental review may require that proposed activities be modified or proposed sites be rejected. Applicants are particularly cautioned not to undertake or commit funds for acquisition or development of proposed properties prior to HUD approval of specific properties or areas. An application constitutes an assurance that the institution will assist HUD to comply with part 50; will supply HUD with all available and relevant information to perform an environmental review for each proposed property; will carry out mitigating measures required by HUD or select alternate property; and will not acquire, rehabilitate, convert, demolish, lease, repair, or construct property and not commit or expend HUD or local funds for these program activities with respect to any eligible property until HUD's written approval of the property is received. In supplying HUD with environmental information, applicants should use the same guidance as provided in the HUD Notice CPD–05–07 entitled, "Field Environmental Review Processing for Rural Housing and Economic Development (RHED) grants" issued August 30, 2005. The General Section provides further discussion of the environmental requirements. Further information and assistance on HUD's environmental requirements is available at: <http://www.hud.gov/offices/cpd/environment/index.cfm>.

f. Site Control. Where grant funds will be used for acquisition, rehabilitation, or new construction, an applicant must demonstrate site control. Funds may be recaptured or deobligated from recipients that cannot demonstrate control of a suitable site within one year after the initial notification of award.

g. Economic Opportunities for Low- and Very-Low Income Persons (Section 3). The provisions of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) apply to this NOFA. One of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing federal, state, and local laws and regulations, job training,

employment, contracting and other economic opportunities to Section 3 residents and Section 3 business concerns. Regulations are located at 24 CFR part 135.

IV. Application and Submission Information

A. Address To Request Application Package

Applicants may download the instructions to the application found on the Grants.gov Web site at http://www.Grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information you may call the Grants.gov Support Desk toll free 800-518-GRANTS or e-mail your questions to Support@Grants.gov. See the General Section for information regarding the registration process or ask for registration information from the Grants.gov Support Desk.

B. Content and Form of Application Submission

1. Forms. The following forms are required for submission. Copies of these forms are available on line at http://www.grants.gov/applicants/apply_for_grants.jsp.

a. SF-424, Application for Federal Assistance.

b. SF-424 Supplement, Survey on Ensuring Equal Opportunities for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);

c. HUD-424-CB, Grant Application Detailed Budget ("HUD Detailed Budget Form" on Grants.gov);

d. SF-LLL, Disclosure of Lobbying Activities, if applicable;

e. HUD-27300, Questionnaire for HUD's Removal of Regulatory Barriers ("HUD Communities Initiative Form" on Grants.gov), if applicable;

f. HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov);

g. HUD-2993, Acknowledgement of Applicant Receipt. Complete this form only if you have received a waiver to the electronic application submission requirement. Applicants submitting electronically are not required to include this form;

h. HUD-2994-A, You Are Our Client Survey (Optional);

i. HUD-96010, Program Logic Model;

j. HUD-2990, Certification of Consistency with RC/EZ/EC-II Strategic Plan, if applicable;

k. HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov). This form must be used as the cover page to transmit third party

documents and other information. Applicants are advised to download the application package, complete the SF-424 first and it will pre-populate the Transmittal Cover page. The Transmittal Cover page will contain a unique identifier embedded in the page that will help HUD associate your faxed materials to your application. Please download the cover page and then make multiple copies to provide to any of the entities responsible for submitting faxed materials to HUD on your behalf. Please do not use your own fax cover sheet. HUD will not read any faxes that are sent without the HUD-96011 fax transmittal cover page; and

2. Certifications and Assurances. Please read the General Section for detailed information on all the Certifications and Assurances. All applications submitted through Grants.gov constitute an acknowledgement and agreement to all required certifications and assurances. Please include in your application each item listed below. Applicants submitting paper copy applications should submit the application in the following order:

a. SF-424, Application for Federal Assistance. Please remember the following:

(1) The full grant amount requested from HUD (entire three-years) should be entered, not the amount for just one year;

(2) Include the name, title, address, telephone number, facsimile number, and e-mail address of the designated contact. This person will *receive all correspondence from HUD*; therefore, please ensure the accuracy of the information;

(3) The Employer Identification/Tax ID number;

(4) The DUNS Number;

(5) The Catalog of Federal Domestic Assistance Number for this program is 14.519;

(6) The project's proposed start and completion dates. For the purpose of this application the program start date should be December 1, 2007; and

(7) The signature of the Authorized Organization Representative (AOR) who, by virtue of submitting an application via Grants.gov, has been authenticated by the credential provider to submit applications on behalf of the Institution and approved by the eBusiness Point of Contact to submit an application via Grants.gov. The AOR must be able to make a legally binding agreement with HUD.

b. Application Checklist. Applicants should use the checklist to ensure that they have all the required components of their application. Applicants

submitting an electronic application should not submit the checklist in their application. Applicants receiving a waiver of the electronic application submission requirement should include a copy of the checklist in their application submission. The checklist is located in Appendix A.

c. Abstract. Applicants must include no more than a two-page summary of the proposed project. Please include the following:

(1) A clear description of each proposed project activity, where it will take place (be located), the target population that will be assisted, and the impact this project is expected to have on the institution;

(2) A statement that the institution is an eligible institution because it is a two- or four-year fully accredited institution, the name of the accrediting agency and an assurance that the accrediting agency is recognized by the U.S. Department of Education; or the applicant is a candidate for accreditation by a regional instructional accrediting association recognized by the U.S. Department of Education, including the name of the accrediting agency;

(3) The designated contact person, including phone number, facsimile number, and e-mail address (This is the person who will receive *all correspondence from HUD*; therefore, please ensure the accuracy of the information);

(4) The project director, if different from the designated contact person for the project, including phone number, facsimile number, and e-mail address.

d. Narrative statement addressing the Rating Factors. HUD will use the narrative response to the "Rating Factors" to evaluate, rate, and rank applications. The narrative statement is the main source of information. Applicants are advised to review each factor carefully for program specific requirements. The response to each factor should be concise and contain only information relevant to the factor, yet detailed enough to address the factor fully. PLEASE DO NOT REPEAT MATERIAL IN RESPONSE TO THE FIVE FACTORS; INSTEAD, FOCUS ON HOW WELL THE PROPOSAL RESPONDS TO EACH OF THE FACTORS. Where there are subfactors, each subfactor must be presented separately, with the short title of the subfactor presented. Make sure to address each subfactor and provide sufficient information about every element of the subfactor. The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative, assurances, and

abstract) and must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one inch margins (from the top, bottom and left to right side of the document) and printed in standard Times New Roman 12-point font. Each page of the narrative must include the institution's name and should be numbered. Note that although submitting pages in excess of the page limit will not disqualify an applicant, HUD will not consider the information on any excess pages. This exclusion may result in a lower score or failure to meet a threshold requirement. All applicants submitting electronic applications must attach their narrative responses to Rating Factors 1–5 as one attachment. **PLEASE DO NOT ATTACH YOUR RESPONSE TO EACH FACTOR SEPARATELY.** Please follow the instructions on file extension and file names in the General Section.

e. Budget. The budget submission must include the following:

(1) *HUD-424-CB, "HUD Detailed Budget."* This form shows the total budget by year and by line item for the program activities to be carried out with the proposed HUD grant. Each year of the program should be presented separately. Applicants must also budget for travel cost (airfare, lodging and per diem) for two individuals to attend at least one HUD sponsored TCUP conference/workshop every year of the three-year grant performance period. To calculate travel expenses, applicants should use Washington, DC as the site of all conference/workshop. Applicants must also submit this form to reflect the total cost for the entire grant performance period (Grand Total).

Make sure that the amounts shown on the SF-424, HUD-424-CB, and all other required program forms are consistent and the budget totals are correct. Remember to check the addition in totaling the categories on all forms so that all items are included in the total. If there is any inconsistency between any of the required budget forms, the HUD-424-CB will be used. All budget forms must be fully completed. If an application is selected for award, the applicant may be required to provide greater specificity to the budget during grant agreement negotiations.

(2) *Budget Narrative.* Applicants must submit a narrative that explains how the applicant arrived at the cost estimates for any line item over \$5,000 cumulative. For example, an applicant proposes to construct an addition to an existing building, which will cost approximately \$200,000. The following cost estimate reflects this total: Foundation cost \$75,000, electrical work \$40,000, plumbing work \$40,000,

interior finishing work \$35,000 and landscaping \$10,000. The proposed cost estimates should be reasonable for the work to be performed and consistent with rates established for the level of expertise required to perform the work proposed in the geographical area. When necessary, quotes from various vendors or historical data should be used (please make sure they are kept on file and are available for review by HUD at any time). All direct labor or salaries must be supported with mandated city/state pay scales, Davis-Bacon wage rates/tribally designated wage rate (as appropriate) or other documentation. When an applicant proposes to use a consultant, the applicant must indicate whether there is a formal written agreement. For each consultant, please provide the name, if known, hourly or daily fee, and the estimated time on the project. Applicants must use cost estimates based on historical data from the institution and/or from a qualified firm (e.g., Architectural or Engineering firm), vendor and/or qualified individual (e.g., independent architect or contractor) other than the institution for projects that involve rehabilitation of residential, commercial and/or industrial structures, and/or acquisition, construction, or installation of public facilities and improvements. Such an entity must be involved in the business of rehabilitation, construction, and/or management. Equipment and contracts cannot be presented as a total estimated figure. For equipment, applicants must provide a list by type and cost for each item. Applicants using contracts must provide an individual description and cost estimate for each contract. Construction costs must be broken down to indicate how funds will be utilized (e.g., demolition, foundation, exterior walls, roofing, electrical work, plumbing, finishing work, etc.).

(3) *Indirect costs.* Indirect costs, if applicable, are allowable based on an established approved indirect cost rate. Applicants must have on file, and submit to HUD if selected for award, a copy of their indirect cost rate agreement. Applicants who are selected for funding that do not have an approved indirect cost rate agreement, established by the cognizant federal agency, will be required to establish a rate. In such cases, HUD will issue an award with a provisional rate and assist applicants with the process of establishing a final rate.

f. Appendix. Applicants receiving a waiver of the electronic submission requirements and submitting a paper copy of the application must place all required forms in this section. The appendix section of an application must

not exceed 15 pages in length (excluding forms, budget narrative and assurances). An applicant **SHOULD NOT** submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up materials. If this information is included, it will not be considered during the review process. Each page must include the applicant's name and should be numbered. HUD will not consider the information on any excess pages. The additional items will also slow the transmission of your application.

C. Submission Dates and Times

A complete application package must be received and validated electronically by the Grants.gov portal no later than 11:59:59 p.m. eastern time on or before the application deadline date. In an effort to address any issues with transmission of your application, applicants are strongly encouraged to submit their applications at least 48 to 72 hours prior to the application deadline. This will allow an applicant enough time to make the necessary adjustments to meet the submission deadline in the event Grants.gov rejects the application. Please see the General Section for further instructions. Electronic faxes using the Facsimile Transmittal Cover Sheet (Form HUD-96011) contained in the Electronic application must be received no later than 11:59:59 p.m. eastern time on the application deadline date.

D. Intergovernmental Review

This program is excluded for an Intergovernmental Review.

E. Funding Restrictions

Ineligible activities for funding under this program include, but are not limited to the following:

1. Renovation of a facility in which the facility is not used at least 51 percent of the time by the institution;
2. Rental space to another entity that operates a small business assistance center;
3. Building of a new facility, where the activities are for non-students or the activities are run primarily by an outside entity;
4. Planning and administrative activities that would result in an applicant exceeding the 20 percent cost limitations (e.g., preparation/submission of HUD reports); and
5. Curriculum development and/or expansion on an institution's existing curriculum.

F. Other Submission Requirements

1. Application Submission and Receipt Procedure. Please read the General Section carefully and completely for the electronic submission and receipt procedures for all applications because failure to comply may disqualify your application.

2. Waiver of Electronic Submission Requirements. Applicants should submit their waiver requests in writing using e-mail or fax. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to:

Susan Brunson, Office of University Partnerships. E-mail: Susan_S._Brunson@hud.gov. FAX: (202) 708-0309.

Paper applications will not be accepted from applicants that have not been granted a waiver. If an applicant is granted a waiver, the Office of University Partnerships will provide instructions for submission. All applicants submitting applications in paper format must have received a waiver to the electronic application submission requirement and the application must be received by HUD on or before the application deadline date.

V. Application Review Information

A. Criteria

1. Rating Factor 1: Capacity of the Applicant and Relevant Experience (25 points). This factor addresses the extent to which the applicant has the resources necessary to successfully implement the proposed activities in a timely manner.

a. Knowledge and Experience. For First Time Applicants (25 points), For Previously Funded Applicants (15 points). In rating this subfactor, HUD will consider the extent to which the applicant clearly addresses the following:

(1) Describe the knowledge and experience of the proposed project director and staff, including the day-to-day program manager/coordinator, consultants (including technical assistance providers), and contractors in planning and managing the type of project for which funding is being requested; and

(2) Clearly identify the following: key project team members, titles (e.g., project manager/coordinator, etc.), respective roles for the project staff, and a brief description of their relevant experience.

If key personnel have not been hired, applicants must identify the position title, provide a description of duties and responsibilities, and describe the qualifications to be considered in the

selection of personnel, including subcontractors and consultants.

Experience will be judged in terms of recent and relevant knowledge and skills of the staff to undertake eligible program activities. HUD will consider experience within the last five (5) years to be recent and experience pertaining to similar activities to be relevant.

b. Past Performance (10 points) For Previously Funded Grant Applicants Only. This subfactor will evaluate how well an applicant has performed successfully under HUD/TCUP grants. Applicants must demonstrate this by addressing the following information for all previously completed and open HUD/TCUP grants:

(1) A list of all HUD/TCUP grants received, including the dollar amount awarded and the amount expended and obligated as of the date of this application;

(2) A description of the achievement of specific tasks, measurable objectives, and specific outcomes consistent with the approved project management plan;

(3) A list detailing the date the project(s) was completed, was it completed in the original three-year grant performance period; if not completed, why (including when it was or will be completed);

(4) A comparison of the amount of proposed leveraged funds and/or resources to the amount that was actually leveraged; and

(5) A detailed description of compliance with all reporting requirements, including timeliness of submission, whether reports were complete and addressed all information (both narrative and financial) as required by the grant agreement.

HUD will also review an applicant's past performance in managing funds, including, but not limited to: the ability to account for funding appropriately; timely use of funds received from HUD; meeting performance targets for completion of activities. In evaluating past performance, HUD reserves the right to deduct up to five (5) points from this rating score as a result of the information obtained from HUD's records (i.e., progress and financial reports, monitoring reports, Logic Model submission, and amendments).

2. Rating Factor 2: Need/Extent of the Problem (10 points). This factor addresses the extent to which there is a need for funding the proposed project activities and an indication of the importance of meeting the need(s). The need(s) described must be relevant to activities for which funds are being requested. In addressing this factor, applicants should provide, at a minimum, the following and must cite

statistics and/or analyses contained in at least one or more current data sources that are sound and reliable.

(1) Describe the need(s); and

(2) Describe the importance of meeting the proposed needs.

In rating this factor, HUD will consider only current data that is specific to the area where the proposed project activities will be carried out. Reliable sources of data may include information that describes the need, such as a need to have a building renovated because it is 50 years old and is deteriorating; a new computer lab has been built, but the computers are obsolete; a library has been expanded, but the books are outdated, local/Tribal crime statistics, Indian Housing Plans, etc. When presenting data, include the source and date of the information.

3. Rating Factor 3: Soundness of Approach (44 points). This factor addresses the quality and effectiveness of the proposed work plan and the commitment of the institution to sustain the proposed project activities.

a. (40 Points) Quality of Work Plan. HUD will evaluate this subfactor based on the extent to which an applicant provides a clear detailed description of the proposed project activities, anticipated accomplishments and the impact they will have on the target population at the end of the project.

(1) (35 points) *Specific Activities*. The work plan must describe all proposed project activities and major tasks required to successfully implement them. The work plan must also identify the anticipated accomplishments and impact these activities will have on the targeted population. In addressing this subfactor, applicants must provide a clear description of each proposed project activity and address the following:

(a) Describe each proposed project activity in measurable terms (e.g., fifty or more students will be receiving computer literacy training, the number of new classes that will be taught as a result of building a new structure);

(b) Identify the major tasks in sequential order necessary to successfully implement and complete each proposed project activity. Include the target completion dates for the tasks (6 month intervals, up to 36 months);

(c) List and describe how each activity meets one of the following Community Development Block Grant (CDBG) Program national objectives:

- Benefit low- and moderate-income persons;
- Aid in the prevention or elimination of slums or blight; or
- Meet other community development needs having a particular

urgency because existing conditions pose a serious and immediate threat to the health and welfare of the community, and other financial resources are not available to meet such needs.

Criteria for determining whether an activity addresses one or more objective are provided at 24 CFR 570.208;

(d) Describe the measurable objectives/outcomes that will be realized as a result of implementing the proposed project; and

(e) Identify the key staff, as described in Factor 1, who will be responsible for completing each task.

(2) (5 points) Describe clearly how each proposed project activity will:

(a) Address the needs identified in Factor 2; and

(b) Relate to and not duplicate other activities in the target area.

b. (2 points) Involvement of the Faculty and Students. The applicant must describe how it proposes to integrate the institution's students and faculty into the proposed project activities.

c. (2 points) HUD Policy Priorities. As described in the General Section, to earn points under this subfactor, HUD requires applicants to undertake specific activities that will assist the Department in implementing its policy priorities and that help the Department achieve its goals and objectives in FY 2008, when the majority of grant recipients will be reporting programmatic results and achievement. In addressing this subfactor, HUD will evaluate the extent to which a program will further and support HUD priorities. The quality of the responses provided to one or more of HUD's priorities will determine the score an applicant can receive. Applicants must describe how each policy priority is addressed. Applicants that just list a priority will receive no points.

The total number of points an applicant can receive under this subfactor is two. Each policy priority addressed has a point value of one point, with the exception of the policy priority related to removal of regulatory barriers to affordable housing, which has a value of up to two points. To receive these two (2) points, an applicant must: (1) Complete either Part A or Part B (not both), (2) include appropriate documentation, (3) identify a point of contact, (4) indicate how this priority will be addressed, and (5) submit the completed questionnaire, (HUD-27300) "HUD's Initiative on Removal of Regulatory Barriers" found in the General Section along with required documentation. It is up to the applicant to determine which of the

policy priorities they elect to address to receive the available two (2) points.

4. Rating Factor 4: Leveraging Resources (9 points). This factor addresses the ability of the applicant to secure resources that can be combined with HUD's grant funds to achieve the program's purpose.

HUD will consider the extent to which the applicant established partnerships with other entities to secure additional resources to increase the effectiveness of the proposed program activities. Resources may include funding or in-kind contributions, such as services or equipment, allocated for the purpose(s) of the proposed project. Resources can be provided by governmental entities (e.g., Tribal, federal, and/or state governments), public or private nonprofit organizations, for-profit private organizations, or other entities. Overhead and other institutional costs (e.g., salaries, indirect costs) that the institution has waived can be counted. Examples of potential sources for outside assistance include:

- Tribal, federal, state, and local governments
- Tribally Designated Housing Entities
- Local or national nonprofit organizations
- Banks and/or private businesses
- Foundations
- Faith-based and other community-based organizations.

To address this factor, an applicant must provide an outline in the application and have the original written commitment letters, memoranda of understanding and/or agreements that show the extent and firm commitment of all proposed leveraged resources (including any commitment of resources from the applicant's own institution) that address the following information for each leveraged resource/fund on file at the time of application submission:

(1) The name of the organization and the executive officer authorizing the funds/goods and/or services (Only applicable to the narrative section)

(2) The cash amount contributed or dollar value of the in-kind goods and/or services committed (If a dollar amount and its use is not shown, the value of the contribution will not be scored for award);

(3) A specific description of how each contribution is to be used toward the proposed activities;

(4) A description of the current and/or past working relationship that the institution has with the organization contributing the resources and the involvement it will have with this proposed project.

(5) The date the contribution will be made available and a statement that describes the duration of the contribution;

(6) Any terms or conditions affecting the commitment, other than receipt of a HUD Grant; and

(7) The signature of the appropriate executive officer authorized to commit the funds and/or goods and/or services. (Only applicable to the written documentation) Please remember that only items eligible for funding under this program can be counted.

DO NOT submit commitment letters, memoranda of understanding and/or agreements are not required at the time of application submission but have the originals on file at the time of submission. IF THIS INFORMATION IS INCLUDED, IT WILL NOT BE CONSIDERED DURING THE REVIEW PROCESS. Applicants chosen to proceed to the next step in the selection process will be required to submit the signed commitment letters, memoranda of understanding and/or agreements outlined in the application, within seven (7) calendar days after initial contact from the Office of University Partnerships (OUP). OUP will provide specific instructions on how these documents must be submitted at that time. Letters, memoranda of understanding, or agreements must be submitted on the provider's letterhead and should be addressed to Sherone Ivey, Associate Deputy Assistant Secretary for University Partnerships. The date of the letter, memorandum of understanding, or agreement from the CEO of the provider organization must be dated no earlier than nine months prior to this published NOFA. OUP will provide specific instructions on how these documents must be submitted when contact is made with the applicant. HUD will only request and consider the resources/organizations outlined in the application. If OUP does not receive those documents with the required information and within the allotted timeframe, an applicant will not receive points under this factor.

In scoring this factor, HUD will award:

- Nine (9) points to an applicant that provides properly documented leveraging resources as listed in their application that are 10 percent or more of the amount requested under this program;

- Seven (7) to eight (8) points to applicants that provide documentation that includes at least five of the seven required items outlined above and that represents 7 to 9 percent of the amount requested under this program;

- Five (5) to six (6) points to applicants that provide documentation that includes at least four of the seven required items outlined above and that represents 7 to 9 percent of the amount requested under this program;

- Three (3) to four (4) points to applicants that provide documentation that includes at least five of the seven required items outlined above and that represents 4 to 6 percent of the amount requested under this program;

- One (1) to two (2) points to applicants that provide documentation that includes at least three of the required seven items outlined above and that represents 4 to 6 percent of the amount requested under this program; and

- Zero (0) points to applicants that provide document leveraging resources as listed above that are less than 4 percent of the amount requested.

5. Rating Factor 5: Achieving Results and Program Evaluation (12 points). This factor reflects HUD's goal to embrace high standards of management and accountability. It measures the applicant's commitment to assess their performance to achieve the program's proposed objectives and goals.

Applicants are required to develop an effective, quantifiable, outcome oriented evaluation plan for measuring performance and determining that objectives and goals have been achieved by using the Logic Model. The Logic Model is a summary of the narrative statements presented in Factors 1–4. Therefore, the information submitted on the Logic Model should be consistent with the information contained in the narrative statements.

“Outcomes” are benefits accruing to institutions of higher education during or after participation in the TCUP program. Applicants must clearly identify the outcomes to be measured and achieved. Examples of outcomes include an increased number of campus facilities (e.g., newly built or renovated), an increased number of classroom spaces available, or an increased student enrollment and graduation rate.

In addition, applicants must establish interim benchmarks and outputs that lead to the ultimate achievement of outcomes. “Outputs” are the direct products of the project's activities. Examples of outputs are the number of new facilities renovated, or the number of new dormitories built. Outputs should produce outcomes for the project. At a minimum, an applicant must address the following activities in the evaluation plan:

- a. Short- and long-term objectives to be achieved;

- b. Measurable outcomes the grant will have on the university or the target population;

This information must be included under this section on a HUD–96010, Program Logic Model form. HUD has developed a new approach to completing this form. Please carefully read the General Section for instructions, training is available. (Form HUD–96010 will be excluded from the page count.) If an applicant utilizes “other” from the Logic Model categories, then the applicant should describe briefly this “other” category within the Rating Factor 5 narrative. If a narrative is provided, those pages will be included in the page count.

B. Review and Selection Process

1. Application Selection Process

Two types of reviews will be conducted:

- a. A threshold review to determine an applicant's basic eligibility; and

- b. A technical review for all applications that pass the threshold review to rate and rank the application based on the “Rating Factors” listed in Section V.A. above.

Only those applications that pass the threshold review will receive a technical review and be rated and ranked.

2. Rating Panels. To review and rate applications, HUD may establish panels that may include experts or consultants not currently employed by HUD to obtain certain expertise.

3. Ranking. HUD will fund applications in rank order, until all available program funds are awarded. In order to be considered for funding, an applicant must receive a minimum score of 75 points out of a possible 100 points; plus up to two bonus points that may be awarded for activities conducted in the RC/EZ/EC–II communities, as described in the General Section. If two or more applications have the same number of points, the application with the most points for Factor 3 shall be selected. If there is still a tie, the application with the most points for Factor 2, 4, and then 5 shall be selected in that order, until the tie is broken. HUD reserves the right to select out of rank order to provide for geographic distribution of grantees.

HUD also reserves the right to reduce the amount of funding requested in order to fund as many highly ranked applications as possible. Additionally, if funds remain after funding the highest ranked applications, HUD may fund part of the next highest-ranking

application. If an applicant turns down the award offer, HUD will make an award to the next highest-ranking application. If funds remain after all selections have been made, the remaining funds will be carried over to the next funding cycle's competition.

4. Corrections to Deficient Applications. See the General Section.

C. Anticipated Announcement and Award Dates.

Announcements of awards are anticipated on or before September 30, 2007.

VI. Award Administration Information

A. Award Notice

After all selections have been made, HUD will notify all winning applicants in writing. HUD may require winning applicants to participate in additional negotiations before receiving an official award. For further discussion on this matter, please refer to the General Section.

B. Administrative and National Policy Requirements

Refer to the General Section.

1. Debriefing. The General Section provides the procedures for requesting a debriefing. All requests for debriefings must be made in writing to: Sherone Ivey, Office of University Partnerships, Department of Housing and Urban Development, 451 Seventh Street, SW, Room 8106; Washington, DC 20410–6000. Applicants may also write to Ms. Ivey via e-mail at Sherone_E_Ivey@hud.gov.

2. Administrative. Grants awarded under this NOFA will be governed by the provisions of 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations), A–21 (Cost Principles for Educational Institutions) and A–133 (Audits of States, Local Governments, and Non-Profit Organizations). Applicants can access the OMB circulars at the White House Web site at <http://www.whitehouse.gov/omb/circulars/index.html>.

3. OMB Circulars and Governmentwide Regulations Applicable to Financial Assistance Programs. The General Section provides discussion of OMB circulars and governmentwide regulations.

4. Code of Conduct. See the General Section for further discussion.

5. Procurement of Recovered Materials. See the General Section for further discussion.

6. Executive Order 13202, Preservation of Open Competition and Government Neutrality Toward

Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects. See the General Section for further discussion if applicable.

7. Executive Order 13166, Improving Access to Services For Persons With Limited English Proficiency (LEP). See the General Section for further discussion.

C. Reporting

All grant recipients under this NOFA are required to submit quarterly progress reports. The progress reports shall consist of two components, a narrative that must reflect the activities undertaken during the reporting period and a financial report that reflects costs incurred by budget line item, as well as a cumulative summary report during the reporting period.

For each reporting period, as part of the required report to HUD, grant recipients must include a completed Logic Model (HUD-96010), which identifies output and outcome achievements.

For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

VII. Agency Contacts

Applicants may contact Sherone Ivey at (202) 708-3061, extension 4200, or Susan Brunson at (202) 708-3061, extension 3852. Persons with speech or hearing impairments may call the Federal Information Relay Service TTY at (800) 877-8339. Except for the "800" number, these numbers are not toll-free. Applicants may also reach Ms. Ivey via e-mail at Sherone_E_Ivey@hud.gov, and Ms. Brunson at Susan_S_Brunson@hud.gov.

VIII. Other

Paperwork Reduction Act

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2528-0215. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information

unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 68 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, quarterly and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

Appendix A—Application Checklist—TCUP

This checklist identifies application submission requirements. Applicants are requested to use this checklist when preparing an application to ensure submission of all required elements. Applicants submitting an electronic application do not have to submit the checklist. Applicants that receive a waiver of the electronic application submission requirement should include a copy of the checklist in their application.

Check off to ensure these items have been included in the application:

☐ SF-424 "Application For Federal Assistance"

☐ Application Checklist (Applicants that submit paper applications must include the checklist in their applications)

☐ Abstract (must include no more than a two-page summary of the proposed project)

Indicate the page number where each of the Factors is located:

☐ Narrative Statement Addressing the Rating Factors. The narrative section of an application must not exceed 50 pages in length (excluding forms, budget narrative and abstract). This information must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one-inch margins (from the top, bottom, and left and right sides of the documents) and printed in standard Times New-Roman 12-point font. Applicants that submit applications via Grants.gov should review the General Section for information about file names and extensions. File names should not contain spaces or special characters.

☐ Factor-I

☐ Factor-II

☐ Factor-III

☐ Factor-IV

☐ Factor-V

☐ HUD-96010 Logic Model

Check off to ensure these items have been included in the application:

☐ Appendix. The appendix section of an application must not exceed 15 pages in length (excluding forms, budget narrative and assurances).

☐ Budget

☐ HUD 424-CB "Grant Application Detailed Budget" ("HUD Detailed Budget Form" on Grants.gov).

☐ Budget Narrative (No form provided, but must be submitted for the total three-year grant period).

Appendix B—All Required Forms

The following forms are required for submission. All required forms are contained in the electronic application package.

☐ Application for Federal Assistance (SF-424);

☐ Survey on Ensuring Equal Opportunity for Applicants (SF-424 Supplement); ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov).

☐ Disclosure of Lobbying Activities (SF-LLL); if applicable

☐ Questionnaire for HUD's Removal of Regulatory Barriers (HUD-27300) ("HUD Communities Initiative Form" on Grants.gov), if applicable;

☐ Applicant/Recipient Disclosure Update Report (HUD-2880) ("HUD Applicant Recipient Disclosure Report" on Grants.gov);

☐ Certification of Consistency with RC/EZ/EC-II Strategic Plan (HUD-2990), if applicable;

☐ Acknowledgement of Applicant Receipt (Only applicants who submit paper applications (HUD-2993);

☐ Client Comments and Suggestions (HUD-2994);

☐ You Are Our Client Survey (HUD-2994-A); and

☐ Logic Model (HUD-96010).

☐ Third Party Documentation Facsimile Transmittal (HUD-96011) ("Facsimile Transmittal Form" on Grants.gov) required as the cover page to third party documents transmitted by facsimile to HUD.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**FAIR HOUSING INITIATIVES
PROGRAM (FHIP)**

**FAIR HOUSING- PRIVATE ENFORCEMENT
INITIATIVE (PEI)**

**FAIR HOUSING EDUCATION AND
OUTREACH INITIATIVE (EOI)**

Fair Housing Initiatives Program*Overview Information*

A. Federal Agency Name: Department of Housing and Urban Development, Office of Fair Housing and Equal Opportunity

B. Funding Opportunity Title: Fair Housing Initiatives Program (FHIP)

C. Announcement Type: Initial Announcement

D. Funding Opportunity Number: The OMB Approval Number is 2529-0033. The **Federal Register** number for this NOFA is FR-5100-N-24.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): Private Enforcement Initiative (PEI); Education and Outreach Initiative (EOI) 14.408.

F. Dates: The application deadline date shall be on or before May 3, 2007. Applications must be received and validated by Grants.gov no later than 11:59:59 pm on the application deadline date. Please see the General Section of the SuperNOFA (the General Section) for information on electronic deadline and timeliness requirements.

G. Optional, Additional Overview Content Information:

1. Funding Breakdown. This year there are two initiatives, Private Enforcement and Education and Outreach Initiatives. The following is a breakdown of each Initiative:

- a. Private Enforcement Initiative (PEI)
 - (1) General Component, and
 - (2) Performance Based Funding

Component

b. Education and Outreach Initiative (EOI)

- (1) Regional/Local/Community-Based
 - (a) General Component
 - (b) Clinical Law School Component.

This Component is being established to train and develop legal practitioners in the fair housing arena. Applicants are Minority Serving Institution agencies (as determined by the Department of Education's Web site) with an accredited American Bar Association law school and is geared to the development and implementation of a legal curriculum as it relates to fair housing.

(2) National-Based Media Campaign Component.

2. Electronic Applications. For FY2007, FHIP electronic applications will be available on <http://www.Grants.gov/>

[Fand_grant_opportunities.jsp](http://www.grants.gov/Fand_grant_opportunities.jsp) and http://www.grants.gov/Apply_for_grants.jsp.

For further instructions on electronic application submission requirements using Grants.gov, please read the General Section.

3. Fair Housing Initiatives Program (FHIP) Funding. FHIP funds are used to

increase compliance with the Fair Housing Act (the Act) and with substantially equivalent State and local fair housing laws. Approximately \$18.1 million in FY 2007 funds and any potential recapture is allocated to two (2) initiatives as follows:

a. Private Enforcement Initiative (PEI) \$14 million;

b. Education and Outreach Initiative (EOI) \$4.1 million.

4. Award Agreements. HUD expects to award a cost reimbursable cooperative agreement or grant agreement to each applicant selected for award. Upon completion of negotiations, HUD reserves the right to use the funding instrument it determines is most appropriate.

5. Eligible Applicants. Eligible applicants are Qualified Fair Housing Enforcement Organizations (QFHOs) and Fair Housing Enforcement Organizations (FHOs), see 24 CFR 125.103; public or private, for-profit or not-for-profit organizations or institutions and other public or private entities that are formulating or carrying out programs to prevent or eliminate discriminatory housing practices (including entities that will be established as a result of receiving an award under this FHIP NOFA); agencies of State or local governments; and agencies that participate in the Fair Housing Assistance Program (FHAP).

6. Private Enforcement Initiative—Performance-Based Funding Component. Applicants awarded funding under the PEI—(PBFC) for FY 2007 will not be eligible to submit applications for additional FHIP funding for FY2008 and FY 2009. Applicants awarded funding under this component will be eligible to apply for additional PEI funding in FY2010. Applicants awarded PBFC funding in FY 2005 and 2006 are not eligible to submit applications for additional PEI funding for a three-year period. Should the grantee's performance for FY2007 be assessed by your HUD Government Technical Representative (GTR) as anything less than an "Excellent" then the grantee will be ineligible to receive PBFC funding in the second year (FY2008). The same applies if the grantee receives less than an "Excellent" performance assessment in FY2008 then they will be ineligible to receive PBFC funding in the third year (FY2009), but may apply for FHIP funds under another component as appropriate.

7. Start Date. For planning purposes, assume a start date no later than October 19, 2007.

Full Text of Announcement**I. Funding Opportunity Description**

Authority. Section 561 of the Housing and Community Development Act of 1987, as amended, (42 U.S.C. 3616) established the FHIP. The implementing regulations are found at 24 CFR Part 125. If you are interested in applying for funding under the FHIP, please review carefully the General Section of the SuperNOFA (hereafter, the General Section), the FHIP Authorizing Statute (Sec. 561 of the Housing and Community Development Act of 1987, as amended), and the FHIP Regulations (24 CFR 125.103-501).

A. FHIP Initiatives and Components

The FHIP assists fair housing activities that increase compliance with the Act and with substantially equivalent fair housing laws administered by State and local government agencies under the Fair Housing Assistance Program (FHAP).

1. Private Enforcement Initiative (PEI). This Initiative assists private, tax-exempt fair housing enforcement organizations in the investigation and enforcement of alleged violations of the Act and substantially equivalent State and local fair housing laws. Under this Initiative, there are two Components, the General Component and the Performance-Based Funding Component.

2. Education and Outreach Initiative (EOI). This Initiative assists organizations that inform the public about their rights and obligations under the Act and substantially equivalent State and local fair housing laws. Applications are solicited for this Initiative under the EOI-Regional/Local/Community-Based Program (R/L/C-B) and the EOI—National-Based Program in which activities are conducted on a nationwide basis.

Applicants who apply under EOI R/L/C-B may apply under one or more of the following Components, as follows: EOI General Component and the EOI Clinical Law School Component. Applicants who apply under EOI—National-Based Program may apply under the Media Campaign Component.

All applications submitted under EOI are required to describe a referral process that will result in referrals of fair housing complaints to HUD or Fair Housing Assistance Program (FHAP) substantially equivalent agencies. If funded, you will be required to develop your complaint referral process.

B. Other

1. Program Definitions. The definitions that apply to this FHIP section of the NOFA are as follows:

a. *Broad-based proposals* are those that address more than one type of housing transaction covered under the Act. Examples of covered housing transactions include the: rental, sales, or financing of housing. (See also Full Service Projects below).

b. *Complainant* means the person, including the Assistant Secretary for Fair Housing and Equal Opportunity at HUD, who files a complaint under Section 810 of the Fair Housing Act.

c. *Disability Advocacy Groups* means organizations that traditionally have provided for the civil rights of persons with disabilities. This would include organizations such as Independent Living Centers and cross-disability legal services groups. Such organizations must be experienced in providing services to persons with a broad range of disabilities, including physical, cognitive, and psychiatric/mental disabilities. Such organizations must demonstrate actual involvement of persons with disabilities throughout their activities, including on staff and board levels.

d. *Enforcement proposals* are potential complaints under the Act that are timely, jurisdictional, and well-developed, that could reasonably be expected to become enforcement actions if an impartial investigation found evidence supporting the allegations and the case proceeded to a resolution with HUD or FHAP agency involvement.

e. *Fair Housing Act* means Title VIII of the Civil Rights Act of 1968 as amended by the Fair Housing Amendments Act of 1988 (42 U.S.C. 3600–3620).

f. *Fair Housing Assistance Program (FHAP) agencies* mean State and local fair housing enforcement government agencies that receive FHAP funds because they administer laws deemed substantially equivalent to the Act, as described in 24 CFR 115.

g. *Fair Housing Enforcement Organization (FHO)* means an organization engaged in fair housing activities as defined in 24 CFR 125.103.

h. *Full-service projects* must include the following enforcement-related activities in the project application: interviewing potential victims of discrimination; taking complaints; testing; evaluating testing results; conducting preliminary investigations; conducting mediation; enforcing meritorious claims through litigation or referral to administrative enforcement agencies; and disseminating information about fair housing laws.

i. *Grassroots organizations* (See General Section).

j. *Jurisdiction* means that the complaint must be timely filed; the complainant must have standing; the respondent and the dwelling involved (where the complaint involves a provision or denial of a dwelling) must be covered by the Act; and the subject matter and the basis of the alleged discrimination, must constitute illegal practices as defined by the Act.

k. *Meritorious claims* means enforcement activities by an organization that resulted in lawsuits, consent decrees, legal settlements, HUD or substantially equivalent agency (under 25 CFR 115.6) conciliations and organization initiated settlements with the outcome of monetary awards for compensatory and/or punitive damages to plaintiffs or complaining parties, or other affirmative relief, including the provision of housing (24 CFR 125.103).

l. *Mortgages with unacceptable terms or conditions or resulting from unacceptable practices* means a mortgage or a group or category of mortgages with one or more of the terms and conditions as specified under 24 CFR Part 81.2.

m. *Operating budget* means an organization's total planned budget expenditures from all sources, including the value of in-kind and monetary contributions, in the period for which funding is requested.

n. *Qualified Fair Housing Enforcement Organization (QFHO)* means an organization engaged in fair housing activities as defined in 24 CFR 125.103.

o. *Regional/Local/Community-Based Activities* are defined at 24 CFR 125.301(a) and (d).

p. *Rural Areas* means the following:
(1) A non-urban place having fewer than 2,500 inhabitants (within or outside of the metropolitan areas).
(2) A county or parish with an urban population of 20,000 inhabitants or less.
(3) Any place with a population not in excess of 20,000 and not located in a Metropolitan Statistical Area.

q. *Traditional Civil Rights Organizations* mean non-profit organizations or institutions and/or private entities with a history and primary mission of securing Federal civil rights protection for groups and individuals protected under the Act or substantially equivalent State or local laws and that are engaged in programs to reduce discriminatory housing practices.

r. *Underserved Areas* mean jurisdictions where there are no Fair Housing Initiatives Program or Fair Housing Assistance Program agencies

and where either no public or private fair housing enforcement organizations exist or the jurisdiction is not sufficiently served by one or more public or private enforcement fair housing organizations and there is a need for service.

s. *Underserved Populations* mean groups of individuals who fall within one or more of the categories protected under the Act and who are:

- (1) of an immigrant population (especially racial and ethnic minorities who are not English-speaking or limited English proficient);
- (2) in rural populations,
- (3) the homeless,
- (4) persons with disabilities (i.e., physical) who can be historically documented to have been subject to discriminatory practices not having been the focus of Federal, State or local fair housing enforcement efforts, or
- (5) areas that are heavily impacted with minorities and there is inadequate protection and ability to provide service from the State or local government or private fair housing organizations.

II. Award Information

For Fiscal Year 2007, \$20 million is appropriated for the Fair Housing Initiatives Program (FHIP). This appropriated amount may be supplemented by recaptured funds. Of this amount, approximately \$18.1 million is being made available on a competitive basis to eligible organizations responding to this FHIP NOFA. See the chart in Section III.A. for a breakdown by Initiative/Component.

A. Award Instrument. The type of funding instrument HUD may offer a successful applicant which sets forth the relationship between HUD and the grantee will be a grant or cooperative agreement, where the principal purpose is the transfer of funds, property, services, or anything of value to the applicant to accomplish a public purpose. The agreement will identify the eligible activities to be undertaken, financial controls, and special conditions, including sanctions for violations of the agreement. HUD will determine the type of instrument under which the award will be made and monitor progress to ensure that the grantee has achieved the objectives set out in the agreement. Failure to meet such objectives may be the basis for HUD determining the agreement to be in default and exercising available sanctions, including suspension, termination, and/or the recapture of funds. Also, HUD may refer violations or suspected violations to enforcement offices within HUD, the Department of

Justice, or other enforcement authorities.

If funds are awarded as a Cooperative Agreement, HUD will also exercise the right to have substantial involvement by: conducting quarterly reviews and approval of all proposed deliverables documented in the applicant's Work Plan or Statement of Work (SOW), and determining whether the agency meets all certification and assurance requirements. HUD will conduct this

performance assessment, in part, by using the Logic Model (HUD-96010) submitted by the applicant and approved by HUD in the award agreement (rating Factor 5). If upon completion of this assessment by the Government Technical Representative (GTR) a determination is made that the quarterly requirements have not been met, the grantee will be obligated to provide additional information or make modifications to its work plan and

activities, as necessary, in a timeframe to be established by the GTR.

B. Project Starting Period. For planning purposes, assume a start date no later than October 19, 2007.

III. Eligibility Information

A. Eligible Applicants and Activities

The following chart details each FHIP Initiative/Component and the approximate Funding Available along with Eligible Applicants and Activities:

Initiative/component	Allocation amount available	Applicant eligibility	Project period	Award caps	Applicant eligible activities
<i>Private Enforcement Initiative (PEI) General Component: Assists private, tax-exempt fair housing enforcement organizations in the investigation and enforcement of alleged violations of the Fair Housing Act and substantially equivalent State and local fair housing laws.</i>	\$1,000,000	Fair Housing Enforcement Organizations (FHOs) with at least one year of experience in complaint intake, complaint investigation, testing for fair housing violations, and meritorious claims in the two years prior to the filing of the application (24 CFR 125.401(b)(2) and Qualified Fair Housing Enforcement Organizations (QFHOs) with at least two years of enforcement related experience as noted above, and meritorious claims in the three years prior to filing this application (24 CFR 125.103).	12–18 months.	\$275,000	Eligible activities include: (1) Complaint intake of allegations of housing discrimination, testing evaluating testing results, or providing other investigative and complaint support for administrative and judicial enforcement of fair housing laws; (2) Investigation of individual complaints and systemic housing discrimination for further enforcement processing by HUD through testing and other investigative methods; (3) Mediation or other voluntary resolution of allegations of fair housing discrimination after a complaint has been filed; and (4) litigating fair housing cases including procuring expert witnesses.
<i>Private Enforcement Initiative (PEI) Performance Based Funding Component Assists private, tax-exempt fair housing enforcement organizations in the investigation and enforcement of alleged violations of the Fair Housing Act and substantially equivalent State and local fair housing laws.</i>	\$13,000,000	QFHOs and FHOs (with at least one year of enforcement related experience) who have received excellent performance reviews for FHIP PEI awards made in any two FY's (FY pertains to the year for which the funding was appropriated) beginning with FY 2003 through FY 2005; and have received a minimum score of 95 on the most recent of the 2 performance reviews from their Government Technical Representative.	36 months	\$275,000 per year for a three-year duration, based upon appropriations. Eligible PBFC applicants must receive a minimum score of 95 from the FY '07 Technical Evaluation Panel (TEP) to be considered for funding.	See PEI above.

Initiative/component	Allocation amount available	Applicant eligibility	Project period	Award caps	Applicant eligible activities
EOI General Component Open to applicants for all other fair housing education and outreach activities. In addition to all other education and outreach activities, applicants may also address the fair housing needs of persons with disabilities, the education of consumers about fair housing, financial literacy, credit management, and how to avoid high cost loans and abusive lending practices that violate the Fair Housing Act.	\$2,600,000	QFHOs, FHOs, public or private for profit or not for profit organizations or institutions, or other public or private entities that carry out programs to prevent or eliminate discriminatory housing practices. This includes agencies of State or local governments and agencies that participate in the Fair Housing Assistance Program (FHAP). See FHIP NOFA—Eligibility Information.	12–18 months.	100,000	For a list of Eligible Activities See EOI above.
EOI—Clinical Law School Component Applications are solicited for this component to organize and operate a fair housing legal-clinical education program that will benefit the public by producing well-trained clinicians and lawyers who are capable of educating and informing the public on fair housing rights and obligations.	\$500,000	Same as EOI above. In addition, applicant must: (1) Be recognized by the American Bar Association as having an accredited law school; (2) Be legally authorized by the State in which it is located to provide a bachelor's degree program and a law degree program; and (3) Be designated by the Secretary of the U.S. Department of Education as a Minority Serving Institution College or University.	12–18 months.	500,000	See above.
EOI—National-Based Program—Media Campaign Component. Applicants who submit applications under the EOI National-Based Media Campaign must provide a centralized coordination effort for the development, implementation, and distribution of a fair housing media campaign designed for the 40th Anniversary of the signing of the Fair Housing Act as part of FY2008's Fair Housing Month Activities.	1,000,000	Same as EOI above. In addition, applicants must have five years of experience as an advertisement/media organization, and must include in its proposal a sub-contract with an established fair housing organization.	12 months	\$1,000,000 ...	See above.

Eligibility of Successor Organizations for PEI. HUD recognizes that QFHOs and FHOs may merge with each other or other organizations. The merger of a QFHO or an FHO with a new organization, that has a separate Employer Identification Number (EIN), does not confer QFHO or FHO status upon the successor. To determine whether the successor organization meets the eligibility requirements for this Initiative, HUD will look at the enforcement-related experience of the successor organization (based upon the successor organization's EIN). The successor organization is not eligible to apply under this Initiative unless it establishes in its application that it is a private, tax-exempt organization with the requisite two years of enforcement

related experience for a QFHO or one year experience for an FHO.

B. Cost Sharing or Matching. No matching funds are required for the Education and Outreach or Private Enforcement Initiatives.

C. Other

1. Threshold Requirements

Program Requirements for All Initiatives. In addition to the civil rights and other threshold requirements found in the General Section, FHIP program applications must also meet the following requirements:

a. *Protected Classes.* All FHIP-funded projects must address housing discrimination based upon race, color, religion, sex, disability, familial status, or national origin. All services and

activities must be available to the protected class members.

b. *Tax Exempt Status.* Applicants for the PEI Initiative are ineligible for funding if they are not a 501(c)(3) tax-exempt organization as determined by the Internal Revenue Service (IRS) prior to the application deadline date.

c. *Name Check Review.* See the General Section.

d. *Poor Performance.* All applicants are ineligible for funding if they are a previous FHIP grantee that has received a "Poor" performance rating for its most recent performance rating from its Government Technical Representative (GTR). HUD will assess performance ratings for applicants who have received FHIP funding in FY 2003 through FY 2005. If the applicant has received a "poor" performance rating for its most

recent performance rating from its GTR, its application is ineligible for the FY 2007 competition. An applicant that does not agree with its determination of ineligibility for the FY 2007 competition because of "poor" performance must address to HUD's satisfaction the factors resulting in the "poor" performance rating before the FHIP application deadline date. If the "poor" performance rating is not resolved to the Department's satisfaction before the application deadline date, the application is ineligible for the FY 2007 FHIP NOFA competition. HUD is interested in improving the performance level of all grantees; therefore, applicants who are deemed ineligible because of a "poor" performance rating have the right and are encouraged to seek technical assistance from HUD to correct their performance in order to be eligible for future NOFA competition. Applicants who have received a "poor" performance prior to FY 2004 must provide written documentation that they have implemented remedies to address those issues and concerns that contributed to a "poor" performance rating. This written documentation should be an addendum to the abstract.

e. *Suits Against the United States.* An application is ineligible for funding if, as a current or past recipient of FHIP funds, the organization used any funds provided by HUD for the payment of expenses in connection with litigation against the United States (24 CFR 125.104(f)).

f. *Other Litigation.* An application is ineligible for funding if the organization used funds provided by HUD under this Program to settle a claim, satisfy a judgment, or fulfill a court order in any defensive litigation (24 CFR 125.104).

g. *Maximum award.* Applicants are ineligible for funding if they request funding in excess of the maximum allowed under the Initiative or Component for which they are applying. In addition, inconsistencies in the amount requested and/or miscalculations that result in amounts over the maximum award will be considered excessive; therefore the application will be considered ineligible.

h. *Dun and Bradstreet Numbering System (DUNS) Numbering Requirement.* Refer to General Section for information regarding the DUNS requirement. You will need a DUNS number to complete your electronic application as it is a mandatory field on the electronic application. The Grants.gov registration also requires use of the DUNS number.

i. *Majority of Eligible Activities.* Greater than 50 percent of the activities

and costs within the Statement of Work (SOW) and budget are fair housing related activities.

j. *Fair Housing Assistance Program (FHAP).* FHAP agencies who are under a suspension based on agency performance, as designated under 24 CFR Part 115.211(b) at time of application are ineligible for funding.

k. *Minimum Technical Evaluation Panel (TEP) Score.* Applicants must receive a minimum TEP score of 75 to be considered for funding.

l. *Application Preference.* Applicants may submit multiple applications to the FHIP. For those applicants who submit multiple applications the following applies: EOI applicants may receive an EOI General, and a EOI Clinical Law School Component, or EOI National-Based Program Media Campaign Component award.

m. *Independence of Awards.* The application submitted must be independent and capable of being implemented without reliance on the selection of other applications.

n. *Training funds.* The proposed budget must set aside funds to participate in HUD mandatory sponsored or approved training in the amount of \$7,000 for EOI and PEI components; and \$7,000 annually for a 36-month duration for PBFC.

Do not include amounts over the \$7,000 (as appropriate) for the training set-aside in this category. If applicants do not include these funds in the budget and are selected for an award, HUD will modify the budget, reallocating the appropriate amount for training.

o. *Accessibility Requirements.* All activities, facilities, and materials funded by this program must be accessible and visitable to persons with disabilities (24 CFR 8.2, 8.4, 8.6, and 8.54).

p. *Fair Housing Act.* HUD expects applicants to address housing discrimination covered under the Act. HUD has determined there is a need to ensure equal opportunity and access to housing in communities across the nation.

q. *Research Activities.* Applicants are ineligible for funding if between 90–100% of their project is aimed at research.

r. *Limited English Proficient (LEP).* Applicants obtaining an award from HUD must provide access to program benefits and information to LEP individuals through translation and interpretive services in accordance with HUD's published LEP Guidance.

s. *OMB Circular.* For-profit awardees are not allowed to earn a profit and must adhere to OMB Circular A–133.

t. *Single Audit Requirement.* All applicants who have expended \$500,000 or more in Federal financial assistance within a fiscal year single year (this can be a program or fiscal year) must be audited in accordance with the OMB–A133 requirements as established in 24 CFR 84 and 85.

u. *Reimbursement Requirement.* All PEI grantees are required to reimburse the Federal government for the amount of the grant from all settlements, conciliations, and agreements obtained as a result of the use of FHIP funds. As an alternative to returning these funds to HUD, grantees may choose to use the funds as program income to further fair housing activities. However, the use of funds for this purpose must be pre-approved in writing by the Government Technical Representative assigned to the grant.

v. *Clinical Law School Component.* To qualify as an applicant under this Component, an institution must:

(1) Be recognized by the American Bar Association as having an accredited law school;

(2) Be legally authorized by the State in which it is located to provide a bachelor's degree program and a law degree program;

(3) Be designated by the Secretary of the U.S. Department of Education as a Minority Serving Institution College or University, and

(4) Have a high enrollment of needy students defined by 34 C.F.R 607.3. Applicants must submit documentation from the U.S. Department of Education establishing eligibility (except for item (1) above).

w. *National Based Program—Media Campaign Component Applications.* Applicants who submit applications under the Media Campaign Component must have as their primary responsibility advertisement and media and have at least five years of experience as an advertisement/media or public relations organization. In addition, applicants must include as part of its proposal a subcontract with an established fair housing organization. Applicants that fail to meet this requirement or include such subcontract arrangements in their proposals will be ineligible for funding.

2. *Other Program Requirements by Initiative.* Under the PBFC, applicants must receive a minimum FY 2007 TEP score of 95 to be considered for funding.

3. *Performance Measures and Products.* For all Initiatives and Components. Applicants must submit a Logic Model (Form HUD 96010), which provides outputs and outcomes in their application. Applicants are also to identify the tools they will use to

identify program progress against their proposed outputs and outcomes. See reporting requirements for reporting using the Logic Model and the frequency of the reporting. The form is located in the Instruction Download at http://www.grants.gov/applicants/apply_for_grants.jsp for the FHIP program. An example of a completed Logic Model is included within this NOFA. The eLogic Model form is a Microsoft Excel™ form, which provides a drop down list from which you select the responses that best fit your proposed program of activities/outputs and outcomes. The form, in HTML fillable format and a text Logic Model Master file, is available on the Web site at http://www.grants.gov/applicants/apply_for_grants.jsp for applicants that do not have access to Microsoft Excel™. Training will be provided by satellite broadcast and webcast. The training materials and schedule will be available at the above HUD Web site. Applicants should check the site for dates and times for HUD training on the Logic Model. For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the Return on Investment (ROI) concept.

4. Testing Requirements for PEI applicants. All applicants that propose testing must review the FHIP Regulation at 24 CFR Part 125.

a. *Review and Approval of Testing Methodology.* If your application proposes testing, other than rental housing testing, HUD may require copies of the following documents to be reviewed and approved by HUD prior to your carrying out the testing activities.

(1) The testing methodology to be used;

(2) The training materials to be provided for testing; and

(3) Other forms, protocols, cover letters, etc., used in the conduct of testing and reporting of results.

If HUD has approved your testing methodology for FY 2005 and FY 2006, there is no need to submit your testing methodology, unless you are revising the methodology that was approved by HUD. If changes are being made, or you have not had your testing methodology previously approved by HUD, you must submit information in your application.

b. *Retainer Fees.* FHIP recipients are under specific restrictions regarding establishment of retainer agreements and recovery of legal fees from HUD funded cases. Data on fees settlements and verdicts are public record and must be provided to HUD on an annual basis. Either the grantee or the individual(s) on whose behalf any action is filed cannot waive these provisions. For additional information on these provisions, please see <http://www.hud.gov/offices/fheo/library/index.cfm>.

IV. Application and Submission Information

A. Requesting an Application Package

This section describes how you may obtain application forms and additional information about the FHIP program. Copies of the published General Section, FHIP NOFA and application forms may be downloaded from the Grants.gov Web site at <http://www.grants.gov> or if you have difficulty accessing the information you may receive customer support from Grants.gov by calling their help line at (800) 518-GRANTS or sending an e-mail to support@grants.gov. If you do

not have internet access and you need to obtain a copy of the NOFA you can contact HUD's NOFA Information Center toll-free at (800) HUD-8929. Persons with hearing or speech impairments may access the Information Center by calling the Federal Information Relay Service at (800) 877-8339.

B. Content and Form of Application Submission

All applicants must read and adhere to Initiative-specific information. Applicants are encouraged to review the chart titled "Summary of Initiatives/Components." To submit documents using the facsimile method, see the General Section for specific procedures governing facsimile submission.

1. *For All Applicants.* The maximum narrative page requirement is ten (10) pages per factor. The narrative pages must be double-spaced. This includes all narrative text, titles and headings. (However, you may single-space footnotes, quotations, references, captions, charts, forms, tables, figures and graphs). You are required to use 12-point type size. You must respond fully to each factor to obtain maximum points. Failure to provide narrative responses to all factors other than factor five or omitting requested information will result in less than the maximum points available for the given rating factor or sub-factor. Failure to provide double-spaced, 12-point type size narrative responses will result in five points being deducted from your overall score (one point per factor).

2. The chart below gives a brief description of all items to be included within the application:

Complete application package contains	Required content	Required form or format
Application for Federal Assistance	(per required form)	Form SF-424.
Survey for Ensuring Equal Opportunity for Applicants.	(per required form)	SF-424 Supplement ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov).
Budget information	(per required form)	Form SF-424CB and SF-424CBW ("HUD Detailed Budget Form and Worksheet" on Grants.gov).
Disclosure of Lobbying Activities	(per required form)	SF-LLL, if applicable.
Applicant-Recipient Disclosure Update Report ..	(per required form)	HUD-2880 ("HUD Applicant Recipient Disclosure Report" on Grants.gov).
Certification of Consistency with RC/EZ/EC-Its Strategic Plan.	(per required form)	HUD-2990.
Acknowledgement of applicant receipt (required only if you are granted waiver to the electronic application requirement).	(per required form)	HUD-2993.
You are our client grant application survey (optional).	(per required form)	HUD-2994-A).
Program Outcome Logic Model	(per required form)	HUD-96010.
Third Party Documentation Facsimile Transmittal.	(per required form)	HUD-96010 ("Facsimile Transmittal Form" on Grants.gov).
Facsimile Transmittal Form	(per required form)	HUD-96011.
Race and Ethnic Data Reporting Form	(per required form)	HUD-27061.

Complete application package contains	Required content	Required form or format
America's Affordable Communities Initiative	(per required form)	HUD-27300 ("HUD Communities Initiative Form" on Grants.gov).
Narrative	Described in Section IV.B. of this announcement.	Format described in Section IV.B of this announcement.
Letters from third parties contributing to cost sharing.	Third parties' affirmations of amounts of their commitments.	No specific form or format.
Addendum to Abstract—Correction of Poor Performance (as appropriate).	Written documentation that performance issues and concerns have been cured.	No specific form or format.
Project Abstract	Short summary of project activities, areas of concentration and persons to be served. Preference for funding.	No specific form or format.

C. Submission Dates and Times. Applications must be received and validated by http://www.grants.gov/applicants/apply_for_grants.jsp no later than 11:59:59 p.m. eastern time on the application deadline date of May 3, 2007, to be considered timely filed. Validation may take up to 72 hours to complete. Grants.gov will reject applications that do not meet the deadline requirement. See the General Section for further details.

D. Intergovernmental Review. Intergovernmental Review is not applicable to this program.

E. Funding Restrictions

1. *PEI Limitations for Education & Outreach*—There is a 10% limit on the amount of education and outreach related activities that can be funded in an enforcement award. If you exceed the limit, points will be deducted in the rating process and if awarded, funds will be adjusted to maintain the required limitation.

2. *Administrative Costs*. Eligible administrative costs include leases for office space, under the following conditions:

(1) The lease must be for existing facilities not requiring rehabilitation or construction;

(2) No repairs or renovations of the property may be undertaken with Federal funds; and

(3) Properties in the Coastal Barrier Resource System designated under the Coastal Barrier Resources Act (16 U.S.C. 3501) cannot be leased with Federal funds.

F. Other Submission Requirements. Electronic delivery via http://www.grants.gov/applicants/apply_for_grants.jsp is HUD's required method for application submission. Applicants interested in applying for FHIP funding must submit their applications electronically or request a waiver from the Assistant Secretary of FHEO. The request must state the basis for the waiver request. HUD's regulation on waivers, found in 24 CFR part 5, states that waivers can be granted for cause. Applicants must submit their

waiver requests, in writing at least 15 days prior to the application deadline, to Ms. Kim Kendrick, Assistant Secretary for Fair Housing and Equal Opportunity, 451 7th Street, SW., Room 5100, Washington, DC 20410. A copy of all waiver requests must simultaneously be submitted to Myron P. Newry, Director, FHEO-FHIP Support Division, (same address as above), Room 5226, or by e-mail to Myron_P_Newry@HUD.gov. If granted a waiver, the notification will provide instructions on where to submit the application and how many copies are required. HUD will not accept a paper application without a waiver being granted. If you receive a waiver of the electronic application submission requirement, your application must be received by HUD no later than 11:59:59 p.m. on the application deadline date.

V. Application Review Information

A. Criteria for Regional/Local Community Based Applications

1. Rating Factor 1: Capacity of Applicant and Relevant Organizational Experience (25 Points). You must describe staff expertise and your organization's ability to complete the proposed activities within the grant period.

In General. You must describe your staffing plan and the extent to which you plan to add staff (employees) or contractors. If your application proposes using subcontractors and these subcontractor activities amount to more than 10 percent of your total activities, you must submit a separate budget for each subcontractor. Failure to include a separate budget will result in lower points being assessed to your application.

a. *Number and expertise of staff (this includes subcontractors and consultants)*. (5) Points for current FHIP grantees; (10) Points for New Applicants. You must complete a summary of staff expertise that will show sufficient, qualified staff who will be available to complete the proposed activities. This summary should include: Names of staff person(s), time

each will spend on project, years of fair housing/civil rights experience for each person, titles of staff persons, and a brief paragraph on each staff member which outlines his or her experience. Do not include resumes or other documents. Those that submit resumes or other lengthy documents on staff experience will have points deducted from their application based on exceeding the ten-page submission requirement.

To receive maximum points, your day-to-day program manager must devote a minimum of 75% of his/her time to the project. This individual must be stationed in the metropolitan area where the project will be carried out. This information must be included in the response to this factor. For day-to-day managers who do not have at least 75% of their time devoted to the project, no points will be awarded under this sub-factor. For example, if the Executive Director is responsible for managing the overall program administrative activities, the application should reflect the Executive Director's time as 75%. You may not designate more than one person to fit this 75% criterion. Your application must also clearly identify those persons that are on staff at the time this application is submitted and those persons who will be assigned at a later date and indicate whether the staff person is assigned to work full-time or part-time (if part-time, indicate the percentage of time each person is assigned to the project).

If you are applying for the EOI-Clinical Law School Component, you must:

(1) Show that you will have sufficient, qualified staff or faculty who will be available to

(2) Have experience in recruitment of law students (submit a projection of the number of students expected to participate in and complete the program), marketing (submit a plan to promote the fair housing curriculum and clinical law program), and fair housing.

(3) Implement the curriculum design at a MSI (Minority Serving Institution) with an ABA-accredited law school.

(a) You must also identify all of the administrators of the clinical program and describe their function, qualifications, and experience;

(b) Identify persons who will constitute the faculty for the program and describe their functions, qualifications, and experience; and

(c) Identify and describe the functions and qualifications of any other program staff.

(4) You must describe the knowledge and experience of the proposed overall Faculty Administrator and day-to-day program manager (whose duties and responsibilities include managing all program and administrative activities as outlined in the SOW and ensuring that all timelines are met), in planning and managing a fair housing legal-clinical program. Indicate the percentage of time that key personnel will devote to your project.

b. *Organizational experience.* (10) *Points for current FHIP grantees;* (15) *Points for new applicants.* In responding to this sub-factor, you, the applicant, must show that your organization has:

(1) conducted a past project or projects similar in scope and complexity to the project proposed in this application (whether FHIP-funded or not), or

(2) engaged in activities that, although not similar, are readily transferable to the proposed project. You must provide a listing of all affiliate and/or subsidiary organizations, and identify which of these organizations will assist you in the development and/or implementation of any portion of your proposed FY2007 FHIP funded project. If you do not have any affiliates or subsidiaries, you should state this in your application.

(3) If you are an existing FHIP grantee, you must provide details about the progress and outcomes of your previous grant.

(a) EOI applicants must show that they have engaged in projects that are Regional/Local/Community based. Experience will be judged in terms of recent, relevant and successful experience of your staff to undertake eligible activities. In rating this factor, HUD will consider experience within the last three years to be recent, experience pertaining to the specific activities to be relevant, and experience producing measurable accomplishments to be successful. The more recent the experience and the more experience your own staff members who work on the project have in successfully conducting and completing similar activities, the greater the number of

points you will receive for this rating factor.

(b) If you are applying for funding under PEI, you must provide the following information when responding to this sub-factor:

(i) If you propose to conduct testing (other than rental or accessibility testing), provide a brief narrative that documents that you have conducted successful testing in those areas.

(ii) Discuss your compliance with the requirement to either reimburse the Federal government for compensation received from FHIP-funded enforcement activities or use the compensation as program income to further fair housing activities. If you have not reimbursed the Federal government or used the funds as program income to further fair housing activities, explain why you have not. Also, state whether you reported to HUD any likely compensation that may result in such reimbursement or use for furthering fair housing. Two (2) points will be deducted for this sub-factor if you have not complied with the requirement.

(c) If you are submitting an application under the EOI—Clinical Law School Component, you are responsible for the development of a comprehensive concept and design of an Action Plan for the Clinical Law School. The Action Plan must include a design concept and academic structural approach that will be used in assessing your capacity to develop and operate a Fair Housing Legal-Clinical Program.

In order to assess your capacity to design and implement a fair housing course curriculum, please provide documented information that your organization has conducted a past clinical project or projects similar in scope and complexity to the clinical project being proposed. You must describe the knowledge and experience of the proposed overall faculty and staff and indicate whether this staff has had prior knowledge and experience in establishing and implementing a clinical law project similar to the one being proposed. Further, you must show that faculty and staff have expertise in implementing a newly designed clinical curriculum at a MSI with an ABA-accredited law school.

c. *Performance on past project(s).* (10) *Points for current FHIP grantees;* (0) *Points for new applicants.* HUD will assess your organization's past performance in conducting activities relevant to your application. For current FHIPs, past performance will be assessed based on your most recent performance assessment received from your HUD Government Technical Representative (GTR) for the past two

(2) complete fiscal years (FY 2004 through FY2005).

This information will be provided to the Technical Evaluation Panel (TEP) by HUD staff. Based on past performance, the following points will be deducted from your score under this rating sub-factor:

(1) 10 points out of 10 possible points will be deducted if you received a "fair performance" assessment;

(2) 5 points out of 10 possible points will be deducted if you received a "good performance" assessment; and

(3) 0 points will be deducted if you received an "excellent performance" assessment.

2. Rating Factor 2: Need/Distress/Extent of the Problem (20 Points).

This factor addresses the extent to which there is a need for funding the proposed activities to address documented fair housing problems in target area(s). You will be evaluated on the information that you submit that describes the fair housing need in the geographic area you propose to serve, its urgency and how your project is responsive to that need. Applicants should document and use any relevant information from HUD's Housing Discrimination Study 2000 (HDS2000) to respond to this factor.

a. *Documentation of Need.* To justify the need for your project, PEI and EOI applicants must describe the following:

(1) The fair housing need, including:

(a) Geographic area to be served and your proximity and experience within the area;

(b) Populations that will be served—your project may focus on a specific population and/or protected class; however, you must state that your project will serve all persons protected by the Act; and

(c) The presence of housing discrimination, high segregation indices or other evidence of discrimination prohibited by the Act within the project area.

(2) The urgency of the identified need. For example:

(a) The potential consequences to persons if your application is not selected for funding;

(b) The extent to which other organizations provide the services identified in your application;

(c) Other sources that support the need and urgency for this project. (Do not include these sources within your application.) Please provide Web site information where these sources may be found. Applicants that provide detailed studies, including detailed consolidated plans for their referenced project area will have points deducted from this factor based upon the ten-page

submission requirement. For example, make reference to reports, statistics, or other data sources that you used that are sound and reliable, including but not limited to, HUD or other Federal, State or local government reports analyses, relevant economic and/or demographic data including those that show segregation, foundation reports and studies, news articles, and other information that relate to the identified need. Provide the Web site where these reports may be found for reference. Chapter V of the *Fair Housing Planning Guide, Vol. 1*, has other suggestions for supporting documentation. You may access the Guide from the HUD Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

For all applicants: You must use sound data sources to identify the level of need and the urgency in meeting the need and provide Web site addresses for each data source (ex. Analysis of Impediments to Fair Housing Choice (AI), fair housing studies, etc.) For you to receive maximum points for this factor, there must be a direct relationship between your proposed activities, the outcomes to be accomplished, and the community or communities' fair housing needs, including your knowledge of and your proximity to the targeted area, and the purpose of the program funding.

To the extent possible, the data you use should be specific to the area where the proposed activity will be carried out. For example, if you propose to test in areas impacted by Hurricane Katrina in the states of Louisiana, Mississippi, Alabama or Texas you should document the number of displaced persons relocated to those areas and the impact of the numbers of displaced persons upon existing fair housing services. You should document needs as they apply to the specific area(s) where activities will be targeted and your proximity to the target area, rather than the entire locality or State. If the data presented does not specifically represent your target area, you should discuss why the target area was proposed.

(3) The link between the need and your proposed activities:

(a) How the proposed activities augment or improve upon on-going efforts by public and private agencies, grass-roots faith-based and other community-based organizations and other organizations and institutions in the target area, and/or

(b) Why, in light of other on-going efforts, the additional funding you are requesting is necessary.

b. In addition, with respect to Documentation of Need, the following

apply to specific FHIP Initiatives or Components:

EOI-Clinical Law School Component. Your project must show that you have data, statistics, and community support to establish a clinical law project or projects similar in scope and complexity to the clinical project proposed in this NOFA.

3. Rating Factor 3: Soundness of Approach (35 Points)

You must describe your project in detail and how it will support the goals and policy priorities outlined in the General Section. For each goal and policy priority that your project addresses, you must propose performance measures/outcomes in support of these goals, and establish numerical baselines and targets for those measures. Attach a Statement of Work (SOW) and budget.

a. *Support of Policy Priorities (8 Points)*. HUD encourages applicants to undertake specific activities that will assist the Department in implementing its policy priorities and which will help the Department achieve its goals and objectives in FY 2007. Describe how your proposed project will further and support HUD's policy priorities for FY 2007. The quality of the responses provided and the extent to which a program will further and support one or more of HUD's priorities will determine the score an applicant can receive. Applicants must describe how each policy priority selected will be addressed.

Applicants that just list a priority will receive no points. It is up to the applicant to determine which of the policy priorities to address to receive the available 8 points. Each policy priority addressed must discuss the geographic area to be served in relation to the project's purpose, the persons to be served and the methodology for carrying out these activities. Each policy priority has a point value of one point, with the exception of the policy priority to remove regulatory barriers to affordable housing which has a point value of up to 2 points; and, for EOI applicants only, promoting participation by grassroots faith-based and other community-based organizations, or partnering with an organization promoting participation in grassroots faith-based and other community-based organizations, which has a point value of up to 4 points. To secure the possible 2 points for efforts to remove regulatory barriers to affordable housing, an applicant must submit the completed questionnaire (HUD 27300), and provide the required documentation and contact information. Please see the General

Section for further information on Removal of Regulatory Barriers to Affordable Housing. The questionnaire is part of the electronic application package. For the full list of each policy priority, please refer to the General Section.

b. *Proposed Statement of Work (SOW) and Information Requirements (17 Points)*. The SOW and budget are attachments that will not count toward the ten (10)-page limit on the narrative response to this factor. However, points will be assigned based on the relevance of proposed activities to needs stated in Factor 2, the attention given to implementation steps, the consistency of proposed activities with organizational expertise and capacity, and the accuracy of the SOW and budget.

Statement of Work—Submit a proposed SOW that comprehensively outlines in chronological order the administrative and program activities and tasks to be performed during the grant period. Your outline should identify all activities and tasks to be performed and by whom (e.g., you, a subcontractor, or partner), and the products that will be provided to HUD and when. You should also include a schedule of your activities and products (with interim implementation steps), staff allocation over the term of the project; staff acquisition and training; and activities of partners and/or subcontractors. Applicants should provide numbers on the projected clients to be served. Do not provide ranges or percentages, but a specific number of clients. These numbers should represent individuals to be served entirely with HUD FHIP funding. For the EOI General Component, HUD anticipates that products will be available in at least seven languages, including English. The languages will include French, Korean, Laotian, Vietnamese, Chinese, Arabic, and Spanish. Deliverables may include brochures, Public Service Announcements (PSAs) for radio in both majority and minority markets and posters and other graphic materials. Graphic materials may include but are not limited to enlarged reproductions of existing HUD printed PSAs and HUD materials. Provide information on media markets coverage with specific protected class focus, as well as those with Limited English Proficiency and a method for distribution of the finished product.

c. *The Budget Form and the Budget Information (10 Points)*. HUD will also assess the soundness of your approach by evaluating the quality, thoroughness, and reasonableness of the budget and

financial controls of your organization, including information on your proposed program cost categories. As part of your response, you must prepare a budget that is:

(1) Reasonable in achieving the goals identified in your proposed SOW;

(2) Relate tasks in the SOW to the proposed budget costs;

(3) Cost-effective, and includes a brief discussion of the extent to which your proposed program is cost effective in achieving the anticipated results of the proposed activities in the targeted area. Applicants seeking funding to conduct activities in an area other than the applicant's State or locality must discuss the cost effectiveness of where the activities will be conducted in relation to the location of the organization. HUD will look at the cost effectiveness of your travel to and from your location to the targeted area(s), personnel expenses for out-stationed personnel, contracts and sub-grantees, and other direct costs, which may include relocation expenses, and telecommunications expenses and make a final determination of cost effectiveness based on the above listed items. Also, indicate how the proposed project is:

(4) Quantifiable based on the need identified in Factor 2, and

(5) justifiable for all cost categories in accordance with the cost categories indicated in the HUD-424 CB. If you are awarded a grant or cooperative agreement under FHIP, staff will request that you include your approved indirect cost rate as part of your negotiations with HUD. If you do not have a Federally approved indirect cost rate and HUD is the cognizant agency, HUD will submit a request within 30 days after award to establish a rate. For information on indirect cost rates, you can review HUD's training on <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

(6) *Financial Management Capacity*. Describe your organization's financial management system and your Board's contribution to the organization. In addition, discuss your capabilities in handling financial resources, dissemination payments to subcontractors, and maintaining adequate accounting and internal control procedures.

(7) *Grant Application Detailed Budget Worksheet (HUD-424-CBW)*. The HUD-424-CBW must show the total cost of the project and indicate other sources of funds that will be used for the project. While the costs are based only on estimates, the budget narrative work plan may include information obtained from various vendors, or you may rely

on historical data. Applicants must round all budget items to the nearest dollar.

A written budget narrative work plan must accompany the proposed budget explaining each budget category listed and must explain each cost category. Failure to provide a written budget narrative work plan will result in 2 points being deducted from your application. It must explain each cost category you list. Where there are travel costs for subcontractors/consultants, you must show that the combined travel costs (per diem rates) are consistent with Federal Travel Regulations (41 CFR 301.11) and travel costs for the applicant's subcontractors and/or consultants do not exceed the rates and fees charged by local subcontractors and consultants. The narrative (which does not count toward the ten page limit) must address the Grant Application Detailed Budget.

4. Rating Factor 4: Leveraging Resources (5 Points)

This factor addresses your ability to secure additional resources to support your project. Points will be awarded on the basis of the percentage of non-FHIP resources you have received at application submission, in the form of firm commitments, or planned collaborative efforts you have with Fair Housing Assistance Program agencies.

a. *Firm Commitment of Leveraging or Collaboration*. HUD requires you to secure resources from sources other than what is requested under this FHIP NOFA. Leveraging of community resources may include funding or in-kind contributions, such as workspace or services or equipment, allocated to the purpose(s) of your proposal. Contributions from affiliates, subsidiaries, divisions, or employees of the applicant do not qualify as in-kind contributions. Funds from an applicant's previously established investment account(s) may qualify as in-kind resources; however, documentation must be provided. Resources may be provided by governmental entities (including other HUD programs if such costs are allowed by statute), public or private non-profit organizations, faith-based organizations, for-profit or civic private organizations, or other entities planning to work with you. In order to secure points you must establish leveraging of resources by identifying sources of contributors who have already provided to you letters of firm commitment from the organizations and/or individuals who will support your project. Collaboration will consist of activities you have or plan to have with Fair Housing Assistance Program

agencies. You must provide a letter of firm commitment from that organization and/or individual, on their letterhead, stating their intent to work with you on your project. For PEI-PB applicants only, each letter must state the total dollar amount of in-kind funds and/or resources to be donated to the fair housing project, and specify the amount to be used each of the three years of this project. For all applicants, each letter of firm commitment must:

(1) Identify the organization and/or individual committing resources to the project and state the timeline for use of these funds in relation to the project. Further, the letter must identify any affiliation with the applicant,

(2) Identify the sources and amounts of the leveraged resources (the total FHIP and non-FHIP amounts must match those in your proposed budget submitted under Factor 3), and

(3) Describe how these resources will be used under your SOW. The letter must be dated and signed by the individual or organization official legally able to make commitments for the organization. If the resources are in-kind or donated goods, the commitment letter must indicate the fair market value of those resources and describe how this fair market value was determined. (Do not include indirect costs within your in-kind resources). In-kind matching and leveraging contributions, as well as Program Income must comply with 24 CFR 84.23 and 84.24 requirements. FHIP funds cannot be used for in-kind or donated services (for example, a current staff person on a FHIP-funded project).

No points will be awarded for general letters of support endorsing the project from organizations, including elected officials on the local, State, or national levels, and/or individuals in your community. See General Section for instructions on how third party documents are to be submitted to HUD via the electronic submission process. For PEI and EOI, if your project will not be supported by non-FHIP resources, then you will not receive any points under this factor. Points will be assigned for each Initiative based on the following scale:

One point will be awarded if less than 5% of the projects total costs come from non-FHIP resources.

Two points will be awarded if between 5% and 10% of the project's total costs are from non-FHIP resources.

Three points will be awarded if between 11% and 20% of the project's total costs are from non-FHIP resources.

Four points will be awarded if between 21% and 30% of the project's total costs are from non-FHIP resources.

Five points will be awarded if at least 31% of the project's total costs are from non-FHIP resources.

Five points will be awarded if your application contains a firm letter of commitment from a Fair Housing Assistance Program agency stating their firm commitment to work with you on your project. Should the letter lack any of the required information listed in (1) through (3) above, 'no' points will be awarded under this factor.

5. Rating Factor 5: Achieving Results and Program Evaluation (15 Points)

a. In evaluating this factor, HUD will assess the extent to which you demonstrate how you will measure the results of the work of your organization as set out in your budget. Applicants must select from the list of activities and outcomes detailed in the Logic Model for the Initiative applied for and should determine from these selections, their specific methods and measures to assess progress, evaluate program effectiveness, and identify program changes necessary to improve performance. This will ensure that performance measures are met and that grantees are establishing achievable realistic goals. Applicants who have identified outputs and outcome measurements and methods for assessing those against commitments made in the application, will receive higher points than those that do not. To meet this Factor requirement, you must submit HUD's Logic Model (HUD-96010).

Instructions and a Microsoft Excel™ form are provided in the forms appended to the Instruction Download on http://www.grants.gov/applicants/apply_for_grants.jsp. Applicants that do not have access to Microsoft Excel™ may obtain a copy of the form in HTML fillable format along with a text format of the Master Logic Model listing, from HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

A narrative response is not required for this factor as all applicants must use the Logic Model Form to respond to this factor. Applicants that submit narrative responses rather than use the Logic Model Form will receive no points under this subfactor. Applicants should also review the Logic Model training which can be found at <http://www.hud.gov/offices/adm/grants/training/training.cfm>.

b. In evaluating this factor:

(1) HUD will review the activities/ outputs and outcomes units of measurement you selected and in relation to the needs of your intended audience or target populations;

(2) Output. The direct products of the applicant's activities that lead to the ultimate achievement of outcomes.

Examples of activities and outputs for PEI and EOI applicants can be found at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. Applicants must select one or more activities from the listing of "Fair Housing Services Provided" that will be undertaken by your organization. Applicants who do not select from the list "Fair Housing Services Provided" or those who do not add additional services to the list will not receive any points under this factor.

(3) Outcome. The Logic Model has a prepared list of activities, outcomes and indicators associated with Fair Housing. Applicants must choose from this list of "Year 1, Year 2, or Year 3" outcomes that are provided as part of the FHIP NOFA or applicants may choose others and provide a brief statement to describe other activities or outcomes. Applicants who do not select from the list "Outcomes and Indicators" or do not select others with a brief description will not receive any points under this factor. You should assess progress and track performance in meeting the goals and objectives outlined in the work plan.

Accountability can be achieved using specific measurement tools to assess the impact of your activities. Examples include:

- Intake Instrument;
- Pre/Post Tests;
- Customer/Client Satisfaction

Survey;

- Follow-up Survey;
- Observational Survey;
- Functioning scale; or
- Self-sufficiency scale.

Applicants must also reference policy priorities, as stated in your response to Factor 3, and relate them to your project's goals, as appropriate.

B. Criteria for National Based Program Applications

Factors for Award Used to Evaluate and Rate Applications for the National Education and Outreach Initiative Program. The factors for rating and ranking applicants and the maximum points for each factor, are provided below. The maximum number of points awarded any application is 100. Bonus points are not available for this category of funding.

1. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (25 Points)

This factor addresses the extent to which the applicant has the organizational resources necessary to successfully implement the proposed

activities in a timely manner, and the applicant's ability to develop and implement large information campaign projects as appropriate, on a national scale. The rating of the "applicant" or the "applicant's organization and staff" for technical merit or threshold compliance, unless otherwise specified, will include any subcontractors, consultants, and sub-recipients that are firmly committed to the project.

You must describe staff expertise and your organization's ability to complete the proposed activities within the grant period.

In General. HUD recognizes that, in carrying out the proposed activities, you may have persons already on staff, plan to hire additional staff, or rely on subcontractors or consultants to perform specific tasks. You must describe your staffing plan and the extent to which you plan to add staff (employees) or contractors. If your application proposes using subcontractors and these subcontractor activities amount to more than 10 percent of your total activities, you must submit a separate budget for each subcontractor. Failure to include a separate budget will result in lower points being assessed to your application.

(5) Points current FHIP grantees

(10) Points for new applicants

a. *Number and expertise of staff (this includes subcontractors and consultants).* You must show that you will have sufficient, qualified staff that will be available to complete the proposed activities. Provide the following information for all staff assigned to or hired for this project, not just key personnel (those persons identified in attachments to Rating Factor 3: Soundness of Approach):

Identify by name and/or title and hours, all persons that will be assigned to the project. You must describe the knowledge and experience of the proposed overall project director or day-to-day program manager (whose duties and responsibilities include managing all program and administrative activities as outlined in the SOW and ensuring that all timelines are met), in planning and managing national projects similar in scope and complex interdisciplinary programs. To receive maximum points, your day-to-day program manager must devote a minimum of 75% of his/her time to the project. For day-to-day managers who do not have at least 75% (based on full-time) of their time devoted to the project, no points will be awarded under this sub-factor. For example, if the Executive Director is responsible for managing the overall program administrative activities, the

application should reflect the Executive Director's time as 75%. However, if a staff person will be assigned this responsibility, the 75% time should be reflected as such. You may demonstrate capacity by thoroughly describing your prior experience in conducting national and/or regional/local media campaigns. You should indicate how this prior experience will be used in carrying out your proposed activities. Your application must clearly identify those persons that are on staff at the time this application is filed, and those persons who will be assigned at a later date; describe each person's duties and responsibilities and their expertise (including years of experience) to perform project tasks; indicate whether the staff person is assigned to work full-time or part-time (if part-time, indicate the percentage of time each person is assigned to the project).

If the applicant has experienced staff or if the applicant proposes to use a contractor sub-grantee, the extent to which the applicant provides a rationale for how it will utilize its staff or a contractor or sub-grantee to incorporate its proposed activities, methods, and how these media techniques will most effectively deal with the national need described by the applicant in response to the need described in Rating Factor 2. To the extent possible, applicants should demonstrate effectiveness in terms of scope and cost.

(10) Points for current FHIP grantees
(15) Points for new applicants

b. Organizational experience. In responding to this subfactor, you must show that your organization has the ability to effectively develop, implement, and manage a media campaign on a national scale. (Applicants must be an established media/advertisement organization and include as part of their proposal a subcontract with an established fair housing organization.) Applicants for FHIP program funding must specifically describe their experience in developing or carrying out programs to prevent or eliminate discriminatory housing practices. Applicants must discuss their ability to implement a coordinated national marketing awareness campaign, especially in the areas of fair housing, discrimination, public health, and housing. In responding to this subfactor, the applicant must describe the extent to which its past activities have resulted in successful national media campaigns as appropriate, especially with respect to developing and implementing innovative strategies resulting in positive public response. Experience will be judged in terms of recent,

relevant and successful experience of your staff to undertake eligible activities.

In rating this factor, HUD will consider experience within the last 3 years to be recent, experience pertaining to the specific activities to be relevant, and experience producing measurable accomplishments to be successful. The more recent the experience and the more experience your own staff members who work on the project have in successfully conducting and completing similar activities, the greater the number of points you will receive for this rating factor.

(10) Points for current FHIP grantees
(0) Points for new applicants

c. *Performance on past project(s).* HUD will assess your organization's past performance in conducting activities relevant to your application. For current FHIPs, past performance will be assessed based on your most recent performance assessment received from your HUD Government Technical Representative (GTR) for the past two (2) complete fiscal years (FY 2004 and FY 2005).

This information will be provided to the Technical Evaluation Panel (TEP) by HUD staff. Based on past performance, the following points will be deducted from your score under this rating sub-factor:

- (1) 10 points out of 10 possible points will be deducted if you received a "fair performance" assessment;
- (2) 5 points out of 10 possible points will be deducted if you received a "good performance" assessment; and
- (3) 0 points will be deducted if you received an "excellent performance" assessment.

2. Rating Factor 2: Need/Approach to the Problem (10 Points)

This factor addresses the extent to which the applicant documents and defines the national need that its proposed activities and methods are intended to address, and how its proposal offers the most effective approach for dealing with that national need. In responding to this factor, an applicant will be evaluated on the extent to which the applicant defines, describes, and documents the national need the application intends to address, which demonstrates a grasp of the elements of the problem, its pervasiveness at the national level, and an understanding of the necessary mass media vehicles. The applicant's description of the national need will be used to evaluate the depth of the applicant's understanding of the problem as an indication of ability to address the problem.

3. Rating Factor 3: Soundness of Approach (45 Points)

This factor addresses the quality and cost-effectiveness of the applicant's proposed Statement of Work (SOW). You must describe your project in detail, and how it will support the goals and policy priorities outlined in the General Section. For each goal and policy priority that your project addresses, you must propose performance measures/outcomes in support of these goals, and establish numerical baselines and targets for those measures. The SOW must address the strategy, quality and time frames needed to carry out the project and all activities as proposed.

a. (8 Points) *Support of HUD Goals.* HUD encourages applicants to undertake specific activities that will assist the Department in implementing its policy priorities and which will help the Department achieve its goals and objectives in FY 2007. Describe how your proposed project will further and support HUD's policy priorities for FY 2007. The quality of the responses provided and the extent to which a program will further and support one or more of HUD's priorities will determine the score an applicant can receive. Applicants must describe how each policy priority selected will be addressed.

Applicants that just list a priority will receive no points. Each policy priority addressed if applicable, must discuss the national need in relation to the project's purpose, the persons to be served and the methodology for carrying out these activities. Each policy priority has a point value of one point, with the exception of the policy priority to remove regulatory barriers to affordable housing which has a point value of up to 2 points; and, promoting participation by grassroots faith-based and other community-based organizations, or partnering with an organization promoting participation in grassroots faith-based and other community-based organizations, which has a point value of up to 4 points. It is up to the applicant to determine which of the policy priorities to address to receive the available 8 points. To secure the possible 2 points for efforts to remove regulatory barriers to affordable housing, an applicant must submit the completed questionnaire (HUD 27300), and provide the required documentation and contact information. Please see the General Section for further information on Removal of Regulatory Barriers to Affordable Housing. The questionnaire is part of the electronic application package. For

the full list of each policy priority, please refer to the General Section.

b. (22 Points) Statement of Work.

Submit a proposed SOW that comprehensively outlines in chronological order the administrative and program activities and tasks to be performed during the grant period. Your outline should also include a schedule of proposed activities and products (with interim implementation steps), staff allocation over the term of the project, staff acquisitions and training, and activities of partners and subcontractors. However, points will be assigned based on the relevance of proposed activities to national needs stated in Factor 2, the attention given to implementation steps, the consistency of proposed activities with organizational expertise and capacity, and the accuracy of the SOW and budget.

For this Component, HUD anticipates that products will be available in at least 3 languages, including English. Deliverables may include Public Service Announcements (PSAs) for radio and television in both majority and minority markets, and posters and other graphic materials. Graphic materials may include, but are not limited to, enlarged reproductions of several print PSAs, separately produced and printed posters for national public dissemination, and the development of ad slicks to market in newspapers and magazines nationwide. The applicant should plan on using a clipping service or other appropriate means to collect information on frequency and scope of the placement of ads.

Applicant's SOW should:

(1) Clearly describe the specific activities and tasks to be performed, the sequence in which the tasks are to be performed, noting areas of work which must be performed simultaneously, estimated completion dates, and the work and program deliverables to be completed within the grant period, including specific numbers of quantifiable end products and program improvements the applicant aims to deliver by the end of the award agreement period as a result of the work performed;

(2) Provide national media market coverage, specific protected class focus, as well as focus on the 40th Anniversary of the signing of the Fair Housing Act, and

(3) Describe their methods for distribution of finished materials. Applicants must describe the methods they will use to distribute and gauge the effectiveness of their national marketing strategies. In addition, applicant must be prepared to present the Media

Campaign in time for beginning of Fair Housing Month activities in April of 2008.

c. (15 Points) Budget Form and Budget Information. A written budget narrative must accompany the proposed budget. HUD will also assess the soundness of your approach by evaluating the quality, thoroughness, and reasonableness of the budget and financial controls of your organization, including information on your proposed program cost categories. As part of your response, you must prepare a budget that is:

(1) Reasonable in achieving the goals identified in your proposed SOW;

(2) Relate tasks in the SOW to the proposed budget costs;

(3) Cost-effective, and includes a brief discussion of the extent to which your proposed program is cost effective in achieving the anticipated results of the proposed activities in the targeted area. Also, indicate how the proposed project is quantifiable based on the needs identified in Rating Factor 2. Also indicate whether your proposed project is justifiable for all cost categories in accordance with the cost categories indicated in the HUD-424 CB. If you are awarded a grant or cooperative agreement under FHIP, staff will request that you include your approved indirect cost rate as part of your negotiations with HUD. If you do not have a Federally approved indirect cost rate and HUD is the cognizant agency, HUD will submit a request within 30 days after award to establish a rate. For information on indirect cost rates, you can review HUD's training on <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

(4) In addition, the proposed activities will be conducted in a manner (e.g., languages, formats, locations, distribution, use of majority and minority media) that will reach and benefit all members of the public, especially members of target groups identified in Factor 2;

(5) How proposed activities will yield long-term results and innovative strategies or "best practices" that can be readily disseminated to other organizations and State and local governments; and

(6) The proposed Media Campaign Component will make available activities, training and meeting sites, and information services and materials in places and formats that are accessible to all persons including persons with disabilities.

4. Rating Factor 4: Leveraging Resources (5 Points Maximum)

This factor addresses your ability to secure additional resources to support your project. Points will be awarded on the basis of the percentage of non-FHIP resources you have received at application submission, in the form of firm commitments, or planned collaborative efforts you have with Fair Housing Assistance Program agencies.

a. *Firm Commitment of Leveraging or Collaboration.* HUD requires you to secure resources from sources other than what is requested under this FHIP NOFA. Leveraging of community resources may include funding or in-kind contributions, such as workspace or services or equipment, allocated to the purpose(s) of your proposal. Contributions from affiliates, subsidiaries, divisions, or employees of the applicant do not qualify as in-kind contributions. These resources may be provided by governmental entities (including other HUD programs if such costs are allowed by statute), public or private non-profit organizations, faith-based organizations, for-profit or civic private organizations, or other entities willing to work with you. Applicants may also leverage resources from their organization's previously established savings and/or investment accounts; however, evidence of these resources must be provided. If leveraging community resources, in order to secure points you must establish leveraging of resources by identifying sources of contributors who have already provided to you letters of firm commitment from the organizations and/or individuals who will support your project. Leveraging through collaboration will require that you provide a list of activities you have or plan to have with Fair Housing Assistance Program (FHAP) agencies nationwide.

Whether leveraging community or through collaboration, you must provide a letter of firm commitment from that agency, organization and/or individual on their letterhead stating their intent to work with you on your project. Each letter of firm commitment must:

(1) Identify the agency, organization and/or individual committing resources to the project, the timeframes and timelines for use of the funds, state that the funds will be used for fair housing to support the applicant should they be awarded, and identify any affiliation with the applicant,

(2) Identify the sources and amounts of the leveraged resources (the total FHIP and non-FHIP amounts must match those in your proposed budget submitted under Factor 3), and

(3) Describe how these resources will be used under your SOW. The letter must be dated and signed by the agency, individual and/or organization official legally able to make commitments for the organization. It must also be provided on the letterhead of the agency, organization and/or individual. If the resources are in-kind or donated goods, the commitment letter must indicate the fair market value of those resources and describe how this fair market value was determined. (Do not include indirect costs within your in-kind resources). In-kind matching and leveraging contributions, as well as Program Income must comply with 24 CFR 84.23 and 84.24 requirements. FHIP funds cannot be used for in-kind or donated services (for example, a current staff person on a FHIP-funded project). No points will be awarded for general letters of support endorsing the project from the agency or organizations, including elected officials on the local, State, or national levels, and/or individuals in your community. See General Section for instructions on how third party documents are to be submitted to HUD via the electronic submission process. If your project will not be supported by non-FHIP resources, then you will not receive any points under this factor. Points under the factor will be assigned based on the following scale:

One point will be awarded if less than 5% of the projects total costs come from non-FHIP resources.

Two points will be awarded if between 5% and 10% of the project's total costs are from non-FHIP resources.

Three points will be awarded if between 11% and 20% of the project's total costs are from non-FHIP resources.

Four points will be awarded if between 21% and 30% of the project's total costs are from non-FHIP resources.

Five points will be awarded if at least 31% of the project's total costs are from non-FHIP resources.

Five points will be awarded if your application contains a firm letter of commitment from a Fair Housing Assistance Program agency stating their firm commitment to work with you on your project. Should the letter lack any of the required information listed in (1) through (3) above, 'no' points will be awarded under this factor.

5. Rating Factor 5: Achieving Results and Program Evaluation (15 Points)

a. In evaluating this factor, HUD will assess the extent to which you demonstrate how you will measure the results of the work of your organization as set out in your budget and Statement of Work. Applicants must select from

the list of activities and outcomes detailed in the Logic Model and should determine from these selections, their specific methods and measures to assess progress, evaluate program effectiveness, and identify program changes necessary to improve performance. This will ensure that performance measures are met and that grantees are establishing achievable realistic goals. Applicants who have identified outputs and outcome measurements and methods for assessing those measurements against commitments made in the application, will receive higher points than those that do not. To meet this Factor requirement, you must submit a completed HUD's Logic Model (HUD-96010).

Instructions and a Microsoft Excel™ form are provided in the forms appended to the Instruction Download on www.Grants.gov/APPLY. Applicants that do not have access to Microsoft Excel™ may obtain a copy of the form in HTML fillable format along with a text format of the Master Logic Model listing, from HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

A narrative response is not required for this factor as all applicants must use the Logic Model Form to respond to this Factor. Applicants that submit narrative responses rather than use the Logic Model Form will receive no points under this subfactor. Applicants should also review the Logic Model training which can be found at <http://www.hud.gov/offices/adm/grants/training/training.cfm>.

b. In evaluating this Factor:

(1) HUD will review the activities/ outputs and outcomes units of measurement you selected and in relation to the needs of your intended audience or target populations;

(2) Output. The direct products of the applicant's activities that lead to the ultimate achievement of outcomes. Examples of activities and outputs for EOI applicants can be found at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. Applicants must select one or more activities from the listing of "Fair Housing Services Provided" that will be undertaken by your organization. Applicants who do not select from the list "Fair Housing Services Provided" or who do not add additional services to the list will not receive any points under this Factor.

(3) Outcome. The Logic Model has a prepared list of activities, outcomes and indicators associated with Fair Housing. Applicants must choose from this list of "Year 1, Year 2, or Year 3" outcomes that are provided as part of the FHIP

NOFA or applicants may choose others and provide a brief statement to describe other activities or outcomes. Applicants who do not select from the list "Outcomes and Indicators" or do not select "Other" with a brief description will not receive any points under this Factor. You should assess progress and track performance in meeting the goals and objectives outlined in the work plan.

Accountability can be achieved using specific measurement tools to assess the impact of your activities. Examples include:

- Intake Instrument;
- Pre/Post Tests;
- Customer/Client Satisfaction Survey;
- Follow-up Survey;
- Observational Survey;
- Functioning scale; or
- Self-sufficiency scale.

Applicants must also reference policy priorities, as stated in your response to Factor 3, and relate them to your project's goals, as appropriate.

C. Reviews and Selection Process

1. *Rating and Ranking.* Although all rating factors are organized the same way for all FHIP initiatives, there are differences in application requirements and rating criteria, which are indicated throughout the Rating Factor instructions. Your application for funding will be evaluated competitively against all other applications submitted under one of the following Initiatives or Components:

a. Private Enforcement Initiative (PEI)—

- (1) General Component (PEI-GC);
- (2) Performance Based Funding Component (PBFC);

b. Education and Outreach Initiative (EOI)—

(1) Regional/Local/Community Based Program

- (a) General Component (EOI-GC);
- (b) Clinical Law School Component (EOI-CLS)

(2) National Based Program

- (a) Media Campaign Component
- c. For all initiatives, all eligible applications will be reviewed and points awarded based upon:

(1) Narrative responses to the Factors for Award and accompanying materials, and

(2) RC/EC/EZ—Its bonus points, as applicable. Ineligible applications will not be ranked. The maximum number of points to be awarded for the Rating Factors is 100. See the General Section for information on Bonus Points.

Only applications with a score of seventy-five (75) points or more will be considered of sufficient quality for

funding. Generally, applications of sufficient quality for funding will be selected in rank order under each Initiative or Component.

PBFC applicants will be evaluated competitively against other PBFC applicants who apply and have received two years of excellent performance reviews for FHIP PEI awards made in any two consecutive years from FY 2003 through FY 2005, as well as scoring a 95 on their most current performance review. These applicants will then be rated by the Technical Evaluation Panel and ranked by score. Only those applicants who receive a minimum final score of 95 or above from the TEP will be considered for funding under this Component.

2. *Tie Breaking.* When two or more applications have the same total overall score, the application with the higher score under Rating Factor 3 will be ranked higher. If applications still have the same score, the following factors will be selected sequentially until one applicant can be determined: higher score under Rating Factor 1, the higher score under Rating Factor 2, the lower amount of FHIP funding requested.

3. *Achieving Geographic Diversity of Awards.*

a. *PEI and EOI:* HUD reserves the right to apply geographic diversity, to ensure that, to the extent possible, applications from more States for each Initiative or Component are selected for funding. If the Selecting Official exercises this discretion, there will be two determinants used: (1) geography and (2) score. Geographic diversity shall be applied to all qualified applications (applications of sufficient quality for funding—applications that received a score of 75 or more points) in each Initiative or Component in which the Selecting Official applies geographic diversity. The geographic diversity provision will be applied as follows: when there are two or more applications of sufficient quality from the same State, the application(s) with the lower score(s) will be moved to the end of the qualified queue. The applications moved to the end of the qualified queue will retain their geographic rank order. If sufficient funds remain, it is possible that applications moved to the end of the queue may be selected for award. For the Clinical Law Program Component, and the Media Campaign Component, the geographic diversity provision does not apply.

4. *Adjustments to Funding.* As provided in the General Section, HUD may approve an application for an amount lower than the amount requested, fund only portions of the application, withhold funds after

approval, reallocate funds among activities and/or require that special conditions be added to the grant agreement, in accordance with 24 CFR 84.14, the requirements of the General Section, or where:

- a. HUD determines the amount requested for one or more eligible activities is unreasonable or unnecessary;
- b. An ineligible activity is proposed in an otherwise eligible project;
- c. Insufficient amounts remain to fund the full amount requested in the application, and HUD determines that partial funding is a viable option;
- d. The past record of key personnel warrants special conditions; or
- e. Training funds are not reserved for FHIP training.

5. *Reallocation of Funds.* If after all applications within funding range have been selected or obligations are completed in an Initiative and funds remain available, the Selecting Official or designee will have the discretion to reallocate leftover funds in rank order among Initiatives as follows:

- a. For EOI, any remaining funds from any component will be reallocated first within the Initiative; if after reallocating funds within the Initiative left over funds remain, they shall be reallocated to PEI;
- b. For PEI, any remaining funds from any component will be reallocated first within the Initiative, if after reallocating funds within the Initiative left over funds remain, they shall be reallocated to EOI.

D. *Anticipated Announcement and Award Dates.* For planning purposes, anticipate an announcement date of September 23, 2007 and an award date of September 29, 2007.

VI. Award Administration Information

A. Award Notices

1. *Applicant Notification and Award Procedures.*

a. *Notification.* No information about the review and award process will be available during the period of HUD evaluation, which begins on the application deadline date under this NOFA and lasts approximately 90 days thereafter. However, you will be advised, in writing or by telephone, if HUD determines that your application is ineligible or has technical deficiencies which may be corrected as described in the General Section. HUD will communicate only with persons specifically identified in the application on the SF-424. HUD will not provide information about the application to third parties such as subcontractors.

b. *Negotiations.* If you are selected, HUD will require you to participate in

negotiations to determine the specific terms of your cooperative or grant agreement. HUD will follow the negotiation procedures described in the General Section. The selection is conditional and does not become final until the negotiations between the applicant and the Department are successfully concluded and the grant or cooperative agreement is signed and executed. HUD will negotiate only with the person identified in the application as the Director of the organization or if specifically identified in the application as the Project Director. HUD will not negotiate with any third party (i.e., a subcontractor, etc.). The Grant Officer and Government Technical Representative will determine on a case-by-case basis if technical assistance or special conditions are required.

Performance Based Funding Component—Applicants selected for funding under the PBFC will be required to submit a SOW and a separate budget for each year that projects the agency's activities for a period of three years commensurate with the level of funding.

c. *Applicant Debriefing.* After awards are announced, applicants may receive a debriefing on their application as described in the General Section. Materials provided during the debriefing will be the applicant's final scores for each rating factor and final evaluator comments for each rating factor. Applicants requesting a debriefing must send a written request to Annette Corley, Grant Officer, U.S. Department of Housing and Urban Development, FHIP/Support Division, 451 Seventh Street, SW., Room 5224, Washington, DC 20410. HUD will not release the names of applicants or their scores to third parties.

B. Administrative and National Policy Requirements

1. *Accessibility Requirements.* All activities, facilities, and materials funded by this Program must be accessible to persons with disabilities (24 CFR 8.2, 8.4, 8.6, and 8.54).

2. *Protected Classes.* All FHIP-funded projects must address housing discrimination based upon race, color, religion, sex, disability, familial status, or national origin.

3. *Environmental Requirements.* In accordance with 24 CFR 50.19(b)(3), (4), (9), (12), and (13) of HUD regulations, activities assisted under this program are categorically excluded from the requirements of the National Environmental Policy Act and are not subject to environmental review under related laws and authorities.

4. *Procurement of Recovered Materials.* State agencies (FHAP agencies) and agencies of a political subdivision of a State that are using assistance under a HUD program NOFA for procurement, and any person contracting with such an agency with respect to work performed under an assisted contract, must comply with the requirements of Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. See General Section for details.

5. *Product Information.* Press releases and any other product intended to be disseminated to the public must be submitted to the Government Technical Representative (GTR) two weeks before release for approval and acceptance.

6. *Ensuring the Participation of Small Businesses, Small Disadvantaged Businesses, and Women Owned Businesses.* (See General Section).

7. *Payment Contingent on Completion.* Payment of FHIP funds is made on a reimbursement basis. Payments are contingent on the satisfactory and timely completion of your project activities and products as reflected in your grant or cooperative agreement. Requests for funds must be accompanied by financial and progress reports.

8. *Copyright Materials.* You may copyright any work that is eligible for

copyright protection subject to HUD's right to reproduce, publish, or otherwise use your work for Federal purposes, and to authorize others to do so as required in 24 CFR 84.36.

9. *Complaints Against Awardees.* Each FHIP award is overseen by a HUD Grant Officer (See www.hud.gov for list of Grant Officers per region). Complaints from the public against FHIP grantees should be forwarded to the Grant Officer. The Grant Officer's name and contact information is provided in the grant agreement. If, after notice and consideration of relevant information, the Grant Officer concludes that there has been inappropriate conduct, such as a violation of FHIP program requirements, terms or conditions of the grant, or any other applicable statute, regulation or other requirement, HUD will take appropriate action in accordance with 24 CFR 84.62. Such action may include: written reprimand; consideration of past performance in awarding future FHIP applications; repayment to HUD of funds received under the grant; or temporary or permanent denial of participation in the FHIP in accordance with 24 CFR part 24.

10. *Double Payments.* If you are awarded funds under this NOFA, you (and any subcontractor or consultant) may not charge or claim credit for the

activities performed under this project under any other Federally assisted project.

11. *Performance Sanctions.* A grantee or subcontractor failing to comply with the requirements set forth in its grant agreement will be liable for such sanctions as may be authorized by law, including repayment of improperly used funds, termination of further participation in the FHIP, and denial of further participation in programs of HUD or any Federal agency.

C. Reporting

1. HUD requires that funded recipients collect racial and ethnic beneficiary data. It has adopted the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data. In view of these requirements, you should use Form HUD-27061, Racial and Ethnic Data Reporting Form (and instructions for its use), found on www.HUDclips.org, a comparable program form, or a comparable electronic data system for this purpose. Quarterly and as your project ends, you must report meaningful data derived from client feedback on how they benefited from your project's activities.

2. Listed below is a sample-reporting document of activities and tasks to be performed by a FHIP Grantee.

Administrative activities	Tasks	Submitted by	Submitted to
Activities			
1. Complete HUD-22081 Race and Ethnic Data Reporting Form.	45 Days	GTR/GTM..	
2. Complete HUD-28807 Disclosure Statements.	Submit Disclosure Statement. If no changes occur, submit statement of no change with final report.	When changes occur	GTR/GTM.
3. Complete SF-269A Financial Status Report and Written Quarterly Status Reports on All Activities.	Submit SF-269A and Copy of Written Report	Quarterly	GTR/GTM.
4. Voucher for Payment	Submit payment request to LOCCS	Per Payment Schedule.	GTR/GTM.
5. Complete Listing of Current or Pending Grants/Contracts/Other Financial Agreements.	Submit listing for recipient and any contractors.	45 Days and at end of Grant.	GTR/GTM.

Administrative activities	Tasks	Submitted by	Submitted to
Activities			
6. Prepare and Submit Draft of Final Report, including HUD 96010.	Submit Draft of Report. Report your eLogic Model Reporting your short- and intermediate-term outputs and outcomes as contained in the eLogic Model submitted and approved in your grant agreement. Your report and eLogic Model should identify results and benefits to date of the work accomplished under the FHIP award. In addition, the eLogic Model should include an attachment that addresses the management questions applicable to your work program. Complaint and testing activities should provide data on complaints received and tests conducted by basis, issues, and outcomes. This should include number of credible, legitimate complaints filed with HUD, a State or local Fair Housing Agency, Department of Justice or private litigator; and types of relief/results.	One month before end of grant term.	GTR/GTM.
7. Complete Final Report and Provide Copies of All Final Products Not Previously Submitted.	Submit a copy of the Final Report, including a final Logic Model with all outputs and outcomes identified, and management questions responded to. Submit all Final Products not previously submitted to GTR and GTM.	Within 90 days after end of grant term.	GTR/GTM.
8. Submit 2 copies of Final Report and all final program products produced under the Grant (with diskette, where feasible) to HUD.	Submit detailed description of items submitted to GTR and GTM.	Within 90 days after end of grant term.	GTR/GTM.

VII. Agency Contacts

You may contact Myron P. Newry or Denise L. Brooks, of the Office of Fair Housing and Equal Opportunity's FHIP Support Division, at 202-708-0800, ext. 7095 or 7050, respectively (this is not a toll-free number). Persons with hearing or speech impairments may contact the Division by calling 1-800-290-1617 (this is a toll-free number).

VIII. Other Information

1. *Paperwork Reduction Act.* The information collection requirements

contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control approval number 2529-0033. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to a collection of information unless the collection displays a currently valid OMB control number. Public reporting burdens for the collection of information is estimated to

approximate 105 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, semi-annual reports and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

Housing Counseling Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Single Family Housing.

B. Funding Opportunity Title: Housing Counseling Program.

C. Announcement Type: Initial Announcement.

D. Funding Opportunity Number: FR-5100-N-09; OMB Approval number is: 2502-0261.

E. Catalog of Federal Domestic Assistance (CFDA) Number: 14.169 Housing Counseling Assistance Program.

F. Dates: The application deadline date is May 17, 2007. Applications submitted through <http://www.grants.gov> must be received and validated by www.grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date. See Section IV of the General Section, regarding application submission procedures and timely filing requirements.

G. Available Funds: Approximately \$41.08 million is made available for eligible applicants under this program NOFA.

Full Text of Announcement

I. Funding Opportunity Description

A. Program Description. This program supports the delivery of a wide variety of housing counseling services to homebuyers, homeowners, low- to moderate-income renters, and the homeless. The primary objectives of the program are to expand homeownership opportunities, improve access to affordable housing and preserve homeownership. Counselors provide guidance and advice to help families and individuals improve their housing conditions and meet the responsibilities of tenancy and homeownership. Counselors also help borrowers avoid inflated appraisals, unreasonably high interest rates, unaffordable repayment terms, and other conditions that can result in a loss of equity, increased debt, default, and eventually foreclosure. Applicants funded through this program may also provide Home Equity Conversion Mortgage (HECM) counseling to elderly homeowners who seek to convert equity in their homes into income that can be used to pay for home improvements, medical costs, living expenses, or other expenses.

B. Grant Applicant Categories. HUD will award a single comprehensive grant

to qualified applicants through one of three categories:

(1) Local Housing Counseling Agencies (LHCAs);

(2) National and Regional Intermediaries (Intermediaries); and

(3) State Housing Finance Agencies (SHFAs).

Supplemental funding is available to qualified intermediaries for counseling and educational activities in conjunction with HUD's Home Equity Conversion Mortgage (HECM) Program.

C. Authority. HUD's Housing Counseling Program is authorized by section 106 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701x).

The Home Equity Conversion Mortgage (HECM) Program is authorized by section 255 of the National Housing Act (12 U.S.C. 1715z-20).

D. Definitions.

1. Affiliate. An affiliate is a separately incorporated or organized housing counseling agency connected with an intermediary or SHFA for the purposes of its housing counseling program. To be eligible for a sub-grant an affiliate must be: (1) Duly organized and existing as a nonprofit, (2) in good standing under the laws of the state of its organization, and (3) authorized to do business in the states where it proposes to provide housing counseling services.

2. Applicant. "Applicant" refers to a HUD-approved housing counseling agency or SHFA applying for a Housing Counseling grant from HUD through this NOFA. The term "Applicant" includes the agency's branch or branch offices identified in its application.

3. Branch. "Branch" or "Branch Office" refers to an organizational and subordinate unit of an LHCA or Intermediary not separately incorporated or organized. A Branch or Branch Office must be in good standing under the laws of the state where it is authorized to do business and where it proposes to provide housing counseling services. A Branch or Branch Office cannot be an applicant, affiliate or sub-grantee.

4. Grantee. "Grantee" refers to the HUD-approved housing counseling agencies or SHFAs that receive housing counseling funds from HUD through this NOFA. The term "Grantee" includes the agency's branch or branch offices identified in its application.

5. HUD HECM Network Counselor. A "HUD HECM Network Counselor" is a housing counselor that has passed the HECM exam administered by HUD and/

or its agent, and is approved by HUD to provide HECM counseling nationally by telephone.

6. Intermediary. "Intermediary" refers to a HUD-approved national or regional organization that provides housing counseling services through its branches or affiliates.

7. Local Housing Counseling Agency (LHCA). "LHCA" refers to a HUD-approved Local Housing Counseling Agency. LHCAs must be approved by one of HUD's four HOCs. Affiliates of HUD-approved Housing Counseling intermediaries are not HUD-approved LHCAs by virtue of their affiliation with the intermediary. They are, however, eligible to individually apply for HUD approval as an LHCA.

8. State Housing Finance Agency (SHFA). For the purpose of this NOFA, a "SHFA" is the unique public body, agency, or instrumentality created by a specific act of a state legislature and empowered to finance activities designed to provide housing and related facilities and services, for example through land acquisition, construction or rehabilitation, throughout a state. The term state includes the fifty states, Puerto Rico, the District of Columbia, Guam, the Commonwealth of the Northern Mariana Islands, American Samoa, and the U.S. Virgin Islands.

9. Sub-grantee. "Sub-grantee" refers to an organization to which the grantee awards a sub-grant, and which is accountable to the grantee for the use of the funds provided. A Sub-grantee may be separately incorporated or organized, but connected with an intermediary or SHFA for purposes of this NOFA.

All Sub-grantees must be identified in the grantee's application. Under certain conditions, grantees may amend their Sub-grantee list after awards are made.

II. Award Information

A. Amount Allocated. Of the approximately \$41.5 million appropriated for housing counseling in FY2007 under the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007), approximately \$41.08 million is available for eligible applicants under this NOFA. Approximately \$38.08 million is available for comprehensive counseling. Approximately \$3.0 million is available for HECM counseling.

B. Specific Allocations. Comprehensive counseling funding is distributed over three applicant categories, as shown below.

Applicant categories	Who is eligible	Total amount available
Category 1—LHCAs	HUD-approved Local Housing Counseling Agencies	\$14,748,800
Category 2—Intermediaries	HUD-approved National and Regional Intermediaries	21,054,720
Category 3—SHFAs	State Housing Finance Agencies	2,276,480

1. Category 1—Local Housing Counseling Agencies (LHCAs). For the grant period October 1, 2007 through September 30, 2008, approximately \$14,748,800 is available from HUD to directly fund HUD-approved LHCAs. A LHCA can only request funding for its main office and branches located in the same state as the main office and/or located in one other contiguous state.

2. Category 2—Intermediaries. For the grant period October 1, 2007 through September 30, 2008, approximately \$24,054,720 is available from HUD to directly fund HUD-approved Intermediaries, including \$21,054,720 for comprehensive counseling and \$3.0 million for HECM counseling.

3. Category 3—State Housing Finance Agencies (SHFAs). For the grant period October 1, 2007 through September 30, 2008, approximately \$2,276,480 is available to fund SHFAs that provide housing counseling services directly or serve as intermediaries to Affiliates who offer housing counseling services.

C. Individual Awards

1. Category 1. No individual LHCA may be awarded more than \$150,000. HUD anticipates that the average total award for LHCAs will be approximately \$36,000.

2. Category 2. Awards for individual HUD-approved intermediaries may not exceed \$5.5 million, which includes any HECM supplemental funding. The limit for Comprehensive Counseling is \$2.5 million and the limit for HECM counseling is \$3.0 million. HUD anticipates that the average total award for Intermediaries will be \$1.2 million.

3. Category 3. No individual SHFA may be awarded more than \$450,000. HUD anticipates that the average total award for SHFAs will be approximately \$135,000.

D. Grant Period. Funds awarded shall be available for a period of 12 calendar months.

E. Award Instrument. HUD will use a Grant Agreement. All Housing Counseling Program awards will be made on a cost reimbursement basis.

III. Eligibility Information

A. Eligible Applicants. Eligible applicants include: HUD-approved Local Housing Counseling Agencies (LHCAs); HUD-approved national and regional intermediaries (Intermediaries);

and State Housing Finance Agencies (SHFAs).

B. Cost Sharing or Matching. No specific ratio is required. However, in order to receive points under Rating Factor 4, applicants are required to demonstrate the commitment of other private and public sources of funding to supplement HUD funding for the applicant's counseling program. HUD does not intend for its Housing Counseling grant to cover all costs incurred by an applicant.

C. Other. 1. Eligible Activities for Awards Under All Applicant Categories. Grantees and sub-grantees will only be reimbursed for the applicable activities outlined in this Section.

a. Individual counseling or group education/classes regarding the following topics:

(1) *Pre-Purchase/Homebuying*. This includes: evaluating mortgagor readiness; search assistance/mobility; fair housing, including whether or not the beneficiary belongs to a protected class, and how to recognize discrimination; budgeting for mortgage payments; money management (does not include administration of debt management plans whereby an organization pays bills on behalf of a client); selecting a real estate agent; and home inspection. This also may include guidance on: alternative sources of mortgage credit; how to apply for special programs available to potential homebuyers; how to identify and avoid predatory lending practices; locating housing that provides universal design and visitability; locating sources and methods to help pay for accessibility modifications; how to purchase a home using the Section 8 Homeownership Voucher Program; and referrals to community services and regulatory agencies. Applicants that provide homebuyer education must also offer individual counseling that complements the group sessions.

(2) *Resolving or Preventing Mortgage Delinquency or Default*. This includes: restructuring debt, obtaining re-certification for mortgage subsidy, establishing reinstatement plans, seeking loan forbearance, and managing household finances. This can also include helping clients affected by predatory lending, homeownership preservation and foreclosure prevention strategies, explaining the foreclosure

process, providing referrals to other sources, and assisting clients with locating alternative housing, or pursuing loss mitigation strategies.

(3) *Non-Delinquency Post-Purchase, Including Improving Mortgage Terms and Home Improvement*. This includes information and advice on finding favorable mortgage loan terms, personal money management, and relations with lenders. It also includes: home improvement and rehabilitation; property maintenance; loan and grant options; the loan or grant application processes; what housing codes and housing enforcement procedures apply for the intended activity; accessibility codes and how to design features to provide accessibility for persons with disabilities; non-discriminatory lending and funding for persons who modify their dwellings to accommodate disabilities; visitability and universal design; how to specify and bid construction work; how to enter into construction contracts; and how to manage construction contracts, including actions to address the non-performance of contractors. Agencies that provide post-purchase education classes must also offer individual counseling to complement group sessions.

(4) *Locating, Securing, or Maintaining Residence in Rental Housing*. This refers to renter-related topics, including: helping clients obtain and utilize rent subsidies; pre-rental search assistance/mobility counseling; budgeting for rent payments; educating clients on landlords' and renters' rights; explaining the eviction process; ensuring clients understand their rights when faced with displacement; explaining the responsibility of the entity causing displacement; and providing assistance with locating alternate housing.

(5) *Shelter or Services for the Homeless*. Includes referrals to social, community, and homeless services such as emergency shelter or transitional housing.

b. HECM Counseling. This includes providing the statutorily-required counseling to individuals/families that may be eligible for, or are interested in obtaining, an FHA-insured Home Equity Conversion Mortgage (HECM). This counseling assists elderly homeowners who seek to convert equity in their

homes into income that can be used to pay for home improvements, medical costs, living expenses, or other expenses.

c. Marketing and Outreach Initiatives.

This includes providing general information and materials about housing opportunities and issues, conducting informational campaigns, advocating with lenders for non-traditional lending standards, and raising awareness about critical housing topics, such as predatory lending or fair housing issues. (Note: affirmative fair housing outreach should be directed at those populations least likely to seek counseling services, including those of racial, religious or national groups not normally served by the sponsoring agency. To do so, it may be necessary to broaden the target areas or provide translation and interpretive services in languages other than English in order to reach a greater variety of racial and ethnic minorities. It may also require providing outreach and services in alternative formats for persons with disabilities).

d. Training. Training to increase the capacity of housing counselors and program managers.

e. Computer equipment/systems. Computer equipment/systems with the objective of improving the quality of counseling and education services available.

f. Administrative Costs. For intermediaries and SHFAs, administrative costs associated with managing a network of housing counseling agencies and providing technical assistance.

2. Threshold Requirements.

Applications that do not meet all of the following Threshold Requirements are not eligible to receive an award from HUD.

a. Applicants, and subgrantees, must meet the Threshold Requirements in the General Section.

b. Minimum grant request.

Applications must contain a request for *comprehensive* funds of not less than \$20,000 from LHCA's, not less than \$50,000 from SHFAs and not less than \$200,000 from Intermediaries.

Applications for lesser amounts will not be considered. Intermediaries must request a minimum of \$500,000 for HECM supplemental funding. HUD will consider the amount of the comprehensive counseling grant being requested to be the value entered into box 18a on form SF-424. For intermediaries also requesting HECM supplemental funding, box 18a of form SF-424 should reflect the total of the comprehensive request and the HECM supplemental request. For these

intermediaries requesting both, the narrative response to Factor 3 must make clear the exact comprehensive and supplemental amounts being requested.

c. Only HUD-approved Housing Counseling Agencies and SHFAs may apply. Applicants must be currently approved by HUD as an LHCA or as a housing counseling intermediary, and have secured HUD approval as a housing counseling agency by the publication date of this Housing Counseling Program NOFA. SHFAs are not required to be HUD-approved, but must meet the eligibility requirements listed in this NOFA.

d. Applicants Requesting Supplemental HECM Funding. No separate application is needed to apply for supplemental funding. However, applicants requesting supplemental HECM funding must meet the following requirements:

(1) Request the supplemental funding by identifying in box 18a of form SF-424 the total of the comprehensive request and the HECM supplemental request, and making clear in the narrative response to Factor 3 the exact comprehensive and supplemental amounts being requested;

(2) Identify HECM-related needs in the target community in its response to Rating Factor 2;

(3) Respond to all HECM-related requests for information throughout the NOFA;

(4) Include counseling and other related activities targeted at HECM clients over and above the proposed comprehensive counseling activities listed in response to the Rating Factors; and

(5) Indicate in the Rating Factors how many individuals will be served specifically with the requested supplemental funding for HECM counseling in addition to those served under the comprehensive counseling award. Be sure to clearly identify the total number projected to be served, the activities to be provided, and the output and outcome goals to be achieved with the supplemental funding.

3. Other Program Requirements

a. To receive a grant or subgrant under this Housing Counseling NOFA, all applicants and subgrantees (except SHFAs) must be:

(1) In good standing under the laws of the state of their organization; and

(2) Authorized to do business in the states where they propose to provide housing counseling services.

(3) All grantees and sub-grantees must make counseling offices and services accessible to persons with a wide range of disabilities and help persons locate

suitable housing in locations throughout the applicant's community, target area, or metropolitan area, as defined by the applicant.

b. Limits on Applications

1. HUD-approved LHCA's. HUD-approved LHCA's may apply for and receive: one grant under Applicant Category 1; or one sub-grant from an intermediary or SHFA under Applicant Category 2 or 3, but not both. The only exceptions to this rule are: (a) HUD-approved LHCA's with one or more HUD HECM Network Counselors may receive a sub-grant or be reimbursed exclusively for HECM counseling activities from a HUD-approved intermediary administering the HECM supplemental funds made available through this NOFA or by another entity designated by HUD; and/or (b) HUD-approved LHCA's may also receive a sub-grant or be reimbursed for default counseling activities by a HUD-approved intermediary that is dedicated to foreclosure prevention exclusively.

Funded LHCA's may not make sub-grants to other HUD-approved LHCA's or non-HUD-approved entities.

2. HUD-approved Intermediaries. HUD approved intermediaries may only apply for a grant under Applicant Category 2. HUD-approved intermediaries are also eligible for supplemental funding for HECM counseling.

3. SHFAs. SHFAs may only apply for grants under Applicant Category 3 for comprehensive counseling funds.

c. Sub-Grantees of Intermediaries and SHFAs

(1) Sub-grantees of intermediaries and SHFAs are not required to be HUD-approved, although HUD-approved LHCA's may apply to an intermediary or SHFA as a sub-grantee.

(2) Intermediaries and SHFAs that award sub-grants to counseling agencies that are not HUD-approved must assure that the sub-grantee organizations meet or exceed HUD's approval standards.

(3) Sub-grantees must also be in compliance with all civil rights threshold requirements. Intermediaries that do not ensure their sub-grantee's compliance with HUD standards may be prohibited from participating in the Housing Counseling Program. HUD will monitor sub-grantees.

(4) To be eligible for funding under Categories 2 or 3, proposed sub-grantees or branches must not have directly applied for or received a grant under Category 1 of this NOFA, or applied for or received a sub-grant or funding from another intermediary or SHFA under Category 2 or 3 of this NOFA. Sub-

grantees or branches may apply for and receive funding from only one intermediary or SHFA under Category 2 or 3, but not both. The only exceptions to this rule are: (a) Sub-grantees or branches that have one or more HUD HECM Network Counselors that receive a sub-grant or funding from an intermediary or SHFA under Category 2 or 3 may also receive a sub-grant or funding or be reimbursed exclusively for HECM counseling activities, from a HUD-approved intermediary administering the HECM supplemental funds made available through this NOFA or by another entity designated by HUD; and/or (b) sub-grantees or branches may also receive a sub-grant or be reimbursed for default counseling activities by an intermediary that is dedicated to foreclosure prevention.

(5) Intermediaries and SHFAs that make sub-grants must execute sub-grant agreements with sub-grantees that clearly delineate the mutual responsibilities for program management, including appropriate time frames for reporting results to HUD. Intermediaries and SHFAs have wide discretion to decide how to allocate their HUD Housing Counseling funding among sub-grantees, with the understanding that a written record must be kept documenting and justifying funding decisions. This record must be made available to sub-grantees and to HUD.

d. List of HUD-approved Housing Counseling Agencies. Pursuant to section 106 (c)(5)(D) of the Housing and Urban Development Act of 1968, HUD maintains a list of all HUD-approved and HUD-funded counseling agencies, including contact information that interested persons can access. All HUD-approved LHCA's and their branches, and all sub-grantees and branches that receive funding under Applicant Categories 2 and 3 of this NOFA may be placed on this list and must accept subsequent referrals, or when they do not provide the services sought, make a reasonable effort to refer the person to another organization in the area that can provide the services.

e. Non-Discrimination Requirement

(1) Grant recipients and sub-grantees are prohibited from discriminating on behalf of or against any segment of the population in the provision of services or in outreach.

(2) Organizations funded under this program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this program. If an organization conducts such activities,

these activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary and not a condition of the HUD-funded programs or services.

f. Indirect Cost Rate. Grantees that plan to use grant funds to cover direct costs only are not required to provide an indirect cost rate. However, Grantees that plan to use grant funds to cover any indirect costs must submit their approved indirect cost rate established by the cognizant federal agency. If the grantee does not have an established indirect cost rate, it will be required to develop and submit an indirect cost proposal to HUD, or the cognizant federal agency as applicable, for determination of an indirect cost rate that will govern the award. Applicants that do not have a previously established indirect cost rate with a federal agency shall submit an initial indirect cost rate proposal immediately after the applicant is advised that it will be offered a grant and, in no event, later than three months after the start date of the grant. OMB Circular A-122 established the requirements to determine allowable direct and indirect costs and the preparation of indirect cost proposals, and can be found at www.whitehouse.gov/omb. Applicants can review Indirect Cost Training on www.hud.gov at: <http://www.hud.gov/offices/adm/grants/training/training.cfm>.

g. Economic Opportunities for Low- and Very Low-Income Persons (Section 3). Section 3 does not apply to Housing Counseling Grants.

h. Ensuring the Participation of Small Businesses, Small Disadvantaged Businesses, and Woman-Owned Businesses. See the General Section for information on this topic.

i. Subcontracting. Grantees and sub-grantees must deliver all of the counseling activities set forth in the applicant's work plan provided in Factor 3 of this NOFA. Subcontracting with other entities is permitted only in geographical areas where no HUD-approved housing counseling agency exists; however, the subcontractor must meet or exceed the standards for a HUD approved agency.

j. Conflicts of Interest. See the General Section. In addition, a grantee or sub-grantee that is using grant funds to pay a subcontractor for housing counseling services pursuant to a housing counseling sub-agreement is prohibited from having a controlling interest in that subcontractor or vice versa. In other words, a grantee or sub-grantee cannot use grant funds to pay for housing counseling services by a subcontractor,

if the subcontractor is partially or fully-controlled by the grantee or sub-grantee, or affiliate or vice versa.

k. Accessible Technology. See the General Section.

l. Participation in HUD Sponsored Program Evaluation. See the General Section.

IV. Application and Submission Information

A. Receiving an Application Package. Applicants may download the instructions to the application found on the Grants.gov Web site at www.Grants.gov. The instructions contain the General Section and Program Section of the published NOFA as well as forms that you must complete and attach as a zip file to your application submission. If you have difficulty accessing the information you may call the Grants.gov Support desk toll free 800-518-GRANTS or e-mail your questions to Support@Grants.gov.

B. Content and Form of Application Submission. Please be sure to read the General Section for application deadline and timely receipt requirements as HUD is using electronic application submission via www.Grants.gov. In addition to the instructions in the General Section follow the instructions below:

1. Size Limitations and Format for Narrative Statements. Applicants must be as specific and direct as possible. For LHCA's, the narrative portion (responses to all factors) must be limited to 50 double-spaced, 12-point font, single-sided pages. Intermediaries and SHFAs are limited to a total of 100 double-spaced, 12-point font, single-sided pages for the narrative portion. Pages in excess of the size limit will not be read. Number the pages of the narrative statements and include a header that includes the applicant's name and the Rating Factor number and title. Within each narrative, clearly identify each sub-factor immediately above the response for that sub-factor.

2. Application Checklist. The Application Checklist indicates forms, information, certifications and assurances that apply to this NOFA.

Housing Counseling NOFA Application Checklist

a. SF-424, Application for Federal Assistance

b. SF-424 Supplement—Survey on Ensuring Equal Opportunity for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov) (optional)

c. HUD 424 CB, Grant Application Detailed Budget ("HUD Detailed Budget Form" on Grants.gov);

d. SF-LLL, Disclosure of Lobbying Activities (if applicable)

e. HUD-27300, Questionnaire for HUD's Initiative on Removal of Regulatory Barriers ("HUD Communities Initiative" on Grants.gov) (optional regarding eligibility, but mandatory to receive credit in Factor 2 for the Regulatory Barriers policy priority)

f. HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov)

g. HUD-2990, Certification of Consistency with the RC/EZ/EC-II Strategic Plan (LHCAs only, if applicable)

h. HUD-2991, Certification of Consistency with the Consolidated Plan (optional)

i. HUD-2994, You Are Our Client Grant Applicant Survey (optional)

j. HUD-96010, Program Outcome Logic Model

k. HUD-96011 Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov) (to be used to transmit third party documents as part of your electronic application)

l. HUD-9902, Housing Counseling Agency Fiscal Year Activity Report For the Period October 1, 2005 through September 30, 2006 (only required for Applicants who did not electronically submit to HUD a form HUD-9902 for the period October 1, 2005 through September 30, 2006, for example, applicants that received approval as a HUD housing counseling agency after September 30, 2006.) HUD will utilize the 9902 data in HUD's Housing Counseling System. However, HUD will consider a revised 9902 submitted with this application if it is accompanied by an acceptable explanation regarding why the data was revised.

m. SHFA Statutory Authority. SHFAs must submit evidence of their statutory authority to operate as a SHFA, as defined in this NOFA, and must submit evidence of their authority to apply for funds and subsequently use any funds awarded. Applicants should verify that their agency profile information is accurately represented in HUD's Housing Counseling System (HCS) and validate the information prior to submitting the grant application.

n. Organization Description. Applicants must provide a brief description, no more than 225 words, of their organizational history and proposed grant activities, as they would like them to appear in the press release issued by HUD in the event that the applicant is funded through this NOFA.

o. Narrative statements as required in this NOFA.

C. Submission Dates and Times. A complete application package must be received and validated electronically by the Grants.gov portal no later than 11:59:59 p.m. eastern time on or before the applications deadline date.

Applicants are advised to submit their applications at least 48 to 72 hours in advance of the deadline date and when the Grants.gov help desk is open so that any issues can be addressed prior to the deadline date and time. Please note that validation may take up to 72 hours.

Please be sure to read the General Section for timely submission and receipt. Failure to follow the submission requirements and procedures may affect your ability to receive an award.

D. Intergovernmental Review. The Housing Counseling Program is not subject to Intergovernmental Review.

E. Funding Restrictions. 1. Funding is limited to the eligible activities described in Section III.C.1 of this NOFA.

2. Pre-award Costs. Grantees may incur pre-award costs not more than 90 calendar days prior to the effective date of the grant agreement and only with prior approval from HUD. All pre-award costs are incurred at the applicant's risk and HUD has no obligation to reimburse such costs if the award is inadequate to cover such costs or the award offer is withdrawn because of the applicant's failure to satisfy the requirements of this NOFA, the grant agreement or program requirements.

F. Other Submission Requirements. Applications must be submitted via the Grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp by no later than the established deadline date and time. See the General Section for further information. Applicants interested in applying for funding under this NOFA must submit their applications electronically or request a waiver from the electronic submission requirement. Applicants must submit their waiver requests in writing using e-mail. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to Miriam_Torres@hud.gov. If granted a waiver the notification will provide instructions on where to submit the application and how many copies are required. Paper copy applications must be received by the deadline date. HUD will not accept a paper application without a waiver being granted. See the General Section for detailed submission and timely receipt instructions.

A. Criteria. The Factors for Award, and maximum points for each factor, are

outlined below. These factors will be used to evaluate all applications. The maximum number of points for each applicant is 102 for LHCAs and 100 for all other applicants.

1. Bonus Points—"RC/EZ/EC-II." ONLY LHCAs are eligible for 2 bonus points. See the General Section for information regarding "RC/EZ/EC-II" bonus points. Form HUD-2990 must be signed by the organization head of the RC/EZ/EC-II not the representative of the jurisdiction in which the RC/EZ/EC-II exists.

2. Additional Information. HUD may rely on information from performance reports, financial status information, monitoring reports, audit reports, and other information available to HUD to make score determinations to any relevant Rating Factor.

3. Responses to Factors for Award. Responses to the following rating factors should provide HUD with detailed quantitative and qualitative information and relevant examples regarding the housing counseling work of the organization. The Rating Factors contain requests for additional information from applicants interested in supplemental HECM funding.

In responses to the various factors and sub-factors, intermediaries and SHFAs should not submit a separate response for each proposed sub-grantee and branch, but should provide a brief profile of each and summary response for their entire network, highlighting individual activities, partnerships, needs and/or results when appropriate.

a. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (30 Points). HUD uses responses to this Rating Factor to evaluate the readiness and ability of an applicant and proposed sub-grantee and branch staff, to immediately begin, and successfully implement, the proposed work plan detailed in Rating Factor 3. HUD will also evaluate how effectively the applicant managed work plan adjustments that may have been required if performance targets were not met within established timeframes and how often work plan adjustments were required.

(1) *Applicants must provide the following information to support evaluation of this Rating Factor.* Information must be provided in a chart or table.

(a) Number of full-time (35 hours + per week) housing counselors working for the applicant and, if applicable, proposed sub-grantees or branches;

(b) Number of part-time housing counselors working for the applicant and, if applicable, proposed sub-grantees or branches;

(c) Number of bilingual housing counselors working for the applicant and, if applicable, proposed sub-grantees or branches;

(d) Average years of housing counseling experience for housing counselors working for the applicant and, if applicable, proposed sub-grantees or branches;

(e) Average years of housing counseling program management experience for the project director(s) for the applicant and, if applicable, proposed sub-grantees or branches;

(f) Average years of related experience, such as experience in mortgage lending, for counselors and project managers;

(g) Proposed average hourly labor-rate for housing counselors and project managers, including benefits.

(2) *Knowledge and Experience* (11 points). Using the information provided above, demonstrate that the applicant, including proposed sub-grantees and branches, has sufficient personnel with the relevant knowledge and experience to implement the proposed activities in a timely and effective manner, and bilingual language skills, if appropriate.

Specifically, for LHCA's, scoring will be based on the number of years of recent and relevant experience of Housing Counseling Program project directors and recent housing counseling and relevant experience of housing counselors.

For intermediaries and SHFAs, scoring will be based on:

- The number of years of recent and relevant experience of project directors of proposed sub-grantees and branches;
- The number of years of recent housing counseling and relevant experience of counselors in proposed sub-grantees and branches;

• The number of years, for key intermediary or SHFA personnel, of recent experience administering a housing counseling program consisting of a network of multiple housing counseling agencies. HUD will award higher scores to applicants with more experienced staff and management;

• Related experience, such as experience in mortgage lending, will also be considered, but will not be weighted as heavily in the scoring as direct housing counseling or housing counseling program management experience;

• HUD will also factor in other information that demonstrates the capacity of the applicant, such as relevant staff trainings and certifications.

In scoring this section, HUD will evaluate whether the applicant has experience providing the proposed

services. HUD will award higher scores to applicants with staff and management that have the greatest combination of experience, training and demonstrated competency.

(a) LHCA's may provide individual descriptions of staff limited to one page. These descriptions do not count toward narrative page limitations.

Intermediaries and SHFAs acting as intermediaries should summarize in a single chart, for each applicable employee, subcontractor, and consultant of proposed sub-grantees or branches, the number of years of direct counseling or counseling program management experience, and the number of years of relevant experience. Total each column. Do not submit individual resumes for sub-grantee staff. HUD staff will verify experience information submitted during monitoring reviews. The following must be included in each person's description:

- The names and titles of employees, including subcontractors and consultants who will perform the activities proposed in the applicant's work plan in Rating Factor 3. Clerical staff should not be listed.

• Individual current housing counseling duties and responsibilities;

• Experience in providing one-on-one and group counseling (describe each separately);

• Relevant professional background and experience, and;

• Bilingual language skills, if applicable.

• Experience is relevant if it corresponds directly to projects of a similar scale and purpose. Provide the number of years of experience for each position listed and indicate:

- Where and when each position was held;
- Whether the position was full-time or part-time;
- In the case of part-time positions, the number of hours per week.

Applicants for HECM supplemental funding must specify the HECM experience of project directors, HUD HECM Network Counselors and the organization. They must also indicate the number of HUD HECM Network Counselors that are in the applicant's network at the time of application, and that the applicant proposes to fund with the requested award;

(b) Also indicate in the chart for all housing counselors and project directors the specialized trainings received within the last two years relevant to the proposed activities, including specific trainings regarding FHA programs.

Include when the training was received and who provided it. Do not include on-the-job training. Applicants that seek

supplemental funds for HECM counseling must indicate what relevant training counselors received to prepare them as HECM counselors.

(c) Indicate which housing counselors are certified housing or financial counselors. Describe what type of certification is held, who provided it, when the certification was received, and if applicable, the date certification expires.

(d) Identify the Client Management System utilized by the applicant, affiliates, and branches, if applicable, during the grant period October 1, 2005, to September 30, 2006. Applicants that used a system during this period that interfaces or will interface with HUD's database will be awarded more points than applicants that did not utilize a web-based system.

If the applicant does not currently use an on-line or web-based system but plans to in the coming grant period, October 1, 2007 through September 30, 2008, indicate which system will be used, and how its use will be implemented in terms of training employees to use it and its ability to improve client services and generate reports.

(3) *Grant and Program Requirement Compliance* (14 points).

In scoring this Section, HUD will evaluate how well the applicant met the Program requirements, including reporting and grant document execution, if applicable, for the period October 1, 2005, to September 30, 2006, and its ability to spend all grant funds allotted.

If the applicant did not receive an FY2005 HUD grant, it must provide a response, with sufficient detail for HUD to evaluate compliance, based on activities and requirements under other sources of funding, such as other federal, state, or local grant awards. Identify the source(s) and amount(s) of funds used for housing counseling. Provide relevant contact information for the agencies or organizations administering these programs so HUD can verify that the information you report is accurate.

(a) *Grantee Requirements*. HUD will evaluate the applicant's performance with regard to the timeliness and completeness with which the applicant satisfied grant requirements, including grant document execution, grant reporting requirements including quarterly (if applicable), mid-term and final reports.

(b) *Form HUD-9902*. HUD will deduct points if the applicant was required to submit a form HUD-9902 for the period October 1, 2005 through September 30,

2006, but failed to do so in a timely manner.

(c) *Expending Grant Funds.* If grant awards were not fully expended during the grant period October 1, 2005, to September 30, 2006, provide an explanation as to the reason why and the steps the applicant has taken to ensure that future funding will be expended according to the terms of the grant agreement.

(d) *Performance Reviews.* Significant findings on performance reviews conducted by HUD staff will be taken into consideration when scoring this section. Significant findings may be findings that suggest an applicant has operated its agency in a manner inconsistent with the Housing Counseling program.

(e) *Housing Counseling System (HCS).* HUD will evaluate applicant's timeliness and effectiveness in validating and updating agency information in HCS. Intermediaries and SHFAs must describe procedures and quality control measures used to verify sub-grantee, and if applicable branch or affiliate, information is validated in HCS on a regular basis.

(4) *Management—Goals and Results* (5 points). In scoring this section, HUD will compare applicant output and outcome goals and actual results for the period October 1, 2005 through September 30, 2006, and evaluate subsequent changes in approach resulting from any differences, if applicable. HUD's primary concern is how the applicant managed change, when needed, within the organization as well as a clear and reasonable explanation as to why goals were not met, or why they were exceeded, and what steps were taken organizationally to accommodate either scenario.

For applicants that received a FY2005 housing counseling grant covering the period October 1, 2005 to September 30, 2006, HUD will compare the projections made in the Program Outcome and Output Logic Model, Form HUD-96010 submitted with the FY2005 Housing Counseling NOFA, including any adjustments based on actual award amounts, to the corresponding actual results for that period reported by the applicant on the Form HUD-9902 submitted to HUD.

Applicants who did not receive a FY2005 Housing Counseling Grant and therefore did not finalize outcome and output projections, or who are recently approved, or who were a sub-grantee of an intermediary or SHFA for the period of October 1, 2005 through September 30, 2006, and are now applying for funding under the LHCA category must indicate the detailed, quantifiable goals

the organization set for itself for the period covering October 1, 2005 to September 30, 2006, or for the 12 month period ending December 31, 2006 if more appropriate to the applicant's or other grant-requiring reporting schedule. Also provide the actual results corresponding to these goals and explain any differences in goals versus actual results and indicate what measurement reporting tools were used as well as describe the evaluation process. The Logic Model Instructions, which is tab 1 of Form HUD-96010, provides information regarding measurement reporting tools and the evaluation process. If describing goals corresponding to other grant programs or sources of funding, provide relevant contact information for the agencies or organizations administering those programs so HUD can verify that the goals and corresponding achievements you report are accurate.

b. Rating Factor 2: Need/Extent of the Problem (12 Points).

This factor addresses the extent to which there is a need for funding the proposed activities described in the applicant's work plan, and the degree to which the applicant's work plan substantively addresses departmental policy priorities.

(1) *Needs Data* (6 points). Provide current or recent economic and demographic data, and any other evidence that demonstrates housing counseling need relevant to the target area. All proposed activities in Factor 3 must have corresponding need-related data. Sources for all data provided must be clearly cited. Do not submit copies of reports or tables.

To the extent that the community the applicant serves has documented need in its Consolidated Plan, Analysis of Impediments to Fair Housing Choice (AI), or other planning documents, provide these in the response. Economic and demographic data must include persons with disabilities located in the target area. The U.S. Census Bureau, for example, maintains disability data by state, county, and metropolitan statistical area (MSA) at the following Web site: <http://www.census.gov/hhes/www/disability/disability.html>. Additionally, the HUD USER Research Information Service and Clearinghouse, available at <http://www.huduser.org/>, allows users to search over 800 HUD publications by subjects and keywords.

In scoring this Section, HUD will evaluate the degree to which the applicant provides current or recent economic and demographic data, and any other evidence that demonstrates housing counseling need relevant to the

target area and the activities proposed in projected work plan activities detailed in Rating Factor 3. Applicants that fail to identify current or recent objective data will not receive full points for this factor.

(2) *Departmental Policy Priorities* (6 points). The Departmental policy priorities are described in detail in the General Section. Of those listed, the following five apply to the Housing Counseling Program for the purpose of this NOFA. Indicate if and describe how the applicant's work plan substantively addresses each of these departmental policy priorities. Applicants are advised to review the policy priorities in the General Section, to assure they fully understand the meaning of each, prior to responding to this sub-factor.

In scoring this section, the applicant will receive one point for each of the departmental policy priorities (a)—(d) that the projected work plan in Factor 3 substantively addresses. Up to 2 points are available for priority (e). The General Section and HUD's Notices identify how policy priority points will be awarded. Copies of HUD's notices published on this issue, can be found on HUD's Web site at <http://www.hud.gov/grants/index.cfm>.

(a) Providing Increased Homeownership and Rental Opportunities for Low- and Moderate-Income Persons, Persons with Disabilities, the Elderly, Minorities, and Families with Limited English Proficiency.

(b) Providing Full and Equal Access to Grassroots, Faith-Based and Other Community-Based Organizations in HUD Program Implementation.

(c) Participation of Minority-Serving Institutions in HUD Programs. Identify partnerships with minority-serving institutions of higher learning such as colleges and trade schools.

(d) *Participation in Energy Star.* Applicants must provide information on how they promote or plan to promote Energy Star materials and practices and buildings constructed to Energy Star standards to homebuyers, renters and other applicable counseling clients. Describe any outreach activities previously conducted and/or planned to promote Energy Star products.

(e) *Removal of Regulatory Barriers to Affordable Housing.* Under this policy priority, higher rating points are available to (1) governmental applicants that are able to demonstrate successful efforts in removing regulatory barriers to affordable housing and (2) nongovernmental applicants that are associated with jurisdictions that have undertaken successful efforts in removing barriers. To obtain the policy

priority points for efforts to successfully remove regulatory barriers, applicants must complete form HUD-27300, "Questionnaire for HUD's Initiative on Removal of Regulatory Barriers." A limited number of questions on form HUD-27300 expressly request the applicant to provide brief documentation with its response. Other questions require that, for each affirmative statement made, the applicant supply a reference, URL or brief statement indicating where the back-up information may be found, and a point of contact, including a telephone number or e-mail address. Applicants that do not provide the required URL references, points of contact (POC) or other back-up documentation will not be eligible for the points associated with this policy priority. When addressing this policy priority, Intermediaries and SHFAs should complete a HUD-27300 that identifies the jurisdiction in which the preponderance of services will be performed if an award is made.

c. Rating Factor 3: Soundness of Approach/Scope of Housing Counseling Services (35 Points). This factor addresses the quality and effectiveness of the applicant's historical and proposed housing counseling activities.

(1) Historical Performance—Quality and Complexity of Services (8 Points).

In scoring this section, HUD will evaluate the quality of, the variety of, and the level of effort and time associated with all the housing counseling services provided by the applicant from all funding sources during the period October 1, 2005 through September 30, 2006. Responses should contain "Historical Performance" as part of the heading for the response. Applicants must provide the following information:

(a) Average hours of housing counseling per client, for the period October 1, 2005, through September 30, 2006, for each of the following service types, including follow-up, the applicant organization provides. Do not provide a range of hours.

- (i) Pre-purchase Counseling
- (ii) Homebuyer Education
- (iii) Delinquency/Default Counseling
- (iv) Non-Delinquency Post-Purchase Counseling
- (v) Home Equity Conversion Mortgage (HECM) Counseling
- (vi) Post-Purchase Education
- (vii) Rental Counseling
- (viii) Homeless/Displacement Counseling
- (ix) Predatory Lending Counseling
- (x) Homeownership Voucher Counseling and Education
- (xi) Fair Housing Issues.
- (xii) Other (describe)

Describe the level of effort and time required to provide the housing counseling services described and to meet the needs of clients. Explain the average counseling time per client figures above. Scoring will be based on the degree to which the applicant demonstrates, as compared to other applicants, that sufficient time and resources were devoted to ensure that clients received quality counseling.

(b) *Types of Counseling and Services Offered*: HUD will retrieve this information from the HUD-9902, "All Counseling Activities" column, through the Housing Counseling System (HCS). Verify that the information from this source is accurate. Scoring of the variety of housing counseling services offered is weighted to provide the most points for HECM and Post Purchase Default/Loss Mitigation counseling.

(c) *Group Education and One-On-One Counseling*. For the period October 1, 2005, through September 30, 2006, HUD will retrieve from Section 6a-b of form HUD-9902, "All Counseling Activities" column, the number of clients that participated in Homebuyer Education Workshops or other types of classes offered as group sessions and will retrieve from Section 7a-e, the number of clients that participated in one-on-one counseling. Applicants should explain the figures provided in Form HUD-9902, "All Counseling Activities" column, regarding group session participation and one-on-one counseling. Describe how clients come to participate in one or the other, the relationship between the two, and the role that each plays in the applicant's overall service provision. Estimate the percentage of clients participating in both group education sessions and one-on-one counseling. Scorers will evaluate the extent to which an agency encouraged and provided one-on-one counseling, which HUD considers the most effective form of housing counseling, instead of over-relying on homebuyer education workshops and other forms of group sessions.

(d) For intermediaries and SHFAs, HUD will evaluate the number and location of sub-grantees and branches that received funding from the applicant through a FY2005 HUD housing counseling grant(s), if applicable, covering the period October 1, 2005-September 30, 2006.

(2) *Historical Performance—Impact/Outcomes* (9 points). To score this Section, HUD will evaluate the applicant's performance for the period October 1, 2005, to September 30, 2006 as reported on the HUD 9902, "All Counseling Activities" column. The quantity of clients the applicant served

will be compared to similar applicants providing similar services. Clients served numbers will also be analyzed in the context of the applicant's total housing counseling budget for the same period, FY2005. HUD will also consider the degree to which the services provided were time and resource intensive. Additionally, for intermediaries and SHFAs, HUD will evaluate the geographic coverage and scope of the applicant's activities for the period October 1, 2005, through September 30, 2006, including the number of states served by affiliates or branches, if applicable, and the overall size of the housing counseling network during that period.

(a) *Cost per client*. Clients served figures will be obtained from the Form HUD-9902, "All Counseling Activities" column, for the period October 1, 2005 through September 30, 2006, submitted to HUD by the applicant, which reflects activities funded both with HUD housing counseling grant funds, if applicable, and with other leveraged resources. Applicants that were not required to submit Form HUD-9902 for the period October 1, 2005 through September 30, 2006 must complete one as part of this application. In addition, the applicant must provide the following information.

(i) Total housing counseling budget for the period October 1, 2005-September 30, 2006, including HUD housing counseling grant(s) or sub-grants, if applicable, as well as other resources leveraged specifically for housing counseling. Do not include funds for down payment or closing cost assistance, Individual Development Accounts, emergency services, or other resources not used for the direct provision of housing counseling.

(ii) If projections for outputs and/or outcomes were not met, indicate how location, type of counseling, client type, and expenses may have affected client volume. Justify expenses and explain why they were reasonable, strategic, and appropriate.

(b) *Percentage of Grant Funding Passed Through: Intermediaries and SHFAs* that received one or more FY2005 HUD housing counseling grant, for the grant period October 1, 2005, to September 30, 2006, must also indicate what percentage of their grant(s) was passed through directly to sub-grantees or branches, and explain how funds not passed through were spent.

LHCAs applying under Applicant Category 1 that received one or more FY2005 HUD housing counseling grants for the grant period October 1, 2005, to September 30, 2006, must indicate what percentage of their grant(s) was spent on

the salaries and benefits of housing counselors and project directors. Explain how other funds were spent.

All Applicants must indicate the sources and amounts spent on formal staff training during the grant period October 1, 2005, to September 30, 2006. Do not include on-the-job training.

Applicants that did not receive a FY2005 HUD housing counseling grant must characterize their performance through other housing counseling funding sources, for example other federal, state or local government grants, providing as much detail, similar to that requested above, as possible.

(c) Geographic Coverage:

Intermediaries and SHFAs must identify the sub-grantees, affiliates and branches, and corresponding states, to which the applicant provided housing counseling funding, for the period October 1, 2005, through September 30, 2006, through:

(i) FY2005 HUD housing counseling grant funds, if applicable.

(ii) All housing counseling resources.

(3) *Projected Performance/Work Plan—Quality and Complexity of Services* (9 points). This section involves information on the housing counseling services and other activities to be conducted during the period October 1, 2007, through September 30, 2008. In scoring this Section, HUD will consider the types and variety of housing counseling and education services being offered, and other activities occurring in support of the applicant's housing counseling program.

HUD will also evaluate the quality of the applicant's proposed housing counseling services, and level of effort and time associated with providing the proposed counseling services to the number of clients it estimates it will serve. Scoring will be based on the degree to which the applicant demonstrates, as compared to other applicants, that for each type of counseling service delivered, average, greater than average or less than average time and resources will be devoted to ensure that clients receive quality counseling.

Applicants must provide the following information, which will be used in conjunction with responses in Rating Factor 5, as a basis to support the scoring of the sub-factors below. There must be consistency between Rating Factor 3 and the projected outputs and outcomes in Rating Factor 5. Responses must contain "Projected Performance" as part of the heading for the response.

(a) Describe the various types of housing counseling and education services, and if applicable intermediary activities, the applicant proposes to undertake, and identify the geographic

area the services will cover. Also, describe planned follow-up activities, if applicable. Proposed services and activities must relate to the needs identified in Rating Factor 2. Scoring of the variety of housing counseling services offered is weighted to provide the most points for one-on-one counseling regarding HECM and Post Purchase Default/Loss Mitigation. To be eligible for the full points available for these service types, applicants proposing to provide HECM and/or Default/Loss Mitigation counseling must have prior HUD approval to provide these services.

Intermediaries and SHFAs acting as intermediaries should describe in detail their plans to train proposed sub-grantees and branches, provide technical assistance, and evaluate compliance with program requirements, for example through site visits.

(b) Average hours of housing counseling time the applicant estimates per client, for each of the activities listed in part (a), including follow-up. Do not provide a range of hours. If the projected average times are the same as those listed for the period covering October 1, 2005–September 30, 2006, the applicant may simply state so in lieu of listing them again here.

(c) Indicate the names and titles of employees, including subcontractors and consultants, allocated to each proposed activity, as well as the corresponding staff hours for each task, and demonstrate that the applicant has the human resources to accomplish the proposed activities and serve the number of individuals the applicant proposes to serve. The staff information should include who from Rating Factor 1 will be involved and any new staff, subcontractors or consultants that will be hired for the October 1, 2007–September 30, 2008 grant period.

(d) Indicate proposed amount to be spent on formal staff training during the grant period October 1, 2007, to September 30, 2008 from all sources. Do not include on-the-job training.

(e) Describe plans to effectively serve and/or communicate with persons with limited English proficiency (LEP) and persons with disabilities who require alternative formats, for example materials that are available in languages other than English.

(f) Intermediaries and SHFAs must also:

(i) Describe the housing counseling and education activities to be provided by proposed sub-grantees and branches, explicitly stating the types of services to be offered, preferably in a chart.

(ii) Describe the applicant's legal relationship with sub-grantees (i.e.

membership organization, field, or branch office, subsidiary organization, etc.)

(iii) Explain the process that will be used to determine sub-grantee funding levels and distribute funds. If applicable, indicate how sub-grantee funding levels are adjusted on an ongoing basis based on performance.

(4) *Projected Performance/Work Plan—Coordination* (5 points). HUD will consider the extent to which, as compared to similar applicants, the applicant can demonstrate it will coordinate proposed activities with other organizations, and if applicable, with other services and products offered by the applicant's organization in a manner that benefits their clients. Scoring will also be based on the degree to which the applicant takes steps to avoid conflicts of interest, and discloses to clients that they have a choice in matters such as the loan product they choose and the house that they purchase.

(a) Identify and describe partnerships and efforts to coordinate proposed activities with other organizations, including, but not limited to, emergency and social services providers, lending organizations, homeowner insurance providers, down payment and closing cost assistance programs, nonprofit housing providers, and local or state government. For example, describe agreements with lenders regarding non-traditional lending standards or participation in the Consolidated Planning process or the Analysis of Impediments. Any written agreements or memoranda of understanding in place should be described. These agreements and memoranda of understanding will be reviewed by HUD staff as a part of the biennial reviews and on-site monitoring visits.

Applicants should also highlight internal products and functions, if applicable, such as loan products available to clients, down payment and closing cost assistance programs, as well as internal affordable housing programs that can be a resource for clients. Applicants requesting HECM supplemental funding should highlight the partnerships or internal products that are relevant to HECM activities.

(b) Describe plans to avoid conflicts of interest, such as methods for disclosing to participants that they are free to choose lenders, loan products, and homes, regardless of the recommendations made by counselors. To receive full credit in this Section, the applicant must submit the disclosure forms and materials used by the applicant to communicate to clients that, while affordable homes, lending

products and other forms of assistance might be available through the applicant, and partnerships in which the applicant has entered, the client is under no obligation to utilize these services. These plans and disclosures will also be reviewed by HUD staff as a part of the biennial reviews and on-site monitoring visits.

(5) *Projected Performance/Work Plan—Coverage/Efficient Use of Resources* (4 points). In scoring this Section, HUD will evaluate the geographic coverage of the applicant's proposed activities, and spending decisions.

(a) *Percentage of Grant Funding To Be Passed Through*: Intermediaries and SHFAs must indicate what percentage of their proposed award will be passed through directly to sub-grantees and branches, and explain how funds not passed through will be spent. LHCAAs that apply under Applicant Category 1 must indicate what percentage of their proposed award will be spent on the salaries and benefits of housing counselors and project directors. Explain in detail how other proposed funds will be spent.

(b) *Geographic Coverage*: Intermediaries and SHFAs must identify the sub-grantees and branches, and corresponding states, the applicant proposes will receive funding through this grant award. Indicate which, if any proposed sub-grantees and branches, serve Colonias. In the event that an intermediary is also applying for HECM supplemental funding, indicate the agencies and corresponding states in which the HUD HECM Network counselors you propose to fund are located. Applicants unable to precisely identify proposed sub-grantees and branches to receive funding through the proposed grant must identify the most likely sub-grantees and branches, based on past experience, and explain what process will be used to select actual sub-grantees and branches. Pursuant to the applicable regulations at 24 CFR 84.82(d)(3)(iii) and 85.30(d)(4), grantees must receive HUD's prior written approval for sub-grants.

d. *Rating Factor 4: Leveraging Resources* (10 Points). HUD housing counseling grants are not intended to fully fund an applicant's housing counseling program, or that of its sub-grantees. All organizations that use housing counseling grant funds are expected to seek other private and public sources of funding for housing counseling to supplement HUD funding. Any agency that does not have other resources available will receive no points for this factor. Applicants will be evaluated based on their ability to show

that they have obtained additional resources for their housing counseling activities, for the period October 1, 2007—September 30, 2008, including: direct financial assistance; in-kind contributions, such as services, equipment, office space, labor; etc. Resources may be provided by governmental entities, public or private nonprofit organizations, for-profit private organizations, or other entities committed to providing assistance. Grantees will be required to maintain evidence that leveraged funds were actually provided to the agency. These files will be reviewed by HUD staff as a part of the biennial reviews and on-site monitoring visits.

(1) All Applicants must provide a comprehensive list of all leveraged funds and in-kind contributions being claimed. Include the amount and the source, and total it. Intermediaries and SHFAs must itemize the list of leveraged resources by each proposed sub-grantee and/or funded branch office. All leveraged resources claimed by an applicant, including cash and third party in-kind, must meet all of the criteria set forth in 24 CFR 84.23 and must be accounted for in the budget form 424CBW.

(2) Additionally, for Category 1—Local Housing Counseling Agencies (LHCAAs), in order to obtain points under this factor, the Applicant must demonstrate leveraging by providing letters and, if applicable, copies of relevant grant agreements, from entities or individuals, or both, committing resources to the project, that include:

(a) The identity of the entity or individual committing resources to the project.

(b) Dollar value of the resources to be committed. For in-kind resources with no clear total dollar value indicated, Applicants should estimate their value and describe in detail how the estimate was determined. Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles.

(c) The type of resources to be committed.

(d) An indication that the resources will be available during the grant period pertaining to this NOFA, October 1, 2007—September 30, 2008.

(e) An indication that the award, or a specific portion of it, is intended for housing counseling.

(f) The signature of an official of the entity legally able to make commitments on behalf of the entity.

(g) No conditions that would nullify the commitment. (It is, however, acceptable for the commitment to be conditional on HUD funding.)

(3) Additionally, resources provided by the applicant may count as leveraged resources. These amounts must include only funds that will directly result in the provision of housing counseling services, but not resources for activities such as down payment and closing cost assistance, IDA programs, and emergency services.

(4) Intermediaries and SHFAs should include information on leveraged resources for only anticipated sub-grantees and branches that will be funded through this application.

(5) Points for this factor will be awarded based on the amount of leveraging that meets the criteria in this section and the percentage of the applicant's total housing counseling budget that the requested HUD housing counseling funds would represent. The amount of grant funds requested will impact the ratio used to score this factor, as this factor evaluates the proposed HUD grant as a percentage of the total counseling budget. For example, a LHCA requesting the maximum comprehensive grant amount of \$150,000 with leveraged funds equaling that grant will only receive 7 points. If that same LHCA requests only \$100,000 with the same leveraged funds of \$150,000, the score will be 9. Depending on organization type, the following scales will be used to determine scores for this factor:

LHCAAs and SHFAs

1–25%—10 points
26–40%—9 points
41–48%—8 points
49–55%—7 points
56–65%—6 points
66–75%—5 points
76–85%—4 points
86–91%—3 points
92–95%—2 points
96–99%—1 point

Intermediaries

1–15%—10 points
16–20%—9 points
21–26%—8 points
27–32%—7 points
33–41%—6 points
42–47%—5 points
48–53%—4 points
54–59%—3 points
60–65%—2 points
66–99%—1 point

e. *Rating Factor 5: Achieving Results and Program Evaluation* (13 points). This factor emphasizes HUD's determination to ensure that applicants meet commitments made in their applications and grant agreements and assess their performance in achieving agreed upon performance goals. This reflects HUD's Strategic goal to embrace

high standards of ethics, management and accountability.

The purpose of this factor is for the applicant to identify projected outputs and outcomes corresponding to the proposed workplan in Factor 3. The developed logic model submitted with the application will serve as a reporting tool for applicants selected to receive an award, allowing HUD to compare proposed program outputs and outcomes with actual results. In scoring this Factor, HUD will consider the appropriateness of the goals given the award the applicant is applying for and evaluate the proposed outputs and outcomes for their effectiveness and efficiency in delivering housing counseling services to the population to be serviced. Additionally, scorers will evaluate the extent to which an applicant's proposal includes one-on-one counseling or encourages affiliates to undertake one-on-one counseling. HUD considers one-on-one counseling the most effective form of housing counseling, as compared to homebuyer education workshops and other forms of group sessions.

(1) *Program Outcome Logic Model* (2 points). Applicants must select appropriate outputs and outcomes from a series of "pick lists" for the Housing Counseling Program. The pick list can be found in the form HUD-96010 in the Grants.gov Housing Counseling Program Instructions Download. Using the pick list, for each column of the logic model, applicants can select and insert their outputs and outcomes in the appropriate columns of the Logic Model.

The pick lists also provide for an associate unit of measure for each output and outcome, and applicants must utilize the measure provided that is associated to the activity. Applicants must identify projected output and outcome values that correspond to the unit of measure. For example, insert whole numbers, not percentages, when the unit of measure is 'Households'.

These amounts should represent results to be achieved entirely as a result of the HUD housing counseling funding. If, in reality, various funding sources will contribute to the services provided each individual, the applicant must prorate their response to reflect a figure representing services provided with only funding from the proposed grant.

Applicants should use the same methodology to complete the logic model as they do for form HUD-9902. For example, the logic model is not designed to record the exact number of clients projected or served, but rather the number of unique counseling or education services provided. So an

individual or household that receives multiple, distinct types of counseling or education in a reporting period is recorded on the logic model multiple times. For example, if an individual comes in for one type of counseling (e.g. pre-purchase), they are recorded. If, later in the reporting period, the same individual comes in for another type of counseling, for example default counseling, record this new activity. By contrast, if multiple topics are covered in one counseling session, it is only recorded as one activity. Moreover, the form is designed to capture participation in each complete course on a unique education topic. For example: whether or not the course is completed in one 8-hour session, or four 2-hour classes, it is counted as one course.

In addition, HUD has provided a series of management questions, which awardees will be expected to respond to in reporting back to HUD. The management questions place a framework around the data you will be reporting to HUD. The management questions are included in the Logic Model and applicants should use them as a guide to understanding what HUD is interested in learning about the major element of your program. HUD will provide training on the Logic Model through webcasts and detailed step-by-step instructions for using the new form and format. The schedule for the webcasts and instructions can be found at <http://www.hud.gov/offices/adm/grants/fundsavail>. For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

Applicants must complete and submit Form HUD-96010 reflecting projected outputs and outcomes under the proposed HUD Housing Counseling grant. The Form HUD-96010 must identify:

(a) *Outputs*. Outputs are the direct products of the applicant's activities that lead to the ultimate achievement of outcomes. Based on the proposed work plan in Factor 3 and the amount being requested through this NOFA, applicants should select the appropriate outputs and their associated units of measure from the choices provided in the pick list, and provide the corresponding number to be achieved for each proposed output.

If requesting supplemental funding, indicate the specific number of households the applicant projects it, or if applicable, sub-grantees and branches, will serve under the comprehensive counseling portion of the requested

award and with requested HECM supplemental funding.

(b) *Outcomes*. Outcomes are benefits accruing to the households as a result of participation in the program. Outcomes are performance indicators the applicant expects to achieve or goals it hopes to meet over the term of the proposed grant. Using the pick lists provided, applicants should select each appropriate outcome and associated unit of measure related to the proposed work plan, and provide the corresponding number to be achieved for each proposed outcome. Projected outcomes should reflect the number you expect to report in the HUD Housing Counseling Grant Activities column on the Form HUD-9902.

The proposed outcomes the applicant provides will be compared to actual results in the measurement of grant performance and future grant application evaluations.

(2) *Projected Performance/Work Plan—Impact* (6 points). In scoring this Section, HUD will evaluate the proposed outputs from the logic model, specifically the number of clients that the applicant estimates will be served under the proposed HUD grant, by the applicant and sub-grantees, if applicable, for the grant period October 1, 2007, to September 30, 2008. Scoring will be based on the cost per client, compared to historical averages for similar services and similar applicants. Proposed clients served numbers will also be analyzed in the context of budget, costs, spending decisions, the types of services provided, level of effort expended, etc.

(a) Provide a context for, or qualify the number of clients the applicant projects to serve with the proposed HUD grant. Indicate how location, counseling and client types, and expenses may affect client volume, and whether the impact will be short-term or long-term. Justify proposed expenses and explain why they are reasonable, strategic, and appropriate for the counseling activities identified above.

(3) *Projected Performance—Group Education and One-On-One Counseling*. (3 points). HUD will utilize logic model output projections to evaluate what percentage of total clients the applicant estimates will participate in group education, what percentage will participate in one-on-one counseling, and what percentage will participate in both group sessions and one-on-one counseling. Applicants must complete each of these output projections. Describe how clients are selected for one or the other, the relationship between the two, and the role that each will play in the overall service

provision. Scorers will evaluate the extent to which an agency plans to encourage and provide one-on-one counseling, which HUD considers the most effective form of housing counseling, instead of over-relying on homebuyer education workshops and other forms of group sessions.

(4) *Evaluation Plan*. (2 points). Applicants must also submit an evaluation plan for how they are going to track actual accomplishments against anticipated achievements and ensure that the program can provide the services projected to be delivered and outcomes projected to be achieved.

(a) *Information Collection*. Describe the applicant's procedures for measuring outputs and outcomes. Describe follow-up activities with clients to collect outcome information.

(b) *Data Analysis and Work Plan Adjustments*. Indicate how the information will be evaluated, and the steps the applicant has in place to make adjustments to the work plan if performance targets are not met within established timeframes. National and regional intermediaries and SHFAs should indicate if and how the performance of sub-grantees and branch offices affects current and future sub-grants and allocations.

B. Review and Selection Process. Two types of reviews will be conducted.

1. Technical Review. First, each application will be reviewed for technical sufficiency, in other words, whether the application meets the threshold requirements set out in this NOFA and the General Section and whether all required forms have been submitted. The General Section provides the procedures for corrections to deficient applications.

2. General Review. The second review considers the responses to the rating factors outlined above and other relevant information. Applications will be evaluated competitively, and ranked against all other applicants that applied in the same funding category.

3. Rating Panels. Detailed information on the rating review panels appears in the General Section.

4. Minimum Score for Fundable Applications. The minimum score for fundable applications is 75 points.

5. Funding Methodology.

a. Comprehensive Counseling. Only applicants who receive a score of 75 points or above will be considered eligible for funding. All eligible applicants will then be funded in proportion to the score they receive. Regarding the comprehensive counseling portion of an award, all grantees will receive the lower of either the comprehensive award amount

determined with the formula, or the amount actually requested by the applicant. HUD will consider the amount of the comprehensive counseling grant being requested to be the value entered into box 18a on form SF-424. For intermediaries also requesting HECM supplemental funding, box 18a of Form SF-424 should reflect the total of the comprehensive request and the HECM supplemental request. For those intermediaries requesting both, the narrative response to Factor 3 must make clear the exact comprehensive and supplemental amounts being requested. The minimum award is \$20,000 for LHCA's; \$50,000 for SHFAs; and \$200,000 for intermediaries.

b. Supplemental Funding. The same methodology described above in section a will be used to distribute the available HECM supplemental funds. Regarding supplemental funding, all grantees will receive the lower of either the supplemental award amount determined with the formula, or the specific amount of supplemental funding actually requested by the applicant. Each applicant will only submit one application and receive a score based on the application for the comprehensive counseling grant. Comprehensive counseling funds will be allocated based on this score. Subsequently, for HECM supplemental funding, responses to each rating factor will be evaluated on a yes/no, adequate/inadequate basis. An adequate response will result in a score for the supplemental funding identical to the comprehensive score on each respective rating factor. An inadequate supplemental response will result in a 1-point deduction from the comprehensive score. After all five rating factors have been evaluated, the adjusted ratings will result in a distinct score for the HECM supplemental funds. This method will result in scores for supplemental funding that may be equal to the comprehensive score, or up to five points less than the comprehensive score. In no case can an applicant receive a higher score on an application for supplemental funding than it received on its comprehensive application. An applicant will receive a separate score for its application for comprehensive counseling, and for HECM supplemental funding. The base award for the HECM supplemental funding will be \$40,000 for intermediaries. Only applicants scoring 75 points or above are eligible for supplemental funding. HUD may award one or more HECM supplemental grants to intermediaries. HECM supplemental

grant funds are awarded based upon scores beginning with the highest until the funds are expended. Applications that receive 75 points or more will not necessarily receive supplemental funding.

6. Reallocation of Unspent Funds. If funds designated for a specific grant Category, HOC, or for supplemental funding remain unspent after the formulas have been run and award recommendations are determined, HUD may, at its discretion, reallocate those funds to any other funding Category or supplemental funding area under this NOFA. Additionally, HUD may reallocate unspent funds to any HOC jurisdiction or to HUD Headquarters for awards under this NOFA. HUD may also reallocate unspent funds for housing counseling support activities. Any reallocation will be based on demand and unmet need.

VI. Award Administration Information

A. Award Notices: Following selection, applicants will receive notification from HUD regarding their application.

1. Publication of Recipients of HUD Funding. HUD's regulations at 24 CFR part 4 provide that HUD will publish a notice in the **Federal Register** to notify the public of all decisions made by the Department. Please see the General Section for more information on this topic.

2. Debriefing. Applicants may receive a debriefing on their application submission. Please see the General Section for a further discussion of the time frame in which the debriefing request may be submitted.

B. Administrative and National Policy Requirements

1. Environmental Requirements. In accordance with 24 CFR 50.19(b)(9) and (12) of the HUD regulations, activities assisted under this program are categorically excluded from the requirements of the National Environmental Policy Act and are not subject to environmental review under the related laws and authorities.

2. Audit Requirements. Grantees that expend \$500,000 or more in federal financial assistance in a single year (this can be program year or fiscal year) must be audited in accordance with the OMB requirements as established in 24 CFR part 84. Additional information regarding this requirement can be accessed at the following Web site: <http://harvester.census.gov/sac>.

3. Other Matters.

a. Relocation. See the General Section.

b. OMB Circulars and Government-wide Regulations Applicable to

Financial Assistance Programs. See the General Section.

c. Prohibition Against Lobbying Activities. See the General Section.

d. Procurement of Recovered Materials. See the General Section.

f. Executive Order 13279 Equal Protection of the Laws for Faith-Based and Community Organizations. See the General Section.

g. Salary Limitation for Consultants. See the General Section.

h. Executive Order 13132, Federalism. See the General Section.

C. Reporting

1. Fiscal Year Activity Report. Grantees are required to submit Form HUD-9902, Housing Counseling Activity Report, quarterly via HUD's web-based Housing Counseling System (HCS). The information compiled from

this report provides HUD with its primary means of measuring program performance.

2. Program Outcome Logic Model. If the actual award amount differs from the proposed award, Grantees are required to submit an updated Form HUD-96010, Program Outcome Logic Model, and a corresponding budget, before the grant agreement will be executed. Additionally, Grantees will be required to submit an updated Form HUD-96010, Program Outcome Logic Model, reflecting actual achievements, with each quarterly, midterm and final report, in accordance with the reporting requirements of the grant agreement. The information in this form provides the primary means through which HUD will monitor the ongoing performance of the grantee.

VII. Agency Contact(s)

A. Technical Assistance. For technical assistance in downloading or submitting an application package using www.Grants.gov, contact the Grants.gov support desk at 800-518-Grants or by sending an e-mail to support@grants.gov.

B. Programmatic Information. For program related information, LHCA's and SHFAs should contact the HOC serving their area, as indicated below. Intermediaries should contact HUD Headquarters, Program Support Division at (202) 708-0317 (this is not a toll-free number).

Hearing and speech challenged persons may access the telephone numbers listed below by calling the Federal Information Relay Service at 800-877-8339.

Homeownership center	States
<p>Philadelphia Homeownership Center: Ms. Brenda Bellisario, Director, Program Support Division, Wannamaker Building, 100 Penn Square East, 12th Floor, Philadelphia, PA 19107-3389. For programmatic information contact: Robert Wright, Robert.Wright@hud.gov, (215) 656-0527 x3406.</p> <p>Atlanta Homeownership Center: Ms. Gayle Knowlson, Director, Program Support Division, 40 Marietta Street, 8th Floor, Atlanta, GA 30303-2806. For programmatic information contact: E. Carolyn Hogans, E_Carolyn_Hogans@hud.gov, (404) 331-5001, x2129.</p> <p>Denver Homeownership Center: Ms. Irma Devich, Director, Program Support Division, 1670 Broadway, Denver, CO 80202-4801. For programmatic information contact: Vic Karels, 303-675-1640, Victor_E_Karels@hud.gov.</p> <p>Santa Ana Homeownership Center: Mr. Jerrold Mayer, Director, Program Support Division, Santa Ana Federal Building, 34 Civic Center Plaza, Room 7015, Santa Ana, CA 92701-4003. For programmatic information contact: Rhonda J. Rivera, rhonda_j_rivera@hud.gov, 1-888-827-5605 x3210.</p>	<p>Connecticut, Delaware, District of Columbia, Maine, Maryland, Massachusetts, Michigan, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Vermont, Virginia, West Virginia.</p> <p>Alabama, Puerto Rico, Florida, Georgia, Illinois, Indiana, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee.</p> <p>Arkansas, Colorado, Iowa, Kansas, Louisiana, Minnesota, Missouri, Montana, Nebraska, New Mexico, North Dakota, Oklahoma, South Dakota, Texas, Utah, Wisconsin, Wyoming.</p> <p>Alaska, Arizona, California, Hawaii, Oregon, Idaho, Nevada, Washington.</p>

VIII. Other Information

A. Satellite Broadcast. HUD will hold an informational broadcast via satellite for potential applicants to learn more about the program, the FY2007 Logic Model requirements, and the application. For more information about the date and time of the broadcast, consult the HUD Web site at: <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

B. Paperwork Reduction Act. The information collection requirements

contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2502-0261. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to

average 68 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, semi-annual reports and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**HEALTHY HOMES LEAD HAZARD
CONTROL PROGRAMS**

LEAD HAZARD NOFA (COMBINED)

**LEAD-BASED PAINT HAZARD
CONTROL GRANT PROGRAM, LEAD
HAZARD REDUCTION
DEMONSTRATION GRANT PROGRAM,
AND OPERATION LEAD ELIMINATION
ACTION PROGRAM**

Lead-Based Paint Hazard Control Grant Program, Lead Hazard Reduction Demonstration Grant Program, and Operation Lead Elimination Action Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Healthy Homes and Lead Hazard Control.

B. Funding Opportunity Title: Lead-Based Paint Hazard Control Program, Lead Hazard Reduction Demonstration Program, and Operation Lead Elimination Action Program).

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-20; OMB Approval Number 2539-0015.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): 14.900 Lead-Based Paint Hazard Control in Privately Owned Housing and 14.905 Lead Hazard Reduction Demonstration Program, and 14.903 Operation Lead Elimination Action Program.

F. Dates: Applications must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on May 18, 2007 for the Lead-Based Paint Hazard Control and Operation Lead Elimination Action Programs, and the application deadline date for the Lead Hazard Reduction Demonstration is May 30, 2007. See the General Section for specific instructions regarding application submission.

G. Additional Overview Content Information:

1. Purpose of the Program.

a. The purpose of the Lead-Based Paint Hazard Control Program is to assist states, Native American Tribes, and local governments in undertaking comprehensive programs to identify and control lead-based paint hazards in eligible privately owned housing for rental or owner-occupants.

b. The purpose of the Lead Hazard Reduction Demonstration Grant Program is the same as the Lead-Based Paint Hazard Control, but the Lead Hazard Reduction Demonstration Grant Program is targeted for urban jurisdictions with the highest lead-based paint hazard control needs.

c. The purpose of the Operation Lead Elimination Action Program is to provide grants to private sector and non-profit organizations to leverage funds for addressing lead hazards in privately owned housing units and eliminating lead poisoning as a major public health threat to young children.

2. Available Funds. Approximately \$148.4 million (Lead-Based Paint Hazard Control Program, Lead Hazard

Reduction Demonstration Program and Lead Elimination Action Program).

3. Eligible Applicants.

a. To be eligible to apply for funding under the Lead-Based Paint Hazard Control (LBPHC) Grant Program, the applicant must be a state, Native American Tribe, city, county, or other unit of local government. Multiple units of a local government (or multiple local governments) may apply as a consortium; however, you must identify a lead applicant that will be responsible for ensuring compliance with all requirements specified in this NOFA. State government and Native American tribal applicants must have an Environmental Protection Agency (EPA) authorized lead-based paint training and certification program.

b. To be eligible to apply for the Lead Hazard Reduction Demonstration (LHRD) Grant Program, the applicant must be a city, county, Native American Tribe, or other unit of local government. The applicant must have at least 3,500 pre-1940 occupied rental housing units, as listed at the 2000 Census Web site identified in Form HUD 96013, Need/Extent of the Problem. In addition, a State may apply on behalf of one or more of the eligible local jurisdictions if it has an EPA-authorized lead-based paint training and certification program. A list of eligible applicants can be downloaded with the application from www.grants.gov/Applicants/Apply_for_grants.jsp in Appendix A.

c. To be eligible to apply for funding under the Operation Lead Elimination Action Program (LEAP), the applicant must be a non-profit or for-profit entity or firm. For-profit institutions are not allowed to earn a fee. Colleges and Universities are also eligible to apply. National and local groups are encouraged to apply. States, cities, counties and units of local government and their departments are not eligible.

4. Match. See NOFA Criteria by Grant Program Chart in Section III, Eligibility Information.

5. Information on application. The applications for this NOFA can be found at <http://www.grants.gov>. The General Section contains information about Grants.gov registration, submission requirements, and submission procedures.

Full Text of Announcement

I. Funding Opportunity Description

A. Program Description. The Lead-Based Paint Hazard Control Program (LBPHC), the Lead Hazard Reduction Demonstration Grant Program (LHRD) and the Operation Lead Elimination Action Program (LEAP) are authorized

by Section 1011 of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X of the Housing and Community Development Act of 1992, Pub. L. 102-550). HUD's authority for making funding available under this NOFA for the Lead-Based Paint Hazard Control Program, the Operation Lead Elimination Action Program and the Lead Hazard Reduction Demonstration Program is the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007). The Lead-Based Paint Hazard Control Grant Program assists states, Native American Tribes and local governments, and the Lead Hazard Reduction Demonstration Program assists urban jurisdictions with the highest lead-based paint hazard control needs, in undertaking programs for the identification and control of lead-based paint hazards in eligible privately owned rental and owner-occupied housing units. Operation Lead Elimination Action Program (LEAP) provides grants to private sector and non-profit organizations to leverage funds for addressing lead hazards in privately owned housing units and eliminating lead poisoning as a major public health threat to young children. HUD is interested in promoting lead hazard control approaches that result in the reduction of elevated blood lead levels in children for the maximum number of low-income families with children under six years of age, for the longest period of time, and that demonstrate techniques which are cost-effective, efficient, and replicable elsewhere. Refer to the HUD Web site <http://www.hud.gov/offices/lead/regs/leadtitlex.pdf> to obtain information on Title X. HUD's Lead Safe Housing Regulation is available at <http://www.hud.gov/offices/lead/leadsaferule/LSHRFinal21June04.rtf>, and the companion interpretive guidance publication at <http://www.hud.gov/offices/lead/leadsaferule/LSHRGuidance21June04.rtf>. If you cannot access the information you can call the NOFA Information Center at 800-HUD-8929. If you are a hearing- or speech-impaired person, you may request the information by telephone TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

Because lead-based paint is a national problem, these funds will be awarded to programs that will fulfill the following objectives:

1. Maximize the combination of children less than six years of age protected from lead poisoning and housing units where lead-hazards are controlled;

2. Target the reduction of elevated blood lead levels in children for the maximum number of low-income families with children less than six years of age, for the longest period of time;

3. Stimulate lower-cost and cost-effective methods and approaches to lead hazard control work that can be replicated;

4. Build local capacity to safely and effectively address lead hazards during lead hazard control, renovation, remodeling, and maintenance activities by integrating lead safe work practices into housing maintenance, repair, weatherization, rehabilitation, and other programs that will continue beyond the grant period;

5. Affirmatively further fair housing and environmental justice;

6. Develop a comprehensive community approach to address lead hazards in housing by mobilizing public and private resources, involving cooperation among all levels of government, the private sector, and grassroots community-based non-profit organizations, including faith-based organizations, to develop cost-effective methods for identifying and controlling lead-based paint hazards;

7. Establish a public registry (listing) of lead-safe housing or inclusion of the lead-safe status of properties in a publicly accessible address-based property information system to be affirmatively marketed to families with young children; and

8. To the greatest extent feasible, promote job training, employment, and other economic opportunities for low-income and minority residents and businesses that are owned by and/or employ minorities and low-income persons as defined in 24 CFR 135.5 (see 59 FR 33881, published June 30, 1994).

B. Changes in the FY 2007 NOFA

1. A total of 150 pages for the entire application including narrative responses, attachments, tables, appendices, and other required forms.

2. All contributions above the statutory match requirement should be reported as leveraged contributions.

3. The Lead Hazard Reduction Demonstration Grant Program has a 10 percent match requirement and an 80

percent direct Lead Hazard Control cost requirement.

II. Award Information

A. Funding Available. From current and past years' funding, approximately \$76.4 million will be available for the Lead-Based Paint Hazard Control Program, approximately \$54.7 million will be available for the Lead-Based Paint Hazard Reduction Grant Program, and approximately \$17.3 million will be available for Operation Lead Elimination Action Program.

1. Approximately 26 to 40 grants will be awarded to applicants for the Lead-Based Paint Hazard Control Program. Approximately 14 to 22 grants will be awarded to applicants for the Lead Hazard Reduction Demonstration Program, and approximately 9 to 12 grants will be awarded to applicants for Operation Lead Elimination Action Program. Grant award amounts for the entire period of performance for Lead-Based Paint Hazard Control Program grants shall be from approximately \$1 million up to a maximum of \$3 million per grant, for the Lead Hazard Reduction Demonstration Program grants, from approximately \$1 million up to a maximum of \$4 million per grant, and for Operation Lead Elimination Action Program (LEAP) grants a maximum of \$2 million per grant. Applications for amounts larger than the applicable maximum amount for a program will be deemed ineligible and will not be reviewed.

2. The start date for grants is expected to be no later than October 1, 2007. The period of performance shall not exceed 36 months. Period of performance extensions for delays due to conditions beyond the grantee's control will be considered by HUD in accordance with 24 CFR 84.25(e)(2) or 85.30(d)(2), as applicable, and the OHHLHC Program Guide. Such extensions, when granted, are one time only, and for no longer than a period of one year from the original period of performance end date.

B. Contracts or Other Formal Arrangements.

1. If selected for funding, grantees are required to maintain a contract administration system to ensure sub-grantee and contractor conformance with the terms, conditions, and

specifications of contracts. Grantees must enter into written contracts or agreements with sub-grantees and contractors, which identify specific services to be provided such as:

- Staffing requirements,
- Time periods for the performance of work,
- Project budget, and total amount of compensation to be provided,
- Methods and documentation requirements for obtaining reimbursement of expenses,
- Record keeping and reporting requirements,
- Requirements placed upon the sub-grantee or contractor to comply with applicable federal laws, regulations, circulars, and Executive Orders,
- Provisions for the grantee with access to financial and other documents and files for the purpose of monitoring sub-grantee or contractor performance and compliance with the local contract or agreement, and applicable Federal laws, regulations, circulars and Executive orders.

2. All applicants are encouraged to enter into formal arrangements with grassroots community-based non-profit organizations, including faith-based organizations, or other community-based organizations, particularly if such organizations will be reimbursed for eligible activities under this NOFA. (This does not apply to Native American Tribes.) These formal arrangements could be a contract, a Memorandum of Understanding (MOU), a Memorandum of Agreement (MOA), or a letter of commitment. Such relationships should be established prior to the actual execution of an award or within 120 days of the effective start date of the grant agreement.

III. Eligibility Information

A. Eligible Applicants

See the General Section for additional eligibility requirements applicable to HUD Programs. See chart below that describes eligible applicants, match percentage requirement, minimum percentage of federal funds for direct lead hazard control activities, and maximum administrative cost.

MATCH REQUIREMENTS AND ADMINISTRATIVE COSTS BY GRANT PROGRAMS

Programs	Eligible applicants	Percent of HUD award		
		Match	Direct lead hazard control costs	Administrative cost
Lead-Based Paint Hazard Control Program (LBPHC).	State, Native American Tribe, city, county, or other unit of local government. Multiple units of a local government (or multiple local governments) may apply as a consortium; however, you must identify a lead applicant that will be responsible for ensuring compliance with all requirements specified in this NOFA. State government and Native American tribal applicants must have an Environmental Protection Agency (EPA) authorized lead-based paint training and certification program.	10%	Minimum 65% ...	Maximum 10%.
Lead hazard Reduction Demonstration (LHRD).	City, county, Native American Tribe, or other unit of local government. The applicant must have at least 3,500 pre-1940 occupied rental housing units, as listed at the 2000 Census Web site identified in Form HUD 96013, Need/Extent of the Problem. In addition, a State may apply on behalf of one or more of the eligible local jurisdictions if it has an EPA-authorized lead-based paint training and certification program. A list of eligible applicants can be downloaded with the application from www.grants.gov , in Appendix A.	10%	Minimum 80% ...	Maximum 10%.
Operation Lead Elimination Action Program (LEAP).	For-profit and non-profit entities; colleges and universities; and national and local groups. For profit institutions are not allowed to earn a fee.	None	Minimum 65% ...	Maximum 10%.

B. Cost Sharing and Match

This section applies to all three grant programs. See Chart above for statutory match requirements. Match and Leverage Guidance in *Appendix B* can be downloaded with the application from http://www.grants.gov/applicants/apply_for_grants.jsp. If an applicant does not meet the minimum requirements of 10 percent match for LBPHC it will be considered ineligible for an award.

Under Rating Factor 4, Leveraging, HUD provides rating points to applicants that documenting additional resources to increase the scope or effectiveness of the proposed program activities. For the LBPHC and LHRD that have a required match, HUD will award points to applicants that provide additional resources over required match amount. For LEAP applicants, which has no matching requirement, HUD will award points based upon the amount of resources that are leveraged by the applicant. The larger the amount of funds or in-kind services that are secured by the applicant, the higher the number of points that will be awarded under Rating Factor 4. For all programs, match and/or leverage contributions may be in the form of cash including private sector funding, or in-kind (non-cash) contributions or a combination of these sources. With the exception of Community Development Block Grant (CDBG) funds, or other programs that allow their funds to be considered local funds and therefore eligible to be used

as matching funds, federal funds may not be used to satisfy any statutorily required matching requirement, as applicable. Both CDBG and other local funds must be used for otherwise eligible grant-related lead hazard control activities to be eligible as match or leverage funds. For cash and in kind match and leveraged contributions, the applicant must submit a letter of commitment, signed by an official of the organization legally able to make commitments on behalf of the organization. The letter must indicate the amount and source, and detail how the contribution will support the proposed grant program. The signature of the authorized official on the Form SF-424 is deemed as official documentation of commitment of match or other contributed resources of the applicant organization. A separate letter from the applicant organization is not required. For LEAP applicants, a leveraged resource only from the private sector is considered eligible. All matching and leveraged contributions shall be used for the same purposes as allowed for by the federal funds.

C. Other

1. Eligible Costs and Activities. This section applies to all three grant programs unless otherwise specified.

All lead hazard control activities funded under the LBPHC, LHRD and LEAP must be conducted in compliance with the applicable requirements of HUD's Lead-Safe Housing Regulation,

24 CFR part 35, and the companion Interpretive Guidance publication. Activities must also comply with any additional requirements in effect under a state or Tribal Lead-Based Paint Training and Certification Program that has been authorized by the EPA pursuant to 40 CFR 745.320.

There are, in general, four categories of eligible costs under each competitive grant program included in this NOFA: (1) Direct costs for lead-based paint hazard identification and control activities, (2) other direct costs, (3) indirect costs, and (4) administrative costs.

a. Definition of Direct Costs and Description of Lead-Based Paint Hazard Identification and Control Activities.

Direct costs are defined as the allocable portion of allowable costs incurred directly for the purposes of the grant. Direct costs for lead hazard control activities consist of lead dust, soil and paint-chip testing and associated laboratory costs, the purchase or lease of a maximum of two X-ray fluorescence analyzers (if not otherwise available), and XRF maintenance, lead paint inspection and risk assessments, interim controls, abatement of lead-based paint or lead-based paint hazards (see section C.1(a)(4)(b) for abatement limitations), occupant protection and temporary relocation of occupants when lead hazard control work supported by this program is conducted in a unit, and clearance examinations. Direct costs for

lead-based paint hazard identification and control activities do not include universal blood lead testing, housing rehabilitation beyond what is specifically required to carry out effective lead hazard control, training, community education and outreach, applied research and purchase of supplies or equipment and administrative costs. Eligible activities to meet the minimum 65% (LBPHC and LEAP) or 80% (LHRD) direct lead hazard control costs, as applicable, are as follows:

(1) Performing lead dust, soil and paint-chip testing, lead-based paint inspections, risk assessments, clearance examination, and engineering and architectural activities that are required for, and in direct support of, interim control and lead hazard abatement work, of eligible housing units constructed prior to 1978 to determine the presence of lead-based paint and/or lead hazards from paint, dust, or soil through the use of acceptable testing procedures.

(2) All laboratory analysis in support of required testing and evaluation under this NOFA must be conducted by a laboratory recognized for the analysis by the EPA National Lead Laboratory Accreditation Program (NLLAP).

(3) All lead-based paint testing results, summaries of lead-based paint hazard control treatments, and clearances must be provided to the owner of the unit, together with a notice describing the owner's legal duty to disclose the results to tenants and buyers. Grantee files must contain verifiable evidence of providing lead hazard control reports, such as a signed and dated receipt. Refer to 24 CFR 35.125 of the Lead Safe Housing Regulation.

(4) All lead-based paint hazards identified in housing units and in common areas of multifamily housing enrolled in this grant program must be controlled or eliminated by either of the following strategies or a combination of the two;

(a) Interim Controls. According to the HUD Guidelines, interim controls of lead-based paint hazards including lead-contaminated dust and soil in housing must include specialized cleaning techniques to address lead dust.

(b) Lead-Based Paint Hazard Abatement. Abatement of all lead-based paint or lead-based paint hazards is generally authorized only in states or localities that require complete abatement by law. HUD does not consider abatement of all lead-based paint to be cost effective in most circumstances; therefore, a grantee must make a special request in writing prior

to conducting complete abatement of lead-based paint or lead-based paint hazards. Abatement of lead-contaminated soil should be limited to areas with bare soil in the immediate vicinity of the structure (i.e., the drip line or foundation of the unit being treated, and children's play areas).

(5) Undertaking minimal housing rehabilitation activities that are specifically required to carry out effective hazard control, and without which the hazard control could not be completed and maintained. These grant funds may be used for lead hazard control work done in conjunction with other housing rehabilitation programs, to the extent practicable. HUD encourages integration of this grant program with housing rehabilitation, maintenance, weatherization, and other energy conservation activities.

(6) Carrying out temporary relocation of families and individuals while the remediation is conducted and until the time the affected unit receives clearance for re-occupancy. See Section III.C.4.e, Real Property Acquisition and Relocation of the General Section and Section VI.B.4 of this NOFA for discussion of regulations that apply when relocating families.

b. Description of Eligible Other Direct Costs.

(1) Purchasing or leasing equipment having a per-unit cost under \$5,000 (except for the purchase or lease of up to two X-ray fluorescence analyzers used by the grant program).

(2) Performing blood lead testing and air sampling to protect the health of the hazard control workers, supervisors, and contractors.

(3) Conducting pre-hazard control blood lead testing of children under six years of age residing in or frequently visiting units undergoing lead hazard control work.

(4) Conducting targeted outreach, affirmative marketing, education or outreach programs on lead hazard control and lead poisoning prevention designed to increase the ability of the program to deliver lead hazard control services including educating owners of rental properties, tenants, and others on the Residential Lead-Based Paint Hazard Reduction Act, Lead-Safe Housing Rule, and applicable provisions of the Fair Housing Act especially as it pertains to familial status (e.g., families with children) and disability discrimination, offering educational materials in languages that are common in the community other than English, consistent with HUD's published Limited English Proficiency (LEP) Recipient Guidance, 68 FR 70968, and

providing training on lead-safe maintenance and renovation practices and management. Upon request, this also would include making all materials available in alternative formats to persons with disabilities (e.g., Braille, audio, and large type).

(5) Supporting data collection, analysis, and evaluation of grant program activities. This includes compiling and delivering such data as may be required by HUD.

(6) Preparing a final report at the conclusion of grant activities.

(7) Providing resources to build capacity for lead-safe housing and lead hazard control, including free delivery of HUD-approved lead-safe work practices training courses for housing rehabilitation contractors, rehabilitation workers, homeowners, renters, painters, remodelers, maintenance staff, and others conducting renovation, rehabilitation, maintenance or other work in private housing; free delivery of lead sampling technician training, lead-based paint worker or contractor certification training; and subsidies for licensing or certification fees to low-income persons seeking credentials as lead-based paint workers or contractors or lead sampling technicians.

(8) Conducting planning, coordination, and training activities to comply with HUD's Lead-Safe Housing Regulation (24 CFR part 35, subparts B–R). These activities should support the expansion of a workforce properly trained in lead-safe work practices that is available to conduct interim controls on HUD-assisted housing covered by these regulations.

(9) Conducting outreach and related activities that will result in increased lead hazard control activities in low-income privately owned or owner-occupied housing with lead-based paint hazards. For LEAP grants, outreach and/or related activities, must be tied to a leveraging strategy.

(10) Participating in applied research, studies, or developing information systems to enhance the delivery, analysis, or conduct of lead hazard control activities, or to facilitate targeting and consolidating resources to further childhood lead poisoning prevention efforts.

c. For reference to the Administrative Cost requirements, please see Appendix D, which can be downloaded with the application from http://www.grants.gov/applicants/apply_for_grants.jsp.

d. For reference to the Indirect Cost requirements see Appendix C, which can be downloaded with the application from http://www.grants.gov/applicants/apply_for_grants.jsp.

2. Eligibility of HUD-Assisted Housing. The Table 10, "Eligibility of HUD Assisted Housing," that lists the housing units that may participate under each of the three competitive programs detailed in this NOFA can be downloaded with the application from http://www.grants.gov/applicants/apply_for_grants.jsp.

3. Threshold Requirements. To be an eligible applicant, you must meet all of the threshold requirements in Section III.C of the General Section as well as any specific threshold requirements listed in this subsection. Applications will not be funded if they do not meet the threshold requirements.

a. Applicants under the Lead-Based Paint Hazard Control and Lead Hazard Reduction Demonstration Programs are required to match 10 percent of the funds requested with other funds or resources. There is no match requirement for LEAP.

b. Applicants under the Lead Hazard Reduction Demonstration Program must be a city, county, Native American Tribe, or other unit of local government. The applicant must have at least 3,500 pre-1940 occupied rental housing units, as listed at the 2000 Census Web site identified in Form HUD 96013, Need/Extent of the Problem. A list of eligible applicants can be downloaded with the application from http://www.grants.gov/applicants/apply_for_grants.jsp. In addition, a State may apply on behalf of one or more of the eligible local jurisdictions if it has an EPA-authorized lead-based paint training and certification program. There is no minimum threshold requirement for the number of pre-1940 occupied units for LBPHC or LEAP.

c. All applicants under the Lead Hazard Reduction Demonstration Program must provide the actual number of children with documented elevated blood levels residing within the jurisdiction(s) where the lead hazard control work will be conducted for the most recent twelve-month period available since January 1, 2003 and identify the source of the data. Failure to provide these data will result in the application not being rated or ranked.

d. EPA Authorization. If you are a state government or Native American Tribal government, you must have an EPA-authorized Lead-Based Paint Training and Certification Program in effect, on the application deadline date, to be eligible to apply for Lead Based Paint Hazard Control and Lead Hazard Control Reduction Demonstration Grant funds. The approval date in the **Federal Register** notice published by the EPA will be used in determining the Training and Certification status of the applicant

state or Native American Tribal government. If you do not have an EPA authorized program on the application submission date, the application will not be rated or ranked. Further, if you do not have an EPA authorized program on the grant award date, you will not be awarded a grant under this NOFA.

e. Consolidated Plans. (This requirement does not apply to Native American Tribes.) You must submit, as an appendix, the current lead-based paint element from the approved Consolidated Plan of the jurisdiction(s) where the lead-based paint hazard control will be conducted. In lieu of submitting a hard copy of the lead-based paint element from the current consolidated plan(s), you may substitute a Web site address. The Web site must contain the lead-based paint element of the current Consolidated Plan(s). If the jurisdiction does not have a currently approved Consolidated Plan, but is otherwise eligible for LBPHC and LHRD grant programs, you must include the jurisdiction's abbreviated Consolidated Plan, which includes a lead-based paint hazard control strategy developed in accordance with 24 CFR 91.235. You should include the discussion of any lead-based paint issues in your jurisdiction's Analysis of Impediments, particularly as it addresses your target areas.

f. An applicant requesting a grant amount greater than the maximum grant award amount will be deemed ineligible and not reviewed or rated.

g. Applications that do not have either a narrative response to the rating factors or form HUD-424 CBW Budget worksheet will not be reviewed or rated.

h. Fiscal Year 2006 awardees of LBPHC, LHRD, reopened LHRD, or LEAP grants, are not eligible to apply for any of these three programs during this competitive NOFA cycle.

i. Applicants may submit up to one application for each of the competitive programs covered by this NOFA for which they are eligible.

4. Environmental Requirements

a. Recipients of Lead-Based Paint Hazard Control Grants and Lead Hazard Reduction Demonstration grants must comply with 24 CFR part 58, Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities, and must carry out environmental review responsibilities as a responsible entity under part 58.

b. Work on properties assisted with LEAP funds under this NOFA is covered by the provisions of section 305(c) of the Multifamily Housing Property Disposition Reform Act of 1994, which are implemented by HUD regulations at

24 CFR part 50. Under part 50, a responsible entity, usually a local government unit, must assume the environmental review responsibilities for activities funded under LEAP. Under 24 CFR 50.3(h), if a responsible entity or the recipient objects to the responsible entity performing the environmental review for LEAP activities, HUD may designate another responsible entity to perform the review or may perform the environmental review itself under the provisions of 24 CFR part 50.

c. For all grants under this NOFA, recipients and other participants in the project are prohibited from undertaking, or committing or expending HUD or non-HUD funds (including leveraged or match funds) on a project or activities under this NOFA (on activities other than listed in 24 CFR 58.34, 58.35(b) or 58.22(f)) until the responsible entity completes an environmental review and the applicant submits and HUD approves a Request for the Release of Funds and the responsible entity's environmental certification (both on form HUD 7015.15). In the case of LEAP grants, the grantee must await HUD's completing the review and notifying the grantee of the approval of the environmental review before initiating work. The results of the environmental review may require that proposed activities be modified or proposed sites may be rejected. The results of the environmental reviews may require that proposed activities be modified or proposed sites rejected. For part 58 procedures, see <http://www.hud.gov/offices/cpd/energyenviron/environment/index.cfm>. For assistance, contact Edward Thomas, the Office of Healthy Homes and Lead Hazard Control Environmental Officer at (215) 861-7670 (this is not a toll-free number) or the HUD Environmental Review Officer in the HUD Field Office serving your area. If you are a hearing- or speech-impaired person, you may reach the telephone number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339. Recipients of a grant under these funded programs will be given additional guidance in these environmental responsibilities.

5. Administrative and Other Requirements. If awarded a grant, you must comply with the requirements and maintain appropriate documentation to demonstrate compliance with the requirements specified below. The requirements apply to all grant programs unless otherwise specified.

a. Lead-Based Paint Hazard Reduction Act of 1992 (Title X of the Housing and Community Development Act of 1992), Section 1011. Section 217 of Public Law 104-134 (the Omnibus Consolidated

Rescissions and Appropriations Act of 1996, 110 Stat. 1321, approved April 26, 1996) amended Section 1011(a) of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X) to read as follows:

“Section 1011. Grants for Lead-Based Paint Hazard Reduction in Target Housing

“(a) General Authority. The Secretary is authorized to provide grants to eligible applicants to evaluate and reduce lead-based paint hazards in housing that is not federally assisted housing, federally owned housing, or public housing, in accordance with the provisions of this section. Grants shall only be made under this section to provide assistance for housing that meets the following criteria—

“(1) for grants made to assist rental housing, at least 50 percent of the units must be occupied by or made available to families with incomes at or below 50 percent of the area median income level and the remaining units shall be occupied or made available to families with incomes at or below 80 percent of the area median income level, and in all cases the landlord shall give priority in renting units assisted under this section, for not less than 3 years following the completion of lead abatement activities, to families with a child under the age of six years, except that buildings with five or more units may have 20 percent of the units occupied by families with incomes above 80 percent of area median income level;

“(2) for grants made to assist housing owned by owner-occupants, all units assisted with grants under this section shall be the principal residence of families with income at or below 80 percent of the area median income level, and not less than 90 percent of the units assisted with grants under this section shall be occupied by a child under the age of six years or shall be units where a child under the age of six years spends a significant amount of time visiting.”

(1) Trained and Certified Professionals. Funded activities must be conducted by persons qualified for the activities according to 24 CFR part 35, subparts B–R (possessing certification as abatement contractors, risk assessors, inspectors, abatement workers, or sampling technicians, or others having been trained in a HUD-approved course in lead-safe work practices).

(2) Lead hazard evaluation and control work must be conducted in compliance with HUD's Lead Safe Housing Rule, 24 CFR part 35, the HUD Guidelines, and applicable federal, state and local regulations and guidance.

(3) You must document the income and family composition of occupants of units assisted to meet Title X requirements. Identify the key staff who will certify as to the eligibility of each unit assisted under the grant based on the determination of income, and when required, the presence of a child under six years of age.

6. Prohibited Practices. You must not engage in the following prohibited practices:

- a. Open flame burning or torching;
- b. Machine sanding or grinding without a high-efficiency particulate air (HEPA) exhaust control;
- c. Uncontained hydroblasting or high-pressure wash;
- d. Abrasive blasting or sandblasting without HEPA exhaust control;
- e. Heat guns operating above 1,100 degrees Fahrenheit;
- f. Chemical paint strippers containing methylene chloride or other volatile hazardous chemicals in a poorly ventilated space; and
- g. Dry scraping or dry sanding, except scraping in conjunction with heat guns or around electrical outlets or when treating no more than two square feet in any one interior room or space, or totaling no more than 20 square feet on exterior surfaces.

7. Written Policies and Procedures. You must have clearly established, written policies and procedures for eligibility, program marketing, unit selection, expediting work on homes occupied by children with elevated blood lead levels, and all phases of lead hazard control, including risk assessment, inspection, development of specifications, pre-hazard control blood lead testing, financing, temporary relocation and clearance examination. Grantees, subcontractors, sub-grantees, sub-recipients, and their contractors must adhere to these policies and procedures.

8. Continued Availability of Lead-Safe Housing to Low-Income Families. Units in which lead hazards have been controlled under this program shall be occupied by or continue to be available to low-income residents as required by Title X (Section 1011). You must maintain a publicly available registry (listing) of units in which lead hazards have been controlled and ensure that these units are affirmatively marketed to agencies and families as suitable housing for families with children less than six years of age. The grantee must also provide the owner with the lead hazard evaluation and control information generated by activities under this grant, so that the owner can comply with his/her disclosure

requirements under 24 CFR part 35, Subpart A.

9. Testing. In developing your application budget, include costs for lead paint inspection, risk assessment, and clearance examination for each dwelling that will receive lead hazard control, as follows:

a. General. All testing and sampling shall comply with the Lead Safe Housing Rule and conform to the current HUD Guidelines, the EPA lead hazard standards at 40 CFR part 745, and federal, state, or tribal regulations developed as part of the appropriate contractor certification program, whichever is most stringent.

b. Lead-Based Paint and Lead-Based Paint Hazard Identification. A lead-based paint inspection and risk assessment is required.

c. Clearance Testing. If rehabilitation is conducted in conjunction with lead hazard control, clearance may be conducted either after the lead hazard control work is completed, and again after any subsequent rehabilitation work is completed, or after all of the lead hazard control and rehabilitation work is completed. Clearance shall be successfully completed before re-occupancy.

10. Blood lead testing. Each child under six years of age should be tested for lead poisoning within the six months preceding the lead hazard control work. Any child with an elevated blood lead level must be referred for appropriate medical follow-up. The standards for such testing are described in the Centers for Disease Control and Prevention (CDC) publications Preventing Lead Poisoning in Young Children (1991), and Screening Young Children for Lead Poisoning: Guidance for State and Local Public Health Officials (1997).

11. Cooperation With Related Research and Evaluation. You shall cooperate fully with any research or evaluation sponsored by HUD, CDC, EPA or another government agency associated with this grant program, including preservation of project data and records and compiling requested information in formats provided by the researchers, evaluators or HUD. This also may include the compiling of certain relevant local demographic, dwelling unit, and participant data not contemplated in your original proposal. Participant data shall be subject to the Privacy Rule of the Health Insurance Portability and Accountability Act of 1996 (HIPAA). HIPAA and the Privacy Rule can be found at www.hhs.gov/ocr/hipaa.

12. Data Collection. You shall collect, maintain, and provide to HUD the data

necessary to document and evaluate grant program outputs and outcomes.

13. Financial Control. Financial control systems shall be established including methods and procedures to ensure that only grant eligible expenses are charged to the grant as reimbursable expenses or project match; that appropriate documentation of time worked on and charged to the grant is maintained; that no more than 10 percent of grant funds are used for administrative costs and that indirect cost allocation plans are updated annually.

14. Section 3 Employment Opportunities. Please refer to Section III.C of the General Section. The requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) are applicable to this program. This sub-factor will be evaluated on the extent to which an applicant describes how it proposes to:

a. Provide opportunities to train and employ Section 3 residents; and
b. Award contracts to Section 3 contractors, as each of those terms is defined in the regulations, 24 CFR Part 135. Applicants that demonstrate their responsiveness to the section 3 requirements may receive up to 2 points (see Rating Factor 3). Annual submission of Form HUD-60002 is required. Regulations regarding the provision of Section 3 of the Housing and Urban Development Act of 1968 can be located at 24 CFR Part 135.

15. Replacing Existing Resources. Funds received under the grant programs covered under this NOFA shall not be used to replace existing community resources dedicated to any ongoing project.

16. Certifications and Assurances. By signing the SF-424, you are agreeing to the certifications and assurances listed in the General Section and this NOFA.

17. Code of Conduct. If awarded assistance, you will be required, prior to entering into a grant agreement with HUD, to submit a copy of your Code of Conduct and describe the methods you will use to ensure that all officers, employees, and agents of your organization are aware of your Code of Conduct. An applicant who submitted an application during FY2005 or FY2006 and included a copy of its code of conduct *will not* be required to submit another copy if the applicant is listed on HUD's Web site <http://www.hud.gov/offices/adm/grants/codeofconduct/cconduct.cfm>. An applicant must also include a copy of its code of conduct if the information listed on the above Web site has changed (e.g., the person who submitted the previous application is no longer your authorized

organization representative, the organization has changed its legal name or merged with another organization, or the address of the organization has changed, etc.). Refer to the General Section for further information about the Code of Conduct requirements.

18. Lead-Safe Work Practice Training Activities. Under the Lead-Based Paint Hazard Control Grant Program, you are encouraged to provide resources to promote the expansion of a workforce that is:

- Properly trained in lead-safe work practices;
- Available to conduct interim controls and/or lead hazard abatement;
- Able to follow lead-safe work practices while performing work on HUD assisted housing units; and
- Able to safely repair, rehabilitate, and maintain other privately owned residential property.

19. Coordination among Critical Agencies.

a. Under the Lead-Based Paint Hazard Control or Lead Hazard Reduction Demonstration programs, you shall participate in the state-wide or jurisdiction-wide strategic plan to eliminate childhood lead poisoning as a major public health problem by 2010, or assist in the development of a plan in states or localities that do not have such a plan. The CDC strategic elimination plans for state and local childhood lead poisoning prevention programs can be downloaded from <http://www.cdc.gov/nceh/lead/StrategicElimPlans/strategicplans.htm>. Additionally, if awarded lead hazard control or lead hazard demonstration funds, you shall enter into or extend existing collaborative arrangements with childhood lead poisoning prevention programs among health agencies, housing agencies, community development agencies, and code enforcement agencies (or equivalent) for their target area(s), local jurisdiction(s), and, for state or tribal applicants, with their state or tribal health agencies, housing agencies, development agencies, and code enforcement agencies (or equivalent). Arrangements must describe how the health department and the housing and/or development agency have or will consider enrolling housing units (or multifamily buildings) in which one or more children under age 6 years have elevated blood lead levels, with priority to housing where repeated and/or severe cases of childhood lead poisoning have occurred. HUD encourages LEAP applicants to enter into such agreements.

20. Work Plan. Upon award, you shall develop a work plan including

measurable quarterly performance goals and specific time-phased objectives for each of the major activities and tasks required to execute the project. These major activities and tasks are outlined in the Quarterly Progress Reporting System (Form HUD-96006) and include: Program Management and Capacity Building including data collection and program evaluation; Community Education, Outreach and Training; and Lead Hazard Activities including testing, interventions, and temporary relocation.

a. Describe how lead hazard units, especially those known to house elevated blood lead level children under six years of age, will be identified, selected, prioritized, and considered for treatment under this grant and/or other programs of the grantee or grantee's team members. An elevated blood lead level is defined as an excessive absorption of lead that is a confirmed concentration of ten (10) micrograms of lead per deciliter of whole blood.

You must demonstrate how you consider housing units identified by local health and child welfare agencies where incidences of childhood lead poisoning have occurred, particularly those where multiple poisonings have been reported, for enrollment into lead hazard control treatment programs, as well as demonstrate the use of other sources of information on high priority housing;

b. Your work plan should address your jurisdiction's Consolidated Plan goals for pursuing community planning and development and housing programs relative to lead and other housing-related issues that affect the health of residents. The work plan must include a detailed strategy to:

(1) Obtain data from state or local health departments or from families themselves (either directly, for example, through service organizations that families distribute their information) on the addresses of housing units in which children have been identified as lead poisoned, as required by 24 CFR 91.100(a)(2).

(2) Continue or enter into collaborative agreements or arrangements with applicable state or local health and child welfare agencies, community development organizations, and housing agencies and/or other housing organizations to team with HUD Lead-Based Paint Hazard Control, Lead Hazard Reduction Demonstration, and LEAP grantees to identify and address childhood lead poisoning in the jurisdiction collaboratively, and describe the methods for coordinating among these agencies.

(3) Demonstrate specific steps and/or actions that will be taken to ensure that other resources in the community are utilized to increase funding, provide training, and to link with other local programs engaged in lead hazard control activities.

(4) Describe how the project will be managed, and the timeline for staffing the program, establishing a lead-based paint contractor pool, and obtaining HUD approval for the Request for the Release of Funds (HUD Form 7015.15).

(5) Describe how assistance and funding will flow from you to the actual performers of the hazard reduction work.

(6) Describe the selection process for sub-grantees, sub-contractors, or sub-recipients.

(7) Describe the financing mechanism used to support lead hazard control work in units (name of administering agency, eligibility requirements, type of financing, etc.), any owner matching requirement, and the terms, conditions, and amounts of assistance available, include affordability terms and provisions for forgiveness and recapture of funds.

(8) Perform combined lead-based paint inspection and risk assessment procedures using the HUD Guidelines, applicable sections of the Lead Safe Housing Rule and use EPA standards to identify lead hazards and to conduct clearance testing.

(9) Describe the process for developing work specifications and bids on properties selected for lead hazard control work.

(10) The specific intervention methods and clearance procedures to be conducted for units enrolled and treated.

(11) The number of rental-occupied, vacant, and owner-occupied units, including the number of single-family and multifamily units, proposed for interim controls and hazard abatement.

(12) The occupant protection and relocation plan for residents required to be out of their homes during hazard control activities. The relocation should be in accordance with Section III.C.4.e.

(13) The outputs and overall outcomes for community education, outreach, and training activities, including the nature and number of events and the number of individuals to receive education, outreach, and training.

(14) The blood lead testing and other measures to be undertaken to protect children under six years of age and other occupants of units undergoing lead hazard control work.

(15) The evaluation process used to measure program performance, with

particular attention given to program performance in the five key areas evaluated by OHHLHC on a quarterly basis (NOFA Rating Factor 5 response): number of units inspected and risk assessed; number of units cleared of lead hazards; the amount of grant funds disbursed through HUD's Line of Credit Control System (LOCCS); the number of persons reached through outreach and education efforts; and the number of persons trained in lead hazard control courses. For LEAP only, the quarterly assessment will include one additional performance measure, which is the amount of leverage.

(16) The grantee's accounting, finance, and internal audit procedures;

(a) Procedures for tracking funds obtained through government resources (including HUD, other federal agencies, and state and local governments), match and leverage; and

(b) Procedures for the procurement process and the reimbursement process of vendors, contractors, and sub-grantees.

(17) Quarterly performance benchmarks. The benchmarks identified in the work plan for a 36-month period of performance are on the Work Plan Development Worksheet with Minimum Benchmark Standards for 36 Months—Form HUD-96008. (You can download Form HUD-96008 from http://www.grants.gov/applicants/apply_for_grants.jsp, in the application instructions download section.) All applicants are required to complete the Factor 3 Table—Soundness of Approach, and the Work Plan Development Worksheet with Minimum Benchmark Standards for 36 Months—Form HUD-96008 for the purposes of developing your work plan. Applicants selected for award may be asked to modify the work plan to reflect agreed upon benchmarks determined during pre-award negotiations.

21. Detailed Budget. Submit a detailed budget that identifies the total budget (federal share and matching and/or leverage contribution) on Form HUD-424 CBW and budget and cost justification narrative for all budget categories of your grant request. You must provide a separate estimate for the overall grant management element (Administrative Costs), which is more fully defined in Section IV.E of this NOFA. All applicants must provide a detailed budget for any subcontractors, sub-grantees, or sub-recipients receiving greater than 10 percent of the federal budget request. In the event of a discrepancy between grant amounts requested in various sections of the application, the amount you indicate on

the Form SF-424 will govern as the correct value.

22. Institutional Review Board (IRB). Indicate if your program includes conducting research involving human subjects in a manner which requires IRB approval and periodic monitoring under 24 CFR part 60, which incorporates the Department of Health and Human Service's regulations, at 45 CFR part 46. For additional information on what constitutes human subjects' research or how to obtain an institutional assurance, see the Department of Health and Human Services, Office of Human Research Protection (OHRP) Web site at <http://www.hhs.gov/ohrp/>.

IV. Application and Submission Procedures

A. Address to Request Application Package

See the General Section for specific procedures concerning the electronic application submission requirements. The application and Instructions are available at http://www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information, you may call the help desk help line at (800) 518-GRANTS or e-mailing support@grants.gov.

Guidebook and Further Information: HUD provides a Desktop User Guide to Find, Register and Apply for Grant Opportunities using Grants.gov. The Desktop User Guide is available on HUD's Web site at <http://www.hud.gov/utilities/intercept.cfm?offices/adm/grants/deskuserguide.pdf>. If you have difficulty accessing the information, you may call HUD's NOFA Information Center at (800)-HUD 8929. If you are a hearing-or speech-impaired person, you may request the information by telephone TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

B. Content and Form of Application Submission

Applicants eligible to apply under this NOFA are to follow the submission requirements described below:

1. Applicant Information

a. Application Format.

(1) Application including narrative responses, attachments, tables, appendices, and other required forms should be limited to a total of 150 pages. Number all pages of the application sequentially from page 1 to the end of the application, including charts, figures, tables and appendices. If the application exceeds the 150-page limit and has no page numbers, HUD will consider only the first 150 pages it

prints for review (forms will be counted first).

(2) The application narrative response to the Rating Factors is limited to a maximum of 20 pages (excluding appendices and worksheets) of size 8½" x 11" using a 12-point (minimum) font with not less than 1" margins on all sides.

(3) Materials provided in the appendices should directly refer to the specific rating factor narrative. Applicants are strongly urged to not submit information that is not required and/or requested in the NOFA or relevant to a specific narrative response. The narrative rating responses should be submitted as a single Microsoft Word document file. All attachments must identify the related factor in the footer by providing the rating factor and the page number (e.g., Factor 1 Attachment, pg. 1), and should be submitted as a single zip file attachment to the electronic application.

b. Information contained in the abstract will not be considered in the evaluation and scoring of your application.

c. Application Checklist (Voluntary). Your application must contain all of the required information requested in this NOFA and the General Section. These items include the standard forms, and the certifications and assurances listed in the General Section that are applicable to this NOFA. The forms required for application submission and instructions can be found in the application at http://www.grants.gov/applicants/apply_for_grants.jsp. The "Checklist and Submission Table of Contents" below includes a list of the required items needed for submitting a complete application and receiving consideration for funding.

Checklist and Submission Table of Contents (Counts Towards the 150 Page Limit)

- Application Checklist (paper copy applications only)
- Applicant Abstract (limited to a maximum of 2 pages)
- Rating Factors Response (limited to a maximum of 20 narrative pages plus the following forms):

1. Capacity of the Applicant and Relevant Organizational Experience—Form HUD-96012;
2. Needs/Extent of the Problem—Form HUD-96013;
3. Soundness of Approach (Work Plan/Budget)—Form HUD-96014;
4. Leveraging and Matching Resources—Form HUD-96015; and
5. Achieving Results and Program Evaluation—Logic Model—Form HUD-96010.

Other Materials in Support of Rating Factors

- Application for Federal Assistance—Form SF-424;
 - Survey on Ensuring Equal Opportunity for Applicants—Form SF-424 Supplement (Faith Based EEO Survey (SF-424 SUPP) on Grants.gov);
 - Grant Application Detailed Budget (HUD Detailed Budget Form on Grants.gov) and Worksheet HUD-424 CBW, Total Budget (Federal Share and Matching) and Budget Justification Narrative;
 - Applicant/Recipient Disclosure/Update Report—Form HUD-2880 (HUD Applicant Recipient Disclosure Report on Grants.gov);
 - Certification of Consistency with the RC/EZ/EC-II Strategic Plan—Form HUD-2990;
 - Certification of Consistency with the Consolidated Plan—Form HUD-2991;
 - Disclosure of Lobbying Activities (if applicable)—Form SF-LLL;
 - Development Worksheet with Minimum Benchmark Standards (36 Months) Form HUD-96008;
 - Match and Leverage Documentation;
 - Third Party Documentation Facsimile Transmittal (Facsimile Transmittal Form on Grants.gov)(for electronic applications)—Form HUD-96011;
 - Questionnaire for HUD's Removal of Regulatory Barriers (HUD Communities Initiative Form on Grants.gov)—Form HUD-27300, including required documentation or URL references;
 - You Are Our Client Survey—Form HUD-2994-A (optional); and
 - Threshold Requirements (Refer to Section III.C of the General Section, and Section III.C.3, Threshold Requirements, of this NOFA).
- C. Submission Dates and Times. The application must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the deadline date. Please note that the validation process may take up to 72 hours. Refer to the General Section for timely submission requirements.
- D. Intergovernmental Review: Not required.

E. Funding Restrictions

1. Administrative Costs. There is a 10 percent maximum allowance for administrative costs. Additional information about allowable administrative costs is provided in Appendix D of this NOFA at http://www.grants.gov/applicants/apply_for_grants.jsp.

2. Ineligible Activities. You may not use grant funds for any of the following activities:

- a. Purchase of real property.
- b. Purchase or lease of equipment having a per-unit cost in excess of \$5,000, except for the purchase and lease of up to two X-ray fluorescence analyzers used by the grant program.
- c. Chelation or other medical treatment costs related to children with Elevated Blood Lead levels (EBLs). Non-federal funds used to cover these costs may be counted as part of the required matching contribution.
- d. Lead hazard evaluation or control activities in publicly-owned housing, or project-based Section 8 housing (this housing stock is not eligible under Section 1011 of the Lead-Based Paint Hazard Reduction Act).
- e. Lead hazard evaluation or control activities in housing covered by a settlement agreement, consent decree, court order or other similar action by HUD or EPA regarding the Lead Disclosure Rule (24 CFR part 35, Subpart A, or the equivalent 40 CFR part 745, subpart F), or by HUD regarding its Lead Safe Housing Rule (24 CFR part 35, subparts B–R).
- f. Presumption of the presence of lead-based paint or lead-based paint hazards. A lead-based paint inspection and risk assessment are required.
- g. Activities that do not comply with the Coastal Barrier Resources Act (16 U.S.C. 3501).
- h. Lead-hazard control or rehabilitation of a building or manufactured home that is located in an area identified by the Federal Emergency Management Agency (FEMA) under the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001–4128) as having special flood hazards unless:

(1) The community in which the area is situated is participating in the National Flood Insurance Program in accordance with the applicable regulations (44 CFR parts 59–79), or less than a year has passed since FEMA notification regarding these hazards; and

(2) Where the community is participating in the National Flood Insurance Program, flood insurance on the property is obtained in accordance with section 102(a) of the Flood Disaster Protection Act (42 U.S.C. 4012a(a)). You are responsible for assuring that flood insurance is obtained and maintained for the appropriate amount and term.

F. Other Submission Requirements: Applicants are required to submit applications electronically via the Web site <http://www.grants.gov>. See the General Section for additional information on the electronic process and how to request a waiver from the requirement, if necessary. Applicants

should submit their waiver requests in writing by e-mail. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to Jonnette Hawkins, Director, Program Management and Assurance Division, Office of Healthy Homes and Lead Hazard Control, Jonnette.G.Hawkins@hud.gov. If you are granted a waiver of the electronic application submission requirement, the application must be received by HUD no later than 11:59:59 p.m. on the application deadline date. The waiver approval notification will provide further information on where to send the application and the number of copies to be provided.

V. Application Review Information

A. Criteria: The following section applies to all applicants unless otherwise specified.

1. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (20 points maximum for all applicants)

All applicants.

a. *Capacity of the Applicant (10 points)*. This rating factor addresses your capacity to successfully implement the proposed activities. The applicant must demonstrate that it has sufficient personnel or will actively retain qualified experts or professionals, and is prepared to perform lead-based paint hazard evaluation, lead-based paint hazard control intervention work, and other proposed activities within 120 days of the effective date of the grant award. HUD reserves the right to terminate the grant if sufficient personnel or qualified experts are not retained to actively perform these program activities within this 120-day period. All applicants must respond to this Rating Factor, including completing the Factor 1 Table. The "applicant" includes the applicant organization as a whole, and the applicant staff, including key personnel responsible for implementing the program.

Applicants are to list by name and/or position title all key personnel, whether currently vacant or contingent upon an award, including the percentage of time to be dedicated to the proposed program. Key personnel should include, at a minimum, one Project Director and one Program Manager. The applicant must describe the relevant knowledge and experience of the Project Director and Program Manager, and any additional key personnel, who will carry out program activities, including the time commitment of each to the proposed program. The day-to-day

Program Manager must be experienced in the management of housing rehabilitation or lead hazard control, childhood lead poisoning prevention, or similar work involving project management, and must be dedicated to the proposed program for a minimum of 75 percent of the time. The applicant must describe the roles and responsibilities of each key personnel, including any/all relevant current or previous experience in the planning and management of large, complex and interdisciplinary programs involving housing rehabilitation, lead hazard control, childhood lead poisoning prevention, or similar work. Resumes (maximum three pages each for up to three key personnel) or position descriptions for those key personnel to be hired, and organizational charts for the grant program must be submitted as an appendix. Similarly, applicants must list and describe sub-grantees, sub-contractor organizations, sub-recipients and consultants that will provide services and carry out critical activities for the proposed grant program. Provide the capacity of the above entities as demonstrated by experience in initiating and implementing related environmental, health, or housing projects. List key personnel from each sub-grantee or sub-contractor organization who will provide services, their respective roles and responsibilities on the proposed program and the time commitment to the proposed program.

b. Relevant Organization Experience (10 points).

(1) New Applicants. Your organizational capacity should be demonstrated by describing prior experience in initiating and implementing lead hazard control or related environmental, health or housing programs. Include a table that lists the relevant and most recent experience in initiating and implementing lead hazard control efforts and or related environmental, health or housing programs and/or grants awarded (which may also include philanthropic/foundation awards for LEAP applicants). Provide examples of relevant programs that you currently manage or have previously managed within the past three years (e.g., Lead Hazard Control, CDBG Housing Rehabilitation, Childhood Lead Poisoning Prevention Program, Healthy Homes Demonstration, Weatherization, LEAP, etc). Include the following details for each project:

- Title of the project
- Start and end date of the project
- Funding Agency

• Name of the Project Director and Program Manager

- Dollar amount of the project
- Project goals and deliverables
- Whether or not the project was completed on time and all goals achieved

• Discussion of significant obstacles and how they were resolved

• If grant's performance was rated, the final rating received HUD's evaluation process will consider an applicant's past performance record as reported to HUD in effectively organizing and managing its grant operations, in meeting performance and work plan benchmarks and goals, and in managing funds, including its ability to account for funds appropriately, the timely use of funds received either from HUD or other federal, state or local programs, and meeting performance milestones. HUD may also use other information relating to these items from sources at hand, including public sources such as newspapers, Inspector General or Government Accountability Office Reports or Findings, hotline complaints, or other sources of information that possess merit.

(2) Current or previous grantees under any of this NOFA's programs: HUD will evaluate the applicant's quarterly performance reports for the most recent four (4) quarters, and award a maximum of 10 points based on the performance ratings.

2. Rating Factor 2: Need/Extent of the Problem (20 points maximum for Lead-Based Paint Hazard Control and Lead Hazard Reduction Demonstration Programs, and 10 points maximum for LEAP).

This factor refers to whether or not the community where eligible lead hazard control activities will be conducted has significant lead-based paint hazards to be addressed and an urgent need exists for HUD funding to address the problem in the identified target area(s). A target area is the area in which you will be performing lead hazard control activities; the area may be a whole jurisdiction, or, if a portion of a jurisdiction is being targeted, a specific set of Census tracts. Each applicant will be evaluated and scored in this rating factor based on documented need as evidenced by thorough, credible, and applicable data and information. For you to receive maximum points for this rating factor there must be a direct and substantial relationship between your proposed lead hazard control activities, the Consolidated Plan's lead element, and the documented community needs. Since an objective of the program is to

prevent at-risk children from being poisoned, specific attention must be paid to documenting the identified need as it applies to any selected targeted area(s). The applicant shall complete the Factor 2 Table—Need/Extent of the Problem.

Multiple tables (one per target area) are permissible. Provide the number of children less than 6 years of age in the target area(s). You must identify the Census 2000 tract numbers for each target area that is smaller than your jurisdiction. The data submitted to HUD may be verified using data available from the Census <http://factfinder.census.gov>, HUDuser <http://www.huduser.org/datasets/il/fmr99rev/hud99revmd.txt>, and other sources available to HUD. Points will be awarded in this rating factor based on the information documenting the number of children with an elevated blood lead level, the number of pre-1940 housing units, the number and percentage of families with incomes at or below 80% of the Area Medium Income as determined by HUD within your jurisdiction and/or target areas, and other socioeconomic or environmental factors in the applicants target area(s).

a. Points will be awarded based on the documented number of children with an EBL entered in the Rating Factor 2 table. Documented Number of Children with an Elevated Blood Lead (EBL) (5 Points Maximum for LBPHC and LHRD Programs, and 3 Points Maximum for LEAP). See Rating Factor 2—Table 1 (LBPHC), Table 2 (LHRD) and Table 3 (LEAP) for “Points Awarded for the Number of Children Under 6 Years of Age with an Elevated Blood Lead Level in the Applicant’s Target Area(s),” that can be downloaded for each grant program from http://www.grants.gov/applicants/apply_for_grants.jsp. Provide the Census tract numbers for each target area that is smaller than your jurisdiction area(s). Provide the actual number of children documented as having an elevated blood lead (EBL) residing within the target area and within the jurisdiction where the lead hazard control work will be conducted for the most recent complete calendar year and identify the source of the data. HUD will accept data for the most recent 12-month period available since January 1, 2003. States must report the number in each target area and each city, county, or other area where funds will actually be used. (Data are needed just in the application, and are not required during or after grant completion.) Consortia of local governments must report the number in the cities or counties making up the

consortium. For the purposes of this application, the “documented number of children” with an EBL is based on the CDC level of concern. Failure to provide this number in the application means that no points will be awarded for this sub-factor.

b. Points will be awarded based on other socioeconomic or environmental factors in the applicants target area(s). (*Maximum 5 points for Lead-Based Paint Hazard Control and Lead Hazard Reduction Demonstration Programs, and 3 Points Maximum for LEAP*). Describe the need and extent of the lead poisoning problem in children under six years of age in terms of other socioeconomic or environmental factors that demonstrate the need to establish or continue lead hazard control work in the jurisdiction and target area(s).

c. Points will be awarded based on the documented housing market data relevant to the specified target area(s) entered in the Rating Factor 2 table. (5 Points maximum for LBPHC and LHRD Programs, and 2 Points Maximum for LEAP). Points will be awarded under the LBPHC and LEAP Programs for the number of pre-1978 occupied housing units in the applicant’s target area(s), see Rating Factor 2—Table 4 (LBPHC) and Table 5 (LEAP) for “Points Awarded for Number of Pre-1978 Occupied Housing Units in Target Area(s),” that can be downloaded as part of the program instructions from http://www.grants.gov/applicants/apply_for_grants.jsp. Points will be awarded under the LHRD program for the number of pre-1940 occupied rental housing units in the applicant’s target area(s), see Table 6 (LHRD) for “Points Awarded for Number of Pre-1940 Occupied Rental Housing Units in Target Area,” that can be downloaded as part of the program instructions from http://www.grants.gov/applicants/apply_for_grants.jsp.

d. Points will be awarded based on the documented percentage of very-low income (less than 50 percent of the area median) and low-income (less than 80 percent of the area median income) families, as determined by HUD and entered in the Rating Factor 2 table (5 Points Maximum for LBPHC and LHRD Grant Programs and 2 Points Maximum for LEAP). <http://www.grants.gov> See Rating Factor 2—Table 7 (LBPHC), Table 8 (LHRD) and Table 9 (LEAP) for “Points Awarded for Number of Very Low and Low-Income Percentages of Families in Target Area(s),” that can be downloaded from www.grants.gov, for each grant program.

3. Rating Factor 3: Soundness of Approach (40 points maximum for all applicants)

Applicants shall complete the Rating Factor 3 Table Soundness of Approach. (All Applicants: Based on analysis of internal historical data, lead hazard control costs average approximately \$8,000 per unit. It is, therefore, anticipated that average per unit cost for all programs under this NOFA will be no more than this value. If your per-unit cost estimate exceeds the above dollar figure, you should justify the cost overrun).

The work plan should include specific, measurable, and time-phased objectives for each major program activity and should reflect benchmark performance standards for unit evaluation, unit production, match/leverage funds, community outreach and education, skills training, and other activities. Examples of benchmarks include number of units to be made lead-safe, number of children living in units to be made lead-safe, number of persons to be trained to perform lead hazard control activities, number of educational programs to be presented and/or the number of persons to be served by such programs. The benchmark form (Form HUD—96008) and policy guidance on developing work plans are available at the HUD Web site: <http://www.hud.gov/offices/lead/lhc/pgi/index.cfm>.

a. *Lead Hazard Control Work Plan Strategy (10 Points all Applicants)*: Describe the overall work plan goals and time-phased strategy to complete work within the 36-month period of performance (Form HUD—96008). Describe the methods, including schedule and milestones, that will be used to identify and control lead-based paint hazards and how the desired project benchmarks will be achieved. Include information about the estimated numbers of families to be contacted, units enrolled, units to receive risk assessments and inspections, units to receive lead hazard control work, individuals/groups to be reached through education and/or outreach activities and trained.

Additionally, provide responses to the following:

(1) Program Administration and Financial Management. Describe the approach and method to successfully administer the proposed program.

(a) Include details about staff and project oversight/monitoring, contract administration (routine monitoring of all sub-grantees and contractors to ensure conformity to the terms, conditions and specifications of

contracts or other formal agreements), and how funding will flow from the grantee to those who will perform work under the proposed program.

(b) Discuss the lead hazard control financing strategy, including verification of financing eligibility requirements, terms, conditions, dollar limits, amounts available for lead hazard control work in the various categories of housing (e.g., single-family, multi-family, vacant, owner or tenant-occupied), and who is responsible for establishing, administering and overseeing this aspect of the program. Describe how recapture of grants or loan funds to owners of assisted units will occur when recipients fail to comply with any terms and conditions of the financing arrangement (e.g., failure to comply with affordability, affirmatively marketing and providing priority to renting units to families with children under six years of age, sale of property, etc.). Explain the type of assistance (e.g. grants, deferred/forgivable loans and the basis and schedule for forgiveness), and the role of other resources such as private sector financing and matching, if any, from rental property owners.

(c) Describe your involvement in coordination among critical agencies, including participation in the CDC state-wide or jurisdiction-wide strategic plan to eliminate childhood lead poisoning by 2010.

(2) Program Start-Up. Describe program start-up activities during the first 120 days of the grant (hiring/training staff, establishing qualified contractor pool, outreach/education and unit enrollment activities).

Provide information about internal and external capacity-building steps necessary to ensure a smooth and timely start-up phase. Provide detailed information about other organizations that provide the knowledge and skills required to address lead hazard control, including establishment of a qualified contractor pool, and other lead poisoning prevention actions that are essential for successfully implementing your program (e.g., education, testing, housing interventions).

(a) Describe the proposed involvement of grassroots community-based nonprofit organizations, including faith-based organizations, in the program activities. These activities may include outreach, community education, marketing, inspection, and housing evaluations and interventions.

(b) Explain how you will implement the environmental review and Request for Release of Funds process, and who is responsible to obtain the required HUD approval for intended lead hazard control work on eligible, enrolled units.

Include a description of the steps to be taken, and who will be responsible, to comply with applicable environmental reviews for individual projects.

(3) Outreach, Recruitment and Unit Enrollment. Describe the methods and strategies, including the individuals and/or sub-grantees, sub-recipients or contractors responsible for marketing and outreach to intended target area(s) and/or residents, including recruitment and enrollment activities to supply the program with sufficient numbers of eligible units within an established timeframe.

(a) Describe how you will identify, select, prioritize and enroll eligible housing units in which you will undertake lead hazard control interventions, especially those known to house EBL children. Include the number of eligible privately-owned housing units, including the number of owner-occupied, rental, vacant, single and/or multi-family units to be enrolled.

(b) Describe your planned approach to control lead hazards in vacant and/or occupied units before children are poisoned.

(c) Describe measures you will take to sustain recruitment. Identify the staff responsible for both monitoring recruitment status and implementing the measures identified to sustain recruitment.

(d) Explain how you will obtain data from state/local health departments, Childhood Lead Poisoning Prevention Programs (CLPPP) and other health care and housing agencies on the addresses of housing units in which children have been identified as lead poisoned, for purposes of recruiting and enrolling housing units.

(e) Discuss how referrals from the Section 8, Housing Choice Voucher program and other agencies that provide housing assistance to low-income households with children, including CDBG, HOME Investment Partnerships Program-funded housing programs, weatherization or other sources, will be received and processed.

(f) Describe how you will obtain information in order to document the occupants of units assisted and meet the Title X income and family composition requirements by identifying key staff who will certify as to the eligibility of each unit assisted, based on the determination of income, and when required, the presence of a child or children under six years of age.

b. Technical Approach/Lead Hazard Control Intervention (10 Points for all Applicants). Describe the technical approach and associated costs for testing enrolled units, blood-lead testing of children in enrolled units, lead

hazard control methods and strategies, occupant protection and temporary relocation.

Describe the lead hazard control methods, and strategies, including the most cost-effective hazard control methods you will undertake and the number of single and multi-family units that you will treat based on the method selected (e.g., interim controls and/or hazard abatement). Explain your strategy to ensure that the units are maintained lead safe after treatment.

If you maintain that approaches other than interim controls are necessary, a justification is necessary. For example, abatement might be justified in an area where significant amounts of low-income housing stock are highly distressed or where lead hazard control work is being combined with rehabilitation over \$25,000 per housing unit. Where highly distressed housing stock exists, applicants should explain why options for households to move to lead-safe housing are not viable.

Complete abatement of lead-based painted surfaces in units is generally not a cost effective strategy. In cases where only a few surfaces have identified lead-based paint hazards and if abatement is cost-effective, the applicant must provide a detailed rationale for selecting complete abatement as a strategy.

(a) Management. Indicate the individual or entity responsible for, and describe the process for developing the work specifications and the lead hazard control contractor bid and selection process (i.e., the contracting) on properties selected for lead hazard control work. Explain the management process to ensure the cost-effectiveness of intended lead hazard control methods.

(b) Coordination.

(1) Explain the coordination of relevant activities among lead hazard control, rehabilitation, weatherization, and other contractors performing work other than lead hazard control.

(2) Describe your testing methods, schedule, and costs for lead-based paint inspections and risk assessments and clearance examinations. If you propose to use a more restrictive standard than the HUD/EPA thresholds, provide the standard(s) that will be used. All testing shall be performed in accordance with applicable regulations.

(3) Describe how you will ensure that contractors, property owners and maintenance personnel performing interim controls and lead hazard abatement work are properly trained and/or certified, and how work will be monitored and supervised to ensure that contractors perform work of reasonable quality in compliance with work

specifications and applicable federal/state/local regulations.

(4) Provide a realistic schedule for completing key program activities and outputs, by quarter, so that all activities and outputs can be completed before or within the grant period of performance. Key production activities include unit enrollment, lead-based paint inspection and risk assessments, hazard control and clearance of units. Describe the estimated timeframe for treating a typical unit from referral and intake to hazard control and clearance. Explain how the program will accommodate emergency referrals (e.g., units occupied by a child under six years of age with an EBL).

(5) Provide guidelines and/or flowcharts that demonstrate the agency and team member responsibilities for each step in the unit production process (from intake and enrollment to completion and clearance of units). Describe how coordination and hand-offs from individuals or agencies to and from each step in the unit production process will be carried out. Discuss how the actual production status of units, from intake and enrollment to completion and clearance, will be monitored, and how and when impediments to production will be identified and remedied.

(6) Relocation:

(a) Describe your plan for the relocation of occupants of units selected for remediation, if temporary relocation is necessary (see Section VI B.4, below). If temporary relocation is necessary, address the use of safe houses and other housing arrangements, storage of household goods, stipends, incentives, etc., and the source of funding for relocation.

(b) If relocation is necessary for occupants of rental units, describe your plan for ensuring right of return and/or first referral for occupants of units selected for remediation who have had to move for the remediations to be performed. Describe your plan and the individual(s) responsible for occupant protection and the temporary relocation of occupants of units selected to receive lead hazard control work. Describe strategies to avoid overnight relocation in small-scale projects consistent with applicable subsections of HUD's Lead Safe Housing Regulations.

(7) Describe the methods, measures and cost for performing blood lead testing in children less than six years of age.

(a) Describe strategies to increase blood lead testing of children within the target area(s).

(b) Explain who will be responsible for ensuring and how you will ensure

that all children less than six years of age who occupy units to be assisted with lead hazard control work receive blood lead testing within six months of commencement of work on the unit.

(c) Identify the individual responsible to ensure that children identified with an elevated blood-lead level are referred to appropriate medical care and how patient confidentiality, privacy and the security of medical information is protected as required by the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

c. Economic Opportunity (7 points for all applicants).

(1) *Section 3 Requirement (2 of 7 points).* Explain how you will provide appropriate economic opportunities to Section 3 residents and Section 3 businesses of the target area, in compliance with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and HUD's implementing rules at 24 CFR Part 135. Describe how you will accomplish Section 3 requirements by identifying the number of individuals to receive such training per discipline, the schedule for delivering said training for low and very low-income persons living within the applicant's jurisdiction, and how trained individuals will be linked to employment opportunities with Section 3 businesses owned by and/or employ low and very low-income persons living within the grantee's jurisdiction.

(2) *Lead Hazard Control Outreach (5 of 7 points).*

(a) Describe your involvement in collaborative agreements or arrangements with childhood lead poisoning prevention programs, housing, community development, and code enforcement agencies (or equivalent) for the target area(s), as applicable. If these collaborative agreements or arrangements are not yet made, address plans to develop these agreements.

(b) Discuss the opportunity-to-learn approaches to educate children, parents, workers, business people, and other community members about lead poisoning prevention and lead hazard control. Include how the proposed educational program will continue to meet the needs of those children already living in units to receive lead hazard control work.

(c) *Community and Private Sector Involvement:*

(i) Describe the role of grassroots, community-based nonprofit organizations, including faith-based organizations, in specific program activities (e.g., hazard evaluation and control, monitoring, awareness,

education and outreach within the community).

(ii) Explain how the intended education program(s) will be culturally sensitive, targeted, and linguistically appropriate. Identify the means available to supply the educational materials in other languages (identify all that apply) common to the community.

(iii) Include the estimated number of individuals to receive the intended education and the estimated number of events to be delivered.

(d) *Affirmatively Furthering Fair Housing:*

(i) Describe strategies and methodologies that affirmatively further fair housing and increase access to lead-safe housing for all segments of the population: homeowners, owners of rental properties, and tenants.

(ii) Identify who will ensure and how the applicant will ensure that the program will continue to affirmatively market and match treated units with low-income families with children less than six years of age in the future.

(iii) Explain how this outreach strategy will avoid housing discrimination against families with young children, and how families will have adequate, lead-safe housing choices in the future. The strategy could also include affirmatively marketing your services to those populations least likely to apply and who may not be served by any of the organizations working with you or the grantee team.

d. HUD's Departmental Policy Priorities and Consolidated Plan (6 points for all applicants; each policy priority is 1 point, except the policy priority addressing Removal of Regulatory Barriers (#4, which is 2 points). Please note that HUD Form 27300 requires the submission of documentation and contact information to receive policy priority points. Indicate if, and describe how, you will address any of HUD's departmental policy priorities (see General Section for more detailed explanation of HUD's policy priorities). Applicants shall also provide evidence of the priority that the community's Consolidated Plan and Analysis of Impediments to Fair Housing Choice has placed on addressing the needs described.

The policy priorities that are applicable to this NOFA, and which the applicant should address, are: (1) Improving our Nation's Communities (focus on distressed communities); (2) Providing Full and Equal Access to Grassroots Community-based Non-profit Organizations, including Faith-based Organizations in HUD Program Implementation; (3) Participation of Minority-Serving Institutions in HUD

Programs; (4) Removal of Regulatory Barriers to Affordable Housing; and (5) Promoting Energy Efficiency and Energy Star. HUD expects the applicants to implement Energy Star building techniques and utilize Energy Star appliances whenever activities of the grant afford the opportunity. (For information on Energy Star Programs and Appliances, see <http://www.epa.gov/epahome/athome.htm> and HUD's scheduled webcast.)

Describe how the proposed program would contribute to satisfying the stated needs in the Consolidated Plan or Indian Housing Plan, and eliminate impediments identified in the Analysis of Impediments (AI).

e. Data Collection and other Program Support Activities (2 Points for all Applicants).

(1) Identify and discuss the specific methods you will use (in addition to HUD reporting requirements) to document activities, progress, and program effectiveness. Explain how you will make necessary changes to improve program performance.

(2) Describe how databases, including web sites, computer, paper or other formats, will incorporate the provisions of the Privacy Act of 1974, such that the addresses of enrolled, treated and/or cleared housing units shall not include personal information that could identify any child affected.

f. Budget Proposal (5 points).

(a) Your budget proposal should thoroughly estimate all applicable costs (administrative, direct, indirect, and other direct costs), and be presented in a clear and coherent format in accordance with the requirements listed in the General Section. HUD is not required to approve or fund all proposed activities. You must thoroughly document and justify all budget categories and costs (Form HUD-424-CBW) and all major tasks, for yourself, sub-recipients, major subcontractors, joint venture participants, or others contributing resources to the project. A separate budget must be provided for partners who are proposed to receive more than 10 percent of the federal budget request. Your application will be evaluated on the extent to which your resources are appropriate for the scope of your proposed project.

(b) Your narrative justification associated with these budgeted costs should be submitted as part of the Total Budget (Federal Share, Matching and Leveraging), but is not included in the 20-page limit for this submission. Separate narrative justifications should be submitted for partners that are submitting separate budgets. Your

proposed budget should clearly identify the funding or cash equivalent amounts being provided as matching funds and as leveraged funds. These funds should reflect the numbers and contributions provided in response to Rating Factor 4, Leverage.

(c) The application will not be rated on the proposed cost; however, cost will be considered in addition to the rated factors to determine whether the proposal is most advantageous to the Federal Government. Cost will be the deciding factor when proposals ranked under the listed factors are considered acceptable and are substantially equal.

4. Rating Factor 4: Leveraging Resources (10 points maximum for Lead-Based Paint Hazard Control and Lead Hazard Reduction Demonstration Program, and 20 points maximum for LEAP). This rating factor applies to all programs unless otherwise specified.

LBPHC and LHRD applicants will be given higher points for leveraged contributions that the applicant commits over and above the 10 percent or 25 percent statutory match requirement. For LEAP applicants, leveraged contributions at or above 100 percent of the federal requested amount are eligible to receive higher points. See Section III.B, Cost Sharing and Match, regarding letters of commitment from organizations other than the applicant required for the leveraging to be eligible for points. Based on the documented match/leverage funding, points will be awarded in accordance with the charts below.

Lead-based paint hazard control and lead hazard reduction demonstration		
Documented leveraged contributions of the requested HUD amount: at least (percent)		Points awarded
10		0
15		1
20		2
30		3
40		4
50		5
60		6
70		7
80		8
90		9
100		10
LEAP		
0		0
100		1.00
110		2.25
120		3.50
130		4.75
140		6.00
150		7.25
160		8.50
170		9.75
180		11.00

Lead-based paint hazard control and lead hazard reduction demonstration

Documented leveraged contributions of the requested HUD amount: at least (percent)	Points awarded
190	12.25
200	13.50
210	14.75
220	16.00
230	17.25
240	18.50
250	20.00

5. Rating Factor 5: Achieving Results and Program Evaluation (10 Points maximum for all applicants). This rating factor reflects HUD's goal to embrace high standards of ethics, management, and accountability.

a. Description of program activities, outputs and short-term, intermediate-term and long-term outcomes (5 points).

(1) State clearly the project goals ("benchmarks") and activities to achieve these goals.

(2) Describe how you will measure the results.

(3) Explain how you will document and track your goals, program activities, and schedules.

(4) Identify the procedures you will follow to make adjustments to your work plan to improve performance if benchmarks are not met within established timeframes.

b. Logic Model (5 points).

(1) Submit Form HUD-96010.

HUD is using an electronic Logic Model with dropdown menus from which you can select needs, activities, and outcomes appropriate to your program. See the General Section for detailed information on the use of the Logic Model. HUD is requiring grantees to use program-specific questions to self-evaluate the management and performance of their program. Training on HUD's logic model and the reporting requirements for addressing the Management questions will be provided via satellite broadcast.

In evaluating Rating Factor 5, HUD will consider how you have described the benefits and outcome measures of your program. HUD will also consider the evaluation plan, to ensure the project is on schedule and within budget.

(2) Performance indicators should be objectively quantifiable and should measure actual achievements against anticipated achievements. Step 1. The planning component of the logic model should identify the problem or need and develop a plan. Step 2. The intervention component of the logic model should identify the kinds of services, activities, and outputs projected. Step 3. The

impact component of the logic model should identify the projected outcomes. Step 4. The accountability (phase one) component of the logic model should include data sources, measurement, and reporting tools. Step 5. The accountability (phase two) component of the logic model should include the evaluation methodology or the evaluation process. As a planning tool, the logic model can provide the statement of need and also provide the rationale for the proposed service or activity. For goals or benchmarks, the logic model can provide a set of quantifiable goals including timeframes. These goals allow you, the applicant, and HUD to monitor and assess your progress in achieving your program work plan. The process for the achievement of outcome goals should include identifying the expected outcome and the estimated number needed to achieve the goal or the expected outcome in terms of the community impact or changes in economic and social status. Some examples of measurement-reporting tools are survey instruments; attendance logs; case report; pre-post tests; or waiting lists. Describe where/how data are maintained, for example, central databases; individual case records; specialized access databases, tax assessor databases; and local precinct.

Also, identify the location where the database is maintained, updated, etc., for example, on-site, subcontractor, or specify (e.g., identify what the other is).

6. Bonus Points (2 Points for All Programs)

Applicants are eligible for two bonus points for projects that the applicant proposes to conduct in federally designated Empowerment Zones (EZs), Renewal Communities (RCs), or Enterprise Communities designated by United States Department of Agriculture (USDA) in round II (EC-II) and that are certified to be consistent with the area's strategic plan or RC Tax Incentive Utilization Plan (TIUP). Applicants must submit a completed Certification of Consistency with the RC/EZ/EC-II Strategic Plan—Form HUD-2990 signed by the appropriate official of the RC/EZ/EC II and also meet the requirements listed in the General Section for a possible award of two bonus points.

Discuss whether any of the proposed activities will occur in any of these areas and how they will benefit the residents of those zones or communities.

B. Reviews and Selection Process

1. Rating and Ranking. Please refer to the General Section.

a. Applicants that meet all of the threshold requirements will be eligible

to be scored and ranked, based on the total number of points allocated for each of the rating factors described in Section V.A of this NOFA.

b. Remaining Funds. Refer to the General Section for HUD's procedures if funds remain after all selections have been made within a category.

c. The scoring criteria to be used to award the maximum points for this NOFA are based on how fully and thoroughly the applicant answers each item listed in each rating factor.

2. Factors for Award Used to Rate and Rank Applications.

a. Implementing HUD's Strategic Framework and Demonstrating Results. HUD is committed to ensuring that programs result in the achievement of HUD's strategic mission. To support this effort, grant applications submitted for HUD programs will be rated on how well they tie proposed outcomes to HUD's policy priorities and Annual Goals and Objectives, and the quality of proposed Evaluation and Monitoring Plans.

b. The maximum number of points to be awarded is 100 plus two bonus points as described in the General Section and above.

c. The factors for rating and ranking eligible applicants under all categories, and the maximum points for each factor are stated below:

Rating factors	Maximum points	
	LBPFC & LHRD	LEAP
1. Capacity of the Applicant and Relevant Organizational Experience	20	20
2. Need/Extent of the Problem	20	10
3. Soundness of Approach	40	40
4. Matching and Leveraging Resources	10	20
5. Achieving Results and Program Evaluation	10	10
Empowerment Zone, Renewal Zones and Enterprise Community (II) Bonus Points	2	2
Total	102	102

VI. Award Administration Information

A. Award Notices

1. Applicants Selected for Award.

a. Successful applicants will receive a letter from the Office of Healthy Homes and Lead Hazard Control Grant Officer providing details regarding the effective start date of the grant agreement and any additional data and information to be submitted to execute the grant. This letter is not an authorization to begin work or incur costs under the grant.

b. HUD may require that a selected applicant participate in negotiations to determine the specific terms of the grant agreement, budget, and Logic Model. Should HUD not be able to successfully

conclude negotiations with a selected applicant, an award will not be made. Applicants should note that, if they are selected for multiple awards, they must ensure that they have sufficient resources to provide the promised match and/or leveraging for the multiple awards. During negotiations, such applicants would be required to provide alternative match and/or leveraged resources, if necessary, before the grant can be awarded in order to avoid committing duplicate match and/or leveraged resources to more than one OHHLHC grant. If the applicant accepts the terms and conditions of the grant agreement, a signed grant agreement

must be returned by the date specified. Instructions on how to have the grant agreement account entered into HUD's Line of Credit Control System (LOCCS) payment system will be provided. Other forms and program requirements will be provided. In accordance with OMB Circular A-133 (Audits of States, Local Governments and Nonprofit Organizations), if an awardee expends \$500,000 in federal funds in a single year, they follow the requirements of the Single Audit Act and must submit their completed audit-reporting package along with the Data Collection Form (SF-SAC) to the Single Audit Clearinghouse. The address can be

obtained from their Web site. The SF-SAC can be downloaded at: <http://harvester.census.gov/sac/>.

2. Debriefing. The General Section provides the procedures for applicants to request a debriefing.

3. Negotiation. Refer to the General Section for additional details.

4. Adjustments to Funding. Refer to the General Section for additional details.

B. Administrative and National Policy Requirements: Refer to the General Section for additional details regarding the Administrative and National Policy Requirements applicable to HUD Programs.

1. *National Historic Preservation Act*. The National Historic Preservation Act of 1966 (16 U.S.C. 470) and the regulations at 36 CFR part 800 apply to the lead-hazard control or rehabilitation activities that are undertaken pursuant to this NOFA.

2. *Waste Disposal*. You must handle waste disposal according to the requirements of the appropriate local, state, and federal regulatory agencies. You must handle disposal of wastes from hazard control activities that contain lead-based paint, but are not classified as hazardous in accordance with state or local law or the HUD Guidelines for the Evaluation and Control of Lead-Based Hazards in Housing (HUD Guidelines). The Guidelines are available from the HUD Web site at: <http://www.hud.gov/offices/lead/guidelines/hudguidelines/index.cfm>.

3. *Worker Protection Procedures*. You must observe the procedures for worker protection established in the HUD Guidelines, as well as the requirements of the Occupational Health and Safety Administration (OSHA) (29 CFR 1926.62, Lead Exposure in Construction), or the state or local occupational safety and health regulations, whichever are most protective. If other applicable requirements contain more stringent requirements than the HUD Guidelines, the more rigorous standards shall be followed.

4. *Relocation*. The relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended, and the implementing government-wide regulation at 49 CFR part 24, that cover any person (including individuals, businesses, and farms) displaced as a direct result of the acquisition, rehabilitation, or demolition of real property, apply to this grant program. If such persons are required to temporarily relocate for a project, the requirements of the URA

regulations at 49 CFR 24.2(a)(9) must be met. HUD recommends you review these regulations when preparing your proposal. (They can be downloaded from the Government Printing Office Web site at <http://www.gpoaccess.gov/cfr/index.html> by entering the regulatory citation in quotes without any spaces (e.g., "49CFR24.2") in the Quick Search box.). See Section III.C.4.e of the General Section for additional information about relocation.

5. *Davis-Bacon wage rates*. The Davis-Bacon wage rates are not applicable to these programs. However, if you use grant funds in conjunction with other federal programs, Davis-Bacon requirements will apply to the extent required under the other federal programs.

6. *Procurement of Recovered Materials*. See the General Section for information concerning this requirement.

7. *Executive Order 13202*. "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally-Funded Construction Projects." See General Section for information concerning this requirement.

C. Reporting: Reports shall comply with section VI.C. of the General Section. In addition, successful applicants will be required to submit quarterly, annual and final program and financial reports according to the requirements of the Office of Healthy Homes and Lead Hazard Control. Specific guidance and additional details will be provided to successful applicants. The following items are a part of OHHLHC reporting requirements.

1. Final Work Plan and Budget are due within sixty days of signing the grant agreement.

2. Progress reports are due on a quarterly basis. In quarterly reports, grantees provide information about accomplishments in the areas of program management; assessment and intervention activities; community education, outreach, training and capacity building; data collection and analysis; as well as a listing of completed units and financial report. Project benchmarks and milestones will be tracked using a benchmark spreadsheet that uses the benchmarks and milestones identified in the Logic Model form (HUD-96010) approved and incorporated into your award agreement. For specific reporting requirements, see policy guidance at <http://www.hud.gov/offices/lead>. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept

is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

3. Annual report shall be submitted at the end of each fiscal year. A final report is due at the end of the project period, which includes final project benchmarks and milestones achieved against the proposed benchmarks and milestones in the Logic Model (HUD-96010) approved and incorporated into your award agreement. Specific information on all reporting requirements will be provided to successful applicants.

4. Racial and Ethnic Beneficiary Data. HUD does not require LBPFC, LHRD and LEAP awardees to report ethnic and racial beneficiary data as part of their initial application package. However, such data must be reported on an annual basis, at a minimum, during the implementation of your grant agreement. You must report the data as described in the General Section and use the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data, using Form HUD-27061, Race and Ethnic Data Reporting Form, if applicable (HUD Race Ethnic Form on Grants.gov), found on HUD's Web site at <http://www.hudclips.org/cgi/index.cgi>. Grantees can also use an online system to meet this requirement, provided the data elements and reports derived from the system are equivalent to the data collection in the form HUD-27061.

5. All grant recipients must comply with reporting requirements of subpart E (Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects) and the HUD regulations at 24 CFR part 135).

VII. Agency Contact(s)

For questions related to the application process, you may contact the Grants.gov help line at 800-518-GRANTS. For programmatic questions, you may contact: Ms. Jonnette G. Hawkins, Director, Program Management and Assurance Division, Office of Healthy Homes and Lead Hazard Control: Department of Housing and Urban Development; 451 Seventh Street, SW., Room 8236, Washington, DC 20410-3000; telephone (202) 755-1785, extension 7593 (this is not a toll-free number); facsimile (202) 755-1000; e-mail: Jonnette_G._Hawkins@hud.gov. For administrative questions, you may contact Curtiss L. Coleman, Grants Officer, at the address above or by telephone at: (202) 755-1785, extension 7580 (this is not a toll-free number); e-

mail at: Curtissa_L._Coleman@hud.gov. If you are a hearing- or speech-impaired person, you may reach the above telephone numbers via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

VIII. Other Information

A. General. For additional general, technical, and grant program information pertaining to the Office of Healthy Homes and Lead Hazard Control, visit: <http://www.hud.gov/offices/lead>.

B. Paperwork Reduction Act. The information collection requirements contained in this document have been

approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2539-0015. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 80 hours to prepare the application, 16 hours to finalize the grant agreement, and 32 hours per annum for grant administration (progress reporting) per respondent.

This includes the time for collecting, reviewing, and reporting the data for the application, quarterly reports, and final report. The information will be used for awardee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

C. Appendices. Appendices A, B, C, D and E of this NOFA are available for downloading with the application at http://www.grants.gov/applicants/apply_for_grants.jsp. Appendix E lists HUD's comments on selected issues related to the Lead Hazard Reduction Demonstration Grant Program.

Billing Code 4210-01-C

Lead Technical Studies and Healthy Homes Technical Studies Programs

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Healthy Homes and Lead Hazard Control.

B. Funding Opportunity Title: Lead Technical Studies and Healthy Homes Technical Studies.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-25, OMB Paperwork Approval number is 2539-0015.

E. Catalog of Federal Domestic Assistance (CFDA) Numbers: 14.902, Lead Technical Studies Grant Program, and 14.906, Healthy Homes Technical Studies Grant Program.

F. Dates: The application deadline date is May 18, 2007. Applications must be received and validated by Grants.gov no later than 11:59:59 pm eastern time on the application deadline date. See Section IV of the General Section, regarding application submission procedures and timely filing requirements.

G. Additional Information:

1. *Purpose:* To fund technical studies to improve existing methods for detecting and controlling lead-based paint and other housing-related health and safety hazards, to develop new methods to detect and control these hazards, and to improve our knowledge of lead-based paint and other housing-related health and safety hazards.

2. *Available funding:* HUD anticipates that approximately \$5.6 million will be available. Of this, approximately \$3.6 million is for Lead Technical Studies and approximately \$2.0 million is for Healthy Homes Technical Studies.

3. *Anticipated awards:* Approximately 4 to approximately 10 awards will be made for the Lead Technical Studies Program, ranging from approximately \$200,000 to a maximum of \$1 million each for the entire period of performance. The anticipated amounts and number of individual awards for the Healthy Homes Technical Studies Program will be approximately 2 to approximately 6 awards, ranging from approximately \$200,000 to a maximum of \$1 million each for the entire period of performance.

4. *Type of awards:* Cooperative agreements, with substantial involvement of the government, will be awarded (see Paragraph II.C for a description of substantial involvement).

5. *Eligible applicants:* Academic, not-for-profit and for-profit institutions located in the U.S., state and units of general local government, and federally

recognized Native American tribes are eligible to apply. For-profit firms are not allowed to earn a fee (*i.e.*, make a profit from the project).

6. Cost sharing or "matching" is not required; however, applicant "leveraging" contributions are encouraged (see Section V.A.3.d).

7. There is no limit on the number of applications that each applicant may submit.

8. The applications for this NOFA can be found at www.grants.gov: The General Section contains information on submission requirements and procedures. Please carefully review the General Section before reading the program section so that you understand the Grants.gov electronic application process.

Full Text of Announcement

I. Funding Opportunity Description

A. Purpose of the Programs

The overall goal of both the Lead and the Healthy Homes Technical Studies programs is to gain knowledge to improve the efficacy and cost-effectiveness of methods for evaluation and control of lead-based paint and other housing related health and safety hazards. This also supports HUD's Strategic Goal to Strengthen Communities and the associated policy priority to Improve Our Nation's Communities by improving the environmental health and safety of families living in public and privately owned housing.

B. Program Description

HUD is funding studies to improve HUD's and the public's knowledge of lead-based paint hazards and other housing-related health and safety hazards, and to improve or develop new hazard assessment and control methods, with a focus on the key residential health and safety hazards. Key hazards are discussed in Appendix A of this NOFA. A list of references that serves as the basis for the information provided in this NOFA is provided as Appendix B to this NOFA. Both Appendix A and Appendix B of this NOFA can be found on HUD's Web site at http://www.grants.gov/applicants/apply_for_grants.jsp.

1. General Goals

a. Lead Technical Studies

The overall goal of the Lead Technical Studies grant program is to gain knowledge to improve the efficacy and cost-effectiveness of methods for evaluation and control of residential lead-based paint hazards.

Through the Lead Technical Studies Program, HUD is working to fulfill the requirements of sections 1051 and 1052 of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X) (42 U.S.C. 4854 and 4854a) which directs HUD to conduct research on topics which include the development of "improved methods for evaluating [and] reducing lead-based paint hazards in housing," among others.

Brief descriptions of active and previously funded lead technical studies projects can be found on HUD's Web site at <http://www.hud.gov/offices/lead/techstudies/index.cfm>. Where appropriate, you are strongly encouraged to build your proposed study upon HUD-sponsored work that has been previously completed, in addition to other relevant research (*i.e.*, that contained in government reports and in the published literature).

The results of the technical studies will be used in part to update HUD's *Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing (Guidelines)*. For supporting references, including where to find the *Guidelines*, see Appendix B on HUD's Web site at http://www.grants.gov/applicants/apply_for_grants.jsp.

b. Healthy Homes Technical Studies

The overall goals and objectives of the Healthy Home Initiative (HHI), which includes the Healthy Homes Technical Studies Program and the Healthy Homes Demonstration Grant Program (see the Healthy Homes Demonstration Grant Program NOFA published in this SuperNOFA), are to:

(1) Mobilize public and private resources, involving cooperation among all levels of government, the private sector, grassroots community-based organizations, including faith-based organizations, and other non-profit organizations, to develop the most promising, cost-effective methods for identifying and controlling housing-related hazards; and

(2) Build local capacity to operate sustainable programs that will continue to prevent, minimize, and control housing-related hazards in low- and very low-income residences when HUD funding is exhausted.

The HHI departs from the more traditional approach of attempting to correct one hazard at a time. HUD is interested in promoting approaches that are cost-effective and efficient and result in the reduction of health threats for the maximum number of residents and, in particular, low-income children.

In April 1999, HUD submitted a preliminary plan that described the HHI to Congress. The submission (Summary

and Full Report), and a description of the HHI are available on the HUD Web site at <http://www.hud.gov/offices/lead/hhi/index.cfm>.

In addition to deficiencies in basic housing facilities that may impact health, changes in the U.S. housing stock and more sophisticated epidemiological methods and biomedical research have led to the identification of new and often more subtle health hazards in the residential environment (e.g., asthma triggers). While such hazards will tend to be found disproportionately in housing that is substandard (e.g., structural problems, lack of adequate heat, poor maintenance, etc.), such housing-related environmental hazards may also exist in housing that is otherwise of good quality. Appendix A of this NOFA briefly describes the key housing-associated health and injury hazards HUD considers targets for intervention. HUD has also developed resource papers on a number of topics of importance under the HHI, including mold, environmental aspects of asthma, carbon monoxide, and unintentional injuries. These resource papers can be downloaded at <http://www.hud.gov/offices/lead/hhi/hhiresources.cfm>.

Brief descriptions of current and recently completed Healthy Homes Technical Studies projects and grantee contact information can be found on the HUD Web site at <http://www.hud.gov/offices/lead/hhi/hhigranteeinfo.cfm>.

2. Community Participation

HUD believes that it is important for researchers to incorporate some aspect of meaningful community participation in the development and implementation of studies that are conducted in communities and/or involve significant interaction with community residents. Community participation can improve study effectiveness in various ways, including the development of more appropriate research objectives, improving recruitment and retention of study participants, improving participants' involvement in and understanding of a study, improving ongoing communication between researchers and the affected community, and more effectively disseminating study findings. HUD encourages applicants to consider using a "community based participatory research (CBPR)" approach, where applicable, in study design and implementation. (See, e.g., the report published by the National Institute of Environmental Health Sciences titled "Successful Models of Community-Based Participatory Research" at: <http://www.niehs.nih.gov/translat/>

[pubs.htm](#)). CBPR is characterized by substantial community input in all phases of a study (i.e., design, implementation, data interpretation, conclusions, and communication of results).

C. Authority

The Lead Technical Studies program is authorized under sections 1011(g)(1), 1011(o), and 1051–1053 of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X of the Housing and Community Development Act of 1992, 42 U.S.C. 4851 et seq.). The Healthy Homes Technical Studies program is authorized under sections 501 and 502 of the Housing and Urban Development Act of 1970 (12 U.S.C. 1701z–1 and 1701z–2). Fiscal Year 2007 funds for both programs are authorized under the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110–5, approved February 15, 2007).

II. Award Information

A. Funding Available

Approximately \$3.6 million in fiscal year 2007 funds are available for Lead Technical Studies. Approximately \$2.0 million is available for Healthy Homes Technical Studies. Cooperative agreements will be awarded on a competitive basis following evaluation of all eligible proposals according to the rating factors described in Section V.A.3 of this NOFA. HUD anticipates that approximately 4 to 10 awards will be made for the Lead Technical Studies Program, and that approximately 2 to 6 awards will be made for the Healthy Homes Technical Studies Program with awards ranging from approximately \$200,000 to no more than \$1 million per award for each program. Applications for additional work related to existing HUD-funded technical studies (i.e., for work outside of the scope of the original agreement) are eligible to compete with applications for awards on new subjects. These applications will be evaluated in the same manner as new applicants.

B. Anticipated Start Date and Period of Performance for New Grants

The start date for new awards is expected to be not later than October 1, 2007. The period of performance cannot exceed 36 months from the time of award. The proposed performance period should include adequate time for such project components as the Institutional Review Board process, if required, the recruitment of new staff and/or study participants, and the development of new instrumentation or methods (e.g., analytical methods), all of which have been found to delay projects

in the past. Period of performance extensions for delays due to exceptional conditions beyond the grantee's control will be considered for approval by HUD in accordance with 24 CFR 84.25(e)(2) or 85.30(d)(2), as applicable, and the OHHLHC Program Guide. If approved, grantees will be eligible to receive a single extension of up to 12 months in length. Applicants are encouraged to plan studies with shorter performance periods than 36 months; however, when developing your schedule, you should consider the possibility that issues may arise that could cause delays.

C. Type of Award Instrument

Awards will be made as cooperative agreements. Anticipated substantial involvement by HUD staff for cooperative agreements may include, but will not be limited to:

1. Review and suggestion of amendments to the study design, including: study objectives; field sampling plan; data collection methods; sample handling and preparation; and sample and data analysis.

2. Review and provision of technical recommendations in response to quarterly progress reports (e.g., amendments to study design based on preliminary results).

3. Review and provision of technical recommendations on the journal article(s) and final study report.

4. Requirements for peer review of scientific data in accordance with the Office of Management and Budget Information Quality Guidelines. All HUD-sponsored research is subject to the OMB Final Information Quality Bulletin for Peer Review (70 FR 2664–2677, January 14, 2005) prior to its public dissemination. In accordance with paragraph II.2 of the Bulletin, HUD will not need further peer review conducted on information that has already been subjected to adequate peer review. Therefore grantees must provide enough information on their peer review process for HUD to determine whether additional review is needed.

III. Eligibility Information

A. Eligible Applicants

Academic and non-profit institutions located in the United States, state and units of general local government, and federally recognized Native American tribes are eligible under all existing authorizations. For-profit firms also are eligible; however, they are not allowed to earn a profit from the project. Applications to supplement existing projects are eligible to compete with applications for new awards. Federal agencies are not eligible to submit

applications. The General Section identifies threshold requirements that must be met for an organization to receive an award.

B. Cost Sharing or Matching

Cost sharing or matching is not required. In rating your application, however, you will receive a higher score under Rating Factor 4 if you provide evidence of significant resource leveraging.

C. Other

1. Eligible Activities

a. Lead Technical Studies.

HUD is particularly interested in the following topics:

(1) *Development of alternative or improved clearance methods.* The clearance of a dwelling following lead hazard control activities is achieved by collecting dust-wipe samples following a standard protocol, with subsequent analysis of the samples by a laboratory recognized under the National Lead Laboratory Accreditation Program (NLLAP). Lead hazard control costs could be reduced if immediate clearance results could be obtained in the field. Existing techniques that can be used to analyze dust samples in the field include the use of portable X-ray fluorescence (XRF) analyzers and anodic stripping voltammetry (ASV) instruments. It is theoretically possible to also employ colorimetric methods to analyze clearance samples. These techniques can be used in a screening context in which a "failure" would indicate the need for additional cleaning before definitive clearance wipe samples are collected for analysis by an appropriate laboratory. It is possible for an organization using a field-based technology to achieve recognition as a portable laboratory under NLLAP; however, it is HUD's understanding that, to date, this has not been done. HUD is interested in funding research that improves the performance of portable analytical technologies for lead dust-wipe analysis with the ultimate goal of improving the feasibility for such technologies to be used to conduct definitive analyses in the field.

HUD has funded research for the on-site use of X-Ray Fluorescence (XRF) for dust wipe lead analysis and does not intend to fund additional work on this topic through this NOFA.

(2) *Reducing exterior soil as a cause of dust-lead hazards.* Studies have shown that lead in exterior dust and soil can be an important source of lead exposure to young children, both through direct contact and indirectly when tracked or blown into the home.

HUD has funded several studies that have assessed approaches to reducing the risk posed by this large environmental lead reservoir. These previous studies have focused on the following topics: reducing the bioavailability (as determined using in vitro testing) of lead in soil through the addition of composted biosolids or other additives; reducing soil hazards in urban yards through targeted landscaping (e.g., raised beds, improving ground cover); reducing exterior dust-lead levels through exterior building treatments and street and sidewalk cleaning; development of new sampling method for surface soils, and reducing surface soil-lead hazards by overlaying with clean soil and grass cover (see, e.g.: Binns *et al.*, 2004, and Farfel *et al.*, 2005, in Appendix B).

Additional study is needed to assess the long-term effectiveness of interim controls to reduce soil and exterior dust-lead hazards. Research is also needed to develop interim controls and strategies for exterior dust and soil that are reasonable in cost, feasible to implement, and which do not require frequent maintenance to retain their effectiveness. Also, the relationship between control of soil lead hazards and interior dust lead levels has not been adequately described.

(3) *Effectiveness of Ongoing Maintenance Activities in Controlling Lead-Based Paint Hazards.* There are few studies directly assessing the effectiveness of ongoing lead-based paint maintenance programs. HUD is interested in evaluating the effectiveness and feasibility of ongoing lead-based paint maintenance programs, identifying program components for which particular implementation difficulties exist, and evaluating proposed measures for overcoming those difficulties. Such an evaluation of program components could address whether and how technically-acceptable and cost-effective work practices are selected and implemented, how effectively supervisors monitor work activities to ensure that lead-based paint hazards are controlled and that dust and debris are contained and cleaned up during and after work, and how well clearance procedures (including necessary re-cleaning) are integrated into the maintenance program, among other factors.

(4) *Use of Available Databases to Evaluate the Efficacy of Lead Hazard Control Activities.* Public databases can be used to help target and assess the effectiveness of lead hazard control activities. Examples of this include the use of census data to identify neighborhoods that are at high risk for

lead poisoning (e.g., age and value of housing used in combination with indicators of socioeconomic status) and the use of blood-lead screening data to target dwellings that have been associated with repeated identification of resident children with elevated blood-lead levels. Geographic Information Systems (GIS) have also been successfully used as a tool to help target high-risk housing. At a broader level, serial blood-lead screening data could be used to assess the effectiveness of lead hazard control activities or laws that require lead hazard control treatments in high risk housing (e.g., by comparing community screening results before and after laws were enacted while accounting for the overall downward trend in blood lead levels and the performance of Lead Hazard Control grantees and other activities). HUD is interested in studies that assess effective and creative uses of public databases to improve the efficacy of lead hazard control programs (e.g., targeting neighborhoods), assess the effectiveness of enforcement and lead hazard control activities and regulations, and other uses of these data that further the goal of improving methods for the identification and control of residential lead-based paint hazards. Applicants proposing projects under this topic area should focus primarily on the use of existing data as opposed to the collection of new data through field activities. An applicant must demonstrate why the collection of any new data is important in the context of a proposed study (e.g., to validate a model developed using publicly available data) and that there is a limited amount of new data being collected.

(5) *Other Focus Areas that are Consistent with the Overall Goals of HUD's Lead Technical Studies Program.* HUD will consider funding applications for technical studies on other topics that are consistent with the overall goals and objectives of the Lead Technical Studies program, as described above. In such instances, for an applicant to receive an award, it is necessary that the applicant describe in sufficient detail how the proposed study is consistent with the overall lead technical studies program goals and objectives.

Note: A limited amount of lead hazard control activities, which involve construction rather than research, may be conducted as part of a project (see Section IV.E.9 of this NOFA).

b. Healthy Homes Technical Studies

(1) HUD expects to advance the recognition and control of residential

health and safety hazards and more closely examine the link between housing and health. The overall objectives of the Healthy Homes Technical Studies projects to be funded through this NOFA include, but are not limited to:

(a) Development and evaluation of low-cost test methods and protocols for identification and assessment of housing-related hazards;

(b) Development and assessment of cost-effective methods for reducing or eliminating housing-related hazards;

(c) Evaluation of the effectiveness of housing interventions and public education campaigns, and barriers and incentives affecting future use of the most cost-effective strategies;

(d) Investigation of the epidemiology of housing-related hazards and illness and injuries associated with these hazards, with an emphasis on children's health;

(e) Evaluation of residential health and safety hazard assessment and control methodologies and approaches (including both existing methods and the evaluation of novel approaches);

(f) Analysis of existing data or generation of limited new data to improve knowledge regarding the prevalence and severity of specific hazards in various classes of housing, with a focus on low-income housing. Specific examples include:

(i) The prevalence of carbon monoxide and other indoor air quality hazards;

(ii) The prevalence and patterns of moisture problems and biological contaminants associated with excess moisture (e.g., fungi, mold, bacteria, dust mites);

(iii) The prevalence of specific childhood injury hazards in housing; and

(iv) Improved understanding of the relationship between a residential exposure and childhood illness or injury.

Applicants that propose this type of study should discuss how the knowledge that is gained from the study could be used in a program to reduce these hazards in target communities.

(g) Low-cost analytical techniques and instruments for the rapid, on- and off-site determination of environmental contaminants of concern (e.g., bioaerosols, pesticides, allergens). HUD's primary interest is in the improvement of existing instruments or methods, and not in the development of new technologies or instruments. The OHHLHC has noted that these types of studies pose a high risk of experiencing significant delays. Applicants seeking to develop new technologies/instruments

should discuss why, if funded, their proposed project would be unlikely to experience significant delays in its completion.

(2) HUD is particularly interested in the following topics:

(a) Improving or assessing the efficacy of current methods for residential Integrated Pest Management (IPM). IPM approaches focus on the use of economical means for managing pests, which incorporate information on the life cycles of pests and their interaction with the environment, while minimizing hazards to people, property, and the environment. HUD is particularly interested in IPM methods for reducing cockroach and/or rodent populations in multifamily housing, with an emphasis on low-income housing.

(b) Controlling excess moisture by reducing migration through the building envelope and condensation of water vapor on interior surfaces, with an emphasis on low-cost interventions for low-income housing;

(c) Improving indoor air quality, such as through cost-effective approaches to upgrading residential ventilation or improving control/management of combustion appliances. Applicants should discuss how proposed approaches might affect residential energy costs (e.g., increasing air exchange rates resulting in an increase in heating costs);

(d) Dust control measures (e.g., preventing track-in of exterior dust and soil, improved methods for interior dust cleaning) have been identified as key areas in the HHI Preliminary Plan;

(e) Evaluating the effectiveness of education and outreach methods designed to provide at-risk families with the knowledge to adopt self-protective behaviors with respect to housing-related health hazards. If you propose a study in this focus area you should cite and discuss the theoretical basis for the education/outreach approach that you are proposing.

(f) *Other Focus Areas that are Consistent with the Overall Goals of HUD's Healthy Homes Technical Studies Program.* HUD will consider funding applications for technical studies on other topics that are consistent with the overall goals and objectives of the Healthy Homes Technical Studies program, as described above. In such instances, for an applicant to receive an award, it is necessary that the applicant describe in sufficient detail how the proposed study is consistent with the overall program goals and objectives.

(3) *General Information.* In proposing to conduct a study on a particular topic, applicants should consider:

(a) The "fit" of the proposed hazard assessment and/or control methods within the overall goal of addressing "priority" health and safety hazards in a cost-effective manner;

(b) The efficacy of the proposed methods for hazard control and risk reduction (e.g., how long is effective hazard reduction maintained);

(c) Where and how these methods would be applied and tested, and/or perform demonstration activities; and

(d) The degree to which the study will help develop practical, widely applicable methods and protocols or improve our understanding of a residential health hazard.

Applications for a study for which the sole or primary focus is on lead-based paint hazards are ineligible for funding under the Healthy Homes Technical Studies program. Such studies should be submitted for funding under the Lead Technical Studies Program.

Applicants should consider the efficiencies that might be gained by working cooperatively with one or more recipients of HUD's Healthy Homes Demonstration and/or Lead Hazard Control grants, which are widely distributed throughout the United States. Information on current grantees is available at <http://www.hud.gov/offices/lead>.

You may address one or more than one of the above technical studies topic areas within your proposal, or submit separate applications for different topic areas.

Note: A limited amount of hazard control activities, which involve construction rather than research, may be conducted as part of a Healthy Homes Technical Studies project (see Section IV.E.9 of this NOFA).

2. *Threshold Requirements Applicable to all Applicants.*

To receive an award of funds from HUD, you must meet all the threshold requirements in the General Section.

3. *Program Requirements.*

The following requirements are applicable to both the Healthy Homes Technical Studies and Lead Technical Studies Programs:

a. *Program Performance.* Grantees shall take all reasonable steps to accomplish all activities within the approved period of performance. HUD reserves the right to terminate the cooperative agreement prior to the expiration of the period of performance if the grantee fails to make reasonable progress in implementing the approved program of activities or fails to comply with the terms of the cooperative agreement.

b. *Regulatory Compliance.* Grantees must comply with all relevant federal, state, and local regulations regarding exposure to and proper disposal of hazardous materials.

c. *Blood Lead Testing.* Any blood lead testing, blood lead level test results, medical referral, or follow-up for children under 6 years of age will be conducted according to the recommendations of the Centers for Disease Control and Prevention (CDC), *Preventing Lead Poisoning in Young Children* (see Appendix B of this NOFA).

d. *Restricted Use of Funds.* HUD technical studies grant funds will not replace existing resources dedicated to any ongoing project.

e. *Laboratory Analysis for Lead.* Laboratory analysis covered by the NLLAP will be conducted by a laboratory recognized under the program.

f. *Laboratory Analysis for Mold.* Samples to be analyzed for mold (fungi) must be submitted to a laboratory accredited through the Environmental Microbiological Laboratory Accreditation Program (EMLAP), administered by the American Industrial Hygiene Association (AIHA).

g. *Human Research.* Human research subjects will be protected from research risks in conformance with Federal Policy for the Protection of Human Subjects, required by HUD at 24 CFR 60.101, which incorporates the Department of Health and Human Services (DHHS) Protection of Human Subjects regulation at 45 CFR part 46.

h. *OSHA Compliance.* The requirements of the Occupational Safety and Health Administration (OSHA) (e.g., 29 CFR part 1910 and/or 1926, as applicable) or the state or local occupational safety and health regulations, whichever are most stringent, will be met.

i. *Civil Rights.* The institution administering the grant must meet the civil rights threshold set forth in the General Section.

j. *Disclosure.* All test results and other information in pre-1978 housing related to lead-based paint or lead-based paint hazards must be provided to the owner of the unit, together with a statement describing the owner's legal duty to disclose the knowledge of lead-based paint and its hazards to tenants (before initial leasing, or before lease renewal with changes) and buyers (before sale) (24 CFR Part 35, subpart A). Disclosure of other identified housing-related health or safety hazards to the owner of the unit, for purposes of remediation, is encouraged but not required.

k. *Privacy.* Submission of any information on the properties to databases (whether Web site, computer, paper, or other format) of addresses of identified, treated or cleared housing units is subject to the protections of the Privacy Act of 1974, and shall not include any personal information that could identify any child affected. You should also check to ensure you meet state privacy regulations.

l. Applicants must incorporate meaningful community involvement into any study that requires a significant level of interaction with a community during implementation (e.g., projects being conducted within occupied dwellings or which involve surveys of community residents). The term community refers to a variety of populations comprised of persons who have commonalities that can be identified (e.g., based on geographic location, ethnicity, health condition, common interests). Applicants should identify the community that is most relevant to their particular project. There are many different approaches to involving the community in the conception, design, and implementation of a study and the subsequent dissemination of findings. Examples include but are not limited to: Establishing a structured approach to obtain community input and feedback (e.g., through a community advisory board); including one or more community-based organizations as study partners; employing community residents to recruit study participants and collect data; and enlisting the community in the dissemination of findings and translation of results into improved policies and/or practices. A discussion of community involvement in research involving housing-related health hazards can be found in Chapter 5 of the Institute of Medicine publication titled "Ethical Considerations for Research on Housing-Related Health Hazards Involving Children" (see Appendix B for more information on this report).

m. *Economic Opportunities for Low- and Very Low-Income Persons (Section 3).* This program is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u). Section 3 requires recipients to ensure that, to the greatest extent feasible, training, employment, and other economic opportunities will be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to businesses which provide economic opportunities to low- and very low-income persons. The

regulations may be found at 24 CFR part 135.

n. *Standardized Dust Sampling Protocol and Quality Control Requirements.* Grantees collecting samples of settled dust from participant homes for environmental allergen analyses (e.g., cockroach, dust mite) will be required to use a standard dust sampling protocol, unless there is a strong justification to use an alternate protocol (e.g., the study involves the development of an alternative sampling method). The HUD protocol can be found on the OHHLHC Web site at: <http://www.hud.gov/offices/lead/hhi/hhiresources.cfm>. Grantees conducting these analyses will also be required to include quality control dust samples, provided by OHHLHC at no cost to the grantee, with the samples that are submitted for laboratory analyses. For the purpose of budgeting laboratory costs, you should assume that 5 percent of your total allergen dust samples will consist of Quality Control samples.

4. DUNS Requirement.

Refer to the General Section for information regarding the DUNS requirement. A DUNS number must be provided for the institution that is submitting an application. Your DUNS number must be included in your electronic application submission. Be sure to use the DUNS number that you have registered as an Authorized Organization Representative (AOR) with Grants.gov and that your eBusiness Point of Contact has authorized you to submit an application on behalf of the applicant organization (see the General Section for details about the Grants.gov registration process).

IV. Application and Submission Information

If you are interested in applying for funding under this program, please review carefully the General Section and the following additional information.

A. Addresses to Request Application Package

All applications must be submitted electronically. The information required to submit an application is contained in the program section of this NOFA and the General Section. Applications can be downloaded from the web at: http://www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information you may call the Grants.gov help line toll-free at (800) 518-GRANTS (4726) from Monday to Friday from 7 a.m. to 9 p.m. eastern time, or send an e-mail to Support@grants.gov.

B. Content and Form of Application Submission

1. *Applicant Data.* Your application must contain the items listed in this section. These items include the standard forms contained in the General Section that are applicable to this funding announcement (collectively referred to as the "standard forms"). Copies of these forms are available on line at http://www.grants.gov/applicants/apply_for_grants.jsp. The required items are:

a. *Application Abstract.* An abstract with the project title, the names and affiliations of all investigators, and a summary of the objectives, expected results, and study design (two-page maximum) must be included in the proposal. Information contained in the abstract will not be considered in the evaluation and scoring of your application. Any information you wish to be considered should be provided under the appropriate rating factor response.

b. *All forms as required by the General Section.* However, forms HUD-2991 (Certification of Consistency with the Consolidated Plan) and HUD-27061 (Race and Ethnicity Data) are not required with the application for these programs.

c. *Materials Submitted.* A project description/narrative statement addressing the rating factors for award under the program (Lead Technical Studies or Healthy Homes Technical Studies) for which you are applying. The narrative statement must be identified in accordance with each factor for award (Rating Factors 1 through 5). Number the pages of your narrative statement. The project description or narrative must be included in the responses to the rating factors. The response to the rating factors should not exceed a total of 25 pages, single-sided, with a minimum 12-point font and a minimum margin width of 1-inch. Any pages in excess of this limit will not be read. The points you receive for each rating factor will be based on the portion of your narrative statement that you submit in response to that particular factor, supplemented by any appendices that are referenced in your narrative response to the rating factor. Supporting materials that are not referenced or discussed in your responses to the individual rating factors will not be considered. Additional materials (e.g., appendices) must be submitted with your application according to the directions in the General Section. The footer on the pages of these materials should identify

the rating factor that they are supporting.

d. *Supporting Materials.* Include the resumes of the principal investigator and other key personnel and other materials that are needed in your response to the rating factors (e.g., organizational chart, letters of commitment, a list of references cited in your responses to the rating factors). Each resume shall not exceed three pages, and is limited to information that is relevant in assessing the qualifications and experience of key personnel to conduct and/or manage the proposed technical studies. This information will not be counted towards the Rating Factors narrative 25-page limit.

e. *Additional Information.* Submit other optional information provided in support of your application following the directions in the General Section. These additional optional materials must not exceed 20 pages. Any pages in excess of this limit will not be read. Do not include additional narrative information that is an extension of or expands upon any of your rating factor responses. Such narrative will not be considered.

f. *Budget.* Include a total budget with supporting cost justification up to four pages, which will cover all budget categories of the federal grant request. This information will not be counted towards the Rating Factors narrative 25-page limit. Use the budget format discussed in Rating Factor 3, Section V.A.3.c, below. In completing the budget forms and justification, you should address the following elements:

(1) Direct Labor costs, including all full- and part-time staff required for the planning and implementation phases of the project. These costs should be based on full time equivalent (FTE) or hours per year (hours/year) (i.e., one FTE equals 2,080 hours/year);

(2) Allowance for one trip to HUD Headquarters in Washington, DC, for each year of your grant, planning each trip for two people. The first trip will occur shortly after grant award for a stay of two or three days, depending on your location, and the remaining trips will have a stay of one or two days, depending on your location;

(3) A separate budget proposal for each subrecipient receiving more than 10 percent of the total federal budget request;

(4) Supporting documentation for salaries and prices of materials and equipment, upon request; and

(5) *Indirect Cost Rates.* Organizations that have a federally negotiated indirect cost rate should use that rate and the appropriate base. The documentation

will be verified during award negotiations. Organizations that do not have a federally negotiated rate schedule must obtain a rate from their cognizant federal agency, otherwise the organization will be required to obtain a negotiated rate through HUD.

g. Checklist for Technical Studies Program Applicants.

(1) Applicant Abstract (limited to 2 pages).

(2) Rating Factor Responses (Total narrative response limited to 25 pages.)

(a) Capacity of the Applicant and Relevant Organizational Experience (21 points).

(b) Need/Extent of the Problem (15 points).

(c) Soundness of Approach (50 points).

(d) Leveraging Resources (6 points).

(e) Achieving Results and Program Evaluation (8 points).

(f) Bonus Points (RC/EZ/EC-II) (2 points).

(3) Required materials in response to rating factors (does not count towards 25-page limit).

(a) Resumes of Key Personnel (limited to 3 pages per resume).

(b) Organizational Chart.

(c) Letters of Commitment (if applicable)—Letters of commitment should include language defining the activities to be performed, the contributions to be made, and the monetary value of each.

Note: HUD recommends against including letters of support that do not commit services, materials, or funds; they will not add to the consideration of your application.

(4) Optional material in support of the Rating Factors (20 page limit).

(5) Required Forms and Budget Material.

(a) Form SF 424 (Application for Federal Assistance).

(b) Form HUD-424-CBW (Budget Worksheet).

(c) Form HUD-96010 (Logic Model Form).

(d) Form SF-424 Supplement, "Survey on Ensuring Equal Opportunities for Applicants" ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov) (to be completed by private nonprofit organizations only).

(e) Form SF LLL (Disclosure of Lobbying Activities, if applicable).

(f) Form HUD-2880, "Applicant/Recipient Disclosure/Update Report" ("HUD Applicant Recipient Disclosure Report" on Grants.gov).

(g) Form HUD-2990 (Certification of Consistency with the RC/EZ/EC-II Strategic Plan, required only for applicants who are seeking these 2 bonus points).

(h) Form HUD-2994-A (You Are Our Client Grant Applicant Survey, Optional).

(i) Form HUD-27300, "Questionnaire for HUD's Removal of Regulatory Barriers" ("HUD Communities Initiative Form" on Grants.gov) including the required information, if applicable.

(j) Form HUD-96011, "Third Party Documentation Facsimile Transmittal" ("Facsimile Transmittal Form" on Grants.gov) (Used as the cover page to transmit third party documents and other information designed for each specific application for tracking purposes. HUD will not read faxes that do not use the HUD-96011 as the cover page to the fax).

C. Submission Dates and Times

Electronic applications must be received and validated by Grants.gov on or before 11:59:59 PM eastern time on the application deadline date. Refer to the General Section for submission requirements.

D. Intergovernmental Review

This NOFA is excluded from the requirement of an Intergovernmental Review.

E. Funding Restrictions

1. *Administrative Costs.* There is a 10 percent maximum allowance for administrative costs. Additional information about allowable administrative costs is provided in Appendix C of this NOFA, which can be downloaded from Grants.gov.

2. *Indirect Costs.* Please see <http://www.hud.gov/offices/adm/grants/fundsavail.cfm> for reference to the Indirect Cost requirements.

3. *Purchase of Real Property.* The purchase of real property is not an allowable cost under this program.

4. *Purchase or Lease of Equipment.* The purchase or lease of equipment having a per unit cost in excess of \$5,000 is not an allowable cost, unless prior written approval is obtained from HUD.

5. *Medical Treatment.* Medical treatment costs are not allowable under this program.

6. *Profit.* For profit institutions are not allowed to earn a profit.

7. You must comply with the Coastal Barrier Resources Act (16 U.S.C. 3501).

8. You may not conduct lead-based paint or healthy home hazard control activities or related work that constitutes construction, reconstruction, repair or improvement (as referenced in Section 3(a)(4) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001-4128)) of a building or mobile home which is located in an area identified by

the Federal Emergency Management Agency (FEMA) as having special flood hazards unless:

a. The community in which the area is situated is participating in the National Flood Insurance Program in accordance with the applicable regulations (44 CFR parts 59-79), or less than a year has passed since FEMA notification regarding these hazards; and

b. Where the community is participating in the National Flood Insurance Program, flood insurance on the property is obtained in accordance with section 102(a) of the Flood Disaster Protection Act (42 U.S.C. 4012a(a)). You are responsible for assuring that flood insurance is obtained and maintained for the appropriate amount and term.

9. *Construction Activities.* The amount of HUD Lead Technical Studies grant funds used for lead-based paint hazard control activities may not exceed 20% of the total HUD funds awarded. The amount of HUD Healthy Homes Technical Studies grant funds used for construction activities may not exceed 40% of the total HUD funds awarded. Furthermore, the majority of any funds dedicated to Healthy Homes construction activities shall be spent for interventions not intended for lead hazard control.

F. Other Submission Requirements

Applicants are required to submit applications electronically via the Web site http://www.grants.gov/applicants/apply_for_grants.jsp. See sections IV.B and F of the General Section for additional information on the electronic process and how to request a waiver from the requirement if necessary. Applicants should submit their waiver requests in writing using e-mail. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to Ms. Jonnette Hawkins at: Jonnette_G._Hawkins@hud.gov.

V. Application Review Information

A. Criteria

1. *Threshold Requirements.* Applications that meet all of the threshold requirements will be eligible to be scored and ranked, based on the total number of points allocated for each of the rating factors described in Section V.A.3 of this NOFA. Your application must receive a total score of at least 75 points to be considered for funding.

2. *Award Factors.* Each of the five factors is weighted as indicated by the number of points that are assigned to it. The maximum score that can be attained is 100 points plus a possible 2 bonus

points. Applicants should be certain that each of these factors is adequately addressed in the project description and accompanying materials.

3. Rating Factors.

a. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (21 Points). This factor addresses the extent to which you have the ability and organizational resources necessary to successfully implement your proposed activities in a timely manner. The rating of your application will include any sub-grantees, consultants, sub-recipients, and members of consortia that are firmly committed to the project (generally, "subordinate organizations"). In rating this factor, HUD will consider the extent to which your application demonstrates:

(1) *The capability and qualifications of key and supporting personnel* (14 points). HUD will assess the qualifications of key personnel to carry out the proposed study as evidenced by relevant academic background, publications, and recent (within the past 10 years) research experience. Publications and/or research experience are considered relevant if they required the acquisition and use of knowledge and skills that can be applied in the planning and execution of the technical study that is proposed under this NOFA. HUD will also evaluate the qualifications of supporting personnel such as statisticians and research assistants. Partner organizations will also be evaluated with respect to their qualifications and capabilities to successfully implement their proposed project roles.

(2) *Past performance of the study team in managing similar projects* (7 points). HUD will evaluate your demonstrated ability to successfully manage various aspects (e.g., personnel management, data management, quality control, reporting) of a complex technical study, as well as your overall success in completing projects on time and within budget. If applicable, provide the number and title of current and past OHHLHC grants as well as past performance of the organization (applicant and/or partners) on other grant(s) or project(s) related to residential environmental health and safety research, or other relevant experience. Provide details about the nature of the project, the funding agency, and your performance (e.g., timely completion, achievement of desired outcomes). You should also discuss the degree to which the results from past research have been used to develop new or improved methods or tools for residential hazard assessment or control. If your organization has an

active OHHLHC grant or cooperative agreement, provide a description of the progress and outcomes achieved under that award.

If you completed one or more HUD-funded Technical Studies grants, your performance will be evaluated in terms of achievements made under the previous grant(s). If you have completed a previous HUD-funded Technical Studies grant but you have not published the study results in a peer-reviewed scientific journal, you should explain why the results have not been published.

b. Rating Factor 2: Need/Extent of the Problem (15 Points). This factor addresses the extent to which there is a need for your proposed technical study. In responding to this factor, you should document in detail how your project will make a significant contribution towards achieving some or all of HUD's stated goals and objectives for one or more of the topic areas described in Section I.B.1.a (Lead Technical Studies) or I.B.1.b (Healthy Homes Technical Studies), as appropriate for the program to which you are applying. For example, you should demonstrate how your proposed study addresses a need with respect to the development of improved methods for the assessment and control of residential lead-based paint hazards or addresses a need associated with an important housing-related health hazard, with an emphasis on children's health. This is especially important for applicants that are proposing to study a lead or healthy homes topic that is not highlighted as a priority area by HUD in section III.C of this NOFA; such applicants that do not provide supporting language to demonstrate this will not receive points under this rating factor. Specific topics to be addressed for this factor include (five points for each item):

(1) A concise review of the research need that is addressed in your study and why it is high priority with respect to the program. For Healthy Homes Technical Studies applicants, include available documented rates of illness or injury associated with the hazard or hazards that you are addressing, including local, regional, and national data, as applicable.

(2) A discussion of how your proposed project would significantly advance the current state of knowledge for your focus area, especially with respect to the development of practical, cost-effective solutions.

(3) A discussion on how you anticipate your study findings will be used to improve current methods for assessing or mitigating the hazards under study. Indicate why the method/

protocol that would be improved through your study would likely be widely adopted (e.g., low cost, easily replicated, lack of other options).

c. Rating Factor 3: Soundness of Approach (50 Points). This factor addresses the quality of your proposed technical study plan. Specific components include:

(1) Soundness of the study design (26 points). Clearly and thoroughly describe the design of your proposed study and identify the major objectives. If possible, your study should be designed to address testable hypotheses that are clearly stated. The study should be presented as a logical sequence of steps or phases with individual tasks described for each phase. Your narrative should reflect the relevant scientific literature, which should be thoroughly cited in your application. Describe the statistical basis for your study design and demonstrate that you would have adequate statistical power to test your stated hypotheses and achieve your study objectives. You should identify any important "decision points" in your study plan and you should discuss your plans for data management, analysis and archiving. You should demonstrate that it is clearly feasible to complete the study within the proposed period of performance and successfully achieve your objectives. HUD has observed that studies can miss targeted performance timelines because of delays in the IRB approval process or unexpected difficulties with recruiting study participants, and delays in developing new laboratory methods or instruments. If applicable, describe actions that you will take to minimize the possibility that your study would experience delays in these areas (e.g., understanding likely IRB requirements in advance, planning on additional avenues for recruitment of participants, initiating the development of new methods/instruments).

If you are proposing to conduct a study that includes a significant level of community interaction (e.g., studies involving participant recruitment, survey research, environmental sampling on private property), describe your plan for meaningful involvement of the affected community in your proposed study. You should define the community of interest with respect to your proposed study and discuss why and how your proposed approach to community involvement will make a meaningful contribution to your study and to the community.

(2) *Policy Priorities (5 points)*. Indicate if your proposed study will address any of the FY 2007 policy priorities that are applicable to this NOFA (see the

General Section for additional details regarding these policy priorities). You will receive one point under Rating Factor 3(2) for each of the applicable FY 2007 policy priorities that are found in the General Section and applicable to the Technical Studies NOFA that are adequately addressed in your application, with the exception of "Removal of Barriers to Affordable Housing," for which you can receive up to two points (see the General Section). Policy priorities that are applicable to the Technical Studies NOFA are: (1) Improving our Nation's Communities (focus on distressed communities); (2) Providing Full and Equal Access to Grass-Roots Faith-based and other Community-based Organizations in HUD Program Implementation; (3) Participation of Minority-Serving Institutions in HUD Programs, and (4) Removal of Barriers to Affordable Housing.

Each policy priority is worth one point, except for policy priority (4), Removal of Regulatory Barriers to Affordable Housing, which is worth up to 2 points provided the applicant includes a narrative response and submits the required documentation as described in Form HUD 27300 to this policy priority. Applicants may also provide a Web site address where the documentation can be readily found.

(3) *Quality assurance mechanisms (8 points)*. You must describe the quality assurance mechanisms that will be integrated into your project design to ensure the validity and quality of the results. Applicants that receive awards will be required to submit a Quality Assurance Plan to HUD. You should plan for this and include Quality Assurance activities in your study work plan. The Office of Management and Budget paperwork approval for the Quality Assurance Plan template for this program is currently pending.

(a) Discuss the major quality assurance mechanisms that are relevant for your proposed study. Examples of quality assurance mechanisms include, but are not limited to: procedures for selection of samples/sample sites, sample handling, use of quality control samples, validating the accuracy of instrumentation, measures to ensure accuracy during data management, staff training, and final validation of your dataset. Documents (e.g., government reports, peer-reviewed academic literature) that provide the basis for your quality assurance mechanisms should be cited. Also, identify members of the study team who will have primary responsibility for drafting and ensuring compliance with the Quality Assurance Plan. Your application will be rated on

the thoroughness, clarity, and validity of your proposed quality assurance activities, and their appropriateness for ensuring the validity and quality of the data.

(b) For the collection of data using instruments, such as surveys and visual assessment tools, describe the procedures that you will follow to ensure accurate data capture and transfer (e.g., transfer of data from the field to a database). Also, describe any research done (or planned) to validate the instrument.

(c) *Institutional Review Boards.* In conformance with the Common Rule (Federal Policy for the Protection of Human Subjects, codified by HUD at 24 CFR 60.101, which incorporates the DHHS regulation at 45 CFR part 46), if your research involves human subjects, your organization must provide proof (e.g., a letter signed by an appropriate official) that the research has been reviewed and approved by an Institutional Review Board (IRB) before you can initiate activities that require IRB approval. Before initiating such activities you must also provide the number for your organization's assurance (i.e., an "institutional assurance") that has been approved by the DHHS's Office for Human Research Protections (OHRP).

You do not have to provide proof of IRB approval with your application. If you do not have IRB approval yet, you should address how you will obtain such approval. Describe how you will obtain informed consent (e.g., from the subjects, their parents or their guardians, as applicable) and discuss the steps you will take to help ensure participants' understanding of the elements of informed consent, such as the purposes, benefits and risks of the research. Describe how this information will be provided and how the consent will be collected. For example, describe your use of "plain language" forms, flyers and verbal scripts, and how you plan to work with families with limited English proficiency or primary languages other than English, and with families including persons with disabilities. For additional information on what constitutes human subject research or how to obtain an institutional assurance see the OHRP Web site at <http://www.hhs.gov/ohrp/>.

(4) *Project management plan (5 points).* The proposal should include a management plan that provides a schedule for the clear and expeditious completion of major tasks, with associated benchmarks and major study milestones, and major deliverables. If your application includes multiple organizations, you should identify the

organization/person that has primary responsibility for completion of each of the major study tasks. The major tasks and benchmarks/deliverables identified in the management plan should be consistent with those identified in the Logic Model (see description under Rating Factor 5). You should include plans for preparation of one or more articles for publication in peer-reviewed academic journals and submission of the draft(s) to the journal(s) after HUD acceptance. The final deliverable can be submitted to HUD during the agreed upon period of performance or during the 90-day closeout period following award expiration.

(5) *Budget Proposal (6 points).*

(a) Your budget proposal should thoroughly estimate all applicable direct and indirect costs, and be presented in a clear and coherent format in accordance with the requirements listed in the General Section. HUD is not required to approve or fund all proposed activities. You must thoroughly document and justify all budget categories and costs (Form HUD-424-CBW) and all major tasks, for yourself, sub-recipients, major subcontractors, joint venture participants, or others contributing resources to the project. A separate budget must be provided for partners who are proposed to receive more than 10 percent of the federal budget request. Your application will be evaluated on the extent to which your resources are appropriate for the scope of your proposed study.

(b) Your narrative justification associated with these budgeted costs should be submitted as part of the Total Budget (Federal Share and Matching), but is not included in the 25-page limit for this submission. Separate narrative justifications should be submitted for partners that are submitting separate budgets.

(c) The application will not be rated on the proposed cost; however, cost will be considered in addition to the rated factors to determine the proposal most advantageous to the Federal Government. Cost will be the deciding factor when proposals ranked under the listed factors are considered acceptable and are substantially equal.

d. *Rating Factor 4: Leveraging Resources (6 Points).* Your proposal should demonstrate that the effectiveness of HUD's Technical Studies grant funds is being increased by securing other public and/or private resources or by structuring the project in a cost-effective manner, such as integrating the project into an existing study (either funded by HUD or another source) that will be concurrent with

your proposed study. Resources may include funding or in-kind contributions (such as services, facilities or equipment) allocated to the purpose(s) of your project. Staff and in-kind contributions should be assigned a monetary value.

You should provide evidence of leveraging/partnerships by submitting: letters of firm commitment, memoranda of understanding, and/or agreements to participate from those entities identified as partners in the project efforts. Each document must include the organization's name, proposed level of commitment (with monetary value) and responsibilities as they relate to specific activities or tasks of your proposed program. The commitment must also be signed by an official of the organization legally able to make commitments on behalf of the organization. Simple letters that only indicate support of the proposed study are not sufficient. Leveraging is discussed in Appendix D, "Matching and Leveraging Contribution Guidance," of this NOFA.

e. *Rating Factor 5: Achieving Results and Program Evaluation (8 Points).* This factor emphasizes HUD's commitment to ensuring that applicants keep promises made in their applications and assess their performance to ensure performance goals are met. Achieving results means you, the applicant, have clearly identified the benefits or outcomes of your program. Outcomes are ultimate goals. Benchmarks or outputs are interim activities or products that lead to the ultimate achievement of your goals.

Program evaluation requires that you, the applicant, identify program outcomes, interim products or benchmarks, and indicators that will allow you to measure your performance. Performance indicators should be objectively quantifiable and measure actual achievements against anticipated goals. Your evaluation plan should identify what you are going to measure, how you are going to measure it, and the steps you have in place to make adjustments to your work plan if performance targets are not met within established timeframes.

This rating factor reflects HUD's goal to embrace high standards of ethics, management and accountability. In evaluating this factor, HUD will consider how you have described the procedures you will follow to have reliable outcome measures and performance, so that the project will be recognized as being of high quality that provides benefits to the community.

In your response to this Rating Factor, discuss the performance goals for your project and identify specific outcome

measures. Describe how the outcome information will be obtained, documented, and reported. You must complete and return the eLogic Model™ Form HUD-96010 included in the download instructions found as part of the application at <http://www.grants.gov>. You must show your proposed project short-term, intermediate, long-term and final results. Instructions on the Logic model are contained in the General Section and are also contained in Tab 1 of the electronic form. The form features drop down menus from which to select and construct the Logic Model response relevant to your proposal. The electronic logic model with dropdown menus is in the instruction download at http://www.grants.gov/applicants/apply_for_grants.jsp under the program NOFA.

Also, in responding to this factor, you should:

(1) Identify benchmarks that you will use to track the progress of your study;

(2) Identify important study milestones (e.g., the end of specific phases in a multiphase study, recruitment of study participants, developing a new analytical protocol), which should also be clearly indicated in your study timeline. Also identify potential obstacles in meeting these objectives, and discuss how you would respond to these obstacles;

f. Bonus Points (2 points). Applicants are eligible to receive up to two bonus points for projects located within federally designated Renewable Communities (RCs), Empowerment Zones (EZs), or Enterprise Communities (ECs) designated by USDA in round II (EC-IIIs) (collectively referred to as RC/EZ/EC-IIIs), and which will serve the residents of these communities (see the General Section). In order to be eligible for these bonus points, applicants must meet the requirements of the General Section and submit a completed form HUD-2990, with descriptive language in the budget discussion describing the actual work that is to be done in these communities.

B. Review and Selection Process

1. *Corrections To Deficient Applications.* The General Section provides the procedures for correcting deficient applications.

2. *Rating and Ranking.* Awards will be made in rank order for each type of Technical Studies Program applications (Lead or Healthy Homes), within the limits of funding availability for the program.

a. *Partial Funding.* In the selection process, HUD reserves the right to offer partial funding to any or all applicants.

If you are offered a reduced grant amount, you will have a maximum of 14 calendar days to accept such a reduced award. If you fail to respond within the 14-day limit, you shall be considered to have declined the award.

b. *Remaining Funds.* See the General Section for HUD's procedures if funds remain after all selections have been made within either type of Technical Studies Program.

VI. Award Administration Information

A. Award Notices

1. *Notice of Award.* Applicants who have been selected for award will be notified by letter from the Office of Healthy Homes and Lead Hazard Control Grant Officer. The letter will state the program for which the application has been selected, the amount the applicant is eligible to receive, and the name of the Government Technical Representative (GTR). This letter is not an authorization to begin work or incur costs under the award. An executed cooperative agreement is the authorizing document.

HUD may require that all the selected applicants participate in negotiations to determine the specific terms of the cooperative agreement, budget, and Logic Model. If you accept the terms and conditions of the cooperative agreement, you must return your signed cooperative agreement by the date specified during negotiation. In cases where HUD cannot successfully conclude negotiations with a selected applicant or a selected applicant fails to provide HUD with requested information, an award will not be made to that applicant. In this instance, HUD may offer an award, and proceed with negotiations with the next highest-ranking applicant. Applicants should note that, if they are selected for multiple OHHLHC awards, they must ensure that they have sufficient resources to provide the promised match and/or leveraging for the multiple awards. During negotiations, applicants selected for multiple awards will be required to provide alternative match and/or leveraged resources, if necessary, before the grant can be awarded. This is required in order to avoid committing duplicate match and/or leveraged resources to more than one OHHLHC grant.

Awardees will receive additional instructions on how to have the grant account entered into HUD's Line of Credit Control System (LOCCS) payment system or its successor will be provided. Other forms and program requirements will also be provided.

In accordance with OMB Circular A-133 (Audits of States, Local Governments and Non-Profit Organizations), grantees expending \$500,000 in Federal funds within a program or fiscal year must submit their completed audit-reporting package along with the Data Collection Form (SF-SAC) to the Single Audit Clearinghouse, the address can be obtained from their Web site. The SF-SAC can be downloaded at <http://harvester.census.gov/sac/>.

2. *Debriefing.* The General Section provides the procedures applicants should follow for requesting a debriefing.

B. Administrative and National Policy Requirements

1. Environmental Requirements.

a. Eligible Construction and Rehabilitation Activities.

(1) A Technical Studies award does not constitute approval of specific sites where activities that are subject to environmental review may be carried out. Recipients conducting eligible construction and rehabilitation activities must comply with 24 CFR part 58, "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities". Recipients that are States, units of general local government or Indian tribes must carry out environmental review responsibilities as a responsible entity under part 58. Where the recipient is not a State, unit of general local government or Indian tribe, a responsible entity, usually the unit of general local government or Indian tribe, must assume the environmental review responsibilities for construction or rehabilitation activities funded under this NOFA. Under 24 CFR 58.11, where the recipient is not a State, unit of general local government or Indian tribe, if a responsible entity objects to performing the environmental review, or the recipient objects to the responsible entity performing the environmental review, HUD may designate another responsible entity to perform the review or may perform the environmental review itself under the provisions of 24 CFR part 50. In such cases, following grant award execution, HUD will be responsible for ensuring that any necessary environmental reviews are completed. See paragraph (2) below for additional assistance.

(2) For all grants under this NOFA, recipients and other participants in the project are prohibited from undertaking, or committing or expending HUD or non-HUD funds (including HUD leveraged or match funds) on, a project or activities under this NOFA (other

than activities listed in 24 CFR 58.34, 58.35(b) or 58.22(f) until the responsible entity completes an environmental review and the applicant submits and HUD approves a Request for the Release of Funds and the responsible entity's environmental certification (both on form HUD 7015.15) or, in the case where the recipient is not a State, unit of general local government or Indian tribe and HUD has determined to perform the environmental review under part 50, HUD has completed the review and notified the grantee of its approval. The results of the environmental reviews may require that proposed activities be modified or proposed sites rejected. For Part 58 procedures, see <http://www.hud.gov/offices/cpd/environment/index.cfm>. For assistance, contact Edward Thomas, the Office of Healthy Homes and Lead Hazard Control Environmental Officer at (215) 861-7670 (this is not a toll free-number) or the HUD Environmental Review Officer in the HUD Field Office serving your area. If you are a hearing- or speech-impaired person, you may reach the telephone number via TTY by calling 1-800-877-8339. Recipients of a grant under these funded programs will be given additional guidance in these environmental responsibilities.

b. All other activities not related to construction and rehabilitation activities are categorically excluded under 24 CFR 50.19(b)(1), (3), and (9) from the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and are not subject to environmental review under the related laws and authorities.

2. *Conducting Business in Accordance with HUD Core Values and Ethical Standards.* If awarded assistance under this NOFA, prior to entering into a cooperative agreement with HUD, you will be required to submit a copy of your code of conduct and describe the methods you will use to ensure that all officers, employees, and agents of your organization are aware of your code of conduct. See the General Section for information about conducting business in accordance with HUD's core values and ethical standards.

3. *Participation in HUD-Sponsored Program Evaluation.* See the General Section.

4. *Removal of Barriers to Affordable Housing.* See the General Section.

5. *HUD Reform Act of 1989.* The provisions of the HUD Reform Act of 1989 that apply to this NOFA are explained in the General Section.

6. *Executive Order 13202.* Compliance with HUD regulations at 24 CFR 5.108 that implement Executive Order 13202,

"Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally-Funded Construction Projects", is a condition of receipt of assistance under this NOFA.

Note: This Order only applies to construction work.

7. *Procurement of Recovered Materials.* See the General Section for information concerning this requirement.

8. *Davis-Bacon Wage Rates.* The Davis-Bacon prevailing wage rates do not apply to this program. However, if program funds are used in conjunction with other federal programs in which Davis-Bacon prevailing wage rates apply, then Davis-Bacon provisions would apply to the extent required under the other federal programs.

C. Reporting

1. *Post Award Reporting Requirements.* Final budget and work plans are due 60 days after the start date.

2. *Progress Reporting.* Progress reporting is required on a quarterly basis. Project benchmarks and milestones will be tracked using a benchmark spreadsheet that uses the benchmarks and milestones identified in the Logic Model form (HUD-96010) approved and incorporated into your award agreement. For specific reporting requirements, see policy guidance at: <http://www.hud.gov/offices/lead>. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

3. *Racial and Ethnic Beneficiary Data.* HUD does not require grantees to collect racial and ethnic beneficiary data for this program. Grantees conducting studies that do not involve people, such as those confined to the laboratory or certain types of environmental sampling, will not be required to submit Form-27061 to HUD. If, however, racial and ethnic data are collected and reported as part of a study funded under this program NOFA, you must use the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data as presented on Form HUD-27061, Racial and Ethnic Data Reporting Form (and instructions for its use), found on http://www.hudclips.org/sub_nonhud/html/forms.htm.

4. *Final Report.* The cooperative agreement will specify the requirements for final reporting (e.g., final technical report and final project benchmarks and milestones achieved against the

proposed benchmarks and milestones in the Logic Model which was approved and incorporated into your cooperative agreement).

5. *Draft Scientific Manuscript(s).* Grantees will be required to complete a minimum of one draft manuscript for publication in a peer-reviewed journal.

VII. Agency Contact(s)

For technical help in downloading an application from Grants.gov or submitting an application via Grants.gov, call the Grants.gov help desk at 800-518-GRANTS. For programmatic questions on the Lead Technical Studies program, you may contact Dr. Robert Weisberg, Office of Healthy Homes and Lead Hazard Control, at (202) 755-1785, extension 7687 (this is not a toll-free number) or via e-mail at Robert_F._Weisberg@hud.gov. For programmatic questions on the Healthy Homes Technical Studies program, you may contact Dr. Peter Ashley, Office of Healthy Homes and Lead Hazard Control, at (202) 755-1785, extension 7595 (this is not a toll-free number) or via e-mail at Peter_J._Ashley@hud.gov. For grants administrative questions, you may contact Ms. Curtissa L. Coleman, Office of Healthy Homes and Lead Hazard Control, at telephone (202) 755-1785, extension 7580 (this is not a toll-free number) or via e-mail at Curtissa_L._Coleman@hud.gov. If you are a hearing- or speech-impaired person, you may reach the above telephone numbers through TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

VIII. Other Information

A. Other Office of Healthy Homes and Lead Hazard Control Information. For additional general, technical, and grant program information pertaining to the Office of Healthy Homes and Lead Hazard Control, visit <http://www.hud.gov/offices/lead>.

B. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2539-0015. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 80 hours per respondent for the application and 16 hours to finalize the cooperative agreement. This includes

the time for collecting, reviewing, and reporting the data for the application. This information will be used for grantee selection. The reporting burden for completion of the Quality Assurance Plan by applicants who are awarded a

grant is estimated at 24 hours per grantee (OMB approval is pending). Response to this request for information is required in order to receive the benefits to be derived.

C. Appendices. Appendices A, B, C and D to this NOFA are available for downloading with the application at http://www.grants.gov/applicants/apply_for_grants.jsp.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

HEALTHY HOMES LEAD HAZARD CONTROL PROGRAMS

TECHNICAL STUDIES NOFA

LEAD OUTREACH GRANT PROGRAM

Lead Outreach Grant Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Healthy Homes and Lead Hazard Control (OHHLHC).

B. Funding Opportunity Title: Lead Outreach Grant Program.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: The **Federal Register** number is: FR-5100-N-26. The OMB approval number is 2539-0015.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): 14.904, Lead Outreach Grant Program.

F. Dates: The application deadline date is May 18, 2007. Applications must be received and validated by grants.gov no later than 11:59:59 pm eastern time on the application deadline date. See Section IV of the General Section, regarding application submission procedures and timely filing requirements.

G. Additional Important Information:

1. *Overall Purpose.* This funding opportunity is to provide funding for information dissemination about lead poisoning prevention through outreach.

2. *Available Funds.* Approximately \$2 million is available under this program.

3. *Number of Awards.* Approximately 5 to 8 cooperative agreements will be awarded.

4. *Type of Awards.* The awards will be made as cooperative agreements.

5. *Eligible Applicants.* Academic and non-profit institutions located in the U.S., state and local governments, and federally recognized Native American tribes are eligible under all existing authorizations. For-profit firms are also eligible; however, they are not allowed to earn a fee (i.e., no profit can be made from the project).

6. *Matching Requirements and Leveraging.* Ten percent match or cost sharing from applicant and partners is required. All contributions, regardless of source, above the 10 percent match are considered leverage. Leveraging is encouraged. Applications will receive a higher score under Rating Factor 4 if you provide evidence of significant cost sharing and leveraging. Leveraging means increasing the amount or number of eligible activities that can be performed under this award through cash or in-kind contributions of resources. Applicants must provide evidence that proposed matching resources are not from Federal funds, and provide a statement of commitment that proposed matching or leveraging resources are not previously committed as match or leverage to support other

applications or existing awards. Match and leveraged resources may be used only for eligible activities. See Section III.B and Section V, Rating Factor 4.

7. *Limitations on Applications.* Each applicant, partner, sub-contractor and sub-recipient may participate in only one application to the Lead Outreach program. Outreach applicants are not prohibited from receiving other OHHLHC grant awards if those grant programs' selecting official selects them for such awards.

Full Text of Announcement

I. Funding Opportunity Description. Background information about lead, lead-based paint hazards and other information applicable to this NOFA can be found at: http://www.grants.gov/applicants/apply_for_grants.jsp.

A. Purpose of the Program. The purpose of this program is to raise public awareness and deliver HUD-approved training about lead-based paint as a source of lead poisoning, childhood lead poisoning prevention, and proper lead hazard identification, control and lead safe rehabilitation and maintenance methods for at-risk communities and children, primarily to underserved populations. Only entities, states or local governments that are not current Lead-Based Paint Hazard Control, Lead Hazard Reduction Demonstration, or Operation Lead Elimination Action Program (LEAP) grantees, or sub-grantees, contractors or sub-contractors receiving 10 percent or greater of the award may apply to this program. If an applicant has received previous OHHLHC funding, the application must clearly explain why there remains a need for lead outreach in that jurisdiction.

B. Authority. The authority for this program is Sections 1011(e)(8) and (g)(1) of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X of the Housing and Community Development Act of 1992), and the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007).

C. Changes in the FY 2007 Competitive NOFA. Listed below are major changes from the FY 2006 Lead Outreach NOFA:

1. The outreach and education categories have been merged and the technical assistance category of activity has been eliminated.

2. Eligible outreach and educational activities are clearly identified and described.

3. For this round of funding, higher points will be awarded to communities having confirmed elevated blood level (EBL) rates for children under 6 years of

age equal to or greater than 2.5 percent and that track and report lead poisoning data.

II. Terms of Award

A. Available Funding

Approximately \$2 million from fiscal year 2007 and prior year funds is available under this program. HUD anticipates that approximately five to approximately eight cooperative agreements will be awarded, for a minimum of \$200,000 and a maximum of \$400,000 each for the entire period of performance.

B. Type of Award and Period of Performance

1. Awards will be made as cooperative agreements.

2. The anticipated start dates for new awards is expected to be no later than October 1, 2007. The period of performance for awards will be 24 months from the date of award.

3. Period of performance extensions for delays due to exceptional conditions beyond the grantee's control will be considered for approval by HUD in accordance with 24 CFR 84.25(e)(2) or 85.30(d)(2), as applicable, and the OHHLHC Program Guide. If approved, grantees will be eligible to receive a single extension of up to 12 months in length. Although applicants are encouraged to plan projects with shorter performance periods than 24 months, you should consider the possibility that issues may arise that could cause delays when developing your schedule.

III. Eligibility Information

A. Eligible Applicants

1. Academic, not-for-profit and for-profit institutions located in the United States, states and units of general local government, and federally recognized Native American tribes are eligible to apply. For-profit firms are not allowed to earn a fee (i.e., make a profit from the project).

2. Current Lead-Based Paint Hazard Control, Lead Hazard Reduction Demonstration, or Operation Lead Elimination Action Program (LEAP) grantees, sub-grantees, entities, states or local governments receiving 10 percent or greater of the grant award are not eligible to apply to this program as applicants, sub-grantees, team members, contractors or sub-contractors in any capacity receiving 10 percent or greater of grant funds. Conversely, an entity may not apply under this NOFA or be a sub-grantee, sub-contractor, participant, or partner receiving 10 percent or greater of grant funds. An entity that is an existing grantee, sub-

grantee, sub-contractor or partner receiving 10 percent or greater of grant funds on another application or grant may not apply under this program in any role. Organizations that are "doing business as" a different organization are considered to be the same entity. Organizations may not qualify for eligibility by applying under a different name.

B. Cost Sharing or Matching Requirements. A 10 percent match is required. Leveraging is encouraged. Applicants must provide a matching contribution of at least 10 percent of the requested cooperative agreement sum. If an applicant does not include proper documentation of the minimum 10 percent match requirements in the application, it will be considered ineligible for an award and will not be reviewed. Matching contributions may be in the form of cash or in-kind (non-cash) contributions or a combination of these sources. Matched resources must be used only for eligible activities. With the exception of Community Development Block Grant (CDBG) funds, or other programs that only allow their funds to be considered local funds and therefore eligible to be used as matching funds, federal funds may not be used to satisfy any statutorily required matching requirement, as applicable. Federal funds may be used, however, for contributions above the 10 percent match requirement, provided that these funds are used only for eligible activities under the Lead Outreach program. The applicant must submit a letter of commitment for the match or leverage from each organization other than itself that is providing match or leverage, whether cash and/or in-kind. The letter must indicate the amount and source of the match, and detail how the matching funds will be specifically dedicated to and integrated into supporting the proposed cooperative agreement program. The signature of the authorized official on the Form SF-424 commits proposed matching or other contributed resources of the applicant organization. A separate letter from the applicant organization is not required.

C. Other

1. Threshold Requirements.

Applicants must also meet the threshold requirements of the General Section, including the Civil Rights threshold.

2. Policies applicable to all activities in this NOFA.

a. Each awardee will be assigned a GTR (Government Technical Representative) who will provide oversight and approve grantees' activities and deliverables.

b. Awardees must use existing outreach, training and technical assistance documents unless they can adequately justify in their application that a great need exists in their community to substantively modify existing documents or create new ones. Before creating a new product (such as a brochure, curriculum or technical document), grantees must investigate if a similar item already exists and can be used or revised with a level of effort lower than would be spent creating a new equivalent product. Applicants must ensure that materials are appropriate for the target populations, including persons with Limited English Proficiency (LEP), and for visually impaired or other disabled persons (see Eligible Activities, below). All new products and adaptations/translations must be submitted to HUD as deliverables, in electronic format suitable for web posting.

c. For use under this program, all documents in languages other than English must be culturally neutral (understandable by speakers of all dialects of the target language). For a new translation to be acceptable, grantees must provide evidence that translators are certified by the American Translators Association. Awardees are responsible for first determining if a translation already exists. Quality reviews are required for all translations. Reimbursements will not be allowed for translations of federal documents that have previously been translated into the target language.

d. HUD has noted that during prior funding rounds, some applicants to this program have not met all requirements for application content and submission. HUD recommends that applicants use and follow the application checklist in this NOFA to help them identify any missing elements and complete the application before it is submitted. No information may be submitted after the deadline date except under the threshold review process. Although applications with curable deficiencies are offered an opportunity at threshold review to submit certain information to cure these deficiencies, non-curable deficiencies are not correctable and may disqualify an application. (See General Section.)

3. Eligible Activities. Consideration will only be given to proposed activities that are specifically listed as eligible in this NOFA. Other work activities are ineligible. All activities must address childhood lead poisoning prevention (primarily from lead-based paint in housing) and/or control at the national, regional, and/or local levels. If an activity or training curriculum is not

specifically listed below, it may not be used. The following section lists specific eligible activities.

a. Door-to-door canvasses, small-group meetings, community meeting visits, health fairs, conducting presentations or speaking engagements to inform the public and owners of housing, including owners receiving rehabilitation or other tax credits, about programs that can assist in control of the identified lead hazards, and other activities to publicize or conduct events that highlight lead hazards in the home environment;

b. Earned media (no-cost public service announcements), news stories in radio, print, or TV to raise public awareness and promote name recognition for treatment programs;

c. Advertising (paid ads on buses, billboards, etc.);

d. Use of collateral materials and campaign props and incentives. These materials include outreach brochures and printed materials, visual presentations, giveaways with outreach providers' phone numbers/contact information, mascots, cleaning kits, meals not to exceed \$10 in value per meal per person, etc. The use of appropriate training materials is also eligible, but training materials are not considered to be collateral materials, props or incentives. (See paragraph III.C.3.o., Eligible Activities, below.) Outreach materials and props can support general lead outreach and education efforts. However, the budget must include details of the items including cost per item. All expenditures made by a grantee must be linked to specific outreach activities and listed in the approved budget;

e. Development and maintenance of infrastructure and support such as telephone hotlines and Web sites;

f. Entering into working arrangements with regional/local non-profit organizations, including grassroots community-based organizations, faith-based organizations; chambers of commerce; public and private social service agencies; corporations, retailers, construction organizations, or unions for the purpose of coordinating or conducting joint outreach activities;

g. Other outreach activities designed to disseminate information to targeted populations identified as being at-risk of lead poisoning;

h. Making materials available in alternative formats for persons with disabilities (e.g., Braille, audio, large type) upon request, and providing materials in languages other than English that are common in the community, consistent with HUD's published Limited English Proficiency

(LEP) Recipient Guidance, 68 FR 70968 (see above);

i. Program administration in accordance with the guidelines established under funding restrictions;

j. Program evaluation and assessment activities to improve the effectiveness of present and future outreach efforts and to measure whether efforts have successfully been targeted to at risk populations;

k. Innovative use of funds to outreach and education to regional/local community groups, residents, and other appropriate community stakeholders to resolve regional/local lead poisoning problems, as approved by the GTR;

l. Delivery of HUD-approved (or state-approved, as applicable) Lead Safe Work Practices (Interim Controls), EPA- or state-approved lead training, Lead Awareness training curricula, or visual assessment training, for the target audience(s);

m. Training regional/local residents and businesses, including retail paint sales associates and managers, on identifying and preventing lead-based paint hazards, and lead safe maintenance and renovation work practices, etc.;

n. Educating tenants, owners, housing inspectors, and others about HUD's lead safety regulations, including the Lead Disclosure Rule and Lead Safe Housing Rule (24 CFR part 35), regional/local building codes, and HUD's Housing Quality Standards (HQS) and Uniform Physical Condition Standards (UPCS), as applicable;

o. Training curriculum design, development, maintenance and evaluation; preparing, distributing appropriate training materials, including photographs, other graphics and visual presentations (compliance with copyright and trademark laws is the responsibility of the grantee);

p. Applying for or maintaining EPA, State or HUD approval of training program (as applicable);

q. Promoting or marketing training courses directly or through partnerships with organizations conducting outreach;

r. Delivery of formal or one-on-one or group educational or training sessions in classrooms, homes or other locations;

s. Delivery of informal one-on-one or group educational sessions, workshops or demonstrations in homes or other locations (cleaning techniques, etc.);

t. Participation in training-related partnerships and task forces; and,

u. Auditing course delivery, training, mentoring and evaluating trainers to increase lead safety training capacity.

IV. Application and Submission Information

A. Address to Request Application Package. All the information required to submit an application can be downloaded from the web at http://www.grants.gov/applicants/apply_for_grants.jsp. Consult the General Section for more information. If you have difficulty accessing the information, you may call the Grants.gov helpline toll-free at (800) 518-GRANTS or e-mail Support@grants.gov.

B. Content and Form of Application Submission

1. *Application Format.* Because of the electronic submission process, proposals must conform to the formatting requirements below to be eligible. All material submitted must be required or be in support of the narrative response to the rating factors. Any material, whether required or supplemental, that is not properly located in the application, and referenced and discussed within the narrative statement as described below, will not be rated. The narrative response to all rating factors (see below) must be submitted within a single electronic file within the zip file attached to the application. The narrative response to the five rating factors may not exceed 25 pages (excluding required additional materials and worksheets, see below) equivalent to one-side only on 8½ x 11 inch paper using a standard 12-point font with not less than ¾-inch margins on all sides. Each attachment or appendix must be an individual electronic file. All pages must be numbered in order starting with the cover page and continuing through the appendices. HUD is not responsible for electronic transmission errors or omissions. Applicants are responsible for verifying the successful transmission of all documents submitted with their applications.

2. *Prohibition on Materials Not Required.* Submission of materials other than those specified as allowable by this NOFA are prohibited. Reviewers will not consider resumes (other than those called for in response to the rating factors), reports, charts, letters, or any other documents attached to the application.

3. *Required Application Contents.* Applications must contain all of the information required by this NOFA, including the following items:

a. *Application Abstract.* An abstract is required. It may not exceed 2 pages of 8½ x 11 inch paper using a standard 12-point font with not less than ¾-inch

margins on all sides in length, and must summarize the proposed project, including the objectives, proposed activities and expected results, the dollar amount requested, and contact information for the applicant and project partners. Information contained in the abstract will not be considered in the evaluation and scoring of your application. Any information you wish considered should be provided under the appropriate rating factor. The 2-page abstract will not be included in the 25-page limit of the application.

The abstract will be used for developing the news release to the public if the application is funded.

b. *Narrative Response.* A narrative statement with supporting required forms and other documents addressing the five rating factors for award is required. This portion of the application consists of a narrative response to each of the five rating factors (total 25-page limit), specific HUD-required forms documents (which do not count toward the page limit), and optional supplemental material (20-page limit). Pages in excess of these limits will not be read. Each of Rating Factors 1–5 has an associated required form (HUD–96012, HUD–96013, HUD–96014, HUD–96015, and HUD–96010, respectively) that does not count toward the page limits, and must be located immediately after the response to that rating factor (see list of forms, below). You are advised to review each factor carefully for program specific requirements. The response to each factor should be concise and contain only information relevant to the factor, but detailed enough to address each factor fully. Please do not repeat material in response to the five factors; instead, focus on how well the proposal responds to each of the factors. In factors where there are sub-factors, each sub-factor must be presented separately.

All information relative to a given rating factor MUST be contained in the narrative for that rating factor. If it is found in a different rating factor, IT WILL NOT BE CONSIDERED. In addition, supplemental material that is not referenced and discussed within that portion of the narrative will not be considered.

c. In addition to the abstract and narrative response described above, the following materials (which do not count toward the page limits) must be included in the locations specified: resumes, process flow diagram for the project (not the employer's organizational chart), budget, and other required forms. The standard forms can be found in the application package on Grants.gov.

(1) Resumes and a process flow diagram for your project must be placed immediately following the narrative response to Rating Factor 1. Resumes for project director, day-to-day program manager and up to 3 key personnel (limited to 3 pages per resume) are required. (See Rating Factor 1.)

(2) Include a detailed budget for any sub-contractors, sub-grantees, or sub-recipients receiving greater than 10 percent of the federal budget request. Use the budget format discussed in Rating Factor 3.

(3) Form HUD-96010, Logic Model (See Rating Factor 5).

(4) General letters of support will not be considered and are discouraged.

d. Applicants are encouraged to use the following checklist to ensure that all required materials have been prepared and submitted. Do not submit the checklist (see below) with the application.

Checklist for Applicants

Abstract (Limited to 2 Pages)

Required Information Supporting Rating Factors

1. Capacity of the Applicant and Relevant Organizational Experience, plus Form HUD-96012; Resumes of Proposed Project Director, Day-to-day Program Manager and up to 3 Key Personnel; Project Organization Chart.

2. Need/Extent of the Problem, plus Form HUD-96013.

3. Soundness of Approach, plus Form HUD-96014; budget forms and narrative budget justification.

4. Matching and Leveraging Resources plus Form HUD-96015, Leveraging Resources, Letters of Commitment attached immediately after Rating Factor 4.

5. Achieving Results and Program Evaluation plus Form HUD-96010 Logic Model.

Additional Material Supporting the Rating Factors (attachments, appendices, etc.: 20-page limit)

Complete Checklist of Required Forms and Budget Material

1. Form SF-424 (Application for Federal Assistance).

2. Form HUD-CBW (Detailed Budget Worksheet).

3. Form SF-424 SUPP (Faith Based EEO Survey) (to be completed by private nonprofit organizations only).

4. Form SF-LLL (if applicable) (Disclosure of Lobbying Activities).

5. Form HUD-2880 (Applicant Recipient Disclosure Report).

6. Form-2990 Certification of Consistency with the RC/EZ/EC/II Strategic Plan (required only for

applicants who are seeking these bonus points).

7. Form HUD-2994A You Are Our Client Grant Applicant Survey (Optional).

8. Form HUD-27300 HUD Communities Initiative (if applicable) (up to 2 points can be awarded).

9. Form HUD-96011 Facsimile Transmittal, for electronic applications (used as the cover page to transmit third-party documents and other documentation designed for each specific application for tracking purposes. HUD will not read faxes that do not use the HUD-96011 as the cover page to the fax).

C. Submission Dates and Times

Application Submission Dates: Applications must be received and validated by Grants.gov by 11:59:59 p.m. eastern time on the deadline date. Refer to the General Section for additional requirements including registration requirements, deadline dates, Grants.gov validation, proof of delivery, and other information regarding electronic application submission via <http://www.grants.gov>.

D. Intergovernmental Review. Not applicable to this program. See 24 CFR Part 52.

E. Funding Restrictions.

1. *Administrative Costs.* There is a 10 percent maximum allowance for administrative costs. Additional information about allowable administrative costs is provided in Appendix A and can be downloaded with this application from http://www.grants.gov/applicants/apply_for_grants.jsp. Eligible administrative costs include leases for office space, under the following conditions:

a. The lease must be for existing facilities not requiring rehabilitation or construction;

b. No repairs or renovations of the property may be undertaken with federal funds;

c. Properties in the Coastal Barrier Resources System designated under the Coastal Barrier Resources Act (16 U.S.C. 3501) cannot be leased with federal funds.

2. *Indirect Costs.* You must comply with Indirect Cost requirements. Guidelines for indirect cost requirements are provided in Appendix B and may be downloaded as part of your application package from http://www.grants.gov/applicants/apply_for_grants.jsp.

3. HUD will not fund the following ineligible activities:

a. Purchase of real property.

b. Purchase or lease of equipment having a per-unit cost in excess of \$5,000, unless prior written approval is obtained from HUD.

c. Identification of lead-based paint or lead-based paint hazards, hazard reduction (including, interim controls or abatement), rehabilitation, remodeling, maintenance, repair, or any other construction work, blood lead testing of adults or children, laboratory analysis, medical treatment, clearance examinations and visual assessment.

d. Renovations or construction work on office space leased for the program.

e. Activities required in order to fulfill court orders or consent decrees, settlements, conciliation agreements, or other compliance agreements.

F. Other Submission Requirements

1. Applications are required to be received and validated electronically via the Web site <http://www.grants.gov>. See Section IV of the General Section for additional information on the electronic process. Waivers may only be granted for cause. See General Section for further discussion.

2. *Waiver of Electronic Submission Requirements.* Applicants should submit their waiver requests in writing by e-mail. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to Jonnette Hawkins, Director, Program Management and Assurance Division, Office of Healthy Homes and Lead Hazard Control, Jonnette_G._Hawkins@hud.gov.

V. Application Review Information

A. Criteria

1. *Threshold Requirements.* Applications that meet all of the threshold requirements will be eligible to be scored and ranked, based on the total number of points allocated for each of the rating factors described in Section V.A.3 of this NOFA. Your application must receive a total score of at least 75 points to be considered for funding.

2. *Award Factors.* Each of the five factors is weighted as indicated by the number of points that are assigned to it. The maximum score that can be attained is 100 plus 2 possible bonus points. Applicants should be certain that each of these factors is adequately addressed in the project description and accompanying materials.

3. Rating Factors for All Categories.

a. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (20 points). This factor includes information about the organization, its individual employees

and partners, and past performance. Higher points will be given for more recent, relevant experience of high quality. The following areas will be evaluated: organizational capacity, experience and past performance, individual staff and participants' qualifications including education and experience, and specific qualifications related to the categories of activities under this NOFA. Applicants should not explain their work plans in this rating factor response, but should demonstrate the ability and commitment of its organization as a whole and the individuals proposed to serve on this project.

(1) *Organizational Experience.* This sub-factor addresses the extent to which the applicant's organization has the organizational experience necessary to successfully implement the proposed activities in a timely manner. HUD will evaluate the organization's experience in initiating, implementing, and evaluating related outreach, health education and training and recruitment projects, or solving community problems directly related to this program. In rating this sub-factor, HUD will consider the extent to which the proposal demonstrates organizational experience that is recent and relevant. HUD will consider organizational experience within the last 5 years to be recent and experience pertaining to activities of similar scope to be relevant.

(a) Describe whether you have sufficient personnel, or will be able to quickly hire qualified experts or professionals to begin your proposed project within 30 days of award, if funded.

(b) Describe how the principal components of your project organization will participate in, or support, your project, and how you propose to coordinate with your partners. Include a project-specific organizational chart indicating the organizational capacities of and interrelationships among the various entities involved in the project. Do not provide an organization chart of your employer unless it meets the project-specific criteria described above.

(c) Past performance in previous projects with an emphasis on health education, outreach and recruitment, training and education, or technical assistance. This sub-factor evaluates the extent to which an applicant has performed previous work successfully. Provide details about the nature of projects performed through grants or contracts. Applicants failing to disclose previous grants or contracts with OHHLHC or HUD may be deemed ineligible for award. To receive maximum points for this factor,

applicants must provide the following specific information:

(i) A detailed list outlining the period of performance, achievement of specific tasks, measurable objectives (benchmarks) and outcomes consistent with the approved timeline/work plan and budget;

(ii) If any applicant, proposed partner, contractor, sub-contractor or sub-recipient intending to receive 10 percent or greater of the award funding has had previous OHHLHC grant funding, the application must provide details about the level of performance on that grant, clear justification as to why additional funds are requested at this time and explanation regarding the local lead poisoning surveillance and a tracking system. If the jurisdiction has no local system for tracking and reporting blood lead data, do not enter any EBL data on HUD-Form 96013 (see Rating Factor 2, Need/Extent of the Problem).

(iii) Comparison of previous awards' proposed match or leveraged resources compared to what was actually matched; and,

(iv) A detailed list outlining the timeliness and completeness of complying with all reporting requirements. In addressing timeliness, compare when reports were due with when they were actually submitted.

(2) *Individual Qualifications:*

(a) *Project Director and Day-to-Day Project Manager.* OHHLHC considers these to be among the most important individuals working on its grants. Programs that do not experience vacancies or high turnover in these important positions typically have levels of performance and success that are higher than those of programs having vacancies or high turnover. Identify by name the individuals proposed to serve as the overall project director and day-to-day project manager. The terms "Project Director" and "Day-to-Day Project Manager" must be used consistently in the application to earn points for individuals having these responsibilities, regardless of their current employer-assigned position titles. Describe their individual qualifications that will enable them to function effectively in their assigned roles, including knowledge, work experience, management experience, education, training, and publications. Include specific projects they have performed involving planning and managing large and complex interdisciplinary outreach or educational programs, especially those involving housing, public health, or environmental initiatives.

(b) *Other Key Personnel.* Identify by name and position up to three

additional key personnel. In this rating factor response, provide the individual qualifications, experience, percentage commitment to the project, salary costs to be paid by funds from this program, and role in the proposed project for each key personnel. You must provide resumes (or position descriptions and copies of job announcements including salary range, for vacant positions) for the project director, day-to-day project manager, and up to three additional key personnel to receive maximum points for this rating sub-factor.

(c) *Sub-recipients (sub-grantees, sub-contractors and consultants).* Include descriptions of their experience and qualifications. Detail their grant and financial management experience. You may find it useful to include a table indicating the name, position and percentage contribution of participating individuals, specifying organizational affiliation. Describe who is responsible for quality control of processes and materials produced by sub-recipients.

(3) In addition to other eligibility criteria and knowledge of OHHLHC's grant programs, applicants must also demonstrate specific capacity as follows:

(a) *Outreach Providers:* Specific capacity to provide outreach services, such as holding community meetings, health fairs, adapting printed materials, writing public service announcements, etc. Applications that include development and distribution of media products in languages other than English must include a discussion of the applicant's (or sub-grantee's/contractor's) expertise in those languages and in meeting the informational needs of non-English-speaking, underserved populations. Outreach grantees involving face-to-face interaction with the community should have staff that are well-trained, motivated, committed to the program, and reflect the characteristics of the target community.

b. *Rating Factor 2: Need/Extent of the Problem (10 Points).* This factor addresses the extent to which there is a need for funding the proposed program activities and an indication of the importance of meeting the need(s) in the target area. In this round of funding, HUD is targeting those communities with significant numbers of lead poisoned children. All applicants are encouraged to target minority populations and utilize minority media in an effort to achieve diversity in outreach and educational efforts. The proposal will be evaluated on the extent to which the level of need for the proposed activities and the importance of meeting the need(s) are documented.

To earn any points for this factor, the data used must be specific to the area where the proposed activities will be carried out (for projects with specific regional/local target areas, do not apply the data to the entire regional/locality or state). To receive maximum points for this factor, proposals must demonstrate that the target area(s) has a rate of elevated blood lead levels in children up to age six of 2.5 percent or greater. Lead poisoned children are children up to age 6 (72 months) who are tested and have confirmed blood lead levels of at least 10 micrograms per deciliter ($\mu\text{g}/\text{dL}$). For this program, the confirmed EBL rate is the total number of confirmed cases expressed as a percentage of the total number of children tested.

In order to receive maximum points, proposals addressing one or a few communities must explain how the targeted community's(ies) Five Year Consolidated Plan(s) and Analysis(es) of Impediments to Fair Housing Choice (AI) identify the level of the problem and the urgency in meeting the need. Only communities whose Consolidated Plans identify lead-based paint hazards in housing as a serious problem and have a clear implementation strategy for meeting this need will receive maximum points for this rating factor. Communities having Consolidated Plans that indicate the most serious needs and present the clearest strategies will receive higher points for this rating factor.

To demonstrate these needs, applicants must use surveys or other analyses contained in at least one or more current and reliable data sources. In rating this factor, HUD will consider data collected within the last five (5) years and published by government agencies or peer-reviewed journals to be current and reliable. Sources for regional/localized data can be found at: <http://www.ffiec.gov>. Other reliable sources of data include, but are not limited to, Census reports, HUD Continuum of Care gap analysis and its E-Map (to find additional information, go to HUD's Web site: <http://www.hud.gov/emaps>), Comprehensive Plans, community needs analyses such as provided by the United Way, and other sound, reliable, and appropriate sources.

c. Rating Factor 3: Soundness of Approach (40 Points). This factor contains three sub-factors:

- (1) your goals and objectives;
- (2) the quality and cost-effectiveness of your proposed work plan; and,
- (3) proposed budget.

Before developing a work plan, applicants should review the activities

that are not eligible under this program, as described in Section IV.E.3, above. No points will be awarded for ineligible activities. Higher points will be given to applications that contain approaches with clearly articulated goals, activities and sub-activities, and demonstrate a logical progression of implementation steps.

(1) Project Goals (10 Points). Describe:

- (a) The goals and objectives for your project based on the need described under Rating Factor 2, and
- (b) How proposed activities would address your goals and HUD's policy priorities.

See the General Section for information on HUD's policy priorities. The policy priorities that are applicable to the Lead Outreach NOFA and that are eligible for one point each are: (1) Improving our Nation's Communities (focus on distressed communities); and (2) Providing full and equal access to grass-roots, faith-based and other community-based organizations in HUD program implementation. Removal of regulatory barriers to affordable housing is eligible for up to 2 points provided the required documentation, as specified in form HUD 27300 (HUD Communities Initiative), is part of the application submission to HUD. Applicants may also provide a Point of Contact Name and phone or email address and the required documentation as noted in the form HUD 27300. You may provide a URL for a Web site where the required documentation is readily accessible for use.

(2) Work Plan (20 Points). HUD will award maximum points for this sub-factor to applications that demonstrate a high probability of success of the program, convey the significance of the tasks identified, and propose realistic time frames. This portion of the response will be evaluated based on the extent to which the proposed work plan demonstrates the following:

- (a) The general approach and overall strategy;
- (b) Specific, measurable and time-phased objectives for each major program activity, accompanied by a complementary schedule indicating proposed date(s) of completion (in three-month intervals);
- (c) Specific services and/or activities.

The work plan must identify all major tasks and list all proposed activities in sequential order. For maximum points, the activities must correlate to the needs explained in the narrative response to Rating Factor 2. All activities under this program must assist the regional/local area to develop or implement a strategy to eliminate lead poisoning, target at-risk populations or areas, and

implement programs to meet those populations' information needs. In addition, grantees' regular, routine activities must provide information to owners and low-income occupants about regional/local resources for housing rehabilitation and lead hazard control programs.

Describe in detail how you will identify and serve participants receiving services, especially participants in high-risk groups and communities, vulnerable populations and persons traditionally underserved. Include a brief, concise outreach strategy or marketing plan, as applicable, in the work plan and list on the Logic Model (submitted under Rating Factor 5). To receive maximum points, you must:

- (i) Identify your approaches to overcoming poor response, attendance or participation difficulties and explain how you will ensure that proposed activities do not duplicate activities by others for the target area previously completed or currently underway;
- (ii) Identify the personnel responsible for major tasks;
- (iii) Describe your products or outputs and expected outcomes or impacts;
- (iv) Describe your proposed methods to research existing materials or develop new ones, and print and disseminate materials for outreach or training. (Note: All products to be distributed to the public, whether in hard copy or electronic format, must be submitted to HUD for review and in final form as deliverables in electronic format suitable for web posting.)
- (v) Describe how you will ensure that materials will be of consistently high quality and technically sound;
- (vi) Describe the plan to manage the project. Include details about the management and financial systems, and how you will track and ensure the cost-effectiveness of expenditures and will link them to specific activities;
- (vii) Describe how you propose to coordinate with HUD field offices and HUD program personnel, as applicable, in your application; and
- (viii) Describe how you will make materials available in alternative formats for persons with disabilities (e.g., Braille, audio, large type) upon request, and provide materials in languages other than English that are common in the community, consistent with HUD's published Limited English Proficiency (LEP) Recipient Guidance, 68 FR 70968.

(d) Outreach providers must follow these specific program requirements:

- (i) Increase lead awareness among the general public;
- (ii) Provide information to owners and low-income occupants about regional/

local resources for housing rehabilitation and lead hazard control programs; and

(iii) Create a detailed outreach strategy as part of their work plan.

(e) Training providers must follow these specific program requirements:

(i) Meet a documented regional/local need to develop a sustainable capacity of lead safety trained workers and/or EPA-or state-certified lead professionals;

(ii) Have underserved and minority populations as the primary target audience;

(iii) Provide information to owners and low-income occupants about regional/local resources for housing rehabilitation and lead hazard control programs;

(iv) Perform structured education of other groups about lead poisoning prevention and control;

(v) Target a specific, appropriate audience;

(vi) Use a HUD-approved curriculum for all interim controls training and specify in the application all training materials to be used;

(vii) Provide plans for sustainability including train-the-trainer programs;

(viii) Design the course materials as "step-in" packages so that HUD or other training providers may independently conduct the course on their own;

(ix) Make the course materials available to the GTR in sufficient time for review (minimum of three weeks), for you to provide revision, and for the GTR to provide concurrence on the content and quality prior to delivery;

(x) Provide all course materials in an electronic format that will permit wide distribution among field offices, and HUD grantees (see the General Section for information on formats acceptable to HUD);

(xi) Arrange for delivery of the training with HUD participation when requested by the GTR;

(xii) Establish minimum enrollments for deliveries of training courses; implement and disseminate fair course cancellation policies;

(xiii) Deliver HUD-approved training courses that have been designed and developed by others on a "step-in" basis when requested; and

(xiv) For Interim Controls (Lead Safe Work Practices), training providers must comply with HUD's Interim Criteria to Evaluate Training Courses in Lead Safe Work Practices (<http://www.hud.gov/offices/lead>). The costs associated with attending these required sessions are eligible under the grant.

(f) Institutionalization (applies to all applicants). All applicants must provide a detailed description of how the applicant plans to mainstream or

continue integrating lead poisoning prevention into its regular, permanent programs. To evaluate institutionalization, HUD will evaluate the extent to which the applicant (and partners) demonstrate:

(i) Other lead poisoning prevention projects that are locally funded;

(ii) Specific examples of and the degree of implementation of the Lead Safe Housing Rule in the jurisdiction's publicly-funded housing programs, as applicable;

(iii) Commitment to undertake project activities in the future;

(iv) Support and involvement of the applicant's organizational leadership; and

(v) Commitment to include lead-related work in decisions affecting policy and program development.

(3) Budget Justification (10 Points). HUD is not required to approve or fund all proposed activities. Your budget will be evaluated for its reasonableness, clear justification, and consistency with the work plan. Submit a narrative justification associated with the budget that explains all budget categories and costs for each major task of the work plan and that does not simply repeat the budget numbers in the narrative. Identify the source of funds as HUD, applicant match, or third-party (partner) leverage. Each budget page should identify the entity and project year to which it applies. Higher points will be awarded for greater percentages of sub-contracting and substantive work performed by bona fide and legitimate grassroots organizations, including faith-based and other community-based non-profit organizations, Fair Housing Organizations, advocates for various minority and ethnic groups, and persons with disabilities. Applicants should note that national-level organizations are not considered by HUD to be grassroots organizations, which are generally small, local groups with social services budgets less than \$300,000. In completing the budget forms and justification, you should address the following specific elements:

(a) Direct Labor. Direct Labor costs should include all full- and part-time staff required for the planning and implementation phases of the project. These costs should be based on full-time equivalent (FTE) or hours per year (hours/year) (*i.e.*, one FTE equals 2,080 hours/year);

(b) Travel to HUD Meetings. You should budget for one trip annually to HUD Headquarters in Washington, DC, planning each trip for two people for 2 or 3 days, depending on your location;

(c) Sub-grantee and Sub-recipient Budgets. Without exception, a separate

budget proposal must be provided for any sub-recipient(s) receiving greater than 10 percent of the total federal budget request;

(d) Provide supporting documentation for salaries and cost of materials and equipment; and

(e) Federally Negotiated Indirect Cost Rate, without exception. Organizations that have a federally negotiated indirect cost rate should provide documentation of that rate. Organizations not having a federally negotiated rate schedule must obtain a rate from their cognizant federal agency. Applicant and sub-grantee budgets should reference only their own indirect cost rates.

d. Rating Factor 4: Leveraging Resources (15 points). This factor evaluates the ability to:

(1) Contribute allowable resources from your organization; (2) leverage (secure) other allowable public and/or private sector resources (such as financing, supplies, or services) that can be added to HUD's funds to perform eligible activities; and, (3) sustain your proposed project from sources other than HUD at the end of the period of performance. This program has a 10 percent match requirement. Higher points will be awarded for percentages of leveraged resources, compared to the amount of HUD funds requested. To receive points for leveraged resources above the 10 percent required match, all contributions committed for the period of performance, whether cash or in-kind, must be expressed in dollar values and documented in a commitment letter (or memorandum of understanding, or agreement to participate) on official letterhead submitted with the application signed and dated by a responsible official legally able to make commitments on behalf of the organization, from each contributing organization (except that leveraging from the applicant's own resources does not require a letter of commitment). The letter must describe the contributed resource(s) that will be used in your project, and roles and responsibilities as they relate to the proposed project. Letters must be submitted with your application.

For more information on matching and leveraging resources, see Appendix C, which can be downloaded from http://www.grants.gov/applicants/apply_for_grants.jsp.

e. Rating Factor 5: Achieving Results and Program Evaluation (15 points). This rating factor reflects HUD's goal to embrace high standards of ethics, management, and accountability. Describe in detail your Year 1, Year 2 and Total goals. State clearly the project activities including specific goals

(outputs) of each activity and how you will achieve those goals. Describe how you will measure the results. Provide your goals, activities (outputs), outcomes and projected performance results (goals) for the entire grant period. In the narrative, explain how you will document and track your goals, program activities, and schedules. Identify the procedures you will follow to make adjustments to your work plan to improve performance if projected outputs and outcomes are not met within established timeframes. To receive maximum points for this rating factor, you must explain your plan to *actively manage, not solely implement*, the proposed program. All awardees will be required to use HUD's Logic Model to report results. Grantees may also use a project management tool, to manage and evaluate the programs' effectiveness and modify strategies as needed to achieve the greatest return on HUD's investment. HUD has found that modest additional actions to gather information about results would enable grantees to better measure the impact of their outreach and education efforts. Outcomes that are vague or not measurable will not receive points.

Applicants must complete and return the Logic Model Form HUD-90610. HUD is using a standardized "Master" Logic Model from which you can select needs, activities (outputs), and outcomes appropriate to your program. See the General Section for detailed information on use of the "Master" Logic Model. HUD is requiring grantees to use program-specific questions to self-evaluate the management and performance of their program. Training on HUD's Logic Model and reporting requirements will be provided via satellite broadcast. In evaluating Rating Factor 5, HUD will consider how you have described the management and evaluation mechanisms, benefits, and outcome measures of your program. HUD will also consider the proposed objectives and performance objectives relative to cost and achieving the purpose of the program, as well as evaluation plan, to ensure the project is on schedule and within budget. Instructions for completing the Logic model are found in Tab 1 of the form HUD 96010. Training on the Logic Model is available via satellite broadcast and webcast. The training schedule can be found on <http://www.hud.gov/offices/admin/grants/fundsavail.cfm>.

f. Bonus Points for Federally Designated Zones and Communities (2 points). HUD will award two bonus points to each application that includes a valid Form HUD-2990 certifying that the proposed activities/projects in the

application are consistent with the strategic plan for an empowerment zone (EZ) designated by HUD or the United States Department of Agriculture (USDA), the tax incentive utilization plan for an urban or rural renewal community designated by HUD (RC), or the strategic plan for an enterprise community designated in round II by USDA (EC-II) and that the proposed activities/projects will be located within the RC/EZ/EC-II identified above and are intended to serve the residents. A listing of the RC/EZ/EC-II is available on the Internet at <http://www.hud.gov/cr>.

B. Reviews and Selection Process.

1. The review and selection process is provided in the General Section. The General Section also provides the procedures for correcting deficient applications.

2. *Partial Funding.* In the selection process, HUD reserves the right to offer partial funding to any or all applicants. If you are offered a reduced grant amount, you will have a maximum of 14 calendar days to accept such a reduced award. If you fail to respond within the 14-day limit, you shall be considered to have declined the award. Please see the General Section for a discussion of adjustments to funding that may be made by HUD during the selection process.

3. *Remaining Funds.* See the General Section for HUD's procedures if funds remain after all selections have been made.

4. *Minimum Points for Award.* Your application must receive a total score of at least 75 points to be considered for funding.

C. Anticipated Announcement and Award Dates. HUD anticipates announcing awards under this program no later than October 1, 2007.

VI. Award Administration Information

A. Award Notices

1. *Notice of Award.* Applicants that have been selected for award will be notified by letter from the Office of Healthy Homes and Lead Hazard Control Grant Officer. The letter will state the program for which the application has been selected, the amount the grantee is eligible to receive, and the name of the Government Technical Representative (GTR). This letter is not an authorization to begin work or incur costs under the cooperative agreement.

2. *Negotiations.* HUD may require that selected applicants participate in negotiations to determine the specific terms of the cooperative agreement,

budget, and Logic Model. In cases where HUD cannot successfully conclude negotiations with a selected applicant or a selected applicant fails to provide HUD with requested information, an award will not be made to that applicant. In this instance, HUD may offer an award, and proceed with negotiations with the next highest-ranking applicant. If you accept the terms and conditions of the cooperative agreement, you must return your signed cooperative agreement by the date specified during negotiation.

3. *Award Adjustments.* If funds remain after all selections have been made, the remaining funds may be redistributed or made available for other competitions.

4. *LOCCS Payment System.* After receiving the letter, additional instructions on how to have the grant account entered into HUD's Line of Credit Control System (LOCCS) payment system will be provided. Other forms and program requirements will also be provided.

5. *Start of Work.* All awardees are expected to commence activity immediately upon completion of negotiations, and execution of the cooperative agreement.

6. *Applicant Debriefing.* See the General Section for information regarding unsuccessful applicant debriefing.

B. Administrative and National Policy Requirements

1. *Environmental Review.* In accordance with 24 CFR 50.19(b)(2), (b)(3) and (b)(9), activities assisted under this program are categorically excluded from the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and are not subject to environmental review under the related laws and authorities.

2. *HUD Reform Act of 1989.* Applicants must comply with the requirements for funding competitions established by the HUD Reform Act of 1989 (42 U.S.C. 3531 *et seq.*) as defined in the General Section.

3. *Audit Requirements.* Any grant recipient that expends \$500,000 or more in federal financial assistance in a single year must meet the audit requirements established in 24 CFR Parts 84 and 85 in accordance with OMB Circular A-133. In accordance with OMB Circular A-133 (Audits of States, Regional/local Governments and Non-Profit Organizations), grantees will have to submit their completed audit-reporting package along with the Data Collection Form (SF-SAC) to the Single Audit Clearinghouse, at the address obtained from their Web site. The SF-SAC can be

downloaded at: <http://harvester.census.gov/sac/>.

4. *Timely Hiring of Staff.* HUD reserves the right to terminate awards made to recipients that fail to timely hire (within 30 days of award) staff to fill key positions identified in the applicant's proposal as vacant.

5. *Executive Order 13202.* Compliance with HUD regulations at 24 CFR 5.108 that implement Executive Order 13202, "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects", is a condition of receipt of assistance under this NOFA.

6. *Procurement of Recovered Materials.* See the General Section for further information.

7. *Conducting Business in Accordance with HUD Core Values and Ethical Standards.* Refer to the General Section for information about conducting business in accordance with HUD's core values and ethical standards.

C. Reporting

The following items are Post-Award Reporting Requirements:

1. *Final Budget and Work Plan.* Final budget and work plans are due 60 days after the effective date of the cooperative agreement.

2. *Racial and Ethnic Data.* HUD does not require Lead Outreach applicants to report ethnic and racial beneficiary data as part of their initial application package. However, such data must be reported on an annual basis, at a minimum, during the implementation of your grant agreement. You must report the data as described in the General Section and use the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data, using Form HUD-27061, Racial and Ethnic Data Reporting Form, found on http://www.hudclips.org/sub_nonhud/html/forms.htm along with instructions for its use.

3. *Progress reporting.* Progress reporting is done on a quarterly and annual basis. For specific reporting requirements, see policy guidance at: <http://www.hud.gov/offices/lead>. OHHLHC awardees will submit quarterly reports via an on-line

reporting system and will use their Logic Model approved as part of the grant agreement to measure and report performance for each quarter. The quarterly report must reflect all benchmarks (output goals) and proposed outcomes (results) that are indicated on the Logic Model with an associated cost estimate. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept. Deviations from projected outputs and outcomes, either positive or negative, should be reported in the Logic Model under the reporting Tab. The completed Logic Model showing output and outcome status must be submitted as part of the quarterly progress report.

4. *Final Report.* An overall final cooperative agreement report, due at the completion of the cooperative agreement, will detail activities (e.g., the number of low-income housing units enrolled in lead hazard treatment programs as a result of activities performed under the cooperative agreement, number and type of materials produced, activities conducted, evaluation of the various outreach and educational methods used, findings, and recommended future actions at the conclusion of cooperative agreement activities). The final report shall include cumulative achievements, final project outputs, outcomes and results reported against the project's Logic Model (Form HUD-96010) as approved and incorporated into your award agreement, including explanations of any deviations from projected levels of performance.

VII. Agency Contacts

For programmatic questions, you may contact Jonnette Hawkins, Office of Healthy Homes and Lead Hazard Control; telephone (202) 755-1785, extension 7593 (this is not a toll-free number) or via e-mail at Jonnette_G._Hawkins@hud.gov. For grants administrative questions, you may contact Mr. Royal Rucker, Office of Healthy Homes and Lead Hazard Control; telephone (202) 755-1785 extension 7584 (this is not a toll-free number) or via e-mail at Royal_A._

Rucker@hud.gov. If neither of these individuals is available, you may contact the Office's general Lead Regulations hotline, at (202) 755-1785, extension 7698. Your call will be forwarded in one business day for subsequent response by the appropriate staff. Hearing- or speech-challenged individuals may access these numbers through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

VIII. Other Information

A. For additional information about this NOFA, program, or for general, technical, and grant program information pertaining to the Office of Healthy Homes and Lead Hazard Control, visit: <http://www.hud.gov/offices/lead>.

B. Paperwork Reduction Act

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2539-0015. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 80 hours to prepare the application, 16 hours to finalize the cooperative agreement, and 32 hours per annum for grant administration (progress reporting) per respondent. This includes the time for collecting, reviewing, and reporting the data for the application, semi-annual reports, and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

C. Appendices

Appendices A, B, and C of this NOFA are available for downloading with the application at http://www.grants.gov/applicants/apply_for_grants.jsp.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**HEALTHY HOMES LEAD HAZARD
CONTROL PROGRAMS**

TECHNICAL STUDIES NOFA

**HEALTHY HOMES DEMONSTRATION
PROGRAM**

Healthy Homes Demonstration Program*Overview Information*

A. Federal Agency Name: Department of Housing and Urban Development, Office of Healthy Homes and Lead Hazard Control (OHHLHC).

B. Funding Opportunity Title: Healthy Homes Demonstration Program.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-19, OMB Paperwork approval number 2539-0015.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): 14.901, Healthy Homes Demonstration Program.

F. Dates: The application deadline date is May 18, 2007. Applications must be received and validated by Grants.gov no later than 11:59:59 pm eastern time on the application deadline date. See the General Section IV, regarding application submission procedures and timely filing requirements.

G. Additional Information

1. Purpose of the Program. The purpose of the Healthy Homes Demonstration Program is to develop, demonstrate, and promote cost-effective, preventive measures to correct multiple safety and health hazards in the home environment that produce serious diseases and injuries in children in low- and very low-income families. The Healthy Homes Demonstration program is committed to supporting the Departmental Strategic Goal of strengthening communities by addressing housing conditions that threaten health. As a part of this commitment, the Healthy Homes Initiative strives to reduce allergen levels in 5,000 units by 2011, and correspondingly, reduce asthmatic episodes for 3,000 children living in those units.

2. Available Funds. HUD anticipates that approximately \$5,000,000 in fiscal year 2007 and prior year funds will be available.

3. Anticipated Awards. Approximately five to seven cooperative agreements will be awarded for a maximum of \$1,000,000 each for the entire period of performance.

4. Eligible Applicants. Not-for-profit institutions and for-profit firms state and local governments, federally recognized Indian Tribes, and colleges and universities located in the United States. For-profit firms are not allowed to make a profit from the project.

5. Type of award. Cooperative Agreements, with substantial involvement of the Government, will be awarded (see Paragraph II.C for a description of substantial involvement).

6. Match. None required, but leveraging strongly encouraged.

7. Limitations. There are no limitations on the number of applications that each applicant may submit.

8. Information on application. The applications for this NOFA can be found at http://www.grants.gov/applicants/apply_for_grants.jsp. The General Section contains information about Grants.gov registration, submission requirements, and submission procedures.

Full Text of Announcement**I. Funding Opportunity Description***A. Background*

The Healthy Homes Demonstration Program is a part of HUD's Healthy Homes Initiative (HHI). In April 1999, HUD submitted to Congress a Healthy Homes Initiative: Preliminary Plan containing a full description of the HHI. This description (Summary and Full Report) is available on the HUD Web site at: <http://www.hud.gov/offices/lead/hhi/index.cfm>. This site also contains additional information on the HHI.

HUD believes that it is important for grantees to incorporate meaningful community participation, to the greatest extent possible, in the development and implementation of programs that are conducted in communities and/or involve significant interaction with community residents. Community participation can improve program effectiveness in various ways, including the development of more salient program objectives, recruitment and retention of study participants, participants' understanding of the program, ongoing communication, and more effectively disseminating study findings.

HUD encourages applicants to consider using a "community-based participatory research (CBPR)" approach, where applicable, in study design and implementation. For example, see the report published by the National Institute of Environmental Health Sciences titled "Successful Models of Community-Based Participatory Research" at: <http://www.niehs.nih.gov/translat/pubs.htm>. CBPR is characterized by substantial community input in all phases of a study, including the design, implementation, data interpretation, conclusions, and communication of results. The HHI seeks proposals that provide a coordinated approach to address multiple hazards caused by a limited number of building deficiencies. The HHI approach is anticipated to reduce labor and travel costs and

provide substantial savings, since separate visits to a home by an inspector, public health nurse, or outreach worker can add significant costs to project activities. OHHLHC is in the process of evaluating the effectiveness of the Healthy Homes Initiative, and, as a result of this evaluation, will be examining the efficiencies (as measured by per-unit costs and benefits) of a coordinated approach to assess and remediate multiple housing-related hazards.

In addition to deficiencies in basic housing facilities that may impact health and safety, changes in the U.S. housing stock and more sophisticated epidemiological methods and biomedical research have led to the identification of new, and often more subtle, health and safety hazards in the residential environment. While such health hazards will tend to be found disproportionately in housing that is substandard, these environmental health and safety hazards also exist in housing that is otherwise of good quality. "Housing-Related Health and Injury Hazards," Appendix A, a brief description of the housing-associated health and injury hazards HUD considers key targets for remediation, can be downloaded with your application package at http://www.grants.gov/applicants/apply_for_grants.jsp. The Web site <http://www.hud.gov/offices/lead/hhi/index.cfm> also lists some of the references that serve as the basis for information provided in the Healthy Homes Demonstration Program NOFA.

HUD's authority for making funding available under this NOFA is the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007).

B. Healthy Homes Initiative Goals

1. Develop and implement demonstration projects that address multiple housing-related problems affecting the health of children;

2. Achieve the Healthy Homes Initiative's Departmental Strategic Goal objective of reducing allergen levels in 5,000 units by 2011, and correspondingly, reducing asthmatic episodes for 3,000 children living in those units;

3. Mobilize public and private resources, involving cooperation among all levels of government, the private sector, and grassroots community-based, nonprofit organizations, including faith-based organizations, to develop the most promising, cost-effective methods for identifying and controlling housing-related environmental health and safety hazards;

4. Build local capacity to operate sustainable programs that will prevent and control housing-related environmental health and safety hazards in low- and very low-income residences when HUD funding is exhausted; and

5. Affirmatively further fair housing and environmental justice.

HUD also encourages applicants to undertake specific activities that will assist the Department in implementing its Policy Priorities. HUD's fiscal year 2007 Policy Priorities are discussed in the General Section.

C. Healthy Homes Demonstration Program Objectives

The objectives of the Healthy Homes Demonstration Program include direct remediations, including assessment of housing-related hazards, education and outreach and capacity building. HUD recognizes that, in many cases, activities may meet multiple objectives. Because the development and evaluation of effective methods for assessing and remediating housing-related hazards is the principal focus of the Healthy Homes Demonstration Program, awardees must expend at least 65 percent of grant funds on direct remediations in the home. Additional expenditures may include capacity building (training) and information dissemination.

1. Direct remediations in homes of children where environmental triggers may contribute to a child's illness, including the following kinds of activities:

a. Development of cost-effective protocols for identifying homes that are candidates for remediations, identifying environmental health and safety hazards in these homes, and screening out homes where structural or other factors, including cost issues, make remediations impractical;

b. Development of appropriately scaled, flexible, cost-effective and efficient assessment and intervention strategies that take into account the range of unhealthy conditions encountered in housing, that maximize the number of housing units that receive remediations and the number of positive or negative health outcomes as a result. HUD believes health outcomes, particularly the reduction in asthmatic episodes or injuries, are an important component of this NOFA and wants to assess how Healthy Homes remediations affect the health of the population being served relative to the population at large. Therefore, any health outcome should be documented.

c. Development of methodologies for evaluating the effectiveness of remediations and assessing the effect of

the remediation on the health of the resident or program participant.

2. Education and outreach that furthers the goal of protecting children from environmentally induced illnesses, including:

a. Targeting, through education and outreach, specific high-risk communities and other identified audiences such as homeowners, landlords, health care providers, pregnant women, children, residential construction contractors, maintenance personnel, housing inspectors, real estate professionals, home buyers, and low- or very low-income minority families;

b. Developing and delivering public outreach programs that provide information about effective methods for preventing housing-related childhood diseases and injuries, and promoting the use of these methods, especially in low- and very low-income residences; and

c. Increasing public awareness of housing-related environmental health and safety hazards that threaten the health of children, through the use of media strategies using print, radio and television, including the use of minority media and provision of materials in alternative formats and materials for populations with Limited English Proficiency (LEP).

3. Building capacity in the target community to assure that Healthy Homes programs are sustained beyond the life of the award period, including the development of local capacity in target areas for target groups to operate sustainable programs to prevent and control housing-related environmental health and safety hazards.

II. Award Information

A. Funding Available

Approximately \$5,000,000 in fiscal year 2007 and prior year funds are available for Healthy Homes Demonstration cooperative agreements. HUD anticipates that approximately five to seven cooperative agreements will be awarded, for a maximum of \$1,000,000 each for the entire period of performance.

Applicants may wish to review currently funded grants on the Healthy Homes Web site at: <http://www.hud.gov/offices/lead/hhi/index.cfm>.

B. Anticipated Start Date and Period of Performance for New Cooperative Agreements

1. The start date for new cooperative agreements is expected to be no later than October 1, 2007, with a period of performance not to exceed 36 months. For planning purposes, applicants need

to include adequate time for start up activities such as the Institutional Review Board approval process, recruitment of study participants, fulfillment of environmental requirements, and development of new methods (e.g., survey forms, database, etc.) within this period of performance.

2. Period of performance extensions for delays due to exceptional conditions beyond the grantee's control will be considered for approval by HUD in accordance with 24 CFR 85.24(e)(2) or 85.30(d)(2), as applicable, and the OHHLHC Program Guide. Because delays have been associated with recruitment and Institutional Review Board approval issues, HUD encourages applicants to involve all partners in pre-planning processes. If approved, grantees will be eligible to receive a single extension of up to 12 months in length. Although applicants are encouraged to plan projects with shorter performance periods than 36 months, you should consider the possibility that issues may arise that could cause delays when developing your schedule.

C. Type of Award Instrument

Awards will be made as cooperative agreements. Anticipated substantial involvement by HUD staff for cooperative agreements may include, but will not be limited to:

1. Review and suggestion of amendments to the study design, including: study objectives; field sampling plan; data collection methods; sample handling and preparation; and sample and data analysis.

2. Review and provision of technical recommendations in response to quarterly progress reports (e.g., amendments to study design based on preliminary results).

3. Review and provision of technical recommendations on journal article(s) and the final report for the project.

4. Collaboration on peer review of scientific data in accord with the Office of Management and Budget (OMB) Information Quality Guidelines. All HUD-sponsored research is subject to the OMB Final Information Quality Bulletin for Peer Review (70 FR 2664–2677, published on January 14, 2005) prior to its public dissemination. In accordance with paragraph II.2 of the Bulletin, HUD will not need further peer review conducted on information that has already been subjected to adequate peer review. Therefore, grantees must provide enough information on their peer review process for HUD to determine whether additional review is needed.

III. Eligibility Information

A. Eligible Applicants

Eligible applicants include not-for-profit institutions and for-profit firms, state and local governments, federally recognized Indian Tribes, and colleges and universities located in the United States. For-profit firms are not allowed to make a profit from the project.

B. Cost Sharing or Matching

Cost sharing or matching is not required. In rating your application, however, HUD will award a higher score under Rating Factor 4 if you provide documentation of commitments for significant leveraging.

C. Other

1. Threshold Requirements

Applicable to all Applicants Under the SuperNOFA. As an applicant, you must meet all the threshold requirements described in the General Section. Applications that do not address the threshold items will not be funded. Cooperative agreements will be awarded on a competitive basis following evaluation of all proposals according to the rating factors described in this NOFA. A minimum score of 75 points is required for consideration for award. The maximum score that can be attained is 100 points for the narrative responses and an additional 2 bonus points for activities proposed to be located in RC/EZ/EC-II communities.

2. Eligible Activities

The following activities and support tasks are eligible under the Healthy Homes Demonstration Program. a. Assessing (evaluating) housing to determine the presence of environmental health and safety hazards (e.g., moisture intrusion, mold growth, pests and allergens, unvented appliances, exposed steam pipes or radiators, deteriorated lead-based paint) through the use of accepted assessment procedures.

b. Remediating existing housing-based environmental health and safety hazards and addressing conditions that could recur.

c. Undertaking rehabilitation activities to effectively control housing deficiencies that are required for remediating environmental health and safety hazards in the unit. Funds under this program may only be used to address lead-based hazards at the de minimis level (see 24 CFR 35.1350(d)). These lead hazard evaluation and/or control activities may not be a principal focus of the cooperative agreement. (Lead hazard evaluation and control activities are carried out under HUD's

Lead-Based Paint Hazard Control Grant Program, Lead Hazard Reduction Demonstration Grant Program, and Operation Lead Elimination Action Program.) For information about conducting remediation of de minimis amounts of lead-based paint hazards, refer to the HUD Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing (HUD Guidelines). The HUD Guidelines and/or applicable regulations may be downloaded from HUD's Web site at <http://www.hud.gov/offices/lead/guidelines/index.cfm>.

d. Carrying out temporary relocation of families and individuals while the remediation is conducted and until the time the affected unit receives clearance for re-occupancy. See III.C.4.e, Real Property Acquisition and Relocation, of the General Section, and Section VI.B.4 of this NOFA for a discussion of regulations that apply when relocating families.

e. Environmental sampling and medical testing to protect the health of the remediation workers, supervisors, and contractors, unless reimbursable from another source.

f. Conducting testing, analysis, and mitigation for lead, mold, carbon monoxide and/or other housing-related environmental health and safety hazards as appropriate, following generally accepted standards or criteria. A laboratory recognized by the U.S. Environmental Protection Agency's (EPA's) National Lead Laboratory Accreditation Program (NLLAP) must analyze paint, soil or dust samples related to lead-based paint. Samples to be analyzed for fungi should be submitted to a laboratory accredited in the Environmental Microbiological Laboratory Accreditation Program (EMLAP), administered by the American Industrial Hygiene Association (AIHA).

g. Carrying out necessary architectural, engineering and work specification development and other construction management services.

h. Providing training on Healthy Homes practices to homeowners, renters, landlords, painters, remodelers, and housing maintenance staff working in low- or very low-income housing.

i. Providing cleaning supplies for hazard remediation to grassroots community-based nonprofit organizations, including faith-based organizations, for use by homeowners and tenants in low-income housing, or providing these supplies to homeowners and tenants directly. (See the General Section for more information about grassroots community-based nonprofit

organizations, including faith-based organizations.)

j. Providing incentives (financial or other incentives, including coupons for a video rental, coupons for groceries, stipends for completion of surveys, child care, cleaning kits, etc.) with a value up to \$10 for recruitment, through up to \$250 for the most significant or lengthy participation. These incentives are subject to approval by HUD. Their purpose is to encourage recruitment and retention in the healthy homes program, and participation in educational and training activities and other program-related functions.

k. Conducting community education programs on housing-related environmental health and safety hazards. Materials should be available in alternative formats for persons with disabilities including Braille, audio, large type), upon request, and in languages other than English that are common in the community, consistent with HUD's published "Limited English Proficiency (LEP) Recipient Guidance" (see <http://www.hud.gov/offices/fheo/library/lepFRguidance.html>).

l. Securing liability insurance for housing-related environmental health and safety hazard evaluation and control activities. This is not considered an administrative cost.

m. Supporting data collection, analysis, and evaluation of project activities. (As a condition of the receipt of financial assistance under this NOFA, all successful applicants will be required to cooperate with HUD staff and contractors who are performing HUD-funded research and evaluation studies.)

3. Program Requirements. In addition to the program requirements in the General Section, applicants must also meet the following program requirements.

a. Institutional Review Board (IRB) Approval. In conformance with the Common Rule (Federal Policy for the Protection of Human Subjects, 45 CFR 46, codified by HUD at 24 CFR 60.101), if your grant activities include research involving human subjects, your organization must provide an assurance (e.g., a letter signed by an appropriate official) that the research has been reviewed and approved by an IRB before you can initiate activities that require IRB approval. You must also provide the number for your organization's assurance (institutional assurance) that has been approved by the Department of Health and Human Service's Office of Human Research Protections (OHRP). For additional information on elements of human subject research or obtaining

an institutional assurance, see the OHRP Web site at: <http://www.hhs.gov/ohrp>.

b. HIPAA Authorization. The Privacy Rule of the Health Insurance Portability and Accountability Act of 1996 requires covered entities that transmit health information electronically (health care providers, health plans, etc.) to protect that information. This may be accomplished by obtaining authorization from the patient or parent, obtaining a waiver of authorization from an IRB or HIPAA Privacy Board or de-identifying data. You should identify whether your proposal is subject to requirements of the HIPAA Privacy Rule and, if so, how you plan to address these requirements. Additional information on HIPAA and the Privacy Rule can be found at <http://www.hhs.gov/ocr/hipaa> and <http://privacyruleandresearch.nih.gov/authorization.asp>.

c. Community Involvement. Applicants must incorporate meaningful community involvement in any programmatic study that requires a significant level of interaction with a community (including, projects being conducted within occupied dwellings or which involve surveys of community residents). A community is made up of various groups of persons who have commonalities that can be identified on the basis of geographic location, ethnicity, health condition, and common interests. Applicants should identify the community that is most relevant to their particular project. There are many different approaches for involving the community in the conception, design, and implementation of a project and the subsequent dissemination of findings. Examples include, but are not limited to: establishing a structured approach to obtain community input and feedback (such as involving a community advisory board); including one or more community-based organizations as study partners; employing community residents to recruit study participants and collect data; and enlisting the community in the dissemination of findings and translation of results into improved policies and/or practices. A discussion of community involvement in research involving housing-related health hazards can be found in Chapter 5 of the Institute of Medicine publication titled "Ethical Considerations for Research on Housing-Related Health Hazards Involving Children," at <http://www.iom.edu/cms/12552/26004/29871.aspx>.

d. Program Performance. Awardees shall take all reasonable steps to accomplish all healthy homes activities

within the approved period of performance. HUD will closely monitor the awardee's performance with particular attention to completion of specified activities, deliverables and milestones, and number of units proposed to be assessed or to receive remediation. Any previous requests for no-cost extensions will be considered in the evaluation of the capacity of the applicant under Rating Factor 1.

e. Lead Hazard Control Activities. All lead hazard control activities must be conducted in compliance with HUD's Lead-Safe Housing Rule, 24 CFR Part 35. Grantees must also comply with any additional requirements in effect under a state or Native American Tribal Lead-Based Paint Training and Certification Program that has been authorized by the EPA pursuant to 40 CFR 745.320. See Section III.C.2.c regarding lead activity limitations.

f. Compliance with Lead Disclosure Rule. All lead-based paint and lead-based paint hazard test and hazard reduction results must be provided to the owner of the unit, with a statement describing the owner's legal duty to disclose the results to tenants (before initial leasing, or before lease renewal with changes) and buyers (before sale) if the housing was constructed before 1978 (24 CFR Part 35, subpart A). This information may only be used for purposes of remediation of hazards in the unit and not for retribution/eviction. Disclosure of other identified housing-related environmental health and safety hazards to the owner of the unit, for purposes of remediation, is encouraged but not required unless disclosure is required by Federal, state or local regulations.

g. Integrated Pest Management. All pest control activities shall incorporate the principles and methods of integrated pest management (IPM). In technical terms, IPM is the coordinated use of pest and environmental information with available pest control methods to prevent unacceptable levels of pest damage by the most economical means and with the least possible hazard to people, property, and the environment. The IPM approach emphasizes a targeted use of pesticides that limits the possibility of human exposure (e.g., as opposed to wide-spread applications) and includes interventions based on the behavior of the target pest (e.g., preventing access to food or water). One source for information on IPM is Environmental Health Watch; you can download information from its Web site: http://www.ewh.org/Asthma/ASTH_Cockroach_Control.htm.

h. Dust Sampling Protocol. Collection of settled dust samples for

environmental allergen analysis (e.g., cockroach, dust mite) must follow a standard dust sampling protocol, such as the protocol posted on the OHHLHC website, <http://www.hud.gov/offices/lead/hhi/hhiresources.cfm>. If an applicant chooses to use a different protocol, such as a protocol from the Occupational Safety and Health Administration (OSHA), the U.S. Environmental Protection Agency (EPA), the National Institute of Environmental Health Sciences (NIEHS) or the American Society of Testing and Materials (ASTM), the applicant must provide a justification to HUD. The awardee is also required to submit quality control (QC) samples of allergens in household dust, provided at no cost, as blind samples in the train of samples submitted for laboratory analysis. For the purpose of budgeting laboratory costs, assume that 5 percent of your total allergen dust samples will consist of HUD-provided QC samples.

i. Hazardous Waste Disposal. Awardees must follow procedures for hazardous waste disposal as required by the EPA (e.g., 40 CFR parts 61, 260–282, 300–374, and/or 700–799, as applicable), the Department of Transportation (e.g., 49 CFR parts 171–177), and/or appropriate state or local regulatory agencies.

j. Worker Protection Procedures. Awardees must comply with the procedures for worker protection established in the HUD Guidelines as well as the requirements of OSHA, e.g., 29 CFR part 1910 and/or 1926, as applicable, or the state or local occupational safety and health regulations, whichever are more stringent.

k. Written Policies and Procedures. You must have written policies and procedures for all phases of interventions, including recruitment, enrollment, participant prioritization, unit assessment, development of specifications, remediations, training, financing, occupant relocation, independent project inspection, and clearance testing (e.g., for mold, lead, carbon monoxide or other hazards, as applicable). You and all your subcontractors, sub-recipients, and their contractors must comply with these policies and procedures.

l. Data Collection and Provision. You must collect, maintain, and provide to HUD the data necessary to document the various approaches used to evaluate and control housing-related environmental health and safety hazards, including evaluation and remediation methods, building conditions, medical and familial information (with confidentiality of

individually-identifiable information ensured) in order to determine the effectiveness and relative cost of these methods.

m. Section 3 Employment Opportunities. Recipients of assistance in the Healthy Homes Demonstration Program must comply with Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u (Economic Opportunities for Low- and Very-Low-Income Persons in Connection with Assisted Projects) and the HUD regulations at 24 CFR part 135, including the reporting requirements of subpart E. See Section V, Rating Factor 3, for recommendations for implementing Section 3 Employment Opportunities.

n. Conducting Business in Accordance with HUD Core Values and Ethical Standards. If selected for an award under the Healthy Homes Demonstration Program NOFA, you will be required to submit a copy of your Code of Conduct and describe the methods you will use to ensure that all officers, employees, and agents of your organization are aware of your Code of Conduct. If you previously submitted your Code of Conduct to HUD and it appears in the listing on HUD's Web site at <http://www.hud.gov/offices/adm/grants/codeofconduct/cconduct.cfm>, you do not have to resubmit the information unless there has been a change in the legal name, address or authorizing official for your organization. See the General Section for information about conducting business in accordance with HUD's core values and ethical standards.

4. DUNS Requirement. Refer to the General Section for information regarding the DUNS requirement.

IV. Application and Submission Information

A. Web Address To Access an Application Package

Copies of this published NOFA and application forms for this program may be downloaded from the Grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information you may call the Grants.gov helpline toll-free at (800) 518-GRANTS or e-mail Support@grants.gov. Helpline customer representatives will assist you in accessing the information.

B. Content and Form of Application Submission

The following section provides instructions on the items to be submitted as part of the application. See the General Section for instructions for

submitting third party documents and electronic files.

1. An abstract describing the goals and objectives of your proposed program (2 page limit, single-spaced, 12 point standard font, at least 3/4-inch margins) must be included in the proposal. The abstract should include the title of your proposed project, amount of funding requested from HUD, amount of funding leveraged or matched, period of performance, a short summary of the proposed project and the name, mailing address, e-mail address and telephone number of the principal contact person for the primary entity. Information contained in the abstract will not be considered in the evaluation and scoring of your application. Any information you wish considered should be provided under the appropriate rating factor. The 2-page abstract will not be included in the 25 page limit of the application.

2. A narrative statement addressing the rating factors for award. Number the pages of your narrative statement and include a header and a footer that provides the name of the applicant and the name of the program to which you are applying. Narrative statements provided as part of the application should be individually labeled to identify the rating factor to which the narrative is responding (for example, Factor 1, Capacity of the Applicant, etc.). You are strongly advised to use the format of the NOFA as an outline for discussion of your rating factors. The overall response to the rating factors must not exceed a total of 25 pages including all rating factors (single-sided, single-spaced, 12 point standard font, at least 3/4-inch margins). Any pages in excess of this limit will not be read. Application packages without narrative statements addressing the rating factors will not be reviewed or considered for funding. Applicants should carefully review each narrative attached to the electronic application to make sure that you have attached the correct file and not an incomplete one, as this is not a curable deficiency.

3. The score for each rating factor will be based on the content of the narrative submitted for each rating factor, supplemented by materials referenced and discussed in that portion of your narrative statement. Information relative to a given rating factor must be contained in the narrative for that rating factor. If it is found in another rating factor, it will not be considered. In addition, supplemental material that is not referenced and discussed within the narrative statements will not be rated.

4. The position descriptions and resumes, if available, of your project

director and project manager and up to three additional key personnel (in accordance with Rating Factor 1), not to exceed 2 pages each (single-spaced, 12-point font, with at least 3/4 inch margins). This information will not be counted toward the page limit.

5. Any attachments, materials, references, or other relevant information that directly support the narrative must not exceed 20 pages for your entire application. Any pages in excess of this limit will not be read. See the General Section for instructions for submitting third party documents or material not readily available in electronic format.

6. A detailed budget narrative (maximum 4 pages) with supporting justification for all budget categories of your funding request, in accordance with Rating Factor 3, Section V.A.2.c(3). This budget narrative will not be counted towards the 25-page limit of the application. In completing the budget forms and justification, you should address the following elements:

a. Direct Labor costs should include all full- and part-time staff required for the planning and implementation phases of the project. These costs should be based on full-time equivalent (FTE) or hours per year (hours/year). (One FTE equals 2,080 hours/year.)

b. You should budget for one trip annually for two people for meetings at HUD Headquarters in Washington, DC, assuming a 2–3 day stay per trip depending upon your location.

c. A separate budget proposal should be provided for any sub-recipients receiving more than 10 percent of the total federal budget request.

d. You should be prepared to provide supporting documentation for salaries and prices of materials and equipment, upon request.

e. Organizations that have a federally negotiated indirect cost rate should use that rate and the appropriate base. Other organizations should submit their proposal with their suggested indirect rate. If they are funded and HUD is the cognizant agency, it will set a rate; otherwise HUD will request the cognizant federal agency to set the rate.

f. You should submit a copy of the negotiated rate agreements for fringe benefits and indirect costs, if applicable, as an attachment to the budget sheets.

7. Applicants are encouraged to use the following checklist to ensure that all required materials have been prepared and submitted. You are not required to submit this checklist with your application.

*Checklist for Healthy Homes
Demonstration Program Applicants*

Applicant Abstract (Limited to 2 Pages)

- Rating Factor Responses (Total narrative response limited to 25 pages. Rating Factor tables (Forms HUD-96012, 96016, 96015 and 96010) do not count toward the 25-page limit.)
 1. Capacity of the Applicant and Relevant Organizational Experience—Form HUD 96012.
 2. Need/Extent of the Problem—Form HUD-96016.
 3. Soundness of Approach.
 4. Leveraging Resources—Form HUD-96015.
 5. Achieving Results and Program Evaluation—Form HUD-96010 (Logic Model).
- Required materials in response to rating factors (does not count towards 25-page limit)
 - Form SF 424, Application for Federal Assistance.
 - Form HUD-424-CB, "Grant Application Detailed Budget" (HUD Detailed Budget Form on Grants.gov).
 - Form SF-424 Supplement, "Survey on Ensuring Equal Opportunities for Applicants" (Faith-Based EEO Survey on Grants.gov).
 - Faith-Based EEO Survey (to be completed by private nonprofit organizations only).
 - Form SF-LLL, Disclosure of Lobbying Activities
 - Form HUD-2880, "Applicant/Recipient Disclosure/Update Report" (HUD Applicant Recipient Disclosure Report on Grants.gov).
 - Form HUD-2990, Certification of Consistency with the RC/EZ/EC-II Strategic Plan (if applicable).
 - Form HUD-27300, "Questionnaire for HUD's Removal of Regulatory Barriers" (HUD Communities Initiative Form on Grants.gov).
 - Form HUD-96011, "Third Party Documentation Facsimile Transmittal" (Facsimile Transmittal Form on Grants.gov). This is to be used as the cover page for faxing third party information for electronic applications only. See the General Section.
 - Resumes of Project Director, Project Manager and up to 3 Key Personnel (limited to 2 pages per resume).
 - Position Descriptions for Key Personnel to be hired (limited to 2 pages per description).
 - Organizational Chart.
 - Letters of Commitment (if applicable).
 - Form HUD-2994A—You are Our Client! Grant Applicant Survey (Optional).
 - Optional material in support of the Rating Factors (20-page limit)
- C. Submission Dates and Times.
Electronic applications must be received

and validated by Grants.gov on or before 11:59:59 p.m. eastern time on the application submission date. Refer to the General Section for submission requirements. Materials associated to your electronic application submitted by facsimile transmission must also be received by 11:59:59 p.m. eastern time on the application submission date. See sections IV.B and IV.F of the General Section for additional information on the electronic process and how to request a waiver from this requirement, if necessary.

D. Intergovernmental Review. Not required for this submission.

E. Funding Restrictions

1. Administrative Costs. There is a 10 percent maximum allowance for administrative costs. Additional information about allowable administrative costs is provided in Appendix B and can be downloaded with this application at http://www.grants.gov/applicants/apply_for_grants.jsp.

2. Indirect Costs. You must comply with Indirect Cost requirements. Guidelines for indirect cost requirements, presented in Appendix C, may be downloaded as part of your application package at http://www.grants.gov/applicants/apply_for_grants.jsp.

3. Purchase of Real Property is not permitted.

4. Purchase or lease of equipment having a per-unit cost in excess of \$5,000 is not permitted, unless prior written approval is obtained from HUD.

5. Medical costs are not permitted (except for medical testing to protect the health of the intervention workers, supervisors, and contractors, unless reimbursable from another source).

6. For-profit organizations cannot receive a fee or profit.

7. Applicants must comply with the Coastal Barrier Resources Act (16 U.S.C. 3501).

8. You may not use grant funds for hazard control of a building or manufactured home that is located in an area identified by the Federal Emergency Management Agency (FEMA) under the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001-4128) as having special flood hazards unless:

a. The community in which the area is situated is participating in the National Flood Insurance Program in accordance with the applicable regulations (44 CFR parts 59-79), or less than a year has passed since FEMA notification regarding these hazards; and

b. Where the community is participating in the National Flood Insurance Program, flood insurance on the property is obtained in accordance with section 102(a) of the Flood Disaster Protection Act (42 U.S.C. 4012a(a)). You are responsible for assuring that flood insurance is obtained and maintained for the appropriate amount and term.

F. Other Submission Requirements. HUD requires applicants to submit applications electronically through <http://www.grants.gov> unless you request and are granted a waiver to the electronic submission requirements. See the General Section. Applicants should submit their waiver requests in writing by e-mail. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to Jonnette Hawkins, Director, Program Management and Assurance Division, Office of Healthy Homes and Lead Hazard Control, Jonnette_G._Hawkins@hud.gov.

V. Application Review Information

A. Criteria

1. Rating and Ranking. Applications that meet all of the threshold requirements will be eligible to be scored and ranked, based on the total number of points allocated for each of the rating factors described in Section V.A.2 of this NOFA. Your application must receive a total score of at least 75 points to be considered for funding.

Each of the five factors is weighted as indicated by the number of points that are assigned to it. The maximum score that can be attained is 100 points for the narrative responses, and 2 bonus points for activities carried out in a RC/EZ/EC-II. Applicants should be certain that each of these factors is clearly and comprehensively addressed in the project description and accompanying materials.

HUD will not review any applications with a request for federal funding that exceeds the maximum amount specified in this NOFA.

2. Rating Factors. The factors for rating and ranking applicants, and maximum points for each factor, are provided below. Applicants should be certain that these factors are adequately addressed in the narrative relevant to the rating factors and the accompanying materials.

a. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (15 Points)

This factor addresses your organizational capacity (including the capacity of your own organization, as

well as partner organizations) necessary to successfully implement your proposed activities in a timely manner. The rating of your program includes any grassroots community-based nonprofit organizations firmly committed to your project, including faith-based organizations, sub-contractors, consultants, sub-recipients, and members of consortia. HUD strongly encourages the formation and development of consortia in implementing your project goals. Applicants are encouraged to partner, fund, or sub-contract with grassroots, community-based nonprofit organizations, including faith-based organizations to carry out program activities. If these partnerships are proposed, applicants will receive higher rating points as specified in the General Section. Applicants should note in their Rating Factor 1 narrative whether they are submitting multiple applications to OHHLHC, and, if so, the percentage commitment of staff for each application.

In rating this factor, HUD will consider the three items listed below.

(1) Capacity and Qualifications of Principal Investigator and Key Personnel. (6 points). Describe your recent, relevant, and successful demonstrated experience in undertaking eligible program activities. Describe the knowledge and experience of the proposed overall project director and day-to-day project manager in planning and managing large and complex interdisciplinary programs, especially those involving housing, public health, or environmental programs. Include information on your project staff, their experience with housing and health programs, percentage commitment to the project, and position titles. Project directors should commit at least 20 percent and the project manager's time commitment should be at least 50 percent. Resumes of up to 25 pages each for up to three key personnel, in addition to the project director and project manager, and a clearly delineated organizational chart for the Healthy Homes project (including all partner organizations), must be included in your application submission. Position descriptions or job announcements (including salary range, percent of time commitment, percentage of time covered by cooperative agreement funds) for unfilled positions should be included for any key positions that are currently vacant or contingent upon an award.

Document that you have sufficient personnel, or will be able to quickly retain qualified personnel to begin your project immediately, and to perform

activities in a timely and effective fashion. Successful applicants must hire all key staff positions identified in the proposal as vacant or required in the award agreement within 120 days of award. Describe how principal components of your organization will participate in, or support, your project.

(2) Qualifications of Applicant and Partner Organizations (4 points). Include names, descriptions of the experience and qualifications of subcontractors. Document how you propose to coordinate with and monitor sub-contractors, including frequency of meetings, on-site inspections and submission of formal monthly or quarterly reports. Discuss your communication and coordination with partners, including partner responsibilities, meeting frequency, etc. If partners are community-based grassroots, non-profit organizations, including faith-based organizations, include documentation demonstrating their community-based grassroots status, such as organizational profile, 501(c)(3) status or Social Services budget. (Lengthy documents are not required; face pages or extracted relevant text is adequate.)

(3) Past Performance of the Organization (5 points). This section refers to applicants who have any prior experience in another Healthy Homes or Lead Hazard Control grant, another grant related to environmental health and safety issues, or other experience in a similar program. Provide details about the nature of the project, the funding agency, and your performance, relative to performance measures and the achievement of desired housing- and health-related outcomes. If your organization is an existing Healthy Homes grantee, provide a description of the progress and outcomes achieved in that grant. Current grantees that are on, or ahead of their benchmarks, may earn one point based on their demonstrated ability to date. If you received previous Healthy Homes Demonstration Program funding, you will be evaluated in terms of your performance and timeliness under the previous grant.

You must complete and submit the Factor 1, Table 1, Form HUD-96012, which can be downloaded with your application at http://www.grants.gov/applicants/apply_for_grants.jsp to support narrative information.

b. Rating Factor 2: Need/Extent of the Problem (15 Points)

This factor addresses the extent for your proposed activities to document housing-related environmental health and safety hazards (including, but not limited to, mold, allergens, lead-based

paint hazards, carbon monoxide, pesticides, home safety hazards) in your target area(s) that impact your targeted group(s).

(1) Target Area for Proposed Activities (5 points). Specifically identify a target area for your proposed activities. Document the critical level of need for your proposed activities in this target area by providing data documenting targeted groups that are traditionally underserved or have special needs. For a maximum score, data provided should represent the target area, rather than general statistics or information pertinent to a larger geographic area. If specific statistics are not available, discuss why this is the case.

(2) Link to Housing-related Health and Safety Hazards (10 points). Your documentation should summarize available data linking housing-based environmental health and safety hazards to disease or injuries to children, especially in low- and very low-income families, in your target area. Examples of data that might be used to demonstrate need include:

(a) Economic and demographic data (3 points), including poverty and unemployment rates and the number and percentage of low- and very-low-income families with incomes less than 50 percent and 80 percent of the median income, respectively, as determined by HUD, for the area. Statistics that describe low- and very-low-income families are available at http://factfinder.census.gov/home/saff/main.html?_lang=en. Applicants should also consult local data sources, such as city government Web sites, for target area data.

(b) Statistics for your target area that present rates of childhood illnesses (4 points) (including asthma, elevated blood lead levels) or injuries (falls, burns) among children residing in your target areas that could be caused or exacerbated by exposure to conditions in the home environment; and

(c) The age and condition of housing (3 points). In responding, provide data available in your jurisdiction's currently approved Consolidated Plan and the Analysis of Impediments to Fair Housing Choice (AI) or Indian Housing Plan or derived from current census data or from other sources of comparable quality.

You must complete and submit the Factor 2 Table, Form HUD-96016, posted at http://www.grants.gov/applicants/apply_for_grants.jsp.

c. Rating Factor 3: Soundness of Approach (50 Points)

(1) Approach for Implementing the Project (36 points). HUD is interested in

comparability among the Healthy Homes Demonstration Programs, in order to further standardize outcomes and performance measures. Therefore, applicants are encouraged to be explicit in describing proposed project activities and provide details about designing and implementing their work plan.

(a) Project Approach (5 points) Describe your approach to implement your proposed project. In particular describe the methods, schedule and milestones that will be used to identify and control housing-related environmental health and safety hazards and to achieve the desired improvements in the health of the families you serve. Include summary information about the estimated numbers of clients to be contacted, clients enrolled, units to be assessed, units to receive remediations, individuals to be trained, and individuals or groups that will be reached through education or outreach activities. You are expected to document environmental outputs (reduction in allergen levels) and health outcome measures, such as reduction in asthmatic episodes, pediatric asthma hospitalizations, emergency room visits for asthma, falls, burns, etc. These outputs and outcomes are critical to achieving the Healthy Homes Initiative Departmental Goal of reducing allergen levels in 5,000 units, and correspondingly reducing asthmatic episodes for 3,000 children living in these units by 2011. The use of tables to describe schedule, milestones and summary data is encouraged.

(b) Start up (3 Points)

(i) Institutional Review Boards. In conformance with the Common Rule (Federal Policy for the Protection of Human Subjects, codified by HUD at 24 CFR 60.101, which incorporates the DHHS regulation at 45 CFR part 46), if your research involves human subjects, your organization must provide proof (e.g., a letter signed by an appropriate official) that the research has been reviewed and approved by an Institutional Review Board (IRB) before you can initiate activities that require IRB approval. Before initiating such activities you must also provide the number for your organization's assurance (i.e., an "institutional assurance") that has been approved by the Department of Health and Human Service's Office for Human Research Protections (OHRP).

Although you do not have to provide proof of IRB approval with your application, you should address how you will obtain such approval. Describe how you will obtain informed consent

(e.g., from the subjects, their parents or their guardians, as applicable) and discuss the steps you will take to help ensure participants' understanding of the elements of informed consent, such as the purposes, benefits and risks of the research. Describe how this information will be provided and how the consent will be collected. For example, describe your use of "plain language" forms, flyers and verbal scripts, and how you plan to work with families with limited English proficiency or primary languages other than English, and with families including persons with disabilities. For additional information on what constitutes human subject research or how to obtain an institutional assurance see the OHRP Web site at <http://www.hhs.gov/ohrp/>.

(ii) Staff and Partner Training and Capacity Building. Provide detailed information regarding how program staff and, where applicable, partnering organizations will be trained in the disciplines needed to successfully implement your project (e.g., resident education, assessments and remediations). Include an outline of training curricula, a description of qualifications of trainers, and describe how individuals or groups to be trained will be selected.

(iii) Quality Assurance (QA) Activities. Successful Healthy Homes Demonstration Program applicants that are collecting housing, demographic, medical or environmental data must ensure the quality and integrity of the data. Describe the elements of your project that will integrate QA activities into the project design and applicable activities such as visual assessments, environmental assessments and questionnaires. Elements you may want to describe include the use of quality control samples, validated questionnaires and assessment tools, data collection, data management, statistical analysis, staff training and monitoring. Your description will be evaluated relative to its thoroughness, level of detail, and appropriateness for ensuring the validity and quality of the data. If awarded, you will be asked to develop a Quality Assurance Plan that describes these elements.

(iv) If you are proposing to conduct a project that includes a significant level of community interaction (e.g., resident recruitment, home-based remediations, data collection, environmental sampling in residences) describe your plan for meaningful involvement of the affected community in your proposed project. You should define the community of interest with respect to your proposed project and discuss why your proposed approach to community involvement

will make a meaningful contribution to your project and to the community.

(v) Describe any proposed involvement of grassroots community-based, nonprofit organizations, including faith-based organizations, in the proposed activities including the development of consortia. These activities may include outreach, community education, marketing, inspection, and housing evaluations and remediations.

(c) Recruitment and Enrollment (6 Points)

(i) Describe how you will identify, select, prioritize, and enroll units of housing in which you will undertake housing-based health hazard and safety remediations, targeting low- and very low-income families with young children under the age of six (72 months) to the extent feasible.

(ii) Discuss possible recruitment problems, and the probability of dropouts, and describe measures you will perform to sustain recruitment and enrollment, including over-recruitment and incentives for sustainability of participants throughout the period of performance of the cooperative agreement.

(iii) Describe how you will monitor enrollment and recruitment status and implement measures identified to sustain enrollment and recruitment.

(iv) Discuss how you will comply with the Health Insurance Portability and Accountability Act (HIPAA). See Section III.C.3 for more information about HIPAA requirements.

(v) Along with HIPAA compliance, describe how you will provide appropriate program information and gain informed consent from the subjects, their parents and guardians, as applicable. Describe how you will ensure that participants understand and consent to the elements of the program such as the purposes, benefits and risks of the research activities.

(vi) Describe your proposed methods to reach high-risk groups and communities, vulnerable populations and traditionally underserved populations.

(vii) Describe how you will affirmatively further fair housing, which would include, but not be limited to: (1) Affirmative marketing of the program to those least likely to apply based on race, color, sex, familial status, national origin, religion, or disability (especially when persons in these demographic groups are generally not served by the grassroots community-based, nonprofit organizations, including faith-based organizations or other partner organizations); (2) providing materials

in alternative formats for persons with disabilities; providing materials in languages other than English for individuals with limited English proficiency and their families; (3) assuring long-term residency by families currently living in the community; and (4) assuring that priority for treated units go to those who need the features (treatment) of the unit.

(d) Unit Assessments, Occupant Surveys and Medical Referrals (3 Points)

(i) Describe the assessment tools your project will employ to establish baseline data for unit condition, knowledge of program participant and/or the health of the occupant(s). These tools include questionnaires, visual assessment protocols and environmental sampling and analysis.

(ii) Describe your process for evaluating units of housing in which you will undertake housing-related environmental health and safety hazard remediations. Provide an estimate of the total number of owner-occupied and/or rental units in which you will perform assessments and conduct remediations.

(iii) Describe the process to be followed for referring children for medical case management, if applicable. Describe the organizations that will be involved in this process and their prior experience providing case management to the target population(s).

(e) Remediations (7 Points)

(i) Describe your process for the development of work specifications for the selected physical remediations and identify individuals (or organizations) who will develop the work specifications. Include specifics about the individual's position or the organizational role in your project.

(ii) Discuss your process to select and obtain contractors for conducting remediations in selected units and provide details about the competitive bidding process.

(iii) Discuss efforts to incorporate cost-effective methods to address multiple housing-related environmental health and safety hazards, and describe the specific remediations you will employ to control these hazards before children are affected; and/or to control these hazards in units where children have already been treated for illnesses or injuries associated with these hazards (e.g., burns, lead poisoning, asthma). Although program partners have shown that low-cost housing remediations can be effective in reducing illness and hazardous conditions, HUD is interested in data that evaluate the cost-effectiveness over time of carrying out assessments and remediations for

multiple hazards compared to the conventional approach of identifying and remediating one hazard at a time. The data should be stratified by the type, size and other housing characteristics, and the type and extent of assessment and remediation, in order to provide meaningful and comparable unit costs. Therefore, in your budget submission, provide an estimate of the cost of each remediation (material costs and labor costs associated with installation) and an estimate of costs projected per unit. Describe how you will track the costs of remediations and provide information about the efficiency of these remediations. For example, provide information about the cost-effectiveness, technical effectiveness and sustainability of the remediations. Include any remediation plans to achieve the Healthy Homes Initiative's Departmental Strategic Goal of reducing allergen levels in 5,000 units by 2011, and correspondingly, reducing asthmatic episodes in 3,000 children.

(iv) Discuss how you will assure that the contractor will comply with all applicable Federal, state and local regulations.

(v) Describe the financing strategy, including eligibility requirements, terms, conditions, and amounts available, to be employed for conducting housing remediations. You must discuss the way funds will be administered (e.g., use of grants, deferred loans, forgivable loans, other resources, private sector financing, etc.) as well as the agency that will administer the process.

(vi) Describe your plan for the relocation of occupants of units selected for remediation, if temporary relocation is necessary (see Section VI B.4, below). If temporary relocation is necessary, address the use of safe houses and other housing arrangements, storage of household goods, stipends, incentives, etc., and the source of funding for relocation.

(vii) If relocation is necessary for occupants of rental units, describe your plan for ensuring right of return and/or first referral for occupants of units selected for remediation who have had to move for the remediations to be performed. (see Section VI B.4, below).

(f) Community Education, Outreach and Capacity Building/Training (3 Points)

(i) Describe your proposed methods for community and/or targeted education and training. These should include community awareness, education, training, and outreach programs that support your work plan and are culturally sensitive and targeted appropriately. Provide information

about specific educational/outreach activities with quantitative data (number of individuals to be reached, etc.) and a description of the intended audience (include plans for both program participants and the community at large).

(ii) Discuss whether Healthy Homes training programs will be expanded to include non sub-grantee organizations, such as public housing agencies, Tribally Designated Housing Entities, grassroots community-based or nonprofit organizations, including faith-based organizations. If so, describe your plan for doing this.

(g) HUD's Departmental Policy Priorities (6 Points). Indicate if, and describe how, you will address any of HUD's Departmental policy priorities (see General Section). You will receive points for each of the applicable FY 2007 policy priorities that are adequately addressed in your application and incorporated into work plan activities showing outputs and outcomes to a maximum of six points. Policy priorities that are applicable to the Healthy Homes Demonstration NOFA are: (1) Improving our Nation's Communities (focus on distressed communities); (2) Providing Full and Equal Access to Grassroots Community-based, Nonprofit Organizations, including Faith-based Organizations in HUD Program Implementation; (3) Participation of Minority-Serving Institutions in HUD Programs; (4) Removal of Regulatory Barriers to Affordable Housing; and (5) Promoting Energy Efficiency and Energy Star. HUD expects the applicant to implement Energy Star building techniques and utilize Energy Star appliances whenever activities of the grant afford the opportunity. For information on Energy Star programs and appliances, see <http://www.energystar.gov>.

Each policy priority is worth one point, except for policy priority (4), Removal of Regulatory Barriers to Affordable Housing, which is worth up to 2 points, provided the applicant includes an appropriate narrative response demonstrating what they have accomplished to date and submits the required documentation as described in Form HUD 27300. Applicants may instead provide a Web site address where the documentation can be readily found.

(h) *Economic Opportunity* (3 points). To the greatest extent feasible, your project should promote job training, employment, and other economic opportunities for low-income and minority residents and businesses that are owned by, and/or employ, low-income and minority residents as

defined in 24 CFR 135.5. Describe how you or your partners will comply with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and HUD's implementing rules at 24 CFR part 135 by:

- Providing training and employment opportunities for low- and very low-income persons living within the awardee's jurisdiction;
- Purchasing goods and supplies, or contracting for services from businesses that are owned by, and/or employ, low- and very low-income persons living within the targeted jurisdiction; information about Section 3 requirements is available at: <http://www.hud.gov/offices/fheo/section3/section3.cfm>; and
- Describing how your proposed project will provide opportunities for self-sufficiency, particularly for persons enrolled in welfare-to-work programs, or provide educational and job training opportunities.

(2) Approach for Managing the Project (9 points). Considering your project goals and objectives, describe how you will manage the project. Provide information on the general management approach including a management plan that:

(a) Incorporates appropriate project objectives, major tasks/activities, responsible entities, performance goals, and the process that you will utilize to assign, track and monitor the performance of major tasks and activities. All specific activities necessary to complete the proposed project, such as recruitment, enrollment, training, education and outreach, unit identification, assessment and remediation, must be included.

(b) Provides a schedule of milestones and deliverables for the completion of major tasks and activities, and the delivery of interim and final products.

(c) Discusses coordination with sub-recipients, partners and staff.

(d) Describes quality assurance activities, including the collection of data (questionnaires and environmental sampling and analysis), case management, data entry and report preparation, and associated corrective actions.

(3) Budget Justification (5 points). Your proposed budget will be evaluated for the extent to which it is reasonable, clearly justified, and consistent with the project management plan and intended use of program funds. HUD is not required to approve or fund all proposed activities. Your detailed budget should be submitted using Form HUD-424-CBW. An electronic copy is available at: http://www.grants.gov/applicants/apply_for_grants.jsp. You

must thoroughly document and justify all budget categories and costs and all major tasks for yourself, sub-recipients, partners, major subcontractors, joint venture participants, or others contributing resources to the project. Include a 4-page (maximum) narrative that describes clearly and in detail your budgeted costs for each required program element (major task) included in your overall plan (at least 65 percent of the budget must be expended for direct remediation). Include a separate, detailed budget for any sub-grantee proposed to receive more than 10 percent of the total federal budget request.

d. Rating Factor 4: Leveraging Resources (5 Points)

This factor addresses your ability to secure other community resources (*e.g.*, financing, supplies, and/or services) that can be combined with HUD's resources to achieve project purposes. These community resources may be contributions from organizations such as the applicant, partners, or other organizations not directly involved in the project. Resources may also be provided by state and local governmental entities. While cost sharing or matching is not required, HUD will award a higher score under this rating factor if you provide documentation of commitments for significant leveraging. HUD's Matching and Leveraging Contribution Guidance, Appendix D, may be downloaded with your application at http://www.grants.gov/applicants/apply_for_grants.jsp. Applicants should note that, if they are submitting multiple proposals to OHHLHC and are selected for multiple awards, they may not use the same resources for match and/or leveraging. During cooperative agreement negotiations, awardees will be required to provide alternative match and/or leveraged resources than were proposed in the original applications. In other words, awardees may not commit duplicate matching and/or leveraged resources to multiple OHHLHC programs.

(1) HUD will consider the extent to which you have developed partnerships or consortia to secure additional resources to increase the effectiveness of your proposed project. Describe how other organizations will participate in or support your project. Resources may include funding or in-kind contributions (*e.g.*, labor, fringe benefits, services, supplies, or equipment) budgeted for your proposed project. Include in the narrative the details of the commitment, the amount being leveraged, or if the commitment is in-kind, the specific names, percent of

time, supplies and other resources, and value of each commitment.

(2) The signature of the authorized official on the Form SF-424 commits matching or other contributed resources of the applicant organization. The applicant must obtain a letter of commitment from each organization (other than itself) that is providing a match, whether cash or in-kind. The letter must describe the contributed resource(s) that will be used in your project and the dollar value of each contribution. Staff and in-kind contributions should be given a market-based monetary value. Each letter of commitment, memorandum of understanding, or agreement to participate shall include the organization's name and the proposed level of commitment and roles and responsibilities as they relate to the proposed project. The commitment must be on official letterhead and signed by an official legally able to make commitments on behalf of the organization and dated. Letters must be submitted with your application.

(3) Include information to address the following elements.

(i) The extent to which you have coordinated your activities with other known organizations that are not directly participating in your proposed work activities (organizations other than sub-grantees and program partners), but with which you share common goals and objectives.

(A) Describe your plan for integrating and coordinating housing-related environmental health and safety hazard remediations with other housing-related activities (*e.g.*, rehabilitation, weatherization, correction of code violations, and other similar work).

(B) Describe your plans to generate and use public subsidies or other resources, such as loan funds, to finance future remediations to prevent and control housing-related environmental health and safety hazards, particularly in low- or very low-income families with children under the age of six years.

(ii) The extent to which your project exhibits the potential to be financially self-sustaining by decreasing dependence on federal funding and relying more on state, local and private funding to continue healthy homes activities after the funding period is completed.

Applicants are to complete the Factor 4 table, Form HUD-96015, Leveraging Resources that is posted at http://www.grants.gov/applicants/apply_for_grants.jsp.

e. Rating Factor 5: Achieving Results and Program Evaluation (15 points)

This rating factor reflects HUD's goal to embrace high standards of ethics, management and accountability. HUD is committed to ensuring that applicants keep promises made in their applications and assess their performance to ensure that performance goals are met. In your response to this rating factor, you are to discuss the performance goals for your project and specific outcome measure results. Discuss the specific methods you will use to measure progress towards your goals, track and report results of assessments and remediations, and evaluate the effectiveness and cost-effectiveness of remediations [see requirements discussed in V.A.2.c(1)(e)(iii)]; identify important project milestones (e.g., the end of specific phases in a multi-phased project) and deliverables specific to your project timeline; identify milestones that are critical to achieving project objectives (e.g., developing questionnaires or protocols, hiring staff, recruitment of participants, and IRB approval and/or HIPAA Authorization, if applicable); and identify benchmarks such as number of units that received intervention, percent of remediations that occurred in high-risk communities, etc., that you will use to track the progress of your project.

Identify how your project will be held accountable for meeting project goals, objectives, and the actions undertaken in implementing the program. Provide assurances that work plans and performance measures developed for your project will be achieved in a timely and cost-effective manner.

Your project should focus particular attention on identifying specific resident, or program participant, health outcomes and describe how these outcomes will be measured. Resident health outcomes do not necessarily require medical testing, such as spirometry or documenting blood lead levels, and may be assessed using questionnaires or other tools. Careful attention should be given to the relationship between the program's remediations (e.g., physical changes in the environment, changes to cleaning protocols, in-home training or provision of educational materials) and the effect on resident health, particularly the reduction in asthmatic episodes for children. As part of your health outcomes, include a discussion of how your program will support the Healthy Homes Initiative's Departmental Strategic Goal of reducing allergen levels in 5,000 units by 2011, and correspondingly, reducing asthmatic episodes in 3,000 children living in these units.

In addition, you should describe how you will evaluate the benefits of your proposed remediations relative to their costs or alternative approaches to achieving these same outcomes. For example, you could compare the costs and benefits of the healthy homes approach in which multiple housing-related environmental health and safety hazards are assessed and remediated by a comprehensive method, to costs and benefits associated with adopting a "single hazard" model in which separate assessments and remediations are carried out by several different programs. You could also estimate the monetary benefits of remediations that prevent illness (e.g., reducing asthma symptoms) or reducing injuries.

In evaluating Rating Factor 5, HUD will consider how you have described the benefits and outcome measures of your program. HUD will also consider the proposed objectives and performance measures relative to cost and achieving the purpose of the program, as well as the evaluation plan, to ensure the project is on schedule and within budget.

You must submit Form HUD-96010. HUD is using an electronic Logic Model with drop down menus from which you can select needs, activities, and outcomes appropriate to your program. See the General Section for detailed information on use of the Logic Model. HUD is requiring grantees to use program-specific questions to self-evaluate the management and performance of their program. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment statement. HUD will be publishing a separate notice on the ROI concept. Training on HUD's logic model will be provided via satellite broadcast.

f. Bonus Points: RC/EZ/EC-II (2 points)

Applicants are eligible to receive 2 bonus points for projects located within federally designated Renewable Communities (RCs), Empowerment Zones (EZs), or Enterprise Communities (ECs) designated by USDA in round II (EC-IIIs) (collectively referred to as RC/EZ/EC-IIIs), and which will serve the residents of these communities (see the General Section). In order to be eligible for the bonus points, applicants must submit a completed Form HUD-2990 signed by the appropriate official of the RC/EZ/EC-II.

B. Reviews and Selection Process. The review and selection process is provided in the General Section. The General Section also provides the procedures for correcting deficient applications.

VI. Award Administration Information

A. Award Notices

1. Applicants Selected for Award.

(a) Successful applicants will receive a letter from the Office of Healthy Homes and Lead Hazard Control Grant Officer providing details regarding the effective start date of the cooperative agreement and any additional data and information to be submitted to execute a cooperative agreement. This letter is not an authorization to begin work or incur costs under the cooperative agreement or grant.

(b) HUD may require that a selected applicant participate in negotiations to determine the specific terms of the cooperative agreement and budget. Should HUD not be able to successfully conclude negotiations with a selected applicant, an award will not be made. If the applicant accepts the terms and conditions of the cooperative agreement, a signed cooperative agreement must be returned by the date specified.

Instructions on how to have the cooperative agreement account entered into HUD's Line of Credit Control System (LOCCS) payment system will be provided. Other forms and program requirements will be provided. In accordance with OMB Circular A-133 (Audits of States, Local Governments and Nonprofit Organizations), awardees will have to submit their completed audit-reporting package along with the Data Collection Form (SF-SAC) to the Single Audit Clearinghouse. The address can be obtained from their Web site. The SF-SAC can be downloaded at: <http://harvester.census.gov/sac/>.

2. *Debriefing.* The General Section provides the procedures for applicants to request a debriefing.

3. *Negotiation.* Refer to the General Section for additional details.

4. *Adjustments to Funding.* Refer to the General Section for additional details.

B. Administrative and National Policy Requirements

1. Environmental Requirements.

Under the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007), the provisions of section 305(c) of the Multifamily Housing Property Disposition Reform Act of 1994, implemented by HUD regulations at 24 CFR part 58, "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities," are applicable to properties assisted with Healthy Homes Demonstration funds. In accordance with part 58, applicants under this NOFA that are States, units of general local government or Indian

Tribes must act as the responsible entity and assume the environmental review responsibilities for activities funded under this NOFA. Other applicants must arrange for the unit of general local government or Indian Tribe to act as the responsible entity. Under 24 CFR 58.11, if a non-recipient responsible entity objects to performing the environmental review, or if a recipient that is not a responsible entity objects to the local or tribal government performing the environmental review, HUD may designate another responsible entity to perform the review or may perform the environmental review itself under the provisions of 24 CFR part 50. Healthy Homes Demonstration Program applicants and other participants in activities under this NOFA may not undertake, or commit or expend federal or non-federal funds (including HUD-leveraged or match funds) for housing interventions, related rehabilitation or other physical activities until the responsible entity completes an environmental review and the applicant submits and obtains HUD approval of a request for release of funds and the responsible entity's environmental certification in accordance with part 58 (or until HUD has completed an environmental review under part 50). The results of environmental reviews on individual projects may require that proposed activities be modified or proposed sites rejected. For assistance, contact Edward Thomas, the Office of Healthy Homes and Lead Hazard Control Environmental Officer at (215) 861-7670 (this is not a toll-free number) or the HUD Environmental Review Officer in the HUD Field Office serving your area. If you are a hearing- or speech-impaired person, you may reach the telephone number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339. Recipients of a cooperative agreement under this NOFA will be given guidance in these responsibilities.

2. *Executive Order 13202.*

"Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally-Funded Construction Projects." See General Section for information concerning this requirement. <http://www.hud.gov/>.

3. *Procurement of Recovered Materials.* See the General Section for information concerning this requirement.

4. *Relocation.* The relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended, and the implementing

government wide regulation at 49 CFR part 24, that cover any person (including individuals, businesses, and farms) displaced as a direct result of the acquisition, rehabilitation, or demolition of real property apply to this grant program. If such persons are required to temporarily relocate for a project, the requirements of the URA regulations at 49 CFR 24.2(a)(9) must be met. HUD recommends you review these regulations when preparing your proposal. (They can be downloaded from the Government Printing Office website at <http://www.gpoaccess.gov/cfr/index.html> by entering the regulatory citation in quotes without any spaces (e.g., "49CFR24.2") in the Quick Search box.). See Section III.C.4.e of the General Section for additional information about relocation.

5. *Davis-Bacon Wage Rates.* The Davis-Bacon wage rates are not applicable to this program. However, if you use grant funds in conjunction with other federal programs, Davis-Bacon requirements will apply to the extent required under the other federal programs.

6. *Audit Requirements.* Any grant recipient that spends \$500,000 or more in federal financial assistance in a single year must meet the audit requirements established in 24 CFR part 84 or 85, as applicable, in accordance with OMB Circular A-133.

C. Reporting

Successful applicants will be required to submit quarterly and final program and financial reports according to the requirements of the Office of Healthy Homes and Lead Hazard Control. Specific guidance and additional details will be provided to successful applicants. The following items are a part of OHHLHC reporting requirements.

1. Final Work Plan and Budget are due prior to the effective start of the cooperative agreement.

2. Progress reports are due on a quarterly basis. In quarterly reports, grantees provide information about accomplishments in the areas of program management and capacity building; assessment and intervention activities; community education, outreach, training and capacity building; data collection and analysis; as well as a listing of completed units and financial report. Project benchmarks and milestones will be tracked using a benchmark spreadsheet that uses the benchmarks and milestones identified in the Logic Model form (HUD-96010) approved and incorporated into your award agreement. For specific reporting

requirements, see policy guidance at <http://www.hud.gov/offices/lead>.

3. A final report is due at the end of the project period, which includes final project benchmarks and milestones achieved against the proposed benchmarks and milestones in the Logic Model (HUD-96010) approved and incorporated into your award agreement. The final report shall also respond to the management questions found in the Logic Model and approved for your program. Specific information on all reporting requirements will be provided to successful applicants.

4. *Racial and Ethnic Beneficiary Data.* HUD does not require Healthy Homes Demonstration Program awardees to report ethnic and racial beneficiary data as part of their initial application package. However, such data must be reported on an annual basis, at a minimum, during the implementation of your cooperative agreement. You must use the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data to report these data, using Form HUD-27061, "Race and Ethnic Data Reporting Form," if applicable (HUD Race Ethnic Form on Grants.gov) found on http://www.hudclips.org/sub_nonhud/html/forms.htm, along with instructions for its use.

VII. Agency Contacts

For questions related to the application download submission process, you may contact the Grants.gov helpline at 800-518-GRANTS. For programmatic questions, you may contact by writing: Emily E. Williams, Director; Healthy Homes Division; Department of Housing and Urban Development; Office of Healthy Homes and Lead Hazard Control; 451 Seventh Street, SW., Room 8236; Washington, DC 20410-3000; or by telephone at (336) 547-4002, extension 2067 (this is not a toll-free number); or via e-mail at: Emily_E._Williams@hud.gov. For administrative questions, you may contact Curtissa L. Coleman, Grants Officer, at the address above or by telephone at: (202) 402-7580 (this is not a toll-free number) or via e-mail at: Curtissa_L._Coleman@hud.gov. If you are hearing- or speech-impaired, you may reach the above telephone numbers via TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

VIII. Other Information

A. General. For additional general, technical, and program information pertaining to the Office of Healthy Homes and Lead Hazard Control, visit: <http://www.hud.gov/offices/lead>.

B. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520) and assigned OMB control number 2539–0015. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is

not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 80 hours to prepare the application and 16 hours to finalize the cooperative agreement. This includes the time for collecting, reviewing, and reporting the data for the application.

This information will be used for grantee selection. The reporting burden for completion of the Quality Assurance Plan by applicants who are awarded a grant is estimated at 24 hours per grantee (OMB approval is pending). Response to this request for information is required in order to receive the benefits to be derived.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**ECONOMIC DEVELOPMENT AND
SELF-SUFFICIENCY PROGRAMS**

**HOUSING CHOICE VOUCHER FAMILY
SELF SUFFICIENCY (FSS) PROGRAM
COORDINATORS**

Housing Choice Voucher Family Self-Sufficiency Program Coordinators

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Public and Indian Housing, Office of Public Housing and Voucher Programs.

B. Funding Opportunity Title: Housing Choice Voucher (HCV) Family Self-Sufficiency (FSS) Program Coordinators.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-15, the OMB Approval Number is 2577-0178.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): 14.871, Section 8 Housing Choice Vouchers.

F. Dates: The application deadline date is May 18, 2007. Please see the General Section for timely receipt requirements.

G. Additional Information: The purpose of the HCV FSS program is to promote the development of local strategies to coordinate the use of assistance under the HCV program with public and private resources to enable participating families to increase earned income, reduce or eliminate the need for welfare assistance, and make progress toward economic independence and self-sufficiency. The FSS program and this FSS NOFA support the Department's strategic goal of helping HUD-assisted renters make progress toward self-sufficiency. The FSS program provides critical tools that can be used by communities to support welfare reform and help families develop new skills that will lead to economic self-sufficiency. As a result of their participation in the FSS program, many families have achieved stable, well-paid employment. An FSS program coordinator assures that program participants are linked to the supportive services they need to achieve self-sufficiency.

Full Text of Announcement

I. Funding Opportunity Description

A. Authority and Program Description. The Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007) allows funding for program coordinators under the HCV FSS program under Section 23 of the United States Housing Act of 1937. Through annual NOFAs, HUD has provided funding to public housing agencies (PHAs) that are operating HCV FSS programs to enable those PHAs to employ program coordinators to support their HCV FSS

programs. In the Fiscal Year (FY) 2007 HCV FSS Program Coordinator NOFA, HUD is again making funding available to PHAs to employ FSS program coordinators and FSS homeownership program coordinators for one year. Funding priority under this NOFA will be provided to applicants with Public Housing Information Center (PIC) data confirming that their FSS families have purchased homes and to applicants whose PIC data demonstrate program accomplishments, such as increased HCV FSS program size, increased earned income of program participants, and families successfully completing their FSS contracts. HUD will accept applications from both new and renewal PHAs that have HUD approval to administer an HCV FSS program. PHAs funded under the HCV FSS NOFA in FY 2005 or FY 2006 are considered "renewal" PHAs in this NOFA. These renewal PHAs are invited to apply for funds to continue previously funded HCV FSS program coordinator and FSS homeownership coordinator positions that they have filled.

Because of the importance of the FSS program in helping families increase earned income and develop assets, HUD will also accept applications from "new" PHAs (PHAs that do not qualify as renewal PHAs as defined under this FSS NOFA). The maximum number of positions that a new applicant PHA, including new PHA joint applicants, may receive is one full-time FSS program coordinator.

To support the Department's initiatives on Colonias, a selection preference is again included for "new" applicant PHAs that provide services and support to rural under-served communities in the Southwest Border regions of Arizona, California, New Mexico, and Texas. See Section III.C.3.c. of this NOFA for requirements that must be met to qualify for the Colonias preference.

PHAs are encouraged to reach out to persons with disabilities who are HCV program participants and might be interested in participating in the FSS program. PHAs are also encouraged to include agencies on their FSS Program Coordinating Committee (PCC) that work with and provide services to families with disabilities.

Applicants must administer the FSS program in accordance with HUD regulations and requirements in 24 CFR part 984, which govern the HCV FSS Program, and must comply with existing HCV program requirements, notices, and guidebooks.

B. Number of Positions for Which Eligible PHAs May Apply. Eligible PHAs may apply for funding for HCV

FSS program coordinator positions under this NOFA as follows:

1. Renewal PHA Applicants. PHAs that qualify as eligible renewal PHA applicants under this NOFA may apply for continuation of each FSS coordinator position, including homeownership coordinator positions, awarded under the HCV FSS NOFA in FY 2005 or FY 2006 that has been filled by the PHA.

2. New PHA Applicants. New PHA applicants may apply for HCV FSS program coordinator positions as follows: a) up to one full-time HCV FSS coordinator position for a PHA applicant with HUD approval to administer a HCV FSS program of 25 or more FSS slots and b) up to one full-time HCV FSS coordinator position per application for joint PHA applicants that together have HUD approval to administer a total of at least 25 HCV FSS slots.

C. Definitions. The following definitions apply to the funding available under this NOFA.

1. Renewal PHA Applicant. A PHA or PHAs that received funding under the HCV FSS NOFA in FY 2005 or FY 2006.

2. New PHA Applicant. PHAs that did not receive funding under the HCV FSS NOFA in FY 2005 or FY 2006 that have HUD approval to administer a HCV FSS program of at least 25 slots or that fulfill the 25 slot minimum by applying jointly with one or more other PHAs.

3. FSS Program Size. The total number of HCV FSS program slots identified in the PHA's HUD-approved FSS Action Plan, or if requested by Moving to Work (MTW) PHA applicants, the number of slots in the applicant's MTW agreement. The total may include both voluntary and mandatory HCV FSS program slots. This number is used in determining the eligibility of new applicant PHAs under this NOFA.

4. Qualifying FSS Homeownership Program. Qualifying homeownership programs include the HCV Homeownership Program and other programs administered by the PHA or other entities that prepare HCV program FSS participants for making the transition from renting to homeownership.

5. The Number of HCV FSS Program Participants. The total number of families shown in HUD's PIC data system or applicable MTW report, as enrolled in the applicant's HCV FSS program at the end of a calendar year, plus those families that successfully completed their FSS contracts during that calendar year.

6. Percentage of Families with Positive FSS Escrow Balances. A

percentage that will be computed by HUD and used to determine funding order of priority 2 applicants under this NOFA. It is the sum of the number of HCV FSS families with positive escrow balances and the number of families that successfully completed their FSS contracts as a percentage of HCV FSS families with FSS progress reports. This calculation will be made using data for the period from December 31, 2005 through December 31, 2006 that has been submitted to HUD on the Form HUD-50058. For MTW applicants, a comparable reporting source may be used.

7. HCV Program Size. The number of HCVs in a PHA's program as determined by HUD using Voucher Management System (VMS) data.

8. HCV FSS Program Size Increase Percentage. A percentage calculated for renewal PHA applicants whose number of HCV FSS participants in Calendar Year 2006 is higher than their Calendar Year 2005 number of participants.

II. Award Information

Available Funds. This NOFA announces the availability of approximately \$47,000,000 in FY 2007 to employ FSS program and FSS homeownership coordinators for the HCV FSS program. If additional funding becomes available during FY 2007, HUD may increase the amount available for coordinators under this NOFA. A maximum of \$65,500 is available for each full-time coordinator position funded. Salaries are to be based on local comparables. The funding will be provided as a one-year HCV funding increment under the PHA's Annual Contributions Contract (ACC). HUD reserves the right to adjust funding for renewal positions in order to ensure a fair and reasonable distribution of funding.

III. Eligibility Information

A. Eligible Applicants. PHAs eligible to apply for funding under this NOFA are:

1. Renewal PHA Applicants. Those PHAs that received funding under the HCV FSS NOFA in FY 2005 or FY 2006. To continue to qualify as renewal PHAs, the FY 2007 application of joint applicants must include at least one PHA applicant that meets this standard. Joint applicants can change the lead PHA in their FY 2007 application. A PHA that was originally funded as part of a joint application that wishes to now apply separately would continue to be considered a renewal PHA applicant for funding purposes, but must be able to meet the FSS minimum program size requirement of a HUD-approved HCV

FSS program of at least 25 slots that applies to new applicant PHAs.

2. New PHA Applicants. PHAs that were not funded under the HCV FSS NOFA in FY 2005 or FY 2006. The new applicant PHA must be authorized through its HUD-approved FSS Action Plan to administer an HCV FSS program of at least 25 slots, or be a PHA with HUD approval to administer an HCV FSS program of fewer than 25 slots that applies jointly with one or more other PHAs so that together they have HUD approval to administer at least 25 HCV FSS slots. Joint applicants must specify a lead co-applicant that will receive and administer the FSS program coordinator funding.

3. MTW PHAs. New and renewal PHAs that are under MTW agreements with HUD may qualify for funding under this NOFA if the PHA administers an FSS program. When determining the size of a new applicant MTW PHA's HUD-approved FSS program, the PHA may request that the number of FSS slots reflected in the PHA's MTW agreement be used instead of the number in the PHA's FSS Action Plan.

4. Troubled PHAs

a. A PHA that has been designated by HUD as a troubled PHA under the Section Eight Management Assessment Program (SEMAP), or that has serious program management findings from Inspector General audits or serious outstanding HUD management review or Independent Public Accountant (IPA) audit findings for the PHA's HCV or Moderate Rehabilitation programs that are resolved prior to this NOFA's application due date is eligible to apply under this NOFA. Serious program management findings are those that would cast doubt on the capacity of the PHA to administer its HCV FSS program in accordance with applicable HUD regulatory and statutory requirements.

b. A PHA whose SEMAP troubled designation has not been removed by HUD or whose major program management findings or other significant program compliance problems have not been resolved by the application due date may apply if the PHA meets the requirements stated in Section III.C.3.e. of this NOFA.

B. Cost Sharing or Matching. None required.

C. Other

1. Eligible Activities. Funds awarded to PHAs under this FSS NOFA may only be used to pay salaries and fringe benefits of HCV FSS program staff. Funding may be used to employ or otherwise retain for one year the services of HCV FSS program coordinators and HCV FSS

homeownership coordinators. FSS coordinator support positions funded under previous FSS NOFAs that made funding available for such FSS positions may be continued. A part-time program coordinator may be retained where appropriate.

2. Threshold Requirements

a. All Applicants

(1) Each applicant must qualify as an eligible PHA under Section III.A. of this NOFA and must have submitted their FSS application by the application due date and in the format required in Section IV. of this NOFA.

(2) All applications must include a Dun and Bradstreet Universal Numbering System (DUNS) number. (See the General Section for further information about the DUNS number requirement.)

(3) Compliance with Fair Housing and Civil Rights Laws. The General Section of the SuperNOFA applies.

(4) Additional nondiscrimination and other requirements. The General Section of the SuperNOFA applies. The Affirmatively Furthering Fair Housing requirements of the General Section also apply. Section 3 of the Housing and Urban Development Act of 1968 does not apply to this program.

(5) The PHA must have a financial management system that meets federal standards. See the General Section regarding those applicants that may be subject to HUD's arranging for a pre-award survey of an applicant's financial management system.

(6) Applicants must comply with the requirements for funding competitions established by the HUD Reform Act of 1989 (42 U.S.C. 3531 *et seq.*) and other requirements as defined in the General Section.

b. Renewal Applicants. *Continued funding for existing coordinator positions.* In addition to meeting the requirements of Section III.A. of this FSS NOFA, renewal PHA applicants must continue to operate an HCV FSS program, have filled eligible FSS program coordinator positions for which they are seeking renewal funding, executed FSS contracts of participation with HCV FSS program families, and submitted reports on participant families to HUD via the form HUD-50058, or a similar report for MTW PHA applicants.

c. New Applicants. New applicants must meet the requirements of Section III.A. and Section III. C.2.a of this FSS NOFA.

3. Program Requirements.

a. Salary Comparables. For all positions requested under this NOFA, evidence of salary comparability to similar positions in the local

jurisdiction must be kept on file in the PHA office.

b. FSS Action Plan. The requirements for the FSS Action Plan are stated in 24 CFR 984.201. For a new PHA applicant to qualify for funding under this NOFA, the PHA's initial FSS Action Plan or amendment to change the number of HCV FSS slots in the PHA's previously HUD-approved FSS Action Plan must be submitted to and approved by the PHA's local HUD field office prior to the application due date of this FSS NOFA. An FSS Action Plan can be updated by means of a simple one-page addendum that reflects the total number of HCV FSS slots (voluntary and/or mandatory slots) the PHA intends to fill. New PHA applicants with previously approved HCV FSS Action Plans may wish to confirm the number of HUD-approved slots their local HUD field office has on record for the PHA. A new applicant MTW PHA may request that the number of FSS slots in its MTW agreement be used instead of the number of slots in the PHA's FSS Action Plan.

c. Colonias Preference. New applicant PHAs claiming the Colonias preference must meet the requirements of Sections III.A., III.C.2.a. and III.C.2.c. of this FSS NOFA and must operate in a Southwest border area that contains Colonia communities and administer programs that include outreach to members of those Colonia communities. Attachment A of this NOFA provides a listing of PHAs in Arizona, California, New Mexico, and Texas that HUD has identified as operating in areas containing Colonia communities. PHAs not listed in Attachment A that are claiming the Colonias preference will be required to submit a written request that HUD determine their eligibility for the preference. The request must be submitted prior to the application deadline date and must be sent to Lorenzo "Larry" Reyes, Coordinator, SW Border Colonias and Migrant Farmworker Initiative, Office of Departmental Operations and Coordination, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 3120, Washington, DC 20410. Any PHA that fails to submit its request by the application deadline will be ineligible for the Colonias preference.

d. Homeownership Preferences. See priority funding categories in Section V.B.2. of this FSS NOFA. Reported HCV FSS home purchase numbers will be subject to post audit.

e. Troubled PHAs. A PHA whose SEMAP troubled designation has not been removed by HUD or that has major program management findings or other significant program compliance

problems that have not been resolved by the application due date, may apply if the PHA submits an application that designates another organization or entity that is acceptable to HUD and that:

- (1) Includes an agreement by the other organization or entity to administer the FSS program on behalf of the PHA; and
- (2) In the instance of a PHA with unresolved major program management findings, includes a statement that outlines the steps the PHA is taking to resolve the program findings.

Immediately after the publication of this NOFA, the Office of Public Housing in the local HUD field office will notify, in writing, those PHAs that have been designated by HUD as troubled under SEMAP, and those PHAs with unresolved major program management findings or other significant program compliance problems that are not eligible to apply without such an agreement. Concurrently, the local HUD field office will provide a copy of each such written notification to the Director of the Grants Management Center. If an applicant that is required to have an agreement under this section fails to submit the required agreement, this will be treated as a technical deficiency. See General Section for more information on Corrections to Deficient Applications.

f. Conducting Business in Accordance with Core Values and Ethical Standards. To reflect core values, all PHAs shall develop and maintain a written code of conduct in the PHA administrative plan that:

- (1) Requires compliance with the conflict-of-interest requirements of the HCV program at 24 CFR 982.161; and
- (2) Prohibits the solicitation or acceptance of gifts or gratuities, in excess of a nominal value, by any officer or employee of the PHA, or any contractor, subcontractor, or agent of the PHA. The PHA's administrative plan shall state PHA policies concerning PHA administrative and disciplinary remedies for violation of the PHA code of conduct. The PHA shall inform all officers, employees, and agents of its organization of the PHA's code of conduct. See the General Section for additional information on the Code of Conduct requirement.

IV. Application and Submission Information

A. Addresses To Request Application Package

1. Web site. A copy of this funding announcement for the HCV FSS program may be downloaded from the following Web site: http://www.Grants.gov/applicants/apply_for_grants.jsp.

www.Grants.gov/applicants/apply_for_grants.jsp.

2. Further Information. When requesting information, please refer to the name of the program you are interested in. The NOFA Information Center opens for business simultaneously with the publication of the SuperNOFA. You can also obtain information on this NOFA when you download the instructions from the www.Grants.gov Web site identified above.

3. Technical Assistance. See Section VII. of this FSS funding announcement.

B. Content and Form of Application Submission

1. Content of Application. Each new and renewal PHA must complete form SF-424; the SF-LLL, if appropriate; the form HUD-52651, the HCV FSS application form; HUD-2880, "Applicant/Recipient Disclosure/Update Report" (HUD Applicant Recipient Disclosure Report on Grants.gov); HUD-2994-A, You are our Client Grant Applicant Survey; HUD-2991, Certification of Consistency with the Consolidated Plan; and an Affirmatively Furthering Fair Housing statement in accordance with the General Section. In addition, the application must include a completed Logic Model (form HUD-96010) showing proposed performance measures applicable to the one-year term of the funding requested under this NOFA. See the General Section for information on the Logic Model. A copy of form HUD-52651, the HCV FSS application form, and the HUD-96010, Logic Model form, are part of the INSTRUCTIONS download. Applicants choosing the Outputs/Outcomes category of "Other" must include a brief narrative explanation of the category in their application package. In completing the SF-424, renewal PHAs should select the continuation box on question 2, type of application. The Federal Identifier requested in 5a. is the PHA number of each applicant PHA (e.g., MD035 or AK002). The Federal Award Identifier is the PHA number including the increment number for the last award (e.g., MD035V012 or AK002V005). Both new and renewal PHA applicants should enter the proposed Annual Contributions Contract (ACC) amendment effective and ending dates for the FSS coordinator funding in Section 17 of the SF-424. In Section 18 of SF-424 (Estimated Funding), complete only 18.a., which will be the amount requested from HUD in the FY 2007 FSS application, and 18.g., Total. The dollar amounts entered in 18.a. and 18.g. must be the total requested under

this NOFA. Those totals should include amounts for fringe benefits, if applicable, and the percentage increase for renewal PHA applicants. In completing Part IV. A. of form HUD-52651, enter the salary requested per position under the NOFA with the percentage increase included.

C. Submission Date and Time. Your completed application must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date. Please note that validation may take up to 72 hours. Applicants should carefully read the section titled "APPLICATION and SUBMISSION INFORMATION" in the General Section.

D. Intergovernmental Review. This NOFA is not subject to Executive Order (EO) 12372, Intergovernmental Review of Federal Programs.

E. Funding Restrictions

1. Salary Cap. Awards under this NOFA are subject to a cap of \$65,500 per year per full-time coordinator position funded. Under this NOFA, if PHAs apply jointly, the \$65,500 maximum amount that may be requested per position applies to up to one full-time coordinator position for the application as a whole, not to each PHA separately.

2. Limitation on Renewal Funding Increases. For renewal coordinator positions, PHAs will be limited to a one percent increase above the amount of the most recent award for the position unless a higher increase is approved by the local HUD field office after review of the PHA's written justification and at least three comparables that must be submitted to the field office by the application due date. Examples of acceptable reasons for increases above one percent would be a need for a coordinator with higher level of skills or to increase the hours of a part-time coordinator to full time. Total positions funded cannot exceed the maximum number of positions for which the PHA is eligible under this NOFA.

3. Ineligible Activities

a. Funds under this NOFA may not be used to pay the salary of an FSS coordinator for a public housing FSS program. An HCV FSS program coordinator may only serve HCV families while the public housing FSS program serves only public housing residents. In FY 2007, funding for public housing FSS program coordinators is being made available through the Public Housing Resident Opportunities and Self-Sufficiency (ROSS) NOFA for Public Housing FSS Program Coordinators that is included in the FY 2007 SuperNOFA.

b. Funds under this FSS NOFA may not be used to pay for services for FSS program participants.

F. Other Submission Requirements

1. Application Submission and Receipt Procedures. See the General Section. Electronic application submission is mandatory unless an applicant requests, and is granted, a waiver to the requirement. Applicants should submit their waiver requests in writing using e-mail. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to *Alfred_C.Jurison@hud.gov* and to *Kathryn_L.Greenspan@hud.gov*. The subject line of the email message should be FY'07 HCV FSS NOFA Waiver Request. If an applicant is granted a waiver, then the approval will provide instructions for submitting paper copies to the appropriate HUD office(s). All paper applications must be received by the application deadline date to meet the requirements for timely submission.

V. Application Review Information

A. Criteria. The funds available under this NOFA are being awarded based on demonstrated performance. Applications are reviewed by the local HUD field office and Grants Management Center (GMC) to determine whether or not they are technically adequate based on the NOFA requirements. Field offices will provide to the GMC in a timely manner, as requested, information needed by the GMC to make its determination, such as the HUD-approved HCV FSS program size of new PHA applicants and information on the administrative capabilities of PHAs. Categories of applications that will not be funded are stated in Section V.B.6. of this FSS NOFA.

B. Review and Selection Process

1. Technically Acceptable Applications. All technically adequate applications will be funded to the extent funds are available.

2. Funding Priority Categories. If HUD receives applications for funding greater than the amount made available under this NOFA, HUD will divide eligible applications into priority categories as follows:

Funding Category 1—Applications from eligible renewal PHAs with qualifying homeownership programs with a minimum of fifteen (15) HCV FSS program participants or graduates that purchased homes between October 1, 2000, and the publication date of this FSS NOFA and an increase of at least ten (10) percent in the number of

participants in the applicant's HCV FSS program from Calendar Year 2005 to Calendar Year 2006. Both the number of home purchases and the percentage increase in the number the HCV FSS program participants will be determined by HUD using PIC data from form HUD-50058 or as otherwise reported for MTW PHAs.

Funding Category 2—Eligible renewal PHA applicants with programs that have families with positive escrow balances and/or families that successfully completed their FSS contracts between December 31, 2005, and December 31, 2006.

Funding Category 3—Eligible renewal PHA applicants with qualifying homeownership programs and an increase in the number of HCV FSS program participants of at least ten (10) percent from Calendar Year 2005 to Calendar Year 2006.

Funding Category 4—New PHA applicants with HUD approval to implement an FSS program of at least 25 slots.

3. Order of Funding. Starting with Funding Category 1, HUD will first determine whether there are sufficient monies to fund all eligible positions requested in the funding category. If available funding is not sufficient to fund all positions requested in the category, HUD will fund applications in the following order:

a. Funding Category 1. HUD will calculate the Percentage Increase of HCV FSS Program Participants for each eligible applicant and will use this percentage in making funding decisions. HUD will fund eligible applicants in order starting with those that have the highest Percentage Increase of HCV FSS Program Participants. If funding is not sufficient to fund all applicants with the same Percentage Increase of HCV FSS Program Participants, HUD will select among eligible applicants by HCV program size starting with eligible applicants with the smallest HCV program size.

b. Funding Category 2. If funds remain, HUD will process requests of eligible Funding Category 2 applicant PHAs. HUD will first calculate the Percentage of Families with Positive FSS escrow balances for all eligible Funding Category 2 applicants. If there are not sufficient monies to fund all eligible funding category 2 applicants, HUD will fund eligible applications starting with those with the highest positive escrow percentage. If there are not sufficient monies to fund all applications with the same positive escrow percentage, HUD will select eligible applicants in order by HCV program size starting with eligible

applicants with the smallest HCV program size.

c. Funding Category 3. If funds remain, HUD will process eligible Funding Category 3 applications. If there is not enough funding for all applicants, HUD will use the Percentage Increase of HCV FSS Participants to determine selection order, starting with applicants with the highest Percentage Increase of HCV FSS Participants. If funds are not sufficient for all applicants with the same Percentage Increase of HCV FSS Participants, HUD will fund eligible applicants by HCV program size starting with eligible applicants with the smallest HCV program size.

d. Funding Category 4. If funds remain after all Category 1 through 3 applicants have been funded, HUD will process applications from eligible Category 4 new PHA applicants. If there are not sufficient monies to fund all eligible Category 4 PHA applicants, HUD will first fund eligible applications from those PHAs qualifying for the Colonias preference. If there are not sufficient monies to fund all eligible Colonias PHA applicants, HUD will fund them starting with the smallest HCV program size first. If funding remains after funding all eligible Category 4 Colonias PHA applicants, HUD will then begin funding eligible non-Colonias applicants by HCV program size, starting with eligible applicants with the smallest HCV program size first.

4. Based on the number of applications submitted, the GMC may elect not to process applications for a funding priority category where it is apparent that there are insufficient funds available to fund *any* applications within the priority category.

5. Corrections to Deficient Applications. The General Section provides the procedures for corrections to deficient applications.

6. Unacceptable Applications. After the technical deficiency correction period (as provided in the General Section), the GMC will disapprove PHA applications that it determines are not acceptable for processing. Applications from PHAs that fall into any of the following categories are ineligible for funding under this NOFA and will not be processed:

a. An application submitted by an entity that is not an eligible PHA as defined under Section III.A. and Section III.C. of this FSS NOFA or an application that does not comply with the requirements of Section IV.B., IV.C., and IV.F. of this FSS NOFA.

b. An application from a PHA that does not meet the fair housing and civil

rights compliance requirements of the General Section.

c. An application from a PHA that does not comply with the prohibition against lobbying activities of the General Section.

d. An application from a PHA that as of the application due date has not made progress satisfactory to HUD in resolving serious outstanding Inspector General audit findings, or serious outstanding HUD management review or Independent Public Accountant audit findings for the HCV program and/or Moderate Rehabilitation program or has a "troubled" rating under SEMAP, and has not designated another organization acceptable to HUD to administer the FSS program on behalf of the PHA as required in Section III.C.3.e. of this FSS NOFA.

e. An application from a PHA that has been debarred or otherwise disqualified from providing assistance under the program.

f. An application that did not meet the application due date and timely receipt requirements as specified in this NOFA and the General Section.

g. Applications will not be funded that do not meet the Threshold requirements identified in this NOFA and the General Section.

C. Anticipated Announcement and Award Dates. It is anticipated that award announcements will take place during either the month of July or August 2007.

VI. Award Administration Information

A. Award Notices. Successful applicants will receive an award letter from HUD. Funding will be provided to successful applicants as an amendment to the ACC of the applicant PHA. In the case of awards to joint applicants, the funding will be provided as an amendment to the ACC of the lead PHA that was identified in the application.

Unsuccessful applicants will receive a notification of rejection letter from the GMC that will state the basis for the decision. The applicant may request an applicant debriefing. Beginning not less than 30 days after the awards for assistance are publicly announced in the **Federal Register** and for at least 120 days after awards for assistance are announced publicly, HUD will, upon receiving a written request, provide a debriefing to the requesting applicant. (See the General Section for additional information regarding a debriefing.) Applicants requesting to be debriefed must send a written request to: Iredia Hutchinson, Director, Grants Management Center, U.S. Department of Housing and Urban Development, 501

School Street, SW., Suite 800, Washington, DC 20024.

B. Administrative and National Policy Requirements

1. Environmental Impact. Under 24 CFR 50.19(b)(4) and (12), no environmental review is required in connection with activities conducted under this NOFA, because the NOFA provides funds for employing a coordinator to provide only public and supportive services, which are categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and not subject to the related environmental authorities.

2. HUD's Strategic Goals. HUD is committed to ensuring that programs result in the achievement of HUD's strategic mission. The FSS program and this FSS NOFA support the Department's strategic goals of increasing homeownership activities and helping HUD-assisted renters make progress toward self-sufficiency by giving funding preference to PHAs whose FSS programs show success in moving families to self-sufficiency and homeownership. You can find out about HUD's Strategic Framework and Annual Performance Plan at <http://www.hud.gov/offices/cfo/reports/cforept.cfm>.

3. HUD Policy Priorities. This NOFA supports HUD's policy priorities of providing increased homeownership opportunities and increased self-sufficiency of low-income families through employment. Consequently, funding priority in this NOFA will be given to those PHA applicants that demonstrate that a minimum of 15 of their FSS families have become homeowners that have increased their FSS program size by at least 10 percent in calendar year 2006 and to applicants with program participants who have increased their earned income since enrolling in FSS and/or have families that completed their FSS contracts in the last calendar year. See the General Section for a full discussion of HUD's policy priorities.

C. Reporting. Successful applicants must report activities of their FSS enrollment, progress and exit activities of their FSS program participants through required submissions of the Form HUD-50058. HUD's assessment of the accomplishments of the FSS programs of PHAs funded under this NOFA will be based primarily on PIC system data obtained from form HUD-50058. MTW PHAs that do not report to HUD on form HUD-50058 will be asked to submit an annual report to HUD with the same information on FSS program

activities that is provided to HUD by non-MTW PHAs via form HUD-50058. Each recipient is also required to submit a completed Logic Model showing accomplishments against proposed outputs and outcomes as part of their annual reporting requirement to HUD. Recipients shall use quantifiable data to measure performance against goals and objectives outlined in their Logic Model. An annual Performance Report consisting of the updated Logic Model and answers to the Program Management and Evaluations Questions must be submitted to the Public Housing Director in the recipient's local HUD field office no later than 30 days after the ending date of the one-year funding increment provided to the recipient under this NOFA. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD plans to issue a **Federal Register** notice soliciting comment on the ROI concept. In addition, HUD requires that funded recipients collect racial and ethnic beneficiary data. It has adopted the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data. In view of these requirements, funded recipients should use Form HUD-27061, Racial and

Ethnic Data Reporting Form (HUD Race Ethnic Form on Grants.gov), or a comparable form. Form HUD-50058, which provides racial and ethnic data to HUD's PIC data system, is a comparable program form.

VII. Agency Contacts

A. For Technical Assistance. For answers to your questions, you may contact the Public and Indian Housing Resource Center at 800-955-2232. Persons with hearing or speech impairments may access this number via TTY (text telephone) by calling the Federal Information Relay Service at 800-877-8339. (These are toll-free numbers). Prior to the application deadline, staff at the numbers given above will be available to provide general guidance, but not guidance in actually preparing the application. Following selection, but prior to award, HUD staff will be available to assist in clarifying or confirming information that is a prerequisite to the offer of an award by HUD.

B. Satellite Broadcast. HUD will hold an information broadcast via satellite for potential applicants to learn more about the HCV FSS program and preparation of an application. For more information about the date and time of this

broadcast, you should consult the HUD website at www.hud.gov.

VIII. Other Information

A. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2577-0178. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average one hour per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application and other required reporting. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

B. Public Access, Documentation, and Disclosure. See Section VIII. G. of the General Section.

Rural Housing and Economic Development Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Community Planning and Development, Office of Rural Housing and Economic Development.

B. Funding Opportunity Title: Rural Housing and Economic Development (RHED) program.

C. Announcement Type: Initial Announcement.

D. Funding Opportunity Number: FR-5100-N-02, OMB Approval Number 2506-0169.

E. Catalog of Federal Domestic Assistance (CFDA) Numbers: 14.250, Rural Housing and Economic Development.

F. Application Date: The application deadline date is May 23, 2007. Applications submitted through <http://www.grants.gov> must be received and validated by grants.gov no later than 11:59:59 Eastern time on the application deadline date. The validation process may take up to 72 hours.

G. Optional, Additional Overview Information

Purpose of Program: The purpose of the Rural Housing and Economic Development program is to provide support for innovative housing and economic development activities in rural areas. The funds made available under this program will be awarded competitively through a selection process conducted by HUD in accordance with the HUD Reform Act.

Full Text of Announcement

I. Funding Opportunity Description

A. Background

There has been a growing national recognition of the need to provide support for local rural nonprofit organizations, community development corporations, federally recognized Indian tribes, state housing finance agencies (HFAs), and state economic development and community development agencies to expand the supply of affordable housing and to engage in economic development activities in rural areas. A number of resources are available from the federal government to address these problems, including programs of the U.S. Department of Agriculture (USDA), the Economic Development Administration (EDA), the Appalachian Regional Commission (ARC), the Department of Interior (for Indian tribes), and HUD. The Rural Housing and Economic Development program was developed to

supplement these resources and to focus specifically on promoting innovative approaches to housing and economic development in rural areas. In administering these funds, HUD encourages you to coordinate your activities with those supported by any of the agencies listed above.

B. Definitions

1. *Appalachia's Distressed Counties* means those counties in Appalachia that the Appalachian Regional Commission (ARC) has determined to have unemployment and poverty rates that are 150 percent of the respective U.S. rates and a per capita income that is less than 67 percent of the U.S. per capita income, and have counties with 200 percent of the U.S. poverty rate and one other indicator, such as the percentage of overcrowded housing. Refer to www.arc.gov for a list of ARC-distressed counties and more information.

2. *Colonia* means any identifiable, rural community that: a. Is located in the state of Arizona, California, New Mexico, or Texas; b. Is within 150 miles of the border between the United States and Mexico; and c. Is determined to be a colonia on the basis of objective need criteria, including a lack of potable water supply, lack of adequate sewage systems, and lack of decent, safe, sanitary, and accessible housing.

3. *Farm Worker* means a farm employee of an owner, tenant, labor contractor, or other operator raising or harvesting agricultural or aquacultural commodities, or a worker who, in the employment of a farm operator, engages in handling, planting, drying, packing, grading, storing, delivering to storage or market, or carrying to market agricultural or aquacultural commodities produced by the operator. Seasonal farm workers are those farm employees who typically do not have a constant year-round salary.

4. *Firm Commitment* means a letter of commitment from a partner by which an applicant's partner agrees to perform an activity specified in the application, demonstrates the financial capacity to deliver the resources necessary to carry out the activity, and commits the resources to the activity, either in cash or through in-kind contributions. It is irrevocable, subject only to approval and receipt of a fiscal year (FY) 2007 Rural Housing and Economic Development grant. Each letter of commitment must include the organization's name and applicant's name, reference the Rural Housing and Economic Development program, and describe the proposed total level of commitment and responsibilities, expressed in dollar value for cash or in-

kind contributions, as they relate to the proposed program. The commitment must be written on the letterhead of the participating organization, must be signed by an official of the organization legally able to make commitments on behalf of the organization, and must be dated no earlier than the date of publication of this NOFA. In documenting a firm commitment, the applicant's partner must:

a. Specify the authority by which the commitment is made, the amount of the commitment, the proposed use of funds, and the relationship of the commitment to the proposed investment. If the committed activity is to be self-financed, the applicant's partner must demonstrate its financial capability through a corporate or personal financial statement or other appropriate means. If any portion of the activity is to be financed through a lending institution, the participant must provide evidence of the institution's commitment to fund the loan; and

b. Affirm that the firm commitment is contingent only upon the receipt of FY2007 Rural Housing and Economic Development funds and state a willingness on the part of the signatory to sign a legally binding agreement (conditioned upon HUD's environmental review and approval of a property, where applicable) upon award of the grant.

5. *Federally Recognized Indian tribe* means any tribal entity eligible to apply for funding and services from the Bureau of Indian Affairs by virtue of its status as an Indian tribe. The list of federally recognized tribes can be found in the notice published by the Department of the Interior on November 25, 2005 (70 FR 71194) and is also available from HUD.

6. *Innovative Housing Activities* means projects, techniques, methods, combinations of assistance, construction materials, energy efficiency improvements, or financing institutions or sources new to the eligible area or to its population. The innovative activities can also build upon and enhance a model that already exists.

7. *Local Rural Nonprofit Organization or Community Development Corporation* means either of the following:

a. Any private entity with tax-exempt status recognized by the Internal Revenue Service (IRS) that serves the eligible rural area identified in the application (including a local affiliate of a national organization that provides technical assistance in rural areas); or

b. Any public nonprofit entity such as a Council of Governments that will

serve specific local nonprofit organizations in the eligible area.

8. *Lower Mississippi Delta Region* means the eight-state, 240-county/parish region defined by Congress in the Lower Mississippi Delta Development Act, Public Law 100-460. Refer to www.dra.gov for more information.

9. *Eligible Rural Area* means one of the following:

a. A non-urban place having fewer than 2,500 inhabitants (within or outside of metropolitan areas).

b. A county or parish with an urban population of 20,000 inhabitants or less.

c. Territory, including its persons and housing units, in the rural portions of "extended cities." The U.S. Census Bureau identifies the rural portions of extended cities.

d. Open country that is not part of or associated with an urban area. The USDA describes "open country" as a site separated by open space from any adjacent, densely populated urban area. Open space includes undeveloped land, agricultural land, or sparsely settled areas, but does not include physical barriers (such as rivers and canals), public parks, commercial and industrial developments, small areas reserved for recreational purposes, or open space set aside for future development.

e. Any place with a population of 20,000 or less and not located in a Metropolitan Statistical Area.

10. *State Community and/or Economic Development Agency* means any state agency whose primary purpose is promotion of economic development statewide or in a local community.

11. *State Housing Finance Agency* means any state agency created to assist local communities and housing providers with financing assistance for development of housing in rural areas, particularly for low- and moderate-income people.

II. Award Information

A. Amount Allocated

1. *Available Funds.* Approximately \$16,830,000 in Fiscal Year (FY) 2007 funding (plus any additional funds available through recapture) are being made available through this NOFA.

2. *Funding Award Amount.* HUD will award up to approximately \$16,830,000 on a competitive basis for Support for Innovative Housing and Economic Development Activities to federally recognized Indian tribes, state housing finance agencies (HFAs), state community and/or economic development agencies, local rural nonprofit organizations, and community development corporations to support innovative housing and economic

development activities in rural areas. The maximum amount awarded to a successful applicant will be \$300,000.

B. Grant Amount

In the event, you, the applicant, are awarded a grant that has been reduced (e.g., the application contained some activities that were ineligible or budget information did not support the request), you will be required to modify your project plans and application to conform to the terms of HUD's approval before execution of the grant agreement.

HUD reserves the right to reduce or de-obligate the award if suitable modifications to the proposed project are not submitted by the awardee within 90 days of the request. Any modifications must be within the scope of the original application. HUD reserves the right to not make awards under this NOFA.

C. Grant Period

Recipients will have 36 months from the date of the executed grant agreement to complete all project activities.

D. Notification of Approval or Disapproval

HUD will notify you whether or not you have been selected for an award. If you are selected, HUD's notice to you concerning the amount of the grant award (based on the approved application) will constitute HUD's conditional approval, subject to negotiation and execution of a grant agreement by HUD.

III. Eligibility Information

A. *Eligible Applicants.* Eligible applicants for the Rural Housing and Economic Development program are local rural nonprofit organizations, community development corporations, federally recognized Indian tribes, state housing finance agencies, and state community and/or economic development agencies. Also, you must meet all of the applicable eligibility requirements described in section III.C of the General Section.

B. *Cost Sharing or Matching.* There is no match required under the Rural Housing and Economic Development program. Applicants that submit evidence of leveraging dollars under Rating Factor 4 will receive points according to the scale under that factor.

C. Other

1. *Eligible Activities.* The following are examples of eligible activities under the Rural Housing and Economic Development program.

Permissible activities may include, but are not limited to the following:

a. The cost of using new or innovative construction, energy efficiency, or other techniques that will result in the design or construction of innovative housing and economic development projects;

b. Preparation of plans or of architectural or engineering drawings;

c. Preparation of legal documents, government paperwork, and applications necessary for construction of housing and economic development activities to occur in the jurisdiction;

d. Acquisition of land and buildings;

e. Demolition of property to permit construction or rehabilitation activities to occur;

f. Purchase of construction materials;

g. Homeownership counseling, including on the subjects of fair housing counseling, credit counseling, budgeting, access to credit, and other federal assistance available, including features for persons with disabilities, such as full accessibility, visitability, and universal design;

h. Conducting conferences or meetings with other federal or state agencies, tribes, tribally designated housing entities (TDHE), or national or regional housing organizations, to inform residents of programs, rights, and responsibilities associated with homebuying opportunities (all meetings and conferences should be provided in alternative formats for persons with a variety of disabilities, as appropriate, and in applicable languages common in the community for limited English proficient (LEP) families);

i. Establishing Community Development Financial Institutions (CDFIs), lines of credit, revolving loan funds, microenterprises, and small business incubators; and

j. Provision of direct financial assistance to homeowners/businesses/developers, etc. This can be in the form of default reserves, pooling/securitization mechanisms, loans, grants, the funding of existing individual development accounts, or similar activities.

2. *Statutory and Regulatory Requirements.* To be eligible for funding under HUD NOFAs issued during FY 2007, you, the applicant, must meet all statutory and regulatory requirements applicable to this NOFA as described in the General Section. HUD may also eliminate ineligible activities from funding consideration and reduce funding amounts accordingly.

3. *General HUD Threshold Requirements.* You must meet all threshold requirements described in the General Section.

a. *Ineligible Applicants.* HUD will not consider an application from an ineligible applicant.

b. *Economic Opportunities for Low- and Very Low-Income Persons (Section 3).* Recipients of assistance under this NOFA must comply with section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects) and the HUD regulations at 24 CFR part 135, including the reporting requirements at subpart E. Section 3 requires recipients to ensure that, to the greatest extent feasible, training, employment, and other economic opportunities will be directed to low- and very-low income persons, particularly those who are recipients of government assistance for housing, and to businesses that provide economic opportunities to low- and very low-income persons.

4. *Program-Specific Threshold Requirements.*

a. The application must receive a minimum rating score of 75 points to be considered for funding.

b. HUD will only fund eligible applicants as defined in this NOFA under section III.A.

c. Applicants must serve an eligible rural area as defined in section I. of this NOFA.

d. Proposed activities must meet the objectives of the Rural Housing and Economic Development program.

e. Applicants must demonstrate that their activities will continue to serve populations that are in need and that beneficiaries will have a choice of innovative housing and economic development opportunities as a result of the activities.

IV. Application and Submission Information

A. Address To Request Application Package

This section describes how you may obtain application forms. Copies of the published Rural Housing and Economic Development NOFA and application forms may be downloaded from the Grants.gov Web site at <http://www.grants.gov/Apply>. You may call the Grants.gov support desk at 800-518-GRANTS, or e-mail the support desk at Support@Grants.gov for assistance in downloading the application.

B. Content and Form of Application Submission

1. *Application Submission Requirements.* Be sure to read and follow the application submission requirements carefully.

a. *Page Numbering.* All pages of the application must be numbered sequentially if you are submitting a

paper copy application. For electronic application submission, you should follow the directions in the General Section.

b. *Application Items.* Your application must contain the items listed below.

(1) An abstract with the dollar amount requested, the category under which you qualify for demographics of distress special factor under Rating Factor 2 (Need and Extent of the Problem), which of the five definitions of the term "rural area" set forth in section I.B.9 of this NOFA applies to the proposed service area, and accompanying documentation as indicated on the form.

(2) Table of Contents.

(3) A signed Application for Federal Assistance (SF-424) (application form).

(4) SF-424 Supplement Survey on Equal Opportunity for Applicants (optional submission).

(5) Facsimile Transmittal (HUD-96011). (This must be used as the cover page to transmit third-party documents as part of your electronic application).

(6) Disclosure of Lobbying Activities (SF-LLL).

(7) Applicant/Recipient Disclosure/Update Report (HUD-2880).

(8) You Are Our Client Grant Applicant Survey (HUD 2994-A) (Optional).

(9) Program Outcome Logic Model (HUD-96010).

(10) A budget for all funds (federal and non-federal including the Detailed Budget Form (HUD-424-CB) and the Grant Application Detailed Budget Worksheet (HUD 424-CBW).

(11) Certification of Consistency with RC/EZ/EC-II Strategic Plan (HUD-2990), if applicable.

(12) Certification of Consistency with the Consolidated Plan (HUD-2991), if applicable.

(13) Documentation of funds pledged in support of Rating Factor 4—"Leveraging Resources." This documentation, which will not be counted in the 15-page limitation, must be in the form of a "firm commitment" as defined in section I.B.4 of this NOFA.

(14) If you are a private nonprofit organization, a copy of your organization's IRS ruling providing tax-exempt status under section 501 of the Internal Revenue Code of 1986, as amended.

(15) Narrative response to Factors for Award. The total narrative response to all factors should not exceed 15 pages and should be submitted on 8.5-x-11-inch single-sided paper, with 12-point font and double lined spacing. Please note that although submitting pages in excess of the page limit will not disqualify your application, HUD will

not consider or review the information on any excess pages, and if you place key information on those pages, you may fail to meet a threshold requirement. In addition, applicants should be aware that additional pages increase the size of the application and the length of time it will take to electronically submit the document and have it electronically received by Grants.gov.

(16) Questionnaire for HUD's Initiative on Removal of Regulatory Barriers (Form HUD-27300). To get the points for this policy priority, you must include the documentation or references to website links where the information can be found.

All applicants are required to use the following format in their 15-page narrative responses to the rating factors included in the program NOFA:

Factor 1—Relevant Organizational Experience;

Factor 2—Need and Extent of the Problem;

Factor 3—Soundness of Approach;

Factor 4—Leveraging Resources; and

Factor 5—Achieving Results and Program Evaluation.

See section V. of this NOFA for further details.

C. Submission Dates and Times

1. *Electronic Application Submission.* Applications for the Rural Housing and Economic Development program must be received and validated by Grants.gov no later than 11:59:59 p.m. Eastern Time on the application deadline date. Applicants are advised to submit their applications at least 48 to 72 hours in advance of the deadline date and when the Grants.gov help desk is open so that any issues can be addressed prior to the deadline date and time. Please note that validation may take up to 72 hours. You will receive an acknowledgement of receipt from Grants.gov when your application has been successfully received, and later that it has been validated or rejected. Please see the General Section for more detailed information. If you do not receive the validation or rejection notice within 24 to 48 hours, contact the Grants.gov help desk.

2. Applicants are advised to carefully read their application submission and timely receipt requirements in the General Section since they have changed from previous years.

3. Only one application will be accepted from any given organization. If more than one application is submitted electronically, the application submitted closest in time before the due date will be the one reviewed by HUD. HUD will not accept application addendums after

the deadline unless HUD has specifically asked the applicant for a correction to a technical deficiency in the application. Responses to technical deficiencies must be received by HUD within the time allocated to cure the deficiency. Corrections to technical deficiencies are submitted directly to HUD in accordance with the information contained in the program office's cure notification.

D. Intergovernmental Agency Review

Intergovernmental agency review is not required for this program.

E. Funding Restrictions

1. Administrative Costs.

Administrative costs for assistance under the Rural Housing and Economic Development program may not exceed 15 percent of the total HUD Rural Housing and Economic Development grant award.

2. Ineligible Activities. RHED funds cannot be used for the following activities:

- a. Income payments to subsidize individuals or families;
- b. Political activities;
- c. General governmental expenses other than expenses related to the administrative cost of the grant; or
- d. Projects or activities intended for personal gain or private use.

HUD reserves the right to reduce or deobligate the award if suitable modifications to the proposed project are not submitted by the awardee within 90 days of the request. Any modification must be within the scope of the original application. HUD reserves the right not to make awards under this NOFA.

F. Other Submission Requirements. Carefully review the procedures presented in section IV of the General Section FY 2007, because HUD will only accept electronic applications submitted through www.grants.gov.

Applicants may request a waiver of the electronic submission requirement. Paper applications will not be accepted unless the applicant has received a waiver to the electronic submission requirement. Applicants should submit their waiver requests in writing in the form of a letter of request. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to the Office of Rural Housing and Economic Development, 451 Seventh Street, SW., Room 7137, Washington, DC 20410. Instructions regarding the number of copies to submit and to what address will be contained in the approval to the waiver request. Paper submissions must be received at the

appropriate HUD office(s) no later than the deadline date.

V. Application Review Information

A. Criteria. Carefully review all the Application Review procedures in section V of the General Section. In addition, the following Rating Factors will be used to rate your application.

1. Rating Factor 1—Capacity of the Applicant and Relevant Organizational Experience (25 points). This rating factor addresses the extent to which you have the organizational resources necessary to successfully implement your proposed workplan, as further described in Rating Factor 3, within the 36-month award period.

a. *Team members, composition, and experience* (10 points). HUD will evaluate the experience (including for recentness and relevancy) of your project director, core staff, and any outside consultant, contractor, subrecipient, or project partner as it relates to innovative housing and economic development and to the implementation of the activities in your work plan. HUD also will assess the services that consultants or other parties will provide to fill gaps in your staffing structure to enable you to carry out the proposed work plan; the experience of your project director in managing projects of similar size, scope, and dollar amount; the lines of authority and procedures that you have in place for ensuring that work plan goals and objectives are being met, that consultants and other project partners are performing as planned, and that beneficiaries are being adequately served. In judging your response to this factor, HUD will only consider work experience gained within the last 7 years. When responding, please be sure to provide the dates, job titles, and relevancy of the past experience to the work to be undertaken by the employee or contractor under your proposed Rural Housing and Economic Development award. The more recent, relevant, and successful the experience of your team members is in relationship to the work plan activities, the greater the number of points you will receive.

b. *Organizational structure and management capacity* (5 points). HUD will evaluate the extent to which you can demonstrate your organization's ability to manage a workforce composed of full-time or part-time staff, as well as any consultant staff, and your ability to work with community-based groups or organizations in resolving issues related to affordable housing and economic development. In evaluating this subfactor, HUD will take into account your experience in working with

community-based organizations to design and implement programs that address the identified housing and economic development issues. The more recent, relevant, and successful the experience of your organization and any participating entity, the greater the number of points you will receive.

c. *Experience with performance based funding requirements* (10 points). HUD will evaluate your performance in any previous grant program undertaken with HUD funds or other federal, state, local, or nonprofit or for-profit organization funds. In assessing points for this subfactor, HUD reserves the right to take into account your past performance in meeting performance and reporting goals for any previous HUD award, in particular whether the program achieved its outcomes. HUD will deduct one point for each of the following activities related to previous HUD grant programs for which unsatisfactory performance has been verified: (1) Mismanagement of funds, including the inability to account for funds appropriately; (2) untimely use of funds received either from HUD or other federal, state, or local programs; and (3) significant and consistent failure to measure performance outcomes. Among the specific outcomes to be measured are the increases in program accomplishments as a result of capacity building assistance and the increase in organizational resources as a result of assistance.

d. *Past Rural Housing and Economic Development program performance.* The past performance of previously awarded Rural Housing and Economic Development grantees will be taken into consideration when evaluating Rating Factor 1 (Capacity of the Applicant and Relevant Organizational Experience). Applicants who have been awarded Rural Housing and Economic Development program funds prior to FY 2007 should indicate the fiscal year and funding amount. HUD field offices may be consulted to verify information submitted by the applicant as a part of the review of applications.

2. Rating Factor 2—Need and Extent of the Problem (20 points)

The Rural Housing and Economic Development program is designed to address the problems of rural poverty, inadequate housing, and lack of economic opportunity. This factor addresses the extent to which there is a need for funding the proposed activities based on levels of distress, and the urgency of meeting the need/distress in the applicant's target area. In responding to this factor, applications will be evaluated on the extent to which

the level of need for the proposed activity and the urgency in meeting the need are documented and compared to target area and national data.

a. In applying this factor, HUD will compare the current levels of need in the area (i.e., Census Tract(s) or Block Group(s) immediately surrounding the project site or the target area to be served by the proposed project to national levels of need. This means that an application that provides data that show levels of need in the project area at a percent greater than the national average will be rated higher under this factor. Applicants should provide data that address indicators of need as follows:

(1) *Poverty Rate* (5 points)—Data should be provided in both absolute and percentage form (i.e., whole numbers and percents) for the target area(s). An application that compares the local poverty rate in the following manner to the national average at the time of submission will receive points under this section as follows:

- (a) Less than the national average = 0 points;
- (b) Equal to but less than twice the national average = 1 point;
- (c) Twice but less than three times the national average = 3 points;
- (d) Three or more times the national average = 5 points.

(2) *Unemployment* (5 points)—for the target area:

- (a) Less than the national average = 0 points;
- (b) Equal to but less than twice the national average = 1 point;
- (c) Twice but less than three times the national average = 2 points;
- (d) Three but less than four times the national average = 3 points;
- (e) Four but less than five times the national average = 4 points;
- (f) Five or more times the national average = 5 points.

(3) *Other indicators of social or economic decline that best capture the applicant's local situation* (5 points).

(a) Data that could be provided under this section are information on the community's stagnant or falling tax base, including recent commercial or industrial closings; housing conditions, such as the number and percentage of substandard or overcrowded units; rent burden (defined as average housing cost divided by average income) for the target area; and local crime statistics, falling property values, etc. To the extent that the applicant's statewide or local Consolidated Plan, its Analysis of Impediments to Fair Housing Choice (AI), its Indian housing plan, or its anti-poverty strategy identify the level of distress in the community and the

neighborhood in which the project is to be carried out, references to such documents should be included in preparing the response to this factor.

(b) In rating applications under this factor, HUD reserves the right to consider sources of available objective data other than or in addition to those provided by applicants, and to compare such data to those provided by applicants for the project site. These may include U.S. Census data.

(c) HUD requires use of sound, verifiable, and reliable data (e.g., U.S. Census data, state statistical reports, university studies/reports, or Home Mortgage Disclosure Act or Community Reinvestment Act databases) to support distress levels cited in each application. See <http://www.ffiec.gov/> or <http://www.ffiec.gov/webcensus/ffieccensus.htm> for census data. A source for all information along with the publication or origination date must also be provided.

(d) Updated Census data are available for the following indicators:

- (i) Unemployment rate—estimated monthly for counties, with a 2-month lag;
 - (ii) Population—estimated for incorporated places and counties, through 2000;
 - (iii) Poverty rate—through 2000.
- (4) *Demographics of Distress—Special Factors* (5 points). Because HUD is concerned with meeting the needs of certain underserved areas, you will be awarded a total of five points if you are located in or propose to serve one or more of the following populations, or if your application demonstrates that 100 percent of the beneficiaries supported by Rural Housing and Economic Development funds are in one or more of the following populations. You must also specifically identify how each population will be served and that the proposed service area meet the definition of "eligible rural area" in section I of this NOFA:

- (a) Areas with very small populations in non-urban areas (2,500 population or less);
 - (b) Seasonal farm workers;
 - (c) Federally recognized Indian tribes;
 - (d) Colonias;
 - (e) Appalachia's Distressed Counties;
- or
- (f) The Lower Mississippi Delta Region (eight states and 240 counties/parishes).

For these underserved areas, you should ensure that the populations that you serve and the documentation that you provide are consistent with the information described in the above paragraph under this rating factor.

3. Rating Factor 3—Soundness of Approach (21 points). This factor addresses the overall quality of your proposed work plan, taking into account the project and the activities proposed to be undertaken; the cost-effectiveness of your proposed program; and the linkages between identified needs, the purposes of this program, and your proposed activities and tasks. In addition, this factor addresses your ability to ensure that a clear linkage exists between innovative rural housing and economic development. In assessing cost-effectiveness, HUD will take into account your staffing levels, beneficiaries to be served, and your timetable for the achievement of program outcomes, the delivery of products and reports, and any anticipated outcome or product. You will receive a greater number of points if your work plan is consistent with the purpose of the Rural Housing and Economic Development program, your program goals, and the resources provided.

a. *Management Plan* (13 points). A clearly defined management plan should be submitted that: identifies each of the projects and activities you will carry out to further the objectives of this program; describes the linkage between rural housing and economic development activities; and addresses the needs identified in Factor 2, including needs that previously were identified in a statewide or local Analysis of Impediments to Fair Housing Choice (AI) or Consolidated Plan. The populations that were described in Rating Factor 2 for the purpose of documenting need should be the same populations that will receive the primary benefit of the activities, both immediately and over the long term. The benefits should be affirmatively marketed to those populations least likely to apply for and receive these benefits without such marketing. Your timetable should address the measurable short-term and long-term goals and objectives to be achieved through the proposed activities based on annual benchmarks; the method you will use for evaluating and monitoring program progress with respect to those activities; and the method you will use to ensure that the activities will be completed on time and within your proposed budget estimates. Your management plan should also include the budget for your program, broken out by line item. Documented projected cost estimates from outside sources are also required. Applicants should submit their work plan on a spreadsheet showing each project to be

undertaken and the tasks (to the extent necessary or appropriate) in your work plan to implement the project with your associated budget estimate for each activity/task. Your work plan should provide the rationale for your proposed activities and assumptions used in determining your project timeline and budget estimates. Failure to provide your rationale may result in your application receiving fewer points for lack of clarity in the proposed management plan.

This subfactor should include information that indicates the extent to which you have coordinated your activities with other known organizations (e.g., through letters of participation or coordination) that are not directly participating in your proposed work activities, but with which you share common goals and objectives and that are working toward meeting these objectives in a holistic and comprehensive manner. The goal of this coordination is to ensure that programs do not operate in isolation. Additionally, your application should demonstrate the extent to which your program has the potential to be financially self-sustaining by decreasing dependence on Rural Housing and Economic Development funding and relying more on state, local, and private funding. The goal of sustainability is to ensure that the activities proposed in your application can be continued after your grant award is complete.

b. *Policy Priorities* (8 Points). Policy priorities are outlined in detail in the General Section. You should document the extent to which HUD's policy priorities are advanced by the proposed activities. Applicants that include activities that can result in the achievement of the following departmental policy priorities will receive higher rating points in evaluating their application for funding. Seven departmental policy priorities are listed below. When you include policy priorities, describe in brief detail how those activities will be carried out and if selecting item (6), Removal of Barriers to Affordable Housing, be sure to include the required Points of Contact information and documentation or references to the documentation to receive points.

The point values for policy priorities are as follows:

(1) Providing increased homeownership and rental opportunities for low- and moderate-income persons, persons with disabilities, the elderly, minorities, and families with limited English proficiency = 1 point;

(2) Improving our nation's communities = 1 point;

(3) Encouraging accessible design features = 1 point;

(4) Providing full and equal access to grassroots faith-based and other community-based organizations in HUD program implementation = 1 point;

(5) Ending chronic homelessness within 10 years = 1 point

(6) Removal of barriers to affordable housing = 2 points; and

(7) Promoting Energy Efficiency and Adopting Energy Star = 1 point.

4. *Rating Factor 4—Leveraging Resources* (10 points). This factor addresses the extent to which applicants have obtained firm commitments of financial or in-kind resources from other federal, state, local, and private sources. For every Rural Housing and Economic Development program dollar anticipated, you should provide the specific amount of dollars leveraged. In assigning points for this criterion, HUD will consider the level of outside resources obtained in the form of cash or in-kind goods or services that support activities proposed in your application. HUD will award a greater number of points based on a comparison of the extent of leveraged funds with the requested Rural Housing and Economic Development award. The level of outside resources for which commitments are obtained will be evaluated based on their importance to the total program. Your application must provide evidence of leveraging in the form of letters of firm commitment from any entity, including your own organization, that will be providing the leveraging funds to the project. Each commitment described in the narrative of this factor must be in accordance with the definition of "firm commitment," as defined in this NOFA. The commitment letter must be on letterhead of the participating organization, must be signed by an official of the organization legally able to make commitments on behalf of the organization, and must not be dated earlier than the date this NOFA is published.

Points for this factor will be awarded based on the satisfactory provisions of evidence of leveraging and financial sustainability, as described above, and the ratio of leveraged funds to requested HUD Rural Housing and Economic Development funds as follows:

a. 50 percent or more of requested HUD Rural Housing and Economic Development funds = 10 points;

b. 49–40 percent of requested HUD Rural Housing and Economic Development funds = 8 points;

c. 39–30 percent of requested HUD Rural Housing and Economic Development funds = 6 points;

d. 29–20 percent of requested HUD Rural Housing and Economic Development funds = 4 points;

e. 19–9 percent of requested HUD Rural Housing and Economic Development funds = 2 points;

f. Less than 9 percent of HUD requested Rural Housing and Economic Development funds = 0 points.

See the General Section for instructions for submitting third-party letters and other documents with your electronic application.

5. *Rating Factor 5—Achieving Results and Program Evaluation* (24 points)

This factor emphasizes HUD's commitment to ensure that applicants keep promises made in their application. This factor assesses their performance to ensure that rigorous and useful performance measures are used and goals are met. Achieving results means you, the applicant, have clearly identified the benefits or outcomes of your program. Outcomes are ultimate project end goals. Benchmarks or outputs are interim activities or products that lead to the ultimate achievement of your goals. Program evaluation requires that you, the applicant, identify program outcomes, interim products or benchmarks, and performance indicators that will allow you to measure your performance. Performance indicators should be objectively quantifiable and measure actual achievements against anticipated achievements. Your evaluation plan should identify what you are going to measure, how you are going to measure it, and the steps you have in place to make adjustments to your work plan if performance targets are not met within established time frames.

Applicants must also complete the "Logic Model" HUD Form (HUD-96010) included in the application instructions at www.Grants.gov and submit the completed form with their application. HUD has provided an electronic Logic Model that will enable applicants to select from lists the appropriate needs statement(s), activities/outputs, and outcomes that the applicant is proposing in the application submission. The listing of the activities is referred to as the Master Logic Model List and each list is unique to the program funding opportunity. The application instructions found on www.Grants.gov/Apply include the eLogic Model™ that you can complete and attach to your electronic application submission. Applicants who do not have Microsoft Excel software should

contact the SuperNOFA Information Center at 800-HUD-8929. Persons with speech or hearing impairments may access this number via TTY by calling the toll-free Federal Information Relay Service at 800-877-8339. Applicants may select items from each column of the list that reflect their activity outputs and outcomes and copy and paste them into the appropriate column in the Logic Model form. In completing the Logic Model, applicants are expected to select from the lists of appropriate outputs and outcomes for their proposed work plan. The eLogic Model™ and Master Logic Model listing also identify the unit of measure that HUD is interested in collecting for the outputs and outcomes selected. In making the selections for each output and outcome, applicants are to complete the appropriate proposed number of units of measure to be accomplished. The space next to the output and outcome is to capture the anticipated units of measure. Multiple outputs and outcomes may be selected per project.

Under this rating factor, applicants will receive a maximum of 24 points based on how they propose to effectively address program goals and performance measures. HUD will evaluate and analyze how well an applicant implemented the required Rural Housing and Economic Development output and outcome goals and identified other stated benefits or outcomes of the applicant's program. In order to receive the highest number of points, applicants should present a clear plan to address the RHED output and outcome measures.

1. *Output Measures* are quantifiable. RHED outputs include: number of housing units constructed; number of housing units rehabilitated; number of jobs created; number of participants trained; number of new businesses created; and number of existing businesses assisted.

2. *Outcomes Measures* are benefits accruing to the program participants and/or communities during or after participation in the RHED program. RHED outcomes include: the number of housing units rehabilitated that will be made available to low-to-moderate-income participants; the percentage change in earnings as a result of employment for those participants; the percent of participants trained who find a job; annual estimated savings for low-income families as a result of energy efficiency improvements; and the increase in organizational resources as a result of assistance (e.g., dollars leveraged).

You must clearly identify the outcomes to be achieved and measured.

Proposed program benefits should include program activities, benchmarks, and interim activities or performance indicators with timelines. Applications should include an evaluation plan that will effectively measure actual achievements against anticipated achievements.

3. *Logic Model.* HUD requires RHED applicants to develop an effective, quantifiable, outcome-oriented evaluation plan for measuring performance and determining whether goals have been met using the Master Logic Model for RHED. The model can be found in the download instructions portion of the application at www.Grants.gov. In preparing your Logic Model, first open the Form HUD-96010 and go to the instruction tab and follow the directions in the tab. Your application must include the form to receive any points under this factor.

This rating factor reflects HUD's goal to embrace high standards of ethics, management, and accountability. HUD will hold a training broadcast via satellite for potential applicants to learn more about Rating Factor 5. For more information about the date and time of the broadcast, consult the HUD Web site at www.hud.gov/grants/index.cfm.

Although the following list is not all-inclusive, program outcomes for the Rural Housing and Economic Development program must include, where applicable:

- a. Total number of housing units constructed;
 - b. Total number of housing units rehabilitated;
 - c. Number of Housing units rehabilitated that will be made available to low-to moderate-income participants;
 - d. Number of Housing units constructed that will be made available to low-to moderate-income participants;
 - e. Number of jobs created;
 - f. Percentage change in earnings as a result of employment for those participants;
 - g. Number of participants trained;
 - h. Percent of participants trained who find a job;
 - i. Number of new businesses created;
 - j. Number of existing businesses assisted; and
 - k. Annual estimated savings for low-income families as a result of energy efficiency improvements.
- l. Increase in program accomplishments as a result of capacity building assistance (e.g. the number of employees hired or retained, or the efficiency or effectiveness of services provided); and
- m. Increase in organizational resources as a result of assistance (e.g., dollars leveraged). If you receive an

award of funds, you will be required to use the Logic Model to report progress against the proposed outcomes in your approved application and award agreement.

The applicant's proposed budget must reflect a breakdown of estimated dollar amount of the Rural Housing and Economic Development grant to be expended on each of the activities/ outputs and the anticipated results included on the Form HUD-96010 and under the Rating Factor 5 section of your application.

6. RC/EZ/EC-II bonus points (2 points)

HUD will award two bonus points to all applications that include documentation stating that the proposed eligible activities/projects will be located in and serve federally designated renewal community (RCs), empowerment zone (EZs), or enterprise communities (ECs) designated by the U.S. Department of Agriculture (USDA) in round II RC/EZ/EC. A listing of federally designated RC/EZ/EC-II is available on the Internet at <http://www.hud.gov/crlocator>.

This notice contains a certification (Form HUD-2990) that must be completed for the applicant to be considered for Rural EZ/Round II EC bonus points.

B. Review and Selection Process

1. Application Selection Process.

a. Rating and Ranking.

(1) *General.* To review and rate applications, HUD may establish panels that may include outside experts or consultants to obtain certain expertise and outside points of view, including views from other Federal agencies.

(2) *Rating.* All applicants for funding will be evaluated against applicable criteria. In evaluating applications for funding, HUD will take into account an applicant's past performance in managing funds, including the ability to account for funds appropriately; it's the applicant's timely use of funds received either from HUD or other federal, state, or local programs; its success in meeting performance targets for completion of activities; and the number of persons to be served or targeted for assistance. HUD may use information relating to these items based on information at hand or available from public sources such as newspapers, HUD Inspector General or Government Accountability Office reports or findings, or hotline complaints that have been found to have merit, or other such sources of information. In evaluating past performance, HUD will deduct points from rating scores as specified under Rating Factor 1.

(3) *Ranking.* Applicants will be selected for funding in accordance with their rank order. An application must receive a minimum score of 75 points to be eligible for funding. If two or more applications are rated fundable and have the same score, but there are insufficient funds to fund all of them, the application(s) with the highest score for Rating Factor 2 will be selected. If applications still have the same score, the highest score in the following factors will be selected sequentially until one highest score can be determined: Rating Factor 3, Rating Factor 1, Rating Factor 5, and Rating Factor 4.

a. *Initial screening.* During the period immediately following the application deadline, HUD will screen each application to determine eligibility. Applications will be rejected if they:

- (1) Are submitted by ineligible applicants;
- (2) Do not serve an eligible rural area as defined in section III of this NOFA;
- (3) Do not meet the objectives of the Rural Housing and Economic Development program; or
- (4) Propose a project for which the majority of the activities are ineligible.

b. *Rating Factors for Award Used to Evaluate and Rate Applications.* The factors for rating and ranking applicants and the maximum points for each factor are provided above. The maximum number of points for this program is 102. This includes 100 points for all five rating factors and two RC/EZ/EC-II bonus points, as described above.

c. *Environmental Review.* Each application constitutes an assurance that the applicant agrees to assist HUD in complying with the provisions set forth in 24 CFR part 50. Selection for award does not constitute approval of any proposed site. Following selection for award, HUD will perform an environmental review of activities proposed for assistance under this part, in accordance with 24 CFR part 50. The results of the environmental review may require that proposed activities be modified or that proposed sites be rejected. Applicants are particularly cautioned not to undertake or commit HUD funds for acquisition or development of proposed properties (including establishing lines of credit that permit financing of such activities or making commitments for loans that would finance such activities from a revolving loan fund capitalized by funds under this NOFA) prior to HUD approval of specific properties or areas. Each application constitutes an assurance that you, the applicant, will assist HUD in complying with part 50; will supply HUD with all available relevant information to perform an

environmental review for each proposed property; will carry out mitigating measures required by HUD or select alternate property; and will not acquire, rehabilitate, convert, demolish, lease, repair, or construct property, or commit or expend HUD or local funds for these program activities with respect to any eligible property until HUD approval of the property is received. In supplying HUD with environmental information, grantees must use the guidance provided in Notice CPD 05-07, entitled "Field Environmental Review Processing for Rural Housing and Economic Development (RHED) Grants," issued August 30, 2005, which can be found at www.hud.gov/offices/cpd/energyenviron/environment/lawsandregs/notices.cfm. HUD's funding commitment is contingent on HUD's site approval following an environmental review.

d. *Adjustments to Funding.*

(1) HUD will not fund any portion of your application that is ineligible for funding and does not meet the requirements of this NOFA, or is duplicative of other funded programs or activities from prior year awards or other selected applicants. Only the eligible non-duplicative portions of your application will be funded.

(2) HUD reserves the right to utilize this year's funding to fund previous years' errors prior to rating and ranking this year's applications.

(3) If a balance remains, HUD reserves the right to utilize those funds toward the following year's awards.

(4) Please see the section VI.A.2 and 3 of the General Section for more information about funding.

(5) *Performance and Compliance Actions of Funding Recipients.* HUD will measure and address the performance and compliance actions of funding recipients in accordance with the applicable standards and sanctions of the Rural Housing and Economic Development program.

e. *Corrections to Deficient Applications.* After the application due date, HUD may not, consistent with its regulations in 24 CFR part 4, subpart B, consider any unsolicited information that you, the applicant, may want to provide. HUD may contact you to clarify an item in your application or to correct technical deficiencies. See section V.B.4. of the General Section for more detailed information on this topic.

VI. Award Administration Information

A. *Award Notice.* Successful Rural Housing and Economic Development program applicants will be notified of grant award and will receive post-award instructions by mail.

B. *Administrative and National Policy Requirements.* In addition to the requirements listed below, please review all requirements in section III of the General Section.

1. *Lead-Based Paint Hazard Control.*

All property assisted under the Rural Housing and Economic Development program is covered by the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846) and HUD's implementing regulations at 24 CFR part 35.

2. *Procurement of Recovered Materials.* See the General Section for further information.

3. *Executive Order 13202,* "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects." (See the General Section for further information.)

4. *Audit Requirements.* Any grantee that expends \$500,000 or more in federal financial assistance in a single year (this can be program year or fiscal year) must meet the audit requirements established in 24 CFR parts 84 and 85 in accordance with OMB A-133.

5. *Accounting System Requirements.* The Rural Housing and Economic Development program requires that successful applicants have in place an accounting system that meets the policies, guidance, and requirements described in the following applicable OMB Circulars and Code of Federal Regulations:

a. OMB Circular A-87 (Cost Principles for State, Local, and Indian Tribal Governments);

b. OMB Circular A-122 (Cost Principles for Non-Profit Organizations);

c. OMB Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations);

d. 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations); and

e. 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally Recognized Indian Tribal Governments).

C. Reporting.

1. *Reporting Requirements.* Reporting documents apply to the award, acceptance and use of assistance under the Rural Housing and Economic Development program and to the remedies for noncompliance, except when inconsistent with HUD's Appropriation Act, or other Federal statutes or the provisions of this NOFA.

For each reporting period, as part of your required report to HUD, grantees

must include a completed Logic Model (Form HUD 96010), which identifies output and outcome achievements. For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment statement. HUD will be publishing a separate notice on the ROI concept. If you are reporting race and ethnic data, you must use Form HUD-27061, Race and Ethnic Data Reporting Form.

2. Racial and Ethnic Data. HUD requires that funded recipients collect racial and ethnic beneficiary data. It has adopted the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data. In view of these requirements, you should use Form HUD-27061, Racial and Ethnic Data Reporting Form (instructions for its use), found on www.HUDclips.org, a comparable program form, or a comparable electronic data system for this purpose.

D. Debriefing. See the General Section for information on how to obtain a debriefing on your application review and evaluation.

VII. Agency Contact(s)

Further Information and Technical Assistance. For information concerning the HUD Rural Housing and Economic Development program, contact Ms.

Linda Streets, Community Planning and Development Specialist, Ms. Monica Wallace, Community Planning and Development Specialist, Mr. James Hedrick, Presidential Management Fellow, or Ms. Nikki Bowser, Community Planning and Development Specialist, Office of Rural Housing and Economic Development, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7137, Washington, DC 20410-7000; telephone 202-708-2290 (this is not a toll-free number) or 1-877-787-2526 (this is a toll-free number). Persons with speech or hearing impairments may access this number via TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

Prior to the application deadline, staff will be available at the above number to provide general guidance and clarification of the NOFA, but not guidance in actually preparing your application. Following selection, but prior to award, HUD staff will be available to assist in clarifying or confirming information that is a prerequisite to the offer of an award by HUD.

VIII. Other Information

A. Satellite Broadcast. HUD will hold an information webcast via satellite for potential applicants to learn more about the program and preparation of an application. For more information about the date and time of this webcast, consult the HUD Web site at <http://www.hud.gov>.

B. The Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2506-0169. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor and a person is not required to respond to a collection of information, unless it displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 100 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, semi-annual reports, and final report. The information will be used for grantee selection and monitoring the administration of funds.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**ECONOMIC DEVELOPMENT AND
SELF-SUFFICIENCY PROGRAMS**

**RESIDENT OPPORTUNITY AND SELF-
SUFFICIENCY (ROSS)
ELERLY/PERSONS WITH DISABILITIES
PROGRAM**

Resident Opportunity and Self-Sufficiency (ROSS)—Elderly/Persons With Disabilities Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Public and Indian Housing.

B. Funding Opportunity Title: Resident Opportunity and Self-Sufficiency (ROSS)—Elderly/Persons With Disabilities Program (formerly known as Resident Services Delivery Model—Elderly/Persons With Disabilities).

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-17; OMB Approval Number is 2577-0229.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): 14.876, Resident Opportunity and Self-Sufficiency.

F. Dates: The application deadline date is July 19, 2007. Applications submitted through <http://www.grants.gov> must be received and validated by grants.gov no later than 11:59:59 eastern time on the application deadline date. Please note that validation may take up to 72 hours.

G. Additional Information

1. Purpose of Program: The purpose of the ROSS—Elderly/Persons With Disabilities Program is to provide grants to public housing agencies (PHAs), tribes/tribally designated housing entities (TDHEs), Resident Associations (RAs), and nonprofit organizations (including grassroots, faith-based, and other community-based organizations), for the delivery and coordination of supportive services and other activities designed to help improve the living conditions of public and Indian housing residents who are elderly and/or disabled. Applicants should be aware that receipt of grant funds in no way guarantees further funding beyond the 3-year grant term and should be sure that services commenced pursuant to this grant will be sustained independently in the future or that the cessation of these activities will not negatively impact residents. This is especially important for any meal programs to meet residents' nutritional needs.

2. Funding Available. HUD expects to award a total of approximately \$20,000,000 in ROSS—Elderly/Persons With Disabilities grants in FY 2007.

This amount includes \$10,000,000 appropriated in FY 2007 and \$10,000,000 in rollover funds.

3. Award Amounts. Awards, depending on the grant category, unit count, and type of grantee will range from \$125,000 to \$450,000. Please see the funding breakdown chart below.

4. Eligible Applicants. Eligible applicants are PHAs; tribes/TDHEs; nonprofit organizations (including grassroots, faith-based and other community-based organizations that have resident support or the support of PHAs or tribes/TDHEs); and RAs. The term "resident association" or "RA" will be used to refer to all types of eligible resident organizations. Please see the section on "Definition of Terms" for a complete definition of each type of eligible resident organization.

5. Cost Sharing/Match Requirement. At least 25 percent of the requested grant amount is required as a match. The match may be in cash and/or in-kind donations. The match is a threshold requirement.

6. Grant term. The grant term is 3 years from the execution date of the grant agreement.

Grant program	Total funding	Eligible applicants	Maximum grant amount (units refers to the number of units occupied by elderly/disabled, as indicated on ROSS Fact Sheet (HUD-52751))
ROSS—Elderly/Persons With Disabilities.	Approximately \$20 million	PHAs/Tribe/TDHE	\$250,000 for PHAs/Tribes/TDHEs with 1–217 units.
			\$350,000 for PHAs/Tribes/TDHEs with 218–1,155 units.
			\$450,000 for PHAs/Tribes/TDHEs with 1,156 or more units.
		Resident Associations	\$125,000.
		Nonprofit entities	\$125,000 per RA; up to \$375,000.

The applicant may use up to \$68,000 maximum per year and in accordance with local wage standards (see Funding Restrictions) for the salary and fringe benefits of a Project Coordinator. Additionally, the applicant may use funds for delivery of services.

Full Text of Announcement

I. Funding Opportunity Description

A. Purpose. The purpose of the ROSS—Elderly/Persons with Disabilities Program is to provide grants to public housing agencies (PHAs), Tribes/Tribally Designated Housing Entities (TDHEs), Resident Associations (RAs), and nonprofit organizations (including grassroots, faith-based and other community-based organizations) for the delivery and coordination of supportive services and other activities designed to help improve the living conditions of public and Indian housing

residents who are elderly and/or disabled. Please note that no elderly individual or person with a disability may be required to take services.

B. Definition of Terms

1. *City-Wide Resident Organization* consists of members from Resident Councils, Resident Management Corporations, and Resident Organizations who reside in public housing developments that are owned and operated by the same PHA within a city.

2. *Community Facility* means a non-dwelling structure that provides space for multiple supportive services for the benefit of public and/or Indian housing residents eligible for the services provided.

3. *Contract Administrator (CA)* means an overall grant administrator and/or a financial management agent that oversees the implementation of the

grant and/or the financial aspects of the grant. (See the "Threshold Requirements" and "Program Requirements" sections for more information.) All nonprofit applicants, all RAs, and PHAs that are troubled at time of application must have a CA and are required, per the Threshold Section, to submit a signed Contract Administrator Partnership Agreement. The agreement must be for the entire grant term. The CA must assure that the financial management system and procurement procedures that will be in place during the grant term will fully comply with either 24 CFR part 84 or 85, as appropriate. CAs are expressly forbidden from accessing HUD's Line of Credit Control System (LOCCS) and submitting vouchers on behalf of grantees. CAs must also assist PHAs to meet HUD's reporting requirements. CAs may be: local housing agencies; community-based organizations such as

community development corporations (CDCs), churches, temples, synagogues, and mosques; nonprofit organizations; state/regional associations and organizations. Troubled PHAs are not eligible to be contract administrators. Grant writers who assist applicants in preparing their ROSS applications are also ineligible to be contract administrators. Organizations that the applicant proposes to use as the CA must not violate or be in violation of other conflicts of interest as defined in 24 CFR part 84 and 24 CFR part 85.

4. *Elderly person* means a person who is at least 62 years of age.

5. *Jurisdiction-Wide Resident Organization* means an incorporated nonprofit organization or association that meets the following requirements:

a. Most of its activities are conducted within the jurisdiction of a single housing authority;

b. There are no incorporated resident councils or resident management corporations within the jurisdiction of the single housing authority;

c. It has experience in providing start-up and capacity-building training to residents and resident organizations; and

d. Public housing residents representing unincorporated resident councils within the jurisdiction of the single housing authority must comprise a majority of the board of directors.

6. *Tribally Designated Housing Entity (TDHE)* is an entity authorized or established by one or more Indian tribes to act on behalf of each such tribe authorizing or establishing the housing entity as defined by Section 4(21) of Native American Housing Assistance and Self-Determination Act (NAHASDA).

7. *Indian Tribe* means any tribe, band, nation, or other organized group of a community of Indians, including any Alaska native village, regional, or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, and that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians pursuant to the Indian Self-Determination and Education Act of 1975 or any state-recognized tribe eligible for assistance under section 4(12)(C) of NAHASDA.

8. *Intermediary Resident Organizations* means jurisdiction-wide resident organizations, citywide resident organizations, statewide resident organizations, regional resident organizations, and national resident organizations.

9. *NAHASDA-assisted resident* means a resident of tribal housing (as defined

above) who has been assisted by the Native American Housing Assistance and Self-Determination Act (NAHASDA) of 1996.

10. *National Resident Organization (NRO)* is an incorporated nonprofit organization or association for public housing that meets each of the following requirements:

a. It is national in that it conducts activities or provides services in at least two HUD areas or two states;

b. It has the capacity to provide start-up and capacity-building training to residents and resident organizations; and

c. Public housing residents representing different geographical locations in the country are members of the board of directors.

11. *Nonprofit organization* is an organization that is exempt from federal taxation. A nonprofit organization can be organized for the following purposes: charitable, religious, educational, scientific, or other similar purposes in the public interest. In order to qualify, an organization must be a corporation, community chest, fund, or foundation. An individual or partnership will not qualify. To obtain nonprofit status, qualified organizations must file an application with the Internal Revenue Service (IRS) and receive designation as such by the IRS. For more information, go to www.irs.gov. Applicants who are in the process of applying for nonprofit status, but have not yet received nonprofit designation from the IRS, will not be considered nonprofit organizations. All nonprofit applicants must submit their IRS determination letter to prove their nonprofit (e.g., 501(c)(3)) status with their funding application. Please see the section on "Threshold Requirements" for more information. Nonprofit applicants must also provide letters of support as described in the "Threshold Requirements" section.

12. *National nonprofit organizations* work on a national basis and have the capacity to mobilize resources on both a national and local level. All nonprofit applicants must submit their IRS determination letter to prove their nonprofit (e.g., 501(c)(3)) status. National nonprofit applicants must also provide letters of support as outlined in the "Threshold Requirements" section.

13. *Past Performance* is a threshold requirement. Using Rating Factor 1, HUD's field offices will evaluate applicants for past performance to determine whether an applicant has the capacity to manage the grant for which the applicant is applying. The area Office of Native American Programs (ONAP) will review past performance

for tribal/TDHE submissions. Field offices will evaluate the past performance of contract administrators for applicants required to have one.

14. *Person with disabilities*: This NOFA uses the definition of person with disabilities found at 24 CFR 5.403.

15. *Project Coordinator* is responsible for coordinating the grantee's approved activities to ensure that grant goals and objectives are met. A qualified Project Coordinator is someone with experience managing projects and who preferably has experience working with supportive services. Project Coordinators and grantees are responsible for ensuring that all federal requirements are followed.

16. *Resident Association (RA)* means any or all of the forms of resident organizations as they are defined elsewhere in this Definitions section and includes Resident Councils (RCs), Resident Management Corporations (RMCs), City-Wide Resident Organizations, Regional Resident Organizations (RROs), Statewide Resident Organizations (SROs), Jurisdiction-Wide Resident Organizations, and National Resident Organizations (NROs), Resident Organization (RO) for tribal entities, Site-Based Resident Associations, and Tribal/TDHE Resident Groups. The NOFA will use "Resident Association" or "RA" to refer to all eligible types of resident organizations. See 24 CFR Part 964.115 for more information.

17. *Regional Resident Organization (RRO)* means an incorporated nonprofit organization or association for public housing that meets each of the following requirements:

a. The RRO is regional; i.e., it is not limited to HUD-defined regions;

b. The RRO has experience in providing start-up and capacity-building training to residents and resident organizations; and

c. Public housing residents representing different geographical locations in the region must comprise the majority of the board of directors.

18. *Resident Management Corporation (RMC)* means an entity that proposes to enter into, or enters into a contract to conduct one or more management activities of a PHA and meets the requirements of 24 CFR 964.120.

19. *Resident Organization (RO) for tribal entities* means an incorporated or unincorporated nonprofit tribal organization or association that meets each of the following criteria:

a. Consists of residents only, and only residents may vote;

b. If it represents residents in more than one development or in all of the

developments of the tribal/TDHE community, it shall fairly represent residents from each development that it represents;

c. Adopts written procedures providing for the election of specific officers on a regular basis; and

d. Has an elected governing board.

20. *Secretary* means the Secretary of Housing and Urban Development.

21. *Site-Based Resident Associations* means resident councils or resident management corporations representing a specific public housing development.

22. *Supportive Services* means activities including, but not limited to:

a. Meal services adequate to meet nutritional need;

b. Wellness programs;

c. Job training;

d. Coordination of volunteer activities;

e. ESL or other educational classes; and

f. Congregate services.

23. *Statewide Resident Organization (SRO)* is an incorporated nonprofit organization or association for public housing that meets the following requirements:

a. The SRO is statewide;

b. The SRO has experience in providing start-up and capacity-building training to residents and resident organizations; and

c. Public housing residents representing different geographical locations in the state must comprise the majority of the SRO's board of directors.

24. *Tribal/TDHE Resident Group* means tribal/TDHE resident groups that are democratically elected groups such as IHA-wide resident groups, area-wide resident groups, single development groups, or resident management corporations (RMCs).

C. Regulations Governing the ROSS Grant

ROSS—Elderly/Persons with Disabilities is governed by 24 CFR part 964.

II. Award Information

A. Performance Period and Award Type

1. **Grant Period.** Three years. The grant period shall begin the day the grant agreement and the form HUD-1044, "Assistance Award/Amendment," are signed by both the grantee and HUD.

2. **Grant Extensions.** Requests to extend the grant term beyond the grant term must be submitted in writing to the local HUD field office or area ONAP at least 90 days prior to the expiration of the grant term. Requests must explain why the extension is necessary, what work remains to be completed, and

what work and progress has been accomplished to date. Extensions may be granted only once by the field office or area ONAP for a period not to exceed 6 months and may be granted for a further 6 months by the Headquarters Program Office at the request of the Field Office or Area ONAP.

3. **Type of Award.** Grant agreement.

4. **Subcontracting.** Subcontracting is permitted. Grantees must follow federal procurement regulations found in HUD regulations at 24 CFR part 84.40–84.48 and 24 CFR part 85.36.

B. Funding Amounts

1. **Total Funding.** HUD expects to award approximately \$20,000,000 under this funding category of ROSS. This amount includes \$10,000,000 appropriated in FY 2007 and \$10,000,000 in rollover funds.

Awards will be made as follows:

a. PHAs must use the number of conventional public housing units occupied by elderly and disabled residents as of September 30, 2006, per their budget to determine the maximum grant amount they are eligible for in accordance with the categories in the chart above. On the Fact Sheet, PHAs should clearly indicate the number of conventional public housing units occupied by elderly and disabled residents under their Annual Contributions Contract.

b. The maximum grant award is \$125,000 for each RA.

c. Nonprofits are eligible applicants if they are representing or acting at the behest of an RA. Accordingly, nonprofit applicants must show support from that RA. Nonprofits that have support from an RA are limited to \$125,000 for each RA. A nonprofit organization may not receive more than \$375,000 in FY 2007 ROSS-Elderly/Disabled grant funding, but may propose to serve more than 3 RAs. In cases where nonprofit applicants are not able to obtain support from RAs, they must obtain letters of support from PHAs or tribes/TDHEs.

Note: All nonprofit applicants that do not include a letter of support from an RA must include a letter of support from a PHA or tribes/TDHE. Please see the Threshold Requirements section for more information. Support letters must indicate the developments to be served by the nonprofit organization. Funding for nonprofit applicants that do not receive letters of support from RAs will be determined as follows. Support letters must indicate the developments to be served by the nonprofit organization as well as the number of conventional public housing units occupied by elderly and persons with disabilities.

Number of conventional units occupied by elderly/disabled residents	Maximum Funding
1–217 units	\$125,000
218–1,155 units	250,000
1,156 or more units	375,000

Applicants should see the General Section of the SuperNOFA for instructions on submitting support letters and other documentation with their electronic application.

d. Tribes/TDHEs should use the number of units occupied by elderly and persons with disabilities counted as Formula Current Assisted Stock for FY 2006, as defined in 24 CFR part 1000.316. Tribes that have not previously received funds from the Department under the 1937 Housing Act should count housing units under management that are owned and operated by the Tribe, identified in their housing inventory as of September 30, 2006, and occupied by elderly/disabled residents. Tribes should clearly indicate the number of units under management occupied by elderly/disabled residents on the Fact Sheet.

III. Eligibility Information

A. **Eligible Applicants.** PHAs, tribes/TDHEs, RAs, and nonprofit organizations (supported by resident organizations or PHAs/tribes/TDHEs). PHAs that are recipients of the Elderly/Disabled Renewal Service Coordinator funding through Operating Subsidy are not eligible to apply for this ROSS funding category. If you are unsure if your organization falls into this category, please contact the Public and Indian Housing Information and Resource Center at 800-955-2232.

B. Cost Sharing or Matching

Information for All Applicants: Match is a threshold requirement. Applicants who do not demonstrate that they have a match of 25 percent of the total requested grant amount will fail the threshold requirement and will not receive further consideration for funding.

C. Other

1. **Eligible Activities.** Applicants should propose implementing comprehensive programs within the 3-year grant term, which will result in improved living conditions for the elderly/persons with disabilities population. Improved living conditions may mean, but is not limited to, aging-in-place or assistance to live independently. Proposals should involve partnerships with organizations that will help grantees provide enhanced services to the elderly/

persons with disabilities they will serve. All applicants must complete a descriptive narrative and work plan and a Logic Model covering the 3-year grant term. Proposed grant activities should build on the foundation created by previous ROSS grants or other federal, state, and local efforts to assist these populations. Eligible activities include, but are not limited to the following:

a. Hiring of a qualified Project Coordinator to run the grant program. A qualified Project Coordinator should have at least 2 years of experience managing programs and have experience working with supportive services. The Project Coordinator is responsible for:

(1) Assessing participating residents' needs for supportive services (e.g., Medicaid, Medicare, physician care, food stamps, rehabilitation services, veterans disability, state-funded programs such as nurse case management, housekeeping, Meals-on-Wheels, transportation, etc.);

(2) Designing, coordinating, referring to and delivering, as relevant, grant activities based on residents' needs, such as those activities listed below;

(3) Monitoring the progress of program participants and evaluating the overall success of the program. A portion of grant funds may be reserved to ensure that evaluations can be completed for all participants who received assistance through the program. This may include software for tracking and evaluation to meet HUD's reporting requirements. Project Coordinators and grantees are responsible for ensuring that all federal requirements are followed.

b. Coordination, referral to, and delivery of meal services adequate to meet nutritional needs (i.e., not related to entertainment activities);

c. Coordination, referral to, and delivery of transportation services including purchase, rental, or lease of a vehicle for the grantee and limited in use for program purposes and fuel for program activities;

d. Coordination, set-up, and referral to assistance with daily activities (ADLs);

e. Coordination, set-up, and referral to housekeeping assistance;

f. Coordination, referral to, and delivery of wellness programs including, but not limited to, health and nutrition programs, preventive health education, referral to rehabilitation services, structured programs to build social support, services for the disabled, and other community resources;

g. Coordination, set-up, and referral to personal emergency response;

h. Coordination, referral to, and delivery of congregate services. This

includes supportive services provided in a congregate setting at a conventional public housing development; and

i. Coordination, referral to, and delivery of case management;

j. Coordination and referral to health services (e.g., medical and dental check-ups);

k. Coordination, referral, and delivery of job training opportunities under Section 3 of the Housing and Urban Development Act of 1968;

l. Coordination and referral of residents to employment opportunities under Section 3 of the Housing and Urban Development Act of 1968;

m. Salary and fringe benefits of staff;

n. Lease or rental of space for program activities, but only under the following conditions:

(1) The lease must be for existing facilities not requiring rehabilitation or construction;

(2) No repairs or renovations of the property may be undertaken with Federal funds; and

(3) Properties in the Coastal Barrier Resources System designated under the Coastal Barrier Resources Act (16 U.S.C. 3501) cannot be leased or rented with Federal Funds.

o. Administrative Costs, for all applicants, may include, but are not limited to, purchase of furniture, office equipment and supplies, local travel, utilities, printing, postage, administrative salaries, and lease or rental of space for program activities (subject to the lease restrictions in the preceding paragraph). To the maximum extent practicable, when leasing space or purchasing equipment or supplies, business opportunities should be provided to businesses under Section 3 of the Housing and Urban Development Act of 1968. Administrative costs must not exceed 10 percent of the total grant costs. All administrative costs should be delineated and allocated as direct costs—an indirect cost rate will not be accepted;

p. Other supportive services;

q. Staff training;

r. Long-distance travel (subject to funding restrictions); and

s. Evaluation costs for the grant program, including tracking or evaluation software to meet HUD's reporting requirements.

2. Threshold Requirements. The criteria below apply to all applicants unless otherwise indicated. Additional information about threshold requirements may also be found in the General Section. Applicants must respond to each threshold requirement clearly and thoroughly by following the instructions below. If the application fails any threshold requirement, it will

be considered a failed application and will not receive consideration for funding.

a. Match. All applicants are required to have in place firm match commitments, either in cash or in-kind, for 25 percent of the requested grant amount, as defined in this NOFA. Joint applicants must together have at least a 25 percent match of the requested grant amount. Applicants who do not demonstrate the minimum 25 percent match of the requested grant amount will fail this threshold requirement and will not receive further consideration for funding. If you are applying for more than one category of ROSS grant (i.e., ROSS—Family & Homeownership), you must use different sources of match donations for each grant application. Additionally, you must indicate which other ROSS grant(s) you are applying for by attaching a page to your application stating the sources and amounts of each of your match contributions for this application as well as any other HUD programs to which you are applying. Match donations must be firmly committed, which means that the amount of match resources and their dedication to ROSS-funded activities must be explicit, in writing, and signed by a person authorized to make the commitment. Letters of commitment, memoranda of understanding (MOUs), or tribal resolutions must be on organization letterhead, and signed by a person authorized to make the stated commitment, whether it be in cash or in-kind services. The letters of commitment/MOUs/tribal resolutions must indicate the total dollar value of the commitment and be dated between the publication date of this NOFA and the application deadline published in this NOFA, or the amended deadline and indicate how the commitment will relate to the proposed program. The commitment must be available at the time of award. A match that is proposed for ineligible activities will not be accepted. Although ineligible as a use of grant funds for applicants, the direct delivery of ADLs, housekeeping, and personal emergency response will be accepted as match if provided by a partner. Applicants proposing to use their own non-ROSS grant funds to meet the match requirement in whole or in part, must also include a letter of commitment indicating the type of match (cash or in-kind) and how the match will be used. Please see the General Section for instructions for submitting the required letters with your electronic application.

Committed amounts in excess of the 25 percent of the requested grant amount may be considered as leveraged

funds for higher points under Rating Factor 4.

(1) The value of volunteer time and services shall be computed by using the normal professional rate for the local area or the national minimum wage rate of \$5.15 per hour (**NOTE:** PHA applicants may not count their staff time toward the match);

(2) In order for HUD to determine the value of any donated material, equipment, staff time, building, or lease, your application must provide a letter from the organization making the donation stating the value of the contribution.

(3) Other resources/services that can be committed include: in-kind services provided to the applicant; funds from federal sources (not including ROSS funds), as allowed by statute, including, for example, Community Development Block Grant (CDBG) funds or Indian Housing Block Grant (IHBG) funds; funds from any state or local government sources; and funds from private contributions. Applicants may also partner with other program funding recipients to coordinate the use of resources in the target area.

b. Past Performance. HUD's field offices will evaluate data provided by applicants under Rating Factor 1, as well as applicants' past performance, to determine whether applicants have the capacity to manage the grant for which they are applying. The area Offices of Native American Programs (ONAPs) will review past performance for tribal and TDHE submissions. Field offices will evaluate the contract administrators' past performance for applicants required to have a contract administrator. In evaluating past performance, HUD will look at the applicant's record of completing grant activities on time, within budget, and the results achieved. Using Rating Factor 1, the field office/area ONAP will evaluate applicants' past performance. Applicants should carefully review and respond to Rating Factor 1 to ensure their applications address each of the criteria. If applicants fail to address what is requested in Rating Factor 1, their applications will fail this threshold and will not receive further consideration.

c. Contract Administrator Partnership Agreement. All nonprofit applicants, all RAs, and troubled PHAs (troubled as of the application deadline) are required to submit a signed Contract Administrator Partnership Agreement. The agreement must be for the entire grant term. If an applicant that is required to have a Contract Administrator Partnership Agreement fails to submit one, or if it is incomplete, incorrect or insufficient,

this will be treated as a technical deficiency. See the General Section for more information on Corrections to Deficient Applications. Troubled PHAs are ineligible to be contract administrators. Grant writers who assist applicants in preparing their ROSS applications are also ineligible to be contract administrators.

d. Letters of Support for Nonprofit Applicants.

(1) All nonprofit applicants must include one or more letters of support from RAs. If the RAs are inactive, then a nonprofit applicant must submit an accompanying letter of support from the PHA or tribe/TDHE that is indicating support for the application. All letters of support must be signed by an authorized representative of the supporting organization and be dated between the publication date of this NOFA and the application deadline published in this NOFA, or the amended deadline.

(2) Nonprofit applicants that do receive support from RAs must also submit form HUD-52754 ("List of Resident Associations Supporting Nonprofit Applicants.") Submitting this form is not applicable where RAs are inactive or where applicants do not submit letters of support from RAs.

(3) In cases where nonprofit organizations are applying to serve tribes/TDHEs, nonprofit applicants must submit letters of support from tribes/TDHEs. Nonprofit organizations must also use form HUD-52754 to list which tribes/TDHEs support their application.

(4) Letters of support must describe to what extent they are familiar with the nonprofit applicant and indicate their support and understanding of the nonprofit organization's application. Letters must include contact information and the name and title of the person authorized to sign for the organization and should be on letterhead. If RA letterhead is not available, the letter may be submitted on PHA letterhead.

(5) All nonprofit applicants that do not provide letters of support from RAs must provide letters of support from PHAs or tribes/TDHEs with jurisdiction over the developments the applicant proposes to serve. Letters from PHAs or tribes/TDHEs must describe the extent to which the nonprofit applicant is familiar with the needs of the community to be served, which programs the nonprofit applicant has operated or managed in the community that are similar to the applicant's proposal, and whether the nonprofit organization has the capacity to implement its proposed program. Letters from PHAs or tribes/TDHEs must

also list the names of the developments to be served, certify the number of conventional units occupied by elderly/ persons with disabilities in those developments, and identify the ROSS funding category to which the nonprofit organization is applying. PHA or tribe/TDHE letters of support must be signed by the Executive Director, tribal leader, or authorized designee and must be on PHA or tribe/TDHE letterhead. Please see the General Section of the SuperNOFA for instructions for submitting the required letters with your electronic application.

(6) Applications from nonprofit organizations that do not submit the information requested in this section will fail this threshold requirement and will not be considered for funding.

e. Nonprofit status. All nonprofit applicants must submit their IRS determination letter to prove their nonprofit (e.g., 501(c)(3)) status. Applicants that fail to submit this letter will fail this threshold requirement and will not be considered for funding. Please see the General Section of the SuperNOFA for instructions on submitting the required documentation with your electronic application.

f. Minimum Score for All Fundable Applications. Applications that pass all threshold requirements and go through the ranking and rating process must receive a minimum score of 75 in order to be considered for funding.

g. General Section Thresholds. All applicants will be subject to all Thresholds requirements listed in the General Section.

h. The Dun and Bradstreet Universal Numbering System (DUNS) Number Requirement. Refer to the General Section for information regarding the DUNS requirement. You will need to obtain a DUNS number to receive an award from HUD. See the General Section for a discussion of the Grants.gov registration process.

3. Program Requirements

a. Contract Administrator. The contract administrator must assure that the financial management system and procurement procedures that will be in place during the grant term will fully comply with either 24 CFR part 84 or 85, as appropriate. CAs are expressly forbidden from accessing HUD's Line of Credit Control System (LOCCS) and submitting vouchers on behalf of grantees. Contract administrators must also assist grantees to meet HUD's reporting requirements. Contract administrators may be: local housing agencies; community-based organizations such as community development corporations (CDCs), churches, temples, synagogues, or

mosques; nonprofit organizations; and state/regional associations and organizations. Troubled PHAs are not eligible to be contract administrators. Grant writers who assist applicants to prepare their applications are also ineligible to be contract administrators. Organizations that the applicant proposes to use as the contract administrator must not violate or be in violation of other conflicts of interest as defined in 24 CFR part 84 and 24 CFR part 85.

b. Requirements for All Applicants. All applicants, lead and non-lead, should refer to "Other Requirements and Procedures Applicable to All Programs" of the General Section for requirements pertaining specifically to procurement of recovered materials and for information regarding other requirements to which they may be subject.

4. Number of Applications Permitted. Applicants may desire to provide a broad range of services supported by grants from a number of ROSS funding categories. Applicants may submit more than one application only based on the criteria below:

a. General. Applicants may submit up to one application for each ROSS funding category (i.e., one application for ROSS-Elderly/Persons with Disabilities, one application for ROSS-Family, etc.), except for nonprofits. Nonprofit organizations may submit more than one application per ROSS funding category provided they will be serving residents of distinct PHAs or Tribes/TDHEs.

b. More than one application per development. Only one application per funding category will be funded for a particular development. For example, if multiple applicants apply for ROSS-Elderly/Persons with Disabilities for the same development, only the highest scoring application will be considered for award. If multiple applicants are interested in providing services to a development and the services are funded under the same ROSS funding category, it is suggested the applicants work together to submit one application on behalf of the development.

c. Joint applications. Two or more applicants may join together to submit a joint application for proposed grant activities. Joint applications must designate a lead applicant. The lead applicant must be registered with Grants.gov and submit the application using the Grants.gov portal. Lead applicants are subject to all threshold requirements. Non-lead applicants are subject to the following threshold requirements as applicable:

(1) Letters of support for nonprofit applicants,

(2) Evidence of nonprofit status, as outlined under the section covering threshold requirements; and

(3) Threshold requirements as outlined in Section III.C. of the General Section. Joint applications may include PHAs, RAs, Tribes/TDHEs, and nonprofit organizations on behalf of resident organizations. Joint applications involving nonprofit organizations must also provide evidence of resident support (the RA) or, if the RA is inactive, the RAB. (If the support letter is from the RAB, the applicant must also provide a support letter from the PHAs or tribes/TDHEs.) The PHA, tribe/TDHE, or RA that is part of a joint application may not also submit separate applications as sole applicants under this NOFA.

Note: Joint applicants may combine their eligible units to determine the maximum funding amount the applicants are eligible to receive. Please enter the total number of eligible units on the ROSS Fact Sheet.

5. Eligible Participants. All ROSS—Elderly/Persons with Disabilities program participants must be residents of conventional public housing or NAHASDA-assisted housing and must be elderly or disabled. See the Definitions Section for more information.

6. Eligible Developments. Only conventional public and Indian housing developments or NAHASDA-assisted housing may be served by ROSS grant funds. Other housing/developments, including but not limited to private housing, federally insured housing, federally subsidized or assisted (e.g., assisted under Section 8, Section 202, Section 811, or Section 236), and others are not eligible to participate in ROSS.

7. Energy Star. HUD has adopted a wide-ranging energy action plan for improving energy efficiency in all program areas. As a first step toward implementing the energy plan, HUD, the Environmental Protection Agency (EPA), and the Department of Energy (DoE) have signed a joint partnership to promote energy efficiency in HUD's affordable housing efforts and programs. The purpose of the Energy Star partnership is to promote energy efficiency in the affordable housing stock, and also to help protect the environment. Applicants providing housing assistance or counseling services are encouraged to promote Energy Star materials and practices, as well as buildings constructed to Energy Star standards, to both homebuyers and renters. Program activities can include developing Energy Star promotional and

information materials, outreach to low- and moderate-income renters and buyers on the benefits and savings when using Energy Star products and appliances, and promoting the designation of community buildings and homes as Energy Star compliant. For further information about Energy Star, see <http://www.energystar.gov> or call 888-STAR7-YES (888-782-7937). The hearing-impaired may call 888-588-9920 (TTY).

IV. Application and Submission Information

A. Application Components. Copies of the published NOFAs and application forms for HUD programs announced through NOFA may be downloaded from the grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp; if you have difficulty accessing the information, you may receive customer support from Grants.gov by calling their Support Desk at (800) 518-GRANTS, or by sending an e-mail to support@grants.gov. You may request general information from the NOFA Information Center (800-HUD-8929) between the hours of 10 a.m. and 6:30 p.m. (Eastern Time) Monday through Friday, except on federal holidays. When requesting information, please refer to the name of the program you are interested in. The NOFA Information Center opens for business simultaneously with the publication of the SuperNOFA. Applicants should make sure to include all requested information, according to the instructions found in this NOFA and where applicable, in the General Section. This will help ensure a fair and accurate review of your application.

B. Content and Form of Application Submission

1. Application Format Information for All Applicants. Before preparing an application for any ROSS funding, applicants should carefully review the program description, ineligible activities, program and threshold requirements, and the General Section. Applicants should also review each rating factor found in the "Application Review Information" section before writing a narrative response. Applicants' narratives should be as descriptive as possible, to ensure that every requested item is addressed. Applicants should make sure to include all requested information, according to the instructions found in this NOFA and, where applicable, in the General Section. This will help ensure fair and accurate review of your application.

2. Content and Format for Submission

a. Content of Application

Applicants must write narrative responses to each of the rating factors, that follow this section. Under some sections, applicants are also asked to complete and include provided forms. Applicants will be evaluated on whether their responses contained in the narratives and on the forms demonstrate that they have the necessary capacity to successfully manage the proposed program. Applicants should ensure that their narratives are written clearly and concisely so that reviewers, who may not be HUD staff, may fully understand their proposal. Also, if information provided on one of the grant forms is not self-explanatory, narrative should be provided to clarify.

b. Format of Application

(1) Applications may not exceed 40 narrative pages. Narrative pages must be typed in Times New Roman font style, double-spaced, numbered, with a font size 12, and with one-inch margins all around. Supporting documentation, required forms, and certifications will not be counted toward the 40-page narrative page limit. However, applicants should make every effort to submit only what is necessary in terms of supporting documentation. Please see the General Section for instructions on how to submit supporting documentation with your electronic application.

(2) A checklist is provided here to help applicants ensure that they submit all required forms and information. (**Note:** Applicants who receive a waiver to submit paper applications must submit their applications in a three-ring binder, with TABS dividing the sections as indicated below. When submitting electronically, you do not need to submit these in TABS. Be sure to name each attachment clearly following the instructions in the General Section.) Copies of the forms may be downloaded with the application package and instructions from http://www.grants.gov/applicants/apply_for_grants.jsp. You must use the forms that are included with the 2007 application so as to avoid using outdated forms that may be on HUDCLIPS or found from another source. Please include a header in your narrative pages and any other additional pages that includes the applicant name and the requirement being responded to.

TAB 1: Required Forms from the General Section and other ROSS forms:

1. Acknowledgement of Application Receipt (HUD-2993), for paper application submissions only (you must have an approved waiver to submit a paper application.)

2. Application for Federal Financial Assistance (SF-424);

3. SF-424 Supplement, "Survey on Ensuring Equal Opportunities for Applicants" ("Faith Based EEO Survey (SF-424-SUPP)" on Grants.gov);

4. HUD-27300, "Questionnaire for HUD's Removal of Regulatory Barriers" ("HUD Communities Initiative Form" on Grants.gov);

5. ROSS Fact Sheet (HUD-52751);

6. HUD-4247-CB, "Grant Application Detailed Budget" ("HUD Detailed Budget Form" on Grants.gov);

7. Grant Application Detailed Budget Worksheet (HUD-424-CBW)—please remember to include a separate HUD-424-CBW for any sub-contract of 10% or more of federal funds;

8. HUD-2880, "Applicant/Recipient Disclosure/Update Report" ("HUD Applicant Recipient Disclosure Report" on Grants.gov);

9. Certification of Consistency with RC/EZ/EC-II Strategic Plan (HUD-2990), if applicable;

10. Certification of Consistency with the Consolidated Plan (HUD-2991), (for all applicants except for tribes/TDHEs and non-profits serving tribes/TDHEs);

11. Certification of Consistency with the Indian Housing Plan if applicable (HUD-52752) (for tribes/TDHEs and non-profits serving tribes/TDHEs);

12. Certification of Resident Council Board of Election (HUD-52753) (for RA applicants and non-profit applicants being supported by one or more RAs);

13. Disclosure of Lobbying Activities (SF-LLL), if applicable;

14. Disclosure of Lobbying Activities Continuation Sheet (SF-LLL-A), if applicable;

15. You Are Our Client Grant Applicant Survey (HUD-2994-A) (optional)

16. HUD-96011, "Third Party Documentation Facsimile Transmittal" ("HUD Facsimile Transmittal Form" on Grants.gov). (For use with electronic applications as the cover page to provide third-party documentation.)

17. Code of Conduct per General Section instructions;

18. Statement on Affirmatively Further Fair Housing per General Section instructions.

TAB 2: Threshold Requirements:

1. Letters from partners attesting to match;

2. Letter from applicant's organization attesting to match (if applicant is contributing to match);

3. Letters of support from RAs/PHAs/tribes/TDHEs (Threshold requirement for all nonprofit applicants);

4. List of Resident Organizations Supporting Nonprofit Applicants (required only for nonprofit applicants) (HUD-52754);

5. IRS nonprofit determination letter proving 501(c)(3) status (this is a threshold requirement for all nonprofit applicants); and

6. Contract Administrator Partnership Agreement (required for all nonprofit organizations, RAs, and PHAs troubled at the time of application submission) (HUD-52755).

TAB 3: Narrative for Rating Factor 1 and ROSS Program Forms

1. Narrative for Rating Factor 1;

2. Chart A: Program Staffing (HUD-52756);

3. Chart B: Applicant/Contract Administrator Track Record (HUD-52757);

4. Resumes/Position Descriptions.

TAB 4: Narrative for Rating Factor 2.

TAB 5: Narrative and work plan for Rating Factor 3. See Sample ROSS Work Plan (HUD-52764).

TAB 6: Narrative for Rating Factor 4.

TAB 7: Narrative for Rating Factor 5 and ROSS Program Forms

1. Narrative;

2. Logic Model (HUD-96010);

C. Submission Dates and Times

1. Deadline Dates.

a. The application must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date. Please note the validation process may take up to 72 hours. If you submit a waiver request and it is approved, the notification of approval of the waiver request will provide instructions on where to submit the paper application. See the General Section and Section F. below for instructions regarding waivers to the electronic application submission requirement. If you receive a waiver of the electronic application submission, your application must be received by the application deadline date. See the General Section and Section F. below for waiver and mailing requirements.

D. Intergovernmental Review: Not applicable.

E. Funding Restrictions

1. Reimbursement for Grant Application Costs. Grantees are prohibited from using ROSS grant funds to reimburse any costs incurred in conjunction with preparation of their ROSS grant application.

2. Covered Salaries. Applicable to all applicants:

a. Types of Salaries. ROSS-Elderly/Persons with Disabilities funds may only be used for the types of salaries described in this section according to the restrictions described herein.

b. Project Coordinator. All applicants may propose to hire a qualified Project Coordinator to run the grant program.

The ROSS-Elderly/Persons with Disabilities program will fund up to \$68,000 in combined annual salary and fringe benefits for a full-time Project Coordinator. Applicants may propose a part-time Project Coordinator at a lesser salary. For audit purposes, applicants must have documentation on file demonstrating that the salary and fringe benefits of the Project Coordinator are comparable to similar professions in their local area.

c. Non-administrative ROSS funds may only be used to pay for salaries of staff that provide direct services to residents. Direct services staff, for purposes of this NOFA, are defined as applicant personnel or subcontractors who, as their primary responsibility, provide services directly to residents that participate in the activities described in this application (e.g., case managers, and wellness program staff, among other positions.) Clerical, legal, finance, supervisory, executive and all other non-direct services staff may be paid for activities related to the grant, but subject to the 10% total administrative costs limit.

3. Administrative Costs. Administrative costs may include, but are not limited to, purchase of furniture, office equipment and supplies, local travel, utilities, printing, postage, administrative salaries, and lease or rental of space for program activities (subject to lease restrictions—See Eligible Activities section of this NOFA). Administrative costs, including administrative salaries, must not exceed 10 percent of the total grant amount requested from HUD. Administrative costs must adhere to OMB Circular A-87 or A-122 as appropriate. Please use HUD-424-CBW to itemize your administrative costs. All administrative costs should be delineated and allocated as direct costs—an indirect cost rate will not be accepted.

4. Funding Requests in Excess of Maximum Grant Amount. Applicants that request funding in excess of the maximum grant amount which they are eligible to receive will be given consideration only for the maximum grant for which they are eligible. If awarded a grant, the grantee will work with the Field Office to re-apportion the grant funds for eligible activities proposed in the original application.

5. Ineligible Activities/Costs. Grant funds may not be used for ineligible activities. Match will not be counted if it is proposed to be used for ineligible activities. The following are ineligible activities/costs:

a. Payment of wages and/or salaries to participants for receiving supportive services and/or training programs;

- b. Purchase, lease, or rental of land;
- c. Purchase of space;
- d. New construction, costs for construction materials;
- e. Rehabilitation or physical improvements;
- f. Entertainment costs;
- g. Payment of wages and/or salaries to doctors, nurses or other staff (including health aids or companions) in relation to medical services provided to residents;
- h. Purchase of non-prescription or prescription medications;
- i. Costs, which exceed limits, identified in the NOFA for the following: Project Coordinator, administrative expenses, and long-distance travel;
- j. Cost of application preparation;
- k. Vehicle insurance and/or maintenance;

6. ROSS funds cannot be used to hire or pay for the services (salary, fringe benefits, etc.) of a Contract Administrator.

7. Other Budgetary Restrictions. Some long-distance travel may be necessary during the term of the grant in order for professional grant staff to attend training conferences related to program purposes or activities. Long distance travel costs for grant program staff may not exceed \$5,000 for the life of the grant and must receive prior approval from the grantee's local HUD field office or area ONAP.

F. Other Submission Requirements

1. All applicants are required to submit their applications electronically via Grants.gov, unless they request and are approved by HUD for a waiver of that requirement. Please refer to the General Section for information on how to submit your application and all attachments electronically via Grants.gov.

2. Proof of Timely Submission. Please see the General Section for this information. Applicants that fail to meet the deadline for application receipt will not receive funding consideration.

3. For Waiver Recipients Only. Applicants should submit their waiver requests in writing using mail. Waiver requests must be postmarked no later than 15 days prior to the application deadline date and should be sent to Anice Schervish, 451 Seventh Street, SW., Room 3236, Washington, DC 20410. Applicants who have received waivers to submit paper applications (see the General Section for more information), must submit their applications to: HUD Grants Management Center, Mail Stop: ROSS-Elderly/Persons with Disabilities, 501 School Street, SW., 8th floor, Washington, DC 20024. The waiver

approval will provide detailed instructions.

4. Number of Copies. When the waiver request is approved the applicant will be provided information on how many copies are needed and where to submit the copies. Only applicants receiving a waiver to the electronic submission requirement may submit a paper copy application. Any paper applications submitted without an approved waiver will be considered ineligible.

V. Application Review Information

A. Criteria

1. Factors for Award Used to Evaluate and Rate Applications to the ROSS program. The factors for rating and ranking applications and maximum points for each factor are provided below. The maximum number of points available for this program is 102. This includes two RC/EZ/EC-II bonus points. The SuperNOFA contains a certification that must be completed in order for the applicant to be considered for the RC/EZ/EC-II bonus points. A listing of federally designated RCs, EZs, and EC-IIs is available at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. The agency certifying to RC/EZ/EC-II status must be contained in the listing of RC/EZ/EC-II organizations on HUD's Web site listed above.

Note: Applicants should carefully review each rating factor before writing a response and completing forms. Applicants' narratives and forms should be as descriptive as possible, to ensure that every requested item is addressed. Applicants should make sure their narratives and forms thoroughly address the Rating Factors below. Applicants should include all requested information according to the instructions found in this NOFA. This will help ensure fair and accurate application review.

a. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (25 Points).

This factor addresses whether the applicant has the organizational resources necessary to successfully implement the proposed activities within the grant period. In rating this factor, HUD will consider the extent to which the proposal demonstrates that the applicant will have qualified and experienced staff dedicated to administering the program.

(1) *Proposed Program Staffing (up to 7 Points).*

(a) *Staff Experience (up to 4 Points).* The knowledge and experience of the proposed Project Coordinator, staff, and partners in planning and managing programs for which funding is being requested. Experience will be judged in terms of recent, relevant, and successful

experience of proposed staff to undertake eligible program activities. In rating this factor, HUD will consider experience within the last 5 years to be recent; experience pertaining to the specific activities being proposed to be relevant; and experience producing specific accomplishments to be successful. The more recent the experience and the more experience proposed staff members who work on the project have in successfully conducting and completing similar activities, the greater the number of points applicants will receive for this rating factor. The following information should be provided in order to provide HUD an understanding of proposed staff's experience and capacity:

(i) The number of staff years (one staff year = 2,080 hours) to be allocated to the proposed program by each employee or expert as well as each of their roles in the program;

(ii) The staff's relevant educational background and/or work experience; and

(iii) Relevant and successful experience running programs whose activities are similar to the eligible program activities described in the grant application.

An applicant will receive up to 4 points if the applicant provided the requested materials in sufficient detail to demonstrate an experienced and well-coordinated proposed staff. Documentation indicates that the project coordinator and proposed staff have recent (experience within the last 5 years), relevant (pertaining to the specific or similar activities being proposed), and successful (experience producing specific results) experience in conducting and completing similar activities.

(b) *Organizational Capacity (up to 3 Points)*. Applicants will be evaluated based on whether they or their partners have sufficient qualified personnel to deliver the proposed activities in a timely and effective fashion. In order to enhance or supplement capacity, applicants should provide evidence of partnerships with nonprofit organizations or other organizations that have experience providing supportive services to typically underserved populations. Provide resumes and position descriptions (where staff is not yet hired) for all key personnel. (NOTE: Resumes/position descriptions and other HUD forms do not count toward the page limit.)

An applicant will receive up to 3 points if the applicant shows its ability (in-house or with partners) to implement the proposed program and attaches resumes and position

descriptions (where staff is not yet hired) for all key personnel. Reviewers may also consult HUD-52756.

(2) *Past Performance of Applicant/Contract Administrator (up to 8 Points)*.

(a) Applicants' past experience may include, but is not limited to, running and managing programs aimed at improving living conditions for the targeted elderly/persons with disabilities population.

(b) Applications must indicate past grants they received and managed, the grant amounts, and grant terms (years) of the grants, which they are counting toward past experience.

(c) Applicants' narrative must describe how they (or their *Contract Administrator*) successfully implemented past grant programs designed to assist elderly/persons with disabilities meet their daily living needs and enhance their access to needed services so they can continue to reside comfortably and productively in their current living environment.

(d) Applicants will be evaluated according to the following criteria:

(i) Achievement of specific measurable outcomes and objectives in terms of benefits gained by participating residents. Applicants should describe results their programs have obtained, such as impact on emergency care, improved living or health conditions of assisted population, and access to greater number of social services. Improved living conditions may mean, but is not limited to, aging-in-place or assistance to live independently.

(ii) Description of success in attracting and keeping residents involved in past grant-funded training programs. HUD wants to see that applicants' grant-funded programs benefited significant numbers of residents;

(iii) Description of timely expenditure of program funding throughout the term of past grants. Timely means drawdowns made commensurate with the level of activities completed and per the approved application. Timely expenditure also refers to fully expending all grant funds by the end of the grant term;

(iv) *Description of Past Leveraging*. Applicants must describe how they have created leveraging partnerships for funding or in-kind services for previous projects, the extent of the leveraging partnerships, and how the leveraging and partnerships benefited participants. The applicant will receive up to 8 points if the following is shown:

- Achievement of specific measurable outcomes and objectives;
- A description of success in attracting and keeping residents involved in past grant-funded training

programs and documentation that shows that the grant activities benefited a significant number of residents;

- A description of timely expenditure of program funding throughout the term of past grants. Timely means regular draw-downs throughout the life of the grant, i.e., quarterly draw-downs, with all funds expended by the end of the grant term;

- A description of how the applicant has leveraged funding or in-kind services beyond amounts that were originally proposed for past projects.

An applicant will receive up to 6 points if the applicant fully addressed at least 3 of the 4 items of review criteria listed above. An applicant will receive up to 4 points if the applicant fully addressed at least 2 of the 4 items of review criteria listed above. An applicant will receive 2 points if the applicant fully addressed 1 of the 4 items above. An applicant will receive 0 points if the applicant failed to address all of items 1 through 4.

(3) *Program Administration and Fiscal Management (up to 10 Points)*. Applicants should describe how they will manage the program; how HUD can be sure that there is program accountability; and provide a description of proposed staff's roles and responsibilities. Applicants should also describe how grant staff and partners will report to the Project Coordinator and other senior staff. Applicants should also include:

(a) A complete description of an applicant's fiscal management structure, including fiscal controls currently in place, including those of a contract administrator for applicants required to have a contract administrator (i.e., PHAS troubled PHAs, resident associations, and nonprofit applicants); and

(b) any of an applicant's audit findings or material weaknesses in the past five years (HUD Inspector General, management review, fiscal, etc.), and what has been done to address them.

An applicant will receive up to 10 points if the applicant provides a comprehensive narrative description of (i) the project management structure and program accountability, including the use of a contract administrator, if applicable; the narrative (ii) describes staff's roles and responsibilities, and (iii) details how staff and partners will report to the project coordinator and other senior staff, as well as (iv) the lines of accountability among all components of the proposed program, and (v) if applicable, a list of any audit findings in the past 5 years (HUD IG, management review, fiscal, etc.),

material weaknesses and what the applicant has done to address them.

An applicant will receive up to 8 points if the applicant has fully addressed three of (i)–(iv). An applicant will receive up to 6 points if the applicant has fully addressed two of (i)–(iv). An applicant will receive up to 4 points if the applicant has adequately fully addressed one of (i)–(iv). If an applicant provides audit findings or material weaknesses but does not provide what the applicant has done to address them, the applicant will lose two points. An applicant will receive 0 points if all of (i)–(v) are missing or inadequate.

b. Rating Factor 2: Need/Extent of the Problem (up to 20 Points).

This factor addresses the extent to which there is a need for funding the proposed program. In responding to this factor, applicants will be evaluated on the extent to which they describe and document the level of need for their proposed activities and the urgency for meeting the need.

(1) *Socioeconomic Profile (up to 5 points)*. A thorough socioeconomic profile of the eligible residents to be served by the program, including education levels, income levels, health statistics, economic statistics for the local area, etc. Applicants may either provide data for the local area and show that the residents reflect the local area or may provide resident-specific data.

An applicant will receive up to 5 points if the applicant provided a thorough socioeconomic profile of the eligible residents to be served by the program, including education levels, income levels, health statistics and economic statistics that show a need for services. An applicant will receive up to 3 points if the applicant provided a basic socioeconomic profile of the area, but did not show that the residents to be served reflect that profile. An applicant will receive 0 Points if the applicant failed to provide the socioeconomic data on the community and/or profiles of the eligible residents.

(2) *Demonstrated Link Between Proposed Activities and Local Need (up to 15 points)*. Applicant's narratives must demonstrate a clear relationship between proposed activities, community needs and the purpose of the program funding in order for points to be awarded for this factor. The applicant must, in the narrative for this rating factor, describe the service needs of the targeted residents, show which service needs are already being met by local resources and which service needs the applicant is unable to meet using existing resources, and demonstrate that these services are of a high-priority for the targeted elderly/disabled residents.

The applicant may also indicate a need for a Project Coordinator, which it may pay up to the \$68,000 maximum per year from grant funds for salary and fringe benefits in accordance with local wage standards (see Funding Restrictions).

An applicant will receive up to 15 points if the applicant narrative demonstrates a direct, clear relationship between the proposed activities, community needs and the purpose of the program funding. The applicant has described the service needs of the targeted residents, shown which service needs are already being met by local resources and which service needs the applicant is unable to meet using existing resources, and demonstrated that these services are of a high priority for the targeted elderly/disabled. An applicant will receive up to 10 points if the applicant's narrative demonstrates a strong relationship between the proposed activities, community needs and the purpose of funding, but does not show which services are already being met by existing local resources. An applicant will receive up to 5 points if the applicant's narrative shows a tenuous relationship between the need and proposed activities and does not show existing local resources or lack thereof. An applicant will receive 0 Points if the applicant failed to demonstrate a clear relationship among the proposed activities, community needs and the purpose of the program funding.

c. Rating Factor 3: Soundness of Approach (up to 30 points)

This subfactor addresses both the quality and cost-effectiveness of an applicant's proposed program and/or work plan. The narrative and work plan must indicate a clear relationship between proposed activities, the targeted population's needs, and the purpose of the program funding. Applicant's proposed program must address HUD's policy priorities outlined in this Rating Factor.

In rating this factor HUD will consider:

(1) *Quality of the Work Plan (up to 20 points)*. This factor evaluates both the applicant's proposed program and/or work plan and budget which will be evaluated based on the following criteria:

(a) *Specific Services and/or Activities (up to 10 points)*. Applicants' narrative must describe the proposed program (i.e., specific services, course curriculum, and activities) they plan to offer and who will be responsible for each. In addition to the narrative, applicants may also provide a work plan, which should list the specific

services, activities, and outcomes they expect. The proposed program narrative and work plan must show a logical order of activities and must tie to the outcomes and outputs applicants identify in the Logic Model (see Rating Factor 5). Applicants' narrative must explain how their proposed activities will:

(i) Involve community partners in the delivery of services (up to 5 points).

An applicant will receive up to 5 points if the applicant's narrative describes the involvement of partner organizations to deliver or support its proposed programs. An applicant will receive up to 3 points if the applicant narrative describes the existence of other community-based organizations in the area, but does not describe firm connections between program activities and the delivery or support of the proposed program. An applicant will receive 0 points if the applicant does not intend to involve any community partners in the delivery or support of its proposed program.

(ii) Offer comprehensive services (versus a small range of services) geared toward achieving the enhancement of the residents' quality of life. If the proposed program activities are part of a more comprehensive plan funded through other resources, please provide a description of the comprehensive program clearly delineating those proposed activities to be funded by the ROSS-Elderly/Persons with Disabilities grant category. (up to 5 points).

An applicant will receive up to 5 points if the applicant narrative describes the specific services and activities they plan to offer through their whole program (HUD-funded and not) and who will be responsible for each and the narrative shows how the applicant will provide a range of services and activities that are intended to enhance the residents' quality of life. An applicant will receive 3 points if the applicant fully describes the proposed program, but the program does not address a spectrum of activities that will be provided by the applicant. An applicant will receive 0 points if the applicant failed to provide sufficient information to determine if the proposed program will contain a range of services and no outcomes are identified.

(b) *Feasibility and Demonstrable Benefits (up to 5 points)*. This subfactor examines whether an applicant's work plan is logical, feasible, and likely to achieve its stated purpose during the term of the grant. HUD seeks to fund applications that will quickly produce demonstrable results and advance the purposes of the ROSS program. The

applicant's work plan should demonstrate that their project is ready to be implemented shortly after the grant award, but not to exceed three months following the execution of the grant agreement. The work plan must indicate time frames and deadlines for accomplishing major activities and show the ability to complete all activities within the period of performance for the proposed budget.

An applicant will receive up to 5 points if the work plan and supporting narrative are logical and feasible, and demonstrates that the proposed project is ready for implementation within three months of execution of the grant agreement. The work plan also indicates timeframes and deadlines for accomplishing major activities within the period of performance and how well the proposed activities address the needs described in Rating Factor 2. The applicant will receive up to 3 points if the work plan and supporting narrative are logical and feasible, but do not demonstrate that the project is ready for implementation within 3 months of grant agreement execution and can be completed within the period of performance. An applicant will receive 0 points if the applicant failed to provide sufficient information to determine that the project is logical and feasible or whether the project would be ready for implementation within three months of execution of the grant agreement, or can be completed within the period of performance.

(c) *Budget Appropriateness/Efficient Use of Grant (up to 5 Points)*. The score in this sub-factor will be based on the following:

(i) *Justification of expenses*. Applicants will be evaluated on whether their expenses are reasonable and thoroughly explained and support the objectives of their proposal.

(ii) *Budget Efficiency*. Applicants will be evaluated based on whether their application requests funds commensurate with the level of effort necessary to accomplish their goals and anticipated results.

(iii) Please note that the budget form HUD-424CBW requires that a separate 424-CBW form be submitted for each sub-contract of 10 percent or more of the requested grant amount. If an application proposes to sub-contract 10 percent or more of the requested grant amount and does not include a separate 424-CBW for each 10 percent or more sub-contract, all points for Budget Appropriateness/Efficient Use of Grant will be lost (5 points). If 424-CBWs for sub-contracts for 50 percent or more of the requested grant amount are not

included, the application will lose 10 points.

An applicant will receive up to 5 points if expenses are reasonable, thoroughly explained, support the objectives of the proposal and are commensurate with the level of effort necessary to accomplish the goal. An applicant will receive up to 3 points if the expenses somewhat support the objectives of the proposal or are only somewhat commensurate with the level of effort necessary to accomplish the goals. An applicant will receive 0 points if expenses are not reasonable and/or the requested funds are not commensurate with the goals and anticipated results of the proposed program.

(d) *Ineligible Activities*. Two points will be deducted for each ineligible activity proposed in the application, as identified in Section IV.E. For example, you will lose 2 points if you propose costs that exceed the limits identified in the NOFA for a Project Coordinator.

(2) *Addressing HUD's Policy Priorities (up to 8 points)*. HUD wants to improve the quality of life for those living in distressed communities. HUD's grant programs are a vehicle through which long-term, positive change can be achieved at the community level. Applicants' narrative and work plan will be evaluated based on how well they meet HUD's policy priorities listed below.

(a) *Improving the Quality of Life in Our Nation's Communities (2 points)*. The applicant's narrative and work plan must indicate the types of activities, service, and programs applicants will offer which can help residents to continue to live independently.

An applicant will receive up to 2 points if the work plan and supporting narrative indicate the types of activities, services and programs that will be offered to help residents successfully continue to live independently. An applicant will receive 0 points if the application did not provide sufficient information to determine whether the types of activities, services and training programs that will be offered will help residents continue to live independently.

(b) *Providing Full and Equal Access to Grassroots Faith-Based and Other Community-Based Organizations in HUD Program Implementation (up to 4 points)*. HUD encourages applicants to partner with grassroots organizations, e.g., civic organizations, grassroots faith-based and other community-based organizations that are not usually effectively utilized. These grassroots organizations have a strong history of providing vital community services and

other supportive services. In order to receive points under this subfactor, applicants' narrative and work plan must describe how applicants will work with these organizations and what types of services they will provide. An applicant will receive up to 4 points if the applicant's narrative and work plan clearly name the grassroots organizations with whom they will be working, describes what types of services will be provided by those organizations, and describes how these partnerships will contribute to the achievement of the goals and proposed outcomes for the program. An applicant will receive up to 2 points if the applicant indicates that it will work with grassroots organizations, but does not indicate the types of services that will be provided by these organizations. An applicant will receive 0 points if neither the work plan or narrative provide a description of how the applicant will work with grassroots organizations (civic organizations, faith-based and/or other community-based organizations) and the types of services that will be provided.

(c) *Policy Priority for Increasing the Supply of Affordable Housing Through the Removal of Regulatory Barriers to Affordable Housing (up to 2 points)*.

Under this policy priority, higher rating points are available to: (1) Governmental applicants that are able to demonstrate successful efforts in removing regulatory barriers to affordable housing, and (2) nongovernmental applicants that are associated with jurisdictions that have undertaken successful efforts in removing barriers. For applicants to obtain the policy priority points for efforts to successfully remove regulatory barriers, applicants must complete form HUD-27300 ("Questionnaire for HUD's Initiative on Removal of Regulatory Barriers"). A copy of HUD's Notice titled "America's Affordable Communities Initiative, HUD's Initiative on Removal of Regulatory Barriers: Announcement of Incentive Criteria on Barrier Removal in HUD's 2004 Competitive Funding Allocations" can be found on HUD's Web site at <http://www.hud.gov/offices/adm/grants/fregbarrier.pdf>. The information and requirements contained in HUD's regulatory barriers policy priority apply to this FY 2007 NOFA. A description of the policy priority and a copy of form HUD-27300 can be found in the application package posted on http://www.Grants.gov/applicants/apply_for_grants.jsp. Applicants are encouraged to read the Notice as well as the General Section to obtain an understanding of this policy priority

and how it can impact their score. A limited number of questions expressly request the applicant to provide brief documentation with their response. Other questions require that for each affirmative statement made, the applicant must supply a reference, Web site address, or a brief statement indicating where the back-up information may be found, and a point of contact, including a telephone number and/or email address. Applicants can attach the required documentation, URL references, and contact information using the attachment capability at the bottom of the electronic form. Reference material/documentation can be scanned and attached to the form HUD-27300 and submitted with the application or faxed to HUD following the facsimile submission instructions. When providing documents in support of your responses to the questions on the form, please provide the applicant name and project name and whether you were responding under column A or B, then identify the number of the question and the URL or document name and attach using the attachment function at the end of the electronic form.

(3) *Economic Opportunities for Low- and Very Low-Income Persons (Section 3) (2 Points).*

You will receive 2 points if your application demonstrates that you will implement Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects) and its implementing regulations at 24 CFR part 135 in connection with this grant, if awarded. Information about Section 3 can be found at HUD's Section 3 Web site at <http://www.hud.gov/offices/fheo/section3/section3brochure.cfm>. Your application must describe how you will implement Section 3 through the proposed grant activities. You must state that you will, to the greatest extent feasible, direct training, employment, and other economic opportunities to:

(a) Low- and very low-income persons, particularly those who are recipients of government assistance for housing, and

(b) Business concerns which provide economic opportunities to low- and very low-income persons.

An applicant will receive 2 points if the applicant describes how it will implement Section 3 through the proposed grant activities and states that it will, to the greatest extent feasible, direct training, employment, and other economic opportunities to Section 3 interests (low- and very low-income

persons, particularly those who are recipients of government assistance for housing and business concerns which provide economic opportunities to low- and very low-income persons). An applicant will receive 0 points if the applicant does not describe implementing Section 3 through proposed grant activities and does not state that it will direct training, employment and other economic opportunities to Section 3 interests.

d. *Rating Factor 4: Leveraging Resources (up to 10 Points).*

This factor addresses the applicant's ability to secure community resources that can be combined with HUD's grant resources to achieve program purposes. Applicants are required to create partnerships with organizations that can help achieve their program's goals. PHAs are required by section 12(d)(7) of the U.S. Housing Act of 1937 (entitled "Cooperation Agreements for Economic Self-Sufficiency Activities") to make best efforts to enter into such agreements with relevant state or local agencies. Additionally, applicants must have at least a 25 percent cash or in-kind match. The match is a threshold requirement. Joint applicants must together have at least a 25 percent match. Leveraging in excess of 25 percent of the grant amount will receive a higher point value. In evaluating this factor, HUD will consider the extent to which applicants have partnered with other entities to secure additional resources, which will increase the effectiveness of the proposed program activities. The additional resources and services must be firmly committed, must support the proposed grant activities and must, in combined amount (including in-kind contributions of personnel, space and/or equipment, and monetary contributions) equal at least 25 percent of the grant amount requested in this application. A match will not be accepted if it is proposed to be used for ineligible activities. Please see the section on Threshold Requirements in this NOFA for more information.

Points for this factor will be awarded based on the documented evidence of partnerships and firm commitments and the ratio of requested ROSS funds to the total proposed grant budget.

Points will be assigned based on the following scale:

Percentage of Match Points Awarded	
25—4 points (with partnerships)	2 points (without partnerships);
26—50—6 points (with partnerships)	4 points (without partnerships);
51—75—8 points (with partnerships)	6 points (without partnerships);

76 or above—10 points (with partnerships) 8 points (without partnerships).

e. *Rating Factor 5: Achieving Results and Program Evaluation (up to 15 Points)*

(1) An important element in this year's NOFA is the development and reporting of performance measures and outcomes. This factor emphasizes HUD's determination to ensure that applicants meet commitments made in their applications and grant agreements and that they assess their performance so that they realize performance goals. Applicants must demonstrate how they propose to measure their success and outcomes as they relate to the Department's Strategic Plan.

(2) HUD requires ROSS applicants to develop an effective, quantifiable, outcome-oriented plan for measuring performance and determining that goals have been met. Applicants must use the Logic Model (form HUD-96010) for this purpose.

(3) Applicants must establish interim benchmarks, or outputs, for their proposed program that lead to the ultimate achievement of outcomes. "Outputs" are the direct products of a program's activities. Outputs should produce outcomes for your program. Examples of outputs are the number of elderly persons referred to for social or health care services, the number of persons equipped with emergency response resources, etc. "Outcomes" are benefits accruing to the residents, families, and/or communities during or after their participation in the ROSS program. Applicants must clearly identify the outcomes to be achieved and measured. Outcomes are not the development or delivery of services or program activities but the results of the services delivered or program activities—the ultimate results of the program. Examples of outcomes are: the number of persons able to live independently and have avoided long-term care placement, the number of persons that have had improved living conditions or quality of life as a result of receiving increased social services, etc.

(4) This rating factor requires that applicants identify program outputs, outcomes, and performance indicators that will allow applicants to measure their performance. Performance indicators should be objectively quantifiable and measure actual achievements against anticipated achievements. Applicants' narrative, work plan, and Logic Model should identify what applicants are going to measure, how they are going to measure it, and the steps they have in place to

make adjustments to their work plan and management practices if performance targets begin to fall short of established benchmarks and time frames. Applicants' proposal must also show how they will measure the performance of partners and affiliates. Applicants must include the standards, data sources, and measurement methods they will use to measure performance.

Applicants will be evaluated based on how comprehensively they propose to measure their program's outcomes. The applicant will receive up to 15 points if the applicant provided a work plan, narrative and Logic Model that (a) describes the goals, objectives, outcomes, and performance measurements to be achieved over the term of the program; (b) includes short, intermediate and long term goals; (c) indicates what will be measured and (d) how it will be measured and (e) shows steps to be taken if performance targets are not met within the established timeframes. An applicant will receive up to 12 points if the applicant has fully addressed at least 4 of the 5 items of review criteria (a–e). The applicant will receive up to 9 points if the applicant has fully addressed at least 3 of the 5 items of review criteria (a–e). The applicant will receive up to 6 points if the applicant has fully addressed at least 2 of the 5 items of review criteria (a–e). The applicant will receive up to 3 points if the applicant has fully addressed at least 1 of the 5 items of review criteria (a–e). An applicant will receive 0 points if the applicant did not provide the Logic Model or enough information to determine the program goals, outcomes and/or performance measurements.

B. Review and Selection Process

1. **Review Process.** Four types of reviews will be conducted: a screening to determine if you are eligible to apply for funding under the ROSS-Elderly/Persons with Disabilities grant; a review of whether your application submission is complete, on time, and meets threshold; a review by the field office (or area ONAP office) to evaluate past performance; and a technical review to rate your application based on the five rating factors provided in this NOFA.

2. **Selection Process for All Grant Categories and All Applicants.** Twenty-five percent (25%) of funds will be set aside for Resident Associations and all qualifying Resident Association applications will be funded first, up to 25 percent of the funding amount. The selection process is designed to achieve geographic diversity of grant awards throughout the country. For each grant category, HUD will first select the

highest-ranked application from each of the ten federal regions and ONAP for funding. After this "round," HUD will select the second-highest-ranked application in each of the ten federal regions and ONAP for funding (the second round). HUD will continue this process with the third, fourth, and so on, highest-ranked applications in each federal region and ONAP until the last complete round is selected for funding. If available funds exist to fund some but not all eligible applications in the next round, HUD will make awards to those remaining applications in ranked order (by score), regardless of region and ONAP and will fully fund as many as possible with remaining funds. If remaining funds in one program are too small to make an award, they may be transferred to another ROSS program.

3. **Tie Scores.** In the event of a tie score between two applications in the ROSS-Elderly/Persons with Disabilities funding category that target the same developments, HUD will select the application that was received first.

4. **Deficiency Period.** Applicants will have 14 calendar days in which to provide missing information requested from HUD. For other information on correcting deficient applications, please see the General Section.

VI. Award Administration Information

A. Award Notices.

1. HUD will make announcements of grant awards after the rating and ranking process is completed. Grantees will be notified by letter and will receive instructions on what steps they must take in order to access funding and begin implementing grant activities. Applicants who are not funded will also receive letters via U.S. postal mail.

2. **Debriefings.** All applicants may request a debriefing. Applicants requesting to be debriefed must send a written request to: Iredia Hutchinson, Director, Grants Management Center, 501 School Street, SW., Suite 800, Washington, DC 20024. See the General Section for more information on debriefings.

B. Administrative and National Policy Requirements

1. **Environmental Impact.** In accordance with 24 CFR 58.34(a)(3) or (a)(9), 58.35(b)(2), (b)(4) or (b)(5), 50.19(b)(3), (b)(9), (b)(12), (b)(14), or (b)(15), activities under this ROSS program are categorically excluded from the requirements of the National Environmental Policy Act of 1969 and are not subject to environmental review under related laws and authorities.

2. **Applicable Requirements.** Unless specifically enumerated in this NOFA,

all lead and non-lead applicants are subject to the requirements specified in Section III.C. of the General Section. Grantees are subject to regulations and other requirements found in:

a. 24 CFR Part 84 ("Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations");

b. 24 CFR Part 85 ("Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally Recognized Indian Tribal Governments");

c. 24 CFR Part 964 ("Tenant Participation and Tenant Opportunities in Public Housing");

d. OMB Circular A-87 ("Cost Principles for State, Local, and Indian Tribal Governments");

e. OMB Circular A-110, ("Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations");

f. OMB Circular A-122, ("Cost Principles for Non-Profit Organizations"); and

g. OMB Circular A-133, ("Audits of States, Local Governments, and Non-Profit Organizations").

3. **Economic Opportunities for Low- and Very Low-Income Persons** (Section 3). Applicants and grantees must also comply with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), and ensure that training, employment, and other economic opportunities shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns that provide economic opportunities to low- and very low-income persons.

4. **Fair Housing and Civil Rights Laws.** Applicants and their subrecipients must comply with all fair housing and civil rights laws, statutes, regulations, and Executive Orders as enumerated in 24 CFR 5.105(a), as applicable. Please see the General Section for more information.

C. Reporting

1. **Semi-Annual Performance Reports.** Grantees must submit semi-annual performance reports to the field office or area ONAP. These progress reports must include financial reports (SF-269A) and a Logic Model (HUD-96010) showing achievements to date against outputs and outcomes proposed in the application and approved by HUD. Each quarterly report must identify any deviations (positive or negative) from outputs and outcomes proposed and

approved by HUD, by providing the information in the reporting TAB of the approved Logic Model. Grantees must use quantifiable data to measure performance against goals and objectives outlined in their program and/or work plan. Performance reports are due to the field office or Area ONAP on July 30 and January 31 of each year. If reports are not received by the due date, grant funds will be suspended until reports are received. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

2. Final Report. All grantees must submit a final report to their local field office or area ONAP that will include a financial report (SF-269A), a final Logic Model, and a narrative evaluating overall results achieved against their program and/or work plan. Grantees must use quantifiable data to measure performance against goals and objectives outlined in their program and/or work plan. The final report must also include responses to the management questions found in the Logic Model and approved for your program. The financial report must contain a summary of all expenditures made from the beginning of the grant agreement to the end of the grant agreement and must include any

unexpended balances. The final narrative, Logic Model, and financial report are due to the field office 90 days after the termination of the grant agreement.

3. Final Audit. Grantees that expend \$500,000 in federal funds in a given program or fiscal year are required to obtain a complete final close-out audit of the grant's financial statements by a Certified Public Accountant (CPA), in accordance with generally accepted government audit standards. A written report of the audit must be forwarded to HUD within 60 days of issuance.

4. Racial and Ethnic Data. HUD requires that funded recipients collect racial and ethnic beneficiary data. HUD has adopted the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data. In view of these requirements, funded recipients should use form HUD-27061 (Racial and Ethnic Data Reporting Form).

VII. Agency Contact(s)

For questions and technical assistance, you may call the Public and Indian Housing Information and Resource Center at 800-955-2232. For persons with hearing or speech impairments, please call the toll-free Federal Information Relay Service at 800-877-8339.

VIII. Other Information

A. Code of Conduct. Please see the General Section for more information.

B. Transfer of Funds. If transfer of funds from any of the ROSS programs does become necessary, HUD will consider the amount of unfunded qualified applications in deciding to which program it will transfer the extra funds.

C. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2577-0229. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 49.5 hours per respondent for the application. This includes the time for collecting, reviewing, and reporting the data for the application. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

**RESIDENT OPPORTUNITY AND SELF-
SUFFICIENCY (ROSS) FAMILY AND
HOMEOWNERSHIP PROGRAM**

Billing Code 4210-01-C

Resident Opportunity and Self-Sufficiency (ROSS) Family and Homeownership Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Public and Indian Housing.

B. Funding Opportunity Title: ROSS Family and Homeownership, under the Resident Opportunity and Self-Sufficiency (ROSS) program.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: 5100-N-18; OMB Approval Number 2577-0229.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): Resident Opportunity and Self-Sufficiency, 14.870.

F. Dates: The application deadline date is June 27, 2007. Applications submitted through <http://www.grants.gov> must be received and validated by grants.gov no later than 11:59:59 Eastern time on the application deadline date. The validation process may take up to 72 hours.

G. Additional Overview Content Information:

1. Purpose of Program. The purpose of the Public and Indian Housing Resident Opportunity and Self-Sufficiency (ROSS) program is to provide grants to public housing agencies (PHAs), tribes/tribally designated housing entities (TDHEs), Resident Associations (RAs), and nonprofit organizations (including grassroots, faith-based and other community-based organizations) for the delivery and coordination of supportive services and other activities designed to help public and Indian housing residents attain economic and housing self-sufficiency.

2. Funding Available. HUD expects to award a total of approximately \$30,000,000 in ROSS—Family and Homeownership grants in FY 2007. This amount includes \$18,000,000 appropriated in FY 2007 and \$12,000,000 in rollover funds.

3. Award Amounts. Awards, depending on the unit count and type of grantee, will range from \$125,000 to \$1,000,000. Please see the program description for more specific information about funding amounts.

4. Eligible Applicants. Eligible applicants are PHAs; tribes/TDHEs;

nonprofit organizations including grassroots faith-based and other community-based organizations that have resident support or the support of tribes; RAs; resident councils (RCs); resident organizations (ROs); City-Wide Resident Organizations (CWROs); Intermediary Resident Organizations (IROs); Jurisdiction-Wide Resident Organizations; Regional Resident Organizations; Resident Management Corporations (RMCs); Site-Based Resident Organizations; Statewide Resident Organizations (SROs); and Tribal/TDHE resident groups. The term “resident association” or “RA” will be used to refer to all types of eligible resident organizations. Please see the section on “Definition of Terms” for a complete definition of each type of eligible resident organization.

5. Cost Sharing/Match Requirement. At least 25 percent of the requested grant amount is required as a match. The match may be in cash and/or in-kind donations. The match is a threshold requirement.

6. Grant term. The grant term for each funding category is 3 years from the execution date of the grant agreement.

Grant program	Total funding	Eligible applicants	Maximum grant amount (units refers to the number of family-occupied units as indicated on ROSS Fact Sheet (HUD-52751))
ROSS—Family and Homeownership.	\$30 million	PHAs/Tribes/TDHEs	\$250,000 for 1–780 units.
			\$350,000 for 781–2,500 units.
			\$500,000 for 2,501–7,300 units.
			\$1,000,000 for 7,301 or more units.
		Resident Associations	\$125,000.
		Nonprofit entities	\$125,000 per RA; Maximum award is \$375,000.

Full Text of Announcement

I. Funding Opportunity Description

A. ROSS Family and Homeownership. The purpose is to provide funding to assist PHAs, tribes/TDHEs, RAs, nonprofit organizations (including grassroots community based organizations such as faith-based organizations), to create programs that will help residents achieve economic self-sufficiency. Applicants must submit proposals that will link residents with services such as job training and educational opportunities that facilitate economic and housing self-sufficiency. The Homeownership component provides funds to recipients to deliver homeownership training, counseling, and supportive services for residents of public and Indian housing who are participating or have participated in self-sufficiency programs such as ROSS; Public Housing Family Self-Sufficiency (FSS); or other federal, state, or local

self-sufficiency programs. ROSS-Elderly/Persons with Disabilities funding is being offered under a separate notice in the 2007 SuperNOFA.

B. Definition of Terms

1. *City-Wide Resident Organization* consists of members of Resident Councils, Resident Management Corporations, and Resident Organizations who reside in public housing developments that are owned and operated by the same PHA within a city.

2. *Community Facility* means a non-dwelling structure that provides space for multiple supportive services for the benefit of public or Indian housing residents and others eligible for the services provided. Supportive services may include but are not limited to:

- Job-training;
- After-school activities for youth;

c. *Neighborhood Networks* (formerly Twenty Education Communities (TECs), Campus of Learners activities);

d. *English as a Second Language (ESL) classes*; and

e. *Child care*.

3. *Contract Administrator* means an overall grant administrator or a financial management agent (or both) that oversees the implementation of the grant and/or the financial aspects of the grant.

4. *Elderly person* means a person who is at least 62 years of age.

5. *Jurisdiction-Wide Resident Organization* means an incorporated nonprofit organization or association that meets the following requirements:

a. Most of its activities are conducted within the jurisdiction of a single housing authority;

b. There are no incorporated resident councils or resident management corporations within the jurisdiction of the single housing authority;

c. It has experience in providing start-up and capacity-building training to residents and resident organizations; and

d. Public housing residents representing unincorporated resident councils within the jurisdiction of the single housing authority must comprise a majority of the board of directors.

6. *Tribally Designated Housing Entity (TDHE)* is an entity authorized or established by one or more Indian tribes to act on behalf of each such tribe authorizing or establishing the housing entity as defined by Section 4(21) of NAHASDA.

7. *Indian Tribe* means any tribe, band, nation, or other organized group of a community of Indians, including any Alaska Native village, regional, or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, and that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians pursuant to the Indian Self Determination and Education Act of 1975 or any state-recognized tribe eligible for assistance under section 4(12)(C) of the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA).

8. *Intermediary Resident Organizations* means jurisdiction-wide resident organizations, citywide resident organizations, statewide resident organizations, regional resident organizations, and national resident organizations.

9. *NAHASDA-assisted resident* means a member of a tribe (as defined above) who has been assisted by NAHASDA.

10. *National Resident Organization (NRO)* is an incorporated nonprofit organization or association for public housing that meets each of the following requirements:

a. It is national (*i.e.*, conducts activities or provides services in at least two HUD areas or two states);

b. It has the capacity to provide start-up and capacity-building training to residents and resident organizations; and

c. Public housing residents representing different geographical locations in the country are members of the board of directors.

11. *Nonprofit organization* is an organization that is exempt from federal taxation. A nonprofit organization can be organized for the following purposes: charitable, religious, educational, scientific, or other similar purposes in the public interest. In order to qualify, an organization must be a corporation, community chest, fund, or foundation. An individual or partnership cannot

qualify. To obtain nonprofit status, qualified organizations must file an application with the Internal Revenue Service (IRS) and receive designation as such by the IRS. For more information, go to www.irs.gov. Applicants who are in the process of applying for nonprofit status, but have not yet received nonprofit designation from the IRS, will not be considered nonprofit organizations. All nonprofit applicants must submit their IRS determination letter to prove their nonprofit (*e.g.* 501(c)(3)) status with their funding application. Please see the section on Threshold Requirements for more information. Nonprofit applicants must also provide letters of support as described in the Threshold Requirements section.

12. *National nonprofit organizations* work on a national basis and have the capacity to mobilize resources on both a national and local level. All nonprofit applicants must submit their IRS determination letter to prove their nonprofit (*e.g.* 501(c)(3)) status. National nonprofit applicants must also provide letters of support as outlined in the "Threshold Requirements" section.

13. *Past Performance* is a threshold requirement. Using Rating Factor 1 (described in the Application Review Information section of this NOFA), HUD's field offices will evaluate applicants for past performance to determine whether an applicant has the capacity to manage the grant for which it is applying. The area Office of Native American Programs (ONAP) will review past performance for tribal/TDHE submissions. Field offices will also evaluate the past performance of contract administrators for applicants required to have a contract administrator.

14. *Person with disabilities* means a person who:

a. Has a condition defined as a disability in section 223 of the Social Security Act; or

b. Has a developmental disability as defined in section 102 of the Developmental Disabilities Assistance Bill of Rights Act.

The term "person with disabilities" does not exclude persons who have acquired immunodeficiency syndrome (HIV/AIDS) or any conditions arising from the etiologic agent for AIDS. In addition, no individual shall be considered a person with disabilities, for purposes of eligibility for low-income housing, solely on the basis of any drug or alcohol dependence.

The definition of a person with disabilities contained in section 504 of the Rehabilitation Act of 1973 and its implementing regulations must be used

for purposes of reasonable accommodations and program accessibility. Please see 24 CFR 5.403.

15. *Project Coordinator* is responsible for coordinating the grantee's approved activities to ensure that grant goals and objectives are met. A qualified project coordinator is someone with experience managing projects and preferably has experience working with supportive services. The project coordinator and grantees are responsible for ensuring that all federal requirements are followed.

16. *Resident Association (RA)* means any or all of the forms of resident organizations as they are defined elsewhere in this Definitions section and includes Resident Councils (RC), Resident Management Corporations (RMC), Regional Resident Organizations (RRO), Statewide Resident Organizations (SRO), Jurisdiction-Wide Resident Organizations, and National Resident Organizations (NRO). The NOFA will use "Resident Association" or "RA" to refer to all eligible types of resident organizations. See 24 CFR 964.115 for more information.

17. *Regional Resident Organization (RRO)* means an incorporated nonprofit organization or association for public housing that meets each of the following requirements:

a. The RRO is regional (*i.e.*, not limited by HUD Areas);

b. The RRO has experience in providing start-up and capacity-building training to residents and resident organizations; and

c. Public housing residents representing different geographical locations in the region must comprise the majority of the Board of Directors.

18. *Resident Management Corporation (RMC)* means an entity that proposes to enter into, or enters into a contract to conduct one or more management activities of a PHA and meets the requirements of 24 CFR 964.120.

19. *Resident Organization (RO) for tribal entities* means an incorporated or unincorporated nonprofit tribal organization or association that meets each of the following criteria:

a. It shall consist of residents only, and only residents may vote;

b. If it represents residents in more than one development or in all of the developments of the tribal/TDHE community, it shall fairly represent residents from each development that it represents;

c. It shall adopt written procedures providing for the election of specific officers on a regular basis; and

d. It shall have an elected governing board.

20. *Secretary* means the Secretary of the Department of Housing and Urban Development.

21. *Site-Based Resident Associations* means resident councils or resident management corporations representing a specific public housing development.

22. *Statewide Resident Organization (SRO)* is an incorporated nonprofit organization or association for public housing that meets the following requirements:

a. The SRO has statewide jurisdiction;

b. The SRO has experience in providing start-up and capacity-building training to residents and resident organizations; and

c. Public housing residents representing different geographical locations in the state must comprise the majority of the Board of Directors.

23. *Tribal/TDHE Resident Group* means tribal/TDHE resident groups that are democratically elected groups such as IHA-wide resident groups, area-wide resident groups, single development groups, or resident management corporations (RMCs).

C. Regulations Governing the ROSS Program

ROSS Family and Homeownership is governed by 24 CFR Part 964.

II. Award Information

A. Performance Period and Award Type

1. **Grant Period.** Three years. The grant period shall begin the day the grant agreement and the form HUD-1044 (Assistance Award/Amendment) are signed by both the grantee and HUD.

2. **Grant Extensions.** Requests to extend the grant term beyond the grant term must be submitted in writing to the local HUD field office or area ONAP at least 90 days prior to the expiration of the grant term. Requests must explain why the extension is necessary, what work remains to be completed, and what work and progress was accomplished to date. Extensions may be granted only once by the field office or area ONAP for a period not to exceed 6 months and may be granted for a further 6 months by the HUD Headquarters program office at the request of the Field Office or area ONAP.

3. **Type of Award.** Grant agreement.

4. **Subcontracting.** Subcontracting is permitted. Grantees must follow federal procurement regulations found in HUD regulations at 24 CFR 84.40–84.48 and 24 CFR 85.36.

5. **Total Funding.** HUD expects to award a total of approximately \$30,000,000 in ROSS—Elderly/Persons with Disabilities grants in FY 2007. This

amount includes \$18,000,000 appropriated in FY 2007 and \$12,000,000 in rollover funds. Awards will be made as follows:

a. PHAs must use the number of occupied conventional family public housing units as of September 30, 2006, per their budget to determine the maximum grant amount they are eligible for in accordance with the chart above. (Use form HUD-51751, ROSS Fact Sheet). Applicants should clearly indicate on the fact sheet the number of eligible units under their Annual Contributions Contract.

b. The maximum grant award is \$125,000 for each RA.

c. Nonprofits are eligible applicants if they are representing or acting at the behest of an RA. Accordingly, nonprofit applicants must show support from that RA. Nonprofit organizations that have support from an RA are limited to \$125,000 for each RA. A nonprofit organization may not receive more than \$375,000 in FY 2007 ROSS-Family & Homeownership grant funding, but may propose to serve more than 3 RAs. In cases where nonprofit applicants are not able to obtain support from RAs, they must obtain letters of support from PHAs and/or tribes/TDHEs.

Note: All nonprofit applicants that do not include a letter of support from an RA must include a letter of support from a PHA or tribe/TDHE. Please see Threshold Requirements for more information. Support letters must indicate the developments to be served by the nonprofit organization. Funding for nonprofit applicants that do not receive letters of support from RAs will be determined as follows. Support letters must indicate the developments to be served by the nonprofit organization as well as the number of family occupied conventional public housing units in those developments.

Number of family occupied conventional units	Maximum funding
1–780 units	\$125,000
781–2,500 units	250,000
2,501 or more units	375,000

Applicants should see the General Section for instructions on submitting support letters and other documentation with their electronic application.

d. Tribes/TDHEs should use the number of units counted as Formula Current Assisted Stock for FY 2006 as defined in 24 CFR 1000.316. Tribes that have not previously received funds from the Department under the U.S. Housing Act of 1937 should count housing units under management that are owned and operated by the Tribe and that are identified in their housing inventory as of September 30, 2006, for family units. Tribes should clearly indicate the

number of units under management on the Fact Sheet.

III. Eligibility Information

A. **Eligible Applicants.** Eligible applicants are PHAs, tribes/TDHEs, RAs, and nonprofit organizations (including those nonprofit organizations supported by resident organizations, PHAs, or tribes/TDHEs).

B. **Cost Sharing or Matching.** The required match is 25 percent of requested funds and the match is a threshold requirement. Therefore, applicants who do not demonstrate the minimum 25 percent match will fail the threshold requirement and will not receive further consideration for funding. Please see the section below on threshold requirements for more information on what is required for the match.

C. Other

1. Eligible Activities.

a. Eligible Program Activities

Applicants should propose implementing comprehensive programs within the 3-year grant term which will result in improved housing and economic self-sufficiency for Public and Indian Housing residents. Proposals should involve partnerships with organizations that will enhance grantees' ability to provide educational programs, housing counseling, fair housing counseling, job training and other supportive services for residents. All applicants must complete a work plan covering the 3-year grant term.

The eligible activities are listed in the following five categories, from basic to advanced: (1) Life-Skills Training; (2) Job Training, Job Search, and Placement Assistance; (3) Post-Employment Follow-up; (4) Activities to Support Career Advancement and Long-Term Economic Self-Sufficiency; and (5) Homeownership. Applicants are not limited to choosing one category of activity, but rather should design their programs to address the specific needs of the population they are targeting. Only applicants proposing activities in Category 5 (Homeownership), and able to show existing linkages to an existing homeownership program such as, for PHAs, Housing Choice Voucher-Homeownership, Section 32, or homeownership programs and resources offered by other organizations or state or local homeownership programs and for Tribes/TDHEs, programs such as the Mutual Help Homeownership Opportunity Program, the Section 184 Program, and homeownership programs developed under the Indian Housing Block Grant Program such as mortgage

assistance, will be eligible for 2 points in Rating Factor 3, Soundness of Approach, under "Addressing HUD's Policy Priorities—Providing Increased Homeownership and Rental Opportunities for Low- and Moderate-Income Persons * * *" Funds may be used for, but are not limited to, the activities described below.

(Category 1) Life-Skills Training (for Youth and Adults). An applicant's proposals can cover, but are not limited to, the following types of activities:

(a) Credit. The importance of having good credit and how to maintain good credit.

(b) Banking and Money Management. How to open a bank account, balance a checkbook, create a weekly spending budget, and establish contingency plans for child care and transportation, etc.

(c) Real Life Issues. Information on tax forms, voter registration, leases, car insurance, health insurance, long-term care insurance, etc.

(d) Literacy training and GED preparation.

(e) College preparatory courses and information.

(f) Goal setting.

(g) Mentoring.

(h) Hiring residents to help with the implementation of this program.

Note: Stipends and salaries serve different purposes. Resident salaries can only be used to hire residents to help program staff with the implementation of grant activities.

(Category 2) Job Training, Job Search, and Placement Assistance. Eligible activities include but are not limited to:

(a) Skills assessment of participating residents.

(b) Applying for a job. How to complete employment forms; highlighting skills employers are looking for, researching job opportunities in the area, and calculating net wages.

(c) Soft skills training including problem-solving and other cognitive skills, oral and written communication skills, workplace norms (appropriate dress, punctuality, respectful communication, etc.), work ethic, and interpersonal and teamwork skills.

(d) Creating job training and placement programs.

(e) Resume writing.

(f) Interviewing techniques.

(g) Employer linkage and job placement. Working with local employers and job placement providers to design and offer training that addresses local employers' needs, and to create a job placement program that refers trained residents to participating employers and other local area employers.

(h) Professional clothing or uniforms related to new employment.

(i) Career advancement and planning programs. Such programs should be designed to:

(i) Set career goals;

(ii) Provide strategies such as finding a strong professional mentor within an organization for which residents may be working, and focusing on the organization's priorities.

(iii) Reinforce welfare-to-work programs and focus efforts on increasing residents' earning capacity. Activities can include job counseling, helping residents secure better paying jobs or jobs in better work environments, preparing for work in a new job category, obtaining additional job skills, and other job-related or educational training.

(iv) Working with local employers to create opportunities that combine education and skills training with jobs. Strategies that promote work-based learning can offer the most effective method for giving new workers the tools they need to move onto a career ladder and achieve upward mobility.

(Category 3) Post-employment follow-up. After placing residents in jobs, providing follow-up and ongoing support to newly hired residents can have a significant positive impact on long-term job retention.

(Category 4) Activities to Support Career Advancement and Long-Term Economic Self-Sufficiency.

(a) Individual Savings Accounts (ISAs). Applicants may create programs that encourage residents to save and contribute to match savings accounts such as Individual Development Accounts (IDAs). The programs should include financial counseling and education activities. ISAs may only be used for three purposes: (1) To purchase a first home that is existing or under construction when the purchase contract is signed; (2) to receive postsecondary education or training; or (3) to start a local business (other than acquiring, leasing, constructing, or rehabilitating real property in connection with the business). Applicants are encouraged to leverage funds by working with local financial organizations, which can also contribute to residents' ISAs. FSS escrow accounts may not be used as a match for ROSS Family Homeownership-funded ISAs. Grantees shall consult the Internal Revenue Service regarding possible tax consequences of the ISAs on participating residents.

(b) Housing Counseling to increase homeownership opportunities. This can include information to help residents move to market-rate rental housing and/

or "pre-purchase" homeownership counseling and training. This may include training on such subjects as credit and financial management, credit repair, housing search, how to finance the purchase of a home, fair housing, Individual Savings Accounts, the Real Estate Settlement Procedures Act (RESPA), and home maintenance.

(Category 5) Homeownership.

Applicants should be able to show existing linkages with HUD homeownership programs such as the Housing Choice Voucher Homeownership Program, the PHA Homeownership Program also known as Section 32 (formerly the Section 5(h) Homeownership Program), or homeownership programs and resources offered by other organizations or state or local homeownership programs.

Tribes/TDHEs should be able to show existing linkages with programs such as the Mutual Help Homeownership Opportunity Program, the Section 184 Program, and homeownership programs developed under the Indian Housing Block Grant Program such as mortgage assistance. Proposals should involve partnerships with organizations that will enhance the services grantees will offer. Applicants are strongly encouraged to partner with HUD-approved housing counseling agencies. For a list of HUD-approved housing counseling agencies, go to: <http://www.hud.gov/offices/hsg/sfh/hcc/hccprof14.cfm>.

Eligible activities include, but are not limited to:

(1) Training to include:

(a) Asset building;

(b) Credit counseling and credit scoring;

(c) Financial literacy and management;

(d) Selecting a real estate broker;

(e) Choosing a lender;

(f) Appraisals;

(g) Home inspections;

(h) Avoiding delinquency and predatory lending;

(i) Foreclosure prevention;

(j) Home maintenance and financial management for first-time homeowners;

(k) RESPA; and

(l) Fair Housing Counseling.

(2) ISAs. You may create programs that encourage residents to save and contribute to match savings accounts such as Individual Development Accounts (IDAs). ISAs are to be used solely for (a) escrow accounts, (b) down payment assistance and (c) closing costs, to assist the resident to purchase an existing dwelling unit or a dwelling unit under construction.

b. Eligible Other Activities

(1) Hiring of a qualified project coordinator to run the grant program. A qualified project coordinator must have at least 2 years of experience in managing programs and should have experience working on supportive services programs. If Category 5 activities are being proposed, a qualified grant coordinator must have experience working on homeownership programs designed for typically underserved populations. The project coordinator should be hired for the entire 3-year term of the grant. The project coordinator is responsible for:

(a) Marketing the program to residents;

(b) Assessing participating residents' skills and job readiness;

(c) Assessing participating residents' needs for supportive services, e.g., child care, transportation costs, etc.

(d) Assisting a tribe or TDHE to create a resident group to promote self-sufficiency efforts in the Indian area;

(e) Designing, coordinating, and providing grant activities based on residents' needs and the local labor market; and

(f) Monitoring the progress of program participants and evaluating the overall success of the program. A portion of grant funds may be reserved to ensure that evaluations can be completed for all participants who received training through this program. This may include software for tracking and evaluation to meet HUD's reporting requirements. For more information on how to measure performance, please see Rating Factor 5 in the "Application Review Information" section of this NOFA.

(2) Staff training.

(3) Long distance travel subject to funding restrictions.

(4) Lease or rental of space for program activities, but only under the following conditions:

(i) The lease must be for existing facilities not requiring rehabilitation or construction except for minimal alterations to make the facilities accessible for a person with disabilities;

(ii) No repairs or renovations of the property may be undertaken with federal funds; and

(iii) Properties in the Coastal Barrier Resources System designated under the Coastal Barrier Resources Act (16 U.S.C. 3501) cannot be leased or rented with federal funds.

(5) Stipends. Stipends are an eligible use of grant funds, and stipends may be used for reasonable out-of-pocket costs. Stipends may also be used to reimburse such things as local transportation to and from job training and job

interviews, supplemental educational materials, and child care expenses. Stipends must be tied to residents' successful performance and regular attendance.

(6) Hiring of Residents. Grant funds may also be used to hire a resident(s) as program staff.

(7) Supportive Services.

(a) After-school programs for school-age children to include tutoring, remedial training, and educational programming using computers.

(b) Provision of information on the Earned Income Tax Credit Program, Food Stamps, Child Tax Credit Program, Medicaid, the State Child Health Insurance Program (S-CHIP), Student Loan Interest Deduction, tribal welfare programs, and other benefit programs that can help individuals and families make a successful transition from welfare to work.

(c) Transportation costs as necessary to enable participating families to receive services or commute to training or employment including purchase, rental, or lease of a vehicle for the grantee and limited in use for program purposes and fuel for program activities.

(d) Childcare while residents are participating in program-related activities.

(e) Parenting courses.

(f) Nutrition courses.

(g) Health care information and services including referrals to mental health providers and alcohol and other drug abuse treatment programs.

(h) English as a second language (ESL) classes.

(i) Housekeeping courses.

(j) Creating and maintaining linkages to local social service agencies such as employment agencies, health departments, transportation agencies, economic/community development agencies, community colleges, recreational and cultural services, and other community organizations such as Boys & Girls Clubs, 4H Clubs, Boy Scouts, Girl Scouts, etc.

(8) Hiring or otherwise retaining other staff as necessary for program activities.

(9) Evaluation.

(10) Administrative Costs.

Administrative costs may include, but are not limited to, purchase of office furniture, or office equipment and supplies, program outreach, printing and postage, local travel, utilities, administrative salaries, and lease or rental of space for program activities (subject to lease restrictions above). To the maximum extent practicable, when leasing space or purchasing equipment or supplies, business opportunities should be provided to businesses under Section 3 of the Housing and Urban

Development Act of 1968.

Administrative costs, including administrative salaries, must not exceed 10 percent of the total grant amount requested from HUD. All administrative costs should be delineated and allocated as direct costs an indirect cost rate will not be accepted;

2. Threshold Requirements.

Applicants must respond to each threshold requirement clearly and thoroughly by following the instructions below. If your application fails one threshold requirement (regardless of the type of threshold) it will be considered a failed application and will not receive consideration for funding.

a. Match. All applicants are required to have in place a firmly committed 25 percent match in cash or in-kind donations as defined in this NOFA. Joint applicants must together have at least a 25 percent match. Applicants who do not demonstrate the minimum 25 percent match will fail this threshold requirement and will not receive further consideration for funding. If you are applying for more than one ROSS grant (i.e., ROSS-Elderly), you must use different sources of match donations for each grant application and you must indicate which additional ROSS grant(s) you are applying for by attaching an additional page to your application stating the sources and amounts of each of your match contributions for this application as well as any other HUD programs to which you are applying. Match to be used for ineligible activities will not be accepted. Match donations must be firmly committed, which means that the amount of match resources and their dedication to ROSS-funded activities must be explicit, in writing, and signed by a person authorized to make the commitment. Letters of commitment, memoranda of understanding (MOU), or tribal resolution must be on organization letterhead, and signed by a person authorized to make the stated commitment, whether it be in cash or in-kind services. The letters of commitment/MOUs/tribal resolutions must indicate the total dollar value of the commitment and be dated between the publication date of this NOFA and the application deadline published in this NOFA, or amended deadline, and indicate how the commitment will relate to the proposed program. If the commitment is in-kind, the letters should explain exactly what services or material will be provided. The commitment must be available at time of award. Applicants proposing to use their own, non-ROSS grant funds to meet the match requirement, in whole or in part, must also include a letter of

commitment indicating the type of match (cash or in-kind) and how the match will be used. Please see the General Section for instructions for submitting the required letters with your electronic application.

Committed amounts in excess of the 25 percent of the requested grant amount may be considered as leveraged funds for higher points under Rating Factor 4 (described in the "Application Review Information" section of this NOFA).

(1) The value of volunteer time and services shall be computed by using the normal professional rate for the local area or the national minimum wage rate of \$5.15 per hour (*Note:* PHA applicants may not count their staff time toward the match);

(2) In order for HUD to determine the value of any donated material, equipment, staff time, building, or lease, your application must provide a letter from the organization making the donation stating the value of the contribution.

(3) Other resources/services that can be committed include: in-kind services provided to the applicant; funds from federal sources (not including ROSS funds) as allowed by statute, including, for example, Community Development Block Grant (CDBG) funds; Indian Housing Block Grant (IHBG) funds; funds from any state or local government sources; and funds from private contributions. Applicants may also partner with other program funding recipients to coordinate the use of resources in the target area.

b. Past Performance. HUD's field offices will evaluate data provided by applicants as well as applicants' past performance to determine whether applicants have the capacity to manage the grant for which they are applying. The area ONAP will review past performance for tribal and TDHE submissions. Field offices will evaluate the contract administrators' past performance for applicants required to have a contract administrator. In evaluating past performance HUD will look at the applicant's record of completing grant activities on time, within budget, and the results achieved. Using Rating Factor 1, the field office/area ONAP will evaluate applicants' past performance. Applicants should carefully review Rating Factor 1 to ensure their application addresses each of the criteria requested therein. If applicants fail to address what is requested in Rating Factor 1, their application will fail this threshold and will not receive further consideration.

c. Contract Administrator Partnership Agreement. All nonprofit applicants, all

RAs, and PHAS troubled PHAs (as of the application publication date) are required to submit a signed Contract Administrator Partnership Agreement. The agreement must be for the entire grant term. If an applicant that is required to have a Contract Administrator Partnership Agreement and fails to submit one or it is incomplete, incorrect or insufficient, this will be treated as a technical deficiency. See the General Section for more information on Corrections to Deficient Applications. Troubled PHAs are not eligible to be contract administrators. Grant writers who assist applicants with preparing their ROSS applications are also ineligible to be contract administrators. For more information on contract administrators, see the section "Program Requirements."

d. Letters of Support for Nonprofit Applicants.

(1) All nonprofit applicants must include one or more letters of support from resident associations (RAs). In the event that RAs are inactive, nonprofit applicants must submit letters from PHAs or tribes/TDHEs indicating support for their application. All letters of support must be signed by an authorized representative of the supporting organization and be dated between the publication date of this NOFA and the application deadline published in this NOFA, or the amended deadline.

(2) Nonprofit applicants that do receive support from resident associations must submit form HUD-52754 ("List of Resident Associations Supporting Nonprofit Applicants"). Submitting this form is not applicable where RAs are inactive or where applicants do not submit letters of support from RAs.

(3) In cases where nonprofit organizations are applying to serve tribes/TDHEs, nonprofit applicants must submit letters of support from tribes/TDHEs. Nonprofit organizations must also use form HUD-52754 to list which tribes/TDHEs support their application.

(4) Letters of support must describe to what extent they are familiar with the nonprofit applicant and indicate their support and understanding of the nonprofit organization's application. Letters must include contact information and the name and title of the person authorized to sign for the organization and should, whenever possible, be on letterhead. If RA letterhead is not available, the letter may be submitted on PHA letterhead.

(5) All nonprofit applicants that do not provide letters of support from resident associations must provide a

letter(s) of support from PHAs or tribes/TDHEs with jurisdiction over the developments the applicant proposes to serve. Letters from PHAs or tribes/TDHEs must describe the extent to which the nonprofit applicant is familiar with the needs of the community to be served, which programs the nonprofit applicant has operated or managed in the community that are similar to the applicant's proposal, and whether the nonprofit organization has the capacity to implement its proposed program. Letters from PHAs or tribes/TDHEs must also list the names of the developments to be served, the number of occupied conventional family or elderly/disabled public housing units (depending on the grant category) in those developments, certify that the units are conventional public housing, and identify the ROSS grant category to which the nonprofit organization is applying. PHA or tribe/TDHE letters of support must be signed by the Executive Director, tribal leader, or authorized designee and must be on PHA or tribe/TDHE letterhead. Please see the General Section for instructions for submitting the required letters with your electronic application.

(6) Applications from nonprofit organizations, which do not submit the information requested in this section will fail this threshold requirement and will not be considered for funding.

e. Nonprofit status. All nonprofit applicants must submit their IRS determination letter to prove their nonprofit (e.g., 501(c)(3)) status. Applicants that fail to submit this letter will fail this threshold requirement and will not be considered for funding. Please see the General Section for instructions for submitting the required documentation with your electronic application.

f. Minimum Score for All Fundable Applications. Applications that pass all threshold requirements and go through the ranking and rating process must receive a minimum score of 75 in order to be considered for funding.

g. General Section Thresholds. All applicants will be subject to all Threshold requirements listed in the General Section.

h. The Dun and Bradstreet Universal Numbering System (DUNS) Number Requirement. Refer to the General Section for information regarding the DUNS requirement. You will need to obtain a DUNS number to receive an award from HUD.

3. Program Requirements

a. Contract Administrator. The contract administrator must assure that the financial management system and

procurement procedures that will be in place during the grant term will fully comply with either 24 CFR part 84 or 85, as appropriate. Contract administrators are expressly forbidden from accessing HUD's Line of Credit Control System (LOCCS) and submitting vouchers on behalf of grantees. Contract administrators must also assist grantees to meet HUD's reporting requirements. Contract administrators may be: local housing agencies; community-based organizations such as community development corporations (CDCs), churches, temples, synagogues, mosques; nonprofit organizations; state/regional associations and organizations. Troubled PHAs are not eligible to be contract administrators. Grant writers who assist applicants prepare their applications are also ineligible to be contract administrators. Organizations that the applicant proposes to use as the contract administrator must not violate or be in violation of other conflicts of interest as defined in 24 CFR part 84 and 24 CFR part 85.

b. **Requirements Applicable to All Applicants.** All applicants, lead and non-lead, should refer to "Other Requirements and Procedures Applicable to All Programs" of the General Section for requirements pertaining specifically to procurement of recovered materials and for information regarding other requirements to which they may be subject.

4. **Number of Applications Permitted.** Applicants may desire to provide a broad range of services supported by grants from a number of ROSS funding categories. Applicants may submit more than one application only based on the criteria below:

a. **General.** Applicants may submit up to one application for each ROSS funding category (i.e., one application for ROSS-Elderly/Persons with Disabilities, one application for ROSS-Family-Homeownership, etc.), except in the case of nonprofits. Nonprofit organizations may submit more than one application per ROSS funding category provided they will be serving residents of distinct PHAs or Tribes/TDHEs.

b. **More than one application per development.** Only one application per funding category will be funded for a particular development. For example, if multiple applicants apply for ROSS-Family-Homeownership for the same development, only the highest scoring application will be considered for award. If multiple applicants are interested in providing services to a development and the services are funded under the same ROSS funding

category, the applicants should work together to submit one application on behalf of the development.

c. **Joint applications.** Two or more applicants may join together to submit a joint application for proposed grant activities. However, joint applications must designate a lead applicant. In addition, the lead applicant must be registered with Grants.gov and submit the application using the Grants.gov portal. Lead applicants are subject to all threshold requirements. Non-lead applicants are subject to the following threshold requirements as applicable:

(1) Letter(s) of support for nonprofit applicants;

(2) Evidence of nonprofit status as outlined under the section covering threshold requirements; and

(3) Threshold requirements outlined in Section III.C. of the General Section. Joint applications may include PHAs, RAs, Tribes/TDHEs, and nonprofit organizations on behalf of resident organizations. Joint applications involving nonprofit organizations must also provide evidence of resident support or support from local civic organizations or from units of local government. PHAs, tribes/TDHEs, and resident organizations that are part of a joint application may not also submit separate applications as sole applicants under this NOFA.

Note: Joint applicants may combine their eligible units to determine the maximum funding amount the applicants are eligible to receive. Please enter the total number of eligible units on the ROSS fact sheet.

5. **Eligible Participants.** All ROSS Family and Homeownership program participants must be residents of conventional public housing or NAHASDA-assisted housing. Participants in the Public Housing Family Self-Sufficiency (FSS) program (non-Housing Choice Voucher FSS Program) are also eligible to participate in activities funded under ROSS.

6. **Eligible Developments.** Only conventional Public and Indian housing developments and NAHASDA-assisted developments may be served by ROSS grant funds. Other housing/developments, including, but not limited to private housing, federally insured housing, federally subsidized, or assisted (i.e., assisted under Section 8, Section 202, Section 811, Section 236), and others are not eligible to participate in ROSS.

7. **Energy Star.** HUD has adopted a wide-ranging energy action plan for improving energy efficiency in all program areas. As a first step toward implementing the energy plan, HUD, the Environmental Protection Agency

(EPA), and the Department of Energy (DoE) have signed a joint partnership to promote energy efficiency in HUD's affordable housing efforts and programs. The purpose of the Energy Star partnership is to promote energy efficiency of the affordable housing stock and to help protect the environment. Applicants providing housing assistance or counseling services are encouraged to promote Energy Star materials and practices, as well as buildings constructed to Energy Star standards, to both homebuyers and renters. Program activities can include developing Energy Star promotional and information materials, outreach to low- and moderate-income renters and buyers on the benefits and savings when using Energy Star products and appliances, and promoting the designation of community buildings and homes as Energy Star compliant. For further information about Energy Star, see <http://www.energystar.gov> or call 888-STAR-YES (888-782-7937) or, for the hearing-impaired, 888-588-9920 (TTY).

IV. Application and Submission Information

A. **Address to Request an Application Package.** Copies of the published NOFAs and application forms for HUD programs announced through NOFAs may be downloaded from the grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp; if you have difficulty accessing the information, you may receive customer support from Grants.gov by calling its Support Desk at (800) 518-GRANTS, or by sending an e-mail to support@grants.gov. You may request general information from the NOFA Information Center (800-HUD-8929) between the hours of 10 a.m. and 6:30 p.m. (Eastern Time) Monday through Friday, except on federal holidays. When requesting information, please refer to the name of the program you are interested in. The NOFA Information Center opens for business simultaneously with the publication of the SuperNOFA.

B. Content and Form of Application Submission

1. **Application Format Information for All Applicants.** Applicants should make sure to include all requested information, according to the instructions found in this NOFA and, where applicable, in the General Section. This will help ensure a fair and accurate review of your application.

2. **Content and Format for Submission.**

a. **Content of Application.**

Applicants must write narrative responses to each of the rating factors, that appear after this section. Applicants will be evaluated on whether their responses demonstrate that they have the necessary capacity to successfully manage the proposed program. Applicants should ensure that their narratives are written clearly and concisely so that HUD reviewers, who may not be familiar with the ROSS program, may fully understand their proposal.

b. Format of Application

(1) Applications may not exceed 40 narrative pages. Narrative pages must be typed, double-spaced, numbered, be in Times New Roman, 12-point font, and have one-inch margins and font size 12. Supporting documentation, required forms, and certifications will not be counted toward the 40 narrative page limit. However, applicants should make every effort to submit only what is necessary in terms of supporting documentation. Please see the General Section for instructions on how to submit supporting documentation with your electronic application.

(2) A checklist is provided here to ensure applicants submit all required forms and information. (**Note:** Applicants who receive a waiver to submit paper applications must submit their applications in a three-ring binder, with TABS dividing the sections as indicated below. When submitting electronically, you do not need to submit these in TABS. Be sure to name each attachment clearly.) Copies of the forms may be downloaded with the application package and instructions from http://www.grants.gov/applicants/apply_for_grants.jsp. You must use the forms that are included with the 2007 application so as to avoid using outdated forms that may be on HUDCLIPS or found from another source. Please include a header in your narrative pages and any other additional pages that includes the applicant names and the requirement being responded to.

TAB 1: Required Forms From the General Section and Other ROSS Forms:

1. Acknowledgement of Application Receipt (HUD-2993), for paper application submissions only (you must have an approved waiver to submit a paper application);
2. Application for Federal Financial Assistance (SF-424);
3. SF-424 Supplement, "Survey on Ensuring Equal Opportunities for Applicants" ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);
4. Questionnaire for HUD's Initiative on Removal of Regulatory Barriers

(HUD-27300) ("HUD Communities Initiative Form" on Grants.gov);

5. ROSS Fact Sheet (HUD-52751);

6. HUD-424-CB, "Grant Application Detailed Budget" ("HUD Detailed Budget Form" on Grants.gov);

7. Grant Application Detailed Budget Worksheet (HUD-424-CBW)—please remember to include a separate HUD-424-CBW for any sub-contract of 10% or more of federal funds;

8. HUD-2880, "Applicant/Recipient Disclosure/Update Report" ("HUD Applicant Recipient Disclosure Report" on Grants.gov);

9. Certification of Consistency with RC/EZ/EC-II Strategic Plan (HUD-2990) if applicable;

10. Certification of Consistency with the Consolidated Plan (HUD-2991) (for all applicants except for tribes/TDHEs and non-profits serving tribes/TDHEs);

11. Certification of Consistency with the Indian Housing Plan (HUD-52752) (for tribes/TDHEs and non-profits serving tribes/TDHEs);

12. Certification of Resident Council Board of Election (HUD-52753) (for RA applicants and non-profit applicants being supported by one or more RAs);

13. Disclosure of Lobbying Activities (SF-LLL), if applicable;

14. Disclosure of Lobbying Activities Continuation Sheet (SF-LLL-A), if applicable;

15. You Are Our Client Grant Applicant Survey (HUD-2994-A) (Optional);

16. HUD-96011, "Third Party Documentation Facsimile Transmittal" ("Facsimile Transmittal Form" on Grants.gov) (For use with electronic applications as the cover sheet to provide third party documentation);

17. Code of Conduct per General Section Instructions; and

18. Statement on Affirmatively Furthering Fair Housing per General Section Instructions.

TAB 2: Threshold Requirements:

1. Letters from Partners attesting to match;
2. Letter from Applicant's organization attesting to match (if applicant is contributing to match);
3. Letter(s) of Support from Resident Associations/PHAs/tribes/TDHEs (Threshold requirement for all nonprofit applicants);
4. Chart of Resident Associations Participating (required only for nonprofit applicants) (HUD-52754);
5. IRS nonprofit determination letter proving 501(c)(3) status (Threshold requirement for all nonprofit applicants); and
6. Contract Administrator Partnership Agreement (required for all nonprofit

organizations, resident associations, and PHAS-troubled PHAs) (HUD-52755).

TAB 3: Narrative for Rating Factor 1 and ROSS Program Forms

1. Narrative;
2. Chart A: Program Staffing (HUD-52756);
3. Chart B: Applicant/Administrator Track Record (HUD-52757);
4. Resumes/Position Descriptions;
5. Statement attesting to Housing Choice Voucher Homeownership program, Section 32 or other program, if proposing activities in Category 5.

TAB 4: Narrative for Rating Factor 2

TAB 5: Rating Factor 3

1. Narrative;
2. Work plan (see relevant sample ROSS work plan HUD 52764).

TAB 6: Narrative for Rating Factor 4

TAB 7: Rating Factor 5

1. Narrative;
2. Logic Model (HUD-96010).

C. Submission Dates and Times

1. **Deadline Dates.** The application must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the deadline date. Please note that the validation process may take up to 72 hours. If you submit a waiver request and it is approved, the notification of approval of the waiver request will provide instructions on where to submit the paper application. See the General Section and Section F. below for instructions regarding waivers to the electronic application submission requirement. If an applicant receives a waiver to the electronic application submission requirement, the application must be received by the application deadline date.

D. Intergovernmental Review: Not applicable.

E. Funding Restrictions

1. **Reimbursement for Grant Application Costs.** Grantees are prohibited from using ROSS grant funds to reimburse any costs incurred in conjunction with preparation of their ROSS application.

2. **Covered Salaries.**

a. **Project Coordinator.** All applicants may propose to hire a qualified project coordinator to run the program. The ROSS Family and Homeownership program will fund up to \$68,000 in combined annual salary and fringe benefits for a full-time project coordinator. Applicants may propose a part-time coordinator at a lesser salary. For audit purposes, applicants must have documentation on file

demonstrating that the salary and fringe benefits of the project coordinator are comparable to similar professions in their local area.

b. Resident Salaries. No more than 5 percent of ROSS Family and Homeownership funds may be used to pay for resident salaries. This does not apply to contracting with resident-owned businesses.

c. Types of Salaries. ROSS Family and Homeownership funds may only be used for the types of salaries described in this section according to the restrictions described. Non-administrative ROSS funds may only be used to pay for salaries of staff that provide direct services to residents. Direct services staff, for purposes of this NOFA, are defined as applicant personnel or subcontractors who, as their primary responsibility, provide services directly to residents that participate in the activities described in this application e.g., housing and credit counselors, case managers, job trainers, and childcare providers, among other positions. Clerical, legal, finance, supervisory, executive and all other non-direct services staff may be paid for activities related to the grant, but subject to the 10 percent total administrative costs limit.

3. Administrative Costs. For all applicants, administrative costs may include, but are not limited to, purchase of furniture, office equipment and supplies, program outreach, printing and postage, local travel, utilities, administrative salaries, and lease or rental of space for program activities (subject to restrictions on leasing; see Eligible Activities section of this NOFA). Administrative costs, including administrative salaries, must not exceed 10 percent of the total grant amount requested from HUD. Administrative costs must adhere to OMB Circular A-87 or A-122, as appropriate. Please use HUD-424-CBW to itemize your administrative costs. All administrative costs should be delineated and allocated as direct costs—an indirect cost rate will not be accepted;

4. Individual Savings Accounts (ISAs). ROSS Family and Homeownership funds can be used as matching funds for ISAs, but no more than 20 percent of total grant funds may be used for this purpose.

5. Stipends. No more than \$200 of the grant award may be used per participant per month for stipends for active trainees and program participants. Stipends may only be used to reimburse reasonable out-of-pocket expenses related to participation in training and other program-related activities. Receipts for such expenses must be

provided by the resident in order to obtain reimbursement. Stipends are not considered an administrative expense and therefore are not subject to the 10 percent limitation on administrative costs.

6. Funding Requests in Excess of Maximum Grant Amount. Applicants that request funding in excess of the maximum grant amount that they are eligible to receive will be given consideration only for the maximum grant for which they are eligible. If a grant is awarded, the grantee will work with the field office or area ONAP to re-appportion the grant funds for eligible activities proposed in the original application.

7. Ineligible Activities/Costs. Grant funds may not be used for ineligible activities. The following are ineligible activities/costs:

- a. Payment of wages and/or salaries to participants for receiving supportive services and/or training programs (this does not include stipends);
- b. Purchase, lease, or rental of land;
- c. New construction, costs for construction materials;
- d. Rehabilitation or physical improvements except for minimal alterations to make the facilities accessible for a person with disabilities;
- e. Vehicle insurance and/or maintenance;
- f. Entertainment costs;
- g. Purchasing food;
- h. Payment of wages and/or salaries to doctors, nurses or other staff (including health aids or companions) in relation to medical services provided to residents;
- i. Purchase of non-prescription or prescription medications;
- j. Down payment assistance (NOTE: Participants may use their ISAs for this purpose);
- k. Revolving loan funds;
- l. Costs that exceed limits identified in the NOFA, for the following: Project Coordinator, resident salaries, ISAs, stipends, administrative expenses, and long distance travel;
- m. Cost of application preparation;
- n. Scholarships for degree programs;
- o. purchase of space

8. ROSS funds cannot be used to hire or pay for the services of a Contract Administrator.

9. Other Budgetary Restrictions. Some long-distance travel may be necessary during the term of the grant in order for professional grant staff to attend training conferences related to program purposes or activities. Long distance travel costs for grant program staff may not exceed \$5,000 for the life of the grant and must receive prior approval from the grantee's local HUD field office or area ONAP.

F. Other Submission Requirements

1. All applicants are required to submit their applications electronically via Grants.gov unless they request and are approved by HUD for a waiver of that requirement. Please refer to the General Section for information on how to submit your application and all attachments electronically via Grants.gov.

2. Proof of Timely Submission. Please see the General Section for this information. Applicants that fail to meet the deadline for application receipt will not receive funding consideration.

3. For Waiver Recipients Only. Applicants should submit their waiver requests in writing using mail. Waiver requests must be postmarked no later than 15 days prior to the application deadline date and should be sent to Anice Schervish, 451 Seventh Street, SW., Room 3236, Washington, DC 20410. Applicants who have received waivers to submit paper applications (see the General Section for more information) must submit their applications to: HUD Grants Management Center, Mail Stop: ROSS Family and Homeownership, 501 School Street, SW., 8th floor, Washington DC 20024.

4. Number of Copies. Only applicants receiving a waiver to the electronic submission requirement may submit a paper copy application. When the waiver request is approved, the applicant will be provided information on how many copies are needed and where to submit the copies. All paper applications must be received by the deadline date. Any paper applications submitted without an approved waiver will be considered ineligible.

V. Application Review Information

A. Criteria

1. Factors for Award Used to Evaluate and Rate Applications to the ROSS program. The factors for rating and ranking applicants and maximum points for each factor are provided below. The maximum number of points available for this program is 102. This includes two RC/EZ/EC-II bonus points. The SuperNOFA contains a certification that must be completed in order for the applicant to be considered for the RC/EZ/EC-II bonus points. A listing of federally designated RCs, EZs, and EC-IIs is available at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. The agency certifying to RC/EZ/EC-II status must be contained in the listing of RC/EZ/EC-II organizations on HUD's Web site.

Note: Applicants should carefully review each rating factor before writing a response.

Applicants' narratives should be as descriptive as possible, ensuring that every requested item is addressed. Applicants should make sure their narratives thoroughly address the Rating Factors below. Applicants should include all requested information, according to the instructions found in this NOFA. This will help ensure a fair and accurate application review.

a. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (up to 25 Points).

This factor addresses whether the applicant has the organizational capacity and resources necessary to successfully implement the proposed activities within the grant period. In rating this factor, HUD will consider the extent to which the proposal demonstrates that the applicant will have qualified and experienced staff dedicated to administering the program.

(1) Proposed Program Staffing (up to 7 Points).

(a) Staff Experience (up to 4 Points). The knowledge and experience of the proposed project coordinator, staff, and partners in planning and managing programs for which funding is being requested. Experience will be judged in terms of recent, relevant, and successful experience of proposed staff to undertake eligible program activities. In rating this factor, HUD will consider experience within the last 5 years to be recent, experience pertaining to the specific activities being proposed to be relevant, and experience producing specific accomplishments to be successful. The more recent the experience and the more experience proposed staff members who work on the project have in successfully conducting and completing similar activities, the greater the number of points applicants will receive for this rating factor. The following information should be provided in order to provide HUD with an understanding of your proposed staff's experience and capacity:

(i) The number of staff years (one staff year = 2080 hours) to be allocated to the proposed program by each employee or expert as well as each of their roles in the program;

(ii) The staff's relevant educational background and/or work experience; and

(iii) Relevant and successful experience running programs whose activities are similar to the eligible program activities described in the grant application.

An applicant will receive up to 4 points if the applicant provided the requested materials in sufficient detail to demonstrate an experienced and well-coordinated proposed staff.

Documentation indicates that the project coordinator and proposed staff have recent (experience within the last 5 years), relevant (pertaining to the specific or similar activities being proposed), and successful (experience producing specific results) experience in conducting and completing similar activities.

(b) Organizational Capacity (up to 3 Points). Applicants will be evaluated based on whether they or their partners have sufficient qualified personnel to deliver the proposed activities in a timely and effective fashion. In order to enhance or supplement capacity, applicants should provide evidence of partnerships with nonprofit organizations or other organizations that have experience providing supportive services to typically underserved populations. Provide resumes and position descriptions (where staff is not yet hired) for all key personnel. (Resumes/position descriptions and other HUD forms do not count toward the page limit.) An applicant will receive up to 3 points if the applicant provided a description of its ability (in-house or with partners) to implement the proposed program and attached resumes and position descriptions (where staff is not yet hired) for all key personnel. Reviewers may also consult HUD-52756.

(2) Past Performance of Applicant/Contract Administrator (up to 6 Points).

(a) Applicants' past experience may include, but is not limited to, running and managing programs aimed at assisting residents of low-income housing to achieve housing and economic self-sufficiency.

(b) Applicants must indicate past grants they received and managed, the grant amounts, and grant terms (years) of the grants, which are counted toward past experience.

(c) Applicants' narratives must describe how they (or their Contract Administrator) successfully implemented past grant programs designed to promote resident self-sufficiency, moving from welfare to work, and/or helping residents move to market-rate rental housing or homeownership.

(d) Applicants will be evaluated according to the following criteria:

(i) Achievement of specific measurable outcomes and objectives in terms of benefits gained by participating residents. Applicants should describe results their programs have obtained, such as reduced welfare dependency, higher incomes, higher rates of employment, increased savings, moving from subsidized housing to market rate rental housing; and for Category 5, the

number of families in homeownership counseling pipeline, and the rates of homeownership achieved through training programs;

(ii) Description of success in attracting and keeping residents involved in past grant-funded training programs. HUD wants to see that applicants' grant-funded programs benefited a significant numbers of residents;

(iii) Description of timely and accurate expenditure of program funding throughout the term of past grants. This means regular (i.e., quarterly) and accurate drawdowns throughout the life of the grant, with all funds expended by the end of the grant term;

(iv) Description of past leveraging. Applicants must describe how they have created leveraging partnerships for funding or in-kind services for previous projects, the extent of the leveraging partnership, and how leveraging and partnerships benefited program participants.

Past experience may include, but is not limited to, running and managing programs aimed at assisting residents of low-income housing to achieve economic self-sufficiency. Reviewers may consult the narrative and/or the HUD-52757. The applicant will receive up to 6 points if the following is shown:

- achievement of specific measurable outcomes and objectives in terms of benefits gained by participating residents;

- a description of success in attracting and keeping residents involved in past grant-funded training programs, and documentation that shows that the grant activities benefited a significant number of residents;

- a description of timely expenditure of program funding throughout the term of past grants. Timely means regular draw-downs throughout the life of the grant, i.e., quarterly draw-downs, with all funds expended by the end of the grant term;

- a description of how the applicant has leveraged funding or in-kind services beyond amounts that were originally proposed for past projects. In addition to addressing items 1–4 above, the application must also indicate past grants received, the grant amounts, and grant terms (years) of the grants, which are being counting toward past experience; AND

- describe how the applicant (or their Contract Coordinator Administrator, if applicable) successfully implemented past grant programs designed to promote self-sufficiency, moving from welfare to work, and/or helping residents move to market rate rental housing.

An applicant will receive up to 4 points if the applicant sufficiently addressed at least 3 of the 4 items of review criteria listed above. An applicant will receive up to 2 points if the applicant sufficiently addressed at least 2 of the 4 items of review criteria listed above. An applicant will receive 0 points if the applicant only addressed one or did not address any of items 1 through 4.

(3) Program Administration and Fiscal Management (up to 12 Points).

Applicants should describe how they will manage the program; how HUD can be sure that there is program accountability; and provide a description of proposed staff's roles and responsibilities. Applicants should also describe how grant staff and partners will report to the project coordinator and other senior staff. Applicants should also include the following:

(a) A complete description of their fiscal management structure, including fiscal controls currently in place including those of a Contract Administrator for applicants required to have a Contract Administrator (i.e., PHAS troubled PHAs, resident associations, and nonprofit applicants);

(b) Applicants must list any audit findings or material weaknesses in the past five years (HUD Inspector General, management review, fiscal, etc.), and what has been done to address them;

An applicant will receive up to 12 Points if the applicant provided a comprehensive narrative description of (i) the project management structure and program accountability, including the use of a contract administrator, if applicable; the narrative (ii) describes staff's roles and responsibilities and (iii) details how staff and partners will report to the project coordinator and other senior staff, as well as (iv) the lines of accountability among all components of the proposed program; and (v) if applicable, a list of any audit findings in the past 5 years (HUD IG, management review, fiscal, etc.), material weaknesses and what the applicant has done to address them. An applicant will receive up to 9 points if the applicant has fully addressed three of (i) through (iv). An applicant will receive up to 6 points if the applicant has fully addressed two of (i) through (iv). An applicant will receive up to 3 points if the applicant has fully addressed one of (i) through (iv). If an applicant provides audit findings or material weaknesses but does not provide what the applicant has done to address them, the applicant will lose two points. An applicant will receive 0 points if all of (i) through (v) are not addressed.

b. Rating Factor 2: Need/Extent of the Problem (up to 14 Points).

This factor addresses the extent to which there is a need for funding the proposed program. In responding to this factor, applicants will be evaluated on the extent to which they describe and document the level of need for their proposed activities and the urgency for meeting the need.

In responding to this factor, applicants must include:

(1) *Socioeconomic Profile* (up to 6 points). A thorough socioeconomic profile of the eligible residents to be served by the program, including education levels, income levels, and other socio-economic statistics for the local area pertinent to the proposed program, etc. Applicants may either provide data for the local area and show that the residents reflect the local area or may provide resident-specific data.

An applicant will receive up to 6 points if the applicant provided a thorough socioeconomic profile of the eligible residents to be served by the program, including education levels, income levels, and other pertinent socio-economic data for the local area. An applicant will receive up to 3 points if the applicant provided a basic socioeconomic profile of the area, but did not show that the residents to be served reflect that profile. An applicant will receive 0 Points if the applicant failed to provide the socioeconomic data on the community and/or profiles of the eligible residents.

(2) *Demonstrated Link Between Proposed Activities and Local Need* (up to 8 points). Applicants' narratives must demonstrate a clear relationship between proposed activities, community needs, and the purpose of the program funding in order for points to be awarded for this factor.

An applicant will receive up to 8 points if the applicant narrative demonstrates a strong, clear relationship between the proposed activities, community needs and the purpose of the program funding. An applicant will receive up to 4 points if the applicant narrative demonstrates a tenuous relationship between the proposed activities, needs, and the purpose of program funding. An applicant will receive 0 points if the applicant failed to demonstrate a clear relationship between the proposed activities, community needs and the purpose of the program funding.

c. Rating Factor 3: Soundness of Approach (up to 34 Points).

This factor addresses both the quality and cost-effectiveness of applicants' proposed work plan. The narrative and work plan must indicate a clear

relationship between proposed activities and intended outcomes, the targeted population's needs, and the purpose of the program funding. Applicants' proposed activities must address HUD's policy priorities outlined in this Rating Factor.

In rating this factor, HUD will consider:

(1) *Quality of the Work Plan* (up to 22 points). This factor evaluates both the applicant's work plan and budget, which will be evaluated based on the following criteria:

(a) *Specific Services and/or Activities* (up to 12 points). Applicants' narratives must describe the specific services, course curricula, and activities they plan to offer and who will be responsible for each. In addition to the narrative, applicants must also provide a work plan, which must list the specific services, activities, and outcomes they expect. The proposed program narrative and work plan must show a logical order of activities and progress and must tie to the outcomes and outputs applicants identify in the Logic Model (see Rating Factor 5). Please see a sample work plan in the Appendix. Applicants' narratives must explain how their proposed activities will:

(i) Involve community partners in the delivery of services (4 points);

An applicant will receive up to 4 points if the applicant narrative describes the involvement of partner organizations to deliver or support their proposed programs. An applicant will receive up to 2 points if the applicant narrative describes the existence of other community-based organizations in the area, but does not describe firm connections between program activities and the delivery or support of the proposed program. An applicant will receive 0 points if the applicant does not intend to involve any community partners in the delivery or support of their proposed program.

(ii) Offer comprehensive services (versus a small range of services) geared toward achieving the following (6 points):

—Enhancing economic opportunities for residents leading to economic self-sufficiency and homeownership or other housing self-sufficiency;

An applicant will receive up to 6 points if the applicant narrative describes the specific services, course curricula, and activities they plan to offer and who will be responsible for each; the narrative shows that the proposed program involves a comprehensive range of services and activities that are intended to move

participants along a continuum towards economic self-sufficiency; and the narrative shows a logical order and progress and outcomes are identified. An applicant will receive up to 3 points if the applicant fully describes the proposed program, but the program does not address a spectrum of activities. An applicant will receive 0 points if the applicant failed to provide sufficient information to determine if the proposed program will contain a continuum of services, no logical order is described and no outcomes are identified.

(b) *Feasibility and Demonstrable Benefits* (up to 5 points). This factor examines whether applicants' work plans are logical, feasible and likely to achieve its stated purpose during the term of the grant. HUD's intention is to fund applications that will quickly produce demonstrable results and advance the purposes of the ROSS program.

The work plan should demonstrate that their projects are ready to be implemented shortly after the grant award, but not to exceed three months following the execution of the grant agreement. The work plan must indicate time frames and deadlines for accomplishing major activities.

An applicant will receive up to 5 points if the work plan and supporting narrative are logical, feasible, and demonstrate that the proposed project is ready for implementation within three months of execution of the grant agreement. The work plan also indicates timeframes and deadlines for accomplishing major activities and how well the proposed activities address the needs described in Rating Factor 2. The applicant will receive up to 3 points if the work plan and supporting narrative are logical and feasible, but do not demonstrate that the project is ready for implementation within 3 months of grant agreement execution. An applicant will receive 0 points if the applicant failed to provide the information to determine that the project is logical and feasible or whether the project would be ready for implementation within three months of execution of the grant agreement.

(c) *Budget Appropriateness/Efficient Use of Grant* (up to 5 Points). The score in this factor will be based on the following:

(i) *Justification of expenses.*

Applicants will be evaluated based on whether their expenses are reasonable and thoroughly explained, and support the objectives of their proposal.

(ii) *Budget Efficiency.* Applicants will be evaluated based on whether their application requests funds

commensurate with the level of effort necessary to accomplish their goals and anticipated results.

(iii) Please note that the budget form HUD-424 CBW requires that a separate 424-CBW form be submitted for each sub-contract of 10% or more of the requested grant amount. If an application proposes to sub-contract 10% or more of the requested grant amount and does not include a separate 424-CBW for each 10 percent or more sub-contract, all points for Budget Appropriateness/Efficient Use of Grant will be lost (5 points). If 424-CBWs for sub-contracts for 50 percent or more of the requested grant amount are not included, the application will lose 10 points.

An applicant will receive up to 5 Points if expenses are reasonable, thoroughly explained, support the objectives of the proposal and are commensurate with the level of effort necessary to accomplish the goal. An applicant will receive up to 3 points if the expenses somewhat support the objectives of the proposal or only somewhat commensurate with the level of effort necessary to accomplish the goals. An applicant will receive 0 points if expenses are not reasonable and/or the requested funds are not commensurate with the goals and anticipated results of the proposed program.

(d) *Ineligible Activities.* Two points will be deducted for each type of ineligible activity proposed in the application, as identified in Section IV(E). For example, you will lose 2 points if you propose costs that exceed the limits identified in the NOFA for a Project Coordinator.

(2) *Addressing HUD's Policy Priorities* (up to 10 points). HUD wants to improve the quality of life for those living in distressed communities. HUD's grant programs are a vehicle through which long-term, positive change can be achieved at the community level. Applicants' narratives and work plans will be evaluated based on how well they meet the following HUD policy priorities:

(i) *Improving the Quality of Life in Our Nation's Communities* (up to 2 points). In order to receive points in this category, applicants' narrative and/or work plan must indicate the types of activities, service, and training programs applicants will offer which can help residents successfully transition from welfare to work and earn higher wages.

An applicant will receive up to 4 points if the work plan and supporting narrative indicate the types of activities, services and training programs that will be offered to help residents successfully

move along the spectrum of self-sufficiency. An applicant will receive 0 points if the application did not provide sufficient information to determine whether the types of activities, services and training programs that will be offered will help residents successfully transition from welfare to work and earn higher wages.

(ii) *Providing Increased Homeownership and Rental Opportunities for Low- and Moderate-Income Persons, Persons with Disabilities, the Elderly, Minorities, and Families with Limited English Proficiency* (NOTE: Only applicants proposing Category 5-Homeownership activities are eligible for these points.)

(up to 2 points). In order to receive points in this category, applicants' narratives and/or work plans must indicate the types of activities and training programs they will offer which can help residents successfully transition to homeownership. Applicants that indicate that they have existing linkages to an existing homeownership program (such as, for PHAs, Housing Choice Voucher-Homeownership, Section 32, or homeownership programs and resources offered by other organizations or state or local homeownership programs or for Tribes/TDHEs, programs such as the Mutual Help Homeownership Opportunity Program, the Section 184 Program, and homeownership programs developed under the Indian Housing Block Grant Program such as mortgage assistance, must provide a specific statement attesting to these linkages and indicating the minimum number of homeownership opportunities (e.g., the number of HCV-Homeownership vouchers or number of homes in the Section 32 program that will be dedicated to ROSS participants) that will be provided annually to residents successfully completing the requirements of the programs funded by this NOFA.

An applicant will receive 2 points if the application indicates the applicant has existing linkages to an existing homeownership program such as HCV-Homeownership, Section 32, Mutual Help Homeownership Opportunity Program, SHOP, Section 184, IHBG or other state or local homeownership (not just homeownership training) programs AND provides a specific statement indicating the minimum number of homeownership opportunities that will be provided annually. An applicant will receive 0 points if the applicant does not provide a specific statement indicating the minimum number of homeownership opportunities that will be provided annually OR does not

describe its existing linkages to existing homeownership programs.

(iii) *Providing Full and Equal Access to Grassroots Faith-Based and Other Community-Based Organizations in HUD Program Implementation* (up to 4 points). HUD encourages applicants to partner with grassroots organizations, e.g., civic organizations, grassroots faith-based and other community-based organizations that are not usually effectively utilized. These grassroots organizations have a strong history of providing vital community services such as developing first-time homeownership programs, creating economic development programs, and providing job training and other supportive services. In order to receive points under this factor, applicants' narratives and/or work plans must describe how applicants will work with these organizations and what types of services they will provide.

An applicant will receive up to 4 points if the applicant's narrative and work plan clearly name the grassroots organizations with whom they will be working, describe what types of services will be provided by those organizations, and describe how these partnerships will contribute to the achievement of the goals and proposed outcomes for the program. An applicant will receive up to 2 points if the applicant indicates that it will work with grassroots organizations, but does not indicate the types of services that will be provided by these organizations. An applicant will receive 0 points if neither the work plan or narrative provide a description of how the applicant will work with grassroots organizations (civic organizations, faith-based and/or other community-based organizations), and the types of services that will be provided.

(iv) *Policy Priority for Increasing the Supply of Affordable Housing Through the Removal of Regulatory Barriers to Affordable Housing* (up to 2 points).

Under this policy priority, higher rating points are available to: (1) Governmental applicants that are able to demonstrate successful efforts in removing regulatory barriers to affordable housing, and (2) nongovernmental applicants that are associated with jurisdictions that have undertaken successful efforts in removing barriers. For applicants to obtain the policy priority points for efforts to successfully remove regulatory barriers, applicants would have to complete form HUD 27300, "Questionnaire for HUD's Initiative on Removal of Regulatory Barriers." A copy of HUD's Notice entitled *America's Affordable Communities Initiative*,

HUD's Initiative on Removal of Regulatory Barriers: Announcement of Incentive Criteria on Barrier Removal in HUD's 2004 Competitive Funding Allocations" can be found on HUD's Web site at <http://www.hud.gov/offices/adm/grants/frregbarrier.pdf>. The information and requirements contained in HUD's regulatory barriers policy priority apply to this FY2006 NOFA. A description of the policy priority and a copy of form HUD-27300 can be found in the application package posted on www.Grants.gov. Applicants are encouraged to read the Notice as well as the General Section to obtain an understanding of this policy priority and how it can impact their score. A limited number of questions expressly request the applicant to provide brief documentation with their response. Other questions require that for each affirmative statement made, the applicant must supply a reference, Web site link, or a brief statement indicating where the back-up information may be found, and a point of contact, including a telephone number and/or email address. The electronic copy of the HUD 27300 has space to attach required documentation or identify a URL or reference. Reference material/documentation can be scanned and attached to the form HUD-27300 and submitted with the application or faxed to HUD following the facsimile submission instructions. When providing documents in support of your responses to the questions on the form, please provide the applicant name and project name and whether you are responding under column A or B, then identify the number of the question and the URL or document name and attach using the attachment function at the end of the electronic form.

(3) *Economic Opportunities for Low- and Very Low-Income Persons (Section 3)* (up to 2 Points).

You will receive 2 points if your application demonstrates that you will implement Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects) and its implementing regulations at 24 CFR part 135 in connection with this grant, if awarded. Information about Section 3 can be found at HUD's Section 3 website at <http://www.hud.gov/offices/fheo/section3/section3brochure.cfm>. Your application must describe how you will implement Section 3 through the proposed grant activities. You must state that you will, to the greatest extent feasible, direct training, employment, and other economic opportunities to:

(a) Low- and very low-income persons, particularly those who are recipients of government assistance for housing, and

(b) Business concerns which provide economic opportunities to low- and very low-income persons.

An applicant will receive 2 points if the applicant describes how it will implement Section 3 through the proposed grant activities and states it they will, to the greatest extent feasible, direct training, employment, and other economic opportunities to Section 3 interests (low- and very low-income persons, particularly those who are recipients of government assistance for housing and business concerns which provide economic opportunities to low- and very low-income persons.) An applicant will receive 0 points if the applicant does not describe implementing Section 3 through proposed grant activities and does not state that they will direct training, employment and other economic opportunities to Section 3 interests.

d. *Rating Factor 4: Leveraging Resources* (up to 10 Points).

This factor addresses the applicant's ability to secure community resources that can be combined with HUD's grant resources to achieve program purposes. Applicants are required to create partnerships with organizations that can help achieve their program's goals. PHAs are required by section 12(d)(7) of the U.S. Housing Act of 1937 entitled "Cooperation Agreements for Economic Self-Sufficiency Activities" to make best efforts to enter into such agreements with relevant state or local agencies. In rating this factor, HUD will look at the extent to which applicants partner, coordinate, and leverage their services with other organizations serving the same or similar populations.

Applicants must have at least a 25 percent cash or in-kind match. The match is a threshold requirement. Joint applicants must together have at least a 25 percent match. Applicants who do not demonstrate the minimum 25 percent match will fail the threshold requirement and will not receive further consideration for funding. Leveraging in excess of the 25 percent of the grant amount will receive a higher point value. In evaluating this factor, HUD will consider the extent to which applicants have partnered with other entities to secure additional resources, which will increase the effectiveness of the proposed program activities. Match proposed to be used for ineligible activities will not be accepted. The additional resources and services must be firmly committed, must support the proposed grant activities and must, in

combined amount (including in-kind contributions of personnel, space and/or equipment, and monetary contributions) equal at least 25 percent of the grant amount requested in the application. "Firmly committed" means that the amount of resources and their dedication to ROSS-funded activities must be explicit, in writing and signed by a person authorized to make the commitment. Please see the section on Threshold Requirements for more information.

Points for this factor will be awarded based on the documented evidence of partnerships and firm commitments and the ratio of requested ROSS funds to the total proposed grant budget.

Points will be assigned based on the following scale:

Percentage of Match Points Awarded

25 4 points (with partnerships), 2 points (without partnerships);
26–50 6 points (with partnerships), 4 points (without partnerships);
51–75 8 points (with partnerships), 6 points (without partnerships);
76 or above 10 points (with partnerships), 8 points (without partnerships).

e. Rating Factor 5: Achieving Results and Program Evaluation (up to 17 Points).

(1) An important element in any supportive service program is the development and reporting of performance measures and outcomes. This factor emphasizes HUD's determination to ensure that applicants develop performance and outcome measures that are focused on residents' achieving economic and housing self-sufficiency—reducing and eliminating dependency on any type of subsidized housing or welfare assistance. Additionally, achieving outcomes and accurate evaluation will assist HUD in meeting its commitment to federal requirements for accountability. Applicants must demonstrate how they propose to measure their success and outcomes as they relate to the Department's Strategic Plan.

(2) HUD requires ROSS applicants to develop an effective, quantifiable, outcome-oriented plan for measuring performance and determining that goals have been met. Applicants must use the Logic Model form HUD-96010 for this purpose. The narrative describes how the measurement tools are used to collect and verify reported data and to modify the program if goals are not being met.

(3) Applicants must establish interim benchmarks, or outputs, for their proposed program that lead to the ultimate achievement of outcomes.

"Outputs" are the direct products of a program's activities. Examples of outputs are: the number of eligible families that participate in supportive services, the number of new services provided, the number of residents receiving counseling, or the number of households using a technology center. Outputs should produce outcomes for your program. "Outcomes" are benefits accruing to the residents, families, and/or communities during or after participation in the ROSS program. Outcomes are not the development or delivery of services or program activities but the results of the services delivered or program activities—the ultimate results of the program. Applicants must clearly identify the outcomes to be achieved and measured. Examples of outcomes are: increasing homeownership rates, increasing residents' financial stability (e.g., increasing assets of a household through savings), or increasing employment stability (e.g., whether persons assisted obtain or retain employment for one or two years after job training completion).

(4) This rating factor requires that applicants identify program outputs, outcomes, and performance indicators that will allow applicants to measure their performance. Performance indicators should be objectively quantifiable and measure actual achievements against anticipated achievements. Applicants' narratives, work plans, and Logic Models should identify what applicants are going to measure, how they are going to measure it, and the steps they have in place to make adjustments to their work plan and management practices if performance targets begin to fall short of established benchmarks and time frames. Applicants' proposals must also show how they will measure the performance of partners and affiliates. Applicants must include the standards, data sources, and measurement methods they will use to measure performance.

(Applicants will be evaluated based on how comprehensively they propose to measure their program's outcomes.)

Applicant will receive up to 17 points if the applicant provided a work plan, narrative and Logic Model that (a) describes the goals, objectives, outcomes, and performance measurements to be achieved over the term of the program; (b) includes short, intermediate, and long-term goals; (c) indicates what will be measured; (d) indicates how it will be measured; and (e) shows steps to be taken if performance targets are not met within the established timeframes. An applicant will receive up to 14 points if the applicant fully addresses four of the

five items of review criteria. An applicant will receive up to 11 points if the applicant fully addresses three of the five items of review criteria. An applicant will receive up to 7 points if the applicant fully addresses two of the five items of review criteria. An applicant will receive up to 4 points if the applicant fully addresses one of the five items of review criteria. An applicant will receive 0 points if the applicant did not provide the Logic Model or enough information to determine the program goals, outcomes and/or performance measurements.

B. Review and Selection Process

1. Review Process. Four types of reviews will be conducted: a screening to determine if you are eligible to apply for funding under the ROSS Family and Homeownership grant program; whether your application submission is complete, on time and meets the threshold; a review by the field office (or area ONAP office) to evaluate past performance; and a technical review to rate your application based on the five rating factors provided in this NOFA.

2. Selection Process for All Grant Categories and All Applicants. Twenty-five percent (25%) of funds will be set aside for Resident Associations and all qualifying Resident Association applications will be funded first, up to 25 percent of the funding amount. HUD's selection process is designed to achieve geographic diversity of grant awards throughout the country. For each grant category, HUD will first select the highest ranked application from each of the ten federal regions and ONAP for funding. After this "round," HUD will select the second highest-ranked application in each of the 10 federal regions and ONAP for funding (the second round). HUD will continue this process with the third, fourth, and so on, highest ranked applications in each federal region and ONAP until the last complete round is selected for funding. If available funds exist to fund some but not all eligible applications in the next round, HUD will make awards to those remaining applications in rank order (by score) regardless of region and ONAP and will fully fund as many as possible with remaining funds. If remaining funds in one grant category are too small to make an award, they may be transferred to another ROSS program. If there are remaining funds in any ROSS program after all qualifying applications have been awarded, those funds may be transferred to another ROSS program.

3. Tie Scores. In the event of a tie score between two applications that target the same developments, HUD will

select the application that was received first.

4. Deficiency Period. Applicants will have 14 calendar days in which to provide missing information requested from HUD. For other information on correcting deficient applications, please see the General Section.

VI. Award Administration Information

A. Award Notices

1. HUD will make announcements of grant awards after the rating and ranking process is completed. Grantees will be notified by letter and will receive instructions on what steps they must take in order to access funding and begin implementing grant activities. Applicants who are not funded will also receive letters via U.S. postal mail.

2. Debriefings. All applicants may request a debriefing. Applicants requesting to be debriefed must send a written request to Iredia Hutchinson, Director, Grants Management Center, 501 School Street, SW., Suite 800, Washington, DC 20024.

B. Administrative and National Policy Requirements

1. Environmental Impact. In accordance with 24 CFR 58.34(a)(3) or (a)(9), 58.35(b)(2), (b)(4) or (b)(5), 50.19(b)(3), (b)(9), (b)(12), (b)(14), or (b)(15), activities under this ROSS program are categorically excluded from the requirements of the National Environmental Policy Act of 1969 and are not subject to environmental review under related laws and authorities.

2. Applicable Requirements. Unless specifically enumerated in this NOFA, all applicants (lead and non-lead) are subject to the requirements specified in Section III.C. of the General Section. Grantees are subject to regulations and other requirements found in:

a. 24 CFR 84 ("Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations");

b. 24 CFR 85 ("Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally Recognized Indian Tribal Governments");

c. 24 CFR 964 ("Tenant Participation and Tenant Opportunities in Public Housing");

d. OMB Circular A-87 ("Cost Principles for State, Local, and Indian Tribal Governments");

e. OMB Circular A-110 ("Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations");

f. OMB Circular A-122 ("Cost Principles for Non-Profit Organizations"); and

g. OMB Circular A-133 ("Audits of States, Local Governments, and Non-Profit Organizations").

3. Economic Opportunities for Low- and Very Low-Income Persons (Section 3). Applicants and grantees must also comply with Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u and ensure that training, employment, and other economic opportunities shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing and to business concerns that provide economic opportunities to low- and very low-income persons.

4. Fair Housing and Civil Rights Laws. Applicants and their sub-recipients must comply with all Fair Housing and Civil Rights laws, statutes, regulations, and Executive Orders as enumerated in 24 CFR 5.105(a), as applicable. Please see the General Section for more information.

C. Reporting

1. Semi-Annual Performance Reports. Grantees must submit semi-annual performance reports to the field office or area ONAP. These progress reports must include financial reports (SF-269A) and a Logic Model (HUD-96010) showing achievements to date against outputs and outcomes proposed in the application and approved by HUD. Each quarterly report must identify any deviations (positive or negative) from outputs and outcomes proposed and approved by HUD, by providing the information in the reporting TAB of the approved Logic Model. HUD anticipates that some of the reporting of financial status and grant performance will be through electronic or Internet-based submissions. Grantees must use quantifiable data to measure performance against goals and objectives outlined in their work plan. Performance reports are due to the field office on July 30 and January 31 of each year. If reports are not received by the due date, grant funds will be suspended until reports are received. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

2. Final Report. All grantees must submit a final report to their local field office or area ONAP that will include a financial report (SF-269A), a final Logic Model, and a narrative evaluating overall results achieved against their

work plan. Grantees must use quantifiable data to measure performance against goals and objectives outlined in their work plan. The final report must also include responses to the management questions found in the Logic Model and approved for your program. The financial report must contain a summary of all expenditures made from the beginning of the grant agreement to the end of the grant agreement and must include any unexpended balances. The final Logic Model and financial report are due to the field office 90 days after the termination of the grant agreement.

3. Final Audit. Grantees that expend \$500,000 in federal funds in a given program or fiscal year are required to obtain a complete final close-out audit of the grant's financial statements by a Certified Public Accountant (CPA), in accordance with generally accepted government audit standards. A written report of the audit must be forwarded to HUD within 60 days of issuance. Grant recipients must comply with the requirements of 24 CFR 84 or 24 CFR 85, as stated in OMB Circulars A-87, A-110, and A-122, as applicable.

4. Racial and Ethnic Data. HUD requires that funded recipients collect racial and ethnic beneficiary data. HUD has adopted the Office of Management and Budget's (OMB) Standards for the Collection of Racial and Ethnic Data. In view of these requirements, funded recipients should use form HUD-27061, Racial and Ethnic Data Reporting Form.

VII. Agency Contact(s)

For questions and technical assistance, you may call the Public and Indian Housing Information and Resource Center at 800-955-2232. For persons with hearing or speech impairments, please call the toll-free Federal Information Relay Service at 800-877-8339.

VIII. Other Information

A. Code of Conduct. Please see the General Section for more information.

B. Transfer of Funds. If transfer of funds from any of the ROSS programs does become necessary, HUD will consider the amount of unfunded qualified applications in deciding to which program the extra funds will be transferred.

C. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2577-0229. In accordance with the Paperwork Reduction Act, HUD may

not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to

average 49.5 hours per respondent for the application. This includes the time for collecting, reviewing, and reporting the data for the application. The information will be used for grantee selection and monitoring the

administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

Billing Code 4210-01-C

Public and Indian Housing Family Self-Sufficiency Program Coordinators Under Resident Opportunities and Self-Sufficiency (ROSS) Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Public and Indian Housing, Office of Public Housing Investments.

B. Funding Opportunity Title: Public and Indian Housing Family Self-Sufficiency (PH FSS) Program Coordinators.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR 5100-N-16; OMB Approval Number is 2577-0229.

E. Catalog of Federal Domestic Assistance (CFDA) Number: 14.877.

F. Application Deadline: The application deadline date is June 6, 2007. Please see the General Section for application submission, delivery, and timely receipt requirements.

G. Additional Overview Content Information:

1. *Purpose of Program:* The purpose of the Public Housing FSS (PH FSS) program is to promote the development of local strategies to coordinate the use of assistance under the Public Housing program with public and private resources, enable participating families to increase earned income, reduce or eliminate the need for welfare assistance, and make progress toward achieving economic independence and housing self-sufficiency. The FSS program and this FSS NOFA support the Department's strategic goals of helping HUD-assisted renters make progress toward housing self-sufficiency. The FSS program provides critical tools that can be used by communities to support welfare reform and help families develop new skills that will lead to economic self-sufficiency. As a result of their participation in the FSS program, many families have achieved stable, well-paid employment, which has made it possible for them to become homeowners or move to other non-assisted housing. An FSS program coordinator assures that program participants are linked to the supportive services they need to achieve self-sufficiency.

2. *Funding Available:* HUD expects to award a total of approximately \$12,000,000 in FY 2007. This amount includes \$10,000,000 appropriated in FY 2007 and \$2,000,000 in rollover funds.

3. *Award Amounts:* Awards will pay only for the annual salary and fringe benefits of PH FSS Coordinators. Award

amounts will be based on locality pay rates for similar professions. Each new or renewal position amount will not exceed \$65,500.

4. *Eligible Applicants:* Eligible applicants are Public Housing Authorities (PHAs) and tribes/Tribally Designated Housing Entities (TDHEs) that administer PH FSS programs. All applicants must have an approved PH FSS Action Plan on file with their local HUD field office or Area Office of Native American Programs (ONAP) prior to this NOFA's application deadline. Non-profit organizations and resident associations are not eligible to apply for funding under this program.

5. *Cost Sharing/Match Requirement:* There is no match requirement under this funding program.

6. *Grant Term:* The grant term is one year from the execution date of the grant agreement.

Full Text of Announcement

I. Funding Opportunity Description

A. Authority and Program Description. The Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007) allows funding for program coordinators under the Resident Opportunity & Self-Sufficiency program. Through annual NOFAs, HUD has provided funding to public housing agencies (PHAs) or tribes/TDHEs that are operating PH FSS programs to enable those applicants to employ program coordinators to support their PH FSS programs. In FY 2007 PH FSS Program Coordinator NOFA, HUD is again making funding available to PHAs/Tribes/TDHEs to employ PH FSS program coordinators for one year. HUD will accept applications from both new and renewal applicants that have HUD approval to administer a PH FSS program. PHA/Tribe/TDHEs funded under the ROSS PH FSS NOFA in FY 2005 or 2006 are considered "renewal" applicants in this NOFA. These renewal applicants are invited to apply for funds to continue previously funded PH FSS program coordinator positions. Funding priority will be given to renewals for applicants that have achieved a "High Performer" status on their most recent Public Housing Assessment System (PHAS) review and tribes/THDEs that have been determined eligible as a renewal applicant (PHAS score requirement is not applicable to tribes/THDEs). Second priority will be given to standard performer renewal applicants. Third priority will be given to troubled performer renewal applicants and fourth priority will be given to new applicants. There will be no funding for expanding

the number of coordinator positions in an existing program.

The maximum number of positions that a new applicant, including new joint applicants, may receive is one full-time FSS program coordinator.

Applicants must administer the FSS program in accordance with HUD regulations and requirements in 24 CFR Part 984, which govern the PH FSS program and must comply with the existing Public Housing program requirements, notices, and guidebooks. This includes using a Program Coordinating Committee (PCC) to secure the necessary resources to implement the FSS Program. See 24 CFR 984.202 for more information.

B. Number of Positions for Which Eligible Applicants May Apply. Eligible applicants may apply for funding for PH FSS program coordinator positions under this NOFA as follows:

1. *Renewal Applicants.* Applicants that qualify as eligible renewal applicants under this NOFA may apply for the continuation of each PH FSS coordinator position awarded under the ROSS PH FSS NOFA in FY 2005 or 2006.

2. *New Applicants.* An applicant that meets the requirements for a new applicant under this FSS NOFA may apply for PH FSS program coordinator positions as follows:

- a. Up to one full-time PH FSS coordinator position for an applicant with HUD approval to administer a PH FSS program of 25 or more FSS slots; or
- b. Up to one full-time PH FSS coordinator position per application for joint applicants that together have HUD approval to administer a total of at least 25 PH FSS slots.

C. *Definitions.* The following definitions apply to the funding available under this NOFA.

1. *Renewal Applicant.* Applicants that received funding under the ROSS PH FSS NOFA in FY 2005 or 2006.

2. *New Applicant.* Applicants that did not receive funding under the ROSS PH FSS NOFA in FY 2005 or FY 2006 that have HUD approval to administer a PH FSS program of at least 25 slots or that fulfill the 25 slot minimum by applying jointly with one or more other applicants who together have approval to administer at least 25 PH FSS slots.

3. *Tribally Designated Housing Entity (TDHE)* is an entity authorized or established by one or more Indian tribes to act on behalf of each such tribe authorizing or establishing the housing entity as defined by Section 4(21) of NAHASDA.

4. *Indian Tribe* means any tribe, band, nation, or other organized group or a community of Indians, including any

Alaska Native village, regional, or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, and that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians pursuant to the Indian Self Determination and Education Act of 1975, or any state-recognized tribe eligible for assistance under section 4 (12)(C) of NAHASDA.

5. MTW PHAs. New and renewal PHAs that are under MTW agreements with HUD may qualify for funding under this NOFA if the PHA administers an FSS program. When determining the size of a new applicant, MTW PHA's HUD-approved FSS program, the PHA may request the number of FSS slots reflected in the PHA's MTW agreement be used instead of the number in the PHA's FSS Action Plan. However, this number must be at least 25 in order to qualify as a new applicant.

6. FSS Program Size. The total number of PH FSS program slots identified in the applicant's HUD-approved PH FSS Action Plan, or, if requested by MTW PHA applicants, the number of slots in the applicant's MTW agreement. The total may include both voluntary and mandatory PH FSS program slots.

7. Action Plan. Describes the policies and procedures of the PHA or tribe/TDHE for operation of a local FSS program. For a full description of the minimum amount of information that the Action Plan must contain, please see 24 CFR 984.201.

8. Positive Graduation Percentage. The percent of public housing FSS families that have successfully graduated from the program between October 1, 2000, and the publication date of this NOFA as shown in FSS exit reports submitted to HUD on Form HUD-50058 or as otherwise reported to HUD by MTW PHAs. The data source is Form HUD-52767 as well as HUD's PIC data system records of Form HUD-50058 PH FSS program exit reports that were effective between October 1, 2000, and the publication date of this NOFA.

9. The Number of PH FSS Program Participants. The total number of families formerly or currently enrolled in the applicant's PH FSS program between October 1, 2000 and the publication date of this NOFA. For renewal applicants funded for the first time under the 2006 NOFA, please use the enrollments anticipated by the due date of this NOFA. The data source is Form HUD-52767 as well as HUD's PIC data system records of Form HUD-50058 reports that were effective

between October 1, 2000, and the publication date of this NOFA.

10. Percentage of Families with Positive FSS Escrow Balances. The number of current or former PH FSS families with positive escrow balances as a percentage of total number of PH FSS program participants. The data source is Form HUD-52767 as well as HUD's PIC data system records of Form HUD-50058 PH FSS program progress reports that were effective between October 1, 2000, and the publication date of this NOFA, or as otherwise reported to HUD by MTW PHAs.

11. PH FSS Program Coordinator. A person responsible for linking FSS program participants to supportive services. Program Coordinators will work with the Program Coordinating Committee and local service providers to ensure that the necessary services and linkages to community resources are being made, such as ensuring that the services included in participants' contracts of participation are provided on a regular, ongoing, and satisfactory basis; making sure that participants are fulfilling their responsibilities under the contracts, and ensuring that FSS escrow accounts are established and properly maintained for eligible families. FSS Coordinators may also perform job development functions for the FSS program.

II. Award Information

A. Available Funds. This NOFA announces the availability of approximately \$12,000,000 in FY 2007 to employ FSS program coordinators for the PH FSS program. This amount includes \$10,000,000 appropriated in FY 2007 and \$2,000,000 in rollover funds. If additional funding becomes available during FY 2007, HUD may increase the amount available for PH FSS program coordinators under this NOFA. A maximum of \$65,500 is available for each full-time coordinator position funded. Salaries are to be based on local comparables. The funding will be provided as a one-year grant. Funding amounts for individual grantees will be contingent upon HUD field office approval.

B. Grant Term. The grant term is one year from the execution date of the grant agreement.

C. Grant Extensions. Requests to extend the grant term beyond the grant term must be submitted in writing to the local HUD field office or area ONAP at least 90 days prior to the expiration of the grant term. Requests must explain why the extension is necessary, what work remains to be completed, and what work and progress was accomplished to date. Extensions may

be granted only once by the field office or area ONAP for a period not to exceed 6 months and may be granted for longer by the HUD Headquarters Program Office at the request of the Field Office or Area ONAP.

III. Eligibility Information

A. Eligible Applicants. Eligible applicants are PHAs and tribes/TDHEs that administer low-rent public housing programs. New and renewal applicants must have an approved PH FSS Action Plan on file with their local HUD field office or Area ONAP prior to this NOFA's application deadline. PHAs/tribes/TDHEs eligible to apply for funding under this NOFA are:

1. Renewal Applicants. Those PHAs or Tribes/TDHEs that received funding under the PH FSS NOFA in FY 2005 or 2006. To continue to qualify as renewal applicants, the FY 2007 application of joint applicants must include at least one applicant that meets this standard. Joint applicants can change the lead applicant in their FY2007 application. A grantee that was originally funded as part of a joint application, that wishes to now apply separately will continue to be considered a renewal applicant for funding purposes, but must be able to meet the FSS minimum program size requirement of a HUD-approved PH FSS program of at least 25 slots that applies to new applicants.

2. New Applicants. Applicants that were not funded under the PH FSS NOFA in FY 2005 or FY 2006. The new applicant PHA or Tribe/TDHE must be authorized through its HUD-approved FSS Action Plan to administer a PH FSS program of at least 25 slots, or be an applicant with HUD approval to administer PH FSS programs of fewer than 25 slots that applies jointly with one or more other applicants so that together they have HUD approval to administer at least 25 PH FSS slots. Joint applicants must specify a lead co-applicant that will receive and administer the FSS program coordinator funding.

3. Moving to Work (MTW) PHAs. New and renewal PHAs that are under the MTW demonstration may qualify for funding under this NOFA if the PHA administers a PH FSS program. When determining the size of a MTW PHA's HUD-approved PH FSS program, the PHA may request that the number of PH FSS slots reflected in the PHA's MTW agreement be used instead of the number in the PHA's PH FSS Action Plan. However, this number must be at least 25 in order to qualify as a new applicant.

4. Troubled Applicants

a. An applicant that has been designated by HUD as troubled under the Public Housing Assessment System (PHAS), or that has serious program management findings from Inspector General audits or serious outstanding HUD management review or Independent Public Accountant (IPA) audit findings for the applicant's Low Rent Public Housing program that are resolved prior to the application due date is eligible to apply under this NOFA. Serious program management findings are those that would cast doubt on the capacity of the applicant to administer its PH FSS program in accordance with applicable HUD regulatory and statutory requirements.

b. The requirements that apply to an applicant whose PHAS troubled designation has not been removed by HUD or whose major program management findings or other significant program compliance problems that have not been resolved by the deadline date are stated in the Program Requirements section of this NOFA.

B. Cost Sharing or Matching. None required.

C. Other

1. Eligible Activities. Funds awarded to applicants under this FSS NOFA may only be used to pay salaries and fringe benefits of PH FSS program staff. Funding may be used to employ or otherwise retain for one year the services of PH FSS program coordinators. PH FSS coordinator support positions funded under previous FSS NOFAs that made funding available for such FSS positions may be continued. A part-time program coordinator may be retained where appropriate. Please note that even with a part-time program coordinator, the 25-slot minimum must be retained.

2. Threshold Requirements

a. All Applicants

(1) Each applicant must qualify as an eligible applicant under this NOFA and must have submitted an FSS application in the format required by this NOFA that was received and validated by Grants.gov by the application deadline date. Validation may take up to 72 hours.

(2) All applications must include a Dun and Bradstreet Universal Numbering System (DUNS) number. (See the General Section for further information about the DUNS number requirement.)

(3) Civil Rights Thresholds, Non-discrimination, Affirmatively Furthering Fair Housing. All applicants must

comply with these requirements. Please see the General Section for details.

(4) The applicant must have a financial management system that meets federal standards. See the General Section regarding those applicants that may be subject to HUD's arranging for a pre-award survey of an applicant's financial management system.

(5) Applicants must comply with the requirements for funding competitions established by the HUD Reform Act of 1989 (42 U.S.C. 3531 *et seq.*) and other requirements as defined in the General Section.

b. Renewal Applicants. *Continued funding for existing coordinator positions.* In addition to meeting the other requirements of this FSS NOFA, renewal applicants must continue to operate a PH FSS program and have executed FSS contract(s) of participation with PH FSS program families.

c. New Applicants. New applicants must meet the all requirements of this FSS NOFA including those in Section III.A above regarding eligibility.

d. Troubled Applicants. *Contract Administrator Partnership Agreement.* Applicants that are troubled at the time of application are required to submit a signed Contract Administrator Partnership Agreement. The agreement must be for the entire grant term. The grant award shall be contingent on having a signed Partnership Agreement included in the application. If an applicant that is required to have a Contract Administrator Partnership Agreement fails to submit one or if it is incomplete, incorrect, or insufficient, this will be treated as a technical deficiency. See General Section for more information on Corrections to Deficient Applications. The Contract Administrator must ensure that the financial management system and procurement procedures that will be in place during the grant term will fully comply with 24 CFR Part 85. Troubled applicants are not eligible to be contract administrators. Grant writers who assist applicants to prepare their FSS applications are ineligible to be Contract Administrators.

3. Program Requirements

a. Hiring a PH FSS Program Coordinator. Funds awarded under this NOFA may only be used to employ or retain the services of a PH FSS Program Coordinator for the one-year grant term. A PH FSS Program Coordinator must:

(1) Work with the Program Coordinating Committee and with local service providers to ensure that PH FSS program participants are linked to the

supportive services they need to achieve self-sufficiency.

(2) Ensure that the services included in participants' contracts of participation are provided on a regular, ongoing, and satisfactory basis; that participants are fulfilling their responsibilities under the contracts; and that FSS escrow accounts are established and properly maintained for eligible families. All of these tasks should be accomplished through case management. FSS coordinators may also perform job development functions for the FSS program.

(3) Monitor the progress of program participants and evaluate the overall success of the program.

b. Salary Comparables. For all positions requested under this NOFA, evidence of salary comparability to similar positions in the local jurisdiction must be kept on file in the PHA/Tribe/TDHE office.

c. FSS Action Plan. The requirements for the PH FSS Action Plan are stated in 24 CFR 984.201. For a new applicant to qualify for funding under this NOFA, the PHA/Tribe/TDHE's initial PH FSS Action Plan or amendment to change the number of PH FSS slots in the PHA/Tribe/TDHE's previously HUD-approved PH FSS Action Plan, must be submitted to and approved by the local HUD field office or Area ONAP prior to the application due date of this PH FSS NOFA. An FSS Action Plan can be updated by means of a simple one-page addendum that reflects the total number of PH FSS slots (voluntary and/or mandatory slots) the applicant intends to fill. New applicants with previously approved PH FSS Action Plans may wish to confirm the number of HUD-approved slots their local HUD field office has on record. An MTW PHA may request that the number of PH FSS slots reflected in its MTW agreement be used instead of the number of slots in the PHA's PH FSS Action Plan.

d. Eligible families. Current residents of public/Indian housing are eligible. Eligible families that are currently enrolled or participating in local public/Indian housing self-sufficiency programs are also eligible.

e. Contract of participation. Each family that is selected to participate in an FSS program must enter into a contract of participation with the PHA or tribe/TDHE that operates the FSS program. The contract shall be signed by the head of the FSS family and be individually designed to benefit the subject family.

f. Contract term. The contract with participating families shall be for 5 years. During this time, each family will be required to fulfill its contractual

obligations. PHAs or tribes/TDHEs may extend contracts for no more than 2 years for any family that requests an extension of its contract, provided the PHA or tribe/TDHE finds good cause exists to provide an extension. This extension request must be in writing. See 24 CFR 984.303 for more information on contracts of participation.

g. Escrow accounts for very low or low-income participating families. Such accounts shall be computed using the guidelines set forth in 24 CFR 984.305. NOTE: FSS families that are not low-income are not entitled to an escrow/credit.

IV. Application and Submission Information

A. Addresses to Request Application Package. Applications are available from http://www.grants.gov/applicants/apply_for_grants.jsp. The Download Instructions and the Application Download provide the information and forms that you need to apply for funding under this NOFA. If you have difficulty accessing the information you may receive customer support from Grants.gov by calling their Support Desk at (800) 518-GRANTS, or sending an e-mail to support@grants.gov. You may request general information, from the NOFA Information Center (800-HUD-8929) between the hours of 10 a.m. and 6:30 p.m. (eastern time) Monday through Friday, except on federal holidays. Persons with hearing or speech impairments may access this number via TTY (text telephone) by calling the Federal Information Relay Service at 800-877-8339. (These are toll-free numbers.) When requesting information, please refer to the name of the program you are interested in. The NOFA Information Center opens for business simultaneously with the publication of the SuperNOFA.

B. Content and Format of Application Submission

1. Content of Application. In addition to any information required in the General Section, each new and renewal applicant must complete the forms on the list below. Copies of the forms may be downloaded with the application package and instructions from http://www.grants.gov/applicants/apply_for_grants.jsp. You must use the forms that are included with the 2007 application so as to avoid using outdated forms that may be on HUDCLIPS or found from another source.

a. SF-424 Application for Federal Assistance—In completing the SF-424, renewal applicants should select the

continuation box on question 2, type of application. In section 18 of the SF-424, estimated funding, complete only 18.a., which will be the amount requested from HUD in the FY 2007 FSS application, and 18.g., Total.

b. SF-424 Supplement, Survey on Ensuring Equal Opportunity for Applicants (“Faith Based EEO Survey (SF-424 SUPP)” on Grants.gov)

c. SF-LLL Disclosure of Lobbying Activities (if applicable)

d. HUD-2880—Applicant/Recipient Disclosure/Update Report (“HUD Applicant Recipient Disclosure Report” on Grants.gov)

e. HUD-2991—Certification of Consistency with the Consolidated Plan (for PHA applicants)

f. HUD-52752—Certification of Consistency with Indian Housing Plan (for Tribes/TDHE applicants)

g. Contract Administrator Partnership Agreement, required for troubled PHA applicants (see HUD-52755)

h. HUD-96011 Facsimile Transmittal, even if not transmitting any faxes (“HUD Facsimile Transmittal” on Grants.gov)

i. HUD-52767 Family Self-Sufficiency Funding Request Form.

j. The HUD-2994-A—“You Are Our Client Applicant Survey” is optional.

k. In addition, the application must include a completed Logic Model (form HUD 96010) showing proposed performance measures. See the General Section for information on the Logic Model.

l. Code of Conduct per General Section instructions

m. Statement on Affirmatively Furthering Fair Housing per General Section instructions.

2. Budget Forms. There are no budget forms required for this application.

C. Submission Date and Time. Your completed application must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date. Please note that validation may take up to 72 hours. Applicants should carefully read section IV titled “APPLICATION and SUBMISSION INFORMATION” in the General Section regarding HUD’s procedures pertinent to the submission of your application.

D. Intergovernmental Review. Intergovernmental Review is not applicable to this program.

E. Funding Restrictions

1. Salary Cap. Awards under this NOFA are subject to a cap of \$65,500 per year per full-time coordinator position funded. Under this NOFA, if applicants apply jointly, the \$65,500 maximum amount that may be

requested per position applies to up to one full time coordinator position for the application as a whole, not to each applicant separately.

2. Limitation on Renewal Funding Increases. For renewal coordinator positions, applicants will be limited to a three percent increase above the amount of the most recent award for the position unless a higher increase is approved by the local HUD field office after review of the applicant’s written justification and at least three comparables that must be submitted to the field office by the applicant at the time they submit their FY2007 PH FSS Program Coordinator application to HUD. Examples of acceptable reasons for increases above 3 percent would be the need for a coordinator with higher level of skills or to increase the hours of a part-time coordinator to full-time. Total positions funded cannot exceed the maximum number of positions for which the applicant is eligible under this NOFA. If the funding increase is not approved by the local field office or area ONAP, the applicant will be eligible for renewal at the level of the most recent award.

3. Ineligible Activities

a. Funds under this NOFA may not be used to pay the salary of an FSS coordinator for a Housing Choice Voucher (HCV) FSS program. A PH FSS program coordinator may only serve Low-Rent Public Housing families while the HCV FSS program serves only HCV families. The funding for HCV FSS program coordinators is being made available through a separate NOFA included in the FY 2007 Super NOFA.

b. Funds under this FSS NOFA may not be used to pay for services for FSS program participants.

c. Funds under this FSS NOFA may not be used to pay for administrative activities.

F. Other Submission Requirements. Electronic application submission is mandatory unless an applicant requests, and is granted, a waiver to the requirement. Applicants should submit waiver requests in writing using mail. Waiver requests must be postmarked no later than 15 days prior to the application deadline date and should be sent to Anice Schervish, 451 7th Street, SW., Room 3236 Washington, DC 20410. If HUD grants a waiver, the applicant will be notified of the application submission requirements for paper copy applications. Paper copy applications must be received by the appropriate HUD office no later than the application deadline date to meet the deadline submission requirements.

V. Application Review Information

A. Criteria. The funds available under this NOFA are being awarded based on demonstrated performance.

Applications are reviewed by the local HUD field office or area ONAP office and the Grants Management Center to determine whether or not they are technically adequate based on the NOFA requirements. Field offices or area ONAPs will provide to the Grants Management Center (GMC) in a timely manner, as requested, information needed by the GMC to make its determination, such as the HUD-approved PH FSS program size of new applicants and information on the administrative capabilities of applicants.

B. Reviews and Selection Process

1. Funding Priority Categories. If HUD receives applications for funding greater than the amount made available under this NOFA, HUD will divide eligible applications into priority categories as follows:

a. Funding Category 1—Applications from eligible renewal applicants designated “high performer” in their most recent PHAS review and tribes/THDEs that have been determined eligible as a renewal applicant (PHAS score requirement is not applicable to tribes/THDEs) will be funded for continuation of previously funded eligible positions.

b. Funding Category 2—Eligible renewal applicants designated standard performers on the most recent PHAS review will be funded for continuation of previously funded eligible positions.

c. Funding Category 3—Eligible renewal applicants designated troubled performers on the most recent PHAS review will be funded for continuation of previously funded eligible positions.

d. Funding Category 4—Applications from eligible new applicants agreeing to implement an FSS program of at least 25 slots.

2. Order of Funding.

a. Funding Category 1.—Starting with Funding Category 1, HUD will first determine whether there are sufficient monies to fund all eligible positions requested in the funding category. If available funding is not sufficient to fund all positions requested in the category, HUD will calculate, for each eligible applicant, the applicant’s Positive Escrow Percentage and Graduation Percentage and will use these percentages in making funding decisions. Definitions of the FSS Positive Escrow Percentage and Graduation Percentage are included in the Definitions Section (Section I.C.) of this NOFA.

HUD will begin funding eligible Funding Category 1 applicants starting with the applicants with the highest Positive Escrow Percentage first. If monies are not sufficient to fund all applicants with the same Positive Escrow Percentage, HUD will fund eligible applicants in order starting with those that have the highest Graduation Percentage first. If funding is not sufficient to fund all applicants with the same FSS Positive Escrow Percentage and/or Graduation Percentage, HUD will select among eligible applicants by PH FSS program size (number of approved slots) starting with eligible applicants with the largest PH FSS program size first.

b. Funding Category 2.—If funding remains after funding all Funding Category 1 applications, HUD will then process eligible Funding Category 2 applications. If there are not enough funds to fund all of Funding Category 2, HUD will use same criteria as above for Funding Category 1.

c. Funding Category 3.—If funding remains after funding all Funding Category 2 applications, HUD will then process eligible Funding Category 3 applications. If there are not enough funds to fund all of Funding Category 2, HUD will use the same criteria as above for Funding Category 1.

d. Funding Category 4.—If funding remains after funding all Funding Category 1, 2, and 3 applications, HUD will then process requests of eligible Funding Category 4 applicants. If there are not sufficient monies to fund all eligible positions requested, HUD will begin funding positions starting with applicants with the largest PH FSS program size (number of approved slots) first.

3. Based on the number of applications submitted, the GMC may elect not to process applications for a funding priority category where it is apparent that there are insufficient funds available to fund *any* applications within the priority category.

4. Corrections to Deficient Applications. The General Section of the SuperNOFA provides the procedures for corrections to deficient applications.

5. Unacceptable Applications. After the technical deficiency correction period (as provided in the General Section), the GMC will disapprove applications that it determines are not acceptable for processing. Applications from applicants that fall into any of the following categories are ineligible for funding under this NOFA and will not be processed:

a. An application submitted by an entity that is not an eligible applicant as

defined under this PH FSS NOFA or an application that does not comply with the requirements of Section IV.B., IV.C. and IV.F. of this NOFA.

b. An application from an applicant that does not meet the fair housing and civil rights threshold requirements of the General Section of the SuperNOFA.

c. An application from an applicant that does not comply with the prohibition against lobbying activities of this NOFA.

d. An application from an applicant that has been debarred or otherwise disqualified from providing assistance under the program.

e. An application that did not meet the application deadline date and timely receipt requirements as specified in this NOFA and the General Section.

f. Applications will not be funded that do not meet the threshold requirements identified in this NOFA and the General Section.

VI. Award Administration Information

A. Award Notices. Successful applicants will receive an award letter from HUD. Successful applicants will be notified by letter and will receive instructions for the steps they must take to access funding and begin implementing grant activities. Applicants who are not funded will also receive letters via U.S. postal mail.

B. Administrative and National Policy Requirements

1. Environmental Impact. Under 24 CFR 50.19(b)(4) and (12), activities under this NOFA are categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and not subject to compliance actions for related environmental authorities.

2. Applicable Requirements. Grantees are subject to regulations and other requirements found in:

a. OMB Circular A–87 “Cost principles for State, Local, and Indian Tribal Governments”;

b. OMB Circular A–133 “Audits of States, Local Governments, and Non-Profit Organizations”;

c. HUD Regulations 24 CFR Part 984 “Section 8 and Public Housing Family Self-Sufficiency Program”; and

d. HUD Regulations 24 CFR Part 85 “Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally Recognized Indian Tribal Governments”.

3. Economic Opportunities for Low- and Very Low-Income Persons (Section 3). Section 3 requirements do not apply to this program.

4. Fair Housing and Civil Rights Laws. Please see the General Section for more information.

5. Provision of Services to Individuals with Limited English Proficiency (LEP). Successful applicants and grantees must seek to provide access to program benefits and information to LEP individuals through translation and interpretive services, in accordance with HUD's Draft LEP Recipient Guidance (68 FR 70968).

6. Communications. Successful applicants should ensure that notices of and communications during all training sessions and meetings shall be provided in a manner that is effective for persons with hearing, visual, and other communication-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973. See 24 CFR Section 8.6.

7. HUD's Strategic Goals. HUD is committed to ensuring that programs result in the achievement of HUD's strategic mission. The FSS program and this FSS NOFA support the Department's strategic goals of helping HUD-assisted renters make progress toward self-sufficiency by giving funding preference to PHA/Tribes/TDHEs whose FSS programs show success in moving families to economic self-sufficiency. You can find out about HUD's Strategic Framework and Annual Performance Plan at <http://www.hud.gov/offices/cfo/reports/cforept.cfm3>.

8. HUD Policy Priorities. This NOFA supports the HUD policy priority of helping HUD-assisted renters make progress toward self-sufficiency. In this NOFA, funding priority is given to those applicants that demonstrate that their FSS families have increased their earned income since enrolling in FSS. See Section V.B. of the General Section for a full discussion of HUD's policy priorities.

C. Reporting. Successful applicants must report activities of their FSS enrollment, progress and exit activities of their FSS program participants through required submissions of the Form HUD-50058 or as otherwise agreed for MTW PHAs. HUD's assessment of the accomplishments of the FSS programs of grantees funded under this NOFA may be based in part on Public Housing Information Center (PIC) system data obtained from the Form HUD-50058. MTW PHAs that do

not report to HUD on Form HUD-50058 will be asked to submit an annual report to HUD with the same information on FSS program activities that is provided to HUD by non-MTW PHAs via Form HUD-50058. A grantee is also required to submit a completed Logic Model (HUD-96010) showing accomplishments against proposed outputs and outcomes as part of their annual reporting requirement to HUD. Grantees shall use quantifiable data to measure performance against goals and objectives outlined in their Logic Model. Semi-annual Performance Reports consisting of the updated Logic Model are due in the field office on July 30 and January 31 of each year. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment statement. HUD will be publishing a separate notice on the ROI concept. In addition, HUD requires that funded recipients collect racial and ethnic beneficiary data. It has adopted the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data. In view of these requirements, funded recipients should use Form HUD-27061, Racial and Ethnic Data Reporting Form. Form 50058 used in concurrence with the PIC Data system is a comparable form. Applicants that receive awards from HUD should be prepared to report on additional measures that HUD may designate at the time of award.

D. Debriefings. The applicant may request an applicant debriefing. Beginning not less than 30 days after the awards for assistance are publicly announced in the **Federal Register** and for at least 120 days after that announcement, HUD will, upon receiving a written request, provide a debriefing to the requesting applicant. (See Section VI.A. of the General Section for additional information regarding a debriefing.) Applicants requesting to be debriefed must send a written request to: Iredia Hutchinson, Director; Grants Management Center, U.S. Department of Housing and Urban Development, 501 School Street, SW., Suite 800; Washington, DC 20024.

VII. Agency Contacts

A. For Technical Assistance. For answers to your questions, you may

contact the Public and Indian Housing Resource Center at 800-955-2232. Prior to the application deadline, staff at the number given above will be available to provide general guidance, but not guidance with actually preparing the application. Following selection, but prior to award, HUD staff will be available to assist in clarifying or confirming information that is a prerequisite to the offer of an award by HUD. Persons with hearing or speech impairments may use the Grants.gov helpdesk e-mail.

B. Satellite Broadcast. HUD will hold an information broadcast via satellite for potential applicants to learn more about the PH FSS program and preparation of an application. For more information about the date and time of this broadcast, you should consult the HUD Web site at <http://www.hud.gov>.

VIII. Other Information

A. Code of Conduct. Please see the General Section for more information.

B. Transfer of Funds. If transfer of funds from any of the ROSS programs does become necessary, HUD will consider the amount of un-funded qualified applications in deciding to which program the extra funds will be transferred.

C. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2577-0229. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 40 hours per respondent for the application. This includes the time for collecting, reviewing, and reporting the data for the application. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

**SELF-HELP HOMEOWNERSHIP
OPPORTUNITY PROGRAM (SHOP)**

Billing Code 4210-01-C

Self-Help Homeownership Opportunity Program (SHOP)

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Community Planning and Development.

B. Funding Opportunity Title: Self-Help Homeownership Opportunity Program (SHOP).

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-06; OMB Approval Number 2506-0157.

E. Catalog of Federal Domestic Assistance (CFDA) Number: Self-Help Homeownership Opportunity Program. The CFDA number is 14.247.

F. Dates: The application deadline date for electronic submission and validation in Grants.gov is June 13, 2007. Applications submitted through <http://www.grants.gov> must be received and validated by grants.gov no later than 11:59:59 Eastern time on the application deadline date. The validation process may take up to 72 hours.

G. Optional, Additional Overview Information:

SHOP funds are awarded to national and regional nonprofit organizations and consortia demonstrating experience in administering self-help housing programs in which the homebuyers contribute a significant amount of sweat-equity toward construction or rehabilitation of the dwelling. The amount available for SHOP in Fiscal Year (FY) 2007 is approximately \$19,800,000.

Full Text of Announcement

I. Funding Opportunity Description

A. Program Description

SHOP funds are to be used to facilitate and encourage innovative homeownership opportunities on a national geographically diverse basis through self-help housing programs that require significant sweat-equity by the homebuyer toward the construction or rehabilitation of the dwelling.

SHOP programs are administered by national and regional nonprofit organizations and consortia. Units developed with SHOP funds must be decent, safe, and sanitary non-luxury dwellings and must be made available to eligible homebuyers at prices below the prevailing market prices. Eligible homebuyers are low-income individuals and families (i.e., those whose annual incomes do not exceed 80 percent of the median income for the area, as established by HUD) who would

otherwise be unable to purchase a dwelling but for the provision of sweat equity. Housing assisted under this Notice of Funding Availability (NOFA) must involve labor contributed by homebuyers and volunteers in the construction of dwellings and other activities that involve the community in the project.

B. Authority

Funding made available under SHOP is authorized by Section 11 of the Housing Opportunity Program Extension Act of 1996 (42 U.S.C. 12805 note) (the "Extension Act").

II. Award Information

Approximately \$19,800,000 will be available for this program in FY2007. Any unobligated funds from previous competitions or additional funds that may become available due to deobligation or recapture from previous awards or budget transfers may be added to the FY2007 appropriation to fund applications submitted in response to this NOFA. Awards will be made to successful applicants in the form of a grant. Grant funds must be expended within 24 months of the date that they are first made available for draw-down in a line of credit established by HUD for the grantee, except that grant funds provided to affiliates that develop five or more units must be expended within 36 months.

III. Eligibility Information

A. Eligible Applicants

You must be a national or regional nonprofit public or private organization or consortium that has the capacity and experience to provide or facilitate self-help housing homeownership opportunities. Your organization or consortium must undertake eligible SHOP activities directly and/or provide funding assistance to your local affiliates to carry out SHOP activities. You must propose in your application to use a significant amount of SHOP funds in at least two states. Affiliates must be located within the regional organization's or consortium's service area.

A national organization is defined as an organization that carries out self-help housing activities or funds affiliates that carry out self-help housing activities on a national scale. A regional organization is defined as an organization that carries out self-help housing activities or funds affiliates that carry out self-help housing activities on a regional scale. A regional area is a geographic area, such as the Southwest or Northeast that includes at least two states. The states in the region

need not be contiguous, and the service area of the organization need not precisely conform to state boundaries.

A consortium is defined as two or more nonprofit organizations located in at least two states that individually have the capacity and experience to carry out self-help housing activities or fund affiliates that carry out self-help housing activities on a national or regional scale and enter into an agreement to submit a single application for SHOP funding on a national or regional basis. The consortium must propose to use a significant amount of SHOP funds in each state represented in the consortium. All consortium members must receive SHOP funds and one organization must be designated as the lead entity. The lead entity must submit the application and, if selected for funding, execute the SHOP Grant Agreement with HUD and assume responsibility for the grant on behalf of the consortium in compliance with all program requirements.

A consortium agreement, *executed and dated by all consortium members* for the purpose of applying for and using FY2007 SHOP funds, must be submitted with your application. A consortium's application must be a *single integrated document that demonstrates the consortium's comprehensive approach to self-help housing*. All consortium members must be identified in your application. The integrated application must reflect all consortium members' programs as a single program and may only briefly summarize the individual consortium members' past experiences in factor 1. All other components of the application must reflect an overall consortium program design. Individual program designs for consortium members or affiliates within the integrated document will not be considered by HUD in scoring an application. Upon being funded, the lead entity must enter into a separate agreement with each consortium member. The agreement must include the requirements of the FY2007 SHOP Grant Agreement between HUD and the consortium and set forth the individual consortium member's responsibilities for compliance with HUD's 2007 SHOP program.

An affiliate is defined as:

(1) a local public or private nonprofit self-help housing organization that is a subordinate organization (i.e., chapter, local, post, or unit) of a central organization and covered by the group exemption letter issued to the central organization under Section 501(c)(3) of the Internal Revenue Code; or

(2) a local public or private nonprofit self-help housing organization with which the applicant has an existing relationship (e.g., the applicant has provided technical assistance or funding to the local self-help housing organization); or

(3) a local public or private nonprofit self-help housing organization with which the applicant does not have an existing relationship, but to which the applicant will provide necessary technical assistance and mentoring as part of funding under the application.

You must carry out eligible activities or you must enter into an agreement to fund affiliates to carry out eligible activities. If you are a consortium, each of your affiliates must receive funds and be linked to an individual consortium member.

Your application may not propose to fund any affiliate or consortium member that is also included in another SHOP application. You must ensure that any affiliate or consortium member under your FY2007 application is not also seeking FY2007 SHOP funding from another SHOP applicant. If an affiliate applies for funds through more than one applicant, it may be disqualified for any funding.

B. Cost Sharing or Matching

Applicants are required to leverage resources for the construction of self-help housing assisted with SHOP. Failure to provide documentation of leveraged resources that meet the submission requirements for firm commitments as stated in factor 4 will result in a lower application score.

C. Other

1. Eligible Activities

The costs of eligible activities may be incurred by the applicant (and by affiliates, if permitted by the applicant) after the publication date of the NOFA and charged to the SHOP grant, provided that the applicant and affiliates comply with the requirements of this NOFA (including relocation and environmental review requirements) and provided that these costs are included in the application. Applicants and affiliates incur costs at their own risk, because applicants that do not receive a SHOP grant cannot be reimbursed or reimburse affiliates.

Eligible activities are:

a. Land acquisition, including financing and closing costs, which may include reimbursing an organization, consortium, or affiliate, upon approval of any required environmental review, for non-grant amounts expended by the organization, consortium, or affiliate to

acquire land before completion of the review;

b. Infrastructure improvements, including installing, extending, constructing, rehabilitating, or otherwise improving utilities and other infrastructure, including removal of environmental hazards; and

c. Administration, planning, and management development, including the costs of general management, oversight, and coordination of the SHOP grant; staff and overhead costs of the SHOP grant; costs of providing information to the public about the SHOP grant; costs of providing civil rights and fair housing training to local affiliates as well as any expenses involved in affirmatively furthering fair housing; and indirect costs (such as rent and utilities) of the grantee or affiliate in carrying out the SHOP activities.

2. Threshold Requirements

HUD will not consider an application from an ineligible applicant. An applicant must meet all of the applicable threshold requirements listed in the General Section published on January 18, 2007, and the SHOP threshold requirements described below:

a. Organization and Eligibility. You must be eligible to apply under SHOP (see Section III.A.).

b. Nonprofit Status. You must describe how you qualify as an eligible applicant and provide evidence of your public or private nonprofit status, such as a current Internal Revenue Service (IRS) ruling that your organization is exempt from taxation under Section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986. If you are a consortium, each consortium member must submit evidence of its nonprofit status to the lead entity for inclusion in the consortium's application package.

c. Consortium Agreement. If you are a consortium, each consortium member must enter into and sign a consortium agreement for the purpose of applying for SHOP funds and carrying out SHOP activities. Your consortium agreement must be submitted as an appendix to your application.

d. Amount. The amount of SHOP funds you request must be sufficient to complete a minimum of 30 self-help housing units and may not exceed an average investment of \$15,000 per unit.

e. Homebuyer Eligibility. Eligible homebuyers are low-income individuals and families (i.e., those whose incomes do not exceed 80 percent of the median income for the area, as established by HUD). You must specify the definition of "annual income" to be used in your proposed program. You may use one of

the following three definitions of "annual income" to determine whether a homebuyer is income-eligible under SHOP:

(1) "Annual income" as defined at 24 CFR 5.609; or

(2) "Annual income" as reported under the Census long-form for the most recent available decennial Census; or

(3) "Adjusted gross income" as defined for purposes of reporting under the IRS Form 1040 series for individual federal annual income tax purposes.

You may also adopt or develop your own definition of annual income for use in determining income eligibility under SHOP subject to review and approval by HUD. You must include your definition of "annual income" in your Program Summary.

f. Experience. You must demonstrate successful completion of at least 30 self-help homeownership units in a national or regional area within the 24-month period immediately preceding the publication of this NOFA. For dwellings to qualify as self-help homeownership units, the homebuyers must have contributed a significant amount of sweat-equity toward the construction as set forth in this section.

g. Sweat Equity. Your program must require homebuyers to contribute a minimum of 100 hours of sweat equity toward the construction or rehabilitation of their own homes and/or the homes of other homebuyers participating in the self-help housing program. In the case of a household with only one adult, the requirement is 50 hours of sweat equity toward the construction of these homes. Sweat equity includes training for construction on the dwelling units, but excludes homebuyer counseling and home maintenance training. All homebuyers, including homebuyers with disabilities, must meet these minimum hourly sweat equity requirements; however, grantees must permit reasonable accommodations for persons with disabilities in order for them to meet the hourly requirements. For example, homebuyers with disabilities may work on less physical tasks or administrative tasks to meet this requirement, or a volunteer(s) may enter into an agreement to substitute for the disabled person. No exception to meeting these hourly sweat equity requirements may be made.

h. Community Participation. Your program must involve community participation in which volunteers assist in the construction or rehabilitation of dwellings. Volunteer labor is work performed by an individual without promise, expectation, or compensation for the work rendered. For mutual self-

help housing programs that are assisted by the U.S. Department of Agriculture's Rural Housing Services/Rural Development under Section 523 of the Housing Act of 1949 (7 CFR part 1944, subpart I) or which have a program design similar to the Section 523 program, the work by each participating family on other participating families' homes may count as volunteer labor. A mutual self-help housing program generally involves four to ten participating families organized in a group to use their own labor to reduce the total construction cost of their homes and complete construction work on their homes by an exchange of labor with one another.

i. Eligible Activities. You must use the SHOP funds for eligible activities (see Sections III.C.1 and IV.E.) and carry out the activities yourself or fund affiliates to carry out the activities.

3. Threshold Submission Requirements.

In order for your application to be rated and ranked, all threshold requirements must be met. Threshold requirements 2(d) through (i) above do not require separate submissions, but must be addressed in the program summary and/or in the submission requirements for the rating factors listed below in Section V, Application Review Information Criteria.

4. Other Requirements.

Other requirements applicable to the SHOP program are set forth in Section III.C.4, "Additional Nondiscrimination and Other Requirements" of the General Section. The following requirements also apply to SHOP:

a. Economic Opportunities for Low- and Very Low-Income Persons (Section 3). SHOP recipients must comply with Section 3 of the Housing and Urban Development Act of 1968 (Section 3), 12 U.S.C. 1701u (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects), and the HUD regulations at 24 CFR part 135, including the reporting requirement of subpart E. Section 3 requires recipients to ensure that to the greatest extent feasible, training, employment, and other economic opportunities will be directed to low- and very-low income persons, particularly those who are recipients of government assistance for housing, and to business concerns that provide economic opportunities to low- and very-low income persons.

b. Real Property Acquisition and Relocation. SHOP projects are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (Uniform Act or

URA) (42 U.S.C. 4601), and the government-wide implementing regulations issued by the U.S. Department of Transportation at 49 CFR Part 24. The URA is a federal law that establishes minimum standards for federally-funded programs and projects that require the acquisition of real property (real estate) or displace persons from their homes, businesses, or farms. The URA's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for federal or federally funded projects.

SHOP grantees and affiliates must comply with all applicable URA requirements in order to receive SHOP funds for their programs and projects; non-compliance could jeopardize SHOP funding. Real property acquisitions for a SHOP-assisted program or project conducted before completion of an environmental review and HUD's approval of a request for release of funds and environmental certification are also subject to the URA. SHOP grantees and affiliates must ensure that all such real property acquisitions comply with applicable URA requirements.

Generally, real property acquisitions conducted without the threat or use of eminent domain, commonly referred to as "voluntary acquisitions," must satisfy the applicable requirements and criteria of 49 CFR 24.101(b)(1) through (5). Evidence of compliance with these requirements must be maintained by the affiliate and submitted to and maintained by the SHOP grantee. It is also important to note that tenants who occupy property that may be acquired through voluntary means must be fully informed of their eligibility for relocation assistance. This includes notifying such tenants of their potential eligibility when negotiations are initiated, notifying them if they become fully eligible, and, in the event the purchase of the property will not occur, notifying them that they are no longer eligible for relocation benefits. Evidence of compliance with these requirements must be maintained by the affiliate and submitted to and maintained by the SHOP grantee.

Additional information and resources pertaining to real property acquisition and relocation for HUD-funded programs and projects are available on HUD's Real Estate Acquisition and Relocation Web site at <http://www.hud.gov/relocation>. You will find applicable laws and regulations, policy and guidance, publications, training resources, and a listing of HUD contacts if you have questions or need assistance.

c. Environmental Requirements. The environmental review requirements for SHOP supersede the environmental

requirements in the General Section. All SHOP assistance is subject to the National Environmental Policy Act of 1969 and related federal environmental authorities and regulations at 24 CFR part 58. SHOP grant applicants are cautioned that no activity or project may be undertaken, or federal or non-federal funds or assistance committed, if the project or activity would limit reasonable choices or could produce an adverse environmental impact, until all required environmental reviews and notifications have been completed by a unit of general local government, tribe, or State, and until HUD approves a recipient's request for release of funds under the environmental provisions contained in 24 CFR part 58. Notwithstanding the preceding sentence, in accordance with section 11(d)(2)(A) of the Housing Opportunity Extension Act of 1996 and HUD Notice CPD-01-09, an organization, consortium, or affiliate may advance non-grant funds to acquire land before completion of an environmental review and HUD's approval of a request for release of funds and environmental certification. Any advances to acquire land prior to such approval are made at the risk of the organization, consortium, or affiliate, and reimbursement from SHOP funds for such advances will depend on the result of the environmental review.

d. Statutory and Program Requirements. SHOP is governed by Section 11 of the Housing Opportunity Program Extension Act of 1996 (42 U.S.C. 12805 note) (the Extension Act), and this NOFA. There are no program regulations. You must comply with all statutory requirements applicable to SHOP as cited in Section I, Funding Opportunity Description, and the program requirements cited in this NOFA. Pursuant to these requirements, you must:

(1) Develop, through significant amounts of sweat-equity by each homebuyer and volunteer labor, at least 30 dwelling units at an average cost of no more than \$15,000 per unit of SHOP funds for land acquisition and infrastructure improvements;

(2) Use your grant to leverage other sources of funding, including private or other public funds, to complete construction or rehabilitation of the housing units;

(3) Develop quality dwellings that comply with local building and safety codes and standards that will be made available to homebuyers at prices below the prevailing market price;

(4) Schedule SHOP activities to expend all grant funds awarded and substantially fulfill your obligations

under your grant agreement, including timely development of the appropriate number of dwelling units. Grant funds must be expended within 24 months of the date that they are first made available for draw-down in a line of credit established by HUD for the grantee, except that grant funds provided to affiliates that develop five or more units must be expended within 36 months; and

(5) Not require a homebuyer to make an up-front financial contribution to a housing unit other than cash contributed for down payment or closing costs at the time of acquisition.

IV. Application and Submission Information

A. Address To Request Application Package

This NOFA contains all the information necessary for national and regional nonprofit organizations and consortia to submit an application for SHOP funding. This section describes how you may obtain application forms and additional information about the SHOP program NOFA. Copies of the published SHOP NOFA and related application forms for this NOFA may be downloaded from the grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information, you may receive customer support from Grants.gov by calling its help desk at (800) 518-GRANTS or by sending an e-mail to support@grants.gov. If you do not have Internet access and you need to obtain a copy of this NOFA, you may contact HUD's NOFA Information Center toll-free at (800) HUD-8929. Individuals with hearing or speech impairments may access this number via the toll-free Federal Information Relay Service at 800-877-8339.

1. Application Kit. There is no application kit for this program. All the information you need to apply is contained in this NOFA and is available at http://www.grants.gov/applicants/apply_for_grants.jsp. The NOFA forms are available to be downloaded from http://www.grants.gov/applicants/apply_for_grants.jsp. Pay attention to the submission requirements and format for submission specified for this NOFA to ensure that you have submitted all required elements of your application.

The published **Federal Register** document is the official document that HUD uses to solicit applications. Therefore, if there is a discrepancy between any materials published by HUD in its **Federal Register** publications and other information

provided in paper copy, electronic copy, or at www.grants.gov, the **Federal Register** publication prevails. Be sure to review your application submission against the requirements in the **Federal Register** for this NOFA.

2. Guidebook and Further Information. See the General Section.

B. Content and Form of Application Submission

You must meet all application and submission requirements described in the General Section. Your application should consist of the items listed in the section below called Assembly Format and Content. HUD's standard forms can be found in the application located on Grants.gov.

1. Page Limits. There are page limits for responses to the five rating factors. A national or regional organization is limited to 40 pages of narrative to respond to the five rating factors. A consortium is permitted up to 5 additional pages to address the past experiences of its individual consortium members. Required appendices, forms, certifications, statements, and assurances are not subject to the page limitations. All pages must be numbered sequentially 1 through 40 or 45, for factors 1 through 5. Your application may contain only the items listed in the Assembly Format and Content checklist below. In responding to the five factors, information must be included in your narrative response to each factor, unless this NOFA states that it should be included as an appendix. If you are submitting material using the fax method described in the General Section, the narrative should refer to the documents being faxed as part of your narrative response to the factor. Any supplemental information not required in the program summary, narratives or appendices requested by HUD that further explains information required in the five factors will not be reviewed for consideration in the scoring of the application.

2. Assembly Format and Content. Your FY2007 application will be composed of an Application Overview, Narrative Statements (rating factors), Forms, and Appendices. In order to receive full consideration for funding, you should use the following checklist to ensure that all requirements are addressed and submitted with your electronic application.

a. Application Overview (Not subject to the page limitations)

SF-424, Application for Federal Assistance (signed by the Authorized Organization Representative (AOR) who is legally authorized to submit the application on behalf of the applicant

and has been approved by the eBusiness Point of Contact to submit the application via Grants.gov. (See the General Section.)

SF-424 Supplement, Survey on Ensuring Equal Opportunities for Applicants ("Faith Based EEO Survey (SF-424-SUPP)" on Grants.gov).

Self-Help Housing Organization Qualification—Narrative describing qualification as an eligible applicant and Evidence of Nonprofit Tax Exempt Status (in accordance with Section III.C. of this NOFA).

Consortium Agreement, if applicable.

Program Summary (including definition of "annual income").

b. Narrative Statements Addressing: (Subject to the page limitations described above.)

Factor 1—Capacity of the Applicant and Relevant Organizational Staff (including organizational chart).

Factor 2—Need/Extent of the Problem (limited to five pages).

Factor 3—Soundness of Approach.

Factor 4—Leveraging Resources.

Factor 5—Achieving Results and Program Evaluation.

c. Forms, Certifications, and Assurances: (Not subject to the page limitations.)

HUD-424-CB, Grant Application Detailed Budget ("HUD Detailed Budget Form" on Grants.gov).

HUD-424-CBW, Grant Application Detailed Budget Worksheet.

SF-LLL, Disclosure of Lobbying Activities, as applicable.

HUD-2880, Applicant/Recipient Disclosure/Update Report. ("HUD Applicant Recipient Disclosure Report" on Grants.gov).

HUD-2990, Certification of Consistency with the RC/EZ/EC-II Strategic Plan.

HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov) required for electronic submissions of third party documents.

HUD-2994-A, You Are Our Client Grant Applicant Survey (optional)

HUD-96010, Program Outcome Logic Model.

d. Appendices (Not subject to the page limitations.)

A copy of your code of conduct (see the General Section).

Leveraging documentation—firm commitment letters (see factor 4).

Survey of potential affiliates, if applicable (see factor 2).

Demonstration of past performance for new applicants (see factor 5).

HUD-27300, Questionnaire for HUD's Initiative on Removal of Regulatory Barriers ("HUD Communities Initiative Form" on Grants.gov), if applicable. (See factor 3.)

Evaluative criteria for Removal of Regulatory Barriers to Affordable Housing in affiliate selection process, if applicable (see factor 3).

Other information should not be submitted and will not be considered in scoring the application.

e. Certifications and Assurances.

Applicants are placed on notice that by signing the SF-424 cover page noted above in 2.a., Application Overview, the applicant is certifying to all information described in Section IV.F of the General Section.

C. Submission Date and Time

The electronic application must be *received and validated* no later than 11:59:59 p.m. Eastern time by Grants.gov on the application deadline date, which is June 13, 2007. The validation process may take up to 72 hours. If an applicant is granted a waiver to the electronic application submission requirement, the application must be received at HUD Headquarters by the application deadline date, which is June 13, 2007 (see General Section).

D. Intergovernmental Review

Executive Order 12372 review does not apply to SHOP.

E. Funding Restrictions

1. Administrative costs.

Administrative costs may not exceed 20 percent of any SHOP grant. Indirect costs may only be charged to the SHOP grant under a cost allocation plan prepared in accordance with OMB Circular A-122.

2. Pre-agreement costs. After the publication date of the NOFA, but before the effective date of the SHOP Grant Agreement, an applicant and affiliates, if permitted by the applicant, may incur costs that may be charged to their SHOP grant, provided the costs are eligible (see Section III.C.1.) and in compliance with the requirements of this NOFA (including relocation and environmental review requirements) and the application. Applicants and affiliates incur costs at their own risk, because applicants that do not receive a SHOP grant cannot be reimbursed or reimburse affiliates. To be eligible for reimbursement with SHOP funds, pre-agreement costs must be identified in the application.

3. Ineligible Costs. Costs associated with the rehabilitation, improvement, or construction of dwellings and any other costs not identified in Section III.C.1.

are not eligible uses of SHOP funds. Acquiring land for land banking purposes (*i.e.*, holding land for an indefinite period) is an ineligible use of program funds. Acquisition undertaken by the applicant or its affiliate before the publication date of the NOFA is not an eligible cost. SHOP funds may not be expended on a property unless its acquisition by the grantee, (includes individual consortium members), or its affiliates complies with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA). SHOP funds may not be used for lobbying activities. These requirements also apply to the reimbursement of pre-agreement costs (see Section IV.E.2).

F. Other Submission Requirements

You must meet all submission requirements described in the General Section. Refer to the General Section for detailed submission instructions, including methods and deadlines for submission.

1. No Facsimiles or Videos. HUD will not accept an entire application sent by facsimile (fax). However, third-party documents or other materials sent by facsimile in compliance with the submission requirements and received by the application submission date will be accepted. Facsimile corrections to technical deficiencies will not be accepted. Videos submitted as part of an application will not be viewed.

2. Applications must be received and validated by Grants.gov by the application deadline date.

3. Waivers to the Electronic Submission Process: Applicants may request a waiver of the electronic submission process for good cause (see the General Section for more information). Applicants may submit waiver requests by facsimile or by e-mail no later than 15 days prior to the June 13, 2007, application due date. Applicants may e-mail their requests to Louise_D._Thompson@hud.gov or send a facsimile to Lou Thompson at (202) 708-1744. Requests should include a subject line titled "SHOP—Electronic Application Waiver Request." Applicants who are granted a waiver based on a HUD-approved justification must submit their applications in accordance with the requirements stated in the approval to the waiver request.

V. Application Review Information

A. Criteria

Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (25 Points)

This factor examines the extent to which you, as a single applicant or

consortium (including individual consortium members), have the experience and organizational resources necessary to carry out the proposed activities effectively and in a timely manner. Any applicant that does not receive at least 15 points under this factor will not be eligible for funding.

In evaluating this factor, HUD will consider your recent (last five years) and relevant experience in carrying out the activities you propose (including experience in developing accessible/visitable housing), and your administrative and fiscal management capability to administer the grant, including the ability to account for funds appropriately. All applicants, including individual consortium members, must have capacity and experience in administering or facilitating self-help housing. If you are sponsoring affiliate organizations that do not have experience in developing self-help housing, HUD will assess your organization's experience in providing technical assistance and the ability to mentor new affiliates.

Submission Requirements for Rating Factor 1

a. Past Experience (10 points). You must describe the past experience (most recent five years) of your organization in carrying out self-help housing activities (specify the time frame during which these activities occurred) that are the same as, or similar to, the activities you propose for funding, and demonstrate that you have had reasonable success in carrying out and completing those activities. You must include the average number of sweat equity hours provided per homebuyer family, and the average number of volunteer labor hours provided per unit. You may demonstrate reasonable success by showing that your previous activities were carried out as proposed, consistent with the time frame you proposed for completion of all work.

b. Management Structure (12 points). You must provide a description of your organization's or consortium's management structure, including an organizational chart that identifies all key management positions and the names and positions of staff managing SHOP. You must also describe your key staff and their specific roles and responsibilities for the day-to-day management of your proposed program to be funded from FY2007 SHOP funds. You must indicate if you will or will not be working with organizations that are inexperienced in carrying out self-help housing and describe the technical assistance you will provide them and how you will mentor these

organizations to develop capacity either directly or indirectly resulting in development of FY2007 SHOP-assisted units.

c. Experience Developing Accessible Housing (3 points). You must demonstrate your experience in and ability to construct and alter self-help housing by describing the kinds of features you have used to design homes in accordance with universal design and visitability standards, or to otherwise make homes physically accessible. You must provide yearly data for the last five years on the number of accessible units completed.

Rating Factor 2: Need/Extent of the Problem (10 Points)

This factor examines the extent to which you demonstrate an urgent need for SHOP funds in your proposed target areas based on the need for affordable housing, using quality data identified by sources to substantiate that need.

The purpose of this factor is to make sure that funding is provided where a need for funding exists. You must identify the community need or needs that your proposed SHOP activities are designed to address. If you plan to select some or all affiliates after application submission, you must demonstrate how the selection of affiliates will help to address the needs identified in the proposed target areas.

Submission Requirements for Rating Factor 2 (Five Page Limit)

Extent of Need for Affordable Housing (10 points). You must establish the need for affordable housing and the specific need for SHOP funds in the communities or areas in which your proposed activities will be carried out. You must specifically address the need for acquisition and/or infrastructure assistance for self-help housing activities in these identified areas and how your proposed SHOP activities meet these needs. Also, to the extent information is available, you must address the need for accessible homes in the target area(s); evidence of housing discrimination in the target area(s); and any need for housing shown in the local Analysis of Impediments to Fair Housing Choice, if appropriate. This information must be tied to the examples of housing problems that are noted in b. below. Applicants that select affiliates after application submission must submit a list of affiliates they surveyed and upon which they are basing their need for SHOP funding, and the specific criteria to be used to select communities or projects based on need.

In reviewing applications, HUD will consider the extent, quality, and validity

of the information and data submitted that addresses the need for affordable housing in the target area and how recent the data sources are. "Recent" means the most recent updated U.S. Census data, as appropriate, and other information and data issued within the last five years of this NOFA that address indicators of social or economic decline that best capture the applicant's situation. *Such information must include:*

a. *Housing market data* in the proposed target areas including, but not limited to: low-income, minority, and disability populations; number of home sales and median sales price; and homeownership, rental, and vacancy rates. This information can be obtained from state or regional housing plans, the American Housing Survey, the United States Census, Home Mortgage Disclosure Act data or other local data sources, such as Consolidated Plans, comprehensive plans, local tax assessor databases, or relevant realtor information. Data included in your application must be recent and specific to your proposed target areas; and

b. *Housing problems in the proposed target areas* such as overcrowding, cost burden, housing age or deterioration, low homeownership rate (especially among minority families, families with children, and families with members with disabilities), and lack of adequate infrastructure or utilities.

Rating Factor 3: Soundness of Approach (45 Points)

This factor examines the quality and soundness of your plan to carry out a self-help housing program. In evaluating this factor, HUD will consider the areas described below:

a. Your proposed use of SHOP funds, including the number of units and the type(s) of housing to be constructed, and the use of sweat equity and volunteer labor; your schedule for expending funds and completing construction, including interim milestones; the proposed budget and cost effectiveness of your program; your plan to reach all potentially eligible homebuyers, including those with disabilities and others least likely to apply; and your procedures for meeting section 3 requirements.

b. How your planned activities further five of eight HUD policy priorities described in the General Section. The five policy priorities that apply specifically to SHOP in FY2007 are:

(1) Providing increased homeownership opportunities for low- and moderate-income persons, persons with disabilities, the elderly, minorities,

and families with limited English proficiency;

(2) Encouraging accessible design features: visitability in new construction and substantial rehabilitation and universal design;

(3) Providing full and equal access to grassroots, faith-based, and other community-based organizations in HUD program implementation;

(4) Participation in Energy Star; and

(5) *Removal of regulatory barriers to affordable housing.*

c. How you plan to meet section 3 requirements for jobs and training and contracting opportunities for SHOP-funded infrastructure improvements.

Submission Requirements for Rating Factor 3

Activities. Describe the types of activities that you propose to fund with SHOP and the proposed number of units to be assisted with SHOP funding, the housing type(s) (single family or multifamily, or both) to be assisted and the form of ownership (fee simple, condominium, cooperative, etc.) you propose to use.

a. Sweat Equity and Volunteer Labor (7 points). Describe your program's requirements for sweat equity and volunteer labor (*i.e.*, types of tasks and numbers of hours required for both sweat equity and volunteer labor) and how you will provide reasonable accommodations for persons with disabilities by identifying sweat equity assignments that can be performed by the homebuyer regardless of the disability, such as providing administrative, clerical, organizational, or other office work or minor tasks on-site. Reasonable accommodation can include sweat equity by the homebuyer that can be performed regardless of the disability or substitution of a non-homebuyer designee(s) to perform the sweat equity assignments on behalf of the homebuyer. Volunteers substituting for disabled homebuyers must enter into an agreement to complete the work on behalf of the homebuyers. Include the dollar values of both the sweat equity and volunteer labor contributions.

b. Funds Expenditure, Construction, and Completion Schedules (7 points). Submit a construction and completion schedule that expends SHOP funds and substantially fulfills your obligations if you are funded. You must provide a definition of "substantially fulfills" and specifically state the percentage or number of properties that you propose to be completed and conveyed to homebuyers at the time all grant funds are expended. Your construction schedule must include the number of dwelling units to be completed within

24 months or, in the case of affiliates that develop five or more units, within 36 months, and a time frame for completing any unfinished units.

Your schedule must also include interim milestones or benchmarks against which HUD can measure your progress in: (1) Selecting local affiliates if they are not specifically identified in the application, (2) expending funds, and (3) completing acquisition, infrastructure, and housing construction activities, and occupancy by homebuyers within these schedules. These milestones or benchmarks should be established at reasonable intervals (e.g., monthly, quarterly).

c. Budget (7 points). Provide a detailed budget including a breakdown for each proposed task and each budget category (acquisition, infrastructure improvements, and administration) funded by SHOP in the HUD-424-CB and 424-CBW. You must include a line item for the cost of monitoring consortium members and affiliates at least once during the grant period. Your detailed budget must also include leveraged funding to cover costs of completing construction of the proposed number of units. Budget amounts on the HUD-424-CB and 424-CBW must agree with amounts stated elsewhere in the application.

d. Cost Effective (6 points). Demonstrate the extent to which after the investment of SHOP funds, the contribution of sweat equity and volunteer labor, donations (e.g. land or building materials, etc.), in-kind contributions, and financing subsidies, reduces the average sales price to the homebuyer below the appraised value of the house or market value of comparable housing in the neighborhood. Applicants showing a larger reduction of the sales price to the homebuyer from the appraised value as a result of the homebuyer's sweat equity, volunteer labor, and other contributions will receive a higher score.

e. Policy Priorities (6 points). Describe how each of the five HUD policy priorities identified specifically for SHOP is furthered by your proposed activities. You will receive up to one point for each of the first four policy priorities based on how well your proposed work activities address the specific policy. You can receive up to two points based on how well you address policy priority 5, removal of regulatory barriers to affordable housing, for which you must submit form HUD-27300 (America's Affordable Communities Initiative, Questionnaire for HUD's Initiative on Removal of Regulatory Barriers) and where required, provide the documentation

and point of contact information.

Applicants are encouraged to read HUD's notices published in the **Federal Register** on March 22 (69 FR 13450) and April 21 (69 FR 21663), 2004, to obtain an understanding of this policy priority and how it can impact your score. There are exceptions as provided below.

Applicants that identify affiliate organizations and jurisdictions to be served in their application to HUD should address the questions in Part A or Part B, but not both, of form HUD-27300 for the jurisdiction in which the majority or plurality of services will be performed.

Applicants that do not identify affiliates and communities to be served in their application to HUD, but select affiliates competitively or through another method after application submission to HUD, may address this policy priority by including it as an evaluative criterion in their affiliate selection process. Such applicants may receive up to 2 points by requiring affiliate applicants for the awarded SHOP funds to complete the questions in either Part A or B, as appropriate. In order to receive points, applicants that identify affiliates after application submission must include their evaluative criterion as an appendix, and, if awarded SHOP funds in FY2006, must demonstrate how the evaluative criteria that were included in your FY2006 application were implemented. You must also describe how the evaluative criteria in your FY2006 SHOP program affected or will affect the selection and funding of affiliates for FY2007, to the extent this has been completed. The narrative for your evaluative criteria does not count against the page limits described in Section IV.B.1., Page Limits.

Applicants applying for funds for projects located in local jurisdictions and counties/parishes are invited to answer the 20 questions under Part A. An applicant that scores at least five points in column 2 will receive 1 point in the NOFA evaluation. An applicant that scores 10 points or more in column 2 will receive 2 points in the NOFA evaluation. The community(ies) must be identified on the form HUD-27300.

Applicants applying for funds for projects located in unincorporated areas or areas otherwise not covered in Part A are invited to answer the 15 questions in Part B. Under Part B, an applicant that scores at least 4 points in Column 2 will receive 1 point in the NOFA evaluation. An applicant that scores 8 points or greater will receive a total of 2 points in the evaluation. The community(ies) must be identified on the form HUD-27300.

A limited number of questions on form HUD-27300 expressly request the applicant to provide brief documentation with its response. Other questions require that, for each affirmative statement made, the applicant supply a reference, Web site address, or brief statement indicating where the back-up information may be found, and a point of contact including a telephone number or email address. To receive points for this priority, applicants must provide this additional information, including separate contact information if the contacts are different for the individual questions. If the contact is the same, please note that is the case.

f. Program Outreach (5 points). Describe materials or services that will be used to reach potential homebuyers, including persons least likely to apply. For example, what alternative formats will be used to reach persons with a variety of disabilities and what language accommodations will be made for persons with limited English proficiency.

g. Performance and Monitoring (5 points). Describe your plan for overseeing the performance of consortium members and affiliates, including a plan for monitoring each consortium member and affiliate for program compliance at least once during the term of the grant. Your plan should address when and how you will shift funds among consortium members and affiliates to ensure timely and effective use of SHOP funds within the schedule submitted for item b. above.

h. Section 3 Procedures (2 points). Under section 3 of the Housing and Urban Development Act of 1968, to the greatest extent feasible, opportunities for job training and employment arising in connection with housing rehabilitation, housing construction, or other public construction projects must be given to low- and very low-income persons in the metropolitan area (or non-metropolitan county) in which the project is located. In addition, to the greatest extent feasible, contracts for work to be performed in connection with housing rehabilitation, housing construction, or other public construction projects are given to business concerns that provide economic opportunities for low- and very low-income persons in the metropolitan area (or non-metropolitan county) in which the project is located. The regulations implementing section 3 are found at 24 CFR Part 135. Because SHOP funds may only be used for acquisition and infrastructure improvements, section 3 requirements apply only to SHOP projects for which

the amount of SHOP funds for the infrastructure improvements (together with any other covered section 3 housing and community development assistance for infrastructure) meets the threshold amount of \$200,000. Based on the SHOP maximum average investment of \$15,000 per unit, section 3 would generally only apply to a SHOP project with at least 14 units where the entire SHOP amount (if no other covered section 3 housing and community development assistance is provided to the grantee or affiliate for infrastructure) is \$200,000 or more.

Regardless of whether the Section 3 threshold is met, all applicants are required to describe procedures they have in place for section 3 compliance in the event that they meet the section 3 threshold in carrying out their proposed FY2007 SHOP activities. You must clearly explain your procedures for complying with these requirements (1) for projects you will undertake directly, and (2) for projects to be undertaken by affiliates. In the case of projects undertaken by affiliates, your procedures must state how you will inform affiliates of their responsibilities under section 3 and how you will monitor compliance. One point will be awarded for addressing job training and employment opportunities. One point will be awarded for addressing contracting opportunities.

Rating Factor 4: Leveraging Resources (10 Points)

This factor addresses your ability to secure other resources that can be combined with HUD's program resources to fully fund your proposed program. When combined with the SHOP grant funds, homebuyer sweat equity, and volunteer labor, your leveraged resources must be sufficient to develop the number of units proposed in your application. HUD will consider only those leveraging contributions for which current firm commitments as described in this factor are submitted. A firm commitment means a written agreement under which the applicant, a partner, or an entity agrees to perform services or provide resources for an activity specified in your application. Firm commitments in the form of cash funding (e.g., grants or loans), in-kind contributions, donated land and construction materials, and donated services will count as leverage. Leveraging does not include the dollar value of sweat equity and volunteer labor for your proposed activities. Leveraging does not include financing provided to homebuyers. However, financing provided through the U.S. Department of Agriculture's Section 502

direct loans to homebuyers, for construction of their dwellings counts as leveraging for mutual self-help housing programs. Firm commitments must be substantiated by the documentation described below.

Submission Requirements for Rating Factor 4

Firm Commitments of Resources (10 points). Provide firm commitments (letters, agreements, pledges, etc.) of leveraged resources or services from the source of the commitment. In order to be considered, leveraged resources or services must be committed in writing and include your organization's name, the contributing organization's name (including designation as a federal, state, local, or private source), the proposed type of commitment, and the dollar value of the commitment as it relates to your proposed FY2007 SHOP-funded activities. Each letter of commitment must be signed by an official of the organization legally able to make the commitment on behalf of the organization. See Other Submission Requirements, of the General Section regarding the procedures for submitting third-party documentation. Each letter of commitment must specifically support your FY2007 SHOP application or specific projects in your FY2007 application. If your organization depends upon fundraising and donations from unknown sources/providers, you must submit a separate letter committing a specific amount of dollars in fundraising to your proposed FY2007 SHOP program. Applicants must ensure that duplicate letters for fundraising amounts are not submitted by both the applicant and its affiliates. Also, if you have received funds from organizations and agencies from previous years that are not committed to another activity and you have the sole discretion to commit these funds to your FY2007 SHOP program, you must submit a separate letter committing these dollars to your FY2007 SHOP program. In all instances, the dollar amount must be stated in the letters. Letters of commitment may be contingent upon your receiving a grant award. Letters of commitment must be included as an appendix to your application, and do not count toward the page limitation noted in Section IV.B.1. Unsigned, undated, or outdated letters, letters only expressing support of your organization or its proposal, or those not specifically stating the dollar amount or linking the resources to your FY2007 SHOP application or specific projects in your FY2007 application do not count as firm commitments.

To receive full credit for leveraging, an applicant's leveraging resources must be clearly identified for its FY2007 SHOP application and must total at least 50 percent of the amount shown on forms HUD-424-CB needed to complete all properties, minus the proposed SHOP grant amount, homebuyer sweat equity, and volunteer labor.

Rating Factor 5: Achieving Results and Program Evaluation (10 Points)

This factor assesses an applicant's past performance and emphasizes HUD's determination to track whether applicants meet commitments made in their applications.

a. Past Performance. For applicants that previously received SHOP grants, HUD will assess your organization's past performance based upon performance reports that demonstrate your organization's completion of eligible SHOP activities, the number of families provided housing, financial status information focusing on timely use of funds, and other program outcomes. HUD will consider whether you had funds deobligated for failure to meet your drawdown and construction schedules or funds were returned because of monitoring findings or other program deficiencies. HUD may also use monitoring reports, audit reports, logic models, and other information available to HUD in making its determination under this factor. For applicants that received SHOP grants in previous years, HUD will assess your success in meeting benchmarks in the most recent 3 full years of participation in the program. If you are not a current SHOP grantee, HUD will assess your performance in undertaking similar activities and identifying and meeting outcomes during the past three years. You must supplement your narrative with internal or external performance reports or other information that will assist HUD in making its determination under this factor. Supplemental information and reports from applicants that have not received SHOP grants do not count against the page limitations.

b. Logic Model form HUD-96010. HUD requires SHOP applicants to develop an effective, quantifiable, outcome-oriented evaluation plan for measuring performance and determining whether goals have been met using the Master Logic Model for SHOP, which can be found in the download instructions portion at www.grants.gov. In preparing your Logic Model, you must first open the form HUD-96010 and go to the instruction tab and follow the directions in the tab. "Outcomes" are benefits accruing to the families and/or communities during or

after participation in SHOP. The self-help housing units developed are outputs as described under this factor, not outcomes. Applicants must clearly identify the outcomes to be achieved and measured. Examples of outcomes for SHOP include increasing the homeownership rate in a neighborhood or among low-income families by a certain percentage, increasing financial stability (e.g., increasing assets of the low-income homebuyer households through home equity accumulation or reducing total housing costs compared to rents that SHOP participants previously paid) or increasing housing stability during and beyond the grantee's period for reporting on property completions. See Reporting in Section VI.C. Outcomes must be quantifiable.

In addition, applicants must establish interim benchmarks for which outputs lead to the ultimate achievement of outcomes. "Outputs" are the direct products of the applicant's program activities. Examples of outputs for SHOP include the number of houses constructed, number of sweat equity hours, or number of homes rehabilitated. Outputs should produce outcomes for your program and outputs must be quantifiable.

"Interim benchmarks" are steps or stages in your activities that, if reached or completed successfully, will result in outputs for your program. Examples of interim benchmarks for SHOP include income-qualifying homebuyers, obtaining building permits, or securing construction materials and equipment.

Program evaluation requires that you identify program outcomes, outputs, benchmarks, and performance indicators that will allow you to measure your performance. Performance indicators must be objectively quantifiable and measure actual achievements against anticipated achievements. Your evaluation plan must identify what you are going to measure, how you are going to measure it, and the steps you have in place to make adjustments to your work plan if performance targets are not met within established time frames. This factor reflects HUD's goal to embrace high standards of ethics, management, and accountability. Successful applicants will be required to periodically report on their progress in achieving the proposed outcomes identified in the application. Applicants should refer to the General Section for more information on the Master Logic Model.

Submission Requirements for Rating Factor 5

a. Past Performance (7 points). For applicants that received SHOP grants in previous years, you must summarize your past performance, including any delays you encountered and the mitigating actions taken to overcome them to successfully complete your program. HUD will measure your past performance using tools such as monitoring reports, audit reports, quarterly and annual reports, disbursement data, prior years' logic models demonstrating success in meeting outputs and outcomes, and other information currently in-house against what you stated you would do in your previous applications and your summary. New applicants must provide a summary of your performance in carrying out self-help housing, including any delays you encountered and the mitigating actions taken to overcome them to successfully complete your program. Your narrative summary must be supported by existing internal or external performance reports or other information that will assist HUD in measuring your performance for carrying out self-help housing and demonstrating outcomes beyond the provision of housing units. The supplemental reports and information must be included as an appendix and will not count against the page limitations.

b. Program Evaluation Plan (3 Points). The FY2007 application provides an eLogicModel™ that allows the applicant to select from drop down menus the elements of their program to be captured in the Logic Model. Instructions for the eLogic Model™ are found in Tab 1 of the form HUD-96011 found in the instructions download to your electronic application. The Master Logic Model listing also identifies the unit of measure that HUD will collect for the output and outcome selected. Applicants must identify a unit of measure and establish a goal for each output and outcome. HUD expects applicants to identify more than one output and outcome. You must summarize your program evaluation plan that measures your own program performance. Your plan must measure the performance of individual consortium members and affiliates, including the standards and measurement methods, and the steps you have in place or how you plan to make adjustments if you begin to fall short of established benchmarks and timeframes. Applicants who identify two or more outputs and outcomes that reflect their proposed activities and

work plan and prepare an evaluation plan that meets these criteria will receive a higher score. For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

B. Review and Selection Process

1. Factors for Award Used to Evaluate Applications. HUD will evaluate all SHOP applications that successfully complete technical processing and meet threshold and submission requirements for Factors 1 through 5. The maximum number of points awarded for the rating factors is 100 plus the possibility of an additional 2 bonus points for RC/EZ/EC-II.

2. RC/EZ/EC-II Bonus Points. Applicants may receive up to 2 bonus points for eligible activities that the applicant proposes to locate in federally designated Empowerment Zones (EZs), renewal communities (RCs), or enterprise communities (ECs) designated by the United States Department of Agriculture (USDA) in Round II (EC-IIs) that are intended to serve the residents of these areas and that are certified to be consistent with the area's strategic plan or RC Tax Incentive Utilization Plan for an urban or rural renewal community designated by HUD (RC) on the strategic plan for an enterprise community designed in round II by USDA (EC-II). For ease of reference in this notice, all of the federally designated areas are collectively referred to as "RC/EZ/EC-IIs" and the residents of these federally designated areas as "RC/EZ/EC-II residents." The RC/EZ/EC-II certification, a valid HUD-2990 form, must be completed for an applicant to be considered for RC/EZ/EC-II bonus points. A list of RC/EZ/EC-IIs can be obtained from HUD's grants Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. Applicants can determine if their program or project activities are located in one of these designated areas by using the locator on HUD's Web site at <http://www.hud.gov/crlocator>. Copies of the certification can be found in the electronic application. The certification must be completed and signed by the appropriate official in the RC/EZ/EC-II for an applicant to be considered for RC/EZ/EC-II bonus points. In addition to the RC/EZ/EC-II certification, *applicants must provide the location of the EC/EZ/EC-II (name of town, city, state, or other locale) if not otherwise identified on the certification, and the number of units to be developed within the RC/EZ/EC-II in order to receive credit.*

RC/EZ/EC-II bonus points will be awarded as follows: 2 points to an applicant with over 25 percent of its proposed units in RC/EZ/EC-II; 1 point for 10 to 25 percent of units in RC/EZ/EC-IIs; and 0 points below 10 percent of units in RC/EZ/EC-II zones.

3. Rating. Applications that meet all threshold requirements listed in Section III.C will be rated against the criteria in Factors 1 through 5 and assigned a score. Applications that do not meet all threshold factors will be rejected and not rated.

4. Ranking and Selection Procedures. Applications that receive a total of 75 points or more (without the addition of RC/EZ/EC-II bonus points) will be eligible for selection. After adding any bonus points for RC/EZ/EC-IIs HUD will place applications in ranked order. HUD will consider ranked order, funds availability, and past performance in the selection and funding of applications.

5. Technical Deficiencies. After the application submission date and consistent with regulations in 24 CFR part 4, subpart B, HUD may not consider any unsolicited information you may want to provide. However, HUD may contact you to clarify an item in your application or to correct technical deficiencies. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application and will do so on a uniform basis for all applicants. However, HUD may not seek clarification of items or responses that improve the substantive quality of your response to any rating factor.

Examples of curable (correctible) technical deficiencies include inconsistencies in the funding request, a failure to submit certifications. In each case, HUD will notify you in writing by describing the clarification or technical deficiency. See the General Section for additional information.

6. HUD's Strategic Goals to Implement HUD's Strategic Frameworks and Demonstrate Results. See the General Section for HUD's Strategic Goals.

7. Policy Priorities. Refer to the General Section for information regarding application criteria addressing HUD's policy priorities.

Note: From all applications that receive SHOP funds, HUD intends to add relevant data obtained from the "Removal of Regulatory Barriers" policy priority factor to the database on state and local regulatory reform actions maintained at the Regulatory Barrier Clearinghouse Web site at <http://www.huduser.org.rbc/> used by states, localities, and housing providers to identify regulatory barriers and learn of exemplary local efforts at regulatory reform.

VI. Award Administration Information

A. Award Notices

1. HUD reserves the right to:

- a. fund less than the amount requested by any applicant based on the application's rank, the applicant's past performance, and the amount of funds requested relative to the total amount of available funds; and/or

- b. fund less than the full amount requested by any applicant to ensure a fair distribution of the funds and the development of housing on a national, geographically diverse basis as required by the statute.

HUD will not fund any portion of an application that is ineligible for funding under program threshold requirements in Section III.C or which does not meet other threshold and pre-award requirements in Section III.C. The minimum grant award shall be the amount necessary to complete at least 30 units at an average investment of not more than \$15,000 per unit or a lesser amount if lower costs are reflected in the application. If any funds remain after all selections have been made, these funds may be available for subsequent competitions.

2. Debriefing. For a period of at least 120 days, beginning 30 days after the awards for assistance are publicly announced, HUD will provide to a requesting applicant a debriefing related to its application. A debriefing request must be made in writing or by e-mail by its authorized official whose signature appears on the SF-424, or his or her successor in the office and submitted to Ms. Lou Thompson, Office of Affordable Housing Programs, U.S. Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7164, Washington, DC 20410-7000. Information provided during a debriefing will include, at a minimum, the final score you received for each rating factor, final evaluation comments for each rating factor, and the final assessment indicating the basis upon which assistance was provided or denied.

B. Administrative and National Policy Requirements

1. Grantees are required to comply with the following administrative and financial requirements: A-122 Cost Principles for Non-Profit Organizations; A-133 (Audits of States, Local Governments, and Non-Profit Organizations); and the regulations at 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations).

2. Copies of the OMB Circulars may be obtained from EOP Publications, New Executive Office Building, Room 2200, Washington, DC 20503, telephone (202) 395-3080 (this is not a toll-free number) or (800) 877-8339 (toll-free TTY Federal Information Relay Service) or from the Web site at <http://www.whitehouse.gov/omb/circulars/index.html>.

3. Refer to all award administration information requirements described in Section VI ("Award Administration Information") of the General Section.

C. Reporting. Grantees are required to submit quarterly and annual (consortium members/affiliates) reports providing data on the construction status, unit characteristics, and income and racial and ethnic composition of homeowners in SHOP-funded properties. For each reporting period, as part of the required quarterly report to HUD, grant recipients must include a completed Logic Model (form HUD-96010), which updates the output and outcome achievements identified in your application with which HUD can evaluate the effectiveness of the SHOP funding. Applicants are also required to report annually their response to the management questions contained in the eLogic Model™ for the SHOP program.

VII. Agency Contact

Further Information and Technical Assistance. Before the application due date, HUD staff may provide general guidance and technical assistance about this NOFA. However, staff is not permitted to assist in preparing your application. Also, following selection of applicants, but before awards are announced, staff may assist in clarifying or confirming information that is a prerequisite to the offer of an award. You may contact Ms. Lou Thompson, SHOP Program Manager, Office of Affordable Housing Programs, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7164, Washington, DC 20410-7000, telephone (202) 708-2684 (this is not a toll-free number). This number can be accessed via TTY by calling the toll-free Federal Information Relay Service Operator at (800) 877-8339. For technical support for downloading an application or electronically submitting an application, please call Grants.gov help desk at 800-518-GRANTS (this is a toll-free number) or send an e-mail to support@grants.gov.

VIII. Other Information

A. Review Sections VIII.A., B., E., F., and G. ("Other Information") of the General Section, and note that these

subsections are incorporated by reference into this NOFA.

B. Paperwork Reduction Act. The information collection requirements contained in this document were approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520) and assigned OMB control number 2506–0157. In accordance with

the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 60 hours per annum per respondent for the application and grant administration. This includes the time

for collecting, reviewing, and reporting the data for the application, quarterly and annual reports, and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**TARGETED AND ASSISTED
HOUSING**

**HOUSING OPPORTUNITIES FOR PERSONS
WITH AIDS (HOPWA)**

Billing Code 4210-01-C

Housing Opportunities for Persons With AIDS (HOPWA)

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Community Planning and Development (CPD), Office of HIV/AIDS Housing.

B. Funding Opportunity Title: Housing Opportunities for Persons With AIDS (HOPWA).

C. Announcement Type: Initial Announcement.

D. Funding Opportunity Number: FR-5100-N-04; OMB Approval Number 2506-0133.

E. Catalog of Federal Domestic Assistance (CFDA) Number: 14.241 Housing Opportunities for Persons With AIDS Program.

F. Dates: The application deadline date is May 31, 2007. Applications submitted through <http://www.grants.gov> must be received and validated by grants.gov no later than 11:59:59 Eastern time on the application deadline date. The validation process may take up to 72 hours. Refer to the General Section for application submission and timely receipt requirements.

G. Additional Information

1. Purpose of the Program: To provide states and localities with the resources and incentives to devise long-term comprehensive strategies for meeting the housing needs of low-income persons with Human Immunodeficiency Virus/Acquired Immunodeficiency Syndrome (HIV/AIDS). Grant recipients will measure client outcomes to assess how housing assistance results in creating or maintaining stable housing, reduces risks of homelessness, and improves access to health care and other needed support. States, units of general local government, and nonprofit organizations interested in applying for funding under this grant program should carefully review the General Section and detailed information listed in this NOFA.

2. Available Funds. Approximately \$28,463,000 in FY2007 funding is made available under the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007). Funds for the renewal of expiring HOPWA competitive grants that have successfully undertaken permanent supportive housing projects will be distributed under a separate, simplified process, described in a separate notice from this NOFA. Funds under this NOFA will be made available after those awards with the remaining funds. This notice makes available funding for two

types of HOPWA competitive grants for new projects: (1) Long-term project awards for housing activities to be conducted by eligible states and units of general local government in areas that are not eligible for formula allocations or in the balance of the state areas outside of eligible metropolitan statistical areas by a governmental agency that is not eligible to receive formula grants; and (2) awards for Special Projects of National Significance (SPNS) projects that will undertake housing service delivery models to provide HOPWA clients with improved stable housing arrangements by a governmental agency or an eligible nonprofit organization.

As initiated in FY2006, the Department will again advise existing grantees that provide permanent supportive housing of the procedure for qualifying for additional funds as a renewal of an expiring HOPWA grant. Such grantees will not be required to submit an application under this competition for a renewal grant.

3. Eligible Applicants. States, units of general local government, and nonprofit organizations are eligible to apply.

4. Match. None.

5. Authorities. HOPWA program regulations at 24 CFR Part 574 and the AIDS Housing Opportunity Act (42 U.S.C. 12901-12912), govern the program.

Full Text of Announcement

I. Funding Opportunity Description

A. Program Description

1. Long-Term Projects in Non-formula Areas. HUD will award funding for short-term, transitional and/or permanent supportive housing activities. These projects should improve stable housing arrangements for eligible persons who reside in areas that do not qualify for Fiscal Year (FY) 2007 HOPWA formula allocations. Applications should be submitted by state or the unit of general local government undertaking activities in the balance of state areas outside of eligible metropolitan statistical areas.

2. Special Projects of National Significance (SPNS). SPNS projects will provide assistance that stabilizes housing for eligible persons through model and/or innovative service delivery models. Consistent with the selection considerations established at 42 U.S.C. 12903(c)(3)(C), SPNS projects will demonstrate potential replicability in the larger HOPWA program.

3. Definitions for all HOPWA grants.
a. Chronically Homeless Person. An unaccompanied homeless individual with a disabling condition who has

either been continuously homeless for a year or more OR has had at least 4 episodes of homelessness in the past 3 years. For this program, a disabling condition is defined as a diagnosable substance abuse disorder, serious mental illness, developmental disability, or chronic physical illness or disability, including AIDS or a disabling condition due to HIV, including the co-occurrence of two or more of these conditions.

b. Lease or Occupancy Agreement. In establishing that an eligible person has obtained permanent supportive housing and a legal right to remain in that housing unit, the lease or occupancy agreement must be for a term of at least one year. The lease or occupancy agreement must also be automatically renewable upon expiration, except on reasonable and timely prior notice by either the tenant or the landlord. A short-term lease or lease in the name of the provider may be used to undertake transitional housing activities.

c. Nonprofit Organization. Nonprofit organizations include those that: (1) Are state or locally chartered; (2) Are organized under state or local laws; (3) Have no part of earnings inuring to the benefit of any member, founder, contributor or individual; (4) Have a functioning accounting system that is operated in accordance with generally accepted accounting principles, or has designated an entity that will maintain such an accounting system; and (5) Have among its purposes significant activities related to providing services or housing to persons with acquired immunodeficiency syndrome or related diseases, as clarified to include infection with the human immunodeficiency virus (HIV).

d. Permanent Supportive Housing. Housing in which the eligible person has a continuous legal right to remain in the unit and which provides the eligible person with ongoing supportive services through qualified providers.

e. Transitional Housing. Housing that will help facilitate the movement of eligible person(s) to permanent housing within 24 months.

B. Statutory and Regulatory Requirements

For more information on the HOPWA program, including eligible uses of funds, see the HOPWA program regulations at 24 CFR Part 574 and the AIDS Housing Opportunity Act (42 U.S.C. 12901-12912), which govern the program.

C. Availability of Other HOPWA Resources

1. Formula Allocations and Renewal Funds. Applicants are advised to also consider seeking funds from the formula component of the HOPWA program and from other resources. Ninety percent of the HOPWA program is allocated by formula to eligible states and qualifying cities.

In FY2007, HUD distributed \$256,162,000 in HOPWA funds by formula to the qualifying cities for 83 eligible metropolitan statistical areas (EMSAs) and to 39 eligible states for areas outside of EMSAs. In addition, expiring projects that provided permanent supportive housing under a competitive award in a prior year may qualify for renewal funds, as authorized by statute. In 2006, HUD provided \$16,488,302 to 16 renewal projects that were eligible, consistent with CPD Notice 06-06, Standards for Fiscal Year 2006 HOPWA Permanent Supportive Housing Renewal Grant Applications, issued on May 15, 2006 (the notice is available at http://www.hudclips.org/sub_nonhud/cgi/pdf/forms/06-06CPD.doc).

2. National HOPWA Technical Assistance. To apply for funding to serve as a provider of HOPWA technical assistance, you must submit an application for funds under the Community Development Technical Assistance (CDTA) section of the SuperNOFA. The CDTA notice makes HOPWA funds available to organizations qualified to provide technical assistance support to HOPWA grantees and project sponsors. Organizations seeking help in managing their current HOPWA project, such as advice or other help needed in planning, operating, reporting to HUD and evaluating HOPWA programs, can request technical assistance by contacting their state or area CPD office.

II. Award Information

A. Total. The total available HOPWA competitive funding in FY2007 is approximately \$28,463,000. After first awarding funds to renew existing HOPWA permanent housing projects in FY2007, HUD estimates that approximately \$10 million will be available for new projects.

B. Announcement of Awards. HUD anticipates that projects awarded under this notice will be announced by August 31, 2007. HUD expects that selected projects will undertake program activities under a grant agreement for a 3-year operating period.

C. Minimum and Maximum Grant Award. In order to fairly distribute

available funding, the conditions on grant size for award that you may receive is:

1. For program activities (e.g., activities that directly benefit eligible persons): at least \$500,000 and up to \$1.3 million;

2. For grant administrative costs of the grantee: 3 percent of the awarded grant amount (e.g., an additional \$39,000 if the maximum grant is awarded);

3. For grant administrative costs for project sponsors: 7 percent of the amounts received by the project sponsor under the grant (e.g., an additional \$91,000 if the maximum grant is awarded). A grantee cannot also receive project sponsor administrative costs even when the grantee carries out the program activities directly;

4. Total maximum grant amount for all categories of grant awards under this NOFA is \$1.43 million.

D. Average Grant Award. Based on the results of the 2006 HOPWA competition, the average grant award for the 10 grants selected was \$1,099,589.

III. Eligibility Information

A. Eligible Applicants

1. Eligibility for Funding to Nonprofit Organizations. If you are a nonprofit organization, you must also satisfy the nonprofit requirements established in the definition for eligible nonprofit organization found in 24 CFR 574.3 and in the definitions section of this Program NOFA.

2. General Eligibility for Expiring Grant Projects. To be eligible for a new grant for an existing HOPWA project, a project that does not qualify for renewal as a permanent supportive housing project, or significantly changes an existing project, the project must meet all program requirements. Existing HOPWA projects that show poor performance or unresolved grants management issues up to the date of the public announcement of awards under this NOFA will not be funded.

Unresolved problems may include: (1) HUD knowledge that planned activities remain significantly delayed in their implementation; (2) A significant number of planned housing units are vacant; (3) Required annual progress reports are not timely filed with HUD; (4) Unresolved actions pending under a HUD notice of default on your current grant or significant citizen complaints are unresolved or not responded to with justified reasons.

3. General Eligibility for Applicants and Sponsors. States, units of general local government, and nonprofit organizations may apply under the SPNS grants category to propose new

projects or for additional funding to existing projects that do not qualify as permanent supportive housing renewal grants.

States and units of general local government may apply under the "Long-term" category, if the project entails housing activities in areas that did not receive or are not designated to receive HOPWA formula allocations in FY2007 or the government agency is not eligible to receive formula funds will serve a balance of state area outside of any EMSA. Nonprofit organizations are not eligible to apply directly for Long-term grants, but may serve as a project sponsor for an eligible state or local government applicant.

B. Cost Sharing or Matching

There are no cost sharing or matching requirements for applications under this program NOFA. However, leveraging is encouraged and addressed in Rating Factor 4 Leveraging.

C. Other

1. Threshold Requirements for All Applications. Applicants must meet the threshold requirement identified in the General Section. HUD will also review your application to determine that you are eligible for funding, as follows:

a. Eligible Applicant.

(1) Your application is consistent with the requirements of Section III.A of this NOFA for eligibility based on applicant requirements, project sponsor requirements, and the lack of any unresolved management issues for applicants who currently administer HOPWA grants; and

(2) Your application complies with the Dun and Bradstreet Data Universal Numbering System (DUNS). More information on the requirement of the DUNS can be found in the General Section.

b. Eligible Project Sponsors. Your application is consistent with the requirements for eligibility of project sponsors, as follows:

If the project sponsor is a nonprofit organization, it must also satisfy the nonprofit requirements established in the definition of an eligible nonprofit organization found in 24 CFR 574.3 and in the definition section of this NOFA.

2. Program Requirements

All grant recipients must also meet the following program requirements, including performance goals and operational benchmarks, and conduct project activities in a consistent and ongoing manner over the approved grant operating period. If a selected project does not meet the appropriate

requirement, HUD reserves the right to cancel and/or withdraw the grant funds.

a. General Provisions. The provisions outlined within the General Section apply to the HOPWA program unless otherwise stated within this NOFA. Specifically, you are encouraged to review Section III.C, *Other Requirements and Procedures Applicable to All Programs*.

b. Environmental Requirements. All HOPWA assistance is subject to the National Environmental Policy Act and applicable related federal environmental authorities. While some eligible activities, such as tenant-based rental assistance, supportive services, operating costs, and administrative costs, are excluded from environmental review because of the lack of environmental impact, other activities require environmental review. All new facility-based projects must undergo an environmental review. In accordance with Section 856(h) of the AIDS Housing Opportunity Act and the HOPWA regulations at 24 CFR 574.510, environmental reviews for HOPWA activities are to be completed by responsible entities in accordance with 24 CFR Part 58. Applicants or grantees that are not a responsible entity must request the unit of general local government to perform the environmental review. HOPWA grantees and project sponsors may not commit or expend any grant or non-federal funds on project activities (other than those listed in 24 CFR 58.22(f), 58.34 or 58.35(b)) for which the responsible entity documents its findings of exemption or exclusion for the environmental review record (24 CFR 58.34(b) or 24 CFR 58.35(d)) until HUD has approved a "Request for Release of Funds and Certification" (RROF), form HUD-7015.15, on compliance with the National Environmental Policy Act and implementing regulations at 24 CFR Part 58 (Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities). The recipient, its project sponsors and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project, or commit or expend HUD or local funds for such eligible activities, until the responsible entity (as defined in 24 CFR 58.2) has completed the environmental review procedures required by 24 CFR part 58 and the environmental certification and the RROF have been approved. HUD will not release grant funds if the recipient or any other party commits grant funds (i.e., incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient

submits and HUD approves its RROF (where such submission is required). The recipient shall supply all available, relevant information necessary for the responsible entity to perform, for each property, any environmental review required.

c. Required HOPWA Performance Goals. Grant recipients must conduct activities consistent with their planned annual housing assistance performance output goals, objectively measure actual achievements against anticipated achievements, and report on their actual performance housing outputs and client outcomes. Applicants are required to use the HOPWA Budget Form (form HUD-40110-B) found in the instructions to the published NOFA on Grants.gov/Apply in this NOFA for recording the funding for housing assistance activities that are associated with these performance outputs, including any funding request for HOPWA funds and/or commitment to use other funds for this purpose. This form is consistent with the new Annual Progress Report that grantees will be required to complete. In establishing and reporting on performance goals, applicants are required to use the Logic Model (Form HUD-96010) as described under paragraph (e). Applicants must establish a reasonable client outcome goal on achieving housing stability, reducing risks of homelessness and improving access to care to be quantified after each year of operation to demonstrate client outcomes. HUD expects that each HOPWA grantee will show that at least half of the beneficiaries achieve stable housing, have reduced risks of homeless or improved access to care in their program during the operating year, as shown by an assessment of the housing status for the household at the end of each operating year. The grantee will assist in establishing a baseline on annual performance to help measure how future efforts lead to the achievement of higher levels of housing stability. On a national basis, HUD has established the goal that more than 80 percent of clients will be in stable housing situations by 2008. The following performance measures must be used in your project plan and your logic model under paragraph (e):

(1) Required Output refers to the number of units of housing/households assisted during the year, as measured by the annual use of HOPWA funds. For HOPWA, the application must specify one-year goals for the number of households to be provided housing through the use of HOPWA activities for: (a) Short-term rent, mortgage, and utility assistance payments to prevent

homelessness of the individual or family; (b) tenant-based rental assistance; and (c) units provided in housing facilities that are being developed, leased, or operated with HOPWA funds. You should also include the projected numbers of low-income eligible households who are expected to benefit from the other types of HOPWA assistance to be provided through your project during each operating year, such as the number receiving permanent housing placement support, or supportive services.

(2) Required Outcomes refer to the number of eligible households who have been provided housing assistance (as noted above for outputs) and thereby maintain a stable living environment in housing that is safe, decent, and sanitary. The program will measure these results in annual assessments on the housing status of beneficiaries along with other outcome measures on the reduced risks of homelessness and improved access to HIV treatment and other health care and support. On a nationwide basis, the program is expected to demonstrate stable housing, reduced risks of homelessness and improved access to care results for beneficiaries through the use of annual resources with a national goal that this status be achieved by 80 percent of all HOPWA beneficiaries by 2008.

d. Optional Program Performance Goals. In addition to required performance measures described in the paragraph above, you may include other measures or annual indicators in your project plan and in your logic model under paragraph (e).

e. HUD Logic Model. You must use the Logic Model (Form HUD-96010) in this NOFA to illustrate the planning for the use of resources, project activities, required outputs and outcomes, and other grantee-identified goals, and for reporting on annual accomplishments. Applicants must make use of the required elements in paragraph (a) in this form. If you are awarded a grant under this notice, please note that the Logic Model form will also be used as part of your Annual Progress Report to document results obtained under your approved plans during each operating year. HUD intends to propose a Return on Investment Statement (ROI) for each of its competitive grant programs. HUD will publish a proposed ROI Statement for public comment prior to implementation. HUD intends to publish the first ROI Statements for public comment and input during FY2007. HUD expects grantees to respond to the Management Evaluation Questions, however in their final reports. Training on the logic model will

be conducted via satellite broadcast and archived on HUD's Web site and the satellite broadcast and webcast date will be published on HUD's Web site. See Section VI.C, "Reporting" for additional information on Logic Model reporting requirements.

f. **HOPWA Facility Use Period Requirement.** Any building or structure assisted with amounts under this part will be maintained as a facility to provide assistance for eligible persons: (1) For not less than 10 years in the case of assistance involving new construction, substantial rehabilitation or acquisition of a building or structure; and (2) for not less than 3 years in cases involving non-substantial rehabilitation or repair of a building structure.

g. **Execution of Grant Agreement and Obligation of Awards.** HOPWA grants are obligated upon execution of the grant agreement by both parties (i.e., the recipient and HUD). Applicants selected to receive FY2007 funding must execute grant agreements as soon as practicable, but no later than 6 months after the notice of selection.

h. **Disbursement of Funds.** Grant recipients must fully expend their grant funding no later than three years following the effective date or the operation start date in the grant agreement, unless HUD has approved a one-time extension for an additional 12 months or less. A time limit on grant expenditures that is established in the National Defense Authorization Act for FY1991 requires the expenditure of all HOPWA funds awarded under this NOFA by September 30, 2013. After September 30, 2013, any unexpended funds shall be canceled and, thereafter, shall not be available for obligation or expenditure for any purpose.

i. **Site Control of Housing Facilities through Acquisition or Lease.** If you propose to acquire a site or structure or lease a structure to serve as a housing facility in your project, you are required to gain site control within one year from the date of your notice of selection by HUD.

j. **Rehabilitation or New Construction.** If you propose to use HOPWA funds for rehabilitation or new construction activities for housing projects, you must agree to begin the rehabilitation or construction within 18 months (including any time taken in the facility's acquisition or lease under paragraph (i)), and all rehabilitation or construction work must be completed within the terms of your grant agreement with HUD. Such activities will trigger certain accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and/or the

Design and Construction requirements of the Fair Housing Act of 1988.

k. **Project Operations.** If funds are used for operating costs of existing housing facilities, you must agree to begin to use these funds within 6 months, consistent with the terms of your grant agreement with HUD. If funds are to be used for operating costs, in connection with the new construction or substantial rehabilitation of housing facilities, the amount of funds designated for operating costs must be limited to the amount to be used during the portion of the planned three-year period for your grant agreement for which the facility will be operational and assisting eligible. Delays in the project's development activities, such as the planned completion of the construction or rehabilitation activities, could result in the loss of funds designated for operating costs, if such funds remain in excess after the authorized use period for this award. For example, if you expect to take two years to complete the rehabilitation of the facility, any operating costs could only be requested for use in the remaining one-year of the planned 3-year operating period for this award.

l. Section 3 of the Housing and Urban Development Act of 1968. The applicant will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u), and regulations pursuant thereto (24 CFR part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project service area and that contracts for work in connection with the project be awarded in substantial part to persons residing in the service area of the project.

3. Eligible Activities

a. **Proposed Project Activities.** In your application, you must specify the activities and budget amounts for which HOPWA funds are being requested, consistent with the eligible activities found in the HOPWA regulations at 24 CFR 574.300. Your activities must address housing needs of eligible members of the community and specify whether the project will be undertaking permanent, transitional, short-term and/or emergency housing assistance. A copy of the regulations may be downloaded from www.hud.gov/offices/cpd/aidshousing/lawsregs/index.cfm. You are encouraged to review the HOPWA regulations before seeking funding, and other program guidance, such as CPD Notice 06-07, HOPWA Short-term Rent, Mortgage and Utility

Payments (STRMU) and Connections to Permanent Housing, issued August 3, 2006. HOPWA documents can be found on the program webpage noted above. HUD *will not* approve proposals that depend on a prospective determination as to how program funds will be used. For example, a proposal to establish a local request-for-proposal process to select either activities, or to select project sponsors, that would have the effect of delaying the obligation of funds due to the unplanned use of HOPWA funds, will not be approved.

b. **Additional Guidance on Use of Program Funds.**

(1) **Housing Assistance.** HOPWA projects must demonstrate that housing assistance is the main focus of program activities. Please indicate if you propose to use HOPWA funds to provide permanent supportive housing (as defined in Section I.A.). If you are proposing emergency or transitional housing assistance, your plan must include linkages to permanent supportive housing. See 24 CFR 574.300(b)(8) for descriptions of appropriate operating costs for a housing project.

(2) **Supportive Services.** Many of the eligible persons who will be served by HOPWA may need other support in addition to housing. It is important that you design programs that enhance access to those existing mainstream resources through communitywide strategies to coordinate assistance to eligible persons. These mainstream programs include: The Ryan White CARE Act; Medicaid; the Children's Health Insurance Program; Temporary Assistance for Needy Families; Food Stamps; Mental Health Block Grant; Substance Abuse Block Grant; Workforce Investment Act; the Welfare-to-Work grant program; as well as other state, local and private sources. No more than 35 percent of the proposed budget for program activities undertaken by project recipients can be designated for supportive services costs. In addition, HUD will not award funds for the acquisition, lease, rehabilitation, or new construction of a supportive services-only facility. Additional restrictions and limitations that apply to supportive services such as limitations addressing only uncompensated health care costs, can be found at 24 CFR 574.300. HUD will not provide funds for medications or other health care costs, as these are reasonably available from other sources. Costs for staff engaged in delivering the supportive service is part of the supportive service activity cost, and should not be listed as operating costs or "other" costs in the application's proposed HOPWA budget.

(3) *Permanent Housing Placement Assistance.* Permanent housing placement at 24 CFR 574.300(b)(7) may also be used in connection with the provision of housing support provided under these awards and is not considered a supportive service under limitations stated in paragraph (2). Permanent housing placement costs may involve costs associated with helping eligible persons establish a new residence where ongoing occupancy is expected to continue, including rental application fees, related credit checks, and reasonable security deposits necessary to move persons to permanent housing, provided such deposits do not exceed 2 months of rent. Leveraged resources may involve other forms of move-in support, such as essential housing supplies, smoke alarms, standard furnishings, minor repairs to the unit associated with move-in, and other incidental costs for occupancy of the housing unit. While these items are not eligible as permanent housing placement costs, grantees may make use of other leveraged funds for these costs.

(4) *Other HUD-Approved Activities.* You may propose other activities not already authorized at 24 CFR 574.300(b), subject to HUD's approval. Your proposal should address the expected beneficial impact of this alternative activity in addressing housing needs of eligible persons by describing the project impact and the identified performance output and client outcome measures for this activity.

IV. Application and Submission Information

A. Addresses to Request Application Package

Copies of the published NOFAs and application forms for HUD programs announced through NOFA are available at the Grants.gov Web site, http://www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information, customer support is available from Grants.gov by calling its Support Desk at (800) 518-4726 between 7 a.m. and 9 p.m. eastern time or by sending an e-mail to support@grants.gov. If you do not have Internet access and need to obtain a copy of the NOFA, you can contact HUD's NOFA Information Center toll-free at (800) HUD-8929. Persons with hearing or speech impairments may access this number via the toll-free Federal Information Relay Service at (800) 877-8339.

B. Content and Form of Application Submission

By signing the SF-424, applicants are agreeing to the assurances found in the General Section. If conditionally selected for funding, the following certifications as noted must be provided prior to the signing of a grant agreement. Standard certifications and forms are listed in the General Section and the HOPWA budget and certification (form HUD-40110-B), is identified in this NOFA.

1. Forms: Applicants are requested to submit the following information:

a. SF-424, Application for Federal Assistance (Required)

b. SF-424 Supplement, Survey on Ensuring Equal Opportunities for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov) (Optional).

c. HUD-96010, Program Outcome Logic Model (Required).

d. HUD-2991, Certification of Consistency with the Consolidated Plan (Required).

e. HUD-2990, Certification of Consistency with the RC/EZ/EC-II Plan—if applicable to the service area of your project (Optional).

f. HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov) (Required).

g. SF-LLL, Disclosure of Lobbying Activities, if applicable (Required).

h. HUD-40110-B, HOPWA Application Budget Summary, including HOPWA Applicant Certifications (Required).

i. HUD-27300, Questionnaire for HUD's Removal of Regulatory Barriers ("HUD Communities Initiative Form" on Grants.gov) (Optional).

j. HUD-2993, Acknowledgement of Application Receipt, if applicable due to an approved waiver of the electronic submission requirement (Optional).

k. HUD 2994-A, You Are Our Client! Grant Applicant Survey (Optional).

l. HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov) (for electronic applications).

2. Additional HOPWA Guidance on Forms.

a. HOPWA Application Budget Summary (form HUD-40110-B). Do not complete the standard budget form contained in the General Section. Applicants must use this program-specific budget form (HUD-40110-B, HOPWA Budget Application Summary) that demonstrates how funds will be used for eligible activities. The HOPWA HUD-40110-B will provide a summary

of the total budget for your project, the annual HOPWA amounts to be used in each of the three years of operation and description budget by project sponsor of the HOPWA funds to be used by each sponsor. On this form, you must provide a short narrative which outlines each of your requested budget line items and how the funds will be used, including the amount of requested funding, by line item for you and your project sponsors.

b. Certification of Consistency with the Consolidated Plan (HUD-2991). Except as stated below, you must obtain a Consolidated Plan certification signed by the applicable state or local government official for submitting the appropriate plan for the areas in which activities are targeted. This form must be submitted to HUD prior to the signing of a grant agreement. The authorizing official from the state or local government must sign this certification. If your project will be carried out on a national basis or will be located on an Indian reservation or in one of the U.S. Territories of Guam, the Virgin Islands, American Samoa, or the Northern Mariana Islands, you are not required to include a Consolidated Plan certification from these areas with your application.

3. Application Content for Long-term and Special Projects of National Significance (SPNS) Project Applications. The review criteria for long-term, and SPNS applications can be found in Section V.A. of this NOFA. For your narrative responses, *number* the pages and include a header or a footer that provides the name of the applicant or the project.

a. Executive Summary. On no more than two double-spaced pages, provide an Executive Summary of the proposed project. The summary should provide an overview of the main components of your planned HOPWA project, any special service delivery method or project purposes and the projected annual housing output for the first year of operation. In the executive summary, provide the name of the grantee and any project sponsors, along with contact names, phone numbers, and e-mail addresses.

For projects involving sites, (e.g., a structure where HOPWA funds will be used for the housing activities, involving construction, acquisition, rehabilitation, leasing, operating costs, and/or project-based rental assistance) provide the address of the proposed site of this structure and describe what other resources will be used to complete the development of this housing facility. Please identify if the site is a Confidential Site or a Public Site. (HUD

will not release the address of confidential sites).

b. Proof of Nonprofit Status and AIDS Purpose. Excluding situations where nonprofit documentation was submitted to HUD under prior HOPWA awards and there has been no change in this status for the project sponsor(s), all conditionally selected applicants must provide a copy of the nonprofit documentation for each sponsor that is a nonprofit organization consistent with the standards under paragraph (1) below prior to the signing of a grant agreement. Conditionally selected applicants must also provide documentation consistent with paragraph (2) below prior to the signing of a grant agreement to demonstrate that each sponsor's organizational documents include a purpose of significant activities related to providing housing or services to persons with HIV/AIDS. For submission of the documentation in paragraphs (1) and (2) on paper forms, you should follow the directions in the General Section, with the exception of the budget forms.

(1) HUD will accept as evidence of your nonprofit status:

(a) A copy of the Internal Revenue Service (IRS) ruling providing tax-exempt status under Section 501(c)(3), (4), (6), (7), (9) or (19) of the IRS code;

(b) A ruling from the Treasury Department of the Commonwealth of Puerto Rico granting income tax exemption under section 101 of the Income Tax Act of 1954, as amended (13 LPRA 3101);

(c) Documentation that the applicant is a certified United Way agency;

(d) Copy of your most recent completed tax statement, Form IRS-990 or Form 990-EZ;

(e) All of these:

(i) a certification by the appropriate official of the jurisdiction where the nonprofit was organized that your organization was organized as a nonprofit organization and is in good standing;

(ii) A certification from a designated official of the organization that no part of the net earnings of the organization inures to the benefit of any member, founder, contributor, or individual; that the organization has a voluntary board; and that the organization practices nondiscrimination in the provision of assistance in accordance with applicable program requirements; and

(iii) an opinion letter from an independent public accounting firm that the nonprofit entity has a functioning accounting system that provides for each of the following:

(A) Accurate, current, and complete disclosure of the financial results of each federally funded project;

(B) Records that identify adequately the source and application of funds for federally funded activities;

(C) Effective control over and accountability for all funds, property and other assets;

(D) Comparison of outlays with budget amounts;

(E) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the use of funds for program purposes;

(F) Written procedures for determining reasonableness, allocable, and allowable costs; and

(G) Accounting records including cost accounting records that are supported by source documentation.

(2) HUD will also accept, as evidence of your organization's HIV/AIDS-related purpose, a copy of the organization's articles of incorporation and bylaws, mission statement, program management plan, or other organizational policy document that evidences the organization's activities or objectives related to providing services or housing to persons with HIV/AIDS.

c. Capacity of Applicant and Project Sponsors and Relevant Organizational Experience Narrative. On no more than five double-spaced typed pages or similar chart or table for the Applicant, and no more than two double-spaced pages or similar chart or table per additional sponsor, demonstrate the extent to which you and any project sponsor(s) have the organizational resources necessary to successfully implement your proposed activities in a timely manner.

d. Need/Extent of the Problem Narrative. On no more than five double-spaced typed pages or similar chart or table define your planned service area and demonstrate the need for funding eligible activities in the area to be served.

e. Soundness of Approach: Model Qualities and Responsiveness/Coordination Narrative. On no more than ten double-spaced, typed pages or a similar chart or table, address the method by which your plan meets your identified needs. Demonstrate how your project will provide its planned activities through HOPWA and other resources, and how it will serve as a model with exemplary qualities to address the ongoing housing and supportive service needs of eligible persons within a replicable operational framework.

f. Documentation of Leveraged Resources. As described in paragraph 4

of this section, to receive a leverage score for your project, provide a detailed chart of commitments that you have obtained and have on file that provides evidence of your ability to secure community resources for operating and sustaining your housing project. On no more than two double-spaced typed pages or similar chart or table, address the method by which your plan addresses sustainability of the effort.

g. Achieving Results and Program Evaluation Narrative. To complement the use of the Logic Model form, in no more than three double-spaced, typed pages or a similar chart or table, provide a supplemental optional narrative that may detail or further demonstrate your commitment to ensuring that the goals that you set forth and your performance will be assessed in a clear and effective manner. Address how you will implement the HOPWA Program goals and identify the benefits or outcomes of your program, including details on your activities, benchmarks, and interim activities or performance indicators shown in the Logic Model. Provide comments as may be needed on details for an evaluation plan that will objectively measure actual achievements against anticipated achievements.

4. Application Content on Leveraging for All Types of Applications

To receive consideration for leveraged resources, all types of applications must include information on the commitments from other state, local, federal, or private entities to provide additional resources in operating and sustaining your planned activities to support project beneficiaries. Other HOPWA funds, such as formula allocations, may *not* be used for this purpose in determining leveraging. To receive a score for leveraging, any project must provide a list in a chart with information on the nature of the secured leveraged commitments that you have in hand at the time of your application submission to HUD. You may also describe a plan for how the project will continue to operate in future years, with a decreased reliance on these federal resources.

As a change from prior year competitions, you should *not* submit an electronic copy or facsimile transmittal of these letters of commitment with your HOPWA application, but should use these letters or documents to report on the information requested below. The applicant must retain in its files all of the leveraging letters or documents, and a conditionally selected applicant may be required to provide HUD with a copy or other evidence of these letters

or documents as part of the conditions for receiving HOPWA funds.

In the application, provide information only for contributions for which you have a written commitment in hand at the time of application. A written commitment could include signed letters, memoranda of agreement, and other documented evidence of a firm commitment for resources to be available during the operating period of your project, if selected for award. This does not include resources that are in use prior to the new grant operating period. Leveraging items may include any written commitments that will be used towards your leveraging of the project, as well as any written commitments for buildings, equipment, materials, services and volunteer time. The value of commitments of land, buildings and equipment are one-time only and cannot be claimed by more than one selected project (e.g., the value of donated land, buildings or equipment claimed in 2006 and prior years for a project that was selected for funding cannot be claimed as leveraging by that project in subsequent competitions). The written commitments must be documented on letterhead stationery, signed by an authorized representative, dated and in your possession prior to the deadline for submitting your application.

The Department will periodically monitor the use of your commitments by requiring the collection of information in annual progress reports to establish that the leveraged resources are being used, as committed, in undertaking the project. Failure to provide evidence of these commitments or the related use of these additional resources in operating your project could result in a notice of default and affect the project's continued access to federal funds awarded under this NOFA.

C. Submission Dates

Application Deadline Date. Your completed application must be received and validated electronically by Grants.gov no later than 11:59:59 p.m. eastern time on the deadline date for HOPWA. The validation process may take up to 72 hours. Failure to have the application validated by Grants.gov prior to the deadline will result in a late application making the application ineligible for funding under this NOFA. Please follow the application submission and timely receipt requirements that are established in the General Section.

All parts of an electronic application must be submitted via the Grants.gov portal with additional documentation as

called for in this NOFA provided via electronic facsimile transmittal in accordance with the requirements stated in the General Section. For electronic applications, HUD will not accept parts of an application submitted through the mail or entire applications by facsimile. For applications receiving a waiver of the electronic application submission requirements, the entire application must be submitted in hard paper copy format with the required number of copies.

D. Intergovernmental Review

The HOPWA program is not subject to Executive Order (EO) 12372, Intergovernmental Review of Federal Programs.

E. Funding Restrictions

1. **Limitations on Maximum Grant Amounts.** Your request for funding must be consistent with the following limitations on minimum and maximum grant amounts:

a. For program activities (e.g., activities that directly benefit eligible persons): At least \$500,000 and a maximum of \$1.3 million, subject to the limitations in this section;

b. For grant administrative costs of the grantee: A maximum of no more than an additional \$39,000, subject to the limit on administrative costs of 3 percent of the amount requested for project activities in your application for grantees.

c. For grant administrative costs for project sponsors: A maximum of no more than an additional \$91,000, subject to the limit on administrative costs of 7 percent of the amount requested for project activities to be conducted by project sponsors in your application. (Note: An applicant that will serve as a grantee, but carry out activities directly without a third-party project sponsor, cannot add amounts from this paragraph to its eligible amount under paragraph (b) above.)

d. Total for maximum grant amount: \$1.43 million, as subject to applicable limitations in this section and if funds are requested for a term of less than three years, HUD reserves the right to reduce these amounts in a proportionate manner.

2. **Limitation on Supportive Services.** Your request for the supportive services line item in program activities must be consistent with the program limits of not more than 35 percent of the proposed budget for program activities undertaken by project recipients.

3. **Limitation on Prospective Determinations.** HUD will not approve proposals that depend on a prospective determination as to how program funds

will be used, except as needed in securing housing units for participants. More specifically, proposals to establish a local request-for-proposal process to select either activities or project sponsors, and other similar proposals that have the effect of delaying the obligation of funds due to the unplanned use of HOPWA funds, will not be approved.

4. **Limitation on Ineligible Activities.** HUD will not provide additional funds under this notice for the purposes of conducting resource identification activities to establish, coordinate, and develop housing assistance resources, and/or technical assistance for community residence activities, because these types of activities are funded through the national HOPWA technical assistance funds being made available under the Community Development Technical Assistance (CDTA) NOFA or available for resource identification activities under formula allocations. HUD will not provide additional funds for data collection on project outcomes; because such activities in collecting performance data and reporting to HUD are required as a central grants management function, is already covered under administrative costs. In addition, eligible HOPWA costs cannot involve costs for personal items, such as grooming, clothing, pets, financial assistance, consumer credit payments, entertainment activities, personal vehicle maintenance and repairs, property taxes, condominium fees, and other non-housing-related costs. Eligible costs are also subject to additional HOPWA standards at 24 CFR Part 574.

F. Other Submission Requirements

1. **Electronic Delivery.** HUD requires applicants to electronically submit via www.grants.gov. See Sections IV.B. and F. of the General Section for instructions for submitting leveraging documentation, certifications, and other required forms.

2. **Waivers to the Electronic Submission Process:** Applicants may request a waiver of the electronic submission process (see the General Section for more information). Applicants should submit waiver requests in writing, by e-mail, fax, or to the address listed below. Waiver requests must be submitted no later than 15 days prior to the application deadline date to: David Vos, Director of HIV/AIDS Housing, Department of Housing and Urban Development, 451 Seventh Street, SW, Suite 7212, Washington, DC 20410-7000.

E-mail: David_Vos@hud.gov, facsimile (fax) 202-708-9313.

Applicants who are granted a waiver based on a HUD-approved justification must submit their applications in accordance with the requirements stated in the approval to the waiver request. Paper applications must be received by HUD at the proper location by the deadline date.

V. Application Review Information

A. Criteria

1. Criteria for Project Applications

a. Departmental Policy Priorities. As outlined in the General Section, HUD has identified policy priorities that project applicants are encouraged to address through their proposed project plans. HUD has identified five Departmental policy priorities as being applicable for new HOPWA projects. Applications for HOPWA funding will receive rating points for each applicable Departmental policy priority initiative addressed through the proposed program activities and performance goals and objectives. Applicants must demonstrate how these priorities will be addressed through the Soundness of Approach of the application as outlined under Rating Factor 3. Under the points available for Rating Factor 3, one or two Rating Points, as specified below, will be awarded for each of the following addressed priorities:

(1) In accordance with the General Section, for applicants seeking HOPWA funds for capital development activities, including rehabilitation or new construction, or identifying leveraged commitments of other funds for these activities in assisting HOPWA beneficiaries, for one rating point under project soundness of approach, you are encouraged to institute visitability and universal design standards in these activities undertaken with HOPWA funds. Visitability standards allow a person with mobility impairments access into the home, but do not require that all features be made accessible; and such standards incorporate universal design in the construction or rehabilitation of housing undertaken with HOPWA funds. Universal design provides housing that is usable by all without the need for adaptation or specialized design.

(2) For one rating point under project soundness of approach, you are encouraged to propose projects in which the grantee, or the project sponsor(s), fulfills the policy priority for being a nonprofit, grassroots community-based organization, including faith-based organizations, as defined in the General Section.

(3) For one rating point under project soundness of approach, you are

encouraged to propose applications in which the grantee, or project sponsor(s), commits to follow the Energy Star standard in any new construction, or rehabilitation activity, or in maintaining housing or community facilities to be undertaken in the proposed project with HOPWA or other funds. This would also apply to undertaking program activities that include developing energy star promotional and information materials, providing outreach to low- and moderate-income renters and buyers on the benefits and savings when using Energy Star products. The Energy Star standard is as defined in the General Section.

(4) For up to two rating points under project soundness of approach, you are encouraged to propose an application in which the grantee, or project sponsor(s), if it is a state or local government agency, as defined in the General Section, completes the regulatory barriers policy questionnaire, "Questionnaire for HUD's Initiative on Removal of Regulatory Barriers" (Form HUD-27300) and provides the required documentation, contact information and/or a Web site link where the information can be readily found.

b. Program Policies—Target Population. Prior to the award of other projects, HUD reserves the right to select the two highest rated applications (but not any that are rated at less than 75 points) that demonstrate that the planned HOPWA activities and activities supported by leveraged funds will serve the special population of HOPWA eligible persons who are chronically homeless persons with HIV/AIDS. Persons who are infected with HIV are more likely to be able to follow complex treatment regimens if they have a reliable address where they can be reached by care providers, a safe place to keep medications, refrigeration for drugs that require it, and other necessities that many of us take for granted. HUD is encouraging applications that strive to create additional models for permanent housing for eligible persons living with HIV/AIDS that are experiencing chronic homelessness. Applicants must work collaboratively with the local Continuum of Care Plans to create these models for persons living with HIV/AIDS and their families and demonstrate a plan for the integration of HOPWA activities with those systems such as the use of HMIS. HMIS participation is required for all recipients of award funding under this NOFA whose projects intentionally target HOPWA eligible persons who are homeless or chronically homeless. In a number of Continuum of Care

communities, HOPWA projects are directly involved in providing outreach, assessment, housing and supportive services to HOPWA eligible persons who are homeless at the time they enter into program support. HMIS activities or the use of related information technology systems may already be operating to support the delivery of housing information services to these HOPWA clients.

c. Economic opportunities for low- and very low-income persons—Section 3. For up to two rating points under project soundness of approach, you are encouraged to propose an application in which the grantee or project sponsor(s) demonstrate in their application how they will incorporate Section 3 principles into their project with goals for expanding opportunities in their service area for Section 3 residents and businesses. As defined in Section V of the General Section, the purpose of Section 3 is to ensure that employment and other economic opportunities generated by Federal financial assistance for housing and community development programs, shall, to the greatest extent feasible, be directed toward low- and very-low income persons.

d. Application Selection Process for Projects.

Rating Factor 1: Capacity of the Applicant and Project Sponsors and Relevant Organizational Experience (20 points) (Minimum for Funding Eligibility—14 Points)

Address the following factor by using not more than five double-spaced, typed pages or a similar chart or table. For each project sponsor, you may add two additional pages. This factor addresses the extent to which you and any project sponsor have the organizational resources necessary to successfully implement your proposed activities in a timely manner. If you will be using project sponsor(s) in your project, you must identify each project sponsor in your application. HUD will award up to 20 points based on your and any project sponsor's ability to develop and operate your proposed program in relation to which entity is carrying out an activity.

(1) With regard to both you and your project sponsor(s), you should demonstrate:

(a) Past experience and knowledge in serving persons with HIV/AIDS and their families;

(b) Past experience and knowledge in programs similar to those proposed in your application, including HOPWA formula funding;

(c) Experience and knowledge in monitoring and evaluating program

performance and disseminating information on project housing outputs and client outcomes; and

(d) Past experience as measured by expenditures and measurable progress in achieving the purpose for which funds were provided.

(2) In reviewing the elements of the paragraph above, HUD will consider:

(a) The knowledge and experience of the proposed project director and staff, including the day-to-day program manager, consultants, and contractors in planning and managing the proposed activities. You and any project sponsor will be judged in terms of recent, relevant, and successful experience of staff in undertaking eligible program activities.

(b) Your and/or the project sponsor's experience in managing complex interdisciplinary programs, especially those involving housing and community development programs directly relevant to the work activities proposed and carrying out grant management responsibilities.

(c) If you and/or the project sponsor received funding in previous years in the program area for which you seek funding, those past experiences will be evaluated in terms of the ability to attain demonstrated measurable progress in the implementation of your grant awards. Measurable progress is defined as:

(i) Meeting applicable performance benchmarks in program development and operation;

(ii) Meeting project goals and objectives, such as the HOPWA output for the number of homeless persons assisted in comparison to the number that was planned at the time of the application;

(iii) Submitting timely performance reports and other results, such as client outcomes in maintaining stable housing, reducing risks of homelessness and improving access to care; and

(iv) Expending prior funding as outlined in the existing HOPWA grant agreement with HUD, with no outstanding audit or monitoring issues.

Applicants must receive a minimum of 14 points in Rating Factor 1 to be eligible for funding under this NOFA. An application that plans to use project sponsors but fails to provide information on their capacity could not receive the minimum score.

Rating Factor 2: Need/Extent of the Problem (15 Points)

Address the following factor using not more than five double-spaced typed pages or similar chart or table. Up to 15 points will be awarded for this factor.

a. AIDS Cases (5 points). You must define your planned service area. HUD will obtain AIDS surveillance information pertinent to that area from the Director of the Centers for Disease Control and Prevention. Up to five points will then be awarded based on the relative numbers of AIDS cases and per capita AIDS incidence within your service area, in metropolitan areas of over 500,000 population and in areas of a state outside of these metropolitan areas, in the state for proposals involving state-wide activities, and in the nation for proposals involving nationwide activities.

b. Description of Unmet Housing Need (10 points). Up to ten points will be awarded based on demonstration of need for funding eligible housing activities in the area to be served. To receive the maximum points, demonstrate that substantial housing and related service needs of eligible persons and/or the target population, as outlined in Section V.A.1.b., are not being met in the project area and that reliable statistics and data sources (e.g., Census, health department statistics, research, scientific studies, and Needs Analysis of Consolidated Plan and/or Continuum of Care documentation) show this unmet need. To receive the maximum points, show that specific elements of your jurisdiction's Consolidated Plan and Analysis of Impediments to Fair Housing Choice, Continuum of Care Homeless Assistance plans (if homeless persons are to be served), and comprehensive HIV/AIDS housing plans are applicable to your project, and identify the level of the problem and the urgency of the need. A Consolidated Plan certification alone is not sufficient to demonstrate need for the project as established under this criterion.

(1) If you apply for a SPNS grant, you must describe a housing need that is not currently addressed by other projects or programs in the area, including reference to the area's existing HOPWA programs. You must further describe how the planned activity will complement these in a manner that is consistent with the community's plan for a comprehensive and coordinated approach to housing needs of persons living with HIV/AIDS that establishes stable housing for clients and helps foster greater self sufficiency and independence. Also, describe any unresolved or emerging issues and the need to provide new or alternative forms of assistance that, if provided, would enhance your area's programs for housing and related care for persons living with HIV/AIDS and their families. You must also describe how your

project will enhance the community's Consolidated Plan strategies for providing affordable housing and access to related mainstream services to HOPWA-eligible persons; or

(2) If you apply as a long-term project that will operate in a non-formula area or balance-of-state area, you must describe the housing need that is not currently addressed by other projects or programs in the area including any HOPWA competitive grants or other HIV/AIDS housing projects and how the planned activity will complement these in a manner that is consistent with the community's plan for a comprehensive and coordinated approach to housing needs of persons living with HIV/AIDS. You must also describe any unresolved or emerging issues and/or the need to provide forms of assistance that enhances the community's strategy for providing housing and related services to eligible persons.

HUD will evaluate your presentation of statistics and data sources based on soundness, reliability, and the specificity of information to the target population and the area to be served. If you propose to serve a subpopulation of eligible persons on the basis that these persons have been traditionally and are currently underserved (e.g., HOPWA eligible persons who are chronically homeless), your application must demonstrate the need for this targeted effort through statistics and data sources that support the need of this population in your service area. Programs may serve a qualified subpopulation of persons with AIDS based on the presence of another disability or group of disabilities, only if doing so is necessary to provide this subpopulation with housing, benefits, aid, or services as effective as that provided to others. See 24 CFR 8.4(b)(1)(iv).

Rating Factor 3: Soundness of Approach: Responsiveness, Coordination and Public Policy Priorities, and Model Qualities (45 Points)

Address this factor on not more than ten (10) double-spaced, typed pages or similar chart or table. Include the HOPWA Budget forms identified in this NOFA. This factor addresses the method by which your plan meets your identified needs. HUD will award up to 45 points (15 for responsiveness, 5 for coordination, 7 for public policy priorities, and 18 for model qualities) based on the extent to which your plan evidences a sound approach for conducting the HOPWA activities in a manner that is responsive to the needs of eligible persons and that your plan for project coordination will offer model

qualities in providing supportive housing opportunities for eligible persons with access to mainstream health and human welfare services, when compared to other applications and projects funded under previous HOPWA competitions.

a. Responsiveness, Coordination, and Public Policy Priorities (27 points). HUD will award up to 27 points (Responsiveness—15 points and Coordination—5 points and Public Policy Priorities—7 points) based on how well your project plans respond to the unmet needs in housing and related supportive services for the eligible population, including target populations outlined under Section V.A.1.b. You should demonstrate the extent to which you have coordinated your activities and the activities of your project sponsors with other organizations that are not directly participating in your proposed work activities. This involves organizations with which you share common goals and objectives in assisting eligible persons. In order to ensure that resources are used to their maximum effect within the community, it is important that you demonstrate collaboration and leveraging of other resources from state, local, and private funding resources.

(1) *Responsiveness (15 points)*. To receive the highest rating in this element, your application must address:

- The projected number of persons to be served through each activity for each year of your program;
- The projected number of housing units, by type, to be provided through your project, by year, over a 3-year period; and
- The specific organizations, either through an agreement with your organization or through funding from your project, that will provide housing, and agreements with organizations that will provide mainstream supportive services, or other activities. Include a description of the roles and responsibilities of your project sponsors and/or other organizations within your project plan and how these will be coordinated in conducting eligible activities. To receive the maximum points for your project plan, you must explain and describe the eligible housing activities you or your project sponsor intend to conduct, where these activities will take place (either on-site or at another location), and how those activities will benefit eligible persons. Please describe:

(a) *Housing Activities*. You must demonstrate how the emergency, transitional, or permanent housing needs of eligible persons will be addressed through one or more of the

HOPWA eligible activities and through any other resources and how such activities are coordinated with other available housing assistance. Your plan for housing assistance must include:

(i) *Access to permanent supportive housing for applicants*. In proposing a housing project, you must describe how eligible persons will access permanent housing and/or use emergency, short-term and transitional housing support through your project and through any specific commitments with other community housing providers. If your project involves some initial emergency or transitional assistance for clients, please describe your plans to facilitate the movement of eligible persons receiving this emergency or transitional housing support to permanent housing or independent living arrangements within 24 months.

(ii) *Permanent housing placement*. If you use funds to help beneficiaries secure new housing units, please describe your plans to use funds and the related housing outputs for these permanent housing placement services (under that budget line item) such as costs for first month's rent and security deposits;

(iii) *Description of Housing Site*. You must describe any appropriate site features including use of universal design, accessibility, visitability, and access to other community amenities associated with your project.

(iv) *Development and Operations Plan*. You must describe a development and/or operations plan for the emergency, transitional, or permanent housing assistance you are proposing to provide. For rental assistance programs, this will include your plan for providing rental assistance, proposed housing sites if project-based, and length of stay if less than ongoing permanent supportive housing. If you are proposing to use HOPWA funds for the acquisition, rehabilitation, or new construction of a housing facility, your plan must also document that you have secured other funding sources, including plans for coordinating the use of other resources that are committed to undertaking the development activities. Please identify the planned site or structure and describe any progress on securing the identified project site(s) or structure(s), to demonstrate that the development activities will be undertaken consistent with the related benchmarks for those activities. The project must be cost-effective, including costs not deviating substantially from the norm in that locale for the type of structure or kind of activity. The highest rated projects involving development costs will demonstrate that HOPWA funds will

not be used as the initial or sole funding source for capital development housing projects and significant progress has been made to identify and secure the proposed project site or structure.

(v) *Operational Procedures*. Describe your outreach, intake, engagement and assessment procedures, as well as how eligible persons will receive housing support with access to medical care and other supportive services provided by other organizations. Describe the use of housing being funded from other sources, and how your project provides for ongoing assessments of the housing service benefits received by eligible persons. Include a description of how a client moves through the housing program from outreach, intake, client assessment, the delivery of housing services, the use of emergency, transitional, or permanent housing, and when appropriate, the outplacement to more self-sufficient independent housing. If persons who are homeless are to be assisted, including persons who are chronically homeless, describe the housing activities and necessary support to identify, prioritize and respond to their supportive housing needs in coordination with other area assistance for persons who are homeless. Also address the number of permanent housing beds for the chronically homeless that would become available for occupancy during each of your project operating years.

(b) *Supportive Service Activities*. You must describe how you will address the supportive service needs of eligible persons with HOPWA assistance (subject to applicable limitations) and the use of any additional leveraged resources by describing the type of supportive services that will be offered directly by the program and/or how agreements and project plans will assure that services will be accessed and coordinated from other mainstream health and human welfare sources. Explain the connection of these services in helping eligible persons obtain and/or maintain stable housing. Supportive service costs may represent no more than 35 percent of your proposed budget for program activities. In describing your supportive services delivery plan explain:

(i) How agreements provide that eligible persons will have access to mainstream programs that offer health care and other supportive services;

(ii) How project plans ensure that eligible persons will participate in decision-making in the project operations and management; and

(iii) Your plan for delivering supportive services through a comprehensive plan that shows how

agreements provide that eligible persons access medical care and other mainstream supportive services to address their needs.

(c) *Additional HOPWA Activities.* You must describe your plan for utilizing other requested HOPWA funds (described at 24 CFR 574.300(b)). Explain how these activities will be integrated into your overall plan in the provision of housing and related supportive services to eligible persons.

(d) *Other Approvable Activities.* As authorized by statute, HUD may approve other activities that are in addition to the activities at 24 CFR 574.300(b). You may propose other activities in your application, which can be undertaken only if approved by HUD due to their relevance in addressing the housing needs of eligible persons. You must describe the reason for the need to request authorization for "other activities" and the benefits likely to occur if the activities are authorized. Also, address how the project would operate, or not, if such request were not approved.

(2) *Coordination (5 points).* You should demonstrate the extent to which you have coordinated your planned application activities and the activities of your project sponsors with other organizations that are not directly participating in your proposed work activities. This involves organizations for which you share common goals and objectives. You may provide information on your primary decision-making group in providing leadership to your efforts as well as other organizations participating in planning activities, such as committees, workgroups, public meetings, forums etc. and the frequency of meetings. You will be rated on the extent to which you demonstrate you have:

(a) Coordinated your proposed application activities with those of other groups or organizations within the community or region prior to submission, to best complement, support, and coordinate all housing and supportive service activities including specific reference to how the proposal is coordinated with existing HOPWA programs in that area (formula and competitive) and how the planned efforts complement the existing programs;

(b) Developed your project through consultation with other stakeholders, such as organizations, groups, or consumers involved with area HIV/AIDS housing and service planning, including planning under the Ryan White CARE Act and other federal planning. The highest rated applications will demonstrate that the project is

closely and fully integrated with HUD's planning processes, such as the jurisdiction's Consolidated Planning process or the community's Continuum of Care Homeless Assistance planning process (if homeless persons are to be served by proposed activities and related use of Homeless Management Information Systems (HMIS) to coordinate benefits for clients);

(c) Coordinated with other HUD-funded programs outside of the Consolidated Planning process; for example, accessing additional housing resources through a local public housing authority; and

(d) Coordinated with mainstream resources including private, other public, and mainstream services and housing programs. To achieve the maximum points, applicants must evidence explicit agency strategies to coordinate client assistance with mainstream health, social service, and employment programs for which eligible persons may benefit.

(3) *Public Policy Priorities (7 points).* Applications for HOPWA funding will receive rating point(s) for each applicable Department policy priority initiative addressed through the proposed program activities and performance goals and objectives. Applicants must make a specific statement on their commitment to address each priority or to otherwise demonstrate how these priorities will be addressed:

(a) In accordance with the General Section, for applicants seeking HOPWA funds or uses related leveraged funds for capital development activities, including rehabilitation or new construction, for one rating point under project soundness of approach, your application describes the use of universal design and visitability standards in development activities undertaken with HOPWA or leveraged funds and incorporate universal design in the construction or rehabilitation of housing undertaken with HOPWA funds. Visitability standards allow a person with mobility impairments access into the home, but do not require that all features be made accessible. Universal design provides housing that is usable by all without the need for adaptation or specialized design.

(b) For one rating point under project soundness of approach, your application involves participation as the grantee, or as a project sponsor(s), by a nonprofit grassroots community-based organization, including faith-based organizations, as defined in the General Section.

(c) For one rating point under project soundness of approach, the grantee, or

project sponsor(s), commits to promote energy efficiency by adopting or following the Energy Star standard in any new construction or rehabilitation activity or in maintaining housing or community facilities to be undertaken in the proposed project with HOPWA or other funds. This would also apply to undertaking program activities that include developing Energy Star promotional and information materials, providing outreach to low- and moderate-income renters and buyers on the benefits and savings when using Energy Star products. The Energy Star standard is as defined in the General Section.

(d) For two rating points under project soundness of approach, your application involves a state or local government agency as the grantee, or as a project sponsor(s), and that agency completes the regulatory barriers policy questionnaire, including providing the required documentation, as defined in the General Section.

(4) *Economic Opportunities for Low- and Very-Low Income Persons—Section 3.* For up to two rating points under project soundness of approach, your application demonstrates how you are incorporating Section 3 principles into your project with goals for expanding employment and other opportunities in your service area for Section 3 residents who are low and very-low income persons, and related business concerns, as defined in Section III.C.4 of the General Section.

b. *Model Qualities (18 points).* HUD will award up to 18 points based on your service delivery plan and how well it will serve as a model for a housing project during the operating period. HUD expects the proposed project to show exemplary and/or innovative qualities that address the ongoing housing needs of eligible persons by establishing or maintaining stable housing arrangements by project activities that will be undertaken within a replicable operational framework. To receive the maximum points, you must offer a housing plan that describes the following:

(1) *Policy Priorities.* If applicable to your application, describe how you will meet the Departmental policy priorities for assisting the special population of HOPWA-eligible persons who are chronically homeless persons with HIV/AIDS. HUD is encouraging applications that strive to create additional models for permanent housing for persons living with HIV/AIDS that are experiencing chronic homelessness. Applicants addressing this population must work collaboratively with the local Continuum of Care plans to create this

permanent housing for persons living with HIV/AIDS and their families.

(2) *Project Management and Oversight.* Describe your method for managing and overseeing activities, including those of your organization, your project sponsor, and any other organization. Identify staff members who are responsible for management and oversight of the project and activity implementation and sustainability plans.

(3) *Evaluation Plan.* In addition to required HOPWA outputs and outcomes your evaluation plan should identify what you are going to measure, how you are going to measure it, the steps you have in place to make adjustments to your work plan if performance targets are not met within established timeframes, and how you plan to share successes and lessons learned in undertaking your activities with other communities.

(4) *Model Features.* Describe how the planned efforts for the type of proposed project, Long-term or SPNS, will represent model or exemplary qualities in service delivery, management, or other features in connection with other HOPWA-funded projects in your community including any local assessment of these features. For a Long-term project, the features must involve housing activities to be undertaken in a non-formula area. A SPNS project must involve a plan and commitments to establish or maintain stable housing arrangements by showing exemplary and/or innovative qualities. If you propose a new program, or an alternative method of meeting the needs of your eligible population, describe how the innovative qualities of your activities will result in knowledge gained or lessons learned for achieving greater housing opportunities and supportive services for persons living with HIV/AIDS. HUD will rate your application higher if you provide strong evidence that your methods will yield qualities that will benefit or expand knowledge in serving eligible persons, when compared to other applications and HOPWA projects. To learn about qualities of previously funded and ongoing HOPWA projects, you may review the HOPWA Executive Summaries for HOPWA grantees at <http://www.hud.gov/offices/cpd/aidshousing>.

(5) *Model Descriptive Budget.* HUD will review your budget under the HOPWA budget form (HUD-40110-B) in describing:

(a) How each amount of requested funding for you and your project sponsors will be used and the related use of leveraged resources;

(b) How each line item will relate to your description of planned eligible HOPWA activities; and

(c) The clarity and completeness of your summary statement of the planned activities for your project by budget line item and the use of any leveraged funds or other resources by the grantee and sponsor(s).

You must complete the HOPWA Project Budget Form as described above.

Rating Factor 4: Leverage and Sustainability (10 Points) (Minimum for Funding Eligibility 1 Point)

This factor addresses your ability to secure community resources that can be combined with HUD's funds to achieve program purposes and to ensure sustainability of the housing efforts. HUD will award up to 10 points based on the extent to which resources from other state, local, federal, or private resources are listed with the required elements to demonstrate that these funds are committed at the time of application to support and sustain your project. To receive the highest leveraging points based on the amount of commitments, up to 8 points, you must provide information on the commitment of other resources that at least equal the amount of the HOPWA request for program activities (not including administrative costs) as part of your plan to operate this project over the next 3 year period. Applications must receive a minimum of 1 point in this Rating Factor to demonstrate the commitment of other resources to be eligible for funding under this NOFA with the standards described in Section IV (B)4 on Leveraging. Applicants will be awarded points based on the content of a list or chart for the commitments with the following information: the name and address of the organization(s) providing the commitment(s) (note if the organization will serve as a project sponsor); the type of commitment (applicant or third party cash resources, non-cash resources, volunteer time, contribution of a building, contribution of lease hold interest); the dollar value of the commitment; the date of the commitment letter or other document; the source of the funding, such as federal, state, local, private or in-kind contributions; and the organization's authorized representative's name, title, and contact information who has made this commitment. For up to two additional points, the application must address the project's sustainability as shown in a plan for obtaining and coordinating identified resources to be more financially self-sustaining. The highest rated plan will show how the project will decrease dependency on

federal funding at the end of the operating period and rely more on state, local, and private funding to continue support for beneficiaries.

Factor 5: Achieving Results and Program Evaluation (Maximum 10 points)

Address this factor in your Logic Model (and optionally in a supplemental related narrative if performance elements are added to those available on this form) on not more than three additional double-spaced, typed pages or similar chart or table. Under this factor, HUD will award 10 points based on how well your application demonstrates a commitment to ensuring that the goals that you set forth and your performance will be assessed in a clear and effective manner. HUD will analyze how well you have clearly implemented the required HOPWA program output and outcome goals and identified other stated benefits or outcomes of your program including your activities, benchmarks, and interim activities or performance indicators with timelines. HUD will award the highest points to applications that demonstrate an evaluation plan that will objectively measure actual achievements against anticipated achievements.

The highest-rated applications will have a clear plan to address the HOPWA client outcome goals increase the amount of housing assistance provided to eligible persons, to establish or maintain housing stability, reduce the risks of homelessness for eligible persons, and improve access to health care and other support. The application may also optionally address other related indicators of relevant outcomes.

The highest rated applications will also have a clear plan to use the HOPWA housing output measures—the projected number of households to be assisted in HOPWA-supported housing units by type (tenant-based rental assistance, STRMU payments and assistance in housing facilities) to be provided to eligible households through your project during each project-operating year. The application may also optionally address other related outputs. Your application must include the Logic Model form (HUD-96010) to receive any points under this factor.

B. Reviews and Selection Process

1. HOPWA Project Applications

a. *Threshold Reviews.* HUD will review your HOPWA application to ensure that it meets the threshold requirements found in the General Section and Section III.C of this NOFA

pertaining to a request for a Long-term project or an SPNS project.

b. *HUD Reviews.* HUD staff will conduct this review, including HUD staff from Community Planning and Development (CPD) at Headquarters and HUD's state and area field offices.

c. Procedures for the Rating and Selection of Applications. HUD will rate all HOPWA applications based on the factors listed above. The points awarded for the factors total 100. In addition, HUD will award two bonus points to each application that includes a valid form HUD-2990 certifying that the proposed activities/projects in the application are consistent with the strategic plan for an empowerment zone (EZ) designated by HUD or the United States Department of Agriculture (USDA), the tax incentive utilization plan for an urban or rural renewal community designated by HUD (RC), or the strategic plan for an enterprise community designated in Round II by USDA (EC-II) and that the proposed activities/projects will be located within the RC/EZ/EC-II identified above and are intended to serve the residents. A listing of the RC/EZ/EC-II is available on the Internet at <http://www.hud.gov/offices/cpd/economicdevelopment/programs/rc/tour/roundnumber.cfm>. This notice contains the certification form HUD-2990 that must be completed for the applicant to be considered for RC/EZ/EC-II bonus points. Whether your HOPWA application is conditionally selected will depend on your overall ranking compared to other applications within each of the two categories of assistance, long-term projects or SPNS projects, and the amount of funds that are available to be awarded by this competition. Funds made available from federal Fiscal Year 2007 must first be used to fund the priority selection of expiring competitive projects that undertake permanent supportive housing activities (as a change from prior years, renewal applicants are not part of this NOFA process and will be conducted by HUD by a separate action). If any such funds remain after renewal actions are funded, then the funds will be used under this NOFA competition to fund additional projects. HUD will select applications in rank order in each category of assistance (Long-term and SPNS) to the extent that funds are available, except as outlined in this Program NOFA, where HUD reserves the right to select two projects addressing the housing needs of persons who are chronically homeless as the target population established under program policies. In allocating amounts to the categories of assistance, HUD reserves the right to ensure that

sufficient funds are available for the selection of at least one application with the highest ranking under each category of assistance. HUD will not select an application that is rated below 75 points, nor will an application be funded if it receives a Rating Factor 1—Capacity score lower than 14 points or Rating Factor 4—Leveraging score lower than 1 point.

In the event of a tie between applications in a category of assistance, HUD reserves the right to break the tie by selecting the proposal that was scored higher on a rating criterion in the following order: Rating Factor 3; Rating Factor 5; Rating Factor 1; Rating Factor 2; and Rating Factor 4.

C. Anticipated Announcement and Award Dates

The anticipated announcement of the projects selected under this notice is no later than August 31, 2007.

VI. Award Administration Information

A. Award Notices

1. Applicant Notification. HUD will notify the eligible applicants of their conditional selection or rejection for awards by e-mail or by a letter to be mailed to the applicant's authorized official at the address or e-mail address provided in your application. For conditionally selected applicants, the CPD Division of HUD's state or area office will provide a second letter with a copy of a proposed grant agreement along with instructions on any adjustments to the grant amount requested and other conditions identified during the review for conducting planned activities and on the close out of the current grant.

2. Award Modifications. After reviewing each application, HUD reserves the right to take each of the following actions:

a. HUD reserves the right to make award adjustments as outlined in Section VI.A.2, *Adjustments to Funding*, of the General Section.

b. In the event that a conditionally selected applicant is unable to meet any conditions for funding within the specified time, HUD reserves the right not to make an award to that applicant. In the event that a conditionally selected applicant is continuing to operate under the prior grant, and has sufficient funds to continue current operations for at least six months following the date of notification of selection, HUD may take any of the following actions: (i) Follow procedures to terminate the prior grant and recapture remaining funds after this date, consistent with the terms of the

applicable grant agreement and 24 CFR 574.500(c); or (ii) adjust the amount of the new award by the amount of funds remaining after this date in the prior grant.

c. In making an award to the final selected project (by order of ranking), HUD may offer less than the full amount requested by an applicant that had received sufficient points to be selected, but for which there are insufficient funds remaining to provide the full funding request. HUD may also use funds from an award reduced under item b, above, to restore amounts to a funding request that had been reduced in this competition due to the application's lower rating status;

d. If an applicant turns down an award, an award is not made, or if there are sufficient award adjustments to make additional awards feasible, HUD reserves the right to: (a) offer an award to the next highest rated application(s) in this competition in their ranked order; (b) add remaining or recaptured amounts to the funds that become available for a future competition; or (c) restore amounts to a funding request that had been reduced in this competition.

3. Applicant Debriefing. Applicants requesting to be debriefed must send a written request to: Department of Housing and Urban Development; Attention: Office of HIV/AIDS Housing; 451 Seventh Street, SW., Room 7212; Washington, DC 20401-7000. Telephone number is (202) 708-1934. Persons with hearing or speech challenges may access the above number via TTY (text telephone) by calling the Federal Information Relay Service at 800-877-8339 (this is a toll-free number). Additional information regarding debriefing can be found in the General Section.

B. Administrative and National Policy Requirements

1. Executive Order 13202, Preservation of Open Competition and Government Neutrality Toward Government Contractors' Labor Relations on Federal and Federally Funded Contract Projects. See the General Section for the information on how to meet this requirement.

2. Procurement of Recovered Materials. See the General Section for the information on how to meet this requirement.

C. Reporting

1. Six-Month Report. For any new project (i.e., a conditionally selected applicant that has not previously received a HOPWA competitive grant), you must provide an initial report to the

field office and HUD Headquarters on the startup of the planned activities within six months of your selection. Your report must outline your accomplishments and identify any barriers or issues for which the Department may provide assistance on the start-up on your new award.

2. Measuring Performance. You must report after each year of operation on the annual accomplishments of your projects under the HOPWA annual progress report (form HUD-40110-B), comparing your results to proposed plans, including reporting under the required HOPWA Performance Goals including reporting on annual housing outputs and client outcomes in achieving housing stability, reduced risks of homelessness, and improved access to health care and other needed support. For each reporting period, you must provide a completed Logic Model showing progress to date against projected outputs and outcomes contained in your approved grant agreement. In addition, on an annual basis, you must respond to the management questions in the Program Logic Model found as an appendix to this program Section. HUD will use these reports and information obtained from HUD financial systems, along with any remote or on-site monitoring, to measure your progress and achievements in evaluating your performance on your HOPWA grant.

3. Beneficiary Information. HUD requires that funded recipients collect racial and ethnic beneficiary data. It has adopted the Office of Management and Budget's (OMB) Standards for the collection of Racial and Ethnic Data. In

view of these requirements, you should use one of the following:

- HUD-27061, Racial and Ethnic Data Reporting Form (instructions for its use) found on www.HUDclips.org;
- A comparable program form (HOPWA—Annual Progress Report (APR) form HUD-40110-C); or
- A comparable electronic data system for this purpose.

VII. Agency Contacts

A. For Further Information and Technical Assistance (TA). For technical assistance in downloading an application package from Grants.gov/ Apply, contact the Grant.gov help desk at 800-518-Grants or send an e-mail to support@grants.gov. For programmatic information, you may contact the HUD field office serving your area. You can find the telephone number for the State or Area Office of Community Planning and Development on HUD's Web site at: www.hud.gov/offices/adm/grants/fundsavail.cfm. HUD staff can assist with program questions, but may not assist in preparing your application. Persons with hearing or speech impairments may access the above number via TTY (text telephone) by calling the toll-free Federal Information Relay Service at 800-877-8339.

B. Seeking Technical Assistance (TA) in Developing a HOPWA Application. HOPWA TA providers may not provide technical assistance in the drafting of responses to HUD's NOFA due to the unfair advantage such assistance gives to one organization over another. If HUD determines that HOPWA technical assistance has been used to draft a HOPWA application, HUD reserves that right to reject the application for

funding. If, after your application has been selected for an award, HUD determines that HOPWA technical assistance was used to draft your application, the award will be withdrawn and you may be liable to return to HUD any funds already spent.

C. Satellite Broadcast. HUD will hold information broadcasts via satellite for potential applicants to learn more about the program and preparation of the application. For more information about the date and time of the broadcast, you should consult the HUD Web site at www.hud.gov/grants.

VIII. Other Information

Paperwork Reduction Act. The information collection requirements contained in this document have been approved by OMB under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2506-0133. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 413 hours per annum per respondent for the application and grant administration. This includes the time collecting, reviewing, and reporting the data for the application, semi-annual reports, and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**TARGETED AND ASSISTED
HOUSING**

**ASSISTED LIVING CONVERSION
PROGRAM (ALCP) FOR ELIGIBLE
MULTIFAMILY HOUSING PROJECTS**

Assisted Living Conversion Program (ALCP) for Eligible Multifamily Housing Projects

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of the Assistant Secretary for Housing-Federal Housing Commissioner.

B. Funding Opportunity Title: The Assisted Living Conversion Program for Eligible Multifamily Projects.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: The OMB Approval Number is: 2502-0542. The **Federal Register** number for this NOFA is FR-5100-N-28.

E. Catalog of Federal Domestic Assistance (CFDA) Number: The Assisted Living Conversion Program for Eligible Multifamily Housing Projects is 14.314.

F. Dates: Applications must be received and validated by Grants.gov no later than 11:59:59 p.m. Eastern Time on June 7, 2007. See the General Section for specific instructions regarding application submission.

G. Optional, Additional Overview Content Information: The purpose of this program is to provide grants for the conversion of some or all of the dwelling units in an eligible project into assisted living facilities (ALFs) for frail elderly persons. Private nonprofit owners of eligible developments interested in applying for funding under this grant program should carefully review the General Section and the detailed information listed in this NOFA. Funding will only be provided for those items related to the conversion.

The ALCP will fund those applications that may impact federal problem solving and policymaking and that are relevant to HUD's policy priorities and annual goals and objectives. Refer to the General Section for discussion of these priorities and annual goals and objectives.

Full Text of Announcement

I. Funding Opportunity Description

A. Program Description. Assisted living facilities (ALFs) are designed to accommodate frail elderly persons and people with disabilities who need certain support services (e.g., assistance with eating, bathing, grooming, dressing, and home management activities). ALFs must provide support services such as personal care, transportation, meals, housekeeping, and laundry. Frail elderly person means an individual 62 years of age or older

who is unable to perform at least three activities of daily living (ADLs) as defined by the regulations for HUD's Section 202 Program (Supportive Housing for the Elderly) at 24 CFR 891.205. Assisted living is defined in section 232(b)(6) of the National Housing Act (12 U.S.C. 1715w).

The ALCP provides funding for the physical costs of converting some or all of the units of an eligible multifamily development into an ALF, including unit configuration and related common and services space and any necessary remodeling, consistent with HUD or the state's statute/regulations (whichever is more stringent). Typical funding will cover basic physical conversion of existing project units, as well as related common and services space. There must be sufficient community space to accommodate a central kitchen or dining facility, lounges, recreation, and other multiple-areas available to all residents of the project, and/or office/staff spaces in the ALF. When food is prepared at an off-site location, the preparation area of the facility must be of sufficient size to allow for the installation of a full kitchen, if necessary. You must provide supportive services for the residents either directly or through a third party. Your application must include a firm commitment for the supportive services to be offered within the ALF. You may charge assisted living residents for meals and/or service fees. Residents may contract with third party agencies directly for nursing, therapy, or other services not offered by the ALF.

B. Authority. The Assisted Living Conversion Program is authorized by Section 202b of the Housing Act of 1959 (12 U.S.C. 1701q-2) and the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007) which provides \$24.8 for the conversion of eligible projects to assisted-living or related use and for emergency repairs, and the government-wide rescissions pursuant to the Department of Defense Appropriations Act.

II. Award Information

A. Available Funds. This NOFA makes available approximately \$30 million including carryover funds. The funds will be used for the physical conversion of eligible multifamily assisted housing projects or portions of projects to ALFs.

Under the ALCP, the 18 HUD Multifamily Hubs are grouped into four geographical areas so that the amount of fair-shared grant funds will be sufficient to enable reasonable competition, and insure projects of feasible size and

quality. The four geographical areas and the lead Hub under the ALCP for each are:

The lead Hub for the East Geographic Area is Buffalo (the other Hubs which feed into Buffalo for the ALCP are Boston, New York, Philadelphia and Baltimore).

The lead Hub for the South Geographic Area is Fort Worth (the other Hubs which feed into Fort Worth for the ALCP are Greensboro, Jacksonville, and Atlanta).

The lead Hub for the Central Geographic Area is Kansas City (the other Hubs which feed into Kansas City for the ALCP are Chicago, Columbus, Detroit, and Minneapolis).

The lead Hub for the West Geographic Area is San Francisco (the other Hubs which feed into San Francisco for the ALCP are Seattle, Los Angeles, and Denver).

The allocation formula used to fair share the \$30 million for the ALCP reflects demographic characteristics of age and incidence of frailty that would be expected for program participants. The FY2007 formula consists of one data element from the 2000 decennial census: The number of non-institutional elderly population aged 75 years or older with a disability. A fair share factor for each state was developed by taking the sum of the persons aged 75 or older with a disability within each state as a percentage of the sum of the same number of persons for the total United States. The resulting percentage for each state was then adjusted to reflect the relative difference in the cost of providing housing among the states. The total of the grant funds available was multiplied by the adjusted fair share percentage for each state, and the resulting funds for each state were totaled for each Hub.

The ALCP grant funds fair share allocations, based on the formula above, for the four geographical areas are as shown on the following chart:

B. FY 2007 Allocation

FY 2007 ALLOCATION FOR THE ASSISTED LIVING CONVERSION PROGRAM (ALCP) OF ELIGIBLE ASSISTED MULTIFAMILY PROJECTS

Area	Grant authority
East	\$7,530,990
South	9,504,338
Central	7,043,100
West	5,921,572
Total	30,000,000

The ALCP Grant Agreement, when fully executed, obligates the HUD funds. This Agreement establishes the legal relationship between HUD and the ALCP award recipient. The period of performance will be based on the scope of work but shall not exceed 18 months.

III. Eligibility Information

A. Eligible Applicants. Only private nonprofit owners of eligible multifamily assisted housing developments specified in section 683(2)(B), (C), (D), (E), (F), and (G) of the Housing and Community Development Act of 1992 (Pub. L. 102-550, approved October 28, 1992) may apply for an ALCP grant.

Note: If your eligibility status changes during the course of the grant term, making you ineligible to receive the grant (e.g., prepayment of mortgage, sale/TPA of property, opting out of a Section 8 Housing Assistance Payment (HAP) contract, or the transfer of the grant to a single asset entity), HUD retains the right to terminate the grant and recover funds made available through this NOFA.

1. Ineligible Applicants. Ineligible applicants are:

- a. Owners of developments designed specifically for people with disabilities.
- b. Owners of Section 232 developments.
- c. Property management companies and agents of property management companies.
- d. Limited dividend partnerships.
- e. Nonprofit Public Agencies.
- f. Owners of hospitals or other health-related facility which are considered to be eleemosynary institutions.
- g. Owner of an existing insured or privately owned Assisted Living Facility.
- h. Owners of commercial structures.

2. Eligible Developments. Eligible projects must be owned by a private, nonprofit entity and designated primarily for occupancy by elderly persons. Projects must have been in occupancy for at least five years from the date the form HUD-92485, Permission to Occupy Project Mortgage, was approved by HUD and have completed final closing. Eligible projects may only receive one grant award. Additionally, eligible projects must meet one of the following criteria:

- a. Section 202 direct loan projects with or without Section 8 rental assistance,
- b. Section 202 capital advance projects receiving rental assistance under their Project Rental Assistance Contract (PRAC),
- c. Section 515 rural housing projects receiving Section 8 rental assistance,
- d. Other projects receiving Section 8 project-based rental assistance,

e. Projects subsidized with Section 221(d)(3) below-market interest mortgage,

f. Projects assisted under Section 236 of the National Housing Act.

B. Cost Sharing or Matching. No matching required.

C. Eligibility Requirements

1. Eligible conversion activities are:

a. Retrofitting to meet Section 504 accessibility requirements, minimum property standards for accessibility and/or building codes and health and safety standards for ALFs in that jurisdiction. Examples are items such as addition of:

- (1) Upgrading to accessible units for the ALF with moveable cabinetry, accessible appliances, sinks, bathroom and kitchen fixtures, closets, hardware and grab bars, widening of doors, etc.;
- (2) An elevator or upgrades thereto;
- (3) Lighting upgrades;
- (4) Major physical or mechanical systems of projects necessary to meet local code or assisted living requirements;
- (5) Sprinkler systems;
- (6) Upgrades to safety and emergency alert systems;
- (7) Addition of hallway railings; and
- (8) Medication storage and workstations.

b. Retrofitting to add, modify and/or outfit common space, office or related space for ALF staff including a service coordinator and file security, and/or a central kitchen/dining facility to support the ALF function (e.g., outfit lounge/common space/dining furniture, kitchen equipment for cooking/serving and dishware).

c. Retrofitting to upgrade a regular unit to an accessible unit for a person/family with disabilities who is being displaced from an accessible unit in the portion of the project that is being converted to the ALF, where another accessible unit is not available.

d. Temporary relocation.

e. Consultant, architectural, and legal fees.

f. Vacancy payments limited to 30 days after conversion to an ALF.

g. Any excess Residual Receipts (over \$500/unit) and Reserve for Replacement funds (over \$1000/unit) in Project Accounts that are not approved for another use at the time of application to HUD under this NOFA are considered available funds and must be applied toward the cost of conversion activities. Before making this determination, however, HUD staff will consider the extent of repair/replacement needs indicated in the most recent Real Estate Assessment Center (REAC) physical inspection and not yet approved and any ongoing commitments such as non-

grant-based service coordinator or other funding, where existing, deduct the estimated costs of such items from the reserve for replacement and residual receipts balances to determine the extent of available residual receipts and reserve for replacement funds for the ALCP.

2. *Threshold Requirements.* In addition to the threshold criteria outlined in the General Section, applicants must meet the following requirements to receive funding for this program.

a. Be an eligible applicant.

b. DUNS Requirement. All ALCP applicants must have a DUN and Bradstreet Universal Data Numbering Systems (DUNS) number. The DUNS number must be included in the data entry field labeled "organizational DUNS" on the form SF-424. Instructions for obtaining a DUNS number can be found at either www.hud.gov/offices/adm/grants/duns.cfm or http://www.grants.gov/applicants/request_duns_number.jsp.

c. You cannot request more funds than allocated for your geographical area. (See the allocation chart above in Section II.B.)

d. You must provide commitment and funding support letters from the appropriate funding organizations and the appropriate licensing agency(ies). HUD will reject your application if the commitment and support letter(s) from the appropriate funding organizations and the appropriate licensing agency(ies):

(1) Are not submitted by the application submission date as part of your application for financial assistance;

(2) Indicate that the ALF units, facilities, meals and supportive services to be provided are not designed to meet the special needs of the residents who will reside in the ALF as defined in this NOFA,

(3) Do not show commitment for funding the meals and supportive services proposed; or

(4) Indicate that the project as proposed will not meet the licensing requirements of the appropriate state/local agency(ies).

e. You must comply with all applicable statutory requirements specified in Section 202b and statutory requirements under Section 232(b)(6).

f. Minimum Size Limits for an ALF. An ALF must be economically feasible. Consistent with HUD Handbook 4600.1, CHG-1, the minimum size for an ALF is five units.

g. You must submit the required number of copies of your completed ALCP application by the deadline date, if you requested and received a waiver

of the electronic submission requirement. The notification granting your waiver request will specify requirements for paper application submission, including the required number of copies and where to submit the application.

h. If you submit a substantially deficient application, that is, an application missing six or more exhibits, the application will be considered non-responsive to the NOFA, thus leaving your application ineligible for review. Refer to Section IV.B, Content and Form of Application Submission for further information.

3. Program Requirements

a. You must have a residual receipts account separate from the Reserve for Replacement account, or agree to establish this account as a condition for getting an award(s).

b. You must be in compliance with your Loan Agreement, Capital Advance Agreement, Regulatory Agreement, Housing Assistance Payment contract, Project Rental Assistance Contract, Rent Supplement or Loan Management Set-Aside (LMSA) contract, or any other HUD grant or contract document.

c. If selected, you must file a form HUD-2530 for all construction contractors, architects, consultants, and service provider organizations under direct contract with you that will be engaged under this NOFA within 30 days of execution of the grant award.

d. Your project must meet HUD's Uniform Physical Conditions Standards at 24 CFR part 5, subpart G. Meeting these standards, based on the most recent REAC physical inspection report and responses thereto, means that the project, must have a "satisfactory" rating as evidenced by a score of 60 or better or a HUD-approved and on schedule repair plan for developments scoring less than 60. Additionally, the project must have no uncorrected and outstanding Exigent Health and Safety violations. Finally, the project must not have a management review with a rating of "minimally satisfactory" or "unsatisfactory" with open and unresolved findings.

e. You must submit, with your application, an agreement to pursue appropriate ALF licensing in a timely manner.

f. Meals and Supportive Services. You must develop and submit a Supportive Services Plan (SSP) for the services and coordination of the supportive services, which will be offered in the ALF to the appropriate state or local organization(s), which are expected to fund those supportive services. (See Section IV.B. below for information,

which must be in the SSP.) You must submit one copy of your SSP to each appropriate state or local service funding organizations well in advance of the application deadline, for appropriate review. The state or local funding organization(s) must return the SSP to you with appropriate comments and an indication of the funding commitment, which you will then include with the application you submit to HUD.

g. Licensing Requirements. You must ALSO submit the SSP to the appropriate organization(s), which license(s) ALFs in your jurisdiction. The licensing agency(ies) must approve your plan, and must also certify that the ALF and the proposed supportive services identified in your SSP, are consistent with local statute and regulations and well designed to serve the needs of the frail elderly and people with disabilities who will reside in the ALF portion of your project.

h. Your ALF must be licensed and regulated by the state (or if there is no state law providing such licensing and regulation, by the municipality or other subdivision in which the facility is located). Each assisted living unit must include its own kitchen, bathroom, bedroom, living/dining area (1 bedroom unit) or kitchen, bathroom, bedroom/living/dining area (efficiency unit) and must meet the state and/or local licensing, building, zoning, and other requirements for an ALF.

i. Your ALF must be available to qualified elderly persons and persons with disabilities, consistent with the rules and payment plans of the state, who need and want the supportive services in order to remain independent and avoid premature institutionalization.

j. Your ALF's residents must be tenants or residents of the multifamily project and must comply with the requirements applicable to the project. Thus, you cannot charge additional rent over what is charged to residents in the non-ALF portion of the project. All admissions to the ALF must be through the applicable project admissions office. However, persons accepted into the ALF also must sign an ALF admissions agreement, which shall be an addendum to the applicable project lease.

k. At a minimum, your ALF must provide room, board, and continuous protective oversight (CPO). CPO involves a range of activities and services that may include such things as awareness by management and staff of the occupant's condition and location as well as an ability to intervene in a crisis for ALF occupants on a 24-hour basis. The two occupant groups in an ALF are:

(1) Independent Occupants.

Awareness by management and staff of the occupant's condition and whereabouts as well as the availability of assistance for the occupants as needed.

(2) Dependent occupants. Supervision of nutrition, assistance with medication and continuous responsibility for the occupants' welfare.

l. Anyone moving into an ALF unit must agree to accept as a condition of occupancy the board and services required for the purpose of complying with state and local law and regulation.

m. Your ALF must provide three meals per day.

(1) Residents whose apartments have kitchens must take at least the number of meals a day provided by the facility, per their mandatory meals requirement, or as required by state or local rules, if more stringent. If the facility does not have a mandatory meals plan, then state and local rules govern.

(2) Residents in projects which were originally constructed without kitchens in their units must take such meals as required by their mandatory meals agreement, if applicable, or by the state's mandated requirements if more stringent (e.g., two meals, two snacks daily).

In either case, ALF management must coordinate meal requirements with the needs of residents who are out part of the day (e.g., in day care). The meal program may not be operated at a profit by the project owner.

n. Priority admissions for ALF units are as follows:

(1) Current residents desiring an ALF unit and meeting the program requirements (no resident can be required to accept an ALF unit).

(2) Qualified individuals or families needing ALF services who are already on the project's waiting list;

(3) Qualified individuals or families in the community needing ALF services wanting to be added to the project's waiting list.

(4) Qualified disabled non-elderly persons needing assisted living services are eligible to occupy these units on the same basis as elderly persons, except for section 202 project rental assistance contracts (PRAC) projects.

o. The management of the project must set up a separate waiting list for ALF units. ALF units must be for eligible residents who meet the admissions/discharge requirements as established for assisted living by state and local licensing, or HUD frailty requirements under 24 CFR 891.205 if more stringent.

p. Upon receipt of a grant under this program, all project owners

participating in the ALCP must provide a Declaration of Restrictive Covenants (DRC), which will be recorded with the land, to retain the low income character of the housing, and to maintain the project (including the ALF), as a moderate-, low-, or very low-income facility (as appropriate) for at least 20 years beyond the current 40- to 50-year term of the mortgage loan or capital advance.

q. The ALCP requires service coordination for linking the ALF to available services in the community for low-income persons. All projects funded under this NOFA must have sufficient service coordination in place, or request additional funds, if appropriate, to ensure that services meeting licensing requirements are available to ALF residents on an ongoing basis. Service coordination must be described in the application (see Section IV.B. of this NOFA). If you need to enhance an existing service coordination program or add one where it does not exist, you may apply for funding through the Service Coordinator NOFA, published elsewhere in the SuperNOFA. If a funds request for service coordination for the ALF and/or the whole project is included as part of this application, the Form SF-424 under Exhibit 11, must indicate the dollars requested. Do NOT attach the whole service coordinator application. You may also show evidence that funding for the enhanced service coordination is provided by other sources by indicating such funding on the form SF-424. If you are funded under this NOFA and requested new or enhanced service coordination you will be funded first under the service coordinator NOFA.

(1) The ALF must be staffed either directly or through coordination with local agencies, depending on state regulations or local requirements. These may also serve non-ALF residents of the project on a time available and appropriate fee basis.

(2) If you are a Section 202 PRAC project owner, you are NOT eligible to request funding under the service coordinator NOFA. Section 202 PRAC owners can pay for the service coordinator out of PRAC funds.

(3) The ALF may cater to the special needs of residents depending on their condition or diagnosis, such as Alzheimer's disease. If it does so, the design/environment of such facilities must accommodate those needs, e.g., dementia special care unit. However, the ALF cannot provide a service it is not licensed by the state or locality to provide.

(4) Owners of Section 202/PRAC projects are reminded that they may

include a PRAC payment of up to \$15/unit/month not to exceed 15 percent of the total program cost, consistent with 24 CFR 891.225(b)(2) to cover part of the cost of meals and/or supportive services for frail elderly residents, including residents of the ALF.

(5) Training for ALF staff is an eligible project cost under existing operating procedures. For further information on ALFs, please refer to Handbook 4600.1, CHG-1, "Mortgage Insurance for Residential Care Facilities," Chapter 13. This Handbook and recent ALF program Notices are accessible through HUDCLIPS on HUD's Web site at <http://www.hudclips.org/cgi/index.cgi>. These notices are in the Handbooks and Notices—Housing Notices database. Enter only the number without the letter prefix (e.g., 99-16) in the "Document number" to retrieve the program notice.

For further guidance on service coordinators, please refer to Handbook 4381.5 REV-2, CHANGE-2, Chapter 8, "The Management Agent's Handbook," which is also available through the HUDCLIPS database.

r. Your ALF's operation must be part of the project owner's management organization. Some or all of its functions may be contracted out. The ALF must predicate its budget on a two-tiered structure under which board and supportive service income and expenses must be maintained separately and independently from the regular income and expenses of the applicable project. The two components of ALF costs are:

(1) Charges/payment for board, (not including rent for the unit) which may be on a sliding scale or any other equitable fee system; and

(2) Charges/payment for necessary supportive services, which may include a combination of resident fees, Medicaid and/or other third party payments.

s. Prohibition Against Lobbying Activities. The Byrd Amendment prohibits ALCP recipients of federal contracts, grants, or loans from using appropriated funds for lobbying activities. (Refer to Section III.C. of the General Section for further instructions regarding this requirement.)

t. Economic Opportunities for Low and Very Low-Income Persons (Section 3). You must comply with Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u (Economic Opportunities for Low and Very Low-Income Persons), and implementing regulations at 24 CFR part 135. You must ensure that training, employment, and other economic opportunities shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance

for housing and to business concerns which provide economic opportunities to low- and very low-income persons and including people with disabilities.

4. Additional Non-discrimination and Other Requirements. Comply with the requirements of the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act, the Age Discrimination Act of 1975, the affirmative fair housing marketing requirements of 24 CFR part 200, subpart M, and the implementing regulations at 24 CFR part 108, which requires that the project be marketed to those least likely to apply, including those who are not generally served by the agency administering the program, and other applicable federal, state, and local laws prohibiting discrimination and promoting equal opportunity, including affirmatively furthering fair housing, and other certifications listed in the application. (Refer to Section III.C. of the General Section for additional requirements and information.)

a. Comply with section 232 of the National Housing Act, as applicable; the Uniform Federal Accessibility Standards (24 CFR 40.7); section 504 of the Rehabilitation Act of 1973 and HUD's implementing regulations at 24 CFR part 8; and the Americans with Disabilities Act of 1990 for all portions of the development physically affected by this proposal.

b. Comply with the Davis-Bacon requirements and the Contract Work Hours and Safety Standards Act as applied to this program. While it has been determined that Davis-Bacon does not apply statutorily to the ALCP, the Department has administratively determined that Davis-Bacon standards and overtime rates in accordance with the Contract Work Hours and Safety Standards Act will be adhered to in any ALCP conversion grant in which the total cost of the physical conversion to an ALF (and including any additional renovation work undertaken at the same time) is \$500,000 or more (this includes ALCP grant funds, owner funds, or any third party funds loaned or granted in support of the conversion or other renovation for the project associated with this grant), AND in which the ALF portion of the project is 12 units or more.

c. *Ensuring the Participation of Small Business, Small Disadvantaged Businesses, and Woman-Owned Businesses.* HUD is committed to ensuring that small businesses, small disadvantage businesses, and woman-owned businesses participate fully in HUD's direct contracting and in contracting opportunities generated by HUD's financial assistance. (Refer to the

General Section for further instructions regarding this requirement.)

d. *Executive Order 13166, Improving Access to Persons with Limited English Proficiency (LEP)*. ALCP applicants must seek to improve access to persons with limited English proficiency by providing materials and information in languages other than English. Make applications and other materials available in languages other than English that are common in the community, if speakers of these languages are found in significant numbers and come into frequent contact with the program. For further guidance on serving persons with Limited English Proficiency (LEP) in HUD assisted programs, see HUD's LEP guidance, "Notice of Guidance to Federal Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons," 72 FR 2732 (January 22, 2007) or see the following web site, <http://www.lep.gov/recipient.html>.

e. *Executive Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations*. HUD has undertaken a review of all policies and regulations that have implications for faith-based and community organizations, and has established a policy priority to provide full and equal access to grassroots faith-based and other community-based organizations. (Refer to the General Section for specific instructions regarding this requirement.)

f. *Accessible Technology*. The Rehabilitation Act Amendments of 1998 apply to all electronic information technology (EIT) used by an ALCP recipient for transmitting, receiving, using, or storing information to carry out the responsibilities of the ALCP awards. (Refer to Section III.C. of the General Section for specific instructions regarding this requirement.)

g. *Participation in HUD-Sponsored Program Evaluation*. As a condition of the receipt of ALCP funds, successful applicants are required to cooperate with all HUD staff or contractors performing HUD-funded research and evaluation studies.

h. Comply with Executive Order 13202, Preservation of Open Competition and Government Neutrality toward Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects. (Refer to the General Section for additional information on this requirement).

i. *OMB Circulars and Government-wide Regulations Applicable to Financial Assistance*. ALCP applicants are subject to the Administrative Requirements of OMB Circular A-133, Audits of States, Local Governments

and Non-Profit Organizations; OMB Circular A-122, Cost Principles for Non-Profit Institutions; the administrative requirements of 24 CFR Part 84; and the procurement requirements of 24 CFR 84.44. (Refer to the General Section for additional information on this requirement).

j. *Environmental Requirements*. Your ALCP application is subject to the National Environmental Policy Act of 1969 and applicable related federal environmental authorities. (See 24 CFR part 50, as applicable.) An environmental review will be completed by HUD before awarding any grant under this program. ALCP projects are 'critical actions' for purposes of 24 CFR part 55 and must comply with requirements applicable to 'critical actions,' including floodplain management review requirements, if proposed to be carried out in the 500-year floodplain.

IV. Application and Submission Information

A. Addresses to Request Application Package. All information for requesting an application is included in this NOFA and Section IV.A. of the General Section. The application for the ALCP is available on the Internet from the grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information, you can receive customer support from Grants.gov by calling the help line at (800) 518-Grants or by sending an e-mail to support@grants.gov. If you do not have access, you may obtain an ALCP application by calling the NOFA Information Center at (voice) 800-HUD-8929 (800-483-8929). Persons with a hearing or speech impairment access this number via TTY by calling the Federal Information Relay Service at 800-877-8339. Please be sure to provide your name, address (including zip code), and telephone number (including area code).

1. *Multiple Applications*. Owners may not submit multiple applications for the same elderly housing development. HUD will only accept one ALCP application per project.

2. *For Technical Assistance*. Before the ALCP application deadline date, HUD staff will be available to provide you with general guidance and technical assistance. However, HUD staff is not permitted to assist in preparing your application. For technical support for downloading the ALCP application or submitting the application, call the toll free Grants.gov Customer Support line at 1-800-518-Grants or send an e-mail message to support@grants.gov.

3. *Satellite Broadcast*. HUD will provide a satellite broadcast for potential applicants. For more information about the date and time of the broadcast, you should contact your local HUD Office or go to HUD's Web site at: www.hud.gov/webcasts/index.cfm.

B. Content and Form of Application Submission. There are eleven required exhibits under the ALCP, including prescribed forms and certifications. In cases where your articles of incorporation and by-laws have NOT changed since the project was originally approved by HUD, your signature on the SF-424 signifies that you are self-certifying to that effect—that the documents on file with HUD are current—is sufficient. Exhibits for which self-certification of currency is possible are Exhibits 2(a) and (b).

In addition to the relief of paperwork burden, you will not have to submit certain information and exhibits you have previously prepared. See individual item descriptions below to identify such items. An example of such an item may be the FY2007 Annual Financial Statement. Your application must include all of the information, materials, forms, and exhibits listed below (Please see the General Section for instructions on how to submit third party and other documents such as Articles of Incorporation; by-laws; copies of original plans; evidence of financial commitment; letter(s) from zoning officials; etc.):

1. Application Summary for the Assisted Living Conversion Program, Form HUD-92045.

2. Evidence that you are a private nonprofit organization or nonprofit consumer cooperative and have the legal ability to operate an ALF program, per the following:

a. Articles of Incorporation, constitution, or other organizational documents, or self-certification of these documents if there has been no change in the Articles since they were originally filed with HUD and

b. By-laws, or self-certification of by-laws, if there has been no change in the by-laws since they were originally filed with HUD.

3. A description of your community support:

a. A description of your links to the community at large and to the minority and elderly communities in particular; and

b. A description of your efforts to involve elderly persons, including minority elderly persons and persons with disabilities in:

(1) The development of the application;

(2) The development of the ALF operating philosophy;

(3) Review of the application prior to submission to HUD; and

(4) Your intent whether or not to involve eligible ALF residents in the operation of the project.

c. A description of your involvement in your community's Consolidated Planning and Analysis of Impediments to Fair Housing (AI) processes including:

(1) An identification of the lead/facilitating agency(ies) that organizes and/or administers the process;

(2) A listing of the Consolidated Plan/AI issue areas in which you participate; and

(3) The level of your participation in the process, including active involvement with any neighborhood-based organizations, associations, or any committees that support programs and activities that enhance projects or the lives of residents of the projects, such as the one proposed in your application.

If you are not currently active, describe the specific steps you will take to become active in the Consolidated Planning and AI processes. (Consult the local HUD office for the identification of the Consolidated Plan community process for the appropriate area.)

d. A description of how the assisted living facility will implement practical solutions that will result in assisting residents in achieving independent living and improved living environment.

e. A description of how you have supported state and local efforts to streamline processes and procedures in the removal of regulatory barriers to affordable housing. To obtain up to 2 points for this policy priority you must complete the Form HUD-27300, Questionnaire for HUD's Initiative on Removal of Regulatory Barriers, complete Part A or Part B (not both), provide the required documentation, where requested, and include a point of contact. See Rating Factor 3 in Section V.A. of this NOFA for more details.

4. Evidence of your project being occupied for at least five years prior to the date of application to HUD.

5. A market analysis of the need for the proposed ALF units, including information from both the project and the housing market, containing:

a. Evidence of need for the ALF by current project residents:

(1) A description of the demographic characteristics of the elderly residents currently living in the project, including the current number of residents, distribution of residents by age, race, and sex, an estimate of the number of residents with frailties/limitations in

activities of daily living, and an estimate of the number of residents in need of assisted living services.

(2) A description of the services currently available to the residents and/or provided on or off-site and what services are lacking;

b. Evidence of the need for ALF units by very low-income elderly and disabled households in the market area; a description of the trend in elderly and disabled population and household change; data on the demographic characteristics of the very low-income elderly in need of assisted living services (age, race, sex, household size, and tenure) and extent of residents with frailty/limitations in existing federally assisted housing for the elderly (HUD and Rural Housing Service); and an estimate of the very low-income elderly and disabled in need of assisted living taking into consideration any available state or local data.

c. A description of the extent, types, and availability and cost of alternate care and services locally, such as home health care; adult day care; housekeeping services; meals programs; visiting nurses; on-call transportation services; health care; and providers of supportive services who address the needs of the local low income population.

d. A description of how information in the community's Analysis of Impediments to Fair Housing Choice was used in documenting the need for the ALF (covering items in c. above).

6. A description of the physical construction aspects of the ALF conversion, including the following:

a. How you propose to carry out the physical conversion (including a timetable and relocation planning). Completion of the Logic Model will assist in completing your response to this Exhibit.

b. A short narrative stating the number of units, special design features, community and office space/storage, dining and kitchen facility and staff space, and the physical relationship to the rest of the project. Also, you must describe how this design will facilitate the delivery of services in an economical fashion in the most integrated setting appropriate to the needs of the participating residents with disabilities and accommodate the changing needs of the residents over at least the next 10 years.

c. A description on how the project will promote energy efficiency, including any plans to incorporate energy efficiency features in the design and operation of the ALF through the use of Energy Star labeled products and appliances. Applicants that meet this

policy priority will receive two points under Rating Factor 3 in Section V.A. of this NOFA. Refer to the General Section for further information on this requirement or for further information about Energy Star see <http://www.energystar.gov>.

d. A copy of the original plans for all units and other areas of the development, which will be included in the conversion.

e. A description of the conversion must clearly address how the units will conform to the accessibility requirements described in the Uniform Federal Accessibility Standards (UFAS). (For example, all door openings must have a minimum clear opening of 32 inches; and, all bathrooms and kitchens must be accessible to and functional for persons in wheelchairs.)

f. Architectural sketches of the conversion to a scale of 1/4 inch to one foot that indicate the following:

(1) All doors being widened;

(2) Typical kitchen and bathroom reconfiguration: show all wheelchair clearances, wall reinforcing, grab bars, and elevations of counters and work surfaces;

(3) Bedroom/living/dining area modification, if needed;

(4) Any reconfigured common space;

(5) Added/reconfigured office and storage space;

(6) Monitoring stations, and

(7) The kitchen and dining facility.

All architectural modifications must meet section 504 and ADA requirements as appropriate.

g. A budget showing estimated costs for materials, supplies, fixtures, and labor for each of the items listed in Section IV.B.6.f, items (1) through (7), above.

h. Include firm financial commitment letters with specific dollar amounts from appropriate organization(s) for conversion needs (within the scope of the ALF conversion NOFA) which will be supported by non-HUD funding.

i. A description of any relocation of current tenants including a statement that:

(1) Indicates the estimated cost of temporary relocation payments and other related services;

(2) Identifies the staff organization that will carry out the relocation activities; and

(3) Identifies all tenants that will have to be temporarily moved to another unit within the development OR from the development during the period that the physical conversion of the project is under way.

(4) Temporary relocation should not extend beyond one year before the person is returned to his or her previous

unit or location. The grantee must contact any residential tenant who has been temporarily relocated for a period beyond one year and offer all permanent relocation assistance. This assistance would be in addition to any assistance the person has already received for temporary relocation, and may be reduced by the amount of any temporary relocation assistance.

Note: If any of the relocation costs will be funded from sources other than the ALCP grant, you must provide evidence of a firm financial commitment of these funds. When evaluating applications, HUD will consider the total cost of proposals (i.e., cost of conversion, temporary relocation, service coordinator, and other project costs).

j. Address how training, employment, and economic opportunities will be directed to low- and very low-income persons that receive government assistance for housing and to business concerns which provide economic opportunities to low- and very-low-income persons and people with disabilities.

7. A description of any retrofit or renovation that will be done at the project (with third party funds) that is separate and distinct from the ALF conversion. With such description, include as part of your application submission firm commitment letters from third party organizations in specific dollar amounts that will cover the cost of any work outside the scope of this NOFA.

8. A letter from the local zoning official indicating evidence of permissive zoning. Also, showing that the modifications to include the ALF into the project as proposed are permissible under applicable zoning ordinances or regulations.

9. A supportive services plan (SSP), a copy of which must be submitted to the appropriate state and/or local agency as instructed in Section III.C. above. For those applicants needing to contact state Medicaid offices, a list is provided on the Internet at www.cms.hhs.gov/medicaid. The SSP must include:

a. A description of the supportive services needed for the frail elderly the ALF is expected to serve. This must include at least (1) meals and such other supportive services required locally or by the state, and (2) such optional services or care to be offered on an "as needed" basis.

Examples of both mandatory and optional services (which will vary from state to state) are: two meals and two snacks or three meals daily; 24-hour protective oversight; personal care; housekeeping services; personal counseling, and transportation.

b. A description of how you will provide the supportive services to those who are frail and have disabilities (i.e., on or off-site or combination of on or off-site), including an explanation of how the service coordination role will facilitate the adequate provision of such services to ALF residents, and how the services will meet the identified needs of the residents. Also indicate how you intend to fund the service coordinator role.

c. A description of how the operation of your ALF will work. Address: (1) general operating procedures; (2) ALF philosophy and how it will promote the autonomy and independence of the frail elderly and persons with disabilities; (3) what will the service coordination function do and the extent to which this function already exists, or will be augmented or new; (4) ALF staff training plans; and (5) the degree to which and how the ALF will relate to the day-to-day operations of the rest of the project.

d. The monthly individual rate for board and supportive services for the ALF listing the total fee and components of the total fee for the items required by state or local licensing, and list the appropriate rate for any optional services you plan to offer to the ALF residents. Provide an estimate of the total annual costs of the required board and supportive services you expect to provide and an estimate of the amount of optional services you expect to provide.

e. List who will pay for the board and supportive services and the amount. For example, include such items as:

- (1) Meals by sponsors—\$20
- (2) Housekeeping services by the City government—\$30
- (3) Personal care by State Department of Health—\$60
- (4) Service paid for by state program—\$40
- (5) Fees paid by tenants—\$83

The amounts and commitments from both tenants and/or providers must equal the estimated amounts necessary to cover the monthly rates for the number of people expected to be served. If you include tenant fees in the proposal, list and show any proposed scaling mechanism. All amounts committed/collected must equal the annualized cost of the monthly rates calculated by the expected percentage of units filled.

f. A support/commitment letter from EACH listed proposed funding source per paragraph e. above, for the planned meals and supportive services listed in the application. The letter must cover the total planned annual commitment (and multiyear amount total, if different), length of time for the

commitment, and the amounts payable for each service covered by the provider/paying organization. There must be a letter from EACH participating organization listed in paragraph e, above.

g. A support letter from EACH governmental agency that provides licensing for ALFs in that jurisdiction.

h. A description of your relevant experience in arranging for and/or delivering supportive services to frail residents. The description should include any supportive services facilities owned/operated; your past or current involvement in any project-based programs that demonstrates your management capabilities. The description should include data on the facilities and specific meals and/or supportive services provided on a regular basis, the racial/ethnic composition of the populations served, if available, and information and testimonials from residents or community leaders on the quality of the services.

10. A description of your project's resources:

a. A copy of the most recent project Reserve and Replacement account statement, and a Reserve for Replacement analysis showing plans for its use over the next five years, and any approvals received from the HUD field office to date.

b. A copy of the most recent Residual Receipts Account statement. Indicate any approvals for the use of such receipts from the field office for over \$500/unit.

c. Annual Financial Statement (AFS). If your FY2007 AFS was due to REAC more than 120 days BEFORE the deadline date for this application, in the interest of reducing work burden, only include the date that it was sent to REAC. If the AFS was due to REAC 120 days or less from the deadline date of this application, you MUST include a paper copy of your AFS in the application. See Section IV.F.5. of this NOFA for information on addresses to submit paper applications.

11. Forms and Certifications. The electronic version of the NOFA contains all forms required for submitting the ALCP application. The following exhibits, forms, certifications, and assurances are required.

a. Form HUD-92045, Multifamily Housing Assisted Living Conversion Program Application Summary Sheet.

b. Form SF-424, Application for Federal Assistance, and compliance with Executive Order 12372 (a certification that you have submitted a copy of your application, if required, to the state agency (Single Point of

Contact) for state review in accordance with Executive Order 12372 (refer to the General Section for instructions in submitting this form).

c. SF-424 Supplement, Survey for Ensuring Equal Opportunity for Applicants ("Faith Based EEO survey (SF-424SUPP)" on Grants.gov);

d. Form HUD-424-CB, Grant Applications Detailed Budget (HUD Detailed Budget Form" on Grants.gov);

e. Form HUD-424-CBW, Grant Application Detailed Budget worksheet;

f. Form HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov), including Social Security and Employment Identification numbers. A disclosure of assistance from other government sources received in connection with the project.

g. Form HUD-2991, Certification of Consistency with the Consolidated Plan for the jurisdiction in which the proposed ALF will be located. The certification must be made by the unit of general local government if it is required to have, or has, a complete Plan. Otherwise, the certification may be made by the state, or by the unit of general local government if the project will be located within the jurisdiction of the unit of general local government authorized to use an abbreviated strategy, and if it is willing to prepare such a Plan.

All certifications must be made by the public official responsible for submitting the plan to HUD. The certifications must be submitted by the application submission deadline date set forth herein. The Plan regulations are published in 24 CFR part 91.

h. Form HUD 2994-A, You Are Our Client Grant Application Survey, optional.

i. Standard Form-LLL, Disclosure of Lobbying Activities, if applicable.

j. Form HUD-96010, Program Outcome Logic Model.

k. Form HUD-27300, America's Affordable Communities Initiative/Removal of Regulatory Barriers (and supporting documentation) ("HUD Communities Initiative Form" on Grants.gov).

l. Certification of Consistency with RC/EZ/EC-II Strategic Plan (HUD-2990), if applicable.

m. HUD-96011, "Third Party Documentation Facsimile Transmittal" ("Facsimile Transmittal Form" on Grants.gov). This form must be used as the cover page to transmit third party documents and other information as described in the General Section as part of your electronic application submittal (if applicable).

C. Submission Date and Time

Application Submission Date. Unless you received a waiver to the electronic application submission requirements, your completed ALCP application must be submitted via http://www.grants.gov/applicants/applyfor_grants.jsp and must be received and validated by Grants.gov no later than 11:59:59 eastern time on the application deadline date (June 7, 2007). (Refer to Section IV. of the General Section for further instructions on the delivery and receipt of applications.

D. Intergovernmental Review

1. *Executive Order 12372*. ALCP applicants are subject to the Executive Order 12372 process. Refer to Section IV.D. of the General Section for instructions on the intergovernmental review process.)

2. You must submit a Supportive Services Plan (SSP) for the services and coordination of the supportive services that will be offered in the assisted living facility (ALF) to the appropriate state or local organization(s), which are expected to fund those supportive services. You must submit one copy of your SSP to each appropriate state or local service funding organizations well in advance of the application deadline, for appropriate review. The state or local funding organization(s) must return the SSP to you with appropriate comments and an indication of the funding commitment, which you will then include with the application you submit to HUD.

You must ALSO submit the SSP to the appropriate organization(s) that license ALFs in your jurisdiction. The licensing agency(ies) must approve your plan, and must also certify that the ALF and the proposed supportive services identified in your SSP, are consistent with local statute and regulations and well designed to serve the needs of the frail elderly and people with disabilities who will reside in the ALF portion of your project.

E. Funding Restrictions

1. This program does NOT cover the cost of meals and supportive services. These items must be paid for through other sources (e.g., a mix of resident fees and/or third party providers). Evidence of third party commitment(s) must be included as part of the application. The assisted living supportive services program must promote independence and provide personal care assistance based on individual needs in a home-like environment. In accordance with Section 504 of the Rehabilitation Act of 1973 and HUD's regulations at 24 CFR

8.4(d), the project must deliver services in the most integrated setting appropriate to the needs of qualified individuals with disabilities.

2. This program does NOT allow permanent displacement of any resident living in the project at the time the application was submitted to HUD. (HUD will only provide temporary relocation costs for current tenants if they must vacate their unit while conversion work is underway (normal temporary relocation costs include increases in rent, reconnection of telephones, moving costs, and appropriate out-of-pocket expenses).

3. Applicants will not be awarded multiple grant funds for the same elderly housing development.

4. Ineligible Activities. You may not use funds available through this NOFA to:

a. Add additional dwelling units to the existing project

b. Pay the costs of any of the necessary direct supportive services needed to operate the ALF;

c. Purchase or lease additional land;

d. Rehabilitate (see definition at 24 CFR 891.105) the project for needs unrelated directly to the conversion of units and common space for assisted living.

e. Use the ALCP to reduce the number of accessible units in the project that are not part of the ALF

f. Permanently displace any resident out of the project (permanent relocation is prohibited under this program)

g. Increase the management fee.

h. Cover the cost of activities not directly related to the conversion of the units and common space. (i.e., if an applicant is applying to convert 24 units on 2 floors of a 5-story elderly housing development and the inspection by the Fire Marshal reveals that sprinklers must be installed in the entire building, ALCP funds will be used only to install sprinklers for the 24 units on the 2 floors requested in the application. The cost to install sprinklers in the remaining units must be paid for out of other resources.

F. Other Submission Requirements

Application Submission and Receipt Procedures. Refer to Section IV.F. of the General Section for additional information on application submission requirements.

1. Electronic Delivery

a. The Grants.gov Web site offers a simple, unified application process. There are several registration steps applicants need to complete. Further information is contained in the General Section published on January 18, 2007

(72 FR 2396). ALCP applicants should also read HUD's **Federal Register** Notice on Early Registration published in the **Federal Register** on October 31, 2006 (71 FR 64070).

b. Electronic signature. ALCP applications submitted through Grants.gov constitute submission as an electronically signed application.

2. Instructions on how to submit electronically are outlined in HUD's "Desktop User's Guide" located on HUD's Grants Web site at: <http://www.hud.gov/grants/index.cfm>.

3. Waiver of Electronic Submission Requirement. Applicants interested in applying for funding under this NOFA must submit their applications electronically or request a waiver of the electronic submission process. Waiver requests must be submitted by mail or by fax. For this program NOFA, e-mail requests will not be considered. Waiver requests submitted by mail or fax should be submitted on the applicant's letterhead and signed by an official with the legal authority to request a waiver from the Department. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be sent to Brian D. Montgomery, Assistant Secretary for Housing-Federal Housing Commissioner, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 9100, Washington, DC 20410-8000. Waiver requests submitted by fax must be sent to (202) 708-3104. If you are granted a waiver to the electronic submission process, your application must be received by HUD no later than 11:59:59 PM eastern time on the application deadline date. See the General Section for additional information.

4. Proof of Timely Submission. ALCP applicants must submit their applications via grants.gov (http://www.grants.gov/applicants/apply_for_grants.jsp) in time for receipt and validation by 11:59:59 p.m. eastern time on the application deadline date of June 7, 2007. Validation can take up to 72 hours so applicants should submit with ample time for the process to be completed. Applicants are also advised to submit with sufficient time to correct any deficiencies that would prevent the acceptance of your application by Grants.gov. (Refer to the General Section for specific procedures regarding proof of timely submission of applications.)

5. Hubs and Field Offices addresses. If you are granted a waiver to the electronic application submission requirement, your waiver approval will provide the information on the number of copies of the application you are required to submit and where to submit

the application. If you send your application to the wrong Hub Office, it will be rejected. Therefore, upon receiving your waiver approval, if you are uncertain as to which lead HUD Multifamily Hub to submit your application, you are encouraged to contact the local HUD Office that is closest to your project's location to ascertain the lead HUD Multifamily Hub to ensure that you submit your application to the correct local lead HUD Multifamily Hub Office. Paper applications must be received in the appropriate lead HUD Multifamily Hub by the application deadline date.

V. Application Review Information

A. Criteria. HUD will rate ALCP applications that successfully complete technical processing using the Rating Factors set forth below and in accordance with the application submission requirements identified in Section IV.B. above. The maximum number of points an application may receive under this program is 100 plus 2 bonus points as described in the General Section and Section V.A. below.

1. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (20 Points)

This factor addresses your capacity to carry out the conversion in a timely, cost-conscious and effective manner. It also addresses your experience at providing the proposed supportive services you intend to make available at the ALF for elderly residents, especially in such areas as meals, 24-hour staffing, and on-site health care. Submit information responding to this factor in accordance with Application Submission Requirements in Sections IV.B.6.a. and b. and 9.a. through c and h. of this NOFA.

In rating this factor, HUD will consider the extent to which your application demonstrates your ability to carry out a successful conversion of the project and to implement the plan to deliver the supportive services on a long-term basis, considering the following:

a. (9 points). The time frame planned for carrying out the physical conversion of the development to the ALF. Examples are: Timeframe for completion of the project in 9 months or less (9 points); completion in 13 months (5 points); completion in 13-18 months (3 points); completion in more than 18 months (0 points).

b. (10 points). Describe your past experience in providing or arranging for supportive services either on or off site for those who are frail. Examples are: Meals delivered to apartment of resident

or in a congregate setting (2 points), arranging for or providing personal care (3 points), providing 24-hour staffing (1 point), providing or making available on-site preventive health care (2 points) and other support services (2 points).

c. (1 point). The Department will provide 1 point to those applicants who currently or propose to partner, fund, or subcontract with grassroots organizations. HUD will consider an organization a "grassroots organization" if the organization is headquartered in the local community and has a social services budget of \$300,000 or less; or has six or fewer full-time equivalent employees. (Refer to the General Section for further information on policy priority points for activities related to grassroots organizations.)

2. Rating Factor 2: Need/Extent of the Problem (20 Points)

This factor addresses the extent to which the conversion is needed by the categories of elderly persons and persons with disabilities that the ALF is intended to serve. The application must include evidence of current needs among project residents and needs of potential residents in the housing market area for such persons including economic and demographic information on very low-income, frail, elderly, and persons with disabilities and information on current assisted living resources in the market area.

The factor also addresses your inability to fund the repairs or conversion activities from existing financial resources. In making this determination, HUD will consider the project's financial information. Submit information responding to this factor in accordance with Application Submission Requirements in Sections IV.B.3.c., 5. a. through d., and 10. a. through c. of this NOFA. In evaluating this factor, HUD will consider:

a. (7 points). The need for assisted living among the elderly and disabled residents of the project taking into consideration those currently in need and the depth of future needs given aging in place.

b. (3 points). The need for assisted living among very low-income elderly persons and persons with disabilities in the housing market area.

c. (9 points). Insufficient funding for any needed conversion work, as evidenced by the project's financial statements and specifically the lack of excess Reserve for Replacement dollars and residual receipts. If the available Reserve for Replacement and residual receipts are less than 10 percent of the total funds needed = 9 points; if the available Reserve for Replacement and

residual receipts are 10–50 percent of need = 5 points; and, if the available Reserve for Replacement and residual receipts are 51 percent or more of the total funds needed = 0 points).

d. (1 point). The Department will provide one point to those applications which establish a connection between the proposed ALF and the community's Analysis of Impediments to Fair Housing Choice (AI) or other planning document that analyzes fair housing issues and is prepared by a local planning or similar organization.

3. Rating Factor 3: Soundness of Approach (40 Points)

This factor addresses the quality and effectiveness of your proposal in addressing the proposed conversion, effectiveness of service coordination and management planning and the meals and supportive services which the ALF intends to provide, whether the jurisdiction in which the ALF is located has taken successful efforts to remove regulatory barriers to affordable housing, whether you will incorporate energy efficiency in the design and operation of the assisted living facility, provide training, employment, and economic opportunities to low- and very low-income persons, and the extent to which you have evidenced general support for conversion by participating in your community's Consolidated Planning Process, involving the residents in the planning process. Submit information responding to this factor in accordance with Application Submission Requirements in Sections IV.B.3.a. through c. and e., IV. B.5.e., IV.B.6.b. through e., IV. B.9.a. through e., g., and h. of this NOFA. In evaluating this factor, HUD will consider the following:

a. (10 points). The extent to which the proposed ALF design will meet the special physical needs of frail elderly persons or persons with disabilities (ALF design: meets needs = 10 points; ALF design partially meets needs = 5 points; and ALF design does not meet needs = 0 points).

b. (10 points). The extent to which the ALF's proposed management and operational plan ensures that the provision of both meals and supportive services planned will be accomplished upon completion of the conversion and receipt of license for the operation of the facility. (Consider ALF design/management plan: meets needs of management operations = 10 points; ALF design/management plan partially meets needs of management operations = 5 points; and ALF design/management plan does not meet needs of management operations = 0 points.)

c. (7 points). The extent to which the proposed supportive services meet the anticipated needs of the frail elderly and disabled residents (does meet = 7 points; partially meets needs = 4 points; and, does not meet needs = 0 points); and

d. (7 points). The extent to which the service coordination function is addressed and explained as augmented or new, and addresses the ongoing procurement of needed services for the residents of the ALF (does meet = 7 points, partially meets = 4 points, does not meet = 0 points).

e. (2 points). The steps you have in support of State and local efforts in streamlining processes and procedures that eliminate redundant requirements, statutes, regulations and codes which impede the availability of affordable housing. To receive points for removal of regulatory barriers, applicants must complete Part A or B (not both), include some form of documentation, where requested, and include a point of contact in their response using the completed Questionnaire HUD Form 27300. (Refer to the General Section for further information.)

f. (2 points). Describe how you plan to incorporate energy efficiency activities in the design or the operation of the assisted living facility through the use of Energy Star labeled products and appliances. (Refer to the General Section for further information.)

g. (2 points). To the greatest extent feasible, describe how you propose to provide opportunities to train and employ low- and very low-income persons in the project area; and how you plan to award contracts to business concerns which provide economic opportunities to low- and very low-income persons and people with disabilities in the project area.

4. Rating Factor 4: Leveraging Resources (10 Points)

This factor addresses your ability to secure other community resources that can be combined with HUD's grant funds to achieve program purposes. For the ALCP to succeed, you *must* generate local funding for the necessary supportive services to operate the ALF. HUD also encourages local funding for some of the necessary conversion work, or other work needed in the project (*e.g.*, general modernization) which is *NOT* specifically linked to the ALF).

Submit information responding to this factor in accordance with Application Submission Requirements in Section IV.B.6.h. and i., B.7., and B.9.e. through g. of this NOFA.

a. (5 points). The extent to which there are commitments for the funding

needed for the meals and the supportive services planned for the ALF and that the total cost of the estimated budget of the ALF is covered. Consider 90 percent or more commitment of the total budget with no more than 10 percent for meals and services = 5 points; 80–89.9 percent with no more than 20 percent for meals and services = 4 points; 65–79.9 percent with no more than 35 percent for meals and services = 3 points; 40–64.9 percent with no more than 60 percent for meals and services = 2 points; less than 40 percent commitment of the total budget with no more than 60 percent support for meals and services = 0 points.

b. (3 points). The extent of local organizations' support, which is firmly committed to providing at least 50 percent of the total cost of ALF conversion (consider 50% or more = 3 points, 20–49.9 percent = 2 points, and under 20 percent = 0 points).

c. (2 points). The extent of local organizational support which is firmly committed to providing funds for additional repair or retrofit necessary for the project NOT specifically directed to activities eligible under this NOFA (funds firmly committed = 2 points, funds not committed = 0 points).

5. Rating Factor 5: Achieving Results and Program Evaluation (10 Points)

This factor reflects HUD's goal to embrace high standards of ethics, management and accountability. This factor emphasizes HUD's commitment to ensure that promises you make in the application are kept; and to ensure performance goals with outcomes are established and are met (refer to Section V.B. of the General Section for more detail). Outcomes may include the extent to which your project will implement practical solutions that will result in assisting residents in achieving independent living and an improved living environment, as well as the extent to which the project will be viable absent HUD funds but rely more on state, local, and private funds. Submit information responding to this factor in accordance with Application Submission Requirements in Section IV.B.3.d., 6.a. through g., and 9.a. through e. of this NOFA. Applicants must complete Form HUD-96010, Program Outcome Logic Model in responding to this Rating Factor.

a. (4 points). Describe the extent to which your conversion time frame reflects the length of time it will take to convert the units describing how residents will benefit from the conversion of the units; and how the converted units will result in ALF residents being able to age in place;

b. (2 points). Describe the extent to which your assisted living facility will implement practical solutions that will result in assisting residents in achieving independent living and improved living environment.

c. (2 points). Demonstrate how the project will be viable absent HUD funds while relying more on state, local, and private funds.

d. (2 points). Describe the extent to which the ALFs operating philosophy promotes the autonomy and independence of the frail elderly persons it is intended to serve (is fully addressed = 2 points, "no" or not addressed = 0 points).

6. Bonus Points (2 bonus points). The project to be converted is located in an RC/EZ/EC-II area, as described in the General Section.

B. Reviews and Selection Process

1. The ALCP will fund those applications that may impact federal problem solving and policymaking and that are relevant to HUD's policy priorities and annual goals and objectives. (Refer to the General Section for discussion of these priorities and annual goals and objectives).

2. *Review for Curable Deficiencies.* You should ensure that your application is complete before submitting it to HUD electronically via grants.gov. If you received a waiver of the electronic submission requirement, you must submit an original and four copies to the appropriate lead HUD Multifamily Hub Office. Submitting fewer than the original and four copies of the application is not a curable deficiency and will cause your application to be considered non-responsive to the NOFA and returned to you.

HUD will screen all applications received by the deadline for curable deficiencies. With respect to correction of deficient applications, HUD may not, after the application deadline date and consistent with HUD's regulations in 24 CFR part 4, subpart B, consider any unsolicited information an applicant may want to provide. HUD may contact an applicant to clarify an item in the application or to correct curable deficiencies. Please note, however, that HUD may not seek clarification of items or responses that improve the substantive quality of a response to any rating factors. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application and will do so on a uniform basis for all applicants. A curable deficiency is a missing Exhibit or portion of an Exhibit that will not affect the rating of the

application. In each case, under this NOFA, the appropriate lead HUD Multifamily Hub office will notify you in writing by describing the clarification or curable deficiency. You must submit clarifications or responses to curable deficiencies in accordance with the information provided by the Hub office within 14 calendar days of the date of HUD notification. (If the due date falls on a Saturday, Sunday, or federal holiday, your correction must be received by HUD on the next day that is not a Saturday, Sunday, or federal holiday.) If the deficiency is not corrected within this time period, HUD will reject the application as incomplete, and it will not be considered for funding. The following is a list of the deficiencies that will be considered curable in ALCP applications:

Exhibits/Forms

- *Application Summary
- *Articles of Incorporation, or certification of Articles of Incorporation
- *By-laws, or certification of by-laws
- Evidence of occupancy for at least five years
- Original project plans
- Relocation Plan
- Evidence of Permissive Zoning
- Form SF-424 Supplement, Survey for Ensuring Equal Opportunity for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);
- Form HUD-424-CB, Grant Applications Detailed Budget "HUD Detailed Budget Form" on Grants.gov);
- Form HUD-424-CBW, Grant Application Detailed Budget worksheet
- Form HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov);
- Form HUD-2991, Certification of Consistency with the Consolidated Plan
- Form HUD-2994-A, You Are Our Client Grant Applicant Survey, optional;
- Standard Form-LLL, Disclosure of Lobbying Activities, if applicable
- HUD-96011, "Third Party Documentation Facsimile Transmittal" ("Facsimile Transmittal Form on Grants.gov) (For use with electronic applications as the cover sheet to provide third party documentation.)

The appropriate Hub office will notify you in writing if your application is missing any of the exhibits listed above and you will be given 14 days from the date of the HUD notification to submit the information required to cure the noted deficiencies. The exhibits identified by an asterisk (*) must be dated on or before the application deadline date. If not so dated the application will be rejected.

After the completeness review, HUD staff will review your application to determine whether the application meets the threshold requirements.

3. *Threshold Review.* Only those ALCP applications that meet all threshold requirements will be eligible to receive an award. Applications that do not pass threshold will be rejected. (See Section III.C 2. above for threshold requirements).

4. *Appeal Process.* Upon rejection of an ALCP application, HUD must send a letter to the Owner outlining all reasons for rejection. The Owner has 14 calendar days from the date of the letter to appeal the rejection. If the Owner submits an appeal, which causes the rejection to be overturned, the application will be rated, ranked, and submitted to the selection panel for consideration. If the Owner does not appeal or does appeal but the rejection is not overturned, the application will remain rejected.

5. *Review Panels.* The Office of Housing's Multifamily Hubs will establish panels to review all eligible applications that have passed threshold.

6. *Rating of Applications.* HUD staff teams will review and rate ALCP applications in accordance with the Ranking and Selection procedures outlined below. All applications will be either rated or technically rejected at the end of technical review. If your application meets all program eligibility requirements after completion of technical review, it will be rated according to the rating selection factors in Section V.A. above of this NOFA. HUD reserves the right to reduce the amount requested in the application if any proposed components are ineligible or if the cost of items is not deemed reasonable. HUD will *NOT* reject an ALCP application based on technical review without notifying you of that rejection with all the reasons for the rejection, and providing you an opportunity to appeal. You will have 14 calendar days from the date of HUD's written notice to appeal a technical rejection to the Multifamily Hub where the applications were sent originally. HUD staff will make a determination on an appeal before finalizing selection recommendations.

7. *Ranking and Selection Procedures.* Applications submitted in response to this NOFA that are eligible, pass threshold and have a total score of 75 points (or more) are eligible for ranking and selection.

a. Hub staff teams will be established for ALCP review in each geographical area to do the application ratings. After the team's ratings are finalized, the team

will place all rated applications within that geographical area in rank order.

b. From within rank order, Hub staff teams in each of the four geographical areas will select the highest ranked applications from within that geographical area in rank order, without regard to which Hub the application was submitted which can be funded from within the dollars available.

c. After making the initial selections, however, HUD may use any residual funds in each geographical area to select the next rank-ordered application by reducing the dollars requested by no more than 10 percent and reducing the number of units proposed, but in no case reducing the number of units below the financial threshold feasibility of five ALF units.

d. Funds remaining after these processes are completed will be returned to HUD Headquarters. HUD Headquarters will use these funds to restore units to any project reduced as a result of using the residual grant funds in a geographical area. Finally, HUD will use these funds for selecting one or more additional applications based on the field staff rating and rankings, beginning with the highest rated application nationwide. Only one application will be selected per geographical area from the national residual amount. If there are no approvable applications in other geographical areas, the process will begin again with the selection of the next highest rated application nationwide. This process will continue until all approvable applications are selected using the available remaining funds. If there is a tie score between two or more applications, and there are insufficient residual funds to cover all tied applications, HUD Headquarters staff will choose the winning application(s) by lottery and/or reduction of grant requests consistent with the instructions above.

VI. Award Administration Information

A. Award Notices

1. The Grant Agreement, and the Form HUD-1044, signed by both the Recipient and Grant Officer, shall serve

as the authorizing award documents. Unsuccessful applicants will be notified, by mail, within 30 days of the announcement of the awards.

2. Adjustments to Funding. HUD will not fund any portion of your application that is not eligible for funding under specific program statutory or regulatory requirements; does not meet the requirements of this notice; or may be duplicative of other funded programs or activities. Only the eligible portion of your application will be funded.

3. Applicant Debriefing. All requests for debriefing must be made in writing and submitted to the lead HUD Multifamily Hub in which you applied for assistance. Materials provided to you during your debriefing will include the final scores you received for each rating factor, final evaluator comments for each rating factor, and the final assessment indicating the basis upon which assistance was provided or denied. Information regarding this procedure may be found in the General Section.

B. Administrative and National Policy Requirements. See Section III.C. of this NOFA and the General Section.

C. Reporting

Recipients of funding under this program NOFA shall submit a progress report every six months after the effective date of the Grant Agreement. Every six months owners must report their progress in attaining the goals and objectives they proposed in their ALCP Logic Model that was included in their application. Each semi-annual report must identify any deviations (positive or negative) from outputs and outcomes proposed and approved by HUD, by providing the information in the reporting TAB of the approved Logic Model. For FY 2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment statement. HUD will be publishing a separate notice on the ROI concept.

VII. Agency Contacts

A. For Further Information and Technical Assistance. You should contact the HUD Multifamily Hub in

your geographical area. For a list of HUD Multifamily Hub Offices, see HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

You also may contact Faye Norman, Housing Project Manager at (202) 708-3000, extension 2482 or Aretha Williams, Director, Grant Policy and Management Division, Room 6138 at (202) 708-3000, extension 2480 for questions regarding the ALF grant award process. These are not toll-free numbers. Ms. Norman can be reached by e-mail at Faye_L._Norman@hud.gov and Ms. Williams at Aretha_M._Williams@hud.gov. If you have a hearing or speech impairment, you may access the telephone number via TTY by calling the Federal Information Relay Service at 800-877-8339.

VIII. Other Information

A. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (4 U.S.C. 3501-3520) and assigned OMB control number 2502-0542. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 2,550 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting data for the application, semi-annual reports, and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

B. Appendix. Appendix 1 provides a list of HUD Multifamily Hub Offices. Appendix 1 may be found at HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**TARGETED AND ASSISTED
HOUSING**

**SERVICE COORDINATORS IN
MULTIFAMILY HOUSING**

Billing Code 4210-01-C

Service Coordinators In Multifamily Housing; Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of the Assistant Secretary for Housing-Federal Housing Commissioner.

B. Funding Opportunity Title: Service Coordinators In Multifamily Housing.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: The **Federal Register** number is FR-5100-N-03. The OMB approval number is 2502-0447.

E. Catalog of Federal Domestic Assistance (CFDA) Number: 14.191, Multifamily Housing Service Coordinators.

F. Dates: The application deadline date is June 8, 2007. (All applications must be received and validated by www.grants.gov no later than 11:59:59 p.m. Eastern Time on the application deadline date. See submission details in the General Section.)

G. Optional, Additional Overview Information

1. *Available Funds.* Approximately \$51.6 million in fiscal year 2007 funds are available for the Service Coordinator program. Of these funds, approximately \$3.5 million are available in this NOFA for funding new Service Coordinator programs.

2. *Purpose of the program.* The Service Coordinator program allows multifamily housing owners to assist elderly individuals and nonelderly people with disabilities living in HUD-assisted housing and in the surrounding area to obtain needed supportive services from the community, to enable them to continue living as independently as possible in their homes.

3. *Eligible Applicants.* Only owners of eligible multifamily assisted developments may apply.

Full Text of Announcement

I. Funding Opportunity Description

A. The Service Coordinator Program. The Service Coordinator Program provides funding for the employment and support of Service Coordinators in insured and assisted housing developments that were designed for the elderly or nonelderly persons with disabilities and continue to operate as such. Service Coordinators help residents obtain supportive services from the community that are needed to enable independent living and aging in place.

A Service Coordinator is a social service staff person hired or contracted

by the development's owner or management company. The Service Coordinator is responsible for assuring that elderly residents, especially those who are frail or at risk, and those non-elderly residents with disabilities are linked to the supportive services they need to continue living independently in their current homes. All services should meet the specific desires and needs of the residents themselves. The Service Coordinator may not require any elderly individual or person with a disability to accept any specific supportive service(s).

You may want to review the Management Agent Handbook 4381.5 REVISION-2, CHANGE-2, Chapter 8 for further guidance on service coordinators. This Handbook is accessible through HUDCLIPS on HUD's Web site at <http://www.hudclips.org>. The Handbook is in the Handbooks and Notices—Housing Notices database. Enter the Handbook number in the "Document Number" field to retrieve the Handbook.

B. Authority. Section 808 of the Cranston-Gonzalez National Affordable Housing Act (Pub. L. 101-625, approved November 28, 1990), as amended by sections 671, 674, 676, and 677 of the Housing and Community Development Act of 1992 (Pub. L. 102-550, approved October 28, 1992), and section 851 of the American Homeownership and Economic Opportunity Act of 2000 (Pub. L. 106-569, approved December 27, 2000).

C. Definition of Terms Used in This Program NOFA

1. "*Activities of daily living (ADLs)*" means eating, dressing, bathing, grooming, and household management activities, as further described below:

a. Eating—May need assistance with cooking, preparing, or serving food, but must be able to feed self;

b. Bathing—May need assistance in getting in and out of the shower or tub, but must be able to wash self;

c. Grooming—May need assistance in washing hair, but must be able to take care of personal appearance;

d. Dressing—Must be able to dress self, but may need occasional assistance; and

e. Home management activities—May need assistance in doing housework, grocery shopping, laundry, or getting to and from activities such as going to the doctor and shopping, but must be mobile. The mobility requirement does not exclude persons in wheelchairs or those requiring mobility devices.

2. "*At-risk elderly person*" is an individual 62 years of age or older who

is unable to perform one or two ADLs, as defined in the above paragraph.

3. "*Frail elderly person*" means an individual 62 years of age or older who is unable to perform at least three ADLs as defined in the above paragraph.

4. "*People with disabilities*" means those individuals who:

a. Have a disability as defined in Section 223 of the Social Security Act;

b. Have a physical, mental, or emotional impairment expected to be of long, continued, and indefinite duration that substantially impedes the individual's ability to live independently; or

c. Have a developmental disability as defined in Section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000, (42 U.S.C. Section 15002).

5. "*Reasonable costs*" mean that costs are consistent with salaries and administrative costs of similar programs in your Field office's jurisdiction.

D. Basic Qualifications of Service Coordinators and Aides

1. Service Coordinator qualifications include the following:

a. A Bachelor of Social Work or degree in Gerontology, Psychology or Counseling is preferable; a college degree is fully acceptable. You may also consider individuals who do not have a college degree, but who have appropriate work experience.

b. Knowledge of the aging process, elder services, disability services, eligibility for and procedures of federal and applicable state entitlement programs, legal liability issues relating to providing Service Coordination, drug and alcohol use and abuse by the elderly, and mental health issues.

c. Two to three years experience in social service delivery with senior citizens and/or people with disabilities. Some supervisory or management experience may be desirable if the Service Coordinator will work with aides.

d. Demonstrated working knowledge of supportive services and other resources for senior citizens and/or non-elderly people with disabilities available in the local area.

e. Demonstrated ability to advocate, organize, problem-solve, and provide results for the elderly and people with disabilities.

2. Aides working with a Service Coordinator should have appropriate education or experience in working with the elderly and/or people with disabilities. An example of an aide position could be an internship or work-study program with local colleges and universities to assist in carrying out

some of the Service Coordinator's functions.

II. Award Information

A. Available Funding. The Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5, approved February 15, 2007) provides approximately \$51.6 million to fund Service Coordinators and the continuation of existing Congregate Housing Services Program (CHSP) grants. Approximately \$3.5 million of the available \$51.6 million will be used to fund new Service Coordinator programs. The remaining amount of \$48.1 million will be used to fund one-year extensions to expiring Service Coordinator and CHSP grants.

B. Maximum Grant Award. There is no maximum grant amount. The grant amount you request will be based on the Service Coordinator's salary and the number of hours worked each week by that Service Coordinator (and/or aide). You should base your determination of the appropriate number of weekly work hours on the number of people in the development who are frail or at-risk elderly or non-elderly people with disabilities. Under normal circumstances, a full-time Service Coordinator should be able to serve about 50-60 frail or at-risk elderly or non-elderly people with disabilities on a continuing basis. Your proposed salary must also be supported by evidence of comparable salaries in your area. Gather data from programs near you to compare your estimates with the salaries and administrative costs of currently operating programs. HUD Field staff can provide you with contacts at local program sites.

C. HUD provides funding in the form of three-year grants. HUD may renew grants subject to the availability of funds and the grantee's acceptable performance and compliance with program requirements. HUD will determine performance based on the information given in the grantee's semi-annual performance reports, financial status reports, and Logic Model forms.

III. Eligibility Information

A. Eligible Applicants

1. You must meet all of the applicable threshold requirements of Section III.C of the General Section.

2. You must be an owner of a development assisted under one of the following programs:

- a. Section 202 Direct Loan;
- b. Project-based Section 8 (including Section 8 Moderate Rehabilitation), or
- c. Section 221(d)(3) below-market interest rate, and 236 developments that are insured or assisted.

3. Additionally, developments listed in paragraph III.A.2, above, are eligible only if they meet the following criteria:

a. Have frail or at-risk elderly residents and/or non-elderly residents with disabilities who together total at least 25 percent of the building's residents. (For example, in a 52-unit development, at least 13 residents must be frail, at-risk, or non-elderly people with disabilities.)

b. Were designed for the elderly or persons with disabilities and continue to operate as such. This includes any building within a mixed-use development that was designed for occupancy by elderly persons or persons with disabilities at its inception and continues to operate as such, or consistent with title VI, subtitle D of the Housing and Community Development Act of 1992 (Pub. L. 102-550). If not so designed, a development in which the owner gives preferences in tenant selection (with HUD approval) to eligible elderly persons or nonelderly persons with disabilities, for all units in that development.

c. If FHA insured or financed with a Section 202 Direct Loan, are current in mortgage payments or are current under a workout agreement.

d. Meet HUD's Uniform Physical Conditions Standards (codified in 24 CFR part 5, subpart G), based on the most recent physical inspection report and responses thereto, as evidenced by a score of 60 or better on the last physical inspection or by an approved plan for developments scoring less than 60.

e. Are in compliance with their regulatory agreement, Housing Assistance Payment (HAP) Contract, and any other outstanding HUD grant or contract document.

f. Have no available project funds (i.e., Section 8 operating funds, residual receipts, or excess income) that could pay for a Service Coordinator program. ("Available funds" are those that require HUD approval for their use and are not needed to meet critical project needs.) Field office staff will make this determination based on financial records maintained by the Department and information provided by the applicant in the grant application.

g. You may use funds to continue a Service Coordinator program that has previously been funded through other sources. To be deemed eligible, you must provide evidence that these resources have already ended or will discontinue within six months following the application deadline date and that no other funding mechanism is available to continue the program. (This applies only to funding sources other

than the subsidy awards and grants provided by the Department through program Notices beginning in FY 1992. HUD currently provides one-year extensions to these subsidy awards and grants through a separate funding action.)

4. If your eligibility status changes during the course of the grant term, making you ineligible to receive a grant (e.g., due to prepayment of mortgage, sale of property, or opting out of a Section 8 HAP contract), HUD has the right to terminate your grant.

5. Ineligible Applicants and Developments

a. Property management companies, area agencies on aging, and other like organizations are not eligible applicants for Service Coordinator funds.

b. Developments not designed for the elderly, nonelderly people with disabilities, or those no longer operating as such;

c. Section 221(d)(4) and Section 515 developments without project-based Section 8 assistance;

d. Section 202 and 811 developments with a Project Rental Assistance Contract (PRAC). Owners of Section 202 PRAC developments may obtain funding by requesting an increase in their PRAC payment consistent with Handbook 4381.5 REVISION-2, CHANGE-2, Chapter 8;

e. Conventional public housing, as such term is defined in section 3(b) of the United States Housing Act of 1937), and units assisted by project-based Housing Choice Vouchers, as set forth in 24 CFR Part 983.

f. Renewals of existing Section 8 Service Coordinator subsidy awards or grants. HUD currently provides one-year extensions to these subsidy awards and grants through a separate funding action.

B. Cost Sharing or Matching Requirement. None required.

C. Other

1. *Eligible Activities.* The functions of a Service Coordinator position are considered the program's eligible activities. The major functions of the Service Coordinator include the following:

a. Refer and link the residents of the development to supportive services provided by the general community. Such services may include case management, personal assistance, homemaker, meals-on-wheels, transportation, counseling, occasional visiting nurse, preventive health screening/wellness, and legal advocacy.

b. Educate residents on service availability, application procedures, client rights, etc.

c. Establish linkages with agencies and service providers in the community. Shop around to determine/develop the best "deals" in service pricing, to assure individualized, flexible, and creative services for the involved resident. Provide advocacy as appropriate.

d. Provide case management when such service is not available through the general community. This might include evaluation of health, psychological and social needs, development of an individually tailored case plan for services, and periodic reassessment of the resident's situation and needs. Service Coordinators can also set up a Professional Assessment Committee (PAC) to assist in performing initial resident assessments. (See the guidance in the Congregate Housing Services Program (CHSP) regulations at 24 CFR 700.135 (or 7 CFR 1944.258 for Rural Housing developments)).

e. Monitor the ongoing provision of services from community agencies and keep the case management and provider agency current with the progress of the individual. Manage the provision of supportive services where appropriate.

f. Help the residents build informal support networks with other residents, family and friends.

g. Work and consult with tenant organizations and resident management corporations. Provide training to the development's residents in the obligations of tenancy or coordinate such training.

h. Create a directory of providers for use by both development staff and residents.

i. Educate other staff of the management team on issues related to aging in place and Service Coordination, to help them to better work with and assist the residents.

j. Provide service coordination to low-income elderly individuals or nonelderly people with disabilities living in the vicinity of an eligible development. Community residents should come to your housing development to meet with and receive service from the Service Coordinator, but you must make reasonable accommodations for those individuals unable to travel to the housing site.

2. Eligible Program Costs

a. Service Coordinator Program grant funds may be used to pay for the salary, fringe benefits, and related support costs of employing a service coordinator. Support costs may include quality assurance, training, travel, creation of office space, purchase of office

furniture, equipment, and supplies, computer hardware, software, and Internet service, and indirect administrative costs.

b. You may use grant funds to pay for Quality Assurance (QA) in an amount that does not exceed ten percent of the Service Coordinator's salary. Eligible QA activities are those that evaluate your program to assure that the position and program are effectively implemented. A qualified, objective third party must perform the program evaluation work and must have work experience and education in social or health care services. Your QA activities must identify short- and long-term program outcomes and performance indicators that will help you measure your performance. On-site housing management staff cannot perform QA and you may not augment current salaries of in-house staff for this purpose.

c. You may propose reasonable costs associated with setting up a confidential office space for the Service Coordinator. Such expenses must be one-time only start-up costs. Such costs may involve acquisition, leasing, rehabilitation, or conversion of space. The office space must be accessible to people with disabilities and meet the Uniform Federal Accessibility Standards (UFAS) requirements of accessibility. HUD field office staff must approve both the proposed costs and activity and must perform an environmental assessment on such proposed work prior to grant award.

d. Only ALCP applicants may use funds to augment a current Service Coordinator program, by increasing the hours of a currently employed Service Coordinator, or hiring an additional Service Coordinator or aide on a part- or full-time basis. The additional hours and/or staff must work only with ALCP residents.

3. Threshold Requirements

a. At the time of submission, grant applications must contain the materials in Section IV.B.2.a and c of this NOFA in order to be considered for funding. If any of these items are missing, HUD will immediately reject your application.

b. In cases where field office staff request information in response to technical deficiencies in applications, applicants must submit the response by the designated deadline date. If requested responses are not received by this date, HUD will reject the application.

c. DUNS Number Requirement. Refer to the General Section for information regarding the DUNS requirement. You

will need to obtain a DUNS number to receive an award from HUD.

4. *Program Requirements.* In managing your Service Coordinator grant, you must meet the requirements of this Section. These requirements apply to all activities, programs, and functions used to plan, budget, and evaluate the work funded under your program.

a. You must make sufficient separate and private office space available for the Service Coordinator and/or aides to meet with residents, without adversely affecting normal activities.

b. The Service Coordinator must maintain resident files in a secured location. Files must be accessible ONLY to the Service Coordinator, unless residents provide signed consent otherwise. These policies must be consistent with maintaining confidentiality of information related to any individual per the Privacy Act of 1974.

c. Grantees must ensure that the Service Coordinator receives appropriate supervision, training, and ongoing continuing education, consistent with statutory and HUD administrative requirements. This includes 36 hours of training in age-related and disability issues during the first year of employment, if the Service Coordinator has not received recent training in these areas, and 12 hours of continuing education each year thereafter.

d. Grantees are responsible for any budget shortfalls during the three-year grant term.

e. As a condition of receiving a grant, Section 202 developments without a dedicated residual receipts account must amend their regulatory agreement and open such an account, separate from their Reserve for Replacement account.

f. Subgrants and Subcontracts. You may directly hire a Service Coordinator or you may contract with a qualified third party to provide this service.

g. Environmental Requirements. It is anticipated that most activities under this program are categorically excluded from the National Environmental Policy Act (NEPA) and related environmental authorities under 24 CFR 50.19(b)(3), (4), (12), or (13). If grant funds will be used to cover the cost of any activities which are not exempt from environmental review requirements—such as acquisition, leasing, construction, or building rehabilitation, HUD must perform an environmental review to the extent required by 24 CFR part 50, prior to grant award. HUD Field office staff will determine the need for

an environmental assessment, based on the proposed program activities.

IV. Application and Submission Information

A. Obtaining Grant Application Packages. Applicants may download the Instructions to the application found on the grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp. The instructions contain the General Section and Program Section of the published NOFA as well as forms that you must complete and attach as a zip file to your application submission. If you have difficulty accessing the information, you may call the Grants.gov Support desk toll free at 800-518-GRANTS or e-mail your questions to Support@Grants.gov. The Support Desk staff will assist you in accessing the information. Persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at (800) 877-8339.

B. Content and Form of Application Submission. Your application must contain the items listed in paragraphs 1 and 2, below. These items include the standard forms listed in Section IV.B.2.b(4) of the General Section that are applicable to this funding Notice (collectively referred to as the "standard forms"). The standard forms and other required forms are part of the electronic application found at http://www.grants.gov/apply_for_grants.jsp. The items are as follows:

1. Standard Forms

a. Application for Federal Assistance (SF-424)

b. Faith Based EEO Survey (SF-424 SUPP).

c. If engaged in lobbying, the Disclosure of Lobbying Activities Form (SF-LLL)

d. Applicant/Recipient Disclosure/Update Report (HUD-2880)

e. Logic Model, (HUD-96010). The Logic Model for the Service Coordinator NOFA is contained in the application instructions download. Applicants may select the items from the download menu in each column that reflect their anticipated activity outputs and outcomes and select the activities and outcomes that reflect your program into the appropriate column in the Logic Model form. You must enter the appropriate outcomes in the outcome column related to the output list provided. The Master Logic Model listing also identifies the unit of measure that HUD is interested in collecting for the outputs and outcomes selected. In making the selections, you must identify the appropriate predicted

number of units of measure to be accomplished for each output and outcome. Use the space next to the output and outcome to identify the anticipated units of measure. You may select multiple outputs and outcomes.

f. Acknowledgment of Application Receipt (HUD-2993), for applicants submitting paper applications only.

g. You Are Our Client Grant Applicant Survey (HUD 2994-A), optional.

h. Facsimile Transmittal (HUD-96011). This form must be used as part of the electronic application to transmit third party documents and other information as described in the General Section.

2. *Other Application Items.* All applications for funding under the Service Coordinator Program must include the following documents and information:

a. Service Coordinator First-Time Funding Request, form HUD-91186.

b. Evidence of comparable salaries in your local area.

c. Narrative Statements Describing Your Program.

(1) Explain your method of estimating how many residents of your development are frail or at-risk elderly or non-elderly people with disabilities. Please document that individuals meeting these criteria make up at least 25 percent of your resident population. (Do not include elderly individuals or people with disabilities who do not live in the eligible developments included in your application.)

(2) Explain how you will provide on-site private office space for the Service Coordinator, to allow for confidential meetings with residents. If construction is planned, also include a plan and a cost-estimate.

(3) Describe your quality assurance program evaluation activities and itemized list of estimated expenses for this activity if included in your request for funding. Indicate the type of professional or entity that will perform the work if known at this time or the criteria you will use to select the provider.

(4) Describe your plan to address community resident needs, if applicable to your program.

(5) If you are applying for an ALCP grant in conjunction with your Service Coordinator application, describe how the new or additional Service Coordinator hours will support your proposed assisted living program. Indicate if you want your Service Coordinator application entered into the lottery if your ALCP application is not selected to receive an award. In this instance, your SC application will be

eligible only if the concerned housing development currently has no SC program.

d. Evidence that no project funds are available to fund a Service Coordinator program. You must include a copy of your development's most recent bank statement (or the equivalent thereof), showing the project's current residual receipts or excess income balance (if any). It is incumbent upon the applicant to demonstrate that no such project funds are available.

e. If applicable, provide evidence that prior funding sources for your development's Service Coordinator program are no longer available or will expire within six months following the application deadline date.

f. Agents may prepare applications and sign application documents if they provide authorization from the owner corporation as part of the application. In such cases, the owner corporation must be indicated on all forms and documents as the funding recipient.

(1) If an agent is preparing an electronic application for an owner, the owner must authorize the agent as the Authorized Organization Representative (AOR) in the Grants.gov Registration process. HUD will recognize this authority if the DUNS number included in the application belongs to the owner corporation and the name of the agent is listed as the AOR. Refer to Section IV.B. of the General Section for more detailed registration information.

(2) If you are applying in paper copy format, you must provide a letter from the owner authorizing the submission by the agent on their behalf.

3. Single and Joint Applications

a. Single Applications.

(1) You may submit one application that contains one or more developments that your corporation owns. Submitting one application for each project you own will increase your chances of selection in the lottery. You may also submit one application that contains multiple projects you own, to reduce preparation time and resources. Each application must propose a stand-alone program at separate developments. The developments must all be located in the same field office jurisdiction.

(2) If you wish to apply on behalf of developments located in different field office jurisdictions, you must submit a separate application to each field office.

b. *Joint Applications.* You may join with one or more other eligible owners to share a Service Coordinator and submit a joint application. Small developments often join together to hire and share a part or full-time Service Coordinator and submit a joint

application. If more than one owner is proposing to share a Service Coordinator, one agency must designate itself the "lead". When the legal signatory for the owner corporation signs the application, the owner agrees to administer grant funds for all the housing developments listed in the application.

4. Application Submission Requirements for ALCP Applicants

a. If you are an ALCP applicant and you request new or additional Service Coordinator funds specifically for your proposed Assisted Living Program, you must submit an application containing all required documents listed in Section IV.B of this NOFA. You may include a copy of all standard forms submitted as part of your ALCP application.

b. If you currently do not have a Service Coordinator working at the development proposed in your ALCP application and your ALCP application is selected to receive an award, HUD will fund a Service Coordinator to serve either ALCP residents only or all residents of the development dependent upon your request. If your development currently has a Service Coordinator, you may request additional hours for the Service Coordinator to serve the Assisted Living residents only. If you request additional hours, you must specify the number of additional hours per week and provide an explanation based on the anticipated needs of the Assisted Living residents. If you request Service Coordinator funding to serve all residents of your development, indicate whether or not your request should be entered into the national lottery if your ALCP application is not selected to receive an award. Provide this information in your related narrative, pursuant to paragraph IV.B.2.c(5) of this NOFA.

c. Submission Dates and Times. The application deadline date is June 8, 2007. (All applications must be received and validated by www.grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date. See submission details in the General Section.)

d. Intergovernmental Review. Not applicable to this program.

E. Funding Restrictions

1. *Alternative Funding for Service Coordinators.* If your development has available Section 8 operating funds, residual receipts, or excess income (i.e. "project funds"), not needed for critical project expenses, you must use these project funds prior to receiving grant monies. Owners may submit requests to use Section 8 operating funds, residual

receipts, or excess income pursuant to instructions in Housing's Management Agent Handbook 4381.5, REVISION-2, CHANGE-2, Chapter 8 and Housing Notice H 02-14. HUD field staff may approve use of these project funds at any time, consistent with current policy. You should discuss the use of project funds with your field office staff prior to submitting a grant application.

2. Ineligible Activities and Program Costs

a. You may not use funds available through this NOFA to replace currently available funding from other sources for a Service Coordinator or for some other staff person who performs service coordinator functions.

b. Owners with existing service coordinator subsidy awards or grants may not apply for renewal or extension of those programs under this NOFA. HUD will provide extension funds through a separate funding process.

c. Non-ALCP applicants may not use funds to augment a current Service Coordinator program, by increasing the hours of a currently employed Service Coordinator, or hiring an additional Service Coordinator or aide on a part-or full-time basis. HUD will award grants only to eligible projects that do not currently have (or are served by) an SC program, regardless of the funding source used to operate that program.

d. Grant recipients may not use grant funds to pay for supervision performed by property management staff. (Management fees already pay for such supervision.)

e. Cost overruns associated with creating private office space and usual audit and legal fees are not eligible uses of grant funds.

f. The cost of application preparation is not eligible for reimbursement.

g. Grant funds cannot be used to increase a project's management fee.

h. Grant funds may not cover the cost of Service Coordinator-related training courses for members of a development's management staff who do not directly provide Service Coordination. Owners must use their management fees to pay this expense.

i. Owners/managers cannot use Reserve for Replacement funds to pay costs associated with a Service Coordinator program.

j. CHSP grantees may not use these funds to meet statutory program match requirements and may not use these funds to replace current CHSP program funds to continue the employment of a service coordinator.

k. Grantees cannot use grant funds to pay PAC members for their services.

l. The grant amount allowed for QA may not exceed ten percent of the Service Coordinator's salary.

3. *Prohibited Service Coordinator Functions.* Service Coordinators may not perform the following activities: a. Act as a recreational or activities director; b. Provide supportive services directly; c. Act as a Neighborhood Networks program director or coordinator; and d. Perform property management work, regardless of the funding source used to pay for these activities.

F. Other Submission Requirements

1. *Application Submission and Receipt Procedures.* Carefully review the procedures presented in Section IV.B and F of the General Section. All applicants submitting Service Coordinator applications must submit applications electronically.

2. *Waiver of Electronic Submission Requirement.* Applicants that are unable to submit their application electronically must seek a waiver of the electronic grant submission requirement. Requests for waivers must be submitted to HUD no later than 15 days before the application deadline date. Waiver requests must be submitted by mail or by fax. For this program NOFA, e-mail requests will not be considered. Waiver requests submitted by mail or fax should be submitted on the applicant's letterhead and signed by an official with the legal authority to request a waiver from the Department. The request must be addressed to the Assistant Secretary for Housing at the following address: Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 9100, Washington, DC 20410-8000. Waiver requests submitted by fax must be sent to (202) 708-3104. If a waiver is granted, you will receive notification that provides specific instructions on how and where to submit the paper application. You must submit the required number of copies of your application (an original and two copies) by no later than the local HUD office's close of business on the application deadline date.

3. *Application Copies.* Applicants submitting electronic applications must submit just one application to http://www.grants.gov/applicants/apply_for_grants.jsp. Applicants who receive a waiver for electronic submission will receive submission instructions in the waiver approval notification as to where the application should be submitted and the number of

copies to be provided. If you do not follow the instructions provided in your waiver approval, your application will be rejected. Therefore, if you are uncertain to which local office to submit your application, you should contact the local HUD office representative listed in the notification as a local contact for clarification. Paper applications received without a waiver will not be considered.

4. *Field Office Addresses.* For a list of field office addresses, see HUD's Web site at <http://www.hud.gov/localoffices.cfm>.

V. Application Review Information

A. Criteria

1. HUD will not award Service Coordinator Program grant funds through a rating and ranking process. Instead, the Department will hold one national lottery for all applications determined to be eligible by Multifamily Hub and Multifamily Program Center staffs.

2. *Threshold Eligibility Review.* HUD Multifamily field office staff will review applications for completeness and compliance with the eligibility criteria set forth in Section III of this NOFA. Field office staff will deem an application eligible if the electronic application was received and validated by www.grants.gov no later than 11:59:59 PM on June 8, 2007. Paper applications are eligible if received by the field office on or before the deadline date. Paper applications not received by the deadline date will not be considered. To be eligible for the lottery, in addition to meeting the timely submission requirements, an applicant must meet all eligibility criteria; propose reasonable costs for eligible activities, and, if technical corrections are requested during the review process, provide the technical correction(s) by the timeframe stated in the request.

B. Review and Selection Process

1. Funding Priorities

a. Prior to the lottery, HUD will fund Service Coordinator applications submitted by FY2007 ALCP applicants, whose ALCP applications are selected for funding under that program's NOFA. HUD estimates that approximately \$500,000 will be used to fund ALCP Service Coordinator applications. Any funds not used by the ALCP program to fund service coordinators will be added to the funds available for the National Lottery.

b. After setting aside funds for ALCP applicants, and prior to the lottery, HUD will next fund all applications submitted by owners who are applying

for grant funds to continue a currently operating program previously funded through project funds. As stated in paragraph III.A.3.f of this NOFA, such applications are eligible only if project funds are no longer available to continue the program.

2. Selection Process

a. HUD will use remaining funds to make grant awards through the use of a national lottery. A computer program performs the lottery by randomly selecting eligible applications.

b. HUD will fully fund as many applications as possible with the given amount of funds available. After all fully fundable applications have been selected by lottery, HUD may make an offer to partially fund the next application on the lottery's list, in order to use the entire amount of funds allocated. If the applicant selected for partial funding turns down the offer, HUD will make an offer to partially fund the next application on the lottery list. HUD will continue this process until an applicant accepts the partial funding offer.

3. *Reduction in Requested Grant Amount.* HUD may make an award in an amount less than requested, if:

a. HUD determines that some elements of your proposed program are ineligible for funding;

b. There are insufficient funds available to make an offer to fully fund the application;

c. HUD determines that reduced grant amount would prevent duplicative federal funding.

4. *Corrections to Deficient Applications.* Section V.B. of the General Section provides the procedures for corrections to deficient applications.

VI. Award Administration Information

A. Award Notices. HUD field staff will send, by postal or overnight mail, selection letters and grant agreements to the award recipient organization. The grant agreement is the obligating document and funds are obligated once the HUD grant officer signs the agreement. Field staff will send non-selection letters during this same period of time. If your application is rejected, field staff may notify you by letter any time during the application review process.

B. Administrative and National Policy Requirements. None.

C. Reporting. All award recipients must submit the following reports each year of their period of performance:

1. Two Semi-Annual Financial Status Reports (SF-269-A), for each half-year period of the federal fiscal year;

2. Two Semi-Annual Service Coordinator Performance Reports, (HUD-92456), for each half-year period of the federal fiscal year;

3. Two completed Logic Model forms, HUD-96010, submitted as an attachment to each Semi-Annual Performance Report. The Logic Model must present performance information corresponding to each six-month reporting period, annually, and results for the entire grant term. The reports should reflect achievements related to program outputs and outcomes as specified in your approved Logic Model incorporated into your grant agreement. The objectives of the Service Coordinator program are to enhance a resident's quality of life and ability to live independently and to age in place. The data that HUD collects on the performance report and Logic Model measure, in a quantitative form, the grantee's success in meeting these intended program outcomes. HUD is also considering a new concept for the Logic Model, the Return on Investment (ROI) Statement. HUD will be publishing a separate notice on the ROI concept.

4. Periodic reimbursement requests (i.e., Payment Voucher, form HUD-50080-SCMF), providing program expenses for the associated time period, and submitted in accordance with the due dates stated in the grant agreement. Grantees must request grant payments directly following the end of each agreed-upon time period and the funds must reimburse those program costs already incurred.

5. If your grant includes Quality Assurance activities, you must provide a copy of at least one annual report that your QA provider submits to you each year. You must submit this copy along with the semi-annual reports that are due on October 30 of each year. The QA provider's report that you submit to HUD must include the following information: who performed the QA work, when the review(s) was conducted, and the results of the evaluation. The results should include such information as how many residents were served, the types of services they receive, the training sessions attended by the Service Coordinator, and the extent of resident satisfaction with the program. HUD will use this report, in tandem with other reports and performance data, to determine a grantee's acceptable program performance.

VII. Agency Contacts

You may contact your local HUD field office staff for questions you have regarding this NOFA and your

application. Please contact the Multifamily Housing Service Coordinator contact person in your local office. If you are an owner of a Section 515 development, contact the HUD field office that monitors your Section 8 contract. If you have a question that the field staff is unable to answer, please call Carissa Janis, Housing Project Manager; Office of Housing Assistance and Grants Administration; Department of Housing and Urban Development; 451 Seventh Street, SW., Room 6146; Washington, DC 20410-8000; (202) 402-2487 (this is not a toll-free number). If you are hearing-or speech-impaired, you may access this number via TTY by calling the Federal Information Relay Service at 800-877-8339.

VIII. Other Information

A. Satellite Broadcast. HUD will hold an information program for potential applicants via satellite broadcast to learn more about the program and preparation of the application. For more information about the date and time of the broadcast, you should contact your local field office staff or consult the HUD Web site at <http://www.hud.gov>.

B. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2502-0477. In accordance with

the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 50.25 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, semi-annual reports and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**TARGETED AND ASSISTED
HOUSING**

**SECTION 202 SUPPORTIVE HOUSING FOR
THE ELDERLY PROGRAM (SECTION 202
PROGRAM)**

Billing Code 4210-01-C

Section 202 Supportive Housing for the Elderly Program (Section 202 Program)

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Housing.

B. Funding Opportunity Title: Section 202 Supportive Housing for the Elderly.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-07; OMB Approval Number is 2502-0267.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): 14.157, Section 202 Supportive Housing for the Elderly.

F. Dates: The application deadline date is on or before May 25, 2007. Applications must be received and validated by Grants.gov by 11:59:59 p.m. eastern time on the deadline date. Please be sure to read the General Section for electronic application submission and receipt requirements.

G. *Optional, Additional Overview Content Information*

1. Purpose of the Program. This program provides funding for the development and operation of supportive housing for very low-income persons 62 years of age or older.

2. Available Funds. Approximately \$431.5 million in capital advance funds, plus associated project rental assistance contract (PRAC) funds and any carryover funds available.

3. Types of Funds. Capital advance funds will cover the cost of developing the housing. PRAC funds will cover the difference between the HUD-approved operating costs of the project and the tenants' contributions toward rent (30 percent of their adjusted monthly income).

4. Eligible Applicants. Private nonprofit organizations and nonprofit consumer cooperatives. (See Section III.C.3.k of this NOFA for further details and information regarding the formation of the Owner corporation).

5. Eligible Activities. New construction, rehabilitation, or acquisition (with or without rehabilitation) of housing. See Section III.C.1 below of this NOFA for further information.

6. Match Requirements. None required.

7. Local HUD Offices. The local HUD office structure, for the purpose of implementing the Section 202 program, consists of 18 Multifamily Hub Offices. Within the Multifamily Hubs, there are Multifamily Program Centers with the exception of the New York Hub, the Buffalo Hub, the Denver Hub and the

Los Angeles Hub. All future references shall use the term "local HUD office" unless a more detailed description is necessary as in Limitations on Applications and Ranking and Selection Procedures, below.

Full Text of Announcement

I. Funding Opportunity Description

A. Program Description. HUD provides capital advances and contracts for project rental assistance in accordance with 24 CFR part 891.

Capital advances may be used for the construction or rehabilitation of a structure, or acquisition of a structure with or without rehabilitation. Capital advance funds bear no interest and are based on development cost limits in Section IV.E.3. Repayment of the capital advance is not required as long as the housing remains available for occupancy by very low-income elderly persons for at least 40 years.

PRAC funds are used to cover the difference between the tenants' contributions toward rent (30 percent of adjusted income) and the HUD-approved cost to operate the project. PRAC funds may also be used to provide supportive services and to hire a service coordinator in those projects serving frail elderly residents. The supportive services must be appropriate to the category or categories of frail elderly residents to be served.

B. Authority. The Section 202 Supportive Housing for the Elderly Program is authorized by section 202 of the Housing Act of 1959 (12 U.S.C. 1701q), as amended by section 801 of the Cranston-Gonzalez National Affordable Housing Act (Pub. L. 101-625; approved November 28, 1990); the Housing and Community Development Act of 1992 (Pub. L. 102-550; approved October 28, 1992); the Rescissions Act (Pub. L. 104-19; enacted on July 27, 1995); the American Homeownership and Economic Opportunity Act of 2000 (Pub. L. 106-569; approved December 27, 2000); and the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007).

C. Calculation of Fund Reservation. If selected, you will receive a fund reservation that will consist of both a reservation of capital advance funds and a reservation of three years for project rental assistance.

1. Capital Advance Funds. The reservation of capital advance funds is based on a formula which takes the development cost limit for the appropriate building type (elevator, non-elevator) and unit size(s) and multiplies it by the number of units of each size (including a unit for a resident

manager, if applicable) and then multiplies the result by the high cost factor for the area. The development cost limits can be found in Section IV.E.3. of this NOFA.

2. PRAC Funds. The initial PRAC award covers three years. The amount awarded is determined by multiplying the number of revenue units for elderly persons by the appropriate operating cost standard times 3. The operating cost standards will be published by Notice.

II. Award Information

A. Available Funds. For FY2007, approximately \$431.5 million is available for capital advances for the Section 202 Supportive Housing for the Elderly Program. The Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007) provides approximately \$742 million for capital advances, including amendments to capital advance contracts, for supportive housing for the elderly as authorized by Section 202 of the Housing Act of 1959 (12 U.S.C. 1701q), as amended by section 801 of the Cranston-Gonzalez National Affordable Housing Act (Pub. L. 101-625; approved November 28, 1990), for project rental assistance, amendments to contracts for project rental assistance, and the renewal of expiring contracts for such assistance for up to a one-year term, for supportive housing for the elderly under section 202(c)(2) of the Housing Act of 1959 as well as the amount of \$400,000 to be transferred to the Working Capital Fund. Additionally, of the amount appropriated, approximately \$51,600,000 is provided for Service Coordinators and the continuation of Congregate Services grants, up to \$24,800,000 is provided for Assisted Living Conversion grants and Emergency Capital Repairs, and approximately \$20,000,000 is provided for a Section 202 Demonstration Pre-Development Grant Program.

The announcement of the availability of the funds for the Service Coordinators and the continuation of Congregate Services as well as the Assisted Living Conversion program is covered elsewhere in this NOFA.

The announcement of the availability of funds for Emergency Capital Repairs will be addressed in a separate **Federal Register** publication.

In accordance with the waiver authority provided in the Department of Housing and Urban Development Appropriations Act, 2006 (Pub. L. 109-115; approved November 30, 2005), the Secretary is waiving the following statutory and regulatory provision: The term of the project rental assistance

contract is reduced from 20 years to 3 years. HUD anticipates that at the end of the contract terms, renewals will be approved subject to the availability of funds. In addition to this provision, HUD will reserve project rental assistance contract funds based on 75 percent rather than on 100 percent of the current operating cost standards for approved units in order to take into account the average tenant contribution toward rent.

The allocation formula used for Section 202 reflects the "relevant characteristics of prospective program participants," as specified in 24 CFR 791.402(a). The FY2007 formula consists of one data element from the 2000 Census: number of one-person elderly renter households (householder age 62 and older) with incomes at or below the applicable Section 8 very low-income limit, and with housing conditions. Housing conditions are defined as paying more than 30 percent of income for gross rent, or occupying a unit lacking some or all kitchen or

plumbing facilities, or occupying an overcrowded unit (1.01 persons per room or more).

Under Section 202, 85 percent of the total capital advance amount is allocated to metropolitan areas and 15 percent to nonmetropolitan areas. In addition, each local HUD office jurisdiction receives sufficient capital advance funds for a minimum of 20 units in metropolitan areas and 5 units in nonmetropolitan areas. The total amount of capital advance funds to support these minimum set-asides are subtracted from the respective (metropolitan or nonmetropolitan) total capital advance amounts available. The remainder is fair shared to each local HUD office jurisdiction whose fair share exceeds the minimum set-aside based on the allocation formula fair share factors described below.

Note: The allocations for metropolitan and nonmetropolitan portions of the local HUD office jurisdictions reflect the definitions of metropolitan and nonmetropolitan areas as of

the June 2003 definitions by the Office of Management and Budget.

A fair share factor is developed for each metropolitan and nonmetropolitan portion of each local HUD office jurisdiction by dividing the number of elderly renter households in the respective metropolitan and nonmetropolitan portion of the jurisdiction by the total number of elderly rental households in the metropolitan and nonmetropolitan portions of the United States. The resulting percentage for each local HUD office jurisdiction is then adjusted to reflect the relative cost of providing housing among the local HUD office jurisdictions. The adjusted needs percentage for the applicable metropolitan or nonmetropolitan portion of each jurisdiction is then multiplied by the respective total remaining capital advance funds available nationwide. Based on the allocation formula, HUD has allocated the available capital advance funds as shown on the following chart:

B. Type of Award. Capital Advance and Project Rental Assistance Contract Funds for new Section 202 applications.

C. Type of Assistance Instrument. The Agreement Letter stipulates the terms and conditions for the Section 202 fund reservation award as well as the submission requirements following the fund reservation award. The duration of the fund reservation award for the capital advance is 18 months from the date of issuance of the fund reservation.

D. Anticipated Start and Completion Date. Immediately upon your acceptance of the Agreement Letter, you are expected to begin work toward the submission of a Firm Commitment Application, which is the next application submission stage. You are required to submit a Firm Commitment Application to the local HUD office within 180 days from the date of the Agreement Letter. Initial closing of the capital advance and start of construction of the project are expected to be accomplished within the duration of the fund reservation award period as indicated in the above paragraph regarding the Type of Assistance Instrument. Final closing of this capital advance is expected to occur no later than six months after completion of project construction.

III. Eligibility Information

A. Eligible Applicants. Private nonprofit organizations and nonprofit consumer cooperatives that meet the threshold requirements contained in the General Section and Section III.C.2. of this NOFA are the only eligible applicants under this Section 202 program. Neither a public body nor an instrumentality of a public body is eligible to participate in the program.

Applicant eligibility for purposes of applying for a Section 202 fund reservation under this NOFA has not changed; i.e., all Section 202 Sponsors

and Co-Sponsors must be private nonprofit organizations and nonprofit consumer cooperatives. However, the Owner corporation, when later formed by the Sponsor, may be (1) a single-purpose private nonprofit organization that has tax-exempt status under Section 501(c)(3) or Section 501(c)(4) of the Internal Revenue Code of 1986, (2) nonprofit consumer cooperative, or (3) for purposes of developing a mixed-finance project pursuant to the statutory provision under Title VIII of the American Homeownership and Economic Opportunity Act of 2000, a for-profit limited partnership with a private nonprofit organization as the sole general partner.

See Section III.C.3.b. regarding limits on the total number of units and projects for which you may apply for funding.

B. Cost Sharing or Matching. No cost sharing or match is required; however, you are required to make a commitment to cover the estimated start-up expenses, the minimum capital investment of one-half of one percent of the HUD-approved capital advance, not to exceed \$10,000 or for a national Sponsor not to exceed \$25,000, and any funds required in excess of the capital advance, including the estimated cost of any amenities or features (and operating costs related thereto) which are not covered by the capital advance. You make such a commitment by signing the Form HUD-92042, Sponsor's Resolution for Commitment to Project in Exhibit 8(g) of the application found in Section IV.B.

C. Other.

1. Eligible Activities. Section 202 capital advance funds must be used to finance the development of housing through new construction, rehabilitation, or acquisition with or without rehabilitation. Capital advance funds may also be used in combination

with other non-Section 202 funding sources leveraged by a for-profit limited partnership (of which a single-purpose private nonprofit organization is the sole general partner) to develop a mixed-finance project, including a mixed-finance project for additional units for the elderly over and above the Section 202 units. The development of a mixed-use project in which the Section 202 units are mortgaged separately from the other uses of the structure is not considered a mixed-finance project. Project rental assistance funds are provided to cover the difference between the HUD-approved operating costs and the amount the residents pay (each resident pays 30 percent of adjusted income) as well as to provide supportive services to frail elderly residents.

Note: For purposes of approving Section 202 capital advances, HUD will consider proposals involving mixed-financing for additional units over and above the Section 202 units. However, you must obtain funds to assist the additional units with other than PRAC funds. HUD will not provide PRAC funds for non-Section 202 units.

A portion of the PRAC funds (not to exceed \$15 per unit/per month) may be used to cover some of the cost of any supportive services for those frail elderly or those elderly determined to be at-risk of being institutionalized. The balance of the cost for services must be paid for from sources other than the capital advance or PRAC funds. Also, the cost of employing a service coordinator for those projects serving principally the frail elderly (when at least 25 percent of the residents will be frail or determined to be at-risk of being institutionalized) is an eligible use of PRAC funds. Section 202 projects receiving Congregate Housing Services assistance under Section 802 of the National Affordable Housing Act are not eligible to use capital advance or PRAC

funds for supportive services or the cost of a service coordinator.

2. Threshold Requirements for Funding Consideration. In addition to the threshold criteria outlined in the General Section, the following threshold requirements must be met:

a. Non-Responsive Application. Your application will be considered non-responsive to the NOFA and will not be accepted for processing if you:

(1) requested and received approval to submit a paper application and you submit less than the required number of paper copies. Applicants receiving waiver approval to submit a paper application must follow the instructions in the approval notification regarding where to submit the application and the number of copies required. All paper applications granted a waiver to the electronic application submission requirement must be received by HUD at the proper location no later than the deadline date.

(2) submit paper copies of the application if you have not received approval from HUD for a waiver of the electronic submission requirements;

(3) submit a substantially deficient application (i.e., a majority of the required exhibits are not submitted with your application, particularly, but not limited to, those exhibits which are not curable). HUD reserves the right to determine whether your application is substantially deficient for purposes of determining whether the application is non-responsive to the NOFA. Refer to Section IV.B., Content of Form of Application Submission, for information on the required exhibits for submission with your application to ensure that your application is complete at time of submission;

(4) request more units than were allocated in either the metropolitan or nonmetropolitan allocation category to the local HUD office that will be reviewing your application or 125 units, whichever is less (see the allocation chart in Section II.A. above);

(5) request less than the minimum number of 5 units per site;

(6) request assistance for an ineligible activity as defined in Section IV.E., Funding Restrictions, of this program NOFA; or

(7) are an ineligible applicant (see Section III.A, Eligible Applicants of this program NOFA).

b. Other Criteria

(1) You, or a co-Sponsor, must have experience in providing housing or services to elderly persons.

(2) You and any co-Sponsor must be eligible private nonprofit organizations or nonprofit consumer cooperatives

with tax exempt status under Internal Revenue Service code.

(3) Your application must contain acceptable evidence of the following:

(a) Evidence of Site Control. You must provide evidence of site control as described in this section and Exhibit 4(d)(i) of Section IV.B. of this NOFA).

(b) Historic Preservation. You are required to send a letter to the State/Tribal Historic Preservation Officer (SHPO/THPO) that attempts to initiate consultation with their office and requests their review of your determinations and findings with respect to the historical significance of your proposed project. A sample letter to the SHPO/THPO that you may adapt for your use, if you so choose, is available on HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. You must include a copy of your letter to the SHPO/THPO in your application and a statement that you have not received a response letter(s) from the SHPO/THPO or a copy of the response letter(s) received from the SHPO/THPO.

(c) Contamination. HUD must determine if a proposed site contains contamination, such as hazardous waste, petroleum, or petroleum products, and, if so, HUD must be satisfied that it is eliminated to the extent necessary to meet non site-specific federal, state or local health standards. You must assist HUD by doing the following:

(i) Phase I Environmental Site Assessment (ESA). You must undertake and submit a Phase I ESA, prepared in accordance with the ASTM Standard E 1527-05, as amended, using the table of contents and report format specified at Appendix X4 thereto, completed or updated as specified at Section 4.6 thereto no earlier than 180 days prior to the application deadline date. The Phase I ESA must be completed and submitted with the application. Therefore, it is important that you start the Phase I ESA process as soon after publication of the SuperNOFA as possible.

Note: A Phase I ESA that is not properly updated, does not use the report format specified at Appendix X4 of ASTM Standard E 1527-05, or that is prepared in accordance with an older version of ASTM E 1527 will result in a technical rejection of your application.

To help you choose an environmentally safe site, HUD invites you to review the documents "Choosing an Environmentally Safe Site" and "Supplemental Guidance, Environmental Information", which are available on the HUD Web site at

<http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

(ii) Phase II ESA. If the Phase I ESA indicates the possible presence of contamination and/or hazards, you must decide whether to continue with this site or choose another site. Should you choose another site, the same Phase I ESA process identified above must be followed for the new site. However, if you choose to continue with the original site on which the Phase I ESA indicated contamination or hazards, you must undertake a detailed Phase II ESA by an appropriate professional. In order for your application to be considered for review under this FY2007 funding competition, the Phase II must be received by the local HUD office on or before June 25, 2007.

(iii) Clean-up—If the Phase II ESA reveals site contamination, the extent of the contamination and a plan for clean-up of the site must be submitted to the local HUD office. The plan for clean-up must include a contract for remediation of the problem(s) and an approval letter from the applicable federal, state, and/or local agency with jurisdiction over the site. In order for your application to be considered for review under this FY2007 funding competition, this information must be received by the local HUD office on or before June 25, 2007. If the above information is not received by the local HUD office by that date, the application will be rejected.

Note: Clean-up could be an expensive undertaking. You must pay for the cost of any clean-up and/or remediation with sources other than the capital advance funds. If the application is approved, clean-up must be completed prior to initial closing. Completion of clean-up means that HUD must be satisfied that the contamination has been eliminated to the extent necessary to meet non site-specific federal, state or local health standards, with no active or passive remediation still taking place, no capping over of any contamination, and no monitoring wells. However, it is acceptable if contamination remains solely in groundwater that is at least 25 feet below the surface.

(d) Asbestos. Asbestos is a hazardous substance commonly used in building products until the late 1970s. Therefore, you must submit one of the following with your application:

(i) If there are no pre-1978 structures on the site or if there are pre-1978 structures, that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a statement to this effect, or

(ii) If there are pre-1978 structures on the site, other than for a site that most recently consisted of solely four or fewer units of single-family housing

including appurtenant structures thereto, a comprehensive building asbestos survey that is based on a thorough inspection to identify the location and condition of asbestos throughout any structures. In those cases where suspect asbestos is found, it would either be assumed to be asbestos or would require confirmatory testing. If the asbestos survey indicates the presence of asbestos or the presence of asbestos is assumed, and if the application is approved, HUD will condition the approval on an appropriate mix of asbestos abatement and an asbestos Operations and Maintenance Plan.

(4) There must be a market need for the number of units proposed in the area of the project location.

(5) You are required to include a Supportive Services Plan that describes the supportive services proposed to be provided to the anticipated occupants, including a description of the public or private funds that are expected to fund the proposed services and the manner in which the services will be provided to the proposed residents (see Exhibit 5 in Section IV.B. of this NOFA). You must not require residents to accept any supportive services as a condition of occupancy or admission.

(6) Delinquent Federal Debt. Refer to the General Section for information regarding delinquent federal debt.

3. Program Requirements. By signing Form HUD-92015-CA, Supportive Housing for the Elderly Section 202, Application for Capital Advance Summary Information, you are certifying that you will comply with all program requirements listed in the General Section as well as the following requirements:

a. Statutory and Regulatory Requirements. In addition to the statutory, regulatory, threshold and public policy requirements listed in the General Section, you must comply with all statutory and regulatory requirements listed in this NOFA.

b. Application/Project Size Limits.

(1) Application Limits Applicable to Sponsors or Co-Sponsors. A Sponsor or Co-Sponsor may not apply for more than 200 units of housing for the elderly in a single Hub or more than 10 percent of the total units allocated to all HUD offices. Affiliated entities (organizations that are branches or offshoots of a parent organization) that submit separate applications are considered a single entity for the purpose of this limit.

(2) Maximum Project Size. No single application may propose the development of a project for more than the number of units allocated to a local HUD office (in either the metropolitan

or nonmetropolitan allocation category, depending on the location of your proposed project) or 125 units, whichever is less. For example, the local HUD office, which has jurisdiction over the area of your proposed project, was allocated 80 units (metropolitan) and 20 units (nonmetropolitan) for a total of 100 units. You cannot apply for more than 80 units if your proposed project is in a metropolitan area and no more than 20 units if the project is in a nonmetropolitan area. The maximum project size includes a resident manager's unit, if proposed.

(3) Minimum Project Size. The minimum number of units that can be applied for in one application is five units. If the proposed project will be a scattered-site development, the five-unit minimum requirement will apply to each site.

c. Minimum Capital Investment. If selected, you must provide a minimum capital investment of one-half of one percent of the HUD-approved capital advance amount, not to exceed \$10,000 in accordance with 24 CFR 891.145, with the following exception: If you, as Sponsor or Co-Sponsor, have one or more Section 202 or one or more Section 811 project(s) under reservation, construction, or management in two or more different HUD geographical regions (Hubs), the minimum capital investment shall be one-half of one percent of the HUD-approved capital advance amount, not to exceed \$25,000.

d. Accessibility. Your project must meet accessibility requirements published at 24 CFR 891.120, 24 CFR 891.210, and Section 504 of the Rehabilitation Act of 1973 and its implementing regulations at 24 CFR Part 8, and, if new construction, the design and construction requirements of the Fair Housing Act and HUD's implementing regulations at 24 CFR part 100. In addition, 24 CFR 8.4(b)(5) prohibits the selection of a site or location which has the purpose or effect of excluding persons with disabilities from the federally assisted program or activity. Refer to Section V.A. below and the General Section for information regarding the policy priority of encouraging accessible design.

e. Conducting Business in Accordance with HUD Core Values and Ethical Standards. You are not subject to the requirements of 24 CFR parts 84 and 85 as outlined in the General Section, except that the disposition of real property may be subject to 24 CFR part 84. However, you are still subject to the core values and ethical standards as they relate to the conflict of interest provisions in 24 CFR 891.130. To ensure compliance with the program's conflict

of interest provisions, you are required to sign a Conflict of Interest Resolution and include it in your Section 202 application. Further, if awarded a Section 202 fund reservation, the officers, directors, board members, trustees, stockholders and authorized agents of the Section 202 Sponsor and Owner entities will be required to submit to HUD individual certifications regarding compliance with HUD's conflict of interest requirements.

f. National Environmental Policy Act. You must comply with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321) and applicable related environmental authorities at 24 CFR 50.4, HUD's programmatic implementing regulations at 24 CFR part 50 and 24 CFR 891.155(b), especially, but not limited to, the provision of information to HUD at 24 CFR 50.31(b), and you must comply with any environmental "conditions and safeguards" at 24 CFR 50.3(c).

Under 24 CFR Part 50, HUD has the responsibility for conducting the environmental reviews. HUD will commence the environmental review of your project upon receipt of your completed application. However, HUD cannot approve any site unless it first completes the environmental review and finds that the site meets its environmental requirements. In rare cases where HUD is not able to complete the environmental review, it is due to a complex environmental issue that could not be resolved during the time period allocated for application processing. Thus, HUD requires you to attempt to obtain comments from the State/Tribal Historic Preservation Officer (see Exhibit 4(d)(ix) of Section IV.B. below) to help HUD complete the environmental review on time. It is also why HUD may contact you for additional environmental information. So that you can review the type of information that HUD needs for its preparation of the environmental review, the type of information requests that HUD may make to you, and the criteria that HUD uses to determine the environmental acceptability of a site, you are invited to go to the following Web site to view the HUD form 4128, including the Sample Field Notes Checklist, which HUD uses to record the environmental review: www.hud.gov/utilities/intercept.cfm?/offices/cpd/energyenviron/environment/compliance/forms/4128.pdf.

g. Executive Order 13202, Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally

Funded Construction Projects. Refer to the General Section.

h. Fair Housing Requirements. Refer to the General Section for information regarding fair housing requirements.

i. Economic Opportunities for Low and Very Low-Income Persons (Section 3). You must comply with Section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u (Economic Opportunities for Low and Very Low-Income Persons) and its implementing regulations at 24 CFR part 135. You must ensure that training, employment and other economic opportunities shall, to the greatest extent feasible, be directed toward low and very low-income persons, particularly those who are recipients of government assistance for housing and to business concerns which provide economic opportunities to low and very low-income persons in the area in which the proposed project will be located. To comply with Section 3 requirements you are hereby certifying that you will strongly encourage your general contractor and subcontractors to participate in local apprenticeship programs or training programs registered or certified by the Department of Labor's Office of Apprenticeship, Training, Employer and Labor Services or recognized State Apprenticeship Agency. Although not a NOFA requirement, you are encouraged to submit with your application a description on how you plan to incorporate the Section 3 requirements into your proposed project with goals for expanding training and employment opportunities for low and very low-income (Section 3) residents as well as business concerns. You will receive up to two (2) points if you provide a description of your plans for doing so under Exhibit 3(k) of this program NOFA.

j. Design and Cost Standards. You must comply with HUD's Section 202 design and cost standards (24 CFR 891.120 and 891.210), the Uniform Federal Accessibility Standards (24 CFR 40.7), Section 504 of the Rehabilitation Act of 1973 and HUD's implementing regulations at 24 CFR part 8, and for covered multifamily dwellings designed and constructed for first occupancy after March 13, 1991, the design and construction requirements of the Fair Housing Act and HUD's implementing regulations at 24 CFR part 100, and, where applicable, the Americans with Disabilities Act of 1990.

k. Formation of Owner Corporation. You must form an Owner entity (in accordance with 24 CFR 891.205) after issuance of the capital advance fund reservation and must cause the Owner entity to file a request for determination

of eligibility and a request for capital advance, and must provide sufficient resources to the Owner entity to ensure the development and long-term operation of the project, including capitalizing the Owner entity at firm commitment processing in an amount sufficient to meet its obligations in connection with the project over and above the capital advance amount.

l. Davis-Bacon. You must comply with the Davis-Bacon requirements (12 U.S.C. 1701q(j)(5)) and the Contract Work Hours and Safety Standards Act in accordance with 24 CFR 891.155(d).

4. Energy Efficiency. HUD has adopted a wide-ranging energy action plan for improving energy efficiency in all program areas. As a first step in implementing the energy plan, HUD, the Environmental Protection Agency (EPA) and the Department of Energy (DoE) have signed a joint partnership to promote energy efficiency in HUD's affordable housing efforts and programs. The purpose of the Energy Star partnership is not only to promote energy efficiency of the affordable housing stock, but also to help protect the environment.

Although it is not a requirement, you are encouraged to promote energy efficiency in design and operation of your proposed project and your application will receive one (1) point if you describe your plans for doing so in the proposed project. You are urged especially to purchase and use Energy Star-labeled products. For further information about Energy Star, see <http://www.energystar.gov> or call 1-888-STAR-YES (1-888-782-7937) or for the hearing-impaired, 1-888-588-9920 TTY.

IV. Application and Submission Information

Applicants are required to submit an electronic application unless they receive a waiver of the requirement in accordance with the procedures in Section IV.C. of this NOFA. See the General Section for information on electronic application submission and timely submission and receipt requirements.

A. Address to Request Application Package. All information required to complete and return a valid application is included in the General Section and this NOFA, including other related documents. Applicants may download the application and instructions from the Grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information you may call the Grants.gov Support Desk toll free 800-518-GRANTS or e-mail

your questions to Support@Grants.gov. See the General Section for information regarding the registration process or ask for registration information from the Grants.gov Support Desk.

You may request general information, copies of the General Section and NOFA (including related documents), from the NOFA Information Center (800-HUD-8929) Monday through Friday, except on federal holidays. Persons with hearing and speech impairments may access the above number via TTY by calling the toll-free Federal Relay Service at 800-877-8339. When requesting information, please refer to the name of the program in which you are interested.

B. Content and Form of Application Submission. The exhibits to be included in your application are contained in the body of this NOFA. Before preparing your application, you should carefully review the requirements of the regulations (24 CFR Part 891) and general program instructions in Handbook 4571.3 REV-1, Section 202 Capital Advance Program for Housing the Elderly. *Note: Section 1001 of Title 18 of the United States Code (Criminal Code and Criminal Procedure, 72 Stat. 967) applies to all information supplied in the application submission.* (18 U.S.C. 1001, among other things, provides that whoever knowingly and willfully makes or uses a document or writing containing any false, fictitious, fraudulent statement or entry, in any matter within the jurisdiction of any department or agency of the United States, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both.)

The Application for a Section 202 Capital Advance consists of four parts with a total of eight Exhibits. Included with the eight Exhibits are prescribed forms, certifications and resolutions.

The components of the Application are:

- Part 1—Application Form for Section 202 Supportive Housing—Capital Advance (Exhibit 1).
- Part 2—Your Ability to Develop and Operate the Proposed Project (Exhibits 2 and 3).
- Part 3—The Need for Supportive Housing for the Target Population in the Area to be Served, Site Control and Suitability of Site, Adequacy of the Provision of Supportive Services and of the Proposed Project (Exhibits 4 and 5).
- Part 4—General Application Requirements, Certifications and Resolutions (Exhibits 6 through 8).

The following additional information, which may assist you in preparing your application, is available on HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>:

- Listing of Local HUD Offices.
- Letter Requesting SHPO/THPO Review.
- Choosing an Environmentally Safe Site.

• Supplemental to Choosing an Environmentally Safe Site.

Your application must include all of the information, materials, forms, and exhibits listed below (unless you were selected for a Section 202 fund reservation within the last three funding cycles). If you qualify for this exception, you are not required to submit the information described in Exhibits 2(a), (b), and (c), which are the articles of incorporation, (or other organizational documents), by-laws, and the IRS tax exemption, respectively. If there has been a change in any of these documents since your previous HUD approval, you must submit the updated information in your application. The local HUD office will verify your previous HUD approval by checking the project number and approval status with the appropriate local HUD office based on the information submitted.

In addition to this relief of paperwork burden in preparing applications, you will be able to use information and exhibits previously prepared for prior applications under Section 202, Section 811, or other funding programs. Examples of exhibits that may be readily adapted or amended to decrease the burden of application preparation include, among others, those on previous participation in the Section 202 or Section 811 programs, your experience in the provision of housing and services, supportive services plans, community ties, and experience serving minorities.

For programmatic information, you MUST contact the appropriate local HUD office about the submission of applications within the jurisdiction of that Office. A listing of the local HUD offices is available on HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

Please submit your application using the following format provided in this NOFA. For applications to be submitted electronically, in which you have created files to be attached to the electronic application, you should number the pages of the attached file and include a header that identifies the exhibit that it relates to. Please be sure to follow the file labeling and file format instructions in the General Section.

For applicants that have received a waiver of the electronic application submission, you must number the pages of each file, narratives and other attached files. Include the name of your organization, your DUNS number, and

the exhibit number that you are responding to on the header of each document.

1. Table of Contents

- a. Part I—Application Form.
 - (1) Exhibit 1: Form HUD-92015-CA Application for Capital Advance Summary Information.
- b. Part II—Ability to Develop/Operate Project.
 - (1) Exhibit 2: Legal Status.
 - (a) Organizational Documents.
 - (b) By-Laws.
 - (c) IRS Tax Exemption Ruling.
 - (3) Exhibit 3: Purpose/Community Ties/Experience.
 - (a) Purpose(s), current activities, etc.
 - (b) Community ties, description of area.
 - (c) Other Funding Sources.
 - (d) Letters of support.
 - (e) Housing/Services experience.
 - (f) Involvement of target population.
 - (g) Practical solutions.
 - (h) Project Development Timeline.
 - (i) How project will remain viable:
 - (ii) If services are depleted;
 - (iii) If State-funded services changes;
 - (iii) If need for project changes.
 - (j) Form HUD-27300, America's Affordable Communities Initiative/Removal of Regulatory Barriers (HUD Communities Initiative Form on Grants.gov), with supporting documentation.
 - (k) Section 3 requirements.
 - c. Part III—Need for Housing, Site Requirements, Proposed Services.
 - (1) Exhibit 4: Project Information.
 - (a) Evidence of need for project.
 - (b) Benefit to population/community.
 - (c) Narrative project description:
 - (i) Building design;
 - (ii) Energy efficiency features;
 - (iii) Mixed-financing for additional units.
 - (d) Site control and zoning:
 - (i) Site control documents;
 - (ii) Freedom of site from restrictions;
 - (iii) Zoning requirements;
 - (iv) URA site notification requirements;
 - (v) Topographical/demographical description of site/area and opportunities for minorities;
 - (vi) Racial composition/map of site;
 - (vii) Phase I ESA;
 - (viii) Asbestos Statement/Survey;
 - (ix) SHPO/THPO requirements.
 - (2) Exhibit 5: Supportive Services Plan.
 - (a) Description of services.
 - (b) Other funding sources.
 - (c) How services will be provided.
 - d. Part IV—Requirements/Certifications/Resolutions.
 - (1) Exhibit 6: Other Applications.
 - (a) FY07 Sections 202/811 applications to other Offices.
 - (b) Information on FY06 and prior years' Sections 202/811 applications
 - (2) Exhibit 7: Required information on:
 - (a) All property occupants;
 - (b) Relocation costs/services;
 - (c) Staff to carry out relocation;
 - (d) Occupant move-outs within past 12 months.
 - (3) Exhibit 8: Forms/Certifications/Resolutions.

- (a) SF-424 Application for Federal Assistance
- (b) SF-424 Supplement "Survey on Ensuring Equal Opportunities for Applicants" (Faith Based EEO Survey (SF-424 SUPP) on Grants.gov).
- (c) SF-LLL, Disclosure of Lobbying Activities.
- (d) HUD-2880 "Applicant/Recipient Disclosure/Update Report" (HUD Applicant Recipient Disclosure Report on Grants.gov).
- (e) HUD-2991 Certification of Consistency with the Consolidated Plan.
- (f) HUD-92041 Sponsor's Conflict of Interest Resolution.
- (g) HUD-92042 Sponsor's Resolution for Commit to Project.
- (h) HUD-2990 Certification of Consistency with the RC/EZ/EC-II Strategic Plan (if applicable).
- (i) HUD-96010 Program Outcome Logic Model.
- (j) HUD-96011 "Third Party Documentation Facsimile Transmittal" (Facsimile Transmittal Form on Grants.gov). This is to be used as the cover page for faxing third party information for electronic applications only. See the General Section.
- (k) HUD-2994-A Form HUD-2994A—You are Our Client! Grant Applicant Survey (Optional).

2. Programmatic Applications Requirements

a. Part I—Application Form for Section 202 Supportive Housing—Capital Advance

(1) EXHIBIT 1—Form HUD-92015-CA, Supportive Housing for the Elderly Section 202, Application for Capital Advance Summary Information. A copy of the form is available in the instructions download at http://www.grants.gov/applicants/apply_for_grants.jsp.

b. Part II—Your Ability To Develop and Operate the Proposed Project

(1) EXHIBIT 2—Evidence of your legal status (i.e., evidence of your status as a private nonprofit organization or nonprofit consumer cooperative). If another organization(s) is co-sponsoring the application with you, each co-sponsor must also submit the following:

- (a) Articles of Incorporation, constitution, or other organizational documents;
- (b) By-laws;
- (c) IRS tax exemption ruling (this must be submitted by all Sponsors, including churches).

Note: Based on a HUD review of your articles of incorporation, constitution, or other organizational documents, HUD must determine, among other things, that (1) you are an eligible private nonprofit entity and are not a public body or an instrumentality of a public body, (2) your corporate purposes are sufficiently broad to provide you the legal

authority to sponsor the proposed project for the elderly, to assist the Owner, and to apply for a capital advance, (3) no part of the Sponsor's net earnings inures to the benefit of any private party, and (4) that you are not controlled by or under the direction of persons seeking to derive profit or gain therefrom.

[Exception: If you received a section 202 fund reservation within the last three funding cycles, you are not required to submit the documents described in (a), (b), and (c) above. Instead, submit the project number of the latest application and the local HUD office to which it was submitted. If there have been any modifications or additions to the subject documents, indicate such, and submit the new material.]

(2) EXHIBIT 3—Your purpose, community ties and experience

(a) A description of your purpose(s), current activities, including your ability to enlist volunteers and raise private and local funds, and how long you have been in existence.

(b) A description of your ties to the community in which your project will be located and to the minority and elderly communities in particular, including a description of the specific geographic area(s) in which you have served.

(c) A description of other funding sources for the project (including financial assistance, donation of land, provision of services, etc.).

(d) Letters of support for your organization and for the proposed project from organizations familiar with the housing and supportive services needs of the target population that you expect to serve in the proposed project.

(e) A description of your housing and/or supportive services experience. The description should include any rental housing projects and/or supportive services facilities that you sponsored, own and/or operate, your past or current involvement in any programs other than housing that demonstrates your management capabilities (including financial management) and experience, your experience in serving the target population (the elderly and/or families and minorities); and the reasons for receiving any increases in fund reservations for developing and/or operating previously funded Section 202 or Section 811 projects. The description should include data on the facilities and services provided, the racial/ethnic composition of the populations served, if available, and information and testimonials from residents or community leaders on the quality of the activities. Examples of

activities that could be described include housing counseling, nutrition and food services, special housing referral, screening and information projects.

(f) A description of your efforts to involve members of the target population (elderly persons, including minority elderly persons) in the development of the application as well as your intent to involve the target population in the development and operation of the project.

(g) A description of the practical solutions you will implement which will enable residents of your project to achieve independent living. In addition, describe the educational opportunities you will provide for the residents and how you will provide them. This description should include any activities that will enhance the quality of life for the residents. And, finally, describe how your proposed project will be an improved living environment for the residents when compared to their previous place of residence.

(h) Describe your plan for completing the proposed project. Include a project development timeline which lists the major development stages for the project with associated dates that must be met in order to get the project to initial closing and start of construction within the 18-month fund reservation period as well as the full completion of the project, including final closing. Completion of Exhibit 8(i), Program Outcome Logic Model, will assist you in completing your response to this Exhibit.

(i) Describe how you will ensure that your proposed project will remain viable as housing with the availability of supportive services for the target population for the 40-year capital advance period. This description should address the measures you would take should any of the following occur:

(i) funding for any of the needed supportive services becomes depleted;

(ii) if, for any state-funded services for your project, the state changes its policy regarding the provision of supportive services to projects such as the one you propose; or

(iii) if the need for housing for the population you will be serving wanes over time, causing vacancies in your project.

(j) A description of the successful efforts the jurisdiction in which your project will be located has taken in removing regulatory barriers to affordable housing. To obtain up to 2 points for this policy priority, you must complete the optional Form HUD-27300, "Questionnaire for HUD's Initiative on Removal of Regulatory

Barriers" AND provide the necessary URL references or submit the documentary evidence. This exhibit is optional, but to obtain up to 2 points for this policy priority, you must submit this information using Form HUD-27300 and include the necessary URL references or other documentary evidence and contact information. When providing documents in support of your responses to the questions on the form, please provide the applicant name and project name and whether you were responding under column A or B, then identify the number of the question and the URL or document name and attach using the attachment function at the end of the electronic form. This exhibit will be used to rate your application under Rating Factor 3(j).

(k) A description on how you plan to incorporate the Section 3 requirements into your proposed project with goals for expanding training and employment opportunities for low- and very low-income (Section 3) persons as well as business concerns in the area in which the proposed project will be located. This exhibit is optional, but to obtain up to 2 points for this policy priority, you must submit this exhibit and adequately address your plans to provide opportunities to train and employ low- and very low-income residents of the project area and award substantial contracts to persons residing in the project area.

c. Part III—The Need for Supportive Housing for the Target Population, Site Control and Suitability of Site, Adequacy of the Provision Of Supportive Services and of the Proposed Project

(1) EXHIBIT 4—Need and Project Information

(a) Evidence of need for supportive housing. Include a description of the category or categories of elderly persons the housing is intended to serve and evidence demonstrating sustained effective demand for supportive housing for that population in the market area to be served, taking into consideration the occupancy and vacancy conditions in existing federally assisted housing for the elderly (HUD and the Rural Housing Service (RHS)) e.g., public housing, state or local data on the limitations in activities of daily living among the elderly in the area; aging in place in existing assisted rentals; trends in demographic changes in elderly population and households; the numbers of income eligible elderly households by size, tenure and housing condition; the types of supportive

services arrangements currently available in the area; and the use of such services as evidenced by data from local social service agencies or agencies on aging. Also, a description of how information in the community's or (where applicable) the state's Consolidated Plan, Analysis of Impediments to Fair Housing Choice (AI) or other planning document that analyzes fair housing issues was used in documenting the need for the project.

(b) A description of how the proposed project will benefit the target population and the community in which it will be located.

(c) Description of the project.

(i) Narrative description of the building design including a description of the number of units with bedroom distribution, any special design features, including any features that incorporate visitability standards and universal design, amenities, and/or commercial and community spaces, and how this design will facilitate the delivery of services in an economical fashion and accommodate the changing needs of the residents over the next 10–20 years.

Note: If the community spaces, amenities, or features do not comply with the project design and cost standards of 24 CFR 891.120(a) and (c), the special standards of 24 CFR 891.210, and the limitation on bedroom unit sizes as required by paragraph 1–11.B.4. of HUD Handbook 4571.3 REV–1, you must demonstrate your ability and willingness to contribute both the incremental development cost and continuing operating cost associated with the community spaces, amenities, or features;

(ii) Describe whether and how the project will promote energy efficiency (in accordance with the requirements set forth in Section III.C.4. of this NOFA), including any plans to incorporate energy efficiency features in the operation of the project through the use of Energy Star labeled products and appliances and, if applicable, innovative construction or rehabilitation methods or technologies to be used that will promote efficient construction.

(iii) If you are proposing to develop a mixed-finance project by developing additional units for the elderly (*i.e.*, in addition to the 202 units), a description of any plans and actions you have taken to create such a mixed-finance project with the use of Section 202 capital advance funds, in combination with other funding sources. Provide the number of non-Section 202 units to be included in the mixed-finance project (also provide the number of additional units in the appropriate space on Form HUD–92015-CA). Also, provide copies of any letters you have sent seeking outside funding for the non-Section 202

units and any responses thereto. You also must demonstrate your ability to proceed with the development of a Section 202 project that will not involve mixed-financing, as proposed in your application, in the event you are later unable to obtain the necessary outside funding or HUD disapproves your proposal for a mixed-finance project for additional non-Section 202 units for the elderly.

Notes: (1) A proposal to develop a mixed-finance project for additional units must occur at the application for fund reservation stage. You cannot decide after selection that you want to do a mixed-finance project for additional units. (2) Section 202 capital advance amendment money will not be approved for projects proposing mixed-financing. (3) If approved for a reservation of capital advance funds, you will be required to submit, with your Firm Commitment Application, the additional documents required by HUD for mixed-finance proposals. (4) A mixed-finance project does not include the development of a mixed-use project in which the Section 202 units are mortgaged separately from the other uses of the structure.

(d) Evidence of site control and permissive zoning.

(i) Acceptable evidence of site control is limited to any one of the following:

(A) Deed or long-term leasehold which evidences that you have title to or a leasehold interest in the site. If a leasehold, the term of the lease must be at least 50 years with renewable provisions for 25 years, except for sites on Indian trust land, in which case, the term of the lease must be at least 50 years with no requirement for extensions;

(B) Contract of sale for the site that is free of any limitations affecting the ability of the seller to deliver ownership to you after you receive and accept a notice of Section 202 capital advance. (The only condition for closing on the sale can be your receipt and acceptance of the capital advance.) The contract of sale cannot require closing earlier than the Section 202 closing;

(C) Option to purchase or for a long-term leasehold, which must remain in effect for six months from the date on which the applications are due, must state a firm price binding on the seller, and be renewable at the end of the six-month period. The only condition on which the option may be terminated is if you are not awarded a fund reservation;

(D) If the site is covered by a mortgage under a HUD program, (*e.g.*, a previously funded Section 202 or Section 811 project or an FHA-insured mortgage) you must submit evidence of site control as described above AND evidence that consent to release the site

from the mortgage has been obtained or has been requested from HUD (all required information in order for a decision on the request for a partial release of security must have been submitted to the local HUD office) and from the mortgagee, if other than HUD. Approval to release the site from the mortgage must be done before the local HUD office makes its selection recommendations to HUD Headquarters. Refer to Chapter 16 of HUD Handbook 4350.1 REV–1, Multifamily Asset Management and Project Servicing, for instructions on submitting requests to the local HUD office for partial release of security from a mortgage under a HUD program; or

(E) For sites to be acquired from a public body, evidence is needed that the public body possesses clear title to the site and has entered into a legally binding agreement to lease or convey the site to you after you receive and accept a notice of Section 202 capital advance. Where HUD determines that time constraints of the funding round will not permit you to obtain all of the required official actions (*e.g.*, approval of Community Planning Boards) that are necessary to convey publicly-owned sites, you may include in your application a letter from the mayor or director of the appropriate local agency indicating that conveyance or leasing of the site is acceptable without imposition of additional covenants or restrictions, and only contingent on the necessary approval action. Such a letter of commitment will be considered sufficient evidence of site control.

(ii) Whether you have title to the site, a contract of sale, an option to purchase, or are acquiring a site from a public body, you must provide evidence (a current title policy or other acceptable evidence) that the site is free of any limitations, restrictions, or reverts which could adversely affect the use of the site for the proposed project for the 40-year capital advance period under HUD's regulations and requirements (*e.g.*, reversion to seller if title is transferred). If the title evidence contains restrictions or covenants, copies of the restrictions or covenants must be submitted with the application. If the site is subject to any such limitations, restrictions, or reverts, the application will be rejected. Purchase money mortgages that will be satisfied from capital advance funds are not considered to be limitations or restrictions that would adversely affect the use of the site. If the contract of sale or option agreement contains provisions that allow a Sponsor not to purchase the property for reasons such as environmental problems, failure of the

site to pass inspection, or the appraisal is less than the purchase price, then such provisions are not objectionable and a Sponsor is allowed to terminate the contract of sale or the option agreement.

Note: A proposed project site may not be acquired or optioned from a general contractor (or its affiliate) that will construct the Section 202 project or from any other development team member.

(iii) Evidence that the project, as proposed, is permissible under applicable zoning ordinances or regulations or a statement of the proposed action required to make the proposed project permissible AND the basis for the belief that the proposed action will be completed successfully before the submission of the firm commitment application (*e.g.*, a summary of the results of any requests for rezoning and/or the procedures for obtaining special or conditional use permits on land in similar zoning classifications and the time required for such rezoning, or preliminary indications of acceptability from zoning bodies, etc.).

(iv) Evidence of compliance with the URA requirement that the seller has been provided, in writing, with the required information regarding a voluntary, arm's length purchase transaction (*i.e.*, (1) applicant does not have the power of eminent domain and, therefore, will not acquire the property if negotiations fail to result in an amicable agreement, and (2) of the estimate of the fair market value of the property).

Note: A certification for this requirement is not sufficient. Evidence must be submitted to meet this requirement. This information should have been provided before making the purchase offer. However, in those cases where there is an existing option or contract, the seller must be provided the opportunity to withdraw from the agreement or transaction, without penalty, after this information is provided.

(v) Narrative describing topographical and demographic aspects of the site, the suitability of the site and area (as well as a description of the characteristics of the neighborhood), how use of the site will promote greater housing opportunities for minority elderly and elderly persons with disabilities (if applicable), and how use of the site will affirmatively further fair housing.

Note: You can best demonstrate your commitment to affirmatively furthering fair housing by describing how your proposed activities will assist the jurisdiction in overcoming impediments to fair housing choice identified in the applicable jurisdiction's Analysis of Impediments (AI) to Fair Housing Choice, which is a

component of the jurisdiction's Consolidated Plan or any other planning document that addresses fair housing issues. The applicable Consolidated Plan and AI may be the community's, the county's, or the state's, to which input should have been provided by local community organizations, agencies in the community and residents of the community. Alternatively, a document that addresses fair housing issues and remedies to barriers to fair housing in the community that was previously prepared by a local planning, or similar organization, may be used. Applicable impediments could include the need for improved housing quality and services for elderly minority families, lack of affirmative marketing and outreach to minority elderly persons, and the need for quality eldercare services within areas of minority concentration when compared with the type and quality of similar services and housing in nonminority areas.

(vi) A map showing the location of the site, the racial composition of the neighborhood, and any areas of racial concentration.

Note: For this competition, when determining the racial and ethnic composition of the neighborhood surrounding the proposed site, use data from the 2000 Census of Population. Data from the 2000 Census may be found at: www.factfinder.census.gov/servlet/BasicFactsServlet.

(vii) A Phase I Environmental Site Assessment (ESA), in accordance with the ASTM Standard E 1527-05, as amended, using the table of contents and report format specified at Appendix X4 thereto and completed or updated as specified at Section 4.6 thereto, must be undertaken and completed by you and submitted with the application. In order for the Phase I ESA to be acceptable, it must have been completed or updated no earlier than 180 days prior to the application deadline date. Therefore, it is important to start the site assessment process as soon after the publication of the NOFA as possible.

Note: A Phase I ESA that is not properly updated, does not use the report format specified at Appendix X4 of ASTM Standard E 1527-05, or that is prepared in accordance with an older version of ASTM E 1527 will result in a technical rejection of your application.

If the Phase I ESA indicates possible presence of contamination and/or hazards, you must decide whether to continue with this site or choose another site. Should you choose another site, the same Phase I ESA process identified above must be followed for the new site. If you choose to continue with the original site on which the Phase I ESA indicated contamination or hazards, you must undertake a detailed Phase II ESA by an appropriate professional. If the Phase II Assessment

reveals site contamination, you must submit the extent of the contamination and a plan for clean-up of the site including a contract for remediation of the problem(s) and an approval letter from the applicable federal, state, and/or local agency with jurisdiction over the site to the local HUD office. The Phase II ESA and any necessary plans for clean-up do not have to be submitted with the application but must be received by the local HUD office by June 25, 2007. If it is not received by that date, the application will be rejected.

Note: You must pay for the cost of any clean-up or remediation which can be very expensive. See Note at Section III.C.2.b.(3)(c)(iii).

(viii) You must submit one of the following:

(A) If there is no pre-1978 structures on the site or if there are pre-1978 structures, that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a statement to this effect, or

(B) If there are pre-1978 structures on the site, other than for a site that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a comprehensive building asbestos survey that is based on a thorough inspection to identify the location and condition of asbestos throughout any structures.

Note: In those cases where suspect asbestos is found, it would either be assumed to be asbestos or would require confirmatory testing. If the asbestos survey indicates the presence of asbestos, or the presence of asbestos is assumed, and if the application is approved, HUD will condition the approval on an appropriate mix of asbestos abatement and an asbestos Operations and Maintenance Plan.

(ix) Letter to State/Tribal Historic Preservation Officer (SHPO/THPO) and a statement that SHPO/THPO failed to respond to you OR a copy of the response letter received from SHPO/THPO.

(2) EXHIBIT 5—Supportive Services Plan

(a) A detailed description of the supportive services proposed to be provided to the anticipated occupancy.

(b) A description of public or private sources of assistance that reasonably could be expected to fund the proposed services.

(c) The manner in which such services will be provided to such persons (*i.e.*, on or off-site), including whether a service coordinator will facilitate the adequate provision of such

services, and how the services will meet the identified needs of the residents.

Note: You may not require residents, as a condition of admission or occupancy, to accept any supportive services.

d. Part IV—General Application Requirements, Certifications and Resolutions

(1) EXHIBIT 6: Other Applications

(a) A list of the applications, if any, you are submitting to any other local HUD office in response to the FY2007 Section 202 or Section 811 NOFA. Indicate by local HUD office, the proposed location by city and state and the number of units requested in each application.

(b) Include a list of all FY2006 and prior years approved Section 202 and Section 811 capital advance projects to which you are a party. Identify each by project number and local HUD office and include the following information:

- (i) Whether the project has initially closed and, if so, when;
- (ii) If the project was older than 24 months when it initially closed (specify how old) or if older than 24 months now (specify how old) and has not initially closed, provide the reasons for the delay in closing;
- (iii) Whether amendment money was or will be needed for any project in (ii) above, including the amount of the amendment money; and,
- (iv) Those projects that have not been finally closed.

(2) EXHIBIT 7: A Statement That

(a) Identifies all persons (families, individuals, businesses and nonprofit organizations) by race/minority group, and status as owners or tenants occupying the property on the date of submission of the application for a capital advance.

(b) Indicates the estimated cost of relocation payments and other services.

(c) Identifies the staff organization that will carry out the relocation activities.

(d) Identifies all persons that have moved from the site within the past 12 months and the reason for such a move.

(e) Indicates that all persons occupying the site have been issued the appropriate required General Information Notice and advisory services information receipt required, either at the time the option to acquire the property is executed, or at the time the application is submitted.

Note: If any of the relocation costs will be funded from sources other than the section 202 capital advance, you must provide evidence of a firm commitment of these funds. When evaluating applications, HUD

will consider the total cost of proposals (i.e., cost of site acquisition, relocation, construction and other project costs).

Exhibit 7 Is Required for All Section 202 Applications

(3) EXHIBIT 8: Standard Forms, Certifications and Resolutions. You are required to submit completed copies of the following forms, which are available in the instructions download at http://www.grants.gov/applicants/apply_for_grants.jsp.

(a) Standard Form 424—Application for Federal Assistance, including a DUNS number, an indication of whether you are delinquent on any federal debt, and compliance with Executive Order 12372 (a certification that you have submitted a copy of your application, if required, to the State agency (Single Point of Contact/(SPOC)) for state review in accordance with Executive Order 12372). If the SPOC requires a review of your application, you must include in your Section 202 application, a copy of the cover letter sent to the SPOC. Refer to Section IV.D. of this NOFA for additional information on compliance with Executive Order 12372.

Note: For Section 202 program purposes, in Item 12, Areas Affected by Project, of SF-424, provide the names of the City, County and State where the project will be located (not the largest political entities as indicated on the instructions page of SF-424).

(b) Standard Form 424 Supplement, Survey on Ensuring Equal Opportunity for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov). Although the information on this form will not be considered in making funding decisions, it will assist the federal government in ensuring that all qualified applicants have an equal opportunity to compete for federal funding.

(c) Standard Form LLL—Disclosure of Lobbying Activities (if applicable). A disclosure of activities conducted that may influence any federal transactions.

(d) Form HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov), including Social Security and Employee Identification Numbers. A disclosure of assistance from other government sources received in connection with the project.

(e) Form HUD-2991, Certification of Consistency with the Consolidated Plan (Plan) for the jurisdiction in which the proposed project will be located. The certification must be made by the unit of general local government if it is required to have, or has, a complete Plan. Otherwise, the certification may

be made by the state or by the unit of general local government if the project will be located within the jurisdiction of the unit of general local government authorized to use an abbreviated strategy, and if it is willing to prepare such a Plan. All certifications must be made by a public official responsible for submitting the Plan to HUD. The certifications must be submitted as part of the application by the application submission deadline date set forth in the NOFA. The Plan regulations are published in 24 CFR part 91.

(f) Form HUD-92041, Sponsor's Conflict of Interest Resolution. A certified Board Resolution that no officer or director of the Sponsor or Owner has or will have any financial interest in any contract with the Owner or in any firm or corporation that has or will have a contract with the Owner, including a current listing of all duly qualified and sitting officers and directors by title and the beginning and ending dates of each person's term.

(g) Form HUD-92042, Sponsor's Resolution for Commitment to Project. A certified Board Resolution acknowledging responsibilities of sponsorship, long-term support of the project(s), your willingness to assist the Owner to develop, own, manage and provide appropriate services in connection with the proposed project, and that it reflects the will of your membership. Also, it shall indicate your willingness to fund the estimated start-up expenses, the Minimum Capital Investment (one-half of one-percent of the HUD-approved capital advance, not to exceed \$10,000 or for national Sponsors, not to exceed \$25,000), and the estimated cost of any amenities or features (and operating costs related thereto) that would not be covered by the approved capital advance.

(h) Form HUD-2990, Certification of Consistency with the RC/EZ/EC-II Strategic Plan. A certification that the project is consistent with the RC/EZ/EC-II's strategic plan, is located within the RC/EZ/EC-II, and serves RC/EZ/EC-II residents. (This certification is not required if the project site(s) will not be located in a RC/EZ/EC-II.)

(i) Form HUD-96010, Program Outcome Logic Model. In addition to the Project Development Timeline to be submitted in Exhibit 3(h) above, the information provided in the Logic Model will be used in rating your application for Rating Factor 5, Achieving Results and Program Evaluation.

(j) Form HUD-96011, Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov), is only required if you are using the facsimile method to

fax third party letters and other documents for your electronic application in accordance with the instructions in the General Section.

Note: HUD will not accept entire applications by fax. If you submit the application entirely by fax, it will be disqualified.

(k) Form HUD-2994-A, You Are Our Client Grant Applicant Survey. This is an optional form, which may be used to provide suggestions and comments to the Department regarding your application submission experience.

C. Submission Dates and Time. Your application must be received and validated electronically by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date, unless a waiver of the electronic delivery process has been approved by HUD in accordance with the following procedures. Applicants that are unable to submit their application electronically must seek a waiver of the electronic grant submission requirement. Waiver requests must be submitted no later than 15 days before the application deadline date. Waiver requests must be submitted by mail or by fax. For this program NOFA, e-mail requests will not be considered. Waiver requests submitted by mail or fax should be submitted on the applicant's letterhead and signed by an official with the legal authority to request a waiver from the Department. The request must be addressed to the Assistant Secretary for Housing at the following address: Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 9100, Washington, DC 20410-8000. Waiver requests submitted by fax must be sent to (202) 708-3104.

If a waiver is granted, you must submit the required number of copies of your application to the Director of the appropriate local HUD office, and the application must be received no later than that HUD office's close of business on the application deadline date. The waiver approval notification will identify the appropriate HUD office where the application should be submitted and the required number of copies that must be submitted.

D. Intergovernmental Review

1. State Review. This funding opportunity is subject to Executive Order (EO) 12372, "Intergovernmental Review of Federal Programs." You must contact your State's Single Point of Contact (SPOC) to find out about and comply with the state's process under

EO 12372. The names and addresses of the SPOCs are listed in the Office of Management and Budget's home page at <http://www.whitehouse.gov/omb/grants/spoc.html>. If required by the state, the submission to the state needs to occur before the Section 202 application deadline date, but in no event later than the application deadline date. It is recommended that you provide the state with sufficient time to review the application. Therefore, it is important that you consult with the SPOC for State review timeframes and take that into account when submitting the application. If the SPOC requires a review of your application, you must include a copy of the cover letter you sent to the SPOC in Exhibit 8(a) of your Section 202 application.

2. HUD/RHS Agreement. HUD and the Rural Housing Service (RHS) have an agreement to coordinate the administration of the agencies' respective rental assistance programs. As a result, HUD is required to notify RHS of applications for housing assistance it receives. This notification gives RHS the opportunity to comment if it has concerns about the demand for additional assisted housing and possible harm to existing projects in the same housing market area. HUD will consider RHS' comments in its review and application selection process.

E. Funding Restrictions

1. Ineligible Activities. Section 202 funds may not be used for:

- a. Nursing homes;
- b. Infirmaries;
- c. Medical facilities;
- d. Mobile homes;
- e. Community centers;
- f. Headquarters for organizations for the elderly;
- g. Nonhousekeeping accommodations (e.g., central dining, but without private kitchens and/or bathrooms in the residential units);
- h. Refinancing of sponsor-owned facilities without rehabilitation;
- i. Housing that you currently own or lease that is occupied by elderly persons; and
- j. Projects licensed or to be licensed as assisted living facilities.

Note: You may propose to rehabilitate an existing currently-owned or leased structure that does not already serve elderly persons, except that the refinancing of any federally-funded or assisted project or project insured or guaranteed by a federal agency is not permissible under this Section 202 NOFA. HUD does not consider it appropriate to utilize scarce program resources to refinance projects that have already received some form of assistance under a federal program. (For example, Section 202 or Section 202/8 direct loan projects cannot be refinanced

with capital advances and project rental assistance.)

2. Application Limits (Units/Projects). Refer to Section III.C. of this NOFA for information applicable to the limitations on the number of units you may apply for in a single application and the project sizes.

3. Development Cost Limits.

a. The following development cost limits, adjusted by locality as described in Section IV.E.3.b. below must be used to determine the capital advance amount to be reserved for projects for the elderly.

Note: The capital advance funds awarded for this project are to be considered the total amount of funds that the Department will provide for the development of this project. Amendment funds will only be provided in exceptional circumstances (e.g., to cover increased costs for construction delays due to litigation or unforeseen environmental issues resulting in a change of sites) that are clearly beyond your control. Otherwise, you are responsible for any costs over and above the capital advance amount provided by the Department as well as any costs associated with any excess amenities and design features.

(1) The capital advance amount for the project attributable to dwelling use (less the incremental development cost and the capitalized operating costs associated with any excess amenities and design features and other costs you must pay for) may not exceed:

Non-elevator structures:

\$45,507 per family unit without a bedroom;
\$52,470 per family unit with one bedroom;
\$63,279 per family unit with two bedrooms.

For elevator structures:

\$47,890 per family unit without a bedroom;
\$54,897 per family unit with one bedroom;
\$66,755 per family unit with two bedrooms

(2) These cost limits reflect those costs reasonable and necessary to develop a project of modest design that complies with HUD minimum property standards; the accessibility requirements of § 891.120(b); and the project design and cost standards of § 891.120 and § 891.210.

b. Increased development cost limits.

(1) HUD may increase the development cost limits set forth above, by up to 140 percent in any geographic area where the cost levels require, and may increase the development cost limits by up to 160 percent on a project-by-project basis. This increase may include covering additional costs to make dwelling units accessible through rehabilitation.

Note: In applying the applicable high cost percentage, the local HUD Office may use a percentage that is higher or lower than that which is assigned to the local HUD Office if it is needed to provide a capital advance amount that is comparable to what it typically costs to develop a Section 202 project in that area.

(2) If HUD finds that high construction costs in Alaska, Guam, the Virgin Islands, or Hawaii make it infeasible to construct dwellings, without the sacrifice of sound standards of construction, design, and livability, within the development cost limits provided in sections IV.E.3.a.(1) and IV.E.3.b.(1) above, the amount of the capital advances may be increased to compensate for such costs. The increase may not exceed the limits established under this section (including any high cost area adjustment) by more than 50 percent.

4. Commercial Facilities. A commercial facility for the benefit of the residents may be located and operated in the Section 202 project. However, the commercial facility cannot be funded with the use of Section 202 capital advance or PRAC funds. The maximum amount of space permitted for a commercial facility cannot exceed 10 percent of the total project floor space. An exception to this 10 percent limitation is if the project involves acquisition or rehabilitation and the additional space was incorporated in the existing structure at the time the proposal was submitted to HUD. Commercial facilities are considered public accommodations under Title III of the Americans with Disabilities Act of 1990 (ADA), and thus must comply with all the accessibility requirements of the ADA.

5. Expiration of Section 202 Funds. The Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007), requires HUD to obligate all Section 202 funds appropriated for FY 2007 by September 30, 2010. Under 31 U.S.C. Section 1551, no funds can be disbursed from this account after September 30, 2015. Under Section 202, obligation of funds occurs for both capital advances and project rental assistance upon fund reservation and acceptance. If all funds are not disbursed by HUD and expended by the project Owner by September 30, 2015, the funds, even though obligated, will expire and no further disbursements can be made from this account. In submitting an application you need to carefully consider whether your proposed project can be completed through final capital advance closing no later than September 30, 2015. Furthermore, all unexpended balances,

including any remaining balance on PRAC contracts, will be cancelled as of October 1, 2015. Amounts needed to maintain PRAC payments for any remaining term on the affected contracts beyond that date will have to be funded from other current appropriations.

F. Other Submission Requirements:

1. Address for Submitting Applications. Applications must be submitted electronically through the http://www.grants.gov/applicants/apply_for_grants.jsp Web site, unless the applicant receives a waiver from the electronic application submission requirement. See the General Section, Application Submission and Receipt Procedures and Section IV.C. of this NOFA for additional information. Refer to HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm> for a listing of local HUD offices. All applications submitted electronically via http://www.grants.gov/applicants/apply_for_grants.jsp will be downloaded and forwarded to the appropriate local HUD office.

2. Special Instructions for Section 202 Applications That Will Have More Than One Applicant, i.e., Co-Sponsors. The applicants must designate a single individual to act as the authorized representative for all co-Sponsors of the application. The designated authorized representative of the organization submitting the application must be registered with Grants.gov, the Federal Central Contractor Registry and with the credential provider for E-Authentication. Information on the Grants.gov registration process is found in Section IV.B. of the General Section. When the application is submitted through Grants.gov, the name of the designated authorized representative will be inserted into the signature line of the application. Please note that the designated authorized representative must be able to make legally binding commitments for each co-Sponsor to the application.

Each co-Sponsor must complete the documents required of all co-sponsoring organizations to permit HUD to make a determination on the eligibility of the co-Sponsor(s) and the acceptability of the application based on the assistance and commitments the co-Sponsor(s) has pledged to the project. Therefore, each co-Sponsor must submit the following information using the scanning and/or faxing method described in Section IV. of the General Section: Standard Form-424, Application for Federal Assistance; Standard Form-424 Supplement, Survey on Ensuring Equal Opportunity for Applicants; Standard Form LLL,

Disclosure of Lobbying Activities (if applicable); Form HUD-92015-CA, Section 202 Application for Capital Advance, Summary Information; Form HUD-92041, Sponsor's Conflict of Interest Resolution; and Form HUD-92042, Sponsor's Resolution for Commitment to Project. The forms identified above are discussed in the Program instructions package and can be downloaded from Grants.gov under the program application download at http://www.grants.gov/applicants/apply_for_grants.jsp. The downloaded and completed forms should be saved as separate electronic files and attached to the electronic application submission following the requirements of Section IV.

As stated in the General Section, Section IV, scanning documents to create electronic files increases the size of the file. Therefore, applicants may not submit scanned files unless using the facsimile method as stated in the General Section will not work due to the nature of the document. If the facsimile method does not work, forms and other documents from co-Sponsors may be scanned to create an electronic file and submitted as an attachment to the application. These documents should be labeled and numbered so the HUD reviewer can identify the file and its contents. If the applicant is creating an electronic file, the file should contain a header that identifies the name of the Sponsor submitting the electronic application, that Sponsor's DUNS number, and the unique ID that is found at the top of the Facsimile Transmission form found in the electronic application package. The naming convention for each electronic file should correspond to the labeling convention used in the application Table of Contents found in Section IV.B.1. of this program NOFA and the General Section. For example, the organizational documents of a co-Sponsor would be included under Part II, Exhibit 2(a) of the Section 202 application.

The signed documents and other information required to be submitted with the electronic application should be transmitted via fax using Form HUD-96011, Facsimile Transmittal found in the electronic application package. Co-Sponsors should use the form HUD-96011 provided by the Sponsor that is submitting the electronic application. The submitting Sponsor should fill in the SF-424 form prior to giving the Form HUD-96011 to the co-Sponsors. By following these directions, the Form HUD-96011 will be pre-populated with the submitting Sponsor's organizational information exactly as the submitting Sponsor has provided it on the

electronic application. In addition, HUD will be using the unique identifier associated to the downloaded application package as a means of matching the faxes submitted with the applications received via Grants.gov. The Facsimile Transmittal form also has space to provide the number of pages being faxed and information on the type of document. Co-Sponsors or the submitting applicant can insert the document name in the space labeled Program Component.

Note: Do not insert any additional or other cover pages as it will cause problems in electronically matching the pieces of the application. See the General Section for further instructions.

V. Application Review Information

A. Criteria

Policy Priorities. HUD encourages applicants to undertake specific activities that will assist the Department in implementing its policy priorities and which help the Department achieve its strategic goals for FY2007. Refer to the General Section for information regarding HUD's Strategic Goals and Policy Priorities. For the Section 202 program, applicants who include work activities that specifically address the policy priorities of encouraging accessible design features by incorporating visitability standards and universal design, removing barriers to affordable housing, promoting energy efficiency in design and operations, and expanding training and employment opportunities for low- and very low-income persons and business concerns (Section 3 requirements), will receive additional points. A Notice pertaining to the removal of barriers to affordable housing was published in the **Federal Register** and may be downloaded from the HUD web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

Rating Factors. HUD will rate applications that successfully complete technical processing using the Rating Factors set forth below and in accordance with the application submission requirements in this NOFA. The maximum number of points an application may receive under this program is 102. This includes two (2) RC/EZ/EC-II bonus points, as described in the General Section and Section V.A.6. below.

1. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (23 Points)

This factor addresses the extent to which you have the organizational resources to successfully implement the

proposed activities in a timely manner. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 3(a), 3(b), 3(e), 5 and 6 of Section IV.B. of this NOFA. In rating this factor, HUD will consider the extent to which your application demonstrates your ability to develop and operate the proposed housing on a long-term basis, considering the following:

a. (13 points). The scope, extent, and quality of your experience in providing housing or related services to those proposed to be served by the project and the scope of the proposed project (i.e., number of units, services, relocation costs, development, and operation) in relationship to your demonstrated development and management capacity as well as your financial management capability.

b. (10 points) The scope, extent and quality of your experience in providing housing or related services to minority persons or minority families and your ties to the community at large and to the minority and elderly communities in particular.

(1) (5 points). The scope, extent, and quality of your experience in providing housing or related services to minority persons or minority families.

(2) (5 points). The scope, extent, and quality of your ties to the community at large and to the minority and elderly communities in particular.

To earn the maximum number of points under sub-criteria (b)(1) above, you must describe significant previous experience in providing housing and/or supportive services to minorities generally and to minority elderly in particular. For the purpose of this competition, "significant previous experience" means that the previous housing assistance or related services to minorities (i.e., the percentage of minorities being provided housing or related services in your current developments) was equal to or greater than the percentage of minorities in the housing market area where the previous housing or services occurred. To earn the maximum number of points under sub-criteria (b)(2) above, you should submit materials that demonstrate your efforts to make housing available to the community at large and the minority and elderly communities in particular and your relationships over time with the minority and elderly communities. Examples of documents that may be submitted to earn the maximum number of points under sub-criteria (b)(2) include letters of support from community leaders (including minority community leaders) that give information about the applicant's

relationship over time with the community (including the minority community). You may also submit copies of your affirmative marketing plan and the advertising/outreach materials you utilize to attract minority communities (including limited English proficient communities), elderly communities, and the community at large. Regarding your advertising/outreach materials, you should identify when advertising/outreach materials are circulated, to whom they are circulated, where they are circulated and how they are circulated. Descriptions of other advertising/outreach efforts to the minority (including limited English proficient communities) and elderly communities and the dates and places of such advertising/outreach efforts should also be included.

c. (-3 to -5 points). HUD will deduct (except if the delay was beyond your control) 3 points if a fund reservation you received under either the Section 202 Program of Supportive Housing for the Elderly or the Section 811 Program of Supportive Housing for Persons with Disabilities in FY2002 or later has been extended beyond 24 months, 4 points if beyond 36 months, or 5 points if beyond 48 months. Examples of such delays beyond your control include, but are not limited to, initial closing delays that are: (1) directly attributable to HUD, (2) directly attributable to third party opposition, including litigation, and (3) due to a disaster, as declared by the President of the United States.

d. (-3 to -5 points). HUD will deduct from 3 points to 5 points if HUD amendment money was required in connection with a fund reservation you received under either the Section 202 Program of Supportive Housing for the Elderly or the Section 811 Program of Supportive Housing for Persons with Disabilities in FY2002 or later based on the following.

(1) (-3 points). The amount of the amendment money required was 25 percent or less of the original capital advance amount approved by HUD.

(2) (-4 points). The amount of the amendment money required was between 26 percent and 50 percent of the original capital advance amount approved by HUD.

(3) (-5 points). The amount of the amendment money required was over 50 percent of the original capital advance amount approved by HUD.

2. Rating Factor 2: Need/Extent of the Problem (13 Points)

This factor addresses the extent to which there is a need for funding the proposed activities to address a documented problem in the target area.

Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 4(a) and 4(b) of Section IV.B. of this NOFA. HUD will take into consideration the following in evaluating this factor:

The extent of the need for the project in the area based on a determination by the local HUD Office. In making this determination, HUD will consider your evidence of need in the area, as well as other economic, demographic, and housing market data available to the local HUD office. The data should include but is not limited to:

- a general assessment of the current conditions in the market for the type of housing proposed,
- an estimate of the demand for additional housing of the type proposed in the applicable housing market area,
- information on the numbers and types of existing comparable Federally assisted housing units for the elderly (HUD and RHS) and current occupancy in such housing and recent market experience,
- comparable assisted housing for the elderly under construction or for which fund reservations have been issued, and
- in accordance with an agreement between HUD and RHS, comments from RHS on the demand for additional comparable subsidized housing and the possible harm to existing projects in the same housing market areas.

The Department will also review more favorably those applications that establish a connection between the proposed project and the community's Analysis of Impediments to Fair Housing Choice (AI) or other planning document that analyzes fair housing issues and is prepared by a local planning or similar organization. You must show how your proposed project will address an impediment to fair housing choice described in the AI or meet a need identified in the other type of planning document.

For all Section 202 projects that are determined to have sufficient demand, HUD will rate your application based on the ratio of the number of units in the proposed project to the estimate of unmet need for housing assistance by the income eligible elderly households with selected housing conditions. Unmet need is defined as the number of very low-income elderly one-person renter households age 75 and older with housing conditions problems, as of the 2000 Census, minus the number of project-based subsidized rental housing units (HUD, RHS, or LIHTC) that are affordable to very low-income elderly provided in the area since 1999. Units to be occupied by resident managers are

not counted. After HUD determines the estimate of unmet need and whether a connection has been made between the project and community's Consolidated Plan, Analysis of Impediments to Fair Housing Choice, or other planning document, HUD will rate your application as follows:

a. (10 points). The area of the project has an unmet needs ratio of 15 percent or less; OR (5 points). The area of the project has an unmet needs ratio of greater than 15 percent; OR (0 points). The area of the proposed project has no unmet needs for housing assistance.

b. (3 points). The extent that a connection has been established between the project and the community's Consolidated Plan, Analysis of Impediments to Fair Housing Choice (AI) or other planning document that analyzes fair housing issues and is prepared by a local planning or similar organization.

3. Rating Factor 3: Soundness of Approach (47 Points)

This factor addresses the quality and effectiveness of your proposal and the extent to which you involved elderly persons, including elderly minority persons, in the development of the application and will involve them in the development and operation of the project, whether the jurisdiction in which your project will be located has undertaken successful efforts to remove regulatory barriers to affordable housing, whether you will promote energy efficiency in the design and operation of the proposed housing, and your plans to expand economic opportunities for low- and very low-income persons as well as certain business concerns (Section 3 requirements). There must be a clear relationship between your proposed design, proposed activities, the community's needs and purposes of the program funding for your application to receive points for this factor. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 3(f), 3(j), 3(k), 4(c)(i), 4(c)(ii), 4(d)(iii), 4(d)(v), 4(d)(vi), and 5 of Section IV.B. of this NOFA. In evaluating this factor, HUD will consider the following:

a. (20 points). The proximity or accessibility of the site to shopping, medical facilities, transportation, places of worship, recreational facilities, places of employment, and other necessary services to the intended occupants; adequacy of utilities and streets; freedom of the site from adverse environmental conditions; compliance with site and neighborhood standards (24 CFR 891.125(a), (d) and (e)).

b. (– 1 point). The site(s) is not permissively zoned for the intended use.

c. (10 points). The suitability of the site from the standpoint of promoting a greater choice of housing opportunities for minority elderly persons/families and affirmatively furthering fair housing. In reviewing this criterion, HUD will assess whether the site meets the site and neighborhood standards at 24 CFR 891.125(b) and (c) by examining relevant data in your application or in the local HUD Office. Where appropriate, HUD may visit the site.

(1) The site will be deemed acceptable if it increases housing choice and opportunity by expanding housing opportunities in non-minority neighborhoods (if located in such a neighborhood). The term "nonminority area" is defined as one in which the minority population is lower than 10 percent. If the site will be in a minority neighborhood, the site will be deemed acceptable if it contributes to the revitalization of and reinvestment in the minority neighborhood, including improvement of the level, quality and affordability of services furnished to minority elderly. You should refer to the Site and Neighborhood Standards provisions of the regulations governing the Section 202 Supportive Housing for the Elderly program (24 CFR 891.125(b) and (c)) when considering sites for your project.

(2) For the purpose of this competition, the term "minority neighborhood (area of minority concentration)" is defined as one where any one of the following statistical conditions exists:

(a) The percentage of persons of a particular racial or ethnic minority is at least 20 points higher than the percentage of that minority's or a combination of minorities' in the housing market area as a whole;

(b) The neighborhood's total percentage of minority persons is at least 20 points higher than the total percentage of minorities for the housing market as a whole; or,

(c) In the case of a metropolitan area, the neighborhood's total percentage of minority persons exceeds 50 percent of its population.

d. (2 points). The extent to which your proposed design will meet the special physical needs of elderly persons.

e. (2 points). The extent to which the proposed size and unit mix of the housing will enable you to manage and operate the housing efficiently and ensure that the provision of supportive services will be accomplished in an economical fashion.

f. (2 points). The extent to which the proposed design of the housing will accommodate the provision of supportive services that are expected to be needed, initially and over the useful life of the housing, by the category or categories of elderly persons the housing is intended to serve.

g. (3 points). The extent to which the proposed supportive services meet the identified needs of the anticipated residents and that the identified supportive services will be provided on a consistent, long-term basis.

h. (1 point). The extent to which the proposed design incorporates visitability standards and/or universal design in the construction or rehabilitation of the project. Refer to the General Section for further information.

i. (2 points). Your involvement of elderly persons, particularly minority elderly persons, in the development of the application and your intent to involve elderly persons, particularly minority elderly persons, in the development and operation of the project.

j. (2 points). The extent to which the jurisdiction in which your project will be located has undertaken successful efforts to remove regulatory barriers to affordable housing. (Note: This is an optional requirement, but to receive *up to 2 points*, the applicant must have submitted the Form HUD-27300, Questionnaire for HUD's Initiative on Removal of Regulatory Barriers, AND provided some form of documentation where requested, including point of contact and URL references or submitted the required documentary evidence.) Refer to the General Section for further information.

k. (1 point) The extent to which you will promote energy efficiency in the design and operation of the proposed housing. Refer to Section III.C.4. of this NOFA.

l. (2 points). The extent to which you have described your plans for expanding economic opportunities for low- and very-low income persons (provisions of Section 3). (Note: This is an optional requirement, but to receive *up to 2 points*, the applicant must have adequately addressed the following in Exhibit 3(k) of the application.) Refer to the General Section for further information.

(1) (1 point) Provide opportunities to train and employ low- and very low-income residents of the project area.

(2) (1 point). Award substantial contracts to persons residing in the project area.

4. Rating Factor 4: Leveraging Resources (5 Points)

This factor addresses your ability to secure other funding sources and community resources that can be combined with HUD's program resources to achieve program purposes. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 3(a), 3(b), 3(c), 3(d), 3(e), and 5(b) of Section IV.B. of this NOFA.

a. (0 point). The application contains general support and/or written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals *5 percent or less* of the capital advance amount as determined by HUD.

b. (1 point). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals between *6 percent and 10 percent* of the capital advance amount as determined by HUD.

c. (2 points). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals between *11 percent and 15 percent* of the capital advance amount as determined by HUD.

d. (3 points). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals between *16 percent and 20 percent* of the capital advance amount as determined by HUD.

e. (4 points). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals between *21 percent and 25 percent* of the capital advance amount as determined by HUD.

f. (5 points). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals *over 25 percent* of the capital advance amount as determined by HUD.

5. Rating Factor 5: Achieving Results and Program Evaluation (12 Points)

This factor reflects HUD's goal to embrace high standards of ethics, management and accountability and, as such, emphasizes HUD's commitment to ensuring that you keep the promises made in your application. This factor requires that you clearly identify the benefits or outcomes of your project and develop an evaluation plan to measure performance, which includes what you are going to measure, how you are going to measure it, and the steps you will have in place to make adjustments to your project development timeline should you not be able to achieve any of the major milestones. Completion of Exhibit 8(i), Project Outcome Logic Model (HUD-96010), will assist you in completing your response to this rating factor. This rating factor also addresses the extent to which your project will implement practical solutions that result in residents achieving independent living, educational opportunities, and improved living environments. Finally, this factor addresses the extent to which the long-term viability of your project will be sustained for the duration of the 40-year capital advance period. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 3(e), 3(g), 3(h), 3(i), 6(b) and 8(i) of Section IV.B.

a. (5 points). The extent to which your project development timeline is indicative of your full understanding of the development process and will, therefore, result in the timely development of your project.

b. (2 points). The extent to which your past performance evidences that the proposed project will result in the timely development of the project. Evidence of your past performance could include the development of previous construction projects, including but not limited to Section 202 and Section 811 projects.

c. (2 points). The extent to which your project will implement practical solutions that will result in assisting residents in achieving independent living, educational opportunities,

outreach regarding telemarketing fraud, and improved living environments.

d. (3 points). The extent to which you demonstrated that your project will remain viable as housing with the availability of supportive services for very low-income elderly persons for the 40-year capital advance period.

6. Bonus Points (2 bonus points). Location of proposed site in an RC/EZ/EC-II area, as described in the General Section. Submit the information responding to the bonus points in accordance with the Application Submission Requirements in Exhibit 8(h) of Section IV.B. of this NOFA.

B. Reviews and Selection Process

1. Review for Curable Deficiencies. Upon receipt of the application by HUD staff, HUD will screen all applications to determine if there are any curable deficiencies. For applicants receiving a waiver to submit a paper application, submitting fewer than the required original and four copies of the application is not a curable deficiency and will cause your application to be considered non-responsive to the NOFA and returned to you. A curable deficiency is a missing Exhibit or portion of an Exhibit that will not affect the rating of the application. Refer to the General Section for additional information regarding procedures for corrections to deficient applications. The following is a list of the only deficiencies that will be considered curable in a Section 202 application:

Curable exhibit	Description
1	Form 92015-CA (Application Form)*
2(a)	Articles of Incorporation*
(b)	By-laws*
(c)	IRS tax exemption ruling*
4(c)(iii) ..	Description of mixed-financing plans for additional units, if applicable
4(d)(i) ...	Evidence of site control
(d)(ii)	Evidence site is free of limitations, restrictions or reverts
(d)(iv)	Evidence of compliance with URA site notification requirement
(d)(vii) ...	Phase I ESA
(d)(viii) ..	Asbestos Statement or Survey
(d)(ix)	Letter to the State/Tribal Historic Preservation Officer (SHPO/THPO) and a statement that the SHPO/THPO failed to respond OR the Letter from the SHPO/THPO
7	Relocation
8(a)	Letter sent to the State Point of Contact (SPOC)*
(b)	Standard Form 424 Supplement, Survey on Ensuring Equal Opportunity for Applicants
(c)	Standard Form LLL, Disclosure of Lobbying Activities, if applicable

Curable exhibit	Description
(d)	Form HUD-2880, Applicant/Recipient Disclosure/Update Report
(e)	Form HUD-2991, Certification of Consistency with Consolidated Plan
(f)	Form HUD-92041, Sponsor's Conflict of Interest Resolution
(g)	Form HUD-92042, Sponsor's Resolution for Commitment to Project*
(j)	Form HUD-96011 Facsimile Transmittal (Required Only for Transmittal of Faxes)*
(k)	Form HUD-2994-A, You are Our Client! Grant Applicant Survey (optional)

The local HUD office will notify you in writing if your application is missing any of the above exhibits or portions of exhibits and will provide you with a specified deadline to submit the information required to cure the noted deficiencies. The items identified by an asterisk (*) must be dated on or before the application submission date. If an Exhibit or portion of an Exhibit listed above as curable is not discovered as missing until technical processing, HUD will provide you with a deadline to cure the deficiency.

2. Rating. HUD will review and rate your application in accordance with the Reviews and Selection Process in the General Section except as described in "3. Appeal Process" found below. Your application will be either rated or technically rejected at the end of technical review. If your application meets all program eligibility requirements after completion of technical review, it will be rated according to the rating factors in Section V.A. above.

3. Appeal Process. HUD will not reject your application based on technical review without notifying you of the rejection with all the reasons for rejection and providing you an opportunity to appeal. You will have 14 calendar days from the date of HUD's written notice to appeal a technical rejection to the local HUD office. In HUD's review of any appeal, it should be noted that in conformance with its regulations at 24 CFR part 4, subpart B, HUD will not consider any unsolicited information that you, the applicant, may want to provide. The local HUD office will make a determination on any appeals before making its selection recommendations.

4. Ranking and Selection Procedures. Applications submitted in response to the advertised metropolitan allocations or nonmetropolitan allocations that have a total base score of 75 points or

more (without the addition of RC/EZ/EC-II bonus points) and meet all of the applicable threshold requirements of the General Section and this NOFA will be eligible for selection, and HUD will place them in rank order per metropolitan or nonmetropolitan allocation. These applications, after adding any bonus points for RC/EZ/EC-II, will be selected based on rank order, up to and including the last application that can be funded out of each HUD Multifamily Program Center's metropolitan or nonmetropolitan allocation. HUD Multifamily Program Centers will *not* skip over any applications in order to select one based on the funds remaining. After making the initial selections in each allocation area, however, HUD Multifamily Program Centers may use remaining available funds to select the next highest rank-ordered application by reducing the number of units by no more than 10 percent, rounded to the nearest whole number, provided the reduction will not render the project infeasible. For this purpose, however, HUD will not reduce the number of units in projects of five units or less.

Once this process has been completed, HUD Multifamily Program Centers may combine their unused metropolitan and nonmetropolitan funds in order to select the next highest ranked application in either category, using the unit reduction policy described above, if necessary.

After the HUD Multifamily Program Centers have funded all possible projects based on the process above, combined metropolitan and nonmetropolitan residual funds from all HUD Multifamily Program Centers within each Multifamily Hub will be combined. First, these funds will be used to restore units to projects reduced by HUD Multifamily Program Centers based on the above instructions. Second, additional applications within each Multifamily Hub will be selected in Hub-wide rank order with only one application selected per HUD Multifamily Program Center. More than one application may be selected per HUD Multifamily Program Center if there are no approvable applications in other HUD Multifamily Program Centers within the Multifamily Hub. This process will continue until there are no more approvable applications within the Multifamily Hub that can be selected with the remaining funds. Applications may not be skipped over to select one based on funds remaining. However, the Multifamily Hub may use any remaining residual funds to select the next highest rated application by reducing the number of units by no

more than 10 percent rounded to the nearest whole number, provided the reduction will not render the project infeasible or result in the project being less than five units.

Funds remaining after the Multifamily Hub selection process is completed will be returned to Headquarters. HUD Headquarters will use these residual funds first to restore units to projects reduced by HUD Multifamily Program Centers or Multifamily Hubs as a result of the instructions for using their residual funds. Second, HUD Headquarters will use these funds for selecting applications based on HUD Multifamily Program Centers' rankings, beginning with the highest rated application *nationwide*. However, after restoring units to projects where necessary, priority will be given to those applications for projects in non-metropolitan areas, if necessary to meet the statutory requirement of Section 202 of the Housing Act of 1959 pertaining to Section 202 funding in nonmetropolitan areas. Only one application will be selected per HUD Multifamily Program Center from the national residual amount. If there are no approvable applications in other HUD Multifamily Program Centers, the process will begin again with the selection of the next highest rated application nationwide. This process will continue until all approvable applications are selected using the available remaining funds. HUD Headquarters may skip over a higher-rated application in order to use as much of the available remaining funds as possible.

5. HUD Error. In the event HUD commits an error that, when corrected, would have resulted in the selection of an otherwise eligible applicant during the funding round of this NOFA, HUD may select that applicant when sufficient funds become available.

VI. Award Administration Information

A. Award Notices

1. Agreement Letter. If you are selected to receive a Section 202 fund reservation, you will receive an Agreement Letter that stipulates the terms and conditions for the Section 202 fund reservation award as well as the submission requirements following the fund reservation award. The duration of the fund reservation award for the capital advance is 18 months from the date of issuance of the fund reservation.

Immediately upon your acceptance of the Agreement Letter, you are expected to begin work towards the submission of a Firm Commitment Application, which is the next application submission stage. You are required to submit a Firm

Commitment Application to the local HUD office within 180 days from the date of the Agreement Letter. Initial closing of the capital advance and start of construction of the project are expected to be accomplished within the duration of the fund reservation award. Final closing of the capital advance is expected to occur no later than six months after completion of project construction.

2. Non-Selection Letter. If your application is approvable but unfunded due to insufficient funds or receives a rating that is below the minimum threshold score established for funding eligibility, you will receive a letter to this effect.

3. Debriefing. Refer to the General Section for further information regarding debriefings, except that the request for a debriefing must be made to the Director of Multifamily Housing in the appropriate local HUD office.

B. Administrative and National Policy Requirements

1. Ensuring the Participation of Small Businesses, Small Disadvantaged Businesses, and Women-Owned Businesses. Although the Section 202 program is not subject to the provisions of 24 CFR 85.36(e) as described in the corresponding paragraph in the General Section, you are required to comply with Executive Order 12432, Minority Business Enterprise Development and Executive Order 11625, Prescribing Additional Arrangements for Developing and Coordinating a National Program for Minority Business Enterprise as they relate to the encouragement of HUD grantees to utilize minority business enterprises.

2. Acquisition and Relocation. You must comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (49 CFR part 24, and 24 CFR 891.155(e)) (URA), which covers the acquisition of sites, with or without existing structures, and with 24 CFR 8.4(b)(5) of the Section 504 regulations which prohibits discrimination based on disability in determining the site or location of a federally-assisted facility. However, you are exempt from complying with the site acquisition requirements of the URA if you do not have the power of eminent domain and prior to entering into a contract of sale, option to purchase or any other method of obtaining site control, you inform the seller of the land *in writing* (1) that you do not have the power of eminent domain and, therefore, you will not acquire the property if negotiations fail to result in an amicable agreement, and (2) of the estimate of the fair market

value of the property. An appraisal is not required to meet this requirement, however, your files must include an explanation (with reasonable evidence) of the basis for the estimate. *Evidence of compliance with this advance notice requirement must be included in Exhibit 4(d)(iv) of your application.*

3. Flood Disaster Protection Act of 1973 and Coastal Barrier Resources Act. You must comply with the requirements under the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001–4128) and the Coastal Barrier Resources Act (16 U.S.C. 3601).

C. Reporting

1. The Program Outcome Logic Model (Form HUD–96010) must be completed indicating the results achieved against the proposed output goal(s) and proposed outcome(s) which you stated in your approved application and agreed upon by HUD. Based on the information you provided in the Program Outcome Logic Model, you also are required to submit to HUD a statement reporting the Return on Investment as a result of HUD's Section 202 funding award to you to develop and operate a Section 202 housing project with supportive services for the very low-income elderly. HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

These reporting requirements are to be submitted to HUD as follows:

Program Outcome Logic Model. You, as the Sponsor, and the Owner, when formed, are required to report annually, beginning from the date of the Agreement Letter, on the results achieved against the output goal(s) and outcome(s), which you proposed in the Program Outcome Logic Model that was submitted in your application.

2. The Regulatory Agreement (Form HUD–92466–CA) requires the Owner of the Section 202 project to submit an annual financial statement for the project. This financial statement must be audited by an Independent Public Accountant who is a Certified Public Accountant or other person accepted by HUD and filed electronically with HUD's Real Estate Assessment Center (REAC) through the Financial Assessment Subsystem for Multifamily Housing (MF–FASS). The submission of annual financial statements is required throughout the 40-year term of the mortgage.

VII. Agency Contact(s)

For Technical Assistance. For technical assistance in downloading an

application package from www.Grants.gov, contact the Grants.gov help desk at 800-518-Grants or by sending an e-mail to support@grants.gov. For programmatic information, you may contact the appropriate local HUD office, or Alicia Anderson at HUD Headquarters at (202) 708-3000 (this is not a toll-free number), or access the Internet at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. Persons with hearing and speech impairments may access the above number via TTY by calling the Federal Relay Service at 800-877-8339 (this is a toll-free number).

VIII. Other Information

A. Field Office Workshop. HUD encourages minority organizations and grassroots organizations (e.g., civic organizations, faith-communities and grassroots faith-based and other community-based organizations) to participate in this program and strongly recommends that prospective applicants attend the local HUD office workshop. At the workshops, HUD will explain application procedures and requirements, as well as address concerns such as local market conditions, building codes and accessibility requirements, contamination identification and remediation, historic preservation, floodplain management, other environmental requirements,

displacement and relocation, zoning, and housing costs. If you are interested in attending the workshop, make sure that your name, address and telephone number are on the appropriate local HUD office's mailing list so that you will be informed of the date, time and place of the workshop. Persons with disabilities should call the appropriate local HUD Office to assure that any necessary arrangements can be made to enable their attendance and participation in the workshop.

If you cannot attend the workshop, call the appropriate local HUD office if you have any questions concerning the submission of applications to that particular office and to request any materials distributed at the workshop.

B. Satellite Broadcast. HUD will hold an information broadcast via satellite for potential applicants to learn more about the program and preparation of the application. It is strongly recommended that potential applicants, especially those who may be applying for Section 202 funding for the first time, tune in to this broadcast, if at all possible. Copies of the broadcast tapes are also available from the NOFA Information Center. For more information about the date and time of the broadcast, you should consult the HUD Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

C. Related Programs. Funding for a related program, Section 202

Demonstration Pre-Development Grant Program, is available to provide predevelopment grants to private nonprofit organizations and consumer cooperatives in connection with the development of housing under the Section 202 program. The announcement of the availability of funding under this program will be addressed in a separate NOFA.

D. Paperwork Reduction Act

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2502-0267. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 37.42 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits derived.

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

**TARGETED AND ASSISTED
HOUSING**

**SECTION 811 SUPPORTIVE HOUSING FOR
PERSONS WITH DISABILITIES (SECTION
811 PROGRAM)**

Section 811 Program of Supportive Housing for Persons With Disabilities (Section 811 Program)

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Housing.

B. Funding Opportunity Title: Section 811 Supportive Housing for Persons with Disabilities.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-05; OMB Approval Number is 2502-0462.

E. Catalog of Federal Domestic Assistance (CFDA) Number: 14.181, Section 811 Supportive Housing for Persons with Disabilities.

F. Dates: Application deadline date: May 24, 2007. Application must be received and validated by Grants.gov by 11:59:59 p.m. eastern time on the deadline date. Refer to Section IV. below and the General Section for information on application submission requirements.

G. Optional, Additional Overview Content Information:

1. Purpose of the Program. This program provides funding for the development and operation of supportive housing for very low-income persons with disabilities who are at least 18 years old. If you receive funding through this program, you must assure that supportive services are identified and available.

2. Available Funds. Approximately \$88.3 million in capital advance funds plus associated project rental assistance contract (PRAC) funds and any carryover funds available.

3. Types of Funds. Capital advance funds will cover the cost of developing the housing. PRAC funds will cover the difference between the HUD-approved operating costs of the project and the tenants' contributions toward rent (30 percent of their adjusted monthly income).

4. Eligible Applicants. Nonprofit organizations that have a section 501(c)(3) tax exemption from the Internal Revenue Service. (See Section III.C.3.m. below of this NOFA for further details and information regarding the formation of the Owner corporation.)

5. Eligible Activities. New construction, rehabilitation, or acquisition (with or without rehabilitation) of housing. (See Section III.C.1. below of this NOFA for further information.)

6. Match Requirements. None required.

7. Local HUD Offices. The local HUD office structure, for the purpose of

implementing the Section 811 program, consists of 18 Multifamily Hub Offices. Within the Multifamily Hubs, there are Multifamily Program Centers with the exception of the New York Hub, the Buffalo Hub, the Denver Hub and the Los Angeles Hub. All future references shall use the term "local HUD office" unless a more detailed description is necessary as in Limitations on Applications and Ranking and Selection Procedures, below.

Full Text of Announcement

I. Funding Opportunity Description

A. Program Description. HUD provides capital advances and contracts for project rental assistance in accordance with 24 CFR part 891. Capital advances may be used for the construction or rehabilitation of a structure or acquisition of a structure with or without rehabilitation, to be developed into a variety of housing options described in Section III.C. Capital advance funds bear no interest and are based on development cost limits in Section IV.E.3. Repayment of the capital advance is not required as long as the housing remains available for occupancy by very low-income persons with disabilities for at least 40 years. PRAC funds are used to cover the difference between the tenants' contributions toward rent (30 percent of adjusted income) and the HUD-approved cost to operate the project.

B. Authority. 42 U.S.C. 8013 (Section 811 of the Cranston-Gonzalez National Affordable Housing Act (Pub. L. 101-625, approved November 28, 1990) (NAHA), as amended by the Housing and Community Development Act of 1992) (Pub. L. 102-550, approved October 28, 1992) (HCD Act of 1992); the Rescissions Act (Pub. L. 104-19, approved July 27, 1995); the American Homeownership and Economic Opportunity Act of 2000 (Pub. L. 106-569, approved December 27, 2000) and the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007) authorized a new supportive housing program for persons with disabilities, and replaced assistance for persons with disabilities previously covered by section 202 of the Housing Act of 1959 (section 202 continues, as amended by section 801 of the NAHA, and the HCD Act of 1992, to authorize supportive housing for the elderly).

C. Eligible Occupancy. You may propose a Section 811 project to serve persons with physical disabilities, developmental disabilities, chronic mental illness, or any combination of the three as defined in 24 CFR 891.305.

In addition, you may request HUD approval to restrict occupancy to a subcategory of one of these three defined categories (e.g., HIV/AIDS is a subcategory of physical disability). If restricted occupancy is approved, however, you cannot deny occupancy to any otherwise qualified person that meets the definition of the overall category of disability under which the subcategory falls.

D. Calculation of Fund Reservation. If selected, you will receive a fund reservation that will consist of both a reservation of capital advance funds and a reservation of three years for project rental assistance.

1. Capital advance funds. The reservation of capital advance funds is based on a formula which, for an independent living project (including condominiums), takes the development cost limit for the appropriate building type (elevator, non-elevator) and unit size(s) and multiplies it by the number of units of each size (including a unit for a resident manager, if applicable) and then multiplies the result by the high cost factor for the area. For a group home, the formula is based on the number of persons with disabilities in the appropriate disability category (excluding any unit for a resident manager since such a unit is already incorporated in the development cost limit) multiplied by the high cost factor for the area. The development cost limits can be found in Section IV.E.3. of this NOFA.

2. PRAC funds. The initial PRAC award covers three years. The amount awarded is determined by multiplying the number of units for residents with disabilities in an independent living project or the number of residents with disabilities in a group home by the appropriate operating cost standard times three (3). The operating cost standards will be published by Notice.

II. Award Information

A. Available Funds. For FY2007, \$88.3 million is available for capital advances for the Section 811 Program of Supportive Housing for Persons with Disabilities. The Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007) provides \$239,000,000 for capital advances, including amendments to capital advance contracts, for supportive housing for persons with disabilities as authorized by section 811 of the National Affordable Housing Act of 1990 (NAHA); for project rental assistance for supportive housing for persons with disabilities under section 811 of the NAHA, including amendments to contracts for such

assistance and renewal of expiring contracts for such assistance for up to a one-year term and for tenant-based rental assistance contracts and renewal of expiring contracts for such assistance entered into pursuant to section 811 of the NAHA, and \$400,000 to be transferred to the Working Capital Fund. Approximately \$5,000,000 will be provided for tenant-based rental assistance for persons with disabilities administered through public housing agencies (PHAs) and nonprofit organizations under the Mainstream Housing Opportunities for Persons with Disabilities Program and \$78,300,000 will be provided for one-year renewal costs of Section 811 rental assistance.

In accordance with the waiver authority provided in the Department of Housing and Urban Development Appropriations Act, 2007, the Secretary is waiving the following statutory and regulatory provision: The term of the project rental assistance contract is reduced from 20 years to 3 years. HUD anticipates that at the end of the contract terms, renewals will be approved subject to the availability of funds. In addition to this provision, HUD will reserve project rental assistance contract funds based on 75 percent rather than on 100 percent of the current operating cost standards for approved units in order to take into

account the average tenant contribution toward rent.

The allocation formula used for Section 811 reflects the "relevant characteristics of prospective program participants," as specified in 24 CFR 791.402(a). The FY2007 formula consists of the following data element from the 2000 Census: the number of non-institutionalized persons age 16 to 64 with a disability. The data on disability status were derived from answers to a two-part question that asked about the existence of the following long-lasting conditions: (a) blindness, deafness, or a severe vision or hearing impairment (sensory disability) and (b) a condition that substantially limits one or more basic physical activities, such as walking, climbing stairs, reaching, lifting, or carrying (physical disability); and a four-part question that asked if the individual had a physical, mental, or emotional condition lasting 6 months or more that made it difficult to perform certain activities. The four activity categories were: (a) learning, remembering, or concentrating (mental disability); (b) dressing, bathing, or getting around inside the home (self-care disability); (c) going outside the home alone to shop or visit a doctor's office (going outside the home

disability); and (d) working at a job or business (employment disability).

Under the Section 811 Program, each local HUD office jurisdiction receives sufficient capital advance funds for a minimum of 10 units. The total amount of capital advance funds to support this minimum set-aside is then subtracted from the total capital advance available. The remainder is fair shared to each local HUD office jurisdiction whose fair share would exceed the set-aside based on the allocation formula fair share factors described below.

The fair share factors were developed by taking the number of persons with disabilities in the data element for each state, or state portion, of each local HUD office jurisdiction as a percent of the data element from the 2000 Census, described above, for the total United States. The resulting percentage for each local HUD office is then adjusted to reflect the relative cost of providing housing among the local HUD office jurisdictions. The adjusted needs percentage for each local HUD office is then multiplied by the total amount of capital advance funds available nationwide.

The Section 811 capital advance funds have been allocated, based on the formula above, to 51 local HUD offices as shown on the following chart:

B. Type of Award. Capital Advance and Project Rental Assistance Contract Funds for new Section 811 applications.

C. Type of Assistance Instrument. The Agreement Letter stipulates the terms and conditions for the Section 811 fund reservation award as well as the submission requirements following the fund reservation award. The duration of the fund reservation award for the capital advance is 18 months from the date of issuance of the fund reservation.

D. Anticipated Start and Completion Date. Immediately upon your acceptance of the Agreement Letter, you are expected to begin work toward the submission of a Firm Commitment Application, which is the next application submission stage. You are required to submit a Firm Commitment Application to the local HUD office within 180 days from the date of the Agreement Letter. Initial closing of the capital advance and start of construction of the project are expected to be accomplished within the duration of the fund reservation award as indicated in the above paragraph regarding the Type of Assistance Instrument. Final closing of this capital advance is expected to occur no later than six months after completion of project construction.

III. Eligibility Information

A. Eligible Applicants: Nonprofit organizations with a section 501(c)(3) tax exemption from the Internal Revenue Service and who meet the threshold requirements contained in the General Section NOFA and Section III.C.2 below are the only eligible applicants for this program.

Applicant eligibility for purposes of applying for a Section 811 fund reservation under this NOFA has not changed; i.e., all Section 811 Sponsors and Co-Sponsors must be nonprofit organizations. However, the Owner corporation, when later formed by the Sponsor, may be (1) a single-purpose nonprofit organization that has tax-exempt status under Section 501(c)(3) of the Internal Revenue Code (IRS) of 1986, OR (2) for purposes of developing a mixed-finance project pursuant to the statutory provision under Title VIII of the American Homeownership and Economic Opportunity Act of 2000, a for-profit limited partnership with a nonprofit organization that has tax exempt status under Section 501(c)(3) of the IRS code as the sole general partner.

See Section IV.E.2 below regarding limits on the total number of units and projects for which you may apply for funding.

B. Cost Sharing or Matching: No cost sharing or match is required; however,

you are required to make a commitment to cover the estimated start-up expenses, the minimum capital investment of one half of one percent of the HUD-approved capital advance, not to exceed \$10,000, and any funds required in excess of the capital advance, including the estimated cost of any amenities or features (and operating costs related thereto) which are not covered by the capital advance. You must make such a commitment by signing the form HUD-92042, Sponsor's Resolution for Commitment to Project, in Exhibit 8(g) of the application found in Section IV.B. below.

C. Other

1. Eligible Activities. Section 811 capital advance funds must be used to finance the development of housing through new construction, rehabilitation, or acquisition with or without rehabilitation. Capital advance funds may also be used in combination with other non-Section 811 funding sources leveraged by a for-profit limited partnership (of which a single-purpose nonprofit organization with a 501(c)(3) tax exemption is the sole general partner) to develop a mixed-finance project, including a mixed-finance project for additional units over and above the Section 811 units. The development of a mixed-use project in

which the Section 811 units are mortgaged separately from the other uses of the structure is not considered a mixed-finance project. Project rental assistance funds are provided to cover the difference between the HUD-approved operating costs and the amount the residents pay (each resident pays 30 percent of adjusted income). The types of housing that can be developed with Section 811 capital advance funds include independent living projects, dwelling units in multifamily housing developments, condominium and cooperative housing and small group homes.

Note: For purposes of approving Section 811 capital advances, HUD will consider proposals involving mixed-financing for additional units over and above the Section 811 units if you have legal control of an approvable site and the additional units do not cause the project, as a whole, to exceed the project size limits if the additional units will also house persons with disabilities (unless your project will be an independent living project and you request and receive HUD approval to exceed the project size limits (See IV.B.2.c.(1)(d)(xi)). However, you must obtain funds to assist the additional units with other than PRAC funds. HUD will not provide PRAC funds for non-Section 811 units.

2. Threshold Criteria for Funding Consideration. In addition to the threshold criteria outlined in the General Section of the SuperNOFA, the following threshold requirements must be met:

a. **Non-Responsive Application.** Your application will be considered non-responsive to the NOFA and will not be accepted for processing if you:

(1) submit less than the required number of copies if you requested and received approval for a waiver of the electronic submission requirement. Applicants receiving waiver approval to submit a paper application must follow the instructions in the approval notification regarding where to submit the application and the number of copies required. All paper applications granted a waiver to the electronic application submission requirement must be received by HUD at the proper location no later than the deadline date.

(2) submit paper copies of the application if you have not received approval from HUD for a waiver of the electronic submission requirements;

(3) submit a substantially deficient application (i.e., a majority of the required exhibits are not submitted with your application, particularly, but not limited to, those exhibits which are not curable). HUD reserves the right to determine whether your application is substantially deficient for purposes of determining whether the application is

non-responsive to the NOFA. Refer to Section IV.B., Content and Form of Application Submission, for information on the required exhibits for submission with your application to ensure that your application is complete at time of submission;

(4) request more units than were allocated to the local HUD office that will be reviewing your application (See the allocation chart in Section II.A. above);

(5) request less than the minimum number of units for persons with disabilities in an independent living project (5 units) or a group home (2 units);

(6) request more than the maximum number of units for a group home (6 units); or

(7) request assistance for housing that you currently own or lease that has been occupied by people with disabilities for longer than one year prior to the application deadline date;

(8) request assistance for an ineligible activity as defined in Section IV.E., Funding Restrictions, of this program NOFA;

(9) are an ineligible applicant (see Section III.A., Eligible Applicants of this program NOFA).

b. **Other Criteria.**

(1) You, or a Co-Sponsor, must have experience in providing housing or services to persons with disabilities.

(2) You and any Co-Sponsor must be eligible nonprofit organizations with tax-exempt status under Section 501(c)(3) of the Internal Revenue Service code.

(3) Your application must contain evidence of site control or the identification of a site. Section 811(d)(3) of the National Affordable Housing Act requires you to provide either evidence of site control or a reasonable assurance that you will have control of a site within six months of the date of the Agreement Letter notifying you that you have been selected to receive a Section 811 fund reservation. Accordingly, you must include in your application the required information specified below for evidence of site control, or the required information specified below under site identification as a reasonable assurance that site control will be obtained within six months of the date of the Agreement Letter. If you submit the required information for an identified site(s), you must include a specific street address for each identified site or the application will be rejected.

(a) **Evidence of Site Control**—If you have control of a site at the time you submit your application, you must provide the information in Exhibit 4(d)

in IV.B. of this NOFA relative to site control.

OR

(b) **Site Identification**—If you do not have site control of one or more of your sites, you must provide the information required in Exhibit 4(e) in IV.B. of this NOFA under “Identification of a Site” for any site not under control as a reasonable assurance that site control will be obtained within six months of fund reservation notification.

If your application contains evidence of site control where either the evidence or the site is not approvable, your application will *not* be rejected provided you indicate in your application that you are willing to seek an alternate site and provide an assurance that site control will be obtained within six months of fund reservation notification. During the selection process, all applications with acceptable evidence of site control for all proposed sites and all proposed sites that have been found approvable will be grouped in Category A. All applications that are submitted as “site identified” as well as those that are submitted with site control but the evidence of control and/or site(s) are not approvable (if the Sponsor indicates that it is willing to seek a different site if the proposed site is not approvable) will be grouped in Category B. All applications in Category A will be selected before any applications are selected from Category B. See Section V.B.4. for further information on the selection process.

(c) **Historic Preservation.** If you submit an application with evidence of site control, you are required to send a letter to the State/Tribal Historic Preservation Officer (SHPO/THPO) that attempts to initiate consultation with their office and requests their review of your determinations and findings with respect to the historical significance of your proposed project. A HUD’s Web site at

<http://www.hud.gov/offices/adm/grants/fundsavail.cfm> contains a sample letter to the SHPO/THPO that you may adapt for your use, if you so choose. You must include a copy of your letter to the SHPO/THPO in your application. You must then also include in your application either:

(i) The response letter(s) from the SHPO/THPO, or

(ii) A statement from you that you have not received a response letter(s) from the SHPO/THPO.

(d) **Contamination.** HUD must determine if a proposed site contains contamination such as hazardous waste, petroleum, or petroleum products, and, if so, HUD must be satisfied that it is eliminated to the extent necessary to

meet non site-specific Federal, State or local health standards. If you submit an application with evidence of site control, you must assist HUD by doing the following:

(i) **Phase I Environmental Site Assessment (ESA)**—You must undertake and submit a Phase I ESA, prepared in accordance with the ASTM Standard E 1527–05, using the table of contents and report format specified at Appendix X4, completed or updated as specified at Section 4.6 no earlier than 180 days prior to the application deadline date in order for the application to be considered as an application with site control. The Phase I ESA must be completed and included in your application. Therefore, it is important that you start the Phase I ESA process as soon after publication of the SuperNOFA as possible. To help you choose an environmentally safe site, HUD invites you to review the document “Choosing An Environmentally Safe Site” and “Supplemental Guidance, Environmental Information”, which are available on HUD’s Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

Note: An application with a phase I That is not properly updated, does not use the format specified at appendix X4 of ASTM Standard E 1527–05 or that is prepared in accordance with an older version of ASTM E 1527 will result in being a technical reject.

(ii) **Phase II ESA**—If the Phase I ESA indicates the possible presence of contamination and/or hazards, you must decide whether to continue with this site or choose another site. Should you choose another site, the same Phase I ESA process identified above must be followed for the new site. However, if you choose to continue with the original site on which the Phase I ESA indicated contamination or hazards, you must undertake a detailed Phase II ESA by an appropriate professional. In order for your application to be considered as an application with site control, the Phase II must be received in the local HUD office on or before June 25, 2007.

(iii) **Clean-up**—If the Phase II ESA reveals site contamination, the extent of the contamination and a plan for clean-up of the site must be submitted to the local HUD office. The plan for clean-up must include a contract for remediation of the problem(s) and an approval letter from the applicable federal, state, and/or local agency with jurisdiction over the site. In order for your application to be considered as an application with site control, this information must be received by the appropriate local HUD office on or before June 25, 2007.

Note: Clean-up could be an expensive undertaking. You must pay for the cost of any clean-up and/or remediation with sources other than the capital advance funds. If the application is approved, clean-up must be completed prior to initial closing. Completion of clean-up means that HUD Must be satisfied that the contamination has been eliminated to the extent necessary to meet non site-specific federal, state or local health standards, with no active or passive remediation still taking place, no capping over of any contamination, and no monitoring wells. However, it is acceptable if contamination remains solely in groundwater that is at least 25 feet below the surface.

(e) **Asbestos.** Asbestos is a hazardous substance commonly used in building products until the late 1970s. Therefore, if you submit an application with evidence of site control, you must submit one of the following with your application:

(i) If there are no pre-1978 structures on the site or if there are pre-1978 structures that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a statement to this effect, or

(ii) If there are pre-1978 structures on the site, other than for a site that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a comprehensive building asbestos survey that is based on a thorough inspection to identify the location and condition of asbestos throughout any structures. In those cases where suspect asbestos is found, it would either be assumed to be asbestos or would require confirmatory testing. If the asbestos survey indicates the presence of asbestos or the presence of asbestos is assumed, and if the application is approved, HUD will condition the approval on an appropriate mix of asbestos abatement and an asbestos Operations and Maintenance Plan.

(4) There must be a market need for the number of units proposed in the area of the project location.

(5) Your application must contain a Supportive Services Plan and a Certification from the appropriate state or local agency that the Supportive Services Plan is well designed to address the individual health, mental health and other needs of persons with disabilities who will live in your proposed project. Exhibit 5 in Section IV.B. below outlines the information that must be in the Supportive Services Plan. You must submit one copy of your Supportive Services Plan to the appropriate State or local agency well in advance of the application submission deadline date for the state or local

agency to review your Supportive Services Plan and complete the Supportive Services Certification and return it to you so that you can include it in the application you submit to HUD.

(a) HUD will reject your application if the Supportive Services Certification:

(i) Is not submitted with your application *and* is not submitted to HUD within the 14-day cure period; or

(ii) Indicates that the provision of supportive services is not well designed to address the individual health, mental health and other needs of persons with disabilities who will live in your project; or

(iii) Indicates that the provision of supportive services will not enhance independent living success or promote the dignity of the persons with disabilities who will live in your proposed project.

(b) In addition, if the agency completing the certification will be a major funding or referral source for your proposed project or be responsible for licensing the project, HUD will reject your application if either the agency’s Supportive Services Certification indicates—or, where the agency fails to complete item 3 or 4 of the certification, HUD determines that:

(i) You failed to demonstrate that supportive services will be available on a consistent, long-term basis; and/or

(ii) The proposed housing is not consistent with state or local agency plans/policies addressing the housing needs of people with disabilities.

Any prospective resident of a Section 811 project who believes he/she needs supportive services must be given the choice to be responsible for acquiring his/her own services or to take part in your Supportive Services Plan which must be designed to meet the individual needs of each resident.

You must not require residents to accept any supportive services as a condition of occupancy or admission.

(6) *Delinquent Federal Debt.* Refer to the General Section for information regarding delinquent federal debt.

3. **Program Requirements.** By signing Form HUD–92016–CA, Supportive Housing for Persons with Disabilities Section 811, Application for Capital Advance Summary Information, you are certifying that you will comply with the program requirements listed in the General Section as well as the following requirements:

a. **Statutory and Regulatory Requirements.** In addition to the statutory, regulatory, threshold and public policy requirements listed in the General Section, you must comply with all statutory and regulatory requirements listed in this NOFA.

b. Project Size Limits.

(1) *Independent living project.* The minimum number of units for persons with disabilities that can be applied for in one application is five units for persons with disabilities. All of the units are not required to be in one structure and they may be on scattered sites. The maximum number of persons with disabilities that can be housed in an independent living project on one or adjacent sites is 14 plus one additional one-or two-bedroom unit for a resident manager, if necessary. If the proposed independent living project will be located on a site already containing housing for persons with disabilities or on an adjacent site containing such housing, the total number of persons with disabilities housed in both the existing and the proposed project cannot exceed 14.

(2) *Exception to project size limit for an independent living project.* If you are submitting an application for an independent living project with site control, you may request an exception to the above project size limit by providing the information required in Exhibit 4(d)(xi) of Section IV.B. below NOFA.

(3) *Group home.* The minimum number of persons with disabilities that can reside in a group home is two, and the maximum number is six. There are no exceptions to the maximum project size limit for a group home. An additional one-bedroom unit can be provided for a resident manager. Only one person per bedroom is allowed, unless two residents choose to share one bedroom or a resident determines he/she needs another person to share his/her bedroom. If you are applying for more than one group home, they cannot be located on the same or adjacent sites.

(4) *Condominium Units.* Condominium units are treated the same as units in an independent living project except that you cannot request an additional condominium unit for a resident manager.

c. Minimum Capital Investment. If selected, you must provide a minimum capital investment of one-half of one percent of the HUD-approved capital advance amount, not to exceed a maximum of \$10,000 in accordance with 24 CFR 891.145.

d. Accessibility. Your project must meet accessibility requirements published at 24 CFR 891.120, 24 CFR 891.310 and Section 504 of the Rehabilitation Act of 1973, and, if new construction, the design and construction requirements of the Fair Housing Act and HUD's implementing regulations at 24 CFR part 100. In addition, 24 CFR 8.4(b)(5) prohibits the

selection of a site or location which has the purpose or effect of excluding persons with disabilities from the Federally assisted program or activity. Refer to Section V.A. below and the General Section for information regarding the policy priority of encouraging accessible design.

e. Conducting Business in Accordance With Core Values and Ethical Standards. You are not subject to the requirements of 24 CFR parts 84 and 85 as outlined in the General Section except for the disposition of real property, which may be subject to 24 CFR Part 84. However, you are still subject to the core values and ethical standards as they relate to the conflict of interest provisions in 24 CFR 891.130. To ensure compliance with the program's conflict of interest provisions, you are required to sign a Conflict of Interest Resolution and include it in your Section 811 application. Further, if awarded a Section 811 fund reservation, the officers, directors, board members, trustees, stockholders and authorized agents of the Section 811 Sponsor and Owner entities will be required to submit to HUD individual certifications regarding compliance with HUD's conflict of interest requirements.

f. National Environmental Policy Act. You must comply with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321) and applicable related environmental authorities at 24 CFR 50.4, HUD's programmatic implementing regulations at 24 CFR part 50 and 24 CFR 891.155(b), especially, but not limited to, the provision of information to HUD at 24 CFR 50.31(b), and you must comply with any environmental "conditions and safeguards" at 24 CFR 50.3(c).

Under 24 CFR Part 50, HUD has the responsibility for conducting the environmental reviews. HUD will commence the environmental review of your project upon receipt of your completed application. However, HUD cannot approve any site for which you have site control unless it first completes the environmental review and finds that the site(s) meets its environmental requirements. In rare cases where HUD is not able to complete the environmental review, it is due to a complex environmental issue that could not be resolved during the time period allocated for application processing. Thus, if you submit an application with evidence of site control, HUD requires you to attempt to obtain comments from the State/Tribal Historic Preservation Officer (see Exhibit 4(d)(ix) of Section IV.B. below) to help HUD complete the environmental review on time. It is also

why HUD may contact you for additional environmental information. So that you can review the type of information that HUD needs for its preparation of the environmental review, the type of information requests that HUD may make to you, and the criteria that HUD uses to determine the environmental acceptability of a site, you are invited to go to the following Web site to view the HUD form 4128, including the Sample Field Notes Checklist, which HUD uses to record the environmental review: www.hud.gov/utilities/intercept.cfm?/offices/cpd/energyenviron/environment/compliance/forms/4128.pdf.

g. Lead-Based Paint. You must comply with the requirements of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846) and implementing regulations at 24 CFR part 35.

h. Executive Order 13202, Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects. Refer to the General Section.

i. Fair Housing Requirements. Refer to the General Section.

j. Economic Opportunities for Low and Very Low-Income Persons (Section 3). You must comply with Section 3 of the Housing and Urban Development Act of 1968, U.S.C. 1701u (Economic Opportunities for Low and Very Low-Income Persons) and its implementation regulations at 24 CFR part 135. You must ensure that training, employment and other economic opportunities shall, to the greatest extent feasible, be directed toward low and very low-income persons, particularly those who are recipients of government assistance for housing and to business concerns which provide economic opportunities to low and very-low income persons in the area in which the proposed project will be located. To comply with Section 3 requirements you are hereby certifying that you will strongly encourage your general contractor and subcontractors to participate in local apprenticeship programs or training programs registered or certified by the Department of Labor's Office of Apprenticeship, Training, Employer and Labor Services or recognized State Apprenticeship Agency. Although not a NOFA requirement, you are nonetheless encouraged to submit with your application a description on how you plan to incorporate the Section 3 requirements into your proposed project with goals for expanding training and employment opportunities for low and very low-income (Section 3) residents as

well as business concerns. You will receive up to two (2) points if you provide a description of your plans for doing so under Exhibit 3(m) of this program NOFA

k. Design and Cost Standards. You must comply with HUD's Section 811 project design and cost standards (24 CFR 891.120 and 891.310), the Uniform Federal Accessibility Standards (24 CFR 40.7), Section 504 of the Rehabilitation Act of 1973 and HUD's implementing regulations at 24 CFR part 8, and for covered multifamily dwellings designed and constructed for first occupancy after March 13, 1991, the design and construction requirements of the Fair Housing Act and HUD's implementing regulations at 24 CFR part 100, and, where applicable, the Americans with Disabilities Act of 1990.

l. Energy Efficiency. HUD has adopted a wide-ranging energy action plan for improving energy efficiency in all program areas. As a first step in implementing the energy plan, HUD, the Environmental Protection Agency (EPA) and the Department of Energy (DOE) have signed a joint partnership to promote energy efficiency in HUD's affordable housing efforts and programs. The purpose of the Energy Star partnership is not only to promote energy efficiency of the affordable housing stock, but also to help protect the environment. Although it is not a requirement, you are nonetheless encouraged to promote energy efficiency in design and operations and your application will receive one (1) point if you describe your plans for doing so in the proposed project. You are especially urged to purchase and use Energy Star-labeled products. For further information about Energy Star, see <http://www.energystar.gov> or call 888-STAR-YES (1-888-782-7937) or for the hearing-impaired, 888-588-9920 TTY.

m. Formation of Owner Corporation. You must form an "Owner" entity (in accordance with 24 CFR 891.305) after issuance of the capital advance fund reservation and must cause the Owner entity to file a request for determination of eligibility and a request for capital advance, and must provide sufficient resources to the Owner entity to ensure the development and long-term operation of the project, including capitalizing the Owner entity at firm commitment processing in an amount sufficient to meet its obligations in connection with the project over and above the capital advance amount. n. Davis-Bacon. You must comply with the Davis-Bacon Requirements (42 U.S.C. 8013(j)(6)) and the Contract Work Hours and Safety Standards Act in accordance with 24 CFR 891.155(d).

IV. Application and Submission Information

A. Address to Request Application Package. Applicants are required to submit an electronic application unless they receive a waiver of the requirement in accordance with the procedures in Section IV.C. of this NOFA. See the General Section for information on electronic application submission and timely submission and receipt requirements. Copies of the General Section, this NOFA, the required forms, and other related documents are available and may be downloaded from the Grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp. Search for the program using the CFDA Number, Competition ID OR Funding Opportunity Number. If you have difficulty accessing the information, you may call the Grants.gov Support Desk toll free @ 800-518-GRANTS or e-mail your questions to Support@Grants.gov. See the General Section for information regarding the registration process or ask for registration information from the Grants.gov Support Desk.

You may request general information, copies of the General Section and this NOFA (including related documents), and required forms from the NOFA Information Center (800-HUD-8929) Monday through Friday, except on federal holidays. Persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at (800) 877-8339. When requesting information, please refer to the name of the program you are interested in.

B. Content and Form of Application Submission. The exhibits to be included in your application are contained in the body of this NOFA below. Before preparing your application, you should carefully review the requirements of the regulations (24 CFR Part 891) and general program instructions in Handbook 4571.2, Section 811 Capital Advance Program for Housing Persons with Disabilities. *Note: Section 1001 of Title 18 of the United States Code (Criminal Code and Criminal Procedure, 72 Stat. 967) applies to all information supplied in the application submission.* (18 U.S.C. 1001, among other things, provides that whoever knowingly and willfully makes or uses a document or writing containing any false, fictitious, fraudulent statement or entry, in any matter within the jurisdiction of any department or agency of the United States, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both.)

The Application for a Section 811 Capital Advance consists of *four* parts with a total of *eight* Exhibits. Included with the eight Exhibits are prescribed forms, certifications and resolutions.

The components of the Application are:

- Part 1—Application Form for Section 811 Supportive Housing—Capital Advance (Exhibit 1).

- Part 2—Your Ability to Develop and Operate the Proposed Project (Exhibits 2 and 3).

- Part 3—The Need for Supportive Housing for the Target Population in the Area to be Served, Site Control and/or Identification of Site, Suitability of Site, Adequacy of the Provision of Supportive Services and of the Proposed Project (Exhibits 4 and 5).

- Part 4—General Application Requirements, Certifications and Resolutions (Exhibits 6 through 8).

The following additional information, which may assist you in preparing your application, is available on HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>:

- Listing of Local HUD Offices
- Letter Requesting SHPO/THPO

Review

- Choosing an Environmentally Safe Site

- Supplemental to Choosing an Environmentally Safe Site

Your application must include all of the information, materials, forms, and exhibits listed below (unless you were selected for a Section 811 fund reservation within the last three funding cycles). If you qualify for this exception, you are not required to submit the information described in Exhibit 2(a), (b), and (c), which are the articles of incorporation (or other organizational documents), by-laws, and the IRS tax exemption, respectively. If there has been a change in any of these documents since your previous HUD approval, you must submit the updated information in your application. The local HUD office will verify your previous HUD approval by checking the project number and approval status with the appropriate local HUD office based on information submitted.

In addition to this relief of paperwork burden in preparing applications, you are able to use information and exhibits previously prepared for prior applications under Section 811, Section 202, or other funding programs. Examples of exhibits that may be readily adapted or amended to decrease the burden of application preparation include, among others, those on previous participation in the Section 202 or Section 811 programs, your experience in the provision of housing and services, supportive services plans,

community ties, and experience serving minorities.

For programmatic information, you MUST contact the appropriate local HUD office about the submission of applications within the jurisdiction of that office. A listing of the local HUD offices is available on HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

Please submit your application using the following format provided in this NOFA. For applications to be submitted electronically in which you have created files to be attached to the electronic application, you should number the pages of the attached file and include a header that identifies the exhibit that it relates to. Please be sure to follow the file labeling and file format instructions in the General Section.

For applicants that received a waiver of the electronic application submission requirement, you must number the pages of each file, narratives and other attached files. Include the name of your organization and your DUNS number, and the exhibit number that you are responding to on the header of each document.

1. Table of Contents

a. Part I—Application Form

(1) Exhibit 1: Form HUD-92016-CA Application for Capital Advance Summary Information.

b. Part II—Ability to Develop/Operate Project

- (1) Exhibit 2: Legal Status.
 - (a) Organizational Documents.
 - (b) By-Laws.
 - (c) IRS Tax Exemption Ruling.
 - (d) Number of board members.
- (2) Exhibit 3: Purpose/Community Ties/Experience.
 - (a) Purpose(s), current activities, etc.
 - (b) Community ties, description of area.
 - (c) Other Funding Sources.
 - (d) Letters of support.
 - (e) Housing/Services experience.
 - (f) Involvement of target population.
 - (g) Practical solutions.
 - (h) Project Development Timeline.
 - (i) How project will remain viable:
 - (ii) If services are depleted;
 - (iii) If State-funded services change; and
 - (iii) If need for project changes.
 - (j) Coordination with other organizations.
 - (k) Consultation with Continuum of Care organizations.
 - (l) Form HUD-27300, America's Affordable Communities Initiative/Removal of Regulatory Barriers (HUD Communities Initiative Form on Grants.gov), with supporting documentation.
 - (m) Section 3 requirements.

c. Part III—Need for Housing, Site Requirements, Proposed Services

- (1) Exhibit 4: Project Information.
 - (a) Evidence of need for project.
 - (b) Benefit to population/community.
 - (c) Narrative project description:

- (i) Building design;
- (ii) Energy efficiency features; and
- (iii) Mixed-financing for additional units.
- (d) Site control and zoning:
 - (i) Site control documents;
 - (ii) Freedom of site from restrictions;
 - (iii) Zoning requirements;
 - (iv) URA site notification requirements;
 - (v) Topographical/demographical description of site/area and opportunities for minorities;
 - (vi) Racial composition/map of site;
 - (vii) Phase I ESA;
 - (viii) Asbestos Statement/Survey;
 - (ix) SHPO/THPO requirements;
 - (x) Willingness to seek alternate site; and
 - (xi) Exception to project size limit:
- (A) Preference/acceptance of people with disabilities to live in proposed housing;
- (B) Increase number of people;
- (C) Compatibility of project;
- (D) Increased number will not prohibit integration in community;
- (E) Project marketability;
- (F) Consistency of project size with State/local policies; and
- (G) Willingness to accept project size limit.
- (e) Site identification:
 - (i) Site location;
 - (ii) Steps to identify site/activities to obtain site control;
 - (iii) Whether site is properly zoned;
 - (iv) Status of sale of site; and
 - (v) Whether site involves relocation.
- (2) Exhibit 5: Supportive Services Plan.
 - (a) Description of occupancy.
 - (b) Request to limit occupancy:
 - (i) Population to which occupancy will be limited;
 - (ii) Why necessary to limit occupancy:
 - (A) Achievement of Section 811 goals;
 - (B) Why unable to meet housing/services needs in an integrated setting;
 - (iii) Housing/Services experience;
 - (iv) Assurance of integrating occupants in neighborhood/community.
 - (c) Services needs of proposed population.
 - (d) Community services providers with letters of intent.
 - (e) Service providers' capabilities/experience.
 - (f) State/local agency involvement in project.
 - (g) Your commitment to make services available or coordinate their availability.
 - (h) Employment opportunities for residents.
 - (i) Whether a manager's unit will be included.
 - (j) Statement that occupancy will not be conditioned on resident's acceptance of supportive services.

d. Part IV—Requirements/Certifications/Resolutions

- (1) Exhibit 6: Other Applications.
 - (a) FY07 Sections 202/811 applications to other Offices.
 - (b) Information on FY06 and prior years' Sections 202/811 applications.
- (2) Exhibit 7: Required information on:
 - (a) All property occupants;
 - (b) Relocation costs/services;
 - (c) Staff to carry out relocation;
 - (d) Occupant move-outs within past 12 months.

(3) Exhibit 8: Forms/Certifications/Resolutions.

- (a) SF-424, Application for Federal Assistance.
- (b) SF-424 Supplement, "Survey on Ensuring Equal Opportunities for Applicants" (Faith Based EEO Survey (SF-424 SUPP) on Grants.gov).
- (c) SF-LLL, Disclosure of Lobbying Activities.
- (d) HUD-2880, "Applicant/Recipient Disclosure/Update Report" (HUD Applicant/Recipient Disclosure Report on Grants.gov).
- (e) HUD-2991, Certification of Consistency with the Consolidated Plan.
- (f) HUD-92041, Sponsor's Conflict of Interest Resolution.
- (g) HUD-92042, Sponsor's Resolution for Commit to Project.
- (h) HUD-2990, Certification of Consistency with the RC/EZ/EC-II Strategic Plan (if applicable).
- (i) HUD-92043, Certification for Provision of Supportive Services.
- (j) HUD-96010, Program Outcome Logic Model.
- (k) HUD-96011, "Third Party Documentation Facsimile Transmittal" (Facsimile Transmittal Form on Grants.gov). This is to be used as the cover page for faxing third party information for electronic applications only. See the General Section.
- (l) HUD-2994-A, You are Our Client! Grant Applicant Survey.

2. Programmatic Applications Requirements

a. Part I—Application Form for Section 811 Supportive Housing—Capital Advance

Exhibit 1—Form HUD-92016-CA, Supportive Housing for Persons with Disabilities Section 811 Application for Capital Advance Summary Information. A copy of this form is available in the instructions download at http://www.grants.gov/applicants/apply_for_grants.jsp.

b. Part II—Your Ability To Develop and Operate the Proposed Project

(1) Exhibit 2—Evidence of your legal status (i.e., evidence of your status as a nonprofit organization with 501(c)(3) IRS tax exemption). If another organization(s) is co-sponsoring the application with you, each Co-Sponsor must also submit the following:

- (a) Articles of incorporation, constitution, or other organizational documents
- (b) By-laws
- (c) IRS tax exemption ruling (this must be submitted by all Sponsors, including churches)

Note: Based on a HUD review of your articles of incorporation, constitution, or other organizational documents, HUD must determine, among other things, that (1) you are an eligible nonprofit entity with a 501(c)(3) IRS tax exemption status, (2) your corporate purposes are sufficiently broad to

provide you the legal authority to sponsor the proposed project for the disabled, to assist the Owner, and to apply for a capital advance, (3) no part of the Sponsor's net earnings inures to the benefit of any private party, and (4) that you are not controlled by or under the direction of persons seeking to derive profit or gain therefrom. [Exception: If you received a Section 811 fund reservation within the last three funding cycles, you are not required to submit the documents described in (a), (b), and (c) above. Instead, submit the project number of the latest application and the local HUD office to which it was submitted. If there have been any modifications or additions to the subject documents, indicate such, and submit the new material.]

(d) The number of people on your board and the number of board members who have disabilities.

(2) Exhibit 3—Your purpose, community ties, and experience

(a) A description of your purpose(s), current activities, including your ability to enlist volunteers and raise private and local funds, and how long you have been in existence.

(b) A description of your ties to the community in which your project will be located and to the minority and disability communities in particular, including a description of the specific geographic area(s) in which you have served.

(c) A description of other funding sources for the project (including financial assistance, donation of land, provision of services, etc.).

(d) Letters of support for your organization and for the proposed project from organizations familiar with the housing and supportive services needs of the target population (e.g., the local center for independent living, the Statewide Independent Living Council) that you expect to serve in the proposed project.

(e) A description of your housing and/or supportive services experience. The description should include any rental housing projects (including any integrated housing developments) and/or supportive services facilities that you sponsored, own and/or operate, your past or current involvement in any programs other than housing that demonstrates your management capabilities (including financial management) and experience, your experience in serving the target population (persons with disabilities and minorities); and the reasons for receiving any increases in fund reservations for developing and/or operating previously funded Section 202 or Section 811 projects. The description should include data on the facilities and services provided, the

racial/ethnic composition of the populations served, if available, and information and testimonials from residents or community leaders on the quality of the activities. Examples of activities that could be described include housing counseling, nutrition and food services, special housing referral, screening and information projects.

(f) A description of your efforts to involve members of the target population (persons with disabilities including minority persons with disabilities and persons with disabilities similar to those of the prospective residents) in the development of the application as well as your intent to involve the target population in the development and operation of the project.

(g) A description of the practical solutions you will implement which will enable residents of your project to achieve independent living and economic empowerment. In addition, describe the educational opportunities you will provide for the residents and how you will provide them. This description should include the activities you will undertake to improve computer access, literacy and employment opportunities (e.g., provide programs that can teach residents how to use computers to become educated as well as achieve economic self-sufficiency through job training and placement). And, finally, describe how your proposed project will be an improved living environment for the residents when compared to their previous place of residence.

(h) Describe your plan for completing the proposed project. Include a project development timeline which lists the major development stages for the project with associated dates that must be met in order to get the project to initial closing and start of construction within the 18-month fund reservation period as well as the full completion of the project, including final closing. Completion of Exhibit 8(j), Logic Model, will assist you in completing your response to this Exhibit.

(i) Describe how you will ensure that your proposed project will remain viable as housing with the availability of supportive services for the target population for the 40-year capital advance period. This description should address the measures you would take should any of the following occur:

(i) funding for any of the needed supportive services becomes depleted;

(ii) if, for any state-funded services for your project, the state changes its policy regarding the provision of supportive

services to projects such as the one you propose; or

(iii) if the need for housing for the population you will be serving wanes over time, causing vacancies in your project.

(j) A description of the steps you took to coordinate your application with other organizations (e.g., the local center for independent living) that will not be directly involved in your project but with which you share common goals and objectives, to complement and/or support the proposed project so that the project will provide a comprehensive and holistic solution to the needs of persons with disabilities.

(k) A description of your efforts to consult with Continuum of Care organizations in the community where the project will be located about the ways you can assist persons with disabilities who are chronically homeless as defined in the General Section.

(l) A description of the successful efforts the jurisdiction in which your project will be located has taken in removing regulatory barriers to affordable housing. To obtain up to 2 points for this policy priority, you must complete the optional Form HUD-27300, "Questionnaire for HUD's Initiative on Removal of Regulatory Barriers" AND provide the necessary URL references or submit the documentary evidence. This exhibit is optional, but to obtain up to 2 points for this policy priority, you must submit this information using Form HUD-27300 and contact information. When providing documents in support of your responses to the questions on the form, please provide the applicant name and project name and whether you were responding under column A or B, then identify the number of the question and the URL or document name and attach using the attachment function at the end of the electronic form. This exhibit will be used to rate your application under Rating Factor 3(j).

(m) A description on how you plan to incorporate the Section 3 requirements into your proposed project with goals for expanding training and employment opportunities for low and very low-income (Section 3) persons as well as business concerns in the area in which the proposed project will be located. This exhibit is optional, but to obtain up to 2 points for this policy priority, you must submit this exhibit and adequately address your plans to provide opportunities to train and employ low and very low-income residents of the project area and award substantial contracts to persons residing in the project area.

c. Part III—The Need for Supportive Housing for the Target Population, Site Control and/or Identification of Site and Suitability of Site, Adequacy of The Provision of Supportive Services and of The Proposed Project

(1) EXHIBIT 4—Need and Project Information

(a) Evidence of need for supportive housing. Include a description of the proposed population and evidence demonstrating sustained effective demand for supportive housing for the proposed population in the market area to be served, taking into consideration the occupancy and vacancy conditions in existing comparable subsidized housing for persons with disabilities, state or local needs assessments of persons with disabilities in the area, the types of supportive services arrangements currently available in the area, and the use of such services as evidenced by data from local social service agencies. Also, a description of how information in the community's or (where applicable) the State's Consolidated Plan, Analysis of Impediments to Fair Housing Choice (AI) or other planning document that analyzes fair housing issues was used in documenting the need for the project.

(b) A description of how the proposed project will benefit the target population and the community in which it will be located.

(c) Description of the project.

(i) Narrative description of the building(s) including the number and type of structure(s), number of units with bedroom distribution if independent living units including dwelling units in multifamily housing developments, condominiums and cooperatives, number of bedrooms if group home, number of residents with disabilities, and any resident manager per structure; identification of all commercial and community spaces, amenities or features planned for the housing and a description of how the spaces, amenities, or features will be used, and the extent to which they are necessary to accommodate the needs of the proposed residents. A narrative description of the building design (both interior and exterior), including any special design features, as well as any features that incorporate visitability standards and universal design. Also include a description of how the design of the proposed project will facilitate the integration of the residents into the surrounding community and promote the ability of the residents to live as independently as possible.

Note: If the community spaces, amenities, or features do not comply with the project design and cost standards of 24 CFR 891.120 (a) and (c), the special project standards of 24 CFR 891.310 (a), and the limitations on bedroom sizes as required by paragraph 1–11.E.2.a of HUD Handbook 4571.2 REV–1, you must demonstrate your ability and willingness to contribute both the incremental development cost and continuing operating cost associated with the community spaces, amenities, or features.

(ii) Describe whether and how the project will promote energy efficiency (in accordance with the requirements set forth in Section III.C.3.I. of this NOFA), including any plans to incorporate energy efficiency features in the operation of the project through the use of Energy Star labeled products and appliances and, if applicable, innovative construction or rehabilitation methods or technologies to be used that will promote efficient construction.

(iii) For site control applications, if you are proposing to develop a mixed-finance project by developing additional units (i.e., in addition to the 811 units), a description of any plans and actions you have taken to create such a mixed-finance project with the use of Section 811 capital advance funds, in combination with other funding sources. Provide the number of non-Section 811 units to be included in the mixed-finance project (also provide the number of additional units in the appropriate space on Form HUD–92016–CA). Also, provide copies of any letters you have sent seeking outside funding for the non-Section 811 units and any responses thereto. You must also demonstrate your ability to proceed with the development of a Section 811 project that will not involve mixed-financing, as proposed in your application, in the event you are later unable to obtain the necessary outside funding or HUD disapproves your proposal for a mixed-finance project for additional non-Section 811 units for persons with disabilities.

Notes: (1) A proposal to develop a mixed-finance project for additional units must occur at the application for fund reservation stage. You cannot decide after selection that you want to do a mixed-finance project for additional units. (2) Section 811 capital advance amendment money will not be approved for projects proposing mixed-financing. (3) If approved for a reservation of capital advance funds, you will be required to submit with your Firm Commitment Application, the additional documents required by HUD for mixed-finance proposals. (4) A mixed-finance project does not include the development of a mixed-use project in which the Section 811 units are mortgaged separately from the other uses of the structure. (5) For a Section 811 mixed-finance project, the additional units cannot

cause the project to exceed the project size limit for the type of project proposed, unless you request and receive HUD approval to exceed the project size limit if the project will be an independent living project (See IV.B.2.c.(1)(d)(xi)) or the additional units will house people who do not have a disability.

(d) Evidence of site control and permissive zoning.

Note: If you are applying for Section 811 funding without control of any or all of your proposed sites, you must provide the information under (e), Identification of a Site, below for any site you are submitting without evidence of control of that site.

(i) Acceptable evidence of site control is limited to any one of the following:

(A) Deed or long-term leasehold which evidences that you have title to or a leasehold interest in the site. If a leasehold, the term of the lease must be 50 years with renewable provisions for 25 years except for sites on Indian trust land, in which case, the term of the lease must be at least 50 years with no requirements for extensions;

(B) Contract of sale for the site that is free of any limitations affecting the ability of the seller to deliver ownership to you after you receive and accept a notice of Section 811 capital advance. (The only condition for closing on the sale can be your receipt and acceptance of the capital advance.) The contract of sale cannot require closing earlier than the Section 811 closing;

(C) Option to purchase or for a long-term leasehold, which must remain in effect for six months from the date on which the applications are due, must state a firm price binding on the seller, and be renewable at the end of the six-month period. The only condition on which the option may be terminated is if you are not awarded a fund reservation;

(D) If the site is covered by a mortgage under a HUD program, (e.g., a previously funded Section 202 or Section 811 project or an FHA-insured mortgage) you must submit evidence of site control as described above AND evidence that consent to release the site from the mortgage has been obtained or has been requested from HUD (all required information in order for a decision on the request for a partial release of security must have been submitted to the local HUD office) and from the mortgagee, if other than HUD. Approval to release the site from the mortgage must be done before the local HUD office makes its selection recommendations to HUD Headquarters. Refer to Chapter 16 of HUD Handbook 4350.1 Rev–1, Multifamily Asset Management and Project Servicing, for instructions on submitting requests to the local HUD Office for partial release

of security from a mortgage under a HUD program; or

(E) For sites to be acquired from a public body, evidence is needed that the public body possesses clear title to the site and has entered into a legally binding agreement to lease or convey the site to you after you receive and accept a notice of Section 811 capital advance. Where HUD determines that time constraints of the funding round will not permit you to obtain all of the required official actions (e.g., approval of Community of Planning Boards) that are necessary to convey publicly-owned sites, you may include in your application a letter from the mayor or director of the appropriate local agency indicating that conveyance or leasing of the site is acceptable without imposition of additional covenants or restrictions, and only contingent on the necessary approval action. Such a letter of commitment will be considered sufficient evidence of site control.

(ii) Whether you have title to the site, a contract of sale, an option to purchase, or are acquiring a site from a public body, you must provide evidence (a current title policy or other acceptable evidence) that the site is free of any limitations, restrictions, or reverts which could adversely affect the use of the site for the proposed project for the 40-year capital advance period under HUD's regulations and requirements (e.g., reversion to seller if title is transferred). If the title evidence contains restrictions or covenants, copies of the restrictions or covenants must be submitted with the application. If the site is subject to any such limitations, restrictions, or reverts, the site will be rejected and the application will be considered a "site identified" application. Purchase money mortgages that will be satisfied from capital advance funds are not considered to be limitations or restrictions that would adversely affect the use of the site. If the contract of sale or option agreement contains provisions that allow a Sponsor not to purchase the property for reasons such as environmental problems, failure of the site to pass inspection, or the appraisal is less than the purchase price, then such provisions are not objectionable and a Sponsor is allowed to terminate the contract of sale or the option agreement.

Note: A proposed project site may not be acquired or optioned from a general contractor (or its affiliate) that will construct the Section 811 project or from any other development team member.

(iii) Evidence that the project, as proposed, is permissible under applicable zoning ordinances or

regulations, or a statement of the proposed action required to make the proposed project permissible AND the basis for the belief that the proposed action will be completed successfully before the submission of the firm commitment application (e.g., a summary of the results of any requests for rezoning and/or the procedures for obtaining special or conditional use permits on land in similar zoning classifications and the time required for such rezoning, or preliminary indications of acceptability from zoning bodies, etc.).

Note: You should be aware that under certain circumstances the Fair Housing Act requires localities to make reasonable accommodations to their zoning ordinances or regulations to offer persons with disabilities an opportunity to live in an area of their choice. If you are relying upon a theory of reasonable accommodation to satisfy the zoning requirement, then you must clearly articulate the basis for your reasonable accommodation theory.

(iv) Evidence of compliance with the URA requirement that the seller has been provided, in writing, with the required information regarding a voluntary, arm's length purchase transaction (i.e., (1) applicant does not have the power of eminent domain and, therefore, will not acquire the property if negotiations fail to result in an amicable agreement, and (2) of the estimate of the fair market value of the property).

Note: A certification for this requirement is not sufficient. Evidence must be submitted to meet this requirement. This information should have been provided before making the purchase offer. However, in those cases where there is an existing option or contract, the seller must be provided the opportunity to withdraw from the agreement or transaction, without penalty, after this information is provided.

(v) Narrative describing topographical and demographic aspects of the site, the suitability of the site and area (as well as a description of the characteristics of the neighborhood), how use of the site will promote greater housing opportunities for minority persons with disabilities, and how use of the site will affirmatively further fair housing.

Note: You can best demonstrate your commitment to affirmatively furthering fair housing by describing how your proposed activities will assist the jurisdiction in overcoming impediments to fair housing choice identified in the applicable jurisdiction's Analysis of Impediments (AI) to Fair Housing Choice, which is a component of the jurisdiction's Consolidated Plan or any other planning document that addresses fair housing issues. The applicable Consolidated Plan and AI may be the community's, the county's, or the state's, to

which input should have been provided by local community organizations, agencies in the community and residents of the community. Alternatively, a document that addresses fair housing issues and remedies to barriers to fair housing in the community that was previously prepared by a local planning, or similar organization, may be used. Applicable impediments could include a lack of units that are accessible to persons with disabilities, a lack of transportation services or other assistance that would serve persons with disabilities, or the need for improved quality and services for all persons with disabilities.

(vi) A map showing the location of the site, the racial composition of the neighborhood, and any areas of racial concentration.

Note: For this competition, when determining the racial and ethnic composition of the neighborhood surrounding the proposed site, use data from the 2000 Census of Population. Data from the 2000 Census may be found at www.factfinder.census.gov/servlet/BasicFactsServlet.

(vii) A Phase I Environmental Site Assessment (ESA), in accordance with the ASTM Standard E 1527-05, as amended, using the table of contents and report format specified at Appendix X4 thereto and completed or updated as specified at Section 4.6 thereto, must be completed and submitted with the application. In order for the Phase I ESA to be acceptable, it must have been completed or updated no earlier than 180 days prior to the application deadline date. Therefore, it is important to start the site assessment process as soon after the publication of the NOFA as possible.

Note: A Phase I ESA that is not properly updated, does not use the format specified at Appendix X4 of ASTM Standard E 1527-05, or that is prepared in accordance with an older version of ASTM E 1527 will result in a technical rejection of your application.

If the Phase I ESA indicates possible presence of contamination and/or hazards, you must decide whether to continue with this site or choose another site. Should you choose another site, the same Phase I ESA process identified above must be followed for the new site. If you choose to continue with the original site on which the Phase I ESA indicated contamination or hazards, you must undertake a detailed Phase II ESA by an appropriate professional. If the Phase II Assessment reveals site contamination, you must submit the extent of the contamination and a plan for clean-up of the site including a contract for remediation of the problem(s) and an approval letter from the applicable federal, state and/or local agency with jurisdiction over the site to the local HUD office. The Phase

If ESA and any necessary plans for clean-up do not have to be submitted with the application but must be received in the local HUD office by June 25, 2007. If it is not received by that date, the site will be rejected and the application will be placed in Category B for selection purposes.

Note: You must pay for the cost of any clean-up or remediation which can be very expensive. [See Note at Section III.C.2.b.(3)(d)(iii)]

(viii) If you submit an application with evidence of site control, you must submit one of the following:

(A) If there are no pre-1978 structures on the site or if there are pre-1978 structures that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a statement to this effect, or

(B) If there are pre-1978 structures on the site other than for a site that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a comprehensive building asbestos survey that is based on a thorough inspection to identify the location and condition of asbestos throughout any structures.

Note: In those cases where suspect asbestos is found, it would either be assumed to be asbestos or would require confirmatory testing. If the asbestos report indicates the presence of asbestos, or the presence of asbestos is assumed, and if the application is approved, HUD will condition the approval on an appropriate mix of asbestos abatement and an asbestos Operations and Maintenance Plan.

(ix) Letter to State/Tribal Historic Preservation Officer (SHPO/THPO) and a statement that SHPO/THPO failed to respond to you OR a copy of the response letter received from SHPO/THPO.

(x) A statement that you are willing to seek a different site if the preferred site is not approvable and that site control will be obtained within six months of notification of fund reservation.

(xi) If an exception to the project size limits is being requested, describe why the site was selected and demonstrate the following: (Only for applications for independent living projects and condominium units [not group homes] with site control)

(A) People with disabilities have indicated their acceptance or preference to live in housing with as many units/people as proposed for the project.

(B) The increased number of units/people is warranted by the market conditions in the area in which the project will be located.

(C) Your project is compatible with other residential development and the population density of the area in which the project is to be located.

(D) The increased number of people will not prohibit their successful integration into the community.

(E) The project is marketable in the community.

(F) The size of the project is consistent with state and/or local policies governing similar housing for the proposed population.

(G) A statement that you are willing to have your application processed at the project size limit should HUD not approve the exception.

(e) Identification of a Site. If you have identified a site, but do not have it under control, you must submit the following information:

Note: If an application is submitted without evidence of site control and does not provide a specific street address for the identified site(s) (e.g., only an indication that the project will be developed in a particular part of town but a site(s) has not been chosen) the application will be rejected.

(i) A description of the location of the site, including its street address or block and lot number(s), its unit number (if condominium), neighborhood/community characteristics (to include racial and ethnic data), amenities, adjacent housing and/or facilities, how the site will promote greater housing opportunities for minority persons with disabilities and affirmatively further fair housing. You can best demonstrate your commitment to affirmatively furthering fair housing by describing how your proposed activities will assist the jurisdiction in overcoming impediments to fair housing choice identified in the community's AI or any other planning document that addresses fair housing issues. Examples of the applicable impediments include the need for improved housing quality and services for minority persons with disabilities and the need for quality services for persons with disabilities within the type and quality of similar services and housing in minority areas.

(ii) A description of the activities undertaken to identify the site, as well as what actions must be taken to obtain control of the site, if approved for funding.

(iii) An indication as to whether the site is properly zoned. If it is not, an indication of the actions necessary for proper zoning and whether these can be accomplished within six months of fund reservation award, if approved for funding.

(iv) A status of the sale of the site.

(v) An indication as to whether the site would involve relocation.

(2) EXHIBIT 5—Supportive Services Plan

Note: Your supportive services plan and the Supportive Services Certification (Exhibit 8(i)) must be sent to the appropriate state or local agency (identified by the local HUD office) far enough in advance of the application deadline date so that the agency can review the plan, complete the certification and return both to you for inclusion in your application to HUD.

(a) A detailed description of whether the housing is expected to serve persons with physical disabilities, developmental disabilities, or chronic mental illness or any combination of the three. Include how and from whom/where persons will be referred and admitted for occupancy in the project. You may, with the approval of the Secretary, restrict occupancy within housing developed under this NOFA to a subcategory of one of the three main categories of disability noted above (e.g., AIDS is a subcategory of physical disability). However, the Owner must permit occupancy by any qualified person with a disability that qualifies under the applicable main category of disability.

(b) If requesting approval to restrict occupancy, also submit the following:

(i) A description of the population of persons with disabilities to which occupancy will be limited.

(ii) An explanation of why it is necessary to restrict occupancy of the proposed project(s) to the population described in (i) above, including the following:

(A) An explanation of how restricting occupancy to a subcategory of persons with disabilities promotes the goals of the Section 811 program.

(B) An explanation of why the housing and/or service needs of this population cannot be met in a more integrated setting.

(iii) A description of your experience in providing housing and/or supportive services to proposed occupants.

(iv) A description of how you will ensure that occupants of the proposed project will be integrated into the neighborhood and community.

(c) A detailed description of the supportive service needs of the persons with disabilities that the housing is expected to serve.

(d) A list of community service providers, (including consumer-controlled providers), including letters of intent to provide services to proposed residents from as many potential providers as possible.

(e) The evidence of each service provider's capability and experience in providing such supportive services

(even if you will be the service provider).

(f) Identification of the extent of state and/or local agency involvement in the project (i.e., funding for the provision of supportive services, referral of residents, or licensing the project). If there will be any state or local agency involvement, a description of the state/local agency's philosophy/policy concerning housing for the population to be served and a demonstration that your application is consistent with state and/or local agency plans and policies governing the development and operation of housing for persons with disabilities.

(g) If you will be making any supportive services available to the residents or will be coordinating the availability of any supportive services, a letter providing:

(i) A description of the supportive services that you will make available to the residents or, if you will be coordinating the availability of any supportive services, a description of the supportive service(s) and how the coordination will be implemented;

(ii) An assurance that any supportive services that you will make available to the residents will be based on their individual needs; and

(iii) A commitment to make the supportive services available or coordinate their availability for the life of the project.

(h) A description of how the residents will be afforded opportunities for employment.

(i) An indication as to whether the project will include a unit for a resident manager.

(j) A statement that you will not condition admission or occupancy on the resident's acceptance of any supportive services.

d. Part IV—General Application Requirements, Certifications and Resolutions

(1) EXHIBIT 6: Other Applications

(a) A list of the applications, if any, you are submitting to any other local HUD office in response to the FY 2007 Section 202 or Section 811 NOFA. Indicate by local HUD office, the proposed location by city and state and the number of units requested for each application.

(b) Include a list of all FY2006 and prior years Section 202 and Section 811 capital advance projects to which you are a party. Identify each by project number and local HUD office and include the following information:

(i) Whether the project has initially closed and, if so, when;

(ii) If the project was older than 24 months when it initially closed (specify how old) or if older than 24 months now (specify how old) and has not initially closed, provide the reasons for the delay in closing;

(iii) Whether amendment money was or will be needed for any project in (ii) above; including the amount of the amendment money and,

(iv) Those projects which have not been finally closed.

(2) EXHIBIT 7: A statement that: (applicable to applications with site control only)

Note: For site identified projects, exhibit 7 must be submitted once site control is obtained.

(a) Identifies all persons (families, individuals, businesses and nonprofit organizations) by race/minority group, and status as owners or tenants occupying the property on the date of submission of the application for a capital advance.

(b) Indicates the estimated cost of relocation payments and other services.

(c) Identifies the staff organization that will carry out the relocation activities.

(d) Identifies all persons who were required to move from the site within the past 12 months.

Note: If any of the relocation costs will be funded from sources other than the section 811 capital advance, you must provide evidence of a firm commitment of these funds. When evaluating applications, HUD will consider the total cost of proposals (i.e., cost of site acquisition, relocation, construction and other project costs).

(3) EXHIBIT 8: Certifications and Resolutions

You are required to submit completed copies of the following forms which are included either in the General Section or with this NOFA and copies of the forms are available in the instructions download at http://www.grants.gov/applicants/apply_for_grants.jsp.

(a) Standard Form 424—Application for Federal Assistance, including a DUNS number, an indication of whether you are delinquent on any federal debt, and compliance with Executive Order 12372 (a certification that you have submitted a copy of your application, if required, to the State agency (Single Point of Contact) for state review in accordance with Executive Order 12372). If required by the State's Single Point of Contact (SPOC), a copy of your application needs to be submitted to the SPOC before the application deadline date, but in no event later than the application deadline date. Refer to the

General Section and Section IV.D. of this program NOFA to find out if your State has a SPOC and additional information on compliance with Executive Order 12372.

Note: For Section 811 program purposes, item 12, Areas Affected by Project, of SF-424, provide the names of the City, County and State where the project will be located (not the largest political entities as indicated on the instructions page of SF-424).

(b) Standard Form 424 Supplement, Survey on Ensuring Equal Opportunity for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov). Although the information on this form will not be considered in making funding decisions, it will assist the federal government in ensuring that all qualified applicants have an equal opportunity to compete for federal funding.

(c) Standard Form LLL—Disclosure of Lobbying Activities (if applicable). A disclosure of activities conducted to influence any federal transactions.

(d) Form HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov), including Social Security and Employee Identification Numbers. A disclosure of assistance from other government sources received in connection with the project.

(e) Form HUD-2991, Certification of Consistency with the Consolidated Plan (Plan), for the jurisdiction in which the proposed project will be located. The certification must be made by the unit of general local government if it is required to have, or has, a complete Plan. Otherwise, the certification may be made by the state, or by the unit of general local government if the project will be located within the jurisdiction of the unit of general local government authorized to use an abbreviated strategy, and if it is willing to prepare such a Plan. All certifications must be made by a public official responsible for submitting the Plan to HUD. The certifications must be submitted as part of the application by the application submission deadline date set forth in this NOFA. The Plan regulations are published in 24 CFR part 91.

(f) Form HUD-92041, Sponsor's Conflict of Interest Resolution. A certified Board Resolution that no officer or director of the Sponsor or Owner has or will have any financial interest in any contract with the Owner or in any firm or corporation that has or will have a contract with the Owner, including a current listing of all duly qualified and sitting officers and directors by title and the beginning and ending dates of each person's term.

(g) Form HUD-92042, Sponsor's Resolution for Commitment to Project. A certified Board Resolution acknowledging responsibilities of sponsorship, long-term support of the project(s), your willingness to assist the Owner to develop, own, manage and provide appropriate services in connection with the proposed project, and that it reflects the will of your membership. Also, it shall indicate your willingness to fund the estimated start-up expenses, the Minimum Capital Investment (one-half of one-percent of the HUD-approved capital advance, not to exceed \$10,000), and the estimated cost of any amenities or features (and operating costs related thereto) that would not be covered by the approved capital advance.

(h) Form HUD-2990, Certification of Consistency with the RC/EZ/EC Strategic Plan. A certification that the project is consistent with the RC/EZ/EC-II's strategic plan, is located within the RC/EZ/EC-II, and serves RC/EZ/EC-II residents. (This certification is not required if the project site(s) will not be located in an RC/EZ/EC-II.) A copy of the RC/EZ/EC-II Certification form is contained in the online application; and

(i) Form HUD-92043, Certification for Provision of Supportive Services. A certification from the appropriate state or local agency (identified in the application or obtained from the local HUD office), indicating whether the:

(i) Provision of supportive services is well designed to serve the needs of persons with disabilities the housing is expected to serve;

(ii) The provision of supportive services will enhance independent living success and promote the dignity of those who will access your proposed project;

(iii) Supportive services will be available on a consistent, long-term basis; and

(iv) Proposed housing is consistent with state or local plans and policies addressing the housing needs of people with disabilities if the state or local agency will provide funding for the provision of supportive services, refer residents to the project or license the project. (The name, address, and telephone number of the appropriate agency can also be obtained from the appropriate local HUD Office.)

(j) Form HUD-96010, Program Outcome Logic Model. In addition to the Project Development Timeline to be submitted in Exhibit 3(h) above, the information provided in the Logic Model will be used in rating your application for Rating Factor 5, Achieving Results and Program Evaluation.

(k) Form HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov) to be used for faxing third party letters and other documents for your electronic applications in accordance with the instructions in the General Section.

Note: HUD will not accept entire applications by fax. If you submit the application entirely by fax, it will be disqualified.

(l) Form HUD-2994-A, You Are Our Client Grant Applicant Survey. This is an optional form that may be used to provide suggestions and comments to the Department regarding your application submission experience.

C. Submission Dates and Time. Your application must be received and validated electronically by Grants.gov no later than 11:59:59 PM eastern time on the application deadline date, unless a waiver of the electronic delivery process has been approved by HUD in accordance with the following procedures. Applicants that are unable to submit their application electronically must seek a waiver of the electronic grant submission requirement. Waiver requests must be submitted by mail or by fax. For this program NOFA, e-mail requests will not be considered. Waiver requests submitted by mail or fax should be submitted on the applicant's letterhead and signed by an official with the legal authority to request a waiver from the Department. The request must be addressed to the Assistant Secretary for Housing at the following address: Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 9100, Washington, DC 20410-8000. Waiver requests submitted by fax must be sent to (202) 708-3104. Applicants that are granted a waiver of the electronic submission requirement will not be afforded additional time to submit their applications. Therefore, submit your waiver requests to the above address no later than 15 days before the application deadline date. If a waiver is granted, you must submit the required number of copies and the application must be received by the application deadline date. Your approval of the waiver request will provide instructions on the number of copies and where to submit the application.

D. Intergovernmental Review

1. State Review. This funding opportunity is subject to Executive Order (EO) 12372, "Intergovernmental

Review of Federal Programs." You must contact your State's Single Point of Contact (SPOC) to find out about and comply with the state's process under EO 12372. The names and addresses of the SPOCs are listed in the Office of Management and Budget's Web site at <http://www.whitehouse.gov/omb/grants/spoc.html>. If required by the state, the submission to the state needs to occur before the Section 811 application deadline date, but in no event later than the application deadline date. It is recommended that you provide the state with sufficient time to review the application. Therefore, it is important that you consult with the SPOC for state review time frames and take that into account when submitting the application. If the SPOC requires a review of your application, you must include a copy of the cover letter you sent to the SPOC in Exhibit 8(a) of your Section 811 application.

2. HUD/RHS Agreement. HUD and the Rural Housing Service (RHS) have an agreement to coordinate the administration of the agencies' respective rental assistance programs. As a result, HUD is required to notify RHS of applications for housing assistance it receives. This notification gives RHS the opportunity to comment if it has concerns about the demand for additional assisted housing and possible harm to existing projects in the same housing market area. HUD will consider RHS comments in its review and application selection process.

E. Funding Restrictions

1. Ineligible Activities. Section 811 funds may not be used for any of the following:

- a. Supportive Services
- b. Housing that you currently own or lease that has been occupied by people with disabilities for longer than one year prior to the application deadline date;
- c. Nursing homes, infirmaries and medical facilities;
- d. Transitional housing;
- e. Mobile homes;
- f. Intermediate care facilities;
- g. Assisted living facilities;
- h. Community centers, with or without special components for use by persons with disabilities;
- i. Sheltered workshops and centers for persons with disabilities;
- j. Headquarters for organizations for persons with disabilities; and
- k. Refinancing of Sponsor-owned facilities without rehabilitation.

Note: You may propose to rehabilitate an existing currently-owned or leased structure (if the structure already serves persons with disabilities, it cannot have operated as housing for persons with disabilities for

longer than one year prior to the application deadline date); however, the refinancing of any federally funded or assisted project or project insured or guaranteed by a federal agency is not permissible under this Section 811 NOFA. HUD does not consider it appropriate to utilize scarce program resources to refinance projects that have already received some form of assistance under a federal program or that have been operating as housing for persons with disabilities for longer than one year prior to the application deadline date. (For example, Section 202, Section 202/8 or Section 202/PAC direct loan projects cannot be refinanced with capital advances and project rental assistance.)

2. **Application Limits (Units/Projects).** A Sponsor or Co-Sponsor may not apply for more than 70 units of housing or 4 projects (whichever is less) for persons with disabilities in a single Hub or more than 10 percent of the total units allocated to all local HUD offices. Affiliated entities (organizations that are branches or offshoots of a parent organization) that submit separate applications are considered a single entity for the purpose of these limits. In addition, no single application may propose more units in a given local HUD office than allocated for the Section 811 program in that local HUD office. If the proposed project will be an independent living project, your application must request at least five units for persons with disabilities, not necessarily in one structure. If your proposed project will be a group home, you must request at least two units for persons with disabilities per group home. If your proposed project will be a combination of an independent living project and a group home, your application must request at least the minimum number of units for each project type (i.e., 5 units for an independent living project and 2 units for a group home).

3. Development Cost Limits

a. The following development cost limits, adjusted by locality as described in Section IV.E.3.b. below must be used to determine the capital advance amount reserved for projects for persons with disabilities.

Note: The capital advance funds awarded for this project are to be considered the total amount of funds that the Department will provide for the development of this project. Amendment funds will only be provided in exceptional circumstances (e.g., to cover increased costs for construction delays due to litigation or unforeseen environmental issues resulting in a change of sites) that are clearly beyond your control. If amendment funds are not approved, you are responsible for any costs over and above the capital advance amount provided by the Department as well

as any costs associated with any excess amenities and design features.

(1) For independent living projects and dwelling units in multifamily housing developments, condominium and cooperative housing: The capital advance amount for the project attributable to dwelling use (less the incremental development cost and the capitalized operating costs associated with any excess amenities and design features and other costs you must pay for) may not exceed:

Non-elevator structures:

\$45,507 per family unit without a bedroom

\$52,470 per family unit with one bedroom

\$63,279 per family unit with two bedrooms

\$80,998 per family unit with three bedrooms

\$90,235 per family unit with four bedrooms

For elevator structures:

\$47,890 per family unit without a bedroom

\$54,897 per family unit with one bedroom

\$66,755 per family unit with two bedrooms

\$86,358 per family unit with three bedrooms

\$94,795 per family unit with four bedrooms

(2) For group homes only (the development cost limits are capped by type of occupancy and number of person with disabilities):

TYPE OF DISABILITY

Residents	Physical/developmental	Chronic mental illness
2	\$172,303	\$166,325
3	185,287	178,860
4	198,273	189,995
5	211,257	201,130
6	224,228	212,265

(3) These cost limits reflect those costs reasonable and necessary to develop a project of modest design that complies with HUD minimum property standards; the minimum group home requirements of 24 CFR 891.310(a) (if applicable); the accessibility requirements of 24 CFR 891.120(b) and 891.310(b); and the project design and cost standards of 24 CFR 891.120.

b. Increased development cost limits.

(1) HUD may increase the development cost limits set forth above, by up to 140 percent in any geographic area where the cost levels require, and may increase the development cost limits by up to 160 percent on a project-by-project basis. This increase may

include covering additional costs to make dwelling units accessible through rehabilitation.

Note: In applying the applicable high cost percentage, the local HUD office may use a percentage that is higher or lower than that which is assigned to the local HUD office if it is needed to provide a capital advance amount that is comparable to what it typically costs to develop a Section 811 project in that area.

(2) If HUD finds that high construction costs in Alaska, Guam, the Virgin Islands or Hawaii make it unfeasible to construct dwellings, without the sacrifice of sound standards of construction, design, and livability, within the development cost limits provided in Section IV.E.3.a.(1) and IV.E.3.b.(1) above, the amount of capital advances may be increased to compensate for such costs. The increase may not exceed the limits established under this section (including any high cost area adjustment) by more than 50 percent.

(3) For group homes only, local HUD offices may approve increases in the development cost limits in Section IV.E.3.a.(2), above, in areas where you can provide sufficient documentation that high land costs limit or prohibit project feasibility. An example of acceptable documentation is evidence of at least three land sales that have actually taken place (listed prices for land are not acceptable) within the last two years in the area where your project is to be built. The average cost of the documented sales must exceed ten percent of the development cost limit for your project in order for an increase to be considered.

4. **Commercial Facilities.** A commercial facility for the benefit of the residents may be located and operated in the Section 811 project. However, the commercial facility cannot be funded with the use of Section 811 capital advance or PRAC funds. The maximum amount of space permitted for a commercial facility cannot exceed 10 percent of the total project cost. An exception to this 10 percent limitation is if the project involves acquisition or rehabilitation and the additional space was incorporated in the existing structure at the time the proposal was submitted to HUD. Commercial facilities are considered public accommodations under Title III of the Americans with Disabilities Act of 1990 (ADA), and thus must comply with all the accessibility requirements of the ADA.

5. **Expiration of Section 811 Funds.** The Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007), requires HUD to obligate all Section 811 funds

appropriated for FY2007 by September 30, 2010. Under 31 U.S.C. 1551, no funds can be disbursed from this account after September 30, 2015. Under Section 811, obligation of funds occurs for both capital advances and project rental assistance upon fund reservation and acceptance. If all funds are not disbursed by HUD and expended by the project Owner by September 30, 2015, the funds, even though obligated, will expire and no further disbursements can be made from this account. In submitting an application, you need to carefully consider whether your proposed project can be completed through final capital advance closing no later than September 30, 2015. Furthermore, all unexpended balances, including any remaining balance on PRAC contracts, will be cancelled as of October 1, 2015. Amounts needed to maintain PRAC payments for any remaining term on the affected contracts beyond that date will have to be funded from other current appropriations.

F. Other Submission Requirements

1. Address for Submitting Applications. Applications must be submitted electronically through the http://www.grants.gov/applicants/apply_for_grants.jsp Web site, unless the applicant receives a waiver from the electronic submission requirement. See the General Section, Application Submission and Receipt Procedures and Section IV.C. of this NOFA for additional information. Refer to HUD's Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm> for a listing of local HUD offices. All applications submitted electronically via http://www.grants.gov/applicants/apply_for_grants.jsp will be downloaded and forwarded to the appropriate local HUD office.

2. For Section 811 applications that have more than one applicant, i.e. Co-Sponsors. The applicants must designate a single individual to act as the authorized representative for all Co-Sponsors of the application. The designated authorized representative of the organization submitting the application must be registered with Grants.gov, the Federal Central Contractor Registry and with the credential provider for E-Authentication. Information on the Grants.gov registration process is found in Section IV.B. of the General Section. When the application is submitted through Grants.gov, the name of the designated authorized representative will be inserted into the signature line of the application. Please note that the designated authorized representative must be able to make legally binding

commitments for each Co-Sponsor to the application.

Each Co-Sponsor must complete the documents required of all co-sponsoring organizations to permit HUD to make a determination on the eligibility of the Co-Sponsor(s) has pledged to the project. Therefore, each Co-Sponsor must submit the following information using the scanning and/or faxing method described in Section IV. of the General Section: Standard Form 424, Application for Federal Assistance; Standard Form 424 Supplement, Survey for Ensuring Equal Opportunity for Applicants; Standard Form LLL, Disclosure of Lobbying Activities (if applicable); Form HUD-92016-CA, Section 811 Application for Capital Advance, Summary Information; Form HUD-92041, Sponsor's Conflict of Interest Resolution; Form HUD-92042, and Sponsor's Resolution for Commitment to Project. The forms identified above are discussed in the Program instructions package and can be downloaded from http://www.grants.gov/applicants/apply_for_grants.jsp. The downloaded and completed forms should be saved as separate electronic files and attached to the electronic application submission following the requirements of Section IV.

As stated in Section IV of the General Section, scanning documents to create electronic files increases the size of the file. Therefore, applicants may not submit scanned files unless using the facsimile method as stated in the General Section. If the facsimile method does not work, forms and other documents from Co-Sponsors may be scanned to create an electronic file and submitted as an attachment to the application. These documents should be labeled and numbered so the HUD reviewer can identify the file and its contents. If the applicant is creating an electronic file, the file should contain a header that identifies the name of the Sponsor submitting the electronic application, that Sponsor's DUNS Number, and the unique ID that is found at the top of the Facsimile Transmission form found in the electronic application package. The naming convention for each electronic file should correspond to the labeling convention used in the application Table of Contents found in Section IV.B.1. of this NOFA. For example, the organizational documents of a Co-Sponsor would be included under Part II, Exhibit 2(a) of the Section 811 application.

The signed documents and other information required to be submitted with the electronic application should be transmitted via fax, using Form

HUD-96011, Facsimile Transmittal as the cover page to the facsimile. The Form HUD-96011 is found in the electronic application package. Co-Sponsors should use the Form HUD-96011 provided by the Sponsor that is submitting the electronic application. The submitting Sponsor should fill in the SF 424 form prior to giving the Form 96011 to the Co-Sponsors. By following these directions, the Form HUD-96011 will be pre-populated with the submitting Sponsor's organizational information exactly as the submitting Sponsor has provided it on the electronic application. In addition, HUD will be using the unique identifier associated to the downloaded application package as a means of matching the faxes submitted with applications received via Grants.gov. The Facsimile Transmittal form also has space to provide the number of pages being faxed and information on the type of document. Co-Sponsors or the submitting applicant can insert the document name in the space provided labeled Program Component and should ensure that the form that is used is the cover sheet to the facsimile transmittal.

Do not insert any additional or other cover pages as it will cause problems in electronically matching the pieces of the application.

V. Application Review Information

A. Criteria

Policy Priorities. HUD encourages applicants to undertake specific activities that will assist the Department in implementing its policy priorities and which help the Department achieve its strategic goals for FY2007. Refer to the General Section for information regarding HUD's Strategic Goals and Policy Priorities. For the Section 811 program, applicants who include work activities that specifically address the policy priorities of encouraging accessible design features by incorporating visitability standards and universal design, ending chronic homelessness, removing barriers to affordable housing, promoting energy efficiency in design and operations, and expanding training and employment opportunities for low and very low-income persons and business concerns (Section 3 requirements) will receive additional points. A Notice pertaining to the removal of barriers to affordable housing was published in the **Federal Register** and may be downloaded from the HUD Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

Rating Factors. HUD will rate applications that successfully complete

technical processing using the Rating Factors set forth below and in accordance with the application submission requirements in this NOFA. The maximum number of points an application may receive under this program is 100 plus 2 bonus points. This includes two (2) RC/EZ/EC-II bonus points, as described in the General Section of the SuperNOFA and Section V.A.6 below.

1. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (30 Points)

This factor addresses the extent to which you have the organizational resources to successfully implement the proposed activities in a timely manner. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 3(a), 3(b), 3(e), 5 and 6 of Section IV.B. of this NOFA. In rating this factor, HUD will consider the extent to which your application demonstrates your ability to develop and operate the proposed housing on a long-term basis, considering the following:

a. (15 points) The scope, extent, and quality of your experience in providing housing or related services to those proposed to be served by the project and the scope of the proposed project (i.e., number of units, services, relocation costs, development, and operation) in relationship to your demonstrated development and management capacity as well as your financial management capability.

b. (10 points) The scope, extent, and quality of your experience in providing housing or related services to minority persons or minority families and your ties to the community at large and to the minority and disability communities in particular.

(1) (5 points) The scope, extent, and quality of your experience in providing housing or related services to minority persons or families.

(2) (5 points) The scope, extent, and quality of your ties to the community at large and to the minority and disability communities in particular.

To earn the maximum number of points under subcriteria (b)(1) above, you must describe significant previous experience in providing housing and/or supportive services to minorities generally and to minority persons with disabilities, in particular. For the purpose of this competition, "significant previous experience" means that the previous housing assistance or related services to minorities, i.e., the percentage of minorities being provided housing or related services in your current developments, was equal to or

greater than the percentage of minorities in the housing market area where the previous housing or services occurred. To earn the maximum number of points under subcriteria (b)(2) above, you should submit materials that demonstrate your efforts to make housing available to the community at large and the minority and disability communities in particular and your relationships over time with the community, including the minority and disability communities. Examples of documents that may be submitted to earn the maximum number of points under subcriteria (b)(2), include letters of support from community leaders (including minority and disability community leaders) that give information about applicant's relationship over time with the community (including the minority and disability community). You may also submit copies of your affirmative marketing plan and the advertising/outreach materials you utilize to attract minority communities (including limited English proficient communities), disabled community and the community at large. Regarding your advertising/outreach materials, you should identify when advertising/outreach materials are circulated, whom they are circulated to, where they are circulated, and how they are circulated. Descriptions of other advertising/outreach efforts to the minority (including limited English proficient communities) and disabled communities and the dates and places of such advertising/outreach efforts should also be included.

c. (-3 to -5 points) HUD will deduct (except if the delay was beyond your control) 3 points if a fund reservation you received under either the Section 811 program of Supportive Housing for Persons with Disabilities or the Section 202 program of Supportive Housing for the Elderly in FY2002 or later has been extended beyond 24 months, 4 points if beyond 36 months, and 5 points if beyond 48 months. Examples of delays beyond your control include, but are not limited to, initial closing delays that are: (1) directly attributable to HUD, (2) directly attributable to third party opposition, including litigation, and (3) due to a disaster, as declared by the President of the United States.

d. (-3 to -5 points). HUD will deduct from 3 points to 5 points if HUD amendment money was required in connection with a fund reservation you received under either the Section 202 Program of Supportive Housing for the Elderly or the Section 811 Program of Supportive Housing for Persons with

Disabilities in FY 2002 or later based on the following.

(1) (-3 points). The amount of the amendment money required was 25 percent or less of the original capital advance amount approved by HUD.

(2) (-4 points). The amount of the amendment money required was between 26 percent and 50 percent of the original capital advance amount approved by HUD.

(3) (-5 points). The amount of the amendment money required was over 50 percent of the original capital advance amount approved by HUD.

e. (5 points) You have experience in developing integrated housing and/or the proposed project will be an integrated housing model (applies to condominium units scattered within one or more buildings or non-contiguous independent living units on scattered sites only).

2. Rating Factor 2: Need/Extent of the Problem (13 Points)

This factor addresses the extent to which there is a need for funding the proposed activities to address a documented problem in the target area. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 4(a) and 4(b) of Section IV.B. of this NOFA. HUD will consider the following in evaluating this factor:

The extent of the need for the project in the area based on a determination by the local HUD office. In making this determination, HUD will consider your evidence of need in the area, as well as other economic, demographic, and housing market data available to the local HUD office. The data should include but is not limited to:

- a general assessment of the current conditions in the market for the type of housing proposed,
- an estimate of the demand for additional housing of the type proposed in the applicable housing market area,
- information on the numbers and types of existing comparable Federally assisted housing units for persons with disabilities (HUD and RHS) and current occupancy in such housing and recent market experience,
- comparable assisted housing for persons with disabilities under construction or for which fund reservations have been issued and,
- In accordance with an agreement between HUD and RHS, comments from RHS on the demand for additional comparable subsidized housing and the possible harm to existing projects in the same housing market areas.

The Department also will review more favorably those applications which

establish a connection between the proposed project and the community's Analysis of Impediments to Fair Housing Choice (AI) or other planning document that analyzes fair housing issues and is prepared by a local planning or similar organization. You must show how the proposed project will address an impediment to fair housing choice described in the AI or meet a need identified in the other type of planning document.

In evaluating this factor, HUD will rate your application as follows:

a. (10 points) If a determination has been made that there is sufficient sustainable long-term demand for additional supportive housing for persons with disabilities in the area to be served, the project is to be awarded 10 points. If not, the project is to be awarded 0 points. No other point values are allowed under this subsection V.A.2.a.

b. (3 points) The extent that a connection has been established between the project and the community's Consolidated Plan, Analysis of Impediments to Fair Housing Choice (AI) or other planning document that analyzes fair housing issues and is prepared by a local planning or similar organization.

3. Rating Factor 3: Soundness of Approach (40 Points)

This factor addresses the quality and effectiveness of your proposal, the extent to which you involved persons with disabilities, including minority persons with disabilities, in the development of the application and will involve them in the development and operation of the project, the extent to which you coordinated your application with other organizations, including local independent living centers, with which you share common goals and objectives and are working toward meeting these objectives in a holistic and comprehensive manner, whether you consulted with Continuum of Care organizations to address efforts to assist persons with disabilities who are chronically homeless as defined in the General Section, whether the jurisdiction in which your project will be located has undertaken successful efforts to remove regulatory barriers to affordable housing, whether you will promote energy efficiency in the design and operation of the proposed housing, and your plans to expand economic opportunities for low and very low-income persons as well as certain business concerns (Section 3). There must be a clear relationship between the proposed design, the proposed activities, the community's needs and

purposes of the program funding for your application to receive points for this factor. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 2(d), 3(f), 3(j), 3(k), 3(l), 3(m), 4(c)(i), 4(c)(ii), 4(d)(iii), 4(d)(v), 4(d)(vi), 4(e)(i), and 5 of Section IV.B. of this NOFA. In evaluating this factor, HUD will consider the following:

a. (14 points) Site approvability—The proximity or accessibility of the site to shopping, medical facilities, transportation, places of worship, recreational facilities, places of employment, and other necessary services to the intended occupants; adequacy of utilities and streets, and freedom of the site from adverse environmental conditions (based on site visit for site control projects only); and compliance with site and neighborhood standards in 24 CFR 891.125(a), (d), and (e) and 24 CFR 891.320. Sites where amenities are accessible other than by project residence or private vehicle will be rated more favorably;

b. (–1 point) One or more of your proposed sites is not permissively zoned for the intended use.

c. (8 points) The suitability of the site from the standpoint of promoting a greater choice of housing opportunities for minorities and persons with disabilities and affirmatively furthering fair housing. In reviewing this criterion, HUD will assess whether the site meets the site and neighborhood standards at 24 CFR 891.125(b) and (c) by examining relevant data in your application or in the local HUD office. If appropriate, HUD may visit the site.

(1) The site will be deemed acceptable if it increases housing choice and opportunity by expanding housing opportunities in non-minority neighborhoods (if located in such a neighborhood). The term “non-minority area” is defined as one in which the minority population is lower than 10 percent. If the site will be in a minority neighborhood, the site will be deemed acceptable if it contributes to the revitalization of and reinvestment in the minority neighborhood, including improvement of the level, quality and affordability of services furnished to minority persons with disabilities. You should refer to the Site and Neighborhood Standards provisions of the regulations governing the Section 811 Supportive Housing Program (24 CFR 891.125(b) and (c)) when considering sites for your projects.

(2) For the purpose of this competition, the term “minority neighborhood (area of minority concentration)” is defined as one where

any one of the following statistical conditions exists:

(a) The neighborhood's percentage of persons of a particular racial or ethnic minority is at least 20 percentage points higher than the percentage of that particular racial or ethnic minority in the housing market area;

(b) The neighborhood's total percentage of minority persons is at least 20 percentage points higher than the total percentage of minorities for the housing market area; or

(c) In the case of a metropolitan area, the neighborhood's total percentage of minority persons exceeds 50 percent of its population.

d. (2 points) Site and Neighborhood Standards and Persons with Disabilities: The extent to which the proposed design of the project (exterior and interior) and its placement in the neighborhood will meet the individual needs of the residents and will facilitate their integration into the surrounding community and promote their ability to live as independently as possible.

e. (1 point) The extent to which the proposed design incorporates visitability standards and universal design in the construction or rehabilitation of the project. Refer to the General Section for further information.

f. (4 points) Your board is comprised of persons with disabilities.

g. (3 points) You involved persons with disabilities (including minority persons with disabilities) in the development of the application, and will involve persons with disabilities (including minority persons with disabilities) in the development and operation of the project.

h. (2 points) The extent to which you coordinated your application with other organizations (including local independent living centers; a list of such can be obtained from the local HUD office) that will not be directly participating in your project, but with which you share common goals and objectives and are working toward meeting these goals and objectives in a holistic and comprehensive manner.

i. (1 point) You consulted with the Continuum of Care organizations in the community in which your proposed project will be located and have developed ways in which the proposed project will assist persons with disabilities who have been experiencing chronic homelessness become more productive members of society. Refer to the General Section for further information.

j. (2 points) The extent to which the jurisdiction in which your project will be located has undertaken successful efforts to remove regulatory barriers to

affordable housing. (Note: This is an optional requirement, but to receive *up to 2 points*, the applicant must have submitted the Form HUD-27300, Questionnaire for HUD's Initiative on Removal of Regulatory Barriers, AND provided some form of documentation where requested, including point of contact and URL references or submitted the required documentary evidence.) Refer to the General Section for further information.

k. (1 point) The extent to which you will promote energy efficiency in the design and operation of the proposed housing. (Note: Optional, but to receive the 1 point, the applicant must have adequately addressed their plans to promote energy efficiency in the design and operation of the proposed project.) Refer to Section III.C.4 of this NOFA.

l. (2 points). The extent to which you have described your plans for expanding economic opportunities for low and very low-income persons (provisions of Section 3). Note: This is an optional requirement, but to receive up to 2 points, the applicant must have adequately addressed the following in Exhibit 3(m) of the application. Refer to the General Section for further information.

(1) (1 point). Provide opportunities to train and employ low and very low-income residents of the project area.

(2) (1 point). Award substantial contracts to persons residing in the project area.

4. Rating Factor 4: Leveraging Resources (5 Points)

This factor addresses your ability to secure other funding sources and community resources that can be combined with HUD's program resources to achieve program purposes. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 3(a), 3(b), 3(c), 3(d), 3(e), and 5(f) of Section IV.B. of this NOFA.

a. (0 point). The application contains general support and/or written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals *5% or less* of the capital advance amount as determined by HUD.

b. (1 point). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other

funding sources (e.g., private local community and government sources) where the dollar value totals between *6% and 10%* of the capital advance amount as determined by HUD.

c. (2 points). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private local community and government sources) where the dollar value totals between *11% and 15%* of the capital advance amount as determined by HUD.

d. (3 points). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals between *16% and 20%* of the capital advance amount as determined by HUD.

e. (4 points). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals between *21% and 25%* of the capital advance amount as determined by HUD.

f. (5 points). The application contains written evidence of firm commitments towards the development and operation of the proposed project (including, financial assistance, donation of land, provision of services, etc.) from other funding sources (e.g., private, local community, and government sources) where the dollar value totals *over 25%* of the capital advance amount as determined by HUD.

5. Rating Factor 5: Achieving Results and Program Evaluation (12 Points)

This factor reflects HUD's goal to embrace high standards of ethics, management and accountability and, as such, emphasizes HUD's commitment to ensuring that you keep the promises made in your application. This factor requires that you clearly identify the benefits or outcomes of your project and develop an evaluation plan to measure performance, which includes what you are going to measure, how you are going to measure it, and the steps you will have in place to make adjustments to your project development timeline should you not be able to achieve any of the major milestones. Completion of Exhibit 8(j), Program Outcome Logic

Model (HUD-96010), will assist you in completing your response to this rating factor. This rating factor also addresses the extent to which your project will implement practical solutions that result in residents achieving independent living, economic empowerment, educational opportunities and improved living environments. Finally, this factor addresses the extent to which the long-term viability of your project will be sustained for the duration of the 40-year capital advance period. Submit information responding to this factor in accordance with Application Submission Requirements in Exhibits 3(e), 3(g), 3(h), 3(i), 6(b), and 8(j) of Section IV.B. of this NOFA.

a. (5 points) The extent to which your project development timeline is indicative of your full understanding of the development process and will, therefore, result in the timely development of your project.

b. (2 points) The extent to which your past performance evidences that the proposed project will result in the timely development of the project. Evidence of your past performances could include the development of previous construction projects, including but not limited to Section 202 or Section 811 projects.

c. (2 points) The extent to which your project will implement practical solutions that will result in assisting residents in achieving independent living, economic empowerment, educational opportunities, and improved living environments (e.g., activities that will improve computer access, literacy and employment opportunities).

d. (3 points) The extent to which you demonstrated that your project will remain viable as housing with the availability of supportive services for very low income persons with disabilities for the 40-year capital advance period.

6. Bonus Points (2 bonus points) Location of proposed site in an RC/EZ/EC-II area, as described in the General Section. Submit the information responding to the bonus points in accordance with the Application Submission Requirements in Exhibit 8(h) of Section IV.B. of this NOFA.

B. Reviews and Selection Process

1. Review for Curable Deficiencies. Upon receipt of the application by HUD staff, HUD will screen all applications to determine if there are any curable deficiencies. For applicants receiving a waiver to submit a paper application, submitting fewer than the required original and four copies of the

application is not a curable deficiency and will cause your application to be considered non-responsive to the NOFA and returned to you. A curable deficiency is a missing Exhibit or portion of an Exhibit that will not affect the rating of the application. Refer to the General Section for additional information regarding procedures for corrections to deficient applications. The following is a list of the only deficiencies that will be considered curable in a Section 811 application:

Exhibit	Description
1	Form 92016-CA (Application Form)*
2(a)	Articles of Incorporation*
2(b)	By-laws*
2(c)	IRS tax exemption ruling*
4(c)(iii) ..	Description of mixed-financing plans for additional units, if applicable
4(d)(i) ...	Evidence of site control
4(d)(ii) ...	Evidence site is free of limitations, restrictions or reverters
4(d)(iv) ..	Evidence of compliance with URA site notification requirement
4(d)(vii)	Phase I ESA
4(d)(viii)	Asbestos Statement or Survey
4(d)(ix) ..	Letter to the State/Tribal Historic Preservation Officer (SHPO/THPO) and a statement that the SHPO/THPO failed to respond OR the letter from the SHPO/THPO
4(d)(x) ..	Willingness to seek an alternate site
4(d)(xi) ..	Exception to project size limit
4(e)(ii) ...	Steps undertaken to identify site
4(e)(iv) ..	Status of the sale of the site
4(e)(v) ..	Whether the site would involve relocation
5	Supportive Services Plan
7	Relocation
8(a)	Letter sent to the State Point of Contact (SPOC).*
8(b)	Standard Form 424 Supplement, Survey on Ensuring Equal Opportunity for Applicants.
8(c)	Standard Form LLL, Disclosure of Lobbying Activities (if applicable).
8(d)	Form HUD-2880, Applicant/Recipient Disclosure/Update Report.
8(e)	Form HUD-2991, Certification of Consistency with Consolidated Plan.
8(f)	Form HUD-92041, Sponsor's Conflict of Interest Resolution.
8(g)	Form HUD-92042, Sponsor's Resolution for Commitment to Project.*
8(i)	Form HUD-92043, Supportive Services Certification.
8(k)	Form HUD-96011 Facsimile Transmittal (Required Only for Transmittal of Faxes).*
8(l)	Form HUD-2994-A, You Are Our Client Grant Applicant Survey (optional).

The local HUD office will notify you in writing if your application is missing any of the above exhibits or portions of exhibits and will provide you with a specified deadline to submit the information required to cure the noted deficiencies. The items identified by an asterisk (*) must be dated on or before the application submission date. If an Exhibit or portion of an Exhibit listed above as curable is not discovered as missing until technical processing, HUD will provide you with a deadline to cure the deficiency.

2. Rating. HUD will review and rate your application in accordance with the Reviews and Selection Process in the General Section except as described in "3 Appeal Process" found below. Your application will be either rated or technically rejected at the end of technical review. If your application meets all program eligibility requirements after completion of technical review, it will be rated according to the rating factors in Section V.A. above.

3. Appeal Process. HUD will not reject your application based on technical review without notifying you of the rejection with all the reasons for rejection and providing you an opportunity to appeal. You will have 14 calendar days from the date of HUD's written notice to appeal a technical rejection to the local HUD office. In HUD's review of any appeal, it should be noted that in conformance with its regulations at 24 CFR part 4, subpart B, HUD will not consider any unsolicited information that you, the applicant, may want to provide. The local HUD office will make a determination on any appeals before making its selection recommendations.

4. Ranking and Selection Procedures. Applications that have a total base score of 75 points or more (without the addition of RC/EZ/EC-II bonus points) and meet all of the applicable threshold requirements in the General Section and this NOFA will be eligible for selection and will be placed in rank order in two categories; Category A and Category B. Category A will consist of approvable applications that contain acceptable evidence of control of all proposed sites and all proposed sites have been found approvable. Category B will consist of the following approvable applications:

(a) those that were submitted with identified sites;

(b) those that were submitted with evidence of site control where the evidence and/or any of the proposed sites were found not approvable provided you indicate your willingness to locate another site(s) should the

proposed site(s) be found not approvable; and

(c) those that were submitted with a combination of sites under control and identified sites. Each HUD Multifamily Program Center will select applications, after adding any bonus points for RC/EZ/EC-II, based on rank order, from Category A first that most closely approximates the capital advance authority available in its allocation. If capital advance authority remains after selecting all approvable applications from Category A, each HUD Multifamily Program Center shall then select applications, in rank order, from Category B that most closely approximates the capital advance authority remaining in its allocation. HUD Multifamily Program Centers will not skip over any applications in order to select one based on the funds remaining. After making the initial selections from the applicable category, however, HUD Multifamily Program Centers may use remaining available funds to select the next highest rank-ordered application in that category by reducing the number of units by no more than 10 percent, rounded to the nearest whole number, provided the reduction will not render the project unfeasible. For this purpose, however, HUD will not reduce the number of units in projects of five units or less.

After the HUD Multifamily Program Centers have funded all possible projects based on the process above, residual funds from all HUD Multifamily Program Centers within each Multifamily Hub will be combined. First, these funds will be used to restore units to projects reduced by HUD Multifamily Program Centers based on the above instructions. Second, additional approvable applications within each Multifamily Hub will be selected in Hub-wide rank order, first from Category A, and if sufficient funds remain, from Category B, with only one application selected per HUD Multifamily Program Center. More than one application may be selected per HUD Multifamily Program Center if there are no approvable applications in other HUD Multifamily Program Centers within the Multifamily Hub. This process will continue until there are no more approvable applications within the Multifamily Hub that can be selected with the remaining funds. Applications may not be skipped over to select one based on funds remaining. However, the Multifamily Hub may use any remaining residual funds to select the next rank-ordered application in the applicable category by reducing the number of units by no more than 10 percent rounded to the nearest whole

number, provided the reduction will not render the project infeasible or result in the project being less than 5 units.

Funds remaining after the Multifamily HUB selection process is completed will be returned to Headquarters. HUD Headquarters will use the residual funds first to restore units to projects reduced by HUD Multifamily Program Center or Multifamily Hub as a result of the instructions for using their residual funds. Second, HUD Headquarters will use these funds for selecting additional applications based on HUD Program Centers' rankings, beginning with the highest rated application nationwide in Category A. Only one application will be selected per HUD Multifamily Program Center in Category A from the national residual amount. Headquarters may skip over a higher rated Category A application to ensure that only one application is selected from each HUD Multifamily Program Center. This process will continue until the remaining available funds are used to select Category A applications, to the maximum extent possible. If all Category A applications are selected, Category B applications will then become eligible for selection in rank order, beginning with the highest rated application. Only one Category B application per HUD Multifamily Program Center will be selected from the remaining national residual amount. Headquarters may skip over a higher rated Category B application in order to ensure that only one application is selected from each HUD Multifamily Program Center. This process will continue until the remaining available funds are used to select approvable applications. If there are no approvable applications in Category A in other HUD Multifamily Program Centers, then the next highest rated application in Category B in another HUD Multifamily Program Center will be selected.

5. HUD Error. In the event HUD commits an error that, when corrected, would have resulted in the selection of an otherwise eligible applicant during the funding round of this NOFA, HUD may select that applicant when sufficient funds become available.

VI. Award Administration Information

A. Award Notices

1. Agreement Letter. If you are selected to receive a Section 811 fund reservation, you will receive an Agreement Letter that stipulates the terms and conditions for the Section 811 fund reservation award as well as the submission requirements following the fund reservation award. The duration of the fund reservation award for the

capital advance is 18 months from the date of issuance of the fund reservation.

Immediately upon your acceptance of the Agreement Letter, you are expected to begin work towards the submission of a Firm Commitment Application, which is the next application submission stage. You are required to submit a Firm Commitment Application to the local HUD office within 180 days from the date of the Agreement Letter. Initial closing of the capital advance and start of construction of the project are expected to be accomplished within the duration of the fund reservation award. Final closing of the capital advance is expected to occur no later than six months after completion of project construction.

2. Non-selection Letter. If your application is approvable but unfunded due to insufficient funds or receives a rating that is below the minimum threshold score established for funding eligibility, you will receive a letter to this effect.

3. Debriefing. Refer to the General Section for further information regarding debriefings except that the request must be made to the Director of Multifamily Housing in the appropriate local HUD office.

B. Administrative and National Policy Requirements

1. Ensuring the Participation of Small Businesses, Small Disadvantaged Businesses, and Women-Owned Businesses. Although the Section 811 program is not subject to the provisions of 24 CFR 85.36(e) as described in the corresponding paragraph in the General Section you are required to comply with Executive Order 12432, Minority Business Enterprise Development and Executive Order 11625, Prescribing Additional Arrangements for Developing and Coordinating a National Program for Minority Business Enterprise as they relate to the encouragement of HUD grantees to utilize minority business enterprises.

2. Acquisition and Relocation. You must comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (49 CFR part 24 and 24 CFR part 891.155(e)) (URA), which covers the acquisition of sites, with or without existing structures, and with 24 CFR 8.4(b)(5) of the Section 504 regulations which prohibits discrimination based on disability in determining the site or location of a federally-assisted facility. However, you are exempt from complying with the site acquisition requirements of the URA if you do not have the power of eminent domain and prior to entering into a contract of sale,

option to purchase or any other method of obtaining site control, you inform the seller of the land *in writing*: (1) that you do not have the power of eminent domain and, therefore, you will not acquire the property if negotiations fail to result in an amicable agreement, and (2) of the estimate of the fair market value of the property. An appraisal is not required to meet this requirement; however, your files must include an explanation, (with reasonable evidence) of the basis for the estimate. *Evidence of compliance with this advance notice requirement must be included in Exhibit 4(d)(iv) of your application.*

If you had site control as an applicant, you must be able to identify all persons who were required to move from the site within the past 12 months and the reason for such a move. You will also have to be able to demonstrate that all persons occupying the site have been issued the appropriate required General Information Notice and advisory services information receipt required, either at the time of the execution of the option to acquire the property or at the time of application submission.

3. Flood Disaster Protection Act of 1973 and Coastal Barriers Resources Act. You must comply with the requirements under the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001–4128) and the Coastal Barrier Resources Act (16 U.S.C. 3601).

C. Reporting

1. The Program Outcome Logic Model (Form HUD–96010) must be completed indicating the results achieved against the proposed output goal(s) and proposed outcome(s) which you stated in your approved application and agreed upon by HUD. Based on the information you provided in the Program Outcome Logic Model. These reporting requirements are to be submitted to HUD as follows:

Program Outcome Logic Model. You, as the Sponsor, and the Owner, when formed, are required to report annually, beginning from the date of the Agreement Letter, on the results achieved against the output goal(s) and outcome(s), which you proposed in the Program Outcome Logic Model that was submitted in your application. HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

2. The Regulatory Agreement (Form HUD–92466–CA) requires the Owner of the Section 811 project to submit an annual financial statement for the project. This financial statement must be audited by an Independent Public

Accountant who is a Certified Public Accountant or other person accepted by HUD and filed electronically with HUD's Real Estate Assessment Center (REAC) through the Financial Assessment Subsystem for Multifamily Housing (MF-FASS). The submission of annual financial statements is required throughout the 40-year term of the mortgage.

VII. Agency Contact(s)

Technical Assistance. For technical assistance in downloading an application package from www.grants.gov/Apply, contact the Grants.gov help desk at 800-518-Grants or by sending an e-mail to support@grants.gov.

Programmatic Information. For programmatic information, you may contact the appropriate local HUD office, or Frank Tolliver at HUD Headquarters at (202) 708-3000 (this is not a toll-free number), or access the Internet at: <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. Persons with hearing and speech impairments may access the above number via TTY by calling the toll-free Federal Relay Service at 800-877-8339.

VIII. Other Information

A. Field Office Workshop. HUD encourages minority organizations and grassroots organizations (*e.g.*, civic organizations, faith-communities and grassroots faith-based and other community-based organizations) to participate in this program and strongly

recommends prospective applicants attend the local HUD office workshop. At the workshops, HUD will explain application procedures and requirements, as well as address concerns such as local market conditions, building codes and accessibility requirements, contamination identification and remediation, historic preservation, floodplain management, other environmental requirements, displacement and relocation, zoning, and housing costs. If you are interested in attending the workshop, make sure that your name, address and telephone number are on the appropriate local HUD office's mailing list so that you will be informed of the date, time and place of the workshop. Persons with disabilities should call the appropriate local HUD office to assure that any necessary arrangements can be made to enable their attendance and participation in the workshop.

If you cannot attend the workshop, call the appropriate local HUD office if you have any questions regarding the submission of applications to that particular office and to request any materials distributed at the workshop.

B. Satellite Broadcast. HUD will hold an information broadcast via satellite for potential applicants to learn more about the program and preparation of the application. It is strongly recommended that potential applicants, especially those who may be applying for Section 811 funding for the first time, tune in to this broadcast, if at all possible. Copies

of the broadcast tapes are also available from the NOFA Information Center. For more information about the date and time of the broadcast, you should consult the HUD Web site at: <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

C. Related Programs. Section 811 funding for tenant-based assistance is administered by public housing agencies and nonprofit organizations through the Mainstream Housing Opportunities for Persons with Disabilities Program.

D. Paperwork Reduction Act. The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2502-0462. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB number. Public reporting burden for the collection of information is estimated to average 35.92 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits derived.

Continuum of Care (CoC) Program*Overview Information*

A. Federal Agency Name: Department of Housing and Urban Development, Office of Community Planning and Development.

B. Funding Opportunity Title: Funding Availability for Continuum of Care (CoC) Homeless Assistance Programs.

C. Announcement Type: Initial Announcement.

D. Funding Opportunity Number: The **Federal Register** number is FR-5100-N-14. The OMB Approval number is 2506-0112.

E. Catalog of Federal Domestic Assistance (CFDA) Numbers:

1. 14.235, Supportive Housing Program (SHP)
2. 14.238, Shelter Plus Care (S+C) and
3. 14.249, Section 8 Moderate Rehabilitation Single Room Occupancy (SRO).

F. Dates: Applications should be submitted no later than June 8, 2007. Please see Section IV of this NOFA for application submission and timely receipt requirements.

G. Additional Overview Content Information

1. *Purpose of the Programs:* The purpose of the CoC Homeless Assistance Programs is to assist homeless persons to move to self-sufficiency and permanent housing.

2. *Available Funds:* Approximately \$1.25 billion is available for funding.

3. *Eligible Applicants:* The program summary chart in Section III.A.3 identifies the eligible applicants for each of the three programs under the CoC Homeless Assistance Programs.

4. *Match:* Matching funds are required from local, state, federal or private resources.

Full Text of Announcement**I. Funding Opportunity Description***A. Program Description*

1. Overview. The purpose of the CoC Homeless Assistance Programs is to reduce the incidence of homelessness in CoC communities by assisting homeless individuals and families to move to self-sufficiency and permanent housing. CoCs and their projects that sustain current successful interventions and advance the goals of ending chronic homelessness will be scored higher.

2. The authorizing legislation and implementing regulations for all programs covered by this NOFA are outlined on the chart in Section III.A.3.

3. Changes for 2007. This list includes all major changes to the CoC NOFA:

a. As in past years, CoCs who would like to create new permanent housing units may use the "hold harmless reallocation process" to do so. With this process, eligible CoCs can replace or reduce renewal projects with a new permanent housing project using the same funds. In the past, a CoC risked losing the funds that it had "reallocated" in this way if the CoC did not score above the full funding line. New this year, CoCs who are in "hold harmless status" who seek to use the reallocation process to create new permanent housing units may do so without risk of losing the reallocated amount. If a CoC reallocates a portion of its pro rata need to an eligible new permanent housing project, the project will be funded, even if it is a lower-rated eligible project as long as it is in a CoC receiving at least 65 points. HUD is making this change to make it easier for CoCs to choose to fund new permanent housing units. For more information on hold harmless status and the process for reallocating pro rata need, see section I.A.8.h of this NOFA (the glossary) or the Questions and Answers Supplement at: www.hud.gov/offices/adm/grants/fundsavail.cfm.

b. The "Questions and Answers Supplement" contains additional information and should be thoroughly reviewed. It is now available on the web at www.hud.gov/offices/adm/grants/fundsavail.cfm.

4. Developing and Coordinating CoC Systems. Developing a CoC system should be an inclusive process that brings together participants from the state, local, private and nonprofit sectors to reduce homelessness. This NOFA emphasizes HUD's determination to integrate and align plans, including jurisdictional state and city ten-year plans (jurisdictional ten-year plans) encouraged by the U.S. Interagency Council on Homelessness and Consolidated Plans, into the CoC plans. These plans serve as the vehicle for a community to comprehensively identify each of its needs and to coordinate a plan of action for addressing them. For a community to successfully address the complex and interrelated problems related to homelessness, the community must marshal its varied resources—community and economic development resources, social service resources, business, health care, philanthropy, law enforcement, and housing and homeless assistance resources—and use them in a coordinated and effective manner.

5. CoC Components. A CoC system consists of five basic components, as follows:

a. A system of outreach, engagement, and assessment for determining the

needs and conditions of an individual or family who is homeless, and necessary support to identify, prioritize, and respond to persons who are chronically homeless;

b. Emergency shelters with appropriate supportive services to help ensure that homeless individuals and families receive adequate emergency shelter and referral to necessary service providers or housing search counselors;

c. Transitional housing with appropriate supportive services to help homeless individuals and families prepare to make the transition to permanent housing and independent living; and

d. Permanent housing, or permanent supportive housing, to help meet the long-term needs of homeless individuals and families.

e. Prevention strategies play an integral role in a community's plan to eliminate homelessness by effectively intervening for persons in public systems—e.g., corrections, foster care, mental health, and other institutions—so that they do not enter the homeless system. By law, prevention activities are ineligible activities in the three programs for which funds are awarded in this competition but are eligible for funding under the Emergency Shelter Grants block grant program.

6. CoC Planning Process. A CoC system is developed through a community-wide or region-wide process involving nonprofit organizations (including those representing persons with disabilities), government agencies, public housing agencies, community and faith-based organizations, other homeless providers, service providers, housing developers, private health care organizations, businesses and business associations, law enforcement and corrections agencies, school systems, private funding providers, and homeless or formerly homeless persons. A CoC system should address the specific needs of each homeless subpopulation: those experiencing chronic homelessness, veterans, persons with serious mental illnesses, persons with substance abuse issues, persons with HIV/AIDS, persons with co-occurring diagnoses (these may include diagnoses of multiple physical disabilities or multiple mental disabilities or a combination of these two types), victims of domestic violence, youth, and any others. To ensure that the CoC system addresses the needs of homeless veterans, it is particularly important that you involve veteran service organizations with specific experience in serving homeless veterans.

7. CoC Funding is provided through the programs briefly described below.

Please refer to the CoC Homeless Assistance Programs Chart in Section III.A.3 for a more detailed description of each program:

a. *The Supportive Housing Program (SHP)* provides funding for the development of transitional and permanent supportive housing and services that help homeless persons transition from homelessness to living as independently as possible. Some services are also funded to assist in achieving the goal of self-sufficiency.

b. *The Shelter Plus Care (S+C) Program* provides funding for rental assistance and requires grantees to identify service dollars. This gives applicants flexibility in devising appropriate housing and supportive services for homeless persons with disabilities.

c. *The Section 8 Moderate Rehabilitation Single Room Occupancy (SRO) Program* provides rental assistance on behalf of homeless individuals in connection with the moderate rehabilitation of SRO dwellings.

8. Glossary of Terms

a. *Annual Renewal Amount.* This is the amount that an SHP grant receives as a renewal each year after the initial grant term has ended. This was formerly referred to as the Average Yearly Amount. It is also used to calculate a CoC's "hold harmless" amount. To calculate the Annual Renewal Amount, add up the amount of the renewable items (such as operating, services, and administration costs) for all the years of the initial grant, and divide by the number of years in the grant term. For example, if a grant received a total of \$60,000 in eligible renewable costs over a three-year period, the Annual Renewal Amount would be \$20,000, or \$60,000 divided by 3.

b. *Applicant.* An entity that applies to HUD for funds. See the CoC Homeless Assistance Programs Chart in Section III.A.3 for a list of entities that are eligible. An applicant must submit a SF-424 (Application for Federal Assistance Form). If selected for funding, the applicant becomes the grantee and is responsible for the overall management of the grant, including drawing grant funds and distributing them to project sponsors. The applicant is also responsible for supervision of project sponsor compliance with grant requirements. The applicant may also be a project sponsor.

c. *Applicant Certification.* The form, required by law, in which an applicant certifies that it will adhere to certain statutory requirements, such as the Civil Rights Act of 1964.

d. *Chronically Homeless Person.* An unaccompanied homeless individual with a disabling condition who has either been continuously homeless for a year or more OR has had at least four (4) episodes of homelessness in the past three (3) years. A disabling condition is defined as "a diagnosable substance use disorder, serious mental illness, developmental disability, or chronic physical illness or disability, including the co-occurrence of two or more of these conditions." In defining the chronically homeless, the term "homeless" means "a person sleeping in a place not meant for human habitation (e.g., living on the streets) or in an emergency homeless shelter."

e. *Consolidated Plan.* A long-term housing and community development plan developed by state and local governments and approved by HUD. The Consolidated Plan contains information on homeless populations and should be coordinated with the CoC plan. It can be a source of information for the Unmet Need sections of the Housing Activities Chart. The plan contains both narratives and maps, the latter developed by localities using software provided by HUD.

f. *Consolidated Plan Certification.* The form, required by law, in which a state or local official certifies that the proposed activities or projects are consistent with the jurisdiction's Consolidated Plan and, if the applicant is a state or unit of local government, that the jurisdiction is following its Consolidated Plan.

g. *Continuum of Care (CoC).* A collaborative funding approach that helps communities plan for and provide a full range of emergency, transitional, and permanent housing and service resources to address the various needs of homeless persons.

h. *Continuum of Care Hold Harmless Amount.* This is the total of the one-year amount (the total of the annual renewal amount) of all SHP projects eligible for renewal under this NOFA. CoCs shall receive the higher of: (1) the preliminary pro rata need (PRN) or (2) the CoC hold harmless amount. CoCs receiving the CoC hold harmless amount have the opportunity to replace or reduce projects in their CoC and reallocate their PRN funds in order to create new permanent supportive housing projects.

i. *Current Inventory.* A complete listing of the community's existing beds and supportive services.

j. *Homeless Management Information Systems (HMIS).* An HMIS is a computerized data collection application designed to capture client-level information over time on the characteristics and service needs of

men, women, and children experiencing homelessness, while also protecting client confidentiality. It is designed to aggregate client-level data to generate an unduplicated count of clients served within a community's system of homeless services. An HMIS may also cover a statewide or regional area, and include several CoCs. The HMIS can provide data on client characteristics and service utilization.

k. *Homeless Person* means a person sleeping in a place not meant for human habitation or in an emergency shelter; and a person in transitional housing for homeless persons who originally came from the street or an emergency shelter. For a more detailed discussion, see the Questions and Answers Supplement available on the Web at www.hud.gov/offices/adm/grants/fundsavail.cfm. The programs covered by this NOFA are not for populations who are at risk of becoming homeless.

l. *NOFA.* Notice of Funding Availability, published in the **Federal Register** to announce available funds and application requirements.

m. *Private Nonprofit Status.* Private nonprofit status is documented by submitting either: (1) a copy of the Internal Revenue Service (IRS) ruling providing tax-exempt status under Section 501(c)(3) of the IRS Code; or (2) documentation showing that the applicant is a certified United Way agency; or (3) a certification from a designated official of the organization that no part of the net earnings of the organization inures to the benefit of any member, founder, contributor, or individual; that the organization has a voluntary board; that the organization practices nondiscrimination in the provision of assistance; and that the organization has a functioning accounting system that provides for each of the following (mention each in the certification):

(1) Accurate, current and complete disclosure of the financial results of each federally sponsored project.

(2) Records that identify adequately the source and application of funds for federally sponsored activities.

(3) Effective control over and accountability for all funds, property and other assets.

(4) Comparison of outlays with budget amounts.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the use of the funds for program purposes.

(6) Written procedures for determining the reasonableness, allocability and allowability of costs.

(7) Accounting records, including cost accounting records, which are supported by source documentation.

n. *Project Sponsor*. The organization that is responsible for carrying out the proposed project activities. A project sponsor does not submit a SF-424 (Application for Federal Assistance), unless it is also the applicant. To be eligible to be a project sponsor, you must meet the same program eligibility standards as applicants do, as outlined in Section III.A.3, except in the Sponsor-based rental assistance (SRA) component of the S+C Program. Eligible sponsors for the SRA component are statutorily precluded from applying for S+C funding.

o. *Public Nonprofit Status*. Public nonprofit status is documented for community mental health centers by including a letter or other document from an authorized official stating that the organization is a public nonprofit organization.

p. *SF-424, Application for Federal Assistance*. The application cover sheet required to be submitted by applicants requesting HUD Federal Assistance.

q. *Safe Haven*. A Safe Haven is a form of supportive housing funded and administered under the Supportive Housing Program serving hard-to-reach homeless persons with severe mental illness and other debilitating behavioral conditions who are on the streets and have been unwilling or unable to participate in supportive services. A Safe Haven may be transitional supportive housing, or permanent supportive housing if it has the characteristics of permanent housing and requires participants to sign a lease.

r. *Samaritan Housing Initiative*. The Samaritan Initiative will be integrated into this NOFA as part of the larger CoC process and is only for projects serving exclusively chronically homeless persons. It is 15 percent of a CoC's preliminary pro rata need amount or \$6 million, whichever is less. Applicants may use no more than 20 percent of this bonus for case management costs to enable program participants to remain successfully housed. See Section V.A.2.b(3) for additional information on this subject.

9. *Applicant Roles and Responsibilities*. An applicant will be responsible for the overall management and administration of a particular grant, including drawing down the grant funds from HUD, distributing them to the project sponsors, overseeing project sponsors, reporting to HUD, providing performance data to the CoC for community-level analysis, and collecting information to provide the CoC with counts of the homeless

through HMIS. Applicants can submit applications for projects on behalf of project sponsors, who will actually carry out the proposed project activities. Applicants can also carry out their own projects. In these cases, the applicant is responsible for both administering and managing a grant (as the grantee) and carrying out the project activities (as the project sponsor).

II. Award Information

A. *Amount Allocated*. Approximately \$1.25 billion is available for this CoC competition in FY 2007. Any unobligated funds from previous CoC competitions or additional funds that may become available as a result of deobligations or recaptures from previous awards or budget transfers may be used in addition to FY 2007 appropriations to fund applications submitted in response to this NOFA. The FY 2007 HUD Appropriations Act requires HUD to obligate all CoC homeless assistance funds by September 30, 2009. These funds will remain available for expenditure for either five (5) or ten (10) years following that date, as provided by statute. The only exception is that \$20 million will remain available until expended for 10-year term projects.

1. *Distribution of Funds*: HUD will not specify amounts for each of the three programs. Instead, the distribution of funds among the three programs will depend largely on locally determined priorities and overall demand.

a. *Permanent Housing Requirement*. Local priorities notwithstanding, the FY 2007 HUD Appropriations Act requires that not less than 30 percent of this year's Homeless Assistance Grants (HAG) appropriation, excluding amounts provided for one-year renewals under the Shelter Plus Care Program, must be used for permanent housing projects for all homeless populations.

b. *Chronic Homelessness Requirement*. The Administration has established as a policy priority the goal of ending chronic homelessness. CoCs are strongly encouraged to use the funds available in this NOFA to target persons experiencing chronic homelessness in their communities. HUD encourages communities to select projects that will contribute to the achievement of this important goal. The CoC strategy to end chronic homelessness is now referred to as the CoC Ten-Year Plan (see Chart N in Exhibit 1). CoCs should align and integrate their CoC Ten-Year Plans with other plans, including jurisdictionally led ten-year plans and applicable Consolidated Plans. To work towards this goal, HUD is targeting the Samaritan Initiative for projects that

exclusively serve individuals who are experiencing chronic homelessness. In addition, at least 10 percent of the appropriation will be awarded to new or renewal, transitional or permanent housing projects where at least 70 percent of the project's clients are expected to be chronically homeless (as defined by HUD) immediately prior to entry into the project. Housing projects include: SHP transitional housing, permanent housing and Safe Havens; S+C; and SRO projects. Since the housing funding allocation set-aside requirements are expected to continue in future competitions and may affect project funding selections, you are strongly encouraged to begin planning for new housing projects, particularly those serving individuals experiencing chronic homelessness, and include them as part of your submission in this competition. See Sections V.B.3.a and V.B.3.b of this NOFA for additional information on the permanent housing and chronic homeless requirements.

c. *Lower-rated SHP Renewals*. HUD reserves the authority to conditionally select for one year of funding lower-rated eligible SHP renewal projects that are assigned 40 need points in a CoC application receiving at least 25 points under the CoC scoring factor that would not otherwise receive funding for these projects. (See Sections V.A.2.a and V.A.2.b of this NOFA for information on project rating and scoring.) Therefore, the projects must receive a minimum score of 65 points. Although these lower-rated SHP renewal projects will have scored below the otherwise recognized funding line, their funding allows homeless persons to continue to be served and move towards self-sufficiency. Not renewing these projects would likely result in the closure of these projects and displacement of the homeless people being served.

2. *Prioritizing Projects for Funding*. Project priority decisions are best made by members of the local community, including local government and community and faith-based organizations, which represent the various economic, housing and social resources within that community. For example, if HUD has funds available only to award 8 of 10 proposed projects, then it will award funding to the first 8 eligible projects listed, except as may be necessary to achieve the 30 percent overall permanent housing and the 10 percent chronic homelessness requirements; see Sections V.B.3.a. and V.B.3.b. of this NOFA for additional information. In such cases, higher priority non-permanent housing projects may be de-selected to fund lower priority permanent housing projects and

housing projects predominantly serving those persons experiencing chronic homelessness.

3. *Grant Term.* See chart in Section III.A.3. of this NOFA for information on the term of assistance for each of the three CoC programs covered in this NOFA.

III. Eligibility Information

A. Eligible Applicants

1. Eligible applicants for each program are those identified in the following chart.

2. *Renewal Applicants.* As a project applicant, you are eligible to apply for renewal of a grant only if you have

executed a grant agreement for the project directly with HUD for SHP or S+C programs under a CoC NOFA. If you are a project sponsor or sub-recipient who has not signed such an agreement, you are not eligible to apply for renewal of these projects.

3. Continuum of Care Homeless Assistance Programs

Elements	Supportive housing	Shelter plus care	Section 8 SRO
Authorizing Legislation	Subtitle C of Title IV of the McKinney-Vento Homeless Assistance Act, 42 U.S.C. 11381.	Subtitle F of Title IV of the McKinney-Vento Homeless Assistance Act, 42 U.S.C. 11403.	Section 441 of the McKinney-Vento Homeless Assistance Act, 42 U.S.C. 11401.
Implementing Regulations	24 CFR part 583	24 CFR part 582	24 CFR part 882, subpart H, except that all persons receiving rental assistance must meet the McKinney-Vento definition of homelessness.
Eligible Applicant(s)	<ul style="list-style-type: none"> States Units of general local government. Special purpose units of government, e.g. PHAs. Private nonprofit organizations. Community Mental Health Centers that are public nonprofit organizations. 	<ul style="list-style-type: none"> States Units of general local government. PHAs. 	<ul style="list-style-type: none"> PHAs. Private nonprofit organizations.
Eligible Components	<ul style="list-style-type: none"> Transitional housing Permanent housing for disabled persons only. Supportive services not in conjunction with supportive housing. Safe Havens Innovative supportive housing. Homeless Mngt. Info. System (HMIS). 	<ul style="list-style-type: none"> Tenant-based housing Sponsor-based housing. Project-based housing. SRO-based housing. 	<ul style="list-style-type: none"> SRO housing.
Eligible Activities, See footnotes 1, 2 and 3.	<ul style="list-style-type: none"> Acquisition Rehabilitation. New construction. Leasing. Operating costs. Supportive services. Homeless individuals and families. 	<ul style="list-style-type: none"> Rental assistance 	<ul style="list-style-type: none"> Rental assistance.
Eligible Populations, See footnote 2.	<ul style="list-style-type: none"> Homeless persons with disabilities. Homeless families with children 	<ul style="list-style-type: none"> Homeless disabled individuals .. Homeless disabled individuals & their families. Homeless persons who are seriously mentally ill. Initial Term of Assistance, See footnote 4.	<ul style="list-style-type: none"> 2 or 3 years for new SHP 1, 2 or 3 years for new HMIS ... 1, 2, or 3 years for new reallocated projects. 	<ul style="list-style-type: none"> 5 years: TRA, SRA, and PRA without rehab. 10 years: SRO, and PRA with rehab. 	<ul style="list-style-type: none"> 10 years.

Footnote 1: Homeless prevention activities are statutorily ineligible under these programs.

Footnote 2: Persons at risk of homelessness are statutorily ineligible for assistance under these programs.

Footnote 3: Acquisition, construction, rehabilitation, leasing, and operating costs are statutorily ineligible for assistance under Shelter Plus Care and Section 8 SRO.

Footnote 4: The term of a new grant with funds for acquisition, construction or rehabilitation also includes the time to acquire the property, complete construction and begin operating the project, which may be no greater than 39 months.

B. Matching (Cost Sharing). You must match Supportive Housing Program funds provided for acquisition, rehabilitation, and new construction with an equal amount of cash from other sources. Since SHP by statute can pay

no more than 75 percent of the total operating budget for supportive housing, you must provide at least a 25 percent cash match of the total annual operating costs. In addition, for all SHP funding for supportive services and

Homeless Management Information Systems (HMIS) you must provide a 20 percent cash match. This means that of the total supportive services budget line item, no more than 80 percent may be from SHP grant funds.

You must match rental assistance provided through the Shelter Plus Care Program in the aggregate with supportive services. Shelter Plus Care requires a dollar for dollar match; the recipient's match source can be cash or in kind.

Documentation of the match requirement must be maintained in the grantee's financial records on a grant-specific basis.

C. Other

1. *Eligible Activities.* Eligible activities for the SHP, S+C, and SRO Programs are outlined in the preceding CoC Homeless Assistance Programs Chart at Section III.A.3.

2. *Threshold Requirements*

a. *Project Eligibility Threshold.* HUD will review projects to determine if they meet the following eligibility threshold requirements. If HUD determines that these standards are not met by a specific project or activity, the project or activity will be rejected from the competition.

(1) Applicants and sponsors must meet the eligibility requirements of the specific program as described in program regulations and provide evidence of eligibility and appropriate certifications as specified by the attachments in Section VIII.

(2) The population to be served must meet the eligibility requirements of the specific program as described in the program regulations, and the application must clearly establish eligibility of program participants to be served pertaining to homelessness and disability status.

(3) The only persons who may be served by new and renewal permanent housing projects are those who come from the streets, emergency shelters, or transitional housing who originally came from the streets or emergency shelter. As participants leave currently operating projects, participants who meet this eligibility standard must replace them.

(4) Projects that involve rehabilitation or new construction must meet the accessibility requirements of Section 504 of the Rehabilitation Act of 1973, the design and construction requirements of the Fair Housing Act and the accessibility requirements of the Americans with Disabilities Act, as applicable.

(5) The project must be cost-effective, including costs associated with construction, operations and supportive services with such costs not deviating substantially from the norm in that locale for the type of structure or kind of activity.

(6) For those applicants applying for the Innovative component of SHP,

whether or not a project is considered innovative will be determined on the basis that the particular approach proposed is new and can be replicated.

(7) Renewal applications should be submitted as part of a CoC application, and must either be listed on the priority list or accompanied by a certification from the CoC saying that they have determined that the project is still needed.

(8) Under the Sponsor-based rental assistance S+C component, an applicant must subcontract the funding awarded with an eligible sponsor: a private nonprofit organization or a community mental health agency established as a public nonprofit organization that owns or leases the housing where participants will reside.

(9) For the Section 8 SRO program, only individuals meeting HUD's definition of homeless are eligible to receive rental assistance. Therefore, any individual occupying a unit at commencement of the unit's rehabilitation will not receive rental assistance if they return to their unit (or any other) upon completion of its rehabilitation.

(10) Applicants agree to participate in a local HMIS system when it is implemented in their community.

b. *Project Quality Threshold.* HUD will review projects to determine if they meet the following quality threshold requirements with clear and convincing evidence. A S+C or SHP project renewal will be considered as having met these requirements through its previously approved grant application unless information to the contrary is received. The housing and services proposed must be appropriate to the needs of the program participants and the community. HUD will assess the following:

(1) The type, scale and general location of the housing fit the needs of the participants and that the housing is readily accessible to community amenities.

(2) That all of the proposed participants come from the streets, homeless shelters or transitional housing for homeless persons.

(3) The type, scale and location of the supportive services fit the needs of the participants and the mode of transportation to those services is described.

(4) The specific plan for ensuring clients will be individually assisted to obtain the benefits of the mainstream health, social service, and employment programs for which they are eligible is provided.

(5) How participants are helped to obtain and remain in permanent housing is described.

(6) How participants are assisted to both increase their incomes and live independently using mainstream housing and service programs is described.

(7) Applicants and sponsors must evidence satisfactory performance for existing grant(s).

c. *Project Renewal Threshold.* Your local needs analysis process must consider the need to continue funding for projects expiring in calendar year 2008. HUD will not fund competitive renewals out of order on the priority list except as may be necessary to achieve the 30 percent overall permanent housing requirement and the 10 percent requirement for individuals experiencing chronic homelessness requirement. It is important that SHP renewals and S+C non-competitive renewals meet minimum project eligibility, capacity and performance standards identified in this NOFA or they will be rejected from consideration for either competitive or non-competitive funding.

d. *Civil Rights Thresholds:* Applicants and the project sponsors must be in compliance with the threshold requirements of the General Section.

3. *Program Requirements*

a. Projects funded under this NOFA shall operate in a fashion that complies with applicable civil rights laws and Executive Orders, including the requirement to Affirmatively Further Fair Housing (AFFH), and does not deprive any individual of any right protected by the Fair Housing Act (42 U.S.C. 3601–19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.), Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), Section 109 of Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5309), or the Age Discrimination Act of 1975 (42 U.S.C. 6101).

b. *Local Resident Employment.* To the extent that any housing assistance (including rental assistance) funded through this NOFA is used for housing rehabilitation (including reduction and abatement of lead-based paint hazards, but excluding routine maintenance, repair, and replacement) or housing construction, then it is subject to section 3 of the Housing and Urban Rehabilitation Act of 1968, and the implementing regulations at 24 CFR part 135. Section 3, as amended, requires that economic opportunities generated by certain HUD financial assistance for housing and community development

programs shall, to the greatest extent feasible, be given to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to businesses that provide economic opportunities for these persons.

c. *Relocation.* The SHP, S+C, and SRO programs are subject to the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA). These requirements are explained in HUD Handbook 1378, Tenant Assistance, Relocation and Real Property Acquisition. Also see General Section.

d. *Environmental Reviews.* All CoC assistance is subject to the National Environmental Policy Act and applicable related Federal environmental authorities. Conditional selection of projects under the CoC Homeless Assistance competition is subject to the environmental review requirements of 24 CFR 582.230, 583.230 and 882.804(c), as applicable. The recipient, its project partners and their contractors may not acquire, rehabilitate, convert, lease (under S+C/TRA where participants are required to live in a particular structure or area as described in Section III.C.3.h(3)(a)), repair, dispose of, demolish or construct property for a project under this CoC NOFA, or commit or expend HUD or local funds for such eligible activities, until the responsible entity has completed the environmental review procedures required by Part 58 and the environmental certification and Request for Release of Funds (RROF) have been approved or HUD has performed an environmental review under Part 50 and the recipient has received HUD approval of the property. The expenditure or commitment of Continuum of Care assistance or non-federal funds for such activities prior to this HUD approval may result in the denial of assistance for the project under consideration.

e. *CoC Geographic Area.* In deciding what geographic area you will cover in your CoC strategy, you should be aware that the single most important factor in being awarded funding under this competition will be the strength of your CoC strategy when measured against the CoC rating factors described in this NOFA. When you determine what jurisdictions to include in your CoC strategy area, include only those jurisdictions that are fully involved in the development and implementation of the CoC strategy.

The more jurisdictions you include in the CoC strategy area, the larger the pro rata need share that will be allocated to the strategy area (as described in Section

V.B.2.b. of this NOFA). If you are a rural county, you may wish to consider working with larger groups of contiguous counties to develop a region-wide or multi-county CoC strategy covering the combined service areas of these counties. The areas covered by CoC strategies should not overlap.

f. *Expiring/Extended Grants.* If your SHP or S+C Program grant will be expiring in calendar year 2008, or if your S+C Program grant has been extended beyond its original five-year term and is projected to run out of funds in FY 2008, you may apply as a renewal under this CoC NOFA to get continued funding.

g. *Participation in Energy Star.* In keeping with the Administration's policy priority of promoting energy efficient housing while protecting the environment, applicants applying for new construction or rehabilitation funding, who maintain housing or community facilities or provide services in those facilities, are encouraged to promote energy efficiency and are specifically encouraged to purchase and use Energy Star-labeled products. All applicants must complete the questions on the Energy Star Chart (Chart CoC-AA) in Exhibit 1. Refer to the General Section for detailed information about this requirement.

h. *Program-Specific Requirements.* Please be advised that where an applicant for the SHP funding is a state or unit of general local government that utilizes one or more nonprofit organizations to administer the homeless assistance project(s), administrative funds provided as part of the SHP grant must be passed on to the nonprofit organization(s) in proportion to the administrative burden borne by them for the SHP project(s). HUD will consider states or units of general local government that pass on at least 50 percent of the administrative funds made available under the grant as having met this requirement. This requirement does not apply to either the SRO Program, since only PHAs administer the SRO rental assistance, or to the S+C Program, since paying the costs associated with the administration of these grants is ineligible by regulation.

HUD will not award funds to rehabilitate leased property. In addition, SHP funds may not be used to lease units or structures owned by the project sponsor, the selectee, or their parent organizations. This includes organizations that are members of a general partnership where the general partnership owns the structure.

(1) SHP—New Projects

(a) Please note that applicants for new grants can request 2 or 3 years' worth of funds for operating, supportive services and leasing costs and that the grant term will be the 2 or 3 years requested. However, if you also request funds for acquisition, construction or rehabilitation, the grant term will be the 2 or 3 years, plus the time to acquire the property, complete construction and begin operating the project (no greater than 39 months).

(b) *HUD will require recordation of a HUD-approved use and repayment covenant* (a form may be obtained from your field office) for all grants of funds for acquisition, rehabilitation or new construction. The covenant will enforce the use and repayment requirements found at section 423(b)(1) and (c) of the McKinney-Vento Act and must be approved by HUD counsel before execution and recordation. Proof of recordation must be provided to HUD counsel *before* funds for rehabilitation or new construction may be drawn down.

(c) All project sponsors must meet applicant eligibility standards as described in Section III.A.3. As in past years, HUD will review sponsor eligibility as part of the threshold review process. Project sponsors for new projects are required to submit evidence of their eligibility with the application (See Section IV.B.1.b.(3)(a) and Section I.A.8.n).

(2) SHP—Renewal Projects

(a) For the renewal of a SHP project, you may request funding for one (1), two (2) or three (3) years.

(b) The total request for each renewable project cannot exceed the Annual Renewal Amount (formerly referred to as the Average Yearly Amount) received in your current grant for that project. Within that total request, the administrative amount must be the exact amount awarded in the previous grant. An exception to this rule is grants being renewed whose original expiring award included "hard" development costs (acquisition, new construction, and rehab). In the current competition, you must recalculate your administrative allocation not to exceed five percent of the Annual Renewal Amount of the activities being renewed. To calculate administrative amounts for activities in all new projects and renewal projects with these "hard" development costs, calculate the subtotal of all requested amounts for activities. Administrative costs cannot exceed 5% of this subtotal. For example, if a project requests \$60 for supportive

services and \$40 for operating expenses, the maximum amount of administration dollars the project can request is \$5.

Only leasing, operating, supportive services, and administration costs may be renewed. Applicants proposing both to renew an existing project and to expand the number of units or number of participants receiving services in that grant must submit a new project proposal for the expansion portion of the project. HMIS activities being renewed should be included on the HMIS budget chart. For more information on Annual Renewal Amount, see section I.A.8.a of this NOFA (the glossary).

(c) HUD will recapture SHP grant funds remaining unspent at the end of the previous grant period when it renews a grant.

(3) S+C—New Projects

(a) A project may not include more than one component, e.g., combining Tenant-based Rental Assistance (TRA) with Sponsor-based Rental Assistance (SRA) is prohibited within the same grant. Under the TRA component, in order to help provide supportive services or for the purposes of controlling housing costs, a grantee may require participants to live in a particular structure for the first year of assistance or to live in a particular area for the entire rental assistance period. Where this option is exercised, an environmental review and clearance must be performed prior to any commitment to lease a particular structure or unit for participant occupancy as described in Section III.C.3.d, Environmental Reviews.

(b) *S+C/SRO Component.* If you are a state or a unit of general local government, you must subcontract with a public housing agency to administer the S+C assistance. Also, no single project may contain more than 100 units.

(c) *S+C SRA Component.* Project sponsors must submit proof of their eligibility to serve as a project sponsor.

(4) *S+C Renewal Projects.* HUD encourages the consolidation of appropriate S+C renewal grants when the grants are under the same grantee, same component and expire in the same year. However, renewal requests for expiring S+C grants that have not yet been combined should still be listed individually on the CoC priority list and will be awarded as individual renewal grants. Where the grantee wishes to consolidate the renewal grants, this action will be subsequently accomplished by the field office at the point of renewal grant agreement execution. The field office will receive

instructions for this process in the S+C Operating Procedures guidance for 2007 awards.

(a) For the renewal of a S+C project, including S+C SROs, the grant term will be one (1) year, as specified by Congress. For the renewal of S+C rental assistance that is Tenant-based (TRA), Sponsor-based (SRA), Project-based (PRA), or Single Room Occupancy-based (SRO), you may request up to the amount determined by multiplying the number of units under lease at the time of your application for renewal funding by the applicable 2006 Fair Market Rent(s) by 12 months. Current FMRs can be found at www.hudclips.org. For S+C grants having been awarded one year of renewal funding in 2005, the number of units requested for renewal this year must not exceed the number of units funded in 2005. As is the case with SHP, HUD will recapture S+C grant funds remaining unspent at the end of the previous grant period when it renews a grant. The one-year term of non-competitively awarded S+C renewal projects may not be extended.

(b) Under the FY 2007 HUD Appropriations Act, eligible S+C Program grants whose terms are expiring in 2008 and S+C Program grants that have been extended beyond their original five-year terms but which are projected to run out of funds in 2008, will be renewed for one year provided that they are determined to be needed by the CoC, either as evidenced by their inclusion on the priority chart or as accompanied by a certification from the CoC. These projects must also demonstrate that their applicant and sponsor meet eligibility, capacity and performance requirements described in Section V.A.1 of this NOFA. Non-competitive S+C renewals should be submitted by the application deadline. These S+C renewal projects will not count against a continuum's pro rata need amount, but, if listed on the CoC Priority Chart, should be numbered, continuing the priority sequence. On the other hand, no community hold harmless amount will be computed for any CoC using S+C renewal amounts since these projects are being funded outside of the competition.

(5) *Section 8 Moderate Rehabilitation SRO Program—New Projects.* As an applicant, the following limitations apply to the Section 8 SRO program:

(a) SRO assistance may not be provided to more than 100 units in any structure.

(b) Under 24 CFR 882.802, applicants that are private nonprofit organizations must subcontract with a public housing agency to administer the SRO assistance.

(c) Under 24 CFR 882.802, rehabilitation must involve a minimum expenditure of \$3,000 for a unit, including its prorated share of work to be accomplished on common areas or systems, to upgrade conditions to comply with HUD's physical condition standards in 24 CFR part 5, subpart G.

(d) Under section 441(e) of the McKinney-Vento Act and 24 CFR 882.805(d)(1), HUD publishes the SRO per unit rehabilitation cost limit each year to take into account changes in construction costs. This cost limitation applies to eligible rehabilitation costs that may be compensated for in the Housing Assistance Payments (HAP) contract rents. For purposes of Fiscal Year 2007 funding, the cost limitation is raised from \$20,500 to \$21,000 per unit to take into account increases in construction costs during the past 12-month period.

(e) The SRO Program is subject to the Federal standards at 24 CFR part 882, subpart H.

(f) Individuals assisted through the SRO Program must meet the definition of homeless individual found at section 103 of the McKinney-Vento Act.

(g) Resources outside the program pay for the rehabilitation, and rehabilitation financing. The rental assistance covers operating expenses of the SRO housing, including debt service for rehabilitation financing. Units may contain food preparation or sanitary facilities or both.

(6) *Section 8 Moderate Rehabilitation SRO Program—Renewals.* This program section of the NOFA is not applicable to the renewal of funding under the Section 8 SRO program. The renewal of expiring Section 8 SRO projects is not part of the competitive CoC NOFA process. Rather, expiring Section 8 SROs will be identified at the beginning of the applicable year by the public housing agency and HUD field office. One-year renewal funds for expiring Section 8 SRO HAP contracts will be provided by HUD under a separate, non-competitive process. For further guidance on Section 8 SRO renewals, please contact your local HUD field office.

i. *Timeliness Standards.* As an applicant, you are expected to initiate your approved projects promptly in accordance with Section VI.A of this NOFA. In addition, HUD will take action if you fail to satisfy the following timeliness standards:

(1) *SHP:* HUD will deselect your award if you do not demonstrate site control within one (1) year of the date of your grant award letter, as required by the McKinney-Vento Act (see 42 U.S.C. 11386(a)(3)) and implemented in program regulations at 24 CFR

583.320(a). Subsequent loss of site control beyond the 12-month statutory limit will be cause for cancellation of the award and recapture of funds. HUD may deobligate SHP funds if the following additional timeliness standards are not met:

(a) You must begin construction activities within eighteen (18) months of the date of HUD's grant award letter and complete them within thirty-six (36) months after that notification.

(b) For activities that cannot begin until construction activities are completed, such as supportive service or operating activities that will be conducted within the building being rehabilitated or newly constructed, you must begin these activities within three (3) months after you complete construction.

(c) You must begin all activities that may proceed independent of construction activities, including HMIS and SSO, within twelve (12) months of the date of HUD's grant award letter. HUD may deselect or terminate a grant agreement if the applicant is not in compliance with this requirement. HUD may reduce a grant agreement term to one (1) year where implementation delays have reduced the amount of funds that reasonably can be used in the original term.

(2) *S+C Except SRO Component*. HUD may deselect an award or deobligate S+C funds if you do not meet the following timeliness standards:

(a) For Tenant-based Rental Assistance, for Sponsor-based Rental Assistance, and for Project-based Rental Assistance without rehabilitation, you must start the rental assistance within twelve (12) months of the date of HUD's grant award letter.

(b) For Project-based Rental Assistance with rehabilitation, you must complete the rehabilitation within twelve (12) months of the date of HUD's grant award letter.

(3) *Section 8 Moderate Rehabilitation SRO Program and SRO Component of the S+C Program*. For the Section 8 SRO program and the SRO component of the S+C program projects awarded under this NOFA, the Annual Contributions Contract (ACC) must be executed no later than September 30, 2009. The rehabilitation work must be completed and the HAP contract executed within twelve (12) months of execution of the Annual Contributions Contract. HUD may reduce the number of units or the amount of the annual contribution commitment if, in HUD's determination, the Public Housing Agency fails to demonstrate a good faith effort to adhere to this schedule.

IV. Application and Submission Information

A. Application Package. A checklist of forms needed to complete the application is provided, as described in Section VIII below. Exhibits 1, 2, and the Applicant Certifications are attachments. The Exhibits, Geographic Codes, Preliminary Pro Rata Need Amounts, Applicant Certifications, and the Questions and Answers Supplement can be accessed at <http://www.hud.gov/offices/adm/grants/fundsavail.cim>. An applicant may also obtain a copy of the General Section and this NOFA by calling the NOFA Information Center at 1-800-HUD-8929 (voice) (this is a toll free number). Persons with hearing and speech impairments may access the above number via TTY by calling the toll-free Federal Relay Service at 800-877-8339. Please note that all sections of the General Section are critical and must be carefully reviewed to ensure your application can be considered for funding.

B. Content and Form of Application Submission. The only option for submitting a viable application under this NOFA is to submit the entire Continuum of Care application, with all of its projects, together in a single package mailed to HUD. Each application will consist of one Continuum of Care Exhibit and submissions from one or more applicants and project sponsors. Although HUD will accept an application for a project exclusive of participation in any community-wide or region-wide CoC development process, projects will receive few, if any, points under the CoC rating factors and are very unlikely to be funded. Please note that Exhibits 1 and 2 should only include the actual application questions and responses being provided and should not include the HUD application instructions or any blank tables and charts. The General Section contains certifications that the applicant will comply with fair housing and civil rights requirements, program regulations, and other Federal requirements, and (where applicable) that the proposed activities are consistent with the HUD-approved Consolidated Plan of the applicable state or unit of general local government. Section IV of Exhibit 2 of this NOFA contains program-specific Applicant Certifications.

1. Application Submission Requirements

a. A completed application will include one Exhibit 1 (CoC) and any number of Exhibits 2, depending on the

number of projects and type of programs proposed for funding. For example, if your CoC were proposing five SHP Renewal projects and one S+C New project, then you would submit one Exhibit 1 and six Exhibits 2, filling out the applicable charts in Exhibit 2 for each project. Refer to Assembly Order below for full assembling instructions.

b. Assembly Order: Each CoC must submit the entire CoC application, with all of its parts, in a single package to HUD. There are three separate sections to a CoC submission: the CoC Exhibit 1, all applicant documentation, and all project documentation. The application must be assembled in the following order:

(1) Section I—Exhibit 1 Narrative and Charts

(a) HUD-40090-1, Exhibit 1, the CoC plan with all charts completed as applicable;

(b) HUD-27300, America's Affordable Communities Initiative/Removal of Regulatory Barriers, with supporting documentation;

(c) HUD-2993, Acknowledgment of Application Receipt; and

(d) HUD-2994-A, You Are Our Client! Grant Applicant Survey (optional).

(2) Section II—Applicant Documentation

(a) SF-424 Application for Federal Assistance. Submit one SF-424 for each applicant in the Continuum. Attached to each SF-424 must be a list of all the applicant's projects in priority number order, with project name and requested amount. Each SF-424 must also include the applicant's DUNS number. Please see the General Section for more information on obtaining a DUNS number. The SF-424 Supplement, Survey on Ensuring Equal Opportunities for Applicants, is for private nonprofit applicants only and completion/submission of this survey is voluntary. Additionally, each applicant must attach the following documentation (i-v) to its SF-424:

(i) Documentation of Applicant Eligibility. Only applicants for new projects must include documentation of eligibility as defined in the chart in Section III.A.3. Also, see Section I.A.8.m. & o. of this NOFA for information on the documentation required to validate non-profit status.

(ii) SF-LLL, Disclosure of Lobbying Activities, where applicable.

(iii) Applicant Code of Conduct. (New applicants and applicants awarded HUD funding prior to 2007 who have not previously submitted a Code of Conduct).

(iv) HUD 40090-4, Applicant Certifications.

(3) Section III—Project Documentation: Each project applying under Exhibit 2 must be submitted in its priority list order with all Exhibit 2 required forms, HUD-40090-2, completed for every project. The following documentation must be included after each project submission:

(a) Documentation of Sponsor Eligibility. Only sponsors for new projects must include documentation of eligibility as defined in the chart in Section III.A.3. See also Section I.A.8.n. for information on the documentation required to validate sponsor eligibility.

(b) HUD-96010, Program Outcome Logic Model (for Logic Model instructions, see the General Section of the NOFA);

(c) HUD-2880, Applicant/Recipient Disclosure/Update Report;

(d) HUD-2991, Certification of Consistency with the Consolidated Plan; and

(e) SF 424-Supplement, Survey on Ensuring Equal Opportunities for Applicants (for private nonprofit applicants only—completion of survey is voluntary).

2. Assembly Format

a. The standard font that should be used for narratives is Times New Roman, size 12 (pitch). Number all pages within each exhibit sequentially and insert tabs marking each exhibit.

b. Please use a two-hole punch to insert holes at the top of your application.

c. Please do not bind your application, since this impedes processing.

C. Submission Dates and Times

1. *Application Deadline Date.* Your completed application must be submitted on or before June 8, 2007 to the addresses shown below. HUD will not accept faxed or hand delivered applications.

a. *Timeliness.* Your application will be considered filed in a timely manner if your application is postmarked on or before 11:59:59 p.m. on the application deadline date, and received by HUD on or within fifteen (15) days of the application deadline date. Applicants may use any type of mail service provided by the United States Postal Service (USPS) to have their application package delivered to HUD in time to meet the timely submission requirements. Applicants using the USPS must take their application to a post office to get a receipt of mailing that provides the date and time the package was submitted to the USPS. USPS rules now require that large packages must be brought to a postal facility for mailing. In many areas, the

USPS has made a practice of returning to the sender, large packages that have been dropped in a mail collection box. If the USPS does not have a receipt with a digital time stamp, HUD will accept a receipt showing USPS Form 3817, Certificate of Mailing with a dated postmark. The proof of submission receipt provided by the USPS must show receipt no later than the application deadline. The Certificate of Mailing or other USPS receipt will be your documentary evidence that your application was timely filed. If your application is sent by overnight delivery or express mail, other than the United States Postal Service, your application will be timely filed if it is placed in transit with the overnight/express mail service on or before the application submission date. Applicants should retain a receipt from these services showing that it was submitted for delivery by the application deadline date and time. Applicants whose applications are determined to be late, who cannot furnish HUD with a receipt from the USPS or other mail carrier that verifies the package was submitted prior to the submission deadline date and time will not receive funding consideration.

b. *Field Office Copies.* The HUD Field Office must also receive one copy of your application, with the same due date and timely filing requirements as described in Section IV.C.1.a above. In the rare event that a CoC's entire application is not received at HUD Headquarters on time, HUD may similarly request proof that the Headquarters and Field Office copy was filed on time and, if so, may use the copy received by the Field Office for review.

D. Intergovernmental Review

Not applicable.

E. Funding Restrictions

Funding Restrictions are outlined in Sections V.B.3.a and V.B.3.b.

F. Other Submission Requirements

1. Addresses for Submitting Applications:

a. *To HUD Headquarters.* Once you have downloaded the forms from the web site and completed the application and all documentation, submit your original completed application (the application with the original signed documentation) and one additional copy of Exhibit 1 only to: HUD Headquarters, Robert C. Weaver Building, 451 Seventh Street, SW, Room 7270, Washington, DC 20410, Attention: Continuum of Care Programs.

b. *To the Appropriate CPD Field Office.* Also submit one copy of your completed application to the Community Planning and Development Division of the appropriate HUD Field Office for your jurisdiction. Please see the following web site for Field Office addresses: <http://www.hud.gov/localoffices.cfm>.

2. *Security Procedures.* HUD recommends that applications be mailed or shipped express using the United States Postal Service (USPS). However, applications shipped via United Parcel Service (UPS), FedEx, DHL, or Falcon Carrier will also be accepted. Due to HUD security regulations, *no other delivery service is permitted into HUD Headquarters without escort. You must, therefore, use one of the four carriers listed above.*

V. Application Review Information

A. *Criteria.* Your application will receive a higher score under the CoC scoring factors if the application demonstrates the achievement of four basic goals:

- One, that you have successfully identified and developed partnerships with nonprofit organizations (including those representing persons with disabilities), government agencies, jurisdictional ten-year planning bodies, public housing agencies, faith-based and other community-based organizations, other homeless providers, housing developers and service providers, private businesses and business associations, law enforcement agencies, funding providers, and homeless or formerly homeless persons, and that your CoC structure and decision-making processes are inclusive of all of these parties. Also, other jurisdictional ten-year plans within your CoC's geographic area must be aligned and integrated with the CoC plan;
- Two, that you have created, maintained, and built upon a community-wide inventory of housing and services for homeless families and individuals (both HUD and non-HUD funded); identified the full spectrum of needs of homeless families and individuals; and coordinated efforts to fill gaps between the current inventory and existing needs. This coordinated effort must appropriately address all aspects of the continuum, especially permanent housing;
- Three, that you have instituted a CoC-wide strategy to achieve the CoC's goals, especially to end chronic homelessness. This can be accomplished through careful

planning, coordination with other state and local ten-year plans, and through leveraging resources from multiple sources; and

—Four, that your Continuum is working toward the HUD/national performance objectives (the objectives listed in Section VI.B.1 below and on Chart N in Exhibit 1, the CoC 10-Year Plan, Objectives, and Action Steps Chart), that you are reporting on progress toward the CoC's goals, and that you are coordinating homeless assistance with mainstream health, social services, and employment programs.

1. *Applicant and sponsor eligibility, capacity and performance.* HUD will review applications to ensure that the applicant and project sponsor meet the eligibility and capacity standards outlined in this section. If HUD determines these standards are not met, the project will be rejected from the competition. The eligibility, capacity and performance standards are as follows:

a. You must be eligible to apply for the specific program.

b. You must demonstrate ability to carry out the project(s). With respect to each proposed project, this means that, in addition to knowledge of and experience with homelessness in general, the organization carrying out the project, its employees, or its partners, must have the necessary experience and knowledge to carry out the specific activities proposed, such as housing development, housing management, and service delivery.

c. If you or the project sponsor is a current or past recipient of assistance under a HUD McKinney-Vento Act program, there must have been no delay in meeting applicable program timeliness standards unless HUD determines the delay in project implementation is beyond your or the project sponsor's control, there are no serious unresolved HUD monitoring finding, and no outstanding audit finding of a material nature regarding the administration of the program.

2. *Review, Rating and Conditional Selection.* HUD will use the same review, rating, and conditional selection process for all three programs (SHP, S+C and SRO). The standard factors for award identified in the General Section have been modified in this NOFA as described below. Only the factors described in this NOFA—Continuum of Care and Need—will be used to assign points. Parts 2a and 2b in this section describe selection factors. Up to 100 points will be assigned using these factors, including rating points for HUD's policy priority of ending chronic

homelessness; and the policy priority for removing regulatory barriers to affordable housing (see Section V.B.3.b. and V.A.2.a.(4)g. below on both policy priorities). There are no bonus points for proposing projects in an RC/EZ/EC—ILs.

a. *Continuum of Care.* HUD will award up to 60 points as follows:

(1) Organizational Structure: HUD will award up to 8 points based on the extent to which your application demonstrates:

(a) The existence of a coordinated, inclusive, and outcome-oriented community process, including organizational structure(s) and decision-making processes for developing and implementing a CoC strategy;

(b) That this process includes nonprofit organizations (such as veterans service organizations, organizations representing persons with disabilities, faith-based and other community-based organizations, and other groups serving homeless and other low-income persons), state and local governmental agencies, public housing agencies, housing developers and service providers, school systems, law enforcement, hospital and medical entities, funding providers, local businesses and business associations, and homeless or formerly homeless persons; and

(c) That the CoC has a process in place to achieve fair and impartial project review and selection, with representation and input from diverse parties such as those outlined under Criteria for Application Review.

(2) CoC Housing and Service Needs: HUD will award up to 12 points based on the extent to which your application demonstrates:

(a) That a well-defined and comprehensive strategy has been developed which addresses the components of a CoC system (i.e., outreach, intake and assessment; emergency shelter; transitional housing; permanent supportive housing; and prevention), and that the strategy has been designed to serve all homeless subpopulations in the community (e.g., seriously mentally ill, persons with multiple diagnoses, veterans, persons with HIV/AIDS), including those persons living in emergency shelters, supportive housing for homeless persons, or in places not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. Having high-quality data is important, and your application in this section must demonstrate the CoC's data collection methods.

(b) HMIS Implementation. Of these 12 points, HUD will award up to 5 points based upon the extent to which your

application demonstrates progress in the planning, implementation and operation of an HMIS system covering at a minimum all street outreach, emergency shelters and transitional housing programs so that a reliable, unduplicated count of homeless persons on the street and in shelters may be conducted.

(3) CoC Strategic Planning: HUD will award up to 10 points based on the extent to which your application demonstrates:

(a) The existence of a performance-based 10-year strategy for ending chronic homelessness that establishes specific action steps to achieve the five objectives listed in Chart N, the CoC 10-Year Plan, Objectives, and Action Steps Chart, with measurable achievements. It should be integrated with other ten-year plans in the community to eliminate chronic homelessness (if applicable), the local HUD Consolidated Plan, and other state and local plans related to homelessness;

(b) Your Continuum's progress in working with the appropriate local government entity to develop and implement a discharge policy for persons leaving publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in persons entering the homeless system;

(c) Proposes projects that are consistent with identified unmet needs and correctly completes the priority chart (note: if you do not provide a Project Priority Chart in Exhibit 1, all proposed projects may lose up to 30 points of the 40-point Need total);

(d) Provides estimates of renewal funds needed through 2012 for SHP and S+C projects; and

(e) Demonstrates leveraging of funds requested under this NOFA with other resources, including private, other public, and mainstream services and housing programs, for proposed projects and ongoing efforts (Leveraging Supplemental Resources).

(4) CoC Performance: HUD will award up to 18 points based upon the CoC's progress in reducing homelessness, including chronic homelessness. Please note that HUD reserves the right to award at least a minimum score of half of the full points in this section, for each completed chart in Part IV, CoC Performance, to continuums located in areas affected by Hurricanes Katrina and Rita that President Bush has declared to be major disaster areas under Title IV of the Robert T. Stafford Act. CoC Performance will be measured by

demonstrating: That the CoC has taken specific action steps and made progress toward achieving its goals; That the CoC has increased the number of permanent housing beds for the chronically homeless and made progress toward eliminating chronic homelessness;

Program participants' success in moving to and maintaining permanent housing as reported in the most recent Annual Progress Report (APR);

The extent to which participants successfully become employed and access mainstream programs. These measures emphasize HUD's determination to assess grantees' performance in the prior program year and to determine if they are meeting the overall goal of the homeless assistance grants under which they are funded. Both housing and supportive services only projects will be assessed, using the data submitted in Exhibit 1, Charts W and X;

That the CoC has no unexecuted grants;

That projects within the CoC have policies and practices in place to hire, and have hired, low and very low-income employees and subcontractors, under Section 3 of the Housing and Urban Development Act of 1968 (HUD will award up to 2 points for this chart, within the 18 points for this rating factor); and

Removal of Regulatory Barriers to Affordable Housing: As provided for in the General Section, HUD will award up to 2 points, within the 18 points for this rating factor, based on the extent that the CoC's application demonstrates a local plan and/or existing policy to remove regulatory barriers to the production of affordable housing. Applicable activities include the support of state and local efforts to streamline processes, eliminate redundant requirements, statutes, regulations, and codes that impede the availability of affordable housing. The response (one questionnaire per CoC) should be submitted for consideration as a completed HUD Form 27300, Questionnaire for HUD's Removal of Regulatory Barriers. The Continuum should submit the questionnaire for the local jurisdiction where the majority of its CoC assistance will be provided. Please identify the name of the jurisdiction reported on the top of the first page of the returned questionnaire. The completed questionnaire (Part A or B, NOT both) must include some form of documentation, where requested, and identify a point of contact. This questionnaire can be found in the attachments to the General Section and should be submitted with Exhibit 1.

(5) *Emphasis on Housing Activities:* HUD will award up to 12 points based upon the relationship between funds requested for housing activities (i.e., transitional and permanent) and funds requested for supportive service activities among projects assigned 40 need points (including S+C renewals). Points will be awarded on a sliding scale with the Continuum with the highest percentage of approvable requests for funds for housing activities receiving the highest points. HUD will count as housing activity all approvable requests for funds for rental assistance and approvable requests for funds for acquisition, rehabilitation, construction, leasing and operations when used in connection with housing. HMIS costs and administrative costs will be excluded from this calculation.

b. *Need:* HUD will award up to 40 points for need. There is a three-step approach to determining the need scores to be awarded to projects.

(1) *Step 1—HUD's Determination of preliminary pro rata need:* To determine the homeless assistance need of a particular jurisdiction, HUD will use nationally available data, including the following factors as used in the Emergency Shelter Grants (ESG) program; data on poverty, housing overcrowding, population, age of housing, and growth lag. Applying those factors to a particular jurisdiction provides an estimate of the relative need index for that jurisdiction compared to other jurisdictions applying for assistance under this NOFA.

(2) *Step 2—Determining CoC hold harmless pro rata need:* In CoCs where the total amount needed to fund, for one year, all SHP grants eligible for renewal in this competition exceeds the preliminary pro rata need amount for that CoC, the CoC will receive this higher amount, referred to as the CoC hold harmless amount. SHP grants eligible for renewal are those that expire between January 1, 2008 and December 31, 2008. No adjustment will be made for S+C renewals. To provide communities with maximum flexibility in addressing current needs, CoCs have the discretion to not fund or to reduce one or more SHP renewal project applications and still receive the benefit of the hold harmless amount if the CoC proposes to use that amount of reduced renewal funds for new permanent supportive housing projects. As in past years, CoCs who would like to create new permanent housing units may use the "hold harmless reallocation process" to do so. With this process, eligible CoCs can replace or reduce renewal projects with a new permanent housing project using the same funds. In

the past, a CoC risked losing the funds that it had "reallocated" in this way if the CoC did not score above the full funding line. New this year, if a CoC reallocates a portion of its pro rata need to an eligible new permanent housing project, the project will be funded, as long as it is in a CoC receiving at least 65 points. HUD is making this change to make it easier for CoCs to choose to fund new permanent housing units. For more information on hold harmless status and the process for reallocating pro rata need, see section I.A.8.g of this NOFA (the glossary) or the Questions and Answers Supplement at www.hud.gov/offices/adm/grants/fundsavail.cfm.

(3) *Step 3—Samaritan Housing Initiative:* Formerly referred to as the Permanent Housing Bonus, this special incentive to promote permanent supportive housing for the chronically homeless is provided to CoC systems that place an eligible, new permanent supportive housing project in the number one priority position on the priority list. If the number one priority project qualifies as an eligible, new permanent housing project exclusively serving the chronically homeless, then the full amount of that project's eligible housing activities, up to a maximum 15 percent of the CoC's preliminary pro rata need, will be added to the pro rata need amount for the Continuum. The only eligible activities that will be counted toward this bonus are housing activities and for SHP, case management, and administration. Applicants may use no more than 20 percent of this bonus for case management costs. Please note: any amount of the proposed project that exceeds the limitations described above will be applied against the pro rata need for the CoC. For the SHP program, housing activities are acquisition, new construction, rehabilitation, leasing of housing and operating costs when used in connection with housing. S+C and SRO rental assistance are defined as housing activities and are eligible under the incentive as well. HMIS costs will be excluded from this calculation.

(4) *Step 4—Final Pro Rata Need:* The dollar amount determined after application of each of these steps, as applicable, is referred to as the "final pro rata need amount." Please be advised that the final funding amount awarded to Shelter Plus Care or Section 8 SRO projects may be different from the requested amount due to changes in the FMRs. HUD will apply FMR changes after selection.

(5) *Step 5—Awarding need points to projects:* Once HUD establishes the final pro rata need, HUD will apply it against

the priority project list in the application. Starting from the highest priority project, HUD will proceed down the list to award need points to each project. Any project not falling fully within the 40 point need range will receive 10 need points. Thereafter, HUD will proceed further down the priority project list and award 10 points for need to each project if it falls fully within the "second level" of pro rata need amount for that CoC. The "second level" is the amount between the pro rata need and twice the pro rata need for the CoC. Remaining projects each receive 5 points. If the projects for the Continuum are not prioritized, then all projects will receive 0 points for Need.

B. Reviews and Selection Process

1. *Review, Rating, and Ranking.* HUD may employ rating panels to review and rate applications. See the General Section for more information on rating panels. Two types of reviews will be conducted—threshold review and selection factor (CoC and Need) rating. Applicant and Sponsor Eligibility and Capacity as well as Project Eligibility and Project Quality are threshold reviews. Threshold reviews are explained in Section III.C.2 of this NOFA, which covers eligible applicants and projects. HUD will add the score for the CoC to the Need score to obtain a total score for each project. The projects will then be ranked nationally from highest to lowest according to the total combined score.

2. Conditional Selection and Adjustments to Funding

a. *Conditional Selection.* Whether a project is conditionally selected, as described in Section VI.A, will depend on its overall ranking compared to others, except that HUD reserves the right to select lower rated eligible projects in order to meet the 30 percent overall permanent housing requirement, as well as the 10 percent chronic homeless requirement. Projects that are included in the 10 percent chronic homeless requirement may also be part of the 30 percent overall permanent housing requirement. (See Section V.B.3 below for additional selection considerations regarding these requirements.)

When insufficient funds remain to fund all projects in the competition having the same total score, HUD will first fund permanent housing projects if necessary to achieve the 30 percent overall permanent housing requirement. HUD will then fund non-permanent housing, safe haven-TH and transitional housing projects that predominantly serve individuals experiencing chronic homelessness in order to achieve the 10

percent chronic homeless requirement. HUD will then break ties among the remaining projects with the same total score by comparing scores received by the projects for each of the following scoring factors, in the order shown: Need, Overall CoC score, CoC Organizational Structure, CoC Housing and Service Needs, CoC Strategic Planning, CoC Performance, Housing Emphasis and Performance. The final tie-breaking factor is the priority number of the competing projects on the applicable CoC priority list(s).

HUD has determined that the Congressional goal of enhancing homeless data collection at the CoC level is best achieved by assisting CoCs seeking dedicated Homeless Management Information Systems (HMIS) to receive Supportive Housing Program funds. To this end, HUD reserves the right to fund for at least one year lower rated eligible dedicated HMIS projects receiving 40 need points and at least 25 Continuum points.

b. *Adjustments to Funding:* HUD has determined that geographic diversity is an appropriate consideration in selecting homeless assistance projects in the competition. HUD believes that geographic diversity can be achieved best by awarding grants to as many CoCs as possible. To this end, in instances where any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, the Virgin Islands, and American Samoa does not have at least one funded CoC, HUD reserves the right to fund eligible project(s) receiving 40 Need points in the CoC with the highest total score in that jurisdiction. To qualify for funding, the total score for these first-level projects on the CoC priority list must be at least 65 points. In the case of two or more CoCs with the same total score, HUD will use the tie-breaking rules described above. In addition, if the highest priority project passing threshold requirements within a CoC fails to meet the criteria for receiving 40 Need points, HUD reserves the right to reduce the total requested amount for that project to allow it to qualify for 40 Need points. If you do not submit clear project priority designations for the Continuum or if HUD, at its sole discretion, cannot determine the CoC's priority designations, then HUD will give all such projects 0 Need points. If the CoC requests a new permanent housing project as the highest priority, and HUD determines that it is *not* a permanent housing project, HUD reserves the right to not award funds to that project rather than reclassify the component. The intent of this provision is to preserve

PRN for lower ranking projects. Finally, if the total amount that would be awarded for first level projects in a CoC exceeds the final pro rata need amount for that CoC, the lowest priority first level project being selected for funding will be reduced to the amount that is wholly within the higher need level. HUD may otherwise adjust funding of applications in accordance with the provisions of the General Section.

In addition, HUD reserves the right to ensure that a project that is applying for, and eligible for, selection under this competition is not awarded funds that duplicate activities. If the geography included in your CoC strategy substantially overlaps that of another application, projects within the CoC application that receive the highest CoC score will be eligible for up to 40 Need points. Projects in the competing CoC application with the lower CoC score will receive 0 need points. In no case will the same geographical area be used more than one time in assigning Need points. The local HUD Field Office can help you determine if any of the areas proposed for inclusion by your CoC system is also likely to be claimed under another CoC system in this competition.

3. Additional Selection

Considerations. HUD also will apply the limitations on funding described below in making conditional selections.

a. *Thirty Percent Permanent Housing Requirement.* In accordance with the appropriation for homeless assistance grants in the Fiscal Year 2007 HUD Appropriations Act, HUD will use not less than 30 percent of the total FY 2007 Homeless Assistance Grants appropriation, excluding amounts provided for renewals under the S+C Program, to fund projects that meet the definition of permanent housing. Projects meeting the definition of permanent housing for this purpose are:

(1) New and renewal projects under the SHP that are designated as either permanent housing for homeless persons with disabilities or Safe Haven projects designated as having the characteristics of permanent housing for homeless persons with disabilities, including having leases with all program participants. All such permanent housing projects chosen for this purpose must have received at least 10 Need points, and must be submitted as part of a CoC application receiving at least 25 points under the CoC scoring factor. However, no CoC applicant may receive more than 30 percent of its pro rata need, up to \$3 million, for "second level" permanent housing projects assigned 10 Need points that are selected for funding under this procedure. (See Section V.A.2.b(5) for

definition of "second level.") HUD will award no less than 30 percent of the total FY 2007 Homeless Assistance Grants appropriation, excluding amounts for S+C renewals, for permanent housing projects unless an insufficient number of approvable permanent housing projects are submitted. In order to meet this permanent housing funding requirement and stay within the total funding amount available, initially selected Supportive Service Only (SSO) and non-permanent housing projects will be deselected if necessary to add an adequate number of permanent housing projects, even if they are lower scoring housing projects. HUD will, if necessary, first proceed to de-select new SSO projects initially selected, starting with lowest scoring new projects and proceeding to higher scoring new SSO projects initially selected. If the funding line is still exceeded, HUD will proceed to de-select the lowest scoring new non-permanent housing projects initially selected and proceed to higher scoring new non-permanent housing projects. Finally, if the funding line is still exceeded HUD will proceed to de-select SSO and then other non-permanent housing renewal projects until all selected projects are within the funding line.

(2) New S+C projects; and

(3) SRO projects.

b. *Ten Percent Housing for Chronic Homeless Requirement:* HUD has implemented a requirement that at least 10 percent of the appropriation must be awarded for projects predominantly serving individuals experiencing chronic homelessness. To be considered predominantly serving chronically homeless people, at least 70 percent of the persons served in this project must meet HUD's definition of chronic homelessness. Permanent housing, transitional and safe haven housing projects, whether new or renewal, that commit to predominantly serving persons experiencing chronic homelessness will be counted for this purpose. To meet this requirement, HUD will also include permanent housing projects selected for the 30 percent requirement that predominantly serve chronically homeless persons. S+C renewals will then be screened to count projects predominantly serving chronically homeless persons. If the 10 percent requirement is not yet met, permanent, transitional and safe haven housing projects below the funding line that predominantly serve chronically homeless persons will also be selected to achieve this requirement.

c. *Distribution of Selections:* In accordance with section 429 of the

McKinney-Vento Act, HUD will award Supportive Housing Program funds as follows: not less than 25 percent for projects that primarily serve homeless families with children; not less than 25 percent for projects that primarily serve homeless persons with disabilities; and not less than 10 percent for supportive services not provided in conjunction with supportive housing. After projects are rated and ranked, based on the factors described above, HUD will determine if the conditionally selected projects achieve these minimum percentages. If not, HUD will skip higher-ranked projects in order to achieve these minimum percentages.

In accordance with section 463(a) of the McKinney-Vento Act, at least 10 percent of S+C funds will be awarded for each of the four components of the program: Tenant-based Rental Assistance; Sponsor-based Rental Assistance; Project-based Rental Assistance; and Single Room Occupancy (provided there are sufficient numbers of approvable projects to achieve these percentages). After projects are rated and ranked, based on the factors described above, HUD will determine if the conditionally selected projects achieve these minimum percentages. If necessary, HUD will skip higher-ranked projects in order to achieve these minimum percentages.

In accordance with section 455(b) of the McKinney-Vento Act, no more than 10 percent of the assistance made available for S+C in any fiscal year may be used for programs located within any one unit of general local government. In accordance with section 441(c) of the McKinney-Vento Act, no city or urban county may have SRO Section 8 projects receiving a total of more than 10 percent of the assistance made available under this program. HUD is defining the 10 percent availability this fiscal year as \$10 million for S+C and \$10 million for Section 8 SRO. However, if the amount awarded under either of these two programs exceeds \$100 million, then the amount awarded to any one unit of general local government (for purposes of the S+C Program) or city or urban county (for the purposes of the Section 8 SRO Program) cannot exceed 10 percent of the actual total amount awarded for that program.

Lastly, HUD reserves the right to reduce the amount of a grant if necessary to ensure that no more than 10 percent of assistance made available under this NOFA will be awarded for projects located within any one unit of general local government or within the geographic area covered by any one Continuum of Care. If HUD exercises a

right it has reserved under this NOFA, that right will be exercised uniformly across all applications received in response to this NOFA.

4. *Corrections to Deficient Applications.* The General Section provides the procedures for corrections to deficient applications.

VI. Award Administration Information

A. Award Notices

1. *Action on Conditionally Selected Applications.* HUD will notify conditionally selected applicants in writing. HUD may subsequently request them to submit additional project information, which may include documentation to show the project is financially feasible; documentation of firm commitments for cash match; documentation showing site control; information necessary for HUD to perform an environmental review; a copy of your Code of Conduct; and such other documentation as specified by HUD in writing to the applicant, that confirms or clarifies information provided in the application. HUD will notify SHP, SRO, S+C and S+C/SRO applicants of the deadline for submission of such information. If an applicant is unable to meet any conditions for fund award within the specified timeframe, HUD reserves the right not to award funds to the applicant and add them to funds available for the next competition for the applicable program.

2. *Applicant Debriefing:* See the General Section for applicant debriefing procedures.

3. *Appeals Process:* Applicants may appeal the results of HUD's review and selection process if they believe a HUD error has occurred. Appeals must be submitted in writing to the Assistant Secretary for Community Planning and Development and must state what HUD error the applicant believes has occurred.

B. Administrative and National Policy Requirements

1. Administrative and Other Program Requirements

a. The Government Performance and Results Act (GPRA) require Federal agencies to measure the performance of their programs. HUD captures this information not only from monitoring visits and APRs, but also on the data gathered in annual competitions. For example, the description of methods used in determining the project priority order submitted in Exhibit 1, CoC-Q, Project Priorities Chart, provides verification that projects are performing satisfactorily and are effectively

addressing the needs for which they were designed. HUD's homeless assistance programs are measured in 2007 by the objective to "end chronic homelessness and to move homeless families and individuals to permanent housing." This objective has a number of measurable indicators, five of which relate directly to the Continuum of Care homeless assistance programs. These five indicators are:

(1) Create new permanent housing beds for chronically homeless persons. This information is collected in Exhibit 1, Chart V, CoC Chronic Homeless Progress Chart;

(2) At least 395 functioning CoC communities will have a functional Homeless Management Information System (HMIS) by Fiscal Year 2007. This information is collected via Exhibit 1, Chart CoC-M, HMIS Charts;

(3) The percentage of formerly homeless individuals who remain housed in HUD permanent housing projects for at least 6 months will be at least 71 percent. Stability in this permanent housing is addressed in Exhibit 1, Chart CoC-W, CoC Housing Project Performance Chart;

(4) The percentage of homeless persons who have moved from HUD transitional housing into permanent housing will be at least 61.5 percent. The success of transitional housing is addressed in Exhibit 1, Chart CoC-W, CoC Housing Project Performance Chart; and

(5) The employment rate of persons exiting HUD homeless assistance projects will be at least 18 percent. Obtaining employment is addressed in Exhibit 1, Chart CoC-X, CoC Mainstream Programs and Employment Project Performance Chart.

b. To achieve this objective and each of these measurable indicators, HUD needs your community's help. The emphasis in this year's competition on housing chronically homeless persons, using HUD funds for transitional and especially permanent housing, helping clients access mainstream service programs and jobs, and implementing HMIS are all aligned with this GPRA objective and its performance indicators.

c. Executive Order 13202, "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects." Please see the General Section for further information.

d. Procurement of Recovered Materials. Please see the General Section for further information.

e. Please reference the General Section of the NOFA for other administrative requirements.

2. *Sanctions.* Should HUD determine, in its sole discretion, that sufficient evidence exists to confirm that the entity responsible for convening and managing the CoC process in a community has failed to follow locally established or accepted procedures governing the conduct of that process or has failed to provide for a fair process, including a project priority selection process that gives equal consideration to projects proposed by nonprofit organizations, HUD reserves the authority to impose sanctions up to and including a prohibition on that entity and the individuals comprising that entity from participating in that capacity in the future. In making this determination, HUD will consider as evidence court proceedings and decisions, or the determinations of other independent and impartial review bodies. This authority cannot be exercised until after a description of procedural safeguards, including an opportunity for comment and appeal, and the specific process and procedures for imposing a prohibition or debarment, have been published in the **Federal Register**.

C. Reporting

Once conditionally selected applications advance to full award and execution of a grant agreement, grantees are required to submit an APR and a completed Logic Model showing outputs and outcomes achieved for the year to both HUD Headquarters and the respective Field Office each year. Grantees must also respond to the management questions contained in the Logic Model. For FY 2006, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

In addition, applicants must report race and ethnicity data for beneficiaries of HUD programs in conformity with form 27061 HUD Race and Ethnic Data Reporting Form. CoC applicants may report this data as part of their Annual Performance Report submission to HUD.

Also, Grantees who expend \$500,000 or more in a year in Federal awards are reminded they must have a single or program-specific audit for that year in accordance with the provisions of 24 CFR 45 and OMB Circular No. A-133.

VII. Agency Contacts

A. For Further Information. You may contact the HUD Field Office serving your area, at the telephone number

shown in the General Section, or you may contact the NOFA Information Center at 1-800-483-8929. Individuals who are hearing- or speech-impaired should use the Information Relay Service at 1-800-877-8339 (these are toll-free numbers).

B. For Technical Assistance. Before the application deadline, HUD staff will be available to provide you with general guidance. HUD staff, however, cannot provide you with guidance in actually preparing your application. HUD Field Office staff also will be available to help you identify organizations in your community that are involved in developing the CoC system. Following conditional selection of applications, HUD staff will be available to assist selected applicants in clarifying or confirming information that is a prerequisite to the offer of a grant agreement or Annual Contributions Contract by HUD. However, between the application deadline and the announcement of conditional selections, HUD will accept no information that would improve the substantive quality of your application pertinent to HUD's funding decision.

C. Satellite Broadcast. HUD will hold one or more information broadcasts via satellite for potential applicants to learn more about the program and preparation of the application. Viewing of these broadcasts, which will provide critical information on the application process, is highly recommended. For more information about the date and time of the broadcast, you should consult the HUD web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

VIII. Other Information

A. Paperwork Reduction Act

The information collection requirements contained in this document have been submitted for approval by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and the OMB approval number is 2506-0112. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 200 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, semi-annual reports and final report. The information will be used for grantee selection and monitoring the

administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

B. Attachments. This final section lists the attachments that are critical to the application process. Please see Section IV.B.1.b of this NOFA for a complete description of the forms and certifications required and the order of assembly. In addition to applicant and sponsor documentation of eligibility, please provide:

1. Forms to complete for Exhibit 1, Continuum of Care.

Form HUD-40090-1. Exhibit 1, Continuum of Care Application. All of the following charts comprise this form:

A: CoC Lead Organization Chart

B: CoC Geography Chart

C: CoC Groups and Meetings Chart

D: CoC Planning Process Organizations Chart

E: CoC Governing Structure Chart

F: CoC Project Review and Selection Chart

G: Written Complaints Chart

H: CoC Services Inventory

I: Housing Inventory Charts

J: Housing Inventory Data Sources and Methods Chart

K: CoC Point-in-Time Homeless Population and Subpopulations Chart

L: CoC Homeless Population and Subpopulations Data Sources and Methods Chart

M: CoC HMIS Charts

N: CoC 10-Year Plan, Objectives, and Action Steps Chart

O: CoC Discharge Planning Policy Chart

P: CoC Coordination Chart

Q: CoC Project Priorities Chart

R: CoC Pro Rata Need (PRN)

Reallocation Chart

S: CoC Project Leveraging Chart

T: CoC Current Funding and Renewal Projections Chart

U: CoC Achievements Chart

V: CoC Chronic Homeless (CH) Progress Chart

W: CoC Housing Performance Chart

X: Mainstream Programs and Employment Project Performance Chart

Y: Enrollment and Participation in Mainstream Programs Chart

Z: Unexecuted Grants Awarded Prior to the 2005 CoC Competition Chart

AA: CoC Participation in Energy Star Chart

AB: Section 3 Employment Policy Chart
Form HUD-27300 Questionnaire for HUD's Removal of Regulatory Barriers

Form HUD-2993 Acknowledgment of Application Receipt

Form HUD-2994-A You Are Our Client! Grant Application Survey

2. Forms to complete for each applicant. These include:

Form SF-424 Application for Federal Assistance

Form HUD-40090-4 Applicant Certifications

Form HUD-2880 Applicant/Recipient Disclosure/Update Report

Form SF-424 Supplement Survey on Ensuring Equal Opportunities for Applicants

3. Forms to complete for each project (Exhibit 2). These include:

Form HUD-40090-2 Exhibit 2, Continuum of Care Project Application

Form HUD-96010

Logic Model

Form HUD-2991

Certification of Consistency with the Consolidated Plan

Note: This year, the Questions and Answers Supplement can be accessed at: <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

DOCTORAL DISSERTATION
RESEARCH GRANT PROGRAM**

Billing Code 4210-01-C

The Early Doctoral Student Research Grant Program and Doctoral Dissertation Research Grant Program

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of Policy Development and Research, Office of University Partnerships.

B. Funding Opportunity Title: The Early Doctoral Student Research Grant (EDSRG) Program and the Doctoral Dissertation Research Grant (DDRG) Program.

C. Announcement Type: Initial announcement.

D. Funding Opportunity Number: FR-5100-N-27; OMB Approval Numbers are:

1. Early Doctoral Student Research Grant Program is 2528-0216.

2. Doctoral Dissertation Research Grant Program is 2528-0213.

E. Catalog of Federal Domestic Assistance (CFDA) Number(s): The CFDA Numbers for the programs in this NOFA are as follows:

1. Early Doctoral Student Research Grant Program is 14.517

2. Doctoral Dissertation Research Grant Program is 14.516

F. Dates: The application deadline date is May 2, 2007. Applications must be received and validated by Grants.gov by the deadline date. Please be sure to read the General Section for electronic submission and receipt requirements.

G. Optional, Additional Overview Content Information

1. Purpose of the University Partnership Dissertation Programs

a. Early Doctoral Student Research Grant (EDSRG) Program. To enable doctoral students enrolled at institutions of higher education accredited by a national or regional accrediting agency recognized by the U.S. Department of Education to cultivate their research skills through the preparation of research manuscripts that focus on policy-relevant housing and urban development issues.

b. Doctoral Dissertation Research Grant (DDRG) Program. To enable doctoral candidates enrolled at institutions of higher education accredited by a national or regional accrediting agency recognized by the U.S. Department of Education to complete their research and dissertations on policy-relevant housing and urban development issues.

2. Award Information. In Fiscal Year (FY) 2007, approximately \$405,000 has been made available for the following Office of University Partnerships (OUP) dissertation programs.

a. Early Doctoral Student Research Grant Program. Approximately \$105,000 is available for funding. The maximum grant performance period is 12 months. The maximum amount that can be requested by a doctoral student is \$15,000.

b. Doctoral Dissertation Research Grant Program. Approximately \$300,000 is available for funding. The maximum grant performance period is 24 months. The maximum amount that can be requested by a doctoral student is \$25,000.

If funding remains after all eligible EDSRG doctoral students have been selected for award, the remaining funds will be made available to fund eligible DDRG doctoral students. If funding remains after all eligible DDRG doctoral students have been selected for award, the remaining funds will be made available to fund eligible EDSRG doctoral students.

3. Eligible Applicants. Eligible applicants are institutions of higher education accredited by a national or regional accrediting agency recognized by the U.S. Department of Education that sponsor doctoral students who meet the following program requirements:

a. Early Doctoral Student Research Grant Program. Doctoral students sponsored for funding under this program must meet the following requirements:

(1) Be a U.S. citizen or lawful permanent resident (recipient of an Alien Registration Recipient Card-Form I-551, commonly referred to as a Green Card) currently enrolled as a full-time student in an accredited doctoral program;

(2) Have a major or concentration within a field related to housing and urban development;

(3) Have not taken the preliminary/comprehensive examinations;

(4) Completed at least two semesters or three terms of a doctoral studies program (depending on the course structure of the institution); and

(5) Have an assigned faculty advisor to supervise the research manuscript.

b. Doctoral Dissertation Research Grant Program. Doctoral students sponsored for funding under this program must meet the following requirements:

(1) Be a U.S. citizen or lawful permanent resident (recipient of an Alien Registration Recipient Card-Form I-551, commonly referred to as a Green Card) currently enrolled an accredited doctoral program;

(2) Have an approved dissertation proposal;

(3) By the application deadline date, the student's dissertation proposal will

be accepted by the full dissertation committee;

(4) The student will have an assigned dissertation advisor; and

(5) By September 1, 2007, the student will have satisfactorily completed all other written and oral doctoral degree requirements, including all examinations and defense of the proposal, except the dissertation.

Full Text Of Announcement

I. Funding Opportunity Description

A. Early Doctoral Student Research Grant (EDSRG) Program

The purpose of the EDSRG program is to enable doctoral students enrolled at an institution of higher education accredited by a national or regional accrediting agency recognized by the U.S. Department of Education to cultivate their research skills through the preparation of research manuscripts that focus on policy-relevant housing and urban development issues. The FY2007 EDSRG program seeks to fund research studies that may impact federal problem solving and policymaking and that are relevant to HUD's policy priorities and annual goals and objectives. (See the General Section for discussion of these priorities and annual goals and objectives.)

B. Doctoral Dissertation Research Grant (DDRG) Program

The purpose of the DDRG program is to enable doctoral candidates enrolled at institutions of higher education accredited by a national or regional accrediting agency recognized by the U.S. Department of Education to complete their research and dissertations on policy-relevant housing and urban development issues. The FY2007 DDRG program seeks to fund research studies that may impact federal problem solving and policymaking and that are relevant to HUD's policy priorities and annual goals and objectives. (See the General Section for discussion of these priorities and annual goals and objectives.)

C. Topics

Examples of topics addressing these issues (applicable to both the EDSRG and DDRG programs) include but are not limited to:

1. Increase Homeownership Opportunities

a. Increase Minority Homeownership.

b. Simplify the Home Buying Process (RESPA reform) and Reduce Settlement Costs.

c. Set Appropriate Housing Goals for the GSEs.

- d. Counter Predatory Lending.
- e. Help Low-Income Homeowners Avoid Default and Foreclosure.
- f. Evaluate Housing Counseling.
- 2. Promote Decent Affordable Housing
 - a. Reduce Regulatory Barriers to the Development of Affordable Housing, as well as All Forms of Multifamily Housing.
 - b. Develop Creative Strategies for Expanding the Availability of Affordable Housing.
 - c. Strengthen the Delivery of HUD-Funded Rental Assistance and Assistance Provided Through the Low-Income Housing Tax Credit.
 - d. Promote Self-Sufficiency Among Residents of Public and Assisted Housing.
 - e. Meet the Housing-Related Needs of the Elderly.
 - f. Meet the Housing-Related Needs of Persons with Disabilities.
 - g. Improve Housing Quality and Affordability through Technology and Design.
- 3. Strengthen Communities
 - a. End Chronic Homelessness.
 - b. Prevent Homelessness.
 - c. Strengthen Cities.
 - d. Meet the Housing and Community and Economic Development Needs of Residents of High-Needs Areas, including areas affected by Hurricane Katrina, Appalachia, the Mississippi Delta, and Indian Country.
- 4. Ensure Equal Opportunity in Housing
 - a. Reduce Housing Discrimination.
 - b. Improve Housing Accessibility for Persons with Disabilities.
- 5. Embrace High Standards of Ethics, Management, And Accountability
 - a. Reduce Fraud, Waste, and Abuse in HUD-Funded Programs.
 - b. Improve the Effectiveness of HUD Programs Through Program Evaluations and Performance Measurement.
- 6. Promote Participation of Faith-Based and Community Organizations
 - a. Strengthen the Capacity of Faith-Based and Community Organizations.

D. Authority

HUD's authority for making funding available under this NOFA is the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007). These programs are undertaken under HUD's research authority under Title V of the Housing and Urban Development Act of 1970. They are being implemented through this NOFA and the policies governing their operation are contained herein.

E. Modifications

Listed below are major modifications from the Fiscal Year (FY) 2005 program-funding announcement:

- 1. A support letter from the doctoral student's assigned faculty advisor is no longer required.
- 2. A support letter from the doctoral student's institution is no longer required to be submitted with the application, but must be on file at the time of application submission. This is a threshold requirement. HUD will require students chosen to proceed to the next step in the selection process to submit the support letter from the institution seven (7) calendar days after initial contact from the OUP. OUP will provide specific instructions on how the letter must be submitted at that time. OUP must receive the support letter within the allotted timeframe or the application will not be funded.
- 3. All applicants submitting electronic applications must attach their narrative response to Rating Factors 1-4 as one attachment.
- 4. The appendix section of an application must not exceed five (5) pages in length (excluding forms, budget narrative, and assurances). An applicant SHOULD NOT submit resumes, commitment letters, memoranda of understanding and/or agreements, or other back-up material. Each page must include the applicant's name and be numbered. HUD will not consider the information on any excess page.

II. Award Information

In Fiscal Year (FY) 2007, approximately \$405,000 has been made available for the Office of University Partnerships (OUP) dissertation programs as follows:

A. Early Doctoral Student Research Grant Program. Approximately \$105,000 will be made available for funding under this program. The maximum grant performance period is 12 months. The maximum amount that can be requested by a doctoral student is \$15,000.

B. Doctoral Dissertation Research Grant Program. Approximately \$300,000 will be made available for funding under this program. The maximum grant performance period is 24 months. The maximum amount that can be requested by a doctoral student is \$25,000. If funding remains after all eligible EDSRG doctoral students have been selected for award, the remaining funds will be made available to fund eligible EDSRG doctoral students. If funding remains after all eligible DDRG doctoral students have been selected for award, the remaining funds will be

made available to fund eligible EDSRG doctoral students.

III. Eligibility Information

A. Eligible Applicants. Eligible applicants are institutions of higher education accredited by a national or regional accrediting agency recognized by the U.S. Department of Education that sponsor doctoral students who meet the following program requirements:

- 1. Early Doctoral Student Research Grant Program. Doctoral students applying for funding under this program must meet the following requirements:
 - a. Be a U.S. citizen or lawful permanent resident (recipient of an Alien Registration Recipient Card—Form I-551, commonly referred to as a Green Card) currently enrolled as a full-time student in an accredited doctoral program;
 - b. Have not taken the preliminary/comprehensive examinations;
 - c. Have completed at least two semesters or three terms of a doctoral studies program (depending on the course structure of the institution);
 - d. Have an assigned faculty advisor to supervise the research manuscript.
- 2. Doctoral Dissertation Research Grant Program. Doctoral students applying for funding under this program must meet the following requirements:
 - a. Be a U.S. citizen or lawful permanent resident (recipient of an Alien Registration Recipient Card—Form I-551, commonly referred to as a Green Card) currently enrolled in an accredited doctoral program;
 - b. Have an approved dissertation proposal;

c. By the application deadline date, the student's dissertation proposal has been accepted by the full dissertation committee and the student has been assigned a dissertation advisor; and

d. By September 1, 2007, the student will have satisfactorily completed all other written and oral doctoral degree requirements, including all examinations and defense of the proposal, except the dissertation.

B. Cost Sharing or Matching

None Required

C. Other

1. Eligible Activities. Grant funds awarded under this NOFA must be used to support direct costs incurred in the timely completion of the research product. Eligible costs include stipends, computer software, purchase of data, travel expenses to collect data, transcription services, and compensation for interviews.

2. Threshold Requirements Applicable to All Applicants. All

applicants and doctoral students must comply with the threshold requirements as defined in the General Section and the requirements listed below. Applications that do not meet these requirements will be considered ineligible for funding and will be disqualified.

a. The doctoral student must meet the eligibility requirement for the program for which they are requesting funding as defined in Section III.A;

b. University sponsorship. The university shall enter into a Grant Agreement with HUD that provides for payment of the grant by HUD to the university and from the university to the approved doctoral student, and that further provides all required certifications and assurances. The University shall agree to provide, as the Principal Investigator under the Grant Agreement, a faculty advisor or chairperson of the doctoral student's dissertation committee who shall supervise the student's work under the Grant Agreement;

c. The student's institution must provide a letter agreeing to support the student. The letter must outline the specific type of support the institution will provide as part of this grant. This support may not replace support or assistance the institution would otherwise provide to students. A support letter from the doctoral student's institution is no longer required at the time of application submission, but must be on file at the time of application submission. Students chosen to proceed to the next step in the selection process will be required to submit the support letter from the institution seven (7) calendar days after initial contact from the OUP office. OUP will provide specific instructions on how the letter must be submitted at that time. If OUP does not receive the support letter within the allotted timeframe, the application will not be funded and the funding will be made available to the next eligible applicant.

d. The applicant has requested no more funding than the grant maximum allocated for the program for which they are requesting funding as outlined in Section II;

e. Only *one* application package can be submitted per doctoral student. Students who have received funding in the past are not eligible to receive funding under the same program;

f. Applications must receive a minimum score of 75 points to be considered for funding;

g. The University (the official applicant on behalf of the student) must

have a DUNS number to receive HUD grant funds (See the General); and

h. Electronic applications must be received and validated by Grants.gov no later than 11:59:59 p.m. eastern time on the application dateline date.

IV. Application and Submission Information

A. Addresses to Request Application Package

Applicants may download the instructions to the application found on the Grants.gov Web site at http://www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information you may call the Grants.gov Support Desk toll free 800-518-GRANTS or e-mail your questions to Support@Grants.gov. Applicants must be registered to submit an application via Grants.gov. See the General Section for information regarding the registration process or ask for registration information from the Grants.gov Support Desk.

B. Content and Form of Application Submission

1. Forms. The following forms are required for submission, except where otherwise noted.

a. SF-424, Application for Federal Assistance;

b. SF-424 Supplement, Survey on Ensuring Equal Opportunities for Applicants ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov);

c. HUD-424-CB, Grant Application Detailed Budget ("HUD Detailed Budget Form" on Grants.gov);

d. SF-LLL, Disclosure of Lobbying Activities;

e. HUD-27300, Questionnaire for HUD's Removal of Regulatory Barriers ("HUD Communities Initiative Form" on Grants.gov), if applicable;

f. HUD-2880, Applicant/Recipient Disclosure/Update Report ("HUD Applicant Recipient Disclosure Report" on Grants.gov);

g. HUD-96010, Program Outcome Logic Model;

h. HUD-2994-A, You Are Our Client! Grant Applicant Survey (Optional)

i. HUD-2993, Acknowledgement of Applicant Receipt. Complete this form only if you have received a waiver to the electronic application submission requirement. Applicants submitting electronically are not required to include this form; and

j. HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov). This form must be used as the cover page to transmit third party documents and other information.

Applicants are advised to download the application package, complete the SF-424 first and it will pre-populate the Transmittal Cover page. The Transmittal Cover page will contain a unique identifier embedded in the page that will help HUD associate your faxed materials to your application. Please download the cover page and then make multiple copies to provide to any of the entities responsible for submitting faxed materials to HUD on your behalf. Please do not use your own fax cover sheet. HUD will not read any faxes that are sent without the HUD-96011 fax transmittal cover page.

2. Certifications and Assurances. Please read the General Section for detailed information on all Certifications and Assurances. All applications submitted through Grants.gov constitute an acknowledgement and agreement to all required certifications and assurances.

Please include in your application each item listed below. Applicants submitting paper copy applications should submit the applications in the following order:

a. SF-424, Application for Federal Assistance. Please remember the following:

(1) The name of the applicant for these programs is the University. Please make sure that the University's address is listed on this form (not the student's information);

(2) Include the name, title, address, telephone number, facsimile number, and e-mail address of the designated contact person. This is the University contact that will receive all information pertinent to this grant including notification for the support letter from the University if required; therefore please ensure the accuracy of the information;

(3) The total grant amount requested for the total performance period of the grant;

(4) The University's Employer Identification/Tax ID;

(5) The DUNS Number;

(6) The Catalog of Federal Domestic Assistance Number for the program from which you are requesting funding;

(a) Early Doctoral Student Research Grant Program is 14.517

(b) Doctoral Dissertation Research Grant Program is 14.516.

(7) The signature of the Authorized Organization Representative (AOR) who by virtue of submitting an application via Grants.gov has been authenticated by the credential provider to submit applications on behalf of the Institution and approved by the eBusiness Point of Contact to submit an application via Grants.gov. The AOR must be able to

make a legally binding agreement with HUD. See the General Section for further information.

b. Table of Contents.

c. Application Checklist. Doctoral students should use the checklist to ensure that they have all the required components of the application. Students submitting an electronic application do not have to submit the checklist. Students who receive a waiver of the electronic application submission requirement must include a copy of the checklist in their application. The checklist can be located in Appendix A.

d. Executive Summary (700 words or less). The Executive Summary should, at a minimum, include a summary of the proposed research project that addresses the following information:

- (1) Specific purpose of the manuscript/dissertation;
- (2) Methodology being used; and
- (3) How the student meets the eligibility criteria for the program from which she/he is requesting funding.

In addition, include the following information:

- (1) Student's address, telephone number, facsimile number, and e-mail address at the university; and
- (2) The faculty advisor's name, title, department, address, telephone number, facsimile number, and e-mail address.

This person will serve as the Principal Investigator for this grant.

e. Narrative statement addressing the Rating Factors. HUD will use the narrative response to the "Rating Factors" to evaluate, rate, and rank applications. The narrative statement is the main source of information. Therefore, it is very important that the student becomes fully familiar with the rating factors for the program from which he/she is requesting funding. The narrative should be numbered in accordance with each factor and subfactor. Please do not repeat material in response to the four factors; instead, focus on how well the proposal responds to each of the factors. Make sure to address each factor and subfactor and provide sufficient information about every element. The application narrative, bibliographies, and any supporting references must not exceed 15 pages in length (excluding forms, assurances, budget narrative, Table of Contents, and Executive Summary) and must be submitted on 8½ by 11-inch paper, double-spaced on one side of the paper, with one inch margins (from the top, bottom, left, and right side of the document) and printed in standard Times New Roman 12-point font. Each page must be numbered and the name of the student and university must be on each page. The double-spacing

requirement applies to the narrative section of the application (excluding references, and bibliographies). Note that although submitting pages in excess of the page limit will not disqualify the application, HUD will not consider the information on any excess page. This exclusion may result in a lower score or failure to meet a threshold requirement. All applicants submitting electronic applications must attach their narrative response to Rating Factors 1–4 as one attachment. Please do not attach your response to each factor separately. Please follow the instructions on file extension and file names in the General Section.

f. University Support Letter. This letter must provide a statement from the appropriate official at the university that describes in detail the type of support the University will be providing. Please remember that this support may not replace support or assistance that the institution would otherwise provide the student. Doctoral students are not required to submit this letter with their application but it must be on file at the time of application submission. Students chosen to proceed to the next step in the selection process will be required to submit the support letter from the institution seven calendar days after initial contact from the OUP. OUP will provide specific instructions on how the letter must be submitted at that time. If OUP does not receive the support letter within the allotted timeframe, the application will not be funded and the funding will be made available to the next eligible applicant.

g. Budget. The budget submission must include the following:

- (1) HUD-424-CB, "Grant Application Detailed Budget." This budget form shows the total budget by year and by line item for the program activities to be carried out with the proposed HUD grant. Each year of the program should be presented separately. Make sure that the amount shown on the SF-424, the HUD-424-CB and on all other required program forms is consistent and the budget totals are correct. Remember to check addition in totaling the categories on the Form HUD-424-CB so that all items are included in the total. The budget form must be fully completed. If there is any inconsistency between any required forms, the HUD-424-CB will be used. If this correction puts an application over the grant maximum, the doctoral student will not be able to correct the amount requested and the application will be disqualified. If an application is selected for award, the applicant may be required to provide greater specificity to the budget during grant agreement negotiations.

(2) *Budget Narrative*. A narrative must be submitted that explains how the doctoral student arrived at the cost estimates. The proposed cost estimates should be reasonable for the work to be performed and consistent with rates established for the level of expertise required to perform the work proposed.

h. Appendix. Doctoral students receiving a waiver of the electronic submission requirements and submitting a paper copy of the application must place all required forms in this section. The appendix section of an application must not exceed five (5) pages in length (excluding forms, budget narrative and assurances). Each page must include the applicant's name and be numbered. An applicant **SHOULD NOT** submit support letters, resumes, or other back-up materials. If this information is included, it will not be considered during the review process. The additional items will also slow the transmission of your application.

C. Submission Dates and Times

A complete application package must be received and validated electronically by the Grants.gov portal no later than 11:59:59 p.m. eastern time on or before the application deadline date. In an effort to address any issues with transmission of your application, applicants are strongly encouraged to submit their applications at least 48 to 72 hours prior to the application deadline. This will allow an applicant enough time to make the necessary adjustments to meet the deadline in the event Grants.gov rejects the application. Please see the General Section for further instructions. Electronic faxes using the Facsimile Transmittal Cover Sheet (Form HUD-96011) contained in the electronic application must be received no later than 11:59:59 p.m. eastern time on the application deadline date.

D. Intergovernmental Review

These programs are excluded from an Intergovernmental Review.

E. Funding Restrictions

1. Funding may only be provided to doctoral students who meet the standards for eligible applicants outlined in Section III. A. under the program for which they are requesting funding.

2. Grant funds awarded for programs under this NOFA may not be used to pay for tuition, computer hardware, or meals.

3. Early Doctoral Student Research Grant (EDSRG) Program. Three thousand dollars of the grant funds will

be held until the doctoral student's research manuscript has been completed and accepted for presentation at a conference or publication in a refereed journal by the end of the grant period, or a committee of three faculty members (including the faculty sponsor, as the principal investigator of the grant) has determined and certified to HUD that the manuscript is of high quality and worthy of submission to conferences or journals, and two copies of the research product are submitted to HUD in its final version.

4. Doctoral Dissertation Research Grant (DDRG) Program. Six thousand dollars of the grant funds will be held until the doctoral student's dissertation has been completed, approved by the committee, and two final copies are submitted to HUD in its final version.

5. Institutions that have had previously awarded grants under these programs terminated for non-performance and have outstanding funds owed to HUD resulting from the termination, will be excluded from competition until the outstanding funds are repaid. (Applicants must comply with the Delinquent Federal Debt Requirement as defined in the General Section).

F. Other Submission Requirements

1. Application Submission and Receipt Procedure. Please read the General Section carefully and completely for the electronic submission and receipt procedures for all applications because failure to comply may disqualify a doctoral student's application.

2. Waiver of Electronic Submission Requirements. Applicants should submit their waiver requests in writing using e-mail or fax. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to: Susan Brunson, Office of University Partnerships, Email: Susan_S._Brunson@hud.gov, FAX: (202) 708-0309.

Paper applications will not be accepted from applicants that have not been granted a waiver. If an applicant is granted a waiver, the Office of University Partnerships will provide instructions for submission. All applicants submitting applications in paper format must have received a waiver to the electronic application submission requirement and the application must be received by HUD on or before the application deadline date.

V. Application Review Information

A. Criteria

1. Rating Factor 1. Capacity to do the Research (25 Points). In reviewing this factor, HUD will determine the extent to which the doctoral student clearly addresses the following:

a. Describe the skills and expertise you possess to conduct research. Research skills and expertise will be judged in terms of how recent they are. Research skills and expertise developed within the last two (2) years will be considered recent.

b. Describe the knowledge and experience you possess to undertake the proposed research hypotheses. Knowledge and experience will be judged in terms of how relevant it is to the research proposed (e.g., course work, teaching, research projects, and presentations). Knowledge and experience developed within the last five (5) years in the area of the proposed research will be considered relevant.

c. Provide a detailed list that outlines the preliminary steps that were taken (e.g., literature review, research hypotheses, questions to be answered) to identify the proposed manuscript/dissertation topic/hypotheses.

2. Rating Factor 2. Need for the Research (15 Points). This factor addresses the extent to which there is a need for funding the proposed research. HUD encourages doctoral students to undertake research that will assist the Department in implementing its policy priorities and which help the Department achieve its goals and objectives in FY 2007. In reviewing this factor, HUD will determine the extent to which the doctoral student clearly addresses the following:

a. Describe the need for funding your proposed research manuscript/dissertation.

b. Express the impact your proposed research manuscript/dissertation may have in producing information that will be generally accepted in the relevant research community.

c. Explain the direct relationship between your proposed manuscript/dissertation and at least one of HUD's annual goals and objectives (i.e., the research that will be produced could have an effect on HUD's strategic goals and programs and policies to achieve these goals). For a full list and explanation of the annual goal and objectives, please refer to the General Section.

3. Rating Factor 3. Soundness of Approach (50 Points). This factor addresses the quality and effectiveness of the proposed research and methodology and the actions regarding

HUD's policy priorities. This factor will be evaluated based on the extent to which the proposed work plan will demonstrate the following:

a. (25 Points) Quality of Research.

(1) Describe in detail the proposed research design and methodology that will be used to complete the proposed manuscript/dissertation. (2). Describe how the research design and methodology proposed will produce data and information that will successfully answer the research hypothesis.

b. (20 Points) Specific Activities. The work plan must identify all the major tasks involved in completing the proposed research;

(1) Indicate the sequence in which these tasks will be performed;

(2) The sequence and duration of this effort should be presented in quarterly (3 month) intervals for the entire life of the grant (use of a milestone chart to present this information is recommended); and

(3) Identify any key individuals assisting in the proposed activities. Efforts on the part of the doctoral student who proposes extremely complex and time-consuming data collection efforts (e.g., major longitudinal studies or a very large number of site visits within the grant period) will be determined less feasible for completion within the allotted grant performance period. For example, if the proposed methodology is based on information that may not be publicly available until after the end of the grant period (e.g., Census information), or a data collection plan that will take longer than the allotted grant performance period, zero points will be awarded for this factor.

c. (2 Points) HUD Policy Priorities. As described in the General Section, to earn points under this subfactor, HUD requires applicants to undertake specific activities that will assist the Department in implementing its policy priorities and that help the Department achieve its goals and objectives in FY2008, when the majority of grant recipients will be reporting programmatic results and achievement. In addressing this subfactor, HUD will evaluate the extent to which a program will further and support HUD priorities. The quality of the responses provided to one or more of HUD's priorities will determine the score an applicant can receive. Applicants must describe how each policy priority is addressed. Applicants that just list a priority will receive no points.

The total number of points an applicant can receive under this subfactor is two (2). Each policy priority

addressed has a point value of one (1) point, with the exception of the policy priority related to removal of regulatory barriers to affordable housing, which has a value of up to two (2) points. To receive these two (2) points, an applicant must: (1) Complete either Part A or Part B (not both), (2) include appropriate documentation, (3) identify a point of contact, (4) indicate how this priority will be addressed and (5) submit the completed questionnaire, (HUD-27300) "HUD's Initiative on Removal of Regulatory Barriers" found in the General Section along with required documentation. It is up to the applicant to determine which of the policy priorities they elect to address to receive the available two (2) points.

d. (3 Points) Dissemination Strategies. In reviewing this subfactor, HUD will assess the doctoral student's ability to disseminate results of the research. Describe your plan to disseminate the research.

4. Rating Factor 4. Achieving Results and Program Evaluation (10 Points) This factor reflects HUD's goal to embrace high standards of management and accountability. It measures the student's commitment to assess their performance to complete their proposed research within the grant performance period. Students are required to develop an effective, quantifiable, outcome oriented evaluation plan for measuring performance and determining the outputs to achieve their proposed outcome(s). The Logic Model is a summary of the narrative statements presented in Factors 1-3. Therefore, the information submitted on the logic model should be consistent with the information contained in the narrative statements.

"Outcomes" are ultimate goals. A student must clearly identify the outcomes to be measured and achieved. Examples of outcomes are the completion of the research manuscript/dissertation, the cultivation of research skills to the student, the plan to disseminate the research, and the benefits of the research study to HUD's policy priorities and annual goals and objectives.

In addition, a student must establish interim benchmarks and outputs that lead to the ultimate achievement of the outcomes. "Outputs" are the direct benchmarks and indicators that will allow a student to measure their performance. Performance indicators should be objectively quantifiable and measure actual achievements. At a minimum, an applicant must address the following activities in the evaluation plan:

(1) Identify benchmarks that will be used to track the progress of your study;

(2) Indicate the sequence in which tasks will be performed; and

(3) Identify potential obstacles in meeting the objectives, and discuss how the obstacles will be handled;

This information must be included under this section on a HUD-96010, Program Logic Model form. HUD has developed a new approach to completing this form. Please carefully read the General Section for instructions, training is available. (Form HUD-96010 will be excluded from the page count.) If an applicant utilizes "other" from the Logic Model categories, then the applicant should describe briefly this "other" category within the Rating Factor 4 narrative. If a narrative is provided, those pages will be included in the page count.

B. Review and Selection Process

1. Application Selection Process. Two types of reviews will be conducted:

a. A threshold review to determine an applicant's basic eligibility; and

b. A technical review for all applications that pass the threshold review to rate and rank the application based on the "Rating Factors" listed in Section V.A above. Only those applications that pass the threshold review will receive a technical review and be rated and ranked.

2. Rating Panels. To review and rate applications, HUD may establish panels which may include experts or consultants not currently employed by HUD. These individuals may be included to obtain certain expertise.

3. Ranking. In order to be funded, an application must receive a minimum score of 75 points out of a possible 100 for Factors 1 through 4. The RC/EZ/EC-II communities two bonus points described in the General Section do not apply to this NOFA. HUD will fund applications under each program in rank order, until all available program funds are awarded. If two or more applications have the same number of points, the application with the higher points for Factor 3, shall be selected. If there is still a tie, the application with the higher points for Factor 2, shall be selected. HUD reserves the right to reduce the amount of funding requested in order to fund as many highly ranked applications as possible. Additionally, if funds remain after funding the highest ranked applications, HUD may fund part of the next highest-ranking application. If an applicant turns down the award offer, HUD will make the same determination for the next highest-ranking application.

4. Correction to Deficient Applications. See the General Section.

C. Anticipated Announcement and Award Dates

Announcements of awards are anticipated on or before September 30, 2008.

VI. Award Administration Information

A. Award Notices

After all selections have been made, HUD will notify all winning applicants in writing. HUD may require winning applicants to participate in additional negotiations before receiving an official award.

B. Administrative and National Policy Requirements

Refer to the General Section.

1. Debriefing. The General Section provides the procedures for requesting a debriefing. All requests for debriefings must be made in writing and submitted within 30 days of receipt of comments to Susan Brunson, Office of University Partnerships, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 8106, Washington, DC 20410-6000. Applicants may also write to Ms. Brunson via e-mail at Susan_S._Brunson@hud.gov.

2. Environmental Requirements. The provision of assistance under these programs is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and not subject to compliance actions for related environmental authorities under 24 CFR 50.19(b)(1) and (b)(9).

3. Administrative. Grants awarded under this NOFA will be governed by the provisions of 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations), A-21 (Cost Principles for Educational Institutions) and A-133 (Audits of States, Local Governments, and Non-Profit Organizations). Applicants can access the OMB circulars at the White House Web site at: www.whitehouse.gov/omb/circulars/index.html.

C. Reporting Requirements

All doctoral students that receive grant funds under this program NOFA are required to submit a report, halfway through the grant period, on the progress to date that has been made toward completion of the research product and the likelihood that it will be completed on time.

At the end of the grant performance period doctoral students must submit two copies of the approved manuscript/dissertation to HUD in its final version.

Titles of the manuscript/dissertation must not be changed from the title awarded unless prior approval has been received from HUD.

VII. Agency Contacts

Doctoral students may contact Susan Brunson, Office of University Partnerships at (202) 708-3061, extension 3852 or Sherone Ivey at (202) 708-3061, extension 4200. Persons with speech or hearing impairments may call the Federal Information Relay Service TTY at 800-877-8339. Except for the "800" number, these telephone numbers are not toll-free. Students may also reach Ms. Brunson via e-mail at Susan_S._Brunson@hud.gov and/or Sherone Ivey at Sherone_E._Ivey@hud.gov.

VIII. Other Information

Paperwork Reduction Act

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2528-0216 (for the Early Doctoral Student Research Grant Program) and 2528-0213 (for the Doctoral Dissertation Research Grant Program). In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 44 hours per annum per respondent for the application and grant administration. This includes the time for collecting, reviewing, and reporting the data for the application, semi-annual

reports, and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

Appendix A—Application Checklist

EDSRG and DDRG

This checklist identifies application submission requirements. Doctoral students are requested to use this checklist when preparing an application to ensure submission of all required elements. Students submitting an electronic application do not have to submit the checklist. Students that receive a waiver of the electronic application submission requirement must include a copy of the checklist in their application.

Check off to ensure these items have been included in the application:

- ☐ SF-424 "Application for Federal Assistance
- ☐ Table of Contents
- ☐ Application Checklist (if applicable)
- ☐ Executive Summary (700 words or less)

Indicate the page number where each of the Rating Factors are located:

☐ Narrative Statement Addressing the Rating Factors. The application narrative must not exceed 15 pages in length (excluding required forms, assurances, table of contents, executive summary, budget narrative, commitment letters, memorandum of understanding, and agreements) double-spaced on one side of the paper, with one-inch margins (from top, bottom, left and right) printed in standard Times New Roman 12 point font). Applicants that submit applications via Grants.gov should review the General Section for information about file names and extensions. File names should not contain spaces or special characters.

- ☐ Factor I
- ☐ Factor II

☐ Factor III

☐ Factor IV

Check off to ensure these items have been included in the application: Appendix. The appendix section of an application must not exceed five (5) pages in length (excluding forms, budget narrative, and assurances).

☐ Budget

☐ Grant Application Detailed Budget, (HUD-CB) ("HUD Detailed Budget Form" on Grants.gov)

☐ Budget Narrative (No form provided and must be submitted for the total grant period)

Appendix B—All Required Forms

The following forms are required for submission. All required forms are contained in the electronic application package.

☐ Application for Federal Assistance (SF-424)

☐ Survey on Ensuring Equal Opportunity for Applicants (SF-424 Supplement) ("Faith Based EEO Survey (SF-424 SUPP)" on Grants.gov)

☐ Grant Application Detailed Budget (HUD-424-CB) ("HUD Detailed Budget Form" on Grants.gov)

☐ Disclosure of Lobbying Activities (SF-LLL); if applicable

☐ Questionnaire for HUD's Removal of Regulatory Barriers (HUD-27300) ("HUD Communities Initiative Form" on Grants.gov), if applicable

☐ Applicant/Recipient Disclosure/Update Report (HUD-2880) ("HUD Applicant Recipient Disclosure Report" on Grants.gov)

☐ Client Comments and Suggestions (HUD-2994), if applicable

☐ You Are Our Client! Grant Applicant Survey (HUD-2994-A)

☐ Program Outcome Logic Model (HUD-96010)

☐ HUD-96011, Third Party Documentation Facsimile Transmittal ("Facsimile Transmittal Form" on Grants.gov)

**DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT**

HOUSING COUNSELING TRAINING

Billing Code 4210-01-C

Housing Counseling Training

Overview Information

A. Federal Agency Name: Department of Housing and Urban Development, Office of the Assistant Secretary for Housing—Federal Housing Commissioner.

B. Funding Opportunity Title: Housing Counseling Training.

C. Announcement Type: Initial Announcement.

D. Funding Opportunity Number: FR-5100-N-23; OMB approval number is 2502-0261.

E. Catalog of Federal Domestic Assistance (CFDA) Number: Housing Counseling Training Program 14.316.

F. Dates: The application deadline date is May 17, 2007. Applications submitted through <http://www.grants.gov> must be received and validated by grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date. See Section IV of the General Section, regarding application submission procedures and timely filing requirements.

Full Text of Announcement

I. Funding Opportunity Description

Program Purpose. Funds are available to provide, under cooperative agreements with HUD, training activities designed to improve and standardize the quality of counseling provided by housing counselors employed by HUD-approved housing counseling agencies.

Authority. HUD's Housing Counseling Program, and the training of this NOFA are authorized by Section 106 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701x), with guidance provided in HUD Handbook 7610.1, REV-4, CHG-1, dated October 27, 1997.

II. Award Information

A. Available Funds: This NOFA announces the availability of approximately \$3.0 million.

B. Anticipated Awards: HUD's goal is to fund an organization to deliver the full spectrum of activities eligible for funding under this NOFA. Should this not be possible, HUD reserves the right to make multiple awards under this NOFA.

C. Award Instrument: HUD expects to use a cooperative agreement, but reserves the right to use the award instrument it determines to be most appropriate. All awards will be made on a cost reimbursement basis in accordance with, and subject to, the requirements in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments; or OMB Circular A-122, Cost Principles for Non-

Profit Organizations, as applicable to your organization. These awards are also subject to the administrative requirements established in OMB Circular A-102, implemented at 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally Recognized Indian Tribal Governments); OMB Circular A-110, implemented at 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations); and OMB Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations), implemented at 24 CFR parts 84 and 85. If you receive an award, you must comply with and are required to ensure that any subrecipients also comply with the above requirements. OMB circulars can be found at <http://www.whitehouse.gov/omb/circulars/index.html>.

Awards made as cooperative agreements will entail significant HUD involvement including but not limited to the following items:

- Review and approval of proposed courses, including course materials;
- Review and approval of evaluation instruments and methodology for determining value of courses and impacts; and
- Review and Approval of training locations. HUD reserves the right to review and approve training locations as well as the type of training and courses offered.
- Targeting based on special needs
 1. Award Adjustments. HUD reserves the right to adjust funding levels for each applicant. Once applicants are selected for award, HUD will determine the total amount to be awarded to any grantee, based upon the scope and geographic coverage of services to be provided and funds available.
 2. Award Period. Cooperative agreements will be for a period of up to twelve (12) months.

III. Eligibility Information

A. Eligible Applicants

1. Eligible Applicants. Applicants must be public or private nonprofit organizations with at least two years of experience providing all types of housing counseling training services nation wide listed under Section III.C.2 of this NOFA. The only exception to this requirement is public or nonprofit organizations with at least 2 years experience providing Home Equity Conversion Mortgage (HECM) counseling training nationwide.

A consortium of organizations may apply for funding under this NOFA, but

one organization must be designated as the primary applicant. Furthermore, applicants may utilize in-house staff, sub-grant recipients or consultants, and networks of local organizations with requisite experience and capacity.

B. Cost Sharing or Matching

Cost sharing or matching is not required.

C. Other

1. Geographic Coverage: Applicants must propose to provide the housing counseling trainings nationwide.

2. Eligible Activities. Applicants must propose to develop and implement a comprehensive and ongoing training program for housing counselors. The training program must contain both basic and advanced courses. The majority of the training services must be conducted as place-based activities. Some training services may be provided through satellite broadcast, or through computer training software.

An applicant must be capable of providing training on all the training topics listed below. The only exception to this requirement is an applicant proposing to provide HECM counseling training exclusively.

a. General Housing Counseling. Teach counselors the principles and applications of housing counseling from the industry's and the counselor's point of view. Review the skills and tools needed to be an effective housing counselor. Provide overviews of the industry from a national perspective as well as, information about pre- and post-purchase counseling for homeowners, delinquency, and default counseling.

b. Credit Counseling for Prospective Homeowners. Train counselors in conducting results-oriented individual counseling sessions for prospective homebuyers, including triaging customers, developing corrective action plans and timelines for success, and facilitating progress as customers overcome obstacles and move toward mortgage-readiness. Train counselors regarding state-of-the-art software designed specifically for credit rebuilding, debt reduction, automated budgeting, and downpayment savings accumulation. Use sample customer cases to identify obstacles and simulate counseling sessions.

c. Matching Clients with Loan Products. Train counselors in industry practices, analysis of financials, risk elements, and general concepts affecting conventional and government-insured mortgage loan decisions. Provide counselors with effective procedures and techniques that will translate into

appropriate loans and satisfied housing counseling clients. Review case studies to illustrate the functional areas of the underwriting process, from the application to the loan sale.

d. Homebuyer Education Programs. Teach counselors how to deliver a comprehensive homebuyer education program to turn prospective homebuyers into satisfied homeowners. Teach counselors to use the best materials and methods to train homebuyers how to shop for a home, get a mortgage loan, improve their budget and credit profiles, and maintain their home and finances after purchase.

e. Section 8 Homeownership. Train counselors in how to effectively approach and partner with Public Housing Authorities (PHAs) in the implementation of a Section 8 Homeownership Program. Review the unique characteristics of the program and the voucher holders as they relate to the counseling component. Share effective and proven implementation strategies.

f. Helping Homeowners Avoid Delinquency and Predatory Lending. Teach counselors to conduct educational seminars and advise clients regarding how to avoid predatory lenders and common lending pitfalls. Give counselors the knowledge and tools to help unwary borrowers avoid inflated appraisals, unreasonably high interest rates, unaffordable repayment terms, and other conditions that can result in a loss of equity, increased debt, default, and foreclosure. Train counselors to help clients manage debt, avoid predatory lenders, and avoid mortgage default. Teach counselors how to read the warning signs of debt problems and how to recognize predatory lenders, as well as identify available resources to help keep homeowners out of financial trouble. Review state and federal regulations, including the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2601 et seq.) (RESPA) and the Truth in Lending Act (15 U.S.C. 1501 et seq.).

g. Foreclosure Prevention. Train counselors on the protocol for counseling homeowners in financial distress. Address all aspects of default and delinquency, including reasons for default, ways to maximize income and reduce expenses, calculating delinquencies, understanding the players in the mortgage marketplace, loss-mitigation options for FHA-insured and other loans, information about foreclosure laws and timelines, tips on effectively intervening with lenders and servicers, managing multiple mortgages or liens, and the pros and cons of refinancing.

h. Home Equity Conversion Mortgages (HECM). Train counselors about reverse mortgages for elderly homeowners.

Teach them to understand products and programs, analyze plans and compare their costs and benefits, and identify alternatives. Also, review relevant counseling skills and ethics.

i. Home Maintenance and Financial Management for New Homeowners. Train counselors in how to advise individuals and conduct workshops aimed at ensuring the long-term success of new homebuyers, including home maintenance and repair, financial management, insurance, and record keeping.

j. Counseling Individuals and Families Who are Homeless or at Risk of Becoming Homeless. Train counselors about the various social services available to which they should be referring homeless and potentially homeless families and individuals. Provide information on federal, state, and local homeless programs and how clients can access these programs. Share strategies on how to partner with local public service providers to ensure that clients receive attention and assistance quickly and efficiently. Review the unique characteristics of the homeless population to help counselors understand the types of financial, physical, and social problems facing the families and individuals who seek their assistance.

k. Disaster Victims Counseling. Train counselors about the unique circumstances faced by disaster victims including: counseling homeowners in financial distress, mortgage related counseling, default and delinquency, loss-mitigation options for FHA-insured and other loans, information about foreclosure laws and timelines, alternative housing, FEMA services and emergency housing (HUD homes).

l. HUD's Housing Counseling Program Requirements. Train counselors about the basic requirements of HUD's Housing Counseling Program, including the delivery of homeownership counseling and education for local, national, regional and state housing counseling agencies, how to fill out form HUD-9902, Housing Counseling System (HCS), biennial reviews, and record keeping.

m. Rental Housing: Securing and maintaining residence in rental housing, tenant/landlord responsibilities, state/county laws, budgeting.

n. Federal Housing Administration: Train housing counselors about FHA-insured financing, including, minimum requirements of FHA loans, loan limits, advantages of financing through FHA, HUD foreclosed properties, FHA

appraisal requirements, 203k, 203b, 203h, and Home Equity Mortgage (HECM).

3. Threshold Requirements. Applicants and proposed grantees must meet the following Threshold Requirements:

a. Compliance with Fair Housing and Civil Rights Laws. See the General Section.

b. Debarment and Suspension. See General Section.

c. Delinquent Federal Debt. See General Section.

d. False Statements. See General Section.

e. Additional requirements: Agencies selected as grantees or sub-grantees must also comply with the following requirements:

(1) *Salary Limitation for Consultants*. See General Section.

(2) *Accessibility*. All grant recipients and subrecipients must use training facilities and services reasonably accessible to persons with a wide range of disabilities or provide other means of accommodation for disabled persons. In addition, counseling training must train counselors in the accessibility requirements applicable to eligible counseling activities and accessibility requirements under the Fair Housing Act, including requirements for reasonable modification. All training materials must be compliant with Section 508 of the Rehabilitation Act (Section 508). See the Accessible Technology Requirements in the General Section.

(3) *Reports*. All grant recipients will be required to report to HUD on a quarterly basis, unless otherwise specified in the cooperative agreement.

(4) *Code of Conduct*. Entities that are subject to 24 CFR parts 84 and 85 (including most nonprofit organizations and state, local, and tribal governments or government agencies or instrumentalities that receive federal awards of financial assistance) are required to develop and maintain a written code of conduct (See Sections 84.42 and 85.36(b)(3)). The code of conduct must prohibit real and apparent conflicts of interest that may arise among employees, officers, or agents; prohibit the solicitation and acceptance of gifts or gratuities by your officers, employees and agents for their personal benefit in excess of minimal value; and outline administrative and disciplinary actions available to remedy violations of such standards. Self-recusal will not eliminate a potential or apparent conflict of interest. Prior to entering into an agreement with HUD, the applicant will be required to submit a copy of its code of conduct and describe the

methods it will use to ensure that all officers, employees, and agents of the organization are aware of the code of conduct.

(5) *Financial Management Systems.* Applicants selected for funding must provide documentation demonstrating that the applicant's financial management systems satisfy the requirements in the applicable regulations at 24 CFR 84.21(b) and 85.20. Consistent with the requirements of the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–07), if the applicant expended \$500,000 or more in federal awards in its most recent fiscal year, such documentation must include a certification from or most recent audit by the applicant's independent public accountant that the applicant maintains internal controls over federal awards, complies with applicable laws, regulations, and contract or grant provisions, and prepares appropriate financial statements. The applicant will have at least 30 calendar days to respond to this requirement. If an applicant does not respond within the prescribed time or responds with insufficient documentation, then HUD may determine that the applicant has not met this requirement and may withdraw the grant offer.

If an applicant selected for funding expended less than \$500,000 in federal funds in the last fiscal year and therefore does not fall under the requirements of the Single Audit Act, HUD will conduct a review of the applicant's financial management system to ensure that the accounting system meets federal requirements. HUD reserves the right not to fund an applicant that has an accounting system that does not meet federal requirements or require an applicant to attain the services of an organization acceptable to HUD that can manage the financial records of the applicant.

(6) *Indirect Cost Rate.* Applicants must also submit documentation establishing the organization's indirect cost rate. Such documentation may consist of a certification from the most recent audit or indirect cost rate agreement by the cognizant federal agency or an independent public accountant. If the organization does not have an established indirect cost rate, the organization will be required to develop and submit an indirect cost proposal to HUD or the cognizant federal agency as applicable, for determination of an indirect cost rate that will govern an award. Applicants that do not have a previously established indirect cost rate with a federal agency shall submit an initial indirect cost rate proposal immediately

after the applicant is advised that it will be offered a grant. If an applicant does not have an established indirect cost rate, and there is no other cognizant federal agency, or HUD is the cognizant federal agency, HUD will set the rate based upon the submission of an acceptable indirect cost rate proposal. If a proposal is not submitted within three months of award, HUD may suspend work or terminate for noncompliance with requirements. OMB Circular A–122 sets forth the requirements to determine allowable direct and indirect costs and the preparation of indirect cost proposals. The circular can be found at <http://www.whitehouse.gov/omb>.

(7) *Name Check Review.* See the General Section.

(8) *Participation in HUD-Sponsored Program Evaluation.* See the General Section.

(9) *Ensuring the Participation of Small Businesses, Small Disadvantaged Businesses, and Women-Owned Businesses.* See the General Section.

(10) *Executive Order 13166, Improving Access to Persons With Limited English Proficiency (LEP).* See the General Section.

(11) *Executive Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations.* HUD is committed to full implementation of Executive Order 13279 in the operation of its programs. See the General Section.

(12) *The Americans with Disabilities Act of 1990* (42 U.S.C. 1201 *et seq.*), the Age Discrimination Act of 1974 (42 U.S.C. 6101 *et seq.*), and Title IX of the Education Amendments Act of 1972 (20 U.S.C. 1681 *et seq.*).

(13) *Affirmatively Furthering Fair Housing.* See the General Section.

IV. Application and Submission Information

A. Addresses to Request Application Package

All applications submitted in response to this NOFA must be submitted electronically. The information required to submit an application is contained in the General Section. Applications can be downloaded from the following web site: www.grants.gov/applicants/apply_for_grants.jsp. If you have difficulty accessing the information you may call the Grants.gov helpline toll-free at (800) 518–GRANTS (4726) from Monday to Friday from 7 a.m. to 9 p.m. eastern time, or send an e-mail to 3Support@grants.gov.

If you do not have Internet access and need to obtain a hard copy of this NOFA or the General Section, you can contact HUD's NOFA Information Center toll-

free at (800) HUD–8929. Persons with hearing or speech impairments may access any of these numbers via (TTY) by calling the toll-free Federal Information Relay Service at (800) 877–8339.

B. Content and Form of Application Submission

1. *Application Checklist.* Use the checklist below to organize the application. Unless indicated below, all applicants must submit the following:

a. *Forms.* The standard forms, certifications, and assurances are listed below. (The forms referred to as the “standard forms”). All of the standard forms required for this NOFA are available on the Grants.gov Web site. (Please note that forms may vary slightly in appearance on the Grants.gov Web site.)

(1) SF–424, Application for Federal Assistance

(2) SF–424 Supplement, Survey on Ensuring Equal Opportunity for Applicants (optional) (“Faith Based EEO Survey (SF–424 SUPP)” on Grants.gov)

(3) SF–LLL, Disclosure of Lobbying Activities (if applicable)

(4) HUD–96010, Program Outcome Logic Model

(5) HUD–2880, Applicant Recipient Disclosure/Update Report (“HUD Applicant Recipient Disclosure Report” on Grants.gov)

(6) SF–424 CB, Grant Application Detailed Budget (“HUD Detailed Budget Form” on Grants.gov)

(7) HUD–2880, Applicant Recipient Disclosure Update Report (“HUD Applicant Recipient Disclosure Report” on Grants.gov)

(8) HUD–2994, You Are Our Client Grant Applicant Survey (optional)

(9) HUD–96011, Third Party Documentation Facsimile Transmittal. (For use with electronic applications as the cover page to provide third party documentation.) (“Facsimile Transmittal Form” on Grants.gov)

b. *Nonprofit Status.* Each applicant is required to submit, for itself and for any organization with which it is partnering for the purpose of this NOFA, a legible copy of the document that supports the applicant's claim to be a nonprofit organization (for example, a 501(c) letter issued by the IRS). The documentation must contain the official name, address, and telephone number of the legal authority that granted the nonprofit status. These documents must be scanned, attached to the attachment form, which is part of the Grants.gov package, and submitted electronically to Grants.gov, or faxed using the fax cover sheet in the Grants.gov application package. Please read the General Section

for information about submitting documents as attachments or using the facsimile solution, and acceptable file formats.

c. **Narrative Statements.** Provide narrative statements addressing the Rating Factors in section V below. Responses to the rating factors should provide HUD with detailed quantitative and qualitative information and relevant examples regarding the housing counseling training and other work of the organization that is related to the proposed activities. These narrative statements will be the basis for evaluating the application. Applicants should clearly label each narrative with the Factor Title and number related to the response. When creating file names, please follow the directions in the General Section.

d. **Prohibition Against Lobbying Activities.** See the General Section.

C. **Submission Dates and Time:** Your completed application must be received and validated by *Grants.gov* no later than 11:59:59 p.m. eastern time on the application deadline date. Please note that validation may take up to 72 hours. Applicants should carefully read the section titled "APPLICATION and SUBMISSION INFORMATION" in the General Section.

D. Intergovernmental Review

This NOFA is excluded from the requirement of an Intergovernmental Review.

F. Other Submission Requirements

Electronic delivery via *Grants.gov* is HUD's required method for application submission. Applicants interested in applying for funding under this NOFA must submit their applications electronically or request a waiver from the electronic submission requirement. Applicants must submit their waiver requests in writing using e-mail. Waiver requests must be submitted no later than 15 days prior to the application deadline date and should be submitted to *Miriam_Torres@hud.gov*. If granted a waiver, the notification will provide instructions on where to submit the application and how many copies are required. Paper copy applications must be received by the deadline date. HUD will not accept a paper application without a waiver being granted. See the General Section for detailed submission and timely receipt instructions.

V. Application Review Information

A. Criteria

Applications will be evaluated competitively according to the Factors for Award described below, and ranked

against all other applicants. All applications will be scored and ranked in HUD Headquarters.

1. Factors For Award Used To Rate and Rank Applications

a. The factors for award, and maximum points for each factor, are outlined below. These factors will be used to evaluate applications. The maximum score is 100 for all applicants.

b. HUD may rely on other information, such as performance reports, financial status information, monitoring reports, audit reports and other information available to HUD in making score determinations under any Rating Factor.

2. Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (40 points)

HUD uses responses to this rating factor to evaluate the readiness and ability of an applicant to begin the proposed work program immediately, as well as the potential for an applicant to cost-effectively and successfully implement the proposed activities indicated under Rating Factor 3.

a. **Relevant Staff (15 points).** In rating this section, HUD will consider the degree to which the applicant and, if applicable, partnering organizations, have sufficient personnel with the relevant knowledge and experience to implement the proposed activities in a timely and effective fashion.

Specifically, scoring will be based on the number of years of relevant and recent housing counseling training, housing counseling material production, and other related experience of program managers and staff.

Submit the names and titles of employees, including subcontractors and consultants, who would perform the activities proposed in Rating Factor 3. Clerical staff should not be listed. Describe each employee's, subcontractor's, or consultant's relevant professional background and experience. Experience is relevant if it corresponds directly to projects of a similar scale and purpose. Provide the number of years of experience for each position listed, and indicate when each position was held. Individual descriptions should be limited to one page. List recent and relevant training received.

b. **Experience (20 points).** Applicants should carefully document recent experience, and the experience of organizations with which it is partnering, in providing the eligible activities listed in Section III of this NOFA that it is proposing to offer through this NOFA. Indicate the types

and complexity of the services provided and the outcomes for counselors as a result of the training and other services. Describe the level of effort and time required to provide the services and to meet the needs of the counselors.

Indicate the number of counselors that have participated in your training program or otherwise benefited from the relevant services you provided.

c. **Performance/Grant Requirements (5 points).** In scoring this section, HUD will evaluate how well the applicant has satisfied the requirements, including reporting, on HUD grants received. If an applicant has not received a HUD grant, the applicant should base its response on activities and requirements under other sources of funding, such as other federal, state, local, or other awards.

An applicant should characterize performance with regard to the timeliness and completeness with which the applicant satisfied reporting requirements (such as Form HUD 9902) and quarterly and final reports.

Also, indicate whether or not an applicant fully expended grant awards during the specified award periods. If not fully expended, provide an explanation as to the reason why the funds were not fully expended on time and the steps taken to ensure that future funding will be expended in a timely manner.

3. Rating Factor 2: Need/Extent of the Problem (5 points)

This factor addresses the extent to which there is a need to fund proposed activities described in response to Rating Factor 3.

Describe and document the national need, such as the number of housing counselors and areas of housing counseling training the application intends to address with the services proposed in Rating Factor 3. Responses will be evaluated based on how well they demonstrate a grasp of the elements of the problems this NOFA is intended to address. Include applicable statistics and analyses, if available, contained in data sources that are sound and reliable. Sources for all data provided must be clearly cited.

4. Rating Factor 3: Soundness of Approach/Scope of Housing Counseling Services (35 points)

This factor addresses the quality and effectiveness of the proposed work plan. In rating this factor, HUD will evaluate the extent to which the applicant presents a detailed and sound approach for providing the proposed services. HUD will also evaluate the extent to which the applicant demonstrates the cost-effectiveness of its activities, and

convincingly explains how the proposed activities will yield long-term results.

a. Work Plan (20 points).

Applicants should provide a work plan that lists the major objectives and activities it intends to undertake, and how it plans to provide those services. Include administrative and project tasks.

The Work Plan must include all the housing counseling training topics listed in section III. The only exception to this requirement is organizations proposing to provide Home Equity Conversion Mortgage (HECM) counseling exclusively. Indicate if any of the listed trainings will be provided by organizations with which an applicant has partnered. The proposed program must be national in scope. All proposals to provide training must include a description of the methodology for measuring the success of the training program. The proposals must also include a scholarship element, detailing the full or partial costs to be covered, including travel, hotel, and tuition expenses. Applicants must also indicate the total number of tuition, travel, and lodging scholarships they estimate can be offered, and describe plans for determining how the various types of scholarship assistance will be equitably distributed.

b. Proposed Budget (15 points).

For the work plan proposed above, indicate the Grant amount in line 18a of form SF-424. Describe and explain a proposed budget, utilizing the HUD-424-CB. If applicable, the budget should highlight portions being proposed as sub-grants to partnering organizations. Make a case for why the proposed budget is cost effective in achieving proposed results. Responses will be evaluated based on the quality, thoroughness, and reasonableness of the cost estimates provided.

5. Rating Factor 4: Leveraging Resources (10 Points)

Although HUD funding through this NOFA may fully fund an organization's proposed program, applicants are encouraged to secure the use of other resources to supplement the HUD grant.

In scoring this factor, applicants will be evaluated based on their ability to obtain additional resources for their proposed training and other related eligible activities, including direct financial assistance and in-kind contributions, which may include services, equipment, office space, labor, etc. Resources may be provided by governmental entities, public or private nonprofit organizations, for-profit private organizations, or other entities

committed to providing the applicant assistance.

Additionally, resources provided by the applicant, recorded as "applicant match" and "program income" on form SF-424, will count as leveraged resources.

Points for this factor will be awarded based on the ratio of requested HUD funds to total budget for the proposed activities.

Percentage	Points
01–15	10
16–23	9
24–29	8
30–35	7
36–41	6
42–47	5
48–53	4
54–59	3
60–65	2
66–99	1

6. Rating Factor 5: Achieving Results and Program Evaluation (10 Points)

Outcomes are benefits accruing to recipients of the service to be offered (e.g., increase in the number of counselors demonstrating proficiency after training. Outputs are units of service or activity (e.g., instructional units developed, number of counselors trained, number tested). Outputs and outcomes must be objectively quantifiable. The purpose of this factor is for the applicant to identify program outputs and outcomes that will allow an applicant and HUD to measure actual achievements against anticipated achievements. For this NOFA, HUD will give particular weight to an applicant's ability to demonstrate change in counselors' knowledge and skills as a result of the training offered. Applicants should therefore emphasize a rigorous and objective testing protocol as part of their performance evaluation strategy.

Submission Requirements for Factor 5.

Applicants must submit an effective, quantifiable, and outcome-oriented evaluation plan. The plan must be in narrative form and must also be presented utilizing HUD's (Logic Model, form 96010) for measuring performance and determining that output and outcome goals have been met. An applicant must submit a program evaluation plan that demonstrates how it will measure its own program performance. The evaluation plan should identify what an applicant is going to measure, how an applicant is going to measure it, and the steps in place to make adjustments to its work plan if performance targets are not met within established timeframes. Specifically, the plan must identify:

- Outputs. Outputs are the direct products of an applicant's activities that lead to the ultimate achievement of outcomes. Examples of outputs are the number of training sessions to be provided and the number of counselors to be trained. Identify interim and full grant term projected outputs and timeframes for accomplishing these goals. The plan must show how an applicant will measure actual accomplishments against anticipated achievements.
- Work Plan Adjustments. Describe steps in place to make adjustments to the work plan if outputs are not met within established timeframes or if a grantee begins to fall short of established outputs or timeframes.
- Outcomes. Outcomes are benefits accruing to the counselors as a result of participation in an applicant's program. Outcomes are performance indicators an applicant expects to achieve or goals an applicant hopes to meet over the term of its proposed grant. An example of an outcome is the percentage of counselors who, following training, can demonstrate competence in the areas of training. Another example of an outcome is an instructional module, which when administered to counselors, produces a measurable increase in counselors' knowledge or skills. An applicant should identify how it will determine that a counselor has demonstrated competence following training, and provide projected outcomes of the number of counselors trained and the number of counselors demonstrating competence following training for the full grant term, as well as timeframes for accomplishing these goals. The plan must show how an applicant will measure actual accomplishments against anticipated achievements.
- Information Collection. An applicant should describe its strategy for collecting outcome information.

B. Review and Selection Process

1. General. HUD will review each application to determine whether it meets the threshold and the eligibility requirements found in Section III of this NOFA. Only applicants that meet all of the eligibility and threshold requirements will be rated and ranked.

2. Rating Panels. To review and rate applications, HUD may establish panels which may include persons not currently employed by HUD. HUD may include these non-HUD employees to obtain certain expertise and outside points of view, including views from other federal agencies.

3. Corrections To Deficient Applications. See the General Section.

4. Rating and Ranking.

a. Applications that earn a score of 75 points or more will be considered eligible for funding.

b. HUD intends to award the entire amount available under this NOFA to the highest scoring application. However, HUD reserves the right to make multiple awards.

c. If an applicant turns down an award offer, HUD may make an offer to the next highest-ranking application.

d. In the event HUD commits an error that, when corrected, would result in selection of an otherwise eligible applicant during the funding round of this NOFA, HUD may select that applicant when sufficient funds become available.

5. Award Size. All grantees will receive the lower of either the award amount determined by HUD or the amount actually requested by the applicant.

6. Award Adjustments. HUD reserves the right to adjust funding levels for each applicant as indicated in Section II C. of this NOFA. HUD reserves the right to fund less than the full amount requested in an application.

7. Ineligible Activities. HUD will not fund any portion of an application that: is not eligible for funding under this program's statutory or regulatory requirements; does not meet the requirements of this NOFA; or may be duplicative of other funded programs or activities from prior year awards or other selected applicants. Only the eligible portions of an application (including non-duplicative portions) may be funded. Funds from this program may not be used for real property acquisition, disposition, leasing, rehabilitation, alteration, demolition, or new construction.

VI. Award Administration Information

A. Award Notices

After all eligible applications have been rated and ranked and selections

have been made, HUD will notify applicants regarding the disposition of their application.

B. Administrative and National Policy Requirements

1. Environmental Requirements. Activities funded through this program are categorically excluded under 24 CFR 50.19(b)(9) from the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and are not subject to review under the related laws and authorities.

2. Procurement of Recovered Materials. Please see the General Section for this requirement.

C. Reporting: Grant recipients will be required to submit quarterly progress reports, comparing actual accomplishments with the goals and objectives established for the period, explaining why established goals were not met, and highlighting any problems, delays, or adverse conditions that materially impaired the ability to meet the objectives of the awards. Each recipient is also required to submit a completed Logic Model showing accomplishments against proposed outputs and outcomes as part of their quarterly reporting requirement to HUD. Recipients shall use quantifiable data to measure performance against goals and objectives outlined in their Logic Model. For FY2007, HUD is considering a new concept for the Logic Model. The new concept is a Return on Investment (ROI) statement. HUD will be publishing a separate notice on the ROI concept.

D. Debriefing. HUD will provide a debriefing to a requesting applicant related to its application. See the General Section for more information.

VII. Agency Contact

For further information about this NOFA or application requirements, applicants should contact Miriam Torres, HUD Headquarters, Single Family Housing, Program Support

Division, at (202) 708-0317 x2618 (this is not a toll-free number). Persons with hearing or speech impairments may access any of these numbers via (TTY) by calling the toll-free Federal Information Relay Service at (800) 877-8339. For technical help with the electronic submission procedure, applicants may e-mail support@grants.gov or call (800) 518-4726 (800) 518-GRANTS). The Grants.gov Customer Support Center is open from 7 a.m. to 9 p.m. Eastern Time.

VIII. Other Information

Paperwork Reduction Act. The information collection requirements contained in this document have been approved by OMB under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2502-0261. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number. Public reporting burden for the collection of information is estimated to average 68 hours per annum per respondent for the application and grant administration. This includes the time collecting, reviewing, and reporting the data for the application, semi-annual reports, and final report. The information will be used for grantee selection and monitoring the administration of funds. Response to this request for information is required in order to receive the benefits to be derived.

REMINDERS

The items in this list were editorially compiled as an aid to Federal Register users. Inclusion or exclusion from this list has no legal significance.

RULES GOING INTO EFFECT MARCH 13, 2007**COMMERCE DEPARTMENT
National Oceanic and
Atmospheric Administration**

Fishery conservation and management:

- Alaska; fisheries of Exclusive Economic Zone—
Pollock; published 3-13-07

**INTERNATIONAL TRADE
COMMISSION**

- African Growth and Opportunity Act; implementation:
Sub-Saharan African countries; investigations with respect to commercial availability of textile fabric and yarn
Correction; published 3-13-07

POSTAL SERVICE

- Organization and administration:
Postal property conduct; published 3-13-07

**COMMENTS DUE NEXT
WEEK****AGRICULTURE
DEPARTMENT****Agricultural Marketing
Service**

- Beef promotion and research; comments due by 3-19-07; published 1-18-07 [FR E7-00598]
- Hazelnuts grown in Oregon and Washington; comments due by 3-23-07; published 1-22-07 [FR E7-00763]
- Olives grown in California; comments due by 3-22-07; published 3-7-07 [FR E7-03936]
- Potatoes (Irish) grown in Washington; comments due by 3-19-07; published 1-16-07 [FR E7-00425]

**AGRICULTURE
DEPARTMENT****Animal and Plant Health
Inspection Service**

- Plant-related quarantine, domestic:
Oriental fruit fly; comments due by 3-23-07; published 1-22-07 [FR E7-00801]

- Correction; comments due by 3-23-07; published 1-26-07 [FR Z7-00801]

**AGRICULTURE
DEPARTMENT****Forest Service**

- Alaska National Interest Lands Conservation Act; Title VIII implementation (subsistence priority):
Fish and shellfish; subsistence taking; comments due by 3-23-07; published 12-19-06 [FR 06-09760]
- Land and resource management plans, etc.:
Medicine Bow-Routt National Forests and Thunder Basin National Grassland; WY; Open for comments until further notice; published 3-13-07 [FR 07-01157]

**COMMERCE DEPARTMENT
National Oceanic and
Atmospheric Administration**

- Fishery and conservation management:
Western Pacific fisheries—
Electronic logbook forms; optional use; comments due by 3-23-07; published 2-21-07 [FR E7-02893]
- Marine mammals:
Sea turtle conservation—
Atlantic trawl fisheries; turtle excluder devices requirements; comments due by 3-19-07; published 2-15-07 [FR E7-02719]

**COMMERCE DEPARTMENT
Patent and Trademark Office**

- Patent cases:
Patent Cooperation Treaty; application procedures; comments due by 3-19-07; published 2-16-07 [FR E7-02761]

**DEFENSE DEPARTMENT
Defense Acquisition
Regulations System**

- Acquisition regulations:
Berry Amendment restrictions; clothing materials and components covered; comments due by 3-23-07; published 1-22-07 [FR E7-00731]
- Emergency acquisitions; comments due by 3-23-07; published 1-22-07 [FR E7-00730]
- Information assurance contractor training and certification; comments due by 3-23-07; published 1-22-07 [FR E7-00732]

- Taxpayer identification numbers; comments due by 3-23-07; published 1-22-07 [FR E7-00736]

DEFENSE DEPARTMENT

- Civilian health and medical program of the uniformed services (CHAMPUS):
TRICARE program—
Survivors of deceased active duty members and adoption intermediaries; comments due by 3-20-07; published 1-19-07 [FR E7-00709]

**DEFENSE DEPARTMENT
Engineers Corps**

- Navigation regulations:
Naval Air Station Key West, FL; danger zone and restricted area; comments due by 3-23-07; published 2-21-07 [FR E7-02874]

**DEFENSE DEPARTMENT
Navy Department**

- Acquisition regulations:
Continuous process improvements; comments due by 3-19-07; published 1-18-07 [FR E7-00612]

EDUCATION DEPARTMENT

- Grants and cooperative agreements; availability, etc.:
Special education and rehabilitative services—
Youth with disabilities; improving postsecondary and employment outcomes; comments due by 3-19-07; published 2-15-07 [FR E7-02685]

**ENVIRONMENTAL
PROTECTION AGENCY**

- Air pollution control:
Indian country; new sources and modifications review; comments due by 3-20-07; published 2-8-07 [FR E7-02101]
- Air programs:
Fuels and fuel additives—
East St. Louis, IL; reformulated gasoline program extension; public hearing; comments due by 3-23-07; published 2-2-07 [FR E7-01726]
- Air quality implementation plans; approval and promulgation; various States and State operating permits programs:
Missouri; comments due by 3-23-07; published 2-21-07 [FR E7-02808]
- Air quality implementation plans; approval and

promulgation; various States and State operating permits programs:

- Missouri; comments due by 3-23-07; published 2-21-07 [FR E7-02807]

Air quality implementation plans; approval and promulgation; various States:

- New Mexico; comments due by 3-19-07; published 2-15-07 [FR E7-02671]

Solid wastes:

- Hazardous waste; identification and listing—
Hazardous waste code F019; modification; comments due by 3-19-07; published 1-18-07 [FR E7-00640]

Toxic substances:

- Hazardous substances priority list; chemical testing requirements; comments due by 3-19-07; published 12-18-06 [FR E6-21494]

**FEDERAL TRADE
COMMISSION**

Industry guides:

- Guides concerning use of endorsements and testimonials in advertising; comment request; comments due by 3-19-07; published 1-18-07 [FR 07-00197]

**HEALTH AND HUMAN
SERVICES DEPARTMENT
Centers for Medicare &
Medicaid Services**

- Medicaid:
Provisions to ensure the integrity of Federal-State Financial Partnership; cost limit for providers operated by units of government; comments due by 3-19-07; published 1-18-07 [FR 07-00195]

**HEALTH AND HUMAN
SERVICES DEPARTMENT
Food and Drug
Administration**

- Communicable diseases control:
African rodents, prairie dogs, and certain other animals; restrictions; comments due by 3-23-07; published 2-21-07 [FR E7-02857]
- Food for human consumption:
Food labeling—
Calcium, vitamin D, and osteoporosis; nutrient content claims; comments due by 3-21-07; published 1-5-07 [FR E6-22573]

HOMELAND SECURITY DEPARTMENT

Coast Guard

Ports and waterways safety; regulated navigation areas, safety zones, security zones, etc.:

Savannah River, GA; comments due by 3-20-07; published 1-19-07 [FR E7-00728]

Regattas and marine parades:

Virginia State Hydroplane Championship; comments due by 3-19-07; published 3-2-07 [FR E7-03638]

INTERIOR DEPARTMENT

Fish and Wildlife Service

Alaska National Interest Lands Conservation Act; Title VIII implementation (subsistence priority):

Fish and shellfish; subsistence taking; comments due by 3-23-07; published 12-19-06 [FR 06-09760]

NUCLEAR REGULATORY COMMISSION

Rulemaking petitions:

Massachusetts Attorney General; comments due by 3-19-07; published 1-19-07 [FR E7-00712]

PERSONNEL MANAGEMENT OFFICE

Employment:

Suitability; determinations, action procedures, Merit Systems Protection Board appeals, and savings provision; comments due by 3-19-07; published 1-18-07 [FR E7-00592]

POSTAL SERVICE

Domestic Mail Manual:

Adult fowl; revised mailing standards; comments due by 3-19-07; published 2-16-07 [FR E7-02817]

TRANSPORTATION DEPARTMENT

Federal Aviation Administration

Airworthiness directives:

Airbus; comments due by 3-23-07; published 1-22-07 [FR 07-00201]

Dassault; comments due by 3-19-07; published 1-18-07 [FR E7-00490]

EADS SOCATA; comments due by 3-23-07; published 2-21-07 [FR E7-02888]

General Electric Co.; comments due by 3-19-07; published 1-17-07 [FR E7-00499]

Gippsland Aeronautics Pty. Ltd.; comments due by 3-19-07; published 2-16-07 [FR E7-02516]

Rolls-Royce plc; comments due by 3-23-07; published 1-22-07 [FR E7-00684]

Turbomeca S.A.; comments due by 3-19-07; published 1-17-07 [FR E7-00494]

Airworthiness standards:

Special conditions—

Dassault Aviation Model Falcon 7X airplane; comments due by 3-21-07; published 3-1-07 [FR E7-03582]

TRANSPORTATION DEPARTMENT

Federal Motor Carrier Safety Administration

Motor carrier safety standards:

Intermodal equipment providers, motor carriers, and drivers operating intermodal equipment; safety and maintenance requirements; comments due by 3-21-07; published 12-21-06 [FR E6-21380]

TRANSPORTATION DEPARTMENT

National Highway Traffic Safety Administration
